ARTICLE 1

General Provisions

PART 1

GENERAL PROVISIONS

19-1-101. Short title. This title shall be known and may be cited as the "Colorado Children's Code".

Source: L. 87: Entire title R&RE, p. 695, § 1, effective October 1.

Editor's note: This section was contained in a title that was repealed and reenacted in 1987. This section, as it existed in 1987, is the same as 19-1-101 as said section existed in 1986, the year prior to the repeal and reenactment of this title.

19-1-102. Legislative declaration. (1) The general assembly declares that the purposes of this title are:

(a) To secure for each child subject to these provisions such care and guidance, preferably in his own home, as will best serve his welfare and the interests of society;

(b) To preserve and strengthen family ties whenever possible, including improvement of home environment;

(c) To remove a child from the custody of his parents only when his welfare and safety or the protection of the public would otherwise be endangered and, in either instance, for the courts to proceed with all possible speed to a legal determination that will serve the best interests of the child; and

(d) To secure for any child removed from the custody of his parents the necessary care, guidance, and discipline to assist him in becoming a responsible and productive member of society.

(1.5) (a) The general assembly declares that it is in the best interests of the child who has been removed from his own home to have the following guarantees:

(I) To be placed in a secure and stable environment;

(II) To not be indiscriminately moved from foster home to foster home; and

(III) To have assurance of long-term permanency planning.

(b) (Deleted by amendment, L. 92, p. 220, § 1, effective July 1, 1992.)

(1.6) The general assembly recognizes the numerous studies establishing that children undergo a critical bonding and attachment process prior to the time they reach six years of age. Such studies further disclose that a child who has not bonded with a primary adult during this critical stage will suffer significant emotional damage which frequently leads to chronic psychological problems and antisocial behavior when the child reaches adolescence and adulthood. Accordingly, the general assembly finds and declares that it is appropriate to provide for an expedited placement procedure to ensure that children under the age of six years who have been removed from their homes are placed in permanent homes as expeditiously as possible.

(1.7) The general assembly further declares that it is the intent of the general assembly to have the media and the courts refrain from causing undue hardship, discomfort, and distress to any juvenile victims of sexual assault, child abuse, incest, or any offenses listed in wrongs to children pursuant to part 4 of article 6 of title 18, C.R.S., by not disseminating or publishing the names of such victims.

(1.9) The federal "Family First Prevention Services Act" was enacted on February 9, 2018. In order to comply with the provisions of the federal "Family First Prevention Services Act", the general assembly finds that it is necessary to update current statutes to enable Colorado to provide enhanced support to children, youth, and their families in order to prevent foster care placements. The state department shall implement the updated provisions in sections 19-1-103, 19-1-115, 19-3-208, and 19-3-308 utilizing foster care prevention services and qualified residential treatment programs when the federal government approves Colorado's five-year Title IV-E prevention plan, and subject to available general fund appropriations or federal funding.

(2) To carry out these purposes, the provisions of this title shall be liberally construed to serve the welfare of children and the best interests of society.

19-1-104. Jurisdiction. (1) Except as otherwise provided by law, the juvenile court has exclusive original jurisdiction in proceedings:

(a) Concerning any child committing a delinquent act, as defined in section 19-1-103 (36);

(b) Concerning any child who is neglected or dependent, as set forth in section 19-3-102;

(c) To determine the legal custody of any child or to appoint a guardian of the person or legal custodian of any child who comes within the juvenile court's jurisdiction under provisions of this section, and may also enter findings and orders as described in section 14-10-123 (1.5) and section 15-14-204 (2.5);

(d) To terminate the legal parent-child relationship;

(e) For the issuance of orders of support under article 6 of this title;

(f) To determine the parentage of a child and to make an order of support in connection therewith;

(g) For the adoption of a person of any age;

(h) For judicial consent to the marriage, employment, or enlistment of a child, when such consent is required by law;

(i) For the treatment or commitment pursuant to article 23 of title 17 and article 10.5 of title 27 of a child who has a behavioral or mental health disorder or an intellectual and developmental disability and who comes within the court's jurisdiction under other provisions of this section;

(j) Under the interstate compact on juveniles, part 7 of article 60 of title 24, C.R.S.;

(k) To make a determination concerning a petition filed pursuant to the "School Attendance Law of 1963", article 33 of title 22, C.R.S., and to enforce any lawful order of court made thereunder;

(l) To make a determination concerning a petition for review of need for placement in accordance with the provisions of section 19-1-115 (8);

(m) To decide the appeal of any child found to be in contempt of a municipal court located within the jurisdiction of the juvenile court, if confinement of the child is ordered by the municipal court.

(1.5) A juvenile court exercising jurisdiction pursuant to subsection (1)(a), (1)(b), (1)(c), (1)(f), or (1)(g) of this section may enter findings establishing eligibility for classification as a special immigrant juvenile under federal law.

(2) Except as otherwise provided by law, the juvenile court shall have jurisdiction in proceedings concerning any adult who abuses, ill-treats, neglects, or abandons a child who comes within the court's jurisdiction under other provisions of this section.

(3) (a) Upon hearing after prior notice to the child's parent, guardian, or legal custodian, the court may issue temporary orders providing for legal custody, protection, support, medical evaluation or medical treatment, surgical treatment, psychological evaluation or psychological treatment, or dental treatment as it deems in the best interest of any child concerning whom a petition has been filed prior to adjudication or disposition of his case.

(b) Notwithstanding the provisions of paragraph (a) of this subsection (3), the court may, on the basis of a report that a child's welfare may be endangered, and if the court believes that a medical evaluation or emergency medical or surgical treatment is reasonably necessary, issue ex parte emergency orders. Where the need for a medical evaluation or medical or surgical emergency orders arises and the court is not in regular session, the judge or magistrate may give oral or telephone authorization for the necessary medical evaluation or emergency medical, surgical, or hospital care, which authorization shall have the same force and effect as if written, the same to be followed by a written order to enter on the first regular court day thereafter. Such written order shall make specific findings of fact that such emergency existed. Prior to the entry of any emergency order, reasonable effort shall be made to notify the parents, guardian, or other legal custodian for the purpose of gaining consent for such care; except that, if such consent cannot be secured and the child's welfare so requires, the court may authorize needed medical evaluation or emergency medical, surgical, or hospital care. Such ex parte emergency orders shall expire twenty-four hours after issuance; except that, at any time during such twenty-four-hour period, the parents, guardian, or other legal custodian may apply for a hearing to set aside the ex parte emergency order.

(4) Nothing in this section shall deprive the district court of jurisdiction to appoint a guardian for a child nor of jurisdiction to determine the legal custody of a child upon writ of habeas corpus or when the question of legal custody is incidental to the determination of a cause in the district court; except that:

(a) If a petition involving the same child is pending in juvenile court or if continuing jurisdiction has been previously acquired by the juvenile court, the district court shall certify the question of legal custody to the juvenile court; and

(b) The district court at any time may request the juvenile court to make recommendations pertaining to guardianship or legal custody.

(5) Where a custody award or an order allocating parental responsibilities with respect to a child has been made in a district court in a dissolution of marriage action or another proceeding and the jurisdiction of the district court in the case is continuing, the juvenile court may take jurisdiction in a case involving the same child if he or she comes within the jurisdiction of the juvenile court. The juvenile court shall provide notice in compliance with the Colorado rules of civil procedure; except that service must be effected not less than seven business days prior to the hearing. The notice must be written in clear language stating that the hearing concerns the allocation of parental responsibilities. When creating or modifying an existing order, the juvenile court shall proceed as set forth in subsection (6) of this section for a dependency and neglect

proceeding pursuant to article 3 of this title 19, or as set forth in subsection (8) of this section for a juvenile delinquency case pursuant to article 2 of this title 19.

(6) When the juvenile court maintains jurisdiction in a case involving a child who is dependent or neglected and no child custody action or action for the allocation of parental responsibilities concerning the same child is pending in a district court in this state, upon the petition of a party to the dependency or neglect case, the juvenile court may enter an order allocating parental responsibilities and addressing parenting time and child support matters. The parent or person other than a parent with whom the child resides the majority of the time pursuant to the juvenile court's order shall file a certified copy of the order in the district court in the county where the child is permanently resident. Such order shall be treated in the district court as any other decree issued in a proceeding concerning the allocation of parental responsibilities.

(7) Upon motion of the city or county attorney, guardian ad litem, or respondent parent counsel, the district or the juvenile court has jurisdiction to enter a civil protection order pursuant to article 14 of title 13 in actions brought pursuant to article 3 of this title 19. The court shall use the standardized forms developed by the judicial department pursuant to section 13-1-136 and shall follow the standards and procedures for the issuance of civil protection orders set forth in article 14 of title 13, including but not limited to personal service upon the restrained person. Once issued, the clerk of the issuing court shall enter the civil protection order into the computerized central registry of protection orders created pursuant to section 18-6-803.7. If the person who is the subject of the civil protection order has not been personally served pursuant to section 13-14-107 (3), a peace officer responding to a call for assistance shall serve a copy of the civil protection order on the person who is subject to the order. If the civil protection order is made permanent pursuant to the provisions of section 13-14-106, the civil protection order remains in effect upon termination of the juvenile court action. The clerk of the court issuing the order shall file a certified copy of the permanent civil protection order into an existing case in the district court, if applicable, or with the county court in the county where the protected party resides. Civil protection orders issued by the district or the juvenile court pursuant to article 14 of title 13 have the same force and effect as protection orders issued pursuant to article 14 of title 13 by a court with concurrent jurisdiction.

(8) (a) Upon submission of a stipulated agreement of all parties, parents, guardians, and other legal custodians, if the juvenile court finds that it is in the best interests of the juvenile, the juvenile court may enter an order allocating parental responsibilities and addressing parenting time and child support matters when:

(I) The juvenile court has maintained jurisdiction in a case involving an adjudicated juvenile, a juvenile with a deferred adjudication, or a juvenile on a management plan developed pursuant to section 19-2-1303 (3);

(II) A child custody action, a dependency and neglect action, or an action for allocation of parental responsibilities concerning the same juvenile is not pending in a district court of this state, and the court complies, as applicable, with the requirements of the "Uniform Child-custody Jurisdiction and Enforcement Act", as set forth in article 13 of title 14; and

(III) All parties, parents, guardians, and other legal custodians involved are in agreement, or after notice is given to all parents, guardians, and other legal custodians and a response or objection is not filed.

(b) The parent or person other than a parent with whom the juvenile resides the majority of the time pursuant to a juvenile court order shall file a certified copy of the order in the district court in the county where the juvenile is a permanent resident. The district court shall treat the order as with any other decree issued in a proceeding concerning the allocation of parental responsibilities.

(2) The right to counsel shall be as provided in this title; except that, in all proceedings under the "School Attendance Law of 1963", article 33 of title 22, C.R.S., the court may appoint counsel or a guardian ad litem for the child, unless the child is already represented by counsel. 19-1-108. Magistrates - qualifications - duties. (1) The juvenile court may appoint one or more magistrates to hear any case or matter under the court's jurisdiction, except where a jury trial has been requested pursuant to section 19-2-107 and in transfer hearings held pursuant to section 19-2-518. Magistrates shall serve at the pleasure of the court, unless otherwise provided by law.

(2) Every magistrate appointed pursuant to this section shall be licensed to practice law in Colorado; except that county judges who are not lawyers may be appointed to serve as magistrates, as authorized by section 13-6-105 (3), C.R.S., to hear detention and bond matters.

(3) (a) Repealed.

(a.5) Magistrates shall conduct hearings in the manner provided for the hearing of cases by the court. During the initial advisement of the rights of any party, the magistrate shall inform the party that, except as provided in this subsection (3), he or she has the right to a hearing before the judge in the first instance and that he or she may waive that right but that, by waiving that right, he or she is bound by the findings and recommendations of the magistrate, subject to a request for review as provided in subsection (5.5) of this section. The right to require a hearing before a judge does not apply to hearings at which a child is advised of his or her rights pursuant to section 19-2-706; detention hearings held pursuant to sections 19-2-507, 19-2-507.5, and 19-2-508; preliminary hearings held pursuant to section 19-2-705; temporary custody hearings held pursuant to section 19-3-403; proceedings held pursuant to article 4 of this title 19; and support

proceedings held pursuant to article 6 of this title 19. In proceedings held pursuant to article 4 or 6 of this title 19, contested final orders regarding allocation of parental responsibilities may be heard by the magistrate only with the consent of all parties.

(b) In proceedings under article 2 of this title, the right to require a hearing before a judge shall be deemed waived unless a request is made by any party that the hearing be held before a judge at the time the matter is set for hearing.

(c) In proceedings under article 3 of this title, the right to require a hearing before a judge is waived unless:

(I) A request is made by a party or the people of the state of Colorado that the hearing be held before the judge at the time the matter is set for hearing, if counsel for the party is present at the time the matter is set; or

(II) A request is made by a party or the people of the state of Colorado in writing within seven days after receipt of notice of the setting if the matter is set for hearing outside of the presence of counsel for a represented party or if the matter is set on notice.

(4) At the conclusion of a hearing, the magistrate shall:

(a) Advise the parties before him of his findings and ruling;

(b) Advise the parties of their right to review by the judge of his findings and ruling;

(c) Prepare findings and a written order that shall become the order of the court, absent a petition for review being filed as provided in subsection (5.5) of this section; and

(d) Advise the parties that they have a right to object to an order allowing the review of any decree for placement of a child to be conducted as an administrative review by the department of human services and that if any party objects to administrative review, the court shall conduct the review.

(5) Repealed.

(5.5) A request for review must be filed within fourteen days for proceedings under articles 2, 4, and 6 of this title or within seven days for proceedings under article 3 of this title after the parties have received notice of the magistrate's ruling and must clearly set forth the grounds relied upon. Such review is solely upon the record of the hearing before the magistrate and is reviewable upon the grounds set forth in rule 59 of the Colorado rules of civil procedure. A petition for review is a prerequisite before an appeal may be filed with the Colorado court of appeals or Colorado supreme court. The judge may, on his or her own motion, remand a case to another magistrate after action is taken on a petition for review.

(6) A magistrate may issue a lawful warrant taking a child into custody pursuant to section 19-2-503 and may issue search warrants as provided in sections 19-1-112 and 19-2-504.

19-1-113. Emergency protection orders. (1) The juvenile court is authorized to issue an ex parte written or verbal emergency protection order for the protection of a child pursuant to this section. A judge or magistrate shall be available in the juvenile court in each judicial district

to issue by telephone emergency protection orders at all times when the juvenile court is otherwise closed for judicial business.

(2) Any person who has the responsibility of supervising a child placed out of the home by court order may seek an emergency protection order, through a P.O.S.T.-certified peace officer, when such person asserts reasonable grounds to believe that the child is in immediate and present danger based on an allegation that the child is absent without permission from the court-ordered placement.

(3) An emergency protection order may include, but need not be limited to:

(a) Restraining a person from threatening, molesting, or injuring the child;

(b) Restraining a person from interfering with the supervision of the child;

(c) Restraining a person from having contact with the child or the child's court-ordered residence;

(d) Restraining a person from harboring a child who is absent without permission from a court-ordered placement.

(4) An emergency protection order shall expire not later than the close of judicial business on the next day of judicial business following the day of issue, unless otherwise continued by the court. The motion to dissolve or modify the emergency protection order shall be set for hearing at the earliest possible time and shall take precedence over all matters except any emergency protection orders issued earlier, and the court shall determine such motion as expeditiously as the ends of justice require.

(5) (a) An emergency protection order may be issued only if the issuing judge or magistrate finds that an imminent danger exists to the welfare of a child based on an allegation that the child is absent without permission from the court-ordered placement. A verbal order shall be reduced to writing and signed by the peace officer through whom the emergency order was sought and shall include a statement of the grounds for the order asserted through the P.O.S.T.-certified peace officer. An order initially written shall meet the same requirement as an order issued verbally.

If any person named as a respondent in an order issued pursuant to this section has not been served personally with the order but has received actual notice of the existence and substance of the order from any sheriff, deputy sheriff, or police officer, any act in violation of the order may be deemed by the juvenile court a violation of the order and as such may be sufficient to subject the respondent to the order to any penalty for such violation. If the law enforcement agency having jurisdiction to enforce the emergency protection order has cause to believe that a violation of the order has occurred, it shall enforce the order.

(6) The issuance of an emergency protection order shall not be considered evidence of any wrongdoing.

(7) A law enforcement officer who acts in good faith and without malice shall not be held civilly or criminally liable for acts performed pursuant to this section.

(g) To perform any legal obligation of support; or

(h) To pay for damages recoverable under the provisions of section 13-21-107, C.R.S.

(3) (a) When such an order of protection is made applicable to a parent or guardian, it may specifically require his or her active participation in the rehabilitation process and may impose specific requirements upon such parent or guardian, subject to the penalty of contempt for failure to comply with such order without good cause, as provided in subsection (5) of this section.

(b) The court may, when the court determines that it is in the best interests of the child, make an order of protection which shall be applicable to a parent or guardian of a child and the person with whom the child resides, if other than the child's parent or guardian, subject to the provisions of article 2 of this title. The order shall require the parent or guardian and the person with whom the child resides, if other than the parent or guardian, to be present at any juvenile proceeding concerning the child.

(4) After notice and opportunity for a hearing is given to a person subject to an order of protection, the order may be terminated, modified, or extended for a specified period of time if the court finds that the best interests of the child and the public will be served thereby.

(5) (a) A person failing to comply with an order of protection without good cause may be found in contempt of court.

(b) The court shall issue a bench warrant for any parent or guardian or person with whom the child resides, if other than the parent or guardian, who, without good cause, fails to appear at any proceeding.

(d) The general assembly hereby declares that every parent or guardian whose child is the subject of a juvenile proceeding under this article should attend any such proceeding as often as is practicable.

(6) Repealed.

(7) Nothing in this section shall be construed to create a right for any juvenile to have his or her parent or guardian present at any proceeding at which such juvenile is present.

Any individual, agency, or institution vested by the court with legal custody of a child shall have the rights and duties defined in section 19-1-103 (73).

(b) Any individual, agency, or institution vested by the court with the guardianship of the person of a child shall have the rights and duties defined in section 19-1-103 (60); except that no guardian of the person may consent to the adoption of a child unless that authority is expressly given by the court.

(2) (a) If legal custody or guardianship of the person is vested in an agency or institution, the court shall transmit, with the court order, copies of the social study, any clinical reports, and other information concerning the care and treatment of the child.

(b) An individual, agency, or institution vested by the court with legal custody or guardianship of the person of a child shall give the court any information concerning the child which the court at any time may require.

(3) (a) Any agency vested by the court with legal custody of a child shall have the right, subject to the approval of the court, to determine where and with whom the child shall live, but this paragraph (a) shall not apply to placement of children committed to the department of human services. In determining where and with whom a child shall live, if in the best interests of the child, preference may be given to the child's grandparent who is appropriate, capable, willing, and available to care for the child.

(b) No individual or agency vested by the court with legal custody of a child or with which a child is placed pursuant to subsection (8) of this section shall remove the child from the state for more than thirty days without court approval. When granting such approval, if appropriate, the court shall enter an order that the individual or agency comply with the requirements of the "Interstate Compact on Placement of Children" set forth in part 18 of article 60 of title 24, C.R.S.

(4) (a) A decree vesting legal custody of a child in an individual, institution, or agency or providing for placement of a child pursuant to section 19-2-906 or 19-3-403 or subsection (8) of this section shall be for a determinate period. Such decree shall be reviewed by the court no later than three months after it is entered, except a decree vesting legal custody of a child with the department of human services.

(b) The individual, institution, or agency vested with the legal custody of a child may petition the court for renewal of the decree. The court, after notice and hearing, may renew the decree for such additional determinate period as the court may determine if it finds such renewal to be in the best interests of the child and of the community. The findings of the court and the reasons therefor shall be entered with the order renewing or denying renewal of the decree.

(c) The court shall review any decree or, if there is no objection by any party to the action, the court may, in its discretion, require an administrative review by the state department of human services of any decree entered in accordance with this subsection (4) each six months after the initial review provided in subsection (4)(a) of this section. In the event that an administrative review is ordered, all counsel of record must be notified and may appear at said review. Periodic reviews must include the determinations and projections required in section 19-3-702.5.

(d) (I) A decree vesting legal custody of a child or providing for placement of a child with an agency in which public money is expended must be accompanied by an order of the court that obligates the parent of the child to pay a fee, based on the parent's ability to pay, to cover the costs of the guardian ad litem and of providing for residential care of the child. When custody of the child is given to the county department of human or social services, the fee for residential care must be in accordance with the fee requirements as provided by rule of the state department of human services, and the fee applies, to the extent unpaid, to the entire period of placement. When a child is committed to the state department of human services, the fee for care and treatment must be in accordance with the fee requirements as provided by rule of the state department of human services, and the fee applies, to the extent unpaid, to the entire period of placement.

(II) For an adoptive family who receives an approved Title IV-E adoption assistance subsidy pursuant to the federal "Social Security Act", 42 U.S.C. sec. 673 et seq., or an approved payment in subsidization of adoption pursuant to article 7 of title 26, the cost of care, as defined in section 19-1-103 (30), must not exceed the amount of the adoption assistance payment.

(e) Whenever a child is placed in a qualified residential treatment program, a family or juvenile court, or, if there is no objection, the administrative review division of the department of human services, shall, within sixty days:

(I) Consider the assessment, determination, and documentation made by the qualified individual;

(II) Determine whether the needs of the child can be met through placement with a parent, legal guardian, legal custodian, kin caregiver, or in a foster care home, or whether placement of the child in a qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment, and whether that placement is consistent with the short- and long-term goals, including mental, behavioral, and physical health goals, for the child as specified in the permanency plan for the child or as outlined in the family services plan; and

(III) Approve or disapprove of the placement.

(f) As long as a child remains in a qualified residential treatment program, the county department shall submit evidence at each review and each permanency hearing held with respect to the child:

(I) Demonstrating that ongoing assessment of the strengths and needs of the child continues to support the determination that the needs of the child cannot be met through placement with a parent, legal guardian, legal custodian, kin caregiver, or in a foster family home; and that the placement in a qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment; and that the placement is consistent with the short- and long-term goals for the child as specified in the permanency plan for the child, or as outlined in the family services plan;

(II) Documenting the specific treatment or service needs that will be met for the child in the placement and the length of time the child is expected to need treatment or services; and

(III) Documenting the efforts made by the county to prepare the child to return home or to be placed with a fit and willing kin caregiver, a legal guardian, legal custodian, or an adoptive parent, or in a foster family.

(4.5) The department of human services shall implement the provisions of subsections (4)(e) and (4)(f) of this section when the federal government approves Colorado's five-year Title IV-E prevention plan, at which time the department of human services may submit a budget request to the joint budget committee for necessary funding to implement the plan.

(5) No legal custodian or guardian of the person may be removed without his consent until given notice and an opportunity to be heard by the court if he so requests.

(6) Any time the court enters an order awarding legal custody of a child to the department of human services or to a county department pursuant to the provisions of this title, even temporarily, said order shall contain specific findings, if warranted by the evidence, as follows:

(a) That continuation of the child in the home would be contrary to the child's best interests;

(b) That there has been compliance with reasonable efforts requirements regarding removal of the child from the home, as follows:

(I) That reasonable efforts have been made to prevent or eliminate the need for removal of the child from the home; or

(II) That an emergency situation exists which requires the immediate temporary removal of the child from the home and it is reasonable that preventive efforts not be made due to the emergency situation; or

(III) That reasonable efforts to prevent the child's removal from the home are not required because of the existence of a circumstance described in subsection (7) of this section;

(c) That reasonable efforts have been made or will be made to reunite the child and the family or that efforts to reunite the child and the family have failed or that reasonable efforts to reunite the child and the family are not required pursuant to subsection (7) of this section; and

(d) That procedural safeguards with respect to parental rights have been applied in connection with the removal of the child from the home, a change in the child's placement out of the home, and any determination affecting parental visitation.

(6.5) Any time the court enters an order continuing a child in a placement out of the home pursuant to this title, said order shall contain specific findings, if warranted by the evidence, as follows:

(a) The continuation of the child in out-of-home placement is in the best interests of the child;

(b) That reasonable efforts have been made to reunite the child and the family or that reasonable efforts to reunite the child and the family are not required pursuant to subsection (7) of this section; and

(c) That procedural safeguards with respect to parental rights have been applied in connection with the continuation of the child in out-of-home placement, a change in the child's placement out of the home, and any determination affecting parental visitation.

(6.7) Any time the court enters an order related to out-of-home placement pursuant to subsections (6)(a) to (6)(c) or subsection (6.5)(b) of this section; subsection (8)(f) of this section; section 19-2-508 (3)(a)(XI)(A) and (3)(a)(XI)(B); section 19-2-906.5 (1)(a), (1)(b), and (3)(a)(III); or sections 19-3-702 (3)(b) and 19-3-702.5 (1)(b), the order is effective as of the date the findings were made by the court, notwithstanding the date that a written order may be signed by the court. Written orders entered pursuant to subsections (6)(a) to (6)(c) or subsection (6.5)(b) of this section; subsection (8)(f) of this section; section 19-2-508 (3)(a)(XI)(A) and (3)(a)(XI)(B); section 19-2-906.5 (1)(a), (1)(b), and (3)(a)(III); or sections 19-3-702 (3)(b) and 19-3-702.5 (1)(b) must state "the effective date of this order is" and must not use the words "nunc pro tunc".

(7) Reasonable efforts are not required to prevent the child's removal from the home or to reunify the child and the family in the following circumstances:

(a) When the court finds that the parent has subjected the child to aggravated circumstances as described in sections 19-3-604 (1) and (2); or

(b) When the parental rights of the parent with respect to a sibling of the child have been involuntarily terminated; unless the prior sibling termination resulted from a parent delivering a child to a firefighter or a staff member of a hospital or community clinic emergency center, as defined in section 19-3-304.5 (9), pursuant to the provisions of section 19-3-304.5; or

(c) When the court finds that the parent has been convicted of any of the following crimes:

(I) Murder of another child of the parent;

(II) Voluntary manslaughter of another child of the parent;

(III) Aiding, abetting, or attempting the commission of or conspiring or soliciting to commit the crimes in subparagraphs (I) and (II) of this paragraph (c); or

(IV) A felony assault that resulted in serious bodily injury to the child or to another child of the parent.

(8) (a) Whenever it appears necessary that the placement of a child out of the home will be for longer than ninety days, the placement is voluntary and not court-ordered, and the placement involves the direct expenditure of funds appropriated by the general assembly to the department of human services, a petition for review of need for placement shall be filed by the department or agency with which the child has been placed before the expiration of ninety days in the placement. A decree providing for voluntary placement of a child with an agency in which public moneys are expended shall be renewable in circumstances where there is documentation that the child has an emotional, a physical, or an intellectual disability that necessitates care and treatment for a longer duration than ninety days as provided pursuant to this paragraph (a). The court shall not transfer or require relinquishment of legal custody of, or otherwise terminate the parental rights with respect to, a child who has an emotional, a physical, or an intellectual disability and who was voluntarily placed out of the home for the purposes of obtaining special treatment or care solely because the parent or legal guardian is unable to provide the treatment or care. Whenever a child fifteen years of age or older consents to placement in a mental health facility pursuant to section 27-65-103, C.R.S., the review under section 27-65-103 (5), C.R.S., shall be conducted in lieu of and shall fulfill the requirements for review under this paragraph (a).

(b) (I) The petition and all subsequent court documents in any proceedings brought under paragraph (a) of this subsection (8) shall be titled "The People of the State of Colorado, in the Interest of _____, a child (or children) and Concerning _____, Respondent." The petition shall be verified, and the statements in the petition may be made upon information and belief.

(II) The petition shall set forth plainly the facts that bring the child within the court's jurisdiction, specifying that the child is subject to immediate placement out of the home or has been in voluntary placement out of the home and it appears that continuation of the placement is necessary for a time exceeding ninety days and continuation of the placement is necessary and is in the best interest of the child, the family, and the community. The petition shall also state the name, age, and residence of the child and the names and residences of his or her parents, guardian, or other legal custodian or of his or her nearest known relative if no parent, guardian, or other legal custodian is known.

(III) All petitions filed pursuant to this subsection (8) shall include the following statement: "If the child is placed out of the home for a period of twelve months or longer, the court shall hold a permanency hearing within said twelve months to determine the future status of the child. The review of any decree of placement of a child subsequent to the three-month review required by section 19-1-115 (4)(a), Colorado Revised Statutes, may be conducted as an administrative review by the department of human services. If you are a party to the action, you have a right to object to an administrative review, and, if you object, the review shall be conducted by the court."

(c) After a petition has been filed, the court shall promptly issue a summons reciting briefly the substance of the petition. The summons shall be substantially in the form specified in section 19-3-502 and be dealt with in the manner provided in section 19-3-503 and shall set forth

the constitutional and legal rights of the child, his or her parents or guardian, and any other respondent, including the right to have an attorney present at the hearing on the petition. The petitioner shall send the summons to the child and his or her parents, guardian, or legal custodian by certified mail. Notice of the hearing shall be given by the court to the director of the facility or agency in which the child is placed and any person who has physical custody of the child and any attorney or guardian ad litem of record. Nothing in this subsection (8) shall require the presence of any person before the court unless the court so directs.

(d) The court shall appoint a guardian ad litem to protect the interest of the child for any child who is the subject of a petition for review of placement, unless the court makes specific findings that no useful purpose would be served by such appointment.

(e) For purposes of determining proper placement of the child, the petition for review of placement or social study shall be accompanied by an evaluation for placement prepared by the department or agency that recommends placement or with which the child has been placed. The evaluation for placement shall include an assessment of the child's physical and mental health, developmental status, family and social history, and educational status. The petition shall also be accompanied by recommended placements for the child and the monthly cost of each and a treatment plan that contains, at a minimum, the goals to be achieved by the placement; the services to be provided; the intensity, duration, and provider of the services; identification of the services that can be provided only in a residential setting; and the recommended duration of the placement. The petition or social study shall also be accompanied by the required fee to be charged to the parents pursuant to paragraph (d) of subsection (4) of this section. In addition, if a change in legal custody is recommended, the evaluation for placement shall include other alternatives that have been explored and the reason for their rejection, and the evaluation for placement shall contain an explanation of any particular placements that were considered and rejected and the reason for their rejection.

(f) The petition for review of need for placement shall request the court to determine, by a preponderance of the evidence, whether placement or continued placement is necessary and in the best interest of the child, the family, and the community and whether reasonable efforts have been made to return the child to a safe home or whether the child should be permanently removed from his or her home. If the court makes such findings, it shall enter a decree ordering the child's placement out of the home in the facility or setting that most appropriately meets the needs of the child, the family, and the community. In making its decision as to proper placement, the court shall utilize the evaluation for placement prepared pursuant to section 19-1-107 or the evaluation for placement required by paragraph (e) of this subsection (8) that shall state the cost of recommended placement. If the evaluation for placement recommends placement in a facility located in Colorado that can provide appropriate treatment and that will accept the child, then the court shall not place the child in a facility outside this state. If the court deviates from the recommendations of the evaluation for placement in a manner that results in a difference in the cost of the disposition ordered by the court and the cost of the disposition recommended in the evaluation, the court shall make specific findings of fact relating to its decision, including the monthly cost of the placement, if ordered. A copy of such findings shall be sent to the chief justice of the Colorado supreme court, who shall report annually to the joint budget committee and the health and human services committees of the house of representatives and senate of the general assembly, or any successor committees, on such orders. If the court commits the child to the department of human services, it shall not make a specific placement, nor shall the provisions

of this paragraph (f) relating to specific findings of fact be applicable. If the court makes a finding that continued placement is not necessary and is not in the best interest of the child, the family, and the community, the court shall dismiss the petition for review of need for placement and shall order that the child be returned home. The court may require a continued hearing of the petition for review of need for placement for a period not to exceed fourteen days if it finds that the materials submitted are insufficient to make a finding as provided in this paragraph (f).

(g) A petition for review of need for placement shall not be handled as an informal adjustment in accordance with the provisions of section 19-3-501 (2).

19-1-115.3. Missing children and youth from out-of-home placement - required reporting to law enforcement. If a child or youth for whom the department of human services or a county department of human or social services has legal custody pursuant to the provisions of this title is determined by the agency to be missing, the agency having legal custody of said

child or youth shall report the disappearance immediately, and in no case later than twenty-four hours after learning of the disappearance, to the National Center for Missing and Exploited Children and to law enforcement. Law enforcement authorities shall notify the Colorado bureau of investigation for transmission to the federal bureau of investigation for entry into the national crime information center database pursuant to section 16-2.7-103, C.R.S. Notwithstanding the provisions of this section, the reporting requirements set forth for foster parents and out-of-home placement facilities in section 19-2-920 shall still apply.

19-1-115.5. Placement of children out of home - legislative declaration. (1) (a) (I) The general assembly hereby finds that the number of children in out-of-home placement has increased significantly. The general assembly further finds that the facility in which a child is placed out of home is often not located in the same school district as the child's school district of residence. Nevertheless, the general assembly finds that, under the provisions of the "Public School Finance Act of 1994", article 54 of title 22, C.R.S., children in foster home placement are considered residents of the school district in which the foster home is located. Accordingly, the school district in which the child is placed must accommodate the child and provide the child with the necessary educational services that serve the child's best interests while absorbing the costs associated with such services within the constraints of the school district's existing budget. The general assembly finds that in many circumstances it is not possible to meet the best interests of the child in out-of-home placement and the needs of other children enrolled in the school district within the confines of the district's budget.

(II) The general assembly determines that the number of children in out-of-home placement and the severity of their attendant needs are increasing. The ability to meet the needs of the children in out-of-home placement is frequently restricted by the limited resources available to a school district. Furthermore, the general assembly finds that there is a disproportionately larger number of children in out-of-home placement in some school districts than in others, thereby directly impacting the ability of certain school districts to effectively manage and finance the provision of quality educational services to all students in those districts.

(b) The general assembly therefore determines that it would serve the best interests of all children enrolled in a school district if the number of children placed in out-of-home placement facilities by county departments of human or social services in each of the various school districts is monitored so that the financial impact on all school districts throughout the state is manageable and equitable and so that the best interests of all children, whether or not in out-of-home placement, can be served.

(2) (a) Contingent upon implementation of the children, youth, and families automation project in the department of human services, the department shall make the following information available to all county departments throughout the state:

(I) Vacancies in out-of-home placement facilities within each county;

(II) The number of out-of-home placement children enrolled in each school district in relation to the total number of students enrolled in the school district;

(III) A list of all out-of-home placement facilities in each school district; and

(IV) To the extent known and within available resources, a list of the types of services available in each school district to meet the special needs of children in out-of-home placement.

(b) In every proceeding pursuant to this title in which the court contemplates placing a child out of home, the county department shall make recommendations to the court concerning the proposed placement. Such recommendations shall include information about placement facilities that are most able to serve appropriately the best interests of the child. In making its recommendations to the court, the county department shall consider:

(I) The special needs, if any, of the child to be placed, including the ability of the proposed out-of-home placement facility and the school district in which the proposed out-of-home placement facility is located to provide the necessary services to meet those needs;

(II) The proximity of the proposed out-of-home placement facility to the child's parents' home, if parental rights have not been terminated;

(III) Whether the proposed placement facility is in the same school district as the child's parents' residence;

(IV) If the proposed placement facility is not in the same school district as the child's parents' residence and if the information is available through the children, youth, and families automation project, the number of children placed out of home by the court who are already enrolled in the school district in which the proposed out-of-home placement facility is located.

(c) If the recommendation of the county department is to place the child in a placement facility that is not located in the same school district as the child's parents' residence, the placing county department shall inform the school district in which the child's parents reside of the recommended placement.

(d) In placing a child out of home, the court shall consider the recommendations of the county department and any information it may have concerning whether the child's educational needs can be met adequately if the child is placed in an out-of-home placement facility located in a school district other than the district in which the child's parents reside.

(e) Upon entry of the court's order placing a child in an out-of-home placement facility located in a school district other than the school district in which the child's parents reside, the county department shall advise the school district in which the child's parents reside of the court's order.

(f) When a school district is advised by the county department that a child residing in that school district is to be placed in an out-of-home placement facility in another school district pursuant to a court order, the school district shall contact the school district in which the child is to be placed concerning:

(I) The special educational needs, if any, of the child; and

(II) The resources necessary to meet those special needs.

(3) The state board of education shall provide the department of human services with all aggregate, nonidentifying information concerning student enrollment in every school district in the state that the department of human services may request for purposes of implementing this section.

19-1-116. Funding - alternatives to placement out of the home - services to prevent continued involvement in child welfare system. (1) The state department of human services shall reimburse allowable expenses to county departments of human or social services for foster care. The state department's budget request for foster care must be based upon the actual aggregate expenditure of federal, state, and local funds of all counties during the preceding twenty-four months on foster care. Special purpose funds, not to exceed five percent of the total appropriation for foster care, must be retained by the state department of human services for purposes of meeting emergencies and contingencies in individual counties. The amount thus reimbursed to each county must represent the total expenditure by an individual county for foster care and for alternative services provided in conformance with the plan prepared and approved pursuant to subsections (2)(b) and (4) of this section.

(1.5) No later than July 1, 1994, each county in the state shall assure access to alternatives to out-of-home placements for families with children and youth who are at imminent risk of out-of-home placements. Beginning September 1, 2011, a county may also provide access for families to alternative services to prevent continued involvement with the county department child welfare system. Beginning September 1, 2018, a county may also provide access to alternative services for former foster care youth, as defined in section 26-5-101, who are no longer in the custody of the department but need limited assistance from the county. Two or more counties may jointly provide or purchase alternative services to families in the respective counties. Such services shall either be provided for under the plan adopted by placement alternative commissions in accordance with subsection (2)(b) of this section or purchased by the county if such county does not have a placement alternative commission for the county. If a county purchases alternative services, the county shall ensure that the services purchased meet the goals of placement alternative commission plans, as described in subsection (2)(b)(I) of this section.

(2) (a) The county commissioners in each county may appoint a placement alternatives commission consisting, where possible, of a physician or a licensed health professional, an attorney, representatives of a local law enforcement agency, representatives recommended by the court and probation department, representatives from the county department of human or social services, a local mental health clinic, and the county, district, or municipal public health agency, a representative of a local school district specializing in special education, a representative of a local community centered board, representatives of a local residential child care facility and a private nonprofit agency providing nonresidential services for children and families, a representative specializing in occupational training or employment programs, a foster parent, and one or more representatives of the lay community. At least fifty percent of the commission members must represent the private sector. The county commissioners of two or more counties may jointly establish a district placement alternatives commission. A placement alternatives commission may be consolidated with other local advisory boards pursuant to section 24-1.7-103.

(b) (I) On or before July 1, 1994, the commission, if established, shall annually prepare a plan for the provision of services. The primary goals under the plan shall be to prevent imminent placement of children out of the home and to reunite children who have been placed out of the

home with their families. If a county provides services to children who, without intervention, risk continued involvement with the child welfare system, the county shall include in the plan the goals to be achieved by providing said services. The plan shall be prepared using all available sources of information in the community, including public hearings. The plan shall specify the nature of the expenditures to be made and shall identify the services which are intended to prevent or minimize placement out of the home and to what extent. The plan shall contain, whenever practicable, a vocational component to provide assistance to older children concerning a transition into the work force upon completion of school. Upon approval of the plan by the county commissioners, the counties shall submit the plan to the department of human services.

(II) On and after July 1, 1994, the commissions shall prepare multi-year plans for services which contain the same goals as described in subparagraph (I) of this paragraph (b), and the period for the plans shall be determined in state board rules. The multi-year plans may be amended annually for budgetary or programmatic changes that are necessary to enhance service delivery or as otherwise deemed necessary to accomplish the goals of the plan, which reasons shall be set forth in state board rules. Counties shall submit the multi-year plans for approval by the state board.

(c) The commission shall review, on an ongoing basis, the effectiveness of programs within its jurisdiction which are designed to prevent or reduce placement and shall report its findings to the county commissioners annually.

(d) Repealed.

(e) Upon approval by the state board of human services of the plan submitted pursuant to paragraph (b) of this subsection (2), the department of human services shall reimburse county departments, as described in section 26-1-122, C.R.S., for eighty percent of the expenditures made in conformance with the plan.

(3) Repealed.

(4) (a) The departments of human services and education and the judicial department shall jointly develop guidelines for the content and submission of plans as described in paragraph (b) of subsection (2) of this section. Said guidelines shall include but not be limited to the information that is gathered by the commission, the goals to be addressed by the plan, the form of the budget for expenditures that are to be made under the plan, the services that are to be provided which are intended to prevent or minimize placement out of the home and to reunite children with their families and to what extent, and the method by which the plan may be amended during the year to meet the changing local conditions; except that amendments to the plan on and after July 1, 1994, shall be in accordance with subparagraph (II) of paragraph (b) of subsection (2) of this section. On and after July 1, 1993, any amendments to the guidelines shall be developed by the department of human services. Said guidelines shall then be submitted to the state board of human services, which shall promulgate rules for the submission of plans.

(b) In addition to the duties described in paragraph (a) of this subsection (4), the state board of human services is hereby authorized to develop through the adoption of rules categories of programs and services that promote the primary goals of the plan established in accordance with paragraph (b) of subsection (2) of this section. Any plan established on and after July 1, 1994, shall provide for the availability and provision of services or programs within such categories. Any plan established before July 1, 1994, shall be amended on or before that date to provide for the availability and provision of services or programs within such categories. The

department of human services shall monitor the implementation of the plans as approved by the state board.

(5) Children currently residing in institutions whose condition would permit them to be discharged to less restrictive settings shall be so transferred at the earliest possible date. Moneys appropriated and available to the department of human services shall be allocated on a priority basis by the department to county departments for the purposes of providing care to children who are discharged from the institution in which they reside if such children then receive care that is less intensive, closer to the residence of the parents or family, or in a less restrictive setting.

(6) It is the intent of the general assembly that state money appropriated for placements out of the home must not be used by county boards of human or social services for the development of new county-run programs or for the expansion of existing staff or programs, if such development or expansion duplicates services already provided in the community, including, but not limited to, day care programs, independent living programs, home-based care, transitional care, alternative school programs, counseling programs, street academies, tutorial programs, and in-home treatment and counseling programs.

(7) (a) Any county is hereby authorized to establish a program under which a multidisciplinary, noncategorical program fund for the county shall be created and moneys from such fund shall be used to provide child welfare services to at-risk children and their families. Except as otherwise provided by federal law, the moneys in the county's fund contributed by state agencies shall be exempt from restrictive, categorical rules otherwise governing the use of such funds, including the "M" notation in the state's annual appropriations act which describes the general and federal fund contributions for federally supported programs.

(b) Such services shall include, but are not limited to, assessment, intervention, treatment, supervision, and shelter when and if appropriate.

(c) (I) The fund for each county must consist of contributions, made by any state, county, or local agency, of federal, state, or local funds appropriated to or contributed by such agencies for child welfare services for at-risk children and their families. Appropriated funds include, but are not limited to, those appropriated to county departments of human or social services, the state department of human services, the department of public health and environment, the department of education, the department of public safety, the judicial department, and the job training partnership office in the governor's office. Each state agency's contribution to a county's fund must be contingent upon and equal to contributions from the participating county and any other local agency that participates and seeks money from the fund. Nothing in this subsection (7) allows the allocation of general fund money to any other participating county in the same manner that such money is allocated to Mesa county in accordance with section 2 of House Bill 93-1171, as enacted during the first regular session of the fifty-ninth general assembly.

(II) The fund for each county may also consist of contributions from the fund of any other participating county.

(d) The county board of human or social services for a county shall convene a meeting of the local and state agencies that provide child welfare services to at-risk children and their families, that will participate in the program, and that seek money from the county's fund. The meeting is for the purpose of developing and adopting a memorandum of understanding between such agencies and the county's board of human or social services concerning the amount of

contributions to the fund described in subsection (7)(c) of this section and the allocation and use of money allocated from the fund. The memorandum of understanding must provide for the designation of a governing entity to oversee the administration of the fund and a fiscal agent, a three-year plan, provisions for evaluating the programmatic and fiscal impact and overall effectiveness of the program, and a process for submitting the results of the evaluation to the general assembly and state officials on an annual basis.

(e) The state agencies affected by the implementation of the three-year plan described in subsection (7)(d) of this section shall review and approve the plan. The state agencies shall act on the plan within ninety days after the plan is submitted to the state agencies. It is the intent of the general assembly that the plan be implemented and that the state agencies cooperate in the plan's development and implementation. Prior to the implementation of the program, a copy of the approved plan must be submitted to the joint budget committee of the general assembly. Prior to the expiration of the three-year plan, the county board of human or social services shall follow the procedures described in subsection (7)(d) of this section for readoption of or revisions to the three-year plan.

19-1-117. Visitation rights of grandparents or great-grandparents. (1) Any grandparent or great-grandparent of a child may, in the manner set forth in this section, seek a court order granting the grandparent or great-grandparent reasonable grandchild or great-grandchild visitation rights when there is or has been a child custody case or a case concerning the allocation of parental responsibilities relating to that child. Because cases arise that do not directly deal with child custody or the allocation of parental responsibilities but nonetheless have an impact on the custody of or parental responsibilities with respect to a child, for the purposes of this section, a "case concerning the allocation of parental responsibilities with respect to a child" includes any of the following, whether or not child custody was or parental responsibilities were specifically an issue:

(a) That the marriage of the child's parents has been declared invalid or has been dissolved by a court or that a court has entered a decree of legal separation with regard to such marriage;

(b) That legal custody of or parental responsibilities with respect to the child have been given or allocated to a party other than the child's parent or that the child has been placed outside of and does not reside in the home of the child's parent, excluding any child who has been placed for adoption or whose adoption has been legally finalized; or

(c) That the child's parent, who is the child of the grandparent or grandchild of the great-grandparent, has died.

(2) A party seeking a grandchild or great-grandchild visitation order shall submit, together with his or her motion for visitation, to the district court for the district in which the child resides an affidavit setting forth facts supporting the requested order and shall give notice, together with a copy of his or her affidavit, to the party who has legal custody of the child or to the party with parental responsibilities as determined by a court pursuant to article 10 of title 14, C.R.S. The party with legal custody or parental responsibilities as determined by a court pursuant to article 10 of title 14, C.R.S., may file opposing affidavits. If neither party requests a hearing, the court shall enter an order granting grandchild or great-grandchild visitation rights to the petitioning grandparent or great-grandparent only upon a finding that the visitation is in the best interests of the child. A hearing shall be held if either party so requests or if it appears to the court that it is in the best interests of the child that a hearing be held. At the hearing, parties submitting affidavits shall be allowed an opportunity to be heard. If, at the conclusion of the hearing, the court finds it is in the best interests of the child to grant grandchild or great-grandchild visitation rights to the petitioning grandparent or great-grandparent, the court shall enter an order granting such rights.

(3) A grandparent or great-grandparent shall not file an affidavit seeking an order granting grandchild or great-grandchild visitation rights more than once every two years absent a showing of good cause. If the court finds there is good cause to file more than one such affidavit, it shall allow such additional affidavit to be filed and shall consider it. The court may order reasonable attorney fees to the prevailing party. The court may not make any order restricting the movement of the child if such restriction is solely for the purpose of allowing the grandparent or great-grandparent the opportunity to exercise his grandchild or great-grandchild visitation rights.

(4) The court may make an order modifying or terminating grandchild or great-grandchild visitation rights whenever such order would serve the best interests of the child.

(5) Any order granting or denying parenting time rights to the parent of a child shall not affect visitation rights granted to a grandparent or great-grandparent pursuant to this section.

19-1-117.5. Disputes concerning grandparent or great-grandparent visitation. (1) Upon a verified motion by a grandparent or great-grandparent who has been granted visitation or upon the court's own motion alleging that the person with legal custody or parental responsibilities of the child as determined by a court pursuant to article 10 of title 14, C.R.S., with whom visitation has been granted is not complying with a grandparent or great-grandparent visitation order or schedule, the court shall determine from the verified motion, and response to the motion, if any, whether there has been or is likely to be a substantial and continuing noncompliance with the grandparent or great-grandparent visitation order or schedule and either:

(a) Deny the motion, if there is an inadequate allegation; or

(b) Set the matter for hearing with notice to the grandparent or great-grandparent and the person with legal custody or parental responsibilities of the child as determined by the court of the time and place of the hearing; or

(c) Require said parties to seek mediation and report back to the court on the results of the mediation within sixty days. Mediation services shall be provided in accordance with section 13-22-305, C.R.S. At the end of the mediation period, the court may approve an agreement reached by the parties or shall set the matter for hearing.

(2) After the hearing, if a court finds that the person with legal custody or parental responsibilities of the child as determined by the court has not complied with the visitation order or schedule and has violated the court order, the court, in the best interests of the child, may issue orders which may include but need not be limited to:

(a) Imposing additional terms and conditions which are consistent with the court's previous order;

(b) Modifying the previous order to meet the best interests of the child;

(c) Requiring the violator to post bond or security to insure future compliance;

(d) Requiring that makeup visitation be provided for the aggrieved grandparent or great-grandparent and child under the following conditions:

(I) That such visitation is of the same type and duration of visitation as that which was denied, including but not limited to visitation during weekends, on holidays, and on weekdays and during the summer;

(II) That such visitation is made up within one year after the noncompliance occurs;

(III) That such visitation is in the manner chosen by the aggrieved grandparent or great-grandparent if it is in the best interests of the child;

(e) Finding the person who did not comply with the visitation schedule in contempt of court and imposing a fine or jail sentence;

(f) Awarding to the aggrieved party, where appropriate, actual expenses, including attorney fees, court costs, and expenses incurred by a grandparent or great-grandparent because of the other person's failure to provide or exercise court-ordered visitation. Nothing in this section shall preclude a party's right to a separate and independent legal action in tort.

Whenever a grandparent seeks the placement of his or her grandchild in the grandparent's home or seeks the legal custody of his or her grandchild pursuant to the provisions of this title, the court entering such order shall consider any credible evidence of the grandparent's past conduct of child abuse or neglect. 19-1-126. Compliance with the federal "Indian Child Welfare Act". (1) In each case filed pursuant to this title 19 that constitutes a child custody proceeding, as defined in the federal "Indian Child Welfare Act", 25 U.S.C. sec. 1901 et seq., and therefore to which the terms of the federal "Indian Child Welfare Act", 25 U.S.C. sec. 1901 et seq., apply, the court and each party to the proceeding shall comply with the federal implementing regulations, and any modifications thereof, of the federal "Indian Child Welfare Act", 25 U.S.C. sec. 1901 et seq., located in 25 CFR 23, which outline the minimum federal standards governing the implementation of the "Indian Child Welfare Act" to ensure the statute is applied in Colorado consistent with the act's express language, congress's intent in enacting the statute, and to promote the stability and security of Indian children, tribes, and families. In each child-custody proceeding filed pursuant to this title 19 to which the terms of the federal "Indian Child Welfare Act", 25 U.S.C. sec. 1901 et seq., apply:

(a) (I) The court shall make inquiries to determine whether the child who is the subject of the proceeding is an Indian child, and, if so, shall determine the identity of the Indian child's tribe. In determining the Indian child's tribe:

(A) The court shall ask each participant in an emergency or voluntary or involuntary child-custody proceeding whether the participant knows or has reason to know that the child is an Indian child. The inquiry is to be made at the commencement of the proceeding, and all responses must be on the record. The court shall instruct the participants to inform the court if any participant subsequently receives information that provides reason to know the child is an Indian child.

(B) Any party to the proceeding shall disclose any information indicating that the child is an Indian child or provide an identification card indicating membership in a tribe to the petitioning and filing parties and the court in a timely manner. The court shall order the party to provide the information no later than seven business days after the date of the hearing or prior to the next hearing on the matter, whichever occurs first. The information should be filed with the court and provided to the county department of human or social services and each party no later than seven business days after the date of the hearing.

(II) The court, upon conducting the inquiry described in subsection (1)(a) of this section, has reason to know that a child is an Indian child if:

(A) Any participant in the child-custody proceeding, officer of the court involved in the child-custody proceeding, Indian tribe, Indian organization, or agency informs the court that the child is an Indian child;

(B) Any participant in the child-custody proceeding, officer of the court involved in the child-custody proceeding, Indian tribe, Indian organization, or agency informs the court that it has discovered information indicating that the child is an Indian child;

(C) The child who is the subject of the child-custody proceeding gives the court reason to know he or she is an Indian child;

(D) The court is informed that the domicile or residence of the child, the child's parent, or the child's Indian custodian is on a reservation or in an Alaska native village;

(E) The court is informed that the child is or has been a ward of a tribal court, as defined in 25 U.S.C. sec. 1903; or

(F) The court is informed that the child or the child's parent possesses an identification card indicating membership in an Indian tribe.

(b) If the court knows or has reason to know, as defined in subsection (1)(a)(II) of this section, that the child who is the subject of the proceeding is an Indian child, the petitioning or filing party shall send notice by registered or certified mail, return receipt requested, to the parent or parents, the Indian custodian or Indian custodians of the child and to the tribal agent of the Indian child's tribe as designated in 25 CFR 23, or, if there is no designated tribal agent, the petitioning or filing party shall contact the tribe to be directed to the appropriate office or individual. In providing notice, the court and each party shall comply with 25 CFR 23.111.

(c) The petitioning or filing party shall disclose in the complaint, petition, or other commencing pleading filed with the court that the child who is the subject of the proceeding is an Indian child and the identity of the Indian child's tribe or what efforts the petitioning or filing party has made in determining whether the child is an Indian child. If the child who is the subject of the proceeding is determined to be an Indian child, the petitioning or filing party shall further identify what reasonable efforts have been made to send notice to the persons identified in subsection (1)(b) of this section. The postal receipts indicating that notice was properly sent by the petitioning or filing party to the parent or Indian custodian of the Indian child and to the Indian child's tribe must be attached to the complaint, petition, or other commencing pleading filed with the court; except that, if notification has not been perfected at the time the initial complaint, petition, or other commencing pleading is filed with the court or if the postal receipts have not been received back from the post office, the petitioning or filing party shall file the postal receipts with the court. Any responses sent by the tribal agents to the petitioning or filing party, the county department of human or social services, or the court must be distributed to the parties and deposited with the court.

(2) If there is reason to know the child is an Indian child but the court does not have sufficient evidence to determine that the child is or is not an Indian child, the court shall:

(a) Confirm, by way of a report, declaration, or testimony included in the record, that the petitioning or filing party used due diligence to identify and work with all of the tribes of which there is reason to know the child may be a member, or eligible for membership, to verify whether the child is in fact a member, or a biological parent is a member and the child is eligible for membership; and

(b) Treat the child as an Indian child, unless and until it is determined on the record that the child does not meet the definition of an Indian child.

(3) If the court receives information that the child may have Indian heritage but does not have sufficient information to determine that there is reason to know that the child is an Indian child pursuant to subsection (1)(a)(II) of this section, the court shall direct the petitioning or filing party to exercise due diligence in gathering additional information that would assist the court in determining whether there is reason to know that the child is an Indian child. The court shall direct the petitioning or filing party to make a record of the effort taken to determine whether or not there is reason to know that the child is an Indian child.

(4) If the court finds that the child is an Indian child, the court shall ensure compliance with the requirements of the federal "Indian Child Welfare Act", 25 U.S.C. sec. 1901 et seq.

19-1-213. State CASA entity - duties - state court administrator duties - state court-appointed special advocate fund - definitions. (1) For the purposes of this section, unless the context otherwise requires:

(a) "Local CASA program" means a CASA program established in a judicial district, or any two or more judicial districts, pursuant to section 19-1-202.

(c) "State CASA entity" means the nonprofit entity that has entered into a contract with the office of the child's representative as described in subsection (2) of this section.

(2) The office of the child's representative shall contract with a nonprofit entity that is in good standing with the national CASA association to enhance the CASA program in Colorado. The state CASA entity shall:

(a) Aid and develop local CASA programs in each judicial district or in adjacent judicial districts;

(b) Ensure that local CASA programs adhere to state and national CASA standards;

(c) Ensure the provision and availability of high-quality accessible training for local CASA programs and volunteers;

(d) Seek to enhance existing funding sources, develop private-public partnership funding, and study the availability of new funding sources for the provision of high-quality local CASA programs in each judicial district or in adjacent judicial districts.

(3) Beginning July 1, 2019, and at least annually thereafter, the office of the child's representative shall allocate money appropriated to the state judicial department for CASA programs to the state CASA entity for allocation to local CASA programs. The state CASA entity shall report to the office of the child's representative regarding its duties described in subsection (2) of this section within one month before receiving an allocation.

(4) The state CASA entity, in consultation with local CASA programs, shall annually establish a formula for the allocation of money appropriated and shall allocate money to the local CASA programs in accordance with the established allocation formula. PART 3

RECORDS AND INFORMATION

Editor's note: This part 3 was added with relocations in 1996, effective January 1, 1997. Former C.R.S. section numbers are shown in editor's notes following those sections that were relocated.

19-1-301. Short title. This part 3 shall be known and may be cited as the "Children's Code Records and Information Act".

Source: L. 96: Entire part added with relocations, p. 1156, § 6, effective January 1, 1997.

19-1-302. Legislative declaration. (1) (a) The general assembly declares that information obtained by public agencies in the course of performing their duties and functions under this title is considered public information under the "Colorado Open Records Act", part 2 of article 72 of title 24, C.R.S. The general assembly, however, recognizes that certain information obtained in the course of the implementation of this title is highly sensitive and has an impact on the privacy of children and members of their families. The disclosure of sensitive information carries the risk of stigmatizing children; however, absolute confidentiality of such information may result in duplicated services in some cases, fragmented services in others, and the delivery of ineffective and costly programs and, in some situations, may put other members of the public at risk of harm. In addition, disclosure may result in serving the best interests of the child and may be in the public interest.

(b) Furthermore, the general assembly specifically finds that schools, school districts, and criminal justice agencies attempting to protect children and the public are often frustrated by their lack of ability to exchange information concerning disruptive children who may have experienced disciplinary actions at school or whose actions outside of a school setting may have resulted in contact with local law enforcement. The general assembly finds that schools, school districts, and criminal justice agencies are often better able to assist such disruptive children and to preserve school safety when they are equipped with knowledge concerning a child's history and experiences. The general assembly, however, recognizes that any such sharing of information among and between schools, school districts, and agencies to promote school safety or otherwise to assist disruptive children mandates an awareness of the responsibility on the part of those schools, school districts, and agencies receiving or providing the information that it be used only for its intended and limited purpose as authorized by law and that the confidential nature of the information be preserved. The general assembly finds, therefore, that it is desirable to authorize and encourage open communication among appropriate agencies, including criminal

justice agencies, assessment centers for children, school districts, and schools, in order to assist disruptive children and to maintain safe schools.

(c) The general assembly further finds that partners in multi-agency assessment centers for children are often frustrated by their lack of ability to exchange information with each other when attempting to serve children and the public. The general assembly finds that assessment centers for children are better able to assist children when they are equipped with knowledge concerning a child's history and experiences. The general assembly, however, recognizes that any such sharing of information among agencies who are part of a multi-agency assessment center for children mandates an awareness of the responsibility on the part of the agencies receiving or providing the information that it be used only for its intended and limited purpose as authorized by law and that the confidential nature of the information be preserved.

(d) The general assembly recognizes the importance of children receiving support from all responsible parties and further finds that the state child support enforcement agency and the delegate child support enforcement units have a need to exchange information with other state, federal, and local agencies in order to effectively locate responsible parties; establish paternity and child support, including child support debt pursuant to section 14-14-104, C.R.S.; enforce support orders; disburse collected child support payments; and facilitate the efficient and effective delivery of services under articles 13 and 13.5 of title 26, C.R.S. Therefore, the general assembly recognizes that the state child support enforcement agency and the delegate child support enforcement units need access to the records and databases of the judicial department, the contents of which are otherwise protected under the provisions of this part 3. The general assembly, however, recognizes that any such information sharing mandates an awareness of responsibility on the part of the state child support enforcement agency and the delegate child support enforcement units receiving information that it be used only for its intended purposes as authorized by law and in accordance with the provisions of section 26-13-102.7, C.R.S., and that the confidential nature of the information be preserved.

(e) The general assembly recognizes the need to make recommendations to the court concerning the many aspects of a child's legal status, including but not limited to existing court orders on placement of the child, legal custody of the child, and orders of protection. Because the population of this state is transitory, and jurisdictional lines for the purpose of court actions are arbitrary, communication of certain information available electronically on a statewide basis may assist state and county agencies, attorneys representing state or county agencies, and attorneys appointed by the court in making recommendations to the court. The general assembly recognizes that any such sharing of information among agencies, attorneys representing agencies, and attorneys appointed by the court mandates an awareness of the responsibility on the part of these agencies, attorneys representing agencies, and attorneys appointed by the court in receiving and providing the information that it be used only for its intended and limited purpose as authorized by law and that the confidential nature of the information be preserved.

(f) (I) The general assembly further recognizes the need for the command authority of military installations under the United States secretary of defense to receive notice and information regarding any report that is assigned for an assessment by the state department of human services or a county department of known or suspected instances of child abuse or neglect in which the person having care of the child in question is a member of the armed forces or a spouse, or a significant other or family member residing in the home of the member of the armed forces. The general assembly recognizes the need for the state department of human

services and county departments to collect information concerning the military affiliation of the individual having custody or control of a child who is the subject of an investigation of child abuse or neglect.

(II) To further the fulfillment of these needs, the state department of human services and county departments should be able to enter into memorandums of understanding with the command authority of military installations. The memorandums of understanding may establish protocols for the sharing of information related to assessments of known or suspected instances of child abuse or neglect and for collaboration on the oversight of child abuse or neglect investigations involving a member of the armed forces or a spouse, or a significant other or family member residing in the home of the member of the armed forces.

(III) The general assembly, however, recognizes that any sharing of such information is critical for an awareness of the responsibility of the involved agencies and military installations that receive or provide the information that it be used only for its intended and limited purpose as authorized by law and that the confidential nature of the information must be preserved.

(IV) The general assembly finds, therefore, that it is desirable to authorize and encourage open communication between the state department of human services, county departments, and command authority of military installations to better serve children and families of Colorado.

(2) Therefore, in an effort to balance the best interests of children and the privacy interests of children and their families with the need to share information among service agencies and schools and the need to protect the safety of schools and the public at large, the general assembly enacts the provisions of this part 3.

19-1-306. Expungement of juvenile delinquent records - definition. (1) (a) For the purposes of this section, "expungement" is defined in section 19-1-103 (48). Upon the entry of an expungement order, the person who is the subject of the record that has been expunged may assert that he or she has no juvenile delinquency record. Further, the person who is the subject of the record that has been expunged may lawfully deny that he or she has ever been arrested, charged, adjudicated, convicted, or sentenced in regard to the expunged case, matter, or charge.

(b) The court, law enforcement, and all other agencies shall reply to any inquiry regarding an expunged record that no record exists with respect to the person named in the record, unless information may be shared with the inquiring party pursuant to subsection (3) of this section.

(c) The expungement order only applies to the named juvenile and not to any co-participant.

(2) (a) At the time of the adjudication, the court shall advise the adjudicated juvenile and any respondent parent or guardian, in writing, of the right to expunge and the time period and process for expunging the order. The court, on its own motion or the motion of the juvenile probation department, the juvenile parole department, the juvenile, a respondent parent or guardian, or a court-appointed guardian ad litem, may initiate expungement proceedings concerning the record of any juvenile who has been under the jurisdiction of the court.

(b) If a juvenile is supervised by probation, the probation department, upon the termination of the juvenile's supervision period, shall provide the juvenile with a written advisement of the right to expungement and the time period and process for expunging the record.

(c) If a juvenile is supervised by parole, the department or division supervising the juvenile's parole, upon the termination of the juvenile's parole supervision period, shall provide the juvenile with a written advisement of the right to expungement and the time period and process for expunging the record.

(d) If the juvenile is supervised by a diversion officer or agency other than probation, the agency supervising the diversion program, upon the termination of the juvenile's diversion period, shall provide the juvenile with a written advisement of the right to expungement and the time period and process for expunging the record.

(e) If a juvenile is sentenced in municipal court, the municipal court, at sentencing, shall provide the juvenile and any respondent parent or guardian with a written advisement of the right to expungement and the time period and process for expunging the record. The municipal court may provide the notice through a municipal diversion program, the city attorney, or a municipal probation program.

(f) If a juvenile is committed to the division of youth services and is released without a requirement to complete further parole, the division shall provide the juvenile with a written advisement of the right to expungement and the time period and process for expunging the record.

(g) Expungement must be effectuated by physically sealing or conspicuously indicating on the face of the record or at the beginning of the computerized file of the record that the record has been designated as expunged.

(h) The prosecuting attorney shall not require as a condition of a plea agreement that the juvenile waive his or her right to expungement under this section upon the completion of the juvenile's sentence.

(i) Prior to the court ordering any records expunged, the court shall determine whether the juvenile has any felony, drug felony, misdemeanor, drug misdemeanor, petty offense, or delinquency actions pending, and, if the court determines that there is a felony, drug felony, misdemeanor, drug misdemeanor, petty offense, or delinquency action pending against the juvenile, the court shall stay the petition for expungement proceedings until the resolution of the pending case.

(3) (a) After expungement, basic identification information on the juvenile and a list of any state and local agencies and officials having contact with the juvenile, as they appear in the records, are not open to the public but are available to a prosecuting attorney, local law enforcement agency, the department of human services, the state judicial department, and the victim as defined in section 24-4.1-302 (5); except that such information is not available to an agency of the military forces of the United States.

(b) Notwithstanding any order for expungement pursuant to this section, any record that is ordered expunged is available to any judge and the probation department for use in any future proceeding in which the person whose record was expunged is charged with an offense as either a juvenile or as an adult. A new criminal or delinquency charge may not be brought against the juvenile based upon information gained initially or solely from examination of the expunged records.

(c) Notwithstanding an order for expungement pursuant to this section, any criminal justice record of a juvenile who has been charged, adjudicated, or convicted of any offense shall be available for use by the juvenile, the juvenile's attorney, a prosecuting attorney, any law enforcement agency, or any agency of the state judicial department in any subsequent criminal investigation or prosecution as a substantive predicate offense conviction or adjudication of record.

(d) Notwithstanding any order for expungement issued pursuant to this section, nothing prevents the prosecuting attorney, including the staff of a prosecuting attorney's office or a victim or witness assistance program or a law enforcement agency or law enforcement victim assistance program, from discussing with the victim the case, the results of any expungement proceedings, information regarding restitution, and information related to any victim services available to the victim as defined in section 24-4.1-302 (5), but copies of expunged records must not be provided to the victim. The victim may petition the court and request that a copy of the expunged records be provided to the victim. If the court finds that there are compelling reasons for the release, a copy of the expunged records may be released to the victim. If the court orders the release of a copy of the expunged records to the victim, the court must issue a protective order regarding the usage of the expunged records.

(e) Notwithstanding any order for expungement issued pursuant to this section, any information, including police affidavits and reports and records related to any prior conviction or adjudication, are available without court order to the persons, government agencies, or entities allowed access to or allowed to exchange such information pursuant to section 19-1-303 for the purposes described therein. Any person who knowingly violates the confidentiality provisions of section 19-1-303 is subject to the penalty in section 19-1-303 (4.7).

(f) Notwithstanding any order for expungement issued pursuant to this section, nothing in this section precludes a county department of human or social services employee from reviewing internal department records that are ordered expunged and are in the county

department's possession for purposes of department investigations and case management in the provision of child welfare services.

(4) (a) The court shall order all records in a juvenile delinquency case in the custody of the court, and any records related to the case and charges in the custody of any other agency, person, company, or organization, expunged within forty-two days after:

(I) A finding of not guilty at an adjudicatory trial;

(II) Dismissal of the petition in its entirety prior to any disposition or alternative to sentencing, including diversion, a deferred adjudication, or an informal adjustment; or

(III) The completion of a sentence or alternative to sentencing, including diversion, a deferred adjudication, or an informal adjustment, for a petty offense, drug petty offense, class 2 or class 3 misdemeanor offense, or level 1 or level 2 drug misdemeanor if the offense does not involve unlawful sexual behavior as defined in section 16-22-102 (9), is not an act of domestic violence as defined in section 18-6-800.3, or is not a crime listed under section 24-4.1-302 (1), and the defendant was under eighteen years of age at the time the offense was committed.

(b) (I) Upon successful completion of diversion at the prefiling level as an alternative to the filing of a petition, the custodian of any record shall expunge the record in the custody of law enforcement, the juvenile's school, the diversion provider, and the district attorney without the need for a court order.

(II) The district attorney or other diversion provider shall notify the Colorado bureau of investigation, the law enforcement agency that had contact with the juvenile, and the juvenile's school, if the incident occurred at school or the district attorney notified the school of the case, that diversion is complete and the records are expunged. Any law enforcement agency or school that receives a notice shall acknowledge receipt of the notice. The Colorado bureau of investigation, law enforcement agency, school, diversion provider, and district attorney shall treat the records as expunged within thirty-five days after the completion of diversion, and all provisions of this section addressing expunged records apply to those records.

(III) If victim notification is required pursuant to part 4.1 of title 24, the district attorney shall notify the victim prior to sending the notice pursuant to subsection (4)(b)(II) of this section, and offer the victim an opportunity to object. If the victim objects, the district attorney shall notify the court and the diversion provider. Upon receipt of the notice of objection from the district attorney, the diversion provider shall complete and file a report pursuant to subsection (5)(c) of this section, and the provisions of subsections (5)(e), (5)(e.5), (5)(f), and (5)(g) of this section apply.

(c) The court shall, on or before November 1 of each year, review all juvenile delinquency court files during the two previous years that resulted in a finding of not guilty; a dismissal of the petition; a sentence for a petty offense; a sentence for a drug petty offense; a sentence for a drug misdemeanor offense; or a sentence for a class 2 or class 3 misdemeanor offense if the offense does not involve unlawful sexual behavior as defined in section 16-22-102 (9), is not an act of domestic violence as defined in section 18-6-800.3, or is not a crime listed under section 24-4.1-302 (1), and the defendant was under eighteen years of age at the time the offense was committed. The court shall enter an expungement order for all juveniles eligible for expungement pursuant to this subsection (4), if the expungement order was not previously made.

(5) (a) At the time that the court orders the following sentences or alternatives to sentencing, the court shall make a finding that the juvenile is eligible for expungement pursuant

to this subsection (5) and include that finding on the written mittimus or other sentencing document:

(I) A juvenile diversion program, a deferred adjudication, or an informal adjustment, except for those described in subsection (4)(a)(III) of this section;

(II) A juvenile sentence for an adjudication for a class 1 misdemeanor or a petty or a misdemeanor offense that is not eligible for expungement pursuant to subsection (4) of this section; or

(III) Repealed.

(IV) A juvenile sentence for an adjudication for a felony offense or felony drug offense if:

(A) The felony offense did not constitute unlawful sexual behavior as defined in section 16-22-102 (9);

(B) The felony offense was not a crime of violence as described in section 18-1.3-406;

(C) The felony offense was not a class 1 or class 2 felony; and

(D) The juvenile had no prior felony adjudications.

(b) Repealed.

(c) (I) If the court makes a finding that a juvenile is eligible for expungement pursuant to subsection (5)(a) of this section, the agency supervising the juvenile shall, at the conclusion of the agency's supervision, prepare a report and summary of supervision outlining the performance of the juvenile while under supervision. The supervising agency shall provide the report to the court and provide a copy of the report to the prosecuting attorney, the juvenile, and the juvenile's attorney of record no earlier than thirty-five days prior to the end of supervision and no later than fourteen days after the conclusion of supervision. If there is no supervising agency, the court shall send a notice that the unsupervised sentence is complete to the district attorney when the sentence is complete.

(II) Upon receipt of the report or notice pursuant to this subsection (5)(c), the prosecuting attorney shall contact the victim regarding expungement if notification is required pursuant to part 4.1 of title 24.

(d) If neither the prosecuting attorney nor a victim files an objection within thirty-five days after the filing of the report or notice pursuant to subsection (5)(c) of this section, the court shall order all records in the juvenile delinquency case in the custody of the court, and any records related to the case and charges in the custody of any other agency, person, company, or organization, expunged.

(e) If the prosecuting attorney or a victim files an objection within thirty-five days after the filing of the report or notice pursuant to subsection (5)(c) of this section, the court shall schedule a hearing on the issue of expungement. The court shall notify all objecting parties of the hearing date. The hearing must be set at least thirty-five days after the date the court sends notice of the hearing.

(e.5) If the offense for which the records are eligible for expungement requires the juvenile to register pursuant to section 16-22-103 and the court has not already issued a notice pursuant to section 16-22-113 (1.3)(b), upon receipt of the report from the supervising agency pursuant to subsection (5)(c) of this section, the court shall issue a notice pursuant to section 16-22-113 (1.3)(b) and this subsection (5)(e.5), and the victim and prosecution have sixty-three days from the issuance of that notice to file an objection to expungement or the discontinuation of registration. All other requirements of subsections (5)(d), (5)(e), (5)(f), and (5)(g) of this section

apply to the expungement. The provisions of section 16-22-113 (1.3) apply to the issue of discontinuing registration. The court shall consider both issues at the same hearing. If the court has not already ordered that the juvenile may discontinue registration pursuant to section 16-22-113, the court shall enter an order granting expungement and discontinuing the registration requirement, denying expungement and discontinuing the registration requirement, or denying expungement and continuing the registration requirement.

(f) If a hearing is scheduled pursuant to subsection (5)(e) of this section, the court shall send notice to the last known address of the juvenile notifying the juvenile of the date of the hearing and of the juvenile's right to appear at the hearing and to present evidence to the court in writing prior to the hearing and in person at the hearing. The notice must indicate that, at the hearing, the court will consider whether the juvenile has been rehabilitated and whether expungement is in the best interest of the juvenile and the community. The juvenile is not required to appear at the hearing.

(g) At a hearing held pursuant to this subsection (5), the court shall order all records of the case in the custody of the court, and any records related to the case or charges in the custody of any other agency, person, company, or organization, expunged if the court makes written findings that:

(I) The rehabilitation of the juvenile has been attained to the satisfaction of the court; and

(II) The expungement is in the best interest of the juvenile and the community.

(h) The court shall, starting on November 1, 2019, and each November 1 thereafter, review all juvenile delinquency court files during the two previous years that resulted in participation in diversion, a deferred adjudication, or an informal adjustment; a sentence for a class 1 misdemeanor offense, any drug felony offense, or a misdemeanor offense involving domestic violence as defined in section 18-6-800.3; or a felony offense that did not constitute unlawful sexual behavior as defined in section 16-22-102 (9), was not a crime of violence as described in section 18-1.3-406, and was not a class 1 or class 2 felony. The court shall send the notice required for all records eligible for a notice pursuant to this subsection (5) if the notice was not previously sent and an expungement order was not previously made. After the notice is sent, the provisions of subsections (5)(b) to (5)(g) of this section apply.

(i) With the victim's consent, or if there is no named victim, the prosecuting attorney may agree at the time of a plea that there will be no objection to expungement upon the completion of the juvenile's sentence. In such a case, the court shall order all records of the case in the custody of the court, and any records related to the case or charges in the custody of any other agency, person, company, or organization, expunged upon completion of the juvenile's sentence. A hearing is not required.

(j) A juvenile who was adjudicated as a mandatory sentence offender pursuant to section 19-2-516 (1) or as a repeat juvenile offender pursuant to section 19-2-516 (2) is not eligible for expungement under this subsection (5), but may petition for expungement pursuant to subsection (6)(e) of this section.

(6) (a) A person may petition the juvenile court to expunge records in a closed case pursuant to subsection (4) of this section if the records are otherwise eligible for expungement, have not been expunged by the court, and a proceeding concerning a felony, misdemeanor, or delinquency action is not pending against the petitioner. A filing fee, notarization, or other formalities are not required. If the court determines the records are eligible for expungement

pursuant to the requirements of subsection (4) of this section, the court shall grant the petition to expunge without a hearing and shall issue an order pursuant to subsection (4) of this section.

(b) A person may petition the juvenile court to expunge records in a closed case pursuant to subsection (5) of this section if the records are otherwise eligible for expungement, have not been expunged by the court, and a proceeding concerning a felony, misdemeanor, or delinquency action is not pending against the petitioner. A filing fee, notarization, or other formalities are not required. If the records are eligible for expungement pursuant to subsection (5) of this section, the court shall request a report from the agency supervising the juvenile or issue a notice pursuant to subsection (5)(c) of this section, and the provisions of subsection (5) of this section apply.

(c) A person may petition the juvenile court to expunge records related to a law enforcement contact that did not result in referral to another agency after one year has passed since the law enforcement contact and a proceeding concerning a felony, misdemeanor, or delinquency action is not pending against the petitioner. A filing fee, notarization, or other formalities are not required. If the records are eligible for expungement pursuant to subsection (5) of this section, the court shall issue a notice to the district attorney that the records will be expunged if no objection is received, and the provisions of subsection (5) of this section apply.

(d) A person may petition the juvenile court to expunge records in a closed case pursuant to subsection (5) of this section if the person was previously denied an expungement order for those same records pursuant to subsection (5) of this section and at least twelve months have passed since the date of the original denial order, the petitioner provides new information not previously considered by the prior reviewing court, and a proceeding concerning a felony, misdemeanor, or delinquency action is not pending against the petitioner. The court shall schedule a hearing and notify the prosecuting attorney of the hearing date. The court shall set the hearing at least thirty-five days after the court sends the notice of the hearing. All other provisions of subsection (5) of this section apply.

(e) A juvenile who does not qualify for expungement pursuant to subsection (4) or (5) of this section, including a mandatory sentence offender pursuant to section 19-2-516 (1) or a repeat offender pursuant to section 19-2-516 (2), and is not otherwise ineligible for expungement pursuant to the provisions of subsection (8) of this section and does not have a proceeding concerning a felony, misdemeanor, or delinquency action pending against himself or herself, may petition the court to request expungement of his or her record thirty-six months after the date of the petitioner's unconditional release from his or her juvenile sentence. A filing fee, notarization, or other formalities are not required. The court shall schedule a hearing, and the provisions of subsections (5)(e), (5)(e.5), (5)(f), and (5)(g) of this section apply.

(7) Unless otherwise stated in the applicable section, a person may file a petition with the court for expungement of his or her record pursuant to subsections (4), (5), and (6) of this section only once during a twelve-month period.

(8) Notwithstanding the provisions of subsections (4), (5), and (6) of this section, a court shall not expunge the record of a person who is:

(a) Adjudicated as an aggravated juvenile offender pursuant to section 19-2-516 (4) or as a violent juvenile offender pursuant to section 19-2-516 (3);

(b) Adjudicated of homicide and related offenses pursuant to part 1 of article 3 of title 18;

(c) Adjudicated for a felony offense involving unlawful sexual behavior as described in section 16-22-102 (9); or

(d) Charged, adjudicated, or convicted of any offense or infraction pursuant to title 42.

(9) **Municipal court records.** (a) Municipal court records are expunged pursuant to section 13-10-115.5.

GENERAL PROVISIONS

19-2-101. Short title. This part 1 shall be known and may be cited as "General Provisions".

Source: L. 96: Entire article amended with relocations, p. 1595, § 1, effective January 1, 1997.

Editor's note: The former section 19-2-101 was relocated to section 19-2-103.

19-2-102. Legislative declaration. (1) The general assembly hereby finds that the intent of this article is to protect, restore, and improve the public safety by creating a system of juvenile justice that will appropriately sanction juveniles who violate the law and, in certain cases, will also provide the opportunity to bring together affected victims, the community, and juvenile offenders for restorative purposes. The general assembly further finds that, while holding paramount the public safety, the juvenile justice system shall take into consideration the best interests of the juvenile, the victim, and the community in providing appropriate treatment to reduce the rate of recidivism in the juvenile justice system and to assist the juvenile in becoming a productive member of society.

(2) The general assembly hereby finds that the public has the right to safe and secure homes and communities and that when a delinquent act occurs such safety and security is compromised; and the result is harm to the victim, the community, and the juvenile offender. The general assembly finds that the juvenile justice system should seek to repair such harm and that victims and communities should be provided with the opportunity to elect to participate actively in a restorative process that would hold the juvenile offender accountable for his or her offense.

A transfer of venue may not be rejected for any reason except where venue would be improper.

(b) For purposes of determining proper venue, a juvenile who is placed in the legal custody of a county department of human or social services is deemed for the entire period of placement to reside in the county in which the juvenile's legal custodian is located, even if the juvenile is physically residing in a residential facility located in another county. If a juvenile is placed in the legal custody of a county department of human or social services, the court shall not transfer venue during the period of placement to any county other than the county in which the juvenile's legal custodian is located.

(2) In determining proper venue, the provisions of section 18-1-202, C.R.S., shall apply.

(3) A court transferring venue under this section shall transmit all documents and legal social records, or certified copies thereof, to the receiving court, which court shall proceed with the case as if the petition had been originally filed or the adjudication had been originally made in such court.

(4) Upon transfer of venue, the receiving court shall set a date not more than thirty days following the date upon which the change of venue is ordered for the juvenile and his or her parent or guardian to appear.

19-2-113. Parental accountability. (1) (a) The parent, guardian, or legal custodian of any juvenile subject to proceedings under this article 2 is required to attend all proceedings that may be brought under this article 2 concerning the juvenile. The court may impose contempt sanctions against said parent, guardian, or legal custodian for failure, without good cause, to attend any proceeding concerning the juvenile; except that, if the juvenile's legal custodian is a county department of human or social services or the state department of human services, the legal custodian need not attend any proceeding at which the juvenile's guardian ad litem is present.

(1) (a) Notwithstanding the provisions of section 19-1-115 (4)(d), where a juvenile is sentenced to a placement out of the home or is granted probation as a result of an adjudication, deferral of adjudication, or direct filing in or transfer to district court, the court may order the juvenile or the juvenile's parent to make such payments toward the cost of care as are appropriate under the circumstances. In setting the amount of such payments, the court shall take into consideration and make allowances for any restitution ordered to the victim or victims of a crime, which shall take priority over any payments ordered pursuant to this section, and for the maintenance and support of the juvenile's spouse, dependent children, any other persons having a legal right to support and maintenance out of the estate of the juvenile, or any persons having a legal right to support and maintenance out of the estate of the juvenile's parent. (2) Any order for payment toward the cost of care entered by the court pursuant to subsection (1) of this section shall constitute a judgment which shall be enforceable by the state

or the governmental agency that would otherwise incur the cost of care for the juvenile in the same manner as are civil judgments.

(3) In order to effectuate the provisions of this section, a juvenile and such juvenile's parent shall be required to provide information to the court regarding the juvenile's estate and the estate of such juvenile's parent. Such financial information shall be submitted in writing and under oath.

19-2-203. Division of youth services - created - interagency agreements - duties of administrators of facilities in connection with voter registration and casting of ballots - reports - pilot programs - fund - definitions - repeal. (1) (a) There is hereby created within the department of human services the division of youth services, referred to within this section as the "division", the head of which is the director of the division. The executive director of the department of human services shall appoint the director of the division pursuant to section 13 of article XII of the state constitution and the laws and rules governing the state personnel system. The director shall exercise powers and perform duties and functions within the office of the executive director of the department of human services in accordance with the provisions of this article 2 and as if transferred thereto by a **type 2** transfer as such transfer is defined in the "Administrative Organization Act of 1968", article 1 of title 24.

(b) The purposes of the division are to:

(I) Increase public safety by providing rehabilitative treatment to help youths in the division's care make lasting behavioral changes to prepare themselves for successful transition back to the community;

(II) Promote the physical safety of youths and staff within the division;

(III) Promote a seamless continuum of care from the time of detention or commitment to discharge, in which youths' needs are met in a safe, structured environment with well-trained, caring staff who help youths identify and address their issues, hold youths accountable for their actions, and help youths accept responsibility for their actions;

(IV) Enable youths to develop healthy, supportive relationships with peers, adults, family, and members of their neighborhoods and communities; and

(V) Provide youths with the tools necessary to become law-abiding, contributing members of the community upon their release.

(2) The division may enter into agreements with the judicial department to combine provision of juvenile parole and probation services. Juvenile probation and parole supervision programs implemented pursuant to such agreements may not include provisions for supervision of juveniles sentenced to the department of corrections.

(3) (a) This subsection (3) applies to any individual committed to a juvenile facility and in the custody of the division who is eighteen years of age or older on the date of the next election.

(b) The administrator of a facility in which an individual described in paragraph (a) of this subsection (3) is committed shall facilitate the voting rights of the individual. In connection with such requirements, the administrator shall provide the individual information regarding his or her voting rights and how the individual may register to vote and cast a mail ballot, provide the individual with voter information materials upon the request of the individual, and ensure that any mail ballot cast by the individual is timely delivered to the designated election official. For purposes of this subsection (3), "administrator" and "voter information materials" have the same meaning as set forth in section 1-2-210.5 (5), C.R.S. Notwithstanding any other provision of law, to satisfy the requirements of this paragraph (b), the administrator is exempt from any restriction under law on the number of mail ballots an eligible elector may deliver in person to the designated election official.

(c) The administrator and the secretary of state shall post the type or kind of verification satisfying the requirements of section 1-1-104 (19.5)(d), C.R.S., in a prominent place on the public websites maintained by the department of human services and the secretary, respectively.

The secretary shall provide notice to the county clerk and recorders as well as other designated election officials throughout the state that such verification constitutes an acceptable form of identification under section 1-1-104 (19.5), C.R.S., permitting the individuals possessing such identification to register to vote and cast a ballot.

(d) The administrator shall forward applications made under this subsection (3) on a weekly basis, or on a daily basis during the last week allowed for registration prior to any election, to the county clerk and recorder of the county in which the facility is located, and, if the applicant resides in a different county from the facility, the application must then be forwarded to the county clerk and recorder of the county in which the applicant resides.

(4) **Pilot programs - fund created - repeal.** (a) **Legislative declaration.** The general assembly finds that:

(I) Youths committed to the care of the division deserve to be treated with respect and dignity, using a therapeutic approach delivered in a treatment setting where social-emotional competencies are learned and practiced by youths and staff;

(II) Because many youths committed to the care of the division have experienced trauma, which may include physical and sexual abuse, abandonment, violence in their homes or in their communities, or the loss of a family member at a young age, the experience of a safe, humane, and nurturing environment is necessary for youths to develop coping skills and the ability to trust and form healthy relationships;

(III) Almost all youths committed to the division will return to the community;

(IV) Youths in the division's care need treatment and tools that prepare them to safely rejoin our communities;

(V) The environment in the division should be safe, secure, and nonviolent to promote building trust and healthy relationships between youths and staff and to allow youths to grow and mature responsibly;

(VI) Rates of violence against youths and staff in the division are unacceptably high;

(VII) Improvements can always be made in the division, which strives to have staff and youths engaged with respect and dignity and create an environment that is safe for all;

(VIII) Division staff have an extremely difficult job. They must respond daily to extremely troubled youths, including some who act out with violence. Even with appropriate staff response, some youths will need to be physically restrained.

(IX) Division staff want to help, and not hurt, youths;

(X) Nonetheless, certain restraint practices used in youth corrections, including full-body restraints, the WRAP, solitary confinement, pressure-point or pain-compliance techniques, manipulating nerves, mechanical restraints, and knee strikes to thighs, buttocks, and ribs are physically and psychologically harmful, destructive to relationship building, and inconsistent with the therapeutic, trauma-responsive, and non-violent environment the division is committed to creating;

(XI) Fundamental cultural change is needed at the division in order to provide for the safety of youths and staff and to effectuate real and lasting personal change for the youths in the division's care;

(XII) Division staff need additional tools and training to reduce the use of physical restraints and to promote stronger, healthier relationships with youths; and

(XIII) Transparency and accountability regarding critical incidents, fights, assaults, restraints, and injuries that occur in division facilities are critical components of cultural change.

(b) The division shall implement two pilot programs to aid in the establishment of a division-wide therapeutic and rehabilitative culture. The pilot programs will test the efficacy of a therapeutic group-treatment approach and the ability of the division to keep youths and staff safe without the use of seclusion and mechanical restraints other than handcuffs. In administering the pilot programs, the division shall:

(I) Provide treatment to at least thirty-five youths committed to the division's care, divided into groups of no more than fifteen. In selecting youths to participate in the pilot programs, the division shall ensure that the youths reflect a representative cross section of youths committed to the division's care with respect to age and history of violence.

(II) Give hiring or transfer preference to staff who agree to work as staff in the pilot program;

(III) Create teams of youths and staff by assigning each staff member to a group of youths, to which group the staff member remains assigned throughout the pilot programs;

(IV) Require staff assigned to the pilot programs to be trained as youth specialists and have or acquire substantial knowledge of rehabilitative treatment, de-escalation, adolescent behavior modification, trauma, safety, and physical management techniques that do not harm youths; assign no staff members to the pilot programs solely as security staff; and maintain a ratio of staff to youths that meets or exceeds nationally recognized standards and reflects best practices;

(V) Operate healthy, trauma-responsive organizational environments as demonstrated through prosocial, safe, and non-violent interaction by:

(A) Prioritizing the physical and psychological safety of youths and staff;

(B) Meeting the basic needs of youths, which are food, clothing, shelter, emotional and physical safety, belonging, and family involvement;

(C) Creating a humane environment for youths that is not institutional but is home-like, healthy, and therapeutic;

(D) Holding youths in the least restrictive environment possible;

(E) Emphasizing positive behavioral outcomes with the goal of helping youths to progress from behavioral compliance to internalized change;

(F) Utilizing the small group process as a primary method of providing treatment services, where resolution of core issues and development of social-emotional competency can occur, youth behaviors are viewed as having a cause, and determining the purpose of a behavior is essential to the treatment process;

(G) To the extent possible, ensuring that each youth in the pilot programs remains with his or her group and dedicated staff member during waking hours, except for specialized treatment or educational services;

(H) Relying on de-escalation and relationship-building techniques that help staff members avoid physical management and restraint;

(I) Not using restraint methods that physically harm youths, including striking youths, using mechanical restraints other than handcuffs, and using pain-compliance or pressure-point techniques;

(J) Prohibiting a youth from participating in the restraint of another youth;

(K) Phasing out completely within the first year of each pilot program the practice of placing youths alone in a room or area behind a locked door from which egress is prevented, except during sleeping hours, and avoiding isolation of youths from their peers;

(L) Integrating trauma-responsive principles and practices into all elements of programming and ensuring that all staff who work with youths are thoroughly trained to provide trauma-responsive care. For the purposes of this section, "trauma-responsive" care means care in which staff are trained to expect the presence of trauma in the youths being served, to recognize how staff response and organizational practices may trigger painful memories and re-traumatize youths with trauma histories, and to resist taking actions or using words that re-traumatize youths.

(M) Providing continuity of services and relationships through a seamless case management system and assignment of a dedicated case manager to each youth, which case manager serves as the primary advocate for the youth and his or her family and works actively with both throughout the pilot programs;

(N) Prioritizing family engagement; and

(O) Facilitating community engagement, consistent with principles of restorative justice;

(VI) Contract through a competitive bid process with an independent third party to facilitate, coach, and train staff and leadership throughout the course of the pilot programs. The independent third party must have expertise in systemic cultural transformation of a youth correctional system from a punitive correctional culture to a rehabilitative and therapeutic culture. The independent third party must have experience training staff in providing relationship-based, group-centered, trauma-responsive care and decreasing violence against youths and staff in facilities. The independent third party shall assist with implementation of the pilot programs, provide training for staff working in the pilot programs, and provide at least one three-quarter-time to full-time consultant to provide on-the-ground mentorship, coaching, and training to pilot program staff members throughout the pilot programs. The consultant shall also provide training to the division's leadership regarding the philosophies and techniques used in the pilot programs. On or before January 1, 2018, and continuing through June 30, 2020, the division shall begin working actively with the contracted independent third party to take the necessary steps to commence the first pilot program as soon as possible, which must begin to serve youths no later than July 1, 2018. As soon as possible, but no later than January 30, 2020, the division shall begin working with the second contracted independent third party to commence the second pilot program, which must begin to serve youths no later than July 1, 2020.

(VII) (A) Contract through a competitive bid process with an independent contractor other than one of the independent third parties described in subsection (4)(b)(VI) of this section to evaluate the effectiveness and outcome of the pilot programs. Prior to the start of each pilot program, the division and the contractor shall work together to identify the data points to be collected throughout the pilot programs, which must include, but are not limited to, data concerning fights, assaults on youths, assaults on staff, critical incidents, restraints, mechanical restraints, seclusion, injuries to youths, injuries to staff, criminal charges filed against youths or staff, grievances or complaints regarding abuse that have been filed or sustained, staff absences, staff turnover, and youth educational achievement. The division shall collect the data and make it available to the contractor at the contractor's request throughout the pilot programs. For the purposes of this subsection (4)(b)(VII), on or before September 1, 2017, the division shall request proposals from candidates for an evaluation of the first pilot program. The division shall require each candidate to submit its proposal to the division on or before November 1, 2017, and the division shall contract with a candidate on or before December 1, 2017. Not later than

October 1, 2019, the independent contractor described in this subsection (4)(b)(VII) shall assess the data provided by the division and complete a report evaluating the effectiveness and outcomes of the first pilot program when compared to one or more comparable populations of youths in the division. For the purposes of this subsection (4)(b)(VII), the division shall contract for an evaluation of the effectiveness and outcomes of the first and second pilot programs when compared to one or more comparable populations of youths in the division to be completed no later than October 1, 2021. The division shall provide the contractors all available data requested to complete the reports.

(B) The independent contractors, at least in part, shall base their evaluations of the effectiveness of the pilot programs upon whether they reduce the number of fights, critical incidents, assaults on youths, assaults on staff, injuries to youths, and injuries to staff when compared to comparable populations of youths in the division, and whether they reduce the number of physical managements and mechanical restraints when compared to comparable populations of youths in the division.

(C) Not later than October 1, 2019, the first independent contractor shall complete the report described in subsection (4)(b)(VII)(A) of this section and submit it to the judiciary committees of the house of representatives and the senate, to the public heath care and human services committee of the house of representatives, and to the health and human services committee of the senate, or to any successor committees.

(D) Not later than October 1, 2021, the second independent contractor shall complete the report described in subsection (4)(b)(VII)(A) of this section and submit it to the judiciary committees of the house of representatives and the senate, to the public health care and human services committee of the house of representatives, and to the health and human services committee of the senate, or to any successor committees.

(VIII) Perform the necessary construction and renovation to create youth residences for the pilot programs that are home-like and therapeutic, including home-like sleeping quarters and living and group meeting areas.

(c) (I) The division of youth services pilot program cash fund, referred to in this subsection (4) as the "fund", is hereby created in the state treasury. The fund consists of money credited to the fund pursuant to subsection (4)(c)(IV) of this section and any other money that the general assembly may appropriate or transfer to the fund.

(II) The state treasurer shall credit all interest and income derived from the deposit and investment of money in the fund to the fund. Any unexpended and unencumbered money remaining in the fund at the end of a fiscal year remains in the fund and does not revert to the general fund.

19-2-211.5. Legislative declaration. The general assembly declares that the placement of children in a detention facility exacts a negative impact on the mental and physical well-being

of the child, and such detention may make it more likely that the child will reoffend. Children who are detained are more likely to penetrate deeper into the juvenile justice system than similar children who are not detained, and community-based alternatives to detention should be based on the principle of using the least-restrictive setting possible and returning a child to his or her home, family, or other responsible adult whenever possible consistent with public safety. It is the intent of the general assembly in adopting section 19-2-507.5 and amending sections 19-2-212, 19-2-507, and 19-2-508 to limit the use of detention to only those children who pose a substantial risk of serious harm to others or that are a flight risk from prosecution.

(II) The office of state planning and budgeting;

(III) The Colorado district attorneys council;

(IV) Law enforcement;

(V) The public defender's office and the office of alternate defense counsel;

(I) To establish a set of criteria for both detention and commitment for the purposes of determining which juvenile offenders are appropriate for placement in the physical or legal custody of the department of human services. Such criteria must conform with section 19-2-508. This set of criteria, when adopted by the department of human services and the judicial department, must promote a more uniform system of determining which juveniles should be placed in the physical custody of the department of human services or in the legal custody of the department of human services so that decisions for such placement of a juvenile are made based upon a uniform set of criteria throughout the state. In addition, the criteria shall specifically take into account the educational needs of the juvenile and ensure the juvenile's access to appropriate educational services. The working group established pursuant to this subsection (1) shall hold a meeting at least once each year and as necessary to review and propose revision to the criteria established pursuant to this subsection (1) and the formula created pursuant to subsection (1)(b)(V) of this section.

(II) Before January 1, 2021, to develop or adopt by a majority vote of the working group a research-based detention screening instrument to be used statewide to inform placement of juveniles in a detention facility. In developing or adopting the detention screening instrument, the working group shall consult with expert organizations and review research and best practices from other jurisdictions. The working group is also responsible for:

(A) Ensuring that the instrument identifies and mitigates any disparate impacts based on disability, race or ethnicity, gender, sexual orientation, national origin, economic status, or child welfare involvement;

(B) Identifying measures and scoring for the detention screening instrument to determine eligibility for placement in a juvenile detention facility;

(C) Identifying how the instrument is validated and piloted; and

(D) Establishing statewide scoring override policies that minimize subjective decisions to hold a juvenile in a detention facility, while allowing for local flexibility.

(III) Before January 1, 2021, to develop a plan to provide training and technical assistance to screening teams on the implementation of the detention screening instrument, including at least annual refresher training;

(IV) Before January 1, 2021, to develop a plan for the division of youth services to collect, compile, and report to the judiciary committees of the senate and the house of representatives, the health and human services committee of the senate, and the public health care and human services committee of the house of representatives, or any successor committees, annually on the use of secure detention; number and justification of overrides of the detention screening instrument as conducted pursuant to section 19-2-507; and, if possible, an analysis of detention screening instrument data to determine if any disparate impacts resulted based on race, ethnicity, gender, sexual orientation, national origin, economic status, or child welfare involvement. The division of youth services shall recommend any necessary changes to appropriations that need to be made prior to fully implementing this section's recommendations. Notwithstanding the provisions of section 24-1-136 (11)(a)(I), this reporting requirement continues indefinitely.

(V) To establish a formula for the purpose of allocating funds by each judicial district in the state of Colorado for alternative services to placing juveniles in the physical custody of the department of human services or in the legal custody of the department of human services. Such allocation must take into consideration such factors as the population of the judicial district, the incidence of offenses committed by juveniles in such judicial district, and other factors as deemed appropriate. The working group shall consider and take into account whether any federal money or matching funds are available to cover the costs of juveniles within the system, including parent fees and third-party reimbursement as authorized by law or reimbursements under Title IV-E of the federal "Social Security Act", as amended.

(VI) Before January 1, 2021, to establish criteria for juveniles served through alternative services funded pursuant to subsection (1)(b)(V) of this section. Such criteria must prioritize:

(A) Preadjudicated juveniles eligible for placement in a detention facility as determined by results from a detention screening instrument;

(B) Juveniles who are in secure detention; and

(C) Juveniles under the supervision of probation when the results of a detention screening instrument indicate that the juvenile is eligible for detention.

(VII) At least every two years, to review data collected by the division of youth services on the use of funding pursuant to subsection (1)(b)(V) of this section and its impact on the use of juvenile detention. The working group shall identify the measures that it will collect as part of its review of the impact of preadjudicated funding on detention pursuant to this section.

(VIII) Before January 1, 2021, to adopt a relative information form concerning a juvenile's potential need for services or placement. The information form must be available at

each judicial district to each parent or legal guardian of a juvenile screened for detention and participation in alternative services. The information form must:

(A) Advise the parent or legal guardian that he or she is required to provide the requested information fully and completely; and

(B) Require the parent or legal guardian to list the names, addresses, e-mail addresses, and telephone numbers of every grandparent, relative, kin, and person with a significant relationship with the juvenile and any comments concerning the appropriateness of the juvenile's potential need for services from or placement with those persons.

(IX) Before January 1, 2021, to develop a system of graduated responses and rewards to guide parole officers in determining how best to motivate positive juvenile behavior change and the appropriate response to a violation of terms and conditions of juvenile parole. Graduated responses means an accountability-based series of sanctions and services designed to respond to a juvenile's violation of parole quickly, consistently, and proportionally and incentives to motivate positive behavior change and successful completion of parole and his or her reentry and treatment goals.

(2) Of the members of the working group established pursuant to subsection (1) of this section, the executive director of the department of human services and the state court administrator of the judicial department, or any designees of such persons, have final authority to carry out the duty of creating the set of criteria pursuant to subsections (1)(b)(I) to (1)(b)(IV) of this section and creating the formula pursuant to subsections (1)(b)(V) to (1)(b)(VII) of this section. This authority can only be exercised after working with and participating in the working group process established in this section.

19-2-301. Short title. This part 3 shall be known and may be cited as "Juvenile Administrative Programs and Services".

Source: L. 96: Entire article amended with relocations, p. 1608, § 1, effective January 1, 1997.

Editor's note: The former section 19-2-301 was relocated to section 19-2-510.

19-2-302. Preadjudication service program - creation - community advisory board established - duties of board. (1) (a) The chief judge of any judicial district may issue an order that any juvenile who applies for preadjudication release be evaluated for placement by a preadjudication service program established pursuant to this section. In evaluating the juvenile, the service agency shall follow criteria for the placement of a juvenile established pursuant to section 19-2-212. Upon evaluation, the service agency shall make a recommendation to the court concerning placement of the juvenile with a preadjudication service program.

(b) Parents or legal guardians of a juvenile evaluated by a preadjudication service program shall complete the information form described in section 19-2-212 (1)(b)(VIII) no later than two business days after the evaluation or prior to the juvenile's first detention hearing, whichever occurs first. If available, the screening team or preadjudication service program shall file the original completed information form with the court. If the information form has not been completed at the time of the detention hearing, the court shall direct the parent or legal guardian to immediately complete the form and file it with the court. The screening team, preadjudication service program, or the court shall deliver a copy of the information report to the division of youth services; the guardian ad litem, if any; and the county department of human or social services no later than five business days after the date of the detention hearing.

(2) Any county or city and county or judicial district in the state may establish a preadjudication service program for use by the district court for the county or city and county or judicial district. Such program shall be established in accordance with a local justice plan developed pursuant to section 19-2-211.

(3) The local justice plan must provide for the assessment of juveniles taken into custody and detained by law enforcement officers, which assessment must be based on criteria for the placement of juveniles established pursuant to section 19-2-212, so that relevant information may be presented to the judge presiding over the detention hearing. The information provided to the court through the screening process, which information must include the record of any prior adjudication of the juvenile, is intended to enhance the court's ability to make a more appropriate detention and bond decision, based on facts relative to the juvenile's substantial risk of serious harm to others.

(4) The plan may include different methods and levels of community-based supervision as conditions for preadjudication release, including the possibility of release without formal supervision. The plan may provide for the use of the same supervision methods that have been established for adult defendants as a pretrial release method to reduce pretrial incarceration or that have been established as sentencing alternatives for juvenile or adult offenders placed on probation or parole. The use of such supervision methods is intended to reduce preadjudication

detentions without sacrificing the protection of the community from juveniles who may be risks to the public. The plan may allow for the release of the juvenile to his or her home with no formal supervision or provide for the use of any of the following supervision methods as conditions of preadjudication release:

(a) Periodic telephone communications with the juvenile;

(b) Periodic office visits by the juvenile to the preadjudication service agency;

(c) Periodic home visits to the juvenile's home;

(d) If a validated mental health or substance use screening and subsequent mental health or substance use assessment indicates that the juvenile has a need:

(I) Periodic drug testing of the juvenile; or

(II) Mental health or substance use treatment for the juvenile, which treatment may include residential treatment;

(e) Periodic visits to the juvenile's school;

(f) Domestic violence or child abuse counseling for the juvenile, if applicable;

(g) Electronic or global position monitoring of the juvenile;

(h) Work release for the juvenile, if school attendance is not applicable or appropriate under the circumstances; or

(i) Juvenile day reporting and day treatment programs.

(2) The form referenced in subsection (1)(b) is scheduled to be available at each judicial district by January 1, 2021.

19-2-302.5. Petty tickets - summons - contracts - data. (1) (a) If a law enforcement officer contacts a juvenile ten years of age or older for a delinquent act that would be a petty offense if committed by an adult or a municipal ordinance violation, the officer may issue the juvenile a petty ticket that requires the juvenile to go through an assessment process or procedure as designated by the municipal, county, or district court, including assessment by a law enforcement officer, assessment officer, or a screening team, referred to in this section as the "screening entity". When a petty ticket is issued, an assessment officer or screening team officer shall offer a petty offense contract to the juvenile and the juvenile's parent or legal guardian if:

(I) The juvenile has no prior adjudication or non-traffic conviction in a municipal, county, juvenile, or district court;

(II) The alleged offense would be a class 1, class 2, or unclassified petty offense;

(III) The juvenile admits to the offense; and

(IV) The petty offense contract is in the best interests of the juvenile.

(b) If the juvenile is otherwise eligible for a petty offense contract pursuant to the provisions of this subsection (1), but the screening entity finds that the issuance of a petty offense contract is not in the best interests of the juvenile, the screening entity shall state the reasons in writing. The screening entity shall provide a copy of the written statement to the

juvenile and shall maintain a copy of the written statement. If there is no agreement resulting in a signed contract pursuant to this section, the prosecuting attorney may file a petition of delinquency.

(2) Every contract entered into pursuant to this section must be in writing and contain the following:

(a) Consent to the contract terms by the juvenile and the juvenile's parent or legal guardian;

(b) An agreement to pay restitution, when applicable;

(c) An agreement to perform useful community service, when applicable;

(d) An agreement to attend school unless the juvenile is in a certified home study program or is otherwise legally excused from such attendance;

(e) A requirement of restorative justice practices, when appropriate;

(f) A requirement that the juvenile not commit a delinquent act during the term of the contract; and

(g) Any other conditions determined appropriate by the screening entity.

(3) The term of the contract may not exceed ninety days; except that the contract may be extended for an additional thirty days for good cause.

(4) Upon the successful completion of the contract to the satisfaction of the screening entity, the juvenile is released from any further obligation, and the prosecuting attorney shall not file a petition in delinquency for the admitted act. The completed contract remains confidential except to the ticketing agency, the screening and supervisory entity, the juvenile, and the juvenile's parent or legal guardian.

(5) (a) If a juvenile fails to comply with a written condition of the contract within a specific time designated in the contract, the prosecuting attorney may file charges with the court. The contract and any statements contained in the contract or made by the juvenile to the screening entity administering the contract shall not be used against the juvenile.

(b) If there is no agreement resulting in a signed contract, any statement made by the juvenile to the screening entity administering the assessment shall not be used against the juvenile.

(c) Notwithstanding the provisions of paragraphs (a) and (b) of this subsection (5), statements or admissions of a juvenile contained in the contract or made by the juvenile to the screening entity are admissible into evidence, if the juvenile makes any deliberate misrepresentations affecting the applicability or requirements of this section.

(6) (a) Each law enforcement agency that issues petty offense tickets pursuant to the provisions of this section shall maintain annual data on the number of tickets issued and the age, ethnicity, gender, and final disposition for each ticket.

(b) The data collected pursuant to paragraph (a) of this subsection (6) is public and must be made available upon request.

19-2-303. Juvenile diversion program - authorized - report - legislative declaration - definitions. (1) (a) In order to more fully implement the stated objectives of this title 19, the general assembly declares its intent to establish a juvenile diversion program that, when possible,

integrates restorative justice practices to provide community-based alternatives to the formal court system that will reduce juvenile crime and recidivism and improve positive juvenile outcomes, change juvenile offenders' behavior and attitudes, promote juvenile offenders' accountability, recognize and support the rights of victims, heal the harm to relationships and the community caused by juvenile crime, and reduce the costs within the juvenile justice system.

(b) Research has shown that court involvement for juveniles not identified as a risk of harm to others is harmful, and most low-risk juveniles grow out of their behavior and stop reoffending without system intervention.

(c) The goals of the diversion programs are to:

(I) Prevent further involvement of the juvenile in the formal legal system;

(II) Provide eligible juveniles with cost-effective alternatives to adjudication that require the least amount of supervision and restrictive conditions necessary consistent with public safety and the juvenile's risk of reoffending;

(III) Serve the best interest of the juvenile while emphasizing acceptance of responsibility and repairing any harm caused to victims and communities;

(IV) Reduce recidivism and improve positive outcomes for juveniles through the provision of services, if warranted, that address their specific needs and are proven effective; and

(V) Ensure appropriate services are available for all eligible juveniles.

(2) The division of criminal justice of the department of public safety is authorized to establish and administer a juvenile diversion program that seeks to divert youth from the juvenile justice system, and, when possible, integrates restorative justice practices. In order to effectuate the program, the division shall allocate money to each judicial district and may contract with district attorneys' offices, governmental units, and nongovernmental agencies for reasonable and necessary expenses and services to serve each judicial district to divert juveniles and provide services, if warranted, for eligible juveniles through community-based programs providing an alternative to a petition filed pursuant to section 19-2-512 or an adjudicatory hearing pursuant to section 19-3-505.

(3) For purposes of this section:

(a) "Director" is defined in section 19-1-103 (42).

(b) "Diversion" is defined in section 19-1-103 (44).

(c) "Governmental unit" is defined in section 19-1-103 (55).

(d) "Nongovernmental agency" is defined in section 19-1-103 (79).

(e) "Services" is defined in section 19-1-103 (96).

(4) District attorneys' offices or their designees shall:

(a) On and after January 1, 2021, conduct a risk screening using a risk screening tool selected pursuant to section 24-33.5-2402 (1)(c) for all juveniles referred to the district attorney pursuant to section 19-2-510 unless a determination has already been made to divert the juvenile, the district attorney declines to file charges, dismisses the case, or charges the juvenile with a class 1 or class 2 felony. The district attorney's office shall conduct the risk screening or contract with an alternative agency that has been formally designated by the district attorney's office to conduct the screening, in which case the results of the screening must be made available to the district attorney's office. The entity conducting the screening shall make the results of the risk screening available to the youth and family. All individuals using the risk screening tool must receive training on the appropriate use of the tool. The risk screening tool is to be used to inform about decisions about diversion. The risk screening tool and any information obtained from a

juvenile in the course of any screening, including any admission, confession, or incriminating evidence, obtained from a juvenile in the course of any screening or assessment in conjunction with proceedings under this section or made in order to participate in a diversion or restorative justice program is not admissible into evidence in any adjudicatory hearing in which the juvenile is accused and is not subject to subpoena or any other court process for use in any other proceeding or for any other purpose.

(b) Use the results of the risk screening to inform:

(I) Eligibility for participation in a juvenile diversion program;

(II) The level and intensity of supervision for juvenile diversion;

(III) The length of supervision for juvenile diversion; and

(IV) What services, if any, may be offered to the juvenile. Professionals involved with the juvenile's needs, treatment, and service planning, including district attorneys, public defenders, probation, and state and local governmental entities, such as the departments of human or social services, may collaborate to provide appropriate diversion services in jurisdictions where they are not currently available.

(c) Not deny diversion to a juvenile based on the juvenile's:

(I) Ability to pay;

(II) Previous or current involvement with the departments of human or social services;

(III) Age, race or ethnicity, gender, or sexual orientation; or

(IV) Legal representation;

(d) Align the juvenile diversion program's policies and practices with evidence-based practices and with the definition of "diversion" pursuant to section 19-1-103 (44); and

(e) Collect and submit data to the division of criminal justice pursuant to subsection (5) of this section.

(5) The division of criminal justice, in collaboration with district attorneys or diversion program directors who accept formula money and programs providing juvenile diversion services, shall establish minimum data collection requirements and outcome measures that each district attorney's office, governmental unit, and nongovernmental agency shall collect and submit annually for all juveniles referred to the district attorney pursuant to section 19-2-510 including, but not limited to:

(a) Demographic data on age, race or ethnicity, and gender;

(b) Risk screening conducted;

(c) Risk level as determined by the risk screening or, if no screening was completed, the reason why the screening was not completed;

(d) Offense;

(e) Diversion status;

(f) Service participation;

(g) Program completion data;

(h) Child welfare involvement; and

(i) Identifying data necessary to track the long-term outcomes of diverted juveniles.

(6) (a) Each program providing services under this section shall develop objectives and report progress toward such objectives as required by rules promulgated by the director.

(b) The director shall regularly monitor these diversion programs to ensure that progress is being made to accomplish the objectives of this section. The division of criminal justice shall offer technical assistance to district attorneys' offices, governmental units, nongovernmental

agencies, and diversion programs to support the uniform collection and reporting of data and to support program development and adherence to program requirements. The division of criminal justice shall provide annual program-level reports to district attorneys' offices and submit a consolidated statewide report annually to the governor and to the judiciary committees of the senate and the house of representatives, the health and human services committee of the senate, and the public health care and human services committee of the house of representatives, or any successor committees. Notwithstanding the provisions of section 24-1-136 (11)(a)(I), these reports continue indefinitely.

(7) A formula must be established for the purpose of allocating money to each judicial district in the state of Colorado for juvenile diversion programs. The executive director of the department of public safety is authorized to accept and expend on behalf of the state any funds, grants, gifts, or donations from any private or public source for the purpose of providing restorative justice programs; except that no gift, grant, or donation shall be accepted if the conditions attached to it require the expenditure thereof in a manner contrary to law.

(8) (a) The director may implement a behavioral or mental health screening program to screen juveniles who participate in the juvenile diversion program. If the director chooses to implement a behavioral or mental health screening program, the director shall use the mental health screening tool selected pursuant to section 24-33.5-2402 (1)(b) and conduct the screening in accordance with procedures established pursuant to that section.

(b) Prior to implementation of a behavioral or mental health screening program pursuant to this subsection (8), if implementation of the program would require an increase in appropriations, the director shall submit to the joint budget committee a request for funding in the amount necessary to implement the behavioral or mental health screening program. If implementation of the behavioral or mental health screening program would require an increase in appropriations, implementation of the program is conditional upon approval of the funding request.

(10) Any general public liability insurance policy obtained to cover juveniles performing work or community service pursuant to this section and to provide coverage for injuries caused to or by juveniles performing work or community service pursuant to this section shall be in a sum of not less than the current limit on government liability under the "Colorado Governmental Immunity Act", article 10 of title 24, C.R.S.

19-2-309.5. Community accountability program - legislative declaration - creation. (1) It is the intent of the general assembly that the program established pursuant to this section benefit the state by providing a structured program combining residential and community reintegration components under which certain adjudicated juveniles are subject to an ordered environment affirming the dignity of self and others; promoting the value of education, work, and accountability; adhering to the principals of restorative justice; and developing useful skills that can be applied when the juvenile is reintegrated into the community.

(2) (a) The division of youth services, pursuant to a contract with one or more private entities, shall establish, maintain, and operate a community accountability program, referred to in this section as the "program".

(b) The program shall provide a sentencing option for adjudicated juveniles who are at least fourteen years of age but younger than eighteen years of age. An adjudicated juvenile may be sentenced to participate in the program only as a condition of probation. A sentence to the

program may be in addition to, but shall not be in lieu of, a mandatory sentence required by section 19-2-911 (2). The juvenile court shall consider the program as a sentencing option for higher risk juveniles who would have otherwise been sentenced to detention or out-of-home placement or committed to the department of human services.

(c) A sentence imposed pursuant to this section is conditioned on the availability of space in the program and the division of youth services' determination of whether the juvenile's participation in the program is appropriate. A juvenile may be denied participation in the program upon a determination by the division that a physical or mental condition, including severe substance abuse, will prevent the juvenile's full participation in the program. Any juvenile denied participation in the program must be returned to the juvenile court for resentencing.

(d) The judicial department shall provide information to the division of youth services concerning sentencing of the juvenile, including but not limited to the juvenile's criminal history, the presentence investigation report, the risk-need assessment, and demographics pertaining to the juvenile.

(e) The program must be established for up to eighty beds. Under the contract entered into pursuant to subsection (2)(a) of this section, the division of youth services shall pay only for the actual number of juveniles placed in the program.

(3) If feasible, the program may be established regionally, one in each of the division of youth services' regions. The division, through a competitive bid process, shall select one or more private entities to operate the program.

(4) (a) The program consists of two integrated components. Each selected entity shall provide both components within the contracted region as follows:

(I) **Component I.** Component I shall consist of a sixty-day residential program, which may contain, but need not be limited to, the following program elements:

(A) Assessment and treatment planning;

(B) Behaviorally based programming with appropriate sanctions and reinforcements;

(C) Life and cognitive skill development;

(D) Treatment interventions;

(E) Educational and vocational training;

(F) Competency development;

(G) Victim awareness and empathy;

(H) Gender-specific programming; and

(I) Restorative justice programming.

(II) **Component II.** The division of youth services shall administer component II, which consists of a community reintegration phase. For each juvenile entering component II, the department of youth services and the local probation department shall jointly establish a reintegration plan. Component II may contain, but need not be limited to, the following program elements:

(A) Multi-systemic therapy;

(B) Functional family therapy;

(C) Aggression replacement training;

(D) Life skills;

(E) Skills development;

(F) Behaviorally based programming with appropriate sanctions and reinforcements;

(G) Education and vocational training;

(H) Work experience;

(I) Victim empathy;

(J) Victim-offender mediation;

(K) Gender-specific programming; and

(L) Restorative justice programming.

(b) The program may be housed in a privately owned and operated facility or in a state-owned and privately operated facility. The departments and any private contractors in each region shall involve local governments in identifying locations for residential facilities.

(c) The division shall include a community involvement component in the development of reintegration plans, which may include the creation of community advisory boards.

(5) If a juvenile in the first component of the program would substantially benefit, the division of youth services shall notify the local department of probation who may petition the court for an extension of up to fifteen days in addition to the initial sixty-day period for the first component of the program. The period of time a juvenile spends in the second component of the program must not exceed one hundred twenty days. The entire period of a juvenile's participation in the program must not exceed the length of the juvenile's probation sentence. Whenever a juvenile fails to progress through or complete the first or second component of the program, the juvenile is subject to the provisions of section 19-2-925 (8) for violating a condition of probation.

(6) The division of youth services and the judicial department shall jointly establish guidelines for the program and for each of the components thereof described in subsection (4) of this section. The division of youth services shall make available necessary support services for the juvenile and the juvenile's family under both components of the program.

(7) Repealed.

(8) The division of youth services shall conduct an ongoing evaluation of the program. On or before January 15 each year, the division of youth services shall submit a report of the evaluation results to the general assembly. The division may contract for the services and labor necessary to perform the ongoing evaluation.

19-2-310. Appropriations to department of human services for services to juveniles - definition. (1) The general assembly shall appropriate money for the provision of services to juveniles to the department of human services. The department of human services shall allocate such money by each judicial district in the state. Such appropriation and allocation shall be made based upon the formula developed in section 19-2-212 (1)(b). The department of human services shall administer the appropriated money. The money appropriated to the department of human services for allocation by each judicial district must be expended in the judicial district by the

department of human services for services to juveniles that are intended to prevent the juvenile from being held in detention prior to adjudication, sentenced to detention, or committed to the department of human services or to reduce the length of time the juvenile is held in preadjudication or postadjudication detention or held in a commitment facility operated under section 19-2-403. If a judicial district has a local juvenile services planning committee, the expenditure of money for juvenile services in the judicial district shall be made in accordance with the plan developed pursuant to section 19-2-211.

(2) For the purposes of this section, a "juvenile" also includes a youth ten years of age or older but less than seventeen years of age who is habitually truant, as defined in section 22-33-102 (3.5), and who the court has ordered to show cause why he or she should not be held in contempt of court pursuant to section 22-33-108 (7), when funds are expended for services that are intended to prevent the youth from being held in detention or sentenced to detention.

19-2-311. Victim-offender conferences - pilot program. The division of youth services is authorized to establish a pilot program, when funds become available, in its facilities to facilitate victim-initiated victim-offender conferences whereby a victim of a crime may request a facilitated conference with the juvenile who committed the crime, if the juvenile is in the custody of the division of youth services. After such a pilot program is established, the division of youth services may establish policies and procedures for the victim-offender conferences using volunteers to facilitate the conferences. The volunteers shall complete the division of youth services' volunteer and facility-specific training programs and complete high-risk victim-offender training and victim advocacy training. The division of youth services shall not compensate or reimburse a volunteer or victim for any expenses. If a pilot program is available, and subsequent to the victim's or the victim representative's request, the division of youth services shall arrange such a conference only after determining that the conference would be safe and only if the juvenile agrees to participate. The purposes of the conference are to enable the victim to meet the juvenile, to obtain answers to questions only the juvenile can answer, to assist the victim in healing from the impact of the crime, and to promote a sense of remorse and acceptance of responsibility by the juvenile that may contribute to his or her rehabilitation.

19-2-312. Youth corrections monetary incentives award program - designated monetary custodian. (1) The division of youth services in the department of human services is

authorized to establish, at its discretion, a youth corrections monetary incentives award program, referred to in this section as the "program". The purpose of the program is to provide monetary awards and incentives for academic, social, and psychological achievement to juveniles who were formerly committed to the division of youth services who are on parole, in community corrections, or now off of parole.

(2) If the division of youth services establishes a program, it shall devise, in collaboration with the nonprofit organization designated pursuant to subsection (3) of this section, appropriate participation criteria, application procedures, any necessary organizational structure, and criteria for awarding individual scholarships. Criteria may, but are not required to, include that the juvenile:

(a) Maintains the highest grades possible each academic term;

(b) Makes consistent progress in his or her therapy or other assigned program, if applicable, during each academic term, as determined by the team of professionals who worked with the juvenile while committed to the division of youth services; and

(c) Use the money earned only for expenses approved as necessary and valid by the division of youth services and the nonprofit organization designated pursuant to subsection (3) of this section.

(3) If the division of youth services establishes a program, it shall, in conjunction with the director of the legislative council, use a request for proposal process to contract with and designate a nonprofit organization, referred to in this section as the "designated nonprofit", to serve as the custodian of money donated to the program through the designated nonprofit. The designated nonprofit shall work with the division of youth services for the purpose of designing the program criteria, accepting funds for program scholarships, and providing a distribution mechanism for such scholarships.

(4) (a) The designated nonprofit and the division of youth services are authorized to solicit, accept, and expend monetary and in-kind gifts, grants, and donations on behalf of the program and for payment of scholarships to juveniles in the program. Any such money donated or awarded to the designated nonprofit for the benefit of the program is not subject to appropriation by the general assembly. The designated nonprofit must not be the custodian of any money appropriated by the state, which must be annually appropriated by the general assembly to the division of youth services in the department of human services. Any money obtained by the division of youth services or the designated nonprofit that is unexpended and unencumbered at such time the program is dissolved must be distributed according to appropriate federal and state laws governing nonprofit organizations.

(b) If a different nonprofit or private organization is subsequently designated as the custodian of donated money in accordance with this subsection (4), the former designated nonprofit shall promptly transfer to the newly designated nonprofit or private organization any money that is unexpended and unencumbered at the time of the change in designation.

19-2-403.5. Legislative declaration - eminent domain - detention facility site. (1) The general assembly hereby finds and declares that:

(a) The juvenile detention facilities currently located within the city and county of Denver are inadequate to house the dramatically increasing number of juveniles being held in detention by or committed to the custody of the department of human services and this inadequacy poses a serious and immediate threat to public safety;

(b) During the 1994 legislative session, the general assembly attempted to address this situation by appropriating additional state moneys for a new sixty-bed juvenile detention facility to be located in the city and county of Denver;

(c) Although the city and county of Denver was to select a proposed site for this juvenile detention facility, the city and county of Denver had refused to do so until just recently;

(d) Due to numerous factors, the two proposed sites that the city and county of Denver finally recommended are not suitable for a juvenile detention facility;

(e) Due to Denver's delays and refusal to recommend a suitable site, the situation regarding the number of juvenile detention beds located in the city and county of Denver has reached a critical point and it has become necessary for the state of Colorado to take action in order to address this situation;

(f) Granting the department of human services the power of eminent domain to acquire private or public property for juvenile detention facilities in the city and county of Denver is reasonably related to the legitimate state interest of providing a sufficient number of juvenile detention beds within the city and county of Denver so that the department can adequately house the number of juveniles held in detention or committed to the department's custody; and

(g) A general law cannot be made applicable to address the provision of juvenile detention facility beds within the city and county of Denver.

(2) (a) Subject to the provisions of subsection (3) of this section, the department of human services has the right to acquire by eminent domain any real property that is located

within the Denver metropolitan area that is necessary for the establishment of one or more juvenile detention facilities. Such real property shall be acquired in accordance with articles 1 to 7 of title 38, C.R.S.

(b) Any real property specified in paragraph (a) of this subsection (2) that is already devoted to a public use may be acquired by the department of human services pursuant to this section; except that no property owned by the federal government may be acquired without the consent of the federal government.

(3) Prior to the acquisition of any real property pursuant to subsection (2) of this section, the proposed acquisition must be reviewed and approved by the joint budget committee established pursuant to section 2-3-201, C.R.S.

The warrant may be executed by any juvenile probation officer or by a peace officer authorized to execute warrants in the county in which the juvenile is found. If the warrant is for a juvenile found in contempt of court in a truancy proceeding, the court shall follow the procedures set forth in section 22-33-108 (7).

19-2-507. Duty of officer - screening teams - notification - release or detention. (1) When a juvenile is taken into temporary custody and not released pending charges, the officer shall notify the screening team for the judicial district in which the juvenile is taken into custody. The screening team shall notify the juvenile's parent, guardian, or legal custodian without

unnecessary delay and inform him or her that, if the juvenile is placed in detention or a temporary holding facility, all parties have a right to a prompt hearing to determine whether the juvenile is to be detained further. Such notification may be made to a person with whom the juvenile is residing if a parent, guardian, or legal custodian cannot be located. If the screening team is unable to make such notification, it may be made by any law enforcement officer, juvenile probation officer, detention center counselor, or common jailor in whose physical custody the juvenile is placed.

(2) **[*Editor's note: This version of subsection (2) is effective until July 1, 2020.*]** The law enforcement officer or the court shall detain the juvenile if the law enforcement officer or the court determines that the juvenile's immediate welfare or the protection of the community requires detainment. In determining whether a juvenile requires detention, the law enforcement officer or the court shall follow criteria for the detention of juvenile offenders which criteria are established in accordance with section 19-2-212, and shall make efforts to keep the juvenile with his or her parent, guardian, or legal custodian.

(2) **[*Editor's note: This version of subsection (2) is effective July 1, 2020.*]** (a) If the law enforcement officer does not release the juvenile to the care of such juvenile's parents, legal guardian, kin, or other responsible adult, the screening team shall administer a validated detention screening instrument developed or adopted pursuant to section 19-2-212. The law enforcement officer, screening team, or juvenile court shall not remove the juvenile from the custody of the parent or legal guardian pursuant to this section unless the screening team or the juvenile court:

(I) (A) First finds that a validated detention screening instrument selected or adopted pursuant to section 19-2-212 has been administered and the juvenile scored as detention-eligible; or

(B) There are grounds to override the results of the detention screening instrument based on the criteria developed in accordance with section 19-2-212; and

(II) Finds that the juvenile poses a substantial risk of serious harm to others or a substantial risk of flight from prosecution and finds that community-based alternatives to detention are insufficient to reasonably mitigate that risk. Flight from prosecution is distinguished from simple failure to appear and must generally be evidenced by a demonstrated record of repeat, recent willful failures to appear at a scheduled court appearance.

(b) The detention screening instrument must be administered by the screening team for each juvenile under consideration for detention and must be administered by a screener who has completed training to administer the detention screening instrument.

(c) Any information concerning a juvenile that is obtained during the administration of the detention screening instrument must be used solely for the purpose of making a recommendation to the court regarding the continued detention of the juvenile. The information is not subject to subpoena or other court process, for use in any other proceeding, or for any other purpose.

(d) Court records and division of youth services records must include data on detention screening scores and, if the score does not mandate detention, the explanation for the override placing the juvenile in detention.

(e) A juvenile who must be taken from his or her home but who does not require physical restriction must be given temporary care with his or her grandparent, kin, or other

suitable person; in a temporary shelter facility designated by the court; or with the county department of human or social services and must not be placed in detention.

(f) The screening team and the juvenile court shall use the results from the detention screening instrument in making a release determination. Release options include allowing a juvenile to return home with no supervision, or with limited supervision such as a location monitoring device, or a referral to a preadjudication alternative to detention or service program established pursuant to section 19-2-302.

(3) **[*Editor's note: This version of subsection (3) is effective until July 1, 2020.*]** The juvenile shall be released to the care of such juvenile's parents or other responsible adult, unless a determination has been made in accordance with subsection (2) of this section that such juvenile's immediate welfare or the protection of the community requires that such juvenile be detained. The court may make reasonable orders as conditions of said release, which conditions may include participation in a preadjudication service program established pursuant to section 19-2-302. In addition, the court may provide that any violation of such orders shall subject the juvenile to contempt sanctions of the court. The parent or other person to whom the juvenile is released shall be required to sign a written promise, on forms supplied by the court, to bring the juvenile to the court at a time set or to be set by the court. Failure, without good cause, to comply with the promise shall subject the juvenile's parent or any other person to whom the juvenile is released to contempt sanctions of the court.

(3) **[*Editor's note: This version of subsection (3) is effective July 1, 2020.*]** (a) The juvenile must be released to the care of the juvenile's parents, kin, or other responsible adult, unless a determination has been made in accordance with subsection (2) of this section that the juvenile's substantial risk of serious harm to others requires that the juvenile be detained. The court may make reasonable orders as conditions of release pursuant to section 19-2-508 (5). In addition, the court may provide that any violation of such orders may subject the juvenile to contempt sanctions of the court. The parent, kin, or other person to whom the juvenile is released is required to sign a written promise, on forms supplied by the court, to bring the juvenile to the court at a time set or to be set by the court. Failure, without good cause, to comply with the promise subjects the juvenile's parent or any other person to whom the juvenile is released to contempt sanctions of the court.

(b) Parents or legal guardians of a juvenile released from detention pursuant to this section shall complete the relative information form described in section 19-2-212 (1)(h) no later than the next hearing on the matter.

(4) **[*Editor's note: This version of subsection (4) is effective until July 1, 2020.*]** (a) Except as provided in paragraph (b) of this subsection (4), a juvenile shall not be detained by law enforcement officials any longer than is reasonably necessary to obtain basic identification information and to contact his or her parents, guardian, or legal custodian.

(b) If he or she is not released as provided in subsection (3) of this section, he or she shall be taken directly to the court or to the place of detention, a temporary holding facility, or a shelter designated by the court without unnecessary delay.

(4) **[*Editor's note: This version of subsection (4) is effective July 1, 2020.*]** (a) Except as provided in subsection (4)(b) of this section, a law enforcement officer shall not detain a juvenile any longer than is reasonably necessary to obtain basic identification information and to contact his or her parents, guardian, or legal custodian.

(b) If he or she is not released as provided in subsection (3) of this section, he or she must be taken directly to the court or to the place of detention, a temporary holding facility, a temporary shelter designated by the court, or a preadjudication service program established pursuant to section 19-2-302 without unnecessary delay.

(5) (a) As an alternative to taking a juvenile into temporary custody pursuant to subsections (1), (3), and (4) of this section, a law enforcement officer may, if authorized by the establishment of a policy that permits such service by order of the chief judge of the judicial district or the presiding judge of the Denver juvenile court, which policy is established after consultation between such judge and the district attorney and law enforcement officials in the judicial district, serve a written promise to appear for juvenile proceedings based on any act that would constitute a felony, misdemeanor, or petty offense upon the juvenile and the juvenile's parent, guardian, or legal custodian.

(b) A promise to appear served pursuant to paragraph (a) of this subsection (5) must state any charges against the juvenile and the date, time, and place where such juvenile shall be required to answer such charges. The promise to appear must also state:

(I) That the juvenile has the right to have the assistance of counsel;

(II) That counsel can be appointed for the juvenile if the juvenile and the juvenile's parent, guardian, or legal custodian lack adequate resources to retain counsel or the juvenile's parent, guardian, or legal custodian refuses to retain counsel for the juvenile;

(III) That, to determine if the juvenile is eligible for court-appointed counsel, or to apply for court-appointed counsel, the juvenile's parent, guardian, or legal custodian is advised to call the office of the state public defender, visit the state public defender's office, or visit the state public defender's internet website;

(IV) That, to avoid delay in obtaining counsel, the juvenile's parent, guardian, or legal custodian is advised to apply for court-appointed counsel at least five days before the juvenile's promised date of appearance; and

(V) The contact information for the local office of the state public defender, including the office's telephone number and address, and the address of the internet website of the office of the state public defender.

(b.5) A law enforcement officer who serves a juvenile or a juvenile's parent, guardian, or legal custodian with a written promise to appear in a court that participates in the court reminder program established in section 13-3-101 (14)(a)(I) shall notify the person served that the juvenile and the juvenile's parent, guardian, or legal custodian can elect to provide a mobile telephone number that will be used by the court solely to provide text message reminders for future court dates and unplanned court closures, and shall provide the opportunity for the juvenile and the juvenile's parent, guardian, or legal custodian to provide a mobile telephone number or update a mobile telephone number for that purpose.

(c) The promise to appear shall be signed by the juvenile. The promise to appear shall be served upon the juvenile's parent, guardian, or legal custodian by personal service or by certified mail, return receipt requested. The date established for the juvenile and the juvenile's parent, guardian, or legal custodian to appear shall not be earlier than seven days nor later than thirty days after the promise to appear is served upon both the juvenile and the juvenile's parent, guardian, or legal custodian.

Editor's note: This section was formerly numbered as 19-2-203. Prior to relocation in 1996, the said section 19-2-203 was contained in a title that was repealed and reenacted in 1987. Provisions of that section, as it existed in 1987, are similar to those contained in 19-2-102 as said section existed in 1986, the year prior to the repeal and reenactment of this title.

19-2-507.5. Limitations on detention. [*Editor's note: This section is effective July 1, 2020.*] (1) Detention is not permitted for the following:

(a) Juveniles who have not committed, or have not been accused of committing, a delinquent act unless otherwise found in contempt of court;

(b) Delinquent and nondelinquent juveniles who have been placed in the legal custody of a county department of human or social services pursuant to a petition in dependency or neglect and are solely awaiting out-of-home placement;

(c) Juveniles who at admission require medical care, are intoxicated, or are under the influence of drugs, to an extent that custody of the juvenile is beyond the scope of the detention facility's medical service capacity;

(d) Juveniles who are solely assessed as suicidal or exhibit behavior placing them at imminent risk of suicide; and

(e) Juveniles who have not committed a delinquent act but present an imminent danger to self or others or appear to be gravely disabled as a result of a mental health condition or an intellectual and developmental disability.

(2) A juvenile court shall not order a juvenile who is ten years of age and older but less than thirteen years of age to detention unless the juvenile has been arrested for a felony or weapons charge pursuant to section 18-12-102, 18-12-105, 18-12-106, or 18-12-108.5. A preadjudication service program created pursuant to section 19-2-302 shall evaluate a juvenile described in this subsection (2). The evaluation may result in the juvenile:

(a) Remaining in the custody of a parent or legal guardian;

(b) Being placed in the temporary legal custody of kin, for purposes of a kinship foster care home or noncertified kinship care placement, as defined in section 19-1-103 (71.3), or other suitable person under such conditions as the court may impose;

(c) Being placed in a temporary shelter facility; or

(d) Being referred to a local county department of human or social services for assessment for placement.

(3) A juvenile shall not be placed in detention solely:

(a) Due to lack of supervision alternatives, service options, or more appropriate facilities;

(b) Due to the community's inability to provide treatment or services;

(c) Due to a lack of supervision in the home or community;

(d) In order to allow a parent, guardian, or legal custodian to avoid his or her legal responsibility;

(e) Due to a risk of the juvenile's self-harm;

(f) In order to attempt to punish, treat, or rehabilitate the juvenile;

(g) Due to a request by a victim, law enforcement, or the community;

(h) In order to permit more convenient administrative access to the juvenile;

(i) In order to facilitate further interrogation or investigation; or

(j) As a response to technical violations of probation unless the results of a detention screening instrument indicate that the juvenile poses a substantial risk of serious harm to others or if the applicable graduated responses system adopted pursuant to section 19-2-925 allows for such a placement.

19-2-508. Detention and shelter - hearing - time limits - findings - review - confinement with adult offenders - restrictions. [*Editor's note: This version of this section is effective until July 1, 2020.*] (1) A juvenile who must be taken from his or her home but who does not require physical restriction must be given temporary care in a shelter facility designated by the court or the county department of human or social services and must not be placed in detention.

(2) (a) Unless placement is prohibited pursuant to subsection (2)(b) of this section, when a juvenile is placed in a detention facility, in a temporary holding facility, or in a shelter facility designated by the court, the screening team shall promptly so notify the court, the district attorney, and the local office of the state public defender. The screening team shall also notify a parent or legal guardian or, if a parent or legal guardian cannot be located within the county, the person with whom the juvenile has been residing and inform him or her of the right to a prompt hearing to determine whether the juvenile is to be detained further. The court shall hold the detention hearing within forty-eight hours, excluding Saturdays, Sundays, and legal holidays. For a juvenile being held in detention on a warrant for violating a valid court order on a status offense, the court shall hold the detention hearing within twenty-four hours, excluding Saturdays, Sundays, and legal holidays.

(b) A juvenile who is ten years of age and older but less than thirteen years of age may not be ordered to detention unless the juvenile has been arrested for a felony or weapons charge pursuant to section 18-12-102, 18-12-105, 18-12-106, or 18-12-108.5. A preadjudication service program created pursuant to section 19-2-302 shall evaluate a juvenile described in this subsection (2)(b). The evaluation may result in the juvenile:

(I) Remaining in the custody of a parent, guardian, or legal custodian; or

(II) Being placed in the temporary legal custody of kin, for purposes of a kinship foster care home or noncertified kinship care placement, as defined in section 19-1-103 (71.3), or other suitable person under such conditions as the court may impose; or

(III) Being placed in a shelter facility; or

(IV) Being referred to a local county department of human or social services for assessment for placement.

(2.5) A juvenile who is detained for committing a delinquent act shall be represented at the detention hearing by counsel. If the juvenile has not retained his or her own counsel, the court shall appoint the office of the state public defender or, in the case of a conflict, the office of

alternate defense counsel to represent the juvenile. This appointment shall continue if the court appoints the office of the state public defender or the office of alternate defense counsel pursuant to section 19-2-706 (2)(a) unless:

(a) The juvenile retains his or her own counsel; or

(b) The juvenile makes a knowing, intelligent, and voluntary waiver of his or her right to counsel, as described in section 19-2-706 (2)(c).

(3) (a) (I) A juvenile taken into custody pursuant to this article and placed in a detention or shelter facility or a temporary holding facility is entitled to a hearing within forty-eight hours, excluding Saturdays, Sundays, and legal holidays, of such placement to determine if he or she should be detained. The time of the detention hearing must allow defense counsel sufficient time to consult with the juvenile before the detention hearing. This consultation may be performed by secure electronic means if the conditions under which the electronic consultation is held allow the consultation to be confidential. The time in which the hearing must be held may be extended for a reasonable time by order of the court upon good cause shown.

(I.5) The law enforcement agency that arrested the juvenile shall promptly provide to the court and to defense counsel the affidavit supporting probable cause for the arrest and the arrest report, if the arrest report is available, and the screening team shall promptly provide to the court and to defense counsel any screening material prepared pursuant to the juvenile's arrest. Upon completion of the detention hearing, the defense shall return any materials received pursuant to this subparagraph (I.5) unless the appointment is continued at the conclusion of the hearing.

(II) The only purposes of a detention hearing are to determine if a juvenile should be detained further and to define conditions under which he or she may be released, if his or her release is appropriate. A detention hearing shall not be combined with a preliminary hearing or a first advisement. Due to the limited scope of a detention hearing, the representation of a juvenile by appointed counsel at a detention hearing does not, by itself, create a basis for disqualification in the event that such counsel is subsequently appointed to represent another individual whose case is related to the juvenile's case.

(III) With respect to this section, the court may further detain the juvenile only if the court finds from the information provided at the hearing that the juvenile is a danger to himself or herself or to the community; except that a juvenile who is ten years of age and older but less than thirteen years of age may not be ordered to further detention unless the juvenile has been arrested or adjudicated for a felony or weapons charge pursuant to section 18-12-102, 18-12-105, 18-12-106, or 18-12-108.5. The court shall receive any information having probative value regardless of its admissibility under the rules of evidence. In determining whether a juvenile requires detention, the court shall consider any record of any prior adjudications of the juvenile. There is a rebuttable presumption that a juvenile is a danger to himself or herself or to the community if:

(A) The juvenile is alleged to have committed a felony enumerated as a crime of violence pursuant to section 18-1.3-406, C.R.S.; or

(B) The juvenile is alleged to have used, or possessed and threatened to use, a firearm during the commission of any felony offense against a person, as such offenses are described in article 3 of title 18, C.R.S.; or

(C) The juvenile is alleged to have committed possessing a dangerous or illegal weapon, as described in section 18-12-102, C.R.S.; possession of a defaced firearm, as described in section 18-12-103, C.R.S.; unlawfully carrying a concealed weapon, as described in section 18-

12-105, C.R.S.; unlawfully carrying a concealed weapon on school, college, or university grounds, as described in section 18-12-105.5, C.R.S.; prohibited use of weapons, as described in section 18-12-106, C.R.S.; illegal discharge of a firearm, as described in section 18-12-107.5, C.R.S.; or illegal possession of a handgun by a juvenile, as described in section 18-12-108.5, C.R.S.

(III.5) Notwithstanding the provisions of subparagraph (III) of this paragraph (a), there shall be no presumption under sub-subparagraph (C) of subparagraph (III) of this paragraph (a) that a juvenile is a danger to himself or herself or the community if the item in the possession of the juvenile is alleged to be a BB gun, a pellet gun, or a gas gun.

(IV) Except as provided in subsection (3)(a)(IV.5) of this section, at the conclusion of the hearing, the court shall enter one of the following orders, while ensuring efforts are made to keep the juvenile with his or her parent, guardian, or legal custodian:

(A) That the juvenile be released to the custody of a parent, guardian, or legal custodian without the posting of bond;

(B) That the juvenile be placed in a shelter facility;

(C) That bail be set and that the juvenile be released upon the posting of that bail;

(D) That no bail be set and that the juvenile be detained without bail upon a finding that such juvenile is a danger to himself or herself or to the community. Any juvenile who is detained without bail must be tried on the charges in the petition filed pursuant to subparagraph (V) of this paragraph (a) within the time limits set forth in section 19-2-108, unless the juvenile is deemed to have waived the time limit for an adjudicatory trial pursuant to section 19-2-107 (4).

(E) That no bail be set and that, upon the court's finding that the juvenile is a danger to himself or herself or to the community, the juvenile be placed in a preadjudication service program established pursuant to section 19-2-302. This sub-subparagraph (E) shall not apply to any case in which the juvenile's alleged offense is one of the offenses described in subparagraph (III) of this paragraph (a).

(IV.5) A preadjudication service program created pursuant to section 19-2-302 shall evaluate a juvenile described in subsection (2)(b) of this section. The evaluation may result in the juvenile:

(A) Remaining in the custody of a parent, guardian, or legal custodian; or

(B) Being placed in the temporary legal custody of kin, for purposes of a kinship foster care home or noncertified kinship care placement, as defined in section 19-1-103 (71.3), or other suitable person under such conditions as the court may impose; or

(C) Being placed in a shelter facility; or

(D) Being referred to a local county department of human or social services for assessment for placement.

(V) When the court orders further detention of the juvenile or placement of the juvenile in a preadjudication service program after a detention hearing, the district attorney shall file a petition alleging the juvenile to be a delinquent within seventy-two hours after the detention hearing, excluding Saturdays, Sundays, and legal holidays. The juvenile shall be held or shall participate in a preadjudication service program pending a hearing on the petition. Upon a showing of good cause, the court may extend such time for the filing of charges.

(VI) Following the detention hearing, if the court orders that the juvenile be released and, as a condition of such release, requires the juvenile to attend school, the court shall notify the school district in which the juvenile is enrolled of such requirement.

(VII) If the court orders further detention of a juvenile pursuant to the provisions of this section, said order shall contain specific findings as follows:

(A) Whether placement of the juvenile out of his or her home would be in the juvenile's and the community's best interests;

(B) Whether reasonable efforts have been made to prevent or eliminate the need for removal of the juvenile from the home, whether it is reasonable that such efforts not be provided due to the existence of an emergency situation that requires the immediate removal of the juvenile from the home, or whether such efforts not be required due to the circumstances described in section 19-1-115 (7); and

(C) Whether procedural safeguards to preserve parental rights have been applied in connection with the removal of the juvenile from the home, any change in the juvenile's placement in a community placement, or any determination affecting parental visitation of the juvenile.

(b) (I) If it appears that any juvenile being held in detention or shelter may have an intellectual and developmental disability, as provided in article 10.5 of title 27, the court or detention personnel shall refer the juvenile to the nearest community-centered board for an eligibility determination. If it appears that any juvenile being held in a detention or shelter facility pursuant to the provisions of this article 2 may have a mental health disorder, as provided in sections 27-65-105 and 27-65-106, the intake personnel or other appropriate personnel shall contact a mental health professional to do a mental health hospital placement prescreening on the juvenile. The court shall be notified of the contact and may take appropriate action. If a mental health hospital placement prescreening is requested, it shall be conducted in an appropriate place accessible to the juvenile and the mental health professional. A request for a mental health hospital placement prescreening must not extend the time within which a detention hearing must be held pursuant to this section. If a detention hearing has been set but has not yet occurred, the mental health hospital placement prescreening shall be conducted prior to the hearing; except that the prescreening must not extend the time within which a detention hearing must be held.

(II) If a juvenile has been ordered detained pending an adjudication, disposition, or other court hearing and the juvenile subsequently appears to have a mental health disorder, as provided in section 27-65-105 or 27-65-106, the intake personnel or other appropriate personnel shall contact the court with a recommendation for a mental health hospital placement prescreening. A mental health hospital placement prescreening shall be conducted at any appropriate place accessible to the juvenile and the mental health professional within twenty-four hours of the request, excluding Saturdays, Sundays, and legal holidays.

(III) When the mental health professional finds, as a result of the prescreening, that the juvenile may have a mental health disorder, the mental health professional shall recommend to the court that the juvenile be evaluated pursuant to section 27-65-105 or 27-65-106.

(IV) Nothing in this subsection (3)(b) precludes the use of emergency procedures pursuant to section 27-65-105 (1).

(c) (I) A juvenile taken to a detention or shelter facility or a temporary holding facility pursuant to section 19-2-502 as the result of an allegedly delinquent act that constitutes any of the offenses described in subparagraph (III) of paragraph (a) of this subsection (3) shall not be released from such facility if a law enforcement agency has requested that a detention hearing be held to determine whether the juvenile's immediate welfare or the protection of the community requires that the juvenile be detained. A juvenile shall not thereafter be released from detention

except after a hearing, reasonable advance notice of which has been given to the district attorney, alleging new circumstances concerning the further detention of the juvenile.

(II) Following a detention hearing held in accordance with subparagraph (I) of this paragraph (c), a juvenile who is to be tried as an adult for criminal proceedings pursuant to a direct filing or transfer shall not be held at any adult jail or pretrial facility unless the district court finds, after a hearing held pursuant to subparagraph (IV), (V), or (VI) of this paragraph (c), that an adult jail is the appropriate place of confinement for the juvenile.

(III) In determining whether an adult jail is the appropriate place of confinement for the juvenile, the district court shall consider the following factors:

(A) The age of the juvenile;

(B) Whether, in order to provide physical separation from adults, the juvenile would be deprived of contact with other people for a significant portion of the day or would not have access to recreational facilities or age-appropriate educational opportunities;

(C) The juvenile's current emotional state, intelligence, and developmental maturity, including any emotional and psychological trauma, and the risk to the juvenile caused by his or her placement in an adult jail, which risk may be evidenced by mental health or psychological assessments or screenings made available to the district attorney and to defense counsel;

(D) Whether detention in a juvenile facility will adequately serve the need for community protection pending the outcome of the criminal proceedings;

(E) Whether detention in a juvenile facility will negatively impact the functioning of the juvenile facility by compromising the goals of detention to maintain a safe, positive, and secure environment for all juveniles within the facility;

(F) The relative ability of the available adult and juvenile detention facilities to meet the needs of the juvenile, including the juvenile's need for mental health and educational services;

(G) Whether the juvenile presents an imminent risk of harm to himself or herself or others within a juvenile facility;

(H) The physical maturity of the juvenile; and

(I) Any other relevant factors.

(IV) After charges are filed directly in district court against a juvenile pursuant to section 19-2-517 or a juvenile is transferred to district court pursuant to section 19-2-518, the division of youth services may petition the district court to transport the juvenile to an adult jail. The district court shall hold a hearing on the place of pretrial detention for the juvenile as soon as practicable, but no later than twenty-one days after the receipt of the division's petition to transport. The district attorney, sheriff, or juvenile may file a response to the petition and participate in the hearing. The juvenile shall remain in a juvenile detention facility pending hearing and decision by the district court.

(V) If a juvenile is placed in the division of youth services and is being tried in district court, the division of youth services may petition the court for an immediate hearing to terminate juvenile detention placement if the juvenile's placement in a juvenile detention facility presents an imminent danger to the other juveniles or to staff at the detention facility. In making its determination, the court shall review the factors set forth in subsection (3)(c)(III) of this section.

(VI) If the district court determines that an adult jail is the appropriate place of confinement for the juvenile, the juvenile may petition the court for a review hearing. The juvenile may not petition for a review hearing within thirty days after the initial confinement decision or within thirty days after any subsequent review hearing. Upon receipt of the petition,

the court may set the matter for a hearing if the juvenile has alleged facts or circumstances that, if true, would warrant reconsideration of the juvenile's placement in an adult jail based upon the factors set forth in subparagraph (III) of this paragraph (c) and the factors previously relied upon by the court.

(3.5) Repealed.

(4) (a) No jail shall receive a juvenile for detention following a detention hearing pursuant to this section unless the juvenile has been ordered by the court to be held for criminal proceedings as an adult pursuant to a transfer or unless the juvenile is to be held for criminal proceedings as an adult pursuant to a direct filing. No juvenile under the age of fourteen and, except upon order of the court, no juvenile fourteen years of age or older shall be detained in a jail, lockup, or other place used for the confinement of adult offenders. The exception for detention in a jail shall be used only if the juvenile is being held for criminal proceedings as an adult pursuant to a direct filing or transfer.

(b) Whenever a juvenile is held pursuant to a direct filing or transfer in a facility where adults are held, the juvenile shall be physically segregated from the adult offenders.

(b.5) (I) When a juvenile who is to be held for criminal proceedings as an adult pursuant to a direct filing or transfer of charges, as provided in sections 19-2-517 and 19-2-518, respectively, is received at a jail or other facility for the detention of adult offenders, the official in charge of the jail or facility, or his or her designee, shall, as soon as practicable, contact the person designated pursuant to section 22-32-141, C.R.S., by the school district in which the jail or facility is located to request that the school district provide educational services for the juvenile for the period during which the juvenile is held at the jail or facility. The school district shall provide the educational services in accordance with the provisions of section 22-32-141, C.R.S. The official, in cooperation with the school district, shall provide an appropriate and safe environment to the extent practicable in which the juvenile may receive educational services.

(II) Notwithstanding the provisions of subparagraph (I) of this paragraph (b.5), if either the official in charge of the jail or facility or the school district determines that an appropriate and safe environment cannot be provided for a specific juvenile, the official and the school district shall be exempt from the requirement to provide educational services to the juvenile until such time as an environment that is determined to be appropriate and safe by both the official and the school district can be provided. If the school district will not be providing educational services to a juvenile because of the lack of an appropriate and safe environment, the official in charge of the jail or facility shall notify the juvenile, his or her parent or legal guardian, the juvenile's defense attorney, and the court having jurisdiction over the juvenile's case.

(III) The official in charge of the jail or facility for the detention of adult offenders, or his or her designee, in conjunction with each school district that provides educational services at the jail or facility, shall annually collect nonidentifying data concerning:

(A) The number of juveniles held at the jail or facility who are awaiting criminal proceedings as an adult pursuant to a direct filing or transfer of charges, as provided in sections 19-2-517 and 19-2-518, respectively, for the year;

(B) The length of stay of each of the juveniles in the jail or facility;

(C) The number of the juveniles in the jail or facility who received educational services pursuant to this paragraph (b.5);

(D) The number of days on which school districts provided educational services to the juveniles in the jail or facility and the number of hours for which school districts provided the educational services each day;

(E) The number of juveniles in the jail or facility who were exempt from receiving educational services pursuant to section 22-32-141 (2)(c), (2)(e), (2)(f), and (2)(g), C.R.S.;

(F) The number of juveniles in the jail or facility who had previously been determined pursuant to section 22-20-108, C.R.S., to be eligible for special education services and had an individualized education program; and

(G) The number of juveniles in the jail or facility who, while receiving educational services at the jail or facility, were determined pursuant to section 22-20-108, C.R.S., to be eligible for special education services and had subsequently received an individualized education program.

(IV) The official in charge of the jail or facility shall submit the information collected pursuant to subparagraph (III) of this paragraph (b.5) to the division of criminal justice in the department of public safety. The division of criminal justice shall make the information available to a member of the public upon request.

(c) The official in charge of a jail or other facility for the detention of adult offenders shall immediately inform the court that has jurisdiction of the juvenile's alleged offense when a juvenile who is or appears to be under eighteen years of age is received at the facility, except for a juvenile ordered by the court to be held for criminal proceedings as an adult.

(d) (I) Any juvenile arrested and detained for an alleged violation of any article of title 42, C.R.S., or for any alleged violation of a municipal or county ordinance, and not released on bond, shall be taken before a judge with jurisdiction of such violation within forty-eight hours for the fixing of bail and conditions of bond pursuant to subparagraph (IV) of paragraph (a) of subsection (3) of this section. A juvenile may be detained in a jail, lockup, or other place used for the confinement of adult offenders only for processing for no longer than six hours and during such time shall be placed in a setting that is physically segregated by sight and sound from the adult offenders, and in no case may the juvenile be detained in such place overnight. After six hours, the juvenile may be further detained only in a juvenile detention facility operated by or under contract with the department of human services. In calculating time under this subsection (4), Saturdays, Sundays, and legal holidays shall be included.

(II) A sheriff or police chief who violates the provisions of subparagraph (I) of this paragraph (d) may be subject to a civil fine of no more than one thousand dollars. The decision to fine shall be based on prior violations of the provisions of subparagraph (I) of this paragraph (d) by the sheriff or police chief and the willingness of the sheriff or police chief to address the violations in order to comply with subparagraph (I) of this paragraph (d).

(e) The official in charge of a jail, lockup, or other facility for the confinement of adult offenders that receives a juvenile for detention should, wherever possible, take such measures as are reasonably necessary to restrict the confinement of any such juvenile with known past or current affiliations or associations with any gang so as to prevent contact with other inmates at such jail, lockup, or other facility. The official should, wherever possible, also take such measures as are reasonably necessary to prevent recruitment of new gang members from among the general inmate population. For purposes of this paragraph (e), "gang" is defined in section 19-1-103 (52).

(f) Any person who is eighteen years of age or older who is being detained for a delinquent act or criminal charge over which the juvenile court has jurisdiction, or for which charges are pending in district court pursuant to a direct filing or transfer if the person has not already been transferred to the county jail pursuant to the provisions of subparagraph (IV) of paragraph (c) of subsection (3) of this section, shall be detained in the county jail in the same manner as if such person is charged as an adult.

(g) A juvenile court shall not order a juvenile offender who is under eighteen years of age at the time of sentencing to enter a secure setting or secure section of an adult jail or lockup as a disposition for an offense or as a means of modifying the juvenile offender's behavior.

(5) A juvenile has the right to bail as limited by the provisions of this section.

(6) Except for a juvenile described in subsection (2)(b) of this section, the court may also issue temporary orders for legal custody as provided in section 19-1-115.

(7) Any law enforcement officer, employee of the division of youth services, or another person acting under the direction of the court who in good faith transports any juvenile, releases any juvenile from custody pursuant to a written policy of a court, releases any juvenile pursuant to any written criteria established pursuant to this title 19, or detains any juvenile pursuant to court order or written policy or criteria established pursuant to this title 19 is immune from civil or criminal liability that might otherwise result by reason of such act. For purposes of any proceedings, civil or criminal, the good faith of any such person is presumed.

(8) (a) A juvenile who allegedly commits a status offense or is convicted of a status offense shall not be held in a secure area of a jail or lockup.

(b) A sheriff or police chief who violates the provisions of paragraph (a) of this subsection (8) may be subject to a civil fine of no more than one thousand dollars. The decision to fine shall be based on prior violations of the provisions of paragraph (a) of this subsection (8) by the sheriff or police chief and the willingness of the sheriff or police chief to address the violations in order to comply with paragraph (a) of this subsection (8).

19-2-508. Detention and temporary shelter - hearing - time limits - findings - review - confinement with adult offenders - restrictions. [*Editor's note: This version of this section is effective July 1, 2020.*] (1) Unless placement is prohibited pursuant to section 19-2-507.5, when a juvenile is placed in a detention facility, in a temporary holding facility, or in a temporary shelter facility designated by the court, the screening team shall promptly notify the court, the district attorney, and the local office of the state public defender. The screening team shall also notify a parent or legal guardian or, if a parent or legal guardian cannot be located within the county, the person with whom the juvenile has been residing and inform him or her of the right to a prompt hearing to determine whether the juvenile is to be detained further. The court shall hold the detention hearing within forty-eight hours, excluding Saturdays, Sundays, and legal holidays. For a juvenile being held in detention on a warrant for violating a valid court order on a status offense, the court shall hold the detention hearing within twenty-four hours, excluding Saturdays, Sundays, and legal holidays.

(2) A juvenile who is detained for committing a delinquent act must be represented at the detention hearing by counsel. If the juvenile has not retained his or her own counsel, the court shall appoint the office of the state public defender or, in the case of a conflict, the office of alternate defense counsel to represent the juvenile. This appointment continues if the court

appoints the office of the state public defender or the office of alternate defense counsel pursuant to section 19-2-706 (2)(a) unless:

(a) The juvenile retains his or her own counsel; or

(b) The juvenile makes a knowing, intelligent, and voluntary waiver of his or her right to counsel, as described in section 19-2-706 (2)(c).

(3) (a) (I) A juvenile taken into custody pursuant to this article 2 and placed in a detention or temporary shelter facility or a temporary holding facility is entitled to a hearing within forty-eight hours, excluding Saturdays, Sundays, and legal holidays, of such placement to determine if he or she should be detained. The time of the detention hearing must allow defense counsel sufficient time to consult with the juvenile before the detention hearing. This consultation may be performed by secure electronic means if the conditions under which the electronic consultation is held allow the consultation to be confidential. The time in which the hearing must be held may be extended for a reasonable time by order of the court upon good cause shown.

(II) The law enforcement agency that arrested the juvenile shall promptly provide to the court and to defense counsel the affidavit supporting probable cause for the arrest and the arrest report, if the arrest report is available, and the screening team shall promptly provide to the court and to defense counsel results from the detention risk screening prepared pursuant to the juvenile's arrest. Upon completion of the detention hearing, the defense shall return any materials received pursuant to this subsection (3)(a)(II) unless the appointment is continued at the conclusion of the hearing.

(III) The only purposes of a detention hearing are to determine if a juvenile should be detained further and to define conditions under which he or she may be released, if his or her release is appropriate. A detention hearing shall not be combined with a preliminary hearing or a first advisement. Due to the limited scope of a detention hearing, the representation of a juvenile by appointed counsel at a detention hearing does not, by itself, create a basis for disqualification in the event that such counsel is subsequently appointed to represent another individual whose case is related to the juvenile's case.

(IV) With respect to this section, the court may further detain the juvenile only if the court finds from the information provided at the hearing that:

(A) Probable cause exists to believe that the delinquent act charged was committed by the juvenile;

(B) On and after thirty days after the screening instrument has been developed or adopted pursuant to section 19-2-212, the validated detention screening instrument has been administered and the juvenile scored as detention-eligible; or there are grounds to override the result of the detention screening instrument based on the criteria developed in accordance with section 19-2-212; and

(C) The juvenile poses a substantial risk of serious harm to others or a substantial risk of flight from prosecution and community-based alternatives to detention are insufficient to reasonably mitigate that risk. Flight from prosecution is distinguished from simple failure to appear and must generally be evidenced by a demonstrated record of repeat, recent willful failures to appear at a scheduled court appearance.

(V) A court shall not order further detention for a juvenile who is ten years of age and older but less than thirteen years of age unless the juvenile has been arrested or adjudicated for a felony or weapons charge pursuant to section 18-12-102, 18-12-105, 18-12-106, or 18-12-108.5.

The court shall receive any information having probative value regardless of its admissibility under the rules of evidence. In determining whether a juvenile requires detention, the court shall consider the results of the detention screening instrument. There is a rebuttable presumption that a juvenile poses a substantial risk of serious harm to others if:

(A) The juvenile is alleged to have committed a felony enumerated as a crime of violence pursuant to section 18-1.3-406; or

(B) The juvenile is alleged to have used, or possessed and threatened to use, a firearm during the commission of any felony offense against a person, as such offenses are described in article 3 of title 18; or

(C) The juvenile is alleged to have committed possessing a dangerous or illegal weapon, as described in section 18-12-102; possession of a defaced firearm, as described in section 18-12-103; unlawfully carrying a concealed weapon, as described in section 18-12-105; unlawfully carrying a concealed weapon on school, college, or university grounds, as described in section 18-12-105.5; prohibited use of weapons, as described in section 18-12-106; illegal discharge of a firearm, as described in section 18-12-107.5; or illegal possession of a handgun by a juvenile, as described in section 18-12-108.5.

(VI) Notwithstanding the provisions of subsection (3)(a)(IV) of this section, there is no presumption under subsection (3)(a)(IV)(C) of this section that a juvenile poses a substantial risk of serious harm to others if the item in the possession of the juvenile is alleged to be a BB gun, a pellet gun, or a gas gun.

(VII) Except as provided in subsection (3)(a)(IX) of this section, at the conclusion of the hearing, the court shall enter one of the following orders, while ensuring efforts are made to keep the juvenile with his or her parent, guardian, or legal custodian:

(A) That the juvenile be released to the custody of a parent, guardian, legal custodian, kin, or other suitable person without the posting of bond;

(B) That the juvenile be placed in a temporary shelter facility;

(C) That bail be set and that the juvenile be released upon the posting of that bail;

(D) That no bail be set and that the juvenile be detained without bail upon a finding that such juvenile poses a substantial risk of serious harm to others. Any juvenile who is detained without bail must be tried on the charges in the petition filed pursuant to subsection (3)(a)(IX) of this section within the time limits set forth in section 19-2-108, unless the juvenile is deemed to have waived the time limit for an adjudicatory trial pursuant to section 19-2-107 (4).

(E) That no bail be set and that, upon the court's finding that the juvenile poses a substantial risk of serious harm to others, the juvenile be placed in a preadjudication service program established pursuant to section 19-2-302. This subsection (3)(a)(VII)(E) does not apply to any case in which the juvenile's alleged offense is one of the offenses described in subsection (3)(a)(IV) of this section.

(VIII) A preadjudication service program created pursuant to section 19-2-302 shall evaluate a juvenile described in subsection (8) of this section. The evaluation may result in the juvenile:

(A) Remaining in the custody of a parent, guardian, or legal custodian; or

(B) Being placed in the temporary legal custody of kin, for purposes of a kinship foster care home or noncertified kinship care placement, as defined in section 19-1-103 (71.3), or other suitable person under such conditions as the court may impose; or

(C) Being placed in a temporary shelter facility; or

(D) Being referred to a local county department of human or social services for assessment for placement.

(IX) When the court orders further detention of the juvenile or placement of the juvenile in a preadjudication service program after a detention hearing, the district attorney shall file a petition alleging the juvenile to be a delinquent within seventy-two hours after the detention hearing, excluding Saturdays, Sundays, and legal holidays. The juvenile must be held or must participate in a preadjudication service program pending a hearing on the petition. Upon a showing of good cause, the court may extend such time for the filing of charges.

(X) Following the detention hearing, if the court orders that the juvenile be released and, as a condition of such release, requires the juvenile to attend school, the court shall notify the school district in which the juvenile is enrolled of such requirement.

(XI) If the court orders further detention of a juvenile pursuant to the provisions of this section, the order must contain specific findings as follows:

(A) Whether placement of the juvenile out of his or her home would be in the juvenile's and the community's best interests;

(B) Whether reasonable efforts have been made to prevent or eliminate the need for removal of the juvenile from the home, whether it is reasonable that such efforts not be provided due to the existence of an emergency situation that requires the immediate removal of the juvenile from the home, or whether such efforts not be required due to the circumstances described in section 19-1-115 (7); and

(C) Whether procedural safeguards to preserve parental rights have been applied in connection with the removal of the juvenile from the home, any change in the juvenile's placement in a community placement, or any determination affecting parental visitation of the juvenile.

(b) (I) If it appears that any juvenile being held in detention or temporary shelter may have an intellectual and developmental disability, as provided in article 10.5 of title 27, the court or detention personnel shall refer the juvenile to the nearest community-centered board for an eligibility determination. If it appears that any juvenile being held in a detention or temporary shelter facility pursuant to the provisions of this article 2 may have a mental health disorder, as provided in sections 27-65-105 and 27-65-106, the intake personnel or other appropriate personnel shall contact a mental health professional to do a mental health hospital placement prescreening on the juvenile. The court shall be notified of the contact and may take appropriate action. If a mental health hospital placement prescreening is requested, it must be conducted in an appropriate place accessible to the juvenile and the mental health professional. A request for a mental health hospital placement prescreening must not extend the time within which a detention hearing must be held pursuant to this section. If a detention hearing has been set but has not yet occurred, the mental health hospital placement prescreening must be conducted prior to the hearing; except that the prescreening must not extend the time within which a detention hearing must be held.

(II) If a juvenile has been ordered detained pending an adjudication, disposition, or other court hearing and the juvenile subsequently appears to have a mental health disorder, as provided in section 27-65-105 or 27-65-106, the intake personnel or other appropriate personnel shall contact the court with a recommendation for a mental health hospital placement prescreening. A mental health hospital placement prescreening must be conducted at any appropriate place

accessible to the juvenile and the mental health professional within twenty-four hours of the request, excluding Saturdays, Sundays, and legal holidays.

(III) When the mental health professional finds, as a result of the prescreening, that the juvenile may have a mental health disorder, the mental health professional shall recommend to the court that the juvenile be evaluated pursuant to section 27-65-105 or 27-65-106.

(IV) Nothing in this subsection (3)(b) precludes the use of emergency procedures pursuant to section 27-65-105 (1).

(c) (I) A juvenile taken to a detention or temporary shelter facility or a temporary holding facility pursuant to section 19-2-502 as the result of an allegedly delinquent act that constitutes any of the offenses described in subsection (3)(a)(IV) of this section shall not be released from such facility if a law enforcement agency has requested that a detention hearing be held to determine whether the juvenile's substantial risk of serious harm to others requires that the juvenile be detained. A juvenile shall not thereafter be released from detention except after a hearing, reasonable advance notice of which has been given to the district attorney, alleging new circumstances concerning the further detention of the juvenile.

(II) Following a detention hearing held in accordance with subsection (3)(c)(I) of this section, a juvenile who is to be tried as an adult for criminal proceedings pursuant to a direct filing or transfer shall not be held at any adult jail or pretrial facility unless the district court finds, after a hearing held pursuant to subsection (3)(c)(IV), (3)(c)(V), or (3)(c)(VI) of this section, that an adult jail is the appropriate place of confinement for the juvenile.

(III) In determining whether an adult jail is the appropriate place of confinement for the juvenile, the district court shall consider the following factors:

(A) The age of the juvenile;

(B) Whether, in order to provide physical separation from adults, the juvenile would be deprived of contact with other people for a significant portion of the day or would not have access to recreational facilities or age-appropriate educational opportunities;

(C) The juvenile's current emotional state, intelligence, and developmental maturity, including any emotional and psychological trauma, and the risk to the juvenile caused by his or her placement in an adult jail, which risk may be evidenced by mental health or psychological assessments or screenings made available to the district attorney and to defense counsel;

(D) Whether detention in a juvenile facility will adequately serve the need for community protection pending the outcome of the criminal proceedings;

(E) Whether detention in a juvenile facility will negatively impact the functioning of the juvenile facility by compromising the goals of detention to maintain a safe, positive, and secure environment for all juveniles within the facility;

(F) The relative ability of the available adult and juvenile detention facilities to meet the needs of the juvenile, including the juvenile's need for mental health and educational services;

(G) Whether the juvenile presents an imminent risk of serious harm to others within a juvenile facility;

(H) The physical maturity of the juvenile; and

(I) Any other relevant factors.

(IV) After charges are filed directly in district court against a juvenile pursuant to section 19-2-517 or a juvenile is transferred to district court pursuant to section 19-2-518, the division of youth services may petition the district court to transport the juvenile to an adult jail. The district court shall hold a hearing on the place of pretrial detention for the juvenile as soon as

practicable, but no later than twenty-one days after the receipt of the division's petition to transport. The district attorney, sheriff, or juvenile may file a response to the petition and participate in the hearing. The juvenile shall remain in a juvenile detention facility pending hearing and decision by the district court.

(V) If a juvenile is placed in the division of youth services and is being tried in district court, the division of youth services may petition the court for an immediate hearing to terminate juvenile detention placement if the juvenile's placement in a juvenile detention facility presents an imminent danger to the other juveniles or to staff at the detention facility. In making its determination, the court shall review the factors set forth in subsection (3)(c)(III) of this section.

(VI) If the district court determines that an adult jail is the appropriate place of confinement for the juvenile, the juvenile may petition the court for a review hearing. The juvenile may not petition for a review hearing within thirty days after the initial confinement decision or within thirty days after any subsequent review hearing. Upon receipt of the petition, the court may set the matter for a hearing if the juvenile has alleged facts or circumstances that, if true, would warrant reconsideration of the juvenile's placement in an adult jail based upon the factors set forth in subsection (3)(c)(III) of this section and the factors previously relied upon by the court.

(4) (a) No jail shall receive a juvenile for detention following a detention hearing pursuant to this section unless the juvenile has been ordered by the court to be held for criminal proceedings as an adult pursuant to a transfer or unless the juvenile is to be held for criminal proceedings as an adult pursuant to a direct filing. No juvenile under the age of fourteen and, except upon order of the court, no juvenile fourteen years of age or older shall be detained in a jail, lockup, or other place used for the confinement of adult offenders. The exception for detention in a jail applies only if the juvenile is being held for criminal proceedings as an adult pursuant to a direct filing or transfer.

(b) Whenever a juvenile is held pursuant to a direct filing or transfer in a facility where adults are held, the juvenile must be physically segregated from the adult offenders.

(c) (I) When a juvenile who is to be held for criminal proceedings as an adult pursuant to a direct filing or transfer of charges, as provided in sections 19-2-517 and 19-2-518, respectively, is received at a jail or other facility for the detention of adult offenders, the official in charge of the jail or facility, or his or her designee, shall, as soon as practicable, contact the person designated pursuant to section 22-32-141, by the school district in which the jail or facility is located to request that the school district provide educational services for the juvenile for the period during which the juvenile is held at the jail or facility. The school district shall provide the educational services in accordance with the provisions of section 22-32-141. The official, in cooperation with the school district, shall provide an appropriate and safe environment to the extent practicable in which the juvenile may receive educational services.

(II) Notwithstanding the provisions of subsection (4)(c)(I), if either the official in charge of the jail or facility or the school district determines that an appropriate and safe environment cannot be provided for a specific juvenile, the official and the school district are exempt from the requirement to provide educational services to the juvenile until such time as an environment that is determined to be appropriate and safe by both the official and the school district can be provided. If the school district will not be providing educational services to a juvenile because of the lack of an appropriate and safe environment, the official in charge of the jail or facility shall

notify the juvenile, his or her parent or legal guardian, the juvenile's defense attorney, and the court having jurisdiction over the juvenile's case.

(III) The official in charge of the jail or facility for the detention of adult offenders, or his or her designee, in conjunction with each school district that provides educational services at the jail or facility, shall annually collect nonidentifying data concerning:

(C) The number of the juveniles in the jail or facility who received educational services pursuant to this subsection (4)(c);

(D) The number of days on which school districts provided educational services to the juveniles in the jail or facility and the number of hours for which school districts provided the educational services each day;

(F) The number of juveniles in the jail or facility who had previously been determined pursuant to section 22-20-108 to be eligible for special education services and had an individualized education program; and

(G) The number of juveniles in the jail or facility who, while receiving educational services at the jail or facility, were determined pursuant to section 22-20-108 to be eligible for special education services and had subsequently received an individualized education program.

(IV) The official in charge of the jail or facility shall submit the information collected pursuant to subsection (4)(c)(III) of this section to the division of criminal justice in the department of public safety. The division of criminal justice shall make the information available to a member of the public upon request.

(d) The official in charge of a jail or other facility for the detention of adult offenders shall immediately inform the court that has jurisdiction of the juvenile's alleged offense when a juvenile who is or appears to be under eighteen years of age is received at the facility, except for a juvenile ordered by the court to be held for criminal proceedings as an adult.

(e) (I) Any juvenile arrested and detained for an alleged violation of any article of title 42, or for any alleged violation of a municipal or county ordinance, and not released on bond, must be taken before a judge with jurisdiction of such violation within forty-eight hours for the fixing of bail and conditions of bond pursuant to subsection (3)(a)(VII) of this section. For purposes of this subsection (4)(f), "gang" is defined in section 19-1-103 (52).

(g) Any person who is eighteen years of age or older who is being detained for a delinquent act or criminal charge over which the juvenile court has jurisdiction, or for which charges are pending in district court pursuant to a direct filing or transfer if the person has not already been transferred to the county jail pursuant to the provisions of subsection (3)(c)(IV) of this section, shall be detained in the county jail in the same manner as if such person is charged as an adult.

(h) A juvenile court shall not order a juvenile offender who is under eighteen years of age at the time of sentencing to enter a secure setting or secure section of an adult jail or lockup as a disposition for an offense or as a means of modifying the juvenile offender's behavior.

19-2-509. Bail. (1) Unless the district attorney consents, no juvenile charged or accused of having committed a delinquent act that constitutes a felony or a class 1 misdemeanor shall be released without a bond or on a personal recognizance bond, if:

(a) The juvenile has been found guilty of a delinquent act constituting a felony or class 1 misdemeanor within one year prior to his or her detention;

(b) The juvenile is currently at liberty on another bond of any type; or

(c) The juvenile has a delinquency petition alleging a felony pending in any district or juvenile court for which probable cause has been established.

(2) In lieu of a bond, a juvenile who the court determines poses a substantial risk of serious harm to others may be placed in a preadjudication service program established pursuant to section 19-2-302.

(3) Any application for the revocation or modification of the amount, type, or conditions of bail must be made in accordance with section 16-4-109; except that the presumption described in section 19-2-508 (3)(a)(IV) must continue to apply for the purposes of this section.

(4) (a) In determining the type of bond and conditions of release for the juvenile, the judge or magistrate fixing the same shall consider the criteria set forth in section 16-4-103, C.R.S.

(b) In setting, modifying, or continuing any bail bond, it must be a condition that the released juvenile appear at any place and upon any date to which the proceeding is transferred or continued. Further conditions of every bail bond must be that the released juvenile not commit any delinquent acts or harass, intimidate, or threaten any potential witnesses. The judge or magistrate may set any other conditions or limitations on the release of the juvenile as are reasonably necessary for the protection of the community. Any juvenile who is held without bail or whose bail or bail bond is revoked or increased under an order entered at any time after the initial detention hearing pursuant to subsection (3) of this section and who remains in custody or detention, must be tried on the charges on which the bail is denied or the bail or bail bond is revoked or increased within sixty days after the entry of such order or within sixty days after the juvenile's entry of a plea, whichever date is earlier; except that, if the juvenile requests a jury trial pursuant to section 19-2-107, the provisions of section 19-2-107 (4) apply.

(5) A surety or security on a bail bond may be subject to forfeiture only if the juvenile fails to appear for any scheduled court proceedings, of which the juvenile received proper notice.

(6) The court may order that any personal recognizance bond be secured by the personal obligation of the juvenile and his or her parents, guardian, legal custodian, or other responsible adult.

(7) The parent, guardian, or legal custodian for any juvenile released on bond pursuant to this section or any other responsible adult who secures a personal recognizance bond for a juvenile pursuant to subsection (6) of this section may petition the court, prior to forfeiture or exoneration of the bond, to revoke the bond and remand the juvenile into custody if the parent, guardian, legal custodian, or other responsible adult determines that he or she is unable to control the juvenile. The court shall apply the presumption specified in section 19-2-508 (3)(a)(IV) in determining whether to revoke the bond.

(8) A juvenile may be released on bond or as otherwise provided in this section regardless of whether the juvenile appears in court pursuant to a summons or a warrant.

(9) A juvenile released pursuant to this section and ordered to appear in a court that participates in the court reminder program established in section 13-3-101 (14)(a)(I), and the juvenile's parent, guardian, or legal custodian, must be notified that the juvenile and the juvenile's parent, guardian, or legal custodian can elect to provide a mobile telephone number that will be used by the court solely to provide text message reminders for future court dates and unplanned court closures, and must be provided the opportunity to provide a mobile telephone number or update a mobile telephone number for that purpose.

Editor's note: Subsection (6) provided for the repeal of this section, effective December 31, 2015. (See L. 2013, p. 1984.)

19-2-511. Statements - definitions. (1) No statements or admissions of a juvenile made as a result of the custodial interrogation of such juvenile by a law enforcement official concerning delinquent acts alleged to have been committed by the juvenile shall be admissible in evidence against such juvenile unless a parent, guardian, or legal or physical custodian of the juvenile was present at such interrogation and the juvenile and his or her parent, guardian, or legal or physical custodian were advised of the juvenile's right to remain silent and that any statements made may be used against him or her in a court of law, of his or her right to the presence of an attorney during such interrogation, and of his or her right to have counsel appointed if he or she so requests at the time of the interrogation; except that, if a public defender or counsel representing the juvenile is present at such interrogation, such statements or admissions may be admissible in evidence even though the juvenile's parent, guardian, or legal or physical custodian was not present.

(2) (a) Notwithstanding the provisions of subsection (1) of this section, statements or admissions of a juvenile may be admissible in evidence, notwithstanding the absence of a parent, guardian, or legal or physical custodian, if the court finds that, under the totality of the circumstances, the juvenile made a knowing, intelligent, and voluntary waiver of rights and:

(I) The juvenile is eighteen years of age or older at the time of the interrogation or the juvenile misrepresents his or her age as being eighteen years of age or older and the law

enforcement official acts in good faith reliance on such misrepresentation in conducting the interrogation;

(II) The juvenile is emancipated from the parent, guardian, or legal or physical custodian; or

(III) The juvenile is a runaway from a state other than Colorado and is of sufficient age and understanding.

(b) For the purposes of this subsection (2), "emancipated juvenile" is defined in section 19-1-103 (45).

(3) Notwithstanding the provisions of subsection (1) of this section, statements or admissions of a juvenile shall not be inadmissible in evidence by reason of the absence of a parent, guardian, or legal custodian if the juvenile was accompanied by a responsible adult who was a custodian of the juvenile or assuming the role of a parent at the time.

(4) For the purposes of this section, "physical custodian" is defined in section 19-1-103 (84).

(5) Notwithstanding the provisions of subsection (1) of this section, the juvenile and his or her parent, guardian, or legal or physical custodian may expressly waive the requirement that the parent, guardian, or legal or physical custodian be present during the juvenile's interrogation. This express waiver must be in writing and must be obtained only after full advisement of the juvenile and his or her parent, guardian, or legal or physical custodian of the juvenile's rights prior to the taking of the custodial statement by a law enforcement official. If said requirement is expressly waived, statements or admissions of the juvenile are not inadmissible in evidence by reason of the absence of the juvenile's parent, guardian, or legal or physical custodian during interrogation. Notwithstanding the provisions of this subsection (5), a county department of human or social services and the state department of human services, as legal or physical custodian, may not waive said requirement.

(6) Notwithstanding the provisions of subsection (1) of this section, statements or admissions of a juvenile shall not be inadmissible into evidence by reason of the absence of a parent, guardian, or legal or physical custodian, if the juvenile makes any deliberate misrepresentations affecting the applicability or requirements of this section and a law enforcement official, acting in good faith and in reasonable reliance on such deliberate misrepresentation, conducts a custodial interrogation of the juvenile that does not comply with the requirements of subsection (1) of this section.

(7) (a) Notwithstanding any provisions of this section to the contrary, if the juvenile asserts that statements made during the custodial interrogation are inadmissible because a responsible adult had an interest adverse to the juvenile, the prosecution, as part of its burden of proof at a hearing on a motion to suppress the statements, must show by a preponderance of the evidence that the person interrogating the juvenile reasonably believed that the responsible adult did not have any interests adverse to those of the juvenile and that the responsible adult was able to provide protective counseling to the juvenile concerning his or her rights during the interrogation.

(b) For purposes of this subsection (7):

(I) "Protective counseling" means an ongoing opportunity to offer guidance and advice concerning the juvenile's right to remain silent and to obtain retained or appointed counsel associated with the custodial interrogation; and

(II) "Responsible adult" means a parent, guardian, legal or physical custodian, or other responsible adult who was a custodian of the juvenile or who assumed the role of a parent at the time of the interrogation.

(2) Section 2(2) of chapter 306 (HB 19-1315), Session Laws of Colorado 2019, provides that the act changing this section applies to the admissibility of statements obtained on or after August 2, 2019.

19-2-512. Petition initiation. (1) If the district attorney determines that the interests of the juvenile or of the community require that further action be taken, the district attorney may file a petition in delinquency on the form specified in section 19-2-513, which shall be accepted by the court. If the district attorney chooses to file a petition in delinquency on any juvenile who receives a detention hearing under section 19-2-508, he or she shall file said petition within seventy-two hours after the detention hearing, excluding Saturdays, Sundays, and legal holidays. Upon filing of such petition, the court, if practicable, shall send notice of the pendency of such action to the natural parents of the juvenile who is the subject of such petition.

(2) If the petition is the first juvenile petition filed against the juvenile in any jurisdiction and is initiated in a jurisdiction that has restorative justice practices available, the district attorney or his or her designee may determine whether a juvenile is suitable for restorative justice practices. The district attorney shall consider whether the victim, having been informed about restorative justice practices pursuant to section 24-4.1-303 (11)(g), C.R.S., is requesting consideration of restorative justice practices as an alternative to formal prosecution; the seriousness of the crime; the crime's impact on the victim; the best methodology to involve the victim; whether the juvenile accepts responsibility for, expresses remorse for, and is willing to repair the harm caused by his or her actions; whether the juvenile's parent or legal guardian is willing to support the juvenile in the process; and other programmatic support available. If a juvenile wants to participate in restorative justice practices, the juvenile must make the request to the district attorney or the law enforcement agency administering the program and may not make the request to the victim. If requested by the juvenile, restorative justice practices may only be conducted after the victim is consulted by the district attorney and offered an opportunity to participate or submit a victim impact statement. If a victim elects not to attend, a victim-offender conference may be held with a suitable victim surrogate or victim advocate, and the victim may submit a victim impact statement. The district attorney may offer dismissal of charges as an

option for the successful completion of these and any other conditions imposed and designed to address the harm done to the victim and the community by the offender, subject to approval by the court.

4. YOU ARE MORE LIKELY TO HAVE A FREE LAWYER PRESENT AT YOUR HEARING IF YOU OR YOUR PARENT, GUARDIAN, OR LEGAL CUSTODIAN CALLS OR VISITS THE OFFICE OF THE STATE PUBLIC DEFENDER AT LEAST FIVE DAYS BEFORE YOUR HEARING.

(2) No summons shall issue to any juvenile or respondent who appears voluntarily, or who waives service, or who has promised in writing to appear at the hearing, but any such person shall be provided with a copy of the petition and summons upon appearance or request.

(3) (a) The court may, when the court determines that it is in the best interests of the juvenile, join the juvenile's parent or guardian and the person with whom the juvenile resides, if other than the juvenile's parent or guardian, as a respondent to the action and shall issue a summons requiring the parent or guardian and the person with whom the juvenile resides, if other than the juvenile's parent or guardian, to appear with the juvenile at all proceedings under this article involving the juvenile. If the parent or guardian of any juvenile cannot be found, the court, in its discretion, may proceed with the case without the presence of such parent or guardian. For the purposes of this section and section 19-2-515, "parent" is defined in section 19-1-103 (82)(b). This subsection (3) shall not apply to any person whose parental rights have been

terminated pursuant to the provisions of this title or the parent of an emancipated minor. For the purposes of this section, "emancipated minor" shall have the same meaning as set forth in section 13-21-107.5, C.R.S.

(b) The general assembly hereby declares that every parent or guardian whose juvenile is the subject of a juvenile proceeding under this article shall attend any such proceeding.

(c) Parents or legal guardians of a juvenile who is the subject of a juvenile proceeding shall complete the relative information form described in section 19-2-212 (1)(b)(VIII) no later than seven business days after the hearing or prior to the juvenile's next hearing, whichever occurs first.

(4) The summons shall require the person or persons having the physical custody of the juvenile, if other than a parent or guardian, to appear and to bring the juvenile before the court at a time and place stated not more than thirty days after issuance of the summons.

(5) (a) The court on its own motion or on the motion of any party may join as a respondent or require the appearance of any person it deems necessary to the action and authorize the issuance of a summons directed to such person. Any party to the action may request the issuance of compulsory process by the court requiring the attendance of witnesses on his or her own behalf or on behalf of the juvenile.

(b) Repealed.

(6) If it appears that the welfare of the juvenile or of the public requires that the juvenile be taken into custody, the court may, by endorsement upon the summons, direct that the person serving the summons take the juvenile into custody at once.

(7) The court may authorize the payment of necessary travel expenses incurred by persons summoned or otherwise required to appear, which payments shall not exceed the amount allowed to witnesses for travel by the district court.

(8) (a) A summons issued under this section may be served in the same manner as the summons in a civil action or by mailing it to the juvenile's last-known address by certified mail with return receipt requested not less than five days prior to the time the juvenile is requested to appear in court. Service by mail is complete upon return of the receipt signed by the juvenile, his or her parents, guardian, legal custodian, physical custodian, or spousal equivalent as defined in section 19-1-103 (101).

(b) Service upon the parent, guardian, legal custodian, or physical custodian who has physical care of a juvenile of a summons that contains wording commanding said parent, guardian, legal custodian, or physical custodian to produce the juvenile in court shall constitute valid service compelling the attendance of both the juvenile and said parent, guardian, legal custodian, or physical custodian in court. In addition, service of a summons as described in this paragraph (b) shall compel said parent, guardian, legal custodian, or physical custodian either to make all necessary arrangements to ensure that the juvenile is available to appear before the court or to appear in court and show good cause for the juvenile's failure to appear.

(9) If the parents, guardian, or other legal custodian of the juvenile required to be summoned under subsection (4) of this section cannot be found within the state, the fact of the juvenile's presence in the state shall confer jurisdiction on the court as to any absent parent, guardian, or legal custodian.

(10) When the residence of the person to be served outside the state is known, a copy of the summons and petition shall be sent by certified mail with postage prepaid to such person at

his or her place of residence with a return receipt requested. Service of summons shall be deemed complete five days after return of the requested receipt.

(11) **[*Editor's note: Subsection (11) is effective July 1, 2020.*]** A person that serves a juvenile or a juvenile's parent, guardian, or legal custodian with a summons to appear in a court that participates in the court reminder program established in section 13-3-101 (14)(a)(I) shall notify the person served that the juvenile and the juvenile's parent, guardian, or legal custodian can elect to provide a mobile telephone number that will be used by the court solely to provide text message reminders for future court dates and unplanned court closures, and shall provide the opportunity for the juvenile and the juvenile's parent, guardian, or legal custodian to provide a mobile telephone number or update a mobile telephone number for that purpose.

(2) Notwithstanding the provisions of section 19-2-518, after filing charges in the juvenile court but before the juvenile court conducts a transfer hearing, the district attorney may file the same or different charges against the juvenile by direct filing of an information in the district court or by indictment pursuant to this section. If the juvenile is convicted of only a misdemeanor offense or misdemeanor offenses, the court shall adjudicate the juvenile a delinquent and sentence the juvenile pursuant to this article.

(c) If a juvenile is convicted of an offense that is not eligible for district court jurisdiction under either this section or section 19-2-518, the juvenile shall be remanded to juvenile court.

19-2-518. Transfers. (1) (a) The juvenile court may enter an order certifying a juvenile to be held for criminal proceedings in the district court if:

(I) A petition filed in juvenile court alleges the juvenile is:

(A) Twelve or thirteen years of age at the time of the commission of the alleged offense and is a juvenile delinquent by virtue of having committed a delinquent act that constitutes a class 1 or class 2 felony or a crime of violence, as defined in section 18-1.3-406, C.R.S.; or

(B) Fourteen years of age or older at the time of the commission of the alleged offense and is a juvenile delinquent by virtue of having committed a delinquent act that constitutes a felony; and

(II) After investigation and a hearing, the juvenile court finds it would be contrary to the best interests of the juvenile or of the public to retain jurisdiction.

(b) A petition may be transferred from the juvenile court to the district court only after a hearing as provided in this section.

(c) If the crime alleged to have been committed is a felony defined by section 18-8-208, C.R.S., and no other crime is alleged to have been committed and the juvenile has been adjudicated a juvenile delinquent for a delinquent act which constitutes a class 4 or 5 felony, then the charge for the crime may not be filed directly in the district court, but the juvenile court may transfer such charge to the district court pursuant to paragraph (a) of this subsection (1).

(d) (I) Except as otherwise provided in subparagraph (II) of this paragraph (d), in cases in which criminal charges are transferred to the district court pursuant to the provisions of this section, the judge of the district court shall sentence the juvenile pursuant to the provisions of section 18-1.3-401, C.R.S., if the juvenile is:

(A) Convicted of a class 1 felony;

(B) Convicted of a crime of violence, as defined in section 18-1.3-406, C.R.S.; or

(C) Convicted of any other criminal charge specified in paragraph (a) of this subsection (1) and the juvenile was previously adjudicated a mandatory sentence offender, a violent juvenile offender, or an aggravated juvenile offender.

(II) In cases in which criminal charges are transferred to the district court pursuant to the provisions of this section, the judge of the district court may sentence to the youthful offender system created in section 18-1.3-407, C.R.S., any juvenile who would otherwise be sentenced pursuant to the provisions of subparagraph (I) of this paragraph (d); except that a juvenile shall be ineligible for sentencing to the youthful offender system if the juvenile is convicted of:

(A) A class 1 felony;

(B) to (D) (Deleted by amendment, L. 2010, (HB 10-1413), ch. 264, p. 1203, § 2, effective August 11, 2010.)

(E) Any sexual offense described in section 18-6-301 or 18-6-302, C.R.S., or part 4 of article 3 of title 18, C.R.S.

(III) In cases in which criminal charges are transferred to the district court pursuant to the provisions of this section and the juvenile is not eligible for sentencing pursuant to subparagraph (I) of this paragraph (d), the judge of the district court shall have the power to make any disposition of the case that any juvenile court would have or to remand the case to the juvenile court for disposition at its discretion.

(IV) If, following transfer of criminal charges to the district court pursuant to this section, a juvenile is convicted of a lesser included offense for which criminal charges could not originally have been transferred to the district court, the court shall sentence the juvenile pursuant to the provisions of this article.

(d.5) (Deleted by amendment, L. 2010, (HB 10-1413), ch. 264, p. 1203, § 2, effective August 11, 2010.)

(e) Whenever a juvenile under the age of fourteen years is sentenced pursuant to section 18-1.3-401, C.R.S., as provided in paragraph (d) of this subsection (1), the department of corrections shall contract with the department of human services to house and provide services to the juvenile in a facility operated by the department of human services until the juvenile reaches the age of fourteen years. On reaching the age of fourteen years, the juvenile shall be transferred to an appropriate facility operated by the department of corrections for the completion of the juvenile's sentence.

(2) After filing charges in the juvenile court but prior to the time that the juvenile court conducts a transfer hearing, the district attorney may file the same or different charges against the juvenile by direct filing of an information in the district court or by indictment pursuant to section 19-2-517. Upon said filing or indictment in the district court, the juvenile court shall no longer have jurisdiction over proceedings concerning said charges.

(3) At the transfer hearing, the court shall consider:

(a) Whether there is probable cause to believe that the juvenile has committed a delinquent act for which waiver of juvenile court jurisdiction over the juvenile and transfer to the district court may be sought pursuant to subsection (1) of this section; and

(b) Whether the interests of the juvenile or of the community would be better served by the juvenile court's waiving its jurisdiction over the juvenile and transferring jurisdiction over him or her to the district court.

(4) (a) The hearing shall be conducted as provided in section 19-1-106, and the court shall make certain that the juvenile and his or her parents, guardian, or legal custodian have been fully informed of their right to be represented by counsel.

(b) In considering whether or not to waive juvenile court jurisdiction over the juvenile, the juvenile court shall consider the following factors:

(I) The seriousness of the offense and whether the protection of the community requires isolation of the juvenile beyond that afforded by juvenile facilities;

(II) Whether the alleged offense was committed in an aggressive, violent, premeditated, or willful manner;

(III) Whether the alleged offense was against persons or property, greater weight being given to offenses against persons;

(IV) The maturity of the juvenile as determined by considerations of the juvenile's home, environment, emotional attitude, and pattern of living;

(V) The record and previous history of the juvenile;

(VI) The likelihood of rehabilitation of the juvenile by use of facilities available to the juvenile court;

(VII) The interest of the community in the imposition of a punishment commensurate with the gravity of the offense;

(VIII) The impact of the offense on the victim;

(IX) That the juvenile was twice previously adjudicated a delinquent juvenile for delinquent acts that constitute felonies;

(X) That the juvenile was previously adjudicated a juvenile delinquent for a delinquent act that constitutes a crime of violence, as defined in section 18-1.3-406, C.R.S.;

(XI) That the juvenile was previously committed to the department of human services following an adjudication for a delinquent act that constitutes a felony;

(XII) That the juvenile is sixteen years of age or older at the time of the offense and the present act constitutes a crime of violence, as defined in section 18-1.3-406, C.R.S.;

(XIII) That the juvenile is sixteen years of age or older at the time of the offense and has been twice previously adjudicated a juvenile delinquent for delinquent acts against property that constitute felonies; and

(XIV) That the juvenile used, or possessed and threatened the use of, a deadly weapon in the commission of a delinquent act.

(c) The amount of weight to be given to each of the factors listed in paragraph (b) of this subsection (4) is discretionary with the court; except that a record of two or more previously sustained petitions for delinquent acts that constitute felonies or a record of two or more juvenile probation revocations based on acts that constitute felonies shall establish prima facie evidence that to retain jurisdiction in juvenile court would be contrary to the best interests of the juvenile or of the community.

(d) The insufficiency of evidence pertaining to any one or more of the factors listed in paragraph (b) of this subsection (4) shall not in and of itself be determinative of the issue of waiver of juvenile court jurisdiction.

(5) Repealed.

(6) Written reports and other materials relating to the juvenile's mental, physical, educational, and social history may be considered by the court, but the court, if so requested by the juvenile, his or her parent or guardian, or other interested party, shall require the person or agency preparing the report and other material to appear and be subject to both direct and cross-examination.

(7) (a) If the court finds that its jurisdiction over a juvenile should be waived, it shall enter an order to that effect; except that such order of waiver shall be null and void if the district attorney fails to file an information in the criminal division of the district court within five days of issuance of the written order of waiver, exclusive of Saturdays, Sundays, and court holidays. Upon failure of the district attorney to file an information within five days of the issuance of the written order of waiver, exclusive of Saturdays, Sundays, and court holidays, the juvenile court shall retain jurisdiction and shall proceed as provided in this article.

(b) As a condition of the waiver of jurisdiction, the court in its discretion may provide that a juvenile shall continue to be held in custody pending the filing of an information in the

criminal division of the district court. Where the juvenile has made bond in proceedings in the juvenile court, the bond may be continued and made returnable in and transmitted to the district court, where it shall continue in full force and effect unless modified by order of the district court.

(8) If the court finds that it is in the best interests of the juvenile and of the public for the court to retain jurisdiction, it shall proceed with the adjudicatory trial as provided in part 8 of this article.

PART 6

SPECIAL PROCEEDINGS

19-2-601. Aggravated juvenile offender. (1) (a) In any action in delinquency alleging that a juvenile is an aggravated juvenile offender, as described in section 19-2-516 (4), the petition shall allege by separate count that the juvenile is an aggravated juvenile offender and that increased commitment is authorized.

(b) If the petition alleges that the juvenile is an aggravated juvenile offender, pursuant to section 19-2-516 (4), the petition shall identify by separate counts each alleged former adjudication or probation revocation and, for each such count, shall include the date of adjudication or revocation, the court, and the specific act that formed the basis for the adjudication or probation revocation. If the alleged prior adjudication or probation revocation occurred outside of this state, the petition shall so allege and shall state that the delinquent act that formed the basis for the adjudication or probation revocation would constitute a felony in this state.

(2) (a) In any action in delinquency in which it is alleged that a juvenile is an aggravated juvenile offender, the court shall, at the juvenile's first appearance, advise the juvenile of the effect and consequences of the allegation that the juvenile is an aggravated juvenile offender.

(b) If a juvenile is alleged to be an aggravated juvenile offender pursuant to section 19-2-516 (4), the juvenile shall be required, at his or her first appearance before the court, to admit or deny any previous adjudications or probation revocations that are alleged in the petition. A refusal to admit or deny any such adjudication or probation revocation shall be considered a denial.

(3) (a) In addition to the rights specified in section 19-2-706, a juvenile who is alleged to be an aggravated juvenile offender may file a written request that adjudication of the act that is the subject of the petition shall be to a jury of twelve persons, and the court shall so order it. Any juvenile who requests a jury shall be deemed to have waived the time limit for an adjudicatory trial pursuant to section 19-2-107 (4).

(b) When a jury is requested pursuant to this subsection (3), the following challenges shall be allowed:

(I) If the petition alleges that one juvenile is an aggravated juvenile offender, the state and the juvenile shall each be entitled to five peremptory challenges.

(II) If the petition alleges that more than one juvenile is an aggravated juvenile offender and the adjudicatory trials on the acts that are the subject of the petition are not severed, the state and the defense shall be entitled to two additional challenges for every juvenile after the first, not to exceed fifteen peremptory challenges per side; when multiple juveniles are adjudicated in a single hearing, each peremptory challenge made on the part of the juveniles shall be made and considered as the joint peremptory challenge of all of the juveniles.

(c) When more than one petition concerning different juveniles is consolidated for the adjudication of the delinquent acts that are the subjects of the petitions, peremptory challenges shall be allowed as if the juveniles had been joined in the same petition in delinquency.

(4) (a) If a juvenile alleged to be an aggravated juvenile offender pursuant to section 19-2-516 (4) admits the previous adjudications or probation revocations alleged in the petition, pursuant to subsection (2) of this section, no further proof of such previous adjudications or probation revocations is required. Upon a finding that the juvenile has committed the delinquent acts that are the subject of the petition alleging that the juvenile is an aggravated juvenile offender, the court may enter any sentence authorized by this section.

(b) If a juvenile alleged to be an aggravated juvenile offender pursuant to section 19-2-516 (4) denies one or more of the previous adjudications or probation revocations alleged in the petition, pursuant to subsection (2) of this section, the court, after a finding of guilty of the acts that are the subject of this petition, shall conduct a separate hearing in which the court shall be the trier of fact to determine whether or not the juvenile has suffered such adjudications or probation revocations. Each count alleging a previous adjudication or probation revocation shall be proven beyond a reasonable doubt.

(c) In any hearing before the court pursuant to paragraph (b) of this subsection (4), a duly authenticated copy of the record of an adjudication or probation revocation shall be prima facie evidence that the juvenile suffered such adjudication or probation revocation. In addition, any basic identification information that is part of the record of such former adjudication or probation revocation at the place the juvenile was incarcerated after disposition of such adjudication or probation revocation may be introduced into evidence in any hearing before the court pursuant to paragraph (b) of this subsection (4) and shall be prima facie evidence of the identity of the juvenile.

(5) (a) (I) Upon adjudication as an aggravated juvenile offender:

(A) For an offense other than an offense that would constitute a class 1 or 2 felony if committed by an adult, the court may commit the juvenile to the department of human services for a determinate period of up to five years;

(B) For an offense that would constitute a class 2 felony if committed by an adult, the court shall commit the juvenile to the department of human services for a determinate period of at least three but not more than five years;

(C) For an offense that would constitute a class 1 felony if committed by an adult, the court shall commit the juvenile to the department of human services for a determinate period of at least three but not more than seven years;

(D) When the petition alleges the offense of murder in the first degree or murder in the second degree, or sexual assault under section 18-3-402 (3.5) or 18-3-402 (4), C.R.S., and the juvenile is adjudicated a delinquent for either murder in the first degree or murder in the second degree, then the court may sentence the juvenile consecutively or concurrently for any crime of violence as described in section 18-1.3-406, C.R.S., or for a delinquent act contained in the petition for which the juvenile is an aggravated juvenile offender.

(II) An aggravated juvenile offender thus committed to the department of human services shall not be transferred to a nonsecure or community setting for a period of more than forty-eight hours, excluding Saturdays, Sundays, and court holidays, nor released before the expiration of the determinate term imposed by the court without prior order of the court.

(b) (I) Upon court order, the department of human services may transfer a juvenile committed to its custody pursuant to paragraph (a) of this subsection (5) to the department of corrections if the juvenile has reached eighteen years of age and the department of human services has certified that the juvenile is no longer benefiting from its programs.

(II) Such transfer shall be initiated by the filing of a request by the department of human services for transfer with the court of commitment that shall state the basis for the request. Upon receipt of such a request, the court shall notify the interested parties and shall set the matter for a hearing.

(III) The court shall authorize such transfer only upon a finding by a preponderance of the evidence that the juvenile is no longer benefiting from the programs of the department of human services.

(IV) Upon entering an order of transfer to the department of corrections, pursuant to this paragraph (b), the court shall amend the mittimus and transfer all further jurisdiction over the juvenile to the department of corrections. Thereafter the juvenile shall be governed by the provisions for adult felony offenders in titles 16 and 17, C.R.S., as if he or she had been sentenced as an adult felony offender for the unserved portion of sentence that remains upon transfer to the department of corrections.

(6) (a) After a juvenile who is sentenced pursuant to sub-subparagraph (B) or (C) of subparagraph (I) of paragraph (a) of subsection (5) of this section has been in the custody of the department of human services for three years or more, the department may petition the court for an order authorizing the department to place the juvenile on juvenile parole upon approval by the juvenile parole board pursuant to section 19-2-1002. After a juvenile who is sentenced pursuant to sub-subparagraph (A) of subparagraph (I) of paragraph (a) of subsection (5) of this section has served the minimum mandatory period of the commitment or three years, whichever is sooner, the department of human services may petition the court for an order authorizing the department to place the juvenile on juvenile parole upon approval by the juvenile parole board pursuant to

section 19-2-1002. The parole supervision shall be conducted by the department of human services. Upon the filing of the petition, the court shall notify the interested parties and set the matter for a hearing. The court shall authorize the department of human services to place the juvenile on juvenile parole upon approval of the juvenile parole board pursuant to section 19-2-1002, only upon finding by a preponderance of the evidence that the safety of the community will not be jeopardized by such release.

(b) Parole supervision of a juvenile who has been transferred to the department of corrections is governed by the provisions for adult felony offenders in titles 16, 17, and 18, C.R.S., as if the juvenile had been sentenced as an adult felony offender; except that, if the juvenile was adjudicated and sentenced for a class 1 felony, then the juvenile shall serve a ten-year period of mandatory parole after completion of his or her sentence.

(7) Upon the filing of a petition with the committing court for transfer of the juvenile to a nonsecure or community setting, or for early release from the custody of the department of corrections or human services, the court shall notify the interested parties and set the matter for a hearing. The court shall order such transfer or release only upon a finding by a preponderance of the evidence that the safety of the community will not be jeopardized by such transfer or release; except that early release of the juvenile from the department of corrections shall be governed by the provisions for adult felony offenders in titles 16 and 17, C.R.S., as if the juvenile had been sentenced as an adult felony offender.

(8) (a) (I) When a juvenile in the custody of the department of human services pursuant to this section reaches the age of twenty years and six months, the department of human services shall file a motion with the court of commitment regarding further jurisdiction of the juvenile. Upon the filing of such a motion, the court shall notify the interested parties, appoint counsel for the juvenile, and set the matter for a hearing. The court shall, as part of this hearing, reconsider the length of the remaining sentence and consider the factors as set forth in paragraph (c) of this subsection (8) herein.

(II) When the court notifies the interested parties, the court shall order that the juvenile submit to and cooperate with a psychological evaluation and risk assessment by a mental health professional to determine whether the juvenile is a danger either to himself or herself or to others. The mental health professional shall prepare a written report and shall provide a copy of the report to the court that ordered it, the prosecuting attorney, and counsel for the juvenile at least fifteen days before the hearing.

(b) At the hearing upon the motion, the court may either transfer the custody of and jurisdiction over the juvenile to the department of corrections for placement in a correctional facility, the youthful offender system, or a community corrections program; authorize early release of the juvenile pursuant to subsection (7) of this section; place the juvenile on adult parole for a period of five years; or order that custody and jurisdiction over the juvenile shall remain with the department of human services; except that the custody of and jurisdiction over the juvenile by the department of human services shall terminate when the juvenile reaches twenty-one years of age.

(c) In considering whether or not to transfer the custody of and jurisdiction over the juvenile to the department of corrections, the court shall consider all relevant factors including, but not limited to, the court-ordered psychological evaluation and risk assessment, the nature of the crimes committed, the prior criminal history of the offender, the maturity of the offender, the offender's behavior in custody, the offender's progress and participation in classes, programs,

and educational improvement, the impact of the crimes on the victims, the likelihood of rehabilitation, the placement where the offender is most likely to succeed in reintegrating in the community, and the interest of the community in the imposition of punishment commensurate with the gravity of the offense.

(9) At any postadjudication hearing held pursuant to this section, the state shall be represented by the district attorney and by the attorney general; except that the attorney general may be excused from participation in the hearing with the permission of the district attorney and of the court. At any postadjudication hearing held pursuant to this section, the department of corrections shall be considered an interested party and shall be sent notice of such hearing.

(10) "Mental health professional" means a person who is employed by the department of human services or is employed under contract with the department of human services and is:

(a) A licensed physician with the appropriate training and expertise in psychiatry; or

(b) A licensed psychologist.

19-2-703. Informal adjustment. (1) The district attorney may request of the court at any time, either before, during, or after the filing of a petition, that the matter be handled as an informal adjustment if:

(a) The juvenile and his or her parents, guardian, or legal custodian have been informed of their constitutional and legal rights, including the right to have counsel at every stage of the proceedings;

(b) There are sufficient facts to establish the jurisdiction of the court; and

(c) The juvenile and his or her parents, guardian, or legal custodian have waived the right to a speedy trial.

(2) An informal adjustment shall be for an initial period of no longer than six months. One additional extension of up to six months may be ordered by the court upon showing of good cause.

(3) During any informal adjustment, the court may place the juvenile under the supervision of the probation department or other designated agency. The court may require further conditions of conduct, as requested by the district attorney, probation department, or designated agency.

(4) No juvenile shall be granted an informal adjustment if such juvenile has been adjudicated a juvenile delinquent within the preceding twelve months, has had a prior deferred adjudication, or has had an informal adjustment granted within the preceding twelve months.

Editor's note: The former section 19-2-704 was relocated to section 19-2-921.

19-2-705. Preliminary hearing - dispositional hearing. (1) The district attorney or a juvenile who is accused in a petition of a delinquent act that constitutes a class 1, 2, or 3 felony may demand and receive a preliminary hearing to determine if there is probable cause to believe that the delinquent act alleged in the petition was committed by the juvenile. In addition, the district attorney or a juvenile who is accused in a petition of only those delinquent acts that constitute class 4, 5, or 6 felonies which felonies require mandatory sentencing or which constitute crimes of violence as defined in section 18-1.3-406, C.R.S., or which constitute sexual offenses under part 4 of article 3 of title 18, C.R.S., may demand and receive a preliminary hearing to determine if there is probable cause to believe that the delinquent act alleged in the petition was committed by the juvenile. A preliminary hearing may be heard by a judge of the juvenile court or by a magistrate and shall be conducted as follows:

(a) At the juvenile's advisement hearing and after the filing of the delinquency petition, the prosecution shall make available to the juvenile the discovery material required by the Colorado rules of juvenile procedure. The juvenile or the prosecution may file a written motion for a preliminary hearing, stating the basis therefor. Upon the filing of the motion, the court shall forthwith set the matter for a hearing. The juvenile or the prosecution shall file a written motion for a preliminary hearing not later than ten days after the advisement hearing.

(b) If the juvenile is being detained because of the delinquent act alleged in the petition, the preliminary hearing shall be held within thirty days of the filing of the motion, unless good cause for continuing the hearing beyond that time is shown to the court. If the juvenile is not being detained, it shall be held as promptly as the calendar of the court permits.

(c) At the preliminary hearing, the juvenile shall not be called upon to plead, although the juvenile may cross-examine the prosecution witnesses and may introduce evidence in his or her own behalf. The prosecution shall have the burden of establishing probable cause. The court at the hearing may temper the rules of evidence in the exercise of sound judicial discretion.

(d) If the court determines that probable cause exists, it shall enter a finding to that effect and shall schedule an adjudicatory trial. If from the evidence it appears to the court that probable cause does not exist, it shall dismiss the delinquency petition, and the juvenile shall be discharged from any restriction or other previous temporary order stemming from the petition.

(1.5) (a) The district attorney and the juvenile who is accused in a petition of a delinquent act that constitutes a class 4, 5, or 6 felony, except those that require mandatory sentencing or which constitute crimes of violence as defined in section 18-1.3-406, C.R.S., or which constitute sexual offenses under part 4 of article 3 of title 18, C.R.S., shall not have the right to demand or receive a preliminary hearing but shall participate in a dispositional hearing for the purposes of case evaluation and potential resolution. Such dispositional hearing may be heard by a judge of the juvenile court or by a magistrate.

(b) Any juvenile accused of a class 4, 5, or 6 felony who is not otherwise entitled to a preliminary hearing pursuant to paragraph (a) of this subsection (1.5), may demand and shall receive a preliminary hearing within a reasonable time pursuant to subsection (1) of this section, if the juvenile is in custody; except that, upon motion of either party, the court shall vacate the preliminary hearing if there is a reasonable showing that the juvenile has been released from custody prior to the preliminary hearing.

(2) A request for review of a preliminary hearing finding entered by a magistrate shall be filed pursuant to section 19-1-108 (5.5), and review shall be conducted pursuant to said section.

(3) The prosecution may file a motion to refile the petition in delinquency, which motion shall be accompanied by a verified affidavit stating the grounds therefor.

19-2-706. Advisement - right to counsel - waiver of right to counsel. (1) (a) At the juvenile's first appearance before the court, after the detention hearing or at the first appearance if the juvenile appears on a summons, the court shall advise the juvenile and his or her parents, guardian, or other legal custodian of the juvenile's constitutional rights and legal rights as set forth in rule 3 of the Colorado rules of juvenile procedure, including, but not limited to, the right to counsel. The advisement shall include the possibility of restorative justice practices, including victim-offender conferences if restorative justice practices are available in the jurisdiction. The advisement regarding restorative justice practices does not establish any right to restorative justice practices on behalf of the juvenile.

(b) If the respondent has made an early application for appointed counsel for the juvenile and the office of the state public defender has made a preliminary determination that the juvenile is eligible for appointed counsel as set forth in section 21-1-103 or if the court has appointed counsel for the juvenile pursuant to section 19-2-508 (2), an attorney from the office of the state public defender or, in the case of a conflict, from the office of alternate defense counsel, shall be available to represent the juvenile at the juvenile's first appearance, as described in subsection (1)(a) of this section.

(c) If the respondent has not made an early application for appointed counsel for the juvenile but the juvenile requests appointment of counsel at the first appearance, the court shall determine if the juvenile is eligible for counsel pursuant to paragraph (a) of subsection (2) of this section.

(d) As used in this subsection (1), unless the context otherwise requires, "early application" means that the respondent has contacted the office of the state public defender and applied for representation of the juvenile by the state public defender not less than five days before the juvenile's scheduled court date for the first appearance and has provided sufficient information to the office of the state public defender to allow that office to make a preliminary determination of eligibility for representation.

(e) Failure of the juvenile's parent, guardian, or legal custodian to apply for court-appointed counsel may not be construed as a waiver of the right to counsel or any other rights held by the juvenile.

(2) (a) If the juvenile and his or her parents, guardian, or other legal custodian are found to be indigent pursuant to section 21-1-103 (3), or the juvenile's parents, guardian, or other legal custodian refuses to retain counsel for the juvenile, or the court, on its own motion, determines that counsel is necessary to protect the interests of the juvenile or other parties, or the juvenile is in the custody of the state department of human services or a county department of human or social services, the court shall appoint the office of state public defender or, in the case of a conflict, the office of alternate defense counsel for the juvenile; except that the court shall not appoint the office of the state public defender or the office of alternate defense counsel if:

(I) The juvenile has retained his or her own counsel; or

(II) The juvenile has made a knowing, intelligent, and voluntary waiver of his or her right to counsel, as described in paragraph (c) of this subsection (2).

(b) (I) If the court appoints counsel for the juvenile because of the refusal of the parents, guardian, or other legal custodian to retain counsel for the juvenile, the parents, guardian, or legal custodian, other than a county department of human or social services or the state department of human services, shall be advised by the court that if the juvenile's parent, guardian, or legal custodian is determined not to be indigent pursuant to section 21-1-103 (3), then the court will order the juvenile's parent, guardian, or legal custodian, other than a county department of human or social services or the state department of human services, to reimburse the court for the cost of the representation unless the court, for good cause, waives the reimbursement requirement. The amount of the reimbursement will be a predetermined amount that:

(A) Shall be set by the supreme court, in consultation with the office of the state public defender and the office of alternate defense counsel;

(B) Shall be included in the chief justice directive concerning the appointment of state-funded counsel in criminal and juvenile delinquency cases; and

(C) May be based partly or entirely upon the stage a proceeding has reached when counsel is appointed, the stage a proceeding has reached when representation is terminated, or both.

(II) Notwithstanding any provision of subparagraph (I) of this paragraph (b) to the contrary, if the court finds that there exists a conflict of interest between the juvenile and the juvenile's parent, guardian, or legal custodian such that the income and assets of the parent, guardian, or legal custodian are unavailable to the juvenile, then the court shall consider only the juvenile's own income and assets for the purpose of determining whether to issue an order for reimbursement pursuant to this paragraph (b).

(c) The court may accept a waiver of counsel by a juvenile only after finding on the record, based on a dialogue conducted with the juvenile, that:

(I) The juvenile is of a sufficient maturity level to make a voluntary, knowing, and intelligent waiver of the right to counsel;

(II) The juvenile understands the sentencing options that are available to the court in the event of an adjudication or conviction of the offense with which the juvenile is charged;

(III) The juvenile has not been coerced by any other party, including but not limited to the juvenile's parent, guardian, or legal custodian, into making the waiver;

(IV) The juvenile understands that the court will provide counsel for the juvenile if the juvenile's parent, guardian, or legal custodian is unable or unwilling to obtain counsel for the juvenile; and

(V) The juvenile understands the possible consequences that may result from an adjudication or conviction of the offense with which the juvenile is charged, which consequences may occur in addition to the actual adjudication or conviction itself.

(d) The appointment of counsel pursuant to this subsection (2) shall continue until:

(I) The court's jurisdiction is terminated;

(II) The juvenile or the juvenile's parent, guardian, or legal custodian retains counsel for the juvenile;

(III) The court finds that the juvenile or his or her parents, guardian, or other legal custodian has sufficient financial means to retain counsel or that the juvenile's parents, guardian, or other legal custodian no longer refuses to retain counsel for the juvenile; or

(IV) The court finds the juvenile has made a knowing, intelligent, and voluntary waiver of his or her right to counsel, as described in paragraph (c) of this subsection (2).

(1) (a) There is hereby created a mandatory protection order against any juvenile charged with the commission of a delinquent act and the juvenile's parents or legal guardian, which order shall remain in effect from the time that the juvenile is advised of such juvenile's rights and informed of such order at such juvenile's first appearance before the court until final disposition of the action or, in the case of an appeal, until disposition of the appeal. Such order shall restrain the juvenile and the juvenile's parents or legal guardian from harassing, molesting, intimidating, retaliating against, or tampering with any witness to or victim of the delinquent act charged.

(b) Repealed.

(c) The protection order issued pursuant to this section shall be on a standardized form prescribed by the judicial department, and a copy shall be provided to the protected parties.

(2) At the time of the juvenile's first appearance before the court, the court shall inform the juvenile and the juvenile's parents or legal guardian of the protection order effective pursuant to this section and shall also inform the juvenile and the juvenile's parents or legal guardian that a violation of such order is punishable as contempt of court.

(3) Nothing in this section shall preclude the juvenile or the juvenile's parents or legal guardian from applying to the court at any time for modification or dismissal of the protection order issued pursuant to this section or the district attorney from applying to the court at any time for additional provisions under the protection order, modification of the order, or dismissal of the order. The trial court shall retain jurisdiction to enforce, modify, or dismiss the protection order during the pendency of any appeal that may be brought.

19-2-709. Deferral of adjudication. (1) Except as otherwise provided in subsection (1.5) of this section, in any case in which the juvenile has agreed with the district attorney to enter a plea of guilty, the court, with the consent of the juvenile and the district attorney, upon accepting the guilty plea and entering an order deferring adjudication, may continue the case for a period not to exceed one year from the date of entry of the order deferring adjudication. The court may continue the case for an additional one-year period for good cause.

(1.5) In a case in which the juvenile has agreed with the district attorney to enter a plea of guilty, resulting in a conviction as defined in section 16-22-102 (3), C.R.S., for unlawful sexual behavior, as defined in section 16-22-102 (9), C.R.S., the court, with the consent of the juvenile and district attorney, upon accepting the guilty plea and entering an order deferring adjudication, may continue the case for a period of time not to exceed two years from the date of the order deferring adjudication. Upon a showing of good cause, the court may continue the case for additional time, not to exceed five years from the date of the order deferring adjudication.

(2) Any juvenile granted a deferral of adjudication under this section may be placed under the supervision of a probation department. The court may impose any conditions of supervision that it deems appropriate that are stipulated to by the juvenile and the district attorney.

(3) Upon full compliance with such conditions of supervision, the plea of the juvenile or the finding of guilt by the court shall be withdrawn and the case dismissed with prejudice.

(3.5) Application for entry of adjudication and imposition of sentence may be made by the district attorney or a probation officer at any time within the term of the deferred adjudication or within thirty-five days thereafter.

(4) If the juvenile fails to comply with the terms of supervision, the court shall enter an order of adjudication and proceed to sentencing under section 19-2-906. At least five days' notice shall be given to the juvenile and his or her parents, guardian, or legal custodian. The burden of proof shall be the same as if the matter were being heard as a probation revocation proceeding.

19-2-710. Mental health services for juvenile - how and when issue raised - procedure - definitions. (1) At any stage of a delinquency proceeding, if the court, prosecution, probation officer, guardian ad litem, parent, or legal guardian has reason to believe that the juvenile could benefit from mental health services, the party shall immediately advise the court of such belief.

(2) After the party advises the court of the party's belief that the juvenile could benefit from mental health services, the court shall immediately order a mental health screening of the juvenile pursuant to section 16-11.9-102 using the mental health screening tool selected pursuant to section 24-33.5-2402 (1)(b), unless the court already has sufficient information to determine whether the juvenile could benefit from mental health services or unless a mental health screening of the juvenile has been completed within the last three months. Before sentencing a juvenile, the court shall order a mental health screening, using the mental health screening tool selected pursuant to section 24-33.5-2402 (1)(b), or make a finding that the screening would not provide information that would be helpful in sentencing the juvenile. The delinquency proceedings shall not be stayed or suspended pending the results of the mental health screening ordered pursuant this section, however, the court may continue the dispositional and sentencing hearing to await the results of the mental health screening.

(3) If the mental health screening indicates that the juvenile could benefit from mental health services, the court may order a mental health assessment.

(4) At the time the court orders a mental health assessment, the court shall specify the date upon which the assessment shall be completed and returned to the court. The court may assign responsibility for the cost of the assessment to any party having legal custody or legal guardianship of the juvenile.

(5) The assessment, at a minimum, shall include an opinion regarding whether the juvenile could benefit from mental health services. If the assessment concludes that the juvenile could benefit from mental health services, the assessment shall identify the juvenile's mental health issues and the appropriate services and treatment.

(6) Evidence or treatment obtained as a result of a mental health screening or assessment ordered pursuant to this section, including any information obtained from the juvenile in the course of a mental health screening or assessment, shall be used only for purposes of sentencing; to determine what mental health treatment, if any, to provide to the juvenile; and to determine whether the juvenile justice or another service system is most appropriate to provide this treatment, and must not be used for any other purpose. The mental health screening or assessment and any information obtained in the course of the mental health screening or assessment is not subject to subpoena or any other court process for use in any other court proceeding and is not admissible on the issues raised by a plea of not guilty unless the juvenile places his or her mental health at issue. If the juvenile places his or her mental health at issue, then either party may introduce evidence obtained as a result of a mental health screening or assessment. The court shall keep any mental health screening or assessment in the court file under seal.

(7) For purposes of this section:

(a) "Assessment" means an objective process used to collect pertinent information in order to identify a juvenile who may have mental health needs and identify the least restrictive and most appropriate services and treatment.

(b) "Juvenile could benefit from mental health services" means a juvenile exhibits one or more of the following characteristics:

(I) A chronic or significant lack of impulse control or of judgment;

(II) Significant abnormal behaviors under normal circumstances;

(III) (Deleted by amendment, L. 2019.)

(IV) Severe or frequent changes in sleeping or eating patterns or in levels of activity;

(V) A pervasive mood of unhappiness or of depression; or

(VI) A history that includes mental health treatment, a suicide attempt, or the use of psychotropic medication.

(c) "Screening" means a short validated mental health screening to identify juveniles who may have mental health needs adopted by the juvenile justice reform committee pursuant to section 24-33.5-2402 (1)(b).

The presentence investigation may address, but is not limited to, the following:

(I) The details of the offense;

(II) Statements made by the victims of the offense;

(III) The amount of restitution, if any, that should be imposed on the juvenile or the juvenile's parent, guardian, or legal custodian;

Each adjudicated juvenile may, at the time of adjudication or at any time thereafter, apply to the court for an order of collateral relief of the consequences of the juvenile's adjudication pursuant to the provisions of section 19-2-927, Colorado Revised Statutes.

(II) The report described in subsection (1)(a) of this section need not include the statement described in subsection (2)(b)(I) of this section if the juvenile:

(B) Has been adjudicated for a crime of violence as described in section 18-1.3-406; or

(C) Is required to register as a sex offender pursuant to section 16-22-103.

(3) (a) The state court administrator may implement a behavioral or mental health disorder screening program to be used by the juvenile court. If the state court administrator chooses to implement a behavioral or mental health disorder screening program, the juvenile court shall use the standardized behavioral or mental health disorder screening developed pursuant to section 16-11.9-102 and conduct the screening in accordance with the procedures established pursuant to said section. The findings and results of any standardized behavioral or mental health disorder screening conducted pursuant to this subsection (3) must be included in the written report to the court prepared and submitted pursuant to this section.

(b) Prior to implementation of a behavioral or mental health disorder screening program pursuant to this subsection (3), if implementation of the program would require an increase in appropriations, the state court administrator shall submit to the joint budget committee a request for funding in the amount necessary to implement the behavioral or mental health disorder screening program. If implementation of the behavioral or mental health disorder screening program would require an increase in appropriations, implementation of the program is conditional upon approval of the funding request.

(4) Prior to sentencing a juvenile who was adjudicated for an offense that would be a felony or misdemeanor not contained in title 42, C.R.S., if committed by an adult, the court may order the juvenile to participate in an assessment to determine whether the juvenile would be suitable for participation in restorative justice practices that would be a part of the juvenile's sentence; except that the court may not order participation in a restorative justice practice if the juvenile was adjudicated a delinquent for unlawful sexual behavior, as defined in section 16-22-102 (9), C.R.S., a crime in which the underlying factual basis involves domestic violence, as defined in section 18-6-800.3 (1), C.R.S., stalking as defined in section 18-3-602, C.R.S., or violation of a protection order as defined in section 18-6-803.5, C.R.S. If a juvenile wants to participate in restorative justice practices, the juvenile must make the request to the district attorney or the law enforcement agency administering the program and may not

make the request to the victim. If requested by the juvenile or law enforcement agency, a victim-offender conference may only be conducted after the victim is consulted by the district attorney and offered an opportunity to participate or submit a victim impact statement. If a victim elects not to attend, a victim-offender conference may be held with a suitable victim surrogate or victim advocate, and the victim may submit a victim impact statement. If the juvenile participates in a restorative justice practices victim-offender conference, the facilitator shall provide these services for a fee of no more than one hundred twenty-five dollars based on a sliding scale; however, the fee may be waived by the court.

Such evidence shall include, but not necessarily be limited to, the social study and other reports as provided in section 19-1-107.

(b) In those cases in which the juvenile is adjudicated a juvenile delinquent for an act that constitutes unlawful sexual behavior as defined in section 16-22-102 (9), C.R.S., the court shall consider the juvenile's previous criminal and juvenile delinquency records, if any, set forth in the presentence investigation report prepared pursuant to section 19-2-905 (1)(b) in determining the proper disposition for the juvenile and the public.

(2) If the court has reason to believe that the juvenile may have an intellectual and developmental disability, the court shall refer the juvenile to the community-centered board in the designated service area where the action is pending for an eligibility determination pursuant to article 10.5 of title 27. If the court has reason to believe that the juvenile may have a behavioral or mental health disorder, the court shall order a mental health hospital placement prescreening to be conducted in any appropriate place.

(2.5) (a) If the court receives a mental health screening or mental health assessment pursuant to section 19-2-710 determining that the juvenile could benefit from mental health services, or the court already has sufficient information to determine that the juvenile could benefit from mental health services, the court may order mental health services as a part of the disposition.

(b) Repealed.

(3) (a) The court may continue the sentencing hearing, either on its own motion or on the motion of any interested party, for a reasonable period to receive reports or other evidence;

except that the court shall determine sentencing within forty-five days following completion of the adjudicatory trial.

(b) If the hearing is continued, the court shall make an appropriate order for detention of the juvenile or for his or her release in the custody of his or her parents, guardian, or other responsible person or agency under such conditions of supervision as the court may impose during the continuance.

(c) In scheduling investigations and hearings, the court shall give priority to proceedings concerning a juvenile who is in detention or who has otherwise been removed from his or her home before an order of disposition has been made.

(4) In any case in which the sentence is placement out of the home, except for juveniles committed to the department of human services, the court shall, at the time of placement, set a review within ninety days to determine if continued placement is necessary and is in the best interest of the juvenile and of the community. Notice of said review shall be given by the court to all parties and to the director of the facility or agency in which the juvenile is placed and any person who has physical custody of the juvenile and any attorney or guardian ad litem of record.

19-2-906.5. Orders - community placement - reasonable efforts required - reviews. (1) If the court orders legal custody of a juvenile to a county department of human or social services pursuant to the provisions of this article 2, the order must contain specific findings as follows:

(a) Whether placement of the juvenile out of the home would be in the juvenile's and the community's best interests;

(b) Whether reasonable efforts have been made to prevent or eliminate the need for removal of the juvenile from the home, whether it is reasonable that such efforts are not made because an emergency situation exists that requires the immediate removal of the juvenile from the home, or whether such efforts are not required because of circumstances described in section 19-1-115 (7); and

(c) (Deleted by amendment, L. 2006, p. 508, § 3, effective April 18, 2006.)

(d) Whether reasonable efforts have been made to identify kin or a suitable adult with whom to place the juvenile.

(1.5) For all hearings and reviews concerning the juvenile, the court shall ensure that notice is provided to the juvenile and to the following persons with whom the juvenile is placed:

(a) Foster parents;

(b) Pre-adoptive parents;

(c) Relatives; or

(d) Kin, as defined in section 19-1-103 (71.3).

(2) (a) Every six months after the sentencing hearing provided in section 19-2-906, the court shall hold a hearing to review any order of community placement or, if there is no objection by any party to the action, the court may require the department of human services to conduct an administrative review. The entity scheduling the review shall provide notice of the review to the juvenile, the juvenile's parents or guardian, any service providers working with the juvenile, the juvenile's guardian ad litem, if one has been appointed, and all attorneys of record to allow appearances of any of said persons at the review. At the review conducted pursuant to this subsection (2), the reviewing entity shall determine:

(I) Whether continued community placement is in the best interests of the juvenile and the community;

(II) Whether the juvenile's safety is protected in the community placement;

(III) Whether reasonable efforts have been made to return the juvenile to the home or whether the juvenile should be permanently removed from his or her home;

(IV) Whether continued community placement is necessary and appropriate;

(V) Whether there has been compliance with the juvenile's case plan;

(VI) Whether progress has been made toward alleviating or mitigating the causes that necessitated the community placement; and

(VII) Whether there is a date projected by which the juvenile will be returned and safely maintained in his or her home, placed for legal guardianship, or placed in a planned permanent living arrangement.

(b) If the juvenile resides in a placement out of state, the entity conducting the review shall make a determination that the out-of-state placement continues to be appropriate and in the best interests of the juvenile.

(c) (Deleted by amendment, L. 2001, p. 844, § 5, effective June 1, 2001.)

(3) (a) If the juvenile is in the legal custody of a county department of human or social services and is placed in a community placement for a period of twelve months or longer, the district court, another court of competent jurisdiction, or an administrative body appointed or approved by the court that is not under the supervision of the department shall conduct a permanency hearing within said twelve months and every twelve months thereafter for as long as the juvenile remains in community placement. At the permanency hearing, the entity conducting the hearing shall make the following determinations:

(I) Whether continued community placement is in the best interests of the juvenile and the community;

(II) Whether the juvenile's safety is protected in the community placement;

(III) Whether reasonable efforts have been made to finalize the juvenile's permanency plan that is in effect at that time;

(IV) Whether continued community placement is necessary and appropriate;

(V) Whether there has been compliance with the juvenile's case plan;

(VI) Whether progress has been made toward alleviating or mitigating the causes that necessitated the community placement;

(VII) Whether there is a date projected by which the juvenile will be returned and safely maintained in his or her home, placed for legal guardianship, or placed in a planned permanent living arrangement; and

(VIII) Whether procedural safeguards to preserve parental rights have been applied in connection with the removal of the juvenile from the home, any change in the juvenile's community placement, or any determination affecting parental visitation.

(b) If the juvenile resides in a placement out of state, the entity conducting the review shall make a determination that the out-of-state placement continues to be appropriate and in the best interests of the juvenile.

(c) (Deleted by amendment, L. 2001, p. 844, § 5, effective June 1, 2001.)

(a) Commitment to the department of human services, as provided in section 19-2-909;

(b) Confinement in the county jail or in community corrections, as provided in section 19-2-910;

(j) Ordering the juvenile to pay restitution, as provided in section 19-2-918;

(k) Ordering the juvenile to complete an anger management treatment program or any other appropriate treatment program, as provided in section 19-2-918.5;

(l) Participation in an evaluation to determine whether the juvenile would be suitable for restorative justice practices that would be a part of the juvenile's sentence; except that the court may not order participation in restorative justice practices if the juvenile was adjudicated a delinquent for unlawful sexual behavior as defined in section 16-22-102 (9), C.R.S., a crime in which the underlying factual basis involves domestic violence as defined in section 18-6-800.3 (1), C.R.S., stalking as defined in section 18-3-602, C.R.S., or violation of a protection order as defined in section 18-6-803.5, C.R.S. If the court orders participation in restorative justice practices, the facilitator shall provide these services for a fee of no more than one hundred twenty-five dollars based on a sliding scale; however, the fee may be waived by the court. Nothing in this paragraph (l) shall be construed to require a victim to participate in a restorative justice victim-offender conference.

(2) The judge shall sentence any juvenile adjudicated as a special offender as provided in section 19-2-908.

(3) Any sentence imposed on a juvenile pursuant to this section may include the juvenile's parent or guardian, as provided in section 19-2-919.

(4) If, as a condition of or in connection with any sentence imposed pursuant to this section, the court requires a juvenile to attend school, the court shall notify the school district in which the juvenile is enrolled of such requirement.

(5) (a) Except as otherwise provided in section 19-2-601 for an aggravated juvenile offender, if the court finds that placement out of the home is necessary and is in the best interests of the juvenile and the community, the court shall place the juvenile, following the criteria established pursuant to section 19-2-212, in the facility or setting that most appropriately meets the needs of the juvenile, the juvenile's family, and the community. In making its decision as to proper placement, the court shall utilize the evaluation for placement prepared pursuant to section 19-1-107 or the evaluation for placement required by section 19-1-115 (8)(e). Any placement recommendation in the evaluation prepared by the county department of human or social services must be accorded great weight as the placement that most appropriately meets the needs of the juvenile, the juvenile's family, and the community. A recommendation prepared by the county department of human or social services must set forth specific facts and reasons for the placement recommendation. If the evaluation for placement recommends placement in a facility located in Colorado that can provide appropriate treatment and that will accept the juvenile, then the court shall not place the juvenile in a facility outside this state. If the court places the juvenile in a facility located in Colorado other than one recommended by the evaluation for placement, in a facility located outside this state in accordance with the evaluation for placement, or in a facility in which the average monthly cost exceeds the amount established by the general assembly in the general appropriation bill, it shall make specific findings of fact, including the monthly cost of the facility in which such juvenile is placed, relating to its placement decision. A copy of such findings must be sent to the chief justice of the supreme court, who shall, notwithstanding section 24-1-136 (11)(a)(I), report monthly to the joint budget committee and annually to the house and senate committees on health and human services, or any successor committees, on such placements. If the court commits the juvenile to the state

department of human services, it shall not make a specific placement, nor are the provisions of this subsection (5) relating to specific findings of fact applicable.

(b) If the court sentences a juvenile to an out-of-home placement funded by the state department of human services or any county, or commits a juvenile to the state department of human services, and the receiving agency determines that such placement or commitment does not follow the criteria established pursuant to section 19-2-212, including the placement recommended by the receiving agency, the receiving agency may, after assessing such juvenile's needs, file a petition with the court for reconsideration of the placement or commitment. Any such petition must be filed not later than thirty days after the placement or commitment. The court shall hear such petition and enter an order thereon not later than thirty days after the filing of the petition, and after notice to all agencies or departments that might be affected by the resolution of the petition, and after all such agencies or departments have had an opportunity to participate in the hearing on the petition. Failure of any such agency or department to appear may be a basis for refusal to accept a subsequent petition by any such agency or department that had an opportunity to appear and be present at the original petition hearing. The notification to the parties required pursuant to this subsection (5)(b) must be made by the petitioning party, and proof of such service must be filed with the court. If the court sentences a juvenile to an out-of-home placement funded by the county department of human or social services, temporary legal custody of such juvenile must be placed with the county department of human or social services, and the placement recommended by such county department must be accorded great weight as the placement that most appropriately meets the needs of the juvenile, the juvenile's family, and the community. Any deviation from such recommendation must be supported by specific findings on the record of the case detailing the specific extraordinary circumstances that constitute the reasons for deviations from the placement recommendation of the county department of human or social services.

(6) On and after July 1, 2000, each juvenile who is adjudicated for commission of an offense that would constitute a sex offense if committed by an adult or who receives for such offense a deferred adjudication shall be required to pay a surcharge to the sex offender surcharge fund, as provided in section 18-21-103, C.R.S.; except that the judge may waive payment of all or any portion of such surcharge as provided in section 18-21-103 (4), C.R.S.

(7) The juvenile court in each judicial district may implement a behavioral or mental health disorder screening program to screen juveniles sentenced pursuant to this part 9. If the juvenile court chooses to implement a behavioral or mental health disorder screening program, the juvenile court shall use the standardized behavioral or mental health disorder screening developed pursuant to section 16-11.9-102 and conduct the screening in accordance with procedures established pursuant to said section.

(a) **Mandatory sentence offender.** The court shall place or commit any juvenile adjudicated as a mandatory sentence offender, as described in section 19-2-516 (1), out of the home for not less than one year, unless the court finds that an alternative sentence or a commitment of less than one year out of the home would be more appropriate; except that:

(I) If the person adjudicated as a mandatory sentence offender is eighteen years of age or older on the date of the sentencing hearing, the court may sentence that person to the county jail or to a community correctional facility or program for a period not to exceed two years, if such person has been adjudicated a mandatory sentence offender pursuant to this article for acts committed prior to such person's eighteenth birthday; or

(II) The juvenile or person may be released by the committing judge upon a showing of exemplary behavior.

(b) **Repeat juvenile offender.** The court shall sentence any juvenile adjudicated as a repeat juvenile offender, as described in section 19-2-516 (2), out of the home for not less than one year, unless the court finds that an alternative sentence or a commitment of less than one year out of the home would be more appropriate; except that:

(I) If the person adjudicated as a repeat juvenile offender is eighteen years of age or older on the date of the sentencing hearing, the court may sentence that person to the county jail or to a community correctional facility or program for a period not to exceed two years, if such person has been adjudicated a repeat juvenile offender pursuant to this article for acts committed prior to such person's eighteenth birthday; or

(II) The juvenile or person may be released by the committing judge upon a showing of exemplary behavior.

(c) **Violent juvenile offender.** (I) (A) Upon adjudication as a violent juvenile offender, as described in section 19-2-516 (3), the juvenile shall be placed or committed out of the home for not less than one year; except that this sub-subparagraph (A) shall not apply to a juvenile who is ten years of age or older, but less than twelve years of age, when the court finds that an alternative sentence or a commitment of less than one year out of the home would be more appropriate.

(B) Upon adjudication as a violent juvenile offender, if the person is eighteen years of age or older on the date of the sentencing hearing, the court may sentence such person to the county jail or to a community correctional facility or program for a period not to exceed two years, if such person has been adjudicated a violent juvenile offender pursuant to this article for acts committed prior to such person's eighteenth birthday.

(II) The court may commit a violent juvenile offender to the department of human services. The court may impose a minimum sentence during which the juvenile shall not be released from a residential program without prior written approval of the court that made the commitment.

Editor's note: This section was formerly numbered as 19-2-801 (2), 19-2-802 (2), and 19-2-803 (2) and (3). Prior to relocation in 1996, these sections were contained in a title that was repealed and reenacted in 1987. Provisions of these sections, as they existed in 1987, were contained in several sections in 1986, the year prior to the repeal and reenactment of this title. For a detailed comparison, see the "Children's Code (1987)" table located in the back of the index.

19-2-909. Sentencing - commitment to the department of human services. (1) (a) Except as otherwise provided in sections 19-2-601 and 19-2-921 for an aggravated juvenile offender, the court may commit a juvenile to the department of human services for a determinate period of up to two years if the juvenile is adjudicated for an offense that would constitute a felony or a misdemeanor if committed by an adult; except that, if the juvenile is younger than twelve years of age and is not adjudicated an aggravated juvenile offender, the court may commit the juvenile to the department of human services only if the juvenile is adjudicated for an offense that would constitute a class 1, class 2, or class 3 felony if committed by an adult.

(b) Any commitment to the department of human services pursuant to section 19-2-601 or paragraph (a) of this subsection (1) shall be followed by a mandatory period of parole of six months, unless the period of parole is extended by the juvenile parole board pursuant to section 19-2-1002 (5).

(c) For purposes of this section:

(I) "Determinate period" is defined in section 19-1-103 (40.5).

(II) "Period of parole" means the period between the parole period start date and the parole period end date as determined by the juvenile parole board. The period of parole applies to both mandatory six-month parole and extended parole pursuant to section 19-2-1002 (5). The period of parole continues unless the juvenile is deemed to be on escape status, parole has been suspended pursuant to section 19-2-1002, or the juvenile returns to commitment status pursuant to section 19-2-1004. In such circumstances, the period of parole stops until the juvenile has returned to parole status.

Editor's note: This section was formerly numbered as 19-2-703 (1)(b) and (1)(c). Prior to relocation in 1996, the said 19-2-703 (1)(b) and (1)(c) were contained in a title that was repealed and reenacted in 1987. 19-2-911. Sentencing - alternative services - detention. (1) Except as otherwise provided in section 19-2-601 for an aggravated juvenile offender and except as provided in subsection (2) of this section, the court may sentence the juvenile to alternative services funded through section 19-2-212 or other alternative services programs. If a juvenile who is thirteen years of age or older fails to make satisfactory progress in the alternative services to which he or she is sentenced or if the court finds that a sentence to alternative services would be contrary to the community interest, the court may sentence any juvenile adjudicated for an offense that would constitute a class 3, class 4, class 5, or class 6 felony or a misdemeanor weapons charge if committed by an adult to detention for a period not to exceed forty-five days. Release for purposes of work, therapy, education, or other good cause may be granted by the court. The court may not sentence to detention any juvenile adjudicated for an offense that would constitute a class 1 or class 2 felony if committed by an adult.

(2) In the case of a juvenile who has been adjudicated a juvenile delinquent for the commission of one of the offenses described in section 19-2-508 (3)(a)(IV), the court shall sentence the juvenile to a minimum mandatory period of detention of not fewer than five days.

(2) The court may order an evaluation to be conducted prior to disposition if an evaluation would assist the court in determining an appropriate disposition. The parents or legal guardian of the juvenile ordered to undergo an evaluation shall be required to pay the cost of the evaluation. If the evaluation results in a recommendation of treatment and if the court so finds, the juvenile must be ordered to complete an anger management treatment program, a mental health treatment program, or any other appropriate treatment program designed to address the underlying causative factors for the violation.

(3) The disposition for any juvenile who has been adjudicated a juvenile delinquent a second or subsequent time, the underlying factual basis of which has been found by the court to include an act of cruelty to animals, as described in section 18-9-202, must include the completion of an anger management treatment program, a mental health treatment program, or any other appropriate treatment program designed to address the underlying causative factors for the violation.

(3.5) In addition to any sentence imposed pursuant to this section for any juvenile who has been adjudicated a juvenile delinquent for the commission of cruelty to animals, as described in section 18-9-202, the court may enter an order prohibiting the juvenile or other party from owning, possessing, or caring for a pet animal as defined in section 35-80-102 (10), unless the juvenile's treatment provider makes a specific recommendation not to impose the ban and the court agrees with the recommendation.

However, the value of the services required to be rendered by the parent, guardian, legal custodian of, or parent with parental responsibilities with respect to the juvenile under this paragraph (c) shall not exceed twenty-five thousand dollars for any one delinquent act.

(2) In addition to any sentence imposed pursuant to section 19-2-907 or subsection (1) of this section and regardless of whether the court orders the juvenile to pay restitution pursuant to section 19-2-918, the court may order:

this paragraph (b). For purposes of this paragraph (b), "parent" is defined in section 19-1-103 (82)(a).

(b) If a juvenile is making a transition from the legal custody of a county department of human or social services to commitment with the state department of human services, the court shall conduct a permanency hearing in combination with the sentencing hearing. The court shall

(5) (a) When a juvenile is placed in a community placement by the department of human services following commitment pursuant to section 19-2-601 or 19-2-907, an administrative review shall be conducted every six months after said placement for as long as the juvenile remains in a community placement under the department of human services.

(b) When a juvenile is placed in a community placement for a period of twelve months or longer, a court of competent jurisdiction or an administrative body appointed or approved by the court that is not under the supervision of the department shall conduct a permanency hearing pursuant to the federal "Social Security Act", 42 U.S.C. sec. 675 (5)(C) no later than the twelfth month of the community placement and at least every twelve months thereafter while the juvenile remains in a community placement. 19-2-922. Juveniles committed to department of human services - evaluation and placement. (1) (a) Each juvenile committed to the custody of the department of human services shall be examined and evaluated by the department prior to institutional placement or other disposition.

(b) Such evaluation and examination shall be conducted at a detention facility and shall be completed within thirty days. The department of human services may, by rule, determine the extent and scope of the evaluation and examination. To the extent possible and relevant, the evidence, reports, examination, studies, and other materials utilized in a sentencing hearing conducted under section 19-2-906 shall also be utilized in evaluation and examination conducted under this section. The provisions of this paragraph (b) shall not apply to examination and evaluation conducted pursuant to section 19-2-923 (1).

(c) The examination and evaluation shall include the use of an objective risk assessment that is based upon researched factors that correlate to a risk to the community. The results of the objective risk assessment shall be used to help identify treatment services for the juvenile during his or her commitment and the period of parole supervision.

(2) Each juvenile shall then be placed by the department in the appropriate state institution or facility or placed as provided in section 19-2-409 or 19-2-410, as indicated by the examination and evaluation.

(3) (a) When the department of human services determines that a juvenile requires placement in a state facility for children with intellectual and developmental disabilities, as defined in article 10.5 of title 27, it shall initiate proceedings pursuant to article 10.5 of title 27 and notify the court.

(b) (I) When the department of human services determines that a juvenile may require treatment for a behavioral or mental health disorder, it shall conduct or have a mental health professional conduct a mental health hospital placement prescreening on the juvenile.

(II) If the mental health hospital placement prescreening report recommends that the juvenile be evaluated, the juvenile may be transferred to a mental health facility operated by the department of human services for such evaluation.

(III) If the evaluation report states that the juvenile has a mental health disorder, as provided in sections 27-65-105 and 27-65-106, the department of human services shall initiate proceedings pursuant to article 65 of title 27 and notify the court.

19-2-923. Juveniles committed to department of human services - transfers. (1) The executive director of the department of human services may transfer any juvenile committed under section 19-2-601 or 19-2-907 among the facilities established under sections 19-2-403 and 19-2-406 to 19-2-408; except that, before any juvenile is transferred, he or she shall be examined and evaluated, and such evaluation shall be reviewed by the said executive director before he or she approves the transfer.

(2) When the executive director of the department of human services finds that the welfare and protection of a juvenile or of others requires the juvenile's immediate transfer to another facility, he or she shall make the transfer prior to having the juvenile examined and evaluated.

(3) (a) Any juvenile committed to the department of human services may be transferred temporarily to any state treatment facility for persons with behavioral or mental health disorders or intellectual and developmental disabilities for purposes of diagnosis, evaluation, and emergency treatment; except that a juvenile may not be transferred to a mental health facility until the juvenile has received a mental health hospital placement prescreening resulting in a recommendation that the juvenile be placed in a facility for evaluation pursuant to section 27-65-105 or 27-65-106. A juvenile committed to the department as an aggravated juvenile offender or violent juvenile offender shall not be transferred until the treatment facility has a secure setting in which to house the juvenile. The period of temporary transfer pursuant to this subsection (3)(a) must not exceed sixty days.

(b) When a juvenile has remained in the treatment facility for sixty days, the treatment facility shall determine whether the juvenile requires further treatment or services, and, if so, the treatment facility shall confer with the sending facility concerning continued placement. If both facilities agree that the juvenile should remain in the treatment facility, the executive director of the department of human services shall be notified of the recommendation, and he or she may authorize an additional sixty-day placement. When an additional placement is authorized, the court shall be notified of the transferred placement.

(c) During each subsequent sixty-day placement period, the juvenile shall be reevaluated by both the treatment facility and the sending facility to determine the need for continued transferred placement. The juvenile shall remain in transferred placement until the facilities agree that such placement is no longer appropriate. At that time the juvenile shall be transferred back to the sending facility or to any other facility that the department determines to be appropriate. The period of placement shall not exceed the length of the original commitment to the department of human services unless authorized by the court after notice and a hearing.

(d) When a juvenile is in continued transferred placement and the treatment facility and the sending facility agree that the need for placement of the juvenile is likely to continue beyond the original period of commitment to the department of human services, the treatment facility shall initiate proceedings with the court having jurisdiction over the juvenile pursuant to article 65 of title 27 if the juvenile has a mental health disorder or pursuant to article 10.5 of title 27 if the juvenile has intellectual and developmental disabilities.

19-2-924. Juveniles committed to department of human services - emergency release. 19-2-924.7. Juveniles committed to the department of human services - prohibition against the use of restraints on pregnant juveniles. (1) The staff of the department of human services, in restraining a female juvenile committed to the department of human services or detained in a juvenile facility, shall use the least restrictive restraints necessary to ensure safety if the staff have actual knowledge or a reasonable belief that the juvenile is pregnant. The requirement that staff use the least restrictive restraints necessary to ensure safety shall continue during postpartum recovery and transport to or from a juvenile facility.

(2) (a) (I) Staff of the department of human services or medical facility staff shall not use restraints of any kind on a pregnant juvenile during labor and delivery of the child; except that staff may use restraints if:

(A) The medical staff determine that restraints are medically necessary for safe childbirth;

(B) The staff of the department of human services or medical staff determine that the juvenile presents an immediate and serious risk of harm to herself, to other patients, or to medical staff; or

(C) The staff of the department of human services determine that the juvenile poses a substantial risk of escape that cannot reasonably be reduced by the use of other existing means.

(II) Notwithstanding any provision of subparagraph (I) of this paragraph (a) to the contrary, under no circumstances shall staff use leg shackles or waist restraints on a juvenile during labor and delivery of the child, postpartum recovery while in a medical facility, or transport to or from a medical facility for childbirth.

(b) The staff of the department of human services or medical facility authorizing the use of restraints on a pregnant juvenile during labor or delivery of the child shall make a written record of the use of restraints, which record shall include, at a minimum, the type of restraint used, the circumstances that necessitated the use of the restraint, and the length of time the restraint was used. The department of human services staff shall retain the record for a minimum of five years and shall make the record available for public inspection with individually identifying information redacted from the record unless the juvenile who is the subject of the record gives prior written consent for the public release of the record. The written record of the use of restraint shall not constitute a medical record under state or federal law.

(3) Upon return to a department of human services facility after childbirth, the juvenile shall be entitled to have a member of the department of human services' medical staff present during any strip search.

(4) When a juvenile's pregnancy is determined, the staff of the department of human services shall inform a pregnant juvenile committed to the department of human services in writing in a language and in a manner understandable to the juvenile of the provisions of this section concerning the use of restraints and the presence of medical staff during a strip search.

(5) The executive director of the department of human services shall ensure that the staff of the department of human services receive adequate training concerning the provisions of this section.

19-2-925. Probation - terms - release - revocation - graduated responses system - report. (1) (a) The terms and conditions of probation must be specified by rules or orders of the court. The court, as a condition of probation for a juvenile who is ten years of age or older but less than eighteen years of age on the date of the sentencing hearing, may impose a commitment or detention. The aggregate length of any such commitment or detention, whether continuous or at designated intervals, must not exceed forty-five days; except that such limit does not apply to any placement out of the home through a county department of human or social services. Each

juvenile placed on probation must be given a written statement of the terms and conditions of his or her probation and have the terms and conditions fully explained to him or her.

(b) The court, as a condition of probation for a youth eighteen years of age or older at the time of sentencing for delinquent acts committed prior to his or her eighteenth birthday, may impose as a condition of probation a sentence to the county jail that shall not exceed ninety days; except that such sentence may be for a period of up to one hundred eighty days if the court orders the youth released for school attendance, job training, or employment.

(2) (a) Conditions of probation shall be customized to each juvenile based on the guidelines developed by the committee on juvenile justice reform pursuant to section 24-33.5-2402. The court shall, as minimum conditions of probation, order that the juvenile:

(I) Not violate any federal or state statutes, municipal ordinances, or orders of the court;

(II) Not use or possess a firearm, a dangerous or illegal weapon, or an explosive or incendiary device, unless granted written permission by the court or probation officer;

(III) Report to a probation officer at reasonable times as directed by the court or probation officer;

(IV) Permit the probation officer to visit the juvenile at reasonable times at his or her home or elsewhere;

(V) Remain within the jurisdiction of the court, unless granted permission to leave by the court or the probation officer;

(VI) Answer all reasonable inquiries by the probation officer and promptly notify the probation officer of any change in address or employment;

(VII) Make restitution as ordered by the court;

(VIII) Pay the victim compensation fee as ordered by the court;

(IX) Pay the surcharge levied pursuant to section 24-4.2-104 (1)(a)(I); and

(X) May be evaluated to determine whether the juvenile would be suitable for restorative justice practices that would be a part of the juvenile's probation program; except that the court may not order participation in restorative justice practices if the juvenile was adjudicated a delinquent for unlawful sexual behavior as defined in section 16-22-102 (9), a crime in which the underlying factual basis involves domestic violence as defined in section 18-6-800.3 (1), stalking as defined in section 18-3-602, or violation of a protection order as defined in section 18-6-803.5.

(b) The court shall use the results from a validated risk and needs assessment adopted by the juvenile justice reform committee pursuant to section 24-33.5-2402 (1)(b) to inform the court of additional conditions of probation, as necessary.

(3) (a) The court may periodically review the terms and conditions of probation and the progress of each juvenile placed on probation. Counsel for the juvenile does not have to be present at any probation review hearing unless notified by the court that a petition to revoke probation has been filed.

(b) The court may release a juvenile from probation prior to the completion of his or her term of probation, pursuant to section 19-2-925, or modify the terms and conditions of his or her probation at any time, but any juvenile who has complied satisfactorily with the terms and conditions of his or her probation for a period of two years shall be released from probation, and the jurisdiction of the court shall be terminated.

(4) Before January 1, 2021, the state court administrator shall establish rules to develop a statewide system of structured community-based graduated responses, including incentives and

sanctions, to guide probation officers in determining how best to motivate positive juvenile behavior change and the appropriate response to a violation of terms and conditions of juvenile probation. Graduated responses means an accountability-based series of sanctions and services designed to respond to a juvenile's violation of probation quickly, consistently, and proportionally and incentives to motivate positive behavior change and successful completion of probation and his or her treatment goals. Juvenile probation shall adopt and use a state juvenile graduated responses and incentives system developed pursuant to this subsection (4) or develop and use a locally developed system that is aligned to best practices. Policies and procedures for the graduated responses system must:

(a) Include incentives that encourage the completion of treatment milestones as well as compliance with the terms and conditions of a juvenile's probation and that reward behavior aligned with the expectations of supervision and the juvenile's case plan; and

(b) Require that a response to a juvenile's violation of the terms and conditions of his or her supervision take into consideration:

(I) The risk of the juvenile to reoffend, as determined by the results of a validated risk and needs assessment;

(II) The previous history of violations and the underlying cause of the juvenile's behavior leading to the violation;

(III) The severity of the current violation;

(IV) The juvenile's case plan; and

(V) The previous responses by the juvenile to past violations.

(5) Whenever a probation office has reasonable cause to believe that a juvenile has committed a violation of the terms and conditions of probation and that graduated responses developed pursuant to subsection (4) of this section have previously been applied or when the nature of the violation poses a substantial risk of serious harm to others, the probation officer, following the approval of his or her chief probation officer or the chief's designee, shall petition the court for revocation and shall file written information with the court concerning the juvenile's violation behavior history and the responses applied pursuant to the graduated response system pursuant to subsection (4) of this section.

(6) Unless there is reason to believe that a juvenile would not appear, would interfere with the juvenile justice process, or poses substantial risk of serious harm to others, probation officers shall issue a summons, or other method approved by local court rule, rather than a warrant when filing a petition for revocation.

(7) The state court administrator shall collect data related to the use of the graduated responses and incentives system and report this data annually to the judiciary committees of the senate and house of representatives, the health and human services committee of the senate, and the public health care and human services committee of the house of representatives, or any successor committees, and the chief justice of the Colorado supreme court. Notwithstanding the provisions of section 24-1-136 (11)(a)(I), the reports to the committees continue indefinitely. Data collected by the state court administrator must include at a minimum the types of responses and incentives that were issued, the number of formal violations filed, and the behavior resulting in the violation.

(8) (a) When it is alleged that a juvenile has violated the terms and conditions of his or her probation, and graduated responses have been imposed and exhausted, pursuant to subsection (7) of this section, the court shall set a hearing on the alleged violation and shall give notice to

the juvenile and his or her parents, guardian, or other legal custodian and any other parties to the proceeding as provided in section 19-2-514.

(b) The juvenile and his or her parents, guardian, or other legal custodian shall be given a written statement concerning the alleged violation and shall have the right to be represented by counsel at the hearing and shall be entitled to the issuance of compulsory process for the attendance of witnesses.

(c) When the juvenile has been taken into custody because of the alleged violation, the provisions of sections 19-2-507, 19-2-507.5, and 19-2-508 apply.

(d) (I) The hearing on the alleged violation shall be conducted as provided in section 19-1-106.

(II) Subject to the provisions of section 19-2-907, if the court finds that the juvenile violated the terms and conditions of probation, it may modify the terms and conditions of probation, revoke probation, or take such other action permitted by this article 2 that is in the best interest of the juvenile and the public.

(III) If the court finds that the juvenile did not violate the terms and conditions of his or her probation as alleged, it shall dismiss the proceedings and continue the juvenile on probation under the terms and conditions previously prescribed.

(e) If the court revokes the probation of a person over eighteen years of age, in addition to other action permitted by this article 2, the court may sentence him or her to the county jail for a period not to exceed one hundred eighty days during which time he or she may be released during the day for school attendance, job training, or employment, as ordered by the court; except that, if the sentence imposed exceeds ninety days, the court shall order the person released for school attendance, job training, or employment while serving his or her sentence.

(9) Following specification of the terms and conditions of probation, where the conditions of probation include requiring the juvenile to attend school, the court shall notify the school district in which the juvenile is enrolled of such requirement.

19-2-925.2. Juvenile probation standards - development. (1) Before July 1, 2021, the state court administrator, in consultation with judges, the judicial branch, district attorneys,

defense counsel, the delivery of the child welfare services task force created in section 26-5-105.8, and other interested parties shall establish statewide standards for juvenile probation supervision and services that are aligned with research-based practices and based on the juvenile's risk of reoffending as determined by a validated risk and needs assessment tool adopted pursuant to section 24-33.5-2402. The state court administrator shall at least annually provide training to juvenile probation on the adoption and implementation of these standards. Juvenile standards must include, but need not be limited to:

(a) Guidelines to support juvenile probation in adopting the most effective staffing and workloads in order to allocate probation resources most appropriately;

(b) Standards for minimum case contacts, including contacts with juveniles as well as their family members;

(c) (I) Common elements for written individualized case plans for each juvenile placed under the supervision of a probation officer. In developing such a case plan, juvenile probation shall use, but need not be limited to:

(A) The results of a validated risk and needs assessment;

(B) The results of a validated mental health screening, and full assessment if conducted;

(C) The trauma, if any, experienced by the juvenile;

(D) The education level of the juvenile and any intellectual and developmental disability;

(E) The seriousness of the offense committed by the juvenile; and

(F) Any relevant information provided by the family of the juvenile, including the pro-social interests of the juvenile.

(II) A case plan developed pursuant to this section must:

(A) Address the risks the juvenile presents and the juvenile's service needs based on the results of the validated risk and needs assessment, including specific treatment goals;

(B) Specify the level of supervision and intensity of services that the juvenile shall receive;

(C) Provide referrals to treatment providers that may address the juvenile's risks and needs;

(D) Be developed in consultation with the juvenile and the juvenile's family or guardian;

(E) Specify the responsibilities of each person or agency involved with the juvenile; and

(F) Provide for the full reentry of the juvenile into the community;

(d) (I) Criteria and policies for the early termination of juveniles under the supervision of juvenile probation.

(II) Juvenile probation and the juvenile court shall consider the following factors, among others, in determining the early termination of supervision:

(A) The seriousness of the offense committed by the juvenile resulting in placement under the supervision of a probation officer;

(B) The results of a validated risk and needs assessment, which shall be conducted at least every six months to determine whether the juvenile's risk of reoffending or risk scores in key domains have been reduced;

(C) The juvenile's progress in meeting the goals of the juvenile's individualized case plan; and

(D) The juvenile's offense history, if any, during the juvenile's probation term.

(e) Common criteria for when juvenile probation officers may recommend the use of out-of-home placements and commitment to the division of youth services. The court shall consider the results of a validated risk and needs assessment, a validated mental health screening, and, if applicable, a full mental health assessment conducted pursuant to section 24-33.5-2402 to make decisions concerning the placement of the juvenile.

(1) Beginning July 1, 2007, each of the following adjudicated offenders shall submit to and pay for collection and a chemical testing of the offender's biological substance sample to determine the genetic markers thereof, unless the offender has already provided a biological substance sample for such testing pursuant to a statute of this state:

(a) Every offender who, on or after July 1, 2007, is in the custody of the department of human services for a commitment imposed before that date, including an offender on parole, based on adjudication for an offense involving unlawful sexual behavior, or for which the underlying factual basis involved an offense involving unlawful sexual behavior. Editor's note: This section was formerly numbered as 19-2-1002. Prior to relocation in 1996, the said section 19-2-1002 was contained in a title that was repealed and reenacted in 1987. Provisions of that section, as it existed in 1987, are similar to those contained in 19-5-102 as said section existed in 1986, the year prior to the repeal and reenactment of this title.

19-2-927. Adjudication - collateral relief - definitions. (1) At the time of the entry of adjudication or at any time thereafter, upon the request of the adjudicated juvenile or upon the court's own motion, a court may enter an order of collateral relief in the juvenile's case for the purpose of improving the juvenile's likelihood of success in the community.

(2) **Application contents.** (a) An application for an order of collateral relief must cite the grounds for granting the relief, the type of relief sought, and the specific collateral consequence from which the applicant is seeking relief and must include a copy of a recent criminal history record check. The state court administrator may produce an application form that an applicant may submit in application.

(b) The applicant shall provide a copy of the application to the district attorney and to the regulatory or licensing body that has jurisdiction over the collateral consequence from which the applicant is seeking relief, if any, by certified mail or personal service within ten days after filing the application with the court.

(c) An application filed after an adjudication order has been entered must include a copy of a recent Colorado bureau of investigation fingerprint-based criminal history record check, the filing fee required by law, and an additional filing fee of thirty dollars to cover the actual costs related to the application. A court shall waive the filing fees if it finds that the juvenile is indigent.

(3) An order of collateral relief may relieve an adjudicated juvenile of any collateral consequences of the adjudication, whether in housing or employment barriers or any other sanction or disqualification that the court shall specify, including but not limited to statutory, regulatory, or other collateral consequences that the court may see fit to relieve that will assist the adjudicated juvenile in successfully reintegrating into the community.

(4) (a) Notwithstanding any other provision of law, an order of collateral relief cannot relieve any collateral consequences imposed by law for licensure by the department of education or any collateral consequences imposed by law for employment with the judicial branch, the department of corrections, the division of youth services in the department of human services, or any other law enforcement agency in the state of Colorado.

(b) A court shall not issue an order of collateral relief if the adjudicated juvenile:

(I) Has been adjudicated for a felony that included an element that requires a victim to suffer a serious bodily injury and the victim suffered a permanent impairment of the function of any part or organ of the body;

(II) Has been adjudicated for a crime of violence as described in section 18-1.3-406; or

(III) Is required to register as a sex offender pursuant to section 16-22-103.

(5) **Hearing.** (a) The court may conduct a hearing on any matter relevant to the granting or denying of an application or include a hearing on the matter at the adjudicated juvenile's sentencing hearing and may take testimony under oath.

(b) The court may hear testimony from victims or any proponent or opponent of the application and may hear arguments from the applicant and the district attorney.

(6) **Standard for granting relief.** (a) A court may issue an order of collateral relief if the court finds that:

(I) The order of collateral relief is consistent with the applicant's rehabilitation; and

(II) Granting the application would improve the applicant's likelihood of success in reintegrating into society and is in the public's interest.

(b) The court that previously issued an order of collateral relief, on its own motion or either by cause shown by the district attorney or on grounds offered by the applicant, may at any time issue a subsequent judgment to enlarge, limit, or circumscribe the relief previously granted.

(c) Upon the motion of the district attorney or probation officer or upon the court's own motion, a court may revoke an order of collateral relief upon evidence of a subsequent criminal conviction or adjudication or proof that the adjudicated juvenile is no longer entitled to relief. Any bars, prohibitions, sanctions, and disqualifications thereby relieved may be reinstated as of the date of the written order of revocation. The court shall provide a copy of the order of revocation to the holder and to any regulatory or licensing entity that the adjudicated juvenile noticed in his or her motion for relief.

(7) If the court issues an order of collateral relief, it shall send a copy of the order of collateral relief through the Colorado integrated criminal justice information system to the Colorado bureau of investigation, and the Colorado bureau of investigation shall note in the applicant's record in the Colorado crime information center that the order of collateral relief was issued.

(8) **Definitions.** As used in this section, unless the context otherwise requires:

(a) "Adjudication" or "adjudicated" means a verdict of guilty by a judge or jury or a plea of guilty or nolo contendere that is accepted by the court or an adjudication for a crime under the laws of any other state, the United States, or any territory subject to the jurisdiction of the United States, which, if committed within this state, would be a crime. "Adjudication" or "adjudicated" also includes having received a deferred adjudication.

(b) "Collateral consequence" means a collateral sanction or a disqualification.

(c) "Collateral sanction" means a penalty, prohibition, bar, or disadvantage, however denominated, imposed on an individual as a result of the individual's adjudication for an offense, which penalty, prohibition, bar, or disadvantage applies by operation of law regardless of whether the penalty, prohibition, bar, or disadvantage is included in the judgment or sentence. "Collateral sanction" does not include imprisonment, probation, parole, supervised release, forfeiture, restitution, fine, assessment, costs of prosecution, or a restraint or sanction on an individual's driving privilege.

(d) "Disqualification" means a penalty, prohibition, bar, or disadvantage, however denominated, that an administrative agency, governmental official, or court in a civil proceeding is authorized, but not required, to impose on an individual on grounds relating to the individual's adjudication for an offense.

In addition to any other conditions, the board may require, as a condition of parole, any adjudicated juvenile to attend school or an educational program or to work toward the attainment of a high school diploma or the successful completion of a high school equivalency examination, as that term is defined in section 22-33-102 (8.5), C.R.S.; except that the board shall not require any such juvenile to attend a school from which he or she has been expelled without the prior approval of that school's local board of education. The board may modify any of its decisions, or those of the hearing panel, except an order of discharge.

(b) (Deleted by amendment, L. 2008, p. 1098, § 3, effective July 1, 2008.)

(2) (a) The board or a hearing panel shall have subpoena power and the power to administer oaths to secure attendance and testimony at hearings before the board. All relevant records pertaining to the juvenile shall be made available to the board.

(b) (I) The board or hearing panel shall take into consideration the results of the validated risk and needs assessment administered by the department of human services.

(II) In making release and discharge decisions, the board or hearing panel shall use the length of stay matrix and release criteria developed pursuant to section 19-2-921 (3.3).

(3) (a) Hearing panels consisting of two members of the board shall interview and review the record of each juvenile who comes before the board for the granting of parole. Whenever possible, one of the hearing panel members shall be a representative of an executive department, and the other shall be a member from the public at large. A hearing panel may grant, deny, defer, suspend, revoke, or specify or modify the conditions of any parole of a juvenile that are in the best interests of the juvenile and the public; except that:

(I) If the members of a hearing panel disagree, a review of that case shall be referred to the board for review and a decision made by a majority vote of the board members present. At least a quorum, as defined in section 19-2-206 (4), of the board must be present to a make a decision under this subparagraph (I).

(II) The hearing panel shall not have authority to grant parole to juveniles committed as violent juvenile offenders as described in section 19-2-516 (3) or aggravated juvenile offenders as described in section 19-2-516 (4). In such cases, the board shall conduct a hearing and make a decision by a majority vote of the board members present at the hearing. However, if expiration of the juvenile's commitment is imminent, as defined by the juvenile parole board, the hearing

panel shall hold a hearing and make a recommendation to the board. The board shall review the case and a make a decision by a majority vote of the board members present.

(III) If a written request is made by the juvenile, his or her parents, his or her guardian, or the executive director of the department of human services or his or her designee, the board may review the case of any juvenile who has been interviewed by a hearing panel. If such a review is made, the board shall have the authority to affirm or reverse the decision of the hearing panel or to impose such additional conditions for parole as the board deems appropriate.

(IV) (Deleted by amendment, L. 2008, p. 1098, § 3, effective July 1, 2008.)

(a.5) If a juvenile, while under a juvenile commitment, is in jail pending adult charges, the board may conduct a parole hearing without the presence of the juvenile.

(a.7) When the board conducts a hearing pursuant to paragraph (a) or (a.5) of this subsection (3), a quorum, as defined in section 19-2-206 (4), shall be present.

(b) (I) In addition to any other conditions, the hearing panel may require, as a condition of parole, any adjudicated juvenile to attend school or an educational program or to work toward the attainment of a high school diploma or the successful completion of a high school equivalency examination, as that term is defined in section 22-33-102 (8.5), C.R.S.; except that the hearing panel shall not require any such juvenile to attend a school from which he or she has been expelled without the prior approval of that school's local board of education.

(II) (Deleted by amendment, L. 2008, p. 1098, § 3, effective July 1, 2008.)

(4) The hearing panel shall be assisted in its duties by the juvenile parole board administrator appointed pursuant to section 19-2-206 (6). Said administrator shall also arrange training for the members of the juvenile parole board in all aspects of the juvenile justice system. It shall be mandatory for members of the board to attend such training.

(5) (a) If the hearing panel or the board determines that parole should be granted, the hearing panel shall establish six months as the length of the parole supervision. However, for a juvenile committed to the department of human services due to an adjudication for an offense specified in paragraph (b) of this subsection (5), the hearing panel may extend the period of parole supervision up to an additional fifteen months if the hearing panel makes findings of special circumstances that warrant an extended period of parole services for the juvenile.

(b) The provisions of paragraph (a) of this subsection (5) allowing for extension of the period of parole shall apply to juveniles committed to the department of human services due to an adjudication for one or more of the following offenses:

(I) Any offense specified in article 3 of title 18 or in part 3 of article 4 of title 18, C.R.S., that would constitute a felony if committed by an adult;

(II) Incest, as described in section 18-6-301, C.R.S.;

(III) Aggravated incest, as described in section 18-6-302, C.R.S.;

(V) Fourth degree arson, as described in section 18-4-105, C.R.S., that would constitute a felony if committed by an adult;

(VI) Assault during escape, as described in section 18-8-206, C.R.S., that would constitute a felony if committed by an adult;

(VII) Illegal possession of a handgun by a juvenile, as described in section 18-12-108.5, C.R.S., that would constitute a felony if committed by an adult;

(c) Upon completion of the period of parole supervision as established by the board, the juvenile shall be deemed to have discharged the juvenile's sentence to commitment in the same manner as if the sentence were discharged pursuant to law.

(d) (I) If the juvenile court commits a juvenile to the department of human services for concurrent sentences based on the commission of two or more offenses or consecutive sentences based on commission of two or more offenses, the juvenile shall be subject to one six-month mandatory period of parole, unless the period of parole is extended pursuant to paragraph (a) of this subsection (5).

(II) As used in this paragraph (d), "concurrent sentence" means sentences identified by the court as concurrent and any sentences, or portions thereof, that are served simultaneously and that are the basis of the juvenile's treatment services during the juvenile's commitment.

(e) (I) If a juvenile's parole is revoked pursuant to section 19-2-1004, the juvenile shall serve all or a portion of the remainder of his or her sentence to commitment, and the period of reparole or extended period of reparole imposed pursuant to paragraph (a) of this subsection (5), shall be reduced by any time served on parole prior to the revocation. The provisions of this paragraph (e) shall not limit the board's authority to grant, deny, defer, suspend, revoke, or modify a juvenile's parole within the period of parole.

(II) If a juvenile's parole is revoked or modified pursuant to section 19-2-1004, and the juvenile has completed the period of commitment imposed by the court, the period of parole, or extended period of parole imposed pursuant to paragraph (a) of this subsection (5), shall continue pursuant to section 19-2-909 (1)(c)(II). The period of parole shall continue regardless of whether the revocation or modification authorizes the department of human services to place the juvenile in a residential placement while on parole status. This provision shall not limit the board's authority to grant, deny, defer, suspend, revoke, or modify a juvenile's parole within the period of parole.

(6) If the hearing panel or the board determines that parole should be granted, the parolee shall be ordered to pay any unpaid restitution that has previously been ordered as a condition of parole.

(7) **Notice.** (a) The board, prior to consideration of the case of a juvenile for parole, shall notify the committing court, any affected juvenile community review board, the prosecuting attorney, and any victims of the juvenile's actions whose names and addresses have been provided by the district attorney of the time and place of the juvenile's hearing before the board or a hearing panel of the board. The notice shall be given in order that the persons notified will have an opportunity to present written testimony to the hearing panel or the board. The board, in its sole discretion, may allow oral testimony at any hearing and has sole discretion regarding who may attend a juvenile parole hearing.

(b) (I) (A) Prior to consideration of the case of a juvenile for parole, the board shall provide notice of the time and place of the juvenile's hearing before the board or a hearing panel

of the board to a victim who has provided to the division of youth services or the board a written statement pursuant to sections 24-4.1-302.5 and 24-4.1-303. The notice and subsequent interactions with the victim must be consistent with the provisions of article 4.1 of title 24.

(B) The board shall notify the victim of changes in the juvenile's parole pursuant to section 24-4.1-303 (14.3), C.R.S.

(II) For a juvenile who is currently serving parole that implicates the provisions of article 4.1 of title 24, the division of youth services shall notify the board of any discharge as a matter of law and any placement change that may impact public safety or victim safety as determined by the division of youth services, including any escape or recapture.

(8) **Representation of juvenile - parent.** The juvenile and his or her parents or guardian shall be informed that they may be represented by counsel in any hearing before the board or a hearing panel to grant, modify, or revoke parole.

(9) **Parole discharge.** (a) The board may discharge a juvenile from parole after the juvenile has served the mandatory parole period of six months but prior to the expiration of his or her period of parole supervision when it appears to the board that there is a reasonable probability that the juvenile will remain at liberty without violating the law.

(b) (I) Based upon a request and recommendation by the division of youth services, the board may discharge all or a portion of a juvenile's period of parole, as defined in section 19-2-909 (1)(b), without holding a hearing before the board or a hearing panel of the board, if the board finds that:

(A) The juvenile is unavailable to complete the period of parole or the extended period of parole and the juvenile is not likely to become available in a time or manner in which he or she will benefit from parole services and neither community safety nor restorative justice interests will be served through the imposition or continuation of the juvenile's parole; or

(B) The community interest in safety or restorative justice will not be served through the imposition or continuation of juvenile parole because the juvenile is under the adult probation supervision of the district court.

(II) As used in this subsection (9), a juvenile is unavailable to complete the period of parole if:

(A) The juvenile, pursuant to an adult sentence, has been placed in a department of corrections facility, adult community corrections, the youthful offender system, or a local jail as defined in section 17-1-102, C.R.S.; or

(B) The juvenile has been or will be transferred out of the state of Colorado and the division of youth services determines that the discharge is not in conflict with the interstate compact on juveniles, part 7 of article 60 of title 24; or

(C) The juvenile is in a medical, mental, or treatment facility or similar institution; or

(D) The board finds any other circumstance that constitutes unavailability as established in rule.

(c) The board may discharge a juvenile from parole before completion of the mandatory six-month parole period when the board finds that the juvenile meets, at a minimum, all of the following conditions of special achievement:

(I) Graduation from a public high school or successful completion of a high school equivalency examination, as that term is defined in section 22-33-102 (8.5);

(II) Payment of one hundred percent of any restitution the juvenile has been ordered to pay;

(III) Certification by the juvenile's parole officer that the juvenile is ready for discharge from parole, which shall take into consideration the results of an objective risk assessment conducted by the department of human services and shall be based upon researched factors that have been demonstrated to be correlative to risk to the community; and

(IV) Presentation to the board of a plan of action prepared by the juvenile that includes the steps the juvenile will accomplish to ensure his or her transition to law-abiding citizenship. If the juvenile's plan of action includes an intent to enlist in military service, the plan shall specify the interim steps that the juvenile will take prior to entering military service.

(d) A discharge from parole pursuant to this subsection (9) shall have the same legal effect as if parole had been discharged upon completion of juvenile parole or when the sentence to commitment was discharged as a matter of law.

(10) Notwithstanding any provisions of law to the contrary, the department of human services shall not retain custody of or jurisdiction over an individual who reaches twenty-one years of age. The sentence to commitment and the period of parole are discharged as a matter of law when a juvenile reaches twenty-one years of age.

19-2-1004. Parole violation and revocation. (1) The director of the division of youth services or any juvenile parole officer may arrest any parolee when:

(a) He or she has a warrant commanding that such parolee be arrested; or

(b) He or she has probable cause to believe that a warrant for the parolee's arrest has been issued in this state or another state for any criminal offense or for violation of a condition of parole; or

(c) Any offense under the laws of this state has been or is being committed by the parolee in his or her presence; or

(d) He or she has probable cause to believe that a violation of law has been committed and that the parolee has committed such a violation; or

(e) He or she has probable cause to believe that a condition of the juvenile's parole has been violated by the parolee and probable cause to believe that the parolee is leaving or about to leave the state, or that the parolee will fail or refuse to appear before the hearing panel to answer charges of violations of one or more conditions of parole, or that the arrest of the parolee is necessary to prevent physical harm to the parolee or another person or to prevent the violation of a law.

(2) When an alleged parole violator is taken into custody, the director of the division of youth services or the juvenile parole officer shall notify the parents, guardian, or legal custodian of the juvenile without unnecessary delay.

(3) When a juvenile parole officer has reasonable grounds to believe that a condition of parole has been violated by any parolee, he or she may issue a summons requiring the parolee to appear before the hearing panel at a specified time and place to answer charges of violation of one or more conditions of parole. Such summons, unless accompanied by a copy of a complaint

filed before the hearing panel seeking revocation or suspension of parole or modification of parole conditions, shall contain a brief statement of the alleged parole violation and the date and place thereof. Failure of the parolee to appear before the hearing panel as required by such summons shall be deemed a violation of a condition of parole.

(4) If, rather than issuing a summons, a parole officer makes an arrest of a parolee with or without a warrant or takes custody of a parolee who has been arrested by another, the parole officer shall place the parolee in the nearest local juvenile detention facility or shelter care facility approved by the department of human services, if under eighteen years of age, or in the nearest county jail, if eighteen years of age or older. Within forty-eight hours, not including Saturdays, Sundays, and legal holidays, the parole officer shall take one of the following actions:

(a) Notify the juvenile parole board that the parolee has been arrested or taken into custody and request that a juvenile parole preliminary hearing be conducted by an administrative law judge; or

(b) Repealed.

(c) Obtain from the parolee a written agreement that the parolee waives his or her right to a juvenile parole preliminary hearing, which waiver shall also be signed by a parent or guardian of the parolee if the parolee is a juvenile; or

(d) Release the parolee if he or she is not subject to other actions that require his or her further detention.

(5) An administrative law judge shall, upon the request of the juvenile parole board, conduct a preliminary hearing in a case in which a parole violation has been alleged, to determine whether there is probable cause to believe that a condition of parole has been violated by the parolee, as provided in subsection (4) of this section.

(6) Whenever an administrative law judge schedules a preliminary hearing pursuant to subsection (5) of this section, the juvenile parole officer shall notify the parolee and his or her parent, guardian, or legal custodian of the following information:

(a) The date, the time, and the place of the preliminary hearing and the name of the administrative law judge;

(b) That the purpose of the hearing will be to determine whether there is probable cause to believe that the parolee has violated his or her parole;

(c) That at the preliminary hearing the parolee will be permitted to present evidence, either oral or documentary, in person or by other witnesses, in defense of any alleged parole violation;

(d) A statement of any alleged parole violation;

(e) A brief summary of the evidence tending to establish any alleged parole violation;

(f) That the parolee has the right to counsel at the preliminary hearing.

(7) At any preliminary hearing held pursuant to subsection (5) of this section, the administrative law judge shall hear such testimony as shall be offered and shall determine whether there is probable cause to believe that the parolee has violated his or her parole. If probable cause has not been shown, the administrative law judge shall order the release of the parolee and shall make a written report of his or her findings to the juvenile parole board within ten days of the hearing. If the administrative law judge finds that probable cause exists to believe that the parolee has violated his or her parole, he or she shall order that the parolee be held to answer the charge before a hearing panel and shall order that the juvenile parole officer return the parolee without unnecessary delay to any of the juvenile corrections facilities of the

department of human services pending a hearing before a hearing panel on the complaint for revocation, suspension, or modification of the juvenile's parole.

(8) Within ten working days after the finding of probable cause by the preliminary administrative law judge, the juvenile parole officer shall complete his or her investigation and either:

(a) File a complaint before the hearing panel in which the facts are alleged upon which a revocation of parole is sought; or

(b) Recommend to the director of the division of youth services, or his or her designee, that the parolee, if detained, be released and the violation proceedings be dismissed. The director, or his or her designee, shall determine whether to cause the violation proceedings to be dismissed, and, if he or she elects to cause dismissal, the parolee must be released or notified that he or she is relieved of obligation to appear before the hearing panel. In such event, the director, or his or her designee, shall give written notification to the board of his or her action.

(9) A complaint filed by a juvenile parole officer in which revocation of parole is sought shall contain the name of the parolee, shall identify the violation charged and the condition or conditions of parole alleged to have been violated, including the date and approximate location thereof, and shall be signed by the juvenile parole officer. A copy thereof shall be given to the parolee and his or her parents, guardian, or legal custodian at least five days before a hearing on the complaint is held before the hearing panel.

(10) The board may order the detention of any parolee for failure to appear as required by the summons issued under subsection (3) of this section.

(11) At least five days before the appearance of a parolee before the hearing panel, the parolee and his or her parents, guardian, or legal custodian shall be advised in writing by the parole officer of the nature of the charges that are alleged to justify revocation or suspension of his or her parole and the substance of the evidence sustaining the charges; he or she shall be given a copy of the complaint unless he or she has already received one; he or she shall be informed of the consequences that may follow in the event his or her parole is revoked; and he or she shall be advised that, if the parolee denies the charges, a hearing will be held before the hearing panel, that, at the hearing, he or she may testify and present witnesses and documentary evidence in defense of the charges or in mitigation or explanation thereof, and that he or she has the right to counsel at the hearing.

(12) At the hearing before the hearing panel, if the parolee denies the violation, the division of youth services has the burden of establishing by a preponderance of the evidence the violation of a condition or conditions of parole. The hearing panel shall, when it appears that the alleged violation of conditions of parole consists of an offense with which the parolee is charged in a criminal case then pending, continue the parole violation hearing until the termination of the criminal proceeding. Any evidence having probative value is admissible regardless of its admissibility under exclusionary rules of evidence if the parolee is accorded a fair opportunity to rebut hearsay evidence. The parolee has the right to confront and to cross-examine adverse witnesses unless the administrative law judge specifically finds good cause for not allowing confrontation.

(13) If the hearing panel determines that a violation of a condition or conditions of parole has been committed, it shall hear further evidence related to the disposition of the parolee. At the conclusion of the hearing, the hearing panel shall advise the parties before it of its findings and recommendations and of their right to request a review before the board. Such

review may be held if a written request is filed within ten days after the conclusion of the hearing before the hearing panel. If a review before the board is not requested or the right to review is waived, the findings and recommendations of the hearing panel, if unanimous, shall become the decision of the juvenile parole board unless the board on its own motion orders a review.

(14) The case of a juvenile alleged or found to have violated the conditions of his or her parole outside the state of Colorado shall be handled according to the provisions of the interstate compact on juveniles, part 7 of article 60 of title 24, C.R.S.

(2) The procedure for determining the eligibility for and imposition of the deferred judgment shall be as follows:

(a) The teen, in the presence of at least one of his or her parents or legal guardian, must enter a plea of guilty to the minor offense charged.

(b) The teen must request to participate in the teen court program, agree to the deferral of further proceedings in the supervising court for a period of six months or until the teen has successfully completed the teen court program, and provide the court with addresses for mailing notices to both the teen and his or her parent or legal guardian.

(e) In addition to ordering the teen to participate in the teen court program, the supervising court may enter an order that the teen pay any restitution otherwise authorized by law.

(3) If the supervising court receives a report from the teen court judge that the teen has not successfully completed the teen court program, or if within six months after the entry of the order for deferred judgment the supervising court has not received a report that the teen has successfully completed the teen court program, the court shall schedule a sentencing hearing, send notice to the teen and his or her parent or legal guardian at the addresses given at the time of the order for deferred judgment or any changed address, and at the sentencing hearing impose any other sentence authorized for the offense charged.

(4) If the supervising court receives a report from the teen court judge that the teen has successfully completed the teen court program, the court shall dismiss all charges against the teen. The dismissal shall not constitute a conviction for any purpose.

The teen court judge shall preside over the sentencing hearing. The teen defendant may represent himself or herself or be represented by a teen defense attorney. The following procedures shall be followed at the teen court sentencing hearing:

(d) The teen prosecutor and either the teen defendant or teen defense attorney may make an opening statement.

(e) The teen defendant shall be subject to cross examination by the teen prosecutor concerning the circumstances or facts surrounding the offense or the character of the teen defendant and may either make a statement or be subject to direct examination by the teen defense attorney.

(f) Each side may offer witnesses and documents concerning the circumstances or facts surrounding the offense or the character of the teen defendant.

(g) The teen prosecutor and either the teen defendant or teen defense attorney may make a closing statement.

(a) The working group established pursuant to this subsection (1) shall annually allocate the number of juvenile detention beds to each catchment area in the state created pursuant to section 19-2-402.5, based on the number of juvenile beds established pursuant to section 19-2-1201. Once the allocation of juvenile detention beds is made to the catchment areas, the working group shall allocate detention beds within the catchment areas to the judicial districts within each

catchment area. Judicial districts shall not exceed the number of beds allocated to them except for circumstances provided for in paragraph (b) of this subsection (1).

(b) The working group shall develop a mechanism for judicial districts within the same catchment area to loan detention beds to other judicial districts within the catchment area in cases of need.

(c) The working group shall develop emergency release guidelines that shall be used by each judicial district to prevent placement of a juvenile in a juvenile detention facility in excess of the number of beds allocated to the judicial district.

(d) The working group shall develop juvenile detention placement guidelines for each judicial district to use in complying with the number of juvenile detention beds allocated to the judicial district.

The judicial district shall consider the emergency release guidelines and placement guidelines developed pursuant to section 19-2-1202 in its annual plan to manage the limit. PART 13

COMPETENCY TO PROCEED

19-2-1300.2. Legislative declaration. (1) The general assembly finds and declares that:

(a) The juvenile justice system is civil in nature and focused on rehabilitation rather than punishment;

(b) Juveniles differ in significant and substantive ways from adults, therefore, different standards for competency are necessary for juveniles and adults; and

(c) Notwithstanding the differences between adults and juveniles, age alone is not determinative of incompetence without a finding that the juvenile actually lacks the relevant capacities for competence.

Source: L. 2018: Entire section added, (HB 18-1050), ch. 56, p. 595, § 2, effective July 1.

19-2-1301. Incompetent to proceed - effect - how and when raised. (1) The provisions of this part 13 shall only apply to proceedings under this title.

(2) A juvenile shall not be tried or sentenced if the juvenile is incompetent to proceed, as defined in section 19-2-103 (9.5), at that stage of the proceedings against him or her. Juveniles, like adults, are presumed competent to proceed, as defined in section 19-2-103 (3.3), until such time as they are found incompetent to proceed through a decision by the court. A determination of competency must include an evaluation of developmental disabilities, mental disabilities, and mental capacity. Age alone is not determinative of incompetence without a finding that the juvenile actually lacks the relevant capacities for competence.

(3) When a party specified in this subsection (3) has reason to believe that a juvenile is incompetent to proceed in a delinquency action, the party shall raise the question of the juvenile's competency in the following manner:

(a) On its own motion, the court shall suspend the proceeding and determine the competency or incompetency of the juvenile as provided in section 19-2-1302;

(b) By motion of the prosecution, probation officer, guardian ad litem, or defense, made in advance of the commencement of the particular proceeding. The motion may be filed after the commencement of the proceeding if, for good cause shown, the mental condition of the juvenile was not known or apparent before the commencement of the proceeding.

(c) By the juvenile's parent or legal guardian.

(4) If the issue of competency is raised at the time charges are filed or at any time thereafter and the juvenile is not represented by counsel, the court may immediately appoint counsel and may also appoint a guardian ad litem to assure the best interests of the juvenile are addressed in accordance with existing law.

Cross references: For the legislative declaration contained in the 2008 act amending subsection (2), see section 1 of chapter 389, Session Laws of Colorado 2008.

19-2-1302. Determination of incompetency to proceed. (1) Whenever the question of a juvenile's competency to proceed is raised, the court shall make a preliminary finding that the

juvenile is or is not competent to proceed. If the court feels that the information available to it is inadequate for making such a finding, it shall order a competency examination.

(2) The court shall immediately notify the prosecuting attorney and defense counsel of the preliminary finding regarding competency. The prosecuting attorney or the defense counsel may request a hearing on the preliminary finding by filing a written request with the court within ten days after the date on which the court issues the preliminary finding, unless the court extends the time period for good cause. The preliminary finding becomes a final determination if neither the prosecuting attorney nor defense counsel requests a hearing. Upon the timely written request of either the prosecuting attorney or defense counsel, the court shall hold a competency hearing. If the court did not order a competency examination or other evaluation prior to its preliminary determination and the court determines adequate mental health information is not available, the court shall refer the juvenile for a competency examination prior to the hearing. At the conclusion of the competency hearing, the court shall make a final determination regarding the juvenile's competency to proceed. At a competency hearing held pursuant to this subsection (2), the burden of submitting evidence and the burden of proof by a preponderance of the evidence are upon the party asserting the incompetency of the juvenile.

(3) If the question of a juvenile's incompetency to proceed is raised after a jury is impaneled to try the issues raised by a plea of not guilty or after the court as the finder of fact begins to hear evidence and the court determines that the juvenile is incompetent to proceed or orders the juvenile referred for a competency examination, the court may declare a mistrial. If the court declares a mistrial under these circumstances, the juvenile must not be deemed to have been placed in jeopardy with regard to the charges at issue. The juvenile may be tried on, and sentenced if adjudicated for, the same charges after he or she has achieved or been restored to competency.

(4) (a) If the court orders a competency evaluation, the court shall order that the competency evaluation be conducted in the least-restrictive environment, including home or community placement if appropriate, taking into account the public safety and the best interests of the juvenile.

(b) A competency evaluation shall be conducted by a licensed psychiatrist or licensed psychologist who is experienced in the clinical evaluation of juveniles and trained in forensic competency assessments, or a psychiatrist or psychologist who is in forensic training and under the supervision of a licensed forensic psychiatrist or licensed psychologist with expertise in forensic psychology.

(c) The competency evaluation must, at a minimum, include an opinion regarding whether the juvenile is incompetent to proceed as defined in section 19-2-103 (9.5). If the evaluation concludes the juvenile is incompetent to proceed, the evaluation must include a recommendation as to whether there is a likelihood that the juvenile may achieve or be restored to competency and identify appropriate services to restore the juvenile to competency.

(d) The evaluator conducting the competency evaluation shall file the evaluation with the court within:

(I) Thirty days after issuance of the order for the competency evaluation, unless good cause is shown for a delay, if the juvenile is held in a secure detention facility;

(II) Forty-five days after issuance of the order for the competency evaluation, unless good cause is shown for a delay, if the juvenile is not held in a secure detention facility.

19-2-1303. Procedure after determination of competency or incompetency. (1) If the court finally determines pursuant to section 19-2-1302 that the juvenile is competent to proceed, the court shall order that the suspended proceeding continue or, if a mistrial has been declared, shall reset the case for trial at the earliest possible date.

(2) If the court finally determines pursuant to section 19-2-1302 that the juvenile is incompetent to proceed, but may be restored to competency, the court shall stay the proceedings and order that the juvenile receive services designed to restore the juvenile to competency, based upon recommendations in the competency evaluation unless the court makes specific findings that the recommended services in the competency evaluation are not justified. The court shall order that the restoration services ordered are provided in the least restrictive environment, taking into account the public safety and the best interests of the juvenile, and that the provision of the services and the juvenile's participation in those services occurs in a timely manner. The court shall review the provision of and the juvenile's participation in the services and the juvenile's progress toward competency at least every ninety days until competency is restored, unless the juvenile is in custody, in which event the court shall review the case every thirty days to ensure the prompt provision of services in the least restrictive environment. The court shall not maintain jurisdiction longer than the maximum possible sentence for the original offense, unless the court makes specific findings of good cause to retain jurisdiction. However, the juvenile court's jurisdiction shall not extend beyond the juvenile's twenty-first birthday. Pursuant to section 27-60-105, the office of behavioral health is the entity responsible for the oversight of restoration education and coordination of services necessary to competency restoration.

(3) (a) If the court finally determines that the juvenile is incompetent to proceed and cannot be restored to competency, the court shall determine whether a management plan for the juvenile is necessary, taking into account the public safety and the best interests of the juvenile. If the court determines a management plan is necessary, the court shall develop the management plan after ordering that the juvenile be placed in the least-restrictive environment, taking into account the public safety and best interests of the juvenile. If the court determines a management plan is unnecessary, the court may continue any treatment or plan already in place for the juvenile. The management plan shall, at a minimum, address treatment for the juvenile, identify the party or parties responsible for the juvenile, and specify appropriate behavior management tools, if they are not otherwise part of the juvenile's treatment.

(b) The management plan may include:

(I) Placement options included in article 10 or 10.5 of title 27, C.R.S.;

(II) A treatment plan developed by a licensed mental health professional;

(III) An informed supervision model;

(IV) Institution of a guardianship petition; or

(V) Any other remedy deemed appropriate by the court.

(c) If the charges are not dismissed earlier by the district attorney, the charges against a juvenile found to be incompetent and unrestorable shall be dismissed no later than the maximum possible sentence for the original offense after the date of the court's finding of incompetent and unrestorable, unless the court makes specific findings of good cause to retain jurisdiction. However, in no case shall the juvenile court's jurisdiction extend beyond the juvenile's twenty-first birthday.

(4) A determination under subsection (2) of this section that a juvenile is incompetent to proceed shall not preclude the court from considering the release of the juvenile on bail upon compliance with the standards and procedures for such release prescribed by statute. At any hearing to determine eligibility for release on bail, the court may consider any effect the juvenile's incompetency may have on the juvenile's ability to insure his or her presence for trial.

19-2-1304. Restoration to competency hearing. (1) The court may order a restoration to competency hearing, as defined in section 19-2-103 (14.3), at any time on its own motion, on motion of the prosecuting attorney, or on motion of the juvenile. The court shall order a restoration of competency hearing if a competency evaluator with the qualifications described in section 19-2-1302 (4)(b) files a report certifying that the juvenile is competent to proceed.

(2) At the hearing, if the question is contested, the burden of submitting evidence and the burden of proof by a preponderance of the evidence shall be upon the party asserting that the juvenile is competent.

(3) At the restoration to competency hearing, the court shall determine whether the juvenile has achieved or is restored to competency.

19-2-1305. Procedure after restoration to competency hearing. (1) If a juvenile is found to have achieved or been restored to competency after a restoration to competency hearing, as provided in section 19-2-1304, or by the court during a review, as provided in section 19-2-1303 (2), the court shall resume or recommence the trial or sentencing proceeding or order the sentence carried out. The court may credit any time the juvenile spent in confinement or detention while incompetent to proceed against any term of commitment imposed after achievement of or restoration to competency.

(2) If the court determines that the juvenile remains incompetent to proceed and the delinquency petition is not dismissed, the court may continue or modify any orders entered at the time of the original determination of incompetency or enter any new order necessary to facilitate the juvenile's achievement of or restoration to competency.

(3) Evidence obtained during a competency evaluation or during treatment related to the juvenile's competency or incompetency and the determination as to the juvenile's competency or incompetency are not admissible on the issues raised by a plea of not guilty.

PART 1

DEFINITIONS

19-3-100.5. Legislative declarations - reasonable efforts - movement of children and sibling groups. (1) The general assembly hereby finds and declares that the stability and preservation of the families of this state and the safety and protection of children are matters of statewide concern. The general assembly finds that the federal "Adoption Assistance and Child Welfare Act of 1980", federal Public Law 96-272, requires that each state make a commitment to make "reasonable efforts" to prevent the placement of abused and neglected children out of the home and to reunify the family whenever appropriate.

(2) The general assembly further finds that the federal "Adoption and Safe Families Act of 1997", federal Public Law 105-89, clarifies what constitutes "reasonable efforts" by decreeing that when deciding whether to make such efforts and in the process of making such efforts, the health and safety of the child is the paramount concern. This federal law further encourages expediting permanency planning for children in out-of-home placement by removing barriers to permanency and streamlining entitlement services. The law specifies that one of the goals of all placement decisions, whether leaving the child in the home or placing the child outside the home, is safety for the child.

(3) The general assembly further finds that the implementation of the federal "Adoption Assistance and Child Welfare Act of 1980", federal Public Law 96-272, is not the exclusive responsibility of the state department of social services or of local departments of social services. Elected officials at the state and local levels must ensure that resources and services are available

through state and local social services agencies and through the involvement of the resources of public and private sources. Judges, attorneys, and guardians ad litem must be encouraged to take independent responsibility to ensure that "reasonable efforts" to prevent out-of-home placements have been made only when appropriate, that permanency occurs for children in foster care, and that safe child placements occur in each case.

(4) (a) The general assembly also hereby finds that:

(I) The American Academy of Pediatrics has found that emotional and cognitive disruptions in the early lives of children have the potential to impair brain development. Paramount in the lives of children in foster care is their need for continuity with their primary attachment figures and a sense of permanence that is enhanced when the child's placement is stable.

(II) The American Academy of Pediatrics has found that attachment to a primary caregiver is essential to the development of emotional security and social conscience; and

(III) According to the American Academy of Pediatrics, optimal child development occurs when a spectrum of needs is consistently met over an extended period. Separation of a child from his or her primary caregiver occurring between six months and three years of age is more likely to result in subsequent emotional disturbances for the child than if the separation occurs when the child is older. Repeated moves from home to home compound the adverse consequences of separation. Further, the younger the child and the more extended the period of uncertainty or separation, the more detrimental the separation will be to the child's well-being. Any intervention that separates a child from the child's primary caregiver or person who provides psychological support to the child should be cautiously considered and treated as a matter of urgency and profound importance.

(b) The general assembly further finds that older children in foster care are at a high risk of having long-term mental health issues, dropping out of school, developing alcohol and drug dependence, experiencing promiscuity, and interacting with the criminal justice system. Multiple moves for older children lead to disruption in schooling and meaningful relationships and attachments, including relationships with peers and family of origin. As a result these children have few, if any, long-term connections when they leave foster care, resulting in little support for their growth into independent adults.

(c) The general assembly therefore declares that multiple moves for children in the dependency and neglect system should be discouraged in favor of permanent planning upon which these children can rely for their healthy mental, physical, and emotional development.

(5) Therefore, in order to carry out the requirements addressed in this section, to ensure stability in placements, to preserve families, and to decrease the need for out-of-home placement, the general assembly shall define "reasonable efforts" and identify the services and processes that must be in place to ensure that "reasonable efforts" have been made. The general assembly provides that "reasonable efforts" are deemed to be met when a county or city and county provides services in accordance with section 19-3-208 and when full consideration has been given to the provisions of section 24-34-805 (2).

19-3-102. Neglected or dependent child. (1) A child is neglected or dependent if:

(a) A parent, guardian, or legal custodian has abandoned the child or has subjected him or her to mistreatment or abuse or a parent, guardian, or legal custodian has suffered or allowed another to mistreat or abuse the child without taking lawful means to stop such mistreatment or abuse and prevent it from recurring;

(b) The child lacks proper parental care through the actions or omissions of the parent, guardian, or legal custodian;

(c) The child's environment is injurious to his or her welfare;

(d) A parent, guardian, or legal custodian fails or refuses to provide the child with proper or necessary subsistence, education, medical care, or any other care necessary for his or her health, guidance, or well-being;

(e) The child is homeless, without proper care, or not domiciled with his or her parent, guardian, or legal custodian through no fault of such parent, guardian, or legal custodian;

(f) The child has run away from home or is otherwise beyond the control of his or her parent, guardian, or legal custodian;

(g) The child tests positive at birth for either a schedule I controlled substance, as defined in section 18-18-203, C.R.S., or a schedule II controlled substance, as defined in section 18-18-204, C.R.S., unless the child tests positive for a schedule II controlled substance as a result of the mother's lawful intake of such substance as prescribed.

(2) A child is neglected or dependent if:

(a) A parent, guardian, or legal custodian has subjected another child or children to an identifiable pattern of habitual abuse; and

(b) Such parent, guardian, or legal custodian has been the respondent in another proceeding under this article in which a court has adjudicated another child to be neglected or dependent based upon allegations of sexual or physical abuse, or a court of competent jurisdiction has determined that such parent's, guardian's, or legal custodian's abuse or neglect has caused the death of another child; and

(c) The pattern of habitual abuse described in paragraph (a) of this subsection (2) and the type of abuse described in the allegations specified in paragraph (b) of this subsection (2) pose a current threat to the child.

19-3-103. Child not neglected - when. (1) No child who in lieu of medical treatment is under treatment solely by spiritual means through prayer in accordance with a recognized method of religious healing shall, for that reason alone, be considered to have been neglected or dependent within the purview of this article. However, the religious rights of a parent, guardian, or legal custodian shall not limit the access of a child to medical care in a life-threatening situation or when the condition will result in serious disability. In order to make a determination as to whether the child is in a life-threatening situation or that the child's condition will result in serious disability, the court may, as provided under section 19-1-104 (3), order a medical evaluation of the child. If the court determines, on the basis of any relevant evidence before the court, including the medical evaluation ordered pursuant to this section, that the child is in a life-threatening situation or that the child's condition will result in serious disability, the court may, as provided under section 19-1-104 (3), order that medical treatment be provided for the child. A child whose parent, guardian, or legal custodian inhibits or interferes with the provision of medical treatment in accordance with a court order shall be considered to have been neglected or dependent for the purposes of this article and injured or endangered for the purposes of section 18-6-401, C.R.S.

(2) A method of religious healing shall be presumed to be a recognized method of religious healing if:

(a) (I) Fees and expenses incurred in connection with such treatment are permitted to be deducted from taxable income as medical expenses pursuant to regulations or rules promulgated by the United States internal revenue service; and

(II) Fees and expenses incurred in connection with such treatment are generally recognized as reimbursable health care expenses under medical policies of insurance issued by insurers licensed by this state; or

(b) Such treatment provides a rate of success in maintaining health and treating disease or injury that is equivalent to that of medical treatment.

19-3-104. Hearings - procedure. Any hearing conducted pursuant to this article 3 in a county designated pursuant to section 19-1-123 regarding a child who is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2) must not be delayed or continued unless good cause is shown and unless the court finds that the best interests of the

child will be served by granting a delay or continuance. Whenever any such delay or continuance is granted, the court shall set forth the specific reasons necessitating the delay or continuance and shall schedule the matter within thirty days after the date of granting the delay or continuance. If appropriate, in any hearing conducted pursuant to this article 3 in a county designated pursuant to section 19-1-123 regarding a child who is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), the court shall include all other children residing in the same household whose placement is subject to determination pursuant to this article 3.

PART 2

GENERAL PROVISIONS

19-3-201. Venue. (1) (a) Except as provided in paragraph (b) of this subsection (1), all proceedings brought under this article shall be commenced in the county in which the child resides or is present.

(b) A county department, guardian ad litem, or other person filing a petition for reinstatement of the parent-child legal relationship as set forth in section 19-3-612 must file the petition for the reinstatement of the parent-child legal relationship in the county or city and county that has legal custody of the child.

(1.5) For purposes of determining proper venue, a child who is placed in the legal custody of a county department shall be deemed for the entire period of placement to reside in the county in which the child's legal parent or guardian resides or is located, even if the child is physically residing in a foster care or residential facility located in another county. In such circumstance, if a child is placed out of the home, the court shall not transfer venue pursuant to subsection (2) of this section during the period of out-of-home placement to any county other than the county in which the child's legal parent or guardian resides or is located.

(2) When proceedings are commenced pursuant to this article 3 in a county other than that of the child's residence, the court in which proceedings were initiated may, on its own motion or on the motion of any interested party, transfer the case to the court in the county where the child's legal parent or guardian resides or is located unless any of the following circumstances exist:

(a) The transfer would be detrimental to the best interests of the child;

(b) Adjudication has not taken place and the case has not been continued pursuant to section 19-3-505 (5);

(c) The legal parent or guardian has a history of frequent moves unless there is evidence of stability in the most recent move indicating an intent to remain in the new residence for six or more months, such as the legal parent or guardian has signed a lease whose term is six or more months;

(d) The case is likely to be closed within three to six months;

(e) The transfer will disrupt continuity or provisions of services; or

(f) The case is an expedited permanency planning case, unless the requirements of subsection (3) of this section have been met. Pursuant to subsection (3) of this section, the

presumption that a transfer of the proceedings is not in the child's best interest has been rebutted by a preponderance of the evidence.

(2.5) The county attorney of a county that files a motion to change venue pursuant to this section shall immediately provide notice of the motion to the proposed receiving county. Upon receipt of a motion to change venue, the court shall set a hearing to rule on the motion. The requesting county attorney shall provide fourteen days written notice of the hearing to the office of the county attorney in the proposed receiving county, who shall have a right to file responsive pleadings and appear at the hearing.

(3) In a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), it shall be presumed that any transfer of proceedings pursuant to subsection (2) of this section without good cause shown that results in a delay in the judicial proceedings would be detrimental to the child's best interests. Such presumption may be rebutted by a preponderance of the evidence.

(4) (a) An order granting a change of venue and transferring jurisdiction to the court in the county in which the child resides shall be effective fifteen days after the transferring court signs the order. Within thirty days after signing the order, the transferring court shall forward the court file, including originals or certified copies of all documents and reports, to the receiving court.

(b) The order granting a change of venue and transferring jurisdiction shall include:

(I) Notice to the receiving court of whether a respondent parent's counsel and the guardian ad litem appointed for the child will remain on the case. If a respondent parent's counsel or the guardian ad litem for the child will not remain on the case, the order shall inform the receiving court that the receiving court shall make a new appointment of counsel or guardian ad litem.

(II) Notice that the transferring court shall vacate any existing hearing date after the effective date of the order.

(5) When venue is transferred, as set forth in subsection (2) of this section, the receiving court shall proceed with the case as if the petition had been originally filed or adjudication had been originally made in that court. The receiving court shall hold an initial hearing in the case within thirty days after the effective date of the order granting a change of venue and transferring jurisdiction to the receiving court.

(6) A motion for change of venue shall be made in writing and shall include a certification by the moving party that the moving party has complied with all statutory requirements. The motion for change of venue shall be mailed to all parties and attorneys of record in the case and to the county attorney in the receiving county.

19-3-201.5. Change of venue - county department and county attorney responsibilities - rules. (1) Each county department shall designate a change of venue coordinator to facilitate the transfer of jurisdiction of a case between county departments.

(2) Within fifteen days after a court signs an order pursuant to section 19-3-201 granting a change of venue and transferring jurisdiction, the transferring county department shall:

(a) Provide written case information to the designated change of venue coordinator in the receiving county, which information shall include, but need not be limited to, permanency goals, target dates relating to the case, evaluations, a current family services plan, court reports, dates of placement moves, the progress of the child in placement, all Title IV-E eligibility determinations pursuant to the federal "Social Security Act", as amended, and recommendations for continuing progress in the case;

(b) Update all documentation in the case file, including the record in the state automated system;

(c) Provide information concerning, to the extent known, the physical location of the child's parents, guardians, legal custodians, and relatives; and

(d) (I) Schedule a family engagement meeting involving all parties, county department caseworkers and supervisors, and community providers; or

(II) Conduct a case staffing between county caseworkers and supervisors in the transferring and receiving county departments; or

(III) Submit a written case transfer summary.

(3) Within fifteen days after a court signs an order pursuant to section 19-3-201 granting a change of venue and transferring jurisdiction, the transferring county attorney's office shall forward a complete copy of the case file, excluding any confidential attorney-client communications, to the county attorney's office in the receiving county.

(4) The state department shall promulgate, in accordance with the "State Administrative Procedure Act", article 4 of title 24, C.R.S., any rules necessary for the effective transfer of case responsibilities between county departments resulting from a change of venue pursuant to section 19-3-201.

19-3-202. Right to counsel and jury trial. (1) At the first appearance of a respondent parent, guardian, or legal custodian, the court shall fully advise the respondent of his or her legal rights, including the right to a jury trial, the right to be represented by counsel at every stage of the proceedings, and the right to seek the appointment of counsel through the office of respondent parents' counsel established in section 13-92-103, C.R.S., if the respondent is unable to financially secure counsel on his or her own. The court shall fully explain to the respondent

the informational notice of rights and remedies for families prepared pursuant to section 19-3-212 and shall recommend that the respondent discuss such notice with his or her counsel. Further, the court shall advise the respondent of the minimum and maximum time frames for the dependency and neglect process, including the minimum and maximum time frames for adjudication, disposition, and termination of parental rights for a child who is under six years of age at the time the petition is filed in a county designated pursuant to section 19-1-123. Nothing in this section limits the power of the court to appoint counsel prior to the filing of a petition for good cause.

(2) The petitioner, any respondent, or the guardian ad litem may demand a trial by jury of six persons at the adjudicatory hearing under section 19-3-505 or the court, on its own motion, may order such a jury to try any case at the adjudicatory hearing under section 19-3-505.

19-3-203. Guardian ad litem. (1) Upon the filing of a petition under section 19-3-502 that alleges abuse or neglect of a minor child, the court shall appoint a guardian ad litem, who shall be an attorney-at-law licensed to practice in Colorado. Nothing in this section shall limit the power of the court to appoint a guardian ad litem prior to the filing of a petition for good cause.

(2) The guardian ad litem shall be provided with all reports relevant to a case submitted to or made by any agency or person pursuant to this article, including reports of examination of the child or persons responsible for the neglect or dependency of the child. The county department shall share with the guardian ad litem the reports of fingerprint-based criminal history record checks from the Colorado bureau of investigation and from the federal bureau of investigation if the court orders the county department to share that information with the guardian ad litem. The court and social workers assigned to the case shall keep the guardian ad litem apprised of significant developments in the case, particularly prior to further neglect or dependency court appearances.

(3) The guardian ad litem shall be charged in general with the representation of the child's interests. To that end, the guardian ad litem shall make such further investigations as the guardian ad litem deems necessary to ascertain the facts and shall talk with or observe the child involved, examine and cross-examine witnesses in both the adjudicatory and dispositional hearings, introduce and examine the guardian ad litem's own witnesses, make recommendations to the court concerning the child's welfare, appeal matters to the court of appeals or the supreme court, and participate further in the proceedings to the degree necessary to adequately represent the child. In addition, the guardian ad litem, if in the best interest of the child, shall seek to assure that reasonable efforts are being made to prevent unnecessary placement of the child out of the home and to facilitate reunification of the child with the child's family or, if reunification

is not possible, to find another safe and permanent living arrangement for the child. In determining whether said reasonable efforts are made with respect to a child, and in making such reasonable efforts, the child's health and safety shall be the paramount concern.

(2) (a) Commencing January 1, 2012, the court shall consider the individual circumstances of each youth in out-of-home placement who is at least seventeen years of age but who has not yet reached eighteen years of age to determine if the youth is ready to become independent upon reaching eighteen years of age or whether the youth should remain under the care and supervision of the county until the youth reaches twenty-one years of age unless earlier terminated by court order. The court shall determine if the youth is engaged in one of the following activities:

(I) Completing secondary education or is enrolled in a program leading to an equivalent credential;

19-3-211. Conflict resolution process - rules - definitions. (1) (a) The state department, in conjunction with the attorney general, shall adopt rules concerning the statewide implementation of a conflict resolution process in each county and city and county pursuant to the provisions of this section. The purpose of such conflict resolution process is to provide a forum for grievances concerning the conduct of county department personnel in performing their duties pursuant to this article.

(b) A citizen review panel shall be created in each county and city and county. The members of such citizen review panel shall be appointed by the governing body without influence from the state department or the county department, be representative of the community, have demonstrable personal or professional knowledge and experience with children, and not be employees or agents of the state department or any county department. At least one member of the citizen review panel in each county and city and county shall be the parent of a minor child at the time of his or her appointment to serve on such panel.

(c) The conflict resolution process shall provide for the resolution of grievances as follows:

(I) Transmittal of all grievances to the county director for internal resolution by the county department within ten working days after receipt of the grievance;

(II) Closure of the grievance and issuance of a written final decision if the county department has resolved the grievance to the complainant's satisfaction;

(III) Referral of the grievance to the citizen review panel upon the request of the complainant if the county department has not resolved the grievance to the complainant's satisfaction;

(IV) Review by the citizen review panel of the grievance and the county department's proposed resolution of the grievance within thirty days after receipt of the referral;

(V) Written notification by the citizen review panel to the complainant and the county director of its recommendation concerning the grievance and the basis for its recommendation;

(VI) Closure of the grievance and issuance of a written final decision by the county director if the county department agrees with the recommendation of the citizen review panel;

(VII) Referral of a grievance to the governing body for review if the county department or the complainant disagrees with the recommendation of the citizen review panel.

(d) The governing body shall submit a written decision containing its recommendation and the basis for its recommendation to the county director and any county department employee who is the subject of a grievance, and the county director shall issue a written final decision that shall include the county director's plan for implementation of the final decision.

(e) Any recommendations of the citizen review panel and of the governing body shall be limited to actions within the authority of the county director including, but not limited to, recommendations for case reassignment, personnel training, and disciplinary action concerning a county department employee. If disciplinary action is initiated against a county department

employee as a result of recommendations, the employee shall be entitled to the rights, including procedural rights to appeal, that the employee has through the merit system or other applicable personnel system under which the employee is employed.

(f) A citizen review panel and any governing body shall have access to child abuse or neglect reports and any information from the complete case file that the governing body believes is pertinent to the grievance, which shall be reviewed solely for the purpose of resolving grievances pursuant to the provisions of this section; except that access to identifying information concerning any person who reported child abuse or neglect shall not be provided and no participant in the conflict resolution process shall divulge or make public any confidential information contained in a report of child abuse or neglect or in other case file records to which he or she has been provided access.

(g) The county department shall prepare a final report to the citizen review panel within thirty days after the issuance of any final decision in the conflict resolution process that shall include the disposition of each grievance referred to the citizen review panel in a manner not inconsistent with applicable state and county personnel rules.

(3) (a) At the request of the complainant, the county department, or the subject of the grievance, each citizen review panel, as part of its review, may take informal testimony submitted voluntarily and without fee by experts or other individuals, including county department personnel.

(b) Each citizen review panel may request and receive information from any other county or city and county that may be pertinent to the grievance.

(4) Each county department shall implement the conflict resolution process. The state department shall promulgate rules governing the implementation of the process in the following areas:

(a) Procedures for making relevant information concerning the conflict resolution process public;

(b) Time frames for the citizen review panel's and the governing body's written notification of recommendations; and

(c) Procedures for processing grievances, for determining if a grievance is within the scope of the conflict resolution process, and for receiving testimony and other information from the complainant, the county department, and the subject of the grievance.

(5) (a) Nothing in this section shall be construed to direct or authorize any participant in the conflict resolution process to use the process to interfere with any civil or criminal

investigation or judicial proceeding, to seek relief from any court action, or to seek a remedy that is within the authority of a court having jurisdiction over a pending proceeding.

(b) Notwithstanding the provisions of paragraph (a) of this subsection (5), a county department shall not be precluded from presenting any relevant evidence in a pending civil or criminal investigation or proceeding that the county department has obtained in the course of fulfilling its duties in the conflict resolution process pursuant to the provisions of this section.

In addition to the notification on the court order, the informational notice shall contain a statement as to the cause of the removal of the child or children. 19-3-213. Placement criteria. (1) In any case in which the county department recommends placement out of the home for a child or in which a child is in out-of-home placement, the court, the guardian ad litem, the county department, any CASA volunteer, and other parties shall consider the best interests of the child and shall comply with the following placement criteria:

(a) Prior to the change of placement of a child, the county department shall, to the extent possible, notify the guardian ad litem, any CASA volunteer, and other parties. If the guardian ad litem or other party disagrees with the change of placement, he or she may seek an emergency

hearing concerning the appropriate placement for a child. In an emergency, the county department may proceed to make the change of placement prior to any requested hearing.

(b) Except in exceptional circumstances, no child shall remain in an emergency, short-term, or shelter facility for more than sixty days, nor shall a child be moved from one such facility to another, unless all reasonable efforts to return the child to the child's home or to place the child in a more permanent setting have been exhausted.

(c) (I) If the child is part of a sibling group, as defined in section 19-1-103 (98.5), and the sibling group is being placed in foster care, the county department shall make thorough efforts to locate a joint placement for all of the children in the sibling group. If the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it shall be presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(II) Consideration of the placement of children together as a sibling group in foster care shall not be construed as requiring the removal of a child from his or her home and placement into foster care if that is not in the best interests of the child.

(III) In any proceeding under this article involving a sibling group, the judge shall review the family services plan document regarding placement of siblings.

(d) Prior to the change of placement of a child, all parties shall attempt to promote educational stability for the child by taking into account the child's existing educational situation and, to the extent possible and in accordance with the child's best interests, selecting a change of placement that enables the child to remain in the existing educational situation or to transfer to a new educational situation that is comparable to the existing situation.

(2) If a child runs away from an out-of-home placement facility, the person in charge of the placement facility, foster parent, relative, or other placement provider shall notify the county department as soon as possible after discovering that the child has run away. The county department shall notify the court and other parties within ten days after the county department has received notice and take appropriate steps to locate the child.

The report shall indicate whether a child who has been placed out of the home has been placed with relatives.

(2) Notwithstanding section 24-1-136 (11)(a)(I), the state department shall submit an annual report to the joint budget committee of the general assembly no later than December 1 of each year that compiles the monthly reports of the number of children who have been placed out

of the home in each county or city and county for the preceding year as required pursuant to subsection (1) of this section.

19-3-308. Action upon report of intrafamilial, institutional, or third-party abuse - investigations - child protection team - rules - report. (1) (a) The county department shall respond immediately upon receipt of any report of a known or suspected incident of intrafamilial abuse or neglect to assess the abuse involved and the appropriate response to the report. The assessment shall be in accordance with rules adopted by the state board of social services to determine the risk of harm to such child and the appropriate response to such risks. Appropriate responses shall include, but are not limited to, screening reports that do not require further investigation, providing appropriate intervention services, pursuing reports that require further investigation, and conducting immediate investigations. The immediate concern of any assessment or investigation shall be the protection of the child, and, where possible, the preservation of the family unit.

(b) Repealed.

(c) It shall be an appropriate response to a report of a known or suspected incident of intrafamilial abuse or neglect for a county department to require a parent or a child placement agency assisting a parent to verify that a petition for relinquishment has been filed or is imminent and to deem that a report does not require additional investigation pending finalization of the relinquishment in the following circumstance:

(I) When the report of a known or suspected incident of intrafamilial abuse or neglect involves a case in which the child tests positive at birth for either a schedule I or a schedule II controlled substance; and

(II) The parents of the child have filed or a child placement agency assisting the parents has filed a petition for relinquishment or anticipates filing a petition for relinquishment pursuant to the expedited relinquishment process described in section 19-5-103.5.

(1.5) (a) Upon referral to the county department, the county department shall assess the possibility of abuse or neglect.

(b) If, during the investigation and assessment process, the county department determines that the family's issues may be attributable to the child's mental health status, rather than dependency or neglect issues, and that mental health treatment services pursuant to section 27-67-104 may be more appropriate, the county department shall contact the mental health agency, as that term is defined in section 27-67-103 (10). Within ten days after the commencement of the investigation, the county department shall meet with a representative from the mental health agency and the family. The county department, in conjunction with the mental

health agency, shall jointly determine whether mental health services should be provided pursuant to section 27-67-104 or whether the provision of services through the county department is more appropriate.

(c) On and after April 15, 2010, if a county department of human or social services that is participating in the differential response program pursuant to section 19-3-308.3 determines from an assessment performed pursuant to paragraph (a) of this subsection (1.5) that the known or suspected incident of intrafamilial abuse or neglect that was the basis for the assessment is of low or moderate risk, the county department, in lieu of performing an investigation pursuant to this section, may proceed in accordance with the provisions of section 19-3-308.3.

(2) The investigation, to the extent that it is reasonably possible, shall include:

(a) The credibility of the source or the report;

(b) The nature, extent, and cause of the abuse or neglect;

(c) The identity of the person responsible for such abuse or neglect;

(d) The names and conditions of any other children living in the same place;

(e) The environment and the relationship of any children therein to the person responsible for the suspected abuse or neglect;

(f) All other data deemed pertinent.

(3) (a) The investigation shall include an interview with or observance of the child who is the subject of a report of abuse or neglect. The investigation may include a visit to the child's place of residence or place of custody or wherever the child may be located, as indicated by the report. In addition, in connection with any investigation, the alleged perpetrator shall be advised as to the allegation of abuse and neglect and the circumstances surrounding such allegation and shall be afforded an opportunity to respond.

(b) If admission to the child's place of residence cannot be obtained, the juvenile court or the district court with juvenile jurisdiction, upon good cause shown, shall order the responsible person or persons to allow the interview, examination, and investigation. Should the responsible person or persons refuse to allow the interview, examination, and investigation, the juvenile court or the district court with juvenile jurisdiction shall hold an immediate proceeding to show cause why the responsible person or persons shall not be held in contempt of court and committed to jail until such time as the child is produced for the interview, examination, and investigation or until information is produced that establishes that said person or persons cannot aid in providing information about the child. Such person or persons may be held without bond. During the course of any such hearing, the responsible person or persons, or any necessary witness, may be granted use immunity by the district attorney against the use of any statements made during such hearing in a subsequent or pending criminal action.

(4) (a) The county department, except as provided in subsections (5) and (5.3) of this section, shall be the agency responsible for the coordination of all investigations of all reports of known or suspected incidents of intrafamilial abuse or neglect. The county department shall arrange for such investigations to be conducted by persons trained to conduct either the complete investigation or such parts thereof as may be assigned. The county department shall conduct the investigation in conjunction with the local law enforcement agency, to the extent a joint investigation is possible and deemed appropriate, and any other appropriate agency. The county department may arrange for the initial investigation to be conducted by another agency with personnel having appropriate training and skill. The county department shall provide for persons to be continuously available to respond to such reports. Contiguous counties may cooperate to

fulfill the requirements of this subsection (4). The county department or other agency authorized to conduct the investigation pursuant to this subsection (4), for the purpose of such investigation, shall have access to the records and reports of child abuse or neglect maintained by the state department for information under the name of the child or the suspected perpetrator.

(b) Upon the receipt of a report, if the county department reasonably believes that an incident of intrafamilial abuse or neglect has occurred, it shall immediately offer social services to the child who is the subject of the report and his family and may file a petition in the juvenile court or the district court with juvenile jurisdiction on behalf of such child. If, before the investigation is completed, the opinion of the investigators is that assistance of the local law enforcement agency is necessary for the protection of the child or other children under the same care, the local law enforcement agency shall be notified. If immediate removal is necessary to protect the child or other children under the same care from further abuse, the child or children may be placed in protective custody in accordance with sections 19-3-401 (1)(a) and 19-3-405.

(c) Upon the receipt of a report, if the county department assessment concludes that a child has been a victim of intrafamilial, institutional, or third-party abuse or neglect in which he or she has been subjected to human trafficking of a minor for sexual servitude, as described in section 18-3-504, or commercial sexual exploitation of a child, it shall, when necessary and appropriate, immediately offer social services to the child who is the subject of the report and to his or her family, and it may file a petition in the juvenile court or the district court with juvenile jurisdiction on behalf of such child. If, at any time after the commencement of an investigation, the county department has reasonable cause to suspect that the child or any other child under the same care is a victim of human trafficking, the county department shall notify the local law enforcement agency as soon as it is reasonably practicable to do so. If immediate removal is necessary to protect the child or other children under the same care from further abuse, the child or children may be placed in protective custody in accordance with sections 19-3-401 (1)(a) and 19-3-405. In instances of third-party abuse or neglect as it relates to human trafficking, a county department of human or social services may, but is not required to, interview the person alleged to be responsible for the abuse or neglect or prepare an investigative report pursuant to subsection (5.3)(a) of this section. If a county department elects to interview the third-party individual, it shall first confer with its local law enforcement agency.

(4.5) (a) The state department shall adopt rules setting forth procedures for the investigation of reports of institutional abuse. Such rules may provide for investigations to be conducted by an agency that contracts with the state and has staff trained to conduct investigations, the county departments, or any other entity the state department deems appropriate. The procedures may include the use of a review team responsible to make recommendations to the state department concerning the procedures for investigating institutional abuse.

(a.5) (I) The state department shall adopt rules that specify that, prior to notice of an investigation being sent to the parents or legal guardians of children cared for at a child care center, as that term is defined in section 26-6-102 (5), C.R.S., or a family child care home, as that term is defined in section 26-6-102 (13), C.R.S., which children were not involved in the incident being investigated, the state department or the county department shall ensure that:

(A) The incident of alleged child abuse or neglect that prompted the investigation is at the level of a medium, severe, or fatal incident of abuse or neglect, as defined by rule of the state board, or involves sexual abuse;

(B) The state department or county department has made a determination as to whether notice to the parents or legal guardians of the uninvolved children is essential to the investigation of the specific allegation or is necessary for the safety of children cared for at the facility; and

(C) The state department or county department has stated in writing the basis for the determination and a state department or county department supervisor has provided written approval of the determination, which basis and approval may be in electronic form.

(II) The rules adopted pursuant to subparagraph (I) of this paragraph (a.5) shall require the notice of investigation to be sent to the parents or legal guardians within seventy-two hours after the determination described in sub-subparagraph (B) of subparagraph (I) of this paragraph (a.5) is made.

(b) If, as a result of an investigation conducted pursuant to rules adopted in accordance with this subsection (4.5), institutional abuse is found to have occurred, the entity that conducted such investigation may:

(I) If the institutional abuse is the result of a single act or occurrence at the facility, request that the owner, operator, or administrator of the facility formulate a plan of remedial action. Such request shall be made within a period established by the state department. Within thirty days of the agency's request, the owner, operator, or administrator of the facility shall notify the agency, in writing, of a plan for remedial action. Within ninety days of the request, the owner, operator, or administrator shall complete the plan for remedial action.

(II) If the institutional abuse is one of several similar incidents that have occurred at the facility, request that the owner, operator, or administrator of the facility make administrative, personnel, or structural changes at the facility. Such request shall be made within a period established by the state department. Within thirty days of such request, the owner, operator, or administrator of the facility shall notify the agency of the progress in complying with the request. The agency and the owner, operator, or administrator shall establish the period in which the requested changes shall be completed.

(III) If an owner, operator, or administrator of a facility does not formulate or implement a plan for remedial action in accordance with subparagraph (I) of this paragraph (b) or make requested changes in accordance with subparagraph (II) of this paragraph (b), recommend to the entity that licenses, oversees, certifies, or authorizes the operation of the facility that appropriate sanctions or actions be imposed against the facility.

(c) A teacher, employee, volunteer, or staff person of an institution who is alleged to have committed an act of child abuse shall be temporarily suspended from his position at the institution with pay, or reassigned to other duties which would remove the risk of harm to the child victim or other children under such person's custody or control, if there is reasonable cause to believe that the life or health of the victim or other children at the institution is in imminent danger due to continued contact between the alleged perpetrator and a child at the institution. A public employee suspended pursuant to this paragraph (c) shall be accorded and may exercise due process rights, including notice of the proposed suspension and an opportunity to be heard, and any other due process rights provided under the laws of this state governing public employment and under any applicable individual or group contractual agreement. A private employee suspended pursuant to this subsection (4.5) shall be accorded and may exercise due process rights provided for under the laws of this state governing private employment and under any applicable individual or group employee contractual agreement.

(d) Nothing in this subsection (4.5) shall be construed to abrogate or limit any other enforcement action provided by law.

(5) If a local law enforcement agency receives a report of a known or suspected incident of intrafamilial abuse or neglect, it shall forthwith attempt to contact the county department in order to refer the case for investigation. If the local law enforcement agency is unable to contact the county department, it shall forthwith make a complete investigation and may institute appropriate legal proceedings on behalf of the subject child or other children under the same care. As a part of an investigation pursuant to this subsection (5), the local law enforcement agency shall have access to the records and reports of child abuse or neglect maintained by the state department for information under the name of the child or the suspected perpetrator. The local law enforcement agency, upon the receipt of a report and upon completion of any investigation it may undertake, shall forthwith forward a summary of the investigatory data plus all relevant documents to the county department.

(5.3) (a) Local law enforcement agencies have the responsibility for the coordination and investigation of all reports of third-party abuse or neglect by persons ten years of age or older. Upon receipt of a report, if the local law enforcement agency reasonably believes that the protection and safety of a child is at risk due to an act or omission on the part of persons responsible for the child's care, such agency shall notify the county department of human or social services for an assessment regarding neglect or dependency. In addition, the local law enforcement agency shall refer to the county department of human or social services any report of third-party abuse or neglect in which the person allegedly responsible for such abuse or neglect is under age ten. Upon the completion of an investigation, the local law enforcement agency shall forward a copy of its investigative report to the county department of human or social services. The county department shall review the law enforcement investigative report and shall determine whether the report contains information that constitutes a case of confirmed child abuse and requires it to be submitted to the state department, which report, upon such determination, shall be submitted to the state department in the manner prescribed by the state department within sixty days after the receipt of the report by the county department.

(b) If, before an investigation is completed, the local law enforcement agency determines that social services are necessary for the child and, if applicable, the child's family or that assistance from the county department of human or social services is otherwise required, the agency may request said services or assistance from the county department. The county department shall immediately respond to a law enforcement agency's request for services or assistance in a manner deemed appropriate by the county department.

(c) When the investigation involves a suspected perpetrator who was acting in his official capacity as an employee of a school district, the local law enforcement agency shall coordinate such investigation with any concurrent abuse investigation being conducted by the department of education or the school district to the extent such coordination is possible and deemed appropriate.

(5.5) Upon the receipt of a report, if the county department reasonably believes that an incident of abuse or neglect has occurred, it shall immediately notify the local law enforcement agency responsible for investigation of violations of criminal child abuse laws. The local law enforcement agency may conduct an investigation to determine if a violation of any criminal child abuse law has occurred. It is the general assembly's intent that, in each county of the state, law enforcement agencies and the respective county departments of human or social services

develop and implement cooperative agreements to coordinate duties of both agencies in connection with the investigation of all child abuse or neglect cases and that the focus of such agreements is to ensure the best protection for the child. The agreements must provide for special requests by one agency for assistance from the other agency and for joint investigations by both agencies.

(5.7) Upon initial investigation of a report alleging abuse or neglect in which the suspected perpetrator was acting in his official capacity as an employee of a school district, if the county department or the local law enforcement agency reasonably believes that an incident of abuse or neglect has occurred, it shall immediately notify the superintendent of the school district who shall consider such report to be confidential information; except that the superintendent shall notify the department of education of such investigation.

(6) (a) It is the intent of the general assembly to encourage the creation of one or more child protection teams in each county or contiguous group of counties. The creation of a child protection team in any given county is left to the discretion of the county director or the directors of a contiguous group of counties. If a county director or the directors of a contiguous group of counties decides to form a child protection team, the child protection team may be consolidated with other local advisory boards pursuant to section 24-1.7-103. If a child protection team is formed pursuant to this section in a county or contiguous group of counties, the director or directors of the county department or departments of human or social services may, at their discretion, implement the provisions of this section.

(b) If a child protection team is established pursuant to subsection (6)(a) of this section, it may review an assessment or the investigatory reports of a case, including the diagnostic, prognostic, and treatment services being offered to the family in connection with the reported abuse.

(c) At each meeting, each member of a child protection team established pursuant to subsection (6)(a) of this section may be provided with the investigatory reports on each assessment or case being considered.

(d) and (e) (Deleted by amendment, L. 91, p. 223, § 4, effective May 24, 1991.)

(f) Immediately after any executive session at which a child abuse or neglect case is discussed, a child protection team established pursuant to subsection (6)(a) of this section shall publicly review the responses of public and private agencies to each reported incident of child abuse or neglect, publicly state whether the responses were timely, adequate, and in compliance with the provisions of this part 3, and publicly report nonidentifying information relating to any inadequate responses, specifically indicating the public and private agencies involved.

(g) After this mandatory public discussion of agency responses, a child protection team established pursuant to subsection (6)(a) of this section shall go into executive session upon the vote of a majority of the child protection team members to consider identifying details of the case being discussed; discuss confidential reports, including but not limited to the reports of physicians, including psychiatrists; or, when the members of the child protection team desire, act as an advisory body concerning the details of treatment or evaluation programs. The child protection team shall state publicly, before going into executive session, its reasons for doing so. Any recommendation based on information presented in the executive session shall be discussed and formulated at the immediately succeeding public session of the child protection team, without publicly revealing identifying details of the case.

(h) At the next regularly scheduled meeting of a child protection team established pursuant to subsection (6)(a) of this section, or at the earliest possible time, the child protection team shall publicly report whether there were any lapses and inadequacies in the child protection system and if they have been corrected.

(i) A child protection team established pursuant to subsection (6)(a) of this section may make a report of its recommendations to the county department with suggestions for further action or stating that the child protection team has no recommendations or suggestions. Contiguous counties may cooperate in meeting the requirements of this subsection (6).

(7) If a county or group of contiguous counties decides to establish a child protection team pursuant to subsection (6)(a) of this section, each member of the child protection team is appointed by the agency he or she represents, and each child protection team member serves at the pleasure of his or her appointing agency; except that the county director may appoint the representatives of the lay community, including the representatives of any ethnic, racial, or linguistic minority, as well as persons with disabilities, and may actively recruit all interested individuals and consider their applications for appointment as lay-community representatives on the team.

(8) The county director or his or her designee is the local coordinator of the child protection team, if one is established pursuant to subsection (6)(a) of this section.

(9) Repealed.

(10) In the event that the local department initiates a petition in the juvenile court or the district court with juvenile jurisdiction on behalf of the child who is the subject of a report, the department shall notify, in writing, the guardian ad litem appointed by the court under section 19-3-312 to represent the child's interest. Such notice shall include:

(a) The reason for initiating the petition;

(b) Suggestions as to the optimum disposition of this particular case; and

(c) Suggested therapeutic treatment and social services available within the community for the subject child and the responsible person.

(11) Upon a finding that a report contains information that constitutes a case of confirmed child abuse or neglect that requires it to be submitted to the state department, the person who is found to be responsible for the abuse or neglect of a child in the confirmed report shall be given timely notice of this finding and of the right to appeal pursuant to rules established by the state board pursuant to section 19-3-313.5 (3).

(12) The state department shall include a summary and description of work of child protection teams that were implemented pursuant to this section in its annual presentation to the legislative committees during the committees' hearings held prior to the 2017 regular session under the "State Measurement for Accountable, Responsive, and Transparent (SMART) Government Act", part 2 of article 7 of title 2.

(13) Upon the receipt of a report of intrafamilial abuse or neglect or human trafficking, or a report that a family may be eligible for foster care prevention services, as defined in section 26-5.4-102 (1), the county department may provide foster care prevention services for a child and the parents or kin caregivers of the child when the needs of the child are directly related to the safety, permanent placement, or well-being of the child or to prevent the child from entering the foster care system.

(1) (a) There is created the differential response program, referred to in this section as the "program". The program will allow county departments of human or social services that choose to participate to address known or suspected incidents of intrafamilial abuse or neglect that have been assessed as low or moderate risk, pursuant to rule of the state board. The executive director of the state department shall approve any county department of human or social services that chooses to participate in the program, referred to in this section as a "participating county department".

(b) The state department is authorized to solicit, accept, and expend gifts, grants, and donations for the implementation and administration of the program.

(2) Participation in the program by families who are referred to the program is voluntary.

(4) The state department and the participating county departments shall administer the program in accordance with rules promulgated by the state board pursuant to subsection (6) of this section.

19-3-308.5. Recorded interviews of child. (1) Any interview of a child conducted pursuant to section 19-3-308, concerning a report of child abuse, may be audiotaped or videotaped. However, interviews concerning reports of sexual child abuse are strongly encouraged to be videotaped. Any audiotaped or videotaped interview shall be conducted by a competent interviewer at a child advocacy center, as that term is defined in section 19-1-103 (19.5), that has a memorandum of understanding with the agency responsible for the investigation or by a competent interviewer for the agency responsible for the investigation in accordance with such section; except that an interview shall not be videotaped when doing so is impracticable under the circumstances or will result in trauma to the child, as determined by the investigating agency. No more than one videotaped interview shall be required unless the interviewer or the investigating agency determines that additional interviews are necessary to complete an investigation. Additional interviews shall be conducted, to the extent possible, by the same interviewer. Such recordings shall be preserved as evidence in the manner and for a period provided by law for maintaining such evidence. In addition, access to such recordings shall be subject to the rules of discovery under the Colorado rules of criminal and civil procedure.

(2) The provisions of this section shall not apply to a videotaped deposition taken in accordance with and governed by section 18-3-413, C.R.S., or section 13-25-132, C.R.S., and rule 15 (d) of the Colorado rules of criminal procedure. In addition, this section shall not apply to interviews of the child conducted after a dependency and neglect action or a criminal action has been filed with the court.

(3) Any agency subject to the provisions of this section shall provide equipment necessary to videotape or audiotape the interviews or shall enter into a memorandum of understanding with a child advocacy center authorizing the use of such equipment. The

investigating agency shall train persons responsible for conducting videotaped interviews in accordance with this section; except that the agency shall not be responsible for training interviewers employed by a child advocacy center. The agency shall adopt standards for persons conducting such interviews.

(4) An agency that enters into a memorandum of understanding with a child advocacy center that employs interviewers shall assure that such interviewers meet the training standards for persons conducting interviews adopted by the agency pursuant to subsection (3) of this section. In addition, an agency that enters into a memorandum of understanding with a child advocacy center that provides technical assistance for forensic interviews, forensic medical examinations, or evidence collection or preservation may require that the child advocacy center meets the national performance standards for children's advocacy centers as established by the national accrediting body. These standards include, but are not limited to, standards for forensic interviews to be conducted in a manner which is of a neutral, fact-finding nature and coordinated to avoid duplicative interviewing.

19-3-309.5. Preconfirmation safety plan agreement - first-time minor incidents of child abuse or neglect - rules. (1) The county department and any person who is believed to be responsible for the abuse or neglect of a child as a result of an investigation of a report of child

abuse or neglect pursuant to section 19-3-308 may agree to defer the filing of a confirmed report of child abuse or neglect with the state department as required by section 19-3-307 and enter into a safety plan agreement when the following circumstances exist:

(a) The person who is believed to be responsible for the child abuse or neglect has had no previous allegation of child abuse or neglect investigated;

(b) The child abuse or neglect that the person is believed to be responsible for is at the level of a minor incident of abuse or neglect, as defined by rule of the state board;

(c) The person who is believed to be responsible for the minor incident of child abuse or neglect and the county department decide on a mutually agreeable method for resolving the issues related to the report; and

(d) The requirements set forth in the safety plan agreement for resolving the issues related to the report can be completed within sixty days after the report of child abuse or neglect is made to the county department or the local law enforcement agency.

(2) (a) If a person who is believed to be responsible for the child abuse or neglect completes the mutually agreed upon safety plan agreement entered into pursuant to subsection (1) of this section, then the county department shall release him or her from the terms of the agreement and shall not file a confirmed report of child abuse or neglect related to the incident with the state department.

(b) If a person who is believed to be responsible for the child abuse or neglect does not complete the mutually agreed upon safety plan agreement entered into pursuant to subsection (1) of this section, as determined by the county department, then the county department shall file a confirmed report of child abuse or neglect with the state department.

(c) Nothing in this section shall be construed to eliminate a county department's obligation to report to the state department that there was an investigation of a report of abuse or neglect of a child and to further report the county department's assessment of risk, the county department's decision regarding a referral of the matter to child welfare services, and any county department decision to defer the filing of a confirmed report of child abuse or neglect pursuant to this section.

(3) Participation in a safety plan agreement by any county department and by any person who is believed to be responsible for child abuse or neglect shall be at the discretion of the person believed to be responsible for the child abuse or neglect. Nothing in this section shall be construed to confer a right upon a person who is believed to be responsible for the abuse or neglect of a child to enter into a safety plan agreement or to require a county department to enter into a safety plan agreement with a person who is believed to be responsible for the abuse or neglect of a child.

(4) Nothing in this section shall be construed to obligate a county department to expend moneys to provide services to persons for the purpose of entering into a safety plan agreement pursuant to this section.

(5) For purposes of this section, "safety plan agreement" means an agreement between the county department and the person who is believed to be responsible for the abuse or neglect of a child, developed pursuant to this section after a safety assessment is completed by the county department that identifies conditions that will endanger the child, in order to fully address all obvious safety concerns identified in the safety assessment.

(6) The state board shall promulgate rules to implement this section.

(7) An agreement to enter into a safety plan agreement pursuant to this section shall not negate a person's right to appeal a later finding of child abuse or neglect.

19-3-310. Child abuse and child neglect diversion program. (1) The district attorney, upon recommendation of the county department or any person, may withhold filing a case against any person accused or suspected of child abuse or neglect and refer that person to a nonjudicial source of treatment or assistance, upon conditions set forth by the county department and the district attorney. If a person is so diverted from the criminal justice system, the district attorney shall not file charges in connection with the case if the person participates to the satisfaction of the county department and the district attorney in the diversion program offered.

(2) The initial diversion shall be for a period not to exceed two years. This diversion period may be extended for one additional one-year period by the district attorney if necessary. Decisions regarding extending diversion time periods shall be made following review of the person diverted by the district attorney and the county department.

In addition, privileged communication shall not apply to any discussion of any future misconduct or of any other past misconduct that could be the basis for any other report under section 19-3-304.

(2) The privileged communication between husband and wife shall not be a ground for excluding evidence in any judicial proceeding resulting from a report pursuant to this part 3.

Upon receipt of such information, the court shall make an immediate investigation to determine whether protection of the child from further abuse is required and, upon such determination, may authorize the filing of a petition, as provided for in section 19-3-501 (2).

(2) In any proceeding initiated pursuant to this section, the court shall name as respondents all persons alleged by the petition to have caused or permitted the abuse or neglect alleged in the petition. The independent mental health care provider shall interview the child and the alleged perpetrator of the abuse. The costs of the report shall be split equally between the county and the party requesting the report, unless the court finds that paying such costs would cause a hardship to the party.

(5) If a petition is filed alleging that a child is neglected or dependent based upon section 19-3-102 (2), the county department shall engage in concurrent planning to expedite the permanency planning process for the child who is the subject of such petition.

19-3-313.5. State department duties - reports of child abuse or neglect - training of county departments - rules - notice and appeal process - confidentiality. (1) **Legislative declaration.** As a result of the report of the state auditor evaluating the performance of the state central registry of child protection released in November of 2001 and the subsequent repeal of the state central registry of child protection, the general assembly hereby finds and declares that it is in the best interests of the children and the citizens of the state of Colorado for the state department to modify the processing of records and reports of child abuse or neglect. These modifications are intended to ensure that the state department is able to provide reliable, accurate, and timely information concerning records and reports of child abuse or neglect. In addition, these modifications are intended to ensure compliance with federal law regarding the prompt expungement of any records or reports that are used for purposes of employment checks or other background checks in cases determined to be unsubstantiated or false, while allowing the state department to maintain such records and reports in case files for the purpose of assisting in determinations of future risk and safety assessments. Finally, these modifications are intended to ensure that the state department's procedural systems related to records and reports of child abuse or neglect provide adequate protection to the children and the citizens of the state of Colorado.

(2) **Training of county departments.** On or before January 1, 2004, the state department shall modify the training provided to county departments to achieve consistency and standardization in the performance of the following duties:

(a) Investigating reports of child abuse or neglect;

(b) Reporting confirmed incidents of child abuse or neglect to the state department;

(c) Preparing documents related to records and reports of child abuse or neglect;

(d) Entering data into computer systems maintaining information related to records and reports of child abuse or neglect; and

(e) Maintaining confidentiality in accordance with federal and state law.

(3) **Notice and appeals process - rules.** On or before January 1, 2004, the state board, in consideration of input and recommendations from the county departments, shall promulgate rules to establish a process at the state level by which a person who is found to be responsible in a confirmed report of child abuse or neglect filed with the state department pursuant to section

19-3-307 may appeal the finding of a confirmed report of child abuse or neglect to the state department. At a minimum, the rules established pursuant to this subsection (3) must address the following matters, consistent with federal law:

(a) The provision of adequate and timely written notice by the county departments of human or social services or, for an investigation pursuant to section 19-3-308 (4.5), by the agency that contracts with the state, using a form created by the state department, to a person found to be responsible in a confirmed report of child abuse or neglect of the person's right to appeal the finding of a confirmed report of child abuse or neglect to the state department;

(b) The timeline and method for appealing the finding of a confirmed report of child abuse or neglect;

(c) Designation of the entity, which entity must be one other than a county department of human or social services, with the authority to accept and respond to an appeal by a person found to be responsible in a confirmed report of child abuse or neglect at each stage of the appellate process;

(d) The legal standards involved in the appellate process and a designation of the party who bears the burden of establishing that each standard is met;

(e) The confidentiality requirements of the appeals process; and

(f) Provisions requiring, and procedures in place that facilitate, the prompt expungement of and prevent the release of any information contained in any records and reports that are accessible to the general public or are used for purposes of employment or background checks in cases determined to be unsubstantiated or false; except that the state department and the county departments of human or social services may maintain information concerning unsubstantiated reports in casework files to assist in future risk and safety assessments.

(4) **Confidentiality - rules.** On or before January 1, 2004, the state board shall promulgate rules to establish guidelines for the release of information contained in records and reports of child abuse or neglect for screening purposes to assure compliance with sections 19-1-303 and 19-1-307 and any other state or federal law relating to confidentiality of records and reports of child abuse or neglect. Rules promulgated by the state board shall address the following:

(a) How a request for information is to be processed;

(b) Who may be granted access to information;

(c) What information in the records and reports is to be made available to the person or entity granted access;

(d) The purposes for which information contained in the records and reports may be made available to the person or entity granted access; and

PART 4

TEMPORARY CUSTODY AND SHELTER

19-3-401. Taking children into custody. (1) A child may be taken into temporary custody by a law enforcement officer without order of the court:

(a) When the child is abandoned, lost, or seriously endangered in such child's surroundings or seriously endangers others and immediate removal appears to be necessary for such child's protection or the protection of others;

(b) When there are reasonable grounds to believe that such child has run away or escaped from such child's parents, guardian, or legal custodian and the child's parents, guardian, or legal custodian has not made a report to a law enforcement agency that the child has run away from home; or

(c) When an arrest warrant has been issued for such child's parent or guardian on the basis of an alleged violation of section 18-3-304, C.R.S. No child taken into temporary custody pursuant to this paragraph (c) shall be placed in detention or jail.

(1.3) A child shall be taken into temporary custody by a law enforcement officer without order of the court when there are reasonable grounds to believe the child has run away from the child's parents, guardian, or legal custodian and the child's parents, guardian, or legal custodian has made a report to a law enforcement agency that the child has run away from home.

(1.5) An emergency exists and a child is seriously endangered as described in paragraph (a) of subsection (1) of this section whenever the safety or well-being of a child is immediately at issue and there is no other reasonable way to protect the child without removing the child from the child's home. If such an emergency exists, a child shall be removed from such child's home and placed in protective custody regardless of whether reasonable efforts to preserve the family have been made.

(2) The taking of a child into temporary custody under this section shall not be deemed an arrest, nor shall it constitute a police record.

(3) (a) Notwithstanding the provisions of subsections (1) and (1.5) of this section and except as otherwise provided in paragraphs (b) and (c) of this subsection (3), a newborn child, as defined in section 19-1-103 (78.5), who is not in a hospital setting shall not be taken into temporary protective custody for a period of longer than twenty-four hours without an order of the court made pursuant to section 19-3-405 (1), which order includes findings that an emergency situation exists and that the newborn child is seriously endangered as described in paragraph (a) of subsection (1) of this section.

(b) A newborn child, as defined in section 19-1-103 (78.5), who is in a hospital setting must not be taken into temporary protective custody without an order of the court made pursuant to section 19-3-405 (1), which order includes findings that an emergency situation exists and that the newborn child is seriously endangered as described in subsection (1)(a) of this section. A newborn child may be detained in a hospital by a law enforcement officer upon the recommendation of a county department of human or social services or by a physician, registered nurse, licensed practical nurse, or physician assistant while an order of the court

pursuant to section 19-3-405 (1) is being pursued, but the newborn child must be released if a court order pursuant to section 19-3-405 (1) is denied.

(c) The court orders required by subsections (3)(a) and (3)(b) of this section are not required in the following circumstances:

(I) When a newborn child is identified by a physician, registered nurse, licensed practical nurse, or physician assistant engaged in the admission, care, or treatment of patients as being affected by substance abuse or demonstrating withdrawal symptoms resulting from prenatal drug exposure;

(II) When the newborn child's only identifiable birth parent has been determined by a physician, registered nurse, or qualified mental health professional to meet the criteria specified in section 27-65-105 for custody, treatment, and evaluation of a mental health disorder or grave disability;

(III) When both of the newborn child's birth parents have been determined by a physician, registered nurse, or qualified mental health professional to meet the criteria specified in section 27-65-105 for custody, treatment, and evaluation of a mental health disorder or grave disability; or

(IV) When the newborn child is subject to an environment exposing the newborn child to a laboratory for manufacturing controlled substances as defined in section 18-18-102 (5), C.R.S.

(d) At the time a law enforcement officer takes a newborn child into temporary protective custody, the law enforcement officer shall provide the notices required by sections 19-3-402 and 19-3-212 directly to the newborn child's identifiable birth parent or parents in both verbal and written form. Such notices may be provided to the child's identifiable birth parent or parents in a language that the birth parent or parents understand, and the law enforcement officer may designate another person to assist him or her in providing such written and verbal notices to fulfill this requirement, if necessary.

(e) If a newborn child is taken into temporary protective custody pursuant to this subsection (3), the county department may contact the child's identifiable birth parent or parents to obtain the names of any relatives or other persons in the parent's or parents' community who may be appropriate, capable, and willing to care for the newborn child prior to the hearing required by section 19-3-403. In addition, if the identifiable parent or parents are not citizens of the United States, the county department may request the parent's or parents' consent to notify the parent's or parents' government of origin of the situation and, if consent is given, may contact the parent's or parents' government of origin.

19-3-402. Duty of officer - notification - release or detention. (1) When a child is taken into temporary custody, the officer shall notify a parent, guardian, or legal custodian without unnecessary delay and inform him that, if the child is placed out of the child's home, all parties have a right to a prompt hearing to determine whether the child is to remain out of the child's home for a further period of time. Such notification may be made to a person with whom the child is residing if a parent, guardian, or legal custodian cannot be located. If the officer taking the child into custody is unable to make such notification, it may be made by any other law enforcement officer, probation officer, detention center counselor, shelter care provider, or common jailor in whose physical custody the child is placed.

(2) (a) The child shall then be released to the care of his or her parents or other responsible adult, unless it is in the child's best interests and necessary for the child's welfare to be placed out of the child's home. In the event the child is placed out of the child's home, if in the best interests of the child, preference may be given to placing the child with the child's grandparent who is appropriate, capable, willing, and available to care for the child. The court may make reasonable orders as conditions of said release and may provide that any violation of such orders shall subject the child or the child's parent, guardian, or legal custodian to contempt sanctions of the court. The parent or other person to whom the child is released may be required to sign a written promise, on forms supplied by the court, to bring the child to the court at a time set or to be set by the court.

(b) Notwithstanding the provisions of paragraph (a) of this subsection (2) to the contrary, when the child is part of a sibling group and the sibling group is being placed out of the home, if the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it shall be presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(3) (a) Except as provided in paragraph (b) of this subsection (3), a child shall not be detained by law enforcement officials any longer than is reasonably necessary to obtain his name, age, residence, and other necessary information and to contact his parents, guardian, or legal custodian.

(b) If he is not released as provided in subsection (2) of this section, he shall be taken directly to the court or to the place of detention, or a temporary holding facility, or a shelter designated by the court without unnecessary delay.

(4) The officer or other person who takes a child to a detention or shelter facility or a temporary holding facility shall notify the court and any agency or persons so designated by the court at the earliest opportunity that the child has been taken into custody and where he has been taken. He shall also promptly file a brief written report with the court and any agency or person so designated by the court stating the facts which led to the child being taken into custody and the reason why the child was not released.

Editor's note: This section was contained in a title that was repealed and reenacted in 1987. Provisions of this section, as it existed in 1987, are similar to those contained in 19-2-102 as said section existed in 1986, the year prior to the repeal and reenactment of this title.

19-3-403. Temporary custody - hearing - time limits - restriction - rules. (1) A child who must be taken from his or her home but who does not require physical restriction may be given temporary care with his or her grandparent, upon the grandparent's request, if in the best interests of the child, in a shelter facility designated by the court or with the county department of human or social services and must not be placed in detention. If an appropriate shelter facility does not exist, the child may be placed in a staff-secure temporary holding facility authorized by the court.

(2) When a child is placed in a shelter facility or a temporary holding facility not operated by the department of human services designated by the court, the law enforcement official taking the child into custody shall promptly so notify the court. He shall also notify a parent or legal guardian or, if a parent or legal guardian cannot be located within the county, the person with whom the child has been residing and inform him of the right to a prompt hearing to determine whether the child is to be detained further. The court shall hold such hearing within forty-eight hours, excluding Saturdays, Sundays, and legal holidays. A child requiring physical restraint may be placed in a juvenile detention facility operated by or under contract with the department of human services for a period of not more than twenty-four hours, including Saturdays, Sundays, and legal holidays.

(3) Repealed.

(3.5) When temporary custody is placed with the county department of human or social services pursuant to this section or section 19-3-405 or when an emergency protection order is entered pursuant to section 19-3-405, the court shall hold a hearing within seventy-two hours after placement, excluding Saturdays, Sundays, and court holidays, to determine further custody of the child or whether the emergency protection order should continue. Such a hearing need not be held if a hearing has previously been held pursuant to subsection (2) of this section.

(3.6) (a) (I) The office of the state court administrator shall prepare a form affidavit and advisement. The form affidavit and advisement shall be available at each judicial district to each parent attending a temporary custody hearing. The form affidavit and advisement shall:

(A) Advise the parent that he or she is required to provide the requested information fully and completely under penalties of perjury and contempt of court;

(B) Require the parent to list the names, addresses, and telephone numbers of, and any comments concerning the appropriateness of the child's potential placement with, every grandparent, aunt, uncle, brother, sister, half-sibling, and first cousin of the child;

(C) Provide a section in which the parent may list the names, addresses, telephone numbers of, and any comments concerning the appropriateness of the child's potential placement with, other relatives and kin who have a significant relationship with the child;

(D) Advise the parent that failure to identify these relatives in a timely manner may result in the child being placed permanently outside of the home of the child's relatives, if the child cannot be safely returned to the home of the child's parents;

(E) Advise the parent that the child may risk life-long damage to his or her emotional well-being if the child becomes attached to one caregiver and is later removed from the caregiver's home;

(F) Require the parent to acknowledge that he or she understands the advisements contained in the form; and

(G) Require the parent to sign and date the form.

(II) At the hearing, information may be supplied to the court in the form of written or oral reports, affidavits, testimony, or other relevant information that the court may wish to receive. Any information having probative value may be received by the court, regardless of its admissibility under the Colorado rules of evidence.

(III) The court shall advise the parents of the child that the child may be placed with a relative if, in the court's opinion, such placement is appropriate and in the child's best interests. The court shall order the parents to complete the form affidavit and advisement described in subparagraph (I) of this paragraph (a) no later than seven business days after the date of the hearing or prior to the next hearing on the matter, whichever occurs first. The original completed form shall be filed with the court, and a copy delivered to the county department of human or social services no later than five business days after the date of the hearing. Each parent, the guardian ad litem, and counsel for each parent, if any, shall also receive copies of the completed form. The court may advise each parent of the penalties associated with perjury and contempt of court, if necessary. Each parent may suggest an adult relative or relatives whom he or she believes to be the most appropriate caretaker or caretakers for the child. If appropriate, the child or children shall be consulted regarding suggested relative caretakers. The court shall order each parent to notify every relative who may be an appropriate relative caretaker for the child that failure to come forward in a timely manner may result in the child being placed permanently outside of the home of the child's relatives, if the child is not able to return to the child's home. In addition, the court shall advise each parent that failure to identify these relatives in a timely manner may result in the child being placed permanently outside of the home of the child's relatives.

(IV) The court shall order a county department of human or social services to exercise due diligence to contact all grandparents and other adult relatives within thirty days following the removal of the child and to inform them about placement possibilities for the child, unless the court determines there is good cause not to contact or good cause to delay contacting the child's relatives, including but not limited to family or domestic violence. A county department of human or social services shall provide notice to the relatives that the child has been removed from his or her home; options under federal, state, and local law to participate in the child's care or placement; options that may be lost by failing to respond; and requirements to become a foster

parent, and services and supports available to the child placed in a foster home. The county department of human or social services shall advise each appropriate identified relative that the possibility for placement of the child in his or her home may terminate at a future date; request each such relative who is interested in becoming a placement option for the child to come forward at the earliest possible time to seek placement of the child in his or her home and to cooperate with the county department of human or social services to expedite procedures pertaining to the placement of the child in his or her home, if the child cannot be safely returned to the home of the child's parents. The department of human services shall promulgate rules for the implementation of this subparagraph (IV) and subparagraph (III) of this paragraph (a).

(V) The court may consider and give preference to giving temporary custody to a child's relative who is appropriate, capable, willing, and available for care if it is in the best interests of the child and if the court finds that there is no suitable birth or adoptive parent available, with due diligence having been exercised in attempting to locate any such birth or adoptive parent. The court may place or continue custody with the county department of human or social services if the court is satisfied from the information presented at the hearing that such custody is appropriate and in the child's best interests, or the court may enter such other orders as are appropriate. The court may authorize the county department of human or social services with custody of a child to place the child with a relative without the necessity for a hearing if a county department locates an appropriate, capable, and willing relative who is available to care for the child and the guardian ad litem of the child concurs that the placement is in the best interests of the child. If the county department of human or social services places a child with a relative without a hearing pursuant to the provisions of this subsection (3.6)(a)(V), the county department shall fully inform the court of the details concerning the child's placement on the record at the next hearing. If the court enters an order removing a child from the home or continuing a child in a placement out of the home, the court shall make the findings required pursuant to section 19-1-115 (6), if such findings are warranted by the evidence.

(b) Notwithstanding the provisions of paragraph (a) of this subsection (3.6) to the contrary, when the child is part of a sibling group and the sibling group is being placed out of the home, if the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, the court shall presume that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(3.7) A child who is alleged to be a runaway from a state other than Colorado may be held in a shelter care or other appropriate facility for up to seven days, during which time arrangements shall be made for returning the child to the state of his residence.

(4) (a) If it appears that any child being held in a shelter facility may have an intellectual and developmental disability, as provided in article 10.5 of title 27, the court shall refer the child to the nearest community-centered board for an eligibility determination. If it appears that any child being held in a shelter facility pursuant to the provisions of this article 3 may have a mental health disorder, as provided in sections 27-65-105 and 27-65-106, the intake personnel or other appropriate personnel shall contact a mental health professional to do a mental health disorder prescreening on the child. The court shall be notified of the contact and may take appropriate action. If a mental health disorder prescreening is requested, it shall be conducted in an appropriate place accessible to the child and the mental health professional. A request for a

mental health disorder prescreening must not extend the time within which a hearing is to be held pursuant to this section. If a hearing has been set but has not yet occurred, the mental health disorder prescreening shall be conducted prior to the hearing; except that the prescreening must not extend the time within which a hearing is to be held pursuant to this section.

(b) If a child has been ordered detained pending an adjudication, disposition, or other court hearing and the child subsequently appears to have a mental health disorder, as provided in section 27-65-105 or 27-65-106, the intake personnel or other appropriate personnel shall contact the court with a recommendation for a mental health disorder prescreening. A mental health disorder prescreening shall be conducted at any appropriate place accessible to the child and the mental health professional within twenty-four hours of the request, excluding Saturdays, Sundays, and legal holidays.

(c) If the mental health professional finds, as a result of the prescreening, that the child may have a mental health disorder, the mental health professional shall recommend to the court that the child be evaluated pursuant to section 27-65-105 or 27-65-106, and the court shall proceed as provided in section 19-3-506.

(d) Nothing in this subsection (4) precludes the use of emergency procedures pursuant to section 27-65-105.

(5) The court may, at any time, order the release of any child being held pursuant to section 19-3-401 from shelter care or a temporary holding facility not operated by the department of human services without holding a hearing, either without restriction or upon written promise of the parent, guardian, or legal custodian to bring the child to the court at a time set or to be set by the court.

(6) (a) After making a reasonable effort to obtain the consent of the parent, guardian, or other legal custodian, the court may authorize or consent to medical, surgical, or dental treatment or care for a child placed in shelter care or a temporary holding facility not operated by the department of human services.

(b) When the court finds that emergency medical, surgical, or dental treatment is required for a child placed in shelter care or a temporary holding facility not operated by the department of human services, it may authorize such treatment or care if the parents, guardian, or legal custodian are not immediately available.

(7) The court may also issue temporary orders for legal custody as provided in section 19-1-115.

(8) Any law enforcement officer, employee of the division in the department of human services responsible for youth services, or other person acting under the direction of the court who in good faith transports any child, releases any child from custody pursuant to a written policy of a court, releases any child from custody pursuant to any written criteria established pursuant to this title, or detains any child pursuant to court order or written policy or criteria established pursuant to this title shall be immune from civil or criminal liability that might otherwise result by reason of such act. For purposes of any proceedings, civil or criminal, the good faith of any such person shall be presumed.

19-3-404. Temporary shelter - child's home. The court may find that it is not necessary to remove a child from his or her home to a temporary shelter facility and may provide temporary shelter in the child's home by authorizing a representative of the county or district department of human or social services, which has emergency caretaker services available, to remain in the child's home with the child until a parent, legal guardian, or relative of the child enters the home and expresses willingness and has the apparent ability, as determined by the state department, to resume charge of the child. In no event must such period of time exceed seventy-two hours. In the case of a relative, the relative is to assume charge of the child until a parent or legal guardian enters the home and expresses willingness and has the apparent ability, as determined by the state department, to resume charge of the child. The director of the county or district department of human or social services shall designate in writing the representatives of the county or district departments of human or social services authorized to perform such duties.

19-3-405. Temporary protective custody. (1) In addition to other powers granted to the court for the protection of children, the court may issue verbal or written temporary protective custody orders or emergency protection orders, or both. Each judicial district shall be responsible for making available a person appointed by the judge of the juvenile court, who may be the judge, a magistrate, or any other officer of the court, to be available by telephone at all times to act with the authorization and authority of the court to issue such orders.

(2) (a) Temporary protective custody orders may be requested by the county department of human or social services, a law enforcement officer, an administrator of a hospital in which a child reasonably believed to have been neglected or abused is being treated, or any physician who has before him or her a child he or she reasonably believes has been abused or neglected, whether or not additional medical treatment is required, if such person or department believes that the circumstances or conditions of the child are such that continuing the child's place of residence or in the care and custody of the person responsible for the child's care and custody would present a danger to that child's life or health in the reasonably foreseeable future.

(b) Emergency protection orders may be requested by the county department of human or social services, a law enforcement officer, an administrator of a hospital in which a child reasonably believed to have been neglected or abused is being treated, or any physician who has before him or her a child the physician reasonably believes has been abused or neglected, whether or not additional medical treatment is required, if such person or department believes that the child is able to remain safely in the child's place of residence or in the care and custody of the person responsible for the child's care and custody only if certain emergency protection orders are entered. An emergency protection order may include but is not limited to:

(I) Restraining a person from threatening, molesting, or injuring the child;

(II) Restraining a person from interfering with the supervision of the child; or

(III) Restraining a person from having contact with the child or the child's residence.

(3) The county department of human or social services must be notified of such action immediately by the court-appointed official in order that child protection proceedings may be initiated.

(4) In any case, such temporary protective custody or emergency protection shall not exceed seventy-two hours, excluding Saturdays, Sundays, and court holidays.

19-3-406. Fingerprint-based criminal history record check - providers of emergency placement for children - use of criminal justice records - definitions - rules. (1) (a) Any time a child is taken into temporary custody by a law enforcement officer and any time the court places temporary custody of a child with a county department pursuant to the provisions of this part 4, and a relative or other available person is identified as a potential emergency placement for the child, the county department or a local law enforcement agency shall immediately conduct an initial criminal history record check of the relative or other

available person prior to the county department or the law enforcement officer placing the child in the emergency placement. A county department may perform initial criminal history record checks through its staff or may collaborate with local law enforcement agencies to perform the initial criminal history record checks. When a county department has temporary custody of a child pursuant to the provisions of this part 4 and contacts the local law enforcement agency for an initial criminal history record check of a person who is identified as a potential emergency placement for the child pursuant to the provisions of this section, the local law enforcement agency shall immediately provide the county department with a verbal response regarding the person's criminal history and shall not provide the county department with documentation of the person's criminal history, consistent with the provisions of Public Law 92-544, and regulations promulgated thereunder, as amended.

(b) The child may not be placed with the relative or other available person if the initial criminal history record check conducted pursuant to paragraph (a) of this subsection (1) reflects a criminal history described in subsection (4) of this section.

(c) The child may be placed with the relative or other available person if the initial criminal history record check does not reflect a criminal history described in subsection (4) of this section; except that the relative or other person who is not disqualified based upon the results of the initial criminal history record check conducted pursuant to subsection (1)(a) of this section shall report to local law enforcement, to the county department when the county department has a fingerprint machine, or to another designated third party approved by the Colorado bureau of investigation to obtain a set of fingerprints for a fingerprint-based criminal history record check as described in subsections (2) and (3) of this section and all of the other required background checks described in subsection (4.5) of this section. If an approved third party takes the person's fingerprints, the fingerprints may be electronically captured using Colorado bureau of investigation-approved livescan equipment. Third-party vendors shall not keep the relative's or other person's information for more than thirty days unless requested to do so by the relative or other person.

(2) A relative or other available person who is not disqualified as an emergency placement for a child pursuant to subsection (1)(b) of this section and who authorizes a child to be placed with him or her on an emergency basis pursuant to the provisions of this part 4 shall submit a complete set of his or her fingerprints to the county department no later than five days after the child is placed in the person's home or no later than fifteen calendar days when exigent circumstances exist. If the relative or other available person fails to submit a complete set of his or her fingerprints to the county department, the county department or the law enforcement officer, as appropriate, shall immediately remove the child from the physical custody of the person. The county department shall confirm within fifteen days after the child has been placed with the relative or other available person that the relative or other available person identified by the county department submitted a complete set of his or her fingerprints within the time period specified by this subsection (2).

(3) When a person submits a complete set of his or her fingerprints to the county department, the county department shall immediately forward the fingerprints to the Colorado bureau of investigation for the purpose of obtaining a fingerprint-based criminal history record check. Upon receipt of fingerprints and payment for the costs, the Colorado bureau of investigation shall conduct a state and national fingerprint-based criminal history record check utilizing records of the Colorado bureau of investigation and the federal bureau of investigation.

The results of the state and national fingerprint-based criminal history record checks conducted pursuant to this section shall be forwarded immediately to the agency authorized to receive the information. If the fingerprint-based criminal history record check indicates that the person has a criminal history described in subsection (4) of this section, the county department or the local law enforcement officer, whichever is appropriate, shall immediately remove the child from the emergency placement and shall not place a child with the person who has the criminal history without court involvement and an order of the court affirming placement of the child with the person.

(4) A county department or a local law enforcement agency shall not make an emergency placement or continue the emergency placement of a child with a person who has been convicted of one or more of the following offenses:

(a) Child abuse, as described in section 18-6-401, C.R.S.;

(b) A crime of violence, as defined in section 18-1.3-406, C.R.S.;

(c) An offense involving unlawful sexual behavior, as defined in section 16-22-102 (9), C.R.S.;

(d) A felony, the underlying factual basis of which has been found by the court on the record to include an act of domestic violence, as defined in section 18-6-800.3, C.R.S.;

(e) A felony involving physical assault or a drug-related offense, committed within the preceding five years;

(f) Violation of a protection order, as described in section 18-6-803.5, C.R.S.;

(g) A crime involving homicide; or

(h) An offense in any other state, the elements of which are substantially similar to the elements of any one of the offenses described in paragraphs (a) to (g) of this subsection (4).

(4.5) (a) If a relative or other person was not disqualified as an emergency placement based upon the fingerprint-based criminal history record check and the child was placed in an emergency placement with such person, the county department shall perform the following additional background checks of the relative or other person:

(I) A check of the ICON system at the state judicial department pursuant to section 26-6-106.3, C.R.S., to determine the status or disposition of any criminal charges;

(II) A check of the state department's automated database for information to inform decisions about placement to determine if the person has been identified as having a finding of child abuse or neglect and whether such finding presents an unsafe placement for the child; and

(III) A check against the state's sex offender registry and against the national sex offender public registry operated by the United States department of justice that checks names and addresses against the known names and addresses in the registries and the interactive database system for Colorado to determine if a person is a registered sex offender.

(b) If information is found as a result of the additional background checks of the relative or other person that indicate that continued placement with that relative or other person would no longer be safe for the child, the county department shall remove the child from that placement.

(c) The county department shall also request that a local law enforcement agency perform a state and national fingerprint-based criminal history record check of any person residing in the home to determine if the person has a criminal history as described in subsection (4) of this section and also perform the additional background checks described in subparagraphs (I) and (II) of paragraph (a) of this subsection (4.5). The local law enforcement agency shall provide the county department with the results of the state and national fingerprint-based

criminal history record check within forty-eight hours. If the fingerprint-based criminal history record check indicates that a person residing in the home has a criminal history described in subsection (4) of this section or the information from the other background checks raises issues about the safety of the child in the home, the county department shall evaluate the continued placement of the child in the home and develop a plan to address the issues within fourteen days. A county department shall remedy the situation as quickly as possible and no later than two weeks after the placement. The state board shall promulgate rules to address child safety and what must be considered in the evaluation.

(5) The state board shall promulgate rules to implement the provisions of this section, consistent with the provisions contained in part 3 of article 72 of title 24, C.R.S.

(6) For purposes of this section, "initial criminal history record check" means a name-based state and federal criminal history record check performed by a local law enforcement agency utilizing the records of the Colorado bureau of investigation and the federal bureau of investigation.

(7) Notwithstanding the provisions of this section, if the county department verifies and documents that all of the criminal history record checks and other background checks described in subsection (4.5) of this section have been completed in the preceding three months for a relative, other person, or a person residing in the home, the county department does not need to repeat the fingerprint-based criminal history record check of that relative, other person, or a person residing in the home; except that the county department shall repeat the other background checks described in subsection (4.5) of this section and contact local law enforcement to determine if there were any new charges for offenses filed against that relative, other person, or a person residing in the home during the preceding three months since the last fingerprint-based criminal history record check.

(8) (a) The Colorado bureau of investigation shall flag the fingerprints of and notify the applicable county department of any new arrests of an individual whose fingerprints the county department submits to a local law enforcement agency that the county department also intends to be subsequently used for foster care certification.

(b) The county department shall notify the Colorado bureau of investigation within five calendar days after submitting the request for a fingerprint-based criminal history record check when the county department intends to accept an application for foster care certification from that person so that the flagging and automatic notification to the county department of new arrests pursuant to paragraph (a) of this subsection (8) occurs for that person and continues through the duration of the individual's foster care certification. The county department shall use the same fingerprints received under this subsection (8) and any updated fingerprint-based criminal history record check results from the automatic notification as a substitute for meeting the fingerprint requirements for a person who is applying for foster care certification pursuant to section 26-6-106.3, C.R.S.

19-3-407. Noncertified kinship care - requirement for background checks and other checks - definitions. (1) Except as described in subsection (1)(a) of this section, a county department shall request that a local law enforcement agency conduct the following background checks of kin or any adult who resides at the home prior to placing a child in noncertified kinship care, unless such placement is an emergency placement pursuant to section 19-3-406:

(a) A fingerprint-based criminal history record check through the Colorado bureau of investigation, which criminal history record check may be conducted by any third party approved by the bureau, and the federal bureau of investigation to determine if the kin or an adult who resides at the home has been convicted of:

(I) Child abuse, as specified in section 18-6-401, C.R.S.;

(II) A crime of violence, as defined in section 18-1.3-406, C.R.S.;

(III) An offense involving unlawful sexual behavior, as defined in section 16-22-102 (9), C.R.S.;

(IV) A felony, the underlying factual basis of which has been found by the court on the record to include an act of domestic violence, as defined in section 18-6-800.3, C.R.S.;

(V) A felony involving physical assault, battery, or a drug-related offense within the five years preceding the date of application for a certificate;

(VI) A pattern of misdemeanor convictions, as defined by rule of the state board, within the ten years immediately preceding the date of submission of the application; or

(VII) Any offense in any other state, the elements of which are substantially similar to the elements of any one of the offenses described in sub-subparagraphs (I) to (VI) of this paragraph (a);

(b) A check of the ICON system at the state judicial department to determine the status or disposition of any pending criminal charges brought against the kin or an adult who resides at the home that were identified by the fingerprint-based criminal history record check through the Colorado bureau of investigation and the federal bureau of investigation;

(c) A check of the state department's automated database for information to determine if the kin or an adult who resides at the home has been identified as having a finding of child abuse or neglect and whether such finding has been determined to present an unsafe placement for a child; and

(d) A check against the state's sex offender registry and against the national sex offender public registry operated by the United States department of justice that checks names and addresses in the registries and the interactive database system for Colorado to determine if the kin or an adult who resides at the home is a registered sex offender.

(2) A county department shall not place a child in noncertified kinship care if the kin or any adult who resides with the kin at the home:

(a) Has been convicted of any of the crimes listed in paragraph (a) of subsection (1) of this section;

(b) Is a registered sex offender in the sex offender registry created pursuant to section 16-22-110, C.R.S., or is a registered sex offender as determined by a check of the national sex offender registry operated by the United States department of justice. The sex offender registry checks must check the kin's or adult resident's known names and addresses in the interactive database system for Colorado or the national sex offender public registry against all of the registrant's known names and addresses; or

(c) Has been identified as having a finding of child abuse or neglect through a check of the state department's automated database and that finding has been determined to present an unsafe placement for the child.

(3) A county department may make a placement with noncertified kin that would otherwise be disqualified pursuant to subsection (2) of this section or allow continued placement with noncertified kin if an adult residing in the home would otherwise be disqualified pursuant to subsection (2) of this section if such placement occurs according to rules promulgated by the state board or if there is county-initiated court involvement and an order of the court affirming placement of the child with the kin.

(4) For the purposes of this section, "convicted" means a conviction by a jury or by a court and includes a deferred judgment and sentence agreement, a deferred prosecution agreement, a deferred adjudication agreement, an adjudication, or a plea of guilty or nolo contendere; except that this does not apply to a diversion or deferral or plea for a juvenile who participated in diversion, as defined in section 19-1-103 (44), and does not apply to a diversion or deferral or plea for a person who participated in and successfully completed the child abuse and child neglect diversion program as described in section 19-3-310.

(5) The convictions identified in paragraph (a) of subsection (1) of this section and in subsection (2) of this section must be determined according to the records of the Colorado bureau of investigation or the federal bureau of investigation and the ICON system at the state judicial department. The screening request in Colorado shall be made pursuant to section 19-1-307 (2)(k.5), rules promulgated by the state board pursuant to section 19-3-313.5, and 42 U.S.C. 671 (a)(2). A certified copy of the judgment of a court of competent jurisdiction of the conviction, deferred judgment and sentence agreement, deferred prosecution agreement, or deferred adjudication agreement is prima facie evidence of a conviction or agreement.

(6) The state board shall adopt rules relating to background checks of relatives and placement of children in noncertified kinship care, including:

(a) Rules on requirements that all county departments that place children in noncertified kinship care conduct and document that all of the background checks have been initiated and completed in accordance with section 19-3-406 and with this section for any person providing noncertified kinship care and for any adult residing at the home;

(b) Rules on the actions a county department should take if a disqualifying factor is found during any of the background checks specified in this section, including rules on reviewing the placement of children, addressing child safety issues, evaluating the vulnerability and the age of the child, and identify alternative remedies to removal of the child from the placement.

PART 5

PETITION, ADJUDICATION, DISPOSITION

19-3-500.2. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) It is beneficial for a child who is removed from his or her home and placed in foster care to be able to continue relationships with his or her brothers and sisters, regardless of age, in order that the siblings may share their strengths and association in their everyday and often common experiences. The general assembly also finds that the initial decisions about temporary placement of a child may affect the ultimate permanent placement of the child or of the children in a sibling group.

(b) When parents and other adult relatives are no longer available to a child, the child's siblings constitute his or her biological family;

(c) When placing children in foster care, efforts should be made to place siblings together, unless there is a danger of specific harm to a child or it is not in the child's or children's best interests to be placed together. The general assembly further finds that if the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, there should be a rebuttable presumption that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption should be rebuttable by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(2) The general assembly also declares that nothing in this article regarding the placement of sibling groups together should be construed as requiring the removal of a child from his or her home and placement into foster care if that is not in the best interests of the child.

19-3-501. Petition initiation - preliminary investigation - informal adjustment. (1) Whenever it appears to a law enforcement officer or other person that a child is or appears to be within the court's jurisdiction, as provided in this article 3, the law enforcement officer or other person may refer the matter to the court, which shall make a preliminary investigation to determine whether the interests of the child or of the community require that further action be taken. The probation department, county department of human or social services, or any other agency designated by the court shall make the investigation. On the basis of the preliminary investigation, the court may:

(a) Decide that no further action is required, either in the interests of the public or of the child;

(b) Authorize a petition to be filed; or

(c) (I) Make whatever informal adjustment is practicable without a petition if:

(A) The child and his parents, guardian, or other legal custodian were informed of their constitutional and legal rights, including being represented by counsel at every stage of the proceedings;

(B) The facts are admitted and establish prima facie jurisdiction; except that such admission shall not be used in evidence if a petition is filed; and

(C) Written consent is obtained from the parents, guardian, or other legal custodian and also from the child, if of sufficient age and understanding.

(II) Efforts to effect informal adjustment may extend no longer than six months.

(2) (a) Upon receipt of a report filed by a law enforcement agency, or any other person required to report pursuant to section 19-3-304 (2) indicating that a child has suffered abuse as defined in section 19-1-103 (1) and that the best interests of the child require that he be protected from risk of further such abuse, the court shall then authorize and may order the filing of a petition.

(b) Upon receipt of a report, as described in paragraph (a) of this subsection (2), from any person other than those specified in said paragraph (a), the court, after such investigation as may be reasonable under the circumstances, may authorize and may order the filing of a petition.

19-3-502. Petition form and content - limitations on claims in dependency or neglect actions. (1) The petition and all subsequent court documents in any proceedings brought under this article shall be entitled "The People of the State of Colorado, in the Interest of _____, a child (or children) and Concerning _____, Respondent." The petition shall be verified, and the statements in the petition may be made upon information and belief.

(2) The petition shall set forth plainly the facts which bring the child within the court's jurisdiction. The petition shall also state the name, age, and residence of the child and the names and residences of his parents, guardian, custodian, legal custodian, stepparent, or spousal equivalent or of his nearest known relative if no parent, guardian, custodian, legal custodian, stepparent, or spousal equivalent is known.

(2.5) The petition in each case where removal of a child from the home is sought shall either state that reasonable efforts to prevent out-of-home placement were made and shall summarize such efforts or, if no services to prevent out-of-home placement were provided, the petition shall contain an explanation of why such services were not provided or a description of the emergency which precluded the use of services to prevent out-of-home placement of the child. The petition shall be verified.

(2.7) (a) Pursuant to the provisions of section 19-1-126, the petition must:

(I) Include a statement indicating what continuing inquiries the county department of human or social services has made in determining whether the child who is the subject of the proceeding is an Indian child;

(II) Identify whether the child is an Indian child; and

(III) Include the identity of the Indian child's tribe, if the child is identified as an Indian child.

(b) If notices were sent to the parent or Indian custodian of the child and to the Indian child's tribe, pursuant to section 19-1-126, the postal receipts shall be attached to the petition and

filed with the court or filed within ten days after the filing of the petition, as specified in section 19-1-126 (1)(c).

(3) All petitions filed alleging the dependency or neglect of a child shall include the following statements:

(a) "Termination of the parent-child legal relationship is a possible remedy available if this petition alleging that a child is dependent or neglected is sustained. A separate hearing must be held before such termination is ordered. Termination of the parent-child legal relationship means that the child who is the subject of this petition would be eligible for adoption."

(b) "If the child is placed out of the home for a period of twelve months or longer, the court shall hold a permanency hearing within said twelve months to determine a permanent placement for the child."

(c) "The review of any decree of placement of a child subsequent to the three-month review required by section 19-1-115 (4)(a) may be conducted as an administrative review by the department of human services, as appropriate. If you are a party to the action, you have a right to object to an administrative review, and if you object, the review shall be conducted by the court."

(4) No counterclaim, cross claim, or other claim for damages may be asserted by a respondent in an action alleging the dependency or neglect of a child, but nothing in this subsection (4) shall be construed to prohibit a respondent from asserting a claim for damages in an action independent of an action alleging the dependency or neglect of a child.

(5) Any parent, guardian, or legal custodian alleged to have abused or neglected a child shall be named as a respondent in the petition concerning such child. The county attorney, city attorney of a city and county, or special county attorney may name any other parent, guardian, custodian, legal custodian, stepparent, or spousal equivalent as a respondent in the petition if he determines that it is in the best interests of the child to do so.

(6) A person may be named as a special respondent on the grounds that he resides with, has assumed a parenting role toward, has participated in whole or in part in the neglect or abuse of, or maintains a significant relationship with the child. Personal jurisdiction shall be obtained over a special respondent once he is given notice by a service of summons and a copy of the petition or motion describing the reasons for his joinder. A special respondent shall be afforded an opportunity for a hearing to contest his joinder and the appropriateness of any orders that affect him and shall have the right to be represented by counsel at such hearing. At any other stage of the proceedings, a special respondent may be represented by counsel at his own expense.

(7) In addition to notice to all parties, the court shall ensure that notice is provided of all hearings and reviews held regarding a child to the following persons with whom a child is placed: Foster parents, pre-adoptive parents, or relatives. Such persons shall have the right to be heard at such hearings and reviews. The persons with whom a child is placed shall provide prior notice to the child of all hearings and reviews held regarding the child. The foster parent, pre-adoptive parent, or relative providing care to a child shall not be made a party to the action for purposes of any hearings or reviews solely on the basis of such notice and right to be heard. Notice of hearings and reviews shall not reveal to the respondent parent or other relative the address, last name, or other such identifying information regarding any person providing care to the child.

19-3-503. Summons - issuance - contents - service. (1) After a petition has been filed, the court shall promptly issue a summons reciting briefly the substance of the petition. The summons shall also contain a statement, when appropriate, that the termination of the parent-child legal relationship is a possible remedy under the proceedings and shall set forth the constitutional and legal rights of the child, his parents, guardian, or legal custodian, or any other respondent or special respondent, including the right to have an attorney present at the hearing on the petition.

(2) No summons shall issue to any respondent who appears voluntarily or who waives service, but any such person shall be provided with a copy of the petition and summons upon appearance or request.

(3) The summons shall require the person or persons having the physical custody of the child to appear, and it may order the child to appear before the court at a time and place stated. If the person or persons so summoned are not the parents or guardian of the child, then a summons shall also be issued to the parents or guardian, or both, notifying them of the pendency of the case and of the time and place set for hearing.

(4) The court on its own motion or on the motion of any party may join as a respondent or special respondent or require the appearance of any person it deems necessary to the action and authorize the issuance of a summons directed to such person. Any party to the action may request the issuance of compulsory process by the court requiring the attendance of witnesses on his own behalf or on behalf of the child.

(5) If it appears that the welfare of the child or of the public requires that the child be taken into custody, the court may, by endorsement upon the summons, direct that the person serving the summons take the child into custody at once.

(6) The court may authorize the payment of necessary travel expenses incurred by persons summoned or otherwise required to appear, which payments shall not exceed the amount allowed to witnesses for travel by the district court.

(7) Summons shall be served personally, pursuant to the Colorado rules of civil procedure. If personal service is used, it shall be sufficient to confer jurisdiction if service is effected not less than two days before the time fixed in the summons for the appearance of the person served; except that personal service shall be effected not less than five days prior to the time set for a hearing concerning a dependent or neglected child.

(8) If the respondent required to be summoned under subsection (3) of this section cannot be found within the state, the fact of the child's presence in the state shall confer jurisdiction on the court as to any absent respondent if due notice has been given in the following manner:

(a) When the residence of the person to be served outside the state is known, a copy of the summons and petition shall be sent by certified mail with postage prepaid to such person at his place of residence with a return receipt requested. Service of summons shall be deemed complete within five days after return of the requested receipt.

(b) When the person to be served has no residence within Colorado and his place of residence is not known or when he cannot be found within the state after due diligence, service may be by publication pursuant to rule 4 (g) of the Colorado rules of civil procedure; except that service may be by a single publication and must be completed not less than five days prior to the time set for a hearing concerning a dependent or neglected child.

19-3-504. Contempt - warrant. (1) Any person summoned or required to appear as provided in section 19-3-503 who has acknowledged service and fails to appear without reasonable cause may be proceeded against for contempt of court.

(2) If after reasonable effort the summons cannot be served or if the welfare of the child requires that he be brought immediately into the custody of the court, a bench warrant may be issued for the respondent or for the child.

Editor's note: This section was contained in a title that was repealed and reenacted in 1987. Provisions of this section, as it existed in 1987, are similar to those contained in 19-3-104 as said section existed in 1986, the year prior to the repeal and reenactment of this title.

19-3-505. Adjudicatory hearing - findings - adjudication. (1) At the adjudicatory hearing, the court shall consider whether the allegations of the petition are supported by a preponderance of the evidence; except that jurisdictional matters of the age and residence of the child shall be deemed admitted by or on behalf of the child unless specifically denied prior to the adjudicatory hearing.

(2) Evidence tending to establish the necessity of separating the child from the parents or guardian may be admitted but shall not be required for the making of an order of adjudication.

(3) Adjudicatory hearings shall be held at the earliest possible time, but in no instance shall such hearing be held later than ninety days after service of the petition, or, in a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), in no instance shall such hearing be held later than sixty days after service of the petition unless the court finds that the best interests of the child will be served by granting a delay. If the court determines that a delay is necessary, it shall set forth the specific reason why such delay is necessary and shall schedule the adjudicatory hearing at the earliest possible time following the delay.

(4) (a) When it appears that the evidence presented at the hearing discloses facts not alleged in the petition, the court may proceed immediately to consider the additional or different matters raised by the evidence if the parties consent.

(b) In such event, the court, on the motion of any interested party or on its own motion, shall order the petition to be amended to conform to the evidence.

(c) If the amendment results in a substantial departure from the original allegations in the petition, the court shall continue the hearing on the motion of any interested party, or the court may grant a continuance on its own motion if it finds it to be in the best interests of the child or any other party to the proceeding.

(d) If it appears from the evidence that the child may have a mental health disorder or an intellectual and developmental disability as these terms are defined in article 10.5 of title 27, subsections (4)(a) to (4)(c) of this section do not apply, and the court shall proceed pursuant to section 19-3-506.

(5) After making a finding as provided by paragraph (a) of subsection (7) of this section but before making an adjudication, the court may continue the hearing from time to time, allowing the child to remain in his own home or in the temporary custody of another person or agency subject to such conditions of conduct and of visitation or supervision by a juvenile probation officer as the court may prescribe, if:

(a) Consent is given by the parties, including the child and his parent, guardian, or other legal custodian after being fully informed by the court of their rights in the proceeding, including their right to have an adjudication made either dismissing or sustaining the petition;

(b) Such continuation shall extend no longer than six months without review by the court. Upon review, the court may continue the case for an additional period not to exceed six months, after which the petition shall either be dismissed or sustained.

(6) When the court finds that the allegations of the petition are not supported by a preponderance of the evidence, the court shall order the petition dismissed and the child discharged from any detention or restriction previously ordered. His or her parents, guardian, or legal custodian shall also be discharged from any restriction or other previous temporary order. The court shall inform the respondent that, pursuant to section 19-3-313.5 (3)(f), the department shall expunge the records and reports for purposes related to employment or background checks.

(7) (a) When the court finds that the allegations of the petition are supported by a preponderance of the evidence, except when the case is continued as provided in the introductory portion to subsection (5) of this section, the court shall sustain the petition and shall make an order of adjudication setting forth whether the child is neglected or dependent. Evidence that child abuse or nonaccidental injury has occurred shall constitute prima facie evidence that such

child is neglected or dependent, and such evidence shall be sufficient to support an adjudication under this section.

(b) The court shall then hold the dispositional hearing, but such hearing may be continued on the motion of any interested party or on the motion of the court. Such continuance shall not exceed thirty days unless good cause exists. In a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), the dispositional hearing shall be held within thirty days after the adjudicatory hearing unless good cause is shown and unless the court finds that the best interests of the child will be served by granting a delay. It is the intent of the general assembly that the dispositional hearing be held on the same day as the adjudicatory hearing, whenever possible.

19-3-506. Child with a mental health disorder or an intellectual and developmental disability - procedure. (1) (a) If it appears from the evidence presented at an adjudicatory hearing or otherwise that a child may have an intellectual and developmental disability, as defined in article 10.5 of title 27, the court shall refer the child to the community-centered board in the designated service area where the action is pending for an eligibility determination pursuant to article 10.5 of title 27.

(b) If it appears from the evidence presented at an adjudicatory hearing or otherwise that a child may have a mental health disorder, as defined in sections 27-65-105 and 27-65-106, and the child has not had a mental health disorder prescreening pursuant to section 19-3-403 (4), the court shall order a prescreening to determine whether the child requires further evaluation. The prescreening shall be conducted as expeditiously as possible, and a prescreening report must be provided to the court within twenty-four hours of the prescreening, excluding Saturdays, Sundays, and legal holidays.

(c) If the mental health professional finds, based upon a prescreening done pursuant to this section or section 19-3-403 (4), that the child may have a mental health disorder, as defined in section 27-65-102, the court shall review the prescreening report within twenty-four hours, excluding Saturdays, Sundays, and legal holidays, and order the child placed for an evaluation at a facility designated by the executive director of the department of human services for a seventy-two-hour treatment and evaluation pursuant to section 27-65-105 or 27-65-106. On and after January 1, 1986, if the child to be placed is in a detention facility, the designated facility shall

admit the child within twenty-four hours after the court orders an evaluation, excluding Saturdays, Sundays, and legal holidays.

(d) Any evaluation conducted pursuant to this subsection (1) must be completed within seventy-two hours, excluding Saturdays, Sundays, and legal holidays. A county jail or a detention facility, as described in article 2 of this title 19, is not considered a suitable facility for evaluation, although a mental health disorder prescreening may be conducted in any appropriate setting.

(e) If the mental health professional finds, based upon the prescreening, that the child does not have a mental health disorder, the court shall review the prescreening report within twenty-four hours, excluding Saturdays, Sundays, and legal holidays, and copies of the report shall be furnished to all parties and their attorneys. Any interested party may request a hearing on the issue of the child's mental health disorder, and the court may order additional prescreenings as deemed appropriate. The court shall not enter an order for a seventy-two-hour treatment and evaluation unless a hearing is held and evidence indicates that the prescreening report is inadequate, incomplete, or incorrect and that competent professional evidence is presented from a mental health professional that indicates that a mental health disorder is present in the child. The court shall make, prior to the hearing, such orders regarding temporary custody of the child as are deemed appropriate.

(2) (a) When an evaluation is ordered by the court pursuant to subsection (1) of this section, the order must specify the person or agency to whom the child shall be released when the evaluation indicates that the child does not have a mental health disorder.

(b) When the court orders an evaluation pursuant to subsection (1) of this section, such order shall not obligate the person doing the prescreening or the agency which such person represents to pay for an evaluation or for any hospitalization provided to the child as a result of an evaluation.

(3) (a) When the evaluation conducted pursuant to subsection (1) of this section states that the child has a mental health disorder, as defined in section 27-65-102, the court shall treat the evaluation report as a certification under section 27-65-107 and shall proceed pursuant to article 65 of title 27, assuming all of the powers granted to a court in such proceedings.

(b) When, subsequent to referral to a community centered board pursuant to subsection (1) of this section, it appears that the child has developmental disabilities, the court may proceed pursuant to article 10.5 of title 27, C.R.S., or may follow any of the recommendations contained in the report from the community centered board.

(c) If the child remains in treatment or receives services ordered pursuant to paragraph (a) or (b) of this subsection (3), the court may suspend the proceedings or dismiss any actions pending under this title.

(d) If a child receiving treatment or services ordered pursuant to paragraph (a) or (b) of this subsection (3) leaves a treatment facility or program without prior approval, the facility or program shall notify the court of the child's absence within twenty-four hours. When such child is taken into custody, the facility or program shall be notified by the court and shall readmit the child within twenty-four hours after receiving such notification, excluding Saturdays, Sundays, and legal holidays.

(4) (a) When the report of the evaluation or eligibility determination conducted pursuant to subsection (1) of this section states that the child does not have a mental health disorder or an intellectual and developmental disability, the child shall be released to the person or agency

specified pursuant to subsection (2) of this section within twenty-four hours after the evaluation has been completed, excluding Saturdays, Sundays, and legal holidays. The child must not be detained unless a new detention hearing is held within twenty-four hours, excluding Saturdays, Sundays, and legal holidays, and the court finds at that hearing that secure detention is necessary.

(b) When the evaluation report or eligibility determination states that the child does not have a mental health disorder or an intellectual and developmental disability, the court shall set a time for resuming the hearing on the petition or any other pending matters.

19-3-507. Dispositional hearing. (1) (a) After making an order of adjudication, the court shall hear evidence on the question of the proper disposition best serving the interests of the child and the public. Such evidence shall include, but not necessarily be limited to, the social study and other reports as provided in section 19-1-107.

(b) Prior to any dispositional hearing, the caseworker of the department of human services assigned to the case shall submit to the court a statement that details the services that were offered to or provided to the family to prevent unnecessary out-of-home placement of the child and to facilitate the reunification of the child with the family. The statement shall contain an explanation of the services or actions that, had such services or actions been available, would have been necessary to enable the child to remain at home safely. In the alternative, the caseworker may submit a statement as to why no services or actions would have made it possible for the child to remain at home safely. If the child is part of a sibling group, as defined in section 19-1-103 (98.5), and the child was not placed with his or her siblings, the caseworker shall submit to the court a statement about whether it continues to be in the best interests of the child or the children in the sibling group to be placed separately. If the caseworker locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it shall be presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(c) If one or both of the parents have a disability, reasonable accommodations and modifications, as set forth in the federal "Americans with Disabilities Act of 1990", 42 U.S.C.

sec. 12101 et seq., and its related amendments and implementing regulations, are necessary to ensure the treatment plan components are accessible. If applicable, any identified accommodations and modifications must be listed in the report prepared for the dispositional hearing.

(2) If the court has reason to believe that the child may have an intellectual and developmental disability, the court shall refer the child to the community-centered board in the designated service area where the action is pending for an eligibility determination pursuant to article 10.5 of title 27. If the court has reason to believe that the child may have a behavioral or mental health disorder, the court shall order a behavioral or mental health disorder prescreening to be conducted in any appropriate place.

(3) (a) Except as provided in section 19-3-508 (1), the court may continue the dispositional hearing, either on its own motion or on the motion of any interested party, for a reasonable period to receive reports or other evidence.

(b) If the hearing is continued, the court shall make an appropriate order for detention of the child or for such child's release in the custody of such child's parents, guardian, or other responsible person or agency under such conditions of supervision as the court may impose during the continuance.

(c) In scheduling investigations and hearings, the court shall give priority to proceedings concerning a child who is in detention or who has otherwise been removed from such child's home before an order of disposition has been made.

(4) In any case in which the disposition is placement out of the home, except for children committed to the department of human services, the court shall, at the time of placement, set a review within ninety days to determine whether continued placement is necessary and in the best interests of the child and the community and whether reasonable efforts have been made to return the child to the home or in the case of a sibling group whether it is in the best interests of the children in the sibling group to be placed together. If the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it shall be presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children. The judge shall review the family services plan document regarding placement of siblings. Notice of said review shall be given by the court to all parties and to the director of the facility or agency in which the child is placed and any person who has physical custody of the child and any attorney or guardian ad litem of record. The review shall be conducted in accordance with section 19-1-115 (8)(f).

(5) (a) Parents, grandparents, relatives, or foster parents who have the child in their care for more than three months who have information or knowledge concerning the care and protection of the child may intervene as a matter of right following adjudication with or without counsel.

(b) A county department of human or social services that placed a child in foster care shall provide the foster parent of the child and any pre-adoptive parent or relative providing care for the child with notice of any administrative review of the child's case.

(c) Upon the written request of the foster parent, pre-adoptive parent, or relative, notice of a court hearing for the child's case shall be provided in written form and may be provided

through the caseworker at the usual periodic meetings with the person providing care for the child. The notice shall include, at a minimum:

(I) The child's court case number;

(II) The date and time of the next court hearing; and

(III) The name of the magistrate or judge and the court division to which the case has been assigned.

19-3-508. Neglected or dependent child - disposition - concurrent planning. (1) When a child has been adjudicated to be neglected or dependent, the court may enter a decree of disposition the same day, but in any event it shall do so within forty-five days unless the court finds that the best interests of the child will be served by granting a delay. In a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), the court shall enter a decree of disposition within thirty days after the adjudication and shall not grant a delay unless good cause is shown and unless the court finds that the best interests of the child will be served by granting the delay. It is the intent of the general assembly that the dispositional hearing be held on the same day as the adjudicatory hearing, whenever possible. If a delay is granted, the court shall set forth the reasons why a delay is necessary and the minimum amount of time needed to resolve the reasons for the delay and shall schedule the hearing at the earliest possible time following the delay. When the proposed disposition is termination of the parent-child legal relationship, the hearing on termination must not be held on the same date as the adjudication, and the time limits set forth above for dispositional hearings do not apply. When the proposed disposition is

termination of the parent-child legal relationship, the court may continue the dispositional hearing to the earliest available date for a hearing in accordance with the provisions of subsection (3)(a) of this section and part 6 of this article 3. When the decree does not terminate the parent-child legal relationship, the court shall approve an appropriate treatment plan that must include but not be limited to one or more of the following provisions of subsections (1)(a) to (1)(d) of this section:

(a) The court may place the child in the legal custody of one or both parents or the guardian, with or without protective supervision, under such conditions as the court deems necessary and appropriate. In a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2) and is placed with a parent or guardian who is a named respondent in a petition filed pursuant to section 19-3-502, the treatment plan shall include a requirement that the family obtain services specific to the family's needs if available in the community where the family resides and based on the social study and reports provided pursuant to section 19-1-107 (2.5).

(b) The court may place the child in the legal custody of a relative, including the child's grandparent, or other suitable person, with or without protective supervision, under such conditions as the court deems necessary and appropriate. If a child is not placed with a parent pursuant to paragraph (a) of this subsection (1), preference may be given by the court for placement with a grandparent pursuant to this paragraph (b) if in the best interests of the child.

(c) The court may place legal custody in the county department of human or social services or a child placement agency for placement in a foster care home or other child care facility. When the child is part of a sibling group and the sibling group is being placed out of the home, if the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it is presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(d) (I) The court may order that the child be examined or treated by a physician, surgeon, psychiatrist, or psychologist or that he or she receive other special care and may place the child in a hospital or other suitable facility for such purposes; except that the child may not be placed in a mental health facility operated by the department of human services until the child has received a behavioral or mental health disorder prescreening resulting in a recommendation that the child be placed in a facility for evaluation pursuant to section 27-65-105 or 27-65-106, or a hearing has been held by the court after notice to all parties, including the department of human services. An order for a seventy-two-hour treatment and evaluation must not be entered unless a hearing is held and evidence indicates that the prescreening report is inadequate, incomplete, or incorrect and that competent professional evidence is presented by a mental health professional that indicates that a behavioral or mental health disorder is present in the child. The court shall make, prior to the hearing, such orders regarding temporary custody of the child as are deemed appropriate.

(II) Placement in any facility operated by the department of human services shall continue for such time as ordered by the court or until the professional person in charge of the child's treatment concludes that the treatment or placement is no longer appropriate. If placement or treatment is no longer deemed appropriate, the court shall be notified and a hearing held for further disposition of the child within five days, excluding Saturdays, Sundays, and legal

holidays. The court shall make, prior to the hearing, such orders regarding temporary custody of the child as are deemed appropriate.

(e) (I) Except where the proposed disposition is termination of the parent-child legal relationship, the court shall approve an appropriate treatment plan involving the child named and each respondent named and served in the action. However, the court may find that an appropriate treatment plan cannot be devised as to a particular respondent because the child has been abandoned as set forth in section 19-3-604 (1)(a) and the parents cannot be located, or because the child has been adjudicated as neglected or dependent based upon section 19-3-102 (2), or due to the unfitness of the parents as set forth in section 19-3-604 (1)(b). When the court finds that an appropriate treatment plan cannot be devised, the court shall conduct a permanency hearing as set forth in section 19-3-702 (1), unless a motion for termination of parental rights has been filed within thirty days after the court's finding.

(II) Repealed.

(2) Before a disposition other than that provided in paragraph (a) of subsection (1) of this section is made, it shall be established by a preponderance of the evidence that a separation of the child from the parents or guardian is in the best interests of the child.

(3) (a) The court may enter a decree terminating the parent-child legal relationship of one or both parents pursuant to part 6 of this article. Pursuant to section 19-3-602 (1), in a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), the court shall hear a motion for termination within one hundred twenty days after such motion is filed, and shall not grant a delay unless good cause is shown and unless the court finds that the best interests of the child will be served by granting a delay in accordance with the requirements of section 19-3-104.

(b) Upon the entry of a decree terminating the parent-child legal relationship of both parents, of the sole surviving parent, or of the only known parent, the court may:

(I) Vest the county department of human or social services or a child placement agency with the legal custody and guardianship of the person of a child for the purposes of placing the child for adoption; or

(II) Make any other disposition provided in paragraph (b), (c), or (d) of subsection (1) of this section that the court finds appropriate.

(b.5) In making a disposition pursuant to paragraph (b) of this subsection (3), the court may give preference to making a disposition as provided in paragraph (b) of subsection (1) of this section, if in the best interests of the child.

(c) Upon the entry of a decree terminating the parent-child legal relationship of one parent, the court may:

(I) Leave the child in the legal custody of the other parent and discharge the proceedings; or

(II) Make any other disposition provided in subsection (1) of this section that the court finds appropriate.

(4) (Deleted by amendment, L. 97, p. 520, § 8, effective July 1, 1997.)

(5) (a) In placing the legal custody or guardianship of the person of a child with an individual or a private agency, the court shall give primary consideration to the welfare of the child but shall take into consideration the religious preferences of the child or of his parents whenever practicable.

(b) (I) If the court finds that placement out of the home is necessary and is in the best interests of the child and the community, the court shall place the child with a relative, including the child's grandparent, as provided in paragraph (b) of subsection (1) of this section, if such placement is in the child's best interests. The court shall place the child in the facility or setting that most appropriately meets the needs of the child, the family, and the community. In making its decision as to proper placement, the court shall utilize the evaluation for placement prepared pursuant to section 19-1-107. If the court deviates from the recommendations of the evaluation for placement in a manner that results in a difference in the cost of the disposition ordered by the court and the cost of the disposition recommended in the evaluation, the court shall make specific findings of fact relating to its decision, including the monthly cost of the placement, if ordered. A copy of such findings shall be sent to the chief justice of the supreme court, who shall report annually to the joint budget committee and annually to the health, environment, welfare, and institutions committees of the house of representatives and senate of the general assembly on such orders.

(II) Notwithstanding the provisions of subparagraph (I) of this paragraph (b) to the contrary, when the child is part of a sibling group and the sibling group is being placed out of the home, if the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it shall be presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(6) The court may grant a new hearing as provided in the Colorado rules of juvenile procedure.

(7) Efforts to place a child for adoption or with a legal guardian or custodian, including identifying appropriate in-state and out-of-state permanent placement options, may be made concurrently with reasonable efforts to preserve and reunify the family.

(8) When entering a decree placing the child in the legal custody of a relative or placing the child in the legal custody of a county department for placement in a foster care home, the court shall ensure that the child's placement at the time of the hearing is in the best interests of the child and shall inquire about documentation that the county department or a licensed child placement agency has adequately screened the foster care provider or the family member who is seeking to care for the child and any adult residing in that home and that all of the criminal history record checks and other background checks have been completed as required pursuant to section 26-6-106.3, C.R.S., or 19-3-407.

Source: L. 87: Entire title R&RE, p. 787, § 1, effective October 1.

Editor's note: This section was contained in a title that was repealed and reenacted in 1987. Provisions of this section, as it existed in 1987, are similar to those contained in 19-11-101 as said section existed in 1986, the year prior to the repeal and reenactment of this title.

19-3-602. Motion for termination - separate hearing - right to counsel - no jury trial. (1) Termination of a parent-child legal relationship shall be considered only after the filing of a written motion alleging the factual grounds for termination, and termination of a parent-child legal relationship shall be considered at a separate hearing following an adjudication of a

child as dependent or neglected. Such motion shall be filed at least thirty days before such hearing. In a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), the court shall hear the motion for termination within one hundred twenty days after such motion is filed, and shall not grant a delay unless good cause is shown and unless the court finds that the best interests of the child will be served by granting a delay in accordance with the requirements of section 19-3-104.

(1.5) (a) Pursuant to the provisions of section 19-1-126, the motion for termination shall:

(I) Include a statement indicating what continuing inquiries the county department of social services has made in determining whether the child who is the subject of the termination proceeding is an Indian child;

(I.5) Include a statement indicating that a grandparent, aunt, uncle, brother, or sister of the child must file a request for guardianship and legal custody of the child within twenty days of the filing of the motion;

(II) Identify whether the child is an Indian child; and

(III) Include the identity of the Indian child's tribe, if the child is identified as an Indian child.

(b) If notices were sent to the parent or Indian custodian of the child and to the Indian child's tribe, pursuant to section 19-1-126, the postal receipts, or copies thereof, shall be attached to the motion for termination and filed with the court or filed within ten days after the filing of the motion for termination, as specified in section 19-1-126 (1)(c).

(2) After a motion for termination of a parent-child legal relationship is filed pursuant to this part 6, the parent or parents shall be advised of the right to counsel if not already represented by counsel of record; and counsel shall be appointed in accordance with the provisions of section 19-1-105. The parent or parents shall also be advised that a grandparent, aunt, uncle, brother, or sister of the child must file a request for guardianship and legal custody of the child within twenty days of the filing of the motion. Advisement of right to counsel and the time for a relative to file a request may be done in open court or in a writing served as provided by law for motions and notices in a proceeding under section 19-1-104 (1)(b).

(3) A guardian ad litem, who shall be an attorney and who shall be the child's previously appointed guardian ad litem whenever possible, shall be appointed to represent the child's best interests in any hearing determining the involuntary termination of the parent-child legal relationship. Additionally, said attorney shall be experienced, whenever possible, in juvenile law. Such representation shall continue until an appropriate permanent placement of the child is effected or until the court's jurisdiction is terminated. If a respondent parent is a minor, a guardian ad litem shall be appointed and shall serve in addition to any counsel requested by the parent.

(4) There shall be no right to a jury trial at proceedings held to consider the termination of a parent-child legal relationship.

19-3-603. Notice - abandonment. Editor's note: This section was contained in a title that was repealed and reenacted in 1987. Provisions of this section, as it existed in 1987, are similar to those contained in 19-11-104 as said section existed in 1986, the year prior to the repeal and reenactment of this title.

19-3-604. Criteria for termination. (1) The court may order a termination of the parent-child legal relationship upon the finding by clear and convincing evidence of any one of the following:

(a) That the child has been adjudicated dependent or neglected and has been abandoned by the child's parent or parents as follows:

(I) That the parent or parents have surrendered physical custody of the child for a period of six months or more and have not manifested during such period the firm intention to resume physical custody of the child or to make permanent legal arrangements for the care of the child except in cases when voluntary placement is renewable under section 19-1-115 (8)(a);

(II) That the identity of the parent of the child is unknown and has been unknown for three months or more and that reasonable efforts to identify and locate the parent in accordance with section 19-3-603 have failed;

(b) That the child is adjudicated dependent or neglected and the court finds that an appropriate treatment plan cannot be devised to address the unfitness of the parent or parents. In making such a determination, the court shall find one of the following as the basis for unfitness:

(I) An emotional illness, a behavioral or mental health disorder, or an intellectual and developmental disability of the parent of such duration or nature as to render the parent unlikely within a reasonable time to care for the ongoing physical, mental, and emotional needs and conditions of the child. The court shall make findings that the provision of reasonable accommodations and modifications pursuant to the federal "Americans with Disabilities Act of 1990", 42 U.S.C. sec. 12101 et seq., and its related amendments and implementing regulations, will not remediate the impact of the parent's disability on the health or welfare of the child.

(II) A single incident resulting in serious bodily injury or disfigurement of the child;

(III) Long-term confinement of the parent of such duration that the parent is not eligible for parole for at least six years after the date the child was adjudicated dependent or neglected or,

in a county designated pursuant to section 19-1-123, if the child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), the long-term confinement of the parent of such duration that the parent is not eligible for parole for at least thirty-six months after the date the child was adjudicated dependent or neglected and the court has found by clear and convincing evidence that no appropriate treatment plan can be devised to address the unfitness of the parent or parents;

(IV) Serious bodily injury or death of a sibling due to proven parental abuse or neglect;

(V) An identifiable pattern of habitual abuse to which the child or another child has been subjected and, as a result of which, a court has adjudicated another child as neglected or dependent based upon allegations of sexual or physical abuse, or a court of competent jurisdiction has determined that such abuse has caused the death of another child;

(VI) An identifiable pattern of sexual abuse of the child; or

(VII) The torture of or extreme cruelty to the child, a sibling of the child, or another child of either parent;

(c) That the child is adjudicated dependent or neglected and all of the following exist:

(I) That an appropriate treatment plan approved by the court has not been reasonably complied with by the parent or parents or has not been successful or that the court has previously found, pursuant to section 19-3-508 (1)(e), that an appropriate treatment plan could not be devised. In a county designated pursuant to section 19-1-123, if a child is under six years of age at the time a petition is filed in accordance with section 19-3-501 (2), no parent or parents shall be found to be in reasonable compliance with or to have been successful at a court-approved treatment plan when:

(A) The parent has not attended visitations with the child as set forth in the treatment plan, unless good cause can be shown for failing to visit; or

(B) The parent exhibits the same problems addressed in the treatment plan without adequate improvement, including but not limited to improvement in the relationship with the child, and is unable or unwilling to provide nurturing and safe parenting sufficiently adequate to meet the child's physical, emotional, and mental health needs and conditions despite earlier intervention and treatment for the family. The court may receive testimony regarding the family's progress under the treatment plan from the child's physician or therapist, foster parent, educational or religious teachers, CASA volunteer, or caseworker.

(II) That the parent is unfit; and

(III) That the conduct or condition of the parent or parents is unlikely to change within a reasonable time.

(2) In determining unfitness, conduct, or condition for purposes of paragraph (c) of subsection (1) of this section, the court shall find that continuation of the legal relationship between parent and child is likely to result in grave risk of death or serious bodily injury to the child or that the conduct or condition of the parent or parents renders the parent or parents unable or unwilling to give the child reasonable parental care to include, at a minimum, nurturing and safe parenting sufficiently adequate to meet the child's physical, emotional, and mental health needs and conditions. In making such determinations, the court shall consider, but not be limited to, the following:

(a) Any one of the bases for a finding of parental unfitness set forth in paragraph (b) of subsection (1) of this section;

(b) Conduct towards the child of a physically or sexually abusive nature;

(c) History of violent behavior;

(d) A single incident of life-threatening or serious bodily injury or disfigurement of the child;

(e) Excessive use of intoxicating liquors or controlled substances, as defined in section 18-18-102 (5), C.R.S., which affects the ability to care and provide for the child;

(f) Neglect of the child;

(g) Injury or death of a sibling due to proven parental abuse or neglect, murder, voluntary manslaughter, or circumstances in which a parent aided, abetted, or attempted the commission of or conspired or solicited to commit murder of a child's sibling;

(h) Reasonable efforts by child-caring agencies which have been unable to rehabilitate the parent or parents;

(i) That any parent who is a named respondent in the termination proceeding has had prior involvement with the department of human services concerning an incident of abuse or neglect involving the child and a subsequent incident of abuse or neglect occurs;

(j) Whether a parent committed felony assault that resulted in serious bodily injury to the child or to another child of the parent;

(k) That the child has been in foster care under the responsibility of the county department for fifteen of the most recent twenty-two months, unless:

(I) The child is placed with a relative of the child;

(II) The county department or a state agency has documented in the case plan, which shall be available for court review, that filing such a motion would not be in the best interests of the child;

(III) Where required to make reasonable efforts, services identified as necessary for the safe return of the child to the child's home have not been provided to the family consistent with the time period in the case plan; or

(IV) The child has been in foster care under the responsibility of the county department for such period of time due to circumstances beyond the control of the parent such as incarceration of the parent for a reasonable period of time, court delays or continuances that are not attributable to the parent, or such other reasonable circumstances that the court finds are beyond the control of the parent;

(l) Whether, on two or more occasions, a child in the physical custody of the parent has been adjudicated dependent or neglected in a proceeding under this article or comparable proceedings under the laws of another state or the federal government;

(m) Whether, on one or more prior occasions, a parent has had his or her parent-child legal relationship terminated pursuant to this article or section 19-5-105 or comparable proceedings under the laws of another state or the federal government.

(3) In considering the termination of the parent-child legal relationship, the court shall give primary consideration to the physical, mental, and emotional conditions and needs of the child. The court shall review and order, if necessary, an evaluation of the child's physical, mental, and emotional conditions. For the purpose of determining termination of the parent-child legal relationship, written reports and other materials relating to the child's mental, physical, and social history may be received and considered by the court along with other evidence; but the court, if so requested by the child, his parent or guardian, or any other interested party, shall require that the person who wrote the report or prepared the material appear as a witness and be subject to both direct and cross-examination. In the absence of such request, the court may order

the person who prepared the report or other material to appear if it finds that the interest of the child so requires.

19-3-605. Request for placement with family members. (1) Following an order of termination of the parent-child legal relationship, the court shall consider, but shall not be bound by, a request that guardianship and legal custody of the child be placed with a relative of the child. When ordering guardianship of the person and legal custody of the child, the court may give preference to a grandparent, aunt, uncle, brother, sister, half-sibling, or first cousin of the child when such relative has made a timely request therefor pursuant to the requirement of this subsection (1) and the court determines that such placement is in the best interests of the child. Such request must be submitted to the court no later than twenty days after the motion for termination is filed pursuant to section 19-3-602. Nothing in this section shall be construed to require the child placement agency with physical custody of the child to notify said relatives described in this section of the pending termination of parental rights.

(2) Notwithstanding the provisions of subsection (1) of this section to the contrary, when the child is part of a sibling group and the sibling group is being placed out of the home, if the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, the court shall presume that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be

rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(3) In making placement determinations concerning a child following the order of termination of the parent-child legal relationship pursuant to the provisions of this section, the court shall consider all pertinent information related to modifying the placement of the child prior to removing the child from his or her placement, including the following:

(a) An individualized assessment of the child's needs created pursuant to Title IV-E of the federal "Social Security Act", as amended, and regulations promulgated thereunder, as amended;

(b) Whether the child's placement at the time of the hearing is a safe and potentially permanent placement for the child, including documentation that a county department or a licensed child placement agency has adequately screened the family member who is seeking to care for the child and any adult residing in the home and that all of the criminal history record checks and other background checks have been completed as required pursuant to section 26-6-106.3, C.R.S., or section 19-3-407;

(c) The child's actual age and developmental stage and, in consideration of this information, the child's attachment needs;

(d) Whether the child has significant psychological ties to a person who could provide a permanent placement for the child, including a relative, and, if so, whether this person maintained contact with the child during the child's placement out of the home;

(e) Whether a person who could provide a permanent placement for the child is willing to maintain appropriate contact after an adoption of the child with the child's relatives, particularly sibling relatives, when such contact is safe, reasonable, and appropriate;

(f) Whether a person who could provide a permanent placement for the child is aware of the child's culture and willing to provide the child with positive ties to his or her culture;

(g) The child's medical, physical, emotional, or other specific needs, and whether a person who could provide a permanent placement for the child is able to meet the child's needs; and

(h) The child's attachment to the child's caregiver at the time of the hearing and the possible effects on the child's emotional well-being if the child is removed from the caregiver's home.

19-3-606. Review of child's disposition following termination of the parent-child legal relationship. (1) The court, at the conclusion of a hearing in which it ordered the termination of a parent-child legal relationship, shall order that a review hearing be held not later than ninety days following the date of the termination. At such hearing the agency or individual vested with custody of the child shall report to the court what disposition of the child, if any, has occurred, and the guardian ad litem shall submit a written report with recommendations to the court, based upon an independent investigation, for the best disposition of the child. Any report required under this subsection (1) shall be subject to the provisions of section 19-1-309.

(2) If no adoption has taken place within a reasonable time and the court determines that adoption is not immediately feasible or appropriate, the court may order that provision be made immediately for alternative long-term placement of the child.

(2) All ordered evaluations shall be made available to counsel at least fifteen days prior to the hearing.

19-3-608. Effect of decree. (1) An order for the termination of the parent-child legal relationship divests the child and the parent of all legal rights, powers, privileges, immunities, duties, and obligations with respect to each other, but it shall not modify the child's status as an heir at law which shall cease only upon a final decree of adoption.

(2) No order or decree entered pursuant to this part 6 shall disentitle a child to any benefit due him from any third person, including, but not limited to, any Indian tribe, any agency, any state, or the United States.

(3) After the termination of a parent-child legal relationship, the former parent is not entitled to any notice of proceedings for the adoption of the child by another, nor has he any right to object to the adoption or to otherwise participate in such proceedings.

19-3-612. Reinstatement of the parent-child legal relationship - circumstances - petition - hearings - legislative declaration. (1) The general assembly finds that, for various reasons, some children are not adopted after the termination of the parent-child legal relationship and in some cases might benefit from a reinstatement of the parent-child legal relationship if the former parent has remediated the issues that led to the termination. The purpose of this section is to address the problem of children who linger in the child welfare system by giving them a

second chance at achieving permanency with their rehabilitated former parent. The purpose of this section is to create a process by which the former parent's legal rights may be restored if certain conditions are met, both the child and the former parent want reinstatement of the relationship, a trial period is successful, and it is found to be in the best interests of the child. Reinstatement is a recognition that the situation of the former parent and child has changed since the time of the termination of the parent-child legal relationship, and reunification is now appropriate and in the best interests of the child.

(2) A county department with custody of a child whose parent's rights were terminated voluntarily or involuntarily, or the guardian ad litem of such a child, may file a petition to reinstate the parent-child legal relationship alleging the following:

(a) (I) The child is twelve years of age or older; or

(II) The child is younger than twelve years of age and is part of a sibling group, as defined in section 19-1-103 (98.5), that includes a child described in subparagraph (I) of this paragraph (a) for whom a petition to reinstate the parent-child legal relationship has been filed, and the younger sibling independently meets the conditions set forth in paragraphs (b) to (f) of this subsection (2);

(b) Both the child and the former parent consent to the petition for reinstatement of the parent-child legal relationship;

(c) The child does not have a legal parent, is not in an adoptive placement, and is not likely to be adopted within a reasonable period of time, and other permanency options have been exhausted;

(d) The child is in the legal custody of a county department;

(e) The date of the final order terminating the parent-child legal relationship was at least three years before the filing of the petition or, if the court finds that it is in the best interests of the child to consider a petition for reinstatement of the parent-child legal relationship, less than three years from the date of the final order terminating the parent-child legal relationship; and

(f) The dependency and neglect action did not involve substantiated allegations of sexual abuse or an incident of egregious abuse or neglect against a child, a near fatality, or a suspicious fatality or near fatality as those terms are defined in section 26-1-139, C.R.S.

(3) A child who is sixteen years of age or older, or his or her guardian ad litem, may also file a petition to reinstate the parent-child legal relationship alleging that the conditions set forth in paragraphs (b) to (f) of subsection (2) of this section are met.

(4) If a former parent whose rights have been terminated contacts either the county department that has custody of the child or the child's guardian ad litem about the possible reinstatement of the parent-child legal relationship through a petition filed under this section, the county department or the guardian ad litem who was contacted must notify the other party, as applicable, within thirty days after the contact with the name and address of the former parent.

(5) If a petition to reinstate the parent-child legal relationship is filed, a former parent who is named in the petition and whose rights the petition seeks to have reinstated is entitled to appointed counsel through the office of the respondent parents' counsel pursuant to article 92 of title 13 if the former parent meets the income eligibility criteria for public counsel, or the former parent may retain counsel at his or her own expense.

(6) The petition must state the name and age of the child; the county department that has legal custody of the child; and the name and address of the former parent named in the petition. The petition shall be verified, and the statements in the petition may be made upon information

and belief. The party filing a petition to reinstate the parent-child legal relationship shall serve the petition on the following nonmovants:

(a) The child's guardian ad litem;

(b) The county department with legal custody of the child; and

(c) The former parent whose parent-child legal relationship the petition seeks to have reinstated.

(7) Upon receipt of the petition for reinstatement of the parent-child legal relationship, the court must set a date for an initial hearing to take place no more than sixty-three days after the filing of the petition. The court shall provide notice of all hearings and reviews to:

(a) The county department with legal custody of the child;

(b) The guardian ad litem;

(c) The former parent whose parent-child legal relationship the petition seeks to have reinstated;

(d) The foster parents, if any; and

(e) The child's tribe if the child is an Indian child.

(8) At the initial hearing and all subsequent hearings on the petition, the court shall consider information from the county department with legal custody of the child, the child, the child's guardian ad litem, the former parent, the person or agency that is providing care for the child, and any other person or agency that may aid the court in its review.

(9) At the initial hearing, the court shall consider and make findings about the following threshold conditions for pursuing a reinstatement of the parent-child legal relationship:

(a) Whether the allegations for filing the petition in paragraphs (a) to (f) of subsection (2) of this section or in subsection (3) of this section have been established by clear and convincing evidence;

(b) Whether the child is of a sufficient age and maturity and able to express his or her preference about reinstatement of the parent-child legal relationship;

(c) Whether the former parent has remedied the conditions that led to the child's removal and termination of the parent-child legal relationship, if applicable;

(d) What temporary transition services would be needed by the child and the former parent to have a successful reinstatement of the parent-child legal relationship;

(e) Whether the former parent can provide a safe and stable home for the child; and

(f) Whether the former parent has participated in an assessment that supports that the reinstatement of the parent-child legal relationship is in the best interests of the child. The state board may adopt rules defining the types of assessments that may be done to support reinstatement of the parent-child legal relationship. A previous finding of termination does not disqualify the former parent from being certified as an appropriate placement for a trial period under this section.

(10) At the conclusion of the initial hearing, the court shall either dismiss the petition because the threshold conditions for reinstatement set forth in subsection (9) of this section have not been met or enter an order finding that the threshold conditions for reinstatement set forth in subsection (9) of this section have been met and that it is in the best interests of the child to work toward reinstatement of the parent-child legal relationship. If the court finds that it is in the best interests of the child to pursue reinstatement of the parent-child legal relationship, the court must approve a transition plan developed by the county department and designed for reinstatement of the parent-child legal relationship, including visitation or placement of the child with the former

parent for a designated trial period of up to six months, during which time legal custody of the child remains with the county department. As part of the transition plan, the county department shall provide transition services, as needed. The county department shall assess the visitation or temporary placement of the child with the former parent and prepare a report about the success of the visitation or temporary placement. The county department shall submit the report to the court, the former parent, and the guardian ad litem not later than thirty days prior to the expiration of the designated trial period. The county department may stop the visitation or remove the child from placement with the former parent at any time, in accordance with the procedures outlined in sections 19-3-401 and 19-3-403, if it deems that the child is not safe or that it is no longer in the best interests of the child for the child to remain with the former parent.

(11) (a) The court shall schedule a final hearing prior to the expiration of the designated trial period. At the final hearing, the court shall consider the following:

(I) Whether the threshold criteria for reinstatement of the parent-child legal relationship set forth in subsection (9) of this section are still met;

(II) Whether the trial period of visitation or placement of the child with the former parent was successful;

(III) Whether the child will lose or gain any benefits or services as a result of reinstatement and how this might affect the child; and

(IV) Whether reinstatement of the parent-child legal relationship is in the best interests of the child.

(b) The court shall make findings supporting the disposition of the petition for reinstatement. The court may make the following orders:

(I) The court may grant the petition and order the reinstatement of the parent-child legal relationship if the court finds by clear and convincing evidence that it is in the best interests of the child to reinstate the parent-child legal relationship; or

(II) The court may dismiss the petition, in which case:

(A) The county department retains the legal custody of the child; and

(B) The county department shall arrange for the immediate placement of the child in out-of-home placement; and

(C) The court shall set a hearing to determine the permanency plan in accordance with section 19-3-702; or

(III) The court may continue the matter for no more than sixty days and may issue an order requiring the former parent or the county department to take certain actions before the next hearing; except that the court shall either dismiss or grant a motion for reinstatement of the parent-child legal relationship within twelve months after the date the petition for reinstatement was filed.

(12) An order reinstating the parent-child legal relationship restores all rights, powers, privileges, immunities, duties, and obligations of the former parent as to the child, including those relating to custody, control, and support of the child. If the parent-child legal relationship is reinstated, the court may require periodic review within ninety days after reinstatement.

(13) The granting of a petition for reinstatement of the parent-child legal relationship does not vacate or otherwise affect the validity of the original order terminating the parent-child legal relationship.

(14) The granting of a petition for reinstatement of the parent-child legal relationship for one former parent does not restore or otherwise impact the rights or legal status of the other former parent.

(15) A parent whose parent-child legal relationship is restored pursuant to this section is not liable for child support or the costs of any services provided to the child from the date of the original order terminating the parent-child legal relationship to the date of the order reinstating the parent-child legal relationship.

(16) This section does not create a cause of action against the county department or its employees concerning the original order terminating the parent-child legal relationship. Nothing in this section shall be construed to limit or alter the protections granted to public entities and to their employees under the "Colorado Governmental Immunity Act", article 10 of title 24, C.R.S.

19-3-702. Permanency hearing. (1) (a) In order to provide stable, permanent homes for every child or youth placed out of the home, in as short a time as possible, a court shall conduct a permanency planning hearing. The court shall hold the permanency planning hearing as soon as possible following the initial dispositional hearing pursuant to this article 3; except that the permanency planning hearing must be held no later than ninety days after the initial decree of disposition. After the initial permanency planning hearing, the court shall hold additional hearings at least every six months while the case remains open or more often in the discretion of the court, or upon the motion of any party. When possible, the permanency planning hearing must be combined with the in-person six-month review as provided for in section 19-1-115 (4)(c) or subsection (6)(a) of this section. The court shall hold all permanency planning hearings

in person, provide proper notice to all parties, and provide all parties the opportunity to be heard. The court shall consult with the child or youth in a developmentally appropriate manner regarding the child's or youth's permanency goal.

(b) If the court finds that reasonable efforts to reunify the child or youth and the parent are not required pursuant to section 19-1-115 (7) or if there is a finding that no appropriate treatment plan can be devised pursuant to section 19-3-508 (1)(d)(I), the court shall hold a permanency planning hearing within thirty days after the finding. If the court finds that reasonable efforts to reunify the child or youth and the parent are not required and a motion for termination has been filed pursuant to section 19-3-602, the permanency planning hearing and the hearing on the motion for termination may be combined, and the court shall make all determinations required at both hearings in the combined hearing.

(2) (a) When the court schedules a permanency planning hearing pursuant to this section, the court or designee of the court shall promptly issue a notice stating the purpose of the hearing. The notice must set forth the constitutional and statutory rights of the child's or youth's parents or guardian and the statutory rights of the child or youth. The notice of the hearing must comply with the requirements stated in section 19-3-502 (7) and must be sent to parents or guardians, placement providers, and named children or youth.

(b) The county department of human or social services shall propose a permanency plan for each child or youth, which plan must be completed and submitted to the court in the family services plan no later than five days in advance of the permanency planning hearing.

(3) At any permanency planning hearing, the court shall first determine if the child or youth should be returned to the child's or youth's parent, named guardian, or legal custodian and, if applicable, the date on which the child or youth must be returned. If the child or youth cannot be returned home, the court shall also determine whether reasonable efforts have been made to find a safe and stable permanent home for the child or youth. The court shall not delay permanency planning by considering the placement of children or youth together as a sibling group. At any permanency planning hearing, the court shall make the following determinations, when applicable:

(a) Whether procedural safeguards to preserve parental rights have been applied in connection with any change in the child's or youth's placement or any determination affecting parental visitation of the child or youth;

(b) Whether reasonable efforts have been made to finalize the permanency goal;

(c) Whether ongoing efforts have been made to identify kin and relatives that are available to be a permanent placement for the child or youth;

(d) When the child or youth resides in a placement out of state, whether the out-of-state placement continues to be appropriate and in the best interests of the child or youth;

(e) Whether a child or youth who is fourteen years of age or older is receiving transition services to successful adulthood, regardless of his or her permanency goal; and

(f) Whether the current placement of the child or youth could be a permanent placement, if necessary.

(4) (a) If the child or youth cannot be returned to the physical custody of the child's or youth's parent or legal guardian on the date of the hearing, the court shall enter one or more of the following permanency goals, of which subsections (4)(a)(I) to (4)(a)(V) of this section may be adopted as concurrent goals pursuant to section 19-3-508 (7):

(I) Return home;

(II) Adoption with a relative;

(III) Permanent placement with a relative through legal guardianship or allocation of parental responsibilities;

(IV) Adoption with a nonrelative;

(V) Permanent placement with a nonrelative through legal guardianship or allocation of parental responsibilities;

(VI) (A) Other planned permanent living arrangements either through emancipation or long-term foster care.

(B) Other planned permanent living arrangements may only be used as a permanency goal for children or youth in exceptional circumstances for children sixteen years of age or older who have co-occurring complex conditions that preclude their return home, their adoption or legal guardianship, or allocation of parental responsibilities; or for children and youth who are in the unaccompanied refugee minor program, regardless of their age.

(C) Other planned permanent living arrangements may not be used as a concurrent goal.

(D) The court shall ask the child or youth about his or her desired permanency outcome when considering other planned permanent living arrangements.

(b) (I) The department shall document in the family services plan the compelling reasons why it is not in the best interest of the child or youth to return home, be placed for adoption, be placed with a legal guardian, or be placed with a fit and willing relative. In addition, the department shall document intensive, ongoing, and unsuccessful efforts made to return the child or youth home or to a secure placement with a fit and willing relative, including adult siblings; a legal guardian; or an adoptive parent, including efforts that utilize search technology that includes social media to find biological family members for the children or youth.

(II) The department shall document in the family services plan and the court shall review whether the child's or youth's placement is following the reasonable and prudent parent standard and whether the child or youth has regular, ongoing opportunities to engage in age-appropriate activities.

(c) Prior to closing a case before a child's eighteenth birthday, the court or the child's guardian ad litem shall notify the child that he or she will lose the right to receive medicaid until the maximum age provided by federal law if the case is closed prior to the child's eighteenth birthday.

(d) Every child who is eighteen years of age or older who is leaving foster or kinship care must be provided with his or her birth certificate, social security card, health insurance information, medical records, either a driver's license or state-issued identification card, and proof of foster care.

(e) If the court finds that there is not a substantial probability that the child or youth will be returned to a parent or legal guardian within six months and the child or youth appears to be adoptable and meets the criteria for adoption in section 19-5-203, the court may order the county department of human or social services to show cause why it should not file a motion to terminate the parent-child legal relationship pursuant to part 6 of this article 3. Cause may include, but is not limited to, any of the following conditions:

(I) The parent or legal guardian has maintained regular parenting time and contact with the child or youth, and the child or youth would benefit from continuing this relationship;

(II) A child who is twelve years of age or older objects to termination of the parent-child legal relationship;

(III) The child's foster parents are unable to adopt the child because of exceptional circumstances that do not include an unwillingness to accept legal responsibility for the child. The foster parents must be willing and capable of providing the child with a stable and permanent environment, and it must be shown that removal of the child from the physical custody of his or her foster parents would be seriously detrimental to the emotional well-being of the child; or

(IV) The criteria for termination in section 19-3-604 have not yet been met.

(5) For a child or youth in a case designated pursuant to section 19-1-123 only:

(a) A permanent home is the place in which the child or youth may reside if the child or youth is unable to return home to a parent or legal guardian. If the court determines by a preponderance of the evidence that a permanent home is not currently available or that the child's or youth's current needs or situation prohibit placement, the court must be shown and the court must find that reasonable efforts, as defined in section 19-1-103 (89), were made to find the child or youth an appropriate permanent home and such a home is not currently available or that a child's or youth's needs or situation prohibit the child or youth from a successful placement in a permanent home.

(b) Regardless of any permanent home findings made pursuant to this section, reasonable efforts shall continue to be made to return the child or youth home unless the court has previously found or finds that reunification is not an option pursuant to section 19-1-115 (7). Any findings by the court regarding a permanent home shall not delay or interfere with reunification of a child or youth with a parent or legal guardian.

(c) At a permanency planning hearing that occurs immediately prior to twelve months after the original placement of the child or youth out of the home, the court shall make a finding identifying whether the child or youth is in a placement that can provide legal permanency. The court must make this finding to ensure that a child or youth who has been removed from his or her home is placed in a permanent home as expeditiously as possible.

(d) The court shall review the case at a permanency planning hearing at least every six months until the court finds that the child or youth is in a permanent home. The permanency planning hearings shall continue as long as the court is unable to find that the child or youth is in a permanent home. At each hearing, the court must be provided evidence that a child or youth is in a permanent home or that reasonable efforts, as defined in section 19-1-103 (89), continue to be made to find the child or youth an appropriate permanent home and such a home is not currently available or that a child's or youth's needs or situation prohibit the child or youth from successful placement in a permanent home.

(e) At each permanency planning hearing, the caseworker and the child's or youth's guardian ad litem shall provide the court with a written or verbal report specifying what efforts have been made to identify a permanent home for the child or youth and what services have been provided to the child or youth to facilitate identification of a permanent home.

(f) In determining whether a child or youth is in a permanent home, the court shall consider placement of the children or youth together as a sibling group pursuant to section 19-3-213.

(6) If a placement change is contested by a named party or child or youth and the child or youth is not reunifying with a parent or legal guardian, the court shall consider all pertinent information, including the child's or youth's wishes, related to modifying the placement of the

child or youth prior to removing the child or youth from his or her placement, and including the following:

(a) An individualized assessment of the child's or youth's needs created pursuant to Title IV-E of the federal "Social Security Act", as amended, and regulations promulgated thereunder, as amended;

(b) Whether the child's or youth's placement at the time of the hearing is a safe and potentially permanent home for the child or youth;

(c) The child's or youth's actual age and developmental stage and, in consideration of this information, the child's or youth's attachment needs;

(d) Whether the child or youth has significant psychological ties to a person who could provide a permanent home for the child or youth, including a relative, and, if so, whether this person maintained contact with the child or youth during the child's or youth's placement out of the home;

(e) Whether a person who could provide a permanent home for the child or youth is willing to maintain appropriate contact after an adoption of the child or youth with the child's or youth's relatives, particularly sibling relatives, when such contact is safe, reasonable, and appropriate;

(f) Whether a person who could provide a permanent home for the child or youth is aware of the child's or youth's culture and is willing to provide the child or youth with positive ties to his or her culture;

(g) The child's or youth's medical, physical, emotional, or other specific needs, and whether a person who could provide a permanent placement for the child or youth is able to meet the child's or youth's needs; and

(h) The child's or youth's attachment to the child's or youth's caregiver at the time of the hearing and the possible effects on the child's or youth's emotional well-being if the child or youth is removed from the caregiver's home.

ARTICLE 3.3

Office of the Child Protection Ombudsman

19-3.3-101. Legislative declaration. (1) The general assembly finds and declares that:

(a) Child abuse and neglect is a serious and reprehensible problem in society;

(b) The protection of children from abuse and neglect by applying prevention measures and observing best practices in treating children who are abused and neglected must be one of Colorado's highest public policy priorities;

(c) The child protection system must protect and serve Colorado's children in a manner that keeps them safe and healthy and promotes their well-being;

(d) The children and families served by the child protection system, as well as the public, must have a high level of confidence that the system will act in a child's best interests and will respond to the child's needs in a timely and professional manner;

(e) To engender this high level of confidence in the child protection system, it is important that children and families who become involved in the system, mandatory reporters, and the general public have a well-publicized, easily accessible, and transparent grievance process for voicing concerns regarding the child protection system along with the expectation that those concerns, once voiced, will be heard and addressed in a timely and appropriate manner; and

(f) To improve child protection outcomes and to foster best practices, there must be effective accountability mechanisms, including the review and evaluation of concerns voiced by children and families, mandatory reporters, persons involved in the child protection system, and members of the general public, that provide policymakers with the information necessary to formulate systemic changes, where appropriate.

(2) The general assembly further finds and declares that the establishment of the office of the child protection ombudsman will:

(a) Improve accountability and transparency in the child protection system and promote better outcomes for children and families involved in the child protection system; and

(b) Allow families, concerned citizens, mandatory reporters, employees of the state department and county departments, and other professionals who work with children and families to voice their concerns, without fear of reprisal, about the response by the child protection system to children experiencing, or at risk of experiencing, child maltreatment.

(II) (A) In investigating a complaint, the ombudsman shall have the authority to request and review any information, records, or documents, including records of third parties, that the ombudsman deems necessary to conduct a thorough and independent review of a complaint so long as either the state department or a county department would be entitled to access or receive such information, records, or documents.

(B) Nothing in the provisions of sub-subparagraph (A) of this subparagraph (II) shall be construed to grant subpoena power to the ombudsman for purposes of investigating a complaint pursuant to sub-subparagraph (A) of subparagraph (I) of this paragraph (a).

19-4-105. Presumption of paternity. (1) A man is presumed to be the natural father of a child if:

(a) He and the child's natural mother are or have been married to each other and the child is born during the marriage, within three hundred days after the marriage is terminated by death, annulment, declaration of invalidity of marriage, dissolution of marriage, or divorce, or after a decree of legal separation is entered by a court;

(b) Before the child's birth, he and the child's natural mother have attempted to marry each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared invalid, and:

(I) If the attempted marriage could be declared invalid only by a court, the child is born during the attempted marriage or within three hundred days after its termination by death, annulment, declaration of invalidity of marriage, dissolution of marriage, or divorce; or

(II) If the attempted marriage is invalid without a court order, the child is born within three hundred days after the termination of cohabitation;

(c) After the child's birth, he and the child's natural mother have married, or attempted to marry, each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared invalid, and:

(I) He has acknowledged his paternity of the child in writing filed with the court or registrar of vital statistics, if such acknowledgment has not previously become a legal finding pursuant to paragraph (b) of subsection (2) of this section;

(II) With his consent, he is named as the child's father on the child's birth certificate; or

(III) He is obligated to support the child under a written voluntary promise or by court order or by an administrative order issued pursuant to section 26-13.5-110, C.R.S.;

(d) While the child is under the age of majority, he receives the child into his home and openly holds out the child as his natural child;

(e) He acknowledges his paternity of the child in a writing filed with the court or registrar of vital statistics, which shall promptly inform the mother of the filing of the

acknowledgment, and she does not dispute the acknowledgment within a reasonable time after being informed thereof, in a writing filed with the court or registrar of vital statistics, if such acknowledgment has not previously become a legal finding pursuant to paragraph (b) of subsection (2) of this section. If another man is presumed under this section to be the child's father, acknowledgment may be effected only with the written consent of the presumed father or after the presumption has been rebutted.

(f) The genetic tests or other tests of inherited characteristics have been administered as provided in section 13-25-126, C.R.S., and the results show that the alleged father is not excluded as the probable father and that the probability of his parentage is ninety-seven percent or higher.

(2) (a) A presumption under this section may be rebutted in an appropriate action only by clear and convincing evidence. If two or more presumptions arise which conflict with each other, the presumption which on the facts is founded on the weightier considerations of policy and logic controls. The presumption is rebutted by a court decree establishing paternity of the child by another man. In determining which of two or more conflicting presumptions should control, based upon the weightier considerations of policy and logic, the judge or magistrate shall consider all pertinent factors, including but not limited to the following:

(I) The length of time between the proceeding to determine parentage and the time that the presumed father was placed on notice that he might not be the genetic father;

(II) The length of time during which the presumed father has assumed the role of father of the child;

(III) The facts surrounding the presumed father's discovery of his possible nonpaternity;

(IV) The nature of the father-child relationship;

(V) The age of the child;

(VI) The relationship of the child to any presumed father or fathers;

(VII) The extent to which the passage of time reduces the chances of establishing the paternity of another man and a child support obligation in favor of the child; and

(VIII) Any other factors that may affect the equities arising from the disruption of the father-child relationship between the child and the presumed father or fathers or the chance of other harm to the child.

(b) A duly executed voluntary acknowledgment of paternity shall be considered a legal finding of paternity on the earlier of:

(I) Sixty days after execution of such acknowledgment; or

(II) On the date of any administrative or judicial proceeding pursuant to this article or any administrative or judicial proceeding concerning the support of a child to which the signatory is a party.

(c) Except as otherwise provided in section 19-4-107.3, a legal finding of paternity may be challenged in court only on the basis of fraud, duress, or mistake of material fact, with the burden of proof upon the challenger. Any legal responsibilities resulting from signing an acknowledgment of paternity, including child support obligations, shall continue during any challenge to the finding of paternity, except for good cause shown.

(II) The temporary injunction shall be in effect upon personal service of the petition and summons on a respondent or upon waiver and acceptance of service by a respondent and shall remain in effect for one hundred twenty days after its effective date unless all parties consent to a modification of the temporary injunction. The court may, upon the motion of a party or upon its own motion, modify the length of time the temporary injunction is in effect to a shorter or longer period of time as the court deems appropriate.

(6) The provisions of the temporary injunction described in subsection (5) of this section shall be printed on the summons and the petition. A party may apply to the court for further temporary orders, an expanded temporary injunction, or modification or revocation of the temporary injunction.

(7) For purposes of enforcing the automatic temporary injunction described in paragraph (c) of subsection (5) of this section, if a respondent shows a duly authorized peace officer, as described in section 16-2.5-101, C.R.S., a copy of the petition and summons filed and issued pursuant to this section, or if a petitioner shows the peace officer a copy of the petition and summons filed and issued pursuant to this section together with a certified copy of the affidavit of service of process or a certified copy of the waiver and acceptance of service, and the peace officer has cause to believe that a violation of the part of the automatic temporary injunction that enjoins a party from molesting or disturbing the peace of the other party has occurred, the peace officer shall use every reasonable means to enforce that part of the injunction against the petitioner or respondent, as applicable. A peace officer shall not be held civilly or criminally liable for his or her actions pursuant to this subsection (7) if the peace officer acts in good faith and without malice.

19-4-105.6. Amendment of proceedings - adding children. (1) In any existing case commenced under this article, if it is alleged that another child has been conceived of the parents named in the existing case, that child shall be added to the existing case if at least one of the presumptions of paternity specified in section 19-4-105 applies for the purpose of establishing paternity and child support. The caption shall be amended to include the added child.

(2) The party amending the petition pursuant to subsection (1) of this section shall serve the amended petition with the new caption upon the other parties in the manner set forth in section 19-4-109 (2), the Colorado rules of civil procedure, or as otherwise provided in section 26-13.5-104, C.R.S.

(2.5) The party amending the petition pursuant to subsection (1) of this section shall provide to the court, in the manner prescribed by the court, the social security number of the added child.

(3) Proceedings under this article may be amended prior to the birth of the child to be added to the proceedings.

(4) If a petition is amended pursuant to the requirements of section 19-5-103.7, the licensed child placement agency involved shall receive notice of the action in the same manner as a party to the action.

(5) A summons issued upon the amendment of a proceeding under this article shall contain the advisements set forth in section 19-4-105.5 (5).

(6) Notwithstanding the provisions of subsection (1) of this section, in any case where there exists more than one alleged or presumed father for a child pursuant to section 19-4-105, a new case shall be commenced for that child to determine the child's paternity, establish child support, and address any other related issues. If it is determined that the child is the child of parents named in an existing case, the cases shall be consolidated into the initial action pursuant to rule 42 of the Colorado rules of civil procedure.

19-4-106. Assisted reproduction. (1) If, under the supervision of a licensed physician or advanced practice nurse and with the consent of her husband, a wife consents to assisted reproduction with sperm donated by a man not her husband, the husband is treated in law as if he were the natural father of a child thereby conceived. If, under the supervision of a licensed physician or advanced practice nurse and with the consent of her husband, a wife consents to assisted reproduction with an egg donated by another woman, to conceive a child for herself, not as a surrogate, the wife is treated in law as if she were the natural mother of a child thereby conceived. Both the husband's and the wife's consent must be in writing and signed by each of them. The physician or advanced practice nurse shall certify their signatures and the date of the assisted reproduction and shall file the consents with the department of public health and environment, where they shall be kept confidential and in a sealed file; however, the physician's failure to do so does not affect the father and child relationship or the mother and child relationship. All papers and records pertaining to the assisted reproduction, whether part of the permanent record of a court or of a file held by the supervising physician or advanced practice nurse or elsewhere, are subject to inspection only upon an order of the court for good cause shown.

(2) A donor is not a parent of a child conceived by means of assisted reproduction, except as provided in subsection (3) of this section.

(3) If a husband provides sperm for, or consents to, assisted reproduction by his wife as provided in subsection (1) of this section, he is the father of the resulting child.

(4) The requirement for consent set forth in subsection (1) of this section does not apply to the donation of eggs by a married woman for assisted reproduction by another woman or to

the donation of sperm by a married man for assisted reproduction by a woman who is not his wife.

(5) Failure of the husband to sign a consent required by subsection (1) of this section before or after the birth of the child does not preclude a finding that the husband is the father of a child born to his wife pursuant to section 19-4-105 (2)(a).

(6) If there is no signed consent form, the nonexistence of the father-child relationship shall be determined pursuant to section 19-4-107 (1)(b).

(7) (a) If a marriage is dissolved before placement of eggs, sperm, or embryos, the former spouse is not a parent of the resulting child unless the former spouse consented in a record that if assisted reproduction were to occur after a dissolution of marriage, the former spouse would be a parent of the child.

(b) The consent of a former spouse to assisted reproduction may be withdrawn by that individual in a record at any time before placement of eggs, sperm, or embryos.

(8) If a spouse dies before placement of eggs, sperm, or embryos, the deceased spouse is not a parent of the resulting child unless the deceased spouse consented in a record that if assisted reproduction were to occur after death, the deceased spouse would be a parent of the child.

(9) This section does not apply to the birth of a child conceived by means of sexual intercourse.

(10) For purposes of this section, "donor" is defined in section 19-1-103 (44.5).

19-4-107. Determination of father and child relationship - who may bring action - when action may be brought. (1) A child, his or her natural mother, or a man presumed to be his or her father pursuant to section 19-4-105 (1)(a), (1)(b), or (1)(c) or the state, the state department of human services, or a county department of human or social services, pursuant to article 13 or 13.5 of title 26 or article 5 of title 14 may bring an action:

(a) At any time for the purpose of declaring the existence of the father and child relationship presumed under section 19-4-105 (1)(a), (1)(b), or (1)(c); or

(b) For the purpose of declaring the nonexistence of the father and child relationship presumed under section 19-4-105 (1)(a), (1)(b), or (1)(c) only if the action is brought within a reasonable time after obtaining knowledge of relevant facts but in no event later than five years after the child's birth. After the presumption has been rebutted, paternity of the child by another man may be determined in the same action, if he has been made a party.

(2) Any interested party, including the state, the state department of human services, or a county department of human or social services, pursuant to article 13 or 13.5 of title 26 or article 5 of title 14 may bring an action at any time for the purpose of determining the existence or

nonexistence of the father and child relationship presumed pursuant to section 19-4-105 (1)(d), (1)(e), or (1)(f).

(3) An action to determine the existence of the father and child relationship with respect to a child who has no presumed father pursuant to section 19-4-105 may be brought by the state, the state department of human services, a county department of human or social services, the child, the mother or personal representative of the child, the personal representative or a parent of the mother if the mother has died, a man alleged or alleging himself to be the father, or the personal representative or a parent of the alleged father if the alleged father has died or is a minor.

(4) Regardless of its terms, an agreement, other than an agreement approved by the court in accordance with section 19-4-114 (2), between an alleged or presumed father and the mother or child does not bar an action under this section.

19-4-107.3. When determination of parentage is final - modifications - exceptions. (1) (a) An order determining parentage pursuant to this article shall be modified or set aside, within the time frames specified in subsection (2) of this section, if genetic test results based on DNA testing, administered in accordance with section 13-25-126, C.R.S., establish the exclusion of the individual named as the father in the order as the biological parent of the child and the court determines that it is just and proper under the circumstances and in the best interests of the child.

(b) If the court modifies or sets aside an order determining parentage pursuant to paragraph (a) of this subsection (1), then the court shall modify the provisions of the order respecting child support for installments accruing subsequent to the filing of the motion pursuant to section 14-10-122 (6), C.R.S., and may vacate or deem as satisfied, in whole or in part, unpaid child support obligations arising from or based on the order determining parentage. The court shall not order restitution from the state for any sums paid to or collected by the state for the benefit of the child.

(2) (a) A motion to modify or set aside an order determining parentage pursuant to this section must be filed within two years from the date of the entry of the order.

(b) Repealed.

(3) Notwithstanding the provisions of subsection (1) of this section, neither a determination of parentage nor an order respecting child support shall be modified or set aside pursuant to this section if:

(a) The individual named in the order acknowledged paternity pursuant to section 19-4-105 (1)(c) or (1)(e) knowing that he was not the father of the child;

(b) The child was adopted by the individual named in the order; or

(c) The child was conceived by means of assisted reproduction.

(4) A motion filed pursuant to this section may be brought by the individual named as the father in the order and shall be served in the manner set forth in the Colorado rules of civil procedure upon all other parties. The court shall not modify or set aside a final order determining parentage pursuant to this section without a hearing.

When filing a proceeding under this article, the filing party shall have a duty to disclose to the court the existence of any prior temporary or permanent civil protection orders to prevent domestic abuse issued pursuant to article 14 of title 13, C.R.S., and any emergency protection orders issued pursuant to section 13-14-103, C.R.S., entered against either party by any court within ninety days prior to the filing of the proceeding to determine the parent and child relationship. The disclosure required pursuant to this section shall address the subject matter of the previous protection orders, including the case number and jurisdiction issuing such orders.

19-4-108. Statute of limitations. An action to determine the existence of the father and child relationship may be brought at any time prior to the child's eighteenth birthday by the mother or father of said child, by the child, or by the delegate child support enforcement agency. If, however, the statute of limitations in effect at the time of the child's birth was less than eighteen years, the delegate child support enforcement agency may bring an action on behalf of the said child at any time prior to the child's twenty-first birthday. An action brought by a child whose paternity has not been determined may be brought at any time prior to the child's twenty-first birthday. This section and section 19-4-107 do not extend the time within which a right of inheritance or a right to a succession may be asserted beyond the time provided by law relating to distribution and closing of decedents' estates or to the determination of heirship, or otherwise.

(2) Prior to the repeal and reenactment of this title in 1987, the statute of limitations to determine a father and child relationship was contained in § 19-6-108. The statute of limitations as contained in that section was changed by L. 85, p. 596, § 18, to eighteen years. For the statute of limitations in effect prior to the change in 1985, see § 19-6-108 as contained in the 1978 Replacement Volume 8 and in annual supplements thereto prior to 1985.

19-4-109. Jurisdiction - venue. (1) Without limiting the jurisdiction of any other court, the juvenile court has jurisdiction of an action brought under this article. A delegate child support enforcement unit also has jurisdiction to establish paternity in noncontested paternities in accordance with the procedures specified in article 13.5 of title 26, C.R.S. The action may be joined with an action in another court of competent jurisdiction for dissolution of marriage, legal separation, declaration of invalidity of marriage, or support.

(1.5) A paternity determination made by another state, whether established through voluntary acknowledgment, administrative processes, or judicial processes, shall be enforced and otherwise treated in the same manner as a judgment of this state.

(2) A person who has sexual intercourse in this state thereby submits to the jurisdiction of the courts of this state as to an action brought under this article with respect to a child who may have been conceived by that act of intercourse. Upon filing of the petition, the court shall issue a summons. The hearing shall be set for a day not less than ten days after service is completed or on such later date as the court may order. In addition to any other method provided by rule or statute, including rule 4(e) of the Colorado rules of civil procedure, when there is a basis for personal jurisdiction over an individual living outside this state pursuant to section 14-5-201, C.R.S., service may be accomplished by delivering a copy of the summons, together with a copy of the petition upon which it was issued, to the individual served. Such service may be by private process server or by sending such copies to such individual by certified mail with proof of actual receipt by such individual.

(3) The action may be brought in the county in which the child or the alleged father resides or is found, or in any county where public assistance was or is being paid on behalf of the child, or, if the father is deceased, in any county in which proceedings for probate of his estate have been or could be commenced.

19-4-110. Parties. The child may be made a party to the action. If the child is a minor, the court may appoint a guardian ad litem. The child's mother or father may not represent the

child as guardian or otherwise. The court shall make the natural mother, each man presumed to be the father under section 19-4-105, and each man alleged to be the natural father parties or, if not subject to the jurisdiction of the court, provide notice of the action in a manner prescribed by the court and an opportunity to be heard. If a man who is alleged to be the natural father is deceased, the court shall make the personal representative of his estate, if one has been appointed, a party. If a personal representative has not been appointed, the court shall make the deceased man's spouse or an immediate blood relative a party. If a spouse or immediate blood relative is not known or does not exist, the court shall appoint a representative for the alleged natural father who is deceased. The court may align the parties. When the person to be served has no residence within Colorado and his or her place of residence is not known or when he or she cannot be found within the state after due diligence, service must be by publication pursuant to rule 4 (g) of the Colorado rules of civil procedure; except that service must be by a single publication and must be completed not less than five days prior to the time set for hearing on paternity adjudication.

19-4-111. Pretrial proceedings. (1) As soon as practicable after an action to declare the existence or nonexistence of the father-child relationship has been brought, an informal hearing shall be held if it is determined by the court to be in the child's best interest. The court may order that the hearing be held before a magistrate. The public shall be barred from the hearing if it is determined by the court to be in the best interest of any of the parties. A record of the proceeding or any portion thereof shall be kept if any party requests or the court orders. Rules of evidence need not be observed. At the informal hearing, the judge or magistrate shall give a verbal advisement to the parties that a request for genetic tests shall not prejudice the requesting party in matters concerning allocation of parental responsibilities pursuant to section 14-10-124 (1.5), C.R.S. The judge or magistrate shall further advise the parties that, if genetic tests are not obtained prior to the legal establishment of paternity and submitted into evidence prior to the entry of the final order establishing paternity, the genetic tests may not be allowed into evidence at a later date.

(2) Upon the refusal of any witness, including a party, to testify under oath or produce evidence, the court may order such witness to testify under oath and produce evidence concerning all relevant facts. If the refusal is upon the ground that such witness' testimony or evidence might tend to incriminate such witness, the court may grant such witness immunity from the use of the testimony or evidence the witness is required to produce to prove the commission of a criminal offense by the witness. The refusal of a witness who has been granted immunity to obey an order to testify or produce evidence is a civil contempt of the court.

(3) Testimony of a physician concerning the medical circumstances of the pregnancy and the condition and characteristics of the child upon birth is not privileged.

(4) Upon the filing of a petition under this article, any party may seek the issuance of a temporary protection order or injunction under the criteria set forth in section 14-10-108, C.R.S. Any party may further seek temporary orders as to the allocation of parental responsibilities, including allocation of decision-making responsibility and parenting time, and support once an order determining the existence of the parent and child relationship has been entered by the court. The filing of a motion for temporary orders shall not prevent a party or public agency from seeking other relief as may be provided by this article. Issues of temporary orders concerning the allocation of parental responsibilities, including decision-making responsibility and parenting time, and issues of support shall be determined in accordance with the criteria set forth in the "Uniform Dissolution of Marriage Act", article 10 of title 14, C.R.S. Any temporary protection order issued pursuant to this subsection (4) shall be on a standardized form prescribed by the judicial department, and a copy shall be provided to the protected person.

(5) At the time a protection order is requested pursuant to this section, the court shall inquire about, and the requesting party and such party's attorney shall have an independent duty to disclose, knowledge such party and such party's attorney may have concerning the existence of any prior protection orders of any court addressing in whole or in part the subject matter of the requested protection order.

(6) The duties of peace officers enforcing orders issued pursuant to this section shall be in accordance with section 18-6-803.5, C.R.S., and any rules adopted by the Colorado supreme court pursuant to said section.

19-4-112. Genetic or other tests - administrative subpoena to compel genetic testing. (1) Upon motion of the court or any of the interested parties, genetic tests or other tests of inherited characteristics shall be ordered and the results received in evidence, as provided in section 13-25-126. Upon agreement of the mother and the presumed or alleged father or fathers, genetic tests or other tests of inherited characteristics may be administered prior to filing of an action. If the action is then filed, the test results must be admitted into evidence as provided in section 13-25-126.

(2) (a) A delegate child support enforcement unit is authorized to produce, issue, and serve a subpoena to compel a party in a juvenile court case to appear, at a specified location and time, for a genetic test sample that is collected for assistance in paternity determination. The subpoena must allow a lab-certified child support enforcement unit sample collector, an accredited genetic-testing laboratory company, a health clinic, or a hospital to conduct a buccal

swab or other lab-approved collection method of the alleged father, mother, and child whose paternity is at issue. The sample may then be used for paternity testing purposes, provided appropriate chain-of-custody documentation is followed. Test results obtained through the subpoena may be admitted as evidence pursuant to section 13-25-126. The subpoena may be served by first-class mail or by electronic means, if that notice preference by the party is documented.

(b) If a party fails to honor the first subpoena, the delegate child support enforcement unit may issue a second subpoena or file the appropriate motion with the court to compel compliance with a judicial genetic testing order pursuant to section 13-25-126. If the delegate child support enforcement unit issues a second subpoena and that subpoena is not honored, the delegate child support enforcement unit may file the appropriate motion with the court to compel compliance with a judicial genetic testing order pursuant to section 13-25-126. A nonappearance default may be sought against a nonappearing party only after a judicial genetic testing order is not honored.

19-4-113. Evidence relating to paternity. (1) Evidence relating to paternity may include:

(a) Evidence of sexual intercourse between the mother and alleged father at any possible time of conception;

(b) An expert's opinion concerning the statistical probability of the alleged father's paternity based upon the duration of the mother's pregnancy;

(c) Genetic test results, weighted in accordance with evidence, if available, of the statistical probability of the alleged father's paternity;

(d) Medical or anthropological evidence relating to the alleged father's paternity of the child based on tests performed by experts. If a man has been identified as a possible father of the child, the court may, and upon request of a party shall, require the child, the mother, and the man to submit to appropriate tests; and

(e) All other evidence relevant to the issue of paternity of the child.

(2) In any action brought pursuant to article 13 or 13.5 of title 26, C.R.S., the parties shall be required to use the laboratory designated by the delegate child support enforcement unit for genetic tests or other tests of inherited characteristics. Any subsequent test or other tests shall be determined by the court as provided in section 13-25-126, C.R.S.

19-4-114. Pretrial recommendations - temporary orders. (1) On the basis of the information produced at the pretrial hearing, the judge or magistrate conducting the hearing shall evaluate the probability of determining the existence or nonexistence of the father and child relationship in a trial and whether a judicial declaration of the relationship would be in the best interest of the child. On the basis of the evaluation, an appropriate recommendation for settlement shall be made to the parties, which may include any of the following:

(a) That the action be dismissed with or without prejudice;

(b) That the matter be compromised by an agreement among the alleged father, the mother, and the child in which the father and child relationship is not determined but in which a defined economic obligation is undertaken by the alleged father in favor of the child and, if appropriate, in favor of the mother, subject to approval by the judge or magistrate conducting the hearing. In reviewing the obligation undertaken by the alleged father in a compromise agreement, the judge or magistrate conducting the hearing shall consider the best interest of the child, in the light of the factors enumerated in section 19-4-116 (6), discounted by the improbability, as it appears to him, of establishing the alleged father's paternity or nonpaternity of the child in a trial of the action. In the best interest of the child, the court may order that the alleged father's identity be kept confidential. In that case, the court may designate a person or agency to receive from the alleged father and disburse on behalf of the child all amounts paid by the alleged father in fulfillment of obligations imposed on him.

(c) That the alleged father voluntarily acknowledge his paternity of the child;

(d) That the action be consolidated with a relinquishment action filed pursuant to part 1 of article 5 of this title.

(2) If the parties accept a recommendation made in accordance with subsection (1) of this section, judgment shall be entered accordingly.

(3) If a party refuses to accept a recommendation made under subsection (1) of this section and genetic tests have not been taken, the court shall require the parties to submit to genetic tests, if practicable. Thereafter, the judge or magistrate shall make an appropriate final recommendation. If a party refuses to accept the final recommendation, the action shall be set for trial. If the evidence relating to paternity meets the requirements set forth in section 13-25-126 (1)(g), C.R.S., the court shall issue temporary orders establishing current child support, foster care maintenance, and medical support to remain in effect pending a final disposition of the proceeding.

(4) The guardian ad litem may accept or refuse to accept a recommendation under this section.

(5) The informal hearing may be terminated and the action set for trial if the judge or magistrate conducting the hearing finds unlikely that all parties would accept a recommendation he might make under subsection (1) or (3) of this section.

19-4-115. Civil action. An action under this article is a civil action governed by the Colorado rules of civil procedure. The mother of the child and the alleged father are competent to testify and may be compelled to testify. Sections 19-4-111 (2) and (3), 19-4-112, and 19-4-113 apply.

19-4-116. Judgment or order - birth-related costs - evidence. (1) The judgment or order of the court determining the existence or nonexistence of the parent and child relationship is determinative for all purposes.

(2) If the judgment or order of the court is at variance with the child's birth certificate or if the court enters a judgment or order determining the existence of a parent and child relationship during the course of a proceeding held pursuant to article 3 of this title, the court shall order that a new birth certificate be issued under section 19-4-124.

(3) (a) The judgment or order may contain any other provision directed against the appropriate party to the proceeding concerning the duty of support, the recovery of child support debt pursuant to section 14-14-104, C.R.S., the allocation of parental responsibilities with respect to the child and guardianship of the child, parenting time privileges with the child, the furnishing of bond or other security for the payment of the judgment, or any other matter in the best interest of the child. The judgment or order may direct the father to pay for genetic testing and to pay the reasonable expenses of the mother's pregnancy and confinement.

(b) Repealed.

(c) Bills for pregnancy, childbirth expenses, and genetic testing are admissible as evidence without the necessity of third-party foundation testimony and shall constitute prima facie evidence of the amounts incurred for such services or for expenses incurred on behalf of the child.

(4) Support judgments or orders ordinarily shall be for periodic payments which may vary in amount. In the best interest of the child, a lump-sum payment or the purchase of an

annuity may be ordered in lieu of periodic payments of support. The court or delegate child support enforcement unit may enter an order directing the father to pay for support of the child, in an amount as may be determined by the court or delegate child support enforcement unit to be reasonable under the circumstances, for a time period which occurred prior to the entry of the order establishing paternity. The court may limit the father's liability for past support of the child to the proportion of the expenses already incurred that the court deems just.

(5) The judgment or order may include a provision requiring that the respondent initiate inclusion of the child under a medical insurance policy currently in effect for the benefit of the respondent, purchase medical insurance for the child, or in some other manner provide for the current or future medical needs of the child. At the same time, the court may make a determination of whose responsibility it shall be to pay required medical insurance deductibles and copayments. If the judgment or order does not contain a provision regarding medical support, such as insurance coverage, payment for medical insurance deductibles and copayments, or unreimbursed medical expenses, that fact may be grounds for a modification of the order under section 14-10-122, C.R.S.

(6) In determining the amount to be paid by a parent for support of the child and the period during which the duty of support is owed, a court enforcing the obligation of support shall consider all relevant facts, including:

(a) The needs of the child;

(b) The standard of living and circumstances of the parents;

(c) The relative financial means of the parents;

(d) The earning ability of the parents;

(e) The need and capacity of the child for education, including higher education;

(f) The age of the child;

(g) The financial resources and the earning ability of the child;

(h) The responsibility of the parents for the support of others;

(i) The value of services contributed by the parent with whom the child resides the majority of the time;

(j) The standard of living the child would have enjoyed had the parents been married; and

(k) The child support guidelines, as set forth in section 14-10-115, C.R.S.

(7) Any order of support made pursuant to subsections (4) to (6) of this section shall continue until the child is nineteen years of age, unless the support order is terminated sooner by court order.

(8) The court may order support to be continued after the child is nineteen years of age if the child is unable to care for himself or herself by reason of mental or physical disability or other reason justifiable in the opinion of the court.

(9) All child support orders entered pursuant to this article shall include the names and dates of birth of the parties and of the children who are the subject of the order and the parties' residential and mailing addresses. The social security numbers of the parties and children shall be collected pursuant to sections 14-14-113 and 26-13-127, C.R.S.

19-4-117. Costs. The court shall order reasonable fees of counsel, experts, and the child's guardian ad litem and other costs of the action and pretrial proceedings, including genetic tests, to be paid by the parties in proportions and at times determined by the court. In any action brought pursuant to article 13 or 13.5 of title 26, C.R.S., the final costs of any genetic tests or other tests of inherited characteristics shall be assessed against the nonprevailing party on the parentage issue.

19-4-118. Enforcement of judgment or order. (1) If existence of the father and child relationship is declared, or paternity or a duty of support has been acknowledged or adjudicated under this article or under prior law, the obligation of the father may be enforced in the same or other proceedings by the mother, the child, or the public authority that has furnished or may furnish the reasonable expenses of pregnancy, confinement, education, support, or funeral, or by any other person, including a private agency, to the extent he has furnished or is furnishing these expenses.

(2) The court may order support payments to be made to the obligee, the clerk of the court, in those cases in which the executive director of the department of human services has notified the state court administrator pursuant to section 26-13-114 (5), C.R.S., that the judicial district in which the court is situated is ready to participate in the family support registry, through the family support registry, or a person, corporation, or agency designated to administer them for the benefit of the child under the supervision of the court. The court may not order

payments to be made to the clerk of the court once payments may be made through the family support registry.

(3) Willful failure to obey the judgment or order of the court is a civil contempt of the court. All remedies for the enforcement of judgments apply.

(4) In making any order for support pursuant to this section, the court shall take into consideration the capability of both parents to provide support.

PART 1

RELINQUISHMENT

19-5-100.2. Legislative declaration. (1) The general assembly hereby finds that parental relinquishment and adoption of children are important and necessary options to facilitate the permanent placement of minor children if the birth parents are unable or unwilling to provide proper parental care. The general assembly further finds that adoption offers significant psychological, legal, economic, and social benefits not only for children who might otherwise be homeless but also for parents who are unable to care for their children and for adoptive parents who desire children to nurture, care for, and support. Conversely, the general assembly recognizes that disrupted adoptive placements often have a profound and negative impact on individuals, particularly children, involved in the adoption proceedings.

(2) It is the purpose of this article 5 to promote the integrity and finality of adoptions to ensure that children placed in adoptive placements will be raised in stable, loving, and permanent families. It is the further intent of the general assembly that a prospective parent with a disability should not be denied the opportunity to provide a permanent adoptive placement for a child based solely on the parent's disability, as provided for in section 24-34-805 (2). The general assembly intends that by enacting this legislation, it will be protecting children from being uprooted from adoptive placements and from the life-long emotional and psychological trauma that often accompanies being indiscriminately moved.

(a.5) Proceedings under section 19-5-103.5 (2)(d);

(2) No parent shall relinquish the parent-child legal relationship with a child other than in accordance with the provisions of this article.

On and after July 1, 2002, if there is no determination on a case concerning a petition for relinquishment by any such court within two months of the filing of the petition, it shall be given a priority on the court's docket that supersedes the priority of any other priority civil hearing on the court's docket.

(2) Notwithstanding the provisions of subsection (1) of this section, nothing in this section shall affect the priority of a hearing concerning the issuance of a temporary protection order pursuant to section 13-14-104.5, C.R.S.

(C) A statement disclosing any and all payments, gifts, assistance, goods, or services received, promised, or offered to the relinquishing parent in connection with the pregnancy, birth, or proposed relinquishment of the child and the source or sources of such payments, gifts, assistance, goods, or services.

(1.5) (a) Pursuant to the provisions of section 19-1-126, the petition for relinquishment shall:

(I) Include a statement indicating whether the child is an Indian child; and

(II) Include the identity of the Indian child's tribe, if the child is identified as an Indian child.

(b) If notices were sent to the parent or Indian custodian of the child and to the Indian child's tribe, pursuant to section 19-1-126, the postal receipts shall be attached to the petition and filed with the court or filed within fourteen days after the filing of the petition, as specified in section 19-1-126 (1)(c).

(2) The counseling specified in paragraph (a) of subsection (1) of this section and provided by the department or the child placement agency shall include, but not be limited to, the following:

(a) Information to the relinquishing parent concerning the permanence of the decision and the impact of such decision on the relinquishing parent now and in the future;

(c) In the case of pregnancy, referral of the woman for medical care and for determination of eligibility for medical assistance;

(d) Information concerning alternatives to relinquishment and referral to private and public resources that may meet the parent's needs;

(e) Relinquishment services necessary to protect the interests and welfare of a child born in a state institution;

(f) Information to the child's parent that if he or she applies for public assistance for himself or herself and the child, he or she must cooperate with the child support enforcement unit for the establishment and enforcement of a child support order; and

(g) The confidentiality of all information, except for nonidentifying information as defined in section 19-1-103 (80) that may be accessed as provided in part 4 of this article, obtained by the department and the child placement agency in the course of relinquishment counseling unless the parent provides written permission or a release of information is ordered by a court of competent jurisdiction and except for a copy of an original birth certificate that may be obtained by an adult adoptee, adult descendant of an adoptee, or a legal representative of the adoptee or descendant as authorized by section 19-5-305. The counseling shall also include notice that a birth parent has the opportunity to file a written statement specifying that the birth parent's information remain confidential, an explanation of the rights and responsibilities of birth parents who disagree about consent as set forth in section 19-5-305, and notice that a birth parent has the opportunity to sign and submit a contact preference form and updated medical history statements to the state registrar as set forth in section 19-5-305 (1.5).

(2.5) In those cases in which a parent proposes to relinquish his or her parent-child legal relationship with respect to a child who is under one year of age pursuant to the expedited procedures set forth in section 19-5-103.5, the licensed child placement agency or the county department of human or social services assisting the relinquishing parent shall proceed with filing the petition and providing notice as set forth in section 19-5-103.5.

(3) Upon receipt of the petition for relinquishment, the court shall set the same for hearing on the condition that the requirements of subsection (1) of this section have been complied with by the petitioner.

(4) (a) Except as otherwise provided in section 19-5-103.5 (2)(d), the parent-child legal relationship of a parent shall not be terminated by relinquishment proceedings unless the parent joins in the petition.

(b) The relinquishing parent, child placement agency, and county department of human or social services shall provide the court any and all information described in section 19-1-103 (80) that is available to the relinquishing parent, agency, or county department.

(5) The court shall not issue an order of relinquishment until it is satisfied that the relinquishing parent and the child, if determined appropriate by the court, have been counseled pursuant to subsection (1) of this section and this subsection (5) and fully advised of the consequences of the parent's act. The court may order counseling for any age child to be relinquished if the court deems such counseling would be in the child's best interests. The court may order that a child younger than twelve years of age be prepared for relinquishment, termination of parental rights, or adoption.

(6) If the court finds after the hearing that it is in the best interests of the child that no relinquishment be granted, the court shall enter an order dismissing the action.

(7) (a) The court shall enter an order of relinquishment if the court finds after the hearing that:

(I) The relinquishing parent or parents and any child that the court directed into counseling have been counseled as provided in subsections (1) and (5) of this section; and

(II) The parent's decision to relinquish is knowing and voluntary and not the result of any threats, coercion, or undue influence or inducements; and

(III) The relinquishment would best serve the interests of the child to be relinquished.

(b) There shall be a rebuttable presumption that a relinquishment would not be in the child's best interests if the child is twelve years of age or older and objects to the relinquishment.

(8) If the court is not satisfied that the relinquishing parents and the child, if twelve years of age or older, have been offered proper and sufficient counsel and advice, it shall continue the matter for such time as the court deems necessary.

(9) (a) The court may appoint a guardian ad litem to protect the interests of the child if:

(I) The court finds that there is a conflict of interest between the child and his or her parents, guardian, or legal custodian;

(II) The court finds that such appointment would be in the best interests of the child; or

(III) The court determines that the child is twelve years of age or older and that the welfare of the child mandates such appointment.

(b) Reasonable fees for guardians ad litem appointed pursuant to this subsection (9) shall be paid by the relinquishing parent or parents; except that, in the case of an indigent parent or parents, such fees shall be paid as an expense of the state from annual appropriations to the office of the state court administrator.

(10) The court may interview the child in chambers to ascertain the child's wishes as to the relinquishment proceedings. The court may permit counsel to be present at such an interview. The court shall cause a record of the interview to be made, and it shall be made a part of the record in the case.

(11) The court may seek the advice of professional personnel whether or not said personnel are employed on a regular basis by the court. Any advice given by professional persons shall be in writing and shall be made available by the court to attorneys of record, to the parties, and to any other expert witnesses upon request, but it shall be considered confidential for any other purposes, shall be sealed, and shall not be open to inspection except by consent of the court. Attorneys of record may call for the cross-examination of any professional persons consulted by the court.

(12) The provisions of this section, including but not limited to relinquishment counseling, notification, and the relinquishment hearing, shall apply in any case involving a child in Colorado or for whom Colorado is the home state as described in section 14-13-102 (7),

C.R.S., including any case in which it is proposed that the child to be relinquished will be relinquished or adopted outside the state of Colorado.

19-5-103.5. Expedited relinquishment procedure - children under one year of age - other birth parents - notice - termination. (1) (a) Notwithstanding the provisions of section 19-5-103 to the contrary, a parent desiring to relinquish his or her child may seek an expedited order terminating his or her parent-child legal relationship without the necessity of a court hearing if:

(I) The child is under one year of age, at the time of filing the petition;

(II) The relinquishing parent is being assisted by a licensed child placement agency or the county department of human or social services in the county where such parent resides;

(III) The requirements of section 19-5-103 (1) have been met; and

(IV) The parent signs an affidavit stating his or her desire to voluntarily relinquish his or her parent-child legal relationship with the child and consenting to a waiver of his or her right to contest a termination of parentage.

(b) (I) The affidavit required to be signed by the parent seeking to relinquish his or her parental rights pursuant to this section must advise the relinquishing parent of the consequences of the relinquishment decision and must further advise the relinquishing parent that he or she is still required to obtain the relinquishment counseling described in section 19-5-103 (1)(a) and (2). The relinquishing parent must be advised of the opportunity to seek independent counseling. The affidavit must also advise the relinquishing parent that he or she may withdraw the affidavit anytime after signing it but before the affidavit and petition are filed with the court. The relinquishing parent may sign the affidavit before the birth of the child. The relinquishing birth parent may withdraw the affidavit from the child placement agency or county department of human or social services in the county where the parent resides any time after signing it but before the affidavit and petition are filed with the court.

(II) The affidavit shall include the following:

(A) A statement that the petitioner has completed the relinquishment counseling required in section 19-5-103 (1) and (2) or understands he or she must complete the counseling prior to entry of the order of termination;

(B) A statement that the child to be relinquished is under one year of age at the time of filing the petition;

(C) A statement that the relinquishing parent's decision is knowing and voluntary and not the result of threats, coercion, or undue influence or inducements; and

(D) A statement that the relinquishing parent believes the relinquishment is in the best interests of the child.

(III) The relinquishing parent's signature on the affidavit must be witnessed by two witnesses, one of whom is either a representative of the licensed child placement agency with which the relinquishing parent has contracted or a representative of the county department of human or social services in the county where the parent resides, whichever is assisting the parent. The other witness must not be associated with either the licensed child placement agency or the county department of human or social services in the county where the parent resides, whichever is assisting the parent, and must not be the potential adoptive parent of the child to be relinquished.

(IV) The affidavit shall be notarized and shall be attached to the petition for relinquishment and filed with the court after the birth of the child. The petition for relinquishment may not be filed until at least four days after the birth of the child.

(c) If the birth parent has signed the affidavit described in this subsection (1) and if it is properly witnessed and notarized and attached to the petition, the court may vacate the hearing required pursuant to section 19-5-103 (3) and, upon making the findings set forth in section 19-5-103 (7)(a), shall enter an order of relinquishment, without a hearing, no more than seven business days after the date of the filing of the petition for relinquishment and the accompanying affidavit.

(2) (a) Notwithstanding the provisions of section 19-5-105 to the contrary, in those cases in which a parent seeks to relinquish his or her parent-child legal relationship with a child pursuant to this section, the licensed child placement agency or the county department of human or social services assisting the relinquishing parent shall proceed with filing the petition for termination of the other birth parent's or possible birth parents' parent-child legal relationship and notify pursuant to this section the other birth parent or possible birth parents identified pursuant to section 19-5-105 (2).

(b) Notice of the proceeding pursuant to this section shall be given to every person identified as the other birth parent or a possible birth parent in the manner appropriate under the Colorado rules of juvenile procedure for the service of process or in any manner the court directs; except that notice shall not be required to be given to a person who has received notice pursuant to section 19-5-103.7 if the person waives the right to contest a termination of parental rights and waives the right to further notice concerning the expedited relinquishment or if the person fails to reply as required pursuant to section 19-5-103.7. The notice shall inform the parent or alleged parent whose rights are to be determined that failure to file an answer or to appear within twenty-one days after service and, in the case of an alleged father, failure to file a claim of paternity under article 4 of this title within twenty-one days after service, if a claim has not previously been filed, may likely result in termination of the parent's or the alleged parent's

parental rights to the child. The notice shall also inform the parent or alleged parent whose rights are to be determined that the person has the right to waive his or her right to appear and contest and that failure to appear and contest may likely result in termination of the parent's or the alleged parent's parental rights to the child. Proof of giving the notice shall be filed with the court before the petition is heard or otherwise acted upon. If no person has been identified as the birth parent, the court shall order that notice be provided to all possible birth parents by publication or public posting of the notice at times and in the places and manner the court deems appropriate.

(c) The other birth parent or possible birth parents may sign the affidavit of voluntary relinquishment described in subsection (1) of this section. Such birth parent may sign the affidavit prior to the birth of the child. If the other birth parent or possible birth parent signs an affidavit of voluntary relinquishment, he or she may withdraw the affidavit from the child placement agency or the county department of human or social services assisting the relinquishing parent any time after signing it but before the affidavit and petition are filed with the court.

(d) (I) The court shall vacate the proceeding and, at the time of the review of the case pursuant to paragraph (c) of subsection (1) of this section, enter an order terminating the parent-child legal relationship of the other birth parent or possible birth parent if the other birth parent or possible birth parent:

(A) Has waived his or her right to contest the termination of parental rights; or

(B) Has failed to appear and contest or to file an answer to the petition for termination or to file a paternity action within the prescribed twenty-one days following the date of the service, publication, or posting of the notice as provided in the notice pursuant to paragraph (b) of this subsection (2); or

(C) Has signed the affidavit of voluntary relinquishment described in subsection (1) of this section; or

(D) Has waived his or her right to notice and right to contest the termination of parental rights pursuant to section 19-5-103.7.

(II) If the provisions of subparagraph (I) of this paragraph (d) do not apply and the other birth parent or possible birth parent expresses his or her desire to appear and contest the termination of the parent-child legal relationship, the court shall proceed with a hearing on the petition for termination of the other birth parent's parent-child legal relationship.

(3) The licensed child placement agency or the county department of human or social services assisting the relinquishing parent shall not submit the documents referenced in subsections (1) and (2) of this section for judicial review unless a permanent placement for the child has been identified.

(4) The court shall not be bound to enter an order terminating a parent-child legal relationship upon the affidavit of the relinquishing parent pursuant to subsection (1) of this section and the court shall not be bound to enter an order terminating a parent-child legal relationship of the other birth parent or possible birth parents pursuant to subsection (2) of this section, but the court may, upon its own motion, require that a formal hearing be held to determine any or all issues presented by the pleadings.

(3) (a) Notice to the other birth parent or possible birth parent given pursuant to this section shall be provided:

(I) By publication appearing in a newspaper of general circulation in the county of the person's last known address, if the person's identity is known, or the county in which the relinquishing parent reports the conception to have occurred. Notice by publication is only proper if a person has not been identified as the other birth parent or possible birth parent or the location of the other birth parent or possible birth parent has not been determined after diligent efforts.

(II) In person, delivered:

(A) In a manner appropriate under the Colorado rules of juvenile procedure for the service of process; or

(B) By an employee or a representative of the licensed child placement agency assisting the relinquishing parent, with a requirement that the other birth parent or possible birth parent sign a statement acknowledging receipt of the notice; or

(III) By certified mail to only the other birth parent or possible birth parent, return receipt requested, with return receipt providing prima facie evidence of service.

(b) The date of notice shall be considered either the date on which the notice is delivered pursuant to subparagraph (II) of paragraph (a) of this subsection (3) or the date on the return receipt for notice given by certified mail pursuant to subparagraph (III) of paragraph (a) of this subsection (3), whichever is applicable. If notice is provided by publication, the date of notice shall be the date of the first day of publication.

(II) That the other birth parent or possible birth parent has been identified by the parent who anticipates seeking to relinquish his or her parental rights as potentially being the other birth parent of the child, or, if no other birth parent or possible birth parent has been identified, that the parent who anticipates seeking to relinquish his or her parental rights is unable to identify the other birth parent or possible birth parent;

(III) That placing a child for adoption requires termination of the child's parent-child legal relationships;

(IV) That the other birth parent or possible birth parent has a right to contest the termination of parental rights; and

(V) That failure to declare an intent to contest the termination of parental rights may likely result in a termination of the person's parental rights to the child, and that, to declare an intent to contest the termination of the parent-child legal relationship, the other birth parent or possible birth parent shall:

(A) No later than twenty-one days after the date of notice pursuant to paragraph (b) of subsection (3) of this section or before a relinquishment petition is filed with the court, whichever occurs later, either return a reply form to the licensed child placement agency by certified mail, return receipt requested, or personally appear at the licensed child placement agency to declare an intent to contest the termination of parental rights; and

(B) No later than twenty-one days after the date of notice pursuant to paragraph (b) of subsection (3) of this section or before a relinquishment petition is filed with the court, whichever occurs later, file a claim of paternity pursuant to article 4 of this title and notify the licensed child placement agency pursuant to section 19-4-105.5 (4);

(VI) That the other birth parent or possible birth parent may waive the right to contest the termination of parental rights and that waiver may likely result in a termination of the person's parental rights to the child; and

(VII) That further notice related to the anticipated expedited relinquishment proceedings shall not be provided to the other birth parent or possible birth parent without receipt of a response required by subparagraph (V) of this paragraph (a).

(b) (I) Except when notice is provided by publication, the licensed child placement agency assisting the relinquishing parent with an expedited relinquishment shall send or deliver a reply form described in sub-subparagraph (A) of subparagraph (V) of paragraph (a) of this subsection (4) to the other birth parent or possible birth parent at the same time and by the same method as the delivery of notice given pursuant to subsection (3) of this section. The reply form sent pursuant to this paragraph (b), or otherwise available at the licensed child placement agency pursuant to paragraph (b) of subsection (7) of this section, shall be signed by the other birth parent or possible birth parent, witnessed, and dated, and shall require the other birth parent or possible birth parent to disclose the following information to the licensed child placement agency:

(III) In addition to the requirements of subparagraphs (I) and (II) of this paragraph (b), the reply form sent or delivered pursuant to this paragraph (b), or otherwise available at the licensed child placement agency pursuant to paragraph (b) of subsection (7) of this section, shall include a statement of acknowledgment by the other birth parent or possible birth parent that there is a requirement to file a claim of paternity and to notify the licensed child placement agency pursuant to section 19-4-105.5 (4) no later than twenty days after the date of notice or before a relinquishment petition is filed with the court, whichever occurs later.

(5) To properly reply and declare an intent to contest the termination of the parent-child legal relationship pursuant to this section, the other birth parent or possible birth parent shall, no later than twenty days after receiving notice pursuant to subsection (3) of this section or before a relinquishment petition is filed with the court, whichever occurs later:

(a) Return a reply form to the licensed child placement agency by certified mail, return receipt requested, or, for other birth parents or possible birth parents who receive notice by publication or who otherwise decide not to return the reply form by certified mail, personally appear at the licensed child placement agency to declare an intent to contest the termination of parental rights in the anticipated proceedings; and

(b) File a claim of paternity pursuant to article 4 of this title and notify the licensed child placement agency pursuant to section 19-4-105.5 (4).

(6) The other birth parent or possible birth parent who is served with notice pursuant to subsection (3) of this section and fails to reply as required in subsection (5) of this section irrevocably waives the right to further notice of proceedings related to the anticipated expedited relinquishment and irrevocably waives the right to appear and contest the termination of his or

her parental rights, unless the other birth parent or possible birth parent proves, by clear and convincing evidence, the following:

(a) That it was not possible for the other birth parent or possible birth parent to properly reply and declare an intent to contest the termination of the parent-child legal relationship pursuant to the requirements of subsection (5) of this section; and

(b) That the other birth parent or possible birth parent did properly reply and declare an intent to contest the termination of the parent-child legal relationship pursuant to the requirements of subsection (5) of this section within twenty days after it became possible for the other birth parent or possible birth parent to do so.

(7) (a) If the other birth parent or possible birth parent replies to the notice provided pursuant to subsection (3) of this section by returning the reply form via certified mail to the licensed child placement agency that sent the notice, the licensed child placement agency shall accept and file the original reply form with the court upon filing the petition for relinquishment or upon receipt of the reply form, whichever occurs later. The date of the reply shall be then noted on the return receipt.

(b) If the other birth parent or possible birth parent replies to the notice provided pursuant to subsection (3) of this section by appearing in person at the licensed child placement agency to declare his or her response, the licensed child placement agency shall provide a reply form for the other birth parent or the possible birth parent to complete and sign. An agency or social services employee shall sign the form as a witness. The licensed child placement agency shall accept the completed, signed reply form, provide a copy of the form to the other birth parent or the possible birth parent, and file the original with the court upon filing the petition for relinquishment or upon receipt of the completed reply form, whichever occurs later. The date of the reply shall be the date on which the other birth parent or the possible birth parent signs the reply.

(c) (I) Notwithstanding any provision of this section to the contrary, if the other birth parent or possible birth parent replies to notice provided by publication pursuant to subsection (3) of this section by contacting the licensed child placement agency in a manner other than is specified in paragraph (b) of this subsection (7), and the other birth parent or possible birth parent provides his or her full name and address, the licensed child placement agency shall:

(A) Within seven days after the contact, and by certified mail, return receipt requested, send a reply form to the other birth parent or possible birth parent with a written statement informing the person that the date he or she contacted the licensed child placement agency in response to the notice received shall be considered his or her date of reply if he or she returns the form no later than fourteen days after the date noted on the return receipt, and that, if he or she returns the form more than fourteen days after the date noted on the return receipt, the date the licensed child placement agency actually receives the reply form shall be considered his or her reply date; and

(B) Maintain a dated record to submit to the court of all communications made related to this paragraph (c).

(II) The date of reply provided in the manner described in this paragraph (c) shall be the date the other birth parent or possible birth parent contacts the licensed child placement agency in response to the notice received if he or she returns the form no later than fourteen days after the date noted on the return receipt of the form. If the other birth parent or possible birth parent

returns the form more than fourteen days after the date noted on the return receipt, the date the reply is received by the licensed child placement agency shall be considered the reply date.

(d) Notwithstanding any provision of this section to the contrary, if the other birth parent or possible birth parent files a claim of paternity pursuant to article 4 of this title and provides notice to the licensed child placement agency pursuant to section 19-4-105.5, then such claim and notice shall be deemed to satisfy the requirements of subsection (5) of this section, so long as the claim of paternity is filed and notice is provided to the licensed child placement agency no later than twenty-one days after receiving notice pursuant to subsection (3) of this section or before a relinquishment petition is filed with the court.

(e) The other birth parent or possible birth parent who replies to a licensed child placement agency pursuant to this subsection (7) shall notify the agency of any change in his or her address.

(f) (I) Notwithstanding any provision of this section to the contrary, the licensed child placement agency shall respond as specified in subparagraph (II) of this paragraph (f) and shall not have the duty to respond as required in paragraph (a), (b), or (c) of this subsection (7) or to file any further documentation of a respondent's reply if, before the respondent replies to the notice as described in paragraph (a), (b), or (c) of this subsection (7), all of the following have occurred:

(A) The relinquishment petition has been filed with the court;

(B) At least twenty-one days have passed since the notice was provided; and

(C) The licensed child placement agency has filed the affidavit of administrative notice described in subsection (8) of this section with the court.

(II) If the requirements specified in subparagraph (I) of this paragraph (f) have been met before the respondent replies to the notice as described in paragraph (a), (b), or (c) of this subsection (7), the licensed child placement agency shall provide the respondent, to the extent of the agency's knowledge, with the following information:

(A) Verification that the petitions and affidavit have been filed;

(B) The court in which the case was filed;

(C) The case number; and

(D) Whether the court has ordered the termination of the respondent's parental rights.

(8) A licensed child placement agency that provides notice of the anticipated expedited relinquishment on behalf of the relinquishing parent to the other birth parent or possible birth parent pursuant to the provisions of this section shall have the duty to file with the court the following information at the time it files the petition for relinquishment:

(a) An affidavit of administrative notice with respect to the other birth parent or possible birth parent who has received notice pursuant to subsection (3) of this section, including the following information, if available:

(I) The method of providing notice;

(II) The date of notice;

(III) The deadline for reply;

(IV) The date of the reply;

(V) The intent declared in the reply;

(VI) A statement indicating whether an action relating to the parent and child legal relationship was filed;

(VII) A statement indicating whether the person's reply was timely; and

(VIII) A statement indicating that the expedited relinquishment was filed pursuant to section 19-5-103.5.

(b) In addition to the affidavit of administrative notice filed with the court pursuant to paragraph (a) of this subsection (8), the licensed child placement agency shall file all available evidence supporting the affidavit, including but not limited to signed return receipts, completed reply forms, affidavits of service of process, evidence of publication, evidence of the filing of an action relating to the parent and child legal relationship, and any other records of pertinent communication with the possible birth parent or other birth parent.

(9) Nothing in this section shall be construed to require a parent who plans to relinquish a child through an expedited relinquishment pursuant to section 19-5-103.5 to file the expedited relinquishment.

(10) Nothing in this section shall be construed to authorize the filing of a petition and affidavit of relinquishment prior to the birth of a child.

19-5-104. Final order of relinquishment. (1) If the court terminates the parent-child legal relationship of both parents or of the only living parent, the court, after taking into account the religious background of the child, shall order guardianship of the person and legal custody transferred to:

(a) The county department of human or social services; or

(b) A licensed child placement agency; or

(c) A relative of the child; or

(d) An individual determined to be of good moral character through a process that includes the assessment made pursuant to section 19-5-206 (2)(g), if such individual shall have had the child living in his or her home for six months or more, including a foster parent or a designated adoptive parent.

(2) (a) The court shall consider, but shall not be bound by, a request that custody of the child, with the option of applying for adoption, be placed in a grandparent, aunt, uncle, brother, or sister of the child or a foster parent. When ordering legal custody of the child, the court shall give preference to a grandparent, aunt, uncle, brother, or sister of the child when such relative has made a timely request therefor and the court determines that such placement is in the best interests of the child. Such request must be submitted to the court prior to commencement of the hearing on the petition for relinquishment. If such legal custody is granted, guardianship of the child shall remain with the parent, if the legal parent-child relationship has not been terminated, or the guardianship shall be transferred pursuant to subsection (1) of this section. Nothing in this section shall be construed to require the birth parents or the child placement agency with custody of the child to notify said relatives described in this subsection (2) of the pending relinquishment of parental rights. This subsection (2) shall not apply in cases where the birth parents have designated an adoptive family for the child or the birth parents have designated that legal custody of the child shall not be in a person described in this subsection (2) and where the child has not been in legal custody of a relative requesting guardianship or custody as described in this

section or the child has not been in the physical custody of such relative for more than six months.

(b) Notwithstanding the provisions of paragraph (a) of this subsection (2), in cases in which a parent is seeking to relinquish his or her parent-child legal relationship with more than one child of a sibling group at one time, if the county department or child placement agency locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, the court shall presume that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(3) No person shall be precluded from adopting a child solely because that person has been a child's foster parent.

(4) The order of relinquishment shall set forth all pertinent facts brought at the hearing, and, in addition, it shall state that the court is satisfied that the counsel and guidance provided for in section 19-5-103 (1) and (5) has been offered the relinquishing parent or parents and any child for whom the court has ordered counseling.

(5) A final order of relinquishment shall divest the relinquishing parent or parents of all legal rights and obligations they may have with respect to the child relinquished, but it shall not modify the child's status as an heir at law which shall cease only upon a subsequent final decree of adoption; except that the relinquishing parent's or parents' obligation to pay for services received by the child through the department, or other support received, shall be terminated upon a subsequent final decree of adoption or by order of the court at the time of relinquishment. The order of relinquishment shall release the relinquished child from all legal obligations with respect to the relinquishing parent or parents.

(6) If one parent files a petition for the relinquishment of a child and the agency or person having custody of the child files a petition to terminate the rights of the other parent pursuant to section 19-5-105, the court shall set a hearing, as expeditiously as possible, on the relinquishment petition. A court may enter an order of relinquishment for the purpose of adoption prior to the relinquishment or termination of the other parent's parental rights. Except as otherwise provided in subsection (7) of this section, an order of relinquishment is final and irrevocable.

(7) (a) A relinquishment may be revoked only if, within ninety-one days after the entry of the relinquishment order, the relinquishing parent establishes by clear and convincing evidence that such relinquishment was obtained by fraud or duress.

(b) Notwithstanding paragraph (a) of this subsection (7), a relinquishment may not be revoked on the basis that the relinquishment or termination of the other parent's parental rights was not obtained because the relinquishing parent knew, but did not disclose, the name or whereabouts of such other parent.

(8) If the relinquishment by an individual is revoked pursuant to subsection (7) of this section and no grounds exist under section 19-5-105 or under part 6 of article 3 of this title for terminating the parental rights of that individual, the court shall dismiss any proceeding for adoption and shall provide for the care and custody of the child according to the child's best interests.

(9) The fact that the relinquishing parent or parents are minors shall in no way affect the validity of the final order of relinquishment.

19-5-105. Proceeding to terminate parent-child legal relationship. (1) If one parent relinquishes or proposes to relinquish or consents to the adoption of a child, the agency or person having custody of the child shall file a petition in the juvenile court to terminate the parent-child legal relationship of the other parent, unless the other parent's relationship to the child has been previously terminated or determined by a court not to exist. This section applies whether or not the other parent is a presumed parent pursuant to section 19-4-105 (1).

(2) In an effort to identify the other birth parent, the court shall cause inquiry to be made of the known parent and any other appropriate person. The inquiry shall include the following: Whether the mother was married at the time of conception of the child or at any time thereafter; whether the mother was cohabiting with a man at the time of conception or birth of the child; whether the mother has received support payments or promises of support with respect to the child or in connection with her pregnancy; or whether any man has formally or informally acknowledged or declared his possible paternity of the child.

(3) If, after the inquiry, the other birth parent is identified to the satisfaction of the court or if more than one person is identified as a possible parent, each shall be given notice of the proceeding in accordance with subsection (5) of this section, including notice of the person's right to waive his or her right to appear and contest. If any of them waives his or her right to appear and contest or fails to appear or, if appearing, cannot personally assume legal and physical custody, taking into account the child's age, needs, and individual circumstances, such person's parent-child legal relationship with reference to the child shall be terminated. If the other birth parent or a person representing himself or herself to be the other birth parent appears and demonstrates the desire and ability to personally assume legal and physical custody of the child, taking into account the child's age, needs, and individual circumstances, the court shall proceed to determine parentage under article 4 of this title. If the court determines that the person is the other birth parent, the court shall set a hearing, as expeditiously as possible, to determine whether the interests of the child or of the community require that the other parent's rights be terminated or, if they are not terminated, to determine whether:

(a) To award custody to the other birth parent or to the physical custodian of the child; or

(b) To direct that a dependency and neglect action be filed pursuant to part 5 of article 3 of this title with appropriate orders for the protection of the child during the pendency of the action.

(3.1) The court may order the termination of the other birth parent's parental rights upon a finding that termination is in the best interests of the child and that there is clear and convincing evidence of one or more of the following:

(a) That the parent is unfit. In considering the fitness of the child's parent, the court shall consider the following:

(I) An emotional illness, a behavioral or mental health disorder, or an intellectual and developmental disability of the parent of such duration or nature as to render the parent unlikely, within a reasonable period of time, to care for the ongoing physical, mental, and emotional needs of the child;

(II) A single incident of life-threatening or serious bodily injury or disfigurement of the child or other children;

(III) Conduct toward the child or other children of a physically or sexually abusive nature;

(IV) A history of violent behavior that demonstrates that the individual is unfit to maintain a parent-child relationship with the minor, which may include an incidence of sexual assault, as defined in section 19-1-103 (96.5), that resulted in the conception of the child;

(V) Excessive use of intoxicating liquors or use of controlled substances, as defined in section 18-18-102 (5), C.R.S., that affects the ability of the individual to care and provide for the child;

(VI) Neglect of the child or other children;

(VII) Injury or death of a sibling or other children due to proven abuse or neglect by such parent;

(VIII) Whether, on two or more occasions, a child in the physical custody of the parent has been adjudicated dependent or neglected in a proceeding under article 3 of this title or comparable proceedings under the laws of another state or the federal government;

(IX) Whether, on one or more prior occasions, a parent has had his or her parent-child legal relationship terminated pursuant to this section or article 3 of this title or comparable proceedings under the laws of another state or the federal government.

(b) That the parent has not established a substantial, positive relationship with the child. The court shall consider, but shall not be limited to, the following in determining whether the parent has established a substantial, positive relationship with the child:

(I) Whether the parent has maintained regular and meaningful contact with the child;

(II) Whether the parent has openly lived with the child for at least one hundred eighty days within the year preceding the filing of the relinquishment petition or, if the child is less than one year old at the time of the filing of the relinquishment petition, for at least one-half of the child's life; and

(III) Whether the parent has openly held out the child as his or her own child.

(c) That the parent has not promptly taken substantial parental responsibility for the child. In making this determination the court shall consider, but shall not be limited to, the following:

(I) Whether the parent who is the subject of the petition is served with notice and fails to file an answer within thirty-five days after service of the notice and petition to terminate the

parent-child legal relationship, or within twenty-one days if the petition for termination was filed pursuant to section 19-5-103.5, or fails to file a paternity action, pursuant to article 4 of this title, within thirty-five days after the birth of the child or within thirty-five days after receiving notice that he is the father or likely father of the child, or, for those petitions filed pursuant to section 19-5-103.5, within twenty-one days after the birth of the child or after receiving notice that he is the father or likely father of the child;

(II) Whether the parent has failed to pay regular and reasonable support for the care of the child, according to that parent's means; and

(III) Whether the birth father has failed to substantially assist the mother in the payment of the medical, hospital, and nursing expenses, according to that parent's means, incurred in connection with the pregnancy and birth of the child.

(3.2) In considering the termination of a parent's parental rights, the court shall give paramount consideration to the physical, mental, and emotional conditions and needs of the child. Such consideration shall specifically include whether the child has formed a strong, positive bond with the child's physical custodian, the time period that the bond has existed, and whether removal of the child from the physical custodian would likely cause significant psychological harm to the child.

(3.3) If the child is under one year of age at the time that the relinquishment petition is filed, there is an affirmative defense to any allegations under subparagraph (VI) of paragraph (a), paragraph (b), and paragraph (c) of subsection (3.1) of this section that the parent's neglect, failure to establish a substantial relationship, or failure to take substantial responsibility for the child was due to impediments created by the other parent or person having custody. A parent shall demonstrate such impediments created by the other parent or person having custody by a preponderance of the evidence.

(3.4) (a) If the court determines not to terminate the nonrelinquishing parent's parental rights nor to direct that a dependency and neglect action be filed, the court shall proceed to determine custody of the child, parenting time with the child, duty of support, and recovery of child support debt.

(b) The court shall determine custody based upon the best interests of the child giving paramount consideration to the physical, mental, and emotional conditions and needs of the child.

(c) If the child has been out of his or her birth parents' care for more than one year, irrespective of incidental communications or visits from the relinquishing or nonrelinquishing parent, there is a rebuttable presumption that the best interests of the child will be served by granting custody to the person in whose care the child has been for that period. Such presumption may be overcome by a preponderance of the evidence.

(3.5) Notwithstanding subsection (3.4) of this section, the court shall grant custody of the child to the nonrelinquishing birth parent if the court finds that the birth parent has the ability and the desire to assume personally legal and physical custody of the child promptly and that all of the following exists:

(a) The nonrelinquishing parent has established a substantial, positive relationship with the child;

(b) The nonrelinquishing parent has promptly taken substantial parental responsibility for the child; and

(c) The award of custody to the nonrelinquishing parent is in the best interests of the child.

(3.6) Except for a parent whose parental rights have been relinquished pursuant to section 19-5-104, a person who has or did have the child in his or her care has the right to intervene as an interested party and to present evidence to the court regarding the nonrelinquishing parent's contact, communication, and relationship with the child. If custody is at issue pursuant to subsection (3.4) of this section, such person also has the right to present evidence regarding the best interests of the child and his or her own suitability as a placement for the child.

(4) If, after the inquiry, the court is unable to identify the other birth parent or any other possible birth parent and no person has appeared claiming to be the other birth parent and claiming custodial rights, the court shall enter an order terminating the unknown birth parent's parent-child legal relationship with reference to the child. Subject to the disposition of an appeal upon the expiration of thirty-five days after an order terminating a parent-child legal relationship is issued under subsection (3) of this section or this subsection (4), the order cannot be questioned by any person, in any manner, or upon any ground, except fraud upon the court or fraud upon a party. Upon an allegation of fraud, the termination order cannot be questioned by any person, in any manner or upon any ground, after the expiration of ninety-one days from the date that the order was entered.

(5) Notice of the proceeding shall be given to every person identified as the other birth parent or a possible birth parent in the manner appropriate under the Colorado rules of juvenile procedure for the service of process or in any manner the court directs. The notice shall inform the parent or alleged parent whose rights are to be determined that failure to file an answer or to appear within thirty-five days after service and, in the case of an alleged father, failure to file a claim of paternity under article 4 of this title within thirty-five days after service, if a claim has not previously been filed, may likely result in termination of the parent's or the alleged parent's parental rights to the minor. The notice also shall inform the parent or alleged parent whose rights are to be determined that such person has the right to waive his or her right to appear and contest and that failure to appear and contest may likely result in termination of the parent's or the alleged parent's parental rights to the minor. Proof of giving the notice shall be filed with the court before the petition is heard. If no person has been identified as the birth parent, the court shall order that notice be provided to all possible parents by publication or public posting of the notice at times and in places and manner the court deems appropriate.

(6) In those cases in which a parent proposes to relinquish his or her parent-child legal relationship with a child who is under one year of age, pursuant to the expedited procedures set forth in section 19-5-103.5, the licensed child placement agency or the county department of human or social services assisting the relinquishing parent shall proceed with filing the petition for termination of the other birth parent's or possible birth parents' parent-child legal relationship and notify the other birth parent or possible birth parents as provided in section 19-5-103.5 (2).

19-5-105.5. Termination of parent-child legal relationship upon a finding that the child was conceived as a result of sexual assault - legislative declaration - definitions. (1) The general assembly hereby declares that the purpose of this statute is to protect the victim of a sexual assault and to protect the child conceived as a result of that sexual assault by creating a process to seek termination of the parental rights of the perpetrator of the sexual assault and by issuing protective orders preventing future contact between the parties. The general assembly further declares that this section creates civil remedies and is not created to punish the perpetrator but rather to protect the interests of the child and the victim of a sexual assault.

(2) As used in this section, unless the context otherwise requires:

(a) "Convicted" or "conviction" has the same meaning as defined in section 19-1-103 (29.3).

(a.5) "Disability" means:

(I) A physical or mental impairment that substantially limits one or more major life activities; or

(II) A record of a physical or mental impairment that substantially limited a major life activity.

(a.7) "Petitioner" means a victim of sexual assault who files a petition for termination of the parent-child legal relationship of the other parent as provided in this section.

(a.8) "Respondent" means a person against whom a petition for termination of the parent-child legal relationship is filed as provided in this section.

(b) "Sexual assault" has the same meaning as defined in section 19-1-103 (96.5).

(c) "Victim" has the same meaning as defined in section 19-1-103 (112)(b).

(3) If a child was conceived as a result of an act that led to the parent's conviction for sexual assault or for a conviction in which the underlying factual basis was sexual assault, the victim of the sexual assault or crime may file a petition in the juvenile court to prevent future contact with the parent who committed the sexual assault and to terminate the parent-child legal relationship of the parent who committed the sexual assault or crime.

(4) The verified petition filed under this section must allege that:

(a) The respondent was convicted on or after July 1, 2013, of an act of sexual assault against the petitioner or convicted of a crime in which the underlying factual basis was sexual assault against the petitioner;

(b) A child was conceived as a result of the act of sexual assault or crime described under paragraph (a) of this subsection (4); and

(c) Termination of the parent-child legal relationship of the respondent with the child is in the best interests of the child.

(4.5) After a petition has been filed pursuant to this section, the court shall issue a summons that recites briefly the substance of the petition and contains a statement that the purpose of the proceeding is whether to terminate the parent-child legal relationship of the respondent. The petitioner shall have the respondent personally served with a copy of the summons or notified through notice by publication consistent with the statutory provisions for notice in section 19-3-503 and pursuant to the Colorado rules of civil procedure, unless the respondent appears voluntarily or waives service. Upon request, the court shall protect the whereabouts of the petitioner and must identify the petitioner and the child in the summons by initials.

(5) (a) After a petition has been filed pursuant to this section, the court shall appoint a guardian ad litem, who must be an attorney, to represent the child's best interests in the proceeding; except that, if at any time the court determines that a guardian ad litem for the child is no longer necessary, the court may discharge the guardian ad litem. The petitioner and the respondent have the right to be represented by legal counsel in proceedings under this section. The petitioner and the respondent each have the right to seek the appointment of legal counsel if he or she is unable financially to secure legal counsel on his or her own. The court shall waive filing fees for an indigent petitioner.

(b) The court will work to ensure that a petitioner or a respondent who has a disability has equal access to participate in the proceeding. If the petitioner or respondent has a disability, he or she has the right to request reasonable accommodations in order to participate in the proceeding; except that the disability of the petitioner, the respondent, or the child must not be the cause for the unnecessary delay of the process. The court shall presume that a petitioner or a respondent with a disability is legally competent and able to understand and participate in the proceeding unless the petitioner or respondent is determined to be an incapacitated person, as defined in section 15-14-102 (5), C.R.S.

(6) In any proceeding held under this section, the court may grant protective measures in the courtroom as requested by the petitioner, including but not limited to allowing the petitioner to not appear in the presence of the respondent, so long as these measures do not violate due process. The petitioner's and the child's whereabouts must be kept confidential.

(6.5) A respondent may admit parentage or may request genetic testing or other tests of inherited characteristics to confirm paternity. The test results must be admitted into evidence as provided in section 13-25-126, C.R.S. The final costs for genetic tests or other tests of inherited characteristics must be assessed against the nonprevailing party on the parentage issue.

(6.6) If the parties consent, the court has continuing jurisdiction and authority in the same proceeding to enter an order of relinquishment pursuant to part 1 of article 5 of this title without a finding or admission of the elements required by subsection (7) of this section. As part of the agreement, the respondent must agree in writing to waive the right to access the original birth certificate or other relinquishment documents as permitted by law under article 5 of this title or pursuant to the rules of the state department of human services. The waiver must be filed with the court that issues the order of relinquishment and with the state registrar of vital statistics.

(6.7) The court shall hear a petition to terminate the parent-child legal relationship no more than one hundred twenty days after service of the petition or from the first appearance date, whichever is later, unless both parties consent to an extension or the court finds good cause to extend the hearing beyond one hundred twenty days.

(7) The court shall terminate the parent-child legal relationship of the respondent if the court finds by clear and convincing evidence, and states the reasons for its decision, that:

(a) The respondent was convicted on or after July 1, 2013, of an act of sexual assault against the petitioner or was convicted of a crime in which the underlying factual basis was sexual assault against the petitioner;

(b) A child was conceived as a result of that act of sexual assault or crime as evidenced by the respondent admitting parentage or genetic testing establishing the paternity; and

(c) Termination of the parent-child legal relationship is in the best interests of the child. There is a rebuttable presumption that terminating the parental rights of the parent who committed the act of sexual assault or crime is in the best interests of the child. The court shall not presume that having only one remaining parent is contrary to the child's best interests.

(7.3) If the child is an Indian child, the court shall ensure compliance with the federal "Indian Child Welfare Act", 25 U.S.C. sec. 1901 et seq., and the provisions of section 19-1-126.

(7.5) If the court denies the petition to terminate the parent-child legal relationship, then the court shall articulate its reasons for the denial of the petition. If the court denies the petition, the court has continuing jurisdiction and authority to enter an order in the same proceeding allocating parental responsibilities between the parties, including but not limited to an order to not allocate parental responsibilities to the respondent. In issuing any order allocating parental responsibilities, including the duty of support, guardianship, and parenting time privileges with the child or any other matter, the court shall determine whether the order is in the best interests of the child based on a preponderance of the evidence.

(8) (a) A respondent whose parental rights are terminated in accordance with this section has:

(I) No right to allocation of parental responsibilities, including parenting time and decision-making responsibilities for the child;

(II) No right of inheritance from the child; and

(III) No right to notification of, or standing to object to, the adoption of the child.

(b) Notwithstanding the provisions of section 19-3-608, termination of parental rights under subsection (7) of this section does not relieve the respondent of any obligation to pay child support or birth-related costs unless waived by the petitioner. In cases in which child support obligations are not waived, the court, as informed by the wishes of the petitioner, shall determine if entering an order to pay child support is in the best interests of the child. If the court orders the respondent to pay child support, the court shall order the payments to be made through the child support registry to avoid the need for any contact between the parties and order that the payments be treated as a nondisclosure of information case. If the petitioner's parent-child legal relationship to the child is terminated after the entry of a child support order against the respondent, the court shall modify the child support order accordingly.

(9) A respondent whose parent-child legal relationship has been terminated in accordance with this section has no right to make medical treatment decisions or any other decisions on behalf of the child.

(9.5) The court may order a respondent whose parent-child legal relationship has been terminated to provide medical and family information to be shared with the child, as appropriate, and with the petitioner. For terminations entered under this section and section 19-5-105.7, the state court administrator shall establish a uniform process to determine how the information is collected, who can access it, when it can be accessed, and how it is stored. The court may order that a respondent's failure to comply with the request for information in a timely manner constitutes contempt of court.

(10) The juvenile court has original concurrent jurisdiction to issue a temporary or permanent civil protection order pursuant to section 13-14-104.5 or 13-14-106, C.R.S.

(11) Termination of the parent-child legal relationship pursuant to subsection (7) of this section is an independent basis for termination of parental rights, and the court need not make any of the considerations or findings described in section 19-3-604, 19-5-103.5, or 19-5-105.

(12) Nothing in this section prohibits the termination of parental rights by the court using the criteria described in section 19-3-604, 19-5-103.5, or 19-5-105.

19-5-105.7. Termination of parent-child legal relationship in a case of an allegation that a child was conceived as a result of sexual assault but in which no conviction occurred - legislative declaration - definitions. (1) The general assembly hereby declares that the purpose of this statute is to protect a person in a case where it is determined that he or she is a victim of sexual assault but in which no conviction occurred and to protect a child conceived as a result of that sexual assault by creating a process to seek termination of the parental rights of the perpetrator of the sexual assault and by issuing protective orders preventing future contact between the parties. The general assembly further declares that this section creates civil remedies and is not created to punish the perpetrator but rather to protect the interests of the petitioner and the child. The general assembly creates this section to address the procedures in cases where there are allegations of sexual assault but in which a conviction did not occur.

(2) As used in this section, unless the context otherwise requires:

(a) "Conviction" has the same meaning as defined in section 19-1-103 (29.3).

(b) "Petitioner" means a person who alleges that he or she is a victim of sexual assault and who files a petition for termination of the parent-child legal relationship of the other parent as provided in this section.

(c) "Respondent" means a person against whom a petition for termination of the parent-child legal relationship is filed as provided in this section.

(d) "Sexual assault" has the same meaning as defined in section 19-1-103 (96.5).

(3) The person who alleges that he or she is a victim of sexual assault and who alleges that a child was conceived as a result of a sexual assault in which a conviction did not occur may file a petition in the juvenile court to prevent future contact with the parent who allegedly committed the sexual assault and to terminate the parent-child legal relationship of the parent who allegedly committed the sexual assault.

(4) The verified petition filed under this section must allege that:

(a) The respondent committed an act of sexual assault against the petitioner;

(b) The respondent has not been convicted for the act of sexual assault;

(c) A child was conceived as a result of the act of sexual assault as described under paragraph (a) of this subsection (4); and

(d) Termination of the parent-child legal relationship of the respondent with the child is in the best interests of the child.

(5) (a) After a petition has been filed pursuant to this section, the court shall issue a summons that recites briefly the substance of the petition and contains a statement that the purpose of the proceeding is to determine whether to terminate the parent-child legal relationship of the respondent. The petitioner shall have the respondent personally served with a copy of the summons or notified through notice by publication consistent with the statutory provisions for notice in section 19-3-503 and pursuant to the Colorado rules of civil procedure, unless the respondent appears voluntarily or waives service. Upon request, the court shall protect the whereabouts of the petitioner and must identify the petitioner and the child in the summons by initials.

(b) The court will work to ensure that a petitioner or a respondent who has a disability has equal access to participate in the proceeding. If the petitioner or respondent has a disability, he or she has the right to request reasonable accommodations in order to participate in the proceeding; except that the disability of the petitioner, the respondent, or the child must not be the cause for the unnecessary delay of the process. The court shall presume that a petitioner or a respondent with a disability is legally competent and able to understand and participate in the proceeding unless the petitioner or respondent is determined to be an incapacitated person, as defined in section 15-14-102 (5), C.R.S.

(6) After a petition has been filed pursuant to this section, the court shall appoint a guardian ad litem, who must be an attorney, to represent the child's best interests in the proceeding; except that, if at any time the court determines that a guardian ad litem for the child is no longer necessary, the court may discharge the guardian ad litem. The petitioner and the respondent have the right to be represented by legal counsel in proceedings under this section. The petitioner and the respondent each have the right to seek the appointment of legal counsel if he or she is unable financially to secure legal counsel on his or her own. The court shall waive filing fees for an indigent petitioner.

(7) In any proceeding held under this section, the court may grant protective measures in the courtroom as requested by the petitioner, including but not limited to allowing the petitioner to not appear in the presence of the respondent so long as these measures do not violate due process. The petitioner's and the child's whereabouts must be kept confidential.

(8) A respondent may admit parentage or may request genetic testing or other tests of inherited characteristics to confirm paternity. The test results must be admitted into evidence as provided in section 13-25-126, C.R.S. The final costs for genetic tests or other tests of inherited characteristics must be assessed against the nonprevailing party on the parentage issue.

(9) If the parties consent, the court has continuing jurisdiction and authority in the same proceeding to enter an order of relinquishment pursuant to part 1 of article 5 of this title without a finding or admission of the elements required by subsection (11) of this section. As part of the agreement, the respondent must agree in writing to waive the right to access the original birth certificate or other relinquishment documents as permitted by law under article 5 of this title or pursuant to the rules of the state department of human services. The waiver must be filed with the court that issues the order of relinquishment and with the state registrar of vital statistics.

(10) The court shall hear a petition to terminate the parent-child legal relationship no more than one hundred twenty days after service of the petition or from the first appearance date, whichever is later, unless both parties consent to an extension or the court finds good cause to extend the hearing beyond one hundred twenty days.

(11) (a) The court shall terminate the parent-child legal relationship of the respondent if the court finds by clear and convincing evidence that:

(I) A sexual assault against the petitioner occurred;

(II) The sexual assault was perpetrated by the respondent;

(III) A child was conceived as a result of that act of sexual assault as evidenced by the respondent admitting parentage or genetic testing establishing the paternity;

(IV) Termination of the parent-child legal relationship is in the best interests of the child. The court shall not presume that having only one remaining parent is contrary to the child's best interests.

(b) If the child is an Indian child, the court shall ensure compliance with the federal "Indian Child Welfare Act", 25 U.S.C. sec. 1901 et seq., and the provisions of section 19-1-126.

(12) If the court denies the petition to terminate the parent-child legal relationship, the court shall articulate its reasons for the denial of the petition. If the court denies the petition, the court has continuing jurisdiction and authority to enter an order in the same proceeding allocating parental responsibilities between the petitioner and the respondent, including but not limited to an order to not allocate parental responsibilities to the respondent. In issuing any order allocating parental responsibilities, including the duty of support, guardianship, and parenting time privileges with the child or any other matter, the court shall determine whether the order is in the best interests of the child based on a preponderance of the evidence.

(13) (a) A respondent whose parental rights are terminated in accordance with this section has:

(I) No right to allocation of parental responsibilities, including parenting time and decision-making responsibilities for the child;

(II) No right of inheritance from the child; and

(III) No right to notification of, or standing to object to, the adoption of the child.

(b) Notwithstanding the provisions of section 19-3-608, termination of parental rights under subsection (10) of this section does not relieve the respondent of any obligation to pay child support or birth-related costs unless waived by the petitioner. In cases in which child support obligations are not waived, the court, as informed by the wishes of the petitioner, shall determine if entering an order to pay child support is in the best interests of the child. If the court orders the respondent to pay child support, the court shall order the payments to be made through the child support registry to avoid the need for any contact between the parties and order that the payments be treated as a nondisclosure of information case. If the petitioner's parent-child legal relationship to the child is terminated after the entry of a child support order against the respondent, the court shall modify the child support order accordingly.

(14) A respondent whose parent-child legal relationship has been terminated in accordance with this section has no right to make medical treatment decisions or any other decisions on behalf of the child.

(15) The court may order a respondent whose parent-child legal relationship has been terminated to provide medical and family information to be shared with the child, as appropriate, and with the petitioner. The sharing of information must be consistent with the uniform process

established by the state court administrator as provided in section 19-5-105.5 (9.5). The court may order that a respondent's failure to comply with the request for information in a timely manner constitutes contempt of court.

(16) The juvenile court has original concurrent jurisdiction to issue a temporary or permanent civil protection order pursuant to section 13-14-104.5 or 13-14-106, C.R.S.

(17) Termination of the parent-child legal relationship pursuant to subsection (10) of this section is an independent basis for termination of parental rights, and the court need not make any of the considerations or findings described in section 19-3-604, 19-5-103.5, or 19-5-105.

(18) Nothing in this section prohibits the termination of parental rights by the court using the criteria described in section 19-3-604, 19-5-103.5, or 19-5-105.

19-5-109. Birth parent access to records related to relinquishment of parental rights. (1) (a) Except for relinquishments ordered pursuant to section 19-5-105.5 (6.6) or 19-5-105.7 (9) or when the subsequent termination of the parent-child legal relationship is the result of a dependency and neglect action, in those cases in which a parent consents to the relinquishment of his or her child, the custodian of records shall provide to the relinquishing birth parent to whom the document pertains a copy of the relinquishment records, in the possession of the custodian of records, that are signed by the relinquishing birth parent or by a parent, guardian, custodian, or legal representative on behalf of the relinquishing birth parent and any of the following records listed in this paragraph (a) in which the relinquishing birth parent is named, including:

(I) The original birth certificate of the child who is being relinquished;

(II) The petition to relinquish;

(III) The final order of relinquishment;

(IV) The affidavit of counseling, excluding any attachments and excluding any notes or prerelinquishment counseling documents;

(V) The temporary waiver of custody;

(VI) Expedited relinquishment documents, if applicable;

(VII) A relinquishment interrogatory from a birth parent;

(VIII) The order for publication of relinquishment;

(IX) The notice to terminate the parent-child legal relationship; and

(X) The medical records of a birth mother related to the pregnancy and birth, which records may only be released by the health care provider, hospital, or maternity home that created the record.

(b) The custodian of records shall provide the records described in paragraph (a) of this subsection (1) to the relinquishing birth parent at the time of relinquishment of the child or at the time the document is created.

(2) If the records described in subsection (1) of this section were not provided to a birth parent at the time of the relinquishment of the child or at the time the document was created and if the subsequent termination of the parent-child legal relationship was not the result of a dependency or neglect action, then upon written request and proof of identification of the birth parent, the custodian of records shall provide access to and copies of the records described in subsection (1) of this section to the birth parent. Nothing in this section prevents the release of the records described in subsection (1) of this section to a birth parent who was a minor at the time of the relinquishment of a child in circumstances where the record was signed by a parent, guardian, legal custodian, or legal representative on behalf of the relinquishing birth parent.

(3) A licensed child placement agency is not liable to any person for the failure of a birth parent to request copies of the records described in subsection (1) of this section pursuant to the provisions of subsection (1) or subsection (2) of this section. A licensed child placement agency or succeeding custodian of records is not liable to any person for failure to produce a copy of a record that did not exist pursuant to the provisions of the Colorado Revised Statutes or rules at the time of the relinquishment of the child.

19-5-200.2. Legislative declaration. (1) Notwithstanding any other provisions of this title to the contrary, it is the intent of the general assembly that the court shall protect and promote the best interests of the children who are the subjects of proceedings held pursuant to this part 2 while giving due regard to the interests of any other individuals affected.

(2) The general assembly hereby finds and declares that:

(a) It is beneficial for a child placed for adoption to be able to continue relationships with his or her brothers and sisters, regardless of age, in order that the siblings may share their strengths and association in their everyday and often common experiences;

(b) When parents and other adult relatives are no longer available to a child, the child's siblings constitute his or her biological family;

(c) When placing children in adoptive placements, efforts should be made to place siblings together, unless there is a danger of specific harm to a child or it is not in the child's or children's best interests to be placed together. The general assembly further finds that if the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, there should be a rebuttable presumption that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption should be rebuttable by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

19-5-202.5. Adoption hearings - termination appeals - court docket priority - exceptions. (1) On and after July 1, 2002, any hearing concerning a petition for adoption filed in a district court, the Colorado court of appeals, or the Colorado supreme court and any hearing concerning a petition filed in the Colorado court of appeals or the Colorado supreme court related to a child who is available for adoption due to an order of the court terminating the parent-child legal relationship shall be given a priority on the court's docket. 19-5-203. Availability for adoption. (1) A child may be available for adoption only upon:

(a) Order of the court terminating the parent-child legal relationship in a proceeding brought under article 3 or 5 of this title;

(b) Order of the court decreeing the voluntary relinquishment of the parent-child legal relationship under section 19-5-103, 19-5-103.5, or 19-5-105;

(c) Written and verified consent of the guardian of the person, appointed by the court, of a child whose parents are deceased;

(d) (I) Written and verified consent of the parent in a stepparent adoption where the other parent is deceased or his parent-child legal relationship has been terminated under paragraph (a) or (b) of this subsection (1);

(II) Written and verified consent of the parent in a stepparent adoption, accompanied by an affidavit or sworn testimony of such parent, that the other birth parent has abandoned the child for a period of one year or more or that the other birth parent has failed without cause to

provide reasonable support for such child for a period of one year or more. Upon filing of the petition in adoption, the court shall issue a notice directed to the other parent, which notice shall state the nature of the relief sought, the names of the petitioner and the child, and the time and place set for hearing on the petition. If the address of the other parent is known, service of such notice shall be in the manner provided by the Colorado rules of civil procedure for service of process. Upon affidavit by the petitioner that, after diligent search, the address of the other parent remains unknown, the court shall order service upon the other parent by one publication of the notice in a newspaper of general circulation in the county in which the hearing is to be held. The hearing shall not be held sooner than thirty-five days after service of the notice is complete, and, at such time, the court may enter a final decree of adoption notwithstanding the time limitation in section 19-5-210 (2).

(d.5) (I) Written and verified consent in a second-parent adoption that the child has a sole legal parent, and the sole legal parent wishes the child to be adopted by a specified second adult.

(II) In a petition for a second-parent adoption, the court shall require a written home study report prepared by a county department of human or social services, designated qualified individual, or child placement agency and approved by the department pursuant to section 19-5-207.5 (2). If the child of a sole legal parent was adopted by that parent less than one hundred eighty-two days prior to the filing of an adoption petition by a second prospective parent and if the second prospective parent was included in the home study report that was prepared pursuant to section 19-5-207 for the adoption of the child by the first parent, then that home study report is a valid home study report for the purpose of the second parent's adoption. If the filing of a petition for adoption by the second prospective parent occurs one hundred eighty-two days or more after the adoption by the first parent, a separate home study report is required pursuant to section 19-5-207.

(e) Written and verified consent of the parent having only residual parental responsibilities when custody or parental responsibilities have been awarded or allocated to the other parent in a dissolution of marriage proceeding where the spouse of the parent having custody or parental responsibilities wishes to adopt the child;

(f) Written and verified consent of the parent or parents as defined in section 19-1-103 (82) in a stepparent adoption where the child's parents were not married at the time the child was conceived and born;

(g) A statement by the department of human services or its designated agent as to whether any placement arranged outside the state of Colorado was carried out by a child placement agency licensed or authorized under the laws of another state to make placements;

(h) Verification by the child placement agency, a county department of human or social services, or the attorney for the petitioner in any adoption proceeding that any custody obtained outside the state of Colorado was acquired by:

(I) Proceedings to relinquish all parent-child legal relationships which complied with the laws of the state where conducted or conformed substantially to the laws of this state; or

(II) Proceedings to terminate all parent-child legal relationships which complied with the laws of the state where conducted or conformed substantially to the laws of this state; or

(III) Written and verified consent, under the conditions set forth in paragraphs (c) to (f) of this subsection (1), which was executed in accord with the laws of the state where granted or in substantial conformity with the laws of this state;

(i) Verification by the department of human services or its designated agent that any custody obtained outside the state of Colorado was acquired by proceedings sanctioned by the federal immigration and naturalization service, or any successor agency, in cooperation with the department of human services whenever such cooperation is authorized or advised by federal law;

(j) Submission of an affidavit or sworn testimony of the adoptive relative in a kinship adoption that the birth parent or birth parents have abandoned the child for a period of one year or more or that the birth parent or birth parents have failed without cause to provide reasonable support for such child for a period of one year or more, and that the relative seeking the kinship adoption has had physical custody of the child for a period of one year or more and the child is not the subject of a pending dependency and neglect proceeding pursuant to article 3 of this title. Upon filing of the petition in adoption, the court shall issue a notice directed to the birth parent or birth parents, which notice shall state the nature of the relief sought, the names of the petitioner and the child, and the time and place set for hearing on the petition. If the address of the birth parent is known, service of such notice shall be in the manner provided by the Colorado rules of civil procedure for service of process. Upon affidavit by the petitioner that describes with specificity the diligent search made by the petitioner, and that states that, after diligent search, the address of the birth parent or birth parents remains unknown, the court shall order service upon the birth parent or birth parents by one publication of the notice in a newspaper of general circulation in the county in which the hearing is to be held. The hearing shall not be held sooner than thirty-five days after service of the notice is complete, and, at such hearing, the court may enter a final decree of adoption notwithstanding the time limitation in section 19-5-210 (2).

(k) Submission of an affidavit or sworn testimony of the legal custodian or legal guardian in a custodial adoption that the birth parent or birth parents have abandoned the child for a period of one year or more or that the birth parent or birth parents have failed without cause to provide reasonable support for such child for a period of one year or more and that the legal custodian or legal guardian seeking the custodial adoption has had the child in his or her physical custody for a period of one year or more. Upon filing of the petition in adoption, the court shall issue a notice directed to the birth parent or birth parents, which notice shall state the nature of the relief sought, the names of the petitioner and the child, and the time and place set for hearing on the petition. If the address of the birth parent or birth parents is known, service of such notice shall be in the manner provided by the Colorado rules of civil procedure for service of process. Upon affidavit by the petitioner that describes with specificity the diligent search made by the petitioner, and that states that, after diligent search, the address of the birth parent or birth parents remains unknown, the court shall order service upon the birth parent or birth parents by one publication of the notice in a newspaper of general circulation in the county in which the hearing is to be held. The hearing shall not be held sooner than thirty-five days after service of the notice is complete, and, at such hearing, the court may enter a final decree of adoption notwithstanding the time limitation in section 19-5-210 (2).

(2) Written consent to any proposed adoption shall be obtained from the person to be adopted if such person is twelve years of age or older.

19-5-205.5. Nonpublic agency interstate and foreign adoptions - legislative declaration - authority for state department to select agencies. (1) The general assembly finds that timely processing of adoptions is in the best interests of the children being adopted. It is therefore the intent of the general assembly to expedite permanency for those children who are being adopted. It is the purpose of this section to promote timely processing of nonpublic agency interstate and foreign adoptions while increasing the department of human services' capacity to utilize existing staff to perform other child welfare functions.

(2) (a) The department is authorized to select nonpublic, licensed child placement agencies authorized to handle adoptions or nonpublic agencies that meet the qualifying criteria to be licensed child placement agencies pursuant to article 6 of title 26, C.R.S., and any implementing rules or regulations promulgated by the department for the provision of services to individuals seeking assistance in nonpublic agency interstate or foreign adoption cases pursuant to this part 2. The department shall, by rule, establish qualifying criteria by which such nonpublic agencies shall be selected for this purpose.

(b) The department shall further promulgate rules creating standards by which the department may evaluate the delivery of services by the selected nonpublic agencies and identifying the services and functions to be rendered by the nonpublic agencies selected pursuant to paragraph (a) of this subsection (2) including, but not limited to, the following:

(X) The overall protection of the child being adopted.

(3) (a) Nonpublic agencies may charge reasonable and necessary fees and costs to defray the direct and indirect expenses associated with the provision of nonpublic agency interstate and foreign adoption services associated with the statutorily required review and approval of interstate and foreign adoptive placements. Pursuant to section 19-5-208 (4), all fees and costs charged for services associated with the review and approval of interstate and foreign adoptions shall be separately specified in the expenses listed for the court's review as required.

(b) The department of human services shall, by rule, establish guidelines for the fees and costs which such nonpublic agencies selected pursuant to subsection (2) of this section may charge for the delivery of such services.

19-5-206. Placement for purposes of adoption. (1) A placement of any child legally available for adoption pursuant to section 19-5-203 (1)(a), (1)(b), (1)(c), or (1)(g) must not be made for the purposes of adoption except by the court pursuant to section 19-5-104 (2), the county department of human or social services, or a licensed child placement agency.

(2) (a) In child welfare cases, a child's best interests shall be the primary consideration for a court, county department, or licensed child placement agency in making determinations concerning the placement of the child for the purpose of adoption.

(b) (Deleted by amendment, L. 2010, (HB 10-1106), ch. 278, p. 1272, § 2, effective May 26, 2010.)

(d) In making determinations concerning the placement of a child for the purpose of adoption, a court, county department, or licensed child placement agency may, under

extraordinary circumstances, consider the racial or ethnic background, color, or national origin of:

(I) The child; or

(II) A family who has submitted an application to adopt.

(e) A court, county department, or licensed child placement agency shall not delay a foster or adoptive placement of a child as a result of the racial or ethnic background, color, or national origin of:

(I) The child; or

(II) A family who has submitted an application to foster or adopt a child.

(f) In private adoption cases, a birth parent or birth parents may designate a specific applicant with whom they may wish to place their child for purposes of adoption. After assessment and approval of the potential adoptive parents and subsequent relinquishment of the child, the court shall grant guardianship of the child to a person or agency described in section 19-5-104 (1) until finalization of adoptive placement.

(g) The court may waive the assessment and approval of the potential adoptive parents in cases involving kinship or custodial adoption or may determine and order the kind of information or written report it deems necessary for the assessment and approval of the potential adoptive parents, including an abbreviated home study or home evaluation. The court may proceed to finalize such adoptive placement upon finding that the placement is in the best interests of the child.

19-5-207. Written consent and home study report for public adoptions - fingerprint-based criminal history record checks - investigation - rules. (1) When a child is placed for adoption by the county department of human or social services, a licensed child placement agency, or an individual, the department, agency, or individual shall file, with the petition to adopt, its written and verified consent to such adoption in addition to any notices received or sent pursuant to the terms of the "Interstate Compact on Placement of Children" set forth in part 18 of article 60 of title 24.

(2) In all petitions for adoption, whether by the court, the county department of human or social services, or child placement agencies, in addition to written consent, the court shall

require a written home study report from the county department of human or social services, the designated qualified individual, or the child placement agency approved by the state department of human services pursuant to section 19-5-207.5 (2) showing the following:

(a) The physical and mental health, emotional stability, and moral integrity of the petitioner and the ability of the petitioner to promote the welfare of the child; but no physical examination shall be required of any person who in good faith relies upon spiritual means or prayer in the free exercise of religion to prevent or cure disease unless there is reason to believe such person's physical condition is such that he or she would be unable to take care of such child;

(b) Confirmation that the petitioner has participated in adoption counseling if the court deems appropriate. The counseling may address the permanence of the decision, the impact of the decision on the adopting parent and the adopting parent's family now and in the future, and the issues that may arise in the event that the adoptee at some time in the future desires to contact the relinquishing parent.

(c) The physical and mental condition of the child;

(d) The child's family background, including the names of parents and other identifying data regarding the parents, if obtainable;

(e) Reasons for the termination of the parent-child legal relationship;

(f) The suitability of the adoption of this child by this petitioner and the child's own disposition toward the adoption in any case in which the child's age makes this feasible; and

(g) The length of time the child has been in the care and custody of the petitioner.

(2.5) (a) (I) In all petitions for adoption, whether by the court, the county department of human or social services, or child placement agencies, in addition to the written home study report described in subsection (2) of this section, the court shall require the county department of human or social services, the designated qualified individual, or the child placement agency to conduct the fingerprint-based criminal history record checks for any prospective adoptive parent or any adult residing in the home.

(II) For purposes of fulfilling the fingerprint-based criminal history record checks required in subsection (2.5)(a)(I) of this section, the state board of human services shall promulgate rules concerning petitions for adoption when a child is placed for adoption by the county department of human or social services or a child placement agency to require each prospective adoptive parent attempting to adopt a child placed for adoption by the county department of human or social services or a child placement agency to obtain fingerprint-based criminal history record checks through the Colorado bureau of investigation and the federal bureau of investigation. The prospective adoptive parent to whom this subsection (2.5)(a)(II) applies shall be responsible for the cost of the fingerprint-based criminal history record checks.

(III) For purposes of fulfilling the criminal history records check required in subparagraph (I) of this paragraph (a), a prospective adoptive parent, other than a prospective adoptive parent specified in subparagraph (II) of this paragraph (a), shall obtain fingerprint-based criminal history record checks through the Colorado bureau of investigation and the federal bureau of investigation. A prospective adoptive parent to whom this subparagraph (III) applies shall be responsible for providing a complete set of fingerprints to the Colorado bureau of investigation and for obtaining the fingerprint-based criminal history record checks. The prospective adoptive parent shall also be responsible for the cost of the criminal history record checks.

(IV) A prospective adoptive parent described in subsection (2.5)(a)(III) of this section shall be responsible for presenting the results of his or her fingerprint-based criminal history record checks and the results of the fingerprint-based criminal history records checks of any adult residing in the home to the court for review by the court. The county department of human or social services or the child placement agency, as may be appropriate, shall report to the court any case in which fingerprint-based criminal history record checks reveal that the prospective adoptive parent who is attempting to adopt a child placed for adoption by a county department of human or social services or child placement agency or any adult residing in the home was convicted at any time of a felony or misdemeanor in one of the following areas:

(A) Child abuse or neglect;

(B) Spousal abuse;

(C) Any crime against a child, including but not limited to child pornography;

(D) Any crime, the underlying factual basis of which has been found by the court on the record to include an act of domestic violence, as defined in section 18-6-800.3, C.R.S.;

(E) Violation of a protection order, as described in section 18-6-803.5, C.R.S.;

(F) Any crime involving violence, rape, sexual assault, or homicide; or

(G) Any felony physical assault or battery conviction or felony drug-related conviction within, at a minimum, the past five years.

(a.5) (I) Notwithstanding the provisions of sub-subparagraph (B) of subparagraph (II) of paragraph (b) of this subsection (2.5), a licensed child placement agency or a county placement agency may conduct an investigation of a prospective adoptive parent's background only if the fingerprint-based criminal history records check required pursuant to paragraph (a) of this subsection (2.5) reveals that the prospective adoptive parent was convicted of a felony or misdemeanor at least ten years prior to the application for adoption.

(II) If a licensed child placement agency or a county placement agency conducts an investigation of the prospective adoptive parent, it shall have the opportunity to present its findings to the juvenile court responsible for reviewing the petition for adoption. The licensed child placement agency or the county placement agency shall provide to the juvenile court responsible for reviewing the petition for adoption:

(A) A certified copy of any criminal court documentation substantiating the disposition of the applicant's felony criminal case; or

(B) Certified documentation that the court records concerning the felony case have been destroyed or are otherwise unavailable.

(III) Pending the results of the investigation by the licensed child placement agency or the county placement agency and the juvenile court's ruling on the eligibility of the applicant for the placement of a child, the child shall not be placed in the prospective adoptive parent's home if the fingerprint-based criminal history records check revealed that the prospective adoptive parent was convicted at any time of a felony or misdemeanor.

(b) (I) Except as otherwise provided in subparagraph (II) of this paragraph (b), a person convicted of a felony offense specified in subparagraph (IV) of paragraph (a) of this subsection (2.5) may be allowed to adopt a child if:

(A) The applicant has had no further arrests or convictions subsequent to the conviction;

(B) The applicant has not been convicted of a pattern of misdemeanors, as defined by rule of the state board of human services; and

(C) The court enters a finding consistent with section 19-5-210 (2)(d) that the adoption is in the best interests of the child.

(II) A person convicted of a felony offense as described in this subparagraph (II) shall not be allowed to adopt a child if there is:

(A) A felony conviction on the application for adoption that involves child abuse, as described in section 18-6-401, C.R.S.; a crime of violence, as defined in section 18-1.3-406, C.R.S.; or a felony offense involving unlawful sexual behavior, as defined in section 16-22-102 (9), C.R.S.;

(B) A felony conviction on the application for adoption that occurred less than five years prior to the application that involved physical assault or battery or a drug-related offense; or

(C) A felony conviction on the application for adoption that occurred less than ten years prior to the application and involved domestic violence, as defined in section 18-6-800.3, C.R.S.

(c) In addition to the fingerprint-based criminal history record checks, the county department of human or social services, the individual, or the child placement agency conducting the investigation shall contact the state department of human services and the appropriate entity in each state in which the prospective adoptive parent or parents or any adult residing in the home has resided in the preceding five years to determine whether the prospective adoptive parent or parents or any adult residing in the home has been found to be responsible in a confirmed report of child abuse or neglect and shall report such information to the court. Information obtained from any state records or reports of child abuse or neglect must not be used for any purpose other than completing the investigation for approval of the prospective adoptive parent.

(d) The state board of human services shall promulgate rules setting forth the procedures for the fingerprint-based criminal history record check and the report to the court described in paragraph (a) of this subsection (2.5).

(3) In proposed relative adoptions, the court shall review the report prepared pursuant to subsection (2) of this section. The court may order further assessment if the court deems it necessary.

(4) Any party to the adoption proceeding may be entitled to see the report required by subsection (2) of this section; except that the names of parents and adoptive parents and any means of identifying either shall not be made available except upon order of the court.

(5) to (7) (Deleted by amendment, L. 99, p. 1018, § 1, effective May 29, 1999.)

(8) If a court orders a county department of human or social services to counsel a birth parent concerning relinquishment of a child pursuant to the provisions of sections 19-5-103 and 19-5-104, the county department shall charge a fee to meet the full cost of the counseling.

(9) If the child is being placed in an adoptive home by a licensed child placement agency, such agency shall file an affidavit with the court stating that the agency's license is in good standing with the department. A licensed child placement agency involved in an adoption proceeding pursuant to this article shall immediately notify the court in writing of any suspension, revocation, or denial of its license or of any disciplinary action taken against the agency by the state of Colorado. Failure of the agency to provide such notification shall be a class 3 misdemeanor punishable by a fine of five thousand dollars. The department shall, by rule, adopt a mechanism by which a child placement agency shall notify the court of any disciplinary action against the agency.

19-5-207.3. Placement of sibling groups. (1) When a child is placed for adoption by the county department, if the child is part of a sibling group, as defined in section 19-1-103 (98.5), the county department shall include in the adoption report prepared for the court, the names and current physical custody and location of any siblings of the child who are also available for adoption; except that the names of children, parents, caretakers, and adoptive parents and any means of identifying such persons shall not be made available to any party to the adoption proceeding except upon order of the court or as otherwise permitted by law.

(2) If the child is part of a sibling group, the county department shall make thorough efforts to locate a joint placement for all of the children in the sibling group who are available for adoption. If the county department locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it shall be presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children.

(3) If the child is part of a sibling group, as defined in section 19-1-103 (98.5), and is being placed for adoption by a child placement agency in either a circumstance involving siblings who are the result of a multiple birth or a circumstance in which a parent has relinquished parental rights to the children to a child placement agency, the child placement agency shall make thorough efforts to locate a joint placement for all of the children in the sibling group who are available for adoption. If the child placement agency locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it shall be presumed that placement of the entire sibling group in the joint placement is in

the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children. If an entire sibling group is not placed together in an adoptive placement, the child placement agency shall place as many siblings of the group together as possible, considering their relationship and the best interests of each child.

(4) Consideration of the placement of children together as a sibling group shall not delay the efforts for expedited permanency planning or permanency planning in order to achieve permanency for each child in the sibling group.

19-5-207.5. Legislative declaration - standardized home studies - adoptive family resource registry - rules. (1) **Legislative declaration.** (a) (I) The general assembly finds that there are a growing number of children in the legal custody of the county departments of human or social services who are the victims of physical or sexual abuse, neglect, or abandonment and who are awaiting permanent placement in safe, loving, and nurturing adoptive homes. The general assembly further finds that with the expedited permanency procedures that have been established and with the enactment of legislation implementing the federal "Adoption and Safe Families Act of 1997", Pub.L. 105-89, it is anticipated that the number of children available for adoption will continue to increase dramatically and that there will be a corresponding increased need to identify statewide those families that are willing and qualified to adopt these needy children.

(II) The general assembly finds that, although the county departments of human or social services have made admirable efforts in assessing and reporting on the qualifications of families interested in adopting, there is a need to make the valuable resource of such qualified families more available and accessible to all counties in the state in order to satisfy the growing need for suitable adoptive families.

(b) Accordingly, the general assembly determines that it is appropriate and desirable for the state department to aid the county departments of human or social services in their efforts to achieve permanency for children in their legal custody who are available for adoption by making accessible to such county departments a statewide adoptive family resource registry of families who are qualified for and desirous of adopting children with special needs. Toward that end, the general assembly further determines that it would be beneficial to such children and families for the state department to develop an approved vendor list of qualified home study providers by region, standardized investigation criteria, and minimum uniform adoptive home study report standards in order to achieve more timely adoptive placements, to reduce the burden associated with the adoption process, and to avert the possibility of failed adoptions.

(2) **Approved vendor lists for home studies.** (a) In order to achieve greater access to qualified families seeking to adopt children, to expedite permanency placement for children available for adoption, and to obtain reliable, high-quality assessments of families that can result in permanent and healthy placements, the state department shall develop an approved vendor list of county departments, individuals, and child placement agencies qualified to prepare the home study reports in public adoptions as required by section 19-5-207 (2).

(b) (I) On or before January 1, 2000, the state department shall issue a public request for applications from county departments of human or social services, individuals, and child placement agencies desirous of conducting investigations and preparing written home study reports for prospective public adoptions in specified counties or geographic regions. The state department shall review the applications it receives and shall determine which applicants meet the qualifying criteria identified by the state board of human services pursuant to subsection (2)(b)(II) of this section. Each county department of human or social services, individual, or child placement agency that meets the qualifying criteria must be placed on the approved vendor list of home study report providers.

(II) The state board of human services shall promulgate rules identifying the qualifying criteria that county departments of human or social services, individuals, and child placement agencies must meet in order to qualify as an approved vendor pursuant to this subsection (2)(b) for the purpose of conducting adoptive investigations and preparing home study reports. All county departments of human or social services, qualified individuals, and child placement agencies that submit applications to the state department and that meet the qualifying criteria must be selected to perform home studies and, once such county departments, individuals, or agencies have been approved by the state department pursuant to this subsection (2)(b), they shall be available to perform home studies in the specified county or region.

(c) All qualified county departments of human or social services, individuals, and child placement agencies approved by the state department to conduct home studies pursuant to subsection (2)(b) of this section shall prepare their home study reports in compliance with the minimum uniform standards prescribed by rule of the state board as described in subsection (3) of this section and any other additional criteria and standards established by a particular county pursuant to subsection (3)(b) of this section.

(d) Each qualified county department of human or social services, individual, or child placement agency approved by the state department may promote the adoption of available children through a public information campaign directed at educating and informing the public about the need for safe and healthy adoptive families. Regional educational campaigns are encouraged.

(e) All qualified county departments of human or social services, individuals, and child placement agencies approved by the state department pursuant to this subsection (2) may participate in the statewide training provided by the state department.

(3) **Standards for home studies.** (a) The state board of human services shall promulgate rules identifying the criteria for the investigation and the minimum uniform standards for the home study reports with which the qualified county departments of human or social services, individuals, or child placement agencies approved by the state department must comply. The criteria must include, but are not limited to:

(I) The quality standards that the county department of human or social services, the individual, or the child placement agency must achieve;

(II) The time frames within which the county department of human or social services, the individual, or the child placement agency must complete the investigations and home study reports; and

(III) The capacity of the county department of human or social services, the individual, or the child placement agency to assess the abilities of prospective adoptive families to meet the needs of a child with special needs.

(b) Nothing in this section prohibits a county department of human or social services from establishing additional criteria and standards that a county department of human or social services, an individual, or a child placement agency must meet in preparing a home study report.

(4) **Fees for investigations and home studies.** (a) (I) Any person who, by his or her own request or by order of the court as provided in section 19-5-209, is the subject of a home study report and investigation conducted pursuant to section 19-5-207 by a county department of human or social services, an individual, or a child placement agency is required to pay, based on an ability to pay, the cost of such report and investigation.

(II) In public adoptions, the state board of human services shall promulgate rules establishing the maximum amount that a county department of human or social services, an individual, or a child placement agency may charge a prospective adoptive family for the investigation, fingerprint-based criminal history record checks, and home study report required pursuant to section 19-5-207.

(III) The county department of human or social services may waive the fee established pursuant to this subsection (4) if the fee poses a barrier to the adoption of a child for whom a county department of human or social services has financial responsibility.

(b) (I) In addition to the fee specified in subsection (4)(a) of this section, if the county department of human or social services has not placed a child available for a public adoption with a family who is the subject of an investigation and home study report after six months, then the county shall refer the family and the home study report for such family to the adoptive family resource registry established pursuant to subsection (5) of this section if there is written consent pursuant to subsection (5)(c)(I) of this section. Prior to referral of a prospective adoptive family to the adoptive family resource registry, the prospective adoptive family must be assessed and shall pay a nonrefundable administrative fee in an amount to be determined by rule of the state board of human services. A family must not be assessed the fee described in this subsection (4)(b) if the family is not referred to the adoptive family resource registry.

(II) The department or the contractor selected by the department to administer the adoptive family resource registry shall collect the administrative fee established by rule of the state board of human services pursuant to subparagraph (I) of this paragraph (b) and apply the revenue from said fees to offset the costs incurred for the administration of the adoptive family resource registry.

(III) Nothing in this paragraph (b) shall be construed to prevent a county from referring a family to the adoptive family resource registry before the six month period has lapsed.

(5) **Adoptive family resource registry.** (a) Subject to available funds as specified in subsection (5)(b)(III) of this section, the state department shall establish a statewide adoptive family resource registry that county departments of human or social services may access to determine the availability of qualified families seeking to adopt a child in the custody of a county department of human or social services. The state department is authorized to contract with a public or private entity for the provision of this service.

(b) (I) The executive director of the department is authorized to accept and expend on behalf of the state any funds, grants, gifts, or donations from any private or public source for the purpose of establishing the statewide adoptive family resource registry; except that no gift, grant, or donation shall be accepted if the conditions attached thereto require the expenditure thereof in a manner contrary to law.

(II) The executive director of the department is authorized to apply for a federal waiver, if necessary, to authorize the use of federal grant moneys to implement this section.

(III) No general fund moneys shall be expended for the establishment of the adoptive family resource registry. The adoptive family resource registry shall be established only upon the receipt of sufficient grants, gifts, and donations pursuant to subparagraph (I) of this paragraph (b).

(c) (I) No home study report, or any other information concerning a person interested in a public adoption shall be submitted to the adoptive family resource registry without such person's written consent.

(II) The state board of human services shall promulgate rules specifying the limited amount of nonidentifying data concerning a person interested in a public adoption that is available to county departments of human or social services on the internet through the adoptive family resource registry.

(III) The state board of human services shall promulgate rules identifying the standards and procedures with which the department or the contractor selected by the department to administer the adoptive family resource registry shall comply in order to preserve the confidentiality and privacy of the prospective adoptive family as much as possible.

(2.5) (a) Pursuant to the provisions of section 19-1-126, the petition for adoption must:

(I) Include a statement indicating what continuing inquiries the county department of human or social services or child placement agency has made in determining whether the child who is the subject of the proceeding is an Indian child;

(II) Identify whether the child is an Indian child; and

(III) Include the identity of the Indian child's tribe, if the child is identified as an Indian child.

(b) If notices were sent to the parent or Indian custodian of the child and to the Indian child's tribe, pursuant to section 19-1-126, the postal receipts, or copies thereof, shall be attached to the petition for adoption and filed with the court or filed within ten days after the filing of the petition for adoption, as specified in section 19-1-126 (1)(c).

(3) If the adoption placement is made by the county department of human or social services or a child placement agency, the information required in subsections (2)(b) and (2)(f) of this section must not be included in the petition but transmitted to the court as part of the home study report required in section 19-5-207.

(4) The petition shall be accompanied by a standardized affidavit form prescribed by the judicial department disclosing any and all fees, costs, or expenses charged or to be charged by any person or agency in connection with the adoption.

(5) In all stepparent, second parent, custodial, and kinship adoptions, the petition shall contain a statement informing the court whether the prospective adoptive parent was convicted at any time by a court of competent jurisdiction of a felony or misdemeanor in one of the following areas: Child abuse or neglect; spousal abuse; any crime against a child; any crime, the underlying factual basis of which has been found by the court on the record to include an act of domestic violence, as defined in section 18-6-800.3, C.R.S.; violation of a protection order, as described in section 18-6-803.5, C.R.S.; any crime involving violence, rape, sexual assault, or homicide; or any felony physical assault or battery. In addition, the petitioner shall attach to the petition a current criminal history records check paid for by the petitioner.

(6) In all custodial and kinship adoptions, the petition must contain a statement that the petitioner has consulted with the appropriate local county department of human or social services concerning the possible eligibility of the petitioner and the child for temporary assistance for needy families (TANF), medicaid, subsidized adoption, and other services or public assistance administered by the county department of human or social services.

19-5-209. Petition - written home study reports. (1) Except for stepparent adoptions, kinship adoptions, custodial adoptions, and those cases in which placement for adoption has been made by the court, if a petition for the adoption of a child is not accompanied by the written consent and home study report of the qualified county department of human or social services, individual, or a licensed child placement agency approved by the state department of human services pursuant to section 19-5-207.5 (2), the court shall order the county department of human or social services, individual, or licensed child placement agency to make an investigation and file a written home study report substantially in the form outlined in section 19-5-207 (2), including a recommendation as to whether the adoption should be decreed.

(2) In adoptions where a child placement agency or county department has legal guardianship during the interval between initial placement and the final order of adoption, the child placement agency or county department shall supervise the placement with prospective adoptive parents and the child. The court, after notice to all parties in interest and hearing thereon, may, for good cause, terminate said placement if, at any time prior to the final decree of adoption, it appears to the court that said adoption is not in the best interest of the child.

19-5-210. Hearing on petition. (1) A hearing on the petition for adoption shall be held on the date set or the date to which the matter has been regularly continued.

(1.5) Except in stepparent, second parent, custodial, or kinship adoptions, the court shall issue a certificate of approval of placement, placing the child's custodial care with prospective

adoptive parents pending final hearing on the petition for adoption, if it appears to the court that the placement for adoption is in the best interest of the child.

(2) In stepparent, custodial, or kinship adoptions, the court shall hold a hearing on the petition as soon as possible. In all other adoptions, the court shall hold a hearing on the petition no sooner than one hundred eighty-two days after the date the child begins to live in the prospective adoptive parent's home, unless for good cause shown that time is extended or shortened by the court. At the hearing held on the petition, the court shall enter a decree setting forth its findings and grant to the petitioner a final decree of adoption if it is satisfied as to:

(a) The availability of the child for adoption;

(b) The good moral character, the ability to support and educate the child, and the suitableness of the home of the person adopting such child;

(b.5) The fingerprint-based criminal history record checks of the prospective adoptive parent as reported to the court by the county department of human or social services or the child placement agency pursuant to section 19-5-207 (2.5) or the information provided to the court pursuant to section 19-5-208 (5) does not reveal a criminal history described in section 19-5-207 (2.5)(a);

(c) The mental and physical condition of the child as a proper subject for adoption in said home;

(d) The fact that the best interests of the child will be served by the adoption; and

(e) If the child is part of a sibling group, whether it is in the best interests of the child to remain in an intact sibling group. If the county department or child placement agency locates an appropriate, capable, willing, and available joint placement for all of the children in the sibling group, it shall be presumed that placement of the entire sibling group in the joint placement is in the best interests of the children. Such presumption may be rebutted by a preponderance of the evidence that placement of the entire sibling group in the joint placement is not in the best interests of a child or of the children. The judge shall review the family services plan document regarding placement of siblings.

(3) The former name of the child shall not be stated in the final decree of adoption.

(4) If, after the hearing, the court is not satisfied as to the matters listed in subsection (2) of this section, the petition for adoption may be either continued or dismissed in the discretion of the court. The court shall not grant the decree of final adoption if it determines that the prospective adoptive parent was convicted at any time by a court of competent jurisdiction of a felony in one of the following areas: Child abuse or neglect; spousal abuse; any crime against a child; or any crime involving violence, rape, sexual assault, or homicide, excluding other physical assault or battery. For stepparent, kinship, or custodial adoptions, in addition to not granting a decree of final adoption in circumstances involving the felony convictions listed in this subsection (4), the court shall not grant the decree of final adoption if it determines that the prospective adoptive parent was convicted of a felony for physical assault or battery that was committed within the past five years.

(5) (a) Except as otherwise provided in paragraph (b) of this subsection (5), all hearings with reference to adoption shall be closed to the public and, in the discretion of the court, to any child who is the subject of adoption and who is under twelve years of age, but the court may interview the child whenever it deems it proper.

(b) Upon motion by any party to an adoption or upon the court's own motion, the court may order that an adoption hearing be opened to the public or to the child who is, or the children

who are, the subject of the adoption if the court finds that opening the hearing is in the best interests of the child who is, or the children who are, the subject of the adoption hearing and the court finds that the potential adoptive parents have consented to an open hearing.

(6) In a stepparent adoption, in addition to issuing a final decree of adoption, the court shall enter an order terminating the other parent's parental rights. In a custodial or kinship adoption, in addition to issuing a final decree of adoption, the court shall enter an order terminating the parental rights of the child's parents.

(7) In cases involving the adoption of a child who is part of a sibling group, but who is not being adopted with his or her siblings, in addition to issuing a final decree of adoption, if the adoptive parents are willing, the court may encourage reasonable visitation among the siblings when visitation is in the best interests of the child or the children. The court shall review the record and inquire as to whether the adoptive parents have received counseling regarding children in sibling groups maintaining or developing ties with each other.

19-5-211. Legal effects of final decree. (1) After the entry of a final decree of adoption, the person adopted is, for all intents and purposes, the child of the petitioner. He or she is entitled to all the rights and privileges and is subject to all the obligations of a child born to the petitioner.

(1.5) An employer who permits paternity or maternity time off for biological parents following the birth of a child shall, upon request, make such time off available for individuals adopting a child. If the employer has established a policy providing time off for biological parents, that period of time shall be the minimum period of leave available for adoptive parents. Requests for additional leave due to the adoption of an ill child or a child with a disability shall be considered on the same basis as comparable cases of such complications accompanying the birth of such a child to an employee or employee's spouse. Any other benefits provided by the employer, such as job guarantee or pay, shall be available to both adoptive and biological parents on an equal basis. An employer shall not penalize an employee for exercising the rights provided by this subsection (1.5). The provisions of this subsection (1.5) shall not apply to an adoption by the spouse of a custodial parent or to a second-parent adoption.

(2) The parents shall be divested of all legal rights and obligations with respect to the child, and the adopted child shall be free from all legal obligations of obedience and maintenance with respect to the parents.

(2.5) The child shall be eligible for enrollment and coverage by any medical or dental insurance held by the prospective adoptive parents if, and on such a basis as, such coverage would be available to a child naturally born to the prospective adoptive parents.

(3) Nothing in this part 2 shall be construed to divest any natural parent or child of any legal right or obligation where the adopting parent is a stepparent and is married to said natural parent.

19-5-212. Copies of order of adoption - to whom given. (1) If the court enters an order of adoption, certified copies shall be given to the adopting parents, the person or agency consenting to the adoption, and the state registrar.

(2) The court or the adopting parents or their legal representative shall send to the state registrar an application for a birth certificate, signed by the adoptive parents. The state registrar shall thereupon issue a new birth certificate to the child, as provided in section 25-2-113, C.R.S.

(3) If the child was born outside of Colorado, copies of the order of adoption and application for birth certificate shall be sent to the state registrar of the state of birth and to the registrar of vital statistics in this state. If the application for a birth certificate is denied by the state registrar in the state of birth, the adopting parents may return to the registrar in this state and apply to him to issue a new certificate of birth. The state registrar shall issue a birth certificate upon satisfactory evidence that the adopting parents, after good-faith effort, were unable to obtain a new certificate of birth from the state of birth.

(c) A child who is placed by a county department in a foster care home operated by a child placement agency shall be deemed, for purposes of payment to the child placement agency, to remain in foster care status for purposes of payment of consideration to the child placement agency until the date that the final decree of adoption is entered or until the date that the child is returned to his or her biological parent's home, unless otherwise negotiated in the contract between the child placement agency and the county department.

(2) Any person who violates the provisions of this section is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than one hundred dollars nor more than five hundred dollars, or by imprisonment for ninety days in the county jail, or by both such fine and imprisonment.

19-5-216. Increased access for adoption - study. (1) (a) The state department shall examine and evaluate the process of adoptive placements of children in the legal custody of the county departments of human or social services and identify those aspects of the process that may be improved to achieve the ultimate goal of permanency for the greatest number of children in safe and healthy adoptive homes. In conducting this analysis, the state department should consider, but need not be limited to, the following:

(II) Whether further automation would be conducive to the achievement of permanency of children;

(III) The need for centralization of information;

(IV) The benefits of additional standardization;

(VI) The programs and systems developed by other states to achieve maximum access and expedited permanency for children in safe and healthy adoptive homes; and

(VII) The methods used to reduce the number of disruptions in adoptive homes.

(b) (I) The executive director of the department is authorized to accept and expend on behalf of the state any funds, grants, gifts, or donations from any private or public source for the purpose of implementing this section; except that no gift, grant, or donation shall be accepted if the conditions attached thereto require the expenditure thereof in a manner contrary to law.

PART 3

ACCESS TO ADOPTION INFORMATION

19-5-301. Legislative declaration. (1) The general assembly hereby finds and declares that adult adoptees, adoptive parents, biological parents, and biological siblings should have a right of access to certain records regarding their or their child's adoption or the adoption of their offspring or siblings as outlined in section 19-5-305 and that such a right must coexist with the right of such parties to privacy and confidentiality. The general assembly also finds that an adult adoptee, his biological or adoptive parent, or his biological sibling may desire to obtain information about each other at different points in time. Furthermore, the general assembly finds that confidentiality from the general public is essential to the adoption process and that any procedure to access information which relates to an adoption to search for unknown relatives through a confidential intermediary or a licensed child placement agency must be designed to maintain confidentiality and to respect the wishes of all involved parties.

(2) (a) It is the purpose of this part 3 to establish a confidential process whereby adult adoptees and adoptive parents who desire information concerning their or their child's adoption and biological parents and siblings who desire information concerning an adult adoptee may pursue access to such information.

(b) The general assembly further finds and declares that the purpose of establishing the confidential process set forth in this part 3 is to create a pool of individuals who the courts and interested parties may call upon to initiate a search for a biological relative. It is not the intent of the general assembly that such process shall be construed as the regulation of an occupation or profession.

The commission shall exercise its powers and perform the duties and functions specified by this part 3 as if the same were transferred to the department by a **type 1** transfer, as such transfer is defined in article 1 of title 24, C.R.S. Representation and appointment of such members shall be as follows:

(e) Two members shall represent confidential intermediaries and shall have completed training as confidential intermediaries. Such members shall be appointed by the executive director of the department.

(2) The commission shall have responsibility for:

(a) Drafting a manual of standards for training confidential intermediaries and licensed child placement agencies that perform searches and contact persons pursuant to section 19-5-305 (3)(b)(III);

(b) Monitoring confidential intermediary training programs and child placement agencies with search and consent programs to ensure compliance with the standards set forth in the manual, with authority to approve or deny such programs based upon compliance with such standards;

(c) Maintaining an up-to-date list of persons who have completed training as confidential intermediaries or as persons who conduct searches for child placement agencies and communicating such list to the judicial department.

(3) The commission shall adopt its own rules of procedure, shall select a chairman, a vice-chairman, and such other officers as it deems necessary, and shall keep a record of its proceedings. The commission shall meet as often as necessary to carry out its duties, but in no instance shall it meet less than annually. The commission may seek input from confidential intermediary organizations in carrying out its duties.

(4) The commission shall be voluntary and shall not receive per diem payments.

19-5-304. Confidential intermediaries - confidential intermediary services. (1) (a) Any person who has completed a confidential intermediary training program that meets the standards set forth by the commission shall be responsible for notifying the commission that his or her name should be included on the list of confidential intermediaries to be maintained by the commission and made available to the judicial department. The commission shall adopt rules to determine when and under what conditions the name of a confidential intermediary shall be removed from the list available to the judicial department.

(b) Once a person is included on the list of confidential intermediaries, he or she shall be:

(I) Authorized to inspect confidential relinquishment and adoption records, post-adoption records, and dependency and neglect records, including but not limited to court files, within forty-five days after a motion to the court is filed by the following persons:

(A) An adult adoptee;

(B) An adoptive parent, custodial grandparent, or legal guardian of a minor adoptee;

(C) A biological parent or an adult biological sibling or half-sibling of an adult adoptee;

(D) An adult descendant of the adoptee or the adoptive parent, spouse of an adoptee, adult stepchild, or adopted adult sibling of an adoptee with the notarized written consent of the adult adoptee;

(E) A biological grandparent of an adoptee with the notarized written consent of the biological parent. No written consent is required if the biological parent is deceased.

(F) The legal representative of any of the individuals listed in sub-subparagraphs (A) to (E) of this subparagraph (I);

(G) A former foster child who may or may not have been adopted, who is eighteen years of age or older, and who is searching for a birth sibling who is also eighteen years of age or older, who may or may not have been adopted, and who may or may not have been in the foster care system;

(II) Available, subject to time constraints, for appointment by the court to act as a confidential intermediary for any of the parties listed in subparagraph (I) of this paragraph (b).

(2) (a) Any of the parties listed in subparagraph (I) of paragraph (b) of subsection (1) of this section, any of whom are eighteen years of age or older, may file a motion, with supporting affidavit, in the court where the adoption took place, to appoint one or more confidential intermediaries for the purpose of determining the whereabouts of such individual's unknown relative or relatives; except that no one shall seek to determine the whereabouts of a relative who is younger than eighteen years of age. The court may rule on said motion and affidavit without hearing and may appoint a trained confidential intermediary.

(b) The court-appointed confidential intermediary shall make a diligent search of the adoption records and post-adoption records in an effort to find the sought-after relative. If the confidential intermediary successfully locates the relative sought, the confidential intermediary shall provide that relative with the opportunity to:

(I) Consent to or to refuse to allow contact by the person seeking contact;

(II) Fill out a contact preference form and updated medical history statement as prescribed in section 19-5-305 (1.5);

(III) Repealed.

(2.5) For purposes of paragraph (b) of subsection (1) of this section and subsection (2) of this section, "legal guardian" shall not include a governmental entity of any foreign country from which a child has been adopted or any representative of such governmental entity.

(3) Any information obtained by the confidential intermediary during the course of his or her investigation shall be kept strictly confidential and shall be utilized only for the purpose of arranging a contact between the individual who initiated the search and the sought-after biological relative or for the purpose of obtaining consent for the release of adoption records.

(4) (a) When a sought-after biological relative is located by a confidential intermediary on behalf of the individual who initiated the search, the confidential intermediary shall obtain consent from both parties that they wish to personally communicate with one another.

(b) Contact shall be made between the parties involved in the investigation only when consent for such contact has been received by the court.

(c) If consent for personal communication is not obtained from both parties, all relinquishment and adoption records and any information obtained by any confidential intermediary during the course of his or her investigation shall be returned to the court and shall remain confidential.

(5) All confidential intermediaries shall inform both the requesting biological relative and the sought-after biological relative of the existence of the voluntary adoption registry set forth in section 25-2-113.5, C.R.S.

(6) Any person acting as a confidential intermediary who knowingly fails to comply with the provisions of subsections (3) and (4) of this section commits a class 2 petty offense and, upon conviction thereof, shall be punished by a fine of five hundred dollars.

19-5-305. Access to adoption records - contact with parties to adoption - contact preference form and updated medical history statement - definitions. (1) **Confidentiality.** All adoption records are confidential from the general public and must remain confidential except as described in subsections (1.5) and (2) of this section or upon demonstration of good cause pursuant to section 19-1-309 or as otherwise provided by law.

(1.5) **Contact preference forms and updated medical history statements from birth parents.** (a) The state registrar shall prescribe and make available to a birth parent named on an original birth certificate in the records of the state registrar a contact preference form on which the birth parent may indicate a preference regarding contact by the adult adoptee, an adult descendant of the adoptee, or a legal representative of the adoptee or descendant. The purpose of the contact preference form is to allow the birth parent the opportunity to indicate a preference to be contacted directly, to be contacted through a third party, or not to be contacted by other parties.

(b) The form must also include space for a written statement by the birth parent, which may include updated medical history about the birth parent or other biological relatives, an explanation for the stated contact preference, or other information for the party seeking records. The medical history statement form must indicate that the birth parent is waiving confidentiality of any medical information supplied in the statement with respect to the adoptee, an adult descendant of the adoptee, or a legal representative of such individual, and to the state registrar or his or her designees.

(c) The state registrar shall maintain the contact preference form and the medical history statements, if any, and make them accessible to an individual who is an eligible party allowed to

receive adoption records as described in subparagraph (I) of paragraph (b) of subsection (2) of this section and who submits a written application form, proof of identity, and an explanation of the individual's relationship to the adoptee, if applicable. The state registrar is authorized to verify the submission of a contact preference form or an updated medical history statement and to provide a copy of a contact preference form to a confidential intermediary appointed pursuant to section 19-5-304 or to a designated employee of a child placement agency who is searching pursuant to subparagraph (III) of paragraph (b) of subsection (3) of this section. The state registrar shall maintain and make available to the public accurate statistics about the number of contact preference forms on file with the state registrar and how many of the forms state a preference for contact, no contact, or contact through a third party.

(d) (I) As used in this section, "eligible party" means a person who is eligible under subparagraph (I) of paragraph (b) of subsection (2) of this section to have access to adoption records.

(II) The option on the contact preference form that allows a birth parent to authorize or not authorize the release of the original birth certificate to eligible parties expires on January 1, 2016. The state registrar shall revise the contact preference form to eliminate this option, effective January 1, 2016, and shall neither distribute nor accept contact preference forms on or after January 1, 2016, that contain an option regarding such release. On and after January 1, 2016, contact preference forms shall only address a birth parent's preferences regarding contact and the ability to submit an explanation for the stated contact preference and to submit or update medical history. A child placement agency is not liable to any person for the failure of a birth parent to submit a contact preference form to the state registrar. On and after July 1, 2014, the state registrar shall post a notice on the website of the office of the state registrar of vital statistics stating that the contact preference form will be revised to eliminate the option to authorize or object to the release of the original birth certificate and that birth parents may exercise this option prior to January 1, 2016.

(III) Prior to allowing access to and providing a copy of an original birth certificate to an eligible party, the state registrar must perform a diligent search for a contact preference form executed prior to January 1, 2016, to ascertain if either birth parent had stated a preference authorizing or not authorizing the release of the original birth certificate to eligible parties. If both birth parents have filed a contact preference form executed prior to January 1, 2016, stating a preference to authorize the release of the original birth certificate, then the state registrar must release the original birth certificate to the eligible party. If there is no contact preference form on file prior to January 1, 2016, from a birth parent named on the original birth certificate, or if a contact preference form executed prior to January 1, 2016, is on file that states a preference that the original birth certificate not be released, then the state registrar may not release the original birth certificate to the eligible party prior to January 1, 2016, unless the birth parent rescinds the contact preference form, upon mutual consent of two or more reunited parties, the birth parent is deceased, or the eligible party obtains a court order pursuant to section 19-1-309. When one birth parent has authorized the release of the birth certificate and the other birth parent has filed a contact preference form prior to January 1, 2016, not authorizing release, the state registrar shall issue the original birth certificate to the eligible party with the name of the nonconsenting parent redacted.

(2) **Legislative declaration - access to adoption records.** (a) The general assembly takes note that the law in Colorado regarding access to adoption records has treated persons

differently depending upon the law in effect upon the date of the adoption of the adoptee and that the statutory scheme has been confusing, complicated, and ambiguous. By repealing and reenacting provisions of this section to remove those varying time periods and varying levels of access or nonaccess to adoption records by an adult adoptee or by a birth parent, it is the intent of the general assembly that access to adoption records no longer be dependent upon the law in effect on the date of the finalization of adoption. The general assembly declares that the purpose of the revision of this subsection (2) is to make the access to adoption records by members of the adoption triad more uniform as outlined in this subsection (2). The general assembly further declares that it is the intent of the general assembly to not abrogate, limit, or change the holding in or affect any rights created under *In re J.N.H.*, 209 P.3d 1221 (Colo. App. 2009) with respect to access by an adult adoptee to the names of his or her birth parents and to all court records and papers regarding the adoption of the adult adoptee. The general assembly further declares that in construing this section, the courts should liberally construe this section in favor of releasing the records.

(b) Subject to the provisions of subsection (4) of this section and in addition to information exchanged in a designated adoption or inspection authorized by a court upon good cause shown pursuant to section 19-1-309, access to adoption records by certain parties is governed by the following provisions:

(I) (A) **Adult adoptees, their descendants, and adoptive family members.** Upon request, the custodian of records shall provide direct access, without redaction, to all adoption records, as defined in section 19-1-103 (6.5)(a.5), for inspection and copying by an adult adoptee, an adoptive parent of a minor adoptee, a custodial grandparent of a minor adoptee, or the legal representative of any such individual. In addition, the custodian of records shall provide direct access to adoption records for inspection and copying by a spouse of an adult adoptee, an adult descendant of an adoptee, an adult sibling or half-sibling of an adult adoptee, an adoptive parent or grandparent of an adult adoptee, or the legal representative of any such individual, if the individual requesting access has the notarized written consent of the adult adoptee or if the adult adoptee is deceased.

(B) **Access by an adult adoptee or descendant to the original birth certificate and amended birth certificate of a sibling with a common birth parent.** Upon proof of evidence of at least one common birth parent between an adult adoptee and a sibling or half-sibling, the custodian of records shall provide, without redaction, to an adult adoptee, a descendant of the adult adoptee, or a legal representative of the adult adoptee or descendant direct access to a noncertified copy of the unaltered original birth certificate and the amended birth certificate of an adult sibling or half-sibling who was born, relinquished, or adopted in the state of Colorado, subject to the provisions of subsection (4) of this section.

(II) **Access by a birth parent to the original birth certificate.** A birth parent who relinquished a child for adoption, whose termination of the parent-child legal relationship was not the result of a dependency and neglect action, and who signed or is named on the original birth certificate may apply to the state registrar for and obtain a noncertified copy of the unaltered original birth certificate of the child he or she relinquished if the child was born in this state, or if the child's adoption was finalized in this state, or both.

(III) (A) **Access to death certificates of deceased parties.** Upon request of an eligible party or a birth parent as described in subparagraph (II) of this paragraph (b), the state registrar shall conduct a search of death certificates to determine whether an adoptee or a birth parent is

deceased. If the state registrar finds a death certificate for the adult adoptee or the birth parent, then the state registrar shall provide a copy to the eligible party. The state registrar may collect a fee for conducting a search and for making a copy of the death certificate.

(B) **Access to records pertaining to a deceased party.** If an eligible party or a birth parent as described in subparagraph (II) of this paragraph (b) applies to a custodian of records for access to records about an adult adoptee or a birth parent and the custodian of records determines that the person whose records are being sought is deceased or can reasonably be presumed to be deceased based on the known or estimated date of birth of the sought party, the custodian of records shall provide direct access to the records for inspection and copying by the eligible party.

(IV) **Proof of identification and fees.** Prior to releasing any records to any eligible party allowed to receive records pursuant to this subsection (2), the custodian of records must require the eligible party requesting access to provide proof of identification. The custodian of records may charge reasonable fees for providing copies of records. The state registrar shall transmit all moneys collected pursuant to subparagraph (III) of this paragraph (b) and this subparagraph (IV) to the state treasurer, who shall credit the same to the vital statistics records cash fund created in section 25-2-121, C.R.S.

(V) **Release of records by child placement agencies and prior written statements of birth parents.** Notwithstanding the provisions of subparagraph (I) of this paragraph (b), the adoption records, as defined in section 19-1-103 (6.5)(a), in the possession of a child placement agency may not be open for inspection or made available for copying with respect to any identifying information concerning a birth parent if the birth parent has previously provided the court and the child placement agency, if applicable, with a signed and notarized written statement, within three years after the final order of relinquishment or termination of the parent-child legal relationship, specifying that such parent wishes the identifying information concerning that parent to remain confidential; except that the adoption records in the possession of a child placement agency may be open for inspection and made available for copying with respect to identifying information concerning a birth parent if a birth parent provides a consent form, as defined in section 19-1-103 (28.5), to the child placement agency consenting to the release of identifying information and the release of identifying information is consistent with the provisions of subsection (3) of this section. A written statement specifying that a birth parent wishes the identifying information concerning that parent on file with a child placement agency to remain confidential must remain in the court's and the child placement agency's relinquishment or termination file unless later withdrawn by the parent or superceded by a consent form. A child placement agency is not liable to any individual for the failure of a birth parent to submit such a written statement to the court. In addition to such a statement, the birth parent may also submit to the court and to the child placement agency a letter of explanation that the court and the child placement agency must release to the adoptee at the time that the adoptee makes a request for inspection of the adoption records. This subparagraph (V) applies only to adoption records in the possession of child placement agencies and does not apply to adoption records in the possession of the court or any other agency, entity, or person.

(3) **Access to identifying information through child placement agencies.** (a) Upon proof of identity of the person submitting the consent form, a licensed child placement agency shall accept and may seek a consent form, as that term is defined in section 19-1-103 (28.5), from an adult adoptee or from either adult adoptee's birth parent or from an adoptive parent of a

minor adoptee or from the legal representative of a minor adoptee authorizing the release of identifying information, as that term is defined in section 19-1-103 (63.5), concerning the person submitting the consent form, to the extent such information is available to the child placement agency. If only one birth parent has filed a consent form with the child placement agency, the child placement agency or any succeeding custodian of the records shall provide a copy of the identifying information without the name of and without identifying information about the nonconsenting birth parent.

(b) (I) Upon inquiry by an adult adoptee or an adult adoptee's birth parent or an adoptive parent of a minor adoptee seeking information about another party from a licensed child placement agency, the child placement agency shall be authorized to release identifying information to the inquiring person, upon proof of identity by the inquiring person, if the licensed child placement agency is in possession of a consent form from the party about whom information is sought authorizing such release.

(II) In those circumstances in which a child placement agency has released identifying information pursuant to paragraph (a) of this subsection (3), the child placement agency may attempt to locate at the last known address the person who had originally submitted the consent form and, upon locating such person, advise him or her of the release and provide him or her with the opportunity to fill out a contact preference form and updated medical history statement as prescribed in subsection (1.5) of this section. If the inquiring person also submitted a consent form authorizing the release of identifying information about him or her, the child placement agency may provide such identifying information to the person located.

(III) A child placement agency that accepts a consent form may perform a search for the sought party, subject to the requirement that an employee designated by the child placement agency to perform a search and to contact the sought party shall have completed training that meets the standards set forth by the adoption intermediary commission.

(c) A licensed child placement agency that accepts a consent form may charge a reasonable fee to cover the direct and indirect costs associated with the services provided pursuant to this subsection (3), if a written fee agreement has been signed by the agency and the party submitting the consent form prior to the provision of any service. If a child placement agency charges a fee, then the child placement agency shall make reasonable efforts to locate the person being sought and to release the information the child placement agency obtained to the person located. The licensed child placement agency shall be required to provide a list of names, addresses, and telephone numbers of organizations performing similar services prior to signing any fee agreement with any party submitting a consent form. Information in the post-adoption record is confidential and shall not be disclosed by a licensed child placement agency or any succeeding custodian of the records, or a court except as specifically permitted in this part 3, or as otherwise permitted by law.

(d) The release of any information by a licensed child placement agency pursuant to this subsection (3) shall be subject to the provisions of subsection (4) of this section.

(4) **Access to information and contact concerning sibling groups.** Notwithstanding the provisions set forth in subsections (1.5), (2), and (3) of this section authorizing access to adoption records and contact with an adoptee, in those circumstances in which one family has adopted two or more siblings, access to the adoption records concerning an adoptee and contact with an adoptee shall not occur until all of the siblings adopted by the family have attained eighteen years of age.

(5) **Adult adoptee's restriction on access to records.** Notwithstanding the provisions of subsection (2) of this section, an adult adoptee may, at any time, provide the court that finalized the adoption and the child placement agency with a signed and notarized written statement specifying that such adult adoptee wishes to maintain identifying information concerning that adoptee, other than the original birth certificate, confidential. The written statement shall remain in the court's adoption file unless later withdrawn by the adoptee. Nothing in this subsection (5) shall be construed to affect access to records through the confidential intermediary process.

(6) **Contact between the parties.** Subject to the provisions of subsection (2) of this section, any party may seek to make direct contact with another party or to use the services of a confidential intermediary as provided in section 19-5-304, a licensed child placement agency as provided in subsection (3) of this section, or the voluntary adoption registry maintained by the state registrar as provided in section 25-2-113.5, C.R.S.

PART 2

YOUTH SIBLINGS IN FOSTER CARE

Editor's note: This part 2 was added with relocations in 2019. Former C.R.S. section numbers are shown in editor's notes following those sections that were relocated.

19-7-201. Short title. The short title of this part 2 is the "Foster Youth Siblings Bill of Rights".

19-7-202. Legislative declaration. (1) The general assembly finds and declares that it is beneficial for a youth placed in foster care to be able to continue relationships with the youth's siblings, regardless of age, so that siblings may share their strengths and association in their everyday and often common experiences.

(2) The general assembly further finds and declares that it is the responsibility of all adults involved in a youth's life, including but not limited to county departments, parents, foster parents, guardians ad litem, court-appointed special advocates, next of kin, treatment providers, and others, to seek opportunities to foster those sibling relationships to promote continuity and help to sustain family relationships.

(3) Because the number of family foster homes in Colorado is often insufficient to meet the needs of youth, including sibling groups, it is, therefore, Colorado's goal to continue to recruit foster families and build resources sufficient to meet this need.

(a) To be placed in foster care homes with the youth's siblings, when it is in the best interests of each sibling and when the county department locates an appropriate, capable, willing, and available joint placement for the youth siblings, in order to sustain family relationships, pursuant to sections 19-3-213 (1)(c), 19-3-500.2, 19-3-507 (1)(b), 19-3-508 (1)(c), 19-3-605 (2), and 19-5-207.3 (2);

(f) To be included in permanency planning discussions or meetings for siblings, if appropriate;

(g) To maintain frequent and meaningful contact with the youth's siblings pursuant to section 19-7-204 (2), if placement together is not possible;

(h) To be actively involved in each other's lives and share celebrations, if the siblings choose to do so, including but not limited to birthdays, graduations, holidays, school and extracurricular activities, cultural customs in the siblings' native language, and other milestones;

(i) To annually receive contact information for all siblings in foster care, which may include a telephone number, address, social media accounts, and e-mail address, unless a foster parent has requested the foster parent's identifiable information not be disclosed pursuant to section 19-1-303 (2.7)(a), and to receive updated photos of siblings regularly by mail or e-mail, as appropriate;

19-7-204. Foster care sibling visits - contact plan - rules - definition. (1) The department of human services shall provide information on sibling contact in the visitation plan for a youth. In doing so, the youth shall be consulted about the youth's wishes as to sibling contact.

(2) As written in the visitation plan, the department of human services shall, if it is in the best interests of each sibling:

(a) Promote frequent contact between siblings in foster care, which may include telephone calls, text messages, social media, video calls, and in-person visits;

(b) Clarify that sibling contact should not be limited in time or duration to periods of parental contact;

(c) Clarify that restriction of sibling visits should not be a consequence for behavioral problems. Visits should only be restricted if contrary to the best interests of a sibling.

(d) Ensure timing and regularly scheduled sibling visits are outlined in case plans based on individual circumstances and needs of the youth.

(3) If a youth in foster care requests an opportunity to visit a sibling, the county department that has legal custody of the youth shall arrange the visit within a reasonable amount of time and document the visit.

(4) If a youth in foster care requests an opportunity to visit a sibling on a regular basis, the county department that has legal custody of the youth shall arrange the visits and ensure that the visits occur with sufficient frequency and duration to promote continuity in the siblings' relationship.

(5) If, in arranging sibling visits pursuant to this section, a county department determines that a requested visit between the siblings would not be in the best interests of one or both of the siblings, the county department shall deny the request, document its reasons for making the determination, and provide the siblings with an explanation for the denial, as permitted under state and federal law. In determining whether a requested visit would be in the best interests of one or both of the siblings, the county department shall ascertain whether there is pending in any jurisdiction a criminal action in which either of the siblings is either a victim or a witness. If such a criminal action is pending, the county department, before arranging any visit between the siblings, shall consult with the district attorney for the jurisdiction in which the criminal action is pending to determine whether the requested visit may have a detrimental effect upon the prosecution of the pending criminal action.

(6) Nothing in this section requires or permits a county department to arrange a sibling visit if such visit would violate an existing protection order in any case pending in this state or any other state.

(7) As used in this section, "sibling" means:

(a) A biological sibling;

(b) A step-sibling or former step-sibling; or

(c) An adoptive sibling.

(8) The state board of human services, created in section 26-1-107, may promulgate rules for the implementation of this section.
