(2) A withdrawal of consent by a party is effective within a reasonable period of time after receipt of the withdrawal by the insurer.

(3) Failure by an insurer to comply with paragraph (d)(4) of this section may be treated, at the election of the party, as a withdrawal of consent for purposes of this section.

Examination of an alien insurer shall be limited to its insurance transactions, assets, trust deposits and affairs in the United States except as otherwise required by the Commissioner.

(b) The Commissioner shall examine, in like manner, each insurer applying for an initial certificate of authority to transact insurance in this State.

(c) In lieu of making an examination, the Commissioner may accept, in the Commissioner's discretion, a full report of the most recent examination of a foreign or alien insurer, certified to by the insurance supervisory official of another state.

(d) As far as practical, the examination of a foreign or alien insurer shall be made in cooperation with the insurance supervisory officials of other states in which the insurer transacts business.

(e) In lieu of an examination under this section of any foreign or alien insurer licensed in this State, the Commissioner may accept an examination report on such company as prepared by the insurance department for the company's state of domicile or port-of-entry state, so long as:

(1) The insurance department, at the time of the examination, was accredited under the National Association of Insurance Commissioners' Financial Regulation Standards and Accreditation Program; or

(2) The examination is performed under the supervision of an accredited insurance department, or with the participation of 1 or more examiners, who are employed by such an accredited state insurance department, and who, after a review of the examination work papers and report, state under oath that the examination was performed in a manner consistent with the standards and procedures required by their insurance department.

(f) The Commissioner shall also conduct examinations as required by § 2301E of Title 19 [repealed].

§ 319. Examination of agents, promoters and others.

For the purpose of ascertaining compliance with law or relationships and transactions between any such person and any insurer or proposed insurer, the Commissioner may examine, as often as the Commissioner deems advisable, the accounts, records, documents and transactions pertaining to or affecting insurance affairs or proposed insurance affairs of:

(1) Any insurance agent, solicitor, broker, general agent, adjuster, insurer representative or person holding oneself out as any of the foregoing;

(2) Any person having a contract under which the person enjoys in fact the exclusive or dominant right to manage or control an insurer;

(3) Any person holding the shares of voting stock or the policyholder proxies of a domestic insurer for the purpose of controlling the management thereof, as voting trustee or otherwise;

(4) Any person in this State, who is engaged in, or proposing to be engaged in, holding oneself out as engaging, proposing or assisting

in the promotion, formation or financing of an insurer, insurance holding corporation, corporation or other group, to finance an insurer or the production of its business.

(18 Del. C. 1953, § 323; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 185, § 1; 70 Del. Laws, c. 186, § 1.)

§ 320. Conduct of examination; access to records; correction.

(a) The Commissioner shall conduct each examination in an expeditious, fair, and impartial manner. Upon determining that an examination should be conducted, the Commissioner or the Commissioner's designee shall issue an examination warrant appointing 1 or more examiners to perform the examination and instructing them as to the scope of the examination. In conducting the examination, the examiner shall observe those guidelines and procedures set forth in the Examiner's Handbook adopted by the National Association of Insurance Commissioners. The Commissioner may also employ such other guidelines or procedures as the Commissioner may deem appropriate.

(b) Upon any such examination the Commissioner or examiner may examine, under oath, any officer, agent or other individual believed to have material information regarding the affairs under examination.

(c) Every person being examined, the person's officers, attorneys, employees, agents and representatives, shall make freely available to the Commissioner, or the Commissioner's examiners, the accounts, records, documents, files, information, assets and matters of such person, in the person's possession or control, relating to the subject of the examination and shall facilitate the examination.

(d) If the Commissioner or examiner finds any accounts or records to be inadequate or inadequately kept or posted, the Commissioner may employ experts to reconstruct, rewrite, post or balance them at the expense of the person being examined if such person has failed to maintain, complete or correct such records or accounting, after the Commissioner or examiner has given the person written notice and a reasonable opportunity to do so.

(e) Neither the Commissioner, nor any examiner, shall remove any record, account, document, file or other property of the person being examined from the offices or place of such person, except with the written consent of such person in advance of such removal or pursuant to an order of court duly obtained. This provision shall not be deemed to affect the making and removal of copies or abstracts of any such record, account, document or file.

(18 Del. C. 1953, § 324; 56 Del. Laws, c. 380, § 1; 68 Del. Laws, c. 51, § 2; 70 Del. Laws, c. 185, § 1; 70 Del. Laws, c. 186, § 1.)

§ 321. Examination report.

(a) The Commissioner or the Commissioner's examiner shall make a full and true written report of every such examination made by the Commissioner or the Commissioner's examiner and shall therein certify under oath the report and findings.

(b) The report shall contain only information appearing upon the books, records, documents and papers of, or relating to, the person or affairs being examined or ascertained from testimony of individuals under oath concerning the affairs of such person, together with such conclusions and recommendations as may reasonably be warranted by such information.

(c) No later than 60 days following the completion of the examination, the examiner in charge shall file with the Department a verified written report of examination under oath. Upon receipt of the verified report, the Department shall transmit the report to the company examined, together with a notice which shall afford the company examined a reasonable opportunity of not more than 30 days to make a written submission or rebuttal with respect to any matters contained in the examination report. If the company so requests in writing within such 30-day period, the Commissioner shall grant a hearing as to the report and shall not file the report until after the hearing and after such modifications have been made therein as the Commissioner deems proper.

(e) The report when so filed shall be admissible in any action or proceeding brought by the Commissioner against the person examined or against its officers, employees or agents. In any such action or proceeding, the Commissioner or the Commissioner's examiners may, however, at any time testify and offer proper evidence as to information secured or matters discovered during the course of the examination, whether or not a written report of the examination has been either made, furnished or filed with the Department.

(f) The Commissioner may withhold from public inspection any examination or investigation report for so long as the Commissioner deems such withholding to be necessary for the protection of the person examined against unwarranted injury or to be in the public interest.

(g) All working papers, recorded information, documents and copies thereof produced by, obtained by, or disclosed to the Commissioner or any other person in the course of an examination made under this chapter, or in the course of analysis by the Commissioner of the financial condition or market conduct of a company, shall be given confidential treatment and are not subject to subpoena and may not be made public by the Commissioner or any other person except to insurance departments of any state or country, or to law-enforcement officials of this or any other state or agency of the federal government at any time, so long as such agency or office receiving the report or matters relating thereto agrees in writing to hold it confidential and in a manner consistent with this section, unless the prior written consent of the company to which it pertains has been obtained.

(d) [Repealed.]

§ 322. Examination expense.

(a) The expense of examination of an insurer or of any person referred to in § 319(2) of this title (management or control of an insurer under contract) or § 319(4) of this title (promoters, etc.) shall be borne by the person examined. Such expense shall include only the

reasonable and proper expenses of the Commissioner, and the Commissioner's examiners and assistants, including expert assistance, and a reasonable per diem as to such examiners and assistants as necessarily incurred in the examination.

(b) Such person examined shall promptly pay the examination expense upon presentation by the Commissioner, or the Commissioner's examiner, of a reasonably detailed written account thereof.

(18 Del. C. 1953, § 326; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 185, § 1; 70 Del. Laws, c. 186, § 1.)

§ 323. Administrative procedures; hearings in general.

(a) The Commissioner may hold a hearing without request by others for any purpose within the scope of this title.

(b) The Commissioner shall hold a hearing:

(1) If required by any other provision of this title; or

(2) Upon written application for a hearing by a person aggrieved by any act, threatened act or failure of the Commissioner to act, or by any report, rule, regulation or order of the Commissioner (other than an order for the holding of a hearing, or order on a hearing, or pursuant to such order, of which hearing such person had notice). Any such application must be filed in the Department within 90 days after such person knew or reasonably should have known of such act, threatened act, failure, report, rule, regulation or order, unless a different period is provided for by other laws applicable to the particular matter and, in which case, such other law shall govern.

(c) Any such application for a hearing shall briefly state the respects in which the applicant is so aggrieved, together with the grounds to be relied upon as a basis for the relief to be sought at the hearing.

(d) If the Commissioner finds that the application is made in good faith, that the applicant would be so aggrieved if the grounds are established and that such grounds otherwise justify the hearing, the Commissioner shall hold the hearing within 30 days after filing of the application unless postponed by mutual consent. Failure to hold the hearing upon application of a person entitled, as hereinabove provided, shall constitute a denial of the relief sought and shall be the equivalent of a final order of the Commissioner on hearing for the purpose of an appeal under § 328 of this title.

(e) Pending the hearing and decision, the Commissioner may suspend or postpone the effective date of the previous action.

(f) To the extent that it does not conflict with the provisions of this chapter, the Administrative Procedures Act, Chapter 101 of Title 29, shall govern all aspects of the Department's administrative proceedings, including, but not limited to, the following:

(1) Notice of hearing;

(2) Conduct of hearing;

(3) Ex parte consultations;

(4) Proposed order;

(5) Record retention; and

(6) Decision and final order.

(18 Del. C. 1953, § 327; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 185, § 1; 70 Del. Laws, c. 186, § 1.)

§ 324. Notice of hearing.

(a) Except where a longer period is expressly provided in this title, the Commissioner shall give written notice of the hearing to all parties not less than 20 days in advance.

(b) If any such hearing is to be held for consideration of rules and regulations of the Commissioner or of other matters which, under subsection (a) of this section, would otherwise require separate notices to more than 30 persons, in lieu of other notice the Commissioner may give notice of the hearing by publication in a newspaper of general circulation in this State, at least once each week during the 4 weeks immediately preceding the week in which the hearing is to be held; except that the Commissioner shall mail such notice to all persons who have requested the same in writing in advance and have paid to the Commissioner the reasonable amount fixed by the Commissioner to cover the cost thereof.

(18 Del. C. 1953, § 328; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 185, § 1; 70 Del. Laws, c. 186, § 1.)

§ 325. Conduct of hearing.

The Commissioner may hold a hearing in Dover or any other place of convenience to parties and witnesses as the Commissioner determines. The Commissioner, or the Commissioner's designee, shall preside at the hearing and shall expedite the hearing and all procedures involved therein.

(18 Del. C. 1953, § 329; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 185, § 1; 70 Del. Laws, c. 186, § 1.)

§ 326. Witnesses and documentary evidence.

(a) As to the subject of any examination, investigation or hearing being conducted by the Commissioner, the Commissioner may subpoena witnesses and administer oaths or affirmations, and examine any individual under oath, or take depositions, and by subpoena duces tecum may require the production of documentary and other evidence. Any delegation by the Commissioner of power of subpoena shall be in writing.

(b) Witness fees and mileage, if claimed, shall be allowed the same as for testimony in a Superior Court. Witness fees, mileage and the actual expense necessarily incurred in securing attendance of witnesses and their testimony shall be itemized and shall be a part of the examination expense to be paid by the person being examined, where payment of examination expense by such person is otherwise

provided for in this title, or paid by the person as to whom such proceedings, other than as part of an examination, are held if, in such proceedings, such person is found to have been in violation of the law, or by the person, if other than the Commissioner, at whose request the hearing is held.

(c) Subpoenas of witnesses shall be served in the same manner and at the same cost as if issued by a Superior Court. If any individual fails to obey a subpoena issued and served hereunder with respect to any matter or evidence concerning which the individual may be lawfully interrogated or required to produce for examination, upon application of the Commissioner, the Superior Court, in any county in which is pending the proceeding at which such individual is so required to appear, or the Superior Court in the county in which such individual resides, may issue an order requiring the individual to comply with the subpoena and to appear and testify or produce the evidence subpoenaed; and any failure to obey such order of the Court may be punished by the Court as a contempt thereof.

(d) Any person knowingly giving false testimony under oath or making a false affirmation as to any matter material to any such examination, investigation or hearing, upon conviction thereof, shall be guilty of perjury.

(18 Del. C. 1953, § 330; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 185, § 1; 70 Del. Laws, c. 186, § 1.)

§ 327. Testimony compelled; immunity.

(a) If any individual asks to be excused from attending or testifying or from producing any books, papers, records, contracts, correspondence or other documents in connection with any examination, hearing or investigation being conducted by the Commissioner, or the Commissioner's examiner, on the ground that the testimony or evidence required of the individual may tend to incriminate the individual, or subject the individual to a penalty or forfeiture and shall, by the Attorney General, be directed to give such testimony or produce such evidence, the individual must nonetheless comply with such direction, but the individual shall not thereafter be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which the individual may have so testified or produced evidence, and no testimony so given or evidence produced shall be received against the individual upon any criminal action, investigation or proceeding; except, however, that no such individual so testifying shall be exempt from prosecution or punishment for any perjury committed by the individual in such testimony, and the testimony or evidence so given or produced shall be admissible against the individual upon any criminal action, investigation or proceeding concerning such perjury, nor shall such individual be exempt from the refusal, suspension or revocation of any license, permission or authority conferred or to be conferred, pursuant to this title.

(b) Any such individual may execute, acknowledge and file in the office of the Commissioner and of the Attorney General a statement expressly waiving such immunity or privilege in respect to any transaction, matter or thing specified in such statement, and thereupon the testimony of such individual or such evidence in relation to such transaction, matter or thing may be received or produced before any judge or justice, court, tribunal, grand jury or otherwise, and if so received or produced such individual shall not be entitled to any immunity or privileges on account of any testimony given or evidence so produced.

(18 Del. C. 1953, § 331; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 185, § 1; 70 Del. Laws, c. 186, § 1.)

§ 328. Appeal from the Commissioner.

(a) Except as to matters arising under Chapter 25 of this title (Rates and Rating Organizations), an appeal from the Commissioner shall be taken only from an order on hearing or as to a matter on which the Commissioner has refused or failed to hold a hearing after application therefor or issue an order on hearing as required by § 323 of this title.

(b) Any person who was a party to such hearing or whose pecuniary interests are directly and immediately affected by any such refusal or failure, and who is aggrieved by such order, refusal or failure, may appeal from such order or as to any such matter within 60 days after:

(1) The order on hearing has been mailed or delivered to the persons entitled to receive the same or given by last publication thereof where delivery by publication is permitted; or

(2) The Commissioner has refused or failed to make an order on hearing as required under § 323 of this title; or

(3) The Commissioner has refused or failed to grant or hold a hearing as required under § 323 of this title.

(c) The appeal shall be granted as a matter of right and shall be taken to the Superior Court in any county in this State.

(d) The appeal shall be taken by filing in the Court a verified petition stating the grounds upon which the review is sought, together with a bond with good and sufficient sureties to be approved by the Court, conditioned to pay all costs which may be assessed against the appellant or petitioner in such proceedings and by serving a copy of the petition upon the Commissioner. If the appeal is from the Commissioner's order on hearing, the petitioner shall also deliver to the Commissioner a sufficient number of copies of the petition and the Commissioner shall mail or otherwise furnish a copy thereof to the other parties to the hearing to the same extent as a copy of the Commissioner's order is required to be furnished to the hearing parties under § 323 of this title.

(e) Upon receiving the petition for review, the Commissioner shall cause to be prepared an official record certified by the Commissioner which shall contain a copy of all proceedings and orders of the Commissioner appealed from and the transcript of testimony and evidence or summary record thereof. Within 30 days after the petition is served upon him or her, the Commissioner shall file such official record with the Court in which the appeal is pending.

(f) Upon filing of the petition for review the Court shall have full jurisdiction of the proceeding. Such filing shall not stay the enforcement of the Commissioner's order or action appealed from unless so stayed by order of the Court.

(g) If the appeal is from the Commissioner's order on hearing, the review of the Court shall be limited to matters shown by the Commissioner's official record; otherwise, the review shall be de novo. The Court shall have the power, by preliminary order, to settle

questions concerning the completeness and accuracy of the Commissioner's official record.

(h) In its discretion the Court may remand the case to the Commissioner for further proceedings in accordance with the Court's directions or, in advance of judgment and upon a sufficient showing, the Court may remand the case to the Commissioner for the purpose of taking additional testimony or other proceedings.

(i) From the judgment of the Superior Court, either the Commissioner or other party to the appeal may appeal directly to the Supreme Court of the State in the same manner as is provided in civil cases.

(18 Del. C. 1953, § 333; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 185, § 1; 70 Del. Laws, c. 186, § 1.)

§ 329. Administrative penalty.

(a) Notwithstanding any other provisions of this title or any regulation implementing said title, the Commissioner, upon a finding after notice and hearing conducted in accordance with the provisions of this chapter, that any person, insurer or insurance holding company has violated any provision of this title or any regulation implementing said title, may impose or order an administrative penalty in an amount of money that is reasonable and appropriate in view of the facts and circumstances surrounding the violation. In determining what the amount of penalty shall be, the Commissioner may take into consideration such matters as the nature of the violation, the amount of loss resulting from the violator's conduct, the intent of the violator, the damages caused by the violation, any efforts made by the violator to correct the violation and prevent a reoccurrence, and the recommendations of any hearing officer. In no event shall the administrative penalty per violation exceed \$15,000 for those licensed under Chapter 17 of this title, and \$50,000 per violation for insurance companies, insurance holding companies and all other persons licensed under this title.

(b) Any administrative penalty imposed pursuant to this section may be in addition to any penalty, fine or sentence ordered by a court in any civil or criminal proceeding.

(c) Any penalty that may be imposed or ordered by the Commissioner after the hearing shall be paid to the State Treasurer for deposit in the General Fund.

(65 Del. Laws, c. 165, § 1; 70 Del. Laws, c. 185, § 1.)

§ 330. Immunity from liability.

(a) No cause of action shall arise nor shall any liability be imposed against the Commissioner, the Commissioner's authorized representatives or any examiner appointed by the Commissioner for any statements made or conduct performed in good faith while carrying out the provisions of this chapter.

(b) No cause of action shall arise nor shall any liability be imposed against any person for the act of communicating or delivering information or data to the Commissioner or the Commissioner's authorized representative or examiner pursuant to an examination, investigation, or regulatory inquiry made under this chapter, if such an act of communication or delivery was performed in good faith and without fraudulent intent or intent to deceive.

(c) This section does not abrogate or modify in any way any common law or statutory privilege or immunity heretofore enjoyed by any person identified in subsection (a) of this section.

(d) A person identified in subsection (a) of this section shall be entitled to an award of attorney's fees and costs if they are the prevailing party in a civil cause of action for libel, slander or any other relevant tort arising out of their activities in carrying out the provisions of this chapter and the party bringing the action was not substantially justified in doing so. For purposes of this section a proceeding is "substantially justified" if it had a reasonable basis in law or in fact at the time that it was initiated.

(68 Del. Laws, c. 51, § 4; 70 Del. Laws, c. 185, § 1; 80 Del. Laws, c. 46, § 2; 80 Del. Laws, c. 376, § 2.)

§ 331. Arbitration of disputes involving homeowners' insurance coverage.

(a) Every insurer providing insurance coverage for homeowners' risks shall be required to submit to arbitration, in the manner set forth in this section, any dispute relating to the amounts owed under any claim for losses or damages by an insured claiming to have suffered losses or damages under the contract. Disputes relating to whether coverage exists and under what terms and conditions the coverage exists shall not be subject to the arbitration process established in this section. Notwithstanding the foregoing, where the insurance policy provides an arbitration or appraisal provision in a form approved by the Insurance Department, the arbitration mandated by this subsection shall not apply.

(b) All arbitration shall be administered by the Insurance Commissioner or the Insurance Commissioner's nominee.

(c) The Insurance Commissioner or the Insurance Commissioner's nominee shall establish panels of arbitrators in accordance with the rules and regulations which shall be promulgated pursuant to this section. No cause of action shall arise nor any liability imposed against any individual appointed to the panel for any conduct performed in good faith while carrying out the provisions of this section.

(d) Any request by an insured for arbitration shall be in writing and mailed to the Insurance Commissioner within 90 days from the date an offer of settlement or denial of coverage or liability has been made by an insurer. Neither party shall be held to have waived any of its rights by an act relating to arbitration and either party shall have a right to trial de novo to the Superior Court so long as notice of appeal is filed with that Court in the manner set forth by its rules within 90 days of the date of the arbitration decision being rendered.

(e) The Insurance Commissioner shall establish a schedule of fees for arbitration which shall not exceed \$75.

(f) The fee for arbitration shall be payable to the Department of Insurance at the time of the filing of the request for arbitration and shall be maintained in a special fund identified as the "Arbitration Fund," which shall remain separate and segregated from the General Fund.

The compensation paid to the arbitration panel shall be payable from this fund.

(70 Del. Laws, c. 173, § 1; 70 Del. Laws, c. 186, § 1.)

§ 332. Arbitration of disputes involving health insurance coverage.

(a) The following definitions shall apply with respect to this section:

(1) “Adverse determination” means a benefit denial, reduction or termination, a denial of certification, or both.

(2) “Benefit denial” means the denial, in whole or in part, of payment or reimbursement for health-care services rendered or health-care supplies provided to any person claiming benefits under an insurance policy delivered or issued for delivery in Delaware.

(3) “Carrier” in this section shall have the same meaning applied to it at § 3343(a) of this title.

(4) “Covered person” means a person who claims to be entitled to receive benefits from a carrier.

(5) “Denial of certification” means a determination that an admission or continued stay, or course of treatment, or other covered health-care service does not satisfy the insurance policy’s clinical requirements for appropriateness, necessity, health-care setting and/or level of care.

(6) “Emergency review” means an IRP review involving an imminent, emergent or serious threat to the health of the claimant.

(7) “Health plan” shall have the same meaning as “health benefit plan” as defined at § 3343(a)(2) of this title.

(8) “Insurance policy” shall have the meaning assigned to it at § 2702 of this title, and shall also include all health plans and policies for the payment for, provision of or reimbursement for medical services, supplies or both issued by insurers, health services corporations or managed care organizations.

(9) “Internal review process” or “IRP” means the procedure for an internal review of an adverse determination pursuant to subsection (b) of this section.

(b) Every carrier shall establish and maintain an IRP approved by the Insurance Commissioner.

(c) The Insurance Commissioner shall approve those IRPs that meet the following minimum criteria:

(1) *Written notice.* — The IRP must provide for written notice of the internal review procedure to covered persons, annually and following any adverse determination.

(2) *Requests for review of adverse determinations.* — The IRP must permit covered persons to submit requests for internal reviews of adverse determinations (“grievances”) orally or in writing. Grievances must be submitted within 30 days of receipt by the covered person of written notice of an adverse determination. The carrier must provide written forms for submission of grievances. Upon receipt of an oral grievance or a written grievance that does not contain sufficient information, the carrier must immediately provide the covered person with a written form upon which to make his or her grievance, and the carrier may require that an oral or insufficient written grievance be submitted in writing within 10 days of the covered person’s receipt of the written form. A grievance shall be considered as received by the carrier when a written form, which the covered person purports to be complete, is received by the carrier.

(3) *Instructions on written form.* — The written form referred to in paragraph (c)(2) of this section shall inform the covered person of the information necessary to pursue an internal grievance of an adverse decision.

(4) *Prompt response to written grievances.* — The IRP shall provide that within 5 business days of receipt of a written grievance, the carrier shall provide written acknowledgement of the grievance, including the name, address and telephone number of the individual or department designated by the carrier to the grievance.

(5) *Speedy review of grievances.* — That IRP shall require that all grievances be decided in an expeditious manner, and in any event, no more than:

a. 72 hours after the receipt of all necessary information relating to an emergency review;

b. 30 days after the receipt of all necessary information in the case of requests for referrals or determinations concerning whether a requested benefit is covered pursuant to the contract; and

c. 45 days after the receipt of all necessary information in all other instances.

A grievance shall be considered decided when the carrier has made its final decision on the subject of the review and has deposited written notice of that decision in the mail, in accordance with paragraphs (c)(7) and (8) of this section.

(6) *Assignment of qualified personnel.* — The IRP shall provide that when the subject of the grievance relates to medical or clinical matters, including medical necessity and appropriateness of treatment, the health carrier shall assign licensed, certified or registered health care personnel with expertise in the field implicated by the request for review to conduct the review. The review shall be conducted by personnel other than those who made the initial adverse determination.

(7) *Written notice of decisions.* — The IRP shall provide that within 5 days after a grievance is decided in the manner described above, the insured shall be provided with written notice of the disposition of that grievance. In cases where the grievance has been decided in a manner that does not pay the claim in its entirety, the carrier shall provide the insured with a letter fully stating the reasons for the disposition (including specific policy language relied upon and any other documents relied upon) and the clinical rationale for the determination in cases where the determination has a clinical basis. The carrier’s written notice shall also inform the insured of the appropriate manner for the insured to pursue an external review of the carrier’s decision. Finally, the carrier’s written notice shall inform the insured of the mediation services offered by the Department of Insurance, but shall clearly inform the insured in layman’s terms that mediation does not change the deadlines imposed by § 6416 of this title or this section. The Department of Insurance shall inform any person with rights under § 6416 of this title or this section of those rights.

(8) *Manner of notice of decisions.* — Written notice of the review decision shall be deposited in the mail, addressed to the last known address of the covered person. In the case of emergency reviews, the carrier shall also make reasonable efforts to notify the covered person immediately following the determination of the grievance and the written notice of determination shall be deposited in the mail, addressed to the last known address of the claimant, within 48 hours after the receipt of all information necessary to complete the review. For cases involving a denial, reduction or termination of benefits where the external review may be conducted pursuant to this section, written notice shall be mailed requesting delivery confirmation by the United State Postal Service.

(d) Every carrier shall submit a report on its internal review process on an annual basis to the Insurance Commissioner in accordance with regulations established by the Department.

(e) With respect to adverse determinations that are subject to review by the Department of Insurance pursuant to § 6416(f) of this title, the Insurance Commissioner shall develop regulations providing for arbitration of such adverse determinations. Such regulations shall contain the following provisions:

(1) Requests for arbitration shall be in writing and mailed to the Commissioner within 60 days of the receipt of the written statement referred to in paragraph (c)(7) of this section.

(2) Arbitrators shall be chosen from an appropriate panel of arbitrators, and hearings shall be conducted according to rules established by the Department of Insurance.

(3) The arbitrator shall review written arbitration requests prior to holding any hearing or allowing any exchange of information between the parties in order to determine whether a written arbitration request is meritless on its face, and may summarily dismiss meritless requests for arbitration.

(4) Neither party shall be held to have waived any of its rights to seek relief in a court of law with respect to a covered person's legal rights to benefits by an act relating to arbitration or the rendering of an arbitration decision.

(5) Arbitration decisions shall be rendered within 45 days of the Commissioner's receipt of an arbitration request.

(f) The Insurance Commissioner shall establish a schedule of fees for arbitration. Fees chargeable to covered persons shall not exceed \$75 per arbitration. The carrier shall be responsible for all costs of arbitration which exceed this fee regardless of the final ruling, and shall reimburse the Commissioner for the expenses related to the arbitration process. Funds paid to the Insurance Commissioner under this subsection shall be placed in the arbitration fund and shall be used exclusively for the payment of appointed arbitrators. The Insurance Commissioner may, in his or her discretion, impose a schedule of maximum fees that can be charged by an arbitrator for a given type of arbitration.

(g) If the arbitrator makes a decision in favor of the carrier, that decision shall give rise to a rebuttable presumption to that effect in any subsequent action brought by or on behalf of the covered person with respect to the decision. Should the decision favor the covered person, the carrier shall have the right to appeal the matter to the court, in accordance with court rules. The outcome of that appeal, however, shall have no effect on the covered person, as to whom the decision of the arbitrator shall control. a. Any nursing service or nursing facility conducted by or for those who rely upon treatment solely by spiritual means in accordance with the creed or tenets of any generally recognized church or religious denomination;

b. Any long-term care facility, as defined at § 1102 of Title 16 or its successor; and

c. Any hospital as defined at § 1001 of Title 16 or its successor.

(2) "Insurance carrier" means any entity that provides health insurance in this State. For the purposes of this section, "carrier" includes an insurance company, health services corporation, health maintenance organization and any other entity providing a plan of health insurance or health benefits subject to state insurance regulation. "Carrier" also includes any third-party administrator or other entity that adjusts, administers or settles claims in connection with health benefit plans.

(b) Every insurance carrier shall be required to submit to arbitration, in the manner set forth in this section, any dispute with a health-care provider regarding reimbursement for an individual claim, procedure or service by that health-care provider for health-care services, upon a request for arbitration by the health-care provider. A request for arbitration shall be made within 60 days after the receipt of the decision rendered by the insurance carrier. The Commissioner shall promulgate regulations addressing the manner in which health-care providers

must be informed of the availability of arbitration under this section.

(c) By requesting arbitration pursuant to this chapter, a health-care provider shall be deemed to have agreed that it will not bill its patient for the difference between its charge and any reimbursement awarded by the arbitrator if it is forbidden from such billing by its contract with the carrier against whom the award is entered.

(d) The arbitration program shall be administered by the Department of Insurance.

(e) The Commissioner shall establish a panel of arbitrators, from which the Commissioner or the Commissioner's designee will select 1 person to hear each request for arbitration. No cause of action shall arise nor shall any liability be imposed against any individual appointed as arbitrator for any conduct performed in good faith while carrying out the provisions of this section. In establishing the panel of arbitrators required by this subsection, the Commissioner shall endeavor to appoint persons qualified to hear both legal and medical disputes.

(f) The losing party in an arbitration conducted pursuant to this section shall have a right to trial de novo in the Superior Court so long as notice of appeal is filed with that Court in the manner set forth by Superior Court rules within 30 days of the date of the arbitration decision being rendered.

(g) The Commissioner shall establish a schedule of fees for arbitration, which shall not exceed \$100 per arbitration. The arbitrator may award to the health-care provider the cost of filing the arbitration if the health-care provider should prevail.

(h) The cost of arbitration shall be payable to the Department of Insurance, and shall be maintained in a special fund identified as the "Arbitration Fund," which shall remain separate and segregated from the General Fund. The compensation paid to the arbitrator shall be payable from the Arbitration Fund.

(i) The Commissioner may promulgate regulations exempting insurance carriers from the requirements of this section if the carriers maintain a substantially similar program to that created by this section.

(j) The following issues shall not be subject to arbitration under this section:

(1) Disputes as to whether the patient for whom health-care services were provided was a policyholder of the insurance carrier at the time services were rendered, or was otherwise entitled by contract to receive health-care services or reimbursement for health-care services.

(2) Disputes that are already pending before a court of law.

(3) Disputes that fall under an insurance carrier's own arbitration program, which has been granted an exemption pursuant to subsection (i) of this section.

(k) Arbitration under this section of disputes that are subject to arbitration pursuant to § 332 of this title, or resolution pursuant to § 6416 et seq. of this title, shall be stayed during the pendency of those proceedings. If a decision is entered under § 332 of this title or § 6416 et seq. of this title regarding an issue identical to one for which arbitration is sought under this section, and no appeal is pending, the decision entered under § 332 of this title or § 6416 et seq. of this title shall govern the outcome of the arbitration sought under this section.

(l) Health-care providers shall attempt to resolve disputes informally with insurance carriers before requesting arbitration pursuant to this section. The arbitrator may dismiss an arbitration petition without prejudice if the arbitrator finds that the health-care provider has not attempted to resolve the matter informally.

(m) Nothing in this section shall be construed to permit the alteration, amendment or modification of the substantive reimbursement terms of the insurance carrier's contracts with its members or health-care providers.

(n) This section shall be construed in a manner consistent with federal law and regulations.

(o) Arbitrations conducted pursuant to this section shall be subject to the provisions of §§ 10122 and 10125 of Title 29, provided that arbitrations shall not be conducted in public. Except as otherwise provided in this subsection, arbitration proceedings shall not be considered case decisions under Chapter 101 of Title 29.

The Commissioner shall be notified prior to any transfer of surplus funds from 1 fund year to another.

(c) If the group fails to assess its members or to otherwise make up such deficit within 30 days, the Commissioner may order it to do so.

(d) If the group fails to make the required assessment of its members within 30 days after the Commissioner orders it do so, or if the deficiency is not fully made up within 60 days after the date on which the assessment is made or within such longer period of time as may be specified by the Commissioner, the group shall be deemed to be insolvent or impaired.

(e) Notwithstanding subsections (a) through (d) of this section, the Commissioner may at any time proceed against an insolvent group in the same manner as the Commissioner would proceed against an insolvent or impaired domestic insurer in this State as prescribed in Chapter 59 of this title. The Commissioner shall have the same powers and limitations in such proceedings as are provided under those laws.

(f) In the event of delinquency proceedings against a group, the Commissioner may levy an assessment upon its members for such an amount as the Commissioner determines to be necessary to discharge all liabilities of the group, including the reasonable cost of liquidation or rehabilitation.

(70 Del. Laws, c. 540, § 1.)

§ 420. Guaranty mechanism.

In the event of a liquidation pursuant to § 419 of this title, after exhausting the security required pursuant to § 404(b)(2) of this title, the Commissioner may levy an assessment against all groups to assure prompt payment of benefits. The assessment on each group shall be based on the proportion that the premium of each group bears to the total premium of all groups. The Commissioner may exempt a group from assessment upon finding that the payment of the assessment would render the group insolvent. The assessment shall not relieve any member of an insolvent group of its joint and several liability. After an assessment is made, the Commissioner shall take action to enforce the joint and several liability provisions of the insolvent group's indemnity agreement, and shall recoup:

- (1) All costs incurred by the Commissioner in enforcing such joint and several liability provisions;
- (2) Amounts that the Commissioner assessed any other groups pursuant to this section; and
- (3) Any obligations included within § 419(f) of this title.

(70 Del. Laws, c. 540, § 1.)

§ 421. Monetary penalties.

After notice and opportunity for a hearing, the Commissioner may impose a monetary penalty on any person or group found to be in violation of any provision of this chapter or title or of any rules or regulations pursuant to § 329 of this title and Chapter 101 of Title 29. The amount of any monetary penalty shall be paid to the Commissioner for the use of the State.

(70 Del. Laws, c. 540, § 1.)

§ 422. Cease and desist orders.

(a) After notice and opportunity for a hearing, unless there are exigent circumstances, the Commissioner may issue an order requiring a person or group to cease and desist from engaging in an act or practice found to be in violation of any provision of this chapter or title or of any rules or regulations promulgated thereunder. Unless there are exigent circumstances, a minimum of 10 days' notice will be provided prior to a hearing. If exigent circumstances are present, the person or group will be offered a hearing within 10 days after the issuance of the order.

(b) Upon a finding, after notice and opportunity for a hearing, that any person or group has violated any cease and desist order, the Commissioner may do any or all of the following:

- (1) Impose a monetary penalty of not more than \$15,000, in the case of an individual, or not more than \$50,000, in the case of a group or corporation, for each and every act or violation of the order; or
- (2) Revoke or suspend the group's certificate of authority or any insurance license held by the person; or
- (3) Place the group or person under supervision; or
- (4) Permanently enjoin the conduct or enter any remedial order.

(70 Del. Laws, c. 540, § 1.)

§ 423. Revocation of certificate of authority.

(a) After notice and opportunity for a hearing, the Commissioner may revoke or suspend a group's certificate of authority if it:

- (1) Is found to be insolvent or impaired;
- (2) Fails to pay any premium tax, regulatory fee or assessment or special fund contribution imposed upon it; or
- (3) Fails to comply with any of the provisions of this chapter and title or with any rules promulgated thereunder or with any lawful order of the Commissioner within the time prescribed.

(b) In addition, the Commissioner may revoke or suspend a group's certificate of authority if, after notice and opportunity for hearing, the Commissioner finds that:

- (1) Any certificate of authority that was issued to the group was obtained by fraud;
- (2) There was a material misrepresentation in the application for the certificate of authority; or
- (3) The group or its administrator has misappropriated, converted, illegally withheld or refused to pay over upon proper demand any moneys that belong to a member, an employee of a member or a person otherwise entitled thereto and that have been entrusted to the group or its administrator in its fiduciary capacities.

(70 Del. Laws, c. 540, § 1.)

§ 424. Notice and hearings.

All notices and hearings shall be as provided in Chapter 3 of this title and Chapter 101 of Title 29.

(70 Del. Laws, c. 540, § 1.)

§ 425. Rules and regulations.

The Commissioner shall have power to make rules and regulations in order to implement this chapter.

(70 Del. Laws, c. 540, § 1.)

§ 502. “Mutual” insurer defined.

A “mutual” insurer is an incorporated insurer without capital stock and the governing body of which is elected by its policyholders. This definition shall not be deemed to exclude as “mutual” insurers certain foreign insurers found by the Commissioner to be organized on the mutual plan under the laws of their states of domicile but having temporary share capital or providing for election of the insurer’s governing body on a reasonable basis.

§ 503. “Reciprocal” insurer defined.

§ 504. “Charter” defined.

“Charter” means certificate of incorporation, articles of incorporation, articles of agreement, articles of association, charter granted by legislative act or other basic constituent document of a corporation or the power of attorney of the attorney-in-fact of a reciprocal insurer.

(b) No insurer formed under the laws of this State and no insurer from offices or with personnel or facilities located in this State shall solicit insurance applications or otherwise transact insurance in another state or country unless it holds a subsisting certificate of authority granted to it by the Commissioner authorizing it to transact the same kind or kinds of insurance in this State.

(c) Any wilful violation of this section by a domestic corporation shall constitute misuse of its corporate powers, and the Attorney General shall proceed for the forfeiture of its charter under § 284 of Title 8.

(d) Notwithstanding any other provision of law, and except as provided herein, any person or other entity which provides coverage in this State for medical, surgical, chiropractic, physical therapy, speech pathology, audiology, professional mental health, dental, hospital or optometric expenses, whether such coverage is by direct payment, reimbursement or otherwise, shall be presumed to be subject to the jurisdiction and authority of the Commissioner unless the person or other entity shows that while providing such services it is subject to the jurisdiction of another agency of this or another state, any subdivisions thereof, or the federal government. The jurisdiction and authority of the Commissioner shall be governed by the following provisions:

(1) A person or entity may show that it is subject to the jurisdiction of another agency of this or another state, any subdivision thereof, or the federal government by providing the Commissioner the appropriate certificate, license or other document issued by the other governmental agency which permits or qualifies it to provide those services.

(2) Any person or entity which is unable to show that it is subject to the jurisdiction of another agency of this or another state, any subdivision thereof or the federal government shall submit to an examination by the Commissioner to determine the organization and solvency of the person or the entity, and to determine whether or not such person or entity is in compliance with the applicable provisions of this Code.

(3) Any person or entity unable to show that it is subject to the jurisdiction of another agency of this or another state, any subdivision thereof or the federal government shall be subject to all appropriate provisions of this Code regarding the conduct of its business.

(4) Any production agency or administrator which advertises, sells, transacts or administers coverage in this State, described in this subsection, which is provided by any person or entity described in paragraph (d)(2) of this section shall, if that coverage is not fully insured or otherwise fully covered by an admitted life or disability insurer, nonprofit hospital service plan or nonprofit health-care plan,

advise any purchaser, prospective purchaser and covered person of such lack of insurance or other coverage.

(5) Any administrator which advertises or administers coverage in this State, described in this subsection, which is provided by any person or entity described in paragraph (d)(2) of this section, shall advise any production agency of the elements of the coverage including the amount of "stop-loss" insurance in effect.

§ 507. General eligibility for certificate of authority.

To qualify for and hold authority to transact insurance in this State, an insurer must be otherwise in compliance with this title and with its charter powers and must be an incorporated stock or mutual insurer or a reciprocal insurer of the same general type as may be formed as a domestic insurer under this title, except that:

(1) No foreign insurer shall be authorized to transact insurance in this State which does not maintain reserves as required by Chapter 11 (Assets and Liabilities) of this title, as applicable to the kind or kinds of insurance transacted by such insurer wherever transacted in the United States, or which transacts business anywhere in the United States on the assessment plan or stipulated premium plan or any similar plan;

Membership in a mutual insurer or subscribership in a reciprocal insurer or ownership of stock of an insurer by the alien property custodian or similar official of the United States or ownership of stock or other security which does not have voting rights with respect to the management of the insurer or supervision of an insurer by public authority shall not be deemed to be an ownership or control of the insurer for the purposes of this provision.

(b) The Commissioner shall not grant or continue authority to transact insurance in this State as to any insurer or proposed insurer the management of which is found by the commissioner after investigation or upon reliable information to be incompetent or dishonest or untrustworthy or of unfavorable business repute or so lacking in insurance company managerial experience in operations of the kind proposed in this State as to make such operation, currently or prospectively, hazardous to or contrary to the best interests of, the insurance-buying or investing public of this State, or which the commissioner has good reason to believe is affiliated directly or indirectly through ownership, control, reinsurance transactions or other business relations with any person or persons of unfavorable business repute or whose business operations are or have been marked, to the injury of insurers, stockholders, policyholders, creditors, or the public, by illegality, or by manipulation of assets or of accounts or of reinsurance or by bad faith.

intention with the Commissioner, unless the written consent to the use of such name or deceptively similar name has been given by such foreign insurer.

(d) No foreign insurer seeking admission to this State shall be authorized to transact insurance which has or uses a name the same as or deceptively similar to that of a domestic corporation which has been incorporated as an insurer but has not yet secured a certificate of authority until an expiration of 3 years from date of incorporation of such domestic corporation and of filing with the Commissioner a written notice of intent to use such name.

(e) No insurer shall be so authorized which has or uses a name which tends to deceive or mislead as to the type of organization of the insurer.

(f) In case of conflict of names between 2 insurers or a conflict otherwise prohibited under this section, the Commissioner may permit (or shall require as a condition to the issuance of an original certificate of authority to an applicant insurer) the insurer to use in this State such supplementation or modification of its name or such business name as may reasonably be necessary to avoid the conflict.

(g) Except as provided in subsection (f) above, an insurer shall conduct its business in this State in its own corporate (if incorporated) or proper (if reciprocal insurer) name.

In making any such determination the Commissioner shall give due consideration to any applicable standards approved or adopted by the National Association of Insurance Commissioners and to the desirability of substantial uniformity as to such requirements among the respective states.

(b) Capital and surplus requirements are based upon all the kinds of insurance transacted by the insurer in any and all areas in which it operates or proposes to operate, whether or not only a portion of such kinds is to be transacted in this State.

The Commissioner shall accept the certificate in proper form of the public official having supervision over insurers in any other state to the effect that such deposit or part thereof by such insurer is being maintained in public custody or control pursuant to law in such state. Upon any insurer's inability to pay workers' compensation claims as a result of a court of competent jurisdiction finding of financial impairment or insolvency, which prevents the regular payment of workers' compensation benefits, this deposit shall be immediately available upon their request to the Delaware Insurance Guaranty Association for continuation of claims benefits to eligible workers.

(d) The Commissioner shall not authorize a domestic title insurer to transact insurance unless it makes and thereafter continuously maintains on deposit in this State through the Commissioner cash or securities eligible for such deposit under § 1503 of this title of a fair market value not less than \$25,000 for the protection of its policyholders in this State.

The deposit shall be held in trust for the benefit and security of all the insurer's policyholders and creditors in the United States or of all the insurer's policyholders in the United States.

The Commissioner shall act upon an application for certificate of authority within a reasonable period after its completion.

(b) The Commissioner shall issue certificates of authority under his or her seal of office, showing the date of actual issuance, the kinds of insurance the insurer is authorized to transact in this State, and such other matters as the Commissioner deems necessary. At the insurer's request, the Commissioner may issue a certificate of authority limited to particular types of insurance or coverages within a kind of insurance as defined in Chapter 9 of this title.

(c) Although issued and delivered to the insurer, the certificate of authority at all times shall be the property of the State. Upon any expiration, suspension or termination thereof the insurer shall promptly deliver the certificate to the Commissioner.

(18 Del. C. 1953, § 516; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

(a) The certificate of authority confers upon the insurer authority to transact in this State only the kind or kinds of insurance therein specified. No surety insurer shall be deemed thereby to possess power to act in capacity of executor, administrator, guardian, trustee, receiver, assignee, or agent, or in any other capacity than that of surety, notwithstanding contrary provisions in its charter.

(b) An insurer's valid and subsisting certificate of authority shall be prima facie evidence of its right to transact in this State the kind or kinds of insurance specified therein.

(1) Payment on or before March 1 of the continuation fee provided in § 701 (fee schedule) of this title;

(2) Due filing by the insurer of its annual statement for the next preceding calendar year as required by § 526 of this title; and

(3) Payment by the insurer of premium taxes with respect to the preceding calendar year.

(b) If not so continued by the insurer, its certificate of authority shall expire as of midnight on the May 31 next following such failure of the insurer to continue it in force, unless earlier revoked for failure to pay taxes as provided in § 519 of this title. The Commissioner shall promptly notify the insurer of the occurrence of any failure resulting in impending expiration of its certificate of authority.

(c) The Commissioner may, in his or her discretion, upon the insurer's request made within 3 months after expiration, reinstate a certificate of authority which the insurer has inadvertently permitted to expire after the insurer has fully cured all its failures which resulted in the expiration, and upon payment by the insurer of the fee for reinstatement specified in § 701(1) (fee schedule) of this title. Otherwise the insurer shall be granted another certificate of authority only after filing application therefor and meeting all other requirements as for an original certificate of authority in this State.

(a) The Commissioner shall refuse to continue or shall suspend or revoke an insurer's certificate of authority:

- (1) If such action is required by any provision of this title;
- (2) If a foreign insurer and it no longer meets the requirements for a certificate of authority, on account of deficiency of assets or otherwise;
- (3) If a domestic insurer and it has failed to cure an impairment of capital or surplus within the time allowed therefor by the Commissioner under this title, or is otherwise no longer qualified for the certificate of authority;
- (4) If the insurer's certificate of authority to transact insurance therein is suspended or revoked by its state of domicile, or state of entry into the United States (if an alien insurer); or
- (5) For failure of the insurer to pay taxes on its premiums as required by the laws of this State.

(b) Except in case of insolvency or impairment of required capital or surplus, or suspension or revocation by another state as referred to in paragraph (a)(4) of this section above, the Commissioner shall give the insurer at least 10 days notice in advance of any such refusal, suspension or revocation under this section, and of the particulars of the reasons therefor. If the insurer requests a hearing thereon within such 10 days, such request shall automatically stay the Commissioner's proposed action until his or her order is made on such hearing.

(18 Del. C. 1953, § 519; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 520. Suspension or revocation of certificate of authority — Discretionary and special grounds.

(a) The Commissioner may, in his or her discretion, refuse to continue or may suspend or revoke an insurer's certificate of authority if he or she finds after a hearing thereon, or upon waiver of hearing by the insurer, that the insurer has violated or failed to comply with any lawful order of the Commissioner, or has wilfully violated or wilfully failed to comply with any lawful regulation of the Commissioner, or has violated any provision of this title or any other title of the Delaware Code applicable to insurers other than those for violation of which suspension or revocation is mandatory, or, in lieu of such suspension or revocation, the Commissioner may, in his or her discretion, levy upon the insurer, and the insurer shall pay forthwith, an administrative fine of not over \$5,000.

(b) The Commissioner shall suspend or revoke an insurer's certificate of authority on any of the following grounds, if the Commissioner finds after a hearing thereon that the insurer:

- (1) Is in unsound condition, or is being fraudulently conducted, or is in such condition or using such methods and practices in the conduct of its business as to render its further transaction of insurance in this State currently or prospectively hazardous or injurious to policyholders or to the public;
- (2) With such frequency as to indicate its general business practice in this State, has without just cause failed to pay or delayed payment of claims arising under its policies, whether the claim is in favor of an insured or is in favor of a third person with respect to the liability of an insured to such third person; or, with like frequency, without just cause compels insureds or claimants to accept less than the amount due them or to employ attorneys or to bring suit against the insurer or such an insured to secure full payment or settlement of such claims;
- (3) Refuses to be examined, or if its directors, officers, employees or representatives refuse to submit to examination relative to its affairs, or to produce its accounts, records and files for examination by the Commissioner when required, or refuse to perform any legal obligation relative to the examination;
- (4) Has failed to pay any final judgment rendered against it in this State upon any policy, bond, recognizance or undertaking as issued or guaranteed by it, within 30 days after the judgment became final, or within 30 days after dismissal of an appeal before final determination, whichever date is the later;
- (5) As defined in Chapter 40 of this title, has failed to comply with § 4006 of this title;
- (6) As defined in Chapter 40 of this title, has failed to accept the State's right of recovery and the assignment to the State of any right of an individual or other entity to payment from the party for an item or service for which payment has been made under the state Medicaid Plan;
- (7) As defined in Chapter 40 of this title, has failed to respond to any inquiry by the State regarding a claim for payment for any health-care item or service that is submitted within 3 years of the date of the provision of such health-care item or service;
- (8) As defined in Chapter 40 of this title, has denied a claim submitted by the State on the basis of lack of prior authorization; has denied a claim submitted by the State based solely on the date of submission of the claim, the type or format of the claim, or a failure to present proper documentation at the point-of-sale that is the basis of the claim, if:
 - a. The claim submitted by the State is made within 3 years of the date when the item or service was furnished; and
 - b. Any action by the State to enforce its rights with respect to such claim is commenced within 6 years of the State's submission of such claim.

§ 521. Order and notice of suspension, revocation; effect upon agents' authority.

(a) All suspensions or revocations of or refusals to continue an insurer's certificate of authority shall be, by the Commissioner's order, given to the insurer.

(b) Upon issuance of the order, the Commissioner shall forthwith give notice thereof to the insurer's agents in this State of record in the Department, and shall likewise suspend or revoke the authority of such agents to represent the insurer.

(18 Del. C. 1953, § 521; 56 Del. Laws, c. 380, § 1.)

§ 522. Duration of suspension; insurer's obligations during suspension period; reinstatement.

(a) Suspension of an insurer's certificate of authority shall be for such period as the Commissioner specifies in the order of suspension, but not to exceed 1 year. During the suspension period the Commissioner may rescind or shorten the suspension by his or her further order.

(b) During the suspension period the insurer shall not solicit or write any new business in this State, but shall file its annual statement, pay fees, licenses and taxes as required under this title, and may service its business already in force in this State, as if the certificate of authority had continued in full force.

(c) Upon expiration of the suspension period, if within such period the certificate of authority has not terminated, the insurer's certificate of authority shall automatically reinstate, unless the Commissioner finds that the causes of the suspension, being other than a past event, are continuing, or that the insurer is otherwise not in compliance with the requirements of this title, and of which the Commissioner shall give the insurer notice not less than 30 days in advance of expiration of the suspension period. If not so automatically reinstated, the certificate of authority shall be deemed to have terminated as of the end of the suspension period.

(d) Upon reinstatement of the insurer's certificate of authority, the authority of its agents in this State to represent the insurer shall likewise reinstate. The Commissioner shall promptly notify the insurer and its agents in this State, of record in the Department, of such reinstatement.

(18 Del. C. 1953, § 522; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

(18 Del. C. 1953, § 523; 56 Del. Laws, c. 380, § 1.)

§ 524. Commissioner as process agent for certain insurers.

The appointment shall be made on a form as designated and furnished by the Commissioner, and shall be accompanied by a copy of a resolution of the board of directors or like governing body of the insurer, if an incorporated insurer, showing that those officers who executed the appointment were duly authorized to do so on behalf of the insurer.

(b) The appointment shall be irrevocable, shall bind the insurer and any successor in interest or to the assets or liabilities of the insurer, and shall remain in effect as long as there is in force any contract of the insurer in this State or any obligation of the insurer arising out of its transactions in this State.

(c) Service of such process against a foreign or alien insurer shall be made only by service thereof upon the Commissioner.

(d) Service of such process against a domestic insurer may be made as provided hereunder, or in any other manner provided by law.

§ 526. Annual statement and other required filings.

(a) Each authorized insurer shall annually on or before March 1, or within any reasonable extension of time therefor which the Commissioner for good cause may have granted, file with the Commissioner a full and true statement of its financial condition, transactions and affairs as of December 31 preceding. The statement filing shall be the annual statement form approved by the National Association of Insurance Commissioners (“NAIC”) prepared in accordance with NAIC annual statement requirements and the NAIC accounting practices and procedures manual, except as otherwise prescribed or permitted by this title or by the Commissioner. The statement shall be verified by the oath of the insurer’s president or vice-president, and secretary or actuary, as applicable, or, in the absence of the foregoing, by 2 other principal officers, or, if a reciprocal insurer, by the oath of the attorney-in-fact or its like officers if a corporation.

(b) The statement of an alien insurer shall be verified by its United States manager or other officer duly authorized, and shall relate only to the insurer’s transactions and affairs in the United States, unless the Commissioner requires otherwise. If the Commissioner requires a statement as to such an insurer’s affairs throughout the world, the insurer shall file such statement with the Commissioner as soon as reasonably possible.

(c) The Commissioner may refuse to continue or may suspend or revoke the certificate of authority of any insurer failing to file its annual statement when due.

(d) At time of filing, the insurer shall pay the fee for filing its annual statement as prescribed by § 701 of this title.

(e) Each domestic, foreign and alien insurer who is authorized to transact insurance in this State shall annually on or before March 1 of each year, file with the National Association of Insurance Commissioners a copy of its annual statement blank, along with such additional filings as prescribed by the Commissioner for the preceding year. The information filed with the National Association of Insurance Commissioners shall be in the same format and scope as that required by the Commissioner and shall include the signed jurat page and the actuarial certification. Any amendments and addendums to the annual statement filing subsequently filed with the Commissioner shall also be filed with the NAIC. Foreign insurers that are domiciled in a state which has a law substantially similar to this subsection shall be deemed in compliance with this section.

(f) In the absence of actual malice, members of the NAIC, their duly authorized committees, subcommittees and task forces, their delegates, NAIC employees and all others charged with the responsibility of collecting, reviewing and analyzing and disseminating the information developed from the filing of the annual statement convention blanks shall be acting as agents of the Commissioner under the authority of this section and shall not be subject to civil liability for libel, slander or any other cause of action by virtue of their collection review, and analysis or dissemination of the data and information collected from the filings required hereunder. (4) In addition to the annual and quarterly filings required by this section, the Commissioner has the authority, in the discretion of the Department, to prescribe additional filings by authorized insurers as necessary for the Department to monitor the ongoing financial condition of authorized insurers.

(5) The Commissioner may refuse to continue or may suspend or revoke the certificate of authority of any insurer that fails to file any statements or reports required under this subsection.

(h) The annual and quarterly financial statement filings required by this section must be submitted electronically through the NAIC in a format acceptable to the NAIC. All other filings required by this section must be in the form prescribed by the Commissioner.

§ 529. Cancellation of insurance agency contracts; arbitration.

(a) Every insurance company shall notify the Insurance Commissioner or the Commissioner’s successor and the agency involved of the intent to cancel any written or verbal agency contract, except life insurance contracts, 30 days prior to issuance of the notice of cancellation.

(b) No insurance company may cancel an agency without giving 12 months notice, except where fraud exists or where an agency is more than 60 days in arrears of money owed to the insurance company in question. This notice shall be in writing and, upon the option of the company, may prohibit the agency from writing any new business for this particular company, but will allow the agency to renew all existing business in this 12-month period and will allow the agency to have binding authority to make endorsements or other changes to existing business and will provide for the same rate of commission for the 12-month period.

(c) The Insurance Commissioner shall appoint an arbitration board to arbitrate the cancellation of agency contracts. This board shall consist of 3 arbitrators, 1 of whom shall be from the Insurance Department, and 2 of whom shall be from the insurance industry.

(d) The purpose of this board is to determine whether an agency cancellation will adversely affect the public interest. If such a determination is made, the board shall prescribe a method of cancellation to be followed by both parties. The decision of the board of arbitration shall be binding upon the company and agency involved.

(e) (1) This subsection shall not apply in an instance where such company:

- a. Employs an agent directly; or
- b. Has an exclusive business arrangement with an agent.

(2) Notwithstanding any other provision of this section, a company may not cancel the contract of an independent agent for property and casualty insurance solely because of adverse underwriting experience in the line of private passenger insurance to the extent losses incurred by the insurer were not the fault of the insured.

(3) This subsection does not apply to adverse underwriting experience on losses incurred by the company on:

- a. Bodily injury coverage;
- b. Property damage coverage;
- c. Collision coverage; or
- d. To the extent that the losses incurred by the insurer were the fault of the insured, personal injury protection coverage and comprehensive coverage.

§ 530. Emergency requirements.

Whenever in the Commissioner's opinion a public emergency exists by reason of an abnormal disruption of economic and financial processes which affects the conduct of the business of insurance in a normal and ordinary manner, the Commissioner, with the concurrence of the Governor and the General Assembly, may declare the existence of a public emergency. During such emergency the Commissioner may make, alter, amend, revise and rescind rules and regulations, imposing any condition upon the conduct of the business of any insurer which may be necessary or desirable to maintain sound methods of insurance and to safeguard the interests of policyholders, beneficiaries and the public generally during the period of such emergency, which rules and regulations shall become inoperative when such emergency ceases, and an order to that effect shall be made by the Commissioner.

(18 Del. C. 1953, § 530; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 531. Emergency powers to regulate liability insurance cancellations and nonrenewals.

(a) (1) Whenever the Insurance Commissioner in his or her discretion finds that an abnormal disruption has occurred or is occurring in the liability insurance market, which has created or will create a situation where the availability of commercial, municipal or professional liability insurance is affected and such disruption will affect the normal transaction of business in this State, as to mid-term cancellations, or affect the health, safety and welfare of Delaware citizens as to nonrenewals, the Commissioner may promulgate regulations regarding cancellations and nonrenewals to safeguard the interests of policyholders and the public generally.

(2) When the Commissioner has reasonable cause to believe that a specific line of commercial, municipal or professional liability insurance is unavailable and that such unavailability is a threat to the public health, safety and welfare, he or she may declare such line to be "critical" and immediately suspend and enjoin any proposed nonrenewal of coverage of policies of insurance relating to such line and extend policy renewal dates pending a hearing. Within 30 days thereafter, the Commissioner shall hold a public hearing in accordance with procedures mandated by the Administrative Procedures Act [Chapter 101 of Title 29]. The Commissioner shall serve upon known affected insurers and any other persons involved a copy of such notice, including an order to extend the date of policy terminations pending the public hearing.

(3) Within 15 days after the public hearing the Commissioner shall find whether or not the specific line is in fact "critical." The Commissioner may find that the specific line is "critical" if he or she finds both that:

- a. The type of coverage is generally unavailable in Delaware at any price reasonably related to the risk assumed; and
- b. The unavailability of this type of coverage constitutes a threat to the public health, safety and welfare.

(4) If the Commissioner finds that paragraphs (a)(3)a. and b. of this section are present, he or she may declare the line of coverage is "critical." Such declaration shall be effective for 90 days from the date when first declared critical under paragraph (a)(2) of this section.

(b) Such regulation shall apply to commercial liability insurance policies, other than automobile, but including commercial multi-peril insurance policies and municipal or professional liability coverages. It does not apply to reinsurance, excess and surplus lines insurance, residual market risks, workers' compensation insurance, multi-state location risks, policies subject to retrospective rating plans, excess or umbrella policies and such other policies that are exempted by the Commissioner.

(c) Such regulation shall provide that no cancellation or nonrenewal of a policy under this section shall be effective in this State unless such cancellation or nonrenewal is based upon any 1 of the following reasons:

- (1) Nonpayment of premium;
- (2) Material misrepresentation or nondisclosure to the company of a material fact at the time of acceptance of the risk;
- (3) Increased hazard or material change in the risk assumed which could not have been reasonably contemplated by the parties at the time of assumption of the risk;
- (4) Substantial breaches of contractual duties, conditions or warranties that materially affect the nature and/or insurability of the risk;
- (5) Fraudulent acts against the company by the insured or its representatives that materially affect the nature of the risk insured;
- (6) Lack of cooperation from the insured on loss control matters affecting insurability of the risk;
- (7) Bona fide loss of or substantial changes in applicable reinsurance. The insurer shall give 60 days' notice to the Insurance Commissioner and the insured under this section and shall supply such information at that time as the Insurance Commissioner shall require;
- (8) Material increase in exposure arising out of changes in statutory or case law subsequent to the issuance of the insurance contract;
- (9) Bona fide loss of or reduction in available insurance capacity. The insurer shall give 60 days' notice to the Insurance Commissioner and the insured under this section and shall supply such information at that time as the Insurance Commissioner shall require;
- (10) Any other reasons approved by the Commissioner.

(d) This section shall not apply to an insurer issuing a notice of cancellation with respect to any policy which has been in effect for less than 60 days at the time the notice is mailed or delivered.

(e) A notice of cancellation or nonrenewal of insurance coverage by insurer shall be in writing, shall be mailed or delivered to the first named insured at the mailing address as shown on the policy. Notices of cancellation or nonrenewal shall be mailed or delivered at least 60 days but no more than 120 days prior to the effective date of the cancellation or nonrenewal. Notices of cancellation based upon nonpayment of premium shall be mailed or delivered at least 10 days prior to the effective date of cancellation. The notice shall state the effective date of the cancellation.

(f) The insurer shall provide the first named insured with a written statement setting forth the reasons for cancellation or nonrenewal where the named insured agrees in writing to hold the insurer harmless from liability for any communication giving notice of or specifying a reason for a cancellation or nonrenewal, or for any statement made in connection with an attempt to discover or verify the existence of conditions which would be a reason for a cancellation or nonrenewal under this section.

(g) For purposes of this section, the transfer of a policyholder between companies within the same insurance group is not a refusal to renew. In addition, changing deductibles, changes in premium, changes in the amount of insurance or reductions in policy limits or coverage are not refusals to renew, if such changes are reasonably related to the risk involved.

(h) Notice of nonrenewal is not required if:

- (1) The insurer has offered to issue a renewal policy; or
- (2) A named insured has obtained replacement coverage or has agreed in writing to obtain replacement coverage.

(i) Any cancellation or nonrenewal not in compliance with the notice provision of this section is not effective until proper notice is given.

(j) No policy of commercial, municipal or professional liability insurance subject to this section shall be extended beyond its termination date for a period of more than 90 days. The premium on such policies may reflect any change in rates approved by the Insurance Commissioner.

(k) Rate filings for any line or class affected by this section shall be approved or disapproved within 30 days of their filing.

(l) In addition to these provisions, the Commissioner may implement a market assistance plan providing for a voluntary group of insurers in order to aid insureds in obtaining commercial insurance coverages specified therein.

(65 Del. Laws, c. 264, § 2; 70 Del. Laws, c. 186, § 1.)

§ 532. Retaliatory provision.

(a) When by or pursuant to the laws of any other state or foreign country or province any taxes, licenses and other fees, in the aggregate, and any fines, penalties, deposit requirements or other material requirements, obligations, prohibitions or restrictions are or would be imposed upon Delaware insurers doing business or that might seek to do business in such state, country or province, or upon the agents or representatives of such insurers, or upon brokers, which are in excess of such taxes, licenses and other fees, in the aggregate, or which are in excess of the fines, penalties, deposit requirements or other requirements, obligations, prohibitions or restrictions directly imposed upon similar insurers, or upon the agents or representatives of such insurers, or upon brokers, of such other state, country or province under the statutes of this State, so long as such laws of such other state, country or province continue in force or are so applied, the same taxes, licenses and other fees, in the aggregate, or fines, penalties or deposit requirements or other material requirements, obligations, prohibitions or restrictions of whatever kind shall be imposed by the Commissioner upon the insurers, or upon the agents or representatives of such insurers, or upon brokers, of such other state, country or province doing business or seeking to do business in Delaware. Any tax, license or other fee or other obligation imposed by any city, county or other political subdivision or agency of such other state, country or province on Delaware insurers or their agents or representatives shall be deemed to be imposed by such state, country or province within the meaning

of this section.

(b) This section shall not apply as to personal income taxes, or as to ad valorem taxes on real or personal property, or as to special purpose obligations or assessments imposed by another state in connection with particular kinds of insurance other than property insurance, or as to guaranty association assessments or tax credits for such assessments, except that deductions, from premium taxes or other taxes otherwise payable, allowed on account of real estate or personal property taxes paid shall be taken into consideration by the Commissioner in determining the propriety and extent of retaliatory action under this section.

(c) For the purposes of this section the domicile of an alien insurer, other than insurers formed under the laws of Canada or a province thereof, shall be that state designated by the insurer in writing filed with the Commissioner at time of admission to this State or within 6 months after November 1, 1968, whichever date is the later, and may be any 1 of the following states:

- (1) That in which the insurer was first authorized to transact insurance;
- (2) That in which is located the insurer's principal place of business in the United States;
- (3) That in which is held the largest deposit of trustee assets of the insurer for the protection of its policyholders in the United States.

If the insurer makes no such designation, its domicile shall be deemed to be that state in which is located its principal place of business in the United States.

(d) The domicile of an insurer formed under the laws of Canada or a province thereof shall be as provided in § 102 of this title.

(18 Del. C. 1953, § 531; 56 Del. Laws, c. 380, § 1; 65 Del. Laws, c. 264, § 1; 73 Del. Laws, c. 178, § 1.)

§ 533. Immunity from liability for reporting fraudulent practices.

Repealed by 69 Del. Laws, c. 463, § 3, effective July 22, 1994.

(b) The Commissioner shall, by regulation promulgated after consultation with the Bank Commissioner, define the term "headquarters of day-to-day corporate activity and management," and provide for the maintenance and inspection of such headquarters and books and records to assure compliance with the provisions of §§ 929, 930 and 931 of Title 5, and § 2304(23) of this title.

(67 Del. Laws, c. 223, § 20.)

§ 535. Nondisclosure of nonpublic personal information; adoption of regulations.

No person regulated pursuant to this title shall disclose any nonpublic personal information contrary to the provisions of Title V of the Gramm Leach Bliley Act of 1999 (Public Law 106-002; [15 U.S.C. § 6801 et seq.]). The Commissioner may adopt rules and regulations necessary to carry out this section. Such rules and regulations shall be consistent with the provisions of Title V of the Gramm Leach Bliley Act of 1999. Nothing in this section shall be construed to create a private cause of action.

(2) To submit to an examination of the insurer’s affairs at its or its United States manager’s principal office within the United States. However, the Commissioner may instead accept a report of the insurance supervisory official of the insurer’s home jurisdiction.

(80 Del. Laws, c. 159, § 1.)

§ 563. Maintenance of trust account.

The assets in the trust account shall be known as “trusteed assets” and shall at all times be in an amount equal to the U.S. branch’s reserves and other liabilities plus the minimum capital and surplus or authorized control level risk based capital, whichever is greater, required to be maintained by a domestic insurer licensed to do the same kind or kinds of insurance.

(80 Del. Laws, c. 159, § 1.)

§ 564. Requirements for trust agreement.

(a) The deed of trust and all amendments thereto shall be authenticated in such form and manner as the Commissioner may prescribe and shall not be effective unless approved by the Commissioner upon a finding that:

(1) A deed of trust and its amendments, if any, are sufficient in form and in conformity with law;

(2) The trustee or trustees are eligible as such; and

(3) The deed of trust is adequate to protect the interests of the beneficiaries of the trust.

(b) If at any time the Commissioner finds, after reasonable notice and hearing, that the requisites for the approval no longer exist, the Commissioner may withdraw approval.

(c) The Commissioner may from time to time approve amendments to the deed of trust, which in the Commissioner’s judgment are not prejudicial to the interests of the people of this State or the United States policyholders, cedents and creditors of the U.S. branch.

(d) The deed of trust shall contain provisions which:

- (1) Vest legal title to trustee assets in the trustees, and their successors lawfully appointed;
 - (2) Require that all assets deposited in the trust shall be continuously kept within the United States;
 - (3) Require that all assets deposited in the trust shall be available to the Commissioner upon the issuance of a court order for all the uses set forth in Chapter 59 of this title.
 - (4) Provide for substitution of a new trustee or trustees in case of a vacancy by death, resignation or otherwise, subject to the approval of the Commissioner;
 - (5) Require that the trustee or trustees shall continuously maintain a record at all times sufficient to identify the assets of such fund;
 - (6) Require that the trustee assets shall consist of cash or investments eligible for investment of the funds of domestic insurers and accrued interest thereon if collectable by the trustee;
 - (7) Require that the trust shall be for the exclusive benefit, security and protection of the policyholders and cedents, or policyholders, cedents and creditors, of the U.S. branch in the United States and that it shall be maintained as long as there is outstanding any liability of the non-U.S. insurer arising out of its insurance transactions in the United States; and
 - (8) Provide, in substance, that no withdrawals of assets, other than income as specified in subsection (e) of this section shall be made or permitted by the trustee or trustees without the approval of the Commissioner except to:
 - a. Make deposits required by law in any state for the security or benefit of all policyholders or cedents, or policyholders, cedents and creditors, of the U.S. branch in the United States;
 - b. Substitute other assets permitted by law and at least equal in value and quality to those withdrawn, upon the specific written direction of the United States manager of the U.S. branch when duly empowered and acting pursuant to either general or specific written authority previously given or delegated by the board of directors; or
 - c. Transfer such assets to an official liquidator or rehabilitator of the U.S. branch pursuant to an order of a court of competent jurisdiction.
 - (e) The deed of trust may provide that income, earnings, dividends or interest accumulations of the assets of the fund may be paid over to the United States manager of the U.S. branch upon request, provided that the total trustee assets shall not thereby be less than the amount required to be maintained pursuant to § 563 of this title.
 - (f) Upon withdrawal of trustee assets deposited in another state in which the insurer is authorized to do business, it shall be sufficient if the deed of trust requires similar written approval of the insurance supervising official of that state in lieu of approval of the Commissioner provided that the total trustee assets shall not thereby be less than the amount required to be maintained pursuant to § 563 of this title. In all such cases the U.S. branch shall notify the Commissioner in writing of the nature and extent of the withdrawal.
 - (g) The Commissioner may from time to time:
 - (1) Make examinations of the trustee assets of any authorized U.S. branch at the insurer's expense; and
 - (2) Require the trustee or trustees to file a statement, in such form as the Commissioner may prescribe, certifying the assets of the trust fund and the amounts thereof.
 - (h) Refusal or neglect of any trustee to comply with the foregoing requirements shall be grounds for the revocation of the insurer's license or the liquidation of its U.S. branch.
- (80 Del. Laws, c. 159, § 1.)

§ 565. Reporting requirements for U.S. branches of non-U.S. insurers.

- (a) In addition to other requirements of this chapter, every authorized U.S. branch shall, not later than the March 1 in each year and 45 days after the end of each of the first 3 calendar-year quarters, file with the Commissioner and with the National Association of Insurance Commissioners (NAIC):
- (1) Annual and quarterly statements of the business transacted within the U.S. and the assets held by or for it within the U.S. for the protection of policyholders and creditors within the U.S., and of the liabilities incurred against such assets. The forms shall not contain any statement in regard to its assets and business elsewhere. The statements shall be in the same format required of an insurer domiciled in the U.S. branch's state of entry state and licensed to write the same kinds of insurance; and
 - (2) A statement of trustee surplus, in such form as the Commissioner may prescribe, as of the end of the same period covered by the statement filed pursuant to paragraph (a)(1) of this section. The aggregate value of the insurer's general state deposits and trustee assets deposited with a trustee in compliance with § 564 of this title, plus accrued investment income thereon where such interest is collected by the states for trustees, less the aggregate net amount of all of its reserves and other liabilities in the United States as determined in accordance with this section shall be known as its "trustee surplus" in the United States. In determining the net amount of the U.S. branch's liabilities in the United States to be reported in the statement of trustee surplus, the U.S. branch shall make adjustments to total liabilities reported on the accompanying annual or quarterly statement as follows:
 - a. Add back liabilities used to offset admitted assets reported in the accompanying quarterly or annual statement; and
 - b. Deduct:
 1. Unearned premiums on agent's balances or uncollected premiums not more than 90 days past due;
 2. Reinsurance on losses with authorized insurers, less unpaid reinsurance premiums;
 3. Reinsurance recoverables on paid losses from unauthorized insurers that are included as an asset in the annual statement, but only to the extent a liability for such unauthorized recoverables is included in the liabilities report in the trustee surplus statement;

4. Special state deposits held for the exclusive benefit of policyholders, or policyholders and creditors, of any particular state not exceeding net liabilities reports for that state;
5. Secured accrued retrospective premiums;
6. If a life insurer:

- A. The amount of its policy loans to policyholders within the United States, not exceeding the amount of legal reserve required on each such policy; and

- B. The net amount of uncollected and deferred premiums; and

7. Any other nontrusted asset which the Commissioner determines secures liabilities in a substantially similar manner; and

(3) Any additional information that the Commissioner may require relating to the total business or assets, or any portion thereof, of the non-U.S. insurer.

(b) The annual statement and trusted surplus statement shall be signed and verified by the United States manager, attorney-in-fact, or a duly empowered assistant United States manager, of the U.S. branch. The items of securities and other property held under trust deeds shall be certified in the trusted surplus statement by the United States trustee or trustees.

(c) Every report on examination of a U.S. branch shall include a trusted surplus statement as of the date of examination in addition to the general statement of the financial condition of the U.S. branch.

(80 Del. Laws, c. 159, § 1.)

§ 566. Additional requirements for U.S. branch license.

(a) Before issuing any new or renewal license to any U.S. branch, the Commissioner may require satisfactory proof, either in the non-U.S. insurer's charter or by an agreement evidenced by a duly certified resolution of its board of directors, or otherwise as the Commissioner may require, that the insurer will not engage in any insurance business in contravention of the provisions of the section or not authorized by its charter.

(b) The Commissioner shall issue a renewal license to any U.S. branch if satisfied, by such proof as required, that the insurer is not delinquent with respect to any requirement imposed by this chapter and that its continuance in business in this State will not be hazardous or prejudicial to the best interests of the people of this State.

(c) No U.S. branch shall be licensed to do in this State any kind of insurance business, or any combination of kinds of insurance business, which are not permitted to be done by domestic insurers licensed under the provisions of this chapter. No U.S. branch shall be authorized to do an insurance business in this State if it does anywhere within the United States any kind of business other than an insurance business and the business necessarily or properly incidental to the kinds of insurance business which it is authorized to do in this State.

(d) Except as otherwise specifically provided, no U.S. branch, entering through this State or another state, shall be or continue to be authorized to do an insurance business in this State if it fails to comply substantially with any requirement or limitation of this chapter, applicable to similar domestic insurers hereafter organized, which in the judgment of the Commissioner is reasonably necessary to protect the interest of the policyholders.

(e) No U.S. branch which does anywhere within the United States any kind or combination of kinds of insurance business not permitted to be done in this State by similar domestic insurers hereafter organized, shall be or continue to be authorized to do an insurance business in this State, unless in the judgment of the Commissioner the doing of such kind or combination of kinds of insurance business will not be prejudicial to the best interests of the people of this State.

(f) No U.S. branch shall be or continue to be authorized to do an insurance business in this State if it fails to keep full and correct entries of its transactions, which shall at all times be open to the inspection of persons invested by law with the rights of inspection and be maintained in its principal office within this State.

(80 Del. Laws, c. 159, § 1.)

§ 567. Authority of Commissioner.

Whenever it appears to the Commissioner from any annual or quarterly statement or trusted surplus statement or any other report that a U.S. branch's trusted surplus is reduced below minimum capital and surplus or the authorized control level risk based capital, whichever is greater, required to be maintained by a domestic insurer licensed to transact the same kinds of insurance, the Commissioner may proceed against the U.S. branch pursuant to the provisions of Chapter 59 of this title, as an insurer whose condition is such that its further transaction of business in the United States will be hazardous to its policyholders, its creditors or the public in the United States.

§ 702. General premium tax; underwriting profits tax.

(a) Each authorized insurer and each formerly authorized insurer shall file with the Commissioner, on or before March 1 each year a report in form as prescribed by the Commissioner showing, except with respect to wet marine and transportation insurance, gross direct premium income, including policy, membership and other fees, assessments and all other considerations for insurance received by it during the next preceding calendar year on account of insurance contracts, other than as to workers' compensation and employer's liability, covering property, subjects or risks located, resident or to be performed in this State (with proper proportionate allocation of premiums as to such persons, property, subjects or risks in this State insured under policies covering persons, property, subjects or risks located or resident in more than 1 state), after deducting from such total direct premium income (1) the amount of returned premiums on cancelled policies (but not including the return of cash surrender values of life insurance policies) and (2) the unabsorbed portion of any deposit

premium and the amount returned to policyholders as dividends and similar returns, whether paid in cash or credited or applied in reduction of premiums. The report shall be verified by the oath or affirmation of the president or secretary or other responsible officer of the insurer, duly administered by a person authorized to administer oaths. Considerations received for annuity contracts or funding agreements shall not be included in gross direct premium income or be subject to taxes imposed by this section or by § 707 of this title. Any premiums received for employer-owned life insurance policies, as defined in § 2704(e) of this title, and trust-owned life insurance policies, as defined in § 2704(c)(5) of this title, shall be itemized separately in the report, except that separate itemization for a trust-owned life insurance policy shall not be required if the insurer elects to pay tax on premiums received for such policy under paragraph (c)(1) of this section.

(b) For the purpose solely of the tax upon the premiums and at the rate provided under this section, a domestic insurer shall also include in the report provided for in subsection (a) of this section above, except with respect to wet marine and transportation insurance, the gross amount of premiums and other considerations for direct insurance received by it upon insurance business written pursuant to solicitation of business by mail directed to persons located in a state or province of Canada in which the insurer is not admitted to transact insurance with respect to persons, property and subjects or risks resident, located or to be performed in such state or province and on which a premium tax is not paid or surplus line tax is not payable to such state or province and shall deduct therefrom returned premiums, unabsorbed portion of deposit premiums, dividends, and similar returns paid or credited to policyholders as provided in such subsection.

(c) (1) There shall be paid a tax at the rate of 1.75% on net premiums as shown on reports required to be filed under subsection (a) of this section.

(2) In lieu of paragraph (c)(1) of this section, there shall be paid a tax on a graduated basis at the rates set forth in the following table on net premiums per case for employer-owned life insurance policies, as defined in § 2704(e)(3) of this title, and trust-owned life insurance policies, as defined in § 2704(e)(4) of this title, not taxed pursuant to paragraph (c)(3) of this section. For purposes of this paragraph, a "case" is:

a. All contracts issued to an employer, or a trust established by an employer or an individual, as appropriate; or

b. All contracts issued to all employers or trusts that participate in a private placement under federal securities laws and/or purchase with respect to at least 25 lives policies covered by registrations under such laws.

Said tax shall be paid on net premiums and other considerations received on account of insurance contracts issued for delivery in this State, except that no premium tax shall be paid with respect to persons resident or located outside of this State upon whom premium tax is paid to the State of residency or location.

Net Premiums Per Case	Premium Tax Rate
First \$10,000,000	2.0%
\$10,000,001 to \$24,999,999	1.5%
\$25,000,000 to \$99,999,999	1.25%
\$100,000,000 and over	1.0%

The premium tax rate shall be calculated on the basis of net premiums (upon which taxes are payable to this State) received per case in each calendar year, except that in subsequent calendar years the premium tax rate shall not be higher than the rate established for the preceding year. A reduction in the premium tax rate for a subsequent calendar year shall not apply retrospectively to any previous calendar year. The following example illustrates calculation of the tax rates under this section:

Calendar Year	Premiums Per Case	Tax Rate
1995	\$9,000,000	2%
1996	\$20,000,000	2% x \$10,000,000 + 1.5% x \$10,000,000
1997	\$30,000,000	1.5% x \$25,000,000 + 1.25% x \$5,000,000
1998	\$9,000,000	1.25%

The tax imposed by this subsection shall be the only tax imposed by this chapter on employer-owned life insurance policies and trust-owned life insurance policies.

(3) In lieu of paragraphs (c)(1) and (2) of this section, the premium tax rate shall be 2% on the first \$100,000 of net premiums and 0.0% for the net premium exceeding \$100,000 for trust-owned life insurance policies covering the life of an individual that participate in private placement under federal securities laws. Said tax shall be paid on net premiums and other considerations received on account of insurance contracts issued for delivery in this State, except that no premium tax shall be paid with respect to persons resident or located outside of this State upon whom premium tax is paid to the State of residency or location. The premium tax rate shall be calculated on the basis of net premiums (upon which taxes are payable to this State) received per policy in each calendar year. The tax imposed by this paragraph shall be the only tax imposed by this chapter on trust-owned life insurance policies covering the life of an individual that participate in private placement under federal securities laws.

(d) The taxes imposed under this section and §§ 703, 704, 707, 1917 and 6914 of this title shall be payable as follows:

Fifty percent of the estimated tax liability for the current year shall be paid on April 15 of the current year, and the balance of the estimated tax shall be paid in installments as follows: 20% on June 15 of the current taxable year; 20% on September 15 of the current taxable year; 10% on December 15 of the current taxable year; and the remaining balance to be paid on March 1 of the following year.

(e) Tax on wet marine and transportation insurance underwriting profits:

(1) Each authorized insurer and formerly authorized insurer shall, with respect to all wet marine and transportation insurance written

within this State, pay a tax of 5% upon its taxable underwriting profit, ascertained as, hereinafter provided, from such insurance written within this State;

(2) The underwriting profit on such insurance written within this State shall be that proportion of the total underwriting profit of such insurer from such insurance written within the United States which the amount of net premiums of such insurer from such insurance written within this State bears to the amount of net premiums of such insurer from such insurance written within the United States;

(3) The underwriting profit of such insurer on such insurance written within the United States shall be determined by deducting from the net earned premiums on such wet marine and transportation insurance written within the United States during the taxable year, meaning thereby the calendar year next preceding the date on which such tax is due, the following items:

a. Net losses incurred, meaning gross losses incurred during such calendar year under such wet marine and transportation insurance contracts written within the United States, less reinsurance claims collected or collectible and less net salvages or recoveries collected or collectible from any source applicable to the corresponding losses under such contracts;

b. b. In the case of every such insurer other than as specified in paragraph (e)(6)a. of this section, such taxable underwriting profit, if any, shall be the underwriting profit, if any, on such wet marine and transportation insurance business written within this State during the taxable year ascertained as hereinbefore provided; but after such insurer has written such wet marine and transportation insurance business within this State during 3 calendar years, an adjustment shall be made on the 3 year average basis by ascertaining the amount of tax payable in accordance with paragraph (e)(6)a. of this section above, but no refunds of all or any part of such payments shall be made, except as provided in § 707 of this title;

(7) The tax hereinbefore provided shall be paid annually, on or before June 1, by every insurer authorized to do in this State the business of wet marine and transportation insurance during any 1 or more of the next preceding 3 calendar years, and the calendar year next preceding such June 1 shall be deemed the taxable year within the meaning of this section;

Section 2702 of this title and in force immediately prior to November 1, 1968, shall continue to be effective with respect to all taxes due under such section, but this provision shall not be construed as imposing any duplication of taxes for any of such years.

(f) In case of any underpayment of estimated tax required by this section, there shall be added to the tax for the taxable year an amount determined at the rate of 11/2% per month, or fraction thereof, upon the amount of the underpayment for the period of the underpayment.

The period of the underpayment shall run from the date the estimated tax or installment was required to be paid to the date on which actually paid. No penalty for underpayment shall be imposed if the quarterly estimated tax payments equal 100% of the total tax due and paid for the previous tax year.

Subchapter II

Limits of Risk

§ 909. Limits of risk.

(a) No insurer shall retain any risk on any 1 subject of insurance, whether located or to be performed in this State or elsewhere, in an amount exceeding 10% of its surplus to policyholders.

(b) A "subject of insurance" for the purposes of this section, as to insurance against fire and hazards other than windstorm, earthquake and other catastrophic hazards, includes all properties insured by the same insurer which are customarily considered by underwriters to be subject to loss or damage from the same fire or the same occurrence of any other hazard insured against.

(c) Reinsurance ceded as authorized by § 910 of this title shall be deducted in determining risk retained. Except, that as to surety risks reinsurance shall be allowed as a deduction only if such reinsurance is with an insurer authorized to transact such insurance in this State, and is in such form as to enable the obligee or beneficiary to maintain an action thereon against the reinsured jointly with the reinsurer, and upon recovering judgment against the reinsured to have recovery against the reinsurer for payment to the extent in which it may be liable under such reinsurance and in discharge thereof. As to surety risks, deduction shall also be made of the amount assumed by any authorized cosurety and the value of any security deposited, pledged or held subject to the surety's consent and for the surety's protection.

(d) As to alien insurers, this section shall relate only to risks and surplus to policyholders of the insurer's United States branch.

(e) "Surplus to policyholders" for the purposes of this section, in addition to the insurer's capital and surplus, shall be deemed to include any voluntary reserves which are not required pursuant to law, and shall be determined from the last sworn statement of the insurer on file with the Commissioner or by the last report of examination of the insurer, whichever is the more recent at time of assumption of risk.

(f) This section shall not apply to life or health insurance, annuities, title insurance, insurance of wet marine and transportation risks, workers' compensation insurance, employers' liability coverages, nor to any policy or type of coverage as to which the maximum possible loss to the insurer is not readily ascertainable on issuance of the policy.

(g) Limits of risk as to newly formed domestic mutual insurers shall be as provided in § 4905 of this title.

(18 Del. C. 1953, § 910; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

Subchapter III

Reinsurance

§ 910. Reinsurance.

Any authorized insurer may reinsure all or any part of an individual risk or of a particular class of risks in any other insurer or accept such reinsurance from any other insurer. Domestic insurers will be subject to § 4944 of this title with regard to bulk reinsurance.

(18 Del. C. 1953, § 910; 56 Del. Laws, c. 380, § 1; 65 Del. Laws, c. 96, § 1; 68 Del. Laws, c. 58, § 1; 78 Del. Laws, c. 364, § 1.)

§ 911. Credit allowed a domestic ceding insurer.

Credit for reinsurance shall be allowed a domestic ceding insurer as either an asset or a reduction from liability on account of reinsurance ceded only when the reinsurer meets the requirements of paragraph (1), (2), (3), (4), (5), (6) or (7) of this section. Credit shall be allowed under paragraph (1), (2) or (3) of this section only as respects cessions of those kinds or classes of business which the assuming insurer is licensed or otherwise permitted to write or assume in its state of domicile or, in the case of a U.S. branch of an alien assuming insurer, in the state through which it is entered and licensed to transact insurance or reinsurance. Credit shall be allowed under paragraph (3) or (4) of this section only if the applicable requirements of paragraph (8) of this section have been satisfied.

(1) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is licensed to transact insurance or reinsurance in this State.

(2) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is accredited by the Commissioner as a reinsurer in this State. In order to be eligible for accreditation, a reinsurer must:

a. File with the Commissioner evidence of its submission to this State's jurisdiction;

b. Submit to this State's authority to examine its books and records;

c. Be licensed to transact insurance or reinsurance in at least 1 state, or in the case of a U.S. branch of an alien assuming insurer, be entered through and licensed to transact insurance or reinsurance in at least 1 state;

d. File annually with the Commissioner a copy of its annual statement filed with the insurance department of its state of domicile and a copy of its most recent audited financial statement; and

e. Demonstrate to the satisfaction of the Commissioner that it has adequate financial capacity to meet its reinsurance obligations and is otherwise qualified to assume reinsurance from domestic insurers. An assuming insurer is deemed to meet this requirement as of the time of its application if it maintains a surplus as regards policyholders in an amount not less than \$20,000,000 and its accreditation has not been denied by the Commissioner within 90 days after submission of its application.

(3) a. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is domiciled in, or in the case of a U.S. branch of an alien assuming insurer is entered through, a state that employs standards regarding credit for reinsurance substantially similar to those applicable under this statute and the assuming insurer or U.S. branch of an alien assuming insurer:

1. Maintains a surplus as regards policyholders in an amount not less than \$20,000,000; and

2. Submits to the authority of this State to examine its books and records.

b. The requirement of paragraph (3)a.1. of this section does not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system.

(4) a. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that maintains a trust fund in a qualified U.S. financial institution, as defined in § 913(b) of this title, for the payment of the valid claims of its U.S. ceding insurers, their assigns and successors in interest. To enable the Commissioner to determine the sufficiency of the trust fund, the assuming insurer shall report annually to the Commissioner information substantially the same as that required to be reported on the National Association of Insurance Commissioners (NAIC) Annual Statement form by licensed insurers. The assuming insurer shall submit to examination of its books and records by the Commissioner and bear the expense of examination.

b. 1. Credit for reinsurance shall not be granted under this subsection unless the form of the trust and any amendments to the trust have been approved by:

A. The Commissioner of the state where the trust is domiciled; or

B. The Commissioner of another state who, pursuant to the terms of the trust instrument, has accepted principal regulatory oversight of the trust.

2. The form of the trust and any trust amendments also shall be filed with the Commissioner of every state in which the ceding insurer beneficiaries of the trust are domiciled. The trust instrument shall provide that contested claims shall be valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust shall vest legal title to its assets in its trustees for the benefit of the assuming insurer's U.S. ceding insurers, their assigns and successors in interest. The trust and the assuming insurer shall be subject to examination as determined by the Commissioner.

3. The trust shall remain in effect for as long as the assuming insurer has outstanding obligations due under the reinsurance agreements subject to the trust. No later than February 28 of each year the trustee of the trust shall report to the Commissioner in

writing the balance of the trust and listing the trust's investments at the preceding year-end and shall certify the date of termination of the trust, if so planned, or certify that the trust will not expire prior to the following December 31.

c. The following requirements apply to the following categories of assuming insurer:

1. The trust fund for a single assuming insurer shall consist of funds in trust in an amount not less than the assuming insurer's liabilities attributable to reinsurance ceded by U.S. ceding insurers, and, in addition, the assuming insurer shall maintain a trustee surplus of not less than \$20,000,000, except as provided in paragraph (4)c.2. of this section.

2. At any time after the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least 3 full years, the Commissioner with principal regulatory oversight of the trust may authorize a reduction in the required trustee surplus, but only after a finding, based on an assessment of the risk, that the new required surplus level is adequate for the protection of U.S. ceding insurers, policyholders and claimants in light of reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and shall consider all material risk factors, including when applicable the lines of business involved, the stability of the incurred loss estimates and the effect of the surplus requirements on the assuming insurer's liquidity or solvency. The minimum required trustee surplus may not be reduced to an amount less than 30% of the assuming insurer's liabilities attributable to reinsurance ceded by U.S. ceding insurers covered by the trust.

3. A. In the case of a group including incorporated and individual unincorporated underwriters:

I. For reinsurance ceded under reinsurance agreements with an inception, amendment or renewal date on or after January 1, 1993, the trust shall consist of a trustee account in an amount not less than the respective underwriters' several liabilities attributable to business ceded by U.S. domiciled ceding insurers to any underwriter of the group;

II. For reinsurance ceded under reinsurance agreements with an inception date on or before December 31, 1992, and not amended or renewed after that date, notwithstanding the other provisions of 78 Del. Laws, c. 364, the trust shall consist of a trustee account in an amount not less than the respective underwriters' several insurance and reinsurance liabilities attributable to business written in the United States; and

III. In addition to these trusts, the group shall maintain in trust a trustee surplus of which \$100,000,000 shall be held jointly for the benefit of the U.S. domiciled ceding insurers of any member of the group for all years of account; and

B. The incorporated members of the group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of regulation and solvency control by the group's domiciliary regulator as are the unincorporated members.

C. Within 90 days after its financial statements are due to be filed with the group's domiciliary regulator, the group shall provide to the Commissioner an annual certification by the group's domiciliary regulator of the solvency of each underwriter member; or if a certification is unavailable, financial statements, prepared by independent public accountants, of each underwriter member of the group.

4. In the case of a group of incorporated underwriters under common administration, the group shall:

A. Have continuously transacted an insurance business outside the United States for at least 3 years immediately prior to making application for accreditation;

B. Maintain aggregate policyholders' surplus of at least \$10,000,000,000;

C. Maintain a trust fund in an amount not less than the group's several liabilities attributable to business ceded by U.S. domiciled ceding insurers to any member of the group pursuant to reinsurance contracts issued in the name of the group;

D. In addition, maintain a joint trustee surplus of which \$100,000,000 shall be held jointly for the benefit of U.S. domiciled ceding insurers of any member of the group as additional security for these liabilities; and

E. Within 90 days after its financial statements are due to be filed with the group's domiciliary regulator, make available to the Commissioner an annual certification of each underwriter member's solvency by the member's domiciliary regulator and financial statements of each underwriter member of the group prepared by its independent public accountant.

(5) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that has been certified by the Commissioner as a reinsurer in this State and secures its obligations in accordance with the requirements of this paragraph.

a. In order to be eligible for certification, the assuming insurer shall meet the following requirements:

1. The assuming insurer must be domiciled and licensed to transact insurance or reinsurance in a qualified jurisdiction, as determined by the Commissioner pursuant to paragraph (5)c. of this section;

2. The assuming insurer must maintain minimum capital and surplus, or its equivalent, in an amount to be determined by the Commissioner pursuant to regulation;

3. The assuming insurer must maintain financial strength ratings from 2 or more rating agencies deemed acceptable by the Commissioner pursuant to regulation;

4. The assuming insurer must agree to submit to the jurisdiction of this State, appoint the Commissioner as its agent for service of process in this State, and agree to provide security for 100% of the assuming insurer's liabilities attributable to reinsurance ceded by U.S. ceding insurers if it resists enforcement of a final U.S. judgment;

5. The assuming insurer must agree to meet applicable information filing requirements as determined by the Commissioner,

both with respect to an initial application for certification and on an ongoing basis; and

6. The assuming insurer must satisfy any other requirements for certification deemed relevant by the Commissioner.

b. An association including incorporated and individual unincorporated underwriters may be a certified reinsurer. In order to be eligible for certification, in addition to satisfying requirements of paragraph (5)a. of this section:

1. The association shall satisfy its minimum capital and surplus requirements through the capital and surplus equivalents (net of liabilities) of the association and its members, which shall include a joint central fund that may be applied to any unsatisfied obligation of the association or any of its members, in an amount determined by the Commissioner to provide adequate protection;

2. The incorporated members of the association shall not be engaged in any business other than underwriting as a member of the association and shall be subject to the same level of regulation and solvency control by the association's domiciliary regulator as are the unincorporated members; and

3. Within 90 days after its financial statements are due to be filed with the association's domiciliary regulator, the association shall provide to the Commissioner an annual certification by the association's domiciliary regulator of the solvency of each underwriter member; or if a certification is unavailable, financial statements, prepared by independent public accountants, of each underwriter member of the association.

c. The Commissioner shall create and publish a list of qualified jurisdictions, under which an assuming insurer licensed and domiciled in such jurisdiction is eligible to be considered for certification by the Commissioner as a certified reinsurer.

1. In order to determine whether the domiciliary jurisdiction of a non-U.S. assuming insurer is eligible to be recognized as a qualified jurisdiction, the Commissioner shall evaluate the appropriateness and effectiveness of the reinsurance supervisory system of the jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits and the extent of reciprocal recognition afforded by the non-U.S. jurisdiction to reinsurers licensed and domiciled in the U.S. A qualified jurisdiction must agree to share information and cooperate with the Commissioner with respect to all certified reinsurers domiciled within that jurisdiction. A jurisdiction may not be recognized as a qualified jurisdiction if the Commissioner has determined that the jurisdiction does not adequately and promptly enforce final U.S. judgments and arbitration awards. Additional factors may be considered in the discretion of the Commissioner.

2. A list of qualified jurisdictions shall be published through the NAIC committee process. The Commissioner shall consider this list in determining qualified jurisdictions. If the Commissioner approves a jurisdiction as qualified that does not appear on the list of qualified jurisdictions, the Commissioner shall provide thoroughly documented justification in accordance with criteria to be developed under regulations.

3. U.S. jurisdictions that meet the requirement for accreditation under the NAIC financial standards and accreditation program shall be recognized as qualified jurisdictions.

4. If a certified reinsurer's domiciliary jurisdiction ceases to be a qualified jurisdiction, the Commissioner has the discretion to suspend the reinsurer's certification indefinitely, in lieu of revocation.

d. The Commissioner shall assign a rating to each certified reinsurer, giving due consideration to the financial strength ratings that have been assigned by rating agencies deemed acceptable to the Commissioner pursuant to regulation. The Commissioner shall publish a list of all certified reinsurers and their ratings.

e. A certified reinsurer shall secure obligations assumed from U.S. ceding insurers under this paragraph at a level consistent with its rating, as specified in regulations promulgated by the Commissioner.

1. In order for a domestic ceding insurer to qualify for full financial statement credit for reinsurance ceded to a certified reinsurer, the certified reinsurer shall maintain security in a form acceptable to the Commissioner and consistent with the provisions of § 912 of this title, or in a multibeneficiary trust in accordance with paragraph (4) of this section, except as otherwise provided in this paragraph.

2. If a certified reinsurer maintains a trust to fully secure its obligations subject to paragraph (4) of this section, and chooses to secure its obligations incurred as a certified reinsurer in the form of a multibeneficiary trust, the certified reinsurer shall maintain separate trust accounts for its obligations incurred under reinsurance agreements issued or renewed as a certified reinsurer with reduced security as permitted by this subsection or comparable laws of other U.S. jurisdictions and for its obligations subject to paragraph (4) of this section. It shall be a condition to the grant of certification under this paragraph (5) that the certified reinsurer shall have bound itself, by the language of the trust and agreement with the Commissioner with principal regulatory oversight of each such trust account, to fund, upon termination of any such trust account, out of the remaining surplus of such trust any deficiency of any other such trust account.

3. The minimum trustee surplus requirements provided in paragraph (4) of this section are not applicable with respect to a multibeneficiary trust maintained by a certified reinsurer for the purpose of securing obligations incurred under this paragraph, except that such trust shall maintain a minimum trustee surplus of \$10,000,000.

4. With respect to obligations incurred by a certified reinsurer under this paragraph (5), if the security is insufficient, the Commissioner shall reduce the allowable credit by an amount proportionate to the deficiency, and has the discretion to impose further reductions in allowable credit upon finding that there is a material risk that the certified reinsurer's obligations will not be paid in full when due.

5. For purposes of this paragraph (5), a certified reinsurer whose certification has been terminated for any reason shall be treated as a certified reinsurer required to secure 100% of its obligations.

A. As used in this paragraph (5), the term “terminated” refers to revocation, suspension, voluntary surrender and inactive status.

B. If the Commissioner continues to assign a higher rating as permitted by other provisions of this section, this requirement does not apply to a certified reinsurer in inactive status or to a reinsurer whose certification has been suspended.

f. If an applicant for certification has been certified as a reinsurer in an NAIC accredited jurisdiction, the Commissioner has the discretion to defer to that jurisdiction’s certification, and has the discretion to defer to the rating assigned by that jurisdiction, and such assuming insurer shall be considered to be a certified reinsurer in this State.

g. A certified reinsurer that ceases to assume new business in this State may request to maintain its certification in inactive status in order to continue to qualify for a reduction in security for its in-force business. An inactive certified reinsurer shall continue to comply with all applicable requirements of this paragraph (5), and the Commissioner shall assign a rating that takes into account, if relevant, the reasons why the reinsurer is not assuming new business.

(6) a. Credit shall be allowed when the reinsurance is ceded to an assuming insurer meeting each of the conditions set forth below.

1. The assuming insurer must have its head office or be domiciled in, as applicable, and be licensed in a reciprocal jurisdiction.

A “reciprocal jurisdiction” is a jurisdiction that meets 1 of the following:

A. A non-U.S. jurisdiction that is subject to an in-force covered agreement with the United States, each within its legal authority, or, in the case of a covered agreement between the United States and European Union, is a member state of the European Union. For purposes of this subsection, a “covered agreement” is an agreement entered into pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, 31 U.S.C. §§ 313 and 314, that is currently in effect or in a period of provisional application and addresses the elimination, under specified conditions, of collateral requirements as a condition for entering into any reinsurance agreement with a ceding insurer domiciled in this State or for allowing the ceding insurer to recognize credit for reinsurance;

B. A U.S. jurisdiction that meets the requirements for accreditation under the National Association of Insurance Commissioners financial standards and accreditation program; or

C. A qualified jurisdiction, as determined by the Commissioner pursuant to § 911(5)e. of this title, which is not otherwise described in paragraph (6)a.1.A. or B. of this section above and which meets certain additional requirements, consistent with terms and conditions of in-force covered agreements, as specified by the Commissioner in regulation.

2. The assuming insurer must have and maintain, on an ongoing basis, minimum capital and surplus, or its equivalent, calculated according to the methodology of its domiciliary jurisdiction, in an amount to be set forth in regulation. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters, it must have and maintain, on an ongoing basis, minimum capital and surplus equivalents (net of liabilities), calculated according to the methodology applicable in its domiciliary jurisdiction, and a central fund containing a balance in amounts to be set forth in regulation.

3. The assuming insurer must have and maintain, on an ongoing basis, a minimum solvency or capital ratio, as applicable, which will be set forth in regulation. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters, it must have and maintain, on an ongoing basis, a minimum solvency or capital ratio in the reciprocal jurisdiction where the assuming insurer has its head office or is domiciled, as applicable, and is also licensed.

4. The assuming insurer must agree and provide adequate assurance to the Commissioner, in a form specified by the Commissioner pursuant to regulation, as follows:

A. The assuming insurer must provide prompt written notice and explanation to the Commissioner if it falls below the minimum requirements set forth in paragraphs (6)a.2. and 3. of this section, or if any regulatory action is taken against it for serious noncompliance with applicable law;

B. The assuming insurer must consent in writing to the jurisdiction of the courts of this State and to the appointment of the Commissioner as agent for service of process. The Commissioner may require that consent for service of process be provided to the Commissioner and included in each reinsurance agreement. Nothing in this provision shall limit, or in any way alter, the capacity of the parties to a reinsurance agreement to agree to alternative dispute resolution mechanisms, except to the extent such agreements are unenforceable under applicable insolvency or delinquency laws;

C. The assuming insurer must consent in writing to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer or its legal successor, that have been declared enforceable in the jurisdiction where the judgment was obtained;

D. Each reinsurance agreement must include a provision requiring the assuming insurer to provide security in an amount equal to 100% of the assuming insurer’s liabilities attributable to reinsurance ceded pursuant to that agreement if the assuming insurer resists enforcement of a final judgment that is enforceable under the law of the jurisdiction in which it was obtained or a properly enforceable arbitration award, whether obtained by the ceding insurer or by its legal successor on behalf of its resolution estate; and

E. The assuming insurer must confirm that it is not presently participating in any solvent scheme of arrangement which involves this State’s ceding insurers, and agree to notify the ceding insurer and the Commissioner and to provide security in an

amount equal to 100% of the assuming insurer's liabilities to the ceding insurer, should the assuming insurer enter into such a solvent scheme of arrangement. Such security shall be in a form consistent with the provisions of paragraph (5) of this section and § 912 of this title and as specified by the Commissioner in regulation.

5. The assuming insurer or its legal successor must provide, if requested by the Commissioner, on behalf of itself and any legal predecessors, certain documentation to the Commissioner, as specified by the Commissioner in regulation.

6. The assuming insurer must maintain a practice of prompt payment of claims under reinsurance agreements, pursuant to the criteria set forth in regulation.

7. The assuming insurer's supervisory authority must confirm to the Commissioner on an annual basis, as of the preceding December 31 or at the annual date otherwise statutorily reported to the Reciprocal Jurisdiction, that the assuming insurer complies with the requirements set forth in paragraphs (6)a.2. and 3. of this section.

8. Nothing in this provision precludes an assuming insurer from providing the Commissioner with information on a voluntary basis.

b. The Commissioner shall timely create and publish a list of reciprocal jurisdictions.

1. A list of reciprocal jurisdictions is published through the National Association of Insurance Commissioners Committee Process. The Commissioner's list shall include any reciprocal jurisdiction as defined under paragraphs (6)a.1 and 2. of this section, and shall consider any other reciprocal jurisdiction included on the National Association of Insurance Commissioners list. The Commissioner may approve a jurisdiction that does not appear on the National Association of Insurance Commissioners list of reciprocal jurisdictions in accordance with criteria to be developed under regulations issued by the Commissioner.

2. The Commissioner may remove a jurisdiction from the list of reciprocal jurisdictions upon a determination that the jurisdiction no longer meets the requirements of a reciprocal jurisdiction, in accordance with a process set forth in regulations issued by the Commissioner, except that the Commissioner shall not remove from the list a reciprocal jurisdiction as defined under paragraphs (6)a.1. and 2. of this section. Upon removal of a reciprocal jurisdiction from this list credit for reinsurance ceded to an assuming insurer which has its home office or is domiciled in that jurisdiction shall be allowed, if otherwise allowed pursuant to this section.

c. The Commissioner shall timely create and publish a list of assuming insurers that have satisfied the conditions set forth in this subsection and to which cessions shall be granted credit in accordance with this subsection. The Commissioner may add an assuming insurer to such list if a National Association of Insurance Commissioners accredited jurisdiction has added such assuming insurer to a list of such assuming insurers or if, upon initial eligibility, the assuming insurer submits the information to the Commissioner as required under paragraph (6)a.4. of this section and complies with any additional requirements that the Commissioner may impose by regulation, except to the extent that they conflict with an applicable covered agreement.

d. If the Commissioner determines that an assuming insurer no longer meets 1 or more of the requirements under this subsection, the Commissioner may revoke or suspend the eligibility of the assuming insurer for recognition under this subsection in accordance with procedures set forth in regulation.

1. While an assuming insurer's eligibility is suspended, no reinsurance agreement issued, amended or renewed after the effective date of the suspension qualifies for credit except to the extent that the assuming insurer's obligations under the contract are secured in accordance with § 912 of this title.

2. If an assuming insurer's eligibility is revoked, no credit for reinsurance may be granted after the effective date of the revocation with respect to any reinsurance agreements entered into by the assuming insurer, including reinsurance agreements entered into prior to the date of revocation, except to the extent that the assuming insurer's obligations under the contract are secured in a form acceptable to the Commissioner and consistent with the provisions of § 912 of this title.

e. If subject to a legal process of rehabilitation, liquidation or conservation, as applicable, the ceding insurer, or its representative, may seek and, if determined appropriate by the court in which the proceedings are pending, may obtain an order requiring that the assuming insurer post security for all outstanding ceded liabilities.

f. Nothing in this subsection shall limit or in any way alter the capacity of parties to a reinsurance agreement to agree on requirements for security or other terms in that reinsurance agreement, except as expressly prohibited by this chapter or other applicable law or regulation.

g. Credit may be taken under this subsection only for reinsurance agreements entered into, amended, or renewed on or after the effective date of the statute adding this subsection, and only with respect to losses incurred and reserves reported on or after the later of (i) the date on which the assuming insurer has met all eligibility requirements pursuant to paragraph (6)a. of this section, and (ii) the effective date of the new reinsurance agreement, amendment, or renewal.

1. This paragraph does not alter or impair a ceding insurer's right to take credit for reinsurance, to the extent that credit is not available under this paragraph, as long as the reinsurance qualifies for credit under any other applicable provision of this section.

2. Nothing in this subsection shall authorize an assuming insurer to withdraw or reduce the security provided under any reinsurance agreement except as permitted by the terms of the agreement.

3. Nothing in this subsection shall limit, or in any way alter, the capacity of parties to any reinsurance agreement to renegotiate the agreement.

(7) Credit shall be allowed when the reinsurance is ceded to an assuming insurer not meeting the requirements of paragraph (1), (2), (3), (4), (5) or (6) of this section, but only as to the insurance of risks located in jurisdictions where the reinsurance is required by applicable law or regulation of that jurisdiction.

(8) If the assuming insurer is not licensed, accredited or certified to transact insurance or reinsurance in this State, the credit permitted by paragraphs (3) and (4) of this section shall not be allowed unless the assuming insurer agrees in the reinsurance agreements:

a. 1. That in the event of the failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, shall submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, will comply with all requirements necessary to give the court jurisdiction, and will abide by the final decision of the court or of any appellate court in the event of an appeal; and

2. To designate the Commissioner or a designated attorney as its true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the ceding insurer.

b. This paragraph (8) is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if this obligation is created in the agreement.

(9) If the assuming insurer does not meet the requirements of paragraph (1), (2), (3) or (6) of this section, the credit permitted by paragraph (4) or (5) of this section shall not be allowed unless the assuming insurer agrees in the trust agreements to the following conditions:

a. Notwithstanding any other provisions in the trust instrument, if the trust fund is inadequate because it contains an amount less than the amount required by paragraph (4)c. of this section, or if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation or similar proceedings under the laws of its state or country of domicile, the trustee shall comply with an order of the Commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer to the Commissioner with regulatory oversight all of the assets of the trust fund.

b. The assets shall be distributed by and claims shall be filed with and valued by the Commissioner with regulatory oversight in accordance with the laws of the state in which the trust is domiciled that are applicable to the liquidation of domestic insurance companies.

c. If the Commissioner with regulatory oversight determines that the assets of the trust fund or any part thereof are not necessary to satisfy the claims of the U.S. ceding insurers of the grantor of the trust, the assets or part thereof shall be returned by the Commissioner with regulatory oversight to the trustee for distribution in accordance with the trust agreement.

d. The grantor shall waive any right otherwise available to it under U.S. law that is inconsistent with this provision.

(10) If an accredited or certified reinsurer ceases to meet the requirements for accreditation or certification, the Commissioner may suspend or revoke the reinsurer's accreditation or certification.

a. The Commissioner must give the reinsurer notice and opportunity for hearing. The suspension or revocation may not take effect until after the Commissioner's order on hearing, unless:

1. The reinsurer waives its right to hearing;

2. The Commissioner's order is based on regulatory action by the reinsurer's domiciliary jurisdiction or the voluntary surrender or termination of the reinsurer's eligibility to transact insurance or reinsurance business in its domiciliary jurisdiction or in the primary certifying state of the reinsurer under paragraph (5)f. of this section; or

3. The Commissioner finds that an emergency requires immediate action and a court of competent jurisdiction has not stayed the Commissioner's action.

b. While a reinsurer's accreditation or certification is suspended, no reinsurance contract issued or renewed after the effective date of the suspension qualifies for credit except to the extent that the reinsurer's obligations under the contract are secured in accordance with § 912 of this title. If a reinsurer's accreditation or certification is revoked, no credit for reinsurance may be granted after the effective date of the revocation except to the extent that the reinsurer's obligations under the contract are secured in accordance with paragraph (5)e. of this section or § 912 of this title.

(11) *Concentration risk.* — a. A ceding insurer shall take steps to manage its reinsurance recoverables proportionate to its own book of business. A domestic ceding insurer shall notify the Commissioner within 30 days after reinsurance recoverables from any single assuming insurer, or group of affiliated assuming insurers, exceeds 50% of the domestic ceding insurer's last reported surplus to policyholders, or after it is determined that reinsurance recoverables from any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed this limit. The notification shall demonstrate that the exposure is safely managed by the domestic ceding insurer.

b. A ceding insurer shall take steps to diversify its reinsurance program. A domestic ceding insurer shall notify the Commissioner within 30 days after ceding to any single assuming insurer, or group of affiliated assuming insurers, more than 20% of the ceding insurer's gross written premium in the prior calendar year, or after it has determined that the reinsurance ceded to any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed this limit. The notification shall demonstrate that the exposure is safely managed by the domestic ceding insurer.

§ 912. Asset or reduction from liability for reinsurance ceded by domestic insurer to assuming insurer not meeting requirements of § 911 of this title.

An asset or reduction from liability for the reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of § 911 of this title shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer. The reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations thereunder, if the security is held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer; or, in the case of a trust, held in a qualified U.S. financial institution, as defined in § 913(b) of this title. This security may be in the form of any of the following:

b. Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance (or confirmation) shall, notwithstanding the issuing (or confirming) institution's subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification or amendment, whichever first occurs;
 - (4) Any other form of security acceptable to the Commissioner.
- (68 Del. Laws, c. 58, § 3; 78 Del. Laws, c. 364, § 3; 83 Del. Laws, c. 104, § 1.)

For all ceding insurers which are subject to liquidation proceedings pursuant to Chapter 59 of this title on or before December 31, 1999, such payments shall be made directly to the domiciliary liquidator. For all other ceding insurers, including ceding insurers under supervision or rehabilitation proceedings under Chapter 59 of this title as of December 31, 1999, subject to the provisions of subchapter II (Summary Proceedings) of Chapter 59 of this title, such payments shall be made directly to the ceding insurer or to its domiciliary liquidator, except:
- (1) Where the contract or other written agreement between the ceding insurer and the assuming insurer specifically provides another payee of such reinsurance in the event of the insolvency of the ceding insurer; provided, however, that the exception set forth in this paragraph shall only apply to the extent that the re-insurance proceeds due such payee are actually paid by the assuming insurer; or
 - (2) Where the assuming insurer, with the consent of the direct insured or insureds, has assumed such policy obligations of the ceding insurer as direct obligations of the assuming insurer to the payees under such policies and in full and complete substitution for the obligations of the ceding insurer to such payees.

(80 Del. Laws, c. 117, § 1.)

§ 1114B. Computation of minimum standard by calendar year of issue.

(a) The interest rates used in determining the minimum standard for the valuation of the following shall be the calendar year statutory valuation interest rates as defined in this section:

(1) Life insurance policies issued in a particular calendar year, on or after the operative date of § 2929(g) of this title;

(2) Individual annuity and pure endowment contracts issued in a particular calendar year on or after January 1, 1984;

(3) Annuities and pure endowments purchased in a particular calendar year on or after January 1, 1984, under group annuity and pure endowment contracts; and

(4) The net increase, if any, in a particular calendar year after January 1, 1984, in amounts held under guaranteed interest contracts.

(b) *Calendar year statutory valuation interest rates.* — (1) The calendar year statutory valuation interest rates, *I*, shall be determined as follows and the results rounded to the nearer ¼ of 1%

(A) For life insurance:

$$I = .03 + W R1 - .03 + W 2 R2 - .09$$

(B) For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and from guaranteed interest contracts with cash settlement options:

$$I = .03 + WR - .03$$

Where *RI* is the lesser of *R* and .09, *R2* is the greater of *R* and .09, *R* is the reference interest rate defined in this section, and is the weighting factor defined in this section;

(C) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on an issue year basis, except as stated in paragraph (b)(1)(B) of this section, the formula for life insurance stated in paragraph (b)(1)(A) of this section shall apply to annuities and guaranteed interest contracts with guarantee durations in excess of 10 years and the formula for single premium immediate annuities stated in paragraph (b)(1)(B) of this section shall apply to annuities and guaranteed interest contracts with guarantee duration of 10 years or less;

(D) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the formula for single premium immediate annuities stated in paragraph (b)(1)(B) of this section shall apply.

(E) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, the formula for single premium immediate annuities stated in paragraph (b)(1)(B) of this section shall apply.

(2) However, if the calendar year statutory valuation interest rate for a life insurance policy issued in any calendar year determined without reference to this sentence differs from the corresponding actual rate for similar policies issued in the immediately preceding calendar year by less than 1/2 of 1%, the calendar year statutory valuation interest rate for the life insurance policies shall be equal to the corresponding actual rate for the immediately preceding calendar year. For purposes of applying the immediately preceding

sentence, the calendar year statutory valuation interest rate for life insurance policies issued in a calendar year shall be determined for 1980 (using the reference interest rate defined in 1979) and shall be determined for each subsequent calendar year regardless of when § 2929(g) of this title becomes operative.

(c) *Weighting factors.* — (1) The weighting factors referred to in the formulas stated above are given in the following tables:

(A) Weighting factors for life insurance:

Guarantee	Weighting Factors
Duration	
Years	
10 or less	.50
More than 10, but not more than 20	.45
More than 20	.35

For life insurance, the guarantee duration is the maximum number of years the life insurance can remain in force on a basis guaranteed in the policy or under options to convert to plans of life insurance with premium rates or nonforfeiture values or both which are guaranteed in the original policy;

(B) Weighting factor for single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options: .80.

(C) Weighting factors for other annuities and for guaranteed interest contracts, except as stated in paragraph (c)(1)(B) of this section, shall be as specified in paragraphs (c)(1)(C)(i), (ii) and (iii) of this section below, according to the rules and definitions in paragraphs (c)(1)(C)(iv), (v) and (vi) of this section below:

(i) For annuities and guaranteed interest contracts valued on an issue year basis:

Guarantee	Weighting Factor		
	for Plan Type		
Duration	A	B	C
Years			
5 or less:	.80	.60	.50
More than 5, but not more than 10:	.75	.60	.50
More than 10, but not more than 20:	.65	.50	.45
More than 20:	.45	.35	.35

(ii) For annuities and guaranteed interest contracts valued on a change in fund basis, the factors shown in paragraph (c)(1)(C)(i) of this section above increased by:

Plan Type	A	B	C

(iii) For annuities and guaranteed interest contracts valued on an issue year basis (other than those with no cash settlement options) that do not guarantee interest on considerations received more than 1 year after issue or purchase and for annuities and guaranteed interest contracts valued on a change in fund basis that do not guarantee interest rates on considerations received more than 12 months beyond the valuation date, the factors shown in paragraph (c)(1)(C)(i) of this section or derived in paragraph (c)(1)(C)(ii) of this section increased by:

Plan Type	A	B	C
	.05	.05	.05

(iv) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the guarantee duration is the number of years for which the contract guarantees interest rates in excess of the calendar year statutory valuation interest rate for life insurance policies with guarantee duration in excess of 20 years. For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the guaranteed duration is the number of years from the date of issue or date of purchase to the date annuity benefits are scheduled to commence.

(v) “Plan type” as used in the above tables is defined as follows:

Plan type A: — At any time policyholder may withdraw funds only (1) with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company, or (2) without an adjustment but installments over 5 years or more, or (3) as an immediate life annuity, or (4) no withdrawal permitted.

Plan type B: — Before expiration of the interest rate guarantee, policyholder may withdraw funds only (1) with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company, or (2) without an adjustment but in installments over 5 years or more, or (3) no withdrawal permitted. At the end of interest rate guarantee, funds may be withdrawn without an adjustment in a single sum or installments over less than 5 years.

Plan type C: — Policyholder may withdraw funds before expiration of interest rate guarantee in a single sum or installments over less than 5 years either (1) without adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company, or (2) subject only to a fixed surrender charge stipulated in the contract as a percentage of the fund.

(vi) A company may elect to value guaranteed interest contracts with cash settlement options and annuities with cash settlement options on either an issue year basis or on a change in fund basis. Guaranteed interest contracts with no cash settlement options and other annuities with no cash settlement options must be valued on an issue year basis. As used in this section, an “issue year basis of valuation” refers to a valuation basis under which the interest rate used to determine the minimum valuation standard for the entire duration of the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of issue or year of purchase of the annuity or guaranteed interest contract, and the change in fund basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard applicable to each change in the fund held under the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of the change in the fund.

(d) *Reference interest rate.* — (1) The reference interest rate referred to in subsection (b) of this section shall be defined as follows:

(A) For life insurance, the lesser of the average over a period of 36 months and the average over a period of 12 months, ending on June 30 of the calendar year preceding the year of issue, of the monthly average of the composite yield on seasoned corporate bonds, as published by Moody’s Investors Service, Inc.

(B) For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the average over a period of 12 months, ending on June 30 of the calendar year of issue or year of purchase, of the monthly average of the composite yield on seasoned corporate bonds, as published by Moody’s Investors Service, Inc.

(C) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in paragraph (d)(1)(B) of this section, with guarantee duration in excess of 10 years, the lesser of the average over a period of 36 months and the average over a period of 12 months, ending on June 30 of the calendar year of issue or purchase, of the monthly average of the composite yield on seasoned corporate bonds, as published by Moody’s Investors Service, Inc.

(D) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in paragraph (d)(1)(B) of this section, with guarantee duration of 10 years or less, the average over a period of 12 months, ending on June 30 of the calendar year of issue or purchase, of the monthly average of the composite yield on seasoned corporate bonds, as published by Moody’s Investors Service, Inc.

(E) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the average over a period of 12 months, ending on June 30 of the calendar year of issue or purchase, of the monthly average of the composite yield on seasoned corporate bonds, as published by Moody’s Investors Service, Inc.

(F) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, except as stated in paragraph (d)(1)(B) of this section, the average over a period of 12 months, ending on June 30 of the calendar year of the change in the fund, of the monthly average of the composite yield on seasoned corporate bonds, as published by Moody’s Investors Service, Inc.

(e) *Alternative method for determining reference interest rates.* — In the event that the monthly average of the composite yield on seasoned corporate bonds is no longer published by Moody’s Investors Service, Inc. or in the event that the NAIC determines that the monthly average of the composite yield on seasoned corporate bonds as published by Moody’s Investors Service, Inc. is no longer appropriate for the determination of the reference interest rate, then an alternative method for determination of the reference interest rate adopted by the NAIC and approved by regulation promulgated by the Commissioner may be substituted.

(80 Del. Laws, c. 117, § 1.)

§ 1115. Reserve valuation method—Life insurance and endowment benefits.

(a) Except as otherwise provided in §§ 1115A, 1118 and 1120 of this title, reserves according to the Commissioners reserve valuation method, for the life insurance and endowment benefits of policies providing for a uniform amount of insurance and requiring the payment of uniform premiums shall be the excess, if any, of the present value, at the date of valuation, of the future guaranteed benefits provided for by those policies, over the then present value of any future modified net premiums therefor. The modified net premiums for a policy shall be the uniform percentage of the respective contract premiums for the benefits such that the present value, at the date of issue of the policy, of all modified net premiums shall be equal to the sum of the then present value of the benefits provided for by the policy and the excess of (1) over (2), as follows:

(1) A net level annual premium equal to the present value, at the date of issue, of the benefits provided for after the first policy year, divided by the present value, at the date of issue, of an annuity of 1 per annum payable on the first and each subsequent anniversary of the policy on which a premium falls due. However, the net level annual premium shall not exceed the net level annual premium on the 19-year premium whole life plan for insurance of the same amount at an age 1 year higher than the age at issue of the policy.

(2) A net 1-year term premium for the benefits provided for in the first policy year.

(b) For a life insurance policy issued on or after January 1, 1987, for which the contract premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for the excess and which provides an endowment benefit or a cash surrender value or a combination in an amount greater than the excess premium, the reserve according to the Commissioners reserve valuation method as of any policy anniversary occurring on or before the assumed ending date defined herein as the first policy anniversary on which the sum of any endowment benefit and any cash surrender value then available is greater than the excess

premium shall, except as otherwise provided in § 1118 of this title, be the greater of the reserve as of the policy anniversary calculated as described in the preceding paragraph and the reserve as of the policy anniversary calculated as described in that paragraph, but with (i) the value defined in subsection (a) of this section being reduced by 15% of the amount of such excess first year premium, (ii) all present values of benefits and premiums being determined without reference to premiums or benefits provided for by the policy after the assumed ending date, (iii) the policy being assumed to mature on that date as an endowment, and (iv) the cash surrender value provided on that date being considered as an endowment benefit. In making the above comparison the mortality and interest bases stated in §§ 1114 and 1114B of this title shall be used.

(c) Reserves according to the Commissioners reserve valuation method shall be calculated by a method consistent with the principles of the preceding paragraphs of this section for:

(1) Life insurance policies providing for a varying amount of insurance or requiring the payment of varying premiums;

(2) Group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under § 408 of the Internal Revenue Code [26 U.S.C. § 408], as now or hereafter amended;

(3) Disability and accidental death benefits in all policies and contracts; and

(4) All other benefits, except life insurance and endowment benefits in life insurance policies and benefits provided by all other annuity and pure endowment contracts, shall be calculated by a method consistent with the principles of the preceding paragraphs of the subsection,

(5) Notwithstanding the paragraphs in this subsection, any extra premiums charged because of impairments or special hazards shall be disregarded in the determination of modified net premiums.

(80 Del. Laws, c. 117, § 1.)

§ 1115A. Reserve valuation method—Annuity and pure endowment benefits.

(a) This section shall apply to all annuity and pure endowment contracts other than group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under § 408 of the Internal Revenue Code [26 U.S.C. § 408], as now or hereafter amended.

(b) Reserves according to the Commissioners annuity reserve method for benefits under annuity or pure endowment contracts, excluding any disability and accidental death benefits in the contracts, shall be the greatest of the respective excesses of the present values, at the date of valuation, of the future guaranteed benefits, including guaranteed nonforfeiture benefits, provided for by the contracts at the end of each respective contract year, over the present value, at the date of valuation, of any future valuation considerations derived from future gross considerations, required by the terms of the contract, that become payable prior to the end of the respective contract year. The future guaranteed benefits shall be determined by using the mortality table, if any, and the interest rate, or rates, specified in the contracts for determining guaranteed benefits. The valuation considerations are the portions of the respective gross considerations applied under the terms of the contracts to determine nonforfeiture values.

(80 Del. Laws, c. 117, § 1.)

§ 1116. Minimum reserves.

(a) In no event shall a company's aggregate reserves for all life insurance policies, excluding disability and accidental death benefits, issued on or after 1968, be less than the aggregate reserves calculated in accordance with the methods set forth in §§ 1115, 1115A, 1118 and 1119 of this title and the mortality table or tables and rate or rates of interest used in calculating nonforfeiture benefits for the policies.

(b) In no event shall the aggregate reserves for all policies, contracts, and benefits be less than the aggregate reserves determined by the appointed actuary to be necessary to render the opinion required by § 1113 of this title.

(80 Del. Laws, c. 117, § 1.)

§ 1117. Optional reserve calculation.

(a) Reserves for any category of policies, contracts, or benefits as established by the Commissioner, issued prior to 1968, may be calculated, at the option of the company, according to any standards that produce greater aggregate reserves for all such policies and contracts than the minimum reserves required by the laws in effect immediately prior to that date.

(b) Reserves for any category of policies, contracts or benefits established by the commissioner, issued on or after 1968, may be calculated, at the option of the company, according to any standards that produce greater aggregate reserves for the category than those calculated according to the minimum standard provided herein, but the rate or rates of interest used for policies and contracts, other than annuity and pure endowment contracts, shall not be greater than the corresponding rate or rates of interest used in calculating any nonforfeiture benefits provided in the policies or contracts.

(c) A company, which adopts at any time a standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard provided under this Act, may adopt a lower standard of valuation with the approval of the Commissioner, but not lower than the minimum provided herein; provided that, for the purposes of this section, the holding of additional reserves previously determined by the appointed actuary to be necessary to render the opinion required by § 1113 of this title shall not be deemed to be the

adoption of a higher standard of valuation.

(80 Del. Laws, c. 117, § 1.)

§ 1118. Reserve calculation—Valuation net premium exceeding the gross premium charged.

(a) If in any contract year the gross premium charged by a company on a policy or contract is less than the valuation net premium for the policy or contract calculated by the method used in calculating the reserve but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for the policy or contract shall be the greater of either the reserve calculated according to the mortality table, rate of interest, and method actually used for the policy or contract, or the reserve calculated by the method actually used for the policy or contract but using the minimum valuation standards of mortality and rate of interest and replacing the valuation net premium by the actual gross premium in each contract year for which the valuation net premium exceeds the actual gross premium. The minimum valuation standards of mortality and rate of interest referred to in this section are those standards stated in §§ 1114 and 1114B of this title.

(b) Provided, that for a life insurance policy issued on or after January 1, 1987, for which the gross premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for the excess and which provides an endowment benefit or a cash surrender value or a combination in an amount greater than the excess premium, the provisions of this section shall be applied as if the method actually used in calculating the reserve for the policy were the method described in § 1115 of this title, ignoring the second paragraph of § 1115 of this title. The minimum reserve at each policy anniversary of such a policy shall be the greater of the minimum reserve calculated in accordance with § 1115 of this title, including the second paragraph of that section, and the minimum reserve calculated in accordance with this section.

(80 Del. Laws, c. 117, § 1.)

§ 1119. Reserve calculation—Indeterminate premium plans.

(a) In the case of a plan of life insurance that provides for future premium determination, the amounts of which are to be determined by the insurance company based on then estimates of future experience, or in the case of a plan of life insurance or annuity that is of such a nature that the minimum reserves cannot be determined by the methods described in §§ 1115, 1115A and 1118 of this title, the reserves that are held under the plan shall:

(1) Be appropriate in relation to the benefits and the pattern of premiums for that plan; and

(2) Be computed by a method that is consistent with the principles of this Standard Valuation Law, as determined by regulations promulgated by the Commissioner.

(b) Notwithstanding any other provision in the laws of this State, a policy, contract, or certificate providing life insurance under such a plan shall be affirmatively approved by the Commissioner before it can be marketed, issued, delivered, or used in this State.

(80 Del. Laws, c. 117, § 1.)

§ 1120. Minimum standard for accident and health insurance contracts.

For accident and health insurance contracts issued on or after the operative date of the valuation manual, the standard prescribed in the valuation manual is the minimum standard of valuation required under § 1112(b) of this title. For disability, accident and sickness, accident and health insurance contracts issued on or after 1968 and prior to the operative date of the valuation manual the minimum standard of valuation is the standard adopted by the Commissioner by regulation.

(80 Del. Laws, c. 117, § 1.)

§ 1121. Valuation manual for policies issued on or after the operative date of the valuation manual.

(a) For policies issued on or after the operative date of the valuation manual, the standard prescribed in the valuation manual is the minimum standard of valuation required under § 1112(b) of this title, except as provided under subsection (e) or (g) of this section.

(b) The operative date of the valuation manual is January 1 of the first calendar year following the first July 1 as of which all of the following have occurred:

(1) The valuation manual has been adopted by the NAIC by an affirmative vote of at least 42 members, or 3/4 of the members voting, whichever is greater.

(2) The Standard Valuation Law, as amended by the NAIC in 2009, or legislation including substantially similar terms and provisions, has been enacted by States representing greater than 75% of the direct premiums written as reported in the following annual statements submitted for 2008: life, accident and health annual statements; health annual statements; or fraternal annual statements.

(3) The Standard Valuation Law, as amended by the NAIC in 2009, or legislation including substantially similar terms and provisions, has been enacted by at least 42 of the following 55 jurisdictions: The 50 States of the United States, American Samoa, the American Virgin Islands, the District of Columbia, Guam, and Puerto Rico.

(c) Unless a change in the valuation manual specifies a later effective date, changes to the valuation manual shall be effective on January 1 following the date when all of the following have occurred:

(1) The change to the valuation manual has been adopted by the NAIC by an affirmative vote representing:

(A) At least 3/4 of the members of the NAIC voting, but not less than a majority of the total membership; and

(B) Members of the NAIC representing jurisdictions totaling greater than 75% of the direct premiums written as reported in the

following annual statements most recently available prior to the vote in paragraph (c)(1)(A) of this section: life, accident and health annual statements, health annual statements, or fraternal annual statements.

(2) The valuation manual becomes effective pursuant to a regulation adopted by the Commissioner.

(d) The valuation manual must specify all of the following:

(1) Minimum valuation standards for and definitions of the policies or contracts subject to § 1112(b) of this title. Such minimum valuation standards shall be:

(A) The Commissioners reserve valuation method for life insurance contracts, other than annuity contracts, subject to § 1112(b) of this title;

(B) The Commissioners annuity reserve valuation method for annuity contracts subject to § 1112(b) of this title; and

(C) Minimum reserves for all other policies or contracts subject to § 1112(b) of this title.

(2) Which policies or contracts or types of policies or contracts that are subject to the requirements of a principle-based valuation in § 1122(a) of this title and the minimum valuation standards consistent with those requirements;

(3) For policies and contracts subject to a principle-based valuation under § 1122 of this title:

(A) Requirements for the format of reports to the Commissioner under § 1122(b)(3) of this title and which shall include information necessary to determine if the valuation is appropriate and in compliance with this Act;

(B) Assumptions shall be prescribed for risks over which the company does not have significant control or influence.

(C) Procedures for corporate governance and oversight of the actuarial function, and a process for appropriate waiver or modification of such procedures.

(4) For policies not subject to a principle-based valuation under § 1122 of this title the minimum valuation standard shall either:

(A) Be consistent with the minimum standard of valuation prior to the operative date of the valuation manual; or

(B) Develop reserves that quantify the benefits and guarantees, and the funding, associated with the contracts and their risks at a level of conservatism that reflects conditions that include unfavorable events that have a reasonable probability of occurring.

(5) Other requirements, including, but not limited to, those relating to reserve methods, models for measuring risk, generation of economic scenarios, assumptions, margins, use of company experience, risk measurement, disclosure, certifications, reports, actuarial opinions and memorandums, transition rules and internal controls; and

(6) The data and form of the data required under § 1123 of this title, with whom the data must be submitted, and may specify other requirements including data analyses and reporting of analyses.

(e) In the absence of a specific valuation requirement or if a specific valuation requirement in the valuation manual is not, in the opinion of the Commissioner, in compliance with this Act, then the company shall, with respect to such requirements, comply with minimum valuation standards prescribed by the Commissioner by regulation.

(f) The Commissioner may engage a qualified actuary, at the expense of the company, to perform an actuarial examination of the company and opine on the appropriateness of any reserve assumption or method used by the company, or to review and opine on a company's compliance with any requirement set forth in this Act. The Commissioner may rely upon the opinion, regarding provisions contained within this Act, of a qualified actuary engaged by the Commissioner of another State, district or territory of the United States. As used in this paragraph, the term "engage" includes employment and contracting.

(g) The Commissioner may require a company to change any assumption or method that in the opinion of the Commissioner is necessary in order to comply with the requirements of the valuation manual or this Act; and the company shall adjust the reserves as required by the Commissioner. The Commissioner may take other disciplinary action as permitted pursuant to this title.

(80 Del. Laws, c. 117, § 1.)

§ 1122. Requirements of a principle-based valuation.

(a) A company must establish reserves using a principle-based valuation that meets the following conditions for policies or contracts as specified in the valuation manual:

(1) Quantify the benefits and guarantees, and the funding, associated with the contracts and their risks at a level of conservatism that reflects conditions that include unfavorable events that have a reasonable probability of occurring during the lifetime of the contracts. For policies or contracts with significant tail risk, reflects conditions appropriately adverse to quantify the tail risk.

(2) Incorporate assumptions, risk analysis methods and financial models and management techniques that are consistent with, but not necessarily identical to, those utilized within the company's overall risk assessment process, while recognizing potential differences in financial reporting structures and any prescribed assumptions or methods.

(3) Incorporate assumptions that are derived in 1 of the following manners:

(A) The assumption is prescribed in the valuation manual.

(B) For assumptions that are not prescribed, the assumptions shall:

(i) Be established utilizing the company's available experience, to the extent it is relevant and statistically credible; or

(ii) To the extent that company data is not available, relevant, or statistically credible, be established utilizing other relevant, statistically credible experience.

(4) Provide margins for uncertainty including adverse deviation and estimation error, such that the greater the uncertainty the larger the margin and resulting reserve.

(b) A company using a principle-based valuation for 1 or more policies or contracts subject to this section as specified in the valuation manual shall complete all of the following:

(1) Establish procedures for corporate governance and oversight of the actuarial valuation function consistent with those described in the valuation manual.

(2) Provide to the Commissioner and the board of directors an annual certification of the effectiveness of the internal controls with respect to the principle-based valuation. Such controls shall be designed to assure that all material risks inherent in the liabilities and associated assets subject to such valuation are included in the valuation, and that valuations are made in accordance with the valuation manual. The certification shall be based on the controls in place as of the end of the preceding calendar year.

(3) Develop, and file with the Commissioner upon request, a principle-based valuation report that complies with standards prescribed in the valuation manual.

(c) A principle-based valuation may include a prescribed formulaic reserve component.

(80 Del. Laws, c. 117, § 1.)

§ 1123. Experience reporting for policies in force on or after the operative date of the valuation manual.

A company shall submit mortality, morbidity, policyholder behavior, or expense experience and other data as prescribed in the valuation manual.

(80 Del. Laws, c. 117, § 1.)

§ 1124. Confidentiality.

(a) For purposes of this section, “confidential information” means all of the following:

(1) A memorandum in support of an opinion submitted under § 1113 of this title and any other documents, materials and other information, including, but not limited to, all working papers, and copies thereof, created, produced or obtained by or disclosed to the Commissioner or any other person in connection with such memorandum;

(2) All documents, materials and other information, including, but not limited to, all working papers, and copies thereof, created, produced or obtained by or disclosed to the Commissioner or any other person in the course of an examination made under § 1121(f) of this title; provided, however, that if an examination report or other material prepared in connection with an examination made under Chapter 3 of this title is not held as private and confidential information under Chapter 3 of this title, an examination report or other material prepared in connection with an examination made under § 1121(f) of this title shall not be confidential information to the same extent as if such examination report or other material had been prepared under Chapter 3 of this title;

(3) Any reports, documents, materials and other information developed by a company in support of, or in connection with, an annual certification by the company under § 1122(b)(2) of this title evaluating the effectiveness of the company’s internal controls with respect to a principle-based valuation and any other documents, materials and other information, including, but not limited to, all working papers, and copies thereof, created, produced or obtained by or disclosed to the Commissioner or any other person in connection with such reports, documents, materials and other information;

(4) Any principle-based valuation report developed under § 1122(b)(3) of this title and any other documents, materials and other information, including, but not limited to, all working papers, and copies thereof, created, produced or obtained by or disclosed to the Commissioner or any other person in connection with such report; and

(2) Neither the Commissioner nor any person who received confidential information while acting under the authority of the Commissioner shall be permitted or required to testify in any private civil action concerning any confidential information.

maintain the confidentiality and privileged status of such documents, materials, data and other information in the same manner and to the same extent as required for the Commissioner.

(4) The Commissioner may receive documents, materials, data and other information, including otherwise confidential and privileged documents, materials, data or information, from the NAIC and its affiliates and subsidiaries, from regulatory or law-enforcement officials of other foreign or domestic jurisdictions and from the Actuarial Board for Counseling and Discipline or its successor and shall maintain as confidential or privileged any document, material, data or other information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material or other information.

(5) The Commissioner may enter into agreements governing sharing and use of information consistent with this subsection (b) of this section.

(6) No waiver of any applicable privilege or claim of confidentiality in the Confidential Information shall occur as a result of disclosure to the Commissioner under this section or as a result of sharing as authorized in paragraph (b)(3) of this section.

(2) May otherwise be released by the Commissioner with the written consent of the company; and

(3) Once any portion of a memorandum in support of an opinion submitted under § 1113 of this title or a principle-based valuation report developed under § 1122(b)(3) of this title is cited by the company in its marketing or is publicly volunteered to or before a governmental agency other than a state insurance department or is released by the company to the news media, all portions of such memorandum or report shall no longer be confidential.

Subchapter IV

Valuation of Assets

§ 1127. Valuation of bonds.

(a) All bonds or other evidences of debt having a fixed term and rate of interest held by an insurer may, if amply secured and not in default as to principal or interest, be valued as follows:

(1) If purchased at par, at the par value;

(2) If purchased above or below par, on the basis of the purchase price adjusted so as to bring the value to par at maturity and so as to yield in the meantime the effective rate of interest at which the purchase was made, or in lieu of such method, according to such accepted method of valuation as is approved by the Commissioner;

(3) Purchase price shall in no case be taken at a higher figure than the actual market value at the time of purchase, plus actual brokerage, transfer, postage or express charges paid in the acquisition of such securities;

(4) Unless otherwise provided by valuation established or approved by the Commissioner, no such security shall be carried at above

the call price for the entire issue during any period within which the security may be so called.

(b) Notwithstanding any other provision of this section, no bond or other evidence of debt shall be valued in excess of the value established by the National Association of Insurance Commissioners' Capital Markets and Investment Analysis Office.

Part I
Insurance
Chapter 13
INVESTMENTS

§ 1301. Scope of chapter.

Except as to § 1329 of this title, this chapter applies to domestic insurers only.
(18 Del. C. 1953, § 1301; 56 Del. Laws, c. 380, § 1.)

§ 1302. Eligible investments.

(a) Insurers shall invest in or lend their funds on the security of, and shall hold as invested assets, only eligible investments as prescribed in this chapter.

(b) Any particular investment held by an insurer on November 1, 1968, which was a legal investment at the time it was made, and which the insurer was legally entitled to possess immediately prior to such date, shall be deemed to be an eligible investment.

(c) An investment qualified, in whole or in part, for acquisition or holding as an eligible investment may be qualified or requalified at the time of acquisition or at a later date, in whole or in part, under any section of this chapter, if the relevant conditions contained in the section are satisfied at the time of qualification or requalification. In order for an investment, subsequent to the time of its acquisition, to be qualified or requalified, prior written approval of the Commissioner must be obtained.

(d) Unless otherwise specified, an investment limitation computed on the basis of an insurer's admitted assets or capital and surplus shall relate to the amount required to be shown on the statutory balance sheet of the insurer most recently required to be filed with the Commissioner or as shown by a current financial statement resulting from merger of another insurer, bulk reinsurance, or change in capitalization. For purposes of computing any limitation based upon admitted assets, the insurer shall deduct from the amount of its admitted assets the amount of the liability recorded on its statutory balance sheet for:

- (1) The return of acceptable collateral received in a reverse repurchase transaction or a securities lending transaction;
- (2) Cash received in a dollar roll transaction; and
- (3) The amount reported as borrowed money in the most recently filed financial statement, to the extent not included in paragraphs (d)(1) and (2) of this section.

(e) An insurer shall not invest in:

- (1) Corporate obligations under § 1308 (c)(5) of this title;
- (2) Bonds, notes or other evidences of indebtedness secured by second mortgages or deeds of trust under § 1323(a) of this title;
- (3) Participations under § 1323(e) of this title;
- (4) Secured obligations of institutions under § 1331 of this title; or
- (5) Production payments under § 1332 of this title;

Unless such insurer possesses unimpaired capital and surplus (contributed and assigned) of not less than \$7,500,000 (as shown by the insurer's annual statement as of December 31 next preceding the date of acquisition), which amount shall be invested in investments permitted under this chapter other than those specified in this subsection or § 1320 (miscellaneous investments) of this title.

(18 Del. C. 1953, § 1302; 56 Del. Laws, c. 380, § 1; 63 Del. Laws, c. 363, § 19; 70 Del. Laws, c. 108, §§ 1, 2; 71 Del. Laws, c. 202, §§ 1, 2.)

§ 1303. General qualifications.

(a) No security or investment, other than real and personal property acquired under § 1324 (real estate) of this title, shall be eligible for acquisition, unless it is interest bearing or interest accruing or entitled to dividends or is otherwise income earning, is not then in default in any respect, and the insurer is entitled to receive for its exclusive account and benefit the interest or income accruing thereon. A debt security will be considered to be income earning where, although bearing no fixed or contingent interest, it is issued at a discount and contains a specific maturity date on which redemption is to be made at a stated value. Stocks will be considered income earning although dividends are currently not being paid. Nothing in this section shall prohibit an insurer from giving or receiving a participating interest in a bond, note or other evidence of indebtedness acquired by such insurer under § 1323 of this title, or the acquisition by an insurer of warrants, options or similar rights to acquire securities if:

- (1) The acquisition of such securities would then be permitted by this chapter (other than § 1320 of this title); or
- (2) Such warrants, options or similar rights are acquired in connection with an investment otherwise permitted by this chapter.

(b) No security or investment shall be eligible for purchase at a price above its fair value or market value.

(c) Nothing in this chapter shall prohibit the acquisition by an insurer of other or additional securities or property if received as a dividend or as a lawful distribution of assets, or upon a debt or judgment, or under a lawful and bona fide agreement of bulk reinsurance, merger or consolidation, or if acquired by it through the exercise of warrants, options or similar rights to acquire securities received by it in

accordance with this chapter. Nothing in this chapter shall prevent any insurer from entering into an agreement for the purpose of protecting the interests of the insurer in securities lawfully held by it, or for the purpose of reorganization of a corporation which issued securities so held, and from depositing such securities with a committee or depositaries appointed under such agreement, nor from accepting stock, bonds or other securities or other property which may be distributed pursuant to any such agreement, or to any plan of reorganization or arrangement; and no provision of this chapter shall prevent any insurer from acquiring or holding any property acquired in satisfaction of any debt previously contracted, or that shall be obtained by sale or foreclosure of any security held by it. Any security or property so acquired which is not otherwise an eligible investment under this chapter shall be disposed of pursuant to § 1325 of this title if real estate, or pursuant to § 1326 of this title if personal property or securities.

(d) Except as provided in § 1305(5) of this title, the limitations of this chapter shall apply to all investments described in § 77r-1 of Title 15 of the United States Code [15 U.S.C. § 77r-1].

(e) For purposes of the investment limitations of this chapter, investments made by an insurer shall include investments made by that insurer's investment subsidiary.

(18 Del. C. 1953, § 1303; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 79, §§ 1, 2; 63 Del. Laws, c. 363, § 12; 68 Del. Laws, c. 177, § 1; 71 Del. Laws, c. 202, § 3.)

§ 1304. Authorization; record of investments.

An insurer shall not make any investment or loan (other than policy loans or annuity contract loans of a life insurer) unless the same is authorized or approved by the insurer's board of directors or by a committee thereof charged with supervision of investments and loans. The insurer shall maintain a full record of each investment.

(18 Del. C. 1953, § 1304; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 79, § 3.)

§ 1305. Diversification.

An insurer shall invest in or hold as admitted assets categories of investments within applicable limits as follows only:

(1) *One person.* — An insurer shall not at any 1 time have any combination of investments in or loans upon the security of obligations, property or securities of any 1 person (other than its lawful subsidiary) aggregating over 10% of the insurer's assets. This shall not apply as to general obligations of the United States or of any state, or of Canada or any province thereof, or include policy loans made under § 1317 of this title.

(2) *Voting stock.* — An insurer may invest in and hold at any time not more than 50% of the outstanding voting stock of any corporation, except as to voting rights of preferred stock during periods of defaults of dividends. This restriction shall not apply to stock of a subsidiary of the insurer acquired under § 1313 of this title, or to controlling stock of an insurer acquired under § 1312(b) of this title. The cost of such investments in any 1 corporation shall not exceed 3% of the insurer's assets. The aggregate value of all stock acquired and held under this section shall not exceed 40% of the insurer's assets.

(3) *Stocks.* — a. A life insurer shall not:

1. Invest in any stocks under §§ 1311 (common stocks), 1312(a) (insurance stocks), and 1314 (common trust funds; mutual funds) of this title if the cost thereof, when added to the aggregate cost of all such investments then held by such insurer, would exceed 125% of its policyholders' surplus (as defined in § 511(a)(2) of this title), or hold at any 1 time investments under such sections having an aggregate market value exceeding 250% of such policyholders' surplus; and

2. Invest in any stocks under § 1310 (preferred and guaranteed stocks) of this title if the cost thereof, when added to the aggregate cost of all such stocks then held by such insurer, would exceed 20% of its assets, or hold at any 1 time stocks under such section having an aggregate market value exceeding 40% of its assets.

b. This provision shall not apply to stock of any controlled or subsidiary corporation under §§ 1312(b) and 1313 of this title.

c. The cost of such investments in any 1 corporation shall not exceed 3% of the insurer's assets.

(4) *Mortgages.* — An insurer shall not at any 1 time have more than 50% of its assets invested in obligations under § 1323 of this title, exclusive of that portion of such obligations guaranteed or insured by an agency of the United States government. The investment by an insurer in any 1 property shall not exceed 3% of the insurer's assets.

(5) *Certain mortgage pools.* — An insurer may invest in and hold at any time up to 50% of its assets in certificates or other instruments evidencing participating interests in mortgage loans or pools thereof issued by the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation. The cost of such investment in any 1 mortgage pool shall not exceed 7% of the insurer's assets.

(6) *Other specific limits.* — Limits as to investments in the category of real estate shall be as provided in § 1324 of this title, and other specific limits, if any, shall apply as stated in sections dealing with other respective kinds of investments. Upon a request in writing the Commissioner may permit an insurer to invest an amount up to 5% in excess of any specific investment limitation if determined by the Commissioner to be a sound and prudent investment. Notwithstanding any other limitations contained herein, no investment in a single person other than an investment deemed eligible under § 1302(b) of this title or as provided in § 1313 of this title, shall exceed 50% of policyholders' surplus without the written approval of the Commissioner.

§ 1306. Public obligations.

An insurer may invest in bonds or other evidences of indebtedness, not in default as to principal or interest, which are valid and legally authorized obligations issued, assumed or guaranteed by the United States or by any state thereof, or by Canada or any of the provinces thereof, or by any county, city town, village, municipality or district therein or by any political subdivision thereof or by a public instrumentality of 1 or more of the foregoing, and in any such obligations issued, assumed or guaranteed by the federal government of Mexico, if, by statutory or other legal requirements applicable thereto, such obligations are payable, as to both principal and interest, from (1) taxes levied or required to be levied upon all taxable property or all taxable income within the jurisdiction of such governmental unit, or from (2) adequate special revenues pledged or otherwise appropriated or by law required to be provided for the purpose of such payment; but not including any obligation payable solely out of special assessments on properties benefited by local improvements, unless adequate security is evidenced by the ratio of assessment to the value of the property or the obligation is additionally secured by an adequate guaranty fund required by law.

(18 Del. C. 1953, § 1306; 56 Del. Laws, c. 380, § 1; 63 Del. Laws, c. 363, § 17.)

§ 1308. Corporate obligations.

(a) An insurer may invest any of its funds in obligations rated 1 or 2 by the SVO if they are issued, assumed or guaranteed by any solvent institution created or existing under the laws of the United States or Canada or of any state, district, province or territory thereof.

(b) An insurer may also invest any of its funds in any medium or lower grade obligations of any institution created or existing under the laws of the United States or Canada or of any state, district, province or territory thereof, provided, however, that:

(1) Without prior approval of the Commissioner, no insurer shall invest any of its funds in any medium grade or lower grade obligation of any institution if, after giving effect to any such acquisition, the aggregate amount of all medium grade and lower grade obligations then held by the insurer would exceed 20 percent of its admitted assets.

(2) Without the prior approval of the Commissioner, no insurer shall invest any of its funds in any lower grade obligation of any institution if, after giving effect to any such acquisition, the aggregate amount of all lower grade obligations then held by the insurer would exceed 10 percent of its admitted assets; provided, that no more than 3 percent of its admitted assets consists of obligations rated 5 or 6 by the Securities Valuation Office. In addition, without the Commissioner's prior approval, no insurers shall acquire any obligation rated 6 by the Securities Valuation Office and no more than 1 percent of its admitted assets may consist of obligations rated 6 by the Securities Valuation Office.

(3) Attaining the limit of any 1 category referred to in paragraph (b)(2) of this section shall not preclude an insurer from investing any of its funds in obligations in other categories subject to the specific and multicategory limits. Nothing contained in this section shall prohibit an insurer from investing any of its funds in any obligation which it has committed to acquire if the insurer would have been permitted to invest any of its funds in that obligation pursuant to this section on that date on which such insurer committed to make such investment. For the purposes of determining limitations contained in this chapter, an insurer shall give appropriate recognition to any commitments to acquire investments. Notwithstanding the foregoing, an insurer may invest any of its funds in an obligation of an institution in which such insurer already has 1 or more investments, if such investment is made in order to protect an investment previously made in the obligations of such institution; provided, that such investment shall not exceed 1/2 of 1 percent of the insurer's admitted assets.

c. The liquid assets of such institution shall have been not less than 105 percent of its liabilities (other than deferred income taxes, deferred investment tax credits, capital stock and surplus).

(8) "Obligations" includes bonds, debentures, notes and other evidences of indebtedness (whether or not liability for payment extends beyond the security therefor) as well as participation interests in any of the foregoing.

(9) "SVO" means the Securities Valuation Office of the NAIC or any successor office established by the NAIC."

(b) If net earnings are determined in reliance upon consolidated earnings statements of parent and subsidiary institutions, such net earnings shall be determined after provision for income taxes of subsidiaries in which the parent institution owns directly or indirectly less than 80% of all classes of voting stock, and after proper allowance for minority stock interest if any; and the required coverage of fixed charges shall be computed on a basis including fixed charges and preferred dividends of subsidiaries other than those payable by such subsidiaries to the parent corporation or to any other of such subsidiaries, except that if the minority common stock interest in the subsidiary corporation is substantial, the fixed charges and preferred dividends may be apportioned in accordance with regulations prescribed by the Commissioner.

(c) If the issuing, assuming or guaranteeing institution has not been in legal existence for the whole of the period for which earnings tests are being applied for purposes of § 1308, § 1310 or § 1311 of this title, but was formed as a consolidation or merger of 2 or more businesses of which at least 1 was in operation at the commencement of such period or such institution has acquired all or substantially all of the assets of a business or any divisional, branch or other unitary portion thereof which was in operation at the commencement of such period, the tests of eligibility under § 1308, § 1310 or § 1311 of this title, as the case may be, shall be based upon pro forma statements incorporating statements of the predecessor or constituent institutions or businesses or portions thereof.

(18 Del. C. 1953, § 1309; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 79, §§ 11-13; 63 Del. Laws, c. 363, §§ 4-7; 70 Del. Laws, c. 108, § 4; 71 Del. Laws, c. 202, § 7; 73 Del. Laws, c. 329, § 61.)

§ 1310. Preferred or guaranteed stocks.

An insurer may invest in preferred or guaranteed stocks or shares of any solvent institution existing under the laws of the United States or of Canada, or of any state or province thereof, if all of the prior obligations and prior preferred stocks, if any, of such institution at the date of acquisition of the investment by the insurer are eligible as investments under this chapter and are rated 1 or 2 by the SVO or if the net earnings of such institution available for its fixed charges during either of the last 2 years have been, and during each of the last 5 years have averaged, not less than $1\frac{1}{2}$ times the sum of its average annual fixed charges, if any, its average annual maximum contingent interest, if any, and its average annual preferred dividend requirements. For the purposes of this section such computation shall refer to the fiscal years immediately preceding the date of acquisition of the investment by the insurer, and the term "preferred dividend requirement" shall be deemed to mean cumulative or noncumulative dividends, whether paid or not.

(18 Del. C. 1953, § 1310; 56 Del. Laws, c. 380, § 1; 71 Del. Laws, c. 202, § 8.)

§ 1311. Common stocks; limited partnerships.

An insurer may invest in common stocks, other than insurance stocks, of any solvent institution organized and existing under the laws of the United States or Canada, or of any state or province thereof, if during a period of 7 fiscal years next preceding the date of acquisition by such insurer the institution had aggregate net earnings available for the payment of dividends upon its common stock of no less than the aggregate sum which would have been sufficient to pay dividends of 4% per annum upon the par value (or in the case of common stocks without par value, upon the stated capital) of all of its shares of common stock outstanding during such period. As used in this section the term "common stock" includes transferable certificates of participation in business trusts and statutory trusts. An insurer may invest in or otherwise acquire and hold a limited partnership interest in any limited partnership formed pursuant to the laws of any state or the United States of America. No limited partnership interest shall be acquired under this section if the cost thereof would exceed 2% of the assets of such insurer nor if such cost, plus the book value on the date of such acquisition of all limited partnership interest then held by such insurer

and acquired under this section, would exceed 10% of such assets.

(18 Del. C. 1953, § 1311; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 79, § 14; 63 Del. Laws, c. 363, § 8; 73 Del. Laws, c. 329, § 62.)

§ 1312. Insurance stocks.

(a) An insurer may invest in the stocks of other solvent insurers formed under the laws of this or another state, which stocks meet the applicable requirements of §§ 1310 (preferred or guaranteed stock) and 1311 (common stocks) of this title.

(b) With the Commissioner's advance written consent an insurer may acquire and hold the controlling interest in the outstanding voting stock of another stock insurer formed under the laws of this or another state. All stocks under this subsection shall be subject to the limitation as to amount as provided in § 1313 of this title. The Commissioner shall not give his or her consent to any such acquisition if the Commissioner finds that it would not be in the best interests of the insurers involved, or of their respective policyholders or stockholders, or that such acquisition would materially tend to lessen competition or to result in any monopoly in the insurance business.

(18 Del. C. 1953, § 1312; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 1313. Stock of subsidiaries.

(a) An insurer may invest in:

(1) The stock of subsidiary insurance corporations formed or acquired by it; or,

(2) in addition to the right to own stock in other corporations given insurers in § 1305(2) of this title, it may also invest in not less than a majority of the voting stock of a business corporation formed under the laws of this or another state or a foreign nation, the activities of which corporation are primarily supplementary and complementary to the convenient operation of the insurer's business or to the administration of its affairs, and corporations engaged or organized to engage in the marketing of financial, insurance or service products, the products to be subject to the approval of the Insurance Commissioner.

As used in this title, "subsidiaries" shall include, in addition to those such corporations where the insurer owns a majority of their stock, those corporations formed or acquired by an insurer where it owns less than a majority of such corporation's voting stock due to the laws of a foreign national which require the insurer to own less than a majority of the voting stock of such subsidiary insurance corporation if it is to operate in that nation.

(b) Limitations on investments in subsidiaries shall be as follows:

(1) Domestic insurers transacting insurance in any state of the United States of America and not establishing reserves and operating in accordance with § 1104 of this title.

a. All of the insurer's investments pursuant to paragraph (a)(1) of this section shall not at any time exceed the amount of the investing insurer's surplus, if a life insurer, or its policyholders' surplus (as defined in § 511(a)(2) of this title) if other than a life insurer.

b. All of the insurer's investments pursuant to paragraph (a)(2) of this section shall not at any time exceed the lesser of 10 percent of the insurer's admitted assets or 50 percent of the insurer's surplus, if a life insurer, or its policyholders' surplus (as defined in § 511(a)(2) of this title) if other than a life insurer. With prior approval of the Commissioner, an insurer may invest a greater amount in the securities of subsidiaries than permitted by paragraph (a)(2) of this section if after such investment the investing insurer's surplus, if a life insurer, or its policyholders' surplus (as defined in § 511(a)(2) of this title) if other than a life insurer, will be reasonable in relation to the insurer's outstanding liabilities and adequate to meet its financial needs.

(2) Domestic insurers transacting insurance in foreign countries only, and not transacting insurance in any state of the United States of America and establishing reserves and operating in accordance with § 1104 of this title: All of the insurer's investments in subsidiaries shall not at any time exceed 100 percent of the insurer's surplus, if a life insurer, or its policyholders' surplus (as defined in § 511(a)(2) of this title) if other than a life insurer.

(c) All of the insurer's investments under this section, together with its investments in insurance stocks under § 1312(b) of this title, shall not at any time exceed the amount of the investing insurer's surplus, if a life insurer, or its policyholders' surplus (as defined in § 511(a)(2) of this title) if other than a life insurer."

(18 Del. C. 1953, § 1315; 56 Del. Laws, c. 380, § 1.)

§ 1316. Equipment trust certificates.

An insurer may invest in equipment trust obligations or certificates adequately secured and evidencing an interest in transportation equipment used wholly or in part within the United States of America or Canada, which obligations or certificates carry the right to receive determined portions of rental, purchase or other fixed obligatory payments to be made for the use or purchase of such transportation equipment.

(18 Del. C. 1953, § 1316; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 79, § 17.)

§ 1317. Policy loans.

A life insurer may lend to its policyholder upon pledge of the policy as collateral security any sum not exceeding the cash surrender value of the policy, or may lend against pledge or assignment of any of its supplementary contracts or other contracts or obligations, so long as the loan is adequately secured by such pledge or assignment. Loans so made are eligible investments of the insurer.

(18 Del. C. 1953, § 1317; 56 Del. Laws, c. 380, § 1.)

§ 1318. Collateral loans.

An insurer may lend and thereby invest its funds upon the pledge of securities eligible for investment under this chapter. As at date made, no such loan shall exceed in amount 100% of the market value of such collateral pledged. The amount so loaned shall be included pro rata in determining the maximum percentage of funds permitted under this chapter to be invested in the respective categories of securities so pledged.

(18 Del. C. 1953, § 1318; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 79, § 18.)

§ 1319. Savings and share accounts.

(18 Del. C. 1953, § 1319; 56 Del. Laws, c. 380, § 1.)

§ 1320. Miscellaneous investments.

(a) An insurer may make loans or investments not otherwise expressly permitted under this chapter, in an aggregate amount not over 10% of the insurer's assets, if such loan or investment fulfills the requirements of § 1303 of this title and otherwise qualifies as a sound investment. No such loan or investment shall be represented by:

- (1) Any item described in § 1102 (assets not allowed) of this title, or any loan or investment otherwise expressly prohibited;
- (2) Agents' balances or amounts advanced to or owing by agents, except as to policy loans, mortgage loans and collateral loans otherwise authorized under this chapter;
- (3) Loans or investments expressly eligible under any other provision of this chapter;
- (4) Any asset theretofore acquired or held by the insurer under any other category of loans or investments eligible under this chapter.

(b) The insurer shall keep a separate record of all loans and investments made under this section.

(18 Del. C. 1953, § 1320; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 79, §§ 19, 20.)

§ 1321. Investments in foreign countries.

(a) An insurer transacting insurance in a foreign country may invest funds required to meet its obligations in such country and in conformity with the laws thereof in the same kinds of securities and investments of or in such country as the insurer is authorized to invest in or acquire under other provisions of this chapter. Except as provided in the foregoing sentence and in subsection (b) of this section, an insurer may not invest more than 15% of its assets in securities or investments of or in foreign countries other than Canada nor invest more than an aggregate of 5% of its assets in securities or investments of or in a single foreign jurisdiction which has a sovereign debt rating of SVO 1 or 3% of its assets as to any other foreign jurisdiction. The Commissioner may promulgate regulations which permit, after thorough and appropriate review on a case-by-case basis, a life insurer domiciled in Delaware to increase its aggregate limit on foreign investments to 20%.

(b) If such an insurer is not doing business in any state of the United States of America, it may invest its funds as permitted by the laws of any jurisdiction where it does business. Negotiation and issuance of insurance on risks situated outside every such state, and changes in, communications concerning, and collection of premiums on insurance so issued shall not be deemed hereunder to be doing business in any such state.

(c) If such an insurer is not transacting insurance in the United States of America, it may establish 1 or more separate accounts and subaccounts thereto in respect to 1 or more jurisdictions outside the United States relating to insurance business conducted in such jurisdiction outside the United States. The insurer may allocate assets and make deposits thereto in respect of the whole or any part of the insurance business transacted by it in such jurisdiction for the purpose of segregating the insurer's assets for the benefit of policyholders of that jurisdiction, subject to the following:

- (1) All amounts received by an insurer in respect of a class of insurance business written in that jurisdiction, after the establishment of

a separate account in respect of that class or classes of business, shall be carried to and become assets of the separate account. The assets of each separate account shall be kept separate and distinct from other assets of the insurer.

(2) Subaccounts may be established within a separate account for classes of insurance business written in that jurisdiction. All amounts received by the insurer with respect to the class of insurance in a subaccount shall be carried to and become assets of such subaccount.

(3) The income, gains and losses, realized or unrealized, from assets allocated to a separate account or subaccount thereof shall be credited to or charged against such separate account or subaccount, without regard to other income, gains or losses of the insurer. To the extent that the value of the assets in such separate account or subaccount are in excess of the reserves, other contract liabilities, solvency and other requirements of the jurisdiction in which the separate account or subaccount is established, such excess may be withdrawn by the insurer.

(4) Amounts allocated to a separate account or subaccount thereof in the exercise of the power granted by this subsection shall be owned by the insurer and the insurer shall not be, nor hold itself out to be, a trustee with respect to such amounts.

(5) The assets of a separate account or subaccount shall not be available to meet any liabilities of the insurer other than policyholder liabilities, expenses, taxes and levies, directly related to such separate account or subaccounts. The assets of any separate account or subaccount equal to the reserves and other contract liabilities with respect to those accounts are excluded from the insurer's general assets and as such shall not be charged with other liabilities of the insurer which may arise out of any other business which the insurer may conduct other than the separate account or subaccount. In any dissolution or liquidation of an insurer which has established a separate account or subaccount under this subsection, the assets of the account shall be available only for meeting the policyholder liabilities of the company attributable to the business in respect of which such separate account or subaccount was established. Any assets which remain in any such account after the satisfaction of all policyholder liabilities of the account shall be made available to the appointed receiver.

(6) An insurer shall not mortgage or charge any of the assets of any separate account or subaccount thereof, except for the benefit of such separate account or subaccount.

(7) Assets of a readily determinable market value maintained in the separate account or subaccount shall be freely exchangeable in the discretion of the insurer at any time for assets of like value.

(8) Where an insurer wishes to establish a separate account in respect of a part of the insurance business of the insurer, the insurer shall apply to the Commissioner in writing for approval to establish the separate account, and shall indicate the proposed date and the part of the insurance business of the insurer in respect of which the separate account is to be established. The separate account shall take effect upon the approval of the Commissioner.

(9) A separate account or subaccount established under this subsection in respect of any part of the insurance business of an insurer shall continue to be maintained in accordance with this subsection for as long as the insurer has any outstanding obligations or liabilities in respect of that part of its business.

(10) Negotiation and issuance of insurance on risks situated outside the United States of America, and changes in, and communications concerning, and collection of premiums on insurance so issued shall not be deemed hereunder to be doing business or transacting insurance in the United States of America.

(18 Del. C. 1953, § 1321; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 79, § 21; 63 Del. Laws, c. 363, § 18; 68 Del. Laws, c. 343, § 1; 71 Del. Laws, c. 202, § 9; 76 Del. Laws, c. 39, § 1.)

§ 1322. Special investments of title insurers.

Repealed by 74 Del. Laws, c. 214, § 6, effective March 30, 2004.

§ 1323. Real estate mortgages.

(a) An insurer may invest in bonds, notes or other evidences of indebtedness secured by first or second mortgages or deeds of trust representing first or second liens upon real estate, perpetual leases thereon or leasehold estates when the remaining term of such leasehold and enforceable renewals is not less than the term of such first or second lien, as the case may be, in the United States or Canada, subject to the following conditions:

(1) The amount loaned or the aggregate amount of bonds or other evidences of indebtedness issued upon the security of a mortgage or deed of trust (when added to the amount unpaid upon any prior first mortgage or deed of trust) shall not at the time of the investment exceed 75% of the fair market value of the real estate, as such value has been determined by a qualified appraiser for the purposes of the investment or at the time of issuance of the bonds or other evidences of indebtedness.

(2) In applying the limitation under paragraph (a)(1) of this section above, there may be excluded from the amount invested that portion of the investment which is guaranteed by the Administrator of Veterans' Affairs pursuant to the Servicemen's Readjustment Act of 1944 [38 U.S.C. § 1802 et seq.], as amended, or insured by the Federal Housing Administrator or other United States or Canadian government agency.

(3) Insurance not less comprehensive than fire and extended coverage must be carried on the improvements, if any, on the real estate, in an amount not less than 75% of the insurable value of the improvements or the unpaid balance of the investment, whichever is the lesser amount, and the policy or policies evidencing such insurance shall be endorsed to show the interest of the lender.

(4) No mortgage loan upon a leasehold shall be made or acquired by an insurer pursuant to this section unless the terms thereof shall provide for such payments of principal, whatever the period of the loan, so that at no time during the period of the loan shall the aggregate payments of principal theretofore required to be made under the terms of the loan be less than would have been necessary for a loan payable completely by the end of the lesser of a period of $\frac{4}{5}$ of the period of the leasehold, inclusive of the period or periods which may be provided by enforceable options of renewal, which is unexpired at the time the loan is made or 40 years, through payments of interest only for 5 years and equal payments applicable first to interest and then to principal at the end of each year thereafter.

(5) The total investments of any insurer permitted under this subsection in bonds, notes or other evidences of indebtedness secured by second mortgages or deeds of trust and under subsection (e) of this section in participations evidencing participating interests in bonds, notes or other evidences of indebtedness which are so secured, shall not exceed 5% of its assets, and no such investment shall be made or acquired by an insurer if the mortgagor, without the approval of the insurer, may increase the principal amount of the indebtedness secured by the prior first mortgage except to the extent that the amount of such increase is applied in reduction of the investment held by the insurer.

(b) For the purposes of this section real estate shall not be deemed to be encumbered by reason of the existence of taxes or assessments which are not delinquent, instruments creating or reserving mineral, oil or timber rights, rights-of-way, joint driveways, sewer rights, rights in walls, or by reason of building restrictions or other restrictive covenants, or when such real estate is subject to lease in whole or in part whereby rents or profits are reserved to the owner.

(c) An insurer may invest in purchase money mortgages or like securities received by it upon the sale or exchange of real property acquired pursuant to § 1324 of this title.

(d) In addition to the foregoing and supplemental to § 1320 of this title, any such insurer may, to an aggregate amount not in excess of 5% of the assets of such insurer, make and hold loans upon real property, including leasehold estates therein, in any state of the United States, or in the District of Columbia or Puerto Rico, or in any province of the Dominion of Canada, notwithstanding the fact that such loans and the mortgages securing the same do not comply with the provisions of this section.

(e) A permissible investment under this section shall include a participation (meaning an instrument evidencing a participating interest in a bond, note or other evidence of indebtedness secured by first or second mortgage or deed of trust) if the entire indebtedness would qualify for investment under subsection (a) of this section and:

(1) The entire indebtedness secured by the same mortgage or deed of trust is held by such insurer; or

(2) The insurer holds a senior participation giving it substantially the rights of a first or second mortgagee and a position of priority over the other holders of participations in such indebtedness; or

(3) If each participation is of equal rank, the aggregate amount of the insurer's investment under this paragraph in all such participations does not exceed 20% of its assets.

(18 Del. C. 1953, § 1324; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 79, §§ 22-24; 63 Del. Laws, c. 363, §§ 9-11.)

(2) Real estate acquired in satisfaction of loans, mortgages, liens, judgments, decrees or debts previously owing to the insurer in the due course of its business;

(3) Real estate acquired in part payment of the consideration on the sale of other real estate owned by it, if such transaction shall have effected a net reduction in the insurer's investments in real estate;

(4) Real estate acquired by gift or devise, or through merger, consolidation or bulk reinsurance of another insurer under this title;

(5) The seller's interest in real estate subject to an agreement of purchase or sale, but the sum invested in any such interest shall not exceed $\frac{2}{3}$ of the fair value of such parcel;

(6) Additional real estate and equipment incident thereto, if necessary or convenient for the purpose of enhancing the sale or other value of real estate previously acquired or held under this section. Such real estate and equipment, together with the real estate for the enhancement of which it was acquired, shall be included, for the purpose of applicable investment limits, and shall be subject to disposal under § 1325 of this title at the same time and under the same conditions as apply to such enhanced real estate;

(7) Real estate, or any interest therein, acquired or held by purchase, lease or otherwise, acquired as an investment for production of income, or acquired to be improved or developed for such investment purposes pursuant to an existing program therefor. The insurer may hold, mortgage, improve, develop, maintain, manage, lease, sell, convey and otherwise dispose of real estate acquired by it under this provision. (2) An insurer shall dispose of real estate acquired under § 1324(a)(2), (3) and (4) of this title within 5 years after the date of acquisition, unless used or to be used for the insurer's accommodation under § 1324 (a)(1) of this title.

The Commissioner may by order grant, from time to time, reasonable extensions of the period, as specified in any such order, within which an insurer shall dispose of any such property or security.

(18 Del. C. 1953, § 1327; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 79, §§ 28, 29.)

No insurer shall make an investment pursuant to this section if the aggregate amount so invested will exceed 5% of its assets or if the aggregate amount so invested as to which such rental, charter hire, purchase or other payments are payable or guaranteed by any 1 governmental unit or instrumentality other than the United States or Canada or any 1 institution will exceed 1% of such sets.

(18 Del. C. 1953, § 1331; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 79, § 30; 71 Del. Laws, c. 202, § 10.)

§ 1331. Secured obligations.

(a) An insurer may invest in obligations which are secured by:

(1) An assignment of a right to receive rental, charter hire, purchase or other payments for the use or purchase of real or personal property adequate to return the investment and payable or guaranteed by 1 or more governmental units or instrumentalities whose obligations would qualify for investment under § 1306 of this title (public obligations) or 1 or more institutions whose obligations would qualify for investment under § 1308(a) or under § 1308(c)(2), (4) or (5) of this title (corporate obligations); and

(2) A mortgage on or secured interest in such real or personal property.

(b) No insurer shall make an investment pursuant to this section in obligations, other than those of institutions, if the aggregate amount so invested will exceed 10% of its assets or if the aggregate amount so invested as to which such rental, charter hire, purchase or other payments are payable or guaranteed by any 1 governmental unit or instrumentality or any 1 institution will exceed 5% of such assets. No insurer shall make any investment pursuant to this section in obligations of or in any affiliate (as defined in § 5001 of this title).

(18 Del. C. 1953, § 1332; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 79, § 31; 63 Del. Laws, c. 363, § 15; 71 Del. Laws, c. 202, § 11.)

§ 1332. Production payments.

Production payments, or interests therein evidenced by trust certificates or other instruments, payable from oil, gas or other hydrocarbons in producing properties located in the United States or Canada or the adjacent continental shelf if an obligation secured by and payable from such production payment or interest therein would qualify for investment under § 1308(a) or under § 1308(c)(1) of this title as an obligation which is adequately secured and has investment qualities and characteristics wherein the speculative elements are not predominant. The term "production payments" shall be deemed to mean rights to oil, gas or other hydrocarbons in place or as produced which entitle the owner thereof to a specified fraction or percentage of production until a specified sum of money has been received. No insurer shall make an investment pursuant to this section if the aggregate amount so invested will exceed 15% of its assets.

(63 Del. Laws, c. 363, § 16; 71 Del. Laws, c. 202, § 12.)

§ 1333. Rules and regulations [For application of this section, see 79 Del. Laws, c. 207, § 3].

The Commissioner may issue such reasonable rules, regulations and orders as the Commissioner may deem necessary or desirable to effectuate the purposes of this chapter, including setting standards for the prudent use by domestic insurers of derivative instruments and other qualified financial contracts (as defined in § 5901 of this title), and setting standards (including without limitation any limits or conditions) for domestic insurers qualifying for, entering into advance agreements and reporting borrowings from any federal home loan bank, as defined in 12 U.S.C. § 1422(1)(A).

(78 Del. Laws, c. 29, § 1; 79 Del. Laws, c. 207, § 1.)

For purposes of computing any limitation based upon cash and invested assets, the insurer shall deduct from the amount of its cash and invested assets the amount of the liability recorded on its statutory balance sheet for:

a. The return of acceptable collateral received in a reverse repurchase transaction or a securities lending transaction;

b. Cash received in a dollar roll transaction; and

c. The amount reported as borrowed money in the most recently filed financial statement, to the extent not included in paragraphs

(b) An insurer may otherwise at its option deposit assets in an amount exceeding its deposit required or otherwise permitted under this title by not more than 20% of such required or permitted deposit, or \$20,000, whichever is the larger amount, for the purpose of absorbing fluctuations in the value of assets deposited and to facilitate exchange and substitution of such assets. (18 Del. C. 1953, § 1511; 56 Del. Laws, c. 380, § 1.)

§ 1511. Deficiency of deposit.

If for any reason the market value of assets of an insurer held on deposit in this State as required under this title falls below the required amount, the insurer shall promptly deposit other or additional assets eligible for deposit sufficient to cure the deficiency. If the insurer has failed to cure the deficiency within 20 days after receipt of notice thereof by registered mail from the Commissioner, the Commissioner shall forthwith revoke the insurer's certificate of authority.

After such publication the Commissioner shall deliver the securities remaining on deposit to the insurer or its assigns when the Commissioner is satisfied, upon examination and the oaths of the president and secretary or other chief officers of the insurer, that all debts and liabilities of every kind due or to become due which the deposit was made to secure are paid or extinguished or otherwise adequately provided for.

(c) If the insurer has reinsured all its outstanding risks in another insurer or insurers, the Commissioner shall deliver such assets and securities to such insurer or insurers so assuming such risks, after publication of the notice required under subsection (b) of this section above, and upon proof to the Commissioner's satisfaction that:

(1) The assuming insurer has assumed and agreed to discharge all liabilities of every kind due and to become due which the deposit was to secure;

(2) The assuming insurer has on deposit in this State or with a state official in the United States, securities of a quality and in an amount and value not less than the deposit required of the reinsured insurer under this title and which will subsist for the security of the obligations of the reinsured insurer so assumed; and

(3) Such assets and securities have been duly assigned, transferred and set over to such assuming insurer or insurers.

(d) If such a withdrawal of deposit is desired by a foreign insurer, in addition to other requirements therefor the insurer shall notify its domiciliary state or province of the intended withdrawal and furnish to the Commissioner written acknowledgment by such state of such notification, in form satisfactory to the Commissioner.

(e) If the insurer is subject to delinquency proceedings as defined in § 5901 of this title, upon the order of a court of competent jurisdiction, the Commissioner shall yield the insurer's assets held on deposit to the receiver, conservator, rehabilitator or liquidator of the insurer, or to any other properly designated official or officials who succeed to the management and control of the insurer's assets.

(f) No release of deposited assets shall be made except upon application to and the written order of the Commissioner. The Commissioner shall have no personal liability for any release of any such deposit or part thereof so made by him or her in good faith.

(18 Del. C. 1953, § 1513; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 1513. Deposit for "registered" life insurance policies and bonds.

(a) Deposits made with the Commissioner in connection with "registered" policies and bonds heretofore issued in this State by a life insurer shall be held as long as the policy or contract with respect to which such deposit was made continues in force.

(b) Deposits held with respect to policies and bonds still in force shall not be released, whether or not such policies and bonds have been reinsured or the entire liability thereunder assumed by another insurer, or the issuing insurer has become insolvent, subject to delinquency proceedings, or dissolved.

(c) Upon proof satisfactory to the Commissioner that certain of such policies or bonds have lapsed, been surrendered for cash value, matured, or otherwise terminated, and that all liabilities of the insurer to policyholders and beneficiaries or bondholders with respect thereto have been fully paid and discharged, the Commissioner may release any applicable portion of the deposit if the deposit is then in excess of the amount otherwise required. The Commissioner may accept and rely upon the records of the insurer, as kept, summarized, and reported to him or her in regular course of its business, as to any such payment and discharge.

(a) “Accredited state” means a state in which the insurance department or regulatory agency has qualified as meeting the minimum financial regulatory standards promulgated and established from time to time by the National Association of Insurance Commissioners (NAIC).

(b) “Control” or “controlled” has the meaning ascribed in Chapter 50 of this title.

(c) “Controlled insurer” means a licensed insurer which is controlled, directly or indirectly, by a producer.

(3) All captive insurers (for the purposes of this chapter, captive insurers are insurance companies owned by another organization whose exclusive purpose is to insure risks of the parent organization and affiliated companies or, in the case of groups and associations, insurance organizations owned by the insureds whose exclusive purpose is to insure risks to member organizations and/or group members and their affiliates).

(f) “Producer” means an insurance broker or brokers or any other person, firm, association or corporation, when, for any compensation, commission or other thing of value, such person, firm, association or corporation acts or aids in any manner in soliciting, negotiating or procuring the making of any insurance contract on behalf of an insured other than the person, firm, association or corporation.

(68 Del. Laws, c. 334, § 1.)

§ 1651. Applicability.

This chapter shall apply to licensed insurers as defined in § 1650 of this title, whether domiciled in this State or domiciled in a state that is not an accredited state having in effect a substantially similar law. All provisions of the Insurance Holding Company Act, to the extent they are not superseded by this chapter, shall continue to apply to all parties within holding company systems subject to this chapter.

(68 Del. Laws, c. 334, § 1.)

§ 1652. Minimum standards.

(a) *Applicability of section.* — (1) The provisions of this section shall apply if, in any calendar year, the aggregate amount of gross written premium on business placed with a controlled insurer by a controlling producer is equal to or greater than 5 percent of the admitted assets of the controlled insurer, as reported in the controlled insurer’s quarterly statement filed as of September 30 of the prior year.

(2) Notwithstanding paragraph (a)(1) of this section, the provisions of this section shall not apply if the controlling producer:

a. Places insurance only with the controlled insurer, or only with the controlled insurer and a member or members of the controlled insurer’s holding company system, or the controlled insurer’s parent, affiliate or subsidiary and receives no compensation based upon the amount of premiums written in connection with such insurance; and

b. Accepts insurance placements only from nonaffiliated subproducers, and not directly from insureds; and

c. The controlled insurer, except for insurance business written through a residual market facility such as Assigned Risk Plan, accepts insurance business only from a controlling producer, a producer controlled by the controlled insurer, or a producer that is a subsidiary of the controlled insurer.

(b) *Required contract provisions.* — A controlled insurer shall not accept business from a controlling producer and a controlling producer shall not place business with a controlled insurer unless there is a written contract between the controlling producer and the insurer specifying the responsibilities of each party, which contract has been approved by the board of directors of the insurer and contains the following minimum provisions:

(1) The controlled insurer may terminate the contract for cause, upon written notice to the controlling producer. The controlled insurer shall suspend the authority of the controlling producer to write business during the pendency of any dispute regarding the cause for the termination;

(2) The controlling producer shall render accounts to the controlled insurer detailing all material transactions, including information necessary to support all commissions, charges and other fees received by, or owing to, the controlling producer;

(3) The controlling producer shall remit all funds due under the terms of the contract to the controlled insurer on at least a monthly basis. The due date shall be fixed so that premiums or installments thereof collected shall be remitted no later than 90 days after the effective date of any policy placed with the controlled insurer under this contract;

(4) All funds collected for the controlled insurer's account shall be held by the controlling producer in a fiduciary capacity, in 1 or more appropriately identified bank accounts in banks that are members of the Federal Reserve System, in accordance with the provisions of the insurance law as applicable. (Funds of a controlling producer not required to be licensed in this State shall be maintained in compliance with the requirements of the controlling producer's domiciliary jurisdiction);

(5) The controlling producer shall maintain separately identifiable records of business written for the controlled insurer;

(6) The contract shall not be assigned in whole or in part by the controlling producer;

(7) The controlled insurer shall provide the controlling producer with its underwriting standards, rules and procedures, manuals setting forth the rates to be charged, and the conditions for the acceptance or rejection of risks. The controlling producer shall adhere to the standards, rules, procedures, rates and conditions. The standards, rules, procedures, rates and conditions shall be the same as those applicable to comparable business placed with the controlled insurer by a producer other than the controlling producer;

(8) The rates and terms of the controlling producer's commissions, charges or other fees and the purposes for those charges or fees.

The rates of the commissions, charges and other fees shall be no greater than those applicable to comparable business placed with the controlled insurer by producers other than controlling producers. For purposes of this paragraph and paragraph (b)(7) of this section, examples of "comparable business" include the same lines of insurance, same kinds of insurance, same kinds of risks, similar policy limits, and similar quality of business;

(9) If the contract provides that the controlling producer, on insurance business placed with the insurer, is to be compensated contingent upon the insurer's profits on that business, then such compensation shall not be determined and paid until at least 5 years after the premiums on liability insurance are earned and at least 1 year after the premiums are earned on any other insurance. In no event shall the commissions be paid until the adequacy of the controlled insurer's reserves on remaining claims has been independently verified pursuant to paragraph (d)(1) of this section;

(10) A limit on the controlling producer's writings in relation to the controlled insurer's surplus and total writings. The insurer may establish a different limit for each line or sub-line of business. The controlled insurer shall notify the controlling producer when the applicable limit is approached and shall not accept business from the controlling producer if the limit is reached. The controlling producer shall not place business with the controlled insurer if it has been notified by the controlled insurer that the limit has been reached; and

(11) The controlling producer may negotiate but shall not bind reinsurance on behalf of the controlled insurer on business the controlling producer places with the controlled insurer, except that the controlling producer may bind facultative reinsurance contracts pursuant to obligatory facultative agreements if the contract with the controlled insurer contains underwriting guidelines including, for both reinsurance assumed and ceded, a list of reinsurers with which such automatic agreements are in effect, the coverages and amounts or percentages that may be reinsured and commission schedules.

(c) *Audit committee.* — Every controlled insurer shall have an audit committee of the board of directors composed of independent directors. The audit committee shall annually meet with management, the insurer's independent certified public accountants, and an independent casualty actuary or other independent loss reserve specialist acceptable to the Commissioner to review the adequacy of the insurer's loss reserves.

(d) *Reporting requirements.* — (1) In addition to any other required loss reserve certification, the controlled insurer shall annually, on April 1 of each year, file with the Commissioner an opinion of an independent casualty actuary or such other independent loss reserve specialist acceptable to the Commissioner reporting loss ratios for each line of business written and attesting to the adequacy of loss reserves established for losses incurred and outstanding as of year-end (including incurred but not reported) on business placed by the producer; and

(2) The controlled insurer shall annually report to the Commissioner the amount of commissions paid to the producer, the percentage such amount represents of the net premiums written and comparable amounts and percentage paid to noncontrolling producers for placements of the same kinds of insurance.

(68 Del. Laws, c. 334, § 1.)

§ 1653. Disclosure.

The producer, prior to the effective date of the policy, shall deliver written notice to the prospective insured disclosing the relationship between the producer and the controlled insurer; except that, if the business is placed through a subproducer who is not a controlling producer, the controlling producer shall retain in the producer's records a signed commitment from the subproducer that the subproducer is aware of the relationship between the insurer and the producer and that the subproducer has or will notify the insured.

(68 Del. Laws, c. 334, § 1; 70 Del. Laws, c. 186, § 1.)

§ 1654. Penalties.

(a) (1) If the Commissioner believes that the controlling producer or any other person has not materially complied with this chapter, or any regulation or order promulgated hereunder, after notice and opportunity to be heard, the Commissioner may order the controlling

producer to cease placing business with the controlled insurer; and

(2) If it is found that because of such material noncompliance that the controlled insurer or any policyholder thereof has suffered any loss or damage, the Commissioner may maintain a civil action or intervene in an action brought by or on behalf of the insurer or policyholder for recovery of compensatory damages for the benefit of the insurer or policyholder or other appropriate relief.

(b) If an order for liquidation or rehabilitation of the controlled insurer has been entered pursuant to Chapter 59 of this title, and the receiver appointed under that order believes that the controlling producer or any other person has not materially complied with this chapter, or any regulation or order promulgated hereunder, and the insurer suffered any loss or damage therefrom, the receiver may maintain a civil action for recovery of damages or other appropriate sanctions for the benefit of the insurer.

(c) Nothing contained in this section shall affect the right of the Commissioner to impose any other penalties provided for in the Insurance Law.

(d) Nothing contained in this section is intended to or shall in any manner alter or affect the rights of policyholders, claimants, creditors or other 3rd parties.

Before approving the application, the Insurance Commissioner shall find that the individual:

(1) Is at least 18 years of age;

(2) Has not committed any act that is a ground for denial, suspension or revocation set forth in § 1712 of this title;

(3) Has paid the fees set forth in Chapter 7 of this title; and

(4) Has successfully passed the examinations for the lines of authority for which the person has applied, unless specifically exempted from such examination by this chapter.

(b) (1) Any person applying for a resident license, whether a resident applicant or a nonresident applicant that has declared Delaware to be his or her home state, shall submit fingerprints and other necessary information to the State Bureau of Identification in order to obtain all of the following:

a. A report of the person's entire criminal history record from the State Bureau of Identification or a statement from the State Bureau of Identification that the State Bureau of Identification Central Repository contains no such information relating to that person.

b. A report of the person's entire federal criminal history from the Federal Bureau of Investigation pursuant to the Federal Bureau of Investigation appropriation of Title II of Public Law 92-544 (28 U.S.C. § 534, note) or a statement that the Federal Bureau of Investigation's records contain no such information relating to that person.

(2) The State Bureau of Identification shall be the intermediary for purposes of this section and the Department shall be the screening point for the receipt of federal criminal history reports required by paragraph (b)(1)b. of this section.

(3) The State Bureau of Identification shall forward all information obtained under this subsection to the Department.

(4) A person required to obtain criminal history reports under this subsection is responsible for any costs associated with obtaining the criminal history reports.

(c) Every applicant for a license as an apprentice adjuster or apprentice property damage appraiser must file with the Commissioner a certification from one holding a license as an adjuster or property damage appraiser in which said holder of the license assumes responsibility for the applicant's training and for all actions undertaken by the applicant pursuant to the requested license.

(e) All premiums, return premiums or other funds received in any manner by a licensee or a surplus lines broker shall be held in a fiduciary capacity and shall be accounted for by such licensee or surplus lines broker. The licensee or surplus lines broker shall, in the ordinary course of business, pay the funds to the insured or the insured's assignee, insurer, insurance premium finance company or agent entitled to the payment.

(f) A business entity acting as an insurance producer, adjuster or appraiser is required to obtain a license pursuant to this chapter. Application shall be made using the Uniform Business Entity Application or on forms prescribed by the Commissioner for license types and lines of authority not available on the Uniform Business Entity Application. Before approving the application, the Insurance Commissioner shall find that:

(1) The business entity has paid the fees set forth in Chapter 7 of this title; and

(2) The business entity has designated a licensed producer, adjuster or appraiser, as applicable, responsible for the business entity's compliance with the insurance laws, rules and regulations of this State. If the license of a business entity's designated responsible licensee is no longer active (whether due to expiration, suspension, revocation or otherwise), the license of such business entity shall be immediately suspended until such time as a designated responsible licensee in good standing is designated as such business entity's responsible producer, adjuster or appraiser, as applicable.

(g) The Insurance Commissioner may require any documents reasonably necessary to verify the information contained in an application.

(h) Each insurer that sells, solicits or negotiates any form of limited line credit insurance shall provide to each individual whose duties will include selling, soliciting or negotiating limited line credit insurance a program of instruction that may be approved by the Insurance Commissioner.

(i) No resident of Canada may be licensed as an adjuster pursuant to this section or may designate Delaware as the adjuster's home state, unless such person has successfully passed the adjuster examination and has complied with other applicable portions of this section.

(j) A business entity applying for a license as an adjuster for portable electronic insurance claims shall submit such application on a form as prescribed by the Commissioner. - (1) Property insurance.
- (2) Casualty insurance.
- (3) Fidelity and surety insurance.
- (4) Automobile insurance.
- (5) Marine and transportation insurance.
- (6) Crop insurance.
- (7) Workers compensation insurance.

(f) A license issued pursuant to this chapter shall remain in effect unless revoked or suspended as long as the fee set forth in Chapter 7 of this title is paid and education requirements for resident licensees are met by the due date. Notwithstanding anything to the contrary in this chapter, a licensee's failure to pay the fees set forth in Chapter 7 of this title or meet the education requirements established by the Commissioner shall result in the lapse by operation of law of the license issued to such licensee, without any notice required to be sent by the Department of Insurance to the licensee.

(g) An individual licensee who fails to timely renew and, as a result, allows his or her license to lapse may, within 12 months from the due date of the renewal fee or due date for the completion of the education requirements, as applicable, reapply for the same license without the necessity of passing a written examination. However, a penalty in the amount of double the unpaid renewal fee shall be required for any renewal fee received after the due date and within the first grace period of 6 months from the due date of the renewal fee; and may be subject to a civil fine of not less than \$200 and not more than \$1,000 within the second grace period of 6 months after the due date of the first grace period. Prior to any such license being reissued, the licensee shall provide evidence of compliance with all continuing education requirements for the relevant renewal period. Licensees who do not intend to renew their licenses must, on or prior to the due date of the renewal fee or due date for the completion of the education requirements, as applicable, submit to the Department a notice of voluntary surrender of their license in a form approved by the Department. Licensees who fail to timely renew within the grace period set forth in this subsection and do not otherwise submit a timely notice of voluntary surrender shall be subject to the same civil fine imposed on those licensees who renew within the second grace period referenced above, with such fine to be payable prior to being able to reapply for a Delaware license.

(h) A licensee who is unable to comply with license renewal procedures due to military service or some other extenuating circumstance (e.g., a long-term medical disability) may request a waiver of those procedures. The licensee may also request a waiver of any examination requirement or any other fine or sanction imposed for failure to comply with renewal procedures.

(i) The license shall contain the licensee's name, address, and personal identification number, and the date of issuance, the lines of authority, the expiration date and any other information the Insurance Commissioner deems necessary.

(j) Licensees shall inform the Insurance Commissioner by any means acceptable to the Insurance Commissioner of a legal name change or a change of physical mailing address or electronic mail address within 30 days of the change. Failure to timely inform the Insurance Commissioner of a change in legal name or address as required by this subsection shall result in a penalty pursuant to § 1712(a) and/or (d) of this title.

(k) The Commissioner may issue a new license for any lost, stolen or destroyed license issued pursuant to this chapter upon written request from the licensee and payment of appropriate fees for such duplicate license. In order to assist in the performance of the Insurance Commissioner's duties, the Insurance Commissioner may contract with nongovernmental entities, including the National Association of Insurance Commissioners (NAIC) or any affiliates or subsidiaries that the NAIC oversees, to perform any ministerial functions, including the collection of fees, related to producer, adjuster and appraiser licensing that the Insurance Commissioner and the nongovernmental entity may deem appropriate.

(l) The Commissioner may participate, in whole or in part, with the NAIC, or any affiliates or subsidiaries the NAIC oversees, in a centralized license registry where insurance producer licenses, adjuster licenses, appraiser licenses and appointments may be centrally or simultaneously effected for all states that require an insurance producer license, adjuster license or appraiser license and participate in such

centralized license registry. If the Commissioner finds that participation in such a centralized license registry is in the public interest, the Commissioner may adopt by rule any uniform standards and procedures as necessary to participate in the registry. This includes the central collection of all fees for licenses or appointments that are processed through the registry.

(m) *Records.* — The licensee shall maintain at his or her principal place of business the license issued by the Commissioner, together with such records as may be reasonably required by the Commissioner. Such records shall show:

(1) With respect to insurance producers, for each policy or contract placed or countersigned by or through the licensee, names of the insurers, insureds, policy number, expiration date thereof, premium payable under the terms of the policy or contract, and such other information as the Commissioner may, from time to time, require;

(2) With respect to adjusters, for each claim settled or adjusted, names of the insurers, insureds, policy number, the amount for which the claim was adjusted or settled, and such other information as the Commissioner may, from time to time, require; and

(3) With respect to appraisers, for each appraisal submitted, the names of the insured and the person for whom the appraisal was completed, a copy of the written appraisal, and such other information as the Commissioner may, from time to time, require.

Records shall be retained and available for inspection by the Commissioner for a period of 3 years.

(e) No license shall be required for any of the following:

(1) An adjuster or appraiser sent into this State on behalf of an insurer for the investigation of a particularly unusual or extraordinary loss, or series of losses, resulting from a catastrophe common to all such losses; provided that such adjuster or appraiser shall furnish to the Commissioner written notice within 10 calendar days of any such catastrophic insurance adjustment or appraisal work.

(2) An individual who, in regards to portable electronics insurance claims, collects claim information from, or furnishes claim information to, insureds or claimants, and who conducts data entry including entering data into an automated claims adjudication system, provided that the individual is an employee of a licensed independent adjuster or its affiliate where no more than 25 such persons are under the supervision of 1 licensed independent adjuster or licensed producer. A producer who is acting as a supervisor and adjusting claims pursuant to this paragraph is not required to be licensed as an adjuster. For purposes of this section, “automated claims adjudication system” means a preprogrammed computer system designed for the collection, data entry, calculation and final resolution of portable electronics insurance claims which:

a. Is only utilized by a licensed independent adjuster, licensed producer, or supervised individuals operating pursuant to this paragraph;

b. Complies with all claims payment requirements of the insurance code; and

c. Is certified as compliant with this section by a licensed independent adjuster that is an officer of a licensed business entity under this chapter.

§ 1708. Nonresident licensing.

(a) Unless denied licensure pursuant to § 1712 of this title, a nonresident person shall receive a nonresident license if:

(1) The person is currently licensed as a resident and in good standing in that person’s home state; and

(2) The person has submitted the proper request for licensure and has paid the fees required by Chapter 7 of this title; and

(3) The person has submitted or transmitted to the Insurance Commissioner the application for licensure that the person submitted to his or her home state, or in lieu of the same, a completed Uniform Application or forms prescribed by the Commissioner for license types and lines of authority not available on the Uniform Application; and

(4) The person’s home state awards nonresident licenses to residents of this State on the same basis.

Nonresident adjusters whose home states (including designated home states) do not have examination requirements for adjusters shall be required to satisfy this State’s examination requirements prior to licensure.

Except where prohibited by state or federal law, by submitting an application for license, the applicant shall be deemed to have appointed the Commissioner as the agent for service of process on the applicant in any action or proceeding arising in this State out of or in connection with the exercise of the license. Such appointment of the Commissioner as agent for service of process shall be irrevocable during the period within which a cause of action against the applicant may arise out of transactions with respect to subjects of insurance in this State. Process shall be served upon the Commissioner or any Deputy Insurance Commissioner or such other person or persons as the Commissioner shall designate by rule or regulation.

(b) The Insurance Commissioner may verify the licensee’s licensing status through the Producer Database maintained by the National Association of Insurance Commissioners, its affiliates or subsidiaries. If a nonresident licensee’s license in his or her home state is no longer in good standing (whether as a result of suspension, revocation or other action by the home state regulator), such licensee’s nonresident license shall, 30 days after the final action taken with respect to the home state license, lapse by operation of law, without any notice required to be sent by the Department of Insurance to the licensee.

(c) A nonresident licensee who moves from 1 state to another state or a resident licensee who moves from this State to another state shall file a change of address and provide certification from the new resident state within 30 days of the change of legal residence. No license fee or license application is required.

(d) Notwithstanding any other provision of this chapter, a person licensed as a surplus lines producer in his or her home state shall receive a nonresident surplus lines producer license pursuant to subsection (a) of this section. Except as to subsection (a) of this section, nothing in this section otherwise amends or supersedes any provision of Chapter 19 of this title.

(e) Notwithstanding any other provision of this chapter, a person licensed as a limited line credit insurance or other type of limited lines producer in that person's home state shall receive a nonresident limited lines producer license, pursuant to subsection (a) of this section, granting the same scope of authority as granted under the license issued by the producer's home state. For the purposes of this subsection, limited line insurance is any authority granted by the home state which restricts the authority of the license to less than the total authority prescribed in the associated major lines pursuant to § 1707(a)(1) through (6) of this title.

(f) Insurance for an insurer authorized to do business in Delaware which is permitted as a limited line of insurance in a Delaware nonresident producer's home state and is not described in this section shall have the same scope of authority as granted under the limited license issued by the producer's resident state, which shall be briefly described on the license issued.

§ 1709. Exemption from examination.

(a) An individual who applies for a license in this State who was previously licensed for the same lines of authority in another state shall not be required to complete any preclicensing education or examination. This exemption is only available if the person is currently licensed in that state or if the application is received within 90 days of the cancellation of the applicant's previous license and if the prior state issues a certification that, at the time of cancellation, the applicant was in good standing in that state or the state's Producer Database records maintained by the National Association of Insurance Commissioners, its affiliates or subsidiaries indicate that the individual is or was licensed in good standing for the line of authority requested.

(b) A person licensed as an insurance producer, adjuster or appraiser in another state who moves to this State shall make application within 90 days of establishing legal residence to become a resident licensee pursuant to § 1706 of this title. No preclicensing education or examination shall be required of that person to obtain any line of authority previously held in the prior state except where the Insurance Commissioner determines otherwise by regulation.

(c) An applicant for a license as a producer for title insurance who is an attorney licensed to practice law in this State shall not be required to complete any preclicensing education or examination.

(d) An applicant for a license as a travel insurance licensee shall not be required to complete any preclicensing education or examination.

(e) An applicant for a license as an automobile club licensee shall not be required to complete any preclicensing education or examination.

(f) An applicant for a license as a self-service storage producer shall not be required to complete any preclicensing education or examination.

§ 1710. Assumed names.

A licensee doing business under any name other than the licensee's legal name is required to notify and receive the approval of the Insurance Commissioner prior to using the assumed name. Such notification shall include proof that the licensee has registered the assumed name with the appropriate state authority.

(73 Del. Laws, c. 80, § 1; 80 Del. Laws, c. 215, § 9.)

§ 1711. Temporary licensing.

(a) The Insurance Commissioner may issue a temporary license for a period not to exceed 180 days without requiring an examination if the Insurance Commissioner deems that the temporary license is necessary for the servicing of an insurance business in the following cases:

(1) To the surviving spouse or court-appointed personal representative of a licensee who dies or becomes mentally or physically disabled to allow adequate time for the sale of the insurance business owned by the licensee or for the recovery or return of the licensee to the business or to provide for the training and licensing of new personnel to operate the licensee's business;

(2) To a member or employee of a business entity licensed as an insurance producer, adjuster or appraiser, upon the death or disability of an individual designated in the business entity application or the license;

(3) To the designee of a licensee entering active service in the armed forces of the United States of America; or

(4) In any other circumstance where the Insurance Commissioner deems that the public interest will best be served by the issuance of this license.

(b) The Insurance Commissioner may by order limit the authority of any temporary licensee in any way deemed necessary to protect insureds and the public. The Insurance Commissioner may require the temporary licensee to have a suitable sponsor who is a licensed producer, adjuster, appraiser or insurer, as applicable, and who assumes responsibility for all acts of the temporary licensee and may impose other similar requirements designed to protect insureds and the public. The Insurance Commissioner may by order revoke a

temporary license if the interest of insureds or the public are endangered. A temporary license may not continue after the owner or the personal representative disposes of the business.

(59 Del. Laws, c. 577, § 1; 64 Del. Laws, c. 121, § 1; 70 Del. Laws, c. 424, § 1; 73 Del. Laws, c. 80, § 1; 80 Del. Laws, c. 215, § 10.)

§ 1712. License denial, nonrenewal or revocation.

(a) The Insurance Commissioner may place on probation, suspend, revoke or refuse to issue or renew a license or may levy a penalty in accordance with subsection (d) of this section or any combination of actions, for any 1 or more of the following causes:

(1) Providing incorrect, misleading, incomplete or materially untrue information in the license application or presenting, causing to be presented, preparing, assisting, abetting, soliciting or conspiring with another to prepare any document in the conduct of the licensee's business that contains false, incomplete or misleading information concerning any fact material to such document;

(14) Failing to pay state income tax or comply with any administrative or court order directing payment of state income tax; or

(15) Failing to provide preliminary substantive responses to inquiries from the Department regarding violations of this title within 21 calendar days of such inquiry.

(b) In the event that the action by the Insurance Commissioner is to nonrenew or to deny an application for a license, the Insurance Commissioner shall notify the applicant or licensee and advise, in writing, the applicant or licensee of the reason for the denial or nonrenewal of the applicant's or licensee's license. The applicant or licensee may make written demand upon the Insurance Commissioner within 10 days for a hearing before the Insurance Commissioner to determine the reasonableness of the Insurance Commissioner's action. The hearing shall be held pursuant to the Administrative Procedures Act, Chapter 101 of Title 29, and such additional implemented regulations as may be published by the Commissioner.

(c) The license of a business entity may be suspended, revoked or refused if the Insurance Commissioner finds, after hearing, that an individual licensee's violation was known or should have been known by 1 or more of the partners, officers or managers acting on behalf of the business entity and the violation was neither reported to the Insurance Commissioner nor was corrective action taken.

(d) In addition to or in lieu of any applicable denial, suspension or revocation of a license, a person may, after hearing, be subject to a fine of not less than \$200 and not more than \$20,000 for each such violation. The date on which payment shall be due shall be not less than 30 days following the date of the Commissioner's order unless otherwise specified in the order. The Commissioner may institute a civil action to recover fines so levied and shall pay over all fines paid and recovered to the State Treasurer.

(e) The Insurance Commissioner shall retain the authority to enforce the provisions of and impose any penalty or remedy authorized by this chapter and this title against any person who is under investigation for or charged with a violation of this chapter or this title even if the person's license or registration has been surrendered or has lapsed by operation of law. (f) The Commissioner may place any individual or business entity on probation for a period of 1 year for violation of any insurance laws, rules, regulations and orders. The probationary period will not exceed 1 year.

(g) A person whose license has been revoked or suspended on 2 occasions shall not again be licensed under this title.

§ 1713. Conservation of insurance business.

(a) If the Commissioner finds that the business of any licensee in this State has become financially impaired or insolvent, or has been

abandoned by the licensee, or has been conducted in such a manner as to require or justify revocation of the licenses of that licensee, and if the Commissioner further finds that the conservation and administration of the business of the licensee would be in the public interest, he or she shall file in the Court of Chancery in the county in which the insurance business is located a petition for the appointment of the Commissioner as conservator or receiver of such licensee's business except by leave of the Court.

(b) The petition shall be verified by the Commissioner and shall set forth the facts and circumstances from which the existence of 1 or more of the grounds required under subsection (a) of this section may be determined; such petition may request that the licensee be required to show cause why the petition should not be granted.

(c) A copy of the petition and of the order to show cause, if they are issued, shall be served upon the licensee in the same manner as provided by law of this State for service of other legal process.

(d) Upon the filing of a petition and pending a hearing upon the order to show cause, the Court may, upon good cause shown and without notice to the other party, appoint the Commissioner as temporary conservator or receiver of the licensee's business.

(e) The Commissioner shall, as conservator or receiver, be authorized and empowered to conduct and administer the affairs of the licensee's business in order to expeditiously terminate such business and, to the extent reasonably possible, to provide services and an accounting for funds to all persons previously insured and to insurers who have previously been doing business through such licensee. Subject to the Court's order, the Commissioner shall have the power to collect funds owed to the licensee on account of insurance business transacted by him or her, and to account for and make payment of those funds to such persons as are entitled to them.

(f) The Commissioner may delegate the actual conduct and administration of the business of the licensee and no charges for services so rendered shall be made against the funds or assets of the licensee business except by leave of the Court.

(g) Except as expressly herein provided, receivership or conservatorship shall be subject to the applicable laws of this State and to the order of any court of competent jurisdiction.

§ 1714. Commissions.

(a) An insurance company or insurance producer shall not pay a commission, service fee, brokerage or other valuable consideration to a person for selling, soliciting or negotiating insurance in this State if that person is required to be licensed under this chapter and is not so licensed.

(b) A person shall not accept a commission, service fee, brokerage or other valuable consideration for selling, soliciting or negotiating insurance in this State if that person is required to be licensed under this chapter and is not so licensed.

(c) Renewal or other deferred commissions may be paid to a person for selling, soliciting or negotiating insurance in this State if the person was required to be licensed under this chapter at the time of the sale, solicitation or negotiation and was so licensed at that time.

(d) An insurer or insurance producer may pay or assign commissions, service fees, brokerages or other valuable consideration to an insurance agency or to persons who do not sell, solicit or negotiate insurance in this State, unless the payment would violate §§ 2303 and 2304 of this title.

(b) To appoint a producer as its agent, the appointing insurer shall file, in a format approved by the Insurance Commissioner, a notice of

The group appointment provision of this section is only applicable upon implementation by this Department of an electronic appointment process.

(c) Upon receipt of the notice of appointment, the Insurance Commissioner shall verify within a reasonable time not to exceed 30 days that the insurance producer is eligible for appointment. If the insurance producer is determined to be ineligible for appointment, the Insurance Commissioner shall notify the insurer within 5 days of its determination.

(d) *Copy of notification to be provided to producer.* — (1) Within 15 days after making the notification required by subsections (a), (b) and (c) of this section, the insurer shall mail a copy of the notification to the producer at his or her last known address. (e) *Immunities.* — (1) In the absence of actual malice, an insurer, the authorized representative of the insurer, a producer, the Insurance Commissioner, or an organization of which the Insurance Commissioner is a member and that compiles the information and makes it available to other Insurance Commissioners or regulatory or law-enforcement agencies shall not be subject to civil liability, and a civil cause of action of any nature shall not arise against these entities or their respective agents or employees as a result of any statement or information required by or provided pursuant to this section or any information relating to any statement that may be requested in writing by the Insurance Commissioner from an insurer or producer or a statement by a terminating insurer or producer to an insurer or producer limited solely and exclusively to whether a termination for cause under subsection (a) of this section was reported to the Insurance Commissioner, provided that the propriety of any termination for cause under subsection (a) of this section is certified in writing by an officer or authorized representative of the insurer or producer terminating the relationship.

(2) In any action brought against a person that may have immunity under paragraph (e)(1) of this section for making any statement required by this section or providing any information relating to any statement that may be requested by the Insurance Commissioner, the party bringing the action shall plead specifically in any allegation that paragraph (e)(1) of this section does not apply because the person making the statement or providing the information did so with actual malice.

(g) *Penalties for failing to report.* — An insurer, the authorized representative of the insurer, or a producer that fails to report as required under the provisions of this section or that is found to have reported with actual malice by a court of competent jurisdiction may, after notice and hearing, have its license or certificate of authority suspended or revoked and may be fined in accordance with this title.

Chapter 19
DELAWARE NONADMITTED INSURANCE ACT
Subchapter I
Compliance with Federal Statutes

§ 1901. Finding and purpose.

(a) It is determined and declared as a matter of legislative finding that it is in the public interest to cooperate on a reciprocal basis with other states in considering procedures which implement the provisions of the Nonadmitted and Reinsurance Reform Act of 2010 [15 U.S.C. § 8201 et seq.].

(b) It is further determined and declared that the purpose and policy of this chapter shall be to:

(1) Carry out the requirements of the Nonadmitted and Reinsurance Reform Act of 2010 [15 U.S.C. § 8201 et seq.] as such act existed on January 1, 2011;

(2) Provide authority for the Insurance Commissioner to enter into an interstate cooperative agreement, reciprocal agreement, or compact if doing so is in the best interests of this State; and

(3) Regulate the placement of insurance coverage with nonadmitted insurers when this State is the home state of the insured.

(78 Del. Laws, c. 176, § 1.)

§ 1902. Home state regulation of nonadmitted insurance.

(a) The placement of nonadmitted insurance business shall be subject to the statutory and regulatory requirements solely of the insured's home state as defined in this chapter.

(b) This section may not be construed to preempt any law, rule, or regulation that restricts the placement of workers' compensation insurance or excess insurance for self-funded workers' compensation plans with a nonadmitted insurer.

(78 Del. Laws, c. 176, § 1.)

§ 1903. Interstate insurance regulatory cooperation.

(a) The Commissioner is authorized to enter into an interstate cooperative agreement, reciprocal agreement, or compact, hereafter "Agreement," for the purpose of carrying out the Nonadmitted and Reinsurance Reform Act of 2010 [15 U.S.C. § 8201 et seq.] (NRRA) and to facilitate the collection, allocation, and disbursement of premium taxes attributable to the placement of nonadmitted insurance, to provide for uniform methods of allocation and reporting among nonadmitted insurance risk classifications, and share information among states relating to nonadmitted insurance premium taxes.

(b) The Commissioner may also enter into other cooperative agreements with surplus lines stamping offices located in this state or other states for the reporting and capturing of related tax information. In addition, the Commissioner may enter into cooperative agreements with processing entities located in this State or other states related to the capturing and processing of insurance premium and tax data.

(c) The Commissioner may participate in a clearinghouse operation established for the purpose of collecting and disbursing to reciprocal states any premium tax funds collected applicable to properties, risks, or exposures located or to be performed outside of this State. The Commissioner may also participate in such clearinghouse for purposes of surplus lines policies applicable to risks located solely within this State.

(d) In order to assist in the performance of the Commissioner's duties, under the NRRA, the Commissioner may contract with nongovernmental entities, including the NAIC or any affiliates or subsidiaries that the NAIC oversees, to perform any ministerial functions that the Commissioner and the nongovernmental entity may deem to be appropriate, including:

(1) The collection of fees related to producer licensing; and

(2) The collection of the premium tax under § 1925 of this title.

The NAIC or other entity with whom the Commissioner contracts may charge a reasonable fee to the insurer, insured, or other appropriate person for the functions performed.

(e) An Agreement entered into under this section prevails over an inconsistent rule of the Commissioner. Except as otherwise provided by this section, a statute of this State prevails over an inconsistent provision of an Agreement entered into under this section.

(f) The Commissioner may adopt rules as necessary to implement this chapter or the terms of an Agreement entered into under this section. In adopting rules under this chapter, the Commissioner may not adopt a rule that does not specifically implement this chapter or the Agreement.

(78 Del. Laws, c. 176, § 1.)

§ 1903A. Nonadmitted Reinsurance and Reform Act of 2010 Implementation Revenue Study.

(a) The Insurance Commissioner shall establish a Nonadmitted and Reinsurance Reform Act of 2010 [15 U.S.C. § 8201 et seq.] (NRRA) Implementation Revenue Study Committee to study the potential impact that would result from the State's entrance into an Agreement pursuant to § 1903 of this title in order to prevent the State from losing revenue after July 21, 2011, the effective date of the NRRA. The Committee shall determine if entering into an Agreement would result in retention of out-of-state surplus lines tax revenue for the State and, if so, which Agreement would result in the most retention of surplus lines tax revenue for the State and the most cost-efficient method of administering the collection and distribution of tax revenues. Notwithstanding subsection (b) of this section, the Committee shall report its findings and recommendations, including any proposed legislation, to the chairs of the respective Senate and House committees, the Senate Pro-Tempore, the Speaker of the House and to the Controller General no later than January 2012.

(b) In the event that an interstate surplus lines tax allocation, reporting and payment system becomes operational and the Insurance Commissioner determines that the State of Delaware is likely to lose significant revenue by delaying the decision to enter into an Agreement pursuant to § 1903 of this title until after completion of the report by the NRRA Implementation Revenue Study Committee, then the Commissioner may enter into an Agreement after notice and hearing, which shall involve testimony regarding the Commissioner's determination, and the burden the tax allocation, reporting and payment system selected would impose on brokers.

- (2) Each insurer is authorized to write the type of insurance in its domiciliary jurisdiction; and
- (3) The full amount of insurance required must not be procurable, after diligent effort has been made to do so, from among the insurers authorized to transact and actually writing that kind and class of insurance in this State, and the amount of insurance exported shall be only the excess over or other than the amount procurable from authorized insurers; and
- (4) The insurance must not be so exported for the purpose of securing advantages either as to:
 - a. A lower premium rate than would be accepted by an authorized insurer; or
 - b. Terms of the insurance contract.
- (5) All other requirements of this chapter are met.

(b) For purposes of this section, "type of insurance" means the hazard or combination of hazards covered by a contract of insurance.

(c) Each surplus line broker shall be responsible to ensure that a diligent effort is made among insurers that are admitted to transact and are actually writing the particular type of insurance in this State before procuring the insurance for a home state insured from a nonadmitted insurer.

- (1) A diligent search shall only be performed by a surplus lines broker or a producer licensed in this State that holds an active

property and casualty insurance producer license.

(2) An insurance producer or surplus lines broker is exempt from the diligent effort requirements of this section if the producer or surplus lines broker is procuring insurance for a risk purchasing group as provided in Chapter 80 of this title.

(d) Except as provided in paragraph (c)(2) of this section and § 1914 of this title, the Commissioner shall by regulation establish the degree of effort required to comply with paragraphs (a)(3) and (4) of this section and the means to certify to the accuracy of the facts supporting the surplus line broker's diligent search effort.

(b) A broker shall not knowingly place surplus lines insurance with an insurer that is unsound financially or that does not meet the eligibility requirements under subchapter III of this chapter.

(c) Before placing insurance with a nonadmitted insurer, all surplus lines brokers shall make a thorough inquiry into the financial condition and operating history of such insurer in order that the interests of the citizens of Delaware may be protected.

(d) During the course of placing business with a nonadmitted insurer, either foreign or alien, each surplus lines broker shall be under a continuous duty to apprise himself or herself that such insurer maintains a condition of solvency and general financial health, and that the company processes claims and pays losses expeditiously.

(e) Whenever any reasonable doubt arises as to the capacity, competence, stability or good faith of a nonadmitted insurer with which a surplus lines broker places insurance on behalf of the public of Delaware, the broker is under a further duty to inform the Insurance Commissioner of the basis of such doubt. Any broker in a position of doubt shall immediately cease and desist placing further business with such insurer.

(1) The broker procuring or placing the surplus lines insurance has disclosed to the exempt commercial purchaser that such insurance may or may not be available from the admitted market that may provide greater protection with more regulatory oversight; and

(2) The exempt commercial purchaser has subsequently requested in writing the broker to procure or place such insurance from a nonadmitted insurer.

(b) For purposes of this section, the term "exempt commercial purchaser" means any person purchasing commercial insurance that, at the time of placement, meets the following requirements:

§ 1915. Open lines for export.

(a) The Commissioner may by order declare eligible for export for a home state insured, generally and without compliance with the provisions of § 1912 of this title, any class or classes of insurance coverage or risk for which the Commissioner finds, after a hearing of which notice was given to each insurer authorized to transact such class or classes in this State, that there is not a reasonable or adequate market among authorized insurers either as to acceptance of the risk, contract terms, or premium rate. Any such order shall continue in effect during the existence of the conditions upon which predicated, but subject to earlier termination by the Commissioner.

(b) The broker shall file as directed by the Commissioner a memorandum as to each such coverage placed by him or her in a nonadmitted insurer for a home state insured, in such form and context as the Commissioner may reasonably require for the identification of the coverage and determination of the tax payable to the state relative thereto.

(c) The broker or a licensed Delaware producer of the authorized insurer may also place with authorized insurers any insurance coverage made eligible for export generally under subsection (a) of this section above, and without regard to rate or form filings which may otherwise be applicable as to the authorized insurer. § 1916. Evidence of the insurance; changes; penalty.

(a) Upon placing a surplus lines coverage for a home state insured, the broker shall promptly issue and deliver to the insured evidence of the insurance consisting either of the policy as issued by the insurer or, if such policy is not then available, the surplus line broker's certificate. Such a certificate shall be executed by the broker and shall show the name and license number of the individual surplus lines broker, the description and location of the subject of the insurance, coverage, conditions and term of the insurance, the premium and rate charged, taxes collected from the insured, and the name and address of the insured and insurer. If the risk is assumed by more than 1 insurer, the certificate shall state the name and address and proportion of the entire risk assumed by each such insurer.

(b) No broker shall issue any such certificate or any cover note, or purport to insure or represent that insurance will be or has been granted by any nonadmitted insurer, unless he or she has prior written authority from the insurer for the insurance, or has received information from the insurer in the regular course of business that such insurance has been granted, or an insurance policy providing the insurance actually has been issued by the insurer and delivered to the insured.

(c) If after the issuance and delivery of any such certificate there is any change as to the identity of the insurers, or the proportion of the direct risk assumed by an insurer as stated in the broker's original certificate, or in any other material respect as to the insurance evidenced by the certificate, the broker shall promptly issue and deliver to the insured or the original producing agent a substitute for, or endorsement of, the original document, accurately showing the current status of the coverage and the insurers responsible for the coverage.

(d) As soon as reasonably possible after the placement of the insurance, the surplus lines broker shall deliver a copy of the policy or, if not available, a certificate of insurance to the insured or producing agent to replace any evidence of insurance previously issued. Each certificate or policy of insurance shall contain or have attached a complete record of all policy insuring agreements, conditions, exclusions, clauses, endorsements or any other material facts that would regularly be included in the policy.

(e) Any surplus lines broker, who knowingly or negligently issues a false certificate of insurance or who fails promptly to notify the insured of any material change with respect to such insurance by delivery to the insured of a substitute certificate as provided in subsection (c) of this section, shall, upon conviction, be subject to the penalty provided by § 106 of this title or to any greater applicable penalty otherwise provided by law.

(3) This subsection shall not apply to an insured in this State who independently procures insurance.

(b) Every insurance contract procured and delivered as surplus lines coverage pursuant to this law shall have stamped or printed upon it, initialed by and bearing the name of the individual surplus lines broker who procured it, the following disclosure statement:

“This insurance contract is issued pursuant to the Delaware Insurance Laws by an insurer neither licensed by nor under the jurisdiction of the Delaware Insurance Department. This insurer does not participate in insurance guaranty funds created by state law. In the event of the insolvency of the surplus lines insurer, losses will not be paid by the state insurance guaranty fund.”

(c) When a contract is issued to an exempt commercial purchaser as described in § 1914 of this title, neither the nonadmitted insurer nor the surplus line broker is required to provide the notice required in this section except on the confirmation of insurance, the certificate of placement, or the policy, whichever is first provided to the insured, nor is the insurer or surplus line broker required to obtain the insured's signature. The producer shall ensure that the notice affixed to the confirmation of insurance, certificate of placement, or the policy is provided to the insured.

(d) Paragraph (a)(1)a. and subsection (b) of this section shall not apply when the surplus lines coverage is procured from a domestic surplus lines insurer pursuant to § 1932 of this title.

(b) As to a surplus lines risk which has been assumed by a nonadmitted insurer pursuant to this surplus lines insurance law, and if the premium thereon has been received by the surplus line broker who placed such insurance, in all questions thereafter arising under the coverage as between the insurer and the insured the insurer shall be deemed to have received the premium due to it for such coverage, and the insurer shall be liable to the insured as to losses covered by such insurance and for unearned premiums which may become payable to the insured upon cancellation of such insurance, whether or not in fact the broker is indebted to the insurer with respect to such insurance or for any other cause.

(c) Each nonadmitted insurer assuming a surplus lines risk under this surplus lines insurance law shall be deemed thereby to have subjected itself to the terms of this section.

(18 Del. C. 1953, § 1911; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1; 78 Del. Laws, c. 176, § 2.)

b. The requirements of this paragraph (a)(1) may be satisfied by an insurer possessing less than the minimum capital and surplus upon an affirmative finding of acceptability by the Commissioner. The finding must be based upon such factors as quality of management, capital and surplus of any parent company, company underwriting profit and investment income trends, market availability, and company record and reputation within the industry. The Commissioner may not make an affirmative finding of acceptability when the nonadmitted insurer's capital and surplus is less than \$4,500,000; or

(2) The insurer is listed on the Quarterly Listing of Alien Insurers maintained by the International Insurers Department of the NAIC if the insurer is not domiciled in the United States or its territories.

(b) This section shall not be deemed to require the Commissioner to determine the actual financial condition or claims practices of any nonadmitted insurer; and the status of eligibility shall indicate only that the insurer appears to be sound financially and to have satisfactory claims practices, and that the Commissioner has no credible evidence to the contrary.

(78 Del. Laws, c. 176, § 4.)

(b) In this State, a Delaware domestic surplus lines insurer may only insure a Delaware risk when such coverage is procured pursuant to this chapter governing surplus lines insurance, and the premium shall be subject to surplus lines premium tax pursuant to § 1917 of this title.

(c) A domestic surplus lines insurer may not issue a policy designed to satisfy the motor vehicle financial responsibility requirements of this State (§ 2118(c) of Title 21), the Workers' Compensation Act (§ 2372(a) of Title 19), or any other law of this State mandating insurance coverage by a licensed insurance company.

UNAUTHORIZED INSURERS — PROHIBITIONS, PROCESS AND ADVERTISING

§ 2101. Representing or aiding unauthorized insurer prohibited.

(a) No person shall in this State directly or indirectly act as agent for, or otherwise represent or aid on behalf of another, any insurer not then authorized to transact such business in this State in the solicitation, negotiation, procurement or effectuation of insurance or annuity contracts, or renewal thereof, or forwarding of applications for insurance or annuities, or the dissemination of information as to coverage or rates, or inspection of risks, or fixing of rates, or investigation or adjustment of claims or losses, or collection or forwarding of premiums, or in any other manner represent or assist such an insurer in the transaction of insurance with respect to subjects of insurance resident, located or to be performed in this State.

(b) This section does not apply to:

(1) Matters authorized to be done by the Commissioner under the Unauthorized Insurers Process Act, §§ 2103-2108 of this title;

(2) Transactions as to which the insurer is not required to have a certificate of authority pursuant to § 506 (exceptions to certificate of authority requirement) of this title;

(3) A licensed adjuster or attorney-at-law representing such an insurer from time to time in his or her professional capacity;

(4) Persons in this State who secure and furnish information for the purposes of group life insurance, group or blanket health insurance or annuity coverages, or for enrolling individuals under such plans or issuing certificates thereunder or otherwise assisting in administering such plans where no commission is paid for such services and the master policy or contract was lawfully solicited, issued and delivered in and pursuant to the laws of a state in which the insurer was then authorized to transact insurance;

(5) The employee, compensated on salary only, of a Delaware employer who on behalf of the employer assists in the procurement or administration of insurance coverages on the property, risks and insurable interests of the employer.

(18 Del. C. 1953, § 2101; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2102. Purpose of Unauthorized Insurers Process Act and Unauthorized Insurers False Advertising Process Act.

The purpose of §§ 2103 through 2108 (Unauthorized Insurers Process Act) and §§ 2109 through 2111 (Unauthorized Insurers False Advertising Process Act) of this title is to subject certain insurers to the jurisdiction of the Commissioner and the courts of this State in suits and disciplinary proceedings as provided therein, by or on behalf of insureds or beneficiaries under insurance contracts or the Commissioner. The General Assembly declares its concern that many Delaware residents hold insurance policies delivered in this State by unauthorized insurers, other than as to surplus line coverages written pursuant to Chapter 19 of this title, thus presenting to such residents the often insuperable obstacle of resort to distant courts for the assertion of legal rights under their policies, and that such insurers may induce residents to purchase insurance through false advertising sent into this State. In furtherance of such state interest, the General Assembly herein provides a method of substituted service of process upon such insurers, declares that in so doing it exercises its power to protect Delaware residents, to define, for the purposes of this chapter, what constitutes doing business in this State, and also exercises powers and privileges available to the State under 15 U.S.C. § 1011 et seq., as amended, which declares that the business of insurance and every person engaged therein shall be subject to the laws of the several states.

(18 Del. C. 1953, § 2102; 56 Del. Laws, c. 380, § 1.)

§ 2103. Unauthorized Insurers Process Act; title; interpretation.

(a) Sections 2103 through 2108 of this title constitute and may be cited as the “Unauthorized Insurers Process Act.”

(b) The act shall be so interpreted as to effectuate its general purpose to make uniform the laws of those states which enact it.

(18 Del. C. 1953, § 2103; 56 Del. Laws, c. 380, § 1.)

§ 2104. Commissioner as process agent.

Solicitation, effectuation or delivery of any insurance contract, by mail or otherwise, within this State by an unauthorized insurer, or the performance within this State of any other service or transaction connected with such insurance by or on behalf of such insurer shall be deemed to constitute an appointment by such insurer of the Commissioner and his or her successors in office as its attorney, upon whom may be served all lawful process issued within this State in any action or proceeding against such insurer arising out of any such contract or transaction, and shall be deemed to signify the insurer’s agreement that any such service of process shall have the same legal effect and validity as personal service of process upon it in this State.

(18 Del. C. 1953, § 2104; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2105. Service of process.

(a) Service of process upon any such insurer pursuant to § 2104 of this title shall be made by delivering to and leaving with the Commissioner or some person in apparent charge of his or her office 2 copies thereof and the payment to him or her of the fees as prescribed by § 701 of this title. The Commissioner shall forthwith mail by registered or certified mail 1 of the copies of such process to the defendant at its principal place of business last known to the Commissioner, and shall keep a record of all process so served upon him or her. Such service of process is sufficient, provided notice of such service and a copy of the process are sent within 10 days thereafter by registered or certified mail by plaintiff's attorney to the defendant at its last known principal place of business, and the defendant's receipt or receipt issued by the post office with which the letter is registered or certified, showing the name of the sender of the letter and the name and address of the person to whom the letter is addressed, and the affidavit of the plaintiff's attorney showing a compliance herewith are filed with the clerk of the court in which such action is pending on or before the date the defendant is required to appear, or within such further time as the court may allow.

(b) Service of process in any such action, suit or proceeding shall in addition to the manner provided in subsection (a) of this section above be valid if served upon any person within this State who, in this State on behalf of such insurer, is:

(1) Soliciting insurance; or

(2) Making any contract of insurance or issuing or delivering any policies or written contracts of insurance; or

(3) Collecting or receiving any premium for insurance, and a copy of such process is sent within 10 days thereafter by registered or certified mail by the plaintiff's attorney to the defendant at the last known principal place of business of the defendant, and the defendant's receipt, or the receipt issued by the post office with which the letter is registered or certified, showing the name of the sender of the letter and the name and address of the person to whom the letter is addressed, and the affidavit of the plaintiff's attorney showing a compliance herewith are filed with the clerk of the court in which such action is pending on or before the date the defendant is required to appear, or within such further time as the court may allow.

(c) No plaintiff or complainant shall be entitled to a judgment by default under this section until the expiration of 30 days from the date of the filing of the affidavit of compliance.

(d) Nothing in this section shall limit or abridge the right to serve any process, notice or demand upon any insurer in any other manner now or hereafter permitted by law.

(18 Del. C. 1953, § 2105; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2106. Exemptions from service of process provisions.

Sections 2104 and 2105 of this title shall not apply to surplus line insurance lawfully effectuated under Chapter 19 of this title, or to reinsurance, or to any action or proceeding against an unauthorized insurer arising out of any of the following where the policy or contract contains a provision designating the Commissioner as its attorney for the acceptance of service of lawful process in any action or proceeding instituted by or on behalf of an insured or beneficiary arising out of any such policy, or where the insurer enters a general appearance in any such action:

(1) Wet marine and transportation insurance;

(2) Insurance on or with respect to subjects located, resident or to be performed wholly outside this State, or on vehicles or aircraft owned and principally garaged outside this State;

(3) Insurance on property or operations of railroads engaged in interstate commerce; or

(4) Insurance on aircraft or cargo of such aircraft, or against liability, other than employer's liability, arising out of the ownership, maintenance or use of such aircraft.

(18 Del. C. 1953, § 2106; 56 Del. Laws, c. 380, § 1.)

§ 2107. Defense of action by unauthorized insurer.

(a) Before an unauthorized insurer files or causes to be filed any pleading in any action or proceeding instituted against it under §§ 2104 and 2105 of this title, such insurer shall:

(1) Procure a certificate of authority to transact insurance in this State; or

(2) Deposit with the clerk of the court in which such action or proceeding is pending cash or securities, or file with such clerk a bond with good and sufficient sureties, to be approved by the court, in an amount to be fixed by the court sufficient to secure the payment of any final judgment which may be rendered in such action. The court may in its discretion make an order dispensing with such deposit or bond where the insurer makes a showing satisfactory to the court that it maintains in a state of the United States funds or securities, in trust or otherwise, sufficient and available to satisfy any final judgment which may be entered in such action or proceeding, and that the insurer will pay any final judgment entered therein without requiring suit to be brought on such judgment in the state where such funds or securities are located.

(b) The court in any action or proceeding in which service is made in the manner provided in § 2105 of this title may, in its discretion, order such postponement as may be necessary to afford the defendant reasonable opportunity to comply with the provisions of subsection (a) of this section above, and to defend such action.

(c) Nothing in subsection (a) of this section above is to be construed to prevent an unauthorized insurer from filing a motion to quash or to set aside the service of any process made in the manner provided in § 2105 of this title on the ground either:

(1) That such unauthorized insurer has not done any of the acts enumerated in § 2104 of this title; or

(2) That the person on whom service was made pursuant to § 2105(b) of this title was not doing any of the acts therein enumerated.
(18 Del. C. 1953, § 2107; 56 Del. Laws, c. 380, § 1.)

§ 2108. Attorneys' fees.

In any such action against an unauthorized insurer, if the insurer has failed for 30 days after demand prior to the commencement of the action to make payment in accordance with the terms of the contract, and it appears to the court that such refusal was vexatious and without reasonable cause, the court shall allow to the plaintiff reasonable attorneys fees and include such fees in any judgment that may be rendered in such action, and in no event shall such fees be less than \$100. Failure of an insurer to defend any such action shall be deemed prima facie evidence that its failure to make payment was vexatious and without reasonable cause.

(18 Del. C. 1953, § 2108; 56 Del. Laws, c. 380, § 1.)

§ 2109. Unauthorized Insurers False Advertising Process Act; title.

Sections 2102 and 2109 through 2111 of this title constitute and may be referred to as the "Unauthorized Insurers False Advertising Process Act."

(18 Del. C. 1953, § 2109; 56 Del. Laws, c. 380, § 1.)

§ 2110. Notice to domiciliary supervisory official.

No unauthorized insurer through any estimate, illustration, circular, pamphlet, letter, announcement, statement or any other means or medium shall misrepresent to any person in this State as to its financial condition or the terms of any contract issued or to be issued by it or the advantages thereof, or the dividends or share to be received thereon. Whenever the Commissioner has reason to believe that any such insurer is so misrepresenting, he or she shall so notify the insurer and the insurance supervisory official of the insurer's domiciliary state or province by registered or certified mail.

(18 Del. C. 1953, § 2110; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2111. Action by Commissioner.

(a) If within 30 days following the giving of the notice provided for in § 2110 of this title the insurer has not ceased such dissemination, and if the Commissioner has reason to believe that such insurer is soliciting, issuing or delivering contracts of insurance to residents of this State or collecting premiums on such contracts or performing any other transaction in connection with such insurance, and that a proceeding by him or her in respect to such matters would be to the interest of the public, he or she shall take action against such insurer under Chapter 23 of this title.

(b) If upon such hearing the Commissioner finds that the insurer has misrepresented, as referred to in § 2110 of this title, he or she shall by order on such hearing require the insurer to cease and desist from such violation, and shall mail a copy of the order by registered or certified mail to the insurer at its principal place of business last of record with the Commissioner and to the insurance supervisory official of the insurer's domiciliary state or province. Each violation thereafter of such desist order shall subject the insurer to a penalty of \$5,000, to be recovered by a civil action brought against the insurer by the Commissioner. Service of process upon the insurer in such action may be made upon the Commissioner pursuant to § 2105 or Chapter 23 of this title or in any other lawful manner.

(18 Del. C. 1953, § 2111; 56 Del. Laws, c. 380, § 1; 58 Del. Laws, c. 278, § 4; 70 Del. Laws, c. 186, § 1.)

§ 2112. Suits instituted by Commissioner.

(a) Any foreign or alien insurer not thereunto authorized by the Commissioner, who, by mail or otherwise, solicits insurance business in this State or transacts insurance business in this State as defined by § 103 of this title, thereby submits itself to the jurisdiction of the courts of this State in any action, suit or proceeding instituted by or on behalf of the Commissioner arising out of such unauthorized solicitation of insurance business, including, but not limited to, an action for injunctive relief by the Commissioner.

(b) Process against such unauthorized insurer may be served in the manner provided in § 2307 of this title, except that the insurer shall have 40 days from the date of such service within which to plead, answer or otherwise defend the action.

(18 Del. C. 1953, § 2112; 56 Del. Laws, c. 380, § 1.)

(18 Del. C. 1953, § 2303; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 200, § 1.)

§ 2304. Unfair methods of competition and unfair or deceptive acts or practices defined.

The following are defined as unfair methods of competition and unfair or deceptive acts or practices in the business of insurance:

(1) *Misrepresentations and false advertising of insurance policies.* — No person shall make, issue, circulate or cause to be made, issued or circulated any estimate, circular, statement, sales presentation, omission or comparison which:

a. Misrepresents the benefits, advantages, conditions or terms of any insurance policy;

b. Misrepresents the dividends or share of the surplus to be received on any insurance policy;

c. Makes any false or misleading statements as to the dividends or share of surplus previously paid on any insurance policy;

d. Is misleading or is a misrepresentation as to the financial condition of any person, or as to the legal reserve system upon which any life insurer operates;

- e. Uses any name or title of any insurance policy or class of insurance policies misrepresenting the true nature thereof;
- f. Is a misrepresentation for the purpose of inducing or tending to induce to the lapse, forfeiture, exchange, conversion or surrender of any insurance policy;
- g. Is a misrepresentation for the purpose of effecting a pledge or assignment of or effecting a loan against any insurance policy; or
- h. Misrepresents any insurance policy as being shares of stock.

(2) *False information and advertising generally.* — No person shall make, publish, disseminate, circulate or place before the public, or cause, directly or indirectly, to be made, published, disseminated, circulated or placed before the public, in a newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter or poster, or over any radio or television station, or in any other way, an advertisement, announcement or statement containing any assertion, representation or statement with respect to the business of insurance or with respect to any person in the conduct of the insurance business, which is untrue, deceptive or misleading.

(3) *Defamation.* — No person shall make, publish, disseminate or circulate, directly or indirectly, or aid, abet or encourage the making, publishing, disseminating or circulating of any oral or written statement or any pamphlet, circular, article or literature which is false, or maliciously critical of or derogatory to the financial condition of an insurer, or of an organization proposing to become an insurer, and which is circulated to injure any person engaged or proposing to engage in the business of insurance.

(4) *Boycott, coercion and intimidation.* — No person shall enter into any agreement to commit, or by any concerted action commit, any act of boycott, coercion or intimidation resulting in or tending to result in unreasonable restraint of or any monopoly in any business of insurance.

(5) *Interlocking ownership, management.* — a. Any insurer may retain, invest in or acquire the whole or any part of the capital stock of any other insurer or insurers, or have a common management with any other insurer or insurers, unless such retention, investment, acquisition or common management is inconsistent with any other provision of this title, or unless by reason thereof the business of such insurers with the public is conducted in a manner which substantially lessens competition generally in the insurance business or tends to create any monopoly therein.

b. Any person otherwise qualified may be a director of 2 or more insurers which are competitors, unless the effect thereof is to lessen substantially competition between insurers generally or tends materially to create any monopoly.

(6) *Prohibited political contributions; penalty.* — a. No insurer or bank acting as an insurer pursuant to § 761(a)(14) of Title 5 shall directly or indirectly pay or use, or offer, consent or agree to pay or use, any money or property for or in aid of any candidate for the office of Insurance Commissioner of the State, or for nomination for such office, or for the reimbursement or indemnification of any person for money or property so used.

b. Any officer, director, stockholder or agent of any insurer which violates any of the provisions of this section, who participates in, aids, abets or advises or consents to any such violation, or any person who solicits or knowingly receives any money or property in violation of this section, shall, in addition to any other penalties imposed by law, be punished by imprisonment for not more than 1 year and a fine of not more than \$1,000; and any officer or director abetting in any contribution made in violation of this section shall be liable to the insurer for the amount so contributed.

(7) *Illegal dealing in premiums; excess charges for insurance.* — a. No person shall wilfully collect any sum as premium or charge for insurance, which insurance is not then provided or is not in due course to be provided (subject to acceptance of the risk by the insurer) by an insurance policy issued by an insurer as authorized by this title.

b. No person shall wilfully collect as premium or charge for insurance any sum in excess of the premium or charge applicable to such insurance, and as specified in the policy, in accordance with the applicable classifications and rates as filed with and approved by the Commissioner; or, in cases where classifications, premiums or rates are not required to be so filed and approved, such premiums and charges shall not be in excess of those specified in the policy and as fixed by the insurer. This provision shall not be deemed to prohibit the charging and collection by surplus lines brokers licensed under Chapter 19 of this title of the amount of applicable state and federal taxes and nominal service charge to cover communication expenses, in addition to the premium required by the insurer, nor shall it be deemed to prohibit the charging and collection by a life insurer of amounts actually to be expended for medical examination of an applicant for life insurance or for reinstatement of a life insurance policy.

(8) *Insurance as inducement to purchase.* — No person shall directly or indirectly participate in any plan to offer or effect any kind or kinds of life or health insurance or annuities as an inducement to or in connection with the purchase by the public of any goods, securities, commodities, services or subscriptions to periodicals. This section shall not apply as to insurance written in connection with an indebtedness if the purpose of such insurance is to pay the indebtedness in case of death or disability of the insured.

(9) *Insurer name; deceptive use prohibited.* — No person who is not an insurer shall assume or use any name which deceptively implies or suggests that it is an insurer. This section shall not preclude a corporation heretofore or hereafter formed under the laws of this State from using such a name between the date it is incorporated and the date it begins to engage in any business, if during such period the corporate activities are limited to its organization or reorganization or to those activities it would be permitted to engage in, if it were an insurer, under § 4904(2) of this title.

(10) *Service and processing charges by mortgagee prohibited.* — No mortgagee or agent of any mortgagee shall accept or receive any monetary charge or fee from a mortgagor for handling, servicing or processing insurance policies or endorsements or for the issuances or cancellation of such policies, or property located within this State; provided that this provision shall not apply to charges or fees of an

insurance department or division of a corporation established under Chapter 7 or regulated under Chapter 9 of Title 5.

(11) *False statements and entries.* — a. No person shall knowingly file with any supervisory or other public official, or knowingly make, publish, disseminate, circulate or deliver to any person, or place before the public, or knowingly cause directly or indirectly, to be made, published, disseminated, circulated, delivered to any person, or placed before the public, any false, material statement of fact as to the financial condition of an insurer.

b. No person shall knowingly make any false entry of a material fact in any book, report or statement of any insurer with intent to deceive any agent or examiner lawfully appointed to examine into its condition or into any of the affairs, or any public official to whom such insurer is required by law to report, or who has authority by law to examine into its condition or into any of its affairs, or, with like intent, knowingly omit to make a true entry of any material fact pertaining to the business of such insurer in any book, report or statement of such insurer.

c. No person shall advertise the capital or assets of any insurer without in the same advertisement setting forth the amount of the insurer's liabilities.

(12) *Stock operations and advisory board contracts.* — a. No person shall offer, issue or deliver or permit its agents, officers or employees to offer, issue or deliver agency company stock or other capital stock, or benefit certificates or shares in any common-law corporation, or securities or any special or advisory board contracts of any kind promising returns and profits as an inducement to insurance.

b. No insurer authorized or proposing to be authorized to transact insurance in this State shall offer, issue or deliver, or permit its agents, officers or employees to offer, issue or deliver in any other state any such agency company stock, certificates, shares or contracts as inducement to insurance.

(13) *Unfair discrimination; life insurance, annuities, and health insurance.* — a. No person shall make or permit any unfair discrimination between individuals of the same class and equal expectation of life in the rates charged for any contract of life insurance or of life annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such contract.

b. No person shall make or permit any unfair discrimination between individuals of the same class and of essentially the same hazard in the amount of premium, policy fees or rates charged for any policy or contract of accident or health insurance or in the benefits payable thereunder, or in any of the terms or conditions of such contract, or in any other manner whatever.

(14) *Rebates; life, health and annuity contracts.* — Except as otherwise expressly provided by law, no person shall knowingly permit or offer to make or make any contract of life insurance, life annuity or accident and health insurance, or agreement as to such contract other than as plainly expressed in the insurance contract issued thereon, or pay or allow, or give or offer to pay, allow or give directly or indirectly, or knowingly accept, as inducement to such insurance or annuity, any rebate of premiums payable on the contract, or any special favor or advantage in the dividends or other benefits thereon, or any paid employment or contract for services of any kind, or any valuable consideration or inducement whatever not specified in the contract, or directly or indirectly give, or sell, or purchase or offer or agree to give, sell or purchase, or allow as an inducement to such insurance contract or annuity or, in connection therewith and whether or not specified in the policy or contract, any agreement of any form or nature promising returns and profits, or any stocks, bonds or other securities, or interest present or contingent therein or as measured thereby, or any insurer or any insurance company or other corporation, association or partnership, or any dividends or profits accrued thereon, or to accrue thereon, or anything of value whatsoever not specified in the contract.

(15) *Unfair discrimination, rebates prohibited; property, casualty, surety insurance.* — a. No property, casualty or surety insurer or any employee or representative thereof, and no broker, agent or solicitor shall pay, allow or give, or offer to pay, allow or give, directly or indirectly, as an inducement to insurance, or after insurance has been effected, any rebate, discount, abatement, credit or reduction of the premium named in a policy of insurance, or any special favor or advantage in the dividends or other benefits to accrue thereon, or any valuable consideration or inducement whatever, not specified or provided for in the policy, except to the extent provided for in an applicable filing with the Commissioner as provided by law.

b. No insured named in a policy, nor any employee of such insured, shall knowingly receive or accept directly or indirectly any such rebate, discount, abatement, credit or reduction of premium, or any such special favor or advantage or valuable consideration or inducement.

c. No such insurer shall make or permit any unfair discrimination between insureds or property having life insuring or risk characteristics, in the premium or rates charged for insurance, or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of the insurance.

d. Nothing in this section shall be construed as prohibiting the payment of commissions or other compensation to licensed agents, brokers or solicitors, or as prohibiting any insurer from allowing or returning to its participating policyholders, members or subscribers dividends, savings or unabsorbed premium deposits. In this section "insurance" includes suretyship, and "policy" includes bond. This section does not apply to wet marine and transportation insurance.

e. Nothing in paragraph (13) or paragraph (14) of this section shall be construed as including within the definition of discrimination or rebates any of the following practices:

1. In the case of any contract of life insurance or life annuity, paying bonuses to policyholders or otherwise abating their premiums in whole or in part out of surplus accumulated from nonparticipating insurance, provided that any such bonuses or

abatement or premiums shall be fair and equitable to policyholders and for the best interests of the company and its policyholders;

2. In the case of life insurance policies issued on the industrial debit plan, making allowance to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer in an amount which fairly represents the saving in collection expenses;

3. Readjustment of the rate of premium for a group insurance policy based on the loss or expense experience thereunder, at the end of the first or any subsequent policy year of insurance thereunder, which may be made retroactive only for such policy year;

4. Reduction of premium rates for policies of large amounts, but not exceeding savings in issuance and administration expenses reasonably attributable to such policies as compared with policies of similar plans issued in smaller amounts;

5. Reduction in premium rates for life or health insurance policies on annuity contracts on salary savings, payroll deductions, preauthorized checks, bank drafts or similar plans in amounts reasonably commensurate with the savings made by the use of such plans.

f. Nothing in this chapter shall be construed as including within the definition of securities as inducement to purchase insurance, the selling or offering for sale, contemporaneously with life insurance or mutual fund shares or face amount certificates of regulated investment companies under offerings registered with the Securities and Exchange Commission where such shares or such face amount certificates or such insurance may be purchased independently of and not contingent upon purchase of the other, at the same price and upon similar terms and conditions as where purchased independently.

(16) *Unfair claim settlement practices.* — No person shall commit or perform with such frequency as to indicate a general business practice any of the following:

a. Misrepresenting pertinent facts or insurance policy provisions relating to coverages at issue;

b. Failing to acknowledge and act reasonably promptly upon communication with respect to claims arising under insurance policies;

c. Failing to adopt and implement reasonable standards for the prompt investigation of claims arising under insurance policies;

d. Refusing to pay claims without conducting a reasonable investigation based upon all available information;

e. Failing to affirm or deny coverage of claims within a reasonable time after proof of loss statements have been completed;

f. Not attempting in good faith to effectuate prompt, fair and equitable settlements of claims in which liability has become reasonably clear;

g. Compelling insureds to institute litigation to recover amounts due under an insurance policy by offering substantially less than the amounts ultimately recovered in actions brought by such insureds;

h. Attempting to settle a claim for less than the amount to which a reasonable person would have believed that person's own self was entitled by reference to written or printed advertising material accompanying or made part of an application;

i. Attempting to settle claims on the basis of an application which was altered without notice to or knowledge or consent of the insured;

j. Making claims payments to insureds or beneficiaries not accompanied by a statement setting forth the coverage under which the payments are being made;

k. Making known to insureds or claimants a policy of appealing from arbitration awards in favor of insureds or claimants for the purpose of compelling them to accept settlements or compromises less than the amount awarded in arbitration;

l. Delaying the investigation or payment of claims by requiring an insured, claimant or the physician of either to submit a preliminary claim report and then requiring the subsequent submission of formal proof of loss forms, both of which submissions contain substantially the same information;

m. Failing to promptly settle claims, where liability has become reasonably clear under one portion of the insurance policy coverage in order to influence settlements under other portions of the insurance policy coverage;

n. Failing to promptly provide a reasonable explanation of the basis in the insurance policy in relation to the facts or applicable law for denial of a claim or for the offer of a compromise settlement.

(17) *Failure to maintain complaint handling procedures.* — Failure of any person to maintain a complete record of all the complaints which it has received since the date of its last examination as otherwise required in this title. This record shall indicate the total number of complaints, their classification by line of insurance, the nature of each complaint, the disposition of these complaints and the time it took to process each complaint. For purposes of this subsection, "complaint" shall mean any written communication primarily expressing a grievance.

(18) *Misrepresentation in insurance applications.* — a. Making false or fraudulent statements or representations on or relative to an application for an insurance policy for the purpose of obtaining a fee, commission, money or other benefit from any insurers, agent, broker or individual.

b. No agent, broker, solicitor, examining physician, applicant or other person shall knowingly or wilfully make any false or fraudulent statement or representation in or with reference to any application for insurance or, for the purpose of obtaining any money or benefit, knowingly or wilfully present or cause to be presented a false or fraudulent claim or any proof in support of such a claim for the payment of the loss upon a contract of insurance or prepare, make or subscribe a false or fraudulent account, certificate, affidavit or proof of loss or other document or writing with intent that the same may be presented or used in support of such a claim.

(19) *Fictitious groups.* — a. No insurer, whether an authorized insurer or an unauthorized insurer, shall make available through any rating plan or form property, casualty or surety insurance to any firm, corporation or association of individuals or make any preferred rate or premium based upon any fictitious grouping of such firm, corporation or association.

b. No form or plan of insurance covering any group or combination of persons or risks shall be written or delivered within or outside this State to cover persons or risks in this State at any preferred rate or on any form other than as offered to persons not in such group or combination and to the public generally, unless such form, plan of insurance and the rates or premium to be charged therefor have been submitted to and approved by the Commissioner as being not unfairly discriminatory and as not otherwise being in conflict with subdivision a. above or with any provision of Chapter 25 of this title (Rates and Rating Organizations) to the extent that such Chapter 25 is, by its terms, applicable thereto.

c. This section does not apply to life insurance, health insurance, annuity contracts or wet marine and transportation insurance.

(20) *“Twisting” prohibited.* — No person shall make or issue or cause to be made or issued any written or oral statement misrepresenting or making incomplete comparisons as to the terms, conditions or benefits contained in any policy for the purpose of inducing or attempting or tending to induce the policyholder to lapse, forfeit, surrender, retain, exchange or convert any insurance policy.

(21) *Insurance on public construction contracts.* — a. No officer or employee of this State or of any public agency, public authority or public corporation (except a public corporation or public authority created pursuant to agreement or compact with another state) and no person acting or purporting to act on behalf of such officer or employee or public agency or public authority or public corporation shall, with respect to any public building or construction contract which is about to be or which has been competitively bid, require the bidder to make application to (or furnish financial data to) or to obtain or procure any of the surety bonds or contracts of insurance specified in connection with such contract or specified by any law, general, special or local from a particular insurer or agent or broker.

b. No such officer or employee or any person acting or purporting to act on behalf of such officer or employee shall negotiate, make application for, obtain or procure any of such surety bonds or contracts of insurance (except contracts of insurance for builder’s risk or owner’s protective liability) which can be obtained or procured by the bidder, contractor or subcontractor.

c. This section shall not, however, prevent the exercise by such officer or employee on behalf of the State or such public agency, public authority or public corporation of its right to approve the form, sufficiency or manner of execution of the surety bonds or contracts of insurance furnished by the insurer selected by the bidder to underwrite such bonds or contracts of insurance.

d. Any provisions in any invitation for bids or in any of the contract documents in conflict with this section are declared to be contrary to the public policy of this State.

e. A violation of this section shall be subject to the penalties provided by § 2308(a) of this title.

(22) *Unfair discrimination in the value of insurance policies and premiums based on race, color, religion, sexual orientation, gender identity or national origin; penalty.* — a. It is an unlawful practice for any insurance company licensed to do business in this State to discriminate in any way because of the insured’s race, color, religion, sexual orientation, gender identity, or national origin, or to make, publish, disseminate, circulate, or place before the public, or cause, directly or indirectly, to be made, published, disseminated, circulated, or placed before the public, in a newspaper, magazine, or other publication, or in the form of a notice, circular, pamphlet, letter, or poster, or over any radio or television station, or in any other way, to include the writing of any policy or the application therefor, an advertisement, announcement, or statement containing any assertion, representation, or statement with respect to the business of insurance or with respect to any person in the conduct of the insurance business, which discriminates in any way because of the insured’s race, color, religion, sexual orientation, gender identity, or national origin or to classify or refer to any individual on the basis of race, color, religion, sexual orientation, gender identity, or national origin.

b. For purposes of this paragraph (22):

1. “Gender identity” means a gender-related identity, appearance, expression or behavior of a person, regardless of the person’s assigned sex at birth.

2. “Protective hairstyle” includes braids, locks, and twists.

3. “Race” includes traits historically associated with race, including hair texture and a protective hairstyle.

4. “Sexual orientation” includes heterosexuality, homosexuality, or bisexuality.

c. [Repealed.]

d. The Department of Insurance is empowered, as hereinafter provided, to prevent any licensed or authorized insurance company from engaging in any discriminatory practices as set forth in paragraph (22)a. of this section.

e. Whenever a charge is filed with the Department by or on behalf of a person claiming to have been discriminated against in the purchase of insurance because of race, religion, sexual orientation, gender identity, color or national origin, the Department shall serve a copy of the charge on such insurance company and shall make an investigation thereof. Charges shall be in writing and shall contain such information and be in such form as the Department requires. Such charges shall not be made public by the Department. If the Department determines after such investigation that there is reasonable cause to believe that the charge is not true, it shall dismiss the charge and promptly notify the person claiming to have been discriminated against and the respondent of its action. Such notice shall be in writing and shall set forth the facts upon which the decision is based.

f. If the Department determines, after the investigation referred to in paragraph (22)e. of this section, that there is reasonable cause

to believe that the charge is true, the Department shall endeavor to eliminate any such alleged unlawful practice by informal methods of conference, conciliation and persuasion. Nothing said or done during and as a part of such conciliation endeavors may be made public by the Department, its officers or employees or used as evidence in a subsequent proceeding without the written consent of the persons concerned. The Department shall make its determination on reasonable cause as promptly as possible and, so far as practicable, not later than 120 days from the filing of the charge. A charge under paragraph (22)e. of this section must be filed within 90 days after the alleged unlawful discriminatory practice or 120 days after discovery thereof, whichever is the later.

g. If the Department determines, after attempting to secure voluntary compliance under paragraph (22)f. of this section, that it is unable to secure from the respondent a conciliation agreement acceptable to the Department and to the person aggrieved, which determination shall not be reviewable in any court, the Department shall issue and cause to be served upon the respondent a complaint stating the facts upon which the allegation of the unlawful discriminatory practice is based together with a notice of hearing before the Commissioner or the Commissioner's agent, at a place therein fixed not less than 5 days after the serving of such complaint. The complaint may be amended at any reasonable time provided that the respondent has sufficient time to respond thereto. Related proceedings may be consolidated for hearing.

h. A respondent shall have the right to file an answer to the complaint against the respondent and may amend the respondent's own answer at any reasonable time. The respondent and the person aggrieved shall be parties and may appear at any stage of the proceedings, with or without counsel. All testimony shall be taken under oath and shall be reduced to writing.

i. If the Commissioner or the Commissioner's agent finds that the respondent has engaged in an unlawful discriminatory practice, the Commissioner or the Commissioner's agent shall state its findings of fact in writing and shall issue and cause to be served on the respondent and the person or persons aggrieved by such unlawful discriminatory practice an order requiring the respondent to cease and desist from such unlawful practice. Such order may further require such respondent to make reports from time to time showing the extent to which the respondent has complied with the order. If the Commissioner or the Commissioner's agent finds that the respondent has not engaged in any unlawful discriminatory practice, the Commissioner or the Commissioner's agent shall state those findings of fact in writing and shall issue and cause to be served on the respondent and the person or persons alleged in the complaint to be aggrieved an order dismissing the complaint.

j. 1. Any complainant or aggrieved party, or respondent or intervenor or the Commissioner or the Commissioner's agent may obtain an order of the Court of Chancery for enforcement of the Commissioner's order. The proceeding for enforcement is initiated by filing a petition in the Court of Chancery. Copies of the petition shall be served upon all parties of record. Within 30 days after the service of the petition upon the Commissioner or the Commissioner's agent or its filing by the Commissioner or the Commissioner's agent or within such further time as the Court may allow, the Commissioner or the Commissioner's agent shall transmit to the Court the original or a certified copy of the entire record upon which the order is based, including any transcript of testimony, which need not be printed. By stipulation of all parties to the proceeding, the record may be shortened. The Court may reverse or modify the order if substantial rights of the petitioner have been prejudiced or the findings of fact of the Department are clearly erroneous. The Court shall have power to grant such temporary relief or restraining order as it deems just and to enter an order enforcing, as modified, or setting aside in whole or in part the order of the Commissioner or the Commissioner's agent or remand the case to the Department for further proceedings.

2. A proceeding under this section must be initiated within 30 days after a copy of the order of the Commissioner or the Commissioner's agent is received. If no proceeding is so initiated, the Commissioner or the Commissioner's agent may obtain a decree of the Court for enforcement of its order upon showing that a copy of the petition for enforcement was served on the respondent and that the respondent is subject to the jurisdiction of the Court.

k. After a charge has been filed and until the record has been filed in the Court of Chancery as herein provided, the proceeding may at any time be ended by agreement between the Commissioner or the Commissioner's agent and the parties for the elimination of the alleged unlawful discriminatory practice, approved by the Commissioner or the Commissioner's agent and the Commissioner or the Commissioner's agent may at any time, upon reasonable notice, modify or set aside, in whole or in part, any finding or order made or issued by it.

l. The Superior Court of the county where the violation is alleged to have occurred shall have jurisdiction to hear an appeal from any decision made by the Commissioner or the Commissioner's agent, except as provided in paragraph (22)j. of this section. Such appeal shall be on the record only.

m. In the event that the Court determines that the respondent has engaged in an unlawful discriminatory practice causing economic loss to the petitioner, the respondent shall reimburse or refund to the petitioner, with reasonable interest added thereto, a sum equal to the amount of the economic loss suffered by the petitioner.

(23) *Tying arrangements; cancellation; disclosure.* — a. No person who has received the name of any actual or potential borrower from any bank or trust company which engages, directly or indirectly, in any activity authorized by § 761(a)(14) of Title 5 shall, with respect to such borrower:

1. Engage in any of the activities prohibited to such bank or trust company by § 929 of Title 5;
2. Refuse to allow such borrower to exercise any rights of cancellation or refund set forth in § 930 of Title 5, all of which rights shall be applicable to such borrower;

3. Fail to take any action required of a bank or trust company under § 930 of Title 5, all of which shall be required of such person; or

4. In connection with any application for a policy of insurance submitted to such person by such borrower, or in connection with any policy of insurance thereafter issued to such borrower by such person, fail to disclose or cause to be disclosed to such borrower that such policy, if and when issued, is not a direct liability of such bank or trust company, and that only the assets of the insurer issuing such policy are applicable to the payment and satisfaction of claims made thereunder.

b. The prohibitions set forth in paragraphs (23)a.2. and 3. of this section shall be applicable only with respect to “an individual borrower,” as defined in § 930(f) of Title 5.

c. The Commissioner shall by regulation promulgated after consultation with the Bank Commissioner provide for the adequate disclosure of the prohibitions set forth in this paragraph.

(24) *Discriminatory practices against victims of abuse regarding life and health insurance.* — A person or entity engaged in the business of life and/or health insurance in this State may not:

a. Deny, refuse to issue, refuse to renew, refuse to reissue, cancel or otherwise terminate an insurance policy or restrict coverage on any individual because that individual is, has been or may be the subject of abuse or seeks, has sought or should have sought, medical or psychological treatment for abuse, protection from abuse or shelter from abuse;

b. Add any surcharge or rating factor to a premium of an insurance policy because of an individual’s history of, status as, or potential to be subject to abuse;

c. Exclude or limit coverage for losses or deny a claim incurred by an insured as a result of abuse or the potential for abuse; or

d. Ask an insured or an applicant for insurance whether that individual is, has been or may be the subject of abuse, or seeks, has sought or should have sought medical or psychological treatment specifically for abuse, protection from abuse or shelter from abuse.

(25) *Discriminatory practices against victims of abuse regarding homeowner’s and private passenger motor vehicle insurance.* — A person or entity engaged in the business of homeowner’s and/or private passenger motor vehicle insurance in this State may not:

a. Deny, refuse to issue, refuse to renew, refuse to reissue, cancel or otherwise terminate a homeowner’s and/or private passenger motor vehicle insurance policy or restrict coverage on any individual solely because that individual or a member of that individual’s family or household is, has been or may be the subject of abuse or seeks, has sought or should have sought, medical or psychological treatment for abuse, protection from abuse or shelter from abuse. Nothing in this section shall be construed to prohibit a person from denying, refusing to issue, renew or reissue, cancelling or otherwise terminating an insurance policy based on any existing insurance statute, provided that the insurer routinely underwrites individuals in the same manner without regard to the individual’s abuse status, abuse history or abuse-related claim history and that any such action does not have the purpose or effect of treating abuse status as an underwriting criterion, is not based on any actual or perceived correlation between a type of claim or other underwriting information and abuse and is otherwise permissible by law.

b. Add any surcharge or rating factor to a premium of a homeowner’s insurance policy solely because of a history of, status as or potential to be a subject of abuse of the applicant or insured or of a member of the family or household of the insured. Nothing in this section shall be construed to prohibit a person from rating or surcharging a policy in accordance with any existing insurance statute provided that the insurer routinely rates or surcharges individuals in the same manner without regard to the individual’s abuse status, abuse history or abuse-related claims history, and any such action does not have the purpose or effect of treating abuse status as an underwriting criterion, is not based on any actual or perceived correlation between a type of claim or other underwriting information and abuse and is otherwise permissible by law.

c. Deny coverage for property damage claims or medical payment coverage for an insured, if such coverage is available and purchased under the policy, as a result of abuse, even if such losses are caused by the intentional act, the fraudulent or criminal act or the failure to act of a co-insured and would otherwise have come under a policy’s intentional act, criminal act, family, household or similar exclusion, unless:

1. The claim or coverage is ordinarily denied in the same manner to an insured or claimant who is not a victim of abuse;

2. There is collusion or fraudulent acts by the party seeking the insurance coverage or benefits; or

3. The innocent co-insured refuses to cooperate with any law enforcement investigation, the results of which would be made available to the insurer to verify that the claim for loss resulted from a co-insured’s wrongful act or omission.

The innocent co-insured shall, at a minimum, be entitled to recover a pro-rata share of the loss of real or personal property and the entire amount of additional living expenses, as the policy may so provide.

Nothing in this subsection shall be construed to prohibit a person from refusing to defend or indemnify the perpetrator of the wrongful act or omission against any claim for liability arising from such individual’s wrongful act or omission. The insurer shall retain the right to subrogate against the wrongdoer for any losses incurred by the injured party, including a wrongdoer who was a co-insured with the victim.

d. Ask an insured or an applicant for homeowner’s and/or private passenger motor vehicle insurance whether that individual is, has been or may be the subject of abuse or seeks, has sought or should have sought medical or psychological treatment specifically for abuse, protection from abuse or shelter from abuse.

e. A person shall not be held civilly or criminally liable for any cause of action which may be brought because of compliance with

this section. Nothing herein shall preclude any action or investigation against an insurer to enforce this paragraph. Nothing in this section shall preclude a person's obligations to report suspected fraudulent activities to the Insurance Department Fraud Prevention Bureau pursuant to Chapter 24 of this title.

Nothing in paragraph (24) of this section and this paragraph (25) shall be construed to prohibit a person from declining to issue an insurance policy insuring the life of an individual who is or has been the subject of abuse if the perpetrator of the abuse is the applicant or would be the owner of the insurance policy. Nothing in paragraph (24) of this section and this paragraph (25) shall be construed to prohibit a person from underwriting or rating a risk on the basis of a preexisting physical or mental condition, even if such condition had been caused by abuse, provided that:

The person routinely underwrites or rates such condition in the same manner with respect to an insured or an applicant who is not a victim of abuse;

No person shall refuse to insure, refuse to continue to insure, limit the amount, extent or kind of coverage available to an individual, or charge a different rate for the same coverage solely because of a physical or mental condition, except where the refusal, limitation or rate differential is based on sound actuarial principles;

The fact that an individual is, has been or may be the subject of abuse may not be considered a physical or mental condition; and

Such underwriting or rating is not used to evade the intent of this law or any other provision of law. A person shall not be held civilly or criminally liable for any cause of action which may be brought because of compliance with paragraph (24) of this section and this paragraph (25).

(26) *Failure to respond to regulatory inquiries.* — No person shall, with such frequency as to indicate a general business practice, fail to provide preliminary substantive responses to inquiries from the Department of Insurance regarding the denial of claims, cancellation, nonrenewal, or refusal of benefits, refusal to pre-authorize benefits, or violations of this title, within 21 calendar days of such inquiry. A response in compliance with this paragraph shall not preclude the provision of additional information responsive to the inquiry.

(27) *Use of credit scoring.* — No person may use consumer reports or credit scores in any manner prohibited by Chapter 83 of this title.

(28) *Volunteer firefighters and ambulance personnel.* — No insurance carrier shall take any negative underwriting action against a policyholder, including, but not limited to, adjustment of rates or termination of a policy, based solely on the membership of a person covered by the policy in a volunteer fire company certified by the Delaware State Fire Prevention Commission or its successor or in a nonprofit organization that provides ambulance and/or rescue services within this State, including, but not limited to, organizations such as volunteer fire companies, the Veterans of Foreign Wars and the American Legion. This paragraph shall not prevent a carrier from taking underwriting action that is permitted by contract and applicable law, provided that the stated basis for such underwriting action is not a pretense for violating this paragraph.

Laws, c. 47, § 16; 81 Del. Laws, c. 78, § 4; 83 Del. Laws, c. 13, § 12; 83 Del. Laws, c. 195, § 4.)

§ 2305. Favored agent or insurer; coercion of debtors.

(a) No person shall:

(1) Require, as a condition precedent, concurrent or subsequent to the loaning of money upon the security of any real or personal property or to the selling of any such property under contract or extension of credit or any renewal thereof, that the owner of the property to whom the money is to be loaned or the vendee of the property so being sold, shall place, continue or renew any policy of insurance covering or to cover such property or covering any liability related to such property or the use thereof or that the person to whom such money or credit is extended or whose obligation the creditor is to acquire or finance negotiate any policy or contract of insurance through a particular insurance agent, broker or in a particular insurer or group of insurers or agent or broker or group of agents or brokers, except that this provision shall not prevent the exercise by any such lender or vendor upon a reasonable basis of the right to approve or disapprove of the insurer and representative selected to underwrite the insurance. Such basis shall relate only to:

- a. The adequacy and terms of the coverage with respect to the interest of the vendor or lender to be insured thereunder;
- b. The financial standards to be met by the insurer; and
- c. The ability of the insurer or representative to service the policy;

(2) Unreasonably disapprove the insurance policy provided by a borrower for the protection of the property securing the credit or lien;

(3) Require directly or indirectly that any borrower, mortgagor, purchaser, insurer, broker or agent pay a separate charge to substitute the insurance policy of one insurer for that of another; or

(4) Use or disclose information resulting from a requirement that a borrower, mortgagor or purchaser furnish insurance of any kind on real property being conveyed or used as collateral security to a loan, when such information is to the advantage of mortgagee, vendor or lender or is to the detriment of the borrower, mortgagor, purchaser, insurer or the agent or broker complying with such a requirement.

(b) (1) Paragraph (a)(3) of this section does not include the interest which may be charged on premium loans or premium advancements in accordance with the security instrument.

(2) For purpose of paragraph (a)(2) of this section, such disapproval shall be deemed unreasonable if it is not based solely on

reasonable standards uniformly applied, relative to the extent of coverage required and the financial soundness and the services of an insurer. Such standards shall not discriminate against any particular type of insurer, nor shall such standards call for the disapproval of an insurance policy because such policy contains coverage in addition to that required.

(3) The Commissioner may investigate the affairs of any person to whom this subsection applies to determine whether such person has violated this subsection. If a violation of this subsection is found, the person in violation shall be subject to the same procedures and penalties as are applicable under other provisions of this chapter.

(4) For purposes of this section, "person" includes any individual, corporation, association, partnership or other legal entity.

(c) The Commissioner shall by regulation provide for the adequate disclosure of the prohibitions set forth in subsections (a) and (b) of this section and any other similar provisions of law.

(18 Del. C. 1953, § 2305; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 200, § 1; 67 Del. Laws, c. 223, § 27.)

§ 2305A. Banks acting as insurance agents or brokers.

(a) Banks and subsidiaries thereof first authorized to conduct the business of insurance pursuant to § 761(a)(14) of Title 5 shall not act as insurance agents or brokers unless duly licensed to act as such pursuant to the provisions of Chapter 17 of this title; provided, that such banks or subsidiaries thereof may sell insurance pursuant to subsections (b) and (c) of this section without separate license if such sales are conducted exclusively by an individual, partnership or corporation duly licensed as an agent or broker under Chapter 17 of this title with whom such bank or subsidiary thereof shall have contracted. All of the business of acting as an insurance agent or broker undertaken by or on behalf of a bank or subsidiary thereof shall be subject to the provisions of Chapter 17 of this title regulating insurance agents or brokers generally; provided, that the prohibition against sharing commissions set forth in § 1739 of this title shall not apply to an agent employed, or contracting with, a bank with respect to the commissions earned by such agent on insurance sold through or on behalf of said bank.

(b) Subject to subsection (c) of this section, banks or subsidiaries thereof first authorized to conduct the business of insurance pursuant to § 761(a)(14) of Title 5 which are either licensed as insurance agents or brokers, or which shall have contracted with an independent individual, partnership or corporation so licensed, may sell insurance both on branch premises and at other, nonbranch locations.

(c) Until July 1, 1994, all sales of insurance to the Delaware public by a bank or subsidiary thereof, or an individual, partnership or corporation licensed as an agent or broker with whom a bank or subsidiary has contracted for the sale of insurance, shall, at each branch office or other location, be conducted under the supervision of 1 or more insurance agents or brokers, located on the premises, who have been licensed and have actual experience as insurance agents or brokers for a period of not less than 5 years.

(d) Nothing in this section shall be construed as derogating from the authority of any bank or subsidiary thereof whose power to conduct the business of insurance first derives from its charter, or otherwise by operation of law other than § 761(a)(14) of Title 5.

(67 Del. Laws, c. 223, § 36.)

§ 2306. Power of Commissioner.

The Commissioner shall have power to examine and investigate the affairs of every person engaged in the business of insurance in this State in order to determine whether such person has been or is engaged in any unfair method of competition or in any unfair or deceptive act or practice prohibited by § 2303 of this chapter.

(18 Del. C. 1953, § 2306; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 200, § 1.)

§ 2307. Procedures as to defined and undefined practices; hearings; witnesses; appearances; production of books and service of process.

(a) Whenever the Commissioner shall have reason to believe that any such person has been engaged or is engaging in this State in any unfair method of competition or in any unfair or deceptive act or practice, whether or not defined in § 2304 or § 2305 of this title, and that a proceeding by him or her in respect thereto would be in the interest of the public, he or she shall issue and serve upon such person a statement of the charges in that respect and a notice of a hearing thereon to be held at a time and place fixed in the notice, which shall not be less than 10 days after the date of the service thereof.

(b) At the time and place fixed for such hearing, such person shall have an opportunity to be heard and to show cause why an order should not be made by the Commissioner requiring such person to cease and desist from the acts, methods or practices so complained of. Upon good cause shown, the Commissioner shall permit any person to intervene, appear and be heard at such hearing by counsel or in person.

(c) If such report charges a violation of this chapter, and if such method of competition, act or practice has not been discontinued, the Commissioner may, through the Attorney General, at any time after the service of such report, cause an action to be instituted to enjoin and restrain such person from engaging in such method, act or practice. In such action the court may grant a restraining order or injunction upon such terms as may be just, but the State shall not be required to give security before the issuance of any such order or injunction. If a stenographic record of the proceedings in the hearing before the Commissioner was made, a certified transcript thereof including all evidence taken and the report and findings shall be received in evidence in such action.

(d) If the Commissioner's report made under subsection (a) above, or order on hearing made under § 332 of this title does not charge a violation of this chapter, then any intervenor in the proceedings may appeal therefrom within the time and in the manner provided in this title for appeals from the Commissioner generally.

(e) Nothing contained in this chapter shall require the observance at any such hearing of formal rules of pleading or evidence:

(1) The Commissioner may hold a hearing in Dover or any other place of convenience to parties and witnesses, as the Commissioner determines. The Commissioner, or his or her deputy or assistant, shall preside at the hearing and shall expedite the hearing and all procedures involved therein.

(2) Any party to the hearing shall have the right to appear in person and by counsel, to be present during the giving of all evidence, to have a reasonable opportunity to inspect all documentary and other evidence and to examine and cross-examine witnesses, to present evidence in support of his or her interest and to have subpoenas issued by the Commissioner to compel attendance of witnesses and production of evidence in his or her behalf. Testimony may be taken orally or by deposition and any party shall have such right of introducing evidence by interrogatories or deposition as may obtain in a Court of Chancery.

(3) Upon good cause shown the Commissioner shall permit to become a party to the hearing by intervention, if timely, only such persons, not original parties thereto, whose pecuniary interests are to be directly and immediately affected by the Commissioner's order made upon the hearing.

(4) Formal rules of pleading or evidence need not be observed at any hearing.

(5) The Commissioner, upon such hearings, as to the subject of any examination, investigation or hearing being conducted by him or her, may administer oaths or affirmations, examine and cross-examine witnesses, receive oral evidence and receive documentary evidence and shall have the power to subpoena witnesses, compel their attendance and require the production of books, papers, records, correspondence or other documents which he or she deems relevant to the inquiry. Any delegation by the Commissioner of power of subpoena shall be in writing. The Commissioner, upon such hearing, may, and upon the request of any party, shall, at such person's expense, cause a stenographic record to be made of all the evidence and all the proceedings had at such hearing. If transcribed, a copy of such record shall be furnished for the Commissioner without cost to the Commissioner or the State and shall be part of the Commissioner's record of the hearing; and a copy shall likewise be furnished to any other party to the hearing, at the request and expense of such other party. If no stenographic record is made, and if a judicial review is sought, the Commissioner shall prepare a statement of the evidence and proceedings for use or review.

(f) Subpoenas of witnesses shall be served in the same manner and at the same cost as if issued by the Court of Chancery. In case of a refusal of any person to comply with any subpoena issued hereunder or to testify with respect to any matter concerning which he or she may be lawfully interrogated, the Court of Chancery of the county where such party resides, on application of the Commissioner, may issue an order requiring such person to comply with such subpoena and to testify and any failure to obey any such order of the Court may be punished by the Court as a contempt thereof. Any person knowingly testifying falsely under oath or making a false affirmation as to any matter material to any such examination, investigation or hearing shall upon conviction thereof be guilty of perjury.

(g) Witness fees and mileage, if claimed, shall be allowed the same as for testimony in the Court of Chancery. Witness fees, mileage and the actual expense necessarily incurred in securing attendance of witnesses and their testimony shall be itemized and shall be a part of examination expense to be paid by the person being examined where payment of examination expense by such person is otherwise provided for in this title, or paid by the person as to whom such proceedings, other than as part of an examination, are held if in such proceedings such person is found to have been in violation of the law or by the person, if other than the Commissioner, at whose request the hearing is held.

(h) (1) Statements of charges, orders and other processes of the Commissioner under this chapter may be served by any one duly authorized by the Commissioner, either in the manner provided by law for service of process in civil actions or by registering and mailing a copy thereof to the person affected by such statement, notice, order or other process at his or her or its residence or principal office or place of business. The verified return by the person so serving such statement, notice, order or other process, setting forth the manner of such service, shall be proof of the same and the return postcard receipt for such statement, notice, order or other process, registered and mailed as aforesaid, shall be proof of the service of the same.

(2) Service of all process, statements of charges, and notices under this chapter upon unauthorized insurers shall be made by any deputy or employee of the Department delivering to and leaving with the Commissioner or some person in apparent charge of his or her office, 2 copies thereof, or in the manner provided for by § 2105(b) of this title.

(3) The Commissioner shall forward all such process, statements of charges and notices to the insurer in the manner provided in § 2105(a) of this title.

(4) No default shall be taken against any such unauthorized insurer until expiration of 30 days after date of forwarding by the Commissioner under paragraph (h)(3) of this section above or date of service of process if under § 2105(b) of this title.

(5) Section 2105 of this title shall apply as to all process, statements of charges and notices under this section.

(18 Del. C. 1953, § 2307; 56 Del. Laws, c. 380; 59 Del. Laws, c. 200, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2308. Cease and desist and penalty orders and modifications thereof.

(a) If, after such hearing, the Commissioner shall determine that the person charged has engaged in an unfair method of competition, or an unfair or deceptive act or practice, the Commissioner shall reduce such findings to writing and shall issue and cause to be served upon the person charged with the violation a copy of such findings and an order requiring such person to cease and desist from engaging in such method of competition, act or practice and if the act or practice is a violation of § 2304 or § 2305 of this title, the Commissioner may at the Commissioner's discretion order any 1 or more of the following:

(2) Suspension or revocation of the person's license if the person knew or reasonably should have known the person was in violation of this chapter; or

(3) Such other relief as is reasonable and appropriate.

(b) Until the expiration of the time allowed under § 2309 of this title for filing a petition for review (by appeal or writ of certiorari), if no such petition has been duly filed within such time, or if a petition for review has been filed within such time, then until the transcript of the record of the proceeding has been filed in the Chancery Court, as hereinafter provided, the Commissioner may at any time, upon such notice and in such manner as he or she shall deem proper, modify or set aside in whole or in part any order issued by him or her under this section.

(c) After the expiration of the time allowed for filing such a petition for review, if no such petition has been duly filed within such time, the Commissioner may at any time, after notice and opportunity for hearing, reopen and alter, modify or set aside, in whole or in part, any order issued by him or her under this section, whenever in his or her opinion conditions of fact or of law have so changed as to require such action or if the public interest shall so require.

(d) Such desist order shall become final upon expiration of the time allowed for appeals from the Commissioner's orders, if no such appeal is taken, or, in the event of such an appeal, upon final decision of the Court if the Court affirms the Commissioner's order or dismisses the appeal. An intervenor in such hearing shall have the right to appeal as provided in § 328 of this title.

(e) In event of such an appeal, to the extent that the Commissioner's order is affirmed the Court shall issue its own order commanding obedience to the terms of the Commissioner's order.

(f) No order of the Commissioner pursuant to this section or order of court to enforce it shall in any way relieve or absolve any person affected by such order from any other liability, penalty or forfeiture under law.

(g) Violation of any such desist order shall be deemed to be and shall be punishable as a violation of this title.

(h) This section shall not be deemed to affect or prevent the imposition of any penalty provided by this title or by other law for violation of any other provision of this chapter, whether or not any such hearing is called or held or such desist order issued.

(18 Del. C. 1953, § 2308; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 200, § 1; 70 Del. Laws, c. 186, § 1; 75 Del. Laws, c. 55, § 1.)

§ 2309. Judicial review of orders.

(a) Except as to matters arising under Chapter 25 of this title, an appeal from the Commissioner shall be taken only from an order on hearing or as to a matter on which the Commissioner has refused or failed to hold a hearing after application therefor under § 323 of this title or as to a matter as to which the Commissioner has refused or failed to make his or her order on hearing as required by § 324 of this title.

(b) Any person subject to an order of the Commissioner under § 2308 or § 2311 of this title and who was a party to such hearing or whose pecuniary interests are directly and immediately affected by any such refusal or failure, and who is aggrieved by such order, refusal or failure, may obtain an appeal from the Commissioner's order by filing in the Court of Chancery in any county, within 60 days from the date of such order, a written verified petition praying that the order of the Commissioner be set aside. The petition shall state the grounds upon which the review is sought, together with a bond with good and sufficient sureties to be approved by the Court conditioned to pay all costs which may be assessed against the appellant or petitioner in such proceedings. If the appeal is from the Commissioner's order on hearing, the petitioner shall also deliver to the Commissioner a sufficient number of copies of the petition and the Commissioner shall mail or otherwise furnish a copy thereof to the other parties to the hearing to the same extent as a copy of the Commissioner's order is required to be furnished to the hearing parties under § 324 of this title. A copy of such petition shall be forthwith served upon the Commissioner, and thereupon the Commissioner shall certify and file in such Court a transcript of the entire record in the proceeding, including all the evidence taken and the report and order of the Commissioner. Upon such filing of the petition and transcript such Court shall have jurisdiction of the proceeding and of the question determined therein, shall determine whether the filing of such petition shall operate as a stay of such order of the Commissioner and shall have power to make and enter upon the pleadings, evidence and proceedings set forth in such transcript a decree modifying, affirming or reversing the order of the Commissioner, in whole or in part. The findings of the Commissioner as to the facts, if supported by the evidence, shall be conclusive.

(c) To the extent that the order of the Commissioner is affirmed, the Court shall thereupon issue its own order commanding obedience to the terms of such order of the Commissioner. If either party shall apply to the Court for leave to adduce additional evidence and shall show to the satisfaction of the Court that such additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the proceeding before the Commissioner, the Court may order such additional evidence to be taken before the Commissioner and thereby adduced upon the hearing in such manner and upon such terms and conditions as to the Court may seem proper. The Commissioner may modify his or her findings of fact or make new findings by reason of the additional evidence so taken, and he or she shall file such modified or new findings, which, if supported by the evidence, shall be conclusive, and his or her recommendation, if any, for the modification or setting aside of his or her original order, with the return of such additional evidence.

(d) An order issued by the Commissioner under § 2308 of this title shall become final:

(1) Upon the expiration of the time allowed for filing a petition for review, if no such petition has been duly filed within such time, except that the Commissioner may thereafter modify or set aside his or her order to the extent provided elsewhere in this title; or

(2) Upon the final decision of the highest state court, if the court directs that the order of the Commissioner be affirmed or the petition for review dismissed. From the judgment of the Court of Chancery either the Commissioner or other party to the appeal may appeal directly to the Supreme Court of the State in the same manner as is provided in civil cases.

(e) No order of the Commissioner under this chapter or order of a court to enforce the same shall in any way relieve or absolve any person affected by such order from any liability of any other laws of this State.

(18 Del. C. 1953, § 2309; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 200, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2310. Judicial review by intervenor.

If after any hearing under § 2306 or § 2311 of this title the Commissioner's report does not charge a violation of this chapter, then any intervenor in the proceedings may within 20 days after the service of such report cause a petition for a review of such report to be filed in the Chancery Court of any county of this State. Upon such review, the Court shall have authority to issue appropriate orders and decrees in connection therewith, including, if the Court finds that it is in the interest of the public, orders enjoining and restraining the continuance of any method of competition, act or practice which it finds, notwithstanding such report of the Commissioner, constitutes a violation of this chapter, and containing penalties pursuant to § 2308 of this title.

(18 Del. C. 1953, § 2311; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 200, § 1.)

§ 2311. Penalty for violation of cease and desist orders.

(a) Any person who violates a cease and desist order of the Commissioner under § 2308 of this title, and while such order is in effect, may after notice and hearing and upon order of the Commissioner be subject at the discretion of the Commissioner to any one or more of the following:

- (1) A monetary penalty of not more than \$11,500 for each and every act or violation; or
- (2) Suspension or revocation of such person's license; or
- (3) Such other relief as is reasonable and appropriate.

(b) Prosecutions for any such violation shall be brought in the Superior Court of the county in which the offense occurred.

(c) At the discretion of the Commissioner and the Attorney General, any fine provided for above may be recovered on behalf of the State by a civil action brought against the violator.

(18 Del. C. 1953, § 2312; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 200, § 1; 67 Del. Laws, c. 260, § 1.)

Such regulations shall be subject to review in accordance with § 2309 of this title. No such rule or regulation shall extend, modify or conflict with any law of this State or the reasonable implications thereof.

(b) Wilful violation of any such rule or regulation shall subject the violator to such suspension or revocation of certificate of authority or license, or to such administrative fine in lieu thereof, as may be applicable under this title for violation of the provision to which such rule or regulation relates, but no penalty shall apply to any act done or omitted in good faith in conformity with any such rule or regulation, notwithstanding that such rule or regulation may, after such act or omission, be amended or rescinded or determined by judicial or other authority to be invalid for any reason.

§ 2314. Immunity from prosecution.

If any person shall ask to be excused from attending or testifying or from producing any books, papers, records, contracts, correspondence or other documents at any hearing on the ground that the testimony or evidence required of him or her may tend to incriminate him or her or subject him or her to a penalty or forfeiture, and shall thereafter notwithstanding this request be directed to give such testimony or produce such evidence, he or she must nonetheless comply with such direction, but he or she shall not thereafter be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which he or she may testify or produce evidence thereto, and no testimony so given or evidence produced shall be received against him or her upon any criminal action, investigation or proceeding. However, no such individual so testifying shall be exempt from prosecution or punishment for any perjury committed by him or her while so testifying, and the testimony or evidence so given or produced shall be admissible against him or her upon any criminal action, investigation or proceeding concerning such perjury, nor shall he or she be exempt from the refusal,

Any such individual may execute, acknowledge and file in the office of the Commissioner and of the Attorney General a statement expressly waiving such immunity or privilege in respect to any transaction, matter or thing specified in such statement, and thereupon the testimony of such person or such evidence in relation to such transaction, matter or thing may be received or produced before any judge or justice, court, tribunal, grand jury or otherwise, and if so received or produced such individual shall not be entitled to any immunity or privileges on account of any testimony he or she may so give or evidence so produced.

(b) No person shall knowingly permit or offer to make or make any contract of health insurance, group or blanket health insurance, or health service corporation service agreement with an individual 65 years of age or older unless such contract provides benefits equivalent to the benefits available to insureds under the age of 65 covered by such insurance company; except that such contracts may allow for reductions in coverage to reflect benefits available under governmentally sponsored health-care programs generally available to individuals over 65.

(c) Should any insurance company not have a contract available to insureds under the age of 65, the minimum benefits, if any, available to insureds over 65 must include partial or full coverage of appropriate hospital and surgical-medical expenses as determined by the Commissioner taking into account the prevailing medical practice in the community and the coverage available under governmentally sponsored programs generally available to individuals over 65.

 - (2) Prevent or prohibit a person from voluntarily disclosing any information concerning insurance fraud to any law-enforcement agency other than the Bureau; or

An act of insurance fraud may be 1 of several such acts which taken together comprise a fraudulent insurance scheme. Assessment of the administrative penalty shall be determined by the nature, circumstances, extent and gravity of the act or acts of insurance fraud, any prior history of such act or acts, the degree of culpability and such other matters as justice may require.

(c) In the event of nonpayment of the administrative penalty after all rights of appeal have been waived or exhausted, a civil action may be brought by the Commissioner in Superior Court for the collection of the administrative penalty, including interest, attorneys' fees and costs, in the following manner:

(1) A praecipe and complaint shall be filed setting forth that administrative action was taken against the defendant in accordance with this chapter, that the defendant either voluntarily entered into a consent order which called for the payment of a specified monetary penalty, or in the alternative, that after proper notice and hearing, the defendant was determined to be in violation of this chapter and that by order of the Commissioner a specified monetary penalty had been assessed against the defendant, that all rights of appeal have been waived or exhausted, and that payment in full has not been made in accordance with the terms of the consent order or other order of the Commissioner. The Department shall attach to the complaint a certified copy of that consent order or other order of the Commissioner.

(2) The Court shall enter judgment in favor of the Department for the amount specified in the complaint upon the Department establishing the following:

- a. The defendant is the same person against whom the consent order or other order of the Commissioner applies; and
- b. Payment in full has not been made by or on behalf of the defendant according to the terms of the consent or other order of the Commissioner.

(3) Any judgment entered shall be final to the same extent as a judgment entered after trial.

(4) Except as otherwise provided in this section the Superior Court Civil Rules shall govern these proceedings.

(d) Any person who is found to have committed an act of insurance fraud, or violated an order of the Commissioner pursuant to a hearing, shall be liable for costs incurred by the Bureau. The assessment for costs shall be 15% of each penalty assessed pursuant to this section.

(e) In addition to the above, the Commissioner shall have authority to order restitution to the insurer, or self-insured employer of any insurance proceeds paid pursuant to a fraudulent claim.

(f) The expenses or administrative penalties collected by the Bureau under this chapter are appropriated to the Bureau in accordance with

§ 2404 of this title. All moneys received by the Commissioner from insurers and agents pursuant to this chapter shall be transmitted to the State Treasurer to be deposited in the State Treasury to the credit of the Delaware Insurance Fraud Auxiliary Fund. All such moneys which are deposited in the Auxiliary Fund shall be appropriated to the Bureau to be used exclusively for the support of the Bureau. However, the Department may, in its discretion, pay a reward drawn from the assessed administrative penalty to an individual who reports to the Insurance Department an incident of insurance fraud which results in either an admission or finding of fraud. The reward shall not exceed the lesser of the assessed administrative penalty or \$25,000. In order to be eligible to receive a reward pursuant to this subsection, a reporting individual must sign a written complaint that subjects the person to the sanctions of § 1233 of Title 11. An insurance carrier that is the victim of insurance fraud is not eligible to receive a reward pursuant to this subsection for reporting such fraud.

(69 Del. Laws, c. 463, § 1.)

§ 2413. Criminal prosecution.

The imposition of any fine or other sanction under this chapter shall not preclude prosecution for a violation of any of the criminal laws of this State.

(69 Del. Laws, c. 463, § 1.)

Except as otherwise provided in this chapter, the State Administrative Procedures Act (Chapter 101 of Title 29) applies to and governs all administrative actions taken by the Bureau.

(18 Del. C. 1953, § 2508; 56 Del. Laws, c. 380, § 1.)

§ 2509. Excess rates.

Upon the written application of the insured stating his or her reasons therefor, filed with and approved by the Commissioner, a rate in excess of that provided by a filing otherwise applicable may be used on any specific risk.

(18 Del. C. 1953, § 2509; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2510. Filings for members and subscribers of rating organizations authorized.

Insurer may satisfy its obligation to make filings required by § 2503 of this title by becoming a member of, or a subscriber to, a licensed rating organization which makes such filings and by authorizing the Commissioner to accept such filings on its behalf. Nothing contained in this chapter shall be construed as requiring any insurer to become a member of or a subscriber to any rating organization.

(18 Del. C. 1953, § 2510; 56 Del. Laws, c. 380, § 1.)

§ 2511. Licensing of rating organizations.

(a) No rating organization shall make or file rates for risks located in this State without first being licensed therefor under this chapter.

(b) A corporation, an unincorporated association, a partnership or an individual, whether located within or outside this State, may make application to the Commissioner for license as a rating organization for such kinds of insurance, or subdivision or class of risk or a part or combination thereof as are specified in its application and shall file therewith:

(1) A copy of its constitution, its articles of agreement of association or its certificate of incorporation, and of its bylaws, rules and regulations governing the conduct of its business;

(2) A list of its members and subscribers;

(3) The name and address of a resident of this State upon whom notices or orders of the Commissioner or process affecting such rating organization may be served; and

(4) A statement of its qualifications as a rating organization.

(c) If the Commissioner finds that the applicant is competent, trustworthy and otherwise qualified to act as a rating organization and that its constitution, articles of agreement or association or certificate of incorporation, and its bylaws, rules and regulations governing the conduct of its business conform to the requirements of law, he or she may issue a license specifying the kinds of insurance or subdivision or class of risk or part or combination thereof for which the applicant is authorized to act as a rating organization. Every such application shall be granted or denied in whole or in part by the Commissioner within a reasonable period after the same has been filed with him or her.

(d) Licenses issued pursuant to this section shall remain in effect for 1 year unless sooner suspended or revoked by the Commissioner.

(e) Licenses issued pursuant to this section may be suspended or revoked by the Commissioner, after hearing upon notice, in the event the rating organization ceases to meet the requirements of this section.

(18 Del. C. 1953, § 2511; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2512. Subscribers to rating organizations.

(a) Subject to rules and regulations which have been approved by the Commissioner as reasonable, each rating organization shall permit any insurer to be a subscriber to its rating services for any kind of insurance, subdivision or class of risk or a part or combination thereof for which it is authorized to act as a rating organization. Notice of proposed changes in such rules and regulations shall be given to subscribers. Each rating organization shall furnish its rating services without discrimination to its subscribers.

(b) The reasonableness of any rule or regulation in its application to subscribers, or the refusal of any rating organization to admit an insurer as a subscriber, shall, at the request of any subscriber or any such insurer, be reviewed by the Commissioner at a hearing held upon at least 10 days' written notice to such rating organization and to such subscriber or insurer. If the Commissioner finds that such rule or regulation is unreasonable in its application to subscribers, he or she shall order that such rule or regulation shall not be applicable to subscribers. If the rating organization fails to grant or reject an insurer's application for subscribership within 30 days after it was made, the insurer may request a review by the Commissioner as if the application had been rejected. If the Commissioner finds that the insurer has been refused admittance to the rating organization as a subscriber without justification, he or she shall order the rating organization to admit the insurer as a subscriber. If he or she finds that the action of the rating organization was justified, he or she shall make an order affirming its action.

(18 Del. C. 1953, § 2512; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2513. Notice of changes.

Every rating organization shall notify the Commissioner promptly of every change in:

- (1) Its constitution, its articles of agreement or association or its certificate of incorporation and its bylaws, rules and regulations governing the conduct of its business;
- (2) Its list of members and subscribers; and
- (3) The name and address of the resident of this State designated by it upon whom notices or orders of the Commissioner or process affecting such rating organization may be served.

(18 Del. C. 1953, § 2513; 56 Del. Laws, c. 380, § 1.)

§ 2514. Rules not to affect dividends.

No rating organization shall adopt any rule the effect of which would be to prohibit or regulate the payment of dividends, savings or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members or subscribers.

(18 Del. C. 1953, § 2514; 56 Del. Laws, c. 380, § 1.)

§ 2515. Technical services.

Any rating organization may subscribe for or purchase actuarial, technical or other services, and such services shall be available to all subscribers without discrimination.

(18 Del. C. 1953, § 2515; 56 Del. Laws, c. 380, § 1.)

§ 2516. Examinations and rules.

Any rating organization may provide for the examination of its subscribers' policies, daily reports, binders, renewal certificates, endorsements or other evidences of insurance, or the cancellation thereof, and may make reasonable rules governing their submission. Such rules shall contain a provision that in the event any insurer does not within 60 days furnish satisfactory evidence to the rating organization of the correction of any error or omission previously called to its attention by the rating organization, the rating organization shall notify the Commissioner thereof. All information so submitted for examination shall be confidential.

(18 Del. C. 1953, § 2516; 56 Del. Laws, c. 380, § 1.)

§ 2517. Adherence to filings.

No insurer shall make or issue a contract or policy except in accordance with the filings which are in effect for the insurer as provided in this chapter or in accordance with § 2505 (exemption from filing) or § 2509 (excess rates) of this title. This section shall not apply to contracts or policies for inland marine risks as to which filings are not required.

(18 Del. C. 1953, § 2517; 56 Del. Laws, c. 380, § 1.)

§ 2518. Deviations.

(b) The Commissioner shall set a time and place for a hearing at which the insurer and such rating organization may be heard and shall give them not less than 10 days' written notice thereof. If the Commissioner is advised by the rating organization that it does not desire a hearing, he or she may, upon the consent of the applicant, waive such hearings.

(a) Every subscriber to a rating organization shall adhere to the filings made on its behalf by such organization except that any such insurer may make written application to the Commissioner for permission to file a deviation from the class rates, schedules, rating plans, or rules respecting any kind of insurance, or class of risk within a kind of insurance, or combination thereof. Such application shall specify the basis for the modification, and a copy thereof shall also be sent simultaneously to such rating organization.

(c) In considering the application for permission to file such deviation, the Commissioner shall give consideration to the available statistics and the principles for ratemaking as provided in § 2503 of this title. The Commissioner shall issue an order permitting the deviation for such insurer to be filed if he or she finds it to be justified, and it shall thereupon become effective. He or she shall issue an order denying such application if he or she finds that the modification is not justified or that the resulting premiums would be excessive, inadequate, or unfairly discriminatory.

(d) Each deviation permitted to be filed shall be effective continuously from the date of such permission unless terminated sooner with the approval of the Commissioner or until such time a modification is made to the deviation. All term policies issued pursuant to such deviations may remain in force until their expiring dates.

(18 Del. C. 1953, § 2518; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1; 83 Del. Laws, c. 94, § 1.)

§ 2519. Appeal from rating organization.

Any subscriber to a rating organization may appeal to the Commissioner from the action or decision of such rating organization in approving or rejecting any proposed change in or addition to the filings of such rating organization.

(18 Del. C. 1953, § 2519; 56 Del. Laws, c. 380, § 1.)

§ 2520. Appeal by insurers and others as to filings.

(a) Any person or organization in interest, aggrieved with respect to any filing which is in effect may make written application to the Commissioner for a hearing thereon except that the insurer or rating organization that made the filing shall not be authorized to proceed under this section. Such application shall specify the grounds to be relied upon by the applicant.

(b) If the Commissioner finds that the application is made in good faith, that the applicant would be so aggrieved if his or her grounds are established, and that such grounds otherwise justify holding such a hearing, he or she shall, within 30 days after receipt of such application, hold a hearing upon not less than 10 days' written notice to the applicant and to every insurer and rating organization which made such filing.

(c) If, after such hearing, the Commissioner finds that the filing does not meet the requirements of this chapter, he or she shall issue an order specifying in what respects he or she finds that such filing fails to meet the requirements of this chapter and stating when, within a reasonable period thereafter, such filing shall be deemed no longer effective. Copies of the order shall be sent to the applicant and to every such insurer and rating organization. The order shall not affect any contract or policy made or issued prior to the expiration of the period set forth in the order.

(18 Del. C. 1953, § 2520; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2521. Information to be furnished insured.

Every rating organization and every insurer which makes its own rates shall, within a reasonable time after receiving written request therefor and upon payment of such reasonable charge as it may make, furnish to any insured affected by a rate made by it, or to the authorized representative of such insured, all information as to such rate.

(18 Del. C. 1953, § 2521; 56 Del. Laws, c. 380, § 1.)

§ 2522. Advisory organizations.

(a) Every group, association or other organization of insurers, whether located within or outside this State, which assists insurers which make their own filings or rating organizations in rate making, by the collection and furnishing of loss or expense statistics or by the submission of recommendations, but which does not make filings under this chapter shall be known as an advisory organization.

(b) Every advisory organization shall file with the Commissioner:

(1) A copy of its constitution, its articles of agreement or association or its certificate of incorporation and of its bylaws, rules and regulations governing its activities;

(2) A list of its members; and

(3) The name and address of a resident of this State upon whom notice or orders of the Commissioner or process issued at his or her direction may be served.

(c) If, after a hearing, the Commissioner finds that the furnishing of such information or assistance involves any act or practice which is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter, he or she may issue a written order specifying in what respects such act or practice is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter and requiring the discontinuance of such act or practice.

(d) No insurer which makes its own filing nor any rating organization shall support its filings by statistics or adopt rate making recommendations, furnished to it by an advisory organization which has not complied with this section or with an order of the Commissioner involving such statistics or recommendations issued under subsection (c) of this section. If the Commissioner finds such insurer or rating organization to be in violation of this subsection, he or she may issue an order requiring the discontinuance of such violation.

(18 Del. C. 1953, § 2522; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2523. Joint underwriters; joint reinsurers.

(a) Every group, association or other organization of insurers which engages in joint underwriting or joint reinsurance shall be subject to regulation with respect thereto as herein provided, subject, however, with respect to joint underwriting, to all other provisions of law, and with respect to joint reinsurance, to § 2524 (examinations) of this title.

(b) If, after a hearing, the Commissioner finds that any activity or practice of any such group, association or other organization is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter, he or she may issue a written order specifying in what respects such activity or practice is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter and requiring the discontinuance of such activity or practice.

(18 Del. C. 1953, § 2523; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2524. Examinations.

(a) The Commissioner shall, at least once in 5 years, make or cause to be made an examination of each rating organization licensed in this State, as provided in § 2511 of this title, and he or she may, as often as he or she may deem it expedient, make or cause to be made an examination of each advisory organization referred to in § 2522 of this title and of each group, association or other organization referred to in § 2523 of this title. The reasonable costs of any such examination shall be paid by the rating organization, advisory organization or group, association or other organization examined upon presentation to it of a detailed account of such costs. The officers, manager, agent and employees of such rating organization, advisory organization or group, association or other organization may be examined at any time under oath and shall exhibit all books, records, accounts, documents or agreements governing its method of operation.

(b) In lieu of any such examination the Commissioner may accept the report of an examination made by the insurance supervisory official of another state, pursuant to the laws of such state.

(c) The provisions of § 325 of this title (examination report) apply as to such examinations.

(18 Del. C. 1953, § 2524; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2525. Recording and reporting of loss and expense experience.

(a) The Commissioner shall promulgate reasonable rules and statistical plans, reasonably adapted to each of the rating systems on file with him or her, which may be modified from time to time and which shall be used hereafter by each insurer in the recording and reporting of its loss and countrywide expense experience in order that the experience of all insurers may be made available at least annually in such form and detail as may be necessary to aid him or her in determining whether rating systems comply with the standards set forth in § 2503 of this title. Such rules and plans may also provide for the recording and reporting of expense experience items which are specially applicable to this State and are not susceptible of determination by a prorating of countrywide expense experience.

(b) In promulgating such rules and plans the Commissioner shall give due consideration to the rating systems on file with him or her and, in order that such rules and plans may be as uniform as is practicable among the several states, to the rules and to the form of the plans used for such rating systems in other states. No insurer shall be required to record or report its loss experience on a classification basis that is inconsistent with the rating system filed by it.

(c) The Commissioner may designate 1 or more rating organizations or other agencies to assist him or her in gathering such experience and making compilations thereof, and such compilations shall be made available, subject to reasonable rules promulgated by the Commissioner, to insurers and rating organizations.

(d) Each insurer shall report its loss or expense experience to the lawful rating organization or agency of which it is a member or subscriber but shall not be required to report its loss or expense experience to any rating organization or agency of which it is not a member or subscriber. Any insurer not reporting such experience to a rating organization or other agency may be required to report such experience to the Commissioner. Any report of such experience of any insurer filed with the Commissioner shall be deemed confidential and shall not be revealed by the Commissioner to any other insurer or other person, but the Commissioner may make compilations including such experience.

(e) This section does not apply to property or casualty insurers to the extent it conflicts with any of the provisions of § 526A of this title [repealed].

(18 Del. C. 1953, § 2525; 56 Del. Laws, c. 380, § 1; 65 Del. Laws, c. 270, § 2; 70 Del. Laws, c. 186, § 1; 83 Del. Laws, c. 184, § 2.)

§ 2526. Interchange of rating plan data; consultation; cooperative action in rate making.

(a) Reasonable rules and plans may be promulgated by the Commissioner for the interchange of data necessary for the application of rating plans.

(b) In order to further uniform administration of rate regulatory laws, the Commissioner and every insurer and rating organization may exchange information and experience data with insurance supervisory officials, insurers and rating organizations in other states and may consult with them with respect to rate making and the application of rating systems.

(c) Cooperation among rating organizations or among rating organizations and insurers in rate making or in other matters within the scope of this chapter is authorized, but the filings resulting from such cooperation are subject to all provisions of this chapter which are applicable to filings generally. The Commissioner may review such cooperative activities and practices and, if after a hearing he or she finds that any such activity or practice is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter, he or she may issue a written order specifying in what respects such activity or practice is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter and requiring the discontinuance of such activity or practice.

(18 Del. C. 1953, § 2526; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2527. Assigned risk plans.

The Commissioner shall promulgate the necessary regulations to effect:

(1) An equitable apportionment among all the insurers writing automobile insurance in this State of insurance which shall be afforded applicants who are in good faith entitled to but who are unable to procure such insurance through ordinary methods;

(2) Reasonable rates for such insurance; and

(3) Such other rules as are necessary to effect and maintain an assigned risk plan.

(18 Del. C. 1953, § 2527; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 195, § 1.)

§ 2528. False or misleading information.

(a) No person shall wilfully withhold information from or knowingly give false or misleading information to:

(1) The Commissioner;

(2) Any statistical agency designated by the Commissioner;

(3) Any rating organization or insurer which affects rates or premiums chargeable under this chapter.

(b) Violation of this section shall be subject to the penalties provided in § 106 of this title or in lieu thereof, in the Commissioner's discretion, an administrative fine of not over \$2,000.

(18 Del. C. 1953, § 2528; 56 Del. Laws, c. 380, § 1; 58 Del. Laws, c. 278, § 6.)

§ 2529. Fleet rates.

Two or more insurers who, by virtue of their business associations in the United States, represent themselves to be or are customarily known as a “group” or similar insurance trade designation may make the same filings or use the same rates for each such insurer subject to the provisions of § 2503 of this title, and nothing contained in this chapter shall be construed to prohibit an agreement to make the same filings or use the same rates and concerted action in connection with such filings or rates by such insurers. This section shall not apply to 2 or more insurers who are not under the same common executive or general management or control and who act in concert in underwriting groups or pools.

(18 Del. C. 1953, § 2529; 56 Del. Laws, c. 380, § 1.)

§ 2530. Penalties.

(a) The Commissioner may, if he or she finds that any person or organization has violated this chapter, impose a penalty of not more than \$500 for each such violation, but if he or she finds such violation to be wilful, he or she may impose a penalty of not more than \$1,000 for each such violation in addition to any other penalty provided by law.

(b) The Commissioner may suspend the license of any rating organization or insurer which fails to comply with his or her order within the time limited by the order or any extension thereof granted by the Commissioner. The Commissioner shall not so suspend a license for failure to comply with an order until time prescribed for appeal therefrom has expired or, if appealed, until such order has been affirmed. The Commissioner may determine the period of a suspension, and it shall remain in effect for such period unless he or she modifies or rescinds the suspension or until the order upon which the suspension is based is modified, rescinded or reversed.

(c) No penalty shall be imposed and no license shall be suspended or revoked except upon a written order of the Commissioner stating his or her findings, made after a hearing held upon not less than 10 days’ written notice to such person or organization specifying the alleged violation.

(d) Any party aggrieved by an order or decision of the Commissioner may, within 30 days after Commissioner’s notice, make written request for hearing thereon pursuant to § 2507 of this title.

(18 Del. C. 1953, § 2530; 56 Del. Laws, c. 380, § 1; 58 Del. Laws, c. 278, § 7; 70 Del. Laws, c. 186, § 1.)

§ 2531. Appeals from Commissioner.

Any order, decision or act of the Commissioner under this chapter is subject to judicial review upon petition of any person aggrieved. The appeal shall be to the Court of Chancery in any county of this State. A petition for review shall be filed within 60 days from notice of the order, decision or act. The commencement of the proceeding shall not affect enforcement or validity of the Commissioner’s action unless the Court determines, after notice to the Commissioner, that a stay of enforcement until further direction of the Court will not unduly injure the interests of the public. Section 328(d)-(i) (appeal from the Commissioner) of this title shall apply to such appeals.

(18 Del. C. 1953, § 2531; 56 Del. Laws, c. 380, § 1.)

§ 2532. Certain increases in premiums to peace officers or emergency personnel prohibited.

No insurer shall, in issuing or renewing a private automobile insurance policy to a peace officer, member of the Delaware State Police, ambulance squad member, volunteer or paid, or firefighter, volunteer or paid, with respect to his or her operation of a private motor vehicle, increase the premium on such policy for the reason that the insured or applicant for insurance has been involved in an accident while responding to an emergency during his or her hours of duty in an authorized emergency vehicle as defined under § 4106(e) of Title 21.

(64 Del. Laws, c. 80, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2533. Workers’ compensation rates.

The rates and rating plans submitted under this chapter for workers’ compensation shall provide for discounts on workers’ compensation premiums for those Delaware employers who meet criteria as established by the Commissioner to promote and maintain safety in the workplace. The Commissioner shall promulgate a regulation which provides an inspection program to establish the eligibility of any employer for a safe workplace discount, the premium volume to qualify and the percent of discount available to employers.

(67 Del. Laws, c. 63, § 1.)

§ 2534. Workers’ compensation and employers’ liability forms and policies.

(a) Every insurer shall file with the Commissioner all forms, endorsements, contracts or policies proposed for use in Delaware in connection with workers’ compensation or employers’ liability insurance.

(b) As part of rate or form filing, each insurer shall file its classification of risks and all rules governing applications of classification system, including rules or practices relating to payroll audits and collection of premiums. All scheduled rating and deviation schedules shall also be filed with the Commissioner.

(c) Every rating system which provides deviations from normal premium rates shall be uniform in its application to all risks in the class for which the deviation is made. Deviations may remain in effect for a period of more than 1 year unless terminated by the Commissioner.

(73 Del. Laws, c. 266, § 1.)

Part I
Insurance
Chapter 26
Workers' Compensation Rating

§ 2601. Scope of chapter.

This chapter applies to workers' compensation and related employer's liability insurance but shall not apply to reinsurance.
(69 Del. Laws, c. 163, § 1; 70 Del. Laws, c. 172, § 10.)

§ 2602. Definitions.

(a) "Accepted actuarial standards" shall mean the standards adopted by the Casualty Actuarial Society in its Statement of Principles Regarding Property and Casualty Insurance Ratemaking, and the Standards of Practice adopted by the Actuarial Standards Board.

(b) "Advisory organization" shall mean any organization or person which either has 2 or more member insurers or is controlled either directly or indirectly by 2 or more insurers and which assists insurers in ratemaking related activities. Two or more insurers having a common ownership or operating in this State under common management or control constitute a single insurer for purposes of this definition. Advisory organization does not include a joint underwriting association, any actuarial or legal consultant, any employee of an insurer or insurers under common control or management or their employees or manager.

(c) "Classification system" shall mean the plan, system, or arrangement for recognizing differences in exposure to hazards among industries, occupations or operations of insurance policyholders.

(d) "Contingencies" shall mean provisions in rates to recognize the uncertainty of the estimates of losses, loss adjustment expenses, other operating expenses, investment income and profit which comprise those rates. Such provisions may be explicit (i.e., a specific charge to reflect systematic variations of estimated costs from expected costs), implicit (i.e., a consideration in selecting a single estimate from a reasonable range of estimates) or both.

(e) "Developed losses" shall mean adjusted losses (including loss adjustment expenses), using accepted actuarial standards, to eliminate the effect of differences between current payment or reserve estimates and those needed to provide actual ultimate loss (including loss adjustment expense) payments.

(f) "Expenses" shall mean that portion of any rate attributable to acquisition, filed supervision and collection expenses, general expenses and taxes, licenses and fees.

(g) "Experience rating" shall mean a rating procedure utilizing past insurance experience of the individual policyholder to forecast future losses by measuring the policyholder's loss experience against the loss experience of policyholders in the same classification to produce a prospective premium credit, debit or unity modification.

(h) "Insurer" shall mean any person licensed to write workers' compensation insurance under the laws of the State.

(i) "Loss trending" shall mean any procedure for projecting developed losses to the average date of loss for the period during which the policies are to be effective, including loss ratio trending.

(j) "Market" shall mean the interaction in this State between buyers and sellers of workers' compensation and employer's liability insurance pursuant to the provisions of this chapter.

(k) "Prospective loss costs" shall mean historical aggregate losses and loss adjustment expenses, including all assessments that are loss-based, projected through development to their ultimate value and through trending to a future point in time, ascertained by accepted actuarial standards. Prospective loss costs do not include provisions for profit or expenses other than loss adjustment expenses and assessments that are loss-based.

(l) "Pure premium rate" shall mean that portion of the rate which represents the loss cost per unit of exposure including loss adjustment expense.

(m) "Rate" or "rates" shall mean rate of premium, policy and membership fee, or any other charge made by an insurer for or in connection with a contract or policy of workers' compensation and employer's liability insurance, prior to application of individual risk variations based on loss or expense considerations, and does not include minimum premiums.

(n) "Reserve estimates" shall mean provisions for insurer obligations for future payments of loss and/or loss adjustment expenses.

(o) "Statistical plan" shall mean the plan, system or arrangement used in collecting data.

(p) "Supplementary rate information" shall mean any manual or plan of rates, statistical plan, classification system, minimum premium, policy fee, rating rule, rate-related underwriting rule and any other information needed to determine the applicable premium for an individual insured and not otherwise inconsistent with the purposes of this chapter, as prescribed by rule of the Commissioner.

(q) "Supporting information" shall mean the experience and judgment of the filer and the experience or data of other insurers or advisory organizations relied on by the filer, the interpretation of any statistical data relied on by the filer, descriptions of methods used in making the rates and any other similar information required to be filed by the Commissioner.

(69 Del. Laws, c. 163, § 1; 70 Del. Laws, c. 172, § 10.)

§ 2603. Competitive market; hearing.

(a) A competitive market is presumed to exist unless the Commissioner, after a hearing, issues an order stating that a reasonable degree of competition does not exist in the market. Such order shall expire no later than 1 year after issue.

(b) (1) In determining whether a reasonable degree of competition exists, the Commissioner shall consider the following factors:

- a. The number of insurers actively engaged in providing coverage;
- b. Market shares and changes in market shares;
- c. Ease of entry;
- d. Market concentration as measured by the Herfindahl-Hirschman Index;
- e. Whether long-term profitability for insurers in the market is unreasonably high in relation to the risks being insured;
- f. Whether long-term profitability for insurers in the market is reasonable in relation to industries of comparable business risk; and
- g. Generally accepted and relevant tests relating to competitive market structure, market performance and market conduct.

(2) The workers' compensation insurance market shall not be deemed noncompetitive if the market concentration of the 50 largest insurers satisfies the United States Department of Justice merger guidelines for an unconcentrated market.

(c) All determinations by the Commissioner shall be made on the basis of findings of fact and conclusions of law.

(69 Del. Laws, c. 163, § 1; 70 Del. Laws, c. 172, § 10.)

§ 2604. Ratemaking standards.

(a) Rates shall not be excessive, inadequate or unfairly discriminatory.

(1) Rates in a competitive market are not excessive. Rates in a noncompetitive market are excessive if they are likely to produce a long-run profit that is unreasonably high in relation to services rendered.

(2) A rate shall not be deemed inadequate unless:

- a. 1. It is clearly insufficient to sustain projected losses and expenses; and
- 2. The rate is unreasonably low, and the use of the rate by the insurer has had or, if continued, will tend to create a monopoly in the market; or
- b. Funds equal to the full, ultimate cost of anticipated losses and loss adjustment expenses are not produced when prospective loss costs are applied to anticipated payrolls.

(3) Unfair discrimination exists if, after allowing for practical limitations, price differentials fail to reflect equitably the differences in expected losses and expenses. A rate is not unfairly discriminatory because different premiums result for policyholders with different loss exposures or expense levels.

(b) In determining whether rates comply with standards under subsection (a) of this section, due consideration shall be given to:

- (1) Past and prospective loss experiences within and outside this State, in accordance with accepted actuarial principles;
- (2) Catastrophe hazards and contingencies;
- (3) Past and prospective expenses, within and outside Delaware;
- (4) Loadings for leveling premium rates over time for dividends, savings or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members or subscribers;
- (5) A reasonable margin for underwriting profit; and
- (6) All other relevant factors within and outside Delaware.

(c) The systems of expense provisions included in the rates for use by an insurer or group of insurers may differ from those of any other insurers or groups of insurers to reflect the requirements of the operating methods of the insurer or group of insurers.

(d) The rates may contain provisions for contingencies and an allowance permitting a reasonable profit. In determining the reasonableness of a profit, consideration should be given to all investment income attributable to premiums and the reserves associated with those premiums.

(69 Del. Laws, c. 163, § 1.)

§ 2605. Review by Commissioner.

The Commissioner may investigate and determine whether or not rates in this State are excessive, inadequate, or unfairly discriminatory. In any such investigation and determination, the Commissioner shall give due consideration to those factors specified in § 2604 of this title.

(69 Del. Laws, c. 163, § 1.)

§ 2606. Rules not to affect dividends.

No advisory organization shall adopt any rule that would prohibit or regulate the payment of dividends, savings or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members or subscribers. A plan for the payment of dividends, savings or unabsorbed premium deposits allowed or returned by insurers to their policyholders is not considered a rating plan or system. It is an unfair trade practice to make the payment of a dividend or any portion thereof conditioned upon renewal of the policy or contract.

(69 Del. Laws, c. 163, § 1.)

§ 2607. Membership in advisory organization.

(a) The Commissioner shall designate an advisory organization to assist the Commissioner in gathering, compiling and reporting relevant statistical information. Every workers' compensation insurer shall record and report its workers' compensation experience to the designated advisory organization as set forth in the uniform statistical plan approved by the Commissioner.

(b) Each workers' compensation insurer shall be a member of the workers' compensation advisory organization. Each workers' compensation insurer may adhere to the policy forms filed by the advisory organization.

(c) Every workers' compensation insurer shall adhere to a uniform classification system and uniform experience rating plan that has been filed with the Commissioner by the advisory organization and approved by the Commissioner; provided, however that:

(1) An insurer may develop subclassifications within the uniform classification system for which a rate or rates may be made;

(2) Any subclassification developed under paragraph (c)(1) of this section shall be filed with the advisory organization and the Commissioner 30 days prior to use; and

(3) If the insurer fails to demonstrate that the data produced under a subclassification can be reported in a manner consistent with the advisory organization's uniform statistical plan and classification system, the Commissioner shall disapprove the subclassification.

The advisory organization shall file a rating plan with the Department of Insurance not later than 90 days after the adoption of a health-care payment system provided for by § 2322B of Title 19 and shall also file a rating plan not later than 90 days after the adoption of health-care practice guidelines provided for by § 2322C(7) of Title 19. Thereafter, the advisory organization shall file a rating plan at least annually. Within 60 days of each such rating plan becoming effective pursuant to this chapter, each authorized insurer shall make a rate filing pursuant to § 2609 of this title.

(d) Subject to the approval of the Commissioner, the advisory organization shall develop and file rules reasonably related to the recording and reporting of data pursuant to the uniform statistical plan, uniform experience rating plan and the uniform classification system.

(e) The methodology of the experience rating plan required under subsection (c) of this section shall have as a basis:

(1) Reasonable eligibility standards;

(2) Incentives for loss prevention; and

(3) A premium differential so as to encourage safety.

(f) The uniform experience rating plan shall be the exclusive means of providing prospective premium adjustment based upon measurement of the loss producing characteristics of an individual insured. An insurer may file a rating plan that provides for retrospective premium adjustments based upon an insured's past experience.

(69 Del. Laws, c. 163, § 1; 70 Del. Laws, c. 172, § 10; 74 Del. Laws, c. 348, § 1; 76 Del. Laws, c. 1, § 2; 79 Del. Laws, c. 312, § 2; 81 Del. Laws, c. 79, § 29.)

§ 2608. Interchange of rating plan data; consultation; cooperative action in rate making.

(a) Reasonable rules and plans may be promulgated by the Commissioner for the interchange of data necessary for the application of rating plans.

(b) In order to further conform administration of rate regulatory laws, the Commissioner and every insurer and the advisory organization designated by the Commissioner may exchange information and experience data with insurance supervisory officials, insurers and advisory organizations in other states and may consult with them with respect to rate making and the application of rating systems.

(c) Cooperation among advisory organizations or among advisory organizations and insurers in rate making or in other matters within the scope of this chapter is authorized, but the filings resulting from such cooperation are subject to all provisions of this chapter. The Commissioner may review such cooperative activities and practices and, if after a hearing any such activity or practice is found to violate the provisions of this chapter, a written order may be issued specifying that such activity or practice violates the provisions of this chapter and requiring the discontinuance of such activity.

(69 Del. Laws, c. 163, § 1.)

§ 2609. Rate filings.

(a) Each authorized insurer shall file with the Commissioner all rates, supplementary rate information and any changes and amendments made by it for use in this State as required in § 2610 of this title. An insurer may establish rates and supplementary rate information based upon the factors in § 2604 of this title. An insurer may adopt by reference, with or without deviation, the prospective loss costs filed by the advisory organization or the rates and supplementary rate information filed by another insurer.

(b) An insurer may not make or issue a contract or policy of insurance under this chapter, except in accordance with the filings which are in effect for the insurer as provided in this chapter.

(c) In addition to other prohibitions in this chapter, no advisory organization shall file rates, supplementary rate information or supporting information on behalf of an insurer.

(d) A filing made pursuant to this section should provide for a reduction in premium based upon any savings realized by insurers as a result of workers' compensation cost containment measures implemented pursuant to legislation adopted by the General Assembly.

(69 Del. Laws, c. 163, § 1; 76 Del. Laws, c. 1, § 3.)

§ 2610. Review of insurance filings.

(a) The Commissioner shall investigate and review each insurance filing under the following guidelines:

(1) The effective date of each workers' compensation insurance filing shall be the date specified in the filing. The effective date of the filing may not be earlier than 30 days after the date the filing is received by the Commissioner or the date of receipt of the information furnished in support of the filing if such supporting information is required by the Commissioner.

(2) Upon written application of the insurer or advisory organization, the Commissioner may authorize a filing, which the Commissioner has reviewed, to become effective before the expiration of the period described in paragraph (a)(1) of this section.

(3) A filing shall be deemed to meet the requirements of this chapter unless disapproved by the Commissioner within the period described in paragraph (a)(1) of this section or any extension thereof.

(b) Subject to subsection (a) of this section, a workers' compensation advisory organization shall file with the Commissioner:

- (1) Workers' compensation rates and rating plans that are limited to prospective loss costs;
- (2) Each workers' compensation policy form to be used by its members;
- (3) The uniform classification plan and rules;
- (4) The uniform experience rating plan and rules; and
- (5) Any other information that the Commissioner requests and is otherwise entitled to receive under this chapter.

(c) Whenever a filing is not accompanied by the information required under this section, the Commissioner shall so inform the filer within 10 days of the initial filing. The filing shall be deemed to be made when the required information is furnished or when the filer certifies to the Commissioner that the additional information requested by the Commissioner is not maintained or cannot be provided.

(d) If each rate in a schedule of workers' compensation rates for specific classifications of risks filed by an insurer is not lower than the prospective loss costs contained in the schedule of workers' compensation rates for those classifications filed by an advisory organization under subsection (b) of this section, and approved by the Commissioner, then the schedule of rates filed by the insurer shall not be subject to subsection (a) of this section but shall become effective upon filing for the purposes of § 2609 of this title.

(e) Upon the filing of any application by a workers' compensation advisory organization with the Commissioner relating to rates or prospective loss costs, the Workers' Compensation Oversight Panel authorized in Title 19 shall, with the consent of the Attorney General, retain a member of the Delaware Bar to represent the interests of Delaware workers' compensation rate-payers during the Commissioner's consideration of the application (the "ratepayer advocate"). The cost of the ratepayer advocate shall be borne by the advisory organization. It is the expectation of the General Assembly that \$40,000 should be sufficient to adequately compensate the ratepayer advocate for his or her services during the course of an application (including any appeals), and compensation for the ratepayer advocate is limited to this amount, which may be adjusted by the Attorney General for inflation on an annual basis. The Department of Labor shall provide staff support for the Workers' Compensation Oversight Panel in carrying out this responsibility.

(f) Applications by a workers' compensation advisory organization relating to rates or prospective loss costs shall be subject to the case decision provisions of Title 29, Chapter 101, subchapter III, and the ratepayer advocate shall be considered a party to the case. The Department of Insurance shall promulgate regulations within 60 days to ensure that the ratepayer advocate has adequate time and means to properly participate in the hearing required by Title 29, Chapter 101, subchapter III. The advisory organization may, but need not be, represented by counsel in this proceeding.

(g) The ratepayer advocate shall select an actuary to work with him or her and testify in the rate-setting proceeding outlined in subsections (e) and (f) of this section. The cost of this actuary shall be borne by the advisory organization. It is the expectation of the General Assembly that any other actuaries used by the Department of Insurance during the rate-setting process outlined in subsections (e) and (f) of this section shall be paid for by the Department of Insurance.

(69 Del. Laws, c. 163, § 1; 70 Del. Laws, c. 172, § 10; 70 Del. Laws, c. 186, § 1; 79 Del. Laws, c. 55, § 7; 79 Del. Laws, c. 312, § 1.)

§ 2611. Improper rates; hearing.

(a) If the Commissioner finds that a rate is not in compliance with § 2604 of this title, or that a rate had been set in violation of § 2616 of this title, the Commissioner shall order that its use be discontinued for any policy issued or renewed after the date of the order and the order may prospectively provide for premium adjustment of any such policy then in force. The order shall be issued within 30 days after the close of a hearing, if one is requested by the insurer, or within a reasonable time as fixed by the Commissioner. The order shall expire 1 year after its effective date unless rescinded earlier by the Commissioner.

(b) If the Commissioner disapproves a rate under subsection (a) of this section, disapproval shall take effect not less than 15 days after its order and the last previous rate in effect for the insurer shall be reimposed for a period of 1 year unless the Commissioner approves a rate under subsection (d) or subsection (e) of this section.

(c) All determinations made by the Commissioner under this section shall be in accordance with accepted actuarial standards on the basis of findings of fact and conclusions of law.

(d) For a period of 1 year after the effective date of a disapproval order under subsection (a) of this section, no rate adopted to replace one disapproved under such order may be used until it has been filed with the Commissioner and approved within 30 days thereafter.

(e) Whenever an insurer has no legally effective rates pursuant to subsection (a) of this section, the Commissioner shall, on the insurer's request, specify interim rates for the insurer that are adequate to protect the interests of all parties. The Commissioner may order that a specified portion of the premiums be placed in a special reserve established by the insurer. When new rates become legally effective, the Commissioner shall order the reserved funds or any overcharge in the interim rates to be distributed appropriately, except that minimal adjustments may not be required.

(69 Del. Laws, c. 163, § 1.)

§ 2612. Restrictions on certain insurers; waiting period.

(a) The Commissioner may require that a particular insurer file any or all of its rates and supplementary rate information 30 days prior to their effective date, if the Commissioner finds after a hearing that the protection of the interests of the insurer's insureds and the public in this State requires closer supervision of its rates.

(b) Upon written application by an insurer, the Commissioner may authorize a filing, which the Commissioner has reviewed, to become effective before the expiration of the period described in subsection (a) of this section.

(c) The filing shall be approved or disapproved during the waiting period and if not disapproved before the expiration of the waiting period shall be deemed to meet the requirements of this section.

(d) Any insurer affected by the Commissioner's actions under this section may request a rehearing by the Commissioner after the expiration of 12 months from the date of the Commissioner's former order.

(69 Del. Laws, c. 163, § 1.)

§ 2613. Delay of rates in noncompetitive market.

(a) A 30-day waiting period may be implemented or extended under the following circumstances:

(1) After finding that the market is not competitive, under § 2603 of this title, the Commissioner may adopt a rule requiring that any subsequent changes in rates or supplementary information be filed with the Commissioner at least 30 days before they become effective.

(2) The Commissioner may extend the waiting period under this section for a period not exceeding 30 additional days by written notice to the filer before the first 30-day period expires.

(3) Upon written application by an insurer or advisory organization, the Commissioner may authorize a filing, which the Commissioner has reviewed, to become effective before the expiration of the period described in paragraph (a)(1) or (2) of this section.

(4) The filing shall be approved or disapproved during the waiting period and if not disapproved before the expiration of the waiting period shall be deemed to meet the requirements of this section.

(b) If a rule is adopted under subsection (a) of this section, the Commissioner may require the filing of supporting data as to classes of risks or combinations thereof as the Commissioner deems necessary for the proper functioning of the rate monitoring and regulating process. The supporting data shall include:

(1) The experience and judgment of the filer and, to the extent the filer wishes or the Commissioner requires, the experience and judgment of other insurers or the advisory organization;

(2) The filer's interpretation of any statistical data relied upon;

(3) A description of the actuarial and statistical methods employed in setting the rate; and

(4) Any other relevant matters required by the Commissioner.

(c) A rule adopted under this section shall expire not more than 1 year after issue. The Commissioner may renew it after hearings and appropriate findings under this section.

(d) Whenever a filing is not accompanied by the information as the Commissioner has required under subsection (b) of this section, the Commissioner shall so inform the insurer within 10 days of the initial filing. The filing shall be deemed to be made when the required information is furnished.

(69 Del. Laws, c. 163, § 1.)

§ 2614. Challenge and review of application of rating system.

(a) Each advisory organization and every insurer subject to this chapter that makes its own rates shall provide within this State reasonable means whereby any person aggrieved by the application of its rating system, including, but not limited to, issues of proper formulation and application of experience modification factors and/or proper classification of employers, may upon that person's written request be heard in person or by the person's authorized representative to review the manner in which such advisory organization's or insurer's rating system, experience rating plan or employer classifications have been applied in connection with the insurance afforded the aggrieved person.

(b) Any party affected by the action of the advisory organization or the insurer may, within 30 days after written notice of that action, make application, in writing, for an appeal to the Commissioner, setting forth the basis for the appeal and the grounds to be relied upon by the applicant.

(c) The Commissioner shall review the application and, if the Commissioner finds that the application is made in good faith and that it sets forth on its face grounds which reasonably justify holding a hearing, the Commissioner shall conduct a hearing held not less than 20 days after written notice to the applicant and to the advisory organization or insurer. The Commissioner, after hearing, shall affirm or reverse the action of the advisory organization or insurer.

(69 Del. Laws, c. 163, § 1; 70 Del. Laws, c. 573, §§ 1, 2.)

§ 2615. Consent to rate.

Notwithstanding any other provision of this chapter, upon the written consent of the insured, filed with and approved by the Insurance Commissioner, a rate in excess of that determined in accordance with the other provisions of this chapter may be used on any specific risk.

(69 Del. Laws, c. 163, § 1.)

§ 2616. Acts reducing competition prohibited.

(a) In this section, the word “insurer” includes 2 or more affiliated insurers:

(1) Under common management; or

(2) Under common controlling ownership or under other common effective legal control and in fact engaged in joint or cooperative underwriting, investment management, marketing, servicing or administration of their business and affairs as insurers.

(b) An insurer or advisory organization may not:

(1) Monopolize or attempt to monopolize, or combine or conspire with any other person or persons, or monopolize the business of insurance of any kind, subdivision or class thereof;

(2) Agree with any other insurer or advisory organization to charge or adhere to any rate or rating plan other than the uniform experience rating plan or rating rule except as needed to comply with the requirements of § 2607 of this title;

(3) Make an agreement with any other insurer, advisory organization or other person to unreasonably restrain trade or substantially lessen competition in the business of insurance of any kind, subdivision or class; or

(4) Make any agreement with any other insurer or advisory organization to refuse to deal with any person in connection with the sale of insurance.

(c) The fact that 2 or more insurers, whether or not members or subscribers of a common advisory organization, use consistently or intermittently the same rules, rating plans, rating schedules, rating rules, policy forms, rate classifications, underwriting rules, surveys or inspections or similar materials is not sufficient in itself to support a finding that an agreement exists.

(d) An advisory organization or member or subscriber thereof may not interfere with the right of any insurer to make its rates independently of that advisory organization or to charge rates different from the rates made by that advisory organization.

(e) Except as required under § 2607 of this title, an advisory organization may not have or adopt any rule or exact any agreement or formulate or engage in any program which would require any member, subscriber or other insurer to:

(1) Utilize some or all of its services;

(2) Adhere to its rates, rating plan, rating systems or underwriting rules; or

(3) Prevent any insurer from acting independently.

(69 Del. Laws, c. 163, § 1.)

§ 2617. Advisory organization: permitted activity.

Any advisory organization, in addition to other activities not prohibited, is authorized to:

(1) Develop statistical plans including class definitions;

(2) Collect statistical data from members, subscribers or any other source;

(3) Prepare and distribute pure premium rate data, adjusted for loss development and loss trending, in accordance with its statistical plan. Such data and adjustments should be in sufficient detail so as to permit insurers to modify such pure premiums based upon their own rating methods or interpretations of underlying data;

(4) Prepare and distribute manuals of rating rules and rating schedules that do not contain any rules or schedules including final rates without information outside the manuals;

(5) Distribute information that is filed with the Commissioner and open to public inspection;

(6) Conduct research and collect statistics in order to discover, identify and classify information relating to causes or prevention of losses;

(7) Prepare and file policy forms and endorsements and consult with members, subscribers and others relative to their use and application;

(8) Collect, compile and distribute past and current prices of individual insurers if such information is made available to the general public;

(9) Conduct research and collect information to determine the impact of benefit level changes on pure premium rates;

(10) Prepare and distribute rules and rating values for the uniform experience rating plan; and

(11) Calculate and disseminate individual risk premium modification factors.

(69 Del. Laws, c. 163, § 1.)

§ 2618. Residual market mechanisms.

(a) All insurers authorized to write workers’ compensation and employers’ liability insurance shall participate in a plan providing for the equitable apportionment among them of insurance which may be afforded applicants who are in good faith entitled to but who are unable to procure such insurance through ordinary methods. A residual market plan shall be submitted for the Commissioner’s approval within 60 days of October 16, 1993. Rates for the residual market shall be filed by the advisory organization.

(b) The Commissioner may adopt retrospective rating plans for any risks insured through residual market.

(c) The Commissioner may adopt a schedule debit plan for any risks insured through the plan that do not comply with loss-control recommendations, have frequency or severity problems or have any exposure that is greater than average for the class.

(d) The Commissioner shall disapprove any filing that does not meet the requirements of § 2604 of this title. A filing shall be deemed to

meet such requirements unless disapproved by the Commissioner within 30 days after the filing is made. In reviewing a filing made pursuant to this section, the Commissioner shall have the same authority and follow the same procedures prescribed by §§ 2611, 2612 and 2613 of this title. The advisory organization shall make and file the plan of operation, rates, rating plans, rules, and policy forms under this section.

(e) The limitation in § 2610(b)(1) of this title shall not apply to the residual market plan filed under this section.

(69 Del. Laws, c. 163, § 1; 70 Del. Laws, c. 172, § 10.)

§ 2619. Penalties.

(a) The Commissioner may, upon finding that any person or organization has violated this chapter, impose a penalty of not more than \$500 for each such violation. Upon finding such violation to be wilful, the Commissioner may impose a penalty of not more than \$1,000 for each such violation in addition to any other penalty provided by law.

(b) The Commissioner may suspend the license of any advisory organization or insurer which fails to comply with an order within the time set by the order or any extension thereof granted by the Commissioner. The Commissioner shall not so suspend a license for failure to comply with an order until time prescribed for appeal therefrom has expired or, if appealed, until such order has been affirmed. The Commissioner may determine the period of a suspension and it shall remain in effect for such period unless modified or rescinded or until the order upon which the suspension is based is modified, rescinded or reversed.

(c) Absent a consent decree, no penalty shall be imposed and no license shall be suspended or revoked except upon a written order of the Commissioner stating the Commissioner's findings, made after a hearing held after at least 10 days' written notice to such person or organization specifying the alleged violation.

(d) Any party aggrieved by an order or decision of the Commissioner may, within 30 days after receiving the Commissioner's notice, make written request for a hearing.

(69 Del. Laws, c. 163, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2620. Appeals from Commissioner.

Any order, decision or act of the Commissioner under this chapter is subject to judicial review upon petition of any person aggrieved. The appeal shall be to the Court of Chancery in any county of this State. A petition for review shall be filed within 60 days from notice of the order, decision or act. The commencement of the proceeding shall not affect enforcement or validity of the Commissioner's action unless the Court determines, after notice to the Commissioner, that a stay of enforcement until further direction of the Court will not unduly injure the interests of the public. Section 328(d) through (i) (appeal from the Commissioner) of this title shall apply to such appeals.

(69 Del. Laws, c. 163, § 1.)

§ 2621. Transition.

Insurers and the advisory organization are not required to immediately refile rates previously implemented. Any member or subscriber of an advisory organization is authorized to continue to use all rates and deviations filed or approved for its use until the insurer makes its own filing to change its rates, either by making an independent filing or by filing and adopting the advisory organization's prospective loss costs, or modification thereof.

(69 Del. Laws, c. 163, § 1.)

§ 2622. Effective date.

This chapter shall become effective October 16, 1993.

(69 Del. Laws, c. 163, § 1.)

Part I
Insurance
Chapter 27
THE INSURANCE CONTRACT
Subchapter I
Insurance Contracts Generally

§ 2701. Scope of chapter.

This chapter applies to all insurance contracts and annuity contracts other than:

- (1) Reinsurance;
- (2) Policies or contracts not issued for delivery in this State nor delivered in this State;
- (3) Wet marine and transportation insurance; and
- (4) Funding agreements.

(18 Del. C. 1953, § 2701; 56 Del. Laws, c. 380, § 1; 80 Del. Laws, c. 268, § 3.)

§ 2702. “Policy” defined.

“Policy” means the written contract of or written agreement for or effecting insurance, by whatever name called, and includes all clauses, riders, endorsements and papers which are a part thereof.

(18 Del. C. 1953, § 2702; 56 Del. Laws, c. 380, § 1.)

§ 2703. “Premium” defined.

“Premium” is the consideration for insurance by whatever name called. Any “assessment,” or any “membership,” “policy,” “survey,” “inspection,” “service” or similar fee or other charge in consideration for an insurance contract is deemed part of the premium.

(18 Del. C. 1953, § 2703; 56 Del. Laws, c. 380, § 1.)

§ 2704. Insurable interest; personal insurance.

(a) Any individual of competent legal capacity may procure or effect an insurance contract upon his or her own life or body for the benefit of any person, but no person shall procure or cause to be procured any insurance contract upon the life or body of another individual unless the benefits under such contract are payable to the individual insured or his or her personal representatives or to a person having, at the time when such contract was made, an insurable interest in the individual insured.

(b) If the beneficiary, assignee or other payee under any contract made in violation of this section receives from the insurer any benefits thereunder accruing upon the death, disablement or injury of the individual insured, the individual insured or his or her executor or administrator, as the case may be, may maintain an action to recover such benefits from the person so receiving them.

(c) “Insurable interest” as to such personal insurance means that every individual has an insurable interest in the life, body and health of himself or herself and a person has an insurable interest in the life, body and health of other individuals as follows:

(1) In the case of individuals related closely by blood or by law, a substantial interest engendered by love and affection;

(2) In the case of other persons, a lawful and substantial economic interest in having the life, health or bodily safety of the individual insured continue, as distinguished from an interest which would arise only by, or would be enhanced in value by, the death, disablement or injury of the individual insured;

(3) An employer providing life, health, disability, retirement or similar benefits to some or all of its employees or the employees of its affiliates, or their dependents or beneficiaries, has an insurable interest in the lives of all of its employees or the employees of its affiliates. The trustee of a trust established by an employer substantially for the benefit of the employer, or for the benefit of some or all of the employees in which such employer has an insurable interest, or the dependents or beneficiaries of such employees, has the same insurable interest in the life of such employees as does the employer;

(4) An individual heretofore or hereafter party to a contract or option for the purchase or sale of an interest in a business partnership or firm or of shares of stock of a corporation or of an interest in such shares, has an insurable interest in the life of each individual party to such contract and for the purpose of such contract only, in addition to any insurable interest which may otherwise exist as to the life of such individual; and

(5) The trustee of a trust created and initially funded by an individual has an insurable interest in the life of that individual and the same insurable interest in the life of any other individual as does any person who is treated as the owner of such trust for federal income tax purposes without regard to:

- a. The identity of the trust beneficiaries;

- b. Whether the identity of the trust beneficiaries changes from time to time; and
- c. The means by which any trust beneficiary acquires a beneficial interest in the trust.

The trustee of a trust has the same insurable interest in the life of any individual as does any person with respect to proceeds of insurance on the life of such individual (or any portion of such proceeds) that are allocable to such person's interest in such trust. If multiple beneficiaries of a trust have an insurable interest in the life of the same individual, the trustee of such trust has the same aggregate insurable interest in such life as such beneficiaries with respect to proceeds of insurance on the life of such individual (or any portion of such proceeds) that are allocable in the aggregate to such beneficiaries' interest in the trust;

(6) A person obligated to make a payment on the death of an individual to or for the benefit of a person who is designated by such individual has an insurable interest in the life of such individual. For purposes of this section, group insurance premiums paid on an experience-rated basis shall be treated as payments for the benefit of the beneficiary of such policy.

(d) An insurer shall be entitled to rely upon all statements, declarations and representations made by an applicant for insurance relative to the insurable interest of the applicant in the insured, and no insurer shall incur legal liability except as set forth in the policy by virtue of any untrue statements, declarations or representations so relied upon in good faith by the insurer.

(e) As used in this section and in § 2708(4) of this title, and § 702(c) of this title, except as provided in § 702(c)(3) of this title [sic]:

(1) The term "employee" shall include any and all directors, officers, partners, employees and retired employees and it shall include any other former employees but only for the purpose of replacing existing life insurance policies that will be surrendered in exchange for new life insurance policies in an amount not exceeding the insurance being surrendered, except that the amount of new life insurance may exceed the insurance being surrendered to the extent application of the cash surrender value from the old insurance as a premium under the new life insurance contract requires a larger amount of insurance to qualify as life insurance, and not be treated as a modified endowment contract, for federal income tax purposes.

(2) The term "employer" shall include corporations, limited liability companies or partnerships, statutory trusts, business trusts and other business entities, including associations of employers, and their affiliates.

(3) An "employer-owned life insurance policy" means an insurance contract for which an insurable interest exists under paragraph (c)(3) of this section, issued for delivery in this State and procured or effected by any employer, or a trust established by an employer, which employer as defined herein, is incorporated, registered or qualified to do business in this State and has at least 50 employees.

(4) A "trust-owned life insurance policy" means an insurance contract for which an insurable interest exists under paragraph (c)(3) or (c)(5) of this section, issued for delivery in this State to a trust established under the laws of this State and having a trustee with its principal place of business in this State.

(5) The term "trust" includes without limitation a business trust.

(6) The term "affiliate" shall have the same meaning as set forth in § 5001(1) of this title.

(f) The insurable interest of an employer or trustee under this section shall be conveyed automatically to another employer or to the trustee of a trust established by such other employer substantially for its benefit which has acquired by purchase, merger or otherwise all or part of the first employer's business. An employer or the trustee of a trust established by such employer substantially for its own benefit or substantially for the benefit of its employees or their dependents may exchange any policy of insurance issued to itself or to another employer or the trustee of a trust established by such other employer substantially for its own benefit from which the exchanging employer has acquired by purchase, merger or otherwise all or part of such other employer's business for a new policy of insurance issued to itself without establishing a new insurable interest at the time of such exchange.

(g) The insurable interests recognized in this section may exist cumulatively or concurrently as appropriate to the relationships between the individual insured and the person having the interest in such individual's life. The existence of an insurable interest with respect to an employer-owned life insurance policy or trust-owned life insurance policy shall be governed by this section without regard to an insured's state of residency or location. An employer-owned life insurance policy, if delivered to the employer's principal place of business in this State or to its registered agent in this State; or in the case of a policy issued to a trust established by an employer, if delivered to the place of business in Delaware of the trustee of said trust; and a trust-owned life insurance policy, if delivered to the place of business in Delaware of the trustee of said trust; shall be deemed to have been delivered in this State. The parties to an employer-owned life insurance policy may arrange for delivery in this State by means other than the method described in the preceding sentence. An employer-owned life insurance policy may be issued on an individual or group basis, and any group policy shall be exempt from Chapter 31 of this title. A group insurance policy issued to an employer for the benefit of persons other than the employer, as permitted by § 3102 of this title, shall not constitute an employer-owned life insurance policy.

§ 2705. Insurable interest; exception when certain institutions designated beneficiary.

(a) Life insurance contracts may be entered into in which the person paying the consideration for the insurance has no insurable interest in the life of the individual insured, where charitable, benevolent, educational or religious institutions, or their agencies, are designated irrevocably as the beneficiaries thereof.

(b) In making such contracts the person paying the premium shall make and sign the application therefor as owner and shall designate a charitable, benevolent, educational or religious institution, or an agency thereof, irrevocably as the beneficiary or beneficiaries of such

contract. The application shall be signed also by the individual whose life is to be insured.

(c) Nothing in this section shall be deemed to prohibit any combination of the applicant, premium payer, owner and beneficiary from being the same person.

(d) Such a contract shall be valid and binding among the parties thereto, notwithstanding the absence otherwise of an insurable interest in the life of the individual insured.

(18 Del. C. 1953, § 2705; 56 Del. Laws, c. 380, § 1.)

§ 2706. Insurable interest; property.

(a) No contract of insurance of property or of any interest in property or arising from property shall be enforceable as to the insurance except for the benefit of persons having an insurable interest in the things insured as at the time of the loss.

(b) "Insurable interest" as used in this section means any actual, lawful and substantial economic interest in the safety or preservation of the subject of the insurance free from loss, destruction or pecuniary damage or impairment.

(c) The measure of an insurable interest in property is the extent to which the insured might be directly or indirectly damaged by loss, injury or impairment thereof.

(18 Del. C. 1953, § 2706; 56 Del. Laws, c. 380, § 1.)

§ 2707. Power to contract; purchase of insurance and annuities by minors.

(a) Any person of competent legal capacity may contract for insurance.

(b) Any minor not less than 15 years of age, with the consent of parent or guardian, if any, unless otherwise emancipated, may, notwithstanding his or her minority, contract for or own annuities or insurance or affirm by novation or otherwise preexisting contracts for annuities or insurance upon his or her own life, body, health, property, liabilities or other interests or on the persons of another in whom the minor has an insurable interest. Such a minor shall, notwithstanding such minority, be deemed competent to exercise all rights and powers with respect to or under:

(1) Any contract for annuity or for insurance upon his or her own life, body or health; or

(2) Any contract such minor effected upon his or her own property, liabilities or other interests; or

(3) Any contract effected or owned by the minor on the person of another as might be exercised by a person of full legal age and may at any time surrender his or her interest in any such contracts and give valid discharge for any benefit accruing or money payable thereunder.

Such a minor shall not, by reason of his or her minority, be entitled to rescind, avoid or repudiate the contract, nor to rescind, avoid or repudiate any exercise of a right or privilege thereunder, except that such a minor not otherwise emancipated shall not be bound by any unperformed agreement to pay by promissory note or otherwise any premium on any such annuity or insurance contract.

(c) Any annuity contract or policy of life or disability insurance procured by or for a minor under subsection (b) of this section above shall be made payable either to the minor or his or her estate or to a person having an insurable interest in the life of the minor.

(18 Del. C. 1953, § 2707; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2708. Consent of insured; life, health insurance.

No life or health insurance contract upon an individual, except a contract of group life insurance or of group or blanket health insurance, shall be made or effectuated unless at the time of the making of the contract the individual insured, being of competent legal capacity to contract, applies therefor or has consented thereto in writing, except in the following cases:

(1) A spouse may effectuate such insurance upon the other spouse;

(2) Any person having an insurable interest in the life of a minor, or any person upon whom a minor is dependent for support and maintenance may effectuate insurance upon the life of or pertaining to such minor;

(3) Family policies may be issued insuring any 2 or more members of a family on an application signed by either parent, a stepparent or by a husband or wife;

(4) An employer, or the trustee of a trust described in § 2704(c)(3) of this title, may effectuate insurance under an employer-owned life insurance policy, as defined in § 2704(e) of this title, upon any employee in whom it has an insurable interest, and the employer or trustee, as the case may be, shall not be required to notify employees of the effectuation of such insurance or obtain their consent. The insurer and any investment sub-advisors shall use best efforts to direct securities transactions relating to such employer-owned variable life insurance policies utilizing separate accounts, through a securities agent licensed and located in this State, as opposed to a securities agent licensed and located in another state, unless a better price for the identical security (securities) is available through the securities agent located in that other state.

(18 Del. C. 1953, § 2708; 56 Del. Laws, c. 380, § 1; 67 Del. Laws, c. 161, § 3; 69 Del. Laws, c. 232, §§ 1, 2; 69 Del. Laws, c. 462, § 4; 71 Del. Laws, c. 239, § 3; 80 Del. Laws, c. 376, § 4.)

§ 2709. Alteration of application, life and health insurance.

No alteration of any written application for any life or health insurance policy shall be made by any person other than the applicant without his or her written consent, except that insertions may be made by the insurer, for administrative purposes only, in such manner as to indicate clearly that such insertions are not to be ascribed to the applicant.

(18 Del. C. 1953, § 2709; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2710. Application as evidence.

(a) No application for the issuance of any life or health insurance policy or annuity contract shall be admissible in evidence in any action relative to such policy or contract, unless a true copy of the application was attached to or otherwise made a part of the policy or contract when issued. This provision shall not apply to industrial life insurance policies.

(b) If any policy of life or health insurance delivered in this State is reinstated or renewed and the insured or the beneficiary or assignee of the policy makes written request to the insurer for a copy of the application, if any, for such reinstatement or renewal, the insurer shall, within 30 days after receipt of such request at its home office, deliver or mail to the person making such request a copy of such application reproduced by any legible means. If such copy is not so delivered or mailed after having been so requested, the insurer shall be precluded from introducing the application in evidence in any action or proceeding based upon or involving the policy or its reinstatement or renewal. In the case of such a request from a beneficiary, the time within which the insurer is required to furnish a copy of such application shall not begin to run until after receipt of evidence satisfactory to the insurer of the beneficiary's vested interest in the policy or contract.

(c) As to kinds of insurance other than life or health insurance, no application for insurance signed by or on behalf of the insured shall be admissible in evidence in any action between the insured and the insurer arising out of the policy so applied for, if the insurer has failed, at the expiration of 30 days after receipt by the insurer of written demand therefor by or on behalf of the insured, to furnish to the insured a copy of such application reproduced by any legible means.

(18 Del. C. 1953, § 2710; 56 Del. Laws, c. 380, § 1.)

§ 2711. Representations in applications.

All statements and descriptions in any application for an insurance policy or annuity contract by or in behalf of the insured or annuitant shall be deemed to be representations and not warranties. Misrepresentations, omissions, concealment of facts and incorrect statements shall not prevent a recovery under the policy or contract unless either:

(1) Fraudulent; or

(2) Material either to the acceptance of the risk or to the hazard assumed by the insurer; or

(3) The insurer in good faith would either not have issued the policy or contract, or would not have issued it at the same premium rate or would not have issued a policy or contract in as large an amount or would not have provided coverage with respect to the hazard resulting in the loss if the true facts had been made known to the insurer as required either by the application for the policy or contract or otherwise.

(18 Del. C. 1953, § 2711; 56 Del. Laws, c. 380, § 1.)

§ 2712. Filing, approval of forms.

(a) No basic insurance policy or annuity contract, form, or application form where written application is required and is to be made a part of the policy or contract or printed rider or endorsement form or form of renewal certificate shall be delivered or issued for delivery in this State, unless the form has been filed with the Commissioner. This provision shall not apply to surety bonds or to specially rated inland marine risks nor to policies, riders, endorsements, or forms of unique character designed for and used with relation to insurance upon a particular subject or which relate to the manner of distribution of benefits or to the reservation of rights and benefits under life or health insurance policies and are used at the request of the individual policyholder, contract holder, or certificate holder. With respect to group and blanket health insurance policies issued and delivered to a trust or to an association outside of this State and covering persons resident in this State, the group certificates to be delivered or issued for delivery in this State shall be filed with the Commissioner pursuant to this section provided, however, that this requirement shall not apply to an association group having received a waiver from the Commissioner upon a finding that the association group meets the qualifications set forth in § 3506 of this title. In the case of forms for use in property, marine (other than wet marine and transportation insurance), casualty, surety and title insurance coverages, the filing required by this subsection may be made by rating organizations on behalf of their members and subscribers, but this provision shall not be deemed to prohibit any such member or subscriber from filing any such forms on its own behalf.

(b) Every such filing shall be made not less than 30 days in advance of any such delivery. At the expiration of such 30 days the form so filed shall be effective unless prior thereto it has been affirmatively acknowledged or disapproved by order of the Commissioner. Acknowledgment of any such form by the Commissioner shall constitute a waiver of any unexpired portion of such waiting period. The Commissioner may extend by not more than an additional 30 days the period within which he or she may so affirmatively acknowledge or disapprove any such form, by giving notice to the insurer of such extension before expiration of the initial 30 days period. At the expiration of any such period as so extended, and in the absence of such prior affirmative acknowledgment or disapproval, any such form may be placed in use. The Commissioner may at any time, after notice and for cause shown, withdraw any such acknowledgment or effectiveness.

(c) Any order of the Commissioner disapproving any such form or withdrawing a previous effectiveness shall state the grounds therefor and the particulars thereof in such detail as reasonably to inform the insurer thereof. Any such withdrawal of a previously effective form shall be operative at expiration of such period, not less than 30 days after the giving of notice of withdrawal, as the Commissioner shall in such notice prescribe.

(d) The Commissioner may, by order, exempt from the requirements of this section, for so long as he or she deems proper, any insurance document or form or type thereof as specified in such order, to which, in his or her opinion, this section may not practicably be applied, or

the filing and review of which are, in his or her opinion, not desirable or necessary for the protection of the public.

(e) Appeals from orders of the Commissioner disapproving any such form or withdrawing a previous effectiveness may be taken as provided in §§ 327-333 of this title.

(18 Del. C. 1953, § 2712; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 155, § 1; 70 Del. Laws, c. 186, § 1; 73 Del. Laws, c. 402, § 3.)

§ 2713. Grounds for disapproval.

The Commissioner shall disapprove any form filed under § 2712 of this title, or withdraw any previous effectiveness thereof, only on 1 or more of the following grounds:

- (1) If it is in any respect in violation of or does not comply with this title;
- (2) If it contains or incorporates by reference, where such incorporation is otherwise permissible, any inconsistent, ambiguous, or misleading clauses, or exceptions and conditions which deceptively affect the risk purported to be assumed in the general coverage of the contract;
- (3) If it has any title, heading or other indication of its provisions which is misleading;
- (4) As to an individual health insurance policy, if the benefits provided therein are unreasonable in relation to the premium charged, or if it contains any unjust, unfair or inequitable provision or provisions;
- (5) As to a life insurance or health insurance policy, if it contains a provision or provisions such as to encourage misrepresentation.

(18 Del. C. 1953, § 2713; 56 Del. Laws, c. 380, § 1.)

§ 2714. Standard provisions.

(a) Insurance contracts shall contain such standard or uniform provisions as are required by the applicable provisions of this title pertaining to contracts of particular kinds of insurance. The Commissioner may waive the required use of a particular provision in a particular insurance policy form if:

- (1) He or she finds such provision unnecessary for or unrelated to the protection of the insured and inconsistent with the purposes of the policy; and
- (2) The policy is otherwise approved by him or her.

(b) No policy shall contain any provision inconsistent with or contradictory to any standard or uniform provision used or required to be used, but the Commissioner may approve any substitute provision which is, in his or her opinion, not less favorable in any particular to the insured or beneficiary than the provisions otherwise required.

(c) In lieu of the provisions required by this title for contracts for particular kinds of insurance, substantially similar provisions required by the law of the domicile of a foreign or alien insurer may be used when approved by the Commissioner.

(d) A policy issued by a domestic insurer for delivery in another jurisdiction may contain any provision required or permitted by the laws of such jurisdiction.

(18 Del. C. 1953, § 2714; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2715. Charter or bylaw provisions.

No policy shall contain any provision purporting to make any portion of the charter, bylaws or other constituent document of the insurer (other than the subscriber's agreement or power of attorney of a reciprocal insurer) a part of the contract unless such portion is set forth in full in the policy. Any policy provision in violation of this section shall be invalid.

(18 Del. C. 1953, § 2715; 56 Del. Laws, c. 380, § 1.)

§ 2716. Execution of policies.

(a) Every insurance policy shall be executed in the name of and on behalf of the insurer by its officer, attorney-in-fact, employee or representative duly authorized by the insurer.

(b) A facsimile signature of any such executing individual may be used in lieu of an original signature.

(c) No insurance contract heretofore or hereafter issued and which is otherwise valid shall be rendered invalid by reason of the apparent execution thereof on behalf of the insurer by the imprinted facsimile signature of an individual not authorized so to execute as of the date of the policy.

(18 Del. C. 1953, § 2716; 56 Del. Laws, c. 380, § 1.)

§ 2717. Underwriters' and combination policies.

(a) Two or more authorized insurers may jointly issue, and shall be jointly and severally liable on, an underwriters' policy bearing their names. Any 1 insurer may issue policies in the name of an underwriter's department and such policy shall plainly show the true name of the insurer.

(b) Two or more insurers may, with the approval of the Commissioner, issue a combination policy which shall contain provisions substantially as follows:

- (1) That the insurers executing the policy shall be severally liable for the full amount of any loss or damage, according to the terms of the policy, or for specified percentages or amounts thereof, aggregating the full amount of insurance under the policy; and
- (2) That service of process, or of any notice or proof of loss required by such policy, upon any of the insurers executing the policy

shall constitute service upon all such insurers.

(c) This section shall not apply to cosurety obligations.

(18 Del. C. 1953, § 2717; 56 Del. Laws, c. 380, § 1.)

§ 2718. Validity and construction of noncomplying forms.

(a) A policy hereafter delivered or issued for delivery to any person in this State in violation of this title but otherwise binding on the insurer shall be held valid, but shall be construed as provided in this title.

(b) Any condition, omission or provision not in compliance with the requirements of this title and contained in any policy, rider or endorsement hereafter issued and otherwise valid shall not thereby be rendered invalid but shall be construed and applied in accordance with such condition, omission or provision as would have applied had the same been in full compliance with this title.

(18 Del. C. 1953, § 2718; 56 Del. Laws, c. 380, § 1.)

§ 2719. Delivery of policy.

In event the original policy is delivered or is so required to be delivered to or for deposit with any vendor, mortgagee or pledgee of any motor vehicle, and in which policy any interest of the vendee, mortgagor or pledgor in or with reference to such vehicle is insured, a duplicate of such policy setting forth the name and address of the insurer, insurance classification of vehicle, type of coverage, limits of liability, premiums for the respective coverages and duration of the policy, or memorandum thereof containing the same such information, shall be delivered by the vendor, mortgagee or pledgee to each such vendee, mortgagor or pledgor named in the policy or coming within the group of persons designated in the policy to be so included. If the policy does not provide coverage of legal liability for injury to persons or damage to the property of third parties, a statement of such fact shall be printed, written or stamped conspicuously on the face of such duplicate policy or memorandum. This section does not apply to inland marine floater policies.

(18 Del. C. 1953, § 2719; 56 Del. Laws, c. 380, § 1.)

§ 2720. Assignability.

(a) A policy and its rights and benefits may be assignable or not assignable, as provided by its terms.

(b) Subject to its terms relating to assignability, a life or health insurance policy and its rights and benefits, whether heretofore or hereafter issued, under the terms of which the beneficiary may be changed upon the sole request of the insured or owner, may be assigned either by pledge or transfer of title by an assignment executed by the insured or owner alone and delivered to the insurer, whether or not the pledgee or assignee is the insurer.

(c) Subject to its terms relating to assignability, a property insurance policy, whether heretofore or hereafter issued, under the terms of which the policy and its rights and benefits are assignable, may provide that the rights and benefits under the insurance policy may only be assigned to a person who has the legal authority to represent the named insured and may explicitly prohibit assignment of rights and benefits to any other person, including a property repair contractor. For purposes of this subsection, having “legal authority to represent the named insured” includes the person named by the named insured as having the named insured’s power of attorney, the person who is the named insured’s licensed public adjuster, or any other comparable person. Property repair contractors operating in this State may not subvert the public adjuster licensing requirements in § 1751 of this title through the acquisition of a power of attorney from the named insured.

(d) Any assignment pursuant to subsection (b) or (c) of this section shall entitle the insurer to deal with the assignee as the owner or pledgee of the policy or its rights and benefits in accordance with the terms of the assignment until the insurer has received at its home office written notice of termination of the assignment or pledge or written notice by or on behalf of some other person claiming some interest in the policy or its rights and benefits in conflict with the assignment.

(18 Del. C. 1953, § 2720; 56 Del. Laws, c. 380, § 1; 83 Del. Laws, c. 93, § 1.)

§ 2721. Payment discharges insurer.

Whenever the proceeds of or payments under a life or health insurance policy or annuity contract heretofore or hereafter issued become payable in accordance with the terms of such policy or contract, or the exercise of any right or privilege thereunder, and the insurer makes payment thereof in accordance therewith or in accordance with any written assignment thereof, the person then designated as being entitled thereto shall be entitled to receive such proceeds or payments and to give full acquittance therefor and such payments shall fully discharge the insurer from all claims under the policy or contract unless, before payment is made, the insurer has received at its home office written notice by or on behalf of some other person that such other person claims to be entitled to such payment or some interest in the policy or contract.

(18 Del. C. 1953, § 2721; 56 Del. Laws, c. 380, § 1.)

§ 2722. Forms for proof of loss to be furnished.

An insurer shall furnish, upon written request of any person claiming to have a loss under an insurance contract issued by such insurer, forms of proof of loss for completion by such person, but such insurer shall not, by reason of the requirement so to furnish forms, have any responsibility for or with reference to the completion of such proof or the manner of any such completion or attempted completion.

(18 Del. C. 1953, § 2722; 56 Del. Laws, c. 380, § 1.)

§ 2723. Minor may give acquittance.

Repealed by 72 Del. Laws, c. 310, § 1, effective May 26, 2000.

§ 2724. Claims administration not waiver.

Without limitation of any right or defense of an insurer otherwise, none of the following acts by or on behalf of an insurer shall be deemed to constitute a waiver of any provision of a policy or of any defense of the insurer thereunder:

- (1) Acknowledgment of the receipt of notice of loss or claim under the policy;
- (2) Furnishing forms for reporting a loss or claim, for giving information relative thereto, or for making proof of loss, or receiving or acknowledging receipt of any such forms or proofs completed or uncompleted;
- (3) Investigating any loss or claim under any policy or engaging in negotiations looking toward a possible settlement of any such loss or claim.

(18 Del. C. 1953, § 2724; 56 Del. Laws, c. 380, § 1.)

§ 2725. Exemption of proceeds, life insurance [Repealed].

18 Del. C. 1953, § 2725; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1; repealed by 81 Del. Laws, c. 320, § 7, effective July 11, 2018.

§ 2726. Exemption of proceeds, health insurance.

Except as may otherwise be expressly provided by the policy or contract, the proceeds or avails of all contracts of health insurance and of provisions providing benefits on account of the insured's disability which are supplemental to life insurance or annuity contracts heretofore or hereafter effected shall be exempt from all liability for any debt of the insured and from any debt of the beneficiary existing at the time the proceeds are made available for his or her use.

(18 Del. C. 1953, § 2726; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2727. Exemption of proceeds—Group insurance.

(a) A policy of group life insurance or group health insurance or the proceeds thereof payable to the individual insured or to the beneficiary thereunder, shall not be liable, either before or after payment, to be applied by any legal or equitable process to pay any debt or liability of such insured individual or his or her beneficiary or of any other person having a right under the policy.

(b) This section shall not apply to group insurance issued pursuant to this title to a creditor covering his or her debtors to the extent that such proceeds are applied to payment of the obligation for the purpose of which the insurance was so issued.

(18 Del. C. 1953, § 2727; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2728. Exemption of proceeds — Annuity contracts; assignability of rights [Repealed].

18 Del. C. 1953, § 2728; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1; repealed by 81 Del. Laws, c. 320, § 7, effective July 11, 2018.

§ 2729. Retention of proceeds of policy by company.

(a) Any life insurer shall have power to hold payment of proceeds, as shall have been agreed to in writing by the insurer and the insured or beneficiary. The insurer shall not be required to segregate funds so held but may hold them as a part of its general corporate assets.

(b) The provisions of this section shall not impair or affect any rights of creditors under §§ 2725-2728 of this title.

(18 Del. C. 1953, § 2729; 56 Del. Laws, c. 380, § 1.)

§ 2730. Collection of overpayments by health insurers and health plans.

(a) Other than recovery for duplicate payments, a health insurer or health plan, whenever it engages in overpayment recovery efforts, shall provide written notice to the health-care provider that identifies the error made in the processing or payment of the claim and justifies the overpayment recovery.

(b) A health insurer or health plan shall provide a health-care provider with the opportunity to challenge an overpayment recovery, including the sharing of claims information, and shall establish written policies and procedures for health-care providers to follow to challenge an overpayment recovery.

(c) A health insurer or health plan shall not initiate overpayment recovery efforts more than 24 months after the original payment for the claim was made. No such time limit shall apply to overpayment recovery efforts which are:

- (1) Based on a reasonable belief of fraud, abuse, or other intentional misconduct;
- (2) Required by, or initiated at the request of, a self-insured plan; or
- (3) Required by a state or federal government plan.

(d) Nothing in this section shall be deemed to limit a health insurer's or health plan's right to pursue recovery of overpayments that occurred prior to June 14, 2018, where the health insurer or health plan has provided the health-care provider with notice of such recovery efforts prior to June 14, 2018.

(e) For purposes of this section "health insurer" shall mean any entity or plan that provides health insurance in this State. Such terms shall include an insurance company, health service corporation, managed care organization, health maintenance organization, and any other

entity providing a plan of health insurance or health benefits subject to state insurance regulation. "Health insurer" shall also include any third-party administrator or other entity that adjusts, administers or settles claims in connection with health benefit plans.

(f) For purposes of this section, "health plan" shall mean any hospital or medical policy or certificate, major-medical expense insurance, health service corporation subscriber contract, health maintenance organization subscriber contract, managed care organization subscriber contract, dental or vision plan. "Health plan" does not include accident-only, credit, Medicaid plans, long-term care or disability income insurance, coverage issued as a supplement to liability insurance, workers' compensation or similar insurance or automobile medical payment insurance.

(g) *Waiver prohibited.* — The provisions of this section cannot be waived by contract. Any contractual arrangement in conflict with the provisions of this section or that purports to waive any requirements of this section is null and void.

(81 Del. Laws, c. 216, § 1.)

Subchapter II

Readability of Automobile Insurance Policy Forms

§ 2740. Statement of policy.

It is the purpose of this subchapter to encourage the Commissioner to promulgate regulations by October 15, 1976, which assure that automobile insurance policies issued in Delaware, after the effective date of said regulations, will be understandable and readable by a person of average intelligence and education; or, in the event of the failure of the Commissioner to promulgate such regulations by October 15, 1976, to establish certain basic minimum readability requirements for automobile insurance policy forms. Accordingly, it is intended that subchapter III of this chapter shall become effective only upon the failure of the Commissioner to promulgate such regulations by October 15, 1976.

(60 Del. Laws, c. 441, § 2.)

§ 2741. Commissioner's authority to promulgate readability rules and regulations.

(a) In addition to those general powers granted in § 314 of this title, the Commissioner is hereby authorized and empowered to make rules and regulations to the extent the Commissioner deems necessary to assure that automobile insurance policy forms as described in § 2742 of this title [expired] are readable and understandable by a person of average intelligence and education; provided, however, that such rules and regulations shall require, in the manner the Commissioner deems appropriate, that all such automobile insurance policy forms shall have a total "readability score" of 40 or more on the Flesch Scale, although forms with a Flesch Test Score of less than 40 may be approved where the length of sentences and words are sufficiently compensated for by compliance with other standards set forth in such rules and regulations.

(b) The Commissioner shall adopt and promulgate readability rules and regulations only after a hearing thereon of which notice has been given to all persons subject to the Commissioner's supervision under this title who are to be affected by the proposed rule or regulation. Any readability rules and regulations so adopted and promulgated shall be effective upon the date specified therein.

(60 Del. Laws, c. 441, § 2.)

Part I
Insurance
Chapter 29
LIFE INSURANCE AND ANNUITY CONTRACTS

§ 2901. Scope of chapter.

This chapter, except as to § 2932 of this title, applies only to contracts of life insurance and annuities, other than reinsurance, group life insurance and group annuities.

(18 Del. C. 1953, § 2901; 56 Del. Laws, c. 380, § 1.)

§ 2902. “Annuity” defined.

For this title an “annuity” is a contract, issued by a person which is not classified by the Internal Revenue Service as exempt from taxation under § 501(c)(3) of the Internal Revenue Code of 1954 [26 U.S.C. § 501(c)(3)], as subsequently amended, under which obligations are assumed as to periodic payments for specific term or terms or where the making or continuance of all or some such payments, or the amount of any such payment, is dependent upon continuance of human life. Such a contract which includes extra benefits of kinds set forth in §§ 902 (“life insurance” defined) and 903 (“health insurance” defined) of this title shall nevertheless be deemed to be an annuity if such extra benefits constitute a subsidiary or incidental part of the entire contract.

(18 Del. C. 1953, § 2902; 56 Del. Laws, c. 380, § 1; 64 Del. Laws, c. 155, § 1.)

§ 2903. “Industrial life insurance” defined.

For the purposes of this title “industrial life insurance” is that form of life insurance written under policies of face amount of \$1,000 or less bearing the words “industrial policy” imprinted on the face thereof as part of the descriptive matter and under which premiums are payable monthly or more often.

(18 Del. C. 1953, § 2903; 56 Del. Laws, c. 380, § 1.)

§ 2904. Standard provisions required.

(a) No policy of life insurance, other than pure endowments with or without return of premiums or of premiums and interest, shall be delivered or issued for delivery in this State unless it contains in substance all of the applicable provisions required by §§ 2905-2916, inclusive, of this title. This section shall not apply to annuity contracts nor to any provision of a life insurance policy, or contract supplemental thereto, relating to disability benefits or to additional benefits in the event of death by accident or accidental means.

(b) Any of such provisions or portions thereof not applicable to single premium or nonparticipating or term policies or insurance granted in exchange for lapsed or surrendered policies shall to that extent not be incorporated therein.

(18 Del. C. 1953, § 2904; 56 Del. Laws, c. 380, § 1.)

§ 2905. Payment of premiums.

There shall be a provision relating to the time and place of payment of premiums.

(18 Del. C. 1953, § 2905; 56 Del. Laws, c. 380, § 1.)

§ 2906. Grace period.

There shall be a provision that a grace period of 30 days or, at the option of the insurer, of 1 month of not less than 30 days, or of 4 weeks in the case of industrial life insurance policies the premiums for which are payable more frequently than monthly shall be allowed within which the payment of any premium after the first may be made, during which period of grace the policy shall continue in full force. The insurer may impose an interest charge not in excess of 6% per annum for the number of days of grace elapsing before the payment of the premium, and, whether or not such interest charge is imposed, if a claim arises under the policy during such period of grace, the amount of any premium due or overdue, together with interest and any deferred installment of the annual premium, may be deducted from the policy proceeds. Grace shall date from the premium due date specified in the policy.

(18 Del. C. 1953, § 2906; 56 Del. Laws, c. 380, § 1.)

§ 2907. Entire contract.

There shall be a provision that except as otherwise expressly provided by law, the policy and the application therefor, if a copy of such application is endorsed upon or attached to the policy when issued, shall constitute the entire contract between the parties and that all statements contained in the application shall, in the absence of fraud, be deemed representations and not warranties.

(18 Del. C. 1953, § 2907; 56 Del. Laws, c. 380, § 1.)

§ 2908. Incontestability.

There shall be a provision that the policy shall be incontestable after it has been in force during the lifetime of the insured for a period of

not more than 2 years after its date of issue, except for:

- (1) Nonpayment of premiums; and
 - (2) At the insurer's option, provisions relating to benefits in the event of total and permanent disability and provisions granting additional benefits specifically against death by accident or accidental means.
- (18 Del. C. 1953, § 2908; 56 Del. Laws, c. 380.)

§ 2909. Misstatement of age.

There shall be a provision that if the age of the insured or of any other person whose age is considered in determining the premium or benefit has been misstated, any amount payable or benefit accruing under the policy shall be such as the premium would have purchased at the correct age or ages.

(18 Del. C. 1953, § 2909; 56 Del. Laws, c. 380, § 1.)

§ 2910. Dividends.

(a) There shall be a provision in participating policies that, beginning not later than the end of the third policy year, the insurer shall annually ascertain and apportion the divisible surplus, if any, that will accrue on the policy anniversary or other dividend date specified in the policy, provided the policy is in force and all premiums to that date are paid. Except as hereinafter provided, any dividends becoming payable shall at the option of the party entitled to elect such option be either:

- (1) Payable in cash; or
- (2) Applied to any one of such other dividend options as may be provided by the policy. If any such other dividend options are provided, the policy shall further state which option shall be automatically effective if such party shall not have elected some other option. If the policy specifies a period within which such other dividend option may be elected, such period shall be not less than 30 days following the date on which such dividend is due and payable. The annually apportioned dividend shall be deemed to be payable in cash within the meaning of paragraph (a)(1) of this section above even though the policy provides that payment of such dividend is to be deferred for a specified period, provided such period does not exceed 6 years from the date of apportionment and that interest will be added to such dividend at a specified rate.

(b) Renewable term policies of 10 years or less may provide that the surplus accrued to such policies shall be determined and apportioned each year after the second policy year and accumulated during each renewal period and that at the end of the renewal period, on renewal of the policy by the insured, the insurer shall apply the accumulated surplus as an annuity for the next succeeding renewal term in the reduction of premiums.

(c) In participating industrial life insurance policies, in lieu of the provision required in subsection (a) of this section above, there shall be a provision that, beginning not later than the end of the fifth policy year, the policy shall participate annually in the divisible surplus, if any, in the manner set forth in the policy.

- (d) This section does not apply to insurance issued under nonforfeiture provisions of lapsed or surrendered policies.
- (18 Del. C. 1953, § 2910; 56 Del. Laws, c. 380, § 1.)

§ 2911. Policy loan.

(a) There shall be a provision that after 3 full years' premiums have been paid and after the policy has a cash surrender value and while no premium is in default beyond the grace period for payment, the insurer will advance, on proper assignment or pledge of the policy and on the sole security thereof, at a rate of interest not exceeding 8% per annum (if payable in advance such interest shall not exceed the rate of 7.4% per annum for policies issued prior to January 1, 1983) an amount equal to or, at the option of the party entitled thereto, less than the loan value of the policy. Before approving any policy provision providing for a rate of interest in excess of 6%, the Commissioner may require assurances by the insurer that the holders of such policies will benefit from the increased earning of the insurer resulting from the use of such higher rates, through the use of higher dividends or lower premiums, or both. The loan value of the policy shall be at least equal to the cash surrender value at the end of the then current policy year, and the insurer may deduct, either from such loan value or from the proceeds of the loan, any existing indebtedness not already deducted in determining such cash surrender value, including any interest then accrued but not due, any unpaid balance of the premium for the current policy year and interest on the loan to the end of the current policy year. The policy may also provide that if interest on any indebtedness is not paid when due it shall then be added to the existing indebtedness and shall bear interest at the same rate and that if and when the total indebtedness on the policy, including interest due or accrued, equals or exceeds the amount of the loan value thereof, then the policy shall terminate and become void, but not until at least 30 days' notice has been mailed by the insurer to the last address on record with the insurer of the insured or other policy owner and of any assignee of record at the insurer's home office. The policy shall reserve to the insurer the right to defer the granting of a loan, other than for the payment of any premium to the insurer, for 6 months after application therefor. Such provision shall also contain a table showing in figures the loan values each year during the first 20 years of the policy or during the term of the policy whichever is shorter. The policy, at the insurer's option, may provide for an automatic premium loan.

- (b) (1) Policies issued on or after January 1, 1983, shall provide for policy loan interest rates as follows:
 - a. A provision permitting a maximum interest rate of not more than 8% per annum; or
 - b. A provision permitting an adjustable maximum interest rate established from time to time by the life insurer as permitted by law.
- (2) The rate of interest charged on a policy loan made under paragraph (b)(1)b. of this section shall not exceed the higher of the

following:

- a. The published monthly average for the calendar month ending 2 months before the date on which the rate is determined; or
- b. The rate used to compute the cash surrender values under the policy during the applicable period plus 1% per annum.

(3) The term “published monthly average” means:

- a. Moody’s Corporate Bond Yield Average — Monthly Average Corporates as published by Moody’s Investors Service, Inc. or any successor thereto; or
- b. In the event that the Moody’s Corporate Bond Yield Average — Monthly Average Corporates is no longer published, a substantially similar average, established by regulation issued by the Commissioner.

(4) If the maximum rate of interest is determined pursuant to paragraph (b)(1)b. of this section, the policy shall contain a provision setting forth the frequency at which the rate is to be determined for that policy.

(5) The maximum rate for each policy must be determined at regular intervals at least once every 12 months, but not more frequently than once in any 3-month period. At the intervals specified in the policy:

- a. The rate being charged may be increased whenever such increase as determined under paragraph (b)(2) of this section would increase that rate by 1/2% or more per annum;
- b. The rate being charged must be reduced whenever such reduction as determined under paragraph (b)(2) of this section would decrease that rate by 1/2% or more per annum.

(6) The life insurer shall:

- a. Notify the policyholder at the time a cash loan is made of the initial rate of interest on the loan;
- b. Notify the policyholder with respect to premium loans of the initial rate of interest on the loan as soon as it is reasonably practical to do so after making the initial loan. Notice need not be given to the policyholder when a further premium loan is added, except as provided in paragraph (b)(6)c. of this section below;
- c. Send to policyholders with loans reasonable advance notice of any increase in the rate; and
- d. Include in the notices required above the substance of the pertinent provisions of paragraphs (b)(1) and (4) of this section.

(7) The loan value of the policy shall be determined in accordance with subsection (a) of this section, but no policy shall terminate in a policy year as the sole result of a change in the interest rate during that policy year, and the life insurer shall maintain coverage during that policy year until the time at which it would otherwise have terminated if there had been no change during that policy year.

(8) The substance of the pertinent provisions of paragraphs (b)(1) and (4) of this section shall be set forth in the policies to which they apply.

(9) For purposes of this section:

- a. The rate of interest on policy loans permitted under this subsection includes the interest rate charged on reinstatement of policy loans for the period during and after any lapse of a policy.
- b. The term “policy loan” includes any premium loan made under a policy to pay 1 or more premiums that were not paid to the life insurer as they fell due.
- c. The term “policyholder” includes the owner of the policy or the person designated to pay premiums as shown on the records of the life insurer.
- d. The term “policy” includes certificates issued by a fraternal benefit society and annuity contracts which provide for policy loans.

(10) No other provision of law shall apply to policy loan interest rates unless made specifically applicable to such rates.

(11) This subsection shall not apply to any insurance contract issued before January 1, 1983, unless the policyholder agrees in writing to the applicability of such provisions.

(c) This section shall not apply to term policies or to term insurance benefits provided by rider or supplemental policy provisions or to industrial life insurance policies.

(18 Del. C. 1953, § 2911; 56 Del. Laws, c. 380, § 1; 60 Del. Laws, c. 195, § 1; 63 Del. Laws, c. 399, § 1.)

§ 2912. Table of installments.

In case the policy provides that the proceeds may be payable in installments which are determinable at issue of the policy, there shall be a table showing the amounts of the guaranteed installments.

(18 Del. C. 1953, § 2912; 56 Del. Laws, c. 380, § 1.)

§ 2913. Reinstatement.

There shall be a provision that unless:

- (1) The policy has been surrendered for its cash surrender value;
- (2) Its cash surrender value has been exhausted; or
- (3) The paid-up term insurance, if any, has expired;

the policy will be reinstated at any time within 3 years (or 2 years in the case of industrial life insurance policies) from the date of premium default upon written application therefor, the production of evidence of insurability satisfactory to the insurer, the payment of all premiums in arrears with interest at a rate not exceeding 6% per annum compounded annually, and the payment or reinstatement of any indebtedness to the insurer upon the policy with interest as provided in § 2911 of this title.

(18 Del. C. 1953, § 2913; 56 Del. Laws, c. 380, § 1; 63 Del. Laws, c. 399, § 2.)

§ 2914. Payment of claims.

(a) There shall be a provision that when the benefits under the policy become payable by reason of the death of the insured, settlement must be made upon receipt of due proof of death, which may consist of a certified copy of the insured's death certificate or other lawful evidence providing equivalent information, and, at the insurer's option, surrender of the policy or proof of the interest of the claimant. If an insurer specifies a particular period before the expiration of which settlement must be made, the period may not exceed 30 days from the receipt of such proofs.

(b) There shall be a provision for the payment of interest on the death benefit under the policy as follows:

(1) Interest accrues and is payable from the date of the initial filing of the death benefits claim, which includes due proof of death.

(2) Interest accrues at the rate applicable to the policy for funds left on deposit or, if the insurer has not established a rate for funds left on deposit, at the 2 year Treasury Constant Maturity Rate as published by the Federal Reserve. In determining the effective annual rate, the insurer shall use the rate in effect on the date of the filing of the initial death benefits claim.

(c) Interest accrues at the effective annual rate determined in subsection (b) of this section, plus additional interest at a rate of 10% annually beginning with the date that is 31 calendar days from the latest of paragraphs (c)(1), (2), and (3) of this section to the date the claim is paid, where it is all of the following:

(1) The date that due proof of death is received by the insurer.

(2) The date the insurer receives sufficient information to determine its liability, the extent of the liability, and the appropriate payee legally entitled to the proceeds.

(3) The date that legal impediments to payments of proceeds that depend on the action of parties other than the insurer are resolved and sufficient evidence of the same is provided to the insurer. For purposes of this paragraph (c)(3), "legal impediments to payments" include the establishment of guardianships and conservatorships; appointments and qualification of trustees, executors, and administrators; and the submission of information required to satisfy state and federal reporting requirements.

(18 Del. C. 1953, § 2914; 56 Del. Laws, c. 380, § 1; 82 Del. Laws, c. 114, § 1.)

§ 2915. Beneficiary, industrial policies.

An industrial life insurance policy shall have the name of the beneficiary designated thereon or in the application or other form if attached to the policy, with a reservation of the right to designate or change the beneficiary after the issuance of the policy, unless such beneficiary be irrevocably designated. The policy may also provide that no designation or change of beneficiary shall be binding on the insurer until endorsed on the policy by the insurer and that the insurer may refuse to endorse the name of any proposed beneficiary who does not appear to the insurer to have an insurable interest in the life of the insured. The policy may also provide that if the beneficiary designated in the policy does not make a claim under the policy or does not surrender the policy with due proof of death within the period stated in the policy, which shall not be less than 30 days after the death of the insured, or if the beneficiary is the estate of the insured, or is a minor, or dies before the insured, or is not legally competent to give a valid release, then the insurer may make any payment thereunder to the executor or administrator of the insured, or to any relative of the insured by blood or legal adoption or connection by marriage, or to any person appearing to the insurer to be equitably entitled thereto by reason of having been named beneficiary, or by reason of having incurred expense for the maintenance, medical attention or burial of the insured. The policy may also include a similar provision applicable to any other payment due under the policy.

(18 Del. C. 1953, § 2915; 56 Del. Laws, c. 380, § 1.)

§ 2916. Title.

There shall be a title on the policy, briefly describing the same.

(18 Del. C. 1953, § 2916; 56 Del. Laws, c. 380, § 1.)

§ 2917. Excluded or restricted coverage.

A clause in any policy of life insurance providing that such policy shall be incontestable after a specified period shall preclude only a contest of the validity of the policy and shall not preclude the assertion at any time of defenses based upon provisions in the policy which exclude or restrict coverage, whether or not such restrictions or exclusions are excepted in such clause.

(18 Del. C. 1953, § 2917; 56 Del. Laws, c. 380, § 1.)

§ 2918. Standard provisions; annuity and pure endowment contracts.

(a) No annuity or pure endowment contract, other than reversionary annuities (also called survivorship annuities) or group annuities and except as stated herein, shall be delivered or issued for delivery in this State unless it contains in substance each of the provisions specified in §§ 2919-2924, inclusive, of this title. Any of such provisions not applicable to single premium annuities or single premium pure endowment contracts shall not, to that extent, be incorporated therein.

(b) This section shall not apply to contracts for deferred annuities included in, or upon the lives of beneficiaries under, life insurance policies.

§ 2919. Grace period; annuities.

In an annuity or pure endowment contract, other than a reversionary, survivorship or group annuity, there shall be a provision that there shall be a period of grace of 1 month, but not less than 30 days, within which any stipulated payment to the insurer falling due after the first may be made, subject at the option of the insurer to an interest charge thereon at a rate to be specified in the contract but not exceeding 6% per annum for the number of days of grace elapsing before such payment, during which period of grace the contract shall continue in full force, but in case a claim arises under the contract on account of death prior to expiration of the period of grace before the overdue payment to the insurer or the deferred payments of the current contract year, if any, are made, the amount of such payments, with interest on any overdue payments, may be deducted from any amount payable under the contract in settlement.

(18 Del. C. 1953, § 2919; 56 Del. Laws, c. 380, § 1.)

§ 2920. Incontestability; annuities.

If any statements, other than those relating to age, sex and identity are required as a condition to issuing an annuity or pure endowment contract, other than a reversionary, survivorship or group annuity, and subject to § 2922 of this title, there shall be a provision that the contract shall be incontestable after it has been in force during the lifetime of the person or of each of the persons as to whom such statements are required, for a period of 2 years from its date of issue, except for nonpayment of stipulated payments to the insurer; and at the option of the insurer such contract may also except any provisions relative to benefits in the event of disability and any provisions which grant insurance specifically against death by accident or accidental means.

(18 Del. C. 1953, § 2920; 56 Del. Laws, c. 380, § 1.)

(18 Del. C. 1953, § 2921; 56 Del. Laws, c. 380, § 1.)

§ 2922. Misstatement of age or sex; annuities.

In an annuity or pure endowment contract, other than a reversionary, survivorship or group annuity, there shall be a provision that if the age or sex of the person or persons upon whose life or lives the contract is made, or of any of them has been misstated, the amount payable or benefits accruing under the contract shall be such as the stipulated payment or payments to the insurer would have purchased according to the correct age or sex and that if the insurer shall make or has made any overpayment or overpayments on account of any such misstatement, the amount thereof with interest at the rate to be specified in the contract but not exceeding 6% per annum, may be charged against the current or next succeeding payment or payments to be made by the insurer under the contract.

(18 Del. C. 1953, § 2922; 56 Del. Laws, c. 380, § 1.)

§ 2923. Dividends; annuities.

(18 Del. C. 1953, § 2923; 56 Del. Laws, c. 380, § 1.)

§ 2924. Reinstatement; annuities.

In an annuity or pure endowment contract, other than a reversionary or group annuity, there shall be a provision that the contract may be reinstated at any time within 1 year from the default in making stipulated payments to the insurer, unless the cash surrender value has been paid, but all overdue stipulated payments and any indebtedness to the insurer on the contract shall be paid or reinstated with interest thereon at a rate to be specified in the contract, but not exceeding 6% per annum payable annually, and, in cases where applicable, the insurer may also include a requirement of evidence of insurability satisfactory to the insurer.

(18 Del. C. 1953, § 2924; 56 Del. Laws, c. 380, § 1.)

(2) In such reversionary annuity contracts there shall be a provision that the contract may be reinstated at any time within 3 years from the date of default in making stipulated payments to the insurer, upon production of evidence of insurability satisfactory to the insurer, and upon condition that all overdue payments and any indebtedness to the insurer on account of the contract be paid, or, within the limits permitted by the then cash values of the contract, reinstated, with interest as to both payments and indebtedness at a rate to be specified in the contract but not exceeding 6% per annum compounded annually.

(b) This section shall not apply to group annuities or to annuities included in life insurance policies and any of such provisions not

applicable to single premium annuities shall not to that extent be incorporated therein.

(18 Del. C. 1953, § 2925; 56 Del. Laws, c. 380, § 1.)

(a) No policy of life insurance shall be delivered or issued for delivery in this State if it contains any of the following provisions:

(1) A provision limiting the time within which an action at law or in equity may be commenced on such a policy to less than 3 years after the cause of action has accrued;

(2) A provision which excludes or restricts liability for death caused in a certain specified manner or occurring while the insured has a specified status, except that a policy may contain provisions excluding or restricting coverage as specified therein in the event of death under any one or more of the following circumstances:

a. Death as a result, directly or indirectly, of war, declared or undeclared, or of action by military forces, or of any act or hazard of such war or action, or of service in the military, naval or air forces or in civilian forces auxiliary thereto, or from any cause while a member of such military, naval or air forces of any country at war, declared or undeclared, or of any country engaged in such military action;

b. Death as a result of aviation or any air travel or flight;

c. Death as a result of a specified hazardous occupation or occupations or avocation;

(b) A policy which contains any exclusion or restriction pursuant to paragraph (a)(2) of this section shall also provide that in the event of death under the circumstances to which any such exclusion or restriction is applicable, the insurer will pay an amount not less than a reserve determined according to the Commissioner's reserve valuation method upon the basis of the mortality table and interest rate specified in the policy for the calculation of nonforfeiture benefits (or if the policy provides for no such benefits, computed according to a mortality table and interest rate determined by the insurer and specified in the policy) with adjustment for indebtedness or dividend credit.

(c) This section shall not apply to group life insurance, health insurance, reinsurance or annuities or to any provision in a life insurance policy or contract supplemental thereto relating to disability benefits or to additional benefits in the event of death by accident or accidental means.

(d) Nothing contained in this section shall prohibit any provision which in the opinion of the Commissioner is more favorable to the policyholder than a provision permitted by this section.

(18 Del. C. 1953, § 2926; 56 Del. Laws, c. 380, § 1.)

§ 2927. Prohibited provisions.

(a) No life insurance policy, other than industrial life insurance, shall be delivered or issued for delivery in this State, if it contains any of the following provisions:

(1) A provision by which the policy purports to be issued or to take effect more than 1 year before the original application for the insurance was made;

(2) A provision for any mode of settlement at maturity of the policy of less value than the amount insured under the policy, plus dividend additions, if any, less any indebtedness to the insurer on or secured by the policy and less any premium that may be deducted by the terms of the policy;

(3) A provision to the effect that the agent soliciting the insurance is the agent of the person insured under the policy or making the acts or representations of such agent binding upon the person so insured under the policy.

(b) No policy of industrial life insurance shall contain any of the following provisions:

(1) A provision by which the insurer may deny liability under the policy for the reason that the insured has previously obtained other insurance from the same insurer;

(2) A provision giving the insurer the right to declare the policy void because the insured has had any disease or ailment, whether specified or not, or because the insured has received institutional, hospital, medical or surgical treatment or attention, except a provision which gives the insurer the right to declare the policy void if the insured has, within 2 years prior to the issuance of the policy, received institutional, hospital, medical or surgical treatment or attention and if the insured or claimant under the policy fails to show that the condition occasioning such treatment or attention was not of a serious nature or was not material to the risk;

(3) A provision giving the insurer the right to declare the policy void because the insured has been rejected for insurance, unless such right be conditioned upon a showing by the insurer that knowledge of such rejection would have led to a refusal by the insurer to make such contract.

(18 Del. C. 1953, § 2927; 56 Del. Laws, c. 380, § 1.)

§ 2928. Provisions required by law of other jurisdiction.

The policies of a foreign life insurer when issued in this State may contain any provision which the law of the state, territory, district or country under which the insurer is organized prescribes shall be in such policies, and the policies of a domestic life insurer may, when issued or delivered in any other state, territory, district or country, contain any provisions required by the laws thereof, anything in this chapter to the contrary notwithstanding.

(18 Del. C. 1953, § 2928; 56 Del. Laws, c. 380, § 1.)

§ 2929. Standard nonforfeiture law — Generally.

Any of the foregoing provisions or portions thereof not applicable by reason of the plan of insurance may, to the extent inapplicable, be omitted from the policy.

The insurer shall reserve the right to defer the payment of any cash surrender value for a period of 6 months after demand therefor with surrender of the policy.

(b) Any cash surrender value available under the policy in the event of default in a premium payment due on any policy anniversary, whether or not required by subsection (a) of this section, shall be an amount not less than the excess, if any, of the present value, on such anniversary, of the future guaranteed benefits which would have been provided for by the policy, including any existing paid-up additions, if there had been no default, over the sum of:

- (1) The then present value of the adjusted premiums as defined in subsections (d), (e), (f) and (g) of this section, corresponding to premiums which would have fallen due on and after such anniversary; and
- (2) The amount of any indebtedness to the insurer on the policy.

Provided, however, that for any policy issued on or after the operative date of subsection (g) of this section as defined therein, which provides supplemental life insurance or annuity benefits at the option of the insured and for an identifiable additional premium by rider or supplemental policy provision, the cash surrender value referred to in the first paragraph of this subsection shall be an amount not less than the sum of the cash surrender value as defined in such paragraph for an otherwise similar policy issued at the same age without such rider or supplemental policy provision and the cash surrender value as defined in such paragraph for a policy which provides only the benefits otherwise provided by such rider or supplemental policy provision.

Provided, further, that for any family policy issued on or after the operative date of subsection (g) of this section as defined therein, which defines a primary insured and provides term insurance on the life of the spouse of the primary insured expiring before the spouse's age 71, the cash surrender value referred to in the first paragraph of this subsection shall be an amount not less than the sum of the cash surrender value as defined in such paragraph for an otherwise similar policy issued at the same age without such term insurance on the life of the spouse and the cash surrender value as defined in such paragraph for a policy which provides only the benefits otherwise provided by such term insurance on the life of the spouse.

Any cash surrender value available within 30 days after any policy anniversary under any policy paid up by completion of all premium payments or any policy continued under any paid-up nonforfeiture benefit, whether or not required by subsection (a) of this section, shall be an amount not less than the present value, on such anniversary, of the future guaranteed benefits provided for by the policy, including any existing paid-up additions, decreased by any indebtedness to the insurer on the policy.

(c) Any paid-up nonforfeiture benefit available under the policy in the event of default in a premium payment due on any policy anniversary shall be such that its present value as of such anniversary shall be at least equal to the cash surrender value then provided for by the policy or, if none is provided for, that cash surrender value which would have been required by this section in the absence of the condition that premiums shall have been paid for at least a specified period.

(d) This subsection shall not apply to policies issued on or after the operative date of subsection (g) of this section as defined therein. Except as provided in the third paragraph of this subsection, the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding amounts stated in the policy as extra premiums to cover impairments or special hazards, that the present value, at the date of issue of the policy, of all such adjusted premiums shall be equal to the sum of (1) the then present value of the future guaranteed benefits provided for by the policy; (2) 2% of the amount of insurance, if the insurance be uniform in amount, or of the equivalent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the policy; (3) 40% of the adjusted premium for the first policy year; (4) 25% of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less. In applying the percentages specified in (3) and (4) above, no adjusted premium shall be deemed to exceed 4% of the amount of insurance or level amount equivalent thereto. The date of issue of a policy for the purpose of this subsection shall be the date as of which the rated age of the insured is determined.

In the case of a policy providing an amount of insurance varying with duration of the policy, the equivalent uniform amount thereof for the purpose of this subsection shall be deemed to be the uniform amount of insurance provided by an otherwise similar policy, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the date of issue as the benefits under the policy, provided, however, that in the case of a policy providing a varying amount of insurance issued on the life of a child under age 10, the equivalent uniform amount may be computed as though the amount of insurance provided by the policy prior to the attainment of age 10 were the amount provided by such policy at age 10.

The adjusted premiums for any policy providing term insurance benefits by rider or supplemental policy provision shall be equal to (1) the adjusted premiums for an otherwise similar policy issued at the same age without such term insurance benefits, increased, during the period for which premiums for such term insurance benefits are payable, by (2) the adjusted premiums for such term insurance, the foregoing items (1) and (2) being calculated separately and as specified in the first 2 paragraphs of this subsection except that, for the

purposes of (2), (3) and (4) of the first such paragraph, the amount of insurance or equivalent uniform amount of insurance used in the calculation of the adjusted premiums referred to in (2) shall be equal to the excess of the corresponding amount determined for the entire policy over the amount used in the calculation of the adjusted premiums in (1).

Except as otherwise provided in subsections (e) and (f) of this section, all adjusted premiums and present values referred to in this section shall for all policies of ordinary insurance be calculated on the basis of the Commissioners 1941 Standard Ordinary Mortality Table, provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than 3 years younger than the actual age of the insured and such calculations for all policies of industrial insurance shall be made on the basis of the 1941 Standard Industrial Mortality Table. All calculations shall be made on the basis of the rate of interest, not exceeding $3\frac{1}{2}\%$ per annum, specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits. In calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may not be more than 130% of the rates of mortality according to such applicable table. For insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the insurer and approved by the Commissioner.

(e) This subsection shall not apply to ordinary policies issued on or after the operative date of subsection (g) of this section as defined therein. In the case of ordinary policies issued on or after the operative date of this subsection as defined herein, all adjusted premiums and present values referred to in this section shall be calculated on the basis of the Commissioners 1958 Standard Ordinary Mortality Table and the rate of interest specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits provided that such rate of interest shall not exceed $3\frac{1}{2}\%$ per annum except that a rate of interest not exceeding 4% per annum may be used for policies issued on or after June 21, 1973, and prior to July 8, 1980, and a rate of interest not exceeding $5\frac{1}{2}\%$ per annum may be used for policies issued on or after July 8, 1980, and provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than 6 years younger than the actual age of the insured. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the Commissioners 1958 Extended Term Insurance Table. Provided, further, that for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the insurer and approved by the Commissioner.

After May 21, 1959, any insurer may file with the Commissioner a written notice of its election to comply with the provisions of this subsection after a specified date before January 1, 1966. After the filing of such notice, then upon such specified date (which shall be the operative date of this subsection for such insurer), this subsection shall become operative with respect to the ordinary policies thereafter issued by such insurer. If an insurer makes no such election, the operative date of this subsection for such insurer shall be January 1, 1966.

(f) This subsection shall not apply to industrial policies issued on or after the operative date of subsection (g) of this section as defined therein. In the case of industrial policies issued on or after the operative date of this subsection, as defined herein, all adjusted premiums and present values referred to in this section shall be calculated on the basis of the Commissioners 1961 Standard Industrial Mortality Table and the rate of interest specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits provided that such rate of interest shall not exceed $3\frac{1}{2}\%$ per annum, except that a rate of interest not exceeding 4% per annum may be used for policies issued on or after June 21, 1973, and prior to July 8, 1980, and a rate of interest not exceeding $5\frac{1}{2}\%$ per annum may be used for policies issued on or after July 8, 1980, except that for any single premium whole life or endowment insurance policy a rate of interest not exceeding $6\frac{1}{2}\%$ per annum may be used. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the Commissioners 1961 Industrial Extended Term Insurance Table. Provided, further, that for insurance issued on a substandard basis, the calculations of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the insurer and approved by the Commissioner.

After July 7, 1964, any insurer may file with the Commissioner, a written notice of its election to comply with the provisions of this subsection after a specified date before January 1, 1968. After the filing of such notice, then upon such date (which shall be the operative date of this subsection for such insurer), this subsection shall become operative with respect to the industrial policies thereafter issued by such insurer. If an insurer makes no such election, the operative date of this subsection for such insurer shall be January 1, 1968.

(g) (1) This subsection shall apply to all policies issued on or after the operative date of this subsection as defined herein. Except as provided in paragraph (g)(7) of this section, the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments or special hazards and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the date of issue of the policy, of all adjusted premiums shall be equal to the sum of:

- a. The then present value of the future guaranteed benefits provided for by the policy;
- b. 1% of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years; and
- c. 125% of the nonforfeiture net level premium as hereinafter defined.

Provided, however, that in applying the percentage specified in paragraph (g)(1)c. of this section above no nonforfeiture net level premium shall be deemed to exceed 4% of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years. The date of issue of a policy for the purpose of this subsection shall be the date as of which the rated age of the insured is determined.

(2) The nonforfeiture net level premium shall be equal to the present value, at the date of issue of the policy, of the guaranteed benefits provided for by the policy divided by the present value, at the date of issue of the policy, of an annuity of 1 per annum payable on the date of issue of the policy and on each anniversary of such policy on which a premium falls due.

(3) In the case of policies which cause on a basis guaranteed in the policy unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than a change to a new policy, the adjusted premiums and present values shall initially be calculated on the assumption that future benefits and premiums do not change from those stipulated at the date of issue of the policy. At the time of any such change in the benefits or premiums the future adjusted premiums, nonforfeiture net level premiums and present values shall be recalculated on the assumption that future benefits and premiums do not change from those stipulated by the policy immediately after the change.

(4) Except as otherwise provided in paragraph (g)(7) of this section, the recalculated future adjusted premiums for any such policy shall be such uniform percentage of the respective future premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments and special hazards, and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the time of change to the newly defined benefits or premiums, of all such future adjusted premiums shall be equal to the excess of (A) the sum of (i) the then present value of the then future guaranteed benefits provided for by the policy and (ii) the additional expense allowance, if any, over (B) the then cash surrender value, if any, or present value of any paid-up nonforfeiture benefit under the policy.

(5) The additional expense allowance, at the time of the change to the newly defined benefits or premiums, shall be the sum of:

a. 1% of the excess, if positive, of the average amount of insurance at the beginning of each of the first 10 policy years subsequent to the change over the average amount of insurance prior to the change at the beginning of each of the first 10 policy years subsequent to the time of the most recent previous change, or, if there has been no previous change, the date of issue of the policy; and

b. 125% of the increase, if positive, in the nonforfeiture net level premium.

(6) The recalculated nonforfeiture net level premium shall be equal to the result obtained by dividing (A) by (B) where (A) equals the sum of (i) the nonforfeiture net level premium applicable prior to the change times the present value of an annuity of 1 per annum payable on each anniversary of the policy on or subsequent to the date of the change on which a premium would have fallen due had the change not occurred, and (ii) the present value of the increase in future guaranteed benefits provided for by the policy, and (B) equals the present value of an annuity of 1 per annum payable on each anniversary of the policy on or subsequent to the date of change on which a premium falls due.

(7) Notwithstanding any other provisions of this subsection to the contrary, in the case of a policy issued on a substandard basis which provides reduced graded amounts of insurance so that, in each policy year, such policy has the same tabular mortality costs as an otherwise similar policy issued on the standard basis which provides higher uniform amounts of insurance, adjusted premiums and present values for such substandard policy may be calculated as if it were issued to provide such higher uniform amounts of insurance on the standard basis.

(8) All adjusted premiums and present values referred to in this section shall for all policies or ordinary insurance be calculated on the basis of (i) the Commissioners 1980 Standard Ordinary Mortality table or (ii) at the election of the insurer for any 1 or more specified plans of life insurance, the Commissioners 1980 Standard Ordinary Mortality Table with 10-Year Select Mortality Factors; shall for all policies of industrial insurance be calculated on the basis of the Commissioners 1961 Standard Industrial Mortality Table; and shall for all policies issued in a particular calendar year be calculated on the basis of a rate of interest not exceeding the nonforfeiture interest rate as defined in this subsection, for policies issued in that calendar year. Provided, however, that:

a. At the option of the insurer, calculations for all policies issued in a particular calendar year may be made on the basis of a rate of interest not exceeding the nonforfeiture interest rate, as defined in this subsection, for policies issued in the immediately preceding calendar year.

b. Under any paid-up nonforfeiture benefit, including any paid-up dividend additions, any cash surrender value available, whether or not required by subsection (a) of this section, shall be calculated on the basis of the mortality table and rate of interest used in determining the amount of such paid-up nonforfeiture benefit and paid-up dividend additions, if any.

c. An insurer may calculate the amount of any guaranteed paid-up nonforfeiture benefit including any paid-up additions under the policy on the basis of an interest rate no lower than that specified in the policy for calculating cash surrender values.

d. In calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the Commissioners 1980 Extended Term Insurance Table for policies of ordinary insurance and not more than the Commissioners 1961 Industrial Extended Term Insurance Table for policies of industrial insurance.

e. For insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on appropriate modifications of the aforementioned tables.

f. For policies issued prior to the operative date of the valuation manual, any Commissioners standard ordinary mortality tables, adopted after 1980 by the National Association of Insurance Commissioners, that are approved by regulation promulgated by the Commissioner for use in determining the minimum nonforfeiture standard may be substituted for the Commissioners 1980 Standard Ordinary Mortality Table with or without 10-Year Select Mortality Factors or for the Commissioners 1980 Extended Term Insurance Table. For policies issued on or after the operative date of the valuation manual, the valuation manual shall provide the Commissioners standard mortality table for use in determining the minimum nonforfeiture standard that may be substituted for the Commissioners 1980 Standard Ordinary Mortality Table with or without 10-year Select Mortality Factors or for the Commissioners 1980 Extended Term Insurance Table. If the Commissioner approves by regulation any Commissioners standard ordinary mortality table adopted by the NAIC for use in determining the minimum nonforfeiture standard for policies issued on or after the operative date of the valuation manual, then that minimum nonforfeiture standard supersedes the minimum nonforfeiture standard provided by the valuation manual.

g. For policies issued prior to the operative date of the valuation manual, any Commissioners standard industrial mortality tables, adopted after 1980 by the National Association of Insurance Commissioners, that are approved by regulation promulgated by the Commissioner for use in determining the minimum nonforfeiture standard may be substituted for the Commissioners 1961 Standard Industrial Mortality Table or the Commissioners 1961 Industrial Extended Term Insurance Table. For policies issued on or after the operative date of the valuation manual, the valuation manual shall provide the Commissioners standard mortality table for use in determining the minimum nonforfeiture standard that may be substituted for the Commissioners 1961 Standard Industrial Mortality Table or the Commissioners 1961 Industrial Extended Term Insurance Table. If the Commissioner approves by regulation any Commissioners standard industrial mortality table adopted by the NAIC for use in determining the minimum nonforfeiture standard for policies issued on or after the operative date of the valuation manual, then that minimum nonforfeiture standard supersedes the minimum nonforfeiture standard provided by the valuation manual.

(9) For policies issued prior to the operative date of the valuation manual, the nonforfeiture interest rate per annum for any policy issued in a particular calendar year shall be equal to 125% of the calendar year statutory valuation interest rate for such policy as defined in the standard valuation law, rounded to the nearer $\frac{1}{4}$ of 1%; provided, however, that the nonforfeiture interest rate shall not be less than 4%. For policies issued on or after the operative date of the valuation manual, the nonforfeiture interest rate per annum for any policy issued in a particular calendar year shall be provided by the valuation manual.

(10) Notwithstanding any other provision in this Code to the contrary, any refiling of nonforfeiture values or their methods of computation for any previously approved policy form which involves only a change in the interest rate or mortality table used to compute nonforfeiture values shall not require refiling of any other provisions of that policy form.

(11) After June 21, 1983, any insurer may file with the Commissioner a written notice of its election to comply with this subsection after a specified date before January 1, 1989, which shall be the operative date of this subsection for such insurer. If an insurer makes no such election, the operative date of this subsection for such insurer shall be January 1, 1989.

(h) In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurer based on then estimates of future experience, or in the case of any plan of life insurance which is of such a nature that minimum values cannot be determined by the methods described in subsection (a), (b), (c), (d), (e), (f) or (g) herein, then:

(1) The Commissioner must be satisfied that the benefits provided under the plan are substantially as favorable to policyholders and insureds as the minimum benefits otherwise required by subsection (a), (b), (c), (d), (f) or (g) herein;

(2) The Commissioner must be satisfied that the benefits and the pattern of premiums of that plan are not such as to mislead prospective policyholders or insureds;

(3) The cash surrender values and paid-up nonforfeiture benefits provided by such plan must not be less than the minimum values and benefits required for the plan computed by a method consistent with the principles of this standard nonforfeiture law for life insurance, as determined by regulations promulgated by the Commissioner.

(i) Any cash surrender value and any paid-up nonforfeiture benefit, available under the policy in the event of default in a premium payment due at any time other than on the policy anniversary, shall be calculated with allowance for the lapse of time and the payment of fractional premiums beyond the last preceding policy anniversary. All values referred to in subsections (b), (c), (d), (e), (f) and (g) of this section may be calculated upon the assumption that any death benefit is payable at the end of the policy year of death. The net value of any paid-up additions, other than paid-up term additions, shall be not less than the amounts used to provide such additions. Notwithstanding subsection (b) of this section, additional benefits payable:

(1) In the event of death or dismemberment by accident or accidental means;

(2) In the event of total and permanent disability;

(3) As reversionary annuity or deferred reversionary annuity benefits;

(4) As term insurance benefits provided by a rider or supplemental policy provision to which, if issued as a separate policy, this section would not apply;

(5) As term insurance on the life of a child or on the lives of children provided in a policy on the life of a parent of the child, if such

term insurance expires before the child's age is 26, is uniform in amount after the child's age is 1, and has not become paid up by reason of the death of a parent of the child;

(6) As other policy benefits additional to life insurance and endowment benefits, and premiums for all such additional benefits, shall be disregarded in ascertaining cash surrender values and nonforfeiture benefits required by this section, and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits.

(j) This subsection, in addition to all other applicable subsections of this law, shall apply to all policies issued on or after January 1, 1987. Any cash surrender value available under the policy in the event of default in a premium payment due on any policy anniversary shall be in an amount which does not differ by more than $\frac{2}{10}$ of 1% of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years, from the sum of:

(1) The greater of zero and the basic cash value hereinafter specified; and

(2) The present value of any existing paid up additions less the amount of any indebtedness to the insurer under the policy.

The basic cash value shall be equal to the present value, on such anniversary, of the future guaranteed benefits which would have been provided for by the policy, excluding any existing paid-up additions and before deduction of any indebtedness to the insurer, if there had been no default, less the then present value of the nonforfeiture factors, as hereinafter defined, corresponding to premiums which would have fallen due on and after such anniversary. Provided, however, that the effects on the basic cash value of supplemental life insurance or annuity benefits or of family coverage, as described in subsection (b) or (d) of this section, whichever is applicable, shall be the same as are the effects specified in subsection (b) or (d) of this section, whichever is applicable, on the cash surrender values defined in that subsection.

The nonforfeiture factor for each policy year shall be an amount equal to a percentage of the adjusted premium for the policy year, as defined in subsection (d) or (g) of this section, whichever is applicable. Except as is required by the next succeeding sentence of this paragraph, such percentage:

(1) Must be the same percentage for each policy year between the second policy anniversary and the later of (i) the fifth policy anniversary and (ii) the first policy anniversary at which there is available under the policy a cash surrender value in an amount, before including any paid-up additions and before deducting any indebtedness, of at least $\frac{2}{10}$ of 1% of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years; and

(2) Must be such that no percentage after the later of the 2 policy anniversaries specified in the preceding item may apply to fewer than 5 consecutive policy years.

Provided, that no basic cash value may be less than the value which would be obtained if the adjusted premiums for the policy, as defined in subsection (d) or (g) of this section, whichever is applicable, were substituted for the nonforfeiture factors in the calculation of the basic cash value.

All adjusted premiums and present values referred to in this subsection shall for a particular policy be calculated on the same mortality and interest bases as are used in demonstrating the policy's compliance with the other subsections of this section. The cash surrender values referred to in this subsection shall include any endowment benefits provided for by the policy.

Any cash surrender value available other than in the event of default in a premium payment due on a policy anniversary, and the amount of any paid-up nonforfeiture benefit available under the policy in the event of default in a premium payment shall be determined in manners consistent with the manners specified for determining the analogous minimum amounts in subsections (a), (b), (c), (g) and (i) of this section. The amounts of any cash surrender values and of any paid-up nonforfeiture benefits granted in connection with additional benefits such as those listed as paragraphs (i)(1)-(6) of this section shall conform with the principles of this subsection.

(k) This section shall not apply to any of the following:

(1) Reinsurance;

(2) Group insurance;

(3) Pure endowment;

(4) Annuity or reversionary annuity contract;

(5) Term policy of uniform amount, which provides no guaranteed nonforfeiture or endowment benefits, or renewal thereof, of 20 years or less expiring before age 71, for which uniform premiums are payable during the entire term of the policy;

(6) Term policy of decreasing amount, which provides no guaranteed nonforfeiture or endowment benefits, on which each adjusted premium, calculated as specified in subsections (d), (e), (f) and (g) of this section, is less than the adjusted premium so calculated, on a term policy of uniform amount, or renewal thereof, which provides no guaranteed nonforfeiture or endowment benefits, issued at the same age and for the same initial amount of insurance and for a term of 20 years or less expiring before age 71, for which uniform premiums are payable during the entire term of the policy;

(7) Policy, which provides no guaranteed nonforfeiture or endowment benefits, for which no cash surrender value, if any, or present value of any paid-up nonforfeiture benefit, at the beginning of any policy year, calculated as specified in subsections (b), (c), (d), (e), (f) and (g) of this section, exceeds $\frac{21}{2}\%$ of the amount of insurance at the beginning of the same policy year; nor

(8) Policy which shall be delivered outside this State through an agent or other representative of the insurer issuing the policy.

For purposes of determining the applicability of this section, the age at expiry for a joint term life insurance policy shall be the age at expiry of the oldest life.

(l) After March 30, 1943, any insurer may file with the commissioner a written notice of its election to comply with the provisions of this

section after a specified date before January 1, 1948. After the filing of such notice, upon such specified date (which shall be the operative date of this section for such insurer), this section shall become operative with respect to the policies thereafter issued by such insurer. If an insurer makes no such election the operative date of this section for such insurer shall be January 1, 1948.

(m) For purposes of this section, the term "operative date of the valuation manual" means January 1 of the first calendar year that the valuation manual as defined in § 1111(b)(11) of this title is effective.

(a) In the case of policies issued on and after the operative date of this section as defined in subsection (l) of this section, no policy of life insurance, except as stated in subsection (k) of this section, shall be delivered or issued for delivery in this State unless it shall contain in substance the following provisions, or corresponding provisions which in the opinion of the Commissioner are at least as favorable to the defaulting or surrendering policyholder as are the minimum requirements hereinafter specified and are essentially in compliance with subsection (j) of this section:

(1) That, in the event of default in any premium payment, the insurer will grant, upon proper request not later than 60 days after the due date of the premium in default, a paid-up nonforfeiture benefit on a plan stipulated in the policy, effective as of such due date, of such amount as may be hereinafter specified. In lieu of such stipulated paid-up nonforfeiture benefit, the insurer may substitute, upon proper request not later than 60 days after the due date of the premium in default, an actuarially equivalent alternative paid-up nonforfeiture benefit which provides a greater amount or longer period of death benefits or, if applicable, a greater amount or earlier payment of endowment benefits.

(2) That, upon surrender of the policy within 60 days after the due date of any premium payment in default after premiums have been paid for at least 3 full years in the case of ordinary insurance or 5 full years in the case of industrial insurance, the insurer will pay, in lieu of any paid-up nonforfeiture benefit, a cash surrender value of such amount as may be hereinafter specified.

(3) That a specified paid-up nonforfeiture benefit shall become effective as specified in the policy unless the person entitled to make such election elects another available option not later than 60 days after the due date of the premium in default.

(4) That if the policy shall have become paid up by completion of all premium payments or if it is continued under any paid-up nonforfeiture benefit which became effective on or after the third policy anniversary in the case of ordinary insurance or the fifth policy anniversary in the case of industrial insurance, the insurer will pay, upon surrender of the policy within 30 days after any policy anniversary, a cash surrender value of such amount as may be hereinafter specified.

(5) In the case of policies which cause on a basis guaranteed in the policy unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than a change to a new policy, a statement of the mortality table, interest rate and method used in calculating cash surrender values and the paid-up nonforfeiture benefits available under the policy. In the case of all other policies, a statement of the mortality table and interest rate used in calculating the cash surrender values and the paid-up nonforfeiture benefits available under the policy, together with a table showing the cash surrender value, if any, and paid-up nonforfeiture benefits, if any, available under the policy on each policy anniversary either during the first 20 policy years or during the term of the policy, whichever is shorter, such values and benefits to be calculated upon the assumption that there are no dividends or paid-up additions credited to the policy and that there is no indebtedness to the insurer on the policy.

(6) A statement that the cash surrender values and the paid-up nonforfeiture benefits available under the policy are not less than the minimum values and benefits required by or pursuant to the insurance law of the state in which the policy is delivered; an explanation of the manner in which the cash surrender values and the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the policy or any indebtedness to the insurer on the policy; if a detailed statement of the method of computation of the values and benefits shown in the policy is not stated therein, a statement that such method of computation has been filed with the insurance supervisory official of the state in which the policy is delivered; and a statement of the method to be used in calculating the cash surrender value and paid-up nonforfeiture benefit available under the policy on any policy anniversary beyond the last anniversary for which such values and benefits are consecutively shown in the policy.

(18 Del. C. 1953, § 2929; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 92, §§ 5, 6; 62 Del. Laws, c. 348, §§ 14, 15; 64 Del. Laws, c. 55, §§ 13-22; 70 Del. Laws, c. 186, § 1; 80 Del. Laws, c. 117, §§ 3-7.)

§ 2929A. Standard nonforfeiture law; individual deferred annuities [For application of this statute, see 83 Del. Laws, c. 105, § 2].

(a) This section shall be known as the standard nonforfeiture law for individual deferred annuities.

(b) This section shall not apply to any reinsurance, group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under § 408 of the Internal Revenue Code [26 U.S.C. § 408], as now or hereafter amended, premium deposit fund, variable annuity, investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced, or reversionary annuity, nor to any contract which shall be delivered outside this State through an agent or other representative of the company issuing the contract.

(c) In the case of contracts issued on or after the operative date of this chapter as defined in subsection (d) of this section, no contract of annuity, except as stated in subsection (b) of this section, shall be delivered or issued for delivery in this State unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the Commissioner are at least as favorable to the contractholder, upon cessation of payment of considerations under the contract:

(1) That upon cessation of payment of considerations under a contract, upon the written request of the contract owner the company shall grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in subsections (e), (f), (g), (h) and (j) of this section;

(2) If a contract provides for a lump sum settlement at maturity, or at any other time, that upon surrender of the contract at or prior to the commencement of any annuity payments, the company shall pay in lieu of any paid-up annuity benefit a cash surrender benefit not to exceed such amount as is specified in subsections (e), (f), (h) and (j) of this section. The company may reserve the right to defer the payment of such cash surrender benefit for a period of 6 months after demand therefor with surrender of the contract, after making written request and receiving written approval of the commissioner. The request must address the necessity and equitability of the deferral to all policyholders;

(3) A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of such benefits;

(4) A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the State in which the contract is delivered and an explanation of the manner in which such benefits are altered by the existence of any additional amounts credited by the company to the contract, any indebtedness to the company on the contract or any prior withdrawals from or partial surrenders of the contract.

Notwithstanding the requirements of this subsection, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of 2 full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to such period would be less than \$20 monthly, the company may at its option terminate such contract by payment in cash of the then present value of such portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by such payment shall be relieved of any further obligation under such contract.

(d) The minimum values as specified in subsections (e), (f), (g), (h) and (j) of this section of any paid-up annuity, cash surrender or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as defined in this subsection:

(1) With respect to contracts providing for flexible considerations, the minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to such time at a rate of interest of 3% per annum of percentages of the net considerations (as hereinafter defined) paid prior to such time, decreased by the sum of:

- a. Any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest of 3% per annum; and
- b. The amount of any indebtedness to the company on the contract, including interest due and accrued; and increased by any existing additional amounts credited by the company to the contract.

The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount not less than \$0.00 and shall be equal to the corresponding gross considerations credited to the contract during that contract year less an annual contract charge of \$30 and less a collection charge of \$1.25 per consideration credited to the contract during that contract year. The percentages of net considerations shall be 65% of the net consideration for the first contract year and 87 1/2% of the net considerations for the second and later contract years. Notwithstanding the preceding sentence, the percentage shall be 65% of the portion of the total net consideration for any renewal contract year which exceeds by not more than 2 times the sum of those portions of the net considerations in all prior contract years for which the percentage was 65%. Notwithstanding any other provision of this section, the minimum interest rate at which net considerations, prior withdrawals and partial surrenders shall be accumulated, for the purpose of determining nonforfeiture amounts, shall be 1.5% per annum.

(2) With respect to contracts providing for fixed scheduled considerations, minimum nonforfeiture amounts shall be calculated on the assumption that considerations are paid annually in advance and shall be defined as for contracts with flexible considerations which are paid annually with 2 exceptions:

a. The portion of the net consideration for the first contract year to be accumulated shall be the sum of 65% of the net consideration for the first contract year plus 22 1/2% of the excess of the net consideration for the first contract year over the lesser of the net considerations for the second and third contract years.

- b. The annual contract charge shall be the lesser of:
 1. Thirty dollars; or
 2. Ten percent of the gross annual consideration.

(3) With respect to contracts providing for a single consideration, minimum nonforfeiture amounts shall be defined as for contracts with flexible considerations except that the percentage of net consideration used to determine the minimum nonforfeiture amount shall be equal to 90 percent and the net consideration shall be the gross consideration less a contract charge of \$75.

(4) Prior to July 1, 2006, a company may elect to comply with the provisions of either paragraph (d)(1)-(3) or (d)(5) of this section. On and after July 1, 2006, all companies shall comply with the provisions of paragraph (d)(5) of this section.

(5) The minimum values as specified in paragraphs (e), (f), (g), (h) and (j) of this section of any paid-up annuity, cash surrender, or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as defined in this paragraph.

- a. 1 The minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments is equal to an accumulation up to such time, at rates of interest as indicated in paragraph (d)(5)b. of this section of the net considerations, as defined

in paragraph (d)(5)a.2. of this section, paid prior to such time, decreased by the sum of paragraphs (d)(5)a.1.A. through (d)(5)a.1.D. of this section as follows:

- A. Any prior withdrawals from or partial surrenders of the contract, accumulated at rates of interest as indicated in paragraph (d)(5)b. of this section;
- B. An annual contract charge of \$50, accumulated at rates of interest as indicated in paragraph (d)(5)b. of this section;
- C. Any premium tax paid by the company for the contract, accumulated at rates of interest as indicated in paragraph (d)(5)b. of this section; and
- D. The amount of any indebtedness to the company on the contract, including interest due and accrued.

2. The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount equal to 87.5% of the gross considerations credited to the contract during that contract year.

b. 1. The interest rate used in determining minimum nonforfeiture amounts shall be an annual rate of interest determined as the lesser of 3% per annum and paragraphs (d)(5)b.1.A. through C. of this section as follows, which must be specified in the contract if the interest rate will be reset:

- A. The 5-year Constant Maturity Treasury Rate reported by the Federal Reserve as of a date, or as an average over a period, rounded to the nearest 1/2 0th of 1%, specified in the contract no longer than 15 months prior to the contract issue date or redetermination date under paragraph (d)(5)b.2. of this section;
- B. Reduced by 125 basis points;
- C. Where the resulting interest rate is not less than 0.15%.

2. The above interest rate shall apply for an initial period and may be redetermined for additional periods. The redetermination date, basis, and period, if any, shall be stated in the contract. The basis is the rate on a date or the rate averaged over a specified period that produces the value of the 5-year Constant Maturity Treasury Rate to be used at each redetermination date.

c. During the period or term that a contract provides substantive participation in an equity indexed benefit, it may increase the reduction described in paragraph (d)(5)b.1.B. of this section by up to an additional 100 basis points to reflect the value of the equity indexed benefit. The present value at the contract issue date, and at each redetermination date thereafter, of the additional reduction may not exceed the market value of the benefit. The Commissioner may require a demonstration that the present value of the additional reduction does not exceed the market value of the benefit. Lacking such a demonstration that is acceptable to the Commissioner, the Commissioner may disallow or limit the additional reduction.

d. The Commissioner may adopt rules to implement paragraph (d)(5)c. of this section and to provide for further adjustments to the calculation of minimum nonforfeiture amounts for contracts that provide substantive participation in an equity indexed benefit and for other contracts that the Commissioner determines adjustments are justified.

(e) Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. Such present value shall be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.

(f) For contracts which provide cash surrender benefits, such cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, such present value being calculated on the basis of an interest rate not more than 1% higher than the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, decreased by the amount of any indebtedness to the company on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the company to the contract. In no event shall any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under such contracts shall be at least equal to the cash surrender benefit.

(g) For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, such present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, and increased by any existing additional amounts credited by the company to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, such present values shall be calculated on the basis of such interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, in no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time.

(h) For the purpose of determining the benefits calculated under subsections (f) and (g) of this section, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later.

(i) Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract

that such benefits are not provided.

(j) Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.

(k) For any contract which provides, within the same contract by rider or supplemental contract provisions, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall be equal to the sum of the minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding subsections (e), (f), (g), (h) and (j) of this section, additional benefits payable (i) in the event of total and permanent disability, (ii) as reversionary annuity or deferred reversionary annuity benefits, or (iii) as other policy benefits additional to life insurance, endowment and annuity benefits, and considerations for all such additional benefits, shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by this section. The inclusion of such additional benefits shall not be required in any paid-up benefits, unless such additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits.

(l) After the effective date of this section, any company may file with the Commissioner a written notice of its election to comply with this section after a specified date before July 8, 1982. After the filing of such notice, then upon such specified date, which shall be the operative date of this section for such company, this section shall become operative with respect to annuity contracts thereafter issued by such company. If a company makes no such election, the operative date of this section for such company shall be the second anniversary of the effective date of this section.

§ 2930. Incontestability; limitation of liability after reinstatement.

(a) A reinstated policy of life insurance or annuity contract may be contested on account of fraud or misrepresentation of facts material to the reinstatement only for the same period following reinstatement and with the same conditions and exceptions as the policy provides with respect to contestability after original issuance.

(b) When any life insurance policy or annuity contract is reinstated, such reinstated policy or contract may exclude or restrict liability to the same extent that such liability could have been or was excluded or restricted when the policy or contract was originally issued and such exclusion or restriction shall be effective from the date of reinstatement.

(18 Del. C. 1953, § 2931; 56 Del. Laws, c. 380, § 1.)

§ 2931. Participating, nonparticipating policies; right to issue.

A life insurer may issue policies on either the participating basis or the nonparticipating basis, or on both bases, if the right or absence of right of participation is reasonably related to the premium charged and the insurer is otherwise not in violation of Chapter 23 of this title.

(18 Del. C. 1953, § 2932; 56 Del. Laws, c. 380, § 1.)

§ 2932. Variable annuity contracts and life insurance policies; grace, reinstatement, nonforfeiture and reserve liability provisions.

(a) A domestic life insurer, including for the purposes of this section all domestic fraternal beneficiary associations, societies or companies which operate on a legal reserve basis, may establish 1 or more separate accounts, and may allocate thereto amounts (including without limitation proceeds applied under optional modes of settlement or under dividend options) to provide for life insurance or annuities (and benefits incidental thereto), payable in fixed or variable amounts or both, subject to the following:

(1) The income, gains and losses, realized or unrealized, from assets allocated to a separate account shall be credited to or charged against the account, without regard to other income, gains or losses of the insurer.

(2) Except as may be provided with respect to reserves for guaranteed benefits and funds referred to in paragraph (a)(3) of this section,

a. Amounts allocated to any separate account and accumulations thereon may be invested and reinvested without regard to any requirements or limitations prescribed by this title governing the investments of life insurers; and

b. The investments in such separate account or accounts shall not be taken into account in applying the investment limitations otherwise applicable to the investments of the insurer.

(3) Except with the approval of the Commissioner and under such conditions as to investments and other matters as he or she may prescribe, which shall recognize the guaranteed nature of the benefits provided, reserves for:

a. Benefits guaranteed as to dollar amount and duration; and

b. Funds guaranteed as to principal amount or stated rate of interest shall not be maintained in a separate account.

(4) Unless otherwise approved by the Commissioner, assets allocated to a separate account shall be valued at their market value on the date of valuation, or if there is no readily available market, then as provided under the terms of the contract or the rules or other written agreement applicable to such separate account, provided, that unless otherwise approved by the Commissioner, the portion, if any, of the assets of such separate account equal to the insurer's reserve liability with regard to the guaranteed benefits and funds referred to in paragraph (a)(3) of this section shall be valued in accordance with the rules otherwise applicable to the insurer's assets.

(5) Amounts allocated to a separate account in the exercise of the power granted by this section shall be owned by the insurer and the insurer shall not be, nor hold itself out to be, a trustee with respect to such amounts. If and to the extent so provided under the applicable contracts, that portion of the assets of any such separate account equal to the reserves and other contract liabilities with respect to such account shall not be chargeable with liabilities arising out of any other business the insurer may conduct.

(6) No sale, exchange or other transfer of assets may be made by an insurer between any of its separate accounts or between any other investment account and 1 or more of its separate accounts unless, in case of a transfer into a separate account, such transfer is made solely to establish the account or to support the operation of the contracts with respect to the separate account to which the transfer is made, and unless such transfer, whether into or from a separate account, is made:

a. By a transfer of cash; or

b. By a transfer of securities having a readily determinable market value, provided that such transfer of securities is approved by the Commissioner.

The Commissioner may approve other transfers among such accounts if, in his or her opinion, such transfers would not be inequitable

(7) To the extent such insurer deems it necessary to comply with any applicable federal or state laws, such insurer, with respect to any separate account, including without limitation any separate account which is a management investment company or a unit investment trust, may provide for persons having an interest therein appropriate voting and other rights and special procedures for the conduct of the business of such account, including without limitation special rights and procedures relating to investment policy, investment advisory services, selection of independent public accountants and the selection of a committee, the members of which need not be otherwise affiliated with such insurer, to manage the business of such account.

(b) Any contract providing benefits payable in variable amounts delivered or issued for delivery in this State shall contain a statement of the essential features of the procedures to be followed by the insurer in determining the dollar amount of such variable benefits. Any such contract under which the benefits vary to reflect investment experience, including a group contract and any certificate in evidence of variable benefits issued thereunder shall state that such dollar amount will so vary and shall contain on its first page a statement to the effect that the benefits thereunder are on a variable basis.

(c) No insurer shall deliver or issue for delivery within this State variable contracts unless it is licensed or organized to do a life insurance or annuity business in this State and the Commissioner is satisfied that its condition or method of operation in connection with the issuance of such contracts will not render its operation hazardous to the public or its policyholders in this State. In this connection, the Commissioner shall consider among other things:

(1) The history and financial condition of the insurer;

(2) The character, responsibility and fitness of the officers and directors of the insurer; and

(3) The law and regulation under which the insurer is authorized in the state of domicile to issue variable contracts. If the insurer is a subsidiary of an admitted life insurer or affiliated with such insurer through common management or ownership, it may be deemed by the Commissioner to have met the provisions of this subsection if either it or the parent or the affiliated insurer meets the requirements hereof.

(d) Notwithstanding any other provision of law, the Commissioner shall have sole authority to regulate the issuance and sale of variable contracts, and to issue such reasonable rules and regulations as may be appropriate to carry out the purposes and provisions of this section.

(e) Except for §§ 2919, 2924, 2925 and 2929A of this title, in the case of a variable annuity contract, and §§ 2906, 2911, 2912, 2913, 2929 and 3113 of this title, in the case of a variable life insurance policy, and except as otherwise provided in this section, all pertinent provisions of this title shall apply to separate accounts and contracts relating thereto. Any individual variable life insurance contract delivered or issued for delivery in this State shall contain grace, reinstatement and nonforfeiture provisions appropriate to such a contract. Any individual variable annuity contract delivered or issued for delivery in this State shall contain grace and reinstatement provisions appropriate to such a contract. Any group variable life insurance contract delivered or issued for delivery in this State shall contain a grace provision appropriate to such a contract. The reserve liability for variable contracts shall be established in accordance with actuarial procedures that recognize the variable nature of the benefits provided and any mortality guarantees.

§ 2933. Prohibited policy plans.

(a) No life insurer shall hereafter deliver or issue for delivery in this State:

(1) As part of or in combination with any life insurance, endowment or annuity contract, any agreement or plan, additional to the rights, dividends and benefits arising out of any such contract which provides for the accumulation of profits over a period of years and for payment of all or any part of such accumulated profits only to members or policyholders of a designated group or class who continue as members or policyholders until the end of a specified or ascertainable period of years;

(2) Any "registered" policy, that is, any policy (other than one "registered" as a security under applicable state or federal law) purporting to be "registered" or otherwise specially recorded, with any agency of the State, or of any other state, or with any bank, trust company, escrow company or other institution other than the insurer, or purporting that any reserves, assets or deposits are held, or will be so held, for the special benefit or protection of the holder of such policy, by or through any such agency or institution;

(3) Any policy or contract under which any part of the premium or of funds or values arising from the policy or contract or from investment of reserves, or from mortality savings, lapses or surrenders, in excess of the normal reserves or amounts required to pay death, endowment and nonforfeiture benefits in respective amounts as specified in or pursuant to the policy or contract, are on a basis not involving insurance or life contingency features, (i) to be placed in special funds or segregated accounts or specially designated places or, (ii) to be invested in specially designated investments or types thereof, and the funds or earnings thereon be divided among the holders of such policies or contracts, or their beneficiaries or assignees. This provision does not apply as to any contract authorized under § 2932 of this title;

(4) Any policy providing for the segregation of policyholders into mathematical groups and providing benefits for a surviving policyholder arising out of the death of another policyholder of such group, or under any other similar plan;

(5) Any policy providing benefits or values for surviving or continuing policyholders contingent upon the lapse or termination of the policies of other policyholders, whether by death or otherwise;

(6) Any policy containing or referring to 1 or more of the following provisions or statements:

a. Investment returns or profit-sharing, other than as a participation in the divisible surplus of the insurer under a regular participation provision as provided for in § 2910 of this title;

b. Special treatment in the determination of any dividend that may be paid as to such policy;

c. Reference to premiums as “deposits;”

d. Relating policyholder interest or returns to those of stockholders;

e. That the policyholder as a member of a select group will be entitled to extra benefits or extra dividends not available to policyholders generally.

(b) This section shall not be deemed to prohibit the provision, payment, allowance or apportionment of regular annual dividends or “savings” under regular participating forms of policies or contracts.

(18 Del. C. 1953, § 2934; 56 Del. Laws, c. 380, § 1.)

§ 2934. Registered policies, bonds; deposit.

Any domestic life insurer shall deposit with the Commissioner securities of the kind required and authorized by law for the investment of life insurance funds, for the common benefit of the holders of its “registered” policies and bonds heretofore issued, which deposit shall be held by him or her and his or her successors in office, in trust for the purposes and objects specified therein.

(18 Del. C. 1953, § 2935; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2935. Registered policies, bonds — Identification.

All such registered policies or bonds of each kind and class issued shall have imprinted thereon some appropriate designating letter, combination of letters or terms identifying the special forms of contract, and whenever any change or modification is made in the forms of contracts, policy or bond, the designating letters or terms thereon shall be correspondingly changed.

(18 Del. C. 1953, § 2936; 56 Del. Laws, c. 380, § 1.)

§ 2936. Registered policies, bonds — Records of Commissioner; valuation.

(a) The Commissioner shall prepare and keep such records of all “registered” policies and bonds as will enable him or her to ascertain the reserve required thereon at any time according to the method and basis of valuation prescribed in §§ 1111-1113 of this title. Upon sufficient proof, attested by the president or vice-president and secretary of an insurer which has issued such “registered” policies or bonds, that any of them have been commuted or terminated, the Commissioner shall commute or cancel them upon his or her records.

(b) On December 31 in every year, or within 60 days thereafter, the Commissioner shall cause the registered policies and bonds in force in each insurer to be carefully valued and the net reserve thereon ascertained according to the method and basis of valuation prescribed in §§ 1111-1113 of this title, and he or she shall thereupon furnish a certificate of the aggregate amount of such reserve to the respective insurers. The Commissioner may employ a competent actuary to make such computation, who shall be paid by the insurer for which the services are rendered, or the Commissioner may accept the computations of any of the insurers upon such proof as he or she may determine.

(18 Del. C. 1953, § 2937; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2937. Registered policies, bonds — Additional deposits.

Each insurer which shall have registered policies or bonds outstanding shall make additional deposits from time to time, as the Commissioner may prescribe, in amounts of not less than \$5,000, and of such securities as domestic life insurers are authorized by law to invest in, so that the market or amortized value of the securities on deposit shall always at least equal the net reserve required by the method and basis of valuation prescribed in §§ 1111-1113 of this title, on all the registered policies and bonds in force in the insurer.

(18 Del. C. 1953, § 2938; 56 Del. Laws, c. 380, § 1.)

§ 2938. Registered policies, bonds — Deficient deposit.

The Commissioner shall keep a careful record of the securities deposited by each insurer, and when furnishing the annual certificates of value, he or she shall enter thereon the amount and value of the securities deposited by such insurer. If at any time it appears from such

certificates or otherwise that the value of securities held on deposit is less than the reserve required by the method and basis of valuation prescribed in §§ 1111-1113 of this title on all the registered policies and bonds in force in such insurer, the insurer shall have made good the deficit. If the insurer fails to make good such deficit for 60 days it shall be deemed insolvent and shall be proceeded against in the manner provided by Chapter 59 (Rehabilitation and Liquidation) of this title.

(18 Del. C. 1953, § 2939; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2939. Registered policies, bonds — Effect of insolvency.

In case an insurer having securities on deposit as to such registered policies or bonds shall be adjudged insolvent or be dissolved, the proper court shall make and enforce the necessary orders to place said securities, or any part of them, at the sole disposal of the Commissioner.

(18 Del. C. 1953, § 2940; 56 Del. Laws, c. 380, § 1.)

§ 2940. Registered policies, bonds — Applicability of general deposit provisions.

The applicable provisions of Chapter 15 (Administration of Deposits) of this title shall apply as to all deposits relating to such registered policies and bonds, where not inconsistent with the express provisions of §§ 2934-2939 of this title.

(18 Del. C. 1953, § 2941; 56 Del. Laws, c. 380, § 1.)

§ 2941. Notification and reasons for cancellation [For application of this section, see 79 Del. Laws, c. 390, § 8].

A notice of cancellation of life insurance coverage by an insurer due to nonpayment of premiums shall be in writing, shall be delivered to the named policyholder or mailed to the named policyholder at the last known address of the named policyholder, shall state the effective date of the cancellation and shall be accompanied by a written explanation of the specific reasons for the cancellation. Proof of mailing of such cancellation notice shall be retained by the insurer for a period of not less than 1 year.

(79 Del. Laws, c. 390, § 1.)

- (14) “State” means any state, district, or territory of the United States of America.
- (15) “Third-party filer” means an entity that submits a product filing to the Commission on behalf of an insurer.

(16) “Uniform standard” means a standard adopted by the Commission for a product line, pursuant to § 3008 of this title, and shall include all of the product requirements in aggregate; provided, that each uniform standard shall be construed, whether express or implied, to prohibit the use of any inconsistent, misleading, or ambiguous provision in a product, and the form of the product made available to the public shall not be unfair, inequitable, or against public policy as determined by the Commission.

(83 Del. Laws, c. 103, § 1.)

§ 3004. Establishment of the Commission and venue.

(a) The compacting states hereby create and establish a joint public agency known as the “Interstate Insurance Product Regulation Commission.” Pursuant to § 3005 of this title, the Commission will have the power to develop uniform standards for product lines, receive and provide prompt review of products filed therewith, and give approval to those product filings satisfying applicable uniform standards; provided, it is not intended for the Commission to be the exclusive entity for receipt and review of insurance product filings. Nothing herein shall prohibit any insurer from filing its product in any state wherein the insurer is licensed to conduct the business of insurance, and any such filing shall be subject to the laws of the state where filed.

(b) The Commission is a body corporate and politic, and an instrumentality of the compacting states.

(c) The Commission is solely responsible for its liabilities except as otherwise specifically provided in this Compact.

(d) Venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located.

(83 Del. Laws, c. 103, § 1.)

§ 3005. Powers of the Commission.

The Commission shall have all of the following powers:

(1) To promulgate rules, pursuant to § 3008 of this title, which shall have the force and effect of law and shall be binding in the compacting states to the extent and in the manner provided in this Compact.

(2) To exercise its rule-making authority and establish reasonable uniform standards for products covered under the Compact, and advertisements related thereto, which shall have the force and effect of law and shall be binding in the compacting states, but only for those products filed with the Commission; provided, that a compacting state shall have the right to opt out of such uniform standard pursuant to § 3008 of this title, to the extent and in the manner provided in this Compact and, provided further, that any uniform standard established by the Commission for long-term care insurance products may provide the same or greater protections for consumers as, but shall not provide less than, those protections set forth in the NAIC’s Long-Term Care Insurance Model Act and Long-Term Care Insurance Model Regulation, respectively, adopted in 2001. The Commission shall consider whether any subsequent amendments to the NAIC’s Long-Term Care Insurance Model Act or Long-Term Care Insurance Model Regulation adopted by the NAIC require amending of the uniform standards established by the Commission for long-term care products.

(3) To receive and review in an expeditious manner products filed with the Commission, and rate filings for disability income and long-term care insurance products, and give approval of those products and rate filings that satisfy the applicable uniform standard, where such approval shall have the force and effect of law and be binding on the compacting states to the extent and in the manner provided in the Compact.

(4) To receive and review in an expeditious manner advertisements related to long-term care insurance products for which uniform standards have been adopted by the Commission, and give approval to all advertisements that satisfy the applicable uniform standard. For any product covered under this Compact, other than long-term care insurance products, the Commission shall have the authority to require an insurer to submit all or any part of its advertisements with respect to that product for review or approval prior to use, if the Commission determines that the nature of the product is such that an advertisement of the product could have the capacity or tendency to mislead the public. The actions of the Commission as provided in this section shall have the force and effect of law and shall be binding in the compacting states to the extent and in the manner provided in the Compact.

(5) To exercise its rule-making authority and designate products and advertisements that may be subject to a self-certification process without the need for prior approval by the Commission.

(6) To promulgate operating procedures, pursuant to § 3008 of this title, which shall be binding in the compacting states to the extent and in the manner provided in this Compact.

(7) To bring and prosecute legal proceedings or actions in its name as the Commission; provided that the standing of any state insurance department to sue or be sued under applicable law shall not be affected.

(8) To issue subpoenas requiring the attendance and testimony of witnesses and the production of evidence.

(9) To establish and maintain offices.

(10) To purchase and maintain insurance and bonds.

(11) To borrow, accept, or contract for services of personnel, including employees of a compacting state.

(12) To hire employees, professionals, or specialists, and elect or appoint officers, and to fix their compensation, define their duties, and give them appropriate authority to carry out the purposes of the Compact, and determine their qualifications, and to establish the Commission’s personnel policies and programs relating to, among other things, conflicts of interest, rates of compensation, and qualifications of personnel.

(13) To accept any and all appropriate donations and grants of money, equipment, supplies, materials, and services, and to receive, utilize, and dispose of the same; provided that at all times the Commission shall strive to avoid any appearance of impropriety.

(14) To lease, purchase, accept appropriate gifts or donations of, or otherwise to own, hold, improve, or use, any property, real, personal, or mixed; provided that at all times the Commission shall strive to avoid any appearance of impropriety.

(15) To sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property, real, personal, or mixed.

(16) To remit filing fees to compacting states as may be set forth in the bylaws, rules, or operating procedures.

(17) To enforce compliance by compacting states with rules, uniform standards, operating procedures and bylaws.

(18) To provide for dispute resolution among compacting states.

(19) To advise compacting states on issues relating to insurers domiciled or doing business in non-compacting jurisdictions, consistent with the purposes of this Compact.

(20) To provide advice and training to those personnel in state insurance departments responsible for product review, and to be a resource for state insurance departments.

(21) To establish a budget and make expenditures.

(22) To borrow money.

(23) To appoint committees, including advisory committees comprising members, state insurance regulators, state legislators or their representatives, insurance industry and consumer representatives, and such other interested persons as may be designated in the bylaws.

(24) To provide and receive information from, and to cooperate with law enforcement agencies.

(25) To adopt and use a corporate seal.

(26) To perform such other functions as may be necessary or appropriate to achieve the purposes of this Compact consistent with the state regulation of the business of insurance.

(83 Del. Laws, c. 103, § 1.)

§ 3006. Organization of the Commission.

(a) *Membership, voting and bylaws.* — (1) Each compacting state shall have and be limited to 1 member. Each member shall be qualified to serve in that capacity pursuant to applicable law of the compacting state. Any member may be removed or suspended from office as provided by the law of the state from which he or she shall be appointed. Any vacancy occurring in the Commission shall be filled in accordance with the laws of the compacting state wherein the vacancy exists. Nothing herein shall be construed to affect the manner in which a compacting state determines the election or appointment and qualification of its own Commissioner.

(2) Each member shall be entitled to 1 vote and shall have an opportunity to participate in the governance of the Commission in accordance with the bylaws. Notwithstanding any provision herein to the contrary, no action of the Commission with respect to the promulgation of a uniform standard shall be effective unless $2/3$ of the members vote in favor thereof.

(3) The Commission shall, by a majority of the members, prescribe bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes, and exercise the powers, of the Compact, including all of the following:

a. Establishing the fiscal year of the Compact.

b. Providing reasonable procedures for appointing and electing members, as well as holding meetings, of the management committee.

c. Providing reasonable standards and procedures for all of the following:

1. The establishment and meetings of other committees.

2. The governance of any general or specific delegation of any authority or function of the Commission.

d. Providing reasonable procedures for calling and conducting meetings of the Commission that consist of a majority of Commission members, ensuring reasonable advance notice of each such meeting and providing for the right of citizens to attend each such meeting with enumerated exceptions designed to protect the public's interest, the privacy of individuals, and insurers' proprietary information, including trade secrets. The Commission may meet in camera only after a majority of the entire membership votes en toto or in part. As soon as practicable, the Commission must make public a copy of the vote to close the meeting, revealing the vote of each member with no proxy votes allowed, and the votes taken during such meeting.

e. Establishing the titles, duties, and authority and reasonable procedures for the election of the officers of the Commission.

f. Providing reasonable standards and procedures for the establishment of the personnel policies and programs of the Commission. Notwithstanding any civil service or other similar laws of any compacting state, the bylaws shall exclusively govern the personnel policies and programs of the Commission.

g. Promulgating a code of ethics to address permissible and prohibited activities of commission members and employees.

h. Providing a mechanism for winding up the operations of the Commission and the equitable disposition of any surplus funds that may exist after the termination of the Compact after the payment or reserving of all of its debts and obligations.

(4) The Commission shall publish its bylaws in a convenient form and file a copy thereof and a copy of any amendment thereto, with the appropriate agency or officer in each of the compacting states.

(b) *Management committee, officers and personnel.* — (1) A management committee comprising no more than 14 members shall be established as follows:

a. One member from each of the 6 compacting states with the largest premium volume for individual and group annuities, life,

disability income, and long-term care insurance products, determined from the records of the NAIC for the prior year;

b. Four members from those compacting states with at least 2% of the market based on the premium volume described in paragraph (b)(1)a. of this section, other than the 6 compacting states with the largest premium volume, selected on a rotating basis as provided in the bylaws; and

c. Four members from those compacting states with less than 2% of the market, based on the premium volume described in paragraph (b)(1)a. of this section, with 1 selected from each of the 4 zone regions of the NAIC as provided in the bylaws.

(2) The management committee shall have such authority and duties as may be set forth in the bylaws, including all of the following:

a. Managing the affairs of the Commission in a manner consistent with the bylaws and purposes of the Commission.

b. Establishing and overseeing an organizational structure within, and appropriate procedures for, the Commission to provide for the creation of uniform standards and other rules, receipt and review of product filings, administrative and technical support functions, review of decisions regarding the disapproval of a product filing, and the review of elections made by a compacting state to opt out of a uniform standard; provided that a uniform standard shall not be submitted to the compacting states for adoption unless approved by 2/3 of the members of the management committee.

c. Overseeing the offices of the Commission.

d. Planning, implementing, and coordinating communications and activities with other state, federal, and local government organizations in order to advance the goals of the Commission.

(3) The Commission shall elect annually officers from the management committee, with each having such authority and duties, as may be specified in the bylaws.

(4) The management committee may, subject to the approval of the Commission, appoint or retain an executive director for such period, upon such terms and conditions and for such compensation as the Commission may deem appropriate. The executive director shall serve as secretary to the Commission, but shall not be a member of the Commission. The executive director shall hire and supervise such other staff as may be authorized by the Commission.

(c) *Legislative and advisory committees.* — (1) A legislative committee comprising state legislators or their designees shall be established to monitor the operations of, and make recommendations to, the Commission, including the management committee; provided that the manner of selection and term of any legislative committee member shall be as set forth in the bylaws. Prior to the adoption by the Commission of any uniform standard, revision to the bylaws, annual budget, or other significant matter as may be provided in the bylaws, the management committee shall consult with and report to the legislative committee.

(2) The Commission shall establish 2 advisory committees, 1 of which shall comprise consumer representatives independent of the insurance industry, and the other comprising insurance industry representatives.

(3) The Commission may establish additional advisory committees as its bylaws may provide for the carrying out of its functions.

(d) *Corporate records of the Commission.* — The Commission shall maintain its corporate books and records in accordance with the bylaws.

(e) *Qualified immunity, defense and indemnification.* — (1) The members, officers, executive director, employees, and representatives of the Commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities; provided that nothing in this paragraph (e)(1) shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of that person.

(2) The Commission shall defend any member, officer, executive director, employee, or representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of Commission employment, duties or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; provided, further, that the actual or alleged act, error or omission did not result from that person's intentional or willful and wanton misconduct.

(3) The Commission shall indemnify and hold harmless any member, officer, executive director, employee or representative of the Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of Commission employment, duties or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities; provided that the actual or alleged act, error or omission did not result from the intentional or willful and wanton misconduct of that person.

(83 Del. Laws, c. 103, § 1; 70 Del. Laws, c. 186, § 1.)

§ 3007. Meetings and acts of the Commission.

(a) The Commission shall meet and take such actions as are consistent with the provision of this Compact and the bylaws.

(b) Each member of the Commission shall have the right and power to cast a vote to which that compacting state is entitled and to participate in the business and affairs of the Commission. A member shall vote in person or by such other means as provided in the bylaws. The bylaws may provide for members' participation in meetings by telephone or other means of communication.

(c) The Commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the bylaws.

(83 Del. Laws, c. 103, § 1.)

§ 3008. Rules and operating procedures: rulemaking functions of the Commission and opting out of uniform standards.

(a) *Rulemaking authority.* — The Commission shall promulgate reasonable rules, including uniform standards, and operating procedures in order to effectively and efficiently achieve the purposes of this Compact. Notwithstanding the foregoing, in the event the Commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this chapter, or the powers granted hereunder, then such an action by the Commission shall be invalid and have no force and effect.

(b) *Rulemaking procedure.* — Rules and operating procedures shall be made pursuant to a rulemaking process that conforms to the Model State Administrative Procedure Act of 1981 [15 Uniform Laws Annotated p. 1 et seq.] as amended, as may be appropriate to the operations of the Commission. Before the Commission adopts a uniform standard, the Commission shall give written notice to the relevant state legislative committee(s) in each compacting state responsible for insurance issues of its intention to adopt the uniform standard. The Commission in adopting a uniform standard shall consider fully all submitted materials and issue a concise explanation of its decision.

(c) *Effective date and opt out of a uniform standard.* — A uniform standard shall become effective 90 days after its promulgation by the Commission or such later date as the Commission may determine; provided, however, that a compacting state may opt out of a uniform standard as provided in this section. “Opt out” shall be defined as any action by a compacting state to decline to adopt or participate in a promulgated uniform standard. All other rules and operating procedures, and amendments thereto, shall become effective as of the date specified in each rule, operating procedure or amendment.

(d) *Opt out procedure.* — (1) A compacting state may opt out of a uniform standard, either by legislation or regulation duly promulgated by the Insurance Department under the compacting state’s Administrative Procedure Act [Chapter 101 of Title 29]. If a compacting state elects to opt out of a uniform standard by regulation, it must give written notice to the Commission no later than 10 business days after the uniform standard is promulgated, or at the time the state becomes a compacting state, and find that the uniform standard does not provide reasonable protections to the citizens of the state, given the conditions in the state. The Commissioner shall make specific findings of fact and conclusions of law, based on a preponderance of the evidence, detailing the conditions in the state which warrant a departure from the uniform standard and determining that the uniform standard would not reasonably protect the citizens of the state. The Commissioner must consider and balance the following factors and find that the conditions in the state and needs of the citizens of the state outweigh: (i) the intent of the legislature to participate in, and the benefits of, an interstate agreement to establish national uniform consumer protections for the products subject to this chapter; and (ii) the presumption that a uniform standard adopted by the Commission provides reasonable protections to consumers of the relevant product.

(2) Notwithstanding paragraph (d)(1) of this section, a compacting state may, at the time of its enactment of this Compact, prospectively opt out of all uniform standards involving long-term care insurance products by expressly providing for such opt out in the enacted Compact, and such an opt out shall not be treated as a material variance in the offer or acceptance of any state to participate in this Compact. Such an opt out shall be effective at the time of enactment of this Compact by the compacting state and shall apply to all existing uniform standards involving long-term care insurance products and those subsequently promulgated. In accordance with this paragraph (d)(2), the State of Delaware opts out of all existing and prospective uniform standards involving long-term care insurance products in order to preserve Delaware’s statutory requirements governing these insurance products.

(e) *Effect of opt out.* — If a compacting state elects to opt out of a uniform standard, the uniform standard shall remain applicable in the compacting state electing to opt out until such time the opt out legislation is enacted into law or the regulation opting out becomes effective. Once the opt out of a uniform standard by a compacting state becomes effective as provided under the laws of that state, the uniform standard shall have no further force and effect in that state unless and until the legislation or regulation implementing the opt out is repealed or otherwise becomes ineffective under the laws of the state. If a compacting state opts out of a uniform standard after the uniform standard has been made effective in that state, the opt out shall have the same prospective effect as provided under § 3015 of this title for withdrawals.

(f) *Stay of uniform standard.* — If a compacting state has formally initiated the process of opting out of a uniform standard by regulation, and while the regulatory opt out is pending, the compacting state may petition the Commission, at least 15 days before the effective date of the uniform standard, to stay the effectiveness of the uniform standard in that state. The Commission may grant a stay if it determines the regulatory opt out is being pursued in a reasonable manner and there is a likelihood of success. If a stay is granted or extended by the Commission, the stay or extension thereof may postpone the effective date by up to 90 days, unless affirmatively extended by the Commission; provided, a stay may not be permitted to remain in effect for more than 1 year unless the compacting state can show extraordinary circumstances which warrant a continuance of the stay, including the existence of a legal challenge which prevents the compacting state from opting out. A stay may be terminated by the Commission upon notice that the rulemaking process has been terminated.

(g) Not later than 30 days after a rule or operating procedure is promulgated, any person may file a petition for judicial review of the rule or operating procedure; provided, that the filing of such a petition shall not stay or otherwise prevent the rule or operating procedure from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. The court shall give deference to the actions of the Commission consistent with applicable law and shall not find the rule or operating procedure to be unlawful if the rule or operating procedure represents a reasonable exercise of the Commission’s authority.

(83 Del. Laws, c. 103, § 1.)

§ 3009. Commission records and enforcement.

(a) The Commission shall promulgate rules establishing conditions and procedures for public inspection and copying of its information and official records, except such information and records involving the privacy of individuals' and insurers' trade secrets. The Commission may promulgate additional rules under which it may make available to federal and state agencies, including law enforcement agencies, records and information otherwise exempt from disclosure, and may enter into agreements with such agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

(b) Except as to privileged records, data and information, the laws of any compacting state pertaining to confidentiality or nondisclosure shall not relieve any compacting state's commissioner of the duty to disclose any relevant records, data or information to the Commission; provided, that disclosure to the Commission shall not be deemed to waive or otherwise affect any confidentiality requirement; and further provided, that, except as otherwise expressly provided in this chapter, the Commission shall not be subject to the compacting state's laws pertaining to confidentiality and nondisclosure with respect to records, data and information in its possession. Confidential information of the Commission shall remain confidential after such information is provided to any commissioner.

(c) The Commission shall monitor compacting states for compliance with duly adopted bylaws, rules, including uniform standards, and operating procedures. The Commission shall notify any non-complying compacting state in writing of its noncompliance with Commission bylaws, rules or operating procedures. If a non-complying compacting state fails to remedy its noncompliance within the time specified in the notice of noncompliance, the compacting state shall be deemed to be in default as set forth in § 3015 of this title.

(d) The commissioner in any state in which an insurer is authorized to do business, or is conducting the business of insurance, shall continue to exercise his or her authority to oversee the market regulation of the activities of the insurer in accordance with the provision of the state's law. The commissioner's enforcement of compliance with the Compact is governed by all of the following provisions:

(1) With respect to the commissioner's market regulation of a product or advertisement that is approved or certified to the Commission, the content of the product or advertisement shall not constitute a violation of the provisions, standards, or requirements of the Compact except upon a final order of the Commission, issued at the request of a commissioner after prior notice to the insurer and an opportunity for hearing before the Commission.

(2) Before a commissioner may bring an action for violation of any provision, standard, or requirement of the Compact relating to the content of an advertisement not approved or certified to the Commission, the Commission, or an authorized Commission officer or employee, must authorize the action. However, authorization pursuant to this paragraph (d)(2) does not require notice to the insurer, opportunity for hearing or disclosure of requests for authorization or records of the Commission's action on such requests.

(83 Del. Laws, c. 103, § 1.)

§ 3010. Dispute resolution.

The Commission shall attempt, upon the request of a member, to resolve any disputes or other issues that are subject to this Compact and which may arise between 2 or more compacting states, or between compacting states and non-compacting states, and the Commission shall promulgate an operating procedure providing for resolution of such disputes.

(83 Del. Laws, c. 103, § 1.)

§ 3011. Product filing and approval.

(a) Insurers and third-party filers seeking to have a product approved by the Commission shall file the product with, and pay applicable filing fees to, the Commission. Nothing in this chapter shall be construed to restrict or otherwise prevent an insurer from filing its product with the insurance department in any state wherein the insurer is licensed to conduct the business of insurance, and such filing shall be subject to the laws of the states where filed.

(b) The Commission shall establish appropriate filing and review processes and procedures pursuant to Commission rules and operating procedures. Notwithstanding any provision herein to the contrary, the Commission shall promulgate rules to establish conditions and procedures under which the Commission will provide public access to product filing information. In establishing such rules, the Commission shall consider the interests of the public in having access to such information, as well as protection of personal medical and financial information and trade secrets, that may be contained in a product filing or supporting information.

(c) Any product approved by the Commission may be sold or otherwise issued in those compacting states for which the insurer is legally authorized to do business.

(83 Del. Laws, c. 103, § 1.)

§ 3012. Review of Commission decisions regarding filings.

(a) Not later than 30 days after the Commission has given notice of a disapproved product or advertisement filed with the Commission, the insurer or third-party filer whose filing was disapproved may appeal the determination to a review panel appointed by the Commission. The Commission shall promulgate rules to establish procedures for appointing such review panels and provide for notice and hearing. An allegation that the Commission, in disapproving a product or advertisement filed with the Commission, acted arbitrarily, capriciously, or in a manner that is an abuse of discretion or otherwise not in accordance with the law, is subject to judicial review in accordance with § 3004(d) of this title.

(b) The Commission shall have authority to monitor, review and reconsider products and advertisement subsequent to their filing or approval upon a finding that the product does not meet the relevant uniform standard. Where appropriate, the Commission may withdraw or modify its approval after proper notice and hearing, subject to the appeal process in subsection (a) of this section.

(83 Del. Laws, c. 103, § 1.)

§ 3013. Finance.

(a) The Commission shall pay or provide for the payment of the reasonable expenses of its establishment and organization. To fund the cost of its initial operations, the Commission may accept contributions and other forms of funding from the NAIC, compacting states and other sources. Contributions and other forms of funding from other sources shall be of such a nature that the independence of the Commission concerning the performance of its duties shall not be compromised.

(b) The Commission shall collect a filing fee from each insurer and third-party filer filing a product with the Commission to cover the cost of the operations and activities of the Commission and its staff in a total amount sufficient to cover the Commission's annual budget.

(c) The Commission's budget for a fiscal year shall not be approved until it has been subject to notice and comment as set forth in § 3008 of this title.

(d) The Commission shall be exempt from all taxation in and by the compacting states.

(e) The Commission shall not pledge the credit of any compacting state, except by and with the appropriate legal authority of that compacting state.

(f) The Commission shall keep complete and accurate accounts of all its internal receipts, including grants and donations, and disbursements of all funds under its control. The internal financial accounts of the Commission shall be subject to the accounting procedures established under its bylaws. The financial accounts and reports including the system of internal controls and procedures of the Commission shall be audited annually by an independent certified public accountant. Upon the determination of the Commission, but no less frequently than every 3 years, the review of the independent auditor shall include a management and performance audit of the Commission. The Commission shall make an annual report to the Governor and legislature of the compacting states, which shall include a report of the independent audit. The Commission's internal accounts shall not be confidential and such materials may be shared with the commissioner of any compacting state upon request; provided, however, that any work papers related to any internal or independent audit and any information regarding the privacy of individuals' and insurers' proprietary information, including trade secrets, shall remain confidential.

(g) No compacting state shall have any claim to or ownership of any property held by or vested in the Commission or to any Commission funds held pursuant to the provisions of this Compact.

(83 Del. Laws, c. 103, § 1.)

§ 3014. Compacting states, effective date and amendment.

(a) Any state is eligible to become a compacting state.

(b) The Compact shall become effective and binding upon legislative enactment of the Compact into law by 2 compacting states; provided, the Commission shall become effective for purposes of adopting uniform standards for, reviewing, and giving approval or disapproval of, products filed with the Commission that satisfy applicable uniform standards only after 26 states are compacting states or, alternatively, by states representing greater than 40% of the premium volume for life insurance, annuity, disability income and long-term care insurance products, based on records of the NAIC for the prior year. Thereafter, it shall become effective and binding as to any other compacting state upon enactment of the Compact into law by that state.

(c) Amendments to the Compact may be proposed by the Commission for enactment by the compacting states. No amendment shall become effective and binding upon the Commission and the compacting states unless and until all compacting states enact the amendment into law.

(83 Del. Laws, c. 103, § 1.)

§ 3015. Withdrawal, default and termination.

(a) *Withdrawal.* — (1) Once effective, the Compact shall continue in force and remain binding upon each and every compacting state; provided, that a compacting state may withdraw from the Compact by enacting a statute specifically repealing the statute which enacted the Compact into law.

(2) The effective date of withdrawal is the effective date of the repealing statute; however, the withdrawal shall not apply to any product filings approved or self-certified, or any advertisement of such products, on the date the repealing statute becomes effective, except by mutual agreement of the Commission and the withdrawing state unless the approval is rescinded by the withdrawing state as provided in paragraph (a)(5) of this section.

(3) The commissioner of the withdrawing state shall immediately notify the management committee in writing upon the introduction of legislation repealing this Compact in the withdrawing state.

(4) The Commission shall notify the other compacting states of the introduction of such legislation within 10 days after its receipt of notice thereof.

(5) The withdrawing state is responsible for all obligations, duties and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal, except to the extent those

obligations may have been released or relinquished by mutual agreement of the Commission and the withdrawing state. The Commission's approval of products and advertisements prior to the effective date of withdrawal shall continue to be effective and be given full force and effect in the withdrawing state, unless formally rescinded by the withdrawing state in the same manner as provided by the laws of the withdrawing state for the prospective disapproval of products or advertisements previously approved under state law.

(6) Reinstatement following withdrawal of any compacting state shall occur upon the effective date of the withdrawing state reenacting the Compact.

(b) *Default.* — (1) If the Commission determines that any compacting state has at any time defaulted in the performance of any of its obligations or responsibilities under this Compact, the bylaws or duly promulgated rules or operating procedures, then, after notice and hearing as set forth in the bylaws, all rights, privileges and benefits conferred by this Compact on the defaulting state shall be suspended from the effective date of default as fixed by the Commission. The grounds for default include, but are not limited to, failure of a compacting state to perform its obligations or responsibilities, and any other grounds designated in Commission rules. The Commission shall immediately notify the defaulting state in writing of the defaulting state's suspension pending a cure of the default. The Commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the Commission, the defaulting state shall be terminated from the Compact and all rights, privileges and benefits conferred by this Compact shall be terminated from the effective date of termination.

(2) Product approvals by the Commission or product self-certifications, or any advertisement in connection with such product, that are in force on the effective date of termination shall remain in force in the defaulting state in the same manner as if the defaulting state had withdrawn voluntarily pursuant to subsection (a) of this section.

(3) Reinstatement following termination of any compacting state requires a reenactment of the Compact.

(c) *Dissolution of Compact.* — (1) The Compact dissolves effective upon the date of the withdrawal or default of the compacting state which reduces membership in the Compact to 1 compacting state.

(2) Upon dissolution of this Compact, the Compact becomes null and void and shall be of no further force or effect, and the business and affairs of the Commission shall be wound up and any surplus funds shall be distributed in accordance with the bylaws.

(83 Del. Laws, c. 103, § 1.)

§ 3016. Severability and construction.

(a) The provisions of this Compact shall be severable, and if any phrase, clause, sentence, or provision is deemed unenforceable, the remaining provisions of the Compact shall be enforceable.

(b) The provisions of this Compact shall be liberally construed to effectuate its purposes.

(83 Del. Laws, c. 103, § 1.)

§ 3017. Binding effect of Compact and other laws.

(a) *Other laws.* — (1) Nothing herein prevents the enforcement of any other law of a compacting state, except as provided in paragraph (a)(2) of this section.

Funds derived from such dividends shall be invested by the State Treasurer in accordance with guidelines established by the Cash Management Policy Board, with all income from such investments reverting to the Group Life Insurance Fund. § 3211. Validity of contracts.

This chapter shall not be construed to impair the validity of any contractive group life insurance plan for employees of the State which shall be in effect on July 9, 1971, but nothing herein contained shall permit duplicate coverage in any instance where the State would be a contributor to more than 1 plan.

No policy of health insurance shall be delivered or issued for delivery to any person in this State unless it otherwise complies with this title and complies with the following:

- (1) The entire money and other considerations therefor shall be expressed therein;
- (2) The time when the insurance takes effect and terminates shall be expressed therein;

- (8) The policy shall contain no provision or nondisclosure clause prohibiting physicians or other health-care providers from giving patients information regarding diagnoses, prognoses and treatment options.

(18 Del. C. 1953, § 3303; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 537, § 1; 70 Del. Laws, c. 186, § 1; 79 Del. Laws, c. 99, § 1; 80 Del. Laws, c. 310, § 1.)

(a) Except as provided in subsection (b) of this section below, each such policy delivered or issued for delivery to any person in this State shall contain the provisions specified in §§ 3305-3316, inclusive, of this title, in the words in which the same appear; except, that the insurer may, at its option, substitute for 1 or more of such provisions corresponding provisions of different wording approved by the Commissioner which are in each instance not less favorable in any respect to the insured or the beneficiary. Each such provision shall be preceded individually by the applicable caption shown, or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the Commissioner may approve.

(b) If any such provision is in whole or in part inapplicable to or inconsistent with the coverage provided by a particular form of policy, the insurer, with the approval of the Commissioner, shall omit from such policy any inapplicable provision or part of a provision and shall modify any inconsistent provision or part of a provision in such manner as to make the provision as contained in the policy consistent with the coverage provided by the policy.

(18 Del. C. 1953, § 3304; 56 Del. Laws, c. 380, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3305. Entire contract; changes.

There shall be a provision as follows:

“Entire Contract; Changes: This policy, including the endorsements and the attached papers, if any, constitutes the entire contract of insurance. No change in this policy shall be valid until approved by an executive officer of the company and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions.”

(18 Del. C. 1953, § 3305; 56 Del. Laws, c. 380, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3306. Time limit on certain defenses.

(a) There shall be a provision as follows: “Time Limit on Certain Defenses:

(1) After 2 years from the date of issue of this policy, no misstatements, except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or deny a claim for loss incurred as disability (as defined in the policy) commencing after the expiration of such 2-year period.

(2) No claim for loss incurred as disability (as defined in the policy) commencing 2 years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.”

(b) The policy provision required by paragraph (a)(1) of this section above shall not be so construed as to affect any legal avoidance of a policy or denial of a claim during such initial 2-year period, nor to limit the application of §§ 3318-3320 of this title in the event of misstatement with respect to age or occupation or other insurance.

(c) A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (1) until at least age 50, or (2) in the case of a policy issued after age 44, for at least 5 years from its date of issue, may contain in lieu of the foregoing the following provision (from which the clause in parentheses may be omitted at the insurer’s option) under the caption “Incontestable”:

“After this policy has been in force for a period of 2 years during the lifetime of the insured (excluding any period during which the insured is disabled), it shall become incontestable as to any statements, other than fraudulent statements, contained in the application.”

(18 Del. C. 1953, § 3306; 56 Del. Laws, c. 380, § 1; 64 Del. Laws, c. 142, § 2; 80 Del. Laws, c. 310, § 1.)

§ 3307. Grace period.

There shall be a provision as follows:

“A grace period of . . . (insert a number not less than “7” for weekly premium policies, “10” for monthly premium policies and “31” for all other policies) days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force.”

A policy in which the insurer reserves the right to refuse any renewal shall have, at the beginning of the above provision:

“Unless not less than five days prior to the premium due date the company has delivered to the insured or has mailed to his/her last address as shown by the records of the company written notice of its intention not to renew this policy beyond the period for which the premium has been accepted.”

(18 Del. C. 1953, § 3307; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3308. Reinstatement.

(a) There shall be a provision as follows:

“Reinstatement: If any renewal premium be not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by any agent duly authorized by the company to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the policy, provided, however, that if the company or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy will be reinstated upon approval of such application by the company or, lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless the company has previously notified the insured in writing of its disapproval of such application. The reinstated policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten days after such date. In all other respects the insured and company shall have the same rights thereunder as they had under

the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed herein or attached hereto in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than sixty days prior to the date of reinstatement.”

(b) The last sentence of the above provision may be omitted from any policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums:

- (1) Until at least age 50; or
- (2) In the case of a policy issued after age 44, for at least 5 years from its date of issue.

(18 Del. C. 1953, § 3308; 56 Del. Laws, c. 380, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3309. Notice of claim.

(a) There shall be a provision as follows:

“Notice of Claim: Written notice of claim must be given to the company within twenty days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to the company at (insert the location of such office as the company may designate for the purpose), or to any authorized agent of the company, with information sufficient to identify the insured, shall be deemed notice to the company.”

(b) In a policy providing a loss-of-time benefit which may be payable for at least 2 years, an insurer may at its option insert the following between the first and second sentences of the above provision:

“Subject to the qualifications set forth below, if the insured suffers loss of time on account of disability for which indemnity may be payable for at least two years, he/she shall, at least once in every six months after having given notice of the claim, give to the company notice of continuance of the disability, except in the event of legal incapacity. The period of six months following any filing of proof by the insured or any payment by the company on account of such claim or any denial of liability in whole or in part by the company shall be excluded in applying this provision. Delay in the giving of such notice shall not impair the insured’s right to any indemnity which would otherwise have accrued during the period of six months preceding the date on which such notice is actually given.”

(18 Del. C. 1953, § 3309; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3310. Claim.

There shall be a provision as follows:

“Claim Forms: The company, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within fifteen days after the giving of such notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The nonhospital claim form to be used under this provision is the Health Care Financing Administration Form-1500 or its successor. This form requirement shall not apply to medical payments made by the federal government, prescription drug claims, dental claims or claims using an electronic paperless submission process.”

(18 Del. C. 1953, § 3310; 56 Del. Laws, c. 380, § 1; 68 Del. Laws, c. 416, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3311. Proofs of loss.

There shall be a provision as follows:

“Proofs of Loss: Written proof of loss must be furnished to the company at its said office in case of claim for loss for which this policy provides any periodic payment contingent upon continuing loss within ninety days after the termination of the period for which the company is liable and in case of claim for any other loss within ninety days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.”

(18 Del. C. 1953, § 3311; 56 Del. Laws, c. 380, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3312. Time of payment of claims.

There shall be a provision as follows:

“Time of Payment of Claims: Indemnities payable under this policy for any loss other than loss for which this policy provides any periodic payment will be paid immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnities for loss for which this policy provides periodic payment will be paid (insert period for payment which must not be less frequently than monthly) and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.”

(18 Del. C. 1953, § 3312; 56 Del. Laws, c. 380, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3313. Payment of claims.

(a) There shall be a provision as follows:

“Payment of Claims: Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions

respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the estate of the insured. Any other accrued indemnities unpaid at the insured's death may, at the option of the company, be paid either to such beneficiary or to such estate. All other indemnities will be payable to the insured."

(b) The following provisions, or either of them, may be included with the foregoing provision at the option of the insurer:

(1) "If any indemnity of this policy shall be payable to the estate of the insured, or to an insured or beneficiary who is a minor or otherwise not competent to give a valid release, the company may pay such indemnity, up to an amount not exceeding \$. (insert an amount which shall not exceed \$1,000), to any relative by blood or connection by marriage of the insured or beneficiary who is deemed by the company to be equitably entitled thereto. Any payment made by the company in good faith pursuant to this provision shall fully discharge the company to the extent of such payment."

(2) "Subject to any written direction of the insured in the application or otherwise all or a portion of any indemnities provided by this policy on account of hospital, nursing, medical or surgical services may, at the company's option and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services, but it is not required that the service be rendered by a particular hospital or person."

(c) There shall be a provision as follows in contracts issued by an insurer, health service corporation or health maintenance organization: "Payment of claims when coverage terminated during a period of hospitalization: If you are in the hospital when this policy nonrenews or terminates for any reason except nonpayment of premium, this policy shall continue coverage for that hospitalization at the same benefit level for a 10-day period from the date of termination."

(d) There shall be a provision as follows in contracts issued by an insurer, health service corporation or health maintenance organization: "If this policy immediately succeeds prior coverage, and if you are in the hospital when this coverage becomes effective, benefits for that hospitalization will start at the end of 10 consecutive days of hospitalization under this policy at the level provided by this policy notwithstanding any preexisting conditions or other similar exclusions for the duration of the single continuing period of hospitalization."

The requirements of this subsection shall not apply to specified accident, specified disease, hospital indemnity, Medicare supplement, long-term care or other limited benefit health insurance policies.

(18 Del. C. 1953, § 3313; 56 Del. Laws, c. 380, § 1; 68 Del. Laws, c. 323, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3314. Physical examination; autopsy.

There shall be a provision as follows:

"Physical Examinations and Autopsy: The company at its own expense shall have the right and opportunity to examine the person of the insured when and as often as it may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law."

(18 Del. C. 1953, § 3314; 56 Del. Laws, c. 380, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3315. Legal actions.

There shall be a provision as follows:

"Legal Actions: No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished."

(18 Del. C. 1953, § 3315; 56 Del. Laws, c. 380, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3316. Change of beneficiary.

(a) There shall be a provision as follows:

"Change of Beneficiary: Unless the insured make an irrevocable designation of beneficiary, the right to change the beneficiary is reserved to the insured and the consent of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of this policy or to any change of beneficiary or beneficiaries, or to any other changes in this policy."

(b) The first clause of this provision, relating to the irrevocable designation of beneficiary, may be omitted at the insurer's option.

(18 Del. C. 1953, § 3316; 56 Del. Laws, c. 380, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3317. Optional policy provisions.

Except as provided in § 3304 of this title, no such policy delivered or issued for delivery to any person in this State shall contain provisions respecting the matters set forth in §§ 3318-3325, inclusive, of this title unless such provisions are in the words in which the same appear in the applicable section, except that the insurer may, at its option, use in lieu of any such provision a corresponding provision of different wording approved by the Commissioner which is not less favorable in any respect to the insured or the beneficiary. Any such provision contained in the policy shall be preceded individually by the appropriate caption or at the option of the insurer, by such appropriate individual or group captions or subcaptions as the Commissioner may approve.

§ 3318. Change of occupation.

There may be a provision as follows:

“Change of Occupation: If the insured be injured or contract sickness after having changed his/her occupation to one classified by the company as more hazardous than that stated in this policy or while doing for compensation anything pertaining to an occupation so classified, the company will pay only such portion of the indemnities provided in this policy as the premium paid would have purchased at the rates and within the limits fixed by the company for such more hazardous occupation. If the insured changes his/her occupation to one classified by the company as less hazardous than that stated in this policy, the company, upon receipt of proof of such change of occupation, will reduce the premium rate accordingly and will return the excess pro rata unearned premium from the date of change of occupation or from the policy anniversary date immediately preceding receipt of such proof, whichever is the more recent. In applying this provision, the classification of occupational risk and the premium rates shall be such as have been last filed by the company prior to the occurrence of the loss for which the company is liable or prior to date of proof of change in occupation with the state official having supervision of insurance in the state where the insured resided at the time this policy was issued, but if such filing was not required, then the classification of occupational risk and the premium rates shall be those last made effective by the company in such state prior to the occurrence of the loss or prior to the date of proof of change in occupation.”

(18 Del. C. 1953, § 3318; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3319. Misstatement of age.

There may be a provision as follows:

(18 Del. C. 1953, § 3319; 56 Del. Laws, c. 380, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3320. Overinsurance; all coverages.

(a) There may be a provision as follows:

“Overinsurance: If, with respect to a person covered under this policy, benefits for allowable expense incurred during a claim determination period under this policy together with benefits for allowable expense during such period under all other valid coverage (without giving effect to this provision or to any ‘overinsurance provision’ applying to such other valid coverage), exceed the total of such person’s allowable expense during such period, this company shall be liable only for such proportionate amount of the benefits for allowable expense under this policy during such period as:

(1) The total allowable expense during such period bears to

(2) The total amount of benefits payable during such period for such expense under this policy and all other valid coverage (without giving effect to this provision or to any ‘overinsurance provision’ applying to such other valid coverage) less in both (1) and (2) any amount of benefits for allowable expense payable under other valid coverage which does not contain an ‘overinsurance provision.’ In no event shall this provision operate to increase the amount of benefits for allowable expense payable under this policy with respect to a person covered under this policy above the amount which would have been paid in the absence of this provision. This company may pay benefits to any insurer providing other valid coverage in the event of overpayment by such insurer. Any such payment shall discharge the liability of this company as fully as if the payment had been made directly to the insured, his/her assignee or his/her beneficiary. In the event that this company pays benefits to the insured, his/her assignee or his/her beneficiary, in excess of the amount which would have been payable if the existence of other valid coverage had been disclosed, this company shall have a right of action against the insured, his/her assignee or his/her beneficiary, to recover the amount which would not have been paid had there been a disclosure of the existence of the other valid coverage. The amount of other valid coverage which is on a provision of service basis shall be computed as the amount the services rendered would have cost in the absence of such coverage.

For the purposes of this provision:

(1) ‘Allowable expense’ means 110% of any necessary, reasonable and customary item of expense which is covered, in whole or in part, as a hospital, surgical, medical or major medical expense under this policy or under any other valid coverage.

(2) ‘Claim determination period’ with respect to any covered person means the initial period of . . . (insert period of not less than 30 days) and each successive period of a like number of days, during which allowable expense covered under this policy is incurred on account of such person. The first such period begins on the date when the first such expense is incurred, and successive periods shall begin when such expense is incurred after expiration of a prior period.

or, in lieu thereof:

‘Claim determination period’ with respect to any covered person means each . . . (insert calendar or policy period of not less than a month) during which allowable expense covered under this policy is incurred on account of such person.

(3) ‘Overinsurance provision’ means this provision and any other provision which may reduce an insurer’s liability because of the existence of benefits under other valid coverage.”

(b) The foregoing policy provisions may be inserted in all policies providing hospital, surgical, medical or major medical benefits. The insurer may make this provision applicable to either or both (1) other valid coverage with other insurers, and (2) other valid coverage with the same insurer. The insurer shall include in this provision a definition of “other valid coverage” approved as to form by the

Commissioner. Such term may include hospital, surgical, medical or major medical benefits provided by group, blanket or franchise coverage, individual and family-type coverage, Blue Cross-Blue Shield coverage and other prepayment plans, group practice and individual practice plans, uninsured benefits provided by labor-management trustee plans, or union welfare plans, or by employer or employee benefit organizations, benefits provided under governmental programs, workers' compensation insurance or any coverage required or provided by any other statute, and medical payments under automobile liability and personal liability policies. Other valid coverage shall not include payments made under third-party liability coverage as a result of a determination of negligence, but an insurer may at its option include a subrogation clause in its policy. The insurer may require, as part of the proof of claim, the information necessary to administer this provision.

(c) If by application of any of the foregoing provisions the insurer effects a material reduction of benefits otherwise payable under the policy, the insurer shall refund to the insured any premium unearned on the policy by reason of such reduction of coverage subject to the insurer's right to provide in the policy that no such reduction of benefits or refund will be made unless the unearned premium to be so refunded amounts to \$5.00 or such larger sum as the insurer may specify.

(18 Del. C. 1953, § 3321; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3321. Relation of earnings to insurance.

(a) There may be a provision as follows:

“After the loss-of-time benefit of this policy has been payable for 90 days, such benefit will be adjusted, as provided below, if the total amount of unadjusted loss-of-time benefits provided in all valid loss-of-time coverage upon the insured should exceed . . . % of the insured's earned income, provided, however, that if the information contained in the application discloses that the total amount of loss-of-time benefits under this policy and under all other valid loss-of-time coverage expected to be effective upon the insured in accordance with the application for this policy exceeded . . . % of the insured's earned income at the time of such application, such higher percentage will be used in place of . . . %. Such adjusted loss-of-time benefit under this policy for any month shall be only such proportion of the loss-of-time benefit otherwise payable under this policy as:

(1) The product of the insured's earned income and . . . % (or, if higher the alternative percentage described at the end of the first sentence of this provision)

bears to

(2) The total amount of loss-of-time benefits payable for such month under this policy and all other valid loss-of-time coverage on the insured (without giving effect to the 'overinsurance provision' in this or any other coverage) less in both (1) and (2) any amount of loss-of-time benefits payable under other valid loss-of-time coverage which does not contain an 'overinsurance provision.' In making such computation, all benefits and earnings shall be converted to a consistent (insert 'weekly' if the loss-of-time benefit of this policy is payable weekly, 'monthly' if such benefit is payable monthly, etc.) basis. If the numerator of the foregoing ratio is zero or is negative, no benefit shall be payable under this policy. In no event shall this provision (i) operate to reduce the total combined amount of loss-of-time benefits for such month payable under this policy and all other valid loss-of-time coverage below the lesser of \$300 and the total combined amount of loss-of-time benefits determined without giving effect to any 'overinsurance provision,' nor (ii) operate to increase the amount of benefits payable under this policy above the amount which would have been paid in the absence of this provision, nor (iii) take into account or operate to reduce any benefit other than the loss-of-time benefit.

For purposes of this provision:

(A) 'Earned income', except where otherwise specified, means the greater of the monthly earnings of the insured at the time disability commences and his/her average monthly earnings for a period of two years immediately preceding the commencement of such disability and shall not include any investment income or any other income not derived from the insured's vocational activities.

(B) 'Overinsurance provision' shall include this provision and any other provision with respect to any loss-of-time coverage which may have the effect of reducing an insurer's liability if the total amount of loss-of-time benefits under all coverage exceeds a stated relationship to the insured's earnings.”

(b) The foregoing provision may be included only in a policy which provides a loss-of-time benefit which may be payable for at least 52 weeks, which is issued on the basis of selective underwriting of each individual application, and for which the application includes a question designed to elicit information necessary either to determine the ratio of the total loss-of-time benefits of the insured to the insured's earned income or to determine that such ratio does not exceed the percentage of earnings, not less than 60% selected by the insurer and inserted in lieu of the blank factor above. The insurer may require, as part of the proof of claim, the information necessary to administer this provision. If the application indicates that other loss-of-time coverage is to be discontinued, the amount of such other coverage shall be excluded in computing the alternative percentage in the first sentence of the overinsurance provision. The policy shall include a definition of "valid loss-of-time coverage," approved as to form by the Commissioner, which definition may include coverage provided by governmental agencies and by organizations subject to regulation by insurance law and by insurance authorities of this or any other state of the United States or of any other country or subdivision thereof, coverage provided for such insured pursuant to any disability benefits statute or any workers' compensation or employer's liability statute, benefits provided by labor-management trustee plans or union welfare plans or by employer or employee benefit organizations, or by salary continuance or pension programs, and any other coverage the inclusion of which may be approved by the Commissioner.

(c) If by application of any of the foregoing provisions the insurer effects a material reduction of benefits otherwise payable under the

policy, the insurer shall refund to the insured any premium unearned on the policy by reason of such reduction of coverage, subject to the insurer's right to provide in the policy that no such reduction of benefits or refund will be made unless the unearned premium to be so refunded amounts to \$5.00 or such larger sum as the insurer may so specify.

For purposes of this section, “provider” shall mean a health-care professional licensed pursuant to Title 24.

The provider’s request for written explanation and administrative review must be made within 20 days after receipt of the insurer’s notice of termination or nonrenewal. The insurer shall provide the written explanation and administrative review not less than 20 days after receipt of the provider’s request for same.

(d) A provider who reasonably believes than an insurer’s decision to terminate or not renew a contract was solely based on reasons prohibited pursuant to subsection (a) of this section may request that this concern be addressed in the written explanation and

administrative review provided by the insurer. Upon request, such a provider shall submit to the insurer a list of the insurer's enrollees with whom the provider has communicated and upon whom the provider relies to support his or her belief and a statement of the nature of the information provided to each enrollee that is protected by this section.

Data provided by an insurer pursuant to this section shall be confidential and shall not be disclosed by a provider or an insurer to third parties without the consent of the other party, except such data may be disclosed to a party's attorney or as otherwise required by law.

(f) This section shall not apply to a decision by an insurer to terminate or renew a provider's contract because of breach of contract, loss of professional liability insurance, indictment or arrest or conviction for a felony or crime of moral turpitude, final internal disciplinary action (excluding judicial appeals) by a hospital, licensing board or other governmental agency that impairs the provider's ability to practice or clinical privileges, failure to meet the minimum requirements for participation in the insurer's plan, as previously disclosed to the provider, adjudication of fraud or in cases involving imminent harm to patient care.

(g) Nothing in this section shall be construed to prohibit an insurer from terminating or not renewing a provider's contract with or without cause for economic reasons or any other reason not prohibited by subsection (a) of this section, but a written explanation of the reasons for the proposed termination or nonrenewal must be provided pursuant to subsection (c) of this section.

(h) This section shall not be deemed to create a private cause of action as a result of an insurer's termination or nonrenewal of a provider's contract. This subsection shall not abrogate any cause of action or remedy to which a provider may have a right pursuant to contract.

(i) Any insurer who violates the provisions of this section may be subject to the administrative orders and penalties imposable for a violation of Chapter 23 of this title as specified in § 2308(a)(1) and (a)(2) of Title 18.

(j) Providers, insurers and their respective employees, agents, attorneys and other representatives who have acted in good faith while participating in the written explanation or administrative review provided pursuant to subsection (c) of this section, shall have immunity and shall not be held liable as a result of any such participation in a case alleging slander, libel, defamation or in any other private cause of action. Such persons shall be presumed to have acted in good faith in the absence of evidence of malice or wilful misconduct.

(71 Del. Laws, c. 199, § 16; 80 Del. Laws, c. 310, § 1.)

§ 3341. Newborns and mothers health protection.

A carrier offering a health benefit plan shall comply with the provisions of 42 U.S.C. § 300gg-51 and any subsequent changes in federal law.

(71 Del. Laws, c. 143, § 16; 80 Del. Laws, c. 310, § 1.)

§ 3342. Obstetrical and gynecological coverage.

(a) This section applies to every individual policy or contract of health insurance, or certificate issued thereunder, which is delivered or issued for delivery in this State that requires an insured, participant, policyholder, subscriber, or beneficiary to designate a participating primary care provider.

(b) Any such policy or contract shall permit each female enrolled insured, participant, policyholder, subscriber or beneficiary to designate a participating, in-network, obstetrician-gynecologist as the enrollee's primary care provider if: (i) the obstetrician-gynecologist meets the standards established by the insurance plan for primary care providers; (ii) the obstetrician-gynecologist requests that the insurer makes the obstetrician-gynecologist available for designation as a primary care provider; (iii) the obstetrician-gynecologist agrees to accept the payment terms applicable under the plan to primary care providers for services other than obstetrician-gynecological services; and (iv) the obstetrician-gynecologist agrees to abide by all other terms and conditions applicable to primary care physicians under the plan generally.

(c) If a female enrolled insured, participant, policyholder, subscriber or beneficiary has designated a primary care provider who is not an obstetrician-gynecologist, then the policy or contract shall not require as a condition to the coverage of the services of a participating in-network obstetrician-gynecologist that a female enrollee first obtain a referral from another primary care physician, and shall permit the female enrolled insured, participant, policyholder, subscriber or beneficiary to have direct access to the health-care services of an in-network obstetrician-gynecologist participating in the plan, within the benefits provided under that plan. In such cases the obstetrician-gynecologist shall consult with the primary care physician with respect to the care given and any follow-up care, and the plan may require a visit to the primary care physician, if necessary, before the patient may be directed to another specialty provider, or for inpatient hospitalization or outpatient surgical procedures.

(d) For purposes of this section, “health-care services” means the full scope of medically necessary services provided by the participating obstetrician-gynecologist within the benefits provided under that plan.

(e) This section shall not be construed to require an individual obstetrician-gynecologist to accept primary care physician status if the obstetrician-gynecologist does not wish to be designated as a primary care physician, nor to interfere with the credentialing and other selection criteria usually applied by a health benefit plan with respect to other physicians within its network.

(f) Any such policy or contract may not impose a copayment, coinsurance requirement, or deductible for directly accessed obstetric and gynecologic services as required in this section, unless such additional cost sharing is imposed for access to health-care practitioners for other types of health-care services.

(g) If a policy or contract limits an insured’s access to a network of participating providers for other health-care services, then it may limit access for obstetric and gynecologic services, but the policy or contract shall include in all its provider networks sufficient numbers of obstetrician-gynecologists to accommodate the direct access needs of their female enrollees.

(h) Each such policy or contract shall provide notice to female enrolled participants, policyholders, subscribers and beneficiaries regarding the coverage required by this section. The notice shall be in writing, printed in type not less than 8-point, and prominently positioned in any literature or correspondence, including benefit handbooks and enrollment materials. Policies or contracts shall include an explanation of any voluntary process of preauthorization of services available to female enrollees and obstetrician-gynecologists. The enrollee handbook explanation shall include information regarding any limitation to direct access, including, but not limited to, a closed network of providers, or any limitation on access to an obstetrician-gynecologist based on a female’s choice of primary care provider.

Such conditions include precertification and referral requirements.

a. The management of benefits for serious mental illnesses and drug and alcohol dependencies may be by methods used for the management of benefits provided for other medical conditions, or may be by management methods unique to mental health benefits, including pre-admission screening, prior authorization of services, utilization review, and the development and monitoring of treatment plans.

b. A carrier may not impose precertification, prior authorization, pre-admission screening, or referral requirements for the diagnosis and medically necessary treatment of drug and alcohol dependencies, including inpatient treatment or on a prescription medication under paragraph (b)(3) of this section.

The facility shall perform daily clinical review of the patient, including the periodic consultation with the carrier to ensure that the facility is using the evidence-based and peer reviewed clinical review tool utilized by the carrier which is designated by the American Society of Addiction Medicine (“ASAM”) or, if applicable, any state-specific ASAM criteria, and appropriate to the age of the patient, to ensure that the inpatient treatment is medically necessary for the patient.

d. Any utilization review of treatment provided under paragraph (b)(1) of this section may include a review of all services provided during such inpatient treatment, including all services provided during the first 14 days of such inpatient treatment, 30 days of intensive outpatient program treatment, or 5 days of inpatient withdrawal management; provided, however, the carrier may only deny coverage for any portion of the initial 14-day inpatient treatment on the basis that such treatment was not medically necessary if such inpatient treatment was contrary to the evidence-based and peer reviewed clinical review tool utilized by the carrier which is designated by ASAM or, if applicable, any state-specific ASAM criteria.

e. A covered person does not have any financial obligation to the facility for any treatment under paragraph (b)(1) of this section other than any copayment, coinsurance, or deductible otherwise required under the health benefit plan.

f. A carrier must authorize coverage of prescription medicine without imposing a step therapy requirement for at least 1 formulation of each prescription medication for medication-assisted treatment that is on each tier of the drug formulary developed and maintained by the carrier.

(2) This section shall not be interpreted to require a carrier to employ the same benefit management procedures for serious mental illnesses and drug and alcohol dependencies that are employed for the management of other illnesses or diseases covered by the health benefit plan or to require parity or equivalence in the rate, or dollar value of, claims denied.

(e) *Exclusions.* — This section does not apply to plans or policies not within the definition of health benefit plan, as set out in subsection (a) of this section.

(f) *Out of network services.* — Where a health benefit plan provides benefits for the diagnosis and treatment of serious mental illnesses and drug and alcohol dependencies within a network of providers and where a beneficiary of the health benefit plan obtains services consisting of diagnosis and treatment of a serious mental illness and drug and alcohol dependency outside of the network of providers, this section shall not apply. The health benefit plan may contain terms and conditions applicable to out of network services without reference to this section.

(g) *Reporting requirements.* — Each carrier must submit a report to the Delaware Health Information Network in conjunction with the Commissioner on or before July 1 2019, and any year thereafter during which the carrier makes significant changes to how it designs and applies its medical management protocols; the report must contain the following information:

Provide the comparative analyses, including the results of the analyses, performed to determine that the processes and strategies used to design each NQTL, as written, for mental illness and drug and alcohol dependencies benefits are comparable to, and are applied no more stringently than, the processes and strategies used to design each NQTL, as written, for medical and surgical benefits.

d. Provide the comparative analyses, including the results of the analyses, performed to determine that the processes and strategies used to apply each NQTL, in operation, for mental illness and drug and alcohol dependencies benefits are comparable to, and applied no more stringently than, the processes or strategies used to apply each NQTL, in operation, for medical and surgical benefits.

e. (73 Del. Laws, c. 89, § 2; 80 Del. Laws, c. 310, § 1.)

§ 3348. Referrals.

(a) This section applies to every policy or contract of health insurance which is delivered or issued for delivery in this State, including each policy or contract issued by a health service corporation, and which designates network physicians or providers or preferred physicians or providers (hereinafter referred to collectively as “network providers”). In such circumstances, the non-network provider may not balance bill the insured.

(b) All individual and group health insurance policies shall provide that if medically necessary covered services are not available through network providers, or the network providers are not available within a reasonable period of time, the insurer, on the request of a network provider, within a reasonable period, shall allow referral to a non-network physician or provider and shall reimburse the non-network physician or provider at a previously agreed-upon or negotiated rate. In such circumstances, the non-network physician or provider may not balance bill the insured. Such a referral shall not be refused by the insurer absent a decision by a physician in the same or a similar specialty as the physician to whom a referral is sought that the referral is not reasonably related to the provision of medically necessary services.

(c) All individual and group health insurance policies which do not allow insureds to have direct access to health-care specialists shall establish and implement a procedure by which insureds can obtain a standing referral to a health-care specialist.

(d) The procedure established under subsection (c) of this section:

(1) Shall provide for a standing referral to a specialist if the insured’s network provider determines that the insured needs continuing care from the specialist; and

(2) May require the insurer’s approval of an initial treatment plan designed by the specialist containing (i) a limit on the number of visits to the specialist, (ii) a time limit on the duration of the referral, and (iii) mandatory updates on the insured’s condition. Such approval shall not be withheld absent a decision by a qualified physician that the treatment sought in the treatment plan is not reasonably related to the appropriate treatment of the insured’s condition.

Within the treatment period referred to in paragraph (d)(2) of this section, the specialist shall be permitted to treat the insured without a further referral from the insured’s network provider and may authorize such further referrals, procedures, tests and other medical services as the individual’s network provider would otherwise be permitted to provide or authorize, provided that such further referrals, procedures, tests and other medical services are part of treating the patient for the condition for which the patient was referred to the specialist. Referrals, procedures, tests, and other medical services referred to in this subsection shall be provided by network providers unless such services are not available through network providers, or the network providers are not available within a reasonable period of time. If services are not available through network providers, or the network providers are not available within a reasonable period of time, the out-of-network provider shall be reimbursed at an agreed-upon or negotiated rate. In such circumstances, the non-network provider may not balance bill the insured.

(e) Nothing in this section shall prevent the operation of policy provisions involving deductibles or copayments.

However, this section applies only to conditions for which coverage is provided by those policies or contracts.

(b) All individual and group health insurance policies shall provide that persons covered under those policies will be insured for emergency care services performed by nonnetwork providers at an agreed-upon or negotiated rate, regardless of whether the physician or provider furnishing the services has a contractual or other arrangement with the insurer to provide items or services to persons covered under the policies. In the event that the provider of emergency services and the insurer cannot agree upon the appropriate rate, the provider shall be entitled to those charges and rates allowed by the Insurance Commissioner or the Commissioner’s designee following an arbitration of the dispute. The Insurance Commissioner shall adopt regulations concerning the arbitration of such disputes. In such circumstances, the nonnetwork provider may not balance bill the insured.

(c) Prior to a determination by the Insurance Commissioner (or the Commissioner’s designee) of those charges and rates allowed by the providers of emergency services pursuant to subsection (b) of this section, the insurer will pay directly to the non-network emergency care provider the highest allowable charge for each emergency care service allowed by the insurer for any other network or non-network emergency care provider during the full 12-month period immediately prior to the date of each emergency care service performed by the non-network provider. The Insurance Commissioner is authorized to adopt regulations concerning the provisions of this subsection (c).

(d) Plans described in subsections (a) and (b) of this section shall cover:

(1) Any medical screening examination or other evaluation medically required to determine whether an emergency medical condition exists;

(2) Necessary emergency care services, including treatment and stabilization of an emergency medical condition; and

(3) Services originated in a hospital emergency facility or comparable facility following treatment or stabilization of an emergency medical condition as approved by the insurer with respect to services performed by non-network providers, provided that the insurer is required to approve or disapprove coverage of poststabilization care as requested by a treating physician or provider within the time appropriate to the circumstances relating to the delivery of services and the condition of the patient, but in no case to exceed 1 hour from the time of the request.

(e) Nothing in this section shall prevent the operation of policy provisions involving deductibles or copayments. As used in this section “emergency medical condition” means a medical or behavioral condition the onset of which is sudden, that manifests itself by symptoms of sufficient severity, including, but not limited to, severe pain, that a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of immediate medical attention to result in:

(2) Serious impairment to such person’s bodily functions;

(3) Serious impairment or dysfunction of any bodily organ or part of such person; or

(4) Serious disfigurement of such person.

(f) This section shall not apply to services provided by a volunteer fire department recognized as such by the State Fire Prevention Commission.

Funds paid to the Insurance Commissioner under this subsection shall be placed in the arbitration fund and shall be used exclusively for the payment of appointed arbitrators. The Insurance Commissioner may, in the Commissioner’s discretion, impose a schedule of maximum fees that can be charged by an arbitrator for a given type of arbitration.

The nonprevailing party at arbitration shall reimburse the Commissioner for the expenses related to the arbitration process. (d) Prior to the determination by the Insurance Commissioner, or the Commissioner’s designee, of the allowable charge or the amount of payment to be made for an ambulance run and associated basic life support (BLS) services, the health insurer, health service corporation, health maintenance organization, or managed care organization will pay directly to the volunteer ambulance company the charge assessed by the volunteer ambulance company for the run and basic life support (BLS) services provided, which shall not be subject to reimbursement after the Commissioner’s determination. The Insurance Commissioner is authorized to adopt regulations concerning the provisions of this subsection.

(e) Nothing in this section shall prevent the operation of policy provisions involving deductibles or copayments.

For the purposes of this section, “carrier” includes an insurance company, health service corporation, health maintenance organization, and any other entity providing a plan of health insurance or health benefits subject to state insurance regulation. “Carrier” also includes any third-party administrator or other entity that adjusts, administers, or settles claims in connection with health benefit plans.

(c) Subsection (b) of this section may not be construed to require:

(1) Coverage for services provided to a dependent prior to May 30, 2007;

(2) That an employer pay all or part of the cost of coverage for a dependent as provided pursuant to this section; or

(3) Coverage for services rendered prior to a dependent’s election pursuant to subsection (e) of this section and payment of premium required under subsection (g) of this section.

(d) A dependent covered by a covered person’s contract, where coverage under the contract’s language would terminate at a specific age before the dependent’s twenty-sixth birthday, may make a written election for coverage as a dependent pursuant to this section, until the dependent’s twenty-sixth birthday. The election must be made:

(1) Within 30 days prior to the termination of coverage at the specific age provided in the contract’s language;

(2) Within 30 days after meeting the requirements for dependent status as set forth in subsection (a) of this section, when coverage for the dependent under the contract’s language had previously terminated; or

(3) During an open enrollment period, as provided pursuant to the contract, if the dependent meets the requirements for dependent status as set forth in subsection (a) of this section during the open enrollment period.

Coverage for a dependent who makes a written election for coverage may not be conditioned upon or discriminate on the basis of lack of evidence of insurability.

(e) Notwithstanding the time limitations imposed by subsection (d) of this section, until May 30, 2008, a dependent who qualifies for dependent status as set forth in subsection (a) of this section, but whose coverage as a dependent under a covered person’s contract terminated under the terms of the contract prior to May 30, 2007, may make a written election to reinstate coverage under that contract as a dependent pursuant to this section.

(f) Coverage for a dependent who makes a written election for coverage pursuant to subsection (d) of this section consists of coverage which is identical to the coverage that would have been provided to that dependent had that dependent not been terminated from the contract due to the dependent’s age.

(g) A covered person’s contract may require payment of a premium by the covered person or dependent, subject to any approvals required by Delaware law, for any period of coverage relating to a dependent’s written election for coverage pursuant to subsection (d) of this section. The payment may not exceed 102% of the applicable portion of the premium previously paid for that dependent’s coverage under the contract prior to the termination of coverage at the specific age provided in the contract.

(h) The applicable portion of the premium previously paid for a dependent’s coverage under subsection (g) of this section is determined pursuant to regulations promulgated by the Department of Insurance, based upon the difference between the contract’s rating tiers for adult and dependent coverage or family coverage, as appropriate, and single coverage, or based upon any other formula or dependent rating tier which provides a substantially similar result and is considered appropriate by the Department of Insurance.

(i) Coverage for a dependent provided pursuant to this section must be provided until the earlier of the following:

(1) The dependent is no longer a dependent as defined in subsection (a) of this section;

(2) The date on which coverage ceases under the contract by reason of a failure to make a timely payment of any premium required under the contract by the covered person or dependent for coverage provided pursuant to this section. The payment of any premium is considered to be timely if made within 30 days after the due date or within a longer period as provided for by the contract; or

(3) The date upon which the employer under whose contract coverage is provided to a dependent ceases to provide coverage to the covered person.

(j) Prominent notice regarding coverage for a dependent as provided pursuant to this section must be provided to a covered person by the carrier:

(1) In the certificate of coverage prepared for covered persons by the carrier on or about the date of commencement of coverage; and

(2) Upon each renewal, but at least once annually; and

(3) By June 29, 2007.

(2) “Orthosis” means a custom fabricated brace or support that is designed based on medical necessity. Orthosis does not include prefabricated or direct-formed orthotic devices or any of the following assistive technology devices: commercially available knee orthoses used following injury or surgery; spastic muscle-tone inhibiting orthoses; upper extremity adaptive equipment; finger splints; hand splints; wrist gauntlets; face masks used following burns; wheelchair seating that is an integral part of the wheelchair and not worn by the patient independent of the wheelchair; fabric or elastic supports; corsets; low-temperature formed plastic splints; trusses; elastic hose; canes; crutches; cervical collars; dental appliances; and any other similar devices, as determined Secretary of the Department of Health and Social Services, commonly carried in stock by a pharmacy, department store, or surgical supply facility.

The practice of orthotics encompasses evaluation, treatment, and consultation; with basic observational gait and postural analysis, orthotists assess and design orthoses to maximize function and provide not only the support but also the alignment necessary to either prevent or correct a deformity or to improve the safety and efficiency of mobility, locomotion, or both. Orthotic practice includes providing continuing patient care in order to assess its effect on the patient’s tissues and to assure proper fit and function of the orthotic device through periodic evaluation.

The practice of prosthetics also includes the generation of an image, form, or mold that replicates the patient's body or body segment and that requires rectification of dimensions, contours, and volumes for use in the design and fabrication of a socket to accept a residual anatomic limb to, in turn, create an artificial appendage that is designed either to support body weight or to improve or restore function or cosmesis, or both. Involved in the practice of prosthetics is observational gait analysis and clinical assessment of the requirements necessary to refine and mechanically fix the relative position of various parts of the prosthesis to maximize function, stability, and safety of the patient. The practice of prosthetics includes providing and continuing patient care in order to assess the prosthetic device's effect on the patient's tissues and to assure proper fit and function of the prosthetic device through periodic evaluation.

§ 3365. School-based health centers.

(a) For purposes of this section, a school-based health center (SBHC) is a health clinic that:

(1) Is located in or near a school facility;

(2) Is organized through school and health provider relationships;

(3) Provides through licensed professionals primary health services to children, including comprehensive health assessments, diagnosis, and treatment of minor, acute, and chronic medical conditions, referrals to and follow-up for specialty care and oral and vision health services, mental health and substance use disorder assessments, crisis intervention, counseling, treatment, and referral to a continuum of mental health and substance abuse services including emergency psychiatric care, community support programs, inpatient care, and outpatient programs; and

(4) Is recognized by the State pursuant to relevant regulations and law.

(b) The Delaware Division of Public Health (DPH) shall have sole authority to determine whether a facility is an SBHC as defined in subsection (a) of this section.

(c) Except as noted herein, benefits provided under insurance contracts delivered, issued for delivery, or renewed in this State shall reimburse SBHCs for covered services provided by SBHCs as if those services were provided by a network provider under the relevant contract of insurance. In the absence of an agreement between a carrier and an SBHC on reimbursement, reimbursement for such services shall be at the rate established by the Division of Medicaid and Medical Assistance for those services. Any insurance contract term purporting to exclude otherwise covered services on the basis that they are performed by an SBHC shall be void except as specifically permitted under this chapter.

(d) If DPH has approved an SBHC, that approval shall be deemed sufficient to meet the carrier’s standards for inclusion in its network or for being eligible for payment by the carrier.

(e) SBHCs shall not charge co-pays or any other out-of-pocket fees to students for use of SBHC services. Insurance carriers shall not incur any additional financial liability by virtue of this subsection.

(f) The Delaware DPH, in coordination with the State’s SBHCs, insurance carriers, and the Department of Insurance, shall issue regulations to ensure that SBHCs are properly integrated into the State’s spectrum of health-care providers that provide covered services to youth. These regulations shall include, but are not limited to:

(1) Regulations governing reporting to and interaction with students’ primary care providers; and

(2) Regulations regarding promotion of vaccinations among student users of SBHCs.

(g) Nothing in this chapter shall prevent the enforceability of an agreement negotiated between an SBHC and an insurance carrier governing claims submission, reimbursement, quality standards, credentialing and similar matters, provided, however, that in the absence of such agreement the terms of this chapter shall govern.

§ 3366. Autism spectrum disorders coverage.

(a) All individual health benefit plans as defined in § 3343(a) of this title shall provide coverage for the screening and diagnosis of

autism spectrum disorders and the treatment of autism spectrum disorders in individuals less than 21 years of age. To the extent that the diagnosis of autism spectrum disorders and the treatment of autism spectrum disorders are not already covered by a health benefit plan, coverage under this section shall be included in health benefit plans that are delivered, issued, executed or renewed in this State pursuant to this title after December 11, 2012. No insurer shall terminate coverage or refuse to deliver, execute, issue, amend, adjust, or renew coverage to an individual solely because the individual or a family member is diagnosed with 1 of the autism spectrum disorders or has received treatment for autism spectrum disorders. Coverage under this section shall not be denied on the basis that the treatment is habilitative or nonrestorative in nature.

(b) Coverage for applied behavior analysis services under this section by an insurer shall be subject to a maximum benefit of \$36,000 per 12-month period per person, but shall not be subject to any limits on the number of visits an individual may make to an autism services provider or that a provider may make to an individual regardless of the locations in which services are provided. After December 31, 2012, the Insurance Commissioner shall, on or before April 1 of each calendar year, publish in the Delaware Register of Regulations an adjustment to the maximum benefit equal to the change in the United States Department of Labor Consumer Price Index for all Urban Consumers (CPI-U) in the preceding year and the published adjusted maximum benefit shall be applicable to all health insurance policies issued or renewed thereafter. Payments made by an insurer on behalf of a covered individual for treatment unrelated to applied behavior analysis shall not be applied toward any maximum benefit established under this subsection.

(c) The coverage required under this section shall not be subject to dollar limits, deductibles, or coinsurance provisions that are less favorable to an insured than the dollar limits, deductibles, or coinsurance provisions that apply to physical illness generally under the health benefit plan, except as otherwise provided in subsection (b) of this section.

(d) This section shall not be construed as limiting benefits that are otherwise available to an individual or family member under their health benefit plan.

(e) As used in this section:

(1) "Applied behavior analysis" means the design, implementation, and evaluation of environmental modifications, using behavioral stimuli and consequences, to produce socially significant improvement in human behavior, including the use of direct observation, measurement, and functional analysis of the relationship between environment and behavior.

(2) "Autism services provider" means any person, entity, or group authorized by this section that provides treatment of autism spectrum disorders. This includes licensed physicians, psychologists or their assistants, psychiatrists, speech therapists or their aides, occupational therapists or their aides, physical therapists or their assistants, practitioners with the national certification of board-certified behavior analyst or those working under their supervision, licensed professional counselors of mental health, licensed clinical social workers, advanced practice nurses, or any person, entity, or group meeting the standards set by the Department of Health and Social Services as authorized by subsection (f) of this section.

(3) "Autism spectrum disorders" means any of the pervasive developmental disorders as defined by the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM), including Autistic Disorder, Asperger's Disorder and Pervasive Developmental Disorder Not Otherwise Specified, as such may be amended hereafter from time to time.

(4) "Behavioral health treatment" means professional counseling, guidance services or treatment programs, including applied behavior analysis, that are necessary to develop, maintain, or restore, to the maximum extent practicable, the functioning of an individual. This definition also applies to treatment or counseling to improve social skills and function.

(5) "Medically necessary" means reasonably expected to do the following:

- a. Prevent the onset of an illness, condition, injury, or disability;
- b. Reduce or ameliorate the physical, mental, or developmental effects of an illness, condition, injury, or disability; or
- c. Assist to achieve or maintain maximum functional capacity in performing daily activities, taking into account both the functional capacity of the individual and the functional capacities that are appropriate for individuals of the same age.

(6) "Pharmacy care" means medications prescribed by a licensed practitioner and any health-related services deemed medically necessary to determine the need or effectiveness of the medications.

(7) "Psychiatric care" means direct or consultative services provided by a psychiatrist licensed in the state in which the psychiatrist practices.

(8) "Psychological care" means direct or consultative services provided by a psychologist licensed in the state in which the psychologist practices or by a psychological assistant acting under the supervision of a psychologist.

(9) "Screening and diagnosis of autism spectrum disorders" means medically necessary assessments, evaluations, or tests to diagnose whether an individual has or is at risk for 1 of the autism spectrum disorders.

(10) "Therapeutic care" means services provided by speech, occupational, or physical therapists or an aide or assistant under their supervision.

(11) "Treatment for autism spectrum disorders" shall include the following care prescribed or ordered for an individual diagnosed with 1 of the autism spectrum disorders by a licensed physician or licensed psychologist who determines the care to be medically necessary:

- b. Pharmacy care;

- c. Psychiatric care;
- d. Psychological care;
- e. Therapeutic care;
- f. Items and equipment necessary to provide, receive, or advance in the above-listed services, including those necessary for applied behavioral analysis; and
- g. Any care for individuals with autism spectrum disorders that is determined by the Secretary of the Department of Health and Social Services, based upon their review of best practices and/or evidence-based research, to be medically necessary. The Secretary shall inform the Insurance Commissioner of such determination, and upon receiving notice the Insurance Commissioner shall issue a bulletin stating that any such care, treatment, intervention, service, or item that was not previously covered shall be included in any health benefit plan delivered, executed, issued, amended, adjusted, or renewed on or after 120 days following the date of such bulletin.

(f) The Department of Health and Social Services shall promulgate regulations establishing standards for certifying qualified autism services providers by June 11, 2013. If an autism services provider meets recognized national certification as a board-certified behavior analyst, such autism services provider shall be deemed to have met the standards to be established under this section, to provide applied behavioral analysis services. Once the regulations are promulgated, payment for the treatment of autism spectrum disorders covered under this section shall only be required to be made to autism services providers who meet the standards.

(g) Except for inpatient services, if an individual is receiving treatment for autism spectrum disorders, an insurer will have the right to request a review of that treatment not more than once every 12 months unless the insurer and the licensed physician or licensed psychologist agree that a more frequent review is necessary. The cost of obtaining any review shall be borne by the insurer.

(h) This section shall not be construed as affecting any obligation to provide services to an individual under an individualized family service plan (IFSP); an individualized education program (IEP); an individual plan for employment (IPE); a 504 plan; or an individualized service plan, including an essential lifestyle plan (ELP).

(i) The Insurance Commissioner may promulgate rules and regulations as may be necessary or appropriate to implement and administer this section, except for subsection (f) of this section.

(a) As used in this section:

- (1) "Ambulance" shall have the same definition set forth in § 9702 of Title 16.
- (2) "Basic life support" shall have the same definition set forth in § 9702 of Title 16.
- (3) "Emergency medical services provider agency" shall have the same definition set forth in § 9802 of Title 16.
- (4) "Volunteer fire company" shall mean the duly organized volunteer fire companies in the State.

(b) Notwithstanding any provision precluding an assignment of benefits in any individual health insurance policy, contract, certificate or plan, delivered or issued for delivery in this State by any insurer, health service corporation, or health maintenance organization, when a volunteer fire company or other emergency medical services provider agency certified by the Delaware State Fire Prevention Commission renders covered emergency medical services or supplies, including but not limited to basic life support and ambulance service, any payment or reimbursement made by an insurer, health service corporation or health maintenance organization for such covered emergency medical services or supplies shall be paid directly to the volunteer fire company or other certified emergency medical services provider agency, or their designee, without regard to whether a contract exists between the volunteer fire company or certified emergency medical services provider agency and the insurer, health service corporation or health maintenance organization, and otherwise without regard to whether the volunteer fire company or emergency medical services provider agency is a part of any network maintained by the insurer, health service corporation or health maintenance organization.

(c) The limitations on balance billing provided in § 3348 of this title shall not apply to billing for emergency medical services within the scope of this section provided by volunteer fire companies or emergency medical services provider agencies certified by the Delaware State Fire Prevention Commission.

(d) This section shall apply to all policies, contracts, certificates or plans issued, renewed, modified, altered, amended or reissued on or after July 1, 2013.

(e) Nothing in this section should apply to supplemental health insurance policies that do not provide expense or reimbursement coverage for emergency medical services, basic life support or ambulance services.

(79 Del. Laws, c. 76, § 1; 80 Del. Laws, c. 310, § 1.)

§ 3368. No lifetime or annual limits [For application of this section, see 79 Del. Laws, c. 99, § 19].

(a) (1) Except as provided in subsection (b) of this section, a health insurance issuer offering group or individual health insurance coverage may not establish any lifetime limit on the dollar amount of benefits for any individual.

(2) a. Except as provided in paragraph (a)(2)b., subsections (b) and (d) of this section, a health insurance issuer offering group or individual health insurance coverage may not establish any annual limit on the dollar amount of benefits for any individual.

b. A health flexible spending arrangement (as defined in § 106(c)(2) of the Internal Revenue Code) [26 U.S.C. § 106(c)(2)] is not

subject to the requirement in paragraph (a)(2)a. of this section.

(b) (1) The rules of this section do not prevent a health insurance issuer offering group or individual health insurance coverage from placing annual or lifetime dollar limits with respect to any individual on specific covered benefits that are not essential health benefits to the extent that such limits are otherwise permitted under applicable federal or state law.

(2) The rules of this section do not prevent a health insurance issuer offering group or individual health insurance coverage from excluding all benefits for a condition. However, if any benefits are provided for a condition, then the requirements of this section apply. Other requirements of federal or state law may require coverage of certain benefits.

(c) The term “essential health benefits” as used in this section means essential health benefits under § 1302(b) of the Patient Protection and Affordable Care Act [42 U.S.C. § 18022(b)], as the law and its implementing regulations were in effect on January 1, 2018; Delaware law; and applicable state regulations.

(d) (1) With respect to policy years beginning prior to January 1, 2014, a health insurance issuer offering group or individual health insurance coverage may establish, for any individual, an annual limit on the dollar amount of benefits that are essential health benefits, provided the limit is no less than the following amounts:

- a. For a policy year beginning on or after September 23, 2010, but before September 23, 2011, \$750,000.
- b. For a policy year beginning on or after September 23, 2011, but before September 23, 2012, \$1,250,000.
- c. For policy years beginning on or after September 23, 2012, but before January 1, 2014, \$2,000,000.

(2) In determining whether an individual has received benefits that meet or exceed the applicable amount described in paragraph (d)(1) of this section, an issuer must take into account only essential health benefits.

(79 Del. Laws, c. 99, § 4; 80 Del. Laws, c. 310, § 1; 82 Del. Laws, c. 186, § 2.)

§ 3369. Notification and reasons for cancellation or nonrenewal [For application of this section, see 79 Del. Laws, c. 390, § 8].

A notice of cancellation or nonrenewal of health insurance coverage by an insurer due to nonpayment of premiums shall be in writing, shall be delivered to the named policyholder or mailed to the named policyholder at the last known address of the named policyholder, shall state the effective date of the cancellation or nonrenewal and shall be accompanied by a written explanation of the specific reasons for the cancellation or nonrenewal. Proof of mailing of such cancellation or nonrenewal notice shall be retained by the insurer for a period of not less than 1 year. § 3370. Telehealth and telemedicine.

(a) As used in this section:

(1) “Distant site” means a site at which a health-care provider legally allowed to practice in the state is located while providing health-care services by means of telemedicine or telehealth.

(2) “Originating site” means a site in Delaware at which a patient is located at the time health-care services are provided to the patient by means of telemedicine or telehealth, unless the term is otherwise defined with respect to the provision in which it is used. Notwithstanding any other provision of law, insurers and providers may agree to alternative siting arrangements deemed appropriate by the parties.

(3) “Store and forward transfer” means the transmission of a patient’s medical information either to or from an originating site or to or from the provider at the distant site, but does not require the patient being present nor must it be in real time.

(4) “Telehealth” means the use of information and communications technologies consisting of telephones, remote patient monitoring devices or other electronic means which support clinical health-care provider consultation, patient and professional health-related education, public health, health administration, and other services as authorized in Chapter 60 of Title 24.

(5) “Telemedicine” is a subset of telehealth which is the delivery of clinical health-care services and other services, as authorized in Chapter 60 of Title 24, by means of real time 2-way audio, visual, or other telecommunications or electronic communications, including the application of secure video conferencing or store and forward transfer technology to provide or support health-care delivery, which facilitate the assessment, diagnosis, consultation, treatment, education, care management and self-management of a patient’s health care by a health-care provider legally allowed to practice in the state and practicing within the health-care provider’s scope of practice as would be practiced in-person with a patient, while such patient is at an originating site and the health-care provider is at a distant site.

(b) Each insurer proposing to issue individual or group accident and sickness insurance policies providing hospital, medical and surgical, or major medical coverage on an expense-incurred basis; each health service corporation providing individual or group accident and sickness subscription contracts; and each health maintenance organization providing a health-care plan for health-care services shall provide coverage for the cost of such health-care services provided through telemedicine.

(c) Each insurer proposing to issue individual or group accident and sickness insurance policies providing hospital, medical and surgical, or major medical coverage on an expense-incurred basis; each health service corporation providing individual or group accident and sickness subscription contracts; and each health maintenance organization providing a health-care plan for health-care services shall

provide coverage for the cost of such health-care services provided through telehealth as directed through regulations promulgated by the Department.

(d) An insurer, health service corporation, or health maintenance organization shall not exclude a service for coverage solely because the service is provided through telemedicine services and is not provided through in-person consultation or contact between a health-care provider and a patient for services appropriately provided through telemedicine services.

(e) An insurer, health service corporation, or health maintenance organization shall reimburse the treating provider or the consulting provider for the diagnosis, consultation, or treatment of the insured delivered through telemedicine services on the same basis and at least at the rate that the insurer, health service corporation, or health maintenance organization is responsible for coverage for the provision of the same service through in-person consultation or contact. Payment for telemedicine interactions shall include reasonable compensation to the originating or distant site for the transmission cost incurred during the delivery of health-care services.

(f) No insurer, health service corporation, or health maintenance organization shall impose any annual or lifetime dollar maximum on coverage for telemedicine services other than an annual or lifetime dollar maximum that applies in the aggregate to all items and services covered under the policy, or impose upon any person receiving benefits pursuant to this section any copayment, coinsurance, or deductible amounts, or any policy year, calendar year, lifetime, or other durational benefit limitation or maximum for benefits or services, that is not equally imposed upon all terms and services covered under the policy, contract, or plan.

(g) The requirements of this section shall apply to all insurance policies, contracts, and plans delivered, issued for delivery, reissued, or extended on and after January 1, 2016, or at any time thereafter when any term of the policy, contract, or plan is changed or any premium adjustment is made.

(h) This section shall not apply to short-term travel, accident-only, limited or specified disease, or individual conversion policies or contracts, nor shall it contravene any telehealth requirements made in policies or contracts designed for issuance to persons eligible for coverage under Titles XVIII, XIX, and XXI of the Social Security Act [42 U.S.C. §§ 1395 et seq., 1396 et seq., and 1397aa et seq.], known as Medicare, Medicaid, or any other similar coverage under state or federal governmental plans.

(80 Del. Laws, c. 80, § 1; 70 Del. Laws, c. 186, § 1; 80 Del. Laws, c. 310, § 1; 82 Del. Laws, c. 261, §§ 22, 16; 83 Del. Laws, c. 52, § 2.)

§ 3370A. Network disclosure and transparency.

(a) This section applies to every policy or contract of health insurance which is delivered or issued for delivery in this State, including each policy or contract issued by a health-service corporation, which provides medical, major medical, or similar comprehensive-type coverage, and which designates network physicians or providers (hereinafter referred to collectively as “network providers”). However, this section applies only to items, services or conditions for which coverage is provided by those policies or contracts (hereinafter referred to as “covered services”).

(b) For purposes of this section “facility-based provider” means a provider who provides health-care services to covered persons who are in an in-patient or ambulatory facility, including services such as pathology, anesthesiology, or radiology.

(c) For purposes of this section “health-care provider” means any provider who provides health-care services to covered persons who are not in a facility-based setting, and includes a provider who provides health-care services to a covered person based upon a referral from another provider without the knowledge of or input from the covered person.

(d) *Nonemergency out-of-network services.* — (1) When a facility-based provider schedules a procedure, seeks prior authorization from a health carrier for the provision of nonemergency covered services to a covered person or prior to the provision of any nonemergency covered services, the facility shall ensure that the covered person has received a timely written out-of-network disclosure that states the following:

- a. That discloses whether the facility is a participating or out-of-network facility;
- b. That certain facility-based providers may be called upon to render care to the covered person during the course of treatment;
- c. That those facility-based providers may not have a contract with the covered person’s health insurer and are therefore considered to be out-of-network;
- d. That the services therefore will be provided on an out-of-network basis, which may result in additional charges for which the covered person may be responsible, and a statement that these charges are in addition to any coinsurance, deductibles and copayments applicable under the covered person’s health insurance policy;
- e. A listing, including name and contact information, of those facility-based providers who may be called upon to render care to the covered person during the course of treatment, and a statement that the covered person should contact their health insurer to determine the network status of those facility-based providers;
- f. Notification that an estimate of the range of charges charged by the out-of-network provider for any out-of-networks services for which the covered person may be responsible may be requested from, and will be timely provided by, the out-of-network provider; and
- g. That the covered person may contact the covered person’s health insurer for additional assistance or may rely on whatever other rights and remedies may be available under state or federal law.
- h. The written out-of-network disclosure required by this paragraph (d)(1) shall include a written consent form which would enable a covered person who wishes to utilize the services of an out-of-network provider to: (i) acknowledge a provider may be a non-network provider; (ii) acknowledge that the services provided by the non-network provider may not be covered by the covered

person's policy; (iii) acknowledge receipt of the notification that an estimate of the range of charges for any out-of-network services for which the covered person may be responsible may be obtained from the out-of-network providers; and (iv) affirmatively elect to obtain the services and agree to accept and pay the charges for the out-of-network services.

i. If a covered person requests from an out-of-network provider an estimate of the range of charges for any out-of-network services for which the covered person may be responsible, the out-of-network provider shall provide the estimate in writing to the covered person within 3 business days of the request.

j. If the facility and all facility-based providers participate in the covered person's network, this disclosure shall not be required.

(2) Prior to the delivery of nonemergency covered services to a covered person, an out-of-network health-care provider shall provide the covered person with a timely, written out-of-network disclosure that states the following:

a. That the health-care provider is an out-of-network provider and the services therefore will be provided on an out-of-network basis;

b. That out-of-network services may result in additional charges for which the covered person may be responsible, and a statement that these charges are in addition to any coinsurance, deductibles and copayments applicable under the person's health insurance policy;

c. Identification of the range of charges charged by the out-of-network health-care provider for any out-of-network services for which the covered person may be responsible; and

d. That the covered person may contact the covered person's health insurer for additional assistance or may rely on whatever other rights and remedies may be available under state or federal law.

e. The written out-of-network disclosure required by this paragraph (d)(2) shall contain a written consent form which would enable a covered person who wishes to utilize the services of an out-of-network provider to: (i) acknowledge a provider may be a non-network provider; (ii) acknowledge that the services provided by the non-network provider may not be covered by the insured's policy; (iii) acknowledge receipt of the identification of the range of charges for any out-of-network services for which the covered person may be responsible; and (iv) affirmatively elect to obtain the services and agree to accept and pay the charges for the out-of-network services.

(3) A facility-based provider or a health-care provider may not balance bill a covered person for health-care services not covered by an insured's health insurance contract, if the facility-based provider or health-care provider:

a. Fails to provide to the covered person the written out-of-network disclosure required by paragraphs (d)(1) or (2) of this section.

b. Fails to obtain from the covered person in a timely manner, before the health-care services are provided, a copy of the consent form required by paragraphs (d)(1) or (2) of this section that has been signed by the covered person.

(4) Nothing in paragraph (d)(3) of this section shall prevent the operation of policy provisions involving coinsurance, deductibles and copayments payable under the insured health insurance policy.

(5) In the event a facility-based provider or a health-care provider fails to comply with the requirements of paragraphs (d)(3)a. or (3)b. of this section, and the provider of services and insurer cannot agree on the appropriate rate of reimbursement, the provider shall be entitled to those charges and rates allowed by the Insurance Commissioner or the Commissioner's designee following arbitration of the dispute pursuant to the procedures set forth in § 333 of this title and any regulation promulgated thereunder.

(6) This section shall not apply to those out-of-network services provided pursuant to §§ 3348 and 3349 of this title.

(e) Health insurers shall be required to maintain accurate and complete provider directories, to update provider directories frequently, to audit the accuracy and completeness of such directories and make the directories easily accessible to the covered person in a variety of formats.

(f) The Insurance Commissioner shall adopt regulations to implement the requirements of this section, including:

(1) Regulations concerning the form and content of the written out-of-network disclosures and written consent form required by paragraphs (d)(1) and (2) of this section.

(2) Regulations requiring health insurers and out-of-network providers to inform covered persons of their rights with respect to payment of balance bills.

(3) *Regulations concerning the provisions of subsection (e) of this section.* — The regulations adopted and arbitrations authorized pursuant to this section shall reflect the objectives of protecting consumers from surprise bills and not creating incentives for providers to be out-of-network.

(80 Del. Laws, c. 339, § 1.)

§ 3370B. Coverage for treatment of pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections and pediatric acute onset neuropsychiatric syndrome.

(a) All individual health insurance policies, contracts, or certificates that are delivered, issued for delivery, renewed, extended, or modified in this State by any health insurer, health service corporation, or health maintenance organization shall provide coverage for treatment of pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections and pediatric acute onset neuropsychiatric syndrome, including the use of intravenous immunoglobulin therapy.

(b) At any time that the State is required by the Secretary of the United States Department of Health and Human Services, or its successor agency, to defray the cost of any coverage for pediatric autoimmune neuropsychiatric disorders associated with streptococcal

infections and pediatric acute onset neuropsychiatric syndrome required under subsection (a) of this section, the requirements under subsection (a) of this section are inoperative and the State may not assume any obligation for the cost of coverage for pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections and pediatric acute onset neuropsychiatric syndrome.

(81 Del. Laws, c. 400, § 1.)

§ 3370C. Time of submitting claim for reimbursement.

(b) Regardless of network status, a carrier shall permit a provider a minimum of 180 days from the date a covered service is rendered to submit a claim for reimbursement. Any contract between a carrier and provider that prohibits a provider from submitting a claim beyond the minimum time limit required under this section shall not be deemed a violation of this section.

(a) For purposes of this section:

(1) “Carrier” means any entity that provides health insurance in this State. “Carrier” includes an insurance company, health service corporation, health maintenance organization, and any other entity providing a plan of health insurance or health benefits subject to state insurance regulation. “Carrier” also includes any third-party administrator or other entity that adjusts, administers, or settles claims in connection with health benefit plans.

(c) Nothing in this section prevents the operation of a policy provision required by this section as a deductible, coinsurance, allowable charge limitation, coordination of benefits, or a provision restricting coverage to services by a licensed, certified, or carrier-approved provider or facility.

(d) This section applies to all policies, contracts, or certificates issued, renewed, modified, altered, amended, or reissued after December 31, 2021.

Requirements shall be described in detail but also in clear, easily-understandable language. Clinical criteria shall be described in language easily understandable by a health-care provider practicing in the same clinical area.

(b) If an insurer, health-benefit plan, or health-service corporation intends either to implement a new pre-authorization requirement or restriction, or amend an existing requirement or restriction, they shall ensure that the new or amended requirement is not implemented unless their website has been updated to reflect the new or amended requirement or restriction. An insurer, health service corporation, health plan, or utilization review entity may use its existing medical exceptions process to satisfy this requirement. The process shall be made easily accessible via the insurer's, health plan's, or utilization review entity's website. A step therapy exception determination shall be expeditiously granted in any one of the following circumstances:

(1) The required prescription drug is contraindicated or will likely cause an adverse reaction by or physical or mental harm to the patient.

(2) The required prescription drug is expected to be ineffective based on the known clinical characteristics of the patient and the known characteristics of the prescription drug regimen.

(3) The patient has tried the required prescription drug while under the patient's current or previous health insurance or health benefit plan, or another prescription drug in the same pharmacologic class or with the same mechanism of action, and such prescription drug was discontinued due to lack of efficacy or effectiveness, diminished effect, or an adverse event.

(4) The required prescription drug is not in the best interest of the patient, based on medical necessity.

(5) The patient is stable, for the medical condition under consideration, on a prescription drug prescribed by the patient's health-care provider or while the patient was insured by the patient's current or a previous insurance or health benefit plan.

(b) (1) The insurer, health services corporation, health plan, or utilization review entity shall grant or deny a step therapy exception request, which shall be from a health-care provider, and which shall state the circumstance which qualifies the patient for a step therapy exception pursuant to subsection (a) of this section, within 2 business days of receipt of such request. A step therapy exception determination not granted or denied in writing at the end of 2 days shall be deemed granted.

(2) During a step therapy exception determination under (a)(5) of this section, a determination will be deemed granted until the insurer, health services corporation, health plan, or utilization review entity issues a step therapy exception determination.

(c) In cases where emergency circumstances exist, as outlined in § 3349 of this title, an insurer, health plan, or utilization review entity shall grant or deny a step therapy exception request within 24 hours of receipt of a request, which shall be from a health care provider, and which shall state the circumstance which qualifies the patient for a step therapy exception pursuant to subsection (a) of this section. A request shall be deemed granted if the required response is not received by the requesting or appealing party within the times set forth in this subsection.

(d) Upon the granting of a step therapy exception determination, the insurer, health plan, or utilization review entity shall authorize coverage for the prescription drug prescribed by the patient's treating health-care provider.

(e) This section shall not be construed to prevent any of the following:

(1) An insurer, health plan, or utilization review entity from requiring a patient to try an AB-rated generic equivalent prior to providing coverage for the equivalent branded prescription drug.

(2) A health-care provider from prescribing a prescription drug that is determined to be medically necessary.

(f) Clinical criteria used to establish a step therapy protocol shall be based on clinical criteria that:

(1) Recommend that the prescription drugs be taken in the specific sequence required by the step therapy protocol.

(2) Developed and endorsed by a multidisciplinary panel of experts that manages conflicts of interest among the members of the writing and review groups by:

a. Requiring members to disclose any potential conflict of interests with entities, including insurers, health plans, and pharmaceutical manufacturers and recuse themselves of voting if they have a conflict of interest.

b. Using a methodologist to work with writing groups to provide objectivity in data analysis and ranking of evidence through the preparation of evidence tables and facilitating consensus.

(3) Offer opportunities for public review and comments.

- (4) Based on peer reviewed studies, research, and medical practice.
 - (5) Created by an explicit and transparent process that:
 - a. Minimizes biases and conflicts of interest.
 - b. Explains the relationship between treatment options and outcomes.
 - c. Rates the quality of the evidence supporting recommendations.
 - d. Considers relevant patient subgroups and preferences.
 - e. Continually updated through a review of new evidence, research and newly developed treatments.
 - (6) When establishing a step therapy protocol, a utilization review entity shall also take into account the needs of atypical patient populations and diagnoses when establishing clinical criteria.
 - (7) This section shall not be construed to require insurers, health plans or the state to set up a new entity to develop clinical review criteria used for step therapy protocols.
 - (g) Any step therapy exception determination as defined by this subsection shall be eligible for appeal by an insured or their authorized representative, as outlined in Chapter 3 and Chapter 64 of this title.

§ 3301A. Pharmacy Audit Integrity Program [For application of this section, see 80 Del. Laws, c. 245, § 2].

The Pharmacy Audit Integrity Program is established to provide standards for an audit of pharmacy records carried out by a pharmacy benefits manager or any entity that represents pharmacy benefits managers.

(80 Del. Laws, c. 65, § 1; 80 Del. Laws, c. 245, § 1.)

§ 3302A. Definitions [For application of this section, see 80 Del. Laws, c. 245, § 2; and 83 Del. Laws, c. 256, § 15].

For purposes of this subchapter:

(1) “Entity” means a pharmacy benefits manager or any person or organization that represents these companies, groups, or organizations.

(2) “Pharmacy benefits manager” or “PBM” means an entity that contracts with pharmacists or pharmacies on behalf of a person to do any of the following:

a. Process claims for prescription drugs or medical supplies or provide retail network management for pharmacies or pharmacists.

b. Pay pharmacies or pharmacists for prescription drugs or medical supplies.

c. Negotiate rebates with manufacturers for drugs paid for or procured as described in this chapter.

(3) “Plan sponsor” means as defined under § 4405 of this title.

(80 Del. Laws, c. 65, § 1; 80 Del. Laws, c. 245, § 1; 83 Del. Laws, c. 256, § 1.)

§ 3303A. Pharmacy benefit manager contract [For application of this section, see 80 Del. Laws, c. 245, §? 2].

(80 Del. Laws, c. 65, § 1; 80 Del. Laws, c. 245, § 1.)

§ 3304A. Procedure and process for conducting and reporting an audit [For application of this section, see 80 Del. Laws, c. 245, §? 2].

(a) *Audit procedures.* — Unless otherwise prohibited by federal requirements or regulations, any entity conducting a pharmacy audit must adhere to the following procedures:

(1) A pharmacy must be given notice 14 days before an initial on-site audit is conducted.

(2) An audit that involves clinical or professional judgment must be conducted by or in consultation with a licensed pharmacist.

(3) Each pharmacy shall be audited under the same standards and parameters as other similarly situated pharmacies.

(4) A pharmacy must be given a range of prescription numbers in advance of the audit.

(b) *Audit process.* — Unless otherwise prohibited by federal requirements or regulations, for any entity conducting a pharmacy audit the following audit items apply:

(1) The period covered by the audit may not exceed 24 months from the date that the claim was submitted to or adjudicated by the entity, unless a longer period is required under state or federal law.

(2) If an entity uses random sampling as a method for selecting a set of claims for examination, the sample size must be appropriate for a statistically reliable sample. The auditing entity shall provide the pharmacy a masked list that provides a prescription number or date range that the auditing entity is seeking to audit.

(3) An on-site audit may not take place during the first 5 business days of the month or on a federal holiday unless consented to by the pharmacy.

(4) Auditors may not enter the pharmacy area unless escorted where patient-specific information is available and to the extent possible must be out of sight and hearing range of the pharmacy customers.

(5) Any recoupment will not be deducted against future remittances until after the appeals process and both parties have received the results of the final audit.

(6) A PBM may not require information to be written on a prescription unless the information is required to be written on the prescription by state or federal law. Recoupment may be assessed for items not written on the prescription if the required information is not readily available in print or electronic form for the auditor at the time of the audit and one or more of the following conditions applies:

- a. Additional information is required in the provider manual.
- b. The information is required by the Food and Drug Administration (FDA).
- c. The information is required by the drug manufacturer's product safety program.

(7) The auditing company or agent may not receive payment based on a percentage of the amount recovered. This section does not prevent the entity conducting the audit from charging or assessing the responsible party, directly or indirectly, based on amounts recouped if both of the following conditions are met:

- a. The plan sponsor and the entity conducting the audit have a contract that explicitly states the percentage charge or assessment to the plan sponsor; and
- b. A commission to an agent or employee of the entity conducting the audit is not based, directly or indirectly, on amounts recouped.

(80 Del. Laws, c. 65, § 1; 80 Del. Laws, c. 245, § 1.)

- (2) The reimbursable cost for a compounded medication shall be reflective of the ingredients, supplies and professional time reasonably required to create the finished product.
- (3) A finding of overpayment or underpayment must be based on the actual overpayment or underpayment and not a projection based on the number of patients served having a similar diagnosis or on the number of similar orders or refills for similar drugs.
- (4) The entity conducting the audit shall not use extrapolation in calculating the recoupment or penalties for audits unless required by state or federal law or regulations.
- (5) Calculations of overpayments must not include dispensing fees unless a prescription was not actually dispensed, the prescriber denied authorization, the prescription dispensed was a medication error by the pharmacy, or the identified overpayment is solely based on an extra dispensing fee.
- (6) An entity may not consider any clerical or record-keeping error, such as a typographical error, scrivener's error, or computer error regarding a required document or record as fraud, however such errors may be subject to recoupment.
- (7) In the case of errors that have no actual financial harm to the patient or plan, the PBM must not assess any chargebacks. Errors that are a result of the pharmacy failing to comply with a formal corrective action plan may be subject to recovery.
- (8) Interest may not accrue during the audit period for either party, beginning with the notice of the audit and ending with the final audit report.

(80 Del. Laws, c. 65, § 1; 80 Del. Laws, c. 245, § 1.)

§ 3306A. Documentation [For application of this section, see 80 Del. Laws, c. 245, §? 2].

(a) To validate the pharmacy record and delivery, the pharmacy may use authentic and verifiable statements or records including medication administration records of a nursing home, assisted living facility, hospital, physician, or other authorized practitioner or additional audit documentation parameters located in the provider manual.

(b) Any legal prescription that meets the requirements in this subchapter may be used to validate claims in connection with prescriptions, refills, or changes in prescriptions, including medication administration records, faxes, e-prescriptions, or documented telephone calls from the prescriber or the prescriber's agents.

(80 Del. Laws, c. 65, § 1; 80 Del. Laws, c. 245, § 1.)

§ 3307A. Appeals process [For application of this section, see 80 Del. Laws, c. 245, §? 2].

The entity conducting the audit must establish a written appeals process which must include appeals of preliminary reports and final reports.

(80 Del. Laws, c. 65, § 1; 80 Del. Laws, c. 245, § 1.)

§ 3308A. Audit information and reports [For application of this section, see 80 Del. Laws, c. 245, §? 2].

(a) A preliminary audit report must be delivered to the pharmacy within 30 days after the conclusion of the audit. The preliminary audit report shall contain claim level information for any discrepancy and an estimated recovery amount.

(b) A pharmacy must be allowed at least 45 days following receipt of the preliminary audit to provide documentation to address any discrepancy found in the audit.

(c) A final audit report must be delivered to the pharmacy within 120 days after receipt of the preliminary audit report or final appeal, whichever is later.

(d) An entity shall remit any money due to a pharmacy or pharmacist as a result of an underpayment of a claim within 45 days after the appeals process has been exhausted and the final audit report has been issued.

(80 Del. Laws, c. 65, § 1; 80 Del. Laws, c. 245, § 1.)

§ 3309A. Disclosures to plan sponsor [For application of this section, see 80 Del. Laws, c. 245, §? 2].

Where contractually required, an auditing entity must provide a copy to the plan sponsor of its claims that were included in the audit, and any recouped money shall be returned to the plan sponsor.

(80 Del. Laws, c. 65, § 1; 80 Del. Laws, c. 245, § 1.)

§ 3310A. Applicability of other laws and regulations [For application of this section, see 80 Del. Laws, c. 245, § 2].

This subchapter does not apply to any investigative audit that involves suspected fraud, wilful misrepresentation, abuse, or any audit completed by the State.

With respect to direct response insurance policies, the Commissioner may require by regulation that the prescribed brochure be provided upon request to any prospective insureds eligible for Medicare, but in no event later than the time of policy delivery.

(d) The Commissioner may adopt regulations for captions or notice requirements, determined to be in the public interest and designed to inform prospective insureds that particular insurance coverages are not Medicare supplement coverages, for all accident and sickness insurance policies sold to persons eligible for Medicare, other than:

The issuance or effectiveness of any Medicare supplement policy pursuant to this section shall not be conditioned on, nor shall the price of the policy be discriminatory based upon, the medical or health status or receipt of health care by the applicant; and no insurer shall perform individual medical underwriting on any applicant in connection with the issuance of a policy pursuant to this section.

(b) Premium rates for Medicare supplement policies and certificates issued pursuant to this section may differ between persons who qualify for Medicare who are 65 years of age or older and those who qualify for Medicare by reason of disability or end-stage renal disease and who are younger than 65 years of age. For those Medicare supplement policies and certificates that are issued to persons who are younger than 65 years of age and who qualify for Medicare by reason of disability or end-stage renal disease, insurers shall establish 2 separate rating pools for such persons, 1 pool specifically for end-stage renal disease and a separate pool for all other disabilities. For purposes of this section, any differences in premium rates shall be pursuant to rate schedules that are based on sound actuarial principles and shall be reasonable in relation to the benefits provided.

A group health insurance policy shall contain a provision that no action at law or in equity shall be brought to recover on the policy prior to the expiration of 90 days after proof of loss has been filed in accordance with the requirements of the policy and that no such action shall be brought at all unless brought within 3 years from the expiration of the time within which proof of loss is required by the policy.

(66 Del. Laws, c. 175, § 1.)

§ 3527. Information to debtors.

Any group health policy may provide that all or any portion of any indemnities provided by any such policy on account of hospital, nursing, medical or surgical services may, at the insurer's option, be paid directly to the hospital or person rendering such services, but the policy may not require that the service be rendered by a particular hospital or person. Payments so made shall discharge the insurer's obligation with respect to the amount of insurance so paid.

(18 Del. C. 1953, § 3506; 56 Del. Laws, c. 380; 66 Del. Laws, c. 175, § 1.)

§ 3541. Filing and required provisions in blanket policies.

Any insurer authorized to write health insurance in this State shall have the power to issue blanket health insurance. No such blanket policy, except as provided in § 2712 of this title, may be issued or delivered in this State unless a copy of the form thereof shall have been filed in accordance with such § 2712 of this title. Every such blanket policy shall contain provisions which in the opinion of the Commissioner are not less favorable to the policyholder and the individual insured than the following:

(1) A provision that the policy, including endorsements, copies of the applications, if any, of the policyholder and the persons insured shall constitute the entire contract between the parties, and that any statement made by the policyholder or by a person insured shall, in absence of fraud, be deemed a representation and not a warranty and that no such statements shall be used in defense to a claim under the policy, unless contained in a written application. Such person, his or her beneficiary, or assignee, shall have the right to make written request to the insurer for a copy of such application and the insurer shall, within 15 days after the receipt of such request at its home office or any branch office of the insurer, deliver or mail to the person making such request a copy of such application. Such written request shall provide the insurer with the full name and address of the insured, the policyowner and the policy number if known, or the written request shall contain such information that the insurer can reasonably be expected to locate the application. If such copy shall not be so delivered or mailed, the insurer shall be precluded from introducing such application as evidence in any action based upon or

involving any statements contained therein.

(2) A provision that written notice of sickness or of injury must be given to the insurer within 20 days after the date when such sickness or injury occurred. Failure to give notice within such time shall not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

(3) A provision that the insurer will furnish either to the claimant or to the policyholder for delivery to the claimant such forms as are usually furnished by it for filing proof of loss. If such forms are not furnished before the expiration of 15 days after giving of such notice, the claimant shall be deemed to have complied with the requirements of the policy as to proof of loss upon submitting, within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

(4) A provision that in the case of claim for loss of time for disability, written proof of such loss must be furnished to the insurer within 90 days after the commencement of the period for which the insurer is liable, and that subsequent written proofs of the continuance of such disability must be furnished to the insurer at such intervals as the insurer may reasonably require and that in the case of claim for any other loss, written proof of such loss must be furnished to the insurer within 90 days after the date of such loss. Failure to furnish such proof within such time shall not invalidate or reduce any claim if it shall be shown not to have been reasonably possible to furnish such proof and that such proof was furnished as soon as was reasonably possible.

(5) A provision that all benefits payable under the policy other than benefits for loss of time will be payable immediately upon receipt of due written proof of such loss, and that, subject to due proof of loss, all accrued benefits payable under the policy for loss of time will be paid not less frequently than monthly during the continuance of the period for which the insurer is liable and that any balance remaining unpaid at the termination of such period will be paid immediately upon receipt of such proof.

(6) A provision that the insurer at its own expense shall have the right and opportunity to examine the person of the insured when and so often as it may reasonably require during the pendency of claim under the policy and also the right and opportunity to make an autopsy where it is not prohibited by law.

(7) A provision that no action at law or in equity shall be brought to recover under the policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of the policy and that no such action shall be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

(18 Del. C. 1953, § 3507; 56 Del. Laws, c. 380, § 1; 66 Del. Laws, c. 175, § 1; 70 Del. Laws, c. 186, § 1.)

§ 3542. Application and certificates not required.

An individual application need not be required from a person covered under a blanket health policy or contract nor shall it be necessary for the insurer to furnish each person a certificate.

(18 Del. C. 1953, § 3508; 56 Del. Laws, c. 380, § 1; 66 Del. Laws, c. 175, § 1.)

§ 3543. Payment of benefits under blanket policy.

All benefits under any blanket health policy or contract shall be payable to the person insured, or to his or her designated beneficiary or beneficiaries, or to his or her estate, except that if the person insured be a minor or otherwise not competent to give a valid release, such benefits may be made payable to his or her parent, guardian or other person actually supporting him or her. Except, however, that the policy may provide that all or a portion of any indemnities provided by any such policy on account of hospital, nursing, medical or surgical services may, at the option of the insurer, and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services, but the policy may not require that the service be rendered by a particular hospital or person. Payment so made shall discharge the obligation of the insurer with respect to the amount of insurance so paid.

(18 Del. C. 1953, § 3509; 56 Del. Laws, c. 380, § 1; 66 Del. Laws, c. 175, § 1; 70 Del. Laws, c. 186, § 1.)

§ 3551. Filing of rates.

Except for credit health insurance, the rates of group health insurance and blanket health insurance shall be filed pursuant to and be subject to the requirements of Chapter 25 of this title. Rates for credit health insurance shall be filed pursuant to the requirements of Chapter 37 of this title.

Such screening shall be deemed a covered service, notwithstanding policy exclusions for services which are part of or related to annual or routine examinations.

(b) All group and blanket health insurance policies which are delivered or issued for delivery in this State by any health insurer or health service corporation and which provide benefits for outpatient services shall provide to covered persons residing or having their principal place of employment in this State and being age 50 or above a benefit for prostate cancer screening, commonly known as a prostatic specific antigen (PSA) test. Such screening shall be deemed a covered service, notwithstanding policy exclusions or services which are part of or related to annual or routine examinations.

(c) All group and blanket health insurance policies which are delivered or issued for delivery in this State by any health insurer or health service corporation and which provide benefits for outpatient services shall provide to covered persons residing or having their principal place of employment in this State a benefit for:

c. A mammogram every year for asymptomatic women age 50 and over, or as otherwise declared appropriate by the Director of the Division of Public Health or the Director's designee from time to time.

(2) A mammographic examination prescribed by a physician for any woman based on such physician's evaluation of the woman's physical conditions, symptoms or risk factors indicating a probability of breast cancer higher than the general population.

Such screening shall be deemed a covered service, notwithstanding policy exclusions for services which are part of or related to annual or routine examinations.

The benefit paid for a mammogram as a covered service under this subsection (c) shall not exceed the least expensive cost of a mammogram at a qualified imaging facility located at a fixed location in the county in this State in which the woman resides or in the county in this State where the principal place of employment of the woman, or the employee under whose group or blanket health insurance the woman is covered, is located, or the county in this State in which the woman actually has the mammogram. The cost of the benefit shall include both the facility and radiologist's fees. The least expensive cost for a mammogram determining the maximum benefit under this subsection during each calendar year shall be the least expensive cost as of the first day of such calendar year in each county of the State.

For the purposes of this subsection, "qualified imaging facility" shall mean a diagnostic facility having a certificate or provisional certificate issued by any state agency (of this State or any other state) approved by the Secretary of the Department of Health and Human Services to accredit facilities and issue certificates and provisional certificates for the purposes of the Mammography Quality Standards Act of 1992, 42 U.S.C. § 263b, or having an application for certification filed and pending with such state agency; provided, however, that in the event no such state agency certification program or procedure is in effect under the Mammography Quality Standards Act of 1992 in the state in which the woman has the mammogram performed, "qualified imaging facility" shall mean a diagnostic facility having equipment certified by the American College of Radiology, and being certified by the American College of Radiology or having an application for certification filed and pending with the American College of Radiology.

(d) Nothing in this section shall prevent the operation of such policy provisions as deductibles, coinsurance, allowable charge limitations, coordination of benefits or provisions restricting coverage to services by licensed, certified or carrier-approved providers or facilities.

(66 Del. Laws, c. 281, § 1; 68 Del. Laws, c. 432, § 1; 69 Del. Laws, c. 166, §§ 1, 2; 70 Del. Laws, c. 147, § 26; 70 Del. Laws, c. 186, § 1; 71 Del. Laws, c. 425, § 1.)

statute in the state where the service is delivered, or for the cost of birthing facilities, the insured or any other person covered by the policy, contract or certificate, or health services or facilities reimbursement program shall be entitled to reimbursement for such service or use of the facilities performed by a duly licensed certified nurse midwife practicing within those areas for which the certified nurse midwife is licensed in the state where the licensed certified nurse midwife is practicing. Whenever such service is performed by a licensed certified nurse midwife and reimbursed by a professional health services plan corporation, the licensed certified nurse midwife shall be granted such rights of participation, plan admission and registration as may be granted by the professional health services plan corporation, to a physician or osteopath performing such a service. When payment is made for health-care services performed by a licensed certified nurse midwife, no payment or reimbursement shall be payable to a physician or osteopath for the services performed by the licensed certified nurse midwife.

(e) For the purposes of this section, "midwifery" shall only include those having the following qualifications:

- (1) Anticancer medication under the prescription drug benefit, or

(2) Intravenous or injected anticancer medications.

For purposes of this section, the term “cost sharing” may include co-pays, coinsurance, and deductibles, as considered appropriate by the Commissioner.

(78 Del. Laws, c. 233, § 2.)

§ 3555B. Coverage of drugs approved for treatment of certain cancers [For application of this section, see 81 Del. Laws, c. 180, §§ 3 and 4].

No group or blanket policy or contract of health insurance, or certificate issued thereunder which is delivered, issued for delivery, renewed, modified, altered, or amended in this State that directly or indirectly covers the treatment of cancer shall limit or exclude coverage for a drug approved by the United States Food and Drug Administration by mandating that the insured shall first be required to fail to successfully respond to a different drug or drugs or prove a history of failure of such drug or drugs; provided, however that the use of such drug or drugs is consistent with best practices for the treatment of stage 4 advanced, metastatic cancer or in the case of other cancers, the use of the drug is supported by national clinical guidelines, national standards of care, or for the treatment of the cancer, or in the case of targeted therapy, the target at issue.

(81 Del. Laws, c. 180, § 2.)

§ 3556. Obstetrical and gynecological coverage.

(a) This section applies to every group or blanket policy or contract of health insurance, or certificate issued thereunder, which is delivered or issued for delivery in this State that requires an insured, participant, policyholder, subscriber or beneficiary to designate a participating primary care provider.

(b) Any such policy or contract shall permit each female enrolled insured, participant, policyholder, subscriber or beneficiary to designate a participating, in-network, obstetrician-gynecologist as the enrollee’s primary care provider if:

(1) The obstetrician-gynecologist meets the standards established by the insurance plan for primary care providers;

(2) The obstetrician-gynecologist requests that the insurer makes the obstetrician-gynecologist available for designation as a primary care provider;

(3) The obstetrician-gynecologist agrees to accept the payment terms applicable under the plan to primary care providers for services other than obstetrician-gynecological services; and

(4) The obstetrician-gynecologist agrees to abide by all other terms and conditions applicable to primary care physicians under the plan generally.

(c) If a female enrolled insured, participant, policyholder, subscriber or beneficiary has designated a primary care provider who is not an obstetrician-gynecologist, then the policy or contract shall not require as a condition to the coverage of the services of a participating in-network obstetrician-gynecologist that a female enrollee first obtain a referral from another primary care physician, and shall permit the female enrolled insured, participant, policyholder, subscriber or beneficiary to have direct access to the health-care services of an in-network obstetrician-gynecologist participating in the plan, within the benefits provided under that plan. In such cases the obstetrician-gynecologist shall consult with the primary care physician with respect to the care given and any follow-up care, and the plan may require a visit to the primary care physician, if necessary, before the patient may be directed to another specialty provider, or for inpatient hospitalization or outpatient surgical procedures.

(d) For purposes of this section, “health-care services” means the full scope of medically necessary services provided by the participating obstetrician-gynecologist within the benefits provided under that plan.

(e) This section shall not be construed to require an individual obstetrician-gynecologist to accept primary care physician status if the obstetrician-gynecologist does not wish to be designated as a primary care physician, nor to interfere with the credentialing and other selection criteria usually applied by a health benefit plan with respect to other physicians within its network.

(f) Any such policy or contract may not impose a copayment, coinsurance requirement or deductible for directly accessed obstetric and

gynecologic services as required in this section, unless such additional cost sharing is imposed for access to health-care practitioners for other types of health-care services.

(g) If a policy or contract limits an insured's access to a network of participating providers for other health-care services, then it may limit access for obstetric and gynecologic services, but the policy or contract shall include in all its provider networks sufficient numbers of obstetrician-gynecologists to accommodate the direct access needs of their female enrollees.

(h) Each such policy or contract shall provide notice to female enrolled participants, policyholders, subscribers and beneficiaries regarding the coverage required by this chapter. The notice shall be in writing, printed in type not less than 8 points, and prominently positioned in any literature or correspondence, including benefit handbooks and enrollment materials. Policies or contracts shall include an explanation of any voluntary process of preauthorization of services available to female enrollees and obstetrician-gynecologists. The enrollee handbook explanation shall include information regarding any limitation to direct access, including, but not limited to, a closed network of providers, or any limitation on access to an obstetrician-gynecologist based on a female's choice of primary care provider.

b. If there is a therapeutic equivalent of a drug, device, or other product for an FDA-approved contraceptive method, the health benefit plan may provide coverage for more than 1 drug, device, or other product and may impose cost-sharing requirements as long as at least 1 drug, device, or other product for that method is available without cost-sharing. If, however, an individual's attending provider recommends a particular FDA-approved contraceptive based on a medical determination with respect to that individual, regardless of whether the contraceptive has a therapeutic equivalent, the health benefit plan shall provide coverage for the prescribed contraceptive drug, device, or product without cost-sharing.

(c) (1) Coverage provided under this section is not subject to any deductible, coinsurance, copayment, or any other cost-sharing requirement, except under paragraph (b)(1) of this section or as otherwise required under federal law. Coverage offered under this section may not impose unreasonable restrictions or delays in the coverage, except that reasonable medical management techniques may be applied to coverage within a method category, as defined by the FDA, but not across types of methods.

(2) Coverage provided to a covered individual under this section shall be the same for the covered individual's covered spouse and covered dependents.

(d) This section does not preclude coverage for contraceptive drugs, devices, products, and procedures as prescribed by a provider for reasons other than contraceptive purposes, including decreasing the risk of ovarian cancer, eliminating symptoms of menopause, or providing contraception that is necessary to preserve the life or health of the covered individual.

(e) The plan is not required under this section to cover experimental or investigational treatments.

(f) A religious employer may request and an entity subject to this section shall grant an exclusion from coverage under the policy, plan, or contract for the coverage required under this section for the insertion and removal and medically necessary examination associated with the use of FDA-approved drugs or devices if the required coverage conflicts with the religious organization's bona fide religious beliefs and practices. (d) Nothing in this section shall be construed to prevent a group health benefit plan from negotiating the level and type of reimbursement with a provider for care provided in accordance with this section.

§ 3564. Referrals.

(a) This section applies to every group or blanket policy or contract of health insurance, including each policy or contract issued by a health service corporation, which is delivered or issued for delivery in this State and which designates network physicians or providers or preferred physicians or providers (hereinafter referred to collectively as “network providers”).

(b) All individual and group health insurance policies shall provide that if medically necessary covered services are not available through network providers, or the network providers are not available within a reasonable period of time, the insurer, on the request of a network provider, within a reasonable period, shall allow referral to a non-network physician or provider and shall reimburse the non-network physician or provider at a previously agreed-upon or negotiated rate. In such circumstances, the non-network physician or provider may not balance bill the insured. Such a referral shall not be refused by the insurer absent a decision by a physician in the same or a similar specialty as the physician to whom a referral is sought that the referral is not reasonably related to the provision of medically necessary services.

(c) All individual and group health insurance policies which do not allow insureds to have direct access to health-care specialists shall establish and implement a procedure by which insureds can obtain a standing referral to a health-care specialist.

(d) The procedure established under subsection (c) of this section:

- (1) Shall provide for a standing referral to a specialist if the insured’s network provider determines that the insured needs continuing care from the specialist; and
- (2) May require the insurer’s approval of an initial treatment plan designed by the specialist containing:
 - a. A limit on the number of visits to the specialist;
 - b. A time limit on the duration of the referral; and
 - c. Mandatory updates on the insured’s condition.

Such approval shall not be withheld absent a decision by a qualified physician that the treatment sought in the treatment plan is not reasonably related to the appropriate treatment of the insured’s condition.

Within the treatment period referred to in paragraph (d)(2) of this section, the specialist shall be permitted to treat the insured without a further referral from the insured's network provider and may authorize such further referrals, procedures, tests and other medical services as the individual's network provider would otherwise be permitted to provide or authorize, provided that such further referrals, procedures, tests and other medical services are part of treating the patient for the condition for which the patient was referred to the specialist. Referrals, procedures, tests and other medical services referred to in this subsection shall be provided by network providers unless such services are not available through network providers, or the network providers are not available within a reasonable period of time. If services are not available through network providers, or the network providers are not available within a reasonable period of time, the out-of-network provider shall be reimbursed at an agreed-upon or negotiated rate. In such circumstances, the non-network provider may not balance bill the insured.

(e) Nothing in this section shall prevent the operation of policy provisions involving deductibles or copayments.

(73 Del. Laws, c. 96, § 8; 73 Del. Laws, c. 315, § 8.)

§ 3565. Emergency care.

(a) This section applies to every group or blanket policy or contract of health insurance, including each policy or contract issued by a health service corporation, which is delivered or issued for delivery in this State and which designates network physicians or providers or preferred physicians or providers (hereinafter referred to collectively as “network providers”). However, this section applies only to conditions for which coverage is provided by those policies or contracts.

(b) All individual and group health insurance policies shall provide that persons covered under those policies will be insured for emergency care services performed by non-network providers at an agreed-upon or negotiated rate, regardless of whether the physician or provider furnishing the services has a contractual or other arrangement with the insurer to provide items or services to persons covered under the policies. In the event that the provider of emergency services and the insurer cannot agree upon the appropriate rate, the provider

shall be entitled to those charges and rates allowed by the Insurance Commissioner or the Commissioner's designee following an arbitration of the dispute. The Insurance Commissioner shall adopt regulations concerning the arbitration of such disputes. In such circumstances, the non-network provider may not balance bill the insured.

(c) Prior to a determination by the Insurance Commissioner's (or the Commissioner's designee) of those charges and rates allowed by the providers of emergency services pursuant to subsection (b) of this section, the insurer will pay directly to the non-network emergency care provider the highest allowable charge for each emergency care service allowed by the insurer for any other network or non-network emergency care provider during the full 12-month period immediately prior to the date of each emergency care service performed by the non-network provider. The Insurance Commissioner is authorized to adopt regulations concerning the provisions of this subsection (c).

(d) Plans described in subsections (a) and (b) of this section shall cover:

(e) Nothing in this section shall prevent the operation of policy provisions involving deductibles or copayments. As used in this section "emergency medical condition" means a medical or behavioral condition the onset of which is sudden, that manifests itself by symptoms of sufficient severity, including, but not limited to, severe pain, that a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of immediate medical attention to result in:

The Insurance Commissioner may, in the Commissioner's discretion, impose a schedule of maximum fees that can be charged by an arbitrator for a given type of arbitration.

The Insurance Commissioner may, in the Commissioner's discretion, impose a schedule of maximum fees that can be charged by an arbitrator for a given type of arbitration.

(d) Prior to the determination by the Insurance Commissioner, or the Commissioner's designee, of the allowable charge or the amount of payment to be made for an ambulance run and associated basic life support (BLS) services, the health insurer, health service corporation, health maintenance organization, or managed care organization will pay directly to the volunteer ambulance company the charge assessed by the volunteer ambulance company for the run and basic life support (BLS) services provided, which shall not be subject to reimbursement after the Commissioner's determination. The Insurance Commissioner is authorized to adopt regulations concerning the provisions of this subsection.

(e) Nothing in this section shall prevent the operation of policy provisions involving deductibles or copayments.

(a) *Definitions.* — As used in this section:

(1) “Carrier” means any entity that provides health insurance in this State. For the purposes of this section, “carrier” includes an insurance company, health service corporation, health maintenance organization, and any other entity providing a plan of health insurance or health benefits subject to state insurance regulation. “Carrier” also includes any third-party administrator or other entity that adjusts, administers, or settles claims in connection with health benefit plans.

(c) Subsection (b) of this section may not be construed to require:

(1) Coverage for services provided to a dependent prior to May 30, 2007;

(2) That an employer pay all or part of the cost of coverage for a dependent as provided pursuant to this section; or

(3) Coverage for services rendered prior to a dependent’s election pursuant to subsection (e) of this section and payment of premium required under subsection (g) of this section.

The election must be made:

(1) Within 30 days prior to the termination of coverage at the specific age provided in the contract’s language;

(2) Within 30 days after meeting the requirements for dependent status as set forth in subsection (a) of this section, when coverage for the dependent under the contract’s language had previously terminated; or

(3) During an open enrollment period, as provided pursuant to the contract, if the dependent meets the requirements for dependent status as set forth in subsection (a) of this section during the open enrollment period.

Coverage for a dependent who makes a written election for coverage may not be conditioned upon or discriminate on the basis of lack of evidence of insurability.

(e) Notwithstanding the time limitations imposed by subsection (d) of this section, until May 30, 2008, a dependent who qualifies for dependent status as set forth in subsection (a) of this section, but whose coverage as a dependent under a covered person’s contract terminated under the terms of the contract prior to May 30, 2007, may make a written election to reinstate coverage under that contract as a dependent pursuant to this section.

(f) Coverage for a dependent who makes a written election for coverage pursuant to subsection (d) of this section consists of coverage which is identical to the coverage that would have been provided to that dependent had that dependent not been terminated from the contract due to the dependent’s age.

(g) A covered person’s contract may require payment of a premium by the covered person or dependent, subject to any approvals required by Delaware law, for any period of coverage relating to a dependent’s written election for coverage pursuant to subsection (d) of this section. The payment may not exceed 102% of the applicable portion of the premium previously paid for that dependent’s coverage under the contract prior to the termination of coverage at the specific age provided in the contract.

(h) The applicable portion of the premium previously paid for a dependent’s coverage under subsection (g) of this section is determined pursuant to regulations promulgated by the Department of Insurance, based upon the difference between the contract’s rating tiers for adult and dependent coverage or family coverage, as appropriate, and single coverage, or based upon any other formula or dependent rating tier which provides a substantially similar result and is considered appropriate by the Department of Insurance.

(i) Coverage for a dependent provided pursuant to this section must be provided until the earlier of the following:

(1) The dependent is no longer a dependent as defined in subsection (a) of this section;

(2) The date on which coverage ceases under the contract by reason of a failure to make a timely payment of any premium required under the contract by the covered person or dependent for coverage provided pursuant to this section. The payment of any premium is considered to be timely if made within 30 days after the due date or within a longer period as provided for by the contract; or

(3) The date upon which the employer under whose contract coverage is provided to a dependent ceases to provide coverage to the covered person.

(j) Prominent notice regarding coverage for a dependent as provided pursuant to this section must be provided to a covered person by the carrier:

- (1) In the certificate of coverage prepared for covered persons by the carrier on or about the date of commencement of coverage; and
- (2) Upon each renewal, but at least once annually; and
- (3) By June 29, 2007.

No insurer shall terminate coverage or refuse to deliver, execute, issue, amend, adjust, or renew coverage to a group solely because an individual in that group or a family member of an individual in that group is diagnosed with 1 of the autism spectrum disorders or has received treatment for autism spectrum disorders. Coverage under this section shall not be denied on the basis that the treatment is habilitative or nonrestorative in nature.

(b) Coverage for applied behavior analysis services under this section by an insurer shall be subject to a maximum benefit of \$36,000 per 12-month period per person, but shall not be subject to any limits on the number of visits an individual may make to an autism services provider, or that a provider may make to an individual, regardless of the locations in which services are provided. After December 31, 2012, the Insurance Commissioner shall, on or before April 1 of each calendar year, publish in the Delaware Register of Regulations an adjustment to the maximum benefit equal to the change in the United States Department of Labor Consumer Price Index for all Urban Consumers (CPI-U) in the preceding year and the published adjusted maximum benefit shall be applicable to all health insurance policies issued or renewed thereafter. Payments made by an insurer on behalf of a covered individual for treatment unrelated to applied behavior analysis shall not be applied toward any maximum benefit established under this subsection.

(c) The coverage required under this section shall not be subject to dollar limits, deductibles, or coinsurance provisions that are less favorable to an insured than the dollar limits, deductibles, or coinsurance provisions that apply to physical illness generally under the health benefit plan, except as otherwise provided in subsection (b) of this section.

(d) This section shall not be construed as limiting benefits that are otherwise available to an individual or family member under their health benefit plan.

(e) As used in this section:

Any care for individuals with autism spectrum disorders that is determined by the Secretary of the Department of Health and Social Services, based upon their review of best practices and/or evidence-based research, to be medically necessary. The Secretary shall inform the Insurance Commissioner of such determination, and upon receiving notice the Insurance Commissioner shall issue a bulletin stating that any such care, treatment, intervention, service, or item that was not previously covered shall be included in any health benefit plan delivered, executed, issued, amended, adjusted, or renewed on or after 120 days following the date of such bulletin.

(f) The Department of Health and Social Services shall promulgate regulations establishing standards for certifying qualified autism services providers by June 11, 2013. If an autism services provider meets recognized national certification as a board-certified behavior analyst, such autism services provider shall be deemed to have met the standards to be established under this section to provide applied behavioral analysis services. Once the regulations are promulgated, payment for the treatment of autism spectrum disorders covered under this section shall only be required to be made to autism services providers who meet the standards.

(g) Except for inpatient services, if an individual is receiving treatment for autism spectrum disorders, an insurer will have the right to request a review of that treatment not more than once every 12 months unless the insurer and the licensed physician or licensed psychologist agree that a more frequent review is necessary. The cost of obtaining any review shall be borne by the insurer.

(h) This section shall not be construed as affecting any obligation to provide services to an individual under an individualized family service plan (IFSP); an individualized education program (IEP); an individual plan for employment (IPE); a 504 plan; or an individualized service plan, including an essential lifestyle plan (ELP).

(i) The Insurance Commissioner may promulgate rules and regulations as may be necessary or appropriate to implement and administer this section, except for subsection (f) of this section.

§ 3571E. Reimbursement for orthotic and prosthetic services.

(a) *Definitions.* — For purposes of this section:

(1) “Federal reimbursement rates” means the current listed fee schedule from the Centers for Medicare and Medicaid Services, listing the current Healthcare Common Procedure Coding System (HCPCS) and the corresponding reimbursement rates.

(2) “Orthosis” means a custom fabricated brace or support that is designed based on medical necessity. Orthosis does not include prefabricated or direct-formed orthotic devices or any of the following assistive technology devices: commercially available knee orthoses used following injury or surgery; spastic muscle-tone inhibiting orthoses; upper extremity adaptive equipment; finger splints; hand splints; wrist gauntlets; face masks used following burns; wheelchair seating that is an integral part of the wheelchair and not worn by the patient independent of the wheelchair; fabric or elastic supports; corsets; low-temperature formed plastic splints; trusses; elastic hose; canes; crutches; cervical collars; dental appliances; and any other similar devices as determined Secretary of the Department of Health and Social Services, commonly carried in stock by a pharmacy, department store, or surgical supply facility.

(3) “Orthotics” means the science and practice of evaluating, measuring, designing, fabricating, assembling, fitting, adjusting, or servicing, as well as providing the initial training necessary to accomplish the fitting of, an orthosis for the support, correction, or alleviation of neuromuscular or musculoskeletal dysfunction, disease, injury, or deformity. The practice of orthotics encompasses evaluation, treatment, and consultation; with basic observational gait and postural analysis, orthotists assess and design orthoses to maximize function and provide not only the support but also the alignment necessary to either prevent or correct a deformity or to improve the safety and efficiency of mobility, locomotion, or both. Orthotic practice includes providing continuing patient care in order to assess its effect on the patient’s tissues and to assure proper fit and function of the orthotic device through periodic evaluation.

(4) “Prosthesis” means an artificial limb that is alignable or, in lower-extremity applications, capable of weight bearing. Prosthesis means an artificial medical device that is not surgically implanted and that is used to replace a missing limb, appendage, or other external human body part including an artificial limb, hand, or foot. adjusting, or servicing, as well as providing the initial training necessary to accomplish the fitting of, a prosthesis through the replacement of external parts of a human body lost due to amputation, congenital deformities, or abscesses. The practice of prosthetics also includes the generation of an image, form, or mold that replicates the patient's body or body segment and that requires rectification of dimensions, contours, and volumes for use in the design and fabrication of a socket to accept a residual anatomic limb to, in turn, create an artificial appendage that is designed either to support body weight or to improve or restore function or cosmesis, or both. Involved in the practice of prosthetics is observational gait analysis and clinical assessment of the requirements necessary to refine and mechanically fix the relative position of various parts of the prosthesis to maximize function, stability, and safety of the patient. The practice of prosthetics includes providing and continuing patient care in order to assess the prosthetic device's effect on the patient's tissues and to assure proper fit and function of the prosthetic device through periodic evaluation.

(b) Every group and blanket health insurance contract, plan, or policy which is delivered, issued for delivery, or renewed in this State on or after January 1, 2012, and which provides medical coverage that includes coverage for physician services in a physician's office, and every policy which provides major medical or similar comprehensive type coverage, shall provide reimbursement for orthotic and prosthetic devices at least equal to federal reimbursements rates provided for under federal laws for health insurance for the aged and disabled pursuant to 42 U.S.C. §§ 1395k, 1395l, and 1395m and 42 C.F.R. §§ 414.202, 414.210, 414.228, and 410.100, as applicable to this section.

(e) The repair and replacement of orthotic or prosthetic devices also shall be covered subject to co-payments and deductibles, unless necessitated by misuse or loss.

(f) An insurer may require, if coverage is provided through a managed care plan, that benefits mandated pursuant to this section be covered benefits only if the orthotic or prosthetic devices are provided by a vendor, and orthotic or prosthetic services are rendered by a provider, who is licensed by the State to provide orthotics and prosthetics.

- (5) Medicare supplement;
- (6) Limited benefit health;

The coverage shall be effective as of the date of the qualifying event and shall be the same as the coverage in effect at the time of the qualifying event or any replacement coverage.

d. An administrator or its designee notified under paragraph (4)c. of this section of an election of continuation coverage shall notify the insurer within 14 days of the covered employee's or eligible dependent's election.

e. Except as otherwise specified in an election, any election of continuation coverage by an eligible dependent shall be deemed to include an election of continuation coverage on behalf of any other eligible dependent who would lose coverage under the plan by reason of the qualifying event.

(5) a. The covered employee or eligible dependent requesting the continuation of coverage must pay to the administrator or its designee, on a monthly basis, the amount of contribution required to be paid by the covered employee or eligible dependent to continue the coverage.

b. The premium contribution may not be more than 102% of the group rate of the insurance being continued on the due date of each payment.

c. Nothing in this section shall require the employer to contribute to the deductible of an employee holding a health savings account as defined in the Internal Revenue Code of 1986 (Public Law 99-514, 26 U.S.C. § 223(d)) or other medical spending account as a component of the group policy after the termination date as long as scheduled payments have been made.

§ 3571G. School-based health centers.

(a) For purposes of this section, a school-based health center (SBHC) is a health clinic that:

- (1) Is located in or near a school facility;
- (2) Is organized through school and health provider relationships;
- (3) Provides through licensed professionals primary health services to children, including comprehensive health assessments, diagnosis, and treatment of minor, acute, and chronic medical conditions, referrals to and follow-up for specialty care and oral and vision health services, mental health and substance use disorder assessments, crisis intervention, counseling, treatment, and referral to a continuum of mental health and substance abuse services including emergency psychiatric care, community support programs, inpatient care, and outpatient programs; and

(b) The Delaware Division of Public Health (DPH) shall have sole authority to determine whether a facility is an SBHC as defined in subsection (a) of this section.

(c) Except as noted herein, benefits provided under any group or blanket health insurance policy which is delivered, issued for delivery, or renewed in this State shall reimburse SBHCs for covered services provided by SBHCs as if those services were provided by a network provider under the relevant contract of insurance. In the absence of an agreement between a carrier and an SBHC on reimbursement, reimbursement for such services shall be at the rate established by the Division of Medicaid and Medical Assistance for those services. Any insurance contract term purporting to exclude otherwise covered services on the basis that they are performed by an SBHC shall be void except as specifically permitted under this chapter.

(d) If DPH has approved an SBHC, that approval shall be deemed sufficient to meet the carrier's standards for inclusion in its network or for being eligible for payment by the carrier.

(e) SBHCs shall not charge co-pays or any other out-of-pocket fees to students for use of SBHC services. Insurance carriers shall not incur any additional financial liability by virtue of this subsection.

- (1) Regulations governing reporting to and interaction with students' primary care providers; and
- (2) Regulations regarding promotion of vaccinations among student users of SBHCs.

(b) (1) The rules of this section do not prevent a group health plan, or a health insurance issuer offering group or individual health insurance coverage, from placing annual or lifetime dollar limits with respect to any individual on specific covered benefits that are not essential health benefits to the extent that such limits are otherwise permitted under applicable federal or state law.

(2) The rules of this section do not prevent a group health plan, or a health insurance issuer offering group or individual health insurance coverage, from excluding all benefits for a condition. However, if any benefits are provided for a condition, then the requirements of this section apply. Other requirements of federal or state law may require coverage of certain benefits.

(c) The term "essential health benefits" as used in this section means essential health benefits under § 1302(b) of the Patient Protection and Affordable Care Act [42 U.S.C. § 18022(b)], as the law and its implementing regulations were in effect on January 1, 2018; Delaware law; and applicable state regulations.

(d) (1) With respect to plan years beginning prior to January 1, 2014, a group health plan, or a health insurance issuer offering group or individual health insurance coverage, may establish, for any individual, an annual limit on the dollar amount of benefits that are essential health benefits, provided the limit is no less than the following amounts:

- b. For a plan year beginning on or after September 23, 2011, but before September 23, 2012, \$1,250,000.

c. For plan years beginning on or after September 23, 2012, but before January 1, 2014, \$2,000,000.

(2) In determining whether an individual has received benefits that meet or exceed the applicable amount described in paragraph (d)(1) of this section, a plan or issuer must take into account only essential health benefits.

(79 Del. Laws, c. 99, § 8; 82 Del. Laws, c. 186, § 4.)

§ 3571J. Guaranteed availability of coverage [For application of this section, see 79 Del. Laws, c. 99, § 19].

(a) *Guaranteed availability of coverage in the group market.* — Subject to subsections (b)-(d) of this section, a health insurer that offers health insurance coverage in the group market in this State must offer to any employer in this State all products that are approved for sale in the group market, and must accept any employer that applies for any of those products.

(b) *Enrollment periods.* — A health insurer may restrict enrollment in health insurance coverage to open or special enrollment periods.

(1) a. *Open enrollment periods in the group market.* — A health insurer in the group market must permit an employer to purchase health insurance coverage for a group health plan at any point during the year. In the case of health insurance coverage offered in the small group market, a health insurer may decline to offer coverage to a plan sponsor that is unable to comply with a material plan provision relating to employer contribution or group participation rules under applicable state law and, in the case of a qualified health plan offered in the Small Business Health Options Program (SHOP), as permitted by 45 C.F.R. § 156.285(c). For purposes of this paragraph (b)(1):

1. “Employer contribution rule” means a requirement relating to the minimum level or amount of employer contribution toward the premium for enrollment of participants and beneficiaries.

2. “Group participation rule” means a requirement relating to the minimum number of participants or beneficiaries that must be enrolled in relation to a specific percentage or number of eligible individuals or employees of an employer.

b. With respect to coverage in the small group market, and in the large group market if such coverage is offered in a SHOP in the State, coverage for a group enrollment received from a qualified employer at the time of an initial group enrollment or renewal becomes effective as follows:

1. Between the first and fifteenth day of any month, the health insurer or SHOP must ensure a coverage effective date of the first day of the following month unless the employer opts for a later effective date within a quarter for which small group market rates are available.

2. Between the sixteenth and last day of any month, the health insurer or SHOP must ensure a coverage effective date of the first day of the second following month unless the employer opts for a later effective date within a quarter for which small group market rates are available.

(2) *Special enrollment periods.* — A health insurer in the group market shall establish special enrollment periods for qualifying events as defined under § 603 of the Employee Retirement Income Security Act of 1974 [29 U.S.C. § 1163], as amended. Enrollees must be provided 30 calendar days after the date of the qualifying event to elect coverage, with such coverage becoming effective consistent with the dates described in 45 C.F.R. § 155.420(b), as in effect on January 1, 2018. These special enrollment periods are in addition to any other special enrollment periods that are required under federal and state law.

(c) *Special rules for network plans.* — (1) In the case of a health insurer that offers health insurance coverage in the group market through a network plan, the health insurer may do the following:

a. Limit the employers that may apply for the coverage to those with eligible individuals in the group market who live, work or reside in the service area for the network plan.

b. Within the service area of the plan, deny coverage to employers if the carrier has demonstrated to the Commissioner the following:

1. It will not have the capacity to deliver services adequately to enrollees of any additional groups because of its obligations to existing group contract holders and enrollees.

2. It is applying paragraph (c)(1) of this section uniformly to all employers without regard to the claims experience of those employers and their employees (and their dependents) or any health-status related factor relating to such employees and dependents.

(2) A health insurer that denies health insurance coverage to an employer in any service area, in accordance with paragraph (c)(1)b. of this section, may not offer coverage in the group market within the service area to any employer for a period of 180 calendar days after the date the coverage is denied. This paragraph (c)(2) does not limit the health insurer’s ability to renew coverage already in force or relieve the carrier of the responsibility to renew that coverage.

(3) Coverage offered within a service area after the 180-day period specified in paragraph (c)(2) of this section is subject to the requirements of this section.

(d) *Application of financial capacity limits.* — (1) A health insurer may deny health insurance coverage in the group market if the health insurer has demonstrated to the Commissioner the following:

a. It does not have the financial reserves necessary to underwrite additional coverage.

b. It is applying this paragraph (d)(1) uniformly to all employers in the group market in this State consistent with applicable state law and without regard to the claims experience of those employers and their employees (and their dependents) or any health status-related factor relating to such employees and dependents.

(2) A health insurer that denies health insurance coverage to any employer in this State under paragraph (d)(1) of this section may not offer coverage in the group market in this State before the later of either of the following dates:

- a. The one hundred and eighty-first day after the date the health insurer denies coverage;
- b. The date the health insurer demonstrates to the Commissioner that the carrier has sufficient reserves to underwrite additional coverage.

(3) Paragraph (d)(2) of this section does not limit the carrier’s ability to renew coverage already in force or relieve the carrier of the responsibility to renew that coverage.

(4) Coverage offered after the 180-day period specified in paragraph (d)(2) of this section is subject to the requirements of this section.

(5) The Commissioner may provide for the application of this subsection (d) on service-area-specific basis.

(e) *Marketing.* — A health insurer and its officials, employees, agents and representatives must comply with any applicable state laws and regulations regarding marketing by health insurers and cannot employ marketing practices or benefit designs that will have the effect of discouraging the enrollment of individuals with significant health needs in health insurance coverage.

(f) *Grandfathered health plans.* — This section does not apply to grandfathered health plans. For purposes of this section, “grandfathered health plans” means plans provided by a health insurer in which an individual was enrolled on March 23, 2010, for as long as it maintains that status in accordance with federal regulations.

(79 Del. Laws, c. 99, § 8; 82 Del. Laws, c. 186, § 5.)

§ 3571K. Prohibition on excessive waiting periods [For application of this section, see 79 Del. Laws, c. 99, § 19].

A group health plan and a health insurer offering group health insurance coverage shall not apply any waiting period that exceeds 90 days. As used in this section, “waiting period” means the period that must pass before coverage for an employee or dependent who is otherwise eligible to enroll under the terms of a group health plan can become effective.

(79 Del. Laws, c. 99, § 8.)

§ 3571L. Nondiscrimination in health care [For application of this section, see 79 Del. Laws, c. 99, § 19].

(a) *Providers.* — A group health plan and a health insurer offering group health insurance coverage shall not discriminate with respect to participation under the plan or coverage against any health-care provider who is acting within the scope of that provider’s license or certification under applicable state law. This section shall not require that a group health plan or health insurer contract with any health-care provider willing to abide by the terms and conditions for participation established by the plan or insurer. Nothing in this section shall be construed as preventing a group health plan, a health insurer or the Commissioner from establishing varying reimbursement rates based on quality or performance measures.

(b) *Individuals.* — The provisions of § 1557 of the Patient Protection and Affordable Care Act (relating to nondiscrimination) [42 U.S.C. § 18116], as the law and its implementing regulations were in effect on January 1, 2018, apply with respect to a group health plan or health insurer offering group health insurance coverage.

(79 Del. Laws, c. 99, § 8; 82 Del. Laws, c. 186, § 6.)

§ 3571M. Comprehensive health insurance coverage [For application of this section, see 79 Del. Laws, c. 99, § 19].

(a) *Coverage for essential health benefits package.* — A health insurer that offers health insurance coverage in the small group market shall ensure that such coverage includes the essential health benefits package in conformity with § 1302 of the Patient Protection and Affordable Care Act [42 U.S.C. § 18022], as the law and its implementing regulations were in effect on January 1, 2018, and state law. The Commissioner shall issue a regulation setting forth what constitutes “essential health benefits” for purposes of this section.

(b) *Cost-sharing under group health plans.* — A group health plan shall ensure that any annual cost-sharing imposed under the plan does not exceed the limitations provided for under § 1302(c)(1) and (2) of the Patient Protection and Affordable Care Act [42 U.S.C. § 18022(c)(1) and (2)], as the law and its implementing regulations were in effect on January 1, 2018, and state law.

(c) *Child-only plans.* — If a health insurer offers health insurance coverage in any level of coverage specified under § 1302(d) of the Patient Protection and Affordable Care Act [42 U.S.C. § 18022(d)], as the law and its implementing regulations were in effect on January 1, 2018, or state law, the health insurer shall also offer such coverage in that level as a plan in which the only enrollees are individuals who, as of the beginning of the plan year, are under the age of 21.

(d) *Dental only.* — This section shall not apply to a plan described in § 1311(d)(2)(B)(ii) of the Patient Protection and Affordable Care Act [42 U.S.C. § 18031(d)(2)(B)(ii)], as the law and its implementing regulations were in effect on January 1, 2018.

(79 Del. Laws, c. 99, § 8; 81 Del. Laws, c. 79, § 30; 82 Del. Laws, c. 186, § 7.)

§ 3571N. Prohibiting discrimination against individual participants and beneficiaries based on health status [For application of this section, see 79 Del. Laws, c. 99, § 19].

(a) *In general.* — A group health plan and a health insurer offering group health insurance coverage may not establish rules for eligibility (including continued eligibility) of any individual to enroll under the terms of the plan or coverage based on any of the following health

status-related factors in relation to the individual or a dependent of the individual:

- (1) Health status.
- (2) Medical condition (including both physical and mental illnesses).
- (3) Claims experience.
- (4) Receipt of health care.
- (5) Medical history.
- (6) Genetic information.
- (7) Evidence of insurability (including conditions arising out of acts of domestic violence).
- (8) Disability.
- (9) Any other health status-related factor determined appropriate by the Commissioner.

(b) *Programs of health promotion or disease prevention.* — (1) *General provisions.* — a. *General rule.* — For purposes of paragraph (b)(2)b. of this section, a program of health promotion or disease prevention (referred to in this subsection as a “wellness program”) shall be a program offered by an employer that is designed to promote health or prevent disease that meets the applicable requirements of this subsection.

b. *No conditions based on health status factor.* — If none of the conditions for obtaining a premium discount or rebate or other reward for participation in a wellness program is based on an individual satisfying a standard that is related to a health status factor, such wellness program shall not violate this section if participation in the program is made available to all similarly situated individuals and the requirements of paragraph (b)(2) of this section are complied with.

c. *Conditions based on health status factor.* — If any of the conditions for obtaining a premium discount or rebate or other reward for participation in a wellness program is based on an individual satisfying a standard that is related to a health status factor, such wellness program shall not violate this section if the requirements of paragraph (b)(3) of this section are complied with.

(2) *Wellness programs not subject to requirements.* — If none of the conditions for obtaining a premium discount or rebate or other reward under a wellness program as described in paragraph (b)(1)b. of this section are based on an individual satisfying a standard that is related to a health status factor (or if such a wellness program does not provide such a reward), the wellness program shall not violate this section if participation in the program is made available to all similarly situated individuals. The following programs shall not have to comply with the requirements of paragraph (b)(3) of this section if participation in the program is made available to all similarly situated individuals:

- a. A program that reimburses all or part of the cost for membership in a fitness center.
- b. A diagnostic testing program that provides a reward for participation and does not base any part of the reward on outcomes.
- c. A program that encourages preventive care related to a health condition through the waiver of the copayment or deductible requirement under a group health plan for the costs of certain items or services related to a health condition (such as prenatal care or well-baby visits).
- d. A program that reimburses individuals for the costs of smoking cessation programs without regard to whether the individual quits smoking.
- e. A program that provides a reward to individuals for attending a periodic health education seminar.

(3) *Wellness programs subject to requirements.* — If any of the conditions for obtaining a premium discount, rebate or reward under a wellness program as described in paragraph (b)(1)c. of this section is based on an individual satisfying a standard that is related to a health status factor, the wellness program shall not violate this section if the following requirements are complied with:

a. The reward for the wellness program, together with the reward for other wellness programs with respect to the plan that requires satisfaction of a standard related to a health status factor, shall not exceed 30% of the cost of employee-only coverage under the plan. If, in addition to employees or individuals, any class of dependents (such as spouses or spouses and dependent children) may participate fully in the wellness program, such reward shall not exceed 30% of the cost of the coverage in which an employee or individual and any dependents are enrolled. For purposes of this paragraph, the cost of coverage shall be determined based on the total amount of employer and employee contributions for the benefit package under which the employee is (or the employee and dependents are) receiving coverage. A reward may be in the form of a discount or rebate of a premium or contribution, a waiver of all or part of a cost-sharing mechanism (such as deductibles, copayments, or coinsurance), the absence of a surcharge, or the value of a benefit that would otherwise not be provided under the plan. The Commissioner may increase the reward available under this paragraph to up to 50% of the cost of coverage if the Commissioner determines that such an increase is appropriate.

b. The wellness program shall be reasonably designed to promote health or prevent disease. A program complies with the preceding sentence if the program has a reasonable chance of improving the health of, or preventing disease in, participating individuals and it is not overly burdensome, is not a subterfuge for discriminating based on a health status factor, and is not highly suspect in the method chosen to promote health or prevent disease.

c. The plan shall give individuals eligible for the program the opportunity to qualify for the reward under the program at least once each year.

d. The full reward under the wellness program shall be made available to all similarly situated individuals. For such purpose, among other things:

1. The reward is not available to all similarly situated individuals for a period unless the wellness program allows:

A. For a reasonable alternative standard (or waiver of the otherwise applicable standard) for obtaining the reward for any individual for whom, for that period, it is unreasonably difficult due to a medical condition to satisfy the otherwise applicable standard; and

B. For a reasonable alternative standard (or waiver of the otherwise applicable standard) for obtaining the reward for any individual for whom, for that period, it is medically inadvisable to attempt to satisfy the otherwise applicable standard.

2. If reasonable under the circumstances, the plan or health insurer may seek verification, such as a statement from an individual's physician, that a health status factor makes it unreasonably difficult or medically inadvisable for the individual to satisfy or attempt to satisfy the otherwise applicable standard.

e. The plan or health insurer involved shall disclose in all plan materials describing the terms of the wellness program the availability of a reasonable alternative standard (or the possibility of waiver of the otherwise applicable standard) required under paragraph (b)(3)d. of this section. If plan materials disclose that such a program is available, without describing its terms, the disclosure under this paragraph shall not be required.

(4) Nothing in this section shall prohibit a program of health promotion or disease prevention that was established prior to July 15, 2013, and applied with all applicable regulations, and that is operating on such date, from continuing to be carried out for as long as such regulations remain in effect.

(79 Del. Laws, c. 99, § 8.)

§ 3571O. Insurance offered through the state health insurance exchange [For application of this section, see 79 Del. Laws, c. 99, § 19].

(a) A health insurer that offers health insurance coverage in the small group market through the state health insurance exchange program established pursuant to the Patient Protection and Affordable Care Act [P.L. 111-148] shall first satisfy all certification standards required by federal and state law, and the health insurer shall offer only those plans that are “qualified health plans” as required by federal and state law.

(b) The Commissioner shall adopt regulations, in accordance with the Administrative Procedures Act [Chapter 101 of Title 29], that set forth the certification and compliance standards and requirements for health insurers operating within the state health exchange.

(79 Del. Laws, c. 99, § 8.)

§ 3571P. Rating factors [For application of this section, see 79 Del. Laws, c. 99, § 19].

(a) In establishing rates for health insurance coverage offered in the small group market, the rate may vary with respect to the particular plan or coverage involved only by determining the following:

(1) Whether the plan or coverage covers an individual or family.

(2) Rating area, as established in accordance with subsection (d) of this section.

(3) Age, except that the rate may not vary by more than 3 to 1 for like individuals of different age who are age 21 and older and that the variation in rate must be actuarially justified for individuals under age 21, consistent with the uniform age rating curve under subsection (e) of this section. For purposes of identifying the appropriate age adjustment under this paragraph (a)(3) and the age band under subsection (e) of this section applicable to a specific enrollee, the enrollee's age as of the date of policy issuance or renewal must be used.

(4) Subject to § 3571N of this title, tobacco use, except that such rate may not vary by more than 1.5 to 1 and may only be applied with respect to individuals who may legally use tobacco under federal and state law. For purposes of this paragraph (a)(4), tobacco use means use of tobacco on average 4 or more times per week within no longer than the past 6 months. This includes all tobacco products, except that tobacco use does not include religious or ceremonial use of tobacco. Further, tobacco use must be defined in terms of when a tobacco product was last used.

(b) The rate established under this section must not vary with respect to the particular plan or coverage involved by any other factor not described in subsection (a) of this section.

(c) A health insurer must consider the claims experience of all enrollees in all health plans, other than grandfathered health plans, offered by such insurer in the small group market in this State, including those enrollees who do not enroll in such plans through the state health exchange, to be members of a single risk pool. A health insurer must charge the same premium rate without regard to whether the plan is offered through the state health exchange or whether the plan is offered directly from the health insurer or through an agent.

(d) In establishing rates, all health insurers offering health plans in the small group market shall use a single rating area that applies to the entire State.

(e) The following uniform age bands apply for rating purposes under paragraph (a)(3) of this section:

(1) *Child age bands.* — a. A single age band for individuals age 0 through 14.

b. One-year age bands for individuals age 15 through 20.

(2) *Adult age bands.* — One-year age bands for individuals age 21 through 63.

(3) *Older adult age bands.* — A single age band for individuals age 64 and older.

(f) *Application of variations based on age or tobacco use.* — With respect to family coverage under health insurance coverage, the rating variations permitted under paragraphs (a)(3) and (a)(4) of this section must be applied based on the portion of the premium attributable to each family member covered under the coverage.

(1) The total premium for family coverage must be determined by summing the premiums for each individual family member. With respect to family members under age 21, the premiums for no more than the 3 oldest covered children must be taken into account in determining the total family premium.

(2) If the State does not permit any rating variation for the factors described in paragraphs (a)(3) and (a)(4) of this section, as determined by the Insurance Commissioner by regulation, the State may require that premiums for family coverage be determined by using uniform family tiers and the corresponding multipliers established by the State. If the State does not establish uniform family tiers and the corresponding multipliers, the per-member-rating methodology under paragraph (f)(1) of this section applies in this State.

(3) a. In the case of the small group market, the total premium charged to a group health plan is determined by summing the premiums of covered participants and beneficiaries in accordance with paragraph (f)(1) or (f)(2) of this section, as applicable.

b. Subject to paragraph (f)(3)c. of this section, nothing in this section prevents the State from requiring health insurers to offer to a group health plan, or a health insurer from voluntarily offering to a group health plan, premiums that are based on average enrollee premium amounts, if the total group premium established at the time of applicable enrollment at the beginning of the plan year is the same total amount derived under paragraph (f)(1) or (f)(2) of this section, as applicable.

c. A health insurer that, in connection with a group health plan in the small group market, offers premiums that are based on average enrollee premium amounts under paragraph (f)(3)b. of this section must:

1. Ensure an average enrollee premium amount calculated based on applicable enrollment of participants and beneficiaries at the beginning of the plan year that does not vary during the plan year.

2. Unless the State establishes and, if applicable, CMS approves an alternate rating methodology, calculate an average enrollee premium amount for covered individuals age 21 and older, and calculate an average enrollee premium amount for covered individuals under age 21. The premium for a given family composition is determined by summing the average enrollee premium amount applicable to each family member covered under the plan, taking into account no more than 3 covered children under age 21.

3. Under applicable state law, ensure that the average enrollee premium amount calculated for any individual covered under the plan does not include any rating variation for tobacco use permitted under paragraph (a)(4) of this section. The rating variation for tobacco use permitted under paragraph (a)(4) of this section is determined based on the premium rate that would be applied on a per-member basis with respect to an individual who uses tobacco and then included in the premium charged for that individual.

4. To the extent permitted by applicable state law and, in the case of coverage offered through a federally-facilitated SHOP, as permitted by 45 C.F.R. § 156.285(a)(4), apply this paragraph (f)(3)c. uniformly among group health plans enrolling in that product, giving those group health plans the option to pay premiums based on average enrollee premium amounts.

(g) The Commissioner may adopt regulations, in accordance with the Administrative Procedures Act (Chapter 101 of Title 29), that are consistent with Chapter 25 of this title and set forth more specifically the rating standards and requirements for health insurers operating within this State.

§ 3571Q. Notification and reasons for cancellation or nonrenewal [For application of this section, see 79 Del. Laws, c. 390, § 8].

A notice of cancellation or nonrenewal of group health insurance coverage by an insurer due to nonpayment of premiums shall be in writing, shall be delivered to the policyholder or mailed to the policyholder at the last known address of the policyholder, shall state the effective date of the cancellation or nonrenewal and shall be accompanied by a written explanation of the specific reasons for the cancellation or nonrenewal. Proof of mailing of such cancellation or nonrenewal notice shall be retained by the insurer for a period of not less than 1 year. This section shall not apply to any long-term care policy where notice provisions regarding cancellations or nonrenewals are specifically addressed elsewhere in this title or in regulations promulgated thereunder.

(79 Del. Laws, c. 390, § 4.)

§ 3571R. Telehealth and telemedicine.

(a) As used in this section:

(1) “Distant site” means a site at which a health-care provider legally allowed to practice in the state is located while providing health-care services by means of telemedicine or telehealth.

(2) “Originating site” means a site in Delaware at which a patient is located at the time health-care services are provided to the patient by means of telemedicine or telehealth, unless the term is otherwise defined with respect to the provision in which it is used. Notwithstanding any other provision of law, insurers and providers may agree to alternative siting arrangements deemed appropriate by the parties.

(3) “Store and forward transfer” means the transmission of a patient’s medical information either to or from an originating site or to or from the provider at the distant site, but does not require the patient being present nor must it be in real time.

(4) “Telehealth” means the use of information and communications technologies consisting of telephones, remote patient monitoring devices or other electronic means which support clinical health-care provider consultation, patient and professional health-related education, public health, health administration, and other services as authorized in Chapter 60 of Title 24.

(5) “Telemedicine” means a form of telehealth which is the delivery of clinical health-care services, and other services, as authorized in Chapter 60 of Title 24, by means of real time 2-way audio, visual, or other telecommunications or electronic communications, including the application of secure video conferencing or store and forward transfer technology to provide or support health-care delivery, which facilitate the assessment, diagnosis, consultation, treatment, education, care management and self-management of a patient’s health care by a health-care provider legally allowed to practice in the state and practicing within the health-care provider’s scope of practice as would be practiced in-person with a patient, while such patient is at an originating site and the health-care provider is at a distant site.

(b) Each insurer proposing to issue individual or group accident and sickness insurance policies providing hospital, medical and surgical, or major medical coverage on an expense-incurred basis; each corporation providing individual or group accident and sickness subscription contracts; and each health maintenance organization providing a health-care plan for health-care services shall provide coverage for the cost of such health-care services provided through telemedicine.

(c) Each insurer proposing to issue individual or group accident and sickness insurance policies providing hospital, medical and surgical, or major medical coverage on an expense-incurred basis; each corporation providing individual or group accident and sickness subscription contracts; and each health maintenance organization providing a health-care plan for health-care services shall provide coverage for the cost of such health-care services provided through telehealth as directed through regulations promulgated by the Department.

(d) An insurer, health service corporation, or health maintenance organization shall not exclude a service for coverage solely because the service is provided through telemedicine services and is not provided through in-person consultation or contact between a health-care provider and a patient for services appropriately provided through telemedicine services.

(e) An insurer, health service corporation, or health maintenance organization shall reimburse the treating provider or the consulting provider for the diagnosis, consultation, or treatment of the insured delivered through telemedicine services on the same basis and at least at the rate that the insurer, health service corporation, or health maintenance organization is responsible for coverage for the provision of the same service through in-person consultation or contact. Payment for telemedicine interactions shall include reasonable compensation to the originating or distant site for the transmission cost incurred during the delivery of health-care services.

(f) No insurer, health service corporation, or health maintenance organization shall impose any annual or lifetime dollar maximum on coverage for telemedicine services other than an annual or lifetime dollar maximum that applies in the aggregate to all items and services covered under the policy, or impose upon any person receiving benefits pursuant to this section any copayment, coinsurance, or deductible amounts, or any policy year, calendar year, lifetime, or other durational benefit limitation or maximum for benefits or services, that is not equally imposed upon all terms and services covered under the policy, contract, or plan.

(g) The requirements of this section shall apply to all insurance policies, contracts, and plans delivered, issued for delivery, reissued, or extended on and after January 1, 2016, or at any time thereafter when any term of the policy, contract, or plan is changed or any premium adjustment is made.

(h) This section shall not apply to short-term travel, accident-only, limited or specified disease, or individual conversion policies or contracts, nor shall it contravene any telehealth requirements made in policies or contracts designed for issuance to persons eligible for coverage under Titles XVIII, XIX, and XXI of the Social Security Act [42 U.S.C. §§ 1395 et seq., 1396 et seq., and 1397aa et seq.], known as Medicare and Medicaid, or any other similar coverage under state or federal governmental plans.

(80 Del. Laws, c. 80, § 21; 70 Del. Laws, c. 186, § 1; 82 Del. Laws, c. 261, §§ 73, 16; 83 Del. Laws, c. 52, § 3.)

§ 3571S. Network disclosure and transparency.

(a) This section applies to every policy or contract of health insurance which is delivered or issued for delivery in this State, including each policy or contract issued by a health-service corporation, which provides medical, major medical, or similar comprehensive-type coverage, and which designates network physicians or providers (hereinafter referred to collectively as “network providers”). However, this section applies only to items, services or conditions for which coverage is provided by those policies or contracts (hereinafter referred to as “covered services”).

(b) For purposes of this section “facility-based provider” means a provider who provides health-care services to patients who are in an in-patient or ambulatory facility, including services such as pathology, anesthesiology, or radiology.

(c) For purposes of this section “health-care provider” means any provider who provides health-care services to patients who are not in a facility-based setting and includes a provider who provides health-care services to a covered person based upon a referral from another provider without the knowledge of or input from the covered person.

(d) *Nonemergency out-of-network services.* — (1) When a facility-based provider schedules a procedure or seeks prior authorization from a health carrier for the provision of nonemergency covered services to a covered person, the facility shall ensure that the covered person has received a timely written out-of-network disclosure that states the following:

- a. That discloses whether the facility is a participating or out-of-network facility;

b. That certain facility-based providers may be called upon to render care to the covered person during the course of treatment;
c. That those facility-based providers may not have a contract with the covered person's health carrier and are therefore considered to be out-of-network;

d. That the services therefore will be provided on an out-of-network basis, which may result in additional charges for which the covered person may be responsible, and a statement that these charges are in addition to any coinsurance, deductibles and copayments applicable under the covered person's health insurance policy;

e. A listing, including name and contact information, of those facility-based providers who may be called upon to render care to the covered person during the course of treatment, and a statement that the covered person should contact their health insurer to determine the network status of those facility-based providers;

f. Notification that an estimate of the range of charges for any out-of-network services charged by the out-of-network provider for which the covered person may be responsible may be requested from, and will be timely provided by, the out-of-network provider; and

g. That the covered person may contact the covered person's health insurer for additional assistance or may rely on whatever other rights and remedies may be available under state or federal law.

h. The written out-of-network disclosure required by this paragraph (d)(1) shall include a written consent form which would enable a covered person who wishes to utilize the services of an out-of-network provider to: (i) acknowledge a provider may be a non-network provider; (ii) acknowledge that the services provided by the non-network provider may not be covered by the covered person's policy; (iii) acknowledge receipt of the notification that an estimate of the range of charges for any out-of-network services for which the covered person may be responsible may be obtained from the out-of-network providers; and (iv) affirmatively elect to obtain the services and agree to accept and pay the charges for the out-of-network services.

i. If a covered person requests from an out-of-network provider an estimate of the range of charges for any out-of-network services for which the covered person may be responsible, the out-of-network provider shall provide the estimate in writing to the covered person within 3 business days of the request.

j. If the facility and all facility-based providers participate in the covered person's network, this disclosure shall not be required.

(2) Prior to the delivery of nonemergency covered services to a covered person, an out-of-network health-care provider shall provide the covered person with a timely, written out-of-network disclosure that states the following:

a. That the health-care provider is an out-of-network provider and the services therefore will be provided on an out-of-network basis;

b. That out-of-network services may result in additional charges for which the covered person may be responsible, and a statement that these charges are in addition to any coinsurance, deductibles and copayments applicable under the person's health insurance policy;

c. Identification of the range of charges for any out-of-network services charged by the out-of-network provider for which the covered person may be responsible; and

d. That the covered person may contact the covered person's health insurer for additional assistance or may rely on whatever other rights and remedies may be available under state or federal law.

e. The written out-of-network disclosure required by this paragraph (d)(2) shall contain a written consent form which would enable a covered person who wishes to utilize the services of an out-of-network provider to: (i) acknowledge a provider may be a non-network provider; (ii) acknowledge that the services provided by the non-network provider may not be covered by the insured's policy; (iii) acknowledge receipt of the identification of the range of charges for any out-of-network services for which the covered person may be responsible; and (iv) affirmatively elect to obtain the services and agree to accept and pay the charges for the out-of-network services.

(3) A facility-based provider or a health-care provider may not balance bill a covered person for health-care services not covered by an insured's health insurance contract, if the facility-based provider or health-care provider:

a. Fails to provide the covered person the written out-of-network disclosure required by paragraph (d)(1) or (2) of this section.

b. Fails to obtain from the covered person in a timely manner, before the health-care services are provided, a copy of the consent form required by paragraph (d)(3) of this section that has been signed by the covered person.

(4) Nothing in paragraph (d)(3) of this section shall prevent the operation of policy provisions involving coinsurance, deductibles and copayments payable under the covered person's health insurance policy.

(5) In the event a facility-based provider or a health-care provider fails to comply with the requirements of paragraph (d)(3)a. or (3)b. of this section, and the provider of services and insurer cannot agree on the appropriate rate of reimbursement, the provider shall be entitled to those charges and rates allowed by the Insurance Commissioner or the Commissioner's designee following arbitration of the dispute pursuant to the procedures set forth in § 333 of this title and any regulation promulgated thereunder.

(6) This section shall not apply to those out-of-network services provided pursuant to §§ 3564 and 3565 of this chapter.

(e) Health insurers shall be required to maintain accurate and complete provider directories, to update provider directories frequently, to audit the accuracy and completeness of such directories and make the directories easily accessible to the covered person in a variety of formats.

- (f) The Insurance Commissioner shall adopt regulations to implement the requirements of this section, including:
- (1) Regulations concerning the form and content of the written out-of-network disclosures and written consent form required by paragraphs (d)(1) and (2) of this section.
 - (2) Regulations requiring health insurers and out-of-network providers to inform covered persons of their rights with respect to payment of balance bills.
 - (3) *Regulations concerning the provisions of subsection (e) of this section.* — The regulations adopted and arbitrations authorized pursuant to this section shall reflect the objectives of protecting consumers from surprise bills and not creating incentives for providers to be out-of-network.
- (80 Del. Laws, c. 339, § 2.)

§ 3571T. Coverage for treatment of pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections and pediatric acute onset neuropsychiatric syndrome.

- (a) All group and blanket health insurance policies, contracts, or certificates that are delivered, issued for delivery, renewed, extended, or modified in this State by any health insurer, health service corporation, or health maintenance organization shall provide coverage for treatment of pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections and pediatric acute onset neuropsychiatric syndrome, including the use of intravenous immunoglobulin therapy.
 - (b) At any time that the State is required by the Secretary of the United States Department of Health and Human Services, or its successor agency, to defray the cost of any coverage for pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections and pediatric acute onset neuropsychiatric syndrome required under subsection (a) of this section, the requirements under subsection (a) of this section are inoperative and the State may not assume any obligation for the cost of coverage for pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections and pediatric acute onset neuropsychiatric syndrome.

§ 3571U. Mental Health Parity and Addiction Equity Act reporting requirements.

Each health insurer offering group health insurance coverage that provides mental illness and drug and alcohol dependencies benefits must submit a report to the Delaware Health Information Network and Commissioner on or before July 1 2019, and any year thereafter during which the insurer makes significant changes to how it designs and applies its medical management protocols; the report must contain the following information:

- (1) A description of the process used to develop or select the medical necessity criteria for mental illness and drug and alcohol dependencies benefits and the process used to develop or select the medical necessity criteria for medical and surgical benefits.
- (2) Identification of all nonquantitative treatment limitations (NQTLs) that are applied to mental illness and drug and alcohol dependencies benefits and medical and surgical benefits within each classification of benefits; there may be no separate NQTLs that apply to mental illness and drug and alcohol dependencies benefits that do not also apply to medical and surgical benefits within any classification of benefits.
- (3) The results of an analysis that demonstrates that for the medical necessity criteria described in paragraph (1) of this section and for each NQTL identified in paragraph (2) of this section, as written and in operation, the processes, strategies, evidentiary standards, or other factors used in applying the medical necessity criteria and each NQTL to mental illness and drug and alcohol dependencies benefits within each classification of benefits are comparable to, and are applied no more stringently than, the processes, strategies, evidentiary standards, or other factors used in applying the medical necessity criteria and each NQTL to medical and surgical benefits within the corresponding classification of benefits; at a minimum, the results of the analysis shall:
 - a. Identify the factors used to determine that an NQTL will apply to a benefit, including factors that were considered but rejected.
 - b. Identify and define the specific evidentiary standards used to define the factors and any other evidence relied upon in designing each NQTL.
 - c. Provide the comparative analyses, including the results of the analyses, performed to determine that the processes and strategies used to design each NQTL, as written, for mental illness and drug and alcohol dependencies benefits are comparable to, and are applied no more stringently than, the processes and strategies used to design each NQTL, as written, for medical and surgical benefits.
 - d. Provide the comparative analyses, including the results of the analyses, performed to determine that the processes and strategies used to apply each NQTL, in operation, for mental illness and drug and alcohol dependencies benefits are comparable to, and applied no more stringently than, the processes or strategies used to apply each NQTL, in operation, for medical and surgical benefits.
 - e. Disclose the specific findings and conclusions reached by the insurer that the results of the analyses above indicate that the carrier is in compliance with this section and the Mental Health Parity and Addiction Equity Act of 2008 [P.L. 104-204] and its implementing regulations, which includes 45 C.F.R. 146.136 and any other related federal regulations found in the Code of Federal Regulations.
- (4) Any information submitted to the Delaware Health Information Network and Commissioner by a carrier that is considered proprietary by the carrier shall not be made public record.
- (5) The Insurance Commissioner shall retain the authority to enforce the provisions of this section. The provisions of this section shall

not give rise to a private cause of action.

(81 Del. Laws, c. 406, § 2.)

§ 3571V. Time of submitting claim for reimbursement.

(b) Regardless of network status, a carrier shall permit a provider a minimum of 180 days from the date a covered service is rendered to submit a claim for reimbursement. Any contract between a carrier and provider that prohibits a provider from submitting a claim beyond the minimum time limit required under this section shall not be deemed a violation of this section.

(a) For purposes of this section:

(1) “Carrier” means any entity that provides health insurance in this State. “Carrier” includes an insurance company, health service corporation, health maintenance organization, and any other entity providing a plan of health insurance or health benefits subject to state insurance regulation. “Carrier” also includes any third-party administrator or other entity that adjusts, administers, or settles claims in connection with health benefit plans.

For purposes of calculating continuous coverage, a waiting period shall not be considered a gap in coverage. This paragraph shall not preclude application of any waiting period applicable to all new enrollees under the plan. The method of crediting and certifying coverage shall be determined by the Commissioner by regulation; and

(4) May not exclude coverage for late enrollees for a preexisting condition.

A health benefit plan shall not establish rules for eligibility for any individual to enroll under the plan based on any health status-related factors in relation to the individual or a dependent of the individual.

(71 Del. Laws, c. 143, § 14; 73 Del. Laws, c. 89, § 1; 76 Del. Laws, c. 176, § 3; 79 Del. Laws, c. 99, § 9.)

Provides notice of the decision not to renew coverage to all affected enrollees and to the Commissioner in each state in which an affected enrollee is known to reside at least 90 days prior to the nonrenewal of any health benefit plans by the carrier. Notice to the Commissioner under this subparagraph shall be provided at least 3 working days prior to the notice to the affected individuals;

b. Offers to each large employer provided the particular type of health benefit plan the option to purchase any other health benefit plans currently being offered by the carrier to large employers in the state; and

c. In exercising the option to discontinue the particular type of health benefit plan and in offering the option of coverage under paragraph (a)(6)b. of this section, the carrier acts uniformly without regard to the claims experience of any affected individual or any health status-related factor relating to any covered individuals or beneficiaries who may become eligible for the coverage;

(7) The carrier elects to discontinue offering and to nonrenew all its health benefit plans delivered or issued for delivery in the state. In that case, the carrier shall provide notice of the decision not to renew coverage to all enrollees and to the Commissioner in each state in which an enrollee is known to reside at least 180 days prior to the nonrenewal of the health benefit plan by the carrier. Notice to the Commissioner under this paragraph shall be provided at least 3 working days prior to the notice of the enrollees.

(b) A carrier that elects not to renew all its health benefit plans under paragraph (a)(7) of this section shall be prohibited from writing new business in the large group market in this State for a period of 5 years from the date of the discontinuation of the last health benefit plan not so renewed.

(c) A carrier may modify a large group health benefit plan if all those large groups covered by the same policy form are uniformly modified.

A carrier offering a large group health benefit plan may not require any individual (as a condition of enrollment or continued enrollment under the plan) to pay a premium or contribution that is greater than such premium or contribution for a similarly situated individual enrolled in the plan on the basis of any health status-related factor in relation to the individual or to an individual enrolled under the plan as a dependent of the individual. This prohibition shall not be construed to restrict the amount that an employer may be charged for coverage under a large group health benefit plan or to prevent a carrier from establishing premium discounts or rebates or modifying otherwise applicable copayments or deductibles in return for adherence to programs of health promotion and disease prevention, if not otherwise prohibited by law.

(71 Del. Laws, c. 143, § 14; 73 Del. Laws, c. 89, § 1; 76 Del. Laws, c. 176, § 3.)

(2) “Carrier” means any entity that provides health insurance in this State. For the purposes of this section, “carrier” includes an insurance company, health service corporation, health maintenance organization, and any other entity providing a plan of health insurance or health benefits subject to state insurance regulation. “Carrier” also includes any third-party administrator or other entity that adjusts, administers, or settles claims in connection with health benefit plans.

(4) “Health benefit plan” means any hospital or medical policy or certificate, major medical expense insurance, health service corporation subscriber contract, or health maintenance organization subscriber contract. Health benefit plan does not include accident-only, credit, dental, vision, Medicaid plans, long-term care or disability income insurance, coverage issued as a supplement to liability insurance, worker’s compensation or similar insurance, or automobile medical payment insurance.

“Health benefit plan” shall not include policies or certificates or specified disease, hospital confinement indemnity, or limited benefit health insurance, provided that the carrier offering such policies or certificates complies with the following:

a. The carrier files on or before March 1 of each year a certification with the Commissioner that contains the statement and information described in paragraph (a)(4)b. of this section.

b. The certification required in paragraph (a)(4)a. of this section shall contain the following:

2. A summary description of each policy or certificate described in this paragraph, including the average annual premium rates (or range of premium rates in cases where premiums vary by age, gender or other factors) charged for such policies and certificates in this State.

c. In the case of a policy or certificate that is described in this paragraph and that is offered for the first time in this State on or after January 1, 1999, the carrier files with the Commissioner the information and statement required in paragraph (a)(4)b. of this section at least 30 days prior to the date such a policy or certificate is issued or delivered in this State.

(5) “Serious mental illness” means any of the following biologically based mental illnesses: schizophrenia, bipolar disorder, obsessive-compulsive disorder, major depressive disorder, panic disorder, anorexia nervosa, bulimia nervosa, schizo affective disorder, and delusional disorder. The diagnostic criteria set out in the most recent edition of the Diagnostic and Statistical Manual shall be utilized to determine whether a beneficiary of a health benefit plan is suffering from a serious mental illness.

(b) *Coverage of serious mental illness and drug and alcohol dependency.* — (1) a. Carriers shall provide coverage for serious mental illnesses and drug and alcohol dependencies in all health benefit plans delivered or issued for delivery in this State. Coverage for serious mental illnesses and drug and alcohol dependencies must provide:

1. Inpatient coverage for the diagnosis and treatment of drug and alcohol dependencies.

2. Unlimited medically necessary treatment for drug and alcohol dependencies as required by the Mental Health Parity and Addiction Equity Act of 2008 (29 U.S.C. § 1185a) and determined by the use of the full set of ASAM criteria, in all of the following:

A. Treatment provided in residential setting.

B. Intensive outpatient programs.

C. Inpatient withdrawal management.

b. Subject to subsections (a) and (c) through (g) of this section, no carrier may issue for delivery, or deliver, in this State any health benefit plan containing terms that place a greater financial burden on an insured for covered services provided in the diagnosis and treatment of a serious mental illness and drug and alcohol dependency than for covered services provided in the diagnosis and treatment of any other illness or disease covered by the health benefit plan. By way of example, such terms include deductibles, co-pays, monetary limits, coinsurance factors, limits in the numbers of visits, limits in the length of inpatient stays, durational limits or limits in the coverage of prescription medicines.

(2) a. A health benefit plan that provides coverage for prescription drugs must provide coverage for the treatment of serious mental illnesses and drug and alcohol dependencies that include immediate access, without prior authorization, to a 5-day emergency supply of prescribed medications covered under the health benefit plan for the medically necessary treatment of serious mental illnesses and drug and alcohol dependencies where an emergency medical condition, as defined in § 3565(e) of this title, exists, including a prescribed drug or medication associated with the management of opioid withdrawal or stabilization, except where otherwise prohibited by law.

b. Coverage of an emergency supply of prescribed medications must include medication for opioid overdose reversal otherwise covered under the health benefit plan prescribed to a covered person.

c. Coverage provided under this paragraph (b)(2) may be subject to copayments, coinsurance, and annual deductibles that are consistent with those imposed on other benefits within the health benefit plan; provided, however, a health benefit plan must not impose an additional copayment or coinsurance on a covered person who received an emergency supply of the same medication in the same 30-day period in which the emergency supply of medication was dispensed.

d. This paragraph (b)(2) does not preclude the imposition of a copayment or coinsurance on the initial emergency supply of medication in an amount that is less than the copayment or coinsurance otherwise applicable to a 30-day supply of such medication, provided that the total sum of copayments or coinsurance for an entire 30-day supply of the medication does not exceed the copayment or coinsurance otherwise applicable to a 30-day supply of such medication.

(c) *Eligibility for coverage.* — Subject to the limitations set forth in subsection (d) of this section, a health benefit plan may condition coverage of services provided in the diagnosis and treatment of a serious mental illness and drug and alcohol dependency on the further requirements that the service or services:

(1) Must be rendered by a mental health professional licensed or certified by the State Board of Licensing including, but not limited to, psychologists, psychiatrists, social workers and such other mental health professionals, or a drug and alcohol counselor who has been certified by the Delaware Certified Alcohol and Drug Counselors Certification Board, or in a mental health facility licensed by the State or in a treatment facility approved by the Department of Health and Social Services or the Bureau of Alcoholism and Drug Abuse as set forth in Chapter 22 of Title 16 or substantially similar licensing entities in other states;

(2) Must be medically necessary; and

(3) Must be covered services subject to any administrative requirements of the health benefit plan.

A health benefit plan may further condition coverage of services provided in the diagnosis and treatment of a serious mental illness and drug and alcohol dependency in the same manner and to the same extent as coverage for all other illnesses and diseases is conditioned. Such conditions may include, by way of example and not by way of limitation, precertification and referral requirements.

(d) *Benefit management.* — (1) A carrier may, directly or by contract with another qualified entity, manage the benefit prescribed by subsection (b) of this section in order to limit coverage of services provided in the diagnosis and treatment of a serious mental illness and drug and alcohol dependency to those services that are deemed medically necessary as follows:

a. The management of benefits for serious mental illnesses and drug and alcohol dependencies may be by methods used for the management of benefits provided for other medical conditions, or may be by management methods unique to mental health benefits. Such may include, by way of example and not limitation, pre-admission screening, prior authorization of services, utilization review and the development and monitoring of treatment plans.

b. A carrier may not impose precertification, prior authorization, pre-admission screening, or referral requirements for the diagnosis and medically necessary treatment, including in-patient treatment, of drug and alcohol dependencies.

c. The benefit prescribed by paragraph (b)(1) of this section may not be subject to concurrent utilization review during the first 14 days of any inpatient admission to a facility approved by a nationally recognized health-care accrediting organization or the Division of Substance Abuse and Mental Health, 30 days of intensive outpatient program treatment, or 5 days of inpatient withdrawal management, provided that the facility notifies the carrier of both the admission and the initial treatment plan within 48 hours of the admission. The facility shall perform daily clinical review of the patient, including the periodic consultation with the carrier to ensure that the facility is using the evidence-based and peer reviewed clinical review tool utilized by the carrier which is designated by the American Society of Addiction Medicine (“ASAM”) or, if applicable, any state-specific ASAM criteria, and appropriate to the age of the patient, to ensure that the inpatient treatment is medically necessary for the patient.

d. Any utilization review of treatment provided under paragraph (b)(1) of this section may include a review of all services provided during such inpatient treatment, including all services provided during the first 14 days of such inpatient treatment, 30 days of intensive outpatient program treatment, or 5 days of inpatient withdrawal management; provided, however, the carrier may only deny coverage for any portion of the initial 14-day inpatient treatment on the basis that such treatment was not medically necessary if such inpatient treatment was contrary to the evidence-based and peer reviewed clinical review tool utilized by the carrier which is designated by ASAM or, if applicable, any state-specific ASAM criteria.

e. A covered person does not have any financial obligation to the facility for any treatment under paragraph (b)(1) of this section other than any copayment, coinsurance, or deductible otherwise required under the health benefit plan.

(2) This section shall not be interpreted to require a carrier to employ the same benefit management procedures for serious mental illnesses and drug and alcohol dependencies that are employed for the management of other illnesses or diseases covered by the health benefit plan or to require parity or equivalence in the rate, or dollar value of, claims denied.

(e) *Exclusions.* — This section shall not apply to plans or policies not within the definition of health benefit plan, as set out in subsection (a) of this section.

(f) *Out of network services.* — Where a health benefit plan provides benefits for the diagnosis and treatment of serious mental illnesses and drug and alcohol dependencies within a network of providers and where a beneficiary of the health benefit plan obtains services consisting of diagnosis and treatment of a serious mental illness and drug and alcohol dependency outside of the network of providers, the provisions of this section shall not apply. The health benefit plan may contain terms and conditions applicable to out of network services without reference to the provisions of this section.

(g) Nothing in this section shall be construed to limit or reduce any benefit, entitlement, or coverage conferred by § 3570A of this title including, but not limited to, provider and service eligibility.

(c) An entity subject to this section may not impose on a pharmacy a processing fee for the electronic reimbursement or for providing payment data electronically, provided that the electing pharmacy agrees to, and can accept claims details for the payments electronically and provide accurate electronic funds transfer information to the entity making payments.

(d) Subsequent to January 6, 2010, any pharmacy that requires electronic reimbursement under this section shall allow an entity 45 days to become compliant herewith from the date of the pharmacy’s initial request to commence electronic reimbursement between the parties.

(b) If an insurer, health-benefit plan, or health-service corporation intends either to implement a new pre-authorization requirement or restriction, or amend an existing requirement or restriction, they shall ensure that the new or amended requirement is not implemented unless their website has been updated to reflect the new or amended requirement or restriction. Any language attempting to disclaim payment for services on the basis of changes to medical necessity that have been pre-authorized and delivered while under coverage shall be null and void. A proper notification of policy changes validly delivered as per § 3372 of this title may void a pre-authorization if received after pre-authorization but before delivery of the service.

§ 3589. Waiver prohibited.

The provisions of this subchapter cannot be waived by contract issued or renewed after January 1, 2017. Any contractual arrangement in conflict with the provisions of this subchapter or that purports to waive any requirements of this subchapter is null and void.

utilization review entity through the use of a step therapy protocol, the patient and prescribing practitioner shall have access to a clear, readily accessible and convenient process to request a step therapy exception determination. An insurer, health service corporation, health plan, or utilization review entity may use its existing medical exceptions process to satisfy this requirement. The process shall be made easily accessible via the insurer's, health plan's, or utilization review entity's website. A step therapy exception determination shall be expeditiously granted in any one of the following circumstances:

- (1) The required prescription drug is contraindicated or will likely cause an adverse reaction by or physical or mental harm to the patient.
- (2) The required prescription drug is expected to be ineffective based on the known clinical characteristics of the patient and the known characteristics of the prescription drug regimen.
- (3) The patient has tried the required prescription drug while under the patient's current or previous health insurance or health benefit plan, or another prescription drug in the same pharmacologic class or with the same mechanism of action, and such prescription drug was discontinued due to lack of efficacy or effectiveness, diminished effect, or an adverse event.
- (4) The required prescription drug is not in the best interest of the patient, based on medical necessity.
- (5) The patient is stable, for the medical condition under consideration, on a prescription drug selected by the patient's health-care provider or while the patient was insured by the patient's current or a previous insurance or health benefit plan.
- (b)(1) The insurer, health services corporation, health plan, or utilization review entity shall grant or deny a step therapy exception request within 2 business days of receipt of such request, which shall be from a health-care provider, and which shall state the circumstance which qualifies the patient for a step therapy exception pursuant to subsection (a) of this section. A step therapy exception determination not granted or denied in writing at the end of 2 days shall be deemed granted.
 - (2) During a step therapy exception determination under paragraph (a)(5) of this section, a determination will be deemed granted until the insurer, health services corporation, health plan, or utilization review entity issues a step therapy exception determination.
 - (c) In cases where emergency circumstances exist, as outlined in § 3565 of this title, an insurer, health plan, or utilization review entity shall grant or deny a step therapy exception request within 24 hours of receipt of a request, which shall be from a health care provider, and which shall state the circumstance which qualifies the patient for a step therapy exception pursuant to subsection (a) of this section. A request shall be deemed granted if the required response is not received by the requesting or appealing party within the times set forth in this subsection.
 - (d) Upon the granting of a step therapy exception determination, the insurer, health plan, or utilization review entity shall authorize coverage for the prescription drug prescribed by the patient's treating health-care provider.
 - (e) This section shall not be construed to prevent:
 - (1) An insurer, health plan, or utilization review entity from requiring a patient to try an AB-rated generic equivalent prior to providing coverage for the equivalent branded prescription drug.
 - (2) A health-care provider from prescribing a prescription drug that is determined to be medically necessary.
 - (f) Clinical criteria used to establish a step therapy protocol shall be based on clinical criteria that:
 - (1) Recommend that the prescription drugs be taken in the specific sequence required by the step therapy protocol.
 - (2) Developed and endorsed by a multidisciplinary panel of experts that manages conflicts of interest among the members of the writing and review groups by:
 - a. Requiring members to disclose any potential conflict of interests with entities, including insurers, health plans, and pharmaceutical manufacturers and recuse themselves of voting if they have a conflict of interest.
 - b. Using a methodologist to work with writing groups to provide objectivity in data analysis and ranking of evidence through the preparation of evidence tables and facilitating consensus.
 - (3) Offer opportunities for public review and comments.
 - (4) Based on peer reviewed studies, research, and medical practice.
 - (5) Created by an explicit and transparent process that:
 - a. Minimizes biases and conflicts of interest.
 - b. Explains the relationship between treatment options and outcomes.
 - c. Rates the quality of the evidence supporting recommendations.
 - d. Considers relevant patient subgroups and preferences.
 - e. Continually updated through a review of new evidence, research and newly developed treatments.
 - (6) When establishing a step therapy protocol, a utilization review entity shall also take into account the needs of atypical patient populations and diagnoses when establishing clinical criteria.
 - (7) This section shall not be construed to require insurers, health plans or the state to set up a new entity to develop clinical review criteria used for step therapy protocols.
 - (g) Any step therapy exception determination as defined by this subsection shall be eligible for appeal by an insured or their authorized representative, as outlined in Chapter 3 and Chapter 64 of this title.

(c) No policy or contract shall be delivered or issued for delivery in this State which does not meet the prescribed minimum standards for the categories of coverage listed in paragraphs (a)(1)-(8) of this section, or which does not meet the other applicable requirements for such coverages as prescribed by this title.

(d) The Commissioner shall prescribe the method of identification of policies and contracts based upon coverages provided.
(64 Del. Laws, c. 142, § 1.)

§ 3605. Disclosure requirements.

(a) In order to provide for full and fair disclosure in the sale of individual health insurance policies or subscriber contracts of a health service corporation, no such policy or contract shall be delivered or issued for delivery in this State unless the outline of coverage described in subsection (b) of this section either accompanies the policy or is delivered to the applicant at the time the application is made and an acknowledgement of receipt or certificate of delivery of such outlines is provided the insurer. In the event the policy is issued on a basis other than that applied for, the outline of coverage properly describing the policy or contract must accompany the policy or contract when it is not the policy or contract for which application was made.

(b) The Commissioner shall prescribe by regulation the format and content of the outline of coverage required by subsection (a) of this section. "Format" means style, arrangement and overall appearance, including such items as the size, color and prominence of type and the arrangement of text and captions. Such outline of coverage shall include:

- (1) A statement identifying the applicable category or categories of coverage provided by the policy or contract as prescribed in § 3604 of this title;
- (2) A description of the principal benefits and coverage provided in the policy or contract;
- (3) A statement of the exceptions, reductions and limitations contained in the policy or contract;
- (4) A statement of the renewal provisions including any reservation by the insurer or health service corporation of a right to change premiums;
- (5) A statement that the outline is a summary of the policy or contract issued or applied for and that the policy or contract should be consulted to determine governing contractual provisions.

(c) The outline of coverage shall not be considered to be part of the policy or subscriber contract for insurance.

(d) Every insurer or health service corporation electing to refuse coverage of an applicant or decline coverage of an insured who is not included within the coverage of Chapter 23 of Title 19 shall disclose to such applicant or insured in writing the fact of such noncoverage or declination of coverage. Any insurer or health insurer failing to disclose in writing such noncoverage or declination of coverage shall be deemed to cover the applicant or insured under the health insurance policy then in effect.

(64 Del. Laws, c. 142, § 1; 64 Del. Laws, c. 378, § 1.)

§ 3606. Preexisting conditions [For application of this section, see 79 Del. Laws, c. 99, § 19].

(a) Notwithstanding § 3306 of this title, a policy or contract must not deny, exclude, or limit benefits for a covered individual for losses due to a preexisting condition, and the policy or contract must not include wording that would permit a defense based upon preexisting conditions.

(b) Notwithstanding subsection (a) of this section and § 3306 of this title, an insurer or a health service corporation which issues a specified disease policy, regardless of whether such policy is issued on the basis of a detailed application form, a simplified application for or an enrollment form, may not deny a claim for any covered loss that begins after the policy has been in force. Except for rescission for misrepresentation, no other defenses based upon preexisting conditions are permitted.

(64 Del. Laws, c. 142, § 1; 79 Del. Laws, c. 99, § 11; 82 Del. Laws, c. 186, § 9.)

§ 3607. Guaranteed availability of coverage [For application of this section, see 79 Del. Laws, c. 99, § 19].

(a) *Guaranteed availability of coverage in the individual market.* — Subject to subsections (b)-(d) of this section, a carrier that offers health insurance coverage in the individual market in this State must offer to any individual in this State all products that are approved for sale in the individual market, and must accept any individual that applies for any of those products.

(b) *Enrollment periods.* — A carrier may restrict enrollment in health insurance coverage to open or special enrollment periods.

(1) *Open enrollment periods in the individual market.* — A carrier in the individual market must permit an individual to purchase health insurance coverage during an annual open enrollment period. For benefit years beginning on or after January 1, 2018, the annual open enrollment period begins on November 1 and extends through December 15 of the calendar year preceding the benefit year. A carrier must ensure that coverage is effective January 1 for enrollments received by the carrier on or before December 15 of the calendar year preceding the benefit year.

(2) *Special enrollment periods.* — A carrier in the individual market shall establish special enrollment periods for qualifying events as

defined under § 603 of the Employee Retirement Income Security Act of 1974, as amended [29 USC § 1163]. Enrollees must be provided 30 calendar days after the date of the qualifying event to elect coverage, with such coverage becoming effective consistent with the dates described in 45 C.F.R. § 155.420(b), as in effect on January 1, 2018. These special enrollment periods are in addition to any other special enrollment periods that are required under federal and state law.

(c) *Special rules for network plans.* — (1) In the case of a carrier that offers health insurance coverage in the individual market through a network plan, the carrier may do the following:

a. Limit the individuals who may apply for the coverage in the individual market to those who live or reside in the service area for the network plan.

b. Within the service area of the plan, deny coverage to individuals if the carrier has demonstrated to the Commissioner the following:

1. It will not have the capacity to deliver services adequately to enrollees of any additional individuals because of its obligations to existing contract holders and enrollees.

2. It is applying paragraph (c)(1) of this section uniformly to all individuals without regard to the claims experience of those individuals (and their dependents) or any health-status related factor relating to such individuals and dependents.

(2) A carrier that denies health insurance coverage to an individual in any service area, in accordance with paragraph (c)(1)b. of this section, may not offer coverage in the individual market within the service area to any individual for a period of 180 calendar days after the date the coverage is denied. This paragraph (c)(2) does not limit the carrier's ability to renew coverage already in force or relieve the carrier of the responsibility to renew that coverage.

(3) Coverage offered within a service area after the 180-day period specified in paragraph (c)(2) of this section is subject to the requirements of this section.

(d) *Application of financial capacity limits.* — (1) A carrier may deny health insurance coverage in the individual market if the carrier has demonstrated to the Commissioner the following:

a. It does not have the financial reserves necessary to underwrite additional coverage.

b. It is applying this paragraph (d)(1) uniformly to all individuals in the individual market in this State consistent with applicable state law and without regard to the claims experience of those individuals (and their dependents) or any health status-related factor relating to such individuals and dependents.

(2) A carrier that denies health insurance coverage to any individual in this State under paragraph (d)(1) of this section may not offer coverage in the individual market in this State before the later of either of the following dates:

a. The one hundred and eighty-first day after the date the carrier denies coverage;

b. The date the carrier demonstrates to the Commissioner that the carrier has sufficient reserves to underwrite additional coverage.

(3) Paragraph (d)(2) of this section does not limit the carrier's ability to renew coverage already in force or relieve the carrier of the responsibility to renew that coverage.

(4) Coverage offered after the 180-day period specified in paragraph (d)(2) of this section is subject to the requirements of this section.

(5) The Commissioner may provide for the application of this subsection (d) on service-area-specific basis.

(e) *Marketing.* — A carrier and its officials, employees, agents and representatives must comply with any applicable state laws and regulations regarding marketing by carriers and cannot employ marketing practices or benefit designs that will have the effect of discouraging the enrollment of individuals with significant health needs in health insurance coverage.

(f) *Grandfathered health plans.* — This section does not apply to grandfathered health plans. For purposes of this section, "grandfathered health plans" means plans provided by a health insurer in which an individual was enrolled on March 23, 2010, for as long as it maintains that status in accordance with federal regulations.

(79 Del. Laws, c. 99, § 12; 82 Del. Laws, c. 186, § 10.)

§ 3608. Renewability of coverage.

(a) An individual health benefit plan shall be renewable with respect to an enrollee or dependents at the option of the enrollee, except in any of the following cases:

(1) The individual has failed to pay premiums or contributions in accordance with the terms of the health benefit plan or the health carrier has not received timely premium payments;

(2) The individual has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage;

(3) A decision by the individual carrier to discontinue offering a particular type of health benefit plan in the state's individual insurance market. A type of health benefit plan may be discontinued by the carrier in the individual market only if the carrier:

a. Provides notice of the decision not to renew coverage to all affected individuals and to the Commissioner in each state in which an affected insured individual is known to reside at least 90 days prior to the nonrenewal of any health benefit plans by the carrier. Notice to the Commissioner under this subparagraph shall be provided at least 3 working days prior to the notice to the affected individuals;

b. Offers to each individual provided the particular type of health benefit plan the option to purchase all other health benefit plans

currently being offered by the carrier to individuals in the state; and

c. In exercising the option to discontinue the particular type of health benefit plan and, in offering the option of coverage under paragraph (a)(3) of this section, the carrier acts uniformly without regard to the claims experience of any affected individual or any health status-related factor relating to any covered individuals or beneficiaries who may become eligible for the coverage;

(4) The carrier elects to discontinue offering and to nonrenew all its individual health benefit plans delivered or issued for delivery in the state. In that case, the carrier shall provide notice of its decision not to renew coverage to all enrollees and to the Commissioner in each state in which an enrollee is known to reside at least 180 days prior to the nonrenewal of the health benefit plan by the carrier. Notice to the Commissioner under this paragraph shall be provided at least 3 working days prior to the notice of the enrollees;

(5) The Commissioner finds that the continuation of the coverage would not be in the best interests of the enrollees, the plan is obsolete or would impair the carrier's ability to meet its contractual obligations. Once the Commissioner has made such a finding, the carrier shall provide notice to each affected covered individual provided coverage of this type of such discontinuation and shall provide each affected covered individual the opportunity to purchase any other individual health insurance coverage being offered by the carrier. In exercising this option, the carrier shall act uniformly without regard for any health status-related factor of enrolled individuals or individuals who may become eligible for such coverage;

(6) The Commissioner finds that the product form is being uniformly modified and is being replaced with comparable coverage.

(b) An individual carrier that elects not to renew all its health benefit plans under paragraph (a)(4) of this section shall be prohibited from writing new business in the individual market in this State for a period of 5 years from the date of the discontinuation of the last health benefit plan not so renewed.

(c) In the case of an individual carrier doing business in 1 established geographic service area of the state, the rules set forth in this section shall apply only to the carrier's operations in that service area.

(d) An individual carrier offering coverage through a network plan shall not be required to renew, offer coverage or accept applications pursuant to subsection (a) of this section to an eligible person who no longer resides, lives or works in the service area or in an area for which the carrier is not authorized to do business, but only if coverage is terminated under this paragraph uniformly without regard to any health status-related factor of covered individuals.

(e) In applying this section in the case of a health benefit plan that is made available in the individual market to individuals only through 1 or more bona fide associations, a reference to an "individual" is deemed to include a reference to such an association (of which the individual is a member).

(71 Del. Laws, c. 143, § 3.)

§ 3609. Nondiscrimination in health care [For application of this section, see 79 Del. Laws, c. 99, § 19].

(a) *Providers.* — A health insurer offering individual health insurance coverage shall not discriminate with respect to participation under the coverage against any health-care provider who is acting within the scope of that provider's license or certification under applicable state law. This section shall not require that a health insurer contract with any health-care provider willing to abide by the terms and conditions for participation established by the insurer. Nothing in this section shall be construed as preventing a health insurer or the Commissioner from establishing varying reimbursement rates based on quality or performance measures.

(b) *Individuals.* — The provisions of § 1557 of the Patient Protection and Affordable Care Act (relating to nondiscrimination) [42 U.S.C. § 18116], as the law and its implementing regulations were in effect on January 1, 2018, apply with respect to a health insurer offering individual health insurance coverage.

(79 Del. Laws, c. 99, § 13; 82 Del. Laws, c. 186, § 11.)

§ 3610. Comprehensive health insurance coverage [For application of this section, see 79 Del. Laws, c. 99, § 19].

(a) *Coverage for essential health benefits package.* — A health insurer that offers health insurance coverage in the individual market shall ensure that such coverage includes the essential health benefits package in conformity with § 1302 of the Patient Protection and Affordable Care Act [42 U.S.C. § 18022], as the law and its implementing regulations were in effect on January 1, 2018, and state law. The Commissioner shall issue a regulation setting forth what constitutes "essential health benefits" for purposes of this section.

(b) *Cost-sharing under individual health insurance policies.* — An individual health insurance policy shall ensure that any annual cost-sharing imposed under the plan does not exceed the limitations provided for under § 1302(c)(1) of the Patient Protection and Affordable Care Act [42 U.S.C. § 18022(c)(1)], as the law and its implementing regulations were in effect on January 1, 2018, and state law.

(c) *Child-only plans.* — If a health insurer offers health insurance coverage in any level of coverage specified under § 1302(d) of the Patient Protection and Affordable Care Act [42 U.S.C. § 18022(d)], as the law and its implementing regulations were in effect on January 1, 2018, or state law, the health insurer shall also offer such coverage in that level as a plan in which the only enrollees are individuals who, as of the beginning of the plan year, are under age 21.

(d) *Dental only.* — This section does not apply to a plan described in § 1311(d)(2)(B)(ii) of the Patient Protection and Affordable Care Act [42 U.S.C. § 18031(d)(2)(B)(ii)], as the law and its implementing regulations were in effect on January 1, 2018.

(79 Del. Laws, c. 99, § 13; 81 Del. Laws, c. 79, § 31; 82 Del. Laws, c. 186, § 12.)

§ 3611. Prohibiting discrimination against individual participants and beneficiaries based on health status [For application of this section, see 79 Del. Laws, c. 99, § 19].

In general. — A health insurer offering individual health insurance coverage may not establish rules for eligibility (including continued eligibility) of any individual to enroll under the terms of the coverage based on any of the following health status-related factors in relation to the individual or a dependent of the individual:

- (1) Health status.
 - (2) Medical condition (including both physical and mental illnesses).
 - (3) Claims experience.
 - (4) Receipt of health care.
 - (5) Medical history.
 - (6) Genetic information.
 - (7) Evidence of insurability (including conditions arising out of acts of domestic violence).
 - (8) Disability.
 - (9) Any other health status-related factor determined appropriate by the Commissioner.
- (79 Del. Laws, c. 99, § 13.)

§ 3612. Insurance offered through the state health insurance exchange [For application of this section, see 79 Del. Laws, c. 99, § 19].

(a) A health insurer that offers health insurance coverage in the individual market through the state health insurance exchange program established pursuant to the Patient Protection and Affordable Care Act [P.L. 111-148] shall first satisfy all certification standards required by federal and state law, and the health insurer shall offer only those policies that are “qualified health plans” as required by federal and state law.

(b) The Commissioner shall adopt regulations, in accordance with the Administrative Procedures Act [Chapter 101 of Title 29], that set forth the certification and compliance standards and requirements for health insurers operating within the state health exchange.

(79 Del. Laws, c. 99, § 13.)

§ 3613. Rating factors [For application of this section, see 79 Del. Laws, c. 99, § 19].

(a) In establishing rates for health insurance coverage offered in the individual market, the rate may vary with respect to the particular plan or coverage involved only by determining the following:

- (1) Whether the plan or coverage covers an individual or family.
- (2) Rating area, as established in accordance with subsection (d) of this section.
- (3) Age, except that the rate may not vary by more than 3 to 1 for like individuals of different age who are age 21 and older and that the variation in rate must be actuarially justified for individuals under age 21, consistent with the uniform age rating curve under subsection (e) of this section. For purposes of identifying the appropriate age adjustment under this paragraph (a)(3) and the age band under subsection (e) of this section applicable to a specific enrollee, the enrollee’s age as of the date of policy issuance or renewal must be used.
- (4) Subject to § 3611 of this title, tobacco use, except that such rate may not vary by more than 1.5 to 1 and may only be applied with respect to individuals who may legally use tobacco under federal and state law. For purposes of this paragraph (a)(4), tobacco use means use of tobacco on average 4 or more times per week within no longer than the past 6 months. This includes all tobacco products, except that tobacco use does not include religious or ceremonial use of tobacco. Further, tobacco use must be defined in terms of when a tobacco product was last used.

(b) The rate established under this section must not vary with respect to the particular plan or coverage involved by any other factor not described in subsection (a) of this section.

(c) A health insurer must consider the claims experience of all enrollees in all health plans, other than grandfathered health plans, offered by such insurer in individual market in this State, including those enrollees who do not enroll in such plans through the state health exchange, to be members of a single risk pool. A health insurer must charge the same premium rate without regard to whether the plan is offered through the state health exchange or whether the plan is offered directly from the health insurer or through an agent.

(d) In establishing rates, all health insurers offering health plans in the individual market shall use a single rating area that applies to the entire State.

(e) The following uniform age bands apply for rating purposes under paragraph (a)(3) of this section:

- (1) *Child age bands.* — a. A single age band for individuals age 0 through 14.
b. One-year age bands for individuals age 15 through 20.
- (2) *Adult age bands.* — One-year age bands for individuals age 21 through 63.
- (3) *Older adult age bands.* — A single age band for individuals age 64 and older.

(f) *Application of variations based on age or tobacco use.* — With respect to family coverage under health insurance coverage, the rating variations permitted under paragraphs (a)(3) and (a)(4) of this section must be applied based on the portion of the premium attributable to each family member covered under the coverage.

(1) The total premium for family coverage must be determined by summing the premiums for each individual family member. With respect to family members under age 21, the premiums for no more than the 3 oldest covered children must be taken into account in determining the total family premium.

(2) If the State does not permit any rating variation for the factors described in paragraphs (a)(3) and (a)(4) of this section, as determined by the Insurance Commissioner by regulation, the State may require that premiums for family coverage be determined by using uniform family tiers and the corresponding multipliers established by the State. If the State does not establish uniform family tiers and the corresponding multipliers, the per-member-rating methodology under paragraph (f)(1) of this section applies in this State.

(g) The Commissioner may adopt regulations, in accordance with the Administrative Procedures Act (Chapter 101 of Title 29), that are consistent with Chapter 25 of this title and set forth more specifically the rating standards and requirements for health insurers operating within this State.

 - (4) A full description of the coverage or coverages, including the amount of term thereof and any exceptions, limitation and exclusions; and
 - (5) A statement that the benefits shall be paid to the creditor to reduce or extinguish the unpaid debt and, whenever the amount of insurance benefit exceeds the unpaid debt, that any such excess shall be payable to a beneficiary other than the creditor, named by the debtor or the debtor's estate.
- (e) Unless the individual policy or group certificate of insurance is delivered to the debtor at the time the debt is incurred or at such other time that the debtor elects to purchase coverage, a copy of the application for the policy or a notice of proposed insurance, signed by the debtor and setting forth the name and home office address of the insurer, the name or names of the debtor, the premium rate or amount of payment by the debtor for the insurance, the amount of payment by the debtor for the insurance and the amount, term and a brief description of the coverage provided, shall be delivered at the time the debt is incurred or the election to purchase coverage is made. The copy of the application for or notice of proposed insurance shall also refer exclusively to insurance coverage and shall be separate and apart from the loan, sale or other credit statement of account, instrument or agreement, unless the information required by this subsection is prominently set forth therein. Upon acceptance of the insurance by the insurer and within 30 days of the date upon which the debt is incurred or the election to purchase coverage is made, the insurer shall cause the individual policy or group certificate of insurance to be delivered to the debtor. The application or notice of proposed insurance shall state that upon acceptance by the insurer, the insurance shall become effective as provided in § 3705 of this title.
- (f) The application, notice of proposed insurance or certificate may be used to fulfill all of the requirements of subsections (a) and (d) of this section if it contains all of the information required by those subsections.

If no insurer accepts the risk, then all premiums paid shall be refunded or credited within 30 days of application to the person entitled thereto.
- (i) For the purpose of subsection (e) of this section, an individual policy or group certificate delivered in conjunction with an open-end consumer credit agreement or any consumer credit insurance requested by the debtor after that date of the debt shall be deemed to be delivered at the time the debt is incurred or election to purchase coverage is made if the delivery occurs within 30 days of the date the insurance is effective.
- (j) An individual policy or group certificate delivered in conjunction with an open-end credit agreement shall continue from its effective date through the term of the agreement unless the individual policy or group certificate is terminated in accordance with its terms at an earlier date.
- (g) The debtor has 30 days from the date that he or she receives either the individual policy or the group certificate to review the

coverage purchased. At any time within the 30-day period, the debtor may contact the creditor or insurer issuing the policy or certificate and request that the coverage be canceled. The individual policy or group certificate may require the request to be in writing or that the policy or certificate be returned to the insurer or both. The debtor shall, within 30 days of the request, receive a full refund or credit of all premiums or insurance charges paid by the debtor, provided no loss has occurred and no claim has been made.

§ 3707. Filing, approval and withdrawal of forms.

(a) All policies, certificates of insurance, notices of proposed insurance, applications for insurance, endorsements and riders delivered or issued for delivery in this State and the schedules of premium rates pertaining thereto shall be filed with the Commissioner before being used.

(b) The Commissioner shall, within 30 days after the filing of any such policies, certificates of insurance, notices of proposed insurance, applications for insurance, endorsements and riders, disapprove any such form if the benefits provided are not reasonable in relation to the premium charged or if it contains provisions which are unjust, unfair, inequitable, misleading, deceptive or encourage misrepresentation of the coverage or are contrary to any provision of the Insurance Code or of any rule or regulation promulgated thereunder. If the Commissioner does not disapprove a filing within 30 days, it may be deemed approved.

(c) If the Commissioner disapproves the form in accordance with subsection (b) of this section, the Commissioner shall promptly notify the insurer in writing of the disapproval, and it is unlawful for the insurer to issue or use the form. In the notice, the Commissioner shall specify the reasons for disapproval and state that a hearing will be granted upon written request by the insurer.

(d) The Commissioner may withdraw approval of any approved form when the Commissioner would be required to disapprove the form if it were filed at the time of the action of withdrawal. The withdrawal shall be in writing and shall specify the reasons for the withdrawal and the effective date of the withdrawal. Any insurer adversely affected by such withdrawal may, within 30 days after receiving the written notification of the withdrawal, request a hearing to determine whether the withdrawal should be annulled, modified or confirmed. Unless the Commissioner, in writing, in the withdrawal or subsequent thereto grants an extension, the withdrawal shall, in the absence of a request for a hearing, become effective, prospectively and not retroactively, on the ninety-first day following the delivery of the notice of withdrawal, and, if request for hearing is filed, on the 91st day following delivery of written notice of the Commissioner's determination.

(e) Any hearing requested pursuant to subsections (c) and (d) of this section shall be noticed and conducted in accordance with the Delaware Administrative Procedures Act, Chapter 101 of Title 29.

(f) If a group policy of consumer credit insurance:

(1) Has been delivered in this State before November 20, 1996; or

(2) Has been or is delivered in another state before or after November 20, 1996,

then the insurer shall be required to file only the group certificate and notice of proposed insurance delivered or issued for delivery in this State as specified in § 3706(c) and (e) of this title and such forms shall be approved by the Commissioner if they conform with the requirements specified in these subsections and if the schedules of premium rates applicable to the insurance evidenced by such certificate or notice are not in excess of the insurer's schedules of premium rates filed with the Commissioner; provided however, that the premium rate in effect on existing group policies may be continued until the first policy anniversary date following November 22, 1996, as provided in § 3713 of this title. However, all other forms specified in subsection (a) of this section shall also be filed as specified in this section unless the group policy has been or is delivered in another state which has adopted statutes, regulations or other provisions similar to this section. In that event, the forms should be filed for informational purposes. However, the insurer shall be prohibited from using any form filed for informational purposes if the Commissioner subsequently determines that the form is not in substantive compliance with the requirements of this section.

(70 Del. Laws, c. 576, § 1.)

§ 3708. Premiums and refunds.

(a) Any insurer may revise its schedules of premium rates from time to time and shall file the revised schedules with the Commissioner. No insurer shall issue any consumer credit insurance policy for which the premium rate exceeds that determined by the schedules of the insurer as then on file with the Commissioner. The Commissioner shall have the authority to promulgate regulations to assure that the premium rates are reasonable in relation to the benefits provided. In determining whether the premium rates are reasonable in relation to the benefits provided, the Commissioner shall consider and provide for: actual and expected loss experience, general and administrative expenses, loss settlement and adjustment expenses, reasonable creditor compensation, investment income, the manner in which premiums are charged and other acquisition costs, reserves, taxes, regulatory license fees and fund assessments, reasonable insurer profit and other relevant data, consistent with generally accepted actuarial standards.

(b) Each individual policy or group certificate shall provide for a refund in the event of termination of the insurance prior to the scheduled maturity date of the insurance and upon notice to the insurer. The refund of an amount paid by the debtor for insurance shall be paid or credited promptly to the person entitled thereto; provided however, that the Commissioner shall prescribe a minimum refund and no refund which would be less than such minimum need be made. The formula to be used in computing such refund shall be filed with and approved by the Commissioner.

(c) If a creditor requires a debtor to make any payment for consumer credit insurance and an individual policy or group certificate of

insurance is not issued, the creditor shall immediately give written notice to the debtor and shall promptly make an appropriate credit to the account or issue a refund.

(d) The amount charged to a debtor for any consumer credit insurance shall not exceed the premiums charged by the insurer, as computed at the time the charge to the debtor is determined.

(e) The insurance premium or other identifiable charge for credit life or credit accident and health insurance may be collected from the insured or included in the principal of any loan or other transaction at the time such transaction is completed.

(f) The premium or cost of credit life or credit accident and health insurance when issued through any creditor shall not be deemed interest or charges, consideration or an amount in excess of permitted charges in connection with the loan or other credit transaction, and any gain or advantage to the creditor arising out of the premium or commission or dividend from the issuance of such insurance shall not be deemed a violation of any other law, general or special, civil or criminal, of the State.

(70 Del. Laws, c. 576, § 1.)

§ 3709. Issuance of policies.

All policies of consumer credit insurance shall be delivered or issued for delivery in this State only by an insurer authorized to engage in the business of insurance therein and shall be issued only through holders of licenses or authorizations issued by the Commissioner.

(70 Del. Laws, c. 576, § 1.)

§ 3710. Claims.

(a) All claims shall be promptly reported to the insurer or its designated claim representative and the insurer shall maintain adequate claim files. All claims shall be settled as soon as possible and in accordance with the terms of the insurance contract.

(b) All claims shall be paid either by draft drawn upon the insurer, by electronic funds transfer or by check of the insurer to the order of the claimant to whom payment of the claim is due pursuant to the policy provisions or upon direction of such claimant to one specified.

(c) No plan or arrangement shall be used whereby any person, firm or corporation other than the insurer or its designated claim representative shall be authorized to settle or adjust claims. The creditor shall not be designated as claim representative for the insurer in adjusting claims; provided, that a group policyholder may, by arrangement with the group insurer, draw drafts, checks or electronic transfers in payment of claims due to the group policyholder subject to audit and review by the insurer.

(70 Del. Laws, c. 576, § 1.)

§ 3711. Existing insurance — Choice of insurer.

When consumer credit insurance is required as additional security for any debt, the debtor shall, upon request to the creditor, have the option of furnishing the required amount of insurance through existing policies of insurance owned or controlled by the debtor or of procuring and furnishing the required coverage through any insurer authorized to transact any insurance business within this State.

(70 Del. Laws, c. 576, § 1.)

§ 3712. Duties of an insurer.

Except as otherwise prohibited by law, duties imposed upon an insurer within this chapter may be carried out by a creditor if the creditor is acting as a common law or statutory agent on behalf of the insurer.

(70 Del. Laws, c. 576, § 1.)

§ 3713. Enforcement; penalties.

(a) The Commissioner may, after notice and hearing, issue such rules and regulations as the Commissioner deems appropriate for the supervision of this chapter.

(b) Whenever the Commissioner finds that there has been a violation of this chapter or any rules or regulations issued pursuant thereto, and after written notice thereof and hearing given to the insurer or other person authorized or licensed by the Commissioner, the Commissioner may impose an administrative penalty in accordance with § 329 of this title. The Commissioner, in his or her discretion, may revoke or suspend the license or certificate of authority of the person, firm or corporation guilty of repeated wilful violations.

(c) Before the Commissioner may impose or order a penalty pursuant to this section, the violator shall be given notice of the violation and an opportunity to be heard at a public hearing. The procedures for such notice and hearing, and any appeal from the Commissioner's decision shall be the same as set forth in the Delaware Administrative Procedures Act, Chapter 101 of Title 29.

(d) The Commissioner may set forth by regulation prima facie reasonable premium rates, together with corresponding safe-harbor benefit provisions, which premium rates shall be conclusively presumed reasonable in relation to the benefits provided when used for policies containing such benefit provisions.

(b) No dental plan organization, unless licensed as an insurer, may use in its name, evidence of coverage or literature any of the words "insurance," "assurance," "casualty," "surety," "mutual" or any other words descriptive of the insurance, casualty or surety business or deceptively similar to the name or description of any insurer licensed to do business in this State.

A hearing on the matter shall be granted by the Commissioner within 20 days after a request in writing by the dental plan organization. After the hearing, or upon failure of the dental plan organization to appear at the hearing, the Commissioner shall take action on his or her findings.

(c) If the Commissioner suspends the certificate of authority, the dental plan organization shall not accept any additional enrollees or engage in any advertising or solicitation during the period of the suspension.

(d) If the Commissioner revokes the certificate of authority, the dental plan organization shall proceed to dissolve its structure immediately following the effective date of the order of revocation, and shall conduct no further business except as may be essential to the orderly conclusion of the affairs of the dental plan organization. § 3816. Cease and desist order.

(a) The Commissioner may issue an order directing a dental plan organization or a representative of a dental plan organization to cease and desist from engaging in any act or practice in violation of this chapter.

(b) Within 20 days after service of the order of cease and desist, the respondent may request a hearing on a question of whether acts or practices in violation of this chapter have occurred.

(63 Del. Laws, c. 49, § 1.)

§ 3817. Civil penalty; exceptions.

Any dental plan organization which violates any provisions of this chapter, or neglects, fails or refuses to comply with any of the requirements of this chapter, except the failure to file an annual report and the failure to reply in writing to inquiries of the Commissioner, shall be liable for a civil penalty of no more than \$1,000 for each violation.

(63 Del. Laws, c. 49, § 1.)

§ 3818. Injunctive power.

Whenever any dental plan organization shall become insolvent or shall suspend its ordinary business for want of funds to carry on the same, or whenever the Commissioner shall ascertain, as a result of examination as authorized by this chapter, or in any other manner, that the dental plan organization is exceeding its powers or violating the law or that its condition or methods of business may render the continuance of its operations hazardous to its enrollees or the public, or that its assets are less than its liabilities, the Commissioner may institute an action in the Court of Chancery to enjoin it from the transaction of any further business, or from the transfer or disposal of its property in any manner whatsoever. The Court may proceed in the action in a summary manner or otherwise. It may grant injunctive relief and appoint a receiver, with power to sue for, collect, receive and take into his or her possession all the goods and chattels, rights and credits, moneys and effects, lands and tenement, books, papers, choses in action, bills, notes and property of every description belonging to the dental plan organization and sell and convey and assign the same, and authorize the purchase of continuing coverage for enrollees utilizing the remaining assets, and hold and dispose of the proceeds thereof. The Court may cause the receiver to continue the existing operation of the organization, under Court supervision, until the next anniversary of the subscription certificates and contracts then in force. The dental plan organization may be deemed insolvent whenever it is presently or prospectively unable to fulfill its outstanding contracts and to maintain the surpluses required pursuant to this chapter.

(63 Del. Laws, c. 49, § 1; 70 Del. Laws, c. 186, § 1.)

§ 3819. Confidentiality of documents.

Applications, filings and reports required under this chapter, except contracts referred to in § 3803(c)(4) and (5) of this title, shall be treated as public documents and shall not be considered confidential.

(63 Del. Laws, c. 49, § 1; 80 Del. Laws, c. 376, § 5.)

§ 3820. Confidentiality of data pertaining to diagnosis, treatment or health of enrollees.

Data or information pertaining to the diagnosis, treatment or health of any enrollee obtained by the dental plan organization from the enrollee or any dentist shall be confidential and shall not be disclosed to any person except to the extent that it may be necessary to carry out the purposes of this chapter, or upon the express consent of the enrollee or pursuant to statute or court order for the production of evidence of the discovery thereof, or in the event of claim or litigation between the enrollee and the dental plan organization wherein the

data or information is pertinent. A dental plan organization shall be entitled to claim any statutory privileges against such disclosure which the dentist who furnished the information to the dental plan organization is entitled to claim.

(63 Del. Laws, c. 49, § 1.)

§ 3821. Exemptions from application of chapter.

Except with respect to the dental plan organization activities of a duly organized and authorized insurer or medical or dental service corporation, which activities are authorized and regulated pursuant to this chapter, this chapter shall not apply to a person engaged as indemnitor or contractor in the business of life insurance, health insurance or of annuity, nor shall it apply to a medical service corporation or dental service corporation. Chapter 39
CASUALTY INSURANCE CONTRACTS

§ 3901. Contracts subject to general provisions.

All contracts of casualty insurance covering subjects resident, located or to be performed in this State are subject to the applicable provisions of Chapter 27 (The Insurance Contract) of this title, and to other applicable provisions of this title.

(18 Del. C. 1953, § 3901; 56 Del. Laws, c. 380, § 1.)

§ 3902. Uninsured and underinsured vehicle coverage; insolvency of insurer.

(a) No policy insuring against liability arising out of the ownership, maintenance or use of any motor vehicle shall be delivered or issued for delivery in this State with respect to any such vehicle registered or principally garaged in this State unless coverage is provided therein or supplemental thereto for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of uninsured or hit-and-run vehicles for bodily injury, sickness, disease, including death, or personal property damage resulting from the ownership, maintenance or use of such uninsured or hit-and-run motor vehicle.

(1) No such coverage shall be required in or supplemental to a policy when rejected in writing, on a form furnished by the insurer or group of affiliated insurers describing the coverage being rejected, by an insured named therein, or upon any renewal of such policy or upon any reinstatement, substitution, amendment, alteration, modification, transfer or replacement thereof by the same insurer unless the coverage is then requested in writing by the named insured. The coverage herein required may be referred to as uninsured vehicle coverage.

(2) The amount of coverage to be so provided shall not be less than the minimum limits for bodily injury and property damage liability insurance provided for under the motorist financial responsibility laws of this State. The coverage for property damage shall be subject to a \$250 deductible for property damage arising out of 1 accident, unless the insured and the insurer agree in writing to a different deductible. As used herein, the term "property damage" shall include the loss of use of a vehicle.

(3) For the purpose of this section, an uninsured vehicle shall be defined as:

a. One for which there is no auto liability bond, insurance or other security applicable at the time of the accident in at least the amounts required by the financial responsibility law where the auto is principally garaged or registered;

b. One for which the insuring company denies coverage or becomes insolvent; or

c. A hit-and-run motor vehicle that causes an accident resulting in bodily injury or property damage to property of the insured. Bodily injury or property damage must be caused by physical contact of the hit-and-run vehicle with the insured or with an insured motor vehicle, or by a noncontact vehicle where the identity of both the driver and the owner of such vehicle are unknown. The accident must be reported to the police or proper governmental authority. The insured must notify his or her insurer within 30 days, or as soon as practicable thereafter, that the insured or his or her legal representative has a legal action arising out of the accident.

(4) In the event of payment to any person under uninsured vehicle coverage and, subject to the terms of such coverage, to the extent of such payment, the insurer shall be entitled to the proceeds of any settlement recovery from any person legally responsible for the bodily injury or property damage as to which such payment was made and to amount recoverable from the assets of the insolvent insurer of the other vehicle; provided, that this right of subrogation is limited to the amount of coverage required by the financial responsibility law.

(b) Every insurer shall offer to the insured the option to purchase additional coverage for personal injury or death up to a limit of \$100,000 per person and \$300,000 per accident or \$300,000 single limit, but not to exceed the limits for bodily injury liability set forth in the basic policy. Such additional insurance shall include underinsured bodily injury liability coverage.

(1) Acceptance of such additional coverage shall operate to amend the policy's uninsured coverage to pay for bodily injury damage that the insured or his or her legal representative are legally entitled to recover from the driver of an underinsured motor vehicle.

(2) An underinsured motor vehicle is one for which there may be bodily injury liability coverage in effect, but the limits of bodily injury liability coverage under all bonds and insurance policies applicable at the time of the accident are less than the damages sustained by the insured. These limits shall be stated in the declaration sheet of the policy.

(3) The insurer shall not be obligated to make any payment under this coverage until after the limits of liability under all bodily injury bonds and insurance policies available to the insured at the time of the accident have been exhausted by payment of settlement or judgments.

(4) An insured who executes a release of a single tortfeasor owner or operator of an underinsured motor vehicle in exchange for payment of the entire limits of liability insurance afforded by the tortfeasor's liability insurer shall continue to be legally entitled to recover against that tortfeasor for the purposes of recovery against the insured's underinsurance carrier. An insured who executes a

release of 1 of multiple tortfeasors shall have rights against that tortfeasor and the insured's underinsurance carrier determined in accordance with the Uniform Contribution Among Joint Tortfeasors Act [Chapter 63 of Title 10] and paragraph (b)(3) of this section.

(c) The affording of insurance under this section to more than 1 person or to more than 1 vehicle shall not operate to increase the limits of the insurer's liability. When 2 or more vehicles owned or leased by persons residing in the same household are insured by the same insurer or affiliated insurers, the limits of liability shall apply separately to each vehicle as stated in the declaration sheet, but shall not exceed the highest limit of liability applicable to any 1 vehicle.

(18 Del. C. 1953, § 3902; 56 Del. Laws, c. 380, § 1; 58 Del. Laws, c. 98, §§ 2, 3; 61 Del. Laws, c. 265, § 1; 63 Del. Laws, c. 243, § 1; 64 Del. Laws, c. 426, § 1; 67 Del. Laws, c. 180, § 1; 69 Del. Laws, c. 253, § 1; 70 Del. Laws, c. 186, § 1; 79 Del. Laws, c. 91, § 1.)

§ 3903. Cancellation or nonrenewal of automobile policy; definitions; scope. [For application of this section, see 82 Del. Laws, c. 160, § 5]

(a) As used in §§ 3903-3907 of this title:

(1) "Certified mail" as used in this chapter shall refer to the following as used by the postal service:

- a. Certified mail;
- b. Certified mail, return receipt;
- c. Certified mailing list.

(2) "Nonpayment of premium" means failure of the named insured to discharge when due any of his or her obligations in connection with the payment of premiums on a policy or any installment of such premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.

(3) "Policy" means any 1 or more of the following portions of an automobile insurance policy:

- a. Insuring against bodily injury and property damage liability;
- b. Insuring against physical damage;
- c. Insuring against risks commonly included under "comprehensive coverage";
- d. Relating to medical payments;

e. Providing uninsured motorist coverage, where such policy is delivered or issued for delivery in this State, insuring an individual as named insured or 1 or more related individuals resident of the same household, and under which the insured vehicles therein designated are motor vehicles of the private passenger or station wagon type (not used for public or livery conveyance of passengers, or rented to others) or any other 4 wheel motor vehicles with a load capacity of 1500 pounds or less not used in the occupation, profession, or business of the insured, and other than a policy of automobile liability insurance that meets any of the following criteria:

- 1. Issued under an assigned risk plan.
- 2. Insuring more than 4 motor vehicles.
- 3. Covering garage, automobile sales agency, repair shop, service station, or public parking place operation hazards.

(4) "Renewal" or "to renew" means the issuance and delivery by an insurer of a policy superseding at the end of the policy period a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term. Any policy with a policy period or term of less than 6 months or any policy with no fixed expiration date shall for the purpose of this section be considered as if written for successive policy periods or terms of 6 months.

(b) Sections 3903-3907 of this title shall not apply to any policy which has been in effect less than 60 days at the time notice of cancellation is mailed or delivered by the insurer, unless it is a renewal policy.

(c) (1) Notwithstanding § 3911 of this title, the transfer of a policyholder between authorized insurers within the same insurance group is not a cancellation or nonrenewal if the policyholder's premium does not increase and the policyholder does not experience a reduction in coverage. A policyholder so transferred must be provided with written notice of the transfer.

(2) A transfer under this subsection shall be treated as a renewal for purposes of the use of credit information pursuant to Chapter 83 of this title.

(3) The notice required under this subsection shall be made no less than 20 days before the effective date of the proposed transfer. The notice may be a part of a renewal form sent to the policyholder renewing the coverage by the new insurer.

(d) Where an insurer either fails to renew a policy or cancels a policy based solely upon the reason of nonpayment of premium, the insurer shall renew or reinstate the policy if the insured tenders to the insurer or its agent the full amount due within 30 days after the end of the policy period or cancellation date. The renewed or reinstated policy shall contain the same conditions at the same rates or premiums had he or she paid his or her premium on the due date. The effective date of such renewed or reinstated policy shall be the date of actual receipt by the insurer or its agent of the full premium payment due. The renewed or reinstated policy shall not cover and the insurer shall not be liable for any losses occurring or claims which were sustained during the period from the end of the policy period or cancellation date until the date the full premium payment was actually received by the insurer or its agent, regardless of whether or not such a loss or claim would otherwise fit within the coverage of such a policy.

(18 Del. C. 1953, § 3903; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 154, § 5; 63 Del. Laws, c. 243, § 2; 70 Del. Laws, c. 186, § 1; 77 Del. Laws, c. 217, § 1; 82 Del. Laws, c. 160, § 1; 83 Del. Laws, c. 221, § 1.)

§ 3904. Cancellation or nonrenewal of automobile policy — Reasons for cancellation or nonrenewal.

Laws, c. 452, § 10; 70 Del. Laws, c. 583, § 1; 71 Del. Laws, c. 216, § 88; 71 Del. Laws, c. 228, § 1; 72 Del. Laws, c. 448, § 1; 79 Del. Laws, c. 295, § 1.)

§ 3905. Cancellation or nonrenewal of automobile policy — Notice of cancellation or intention not to renew; notice of reasons [For application of this section, see 79 Del. Laws, c. 390, § 8].

(a) No cancellation of a policy to which § 3904(a) of this title applies shall be effective unless notice thereof is mailed or delivered by the insurer to the named insured at least 30 days prior to the effective date of cancellation and accompanied by the reason for cancellation, except that, where cancellation is for nonpayment of premium, at least 15 days' notice of cancellation accompanied by the reason therefor shall be given.

(b) No insurer shall fail to renew a policy except to which § 3903(b) of this title applies, unless it shall mail or deliver to the named insured, at his or her address last of record with the insurer, at least 30 days advance notice of its intention to nonrenew accompanied by the reason or reasons therefor. This subsection shall not apply in case of nonpayment of premium or if the insurer has manifested its willingness to renew. Notwithstanding the failure of an insurer to comply with this subsection, the policy shall terminate on the effective date of any other policy procured by the insured with respect to any automobile designated in both policies. Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation or nonrenewal which existed before the effective date of the renewal.

(c) The mailing of the notice of cancellation, or of intention not to renew, to the named insured at his or her last address of record with the insurer, shall be by certified mail or by USPS Intelligent Mail barcode (IMb). Proof of mailing of such notice shall be retained by the insurer for a period of not less than 1 year. This subsection shall not apply in case of nonpayment of premium.

(d) When a policy is cancelled or nonrenewed, other than for nonpayment of premium, the insurer shall notify the named insured of any possible eligibility for insurance through an automobile assigned risk plan. Such notice shall accompany or be included in the notice of cancellation or the notice of intent not to renew, and shall state that such notice of availability of the automobile assigned risk plan is given pursuant to this section.

(e) Each notice of cancellation, except as provided in § 3903(b) of this title, or nonrenewal of a policy shall contain or be accompanied by a notice of the named insured's right to apply to the Commissioner for an appeal therefrom.

(18 Del. C. 1953, § 3905; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 154, § 2; 63 Del. Laws, c. 243, § 3; 70 Del. Laws, c. 186, § 1; 79 Del. Laws, c. 390, § 5; 82 Del. Laws, c. 160, § 2; 83 Del. Laws, c. 221, § 2.)

§ 3906. Cancellation or nonrenewal of automobile policy — Appeal to the Commissioner; order.

(d) [Repealed.]

(a) A named insured who wishes to contest the reason or reasons for a cancellation or nonrenewal to which § 3904 of this title is applicable shall not less than 20 days prior to the effective date of cancellation or nonrenewal mail or deliver to the Commissioner a request for a review, which shall state clearly the basis for the appeal. The Commissioner's review of a named insured's appeal shall be on the papers. This subsection shall not apply to cancellation for nonpayment of premium. A cancellation or nonrenewal which is subject to the provisions of § 3904 of this title shall be deemed effective, unless the Commissioner determines otherwise in accordance with the provisions of such section.

(b) Within 2 working days after receipt of a timely request for an appeal, the Commissioner shall forward a copy of the insured's request to the insurer. Within 5 working days of its receipt of the appeal, the insurer shall submit to the Commissioner all documentation supporting the insurer's statutory authority to cancel or nonrenew the policy. The Commissioner may, where he or she finds that an unfairness will result to the insured because of delays or other circumstances beyond his or her control, extend the effective date of cancellation or nonrenewal for a period not to exceed 4 days from the date the notice of cancellation or nonrenewal was received by the insured. Each insurer authorized to transact automobile insurance in this State shall maintain a file with the Commissioner of the name and address of the person authorized to receive notices pursuant to this section on behalf of the insurer.

(c) The Commissioner, based on the documents submitted by the parties and at least 5 days prior to the effective date of the cancellation or nonrenewal, shall issue his or her written findings to the parties and, if he or she finds for the named insured, the Commissioner shall either order the insurer to rescind its notice of cancellation or nonrenewal or, if the date cancellation or nonrenewal is to be effective has lapsed, order the policy reinstated. Such order shall operate retroactively only to cover a period not to exceed 15 days from the date cancellation or nonrenewal otherwise would have been effective and prospectively from the date on which the order was issued, except that no policy shall be reinstated while the named insured is in arrears in payment of premium on the policy. If the Commissioner finds for the insurer, the Commissioner's written order shall so state. Reinstatement of a policy under this subsection shall not operate in any way to extend the expiration, termination or anniversary date provided in the policy.

(18 Del. C. 1953, § 3906; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 154, § 3; 70 Del. Laws, c. 186, § 1; 78 Del. Laws, c. 350, § 1; 83 Del. Laws, c. 221, § 3.)

§ 3907. Cancellation or nonrenewal of automobile policy — Nonliability as to information; statements.

There shall be no liability on the part of and no cause of action of any nature shall arise against the Commissioner or the insurer, its authorized representative, its agents, its employees or any firm, person or corporation furnishing to the insurer information as to reasons for cancellation or refusal to renew any policy under §§ 3903-3906 of this title, for any statement made by any of them in any written notice or explanation of cancellation or refusal to renew, for the providing of information pertaining thereto, or for statements made or evidence

submitted during an appeal conducted in connection therewith.

(18 Del. C. 1953, § 3907; 56 Del. Laws, c. 380, § 1; 83 Del. Laws, c. 221, § 4.)

§ 3908. Cancellation or nonrenewal of automobile policy — Exceptions related to insurer's condition.

Nothing contained in §§ 3903-3907 of this title shall be construed to prevent the cancellation or nonrenewal of any such insurance where:

(1) Cancellation or nonrenewal is ordered under or in connection with a statutory delinquency proceeding commenced against the insurer under Chapter 59 of this title (Rehabilitation and Liquidation); or

(2) Cancellation or nonrenewal has been consented to by the Commissioner on a showing that continuation of such insurance can reasonably be expected to create a condition in the insurer hazardous to its policyholders, or to its creditors, or to its members, subscribers or stockholders, or to the public.

(18 Del. C. 1953, § 3908; 56 Del. Laws, c. 380, § 1.)

§ 3909. Automobile insurance; exclusion, cancellation or nonrenewal.

(a) The insurer shall have the right to exclude, cancel or refuse to renew coverage under an automobile insurance policy as to designated individuals. Any such cancellation or refusal to renew shall be subject to the applicable provisions of § 3903 through and including § 3907 of this title, and the notice provisions of those said sections shall apply equally to the exclusion, cancellation or refusal to renew coverage as to a designated individual or individuals.

(b) In any case where an insurer is authorized under this chapter to cancel or nonrenew any automobile policy under which more than 1 person is insured because of the record of 1 or more, but less than all of the persons insured under the policy, the insurer shall, in lieu of cancellation or nonrenewal, offer to continue or renew the insurance, but to exclude from coverage, by name, the person or persons whose record would have justified the cancellation or nonrenewal. The premiums charged on any such policy excluding a named driver or drivers shall not reflect the claims, experience or driving record of the excluded named driver or drivers.

(c) With respect to any person excluded from coverage under this section, the policy may provide that the insurer shall not be liable for damages, losses or claims arising out of this operation or use of the insured motor vehicle, whether or not such operation or use was with the express or implied permission of a person insured under the policy.

(d) Every insurer shall be required to offer to the driver or drivers excluded under this section coverage of the same type or types and in an amount or amounts at least as great as the types and amount of coverage carried on the vehicle or vehicles that the designated person is being excluded from, which coverage shall be offered at rates commensurate with the driving record of such excluded driver or drivers; provided, however, that such excluded driver or drivers shall not be required to carry coverage in any amount or amounts greater than those amounts required by the financial responsibility law of the State.

(e) The excluded driver or drivers shall be required to accept this offer of coverage, to furnish proof that such coverage is carried with another company, or surrender his or her motor vehicle operator's license to the Division of Motor Vehicles within 30 days after the offering of such coverage. Refusal to accept such coverage, the furnishing of adequate proof, or the failure to surrender his or her operator's license within the 30-day period will cause the cancellation of the policy or policies that they were excluded from. This provision shall apply as long as the designated individual could be considered a member of the household or possible occasional driver of the vehicle or vehicles he or she is being excluded from.

(18 Del. C. 1953, § 3909; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 201, § 1; 70 Del. Laws, c. 186, § 1.)

§ 3910. Automobile insurance — Insurer's right to impose deductible on renewal.

Nothing in §§ 3903-3909 of this title shall prohibit or be construed to prohibit an insurer from requiring a provision for a reasonable deductible not exceeding \$100 in amount as to physical damage and comprehensive coverages of the policy as a condition to renewal of an automobile insurance policy.

(18 Del. C. 1953, § 3910; 56 Del. Laws, c. 380, § 1.)

§ 3911. Legislation affecting renewal of policies — Notice of nonrenewal by insurer.

(a) Any legislation enacted subsequent to July 9, 1973, or subsequent legislation affecting Chapter 21 of Title 21, shall not effect the renewal of policies as described in § 3903(a)(4) of this title, unless the legislation itself so specifies.

(b) When an insurer intends not to renew a commercial liability insurance policy, other than an automobile insurance policy, notice of such nonrenewal shall be given to the named insured, in writing, not less than 60 days prior to the end of the policy period. For the purposes of this subsection, "renew" means the issuance and delivery by an insurer of a policy superseding at the end of the policy period a policy previously issued and delivered by the same insurer or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term. Mailing of notice of intention not to renew to the named insured at his or her address last of record with the insurer shall be by certified mail.

(18 Del. C. 1953, § 3911; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 154, § 4; 66 Del. Laws, c. 309, § 1; 70 Del. Laws, c. 186, § 1.)

§ 3912. Prohibition against premium increase or termination in certain circumstances.

(a) No premium may be increased on any contract of casualty insurance based on a named insured or any other operator who either

resides in the same household or customarily operates an automobile insured under such policy being revoked or suspended pursuant to § 1009 of Title 10.

(b) No premium may be increased on any contract of casualty insurance based on a license revocation or suspension imposed on the named insured or any other operator who either resides in the same household or customarily operates an automobile insured under such policy for a nondriving-related drug offense pursuant to § 2707(b)(11) or § 4177H(a) of Title 21.

(e) No insurer may terminate, or increase any premium on, a contract of casualty insurance solely based on a named insured or any other operator who either resides in the same household or customarily operates an automobile insured under such policy serving as a driver who is not monetarily compensated for a nonprofit transportation entity, such as Independent Transportation Network of America and its affiliates. For purposes of this subsection, “nonprofit” means any organization subject to § 501(c)(3) of the Internal Revenue Code of 1986 (26 U.S.C. § 501(c)(3)), as amended.

No insurer issuing a policy of insurance as described in this chapter shall, before such policy is issued, require that the proposed insured provide such insurer with his or her driving record for any period other than the 3 years immediately preceding the proposed effective date of such policy; provided, however, that if no violations or accidents are reflected on such record for 2 years immediately preceding the proposed effective date of such policy during which period the insured held a valid operator’s license, then an insurer may not consider more than such 2-year period for the purpose of issuing a policy of insurance.

(62 Del. Laws, c. 391, § 1; 70 Del. Laws, c. 186, § 1.)

§ 3914. Notice of statute of limitations required.

An insurer shall be required during the pendency of any claim received pursuant to a casualty insurance policy to give prompt and timely written notice to claimant informing claimant of the applicable state statute of limitations regarding action for his or her damages.

(63 Del. Laws, c. 236, § 1; 70 Del. Laws, c. 186, § 1.)

§ 3915. Cash refund on cancellation of policy.

(a) No insurer shall honor a request for a cash refund on cancellation of a policy by the insured until such time as the insured has provided sufficient evidence to the insurer that one of the following has occurred:

(2) The insured vehicle is no longer owned by the insured.

(3) The vehicle is no longer operable or capable of being repaired so as to become operable.

(4) The insured becomes self-insured under the provisions of § 2904 of Title 21.

(b) The requirement of “sufficient evidence” under subsection (a) of this section is satisfied by the insured providing the insurer with an affidavit certifying that any 1 of the conditions set forth in subsection (a) of this section has occurred. The insurer shall notify any insured who requests a cash refund on cancellation of a policy of the requirements of this section, and shall provide an appropriate form of affidavit, approved by the Insurance Commissioner (who is expressly authorized to approve appropriate forms of such affidavit), for execution by the insured. Any form of affidavit presented to or executed by an insured under this section shall bear a notice to the effect that false statements therein are punishable pursuant to § 1233 of Title 11.

§ 3916. Unfair trade practices.

No insurance company, domestic or foreign, or any agent or employee shall require that automobile glass repair or replacement work be performed by a particular facility, individual or business establishment as a condition of payment of a claim.

(69 Del. Laws, c. 195, § 1.)

§ 3917. Military deployment as a factor in automobile insurance rates.

(a) An insurer shall not use a lapse in an insured’s automobile insurance coverage as a factor in determining a new automobile insurance policy rate if the lapse was due to the cancellation or nonrenewal of the policy by the insurer, the cancellation of the policy by the insured, or by the insured’s failure to pay the policy renewal premium, as a result of the insured’s deployment, whether inside or outside the United States or its waters, as a member of the military, military reserve, or National Guard. An insurer may require the insured to provide

reasonable documentation to verify the insured's deployment. As used in this section, the term "deployment" does not include a permanent change of station within the United States.

(b) The spouse of an insured protected by subsection (a) of this section shall be similarly protected if that spouse accompanies an insured on the deployment.

(76 Del. Laws, c. 263, § 1; 70 Del. Laws, c. 186, § 1; 83 Del. Laws, c. 221, § 5.)

§ 3918. Vehicle data-reporting device.

(a) An insurer seeking to install a data-reporting device in a private passenger vehicle, or seeking to use a previously installed device for the purpose of obtaining data, shall inform the policyholder of such installation or use, of the data that may be obtained by the insurer from such device, and how the installation or use and removal or discontinuation of such device can affect the cost of insurance coverage.

(b) An insurer may not install or use a data reporting device in a private passenger vehicle unless an insured listed as the policyholder consents to such installation or use.

(c) The disclosure of any nonpublic personal information and any nonpublic confidential information collected by a vehicle data reporting device shall be governed by § 535 of this title and 18 DE Admin. Code § 904-1.0 to 18 DE Admin. Code § 904-16.0.

(d) Any private passenger vehicle insurance rating plan that uses data obtained by a vehicle data-reporting device shall be subject to Chapter 25 of this title and 18 DE Admin. Code § 1902-1.0 to 18 DE Admin. Code § 1902-6.0.

(e) This section applies to private passenger vehicle insurance issued to individual policyholders primarily for personal, family or household purposes. This section does not apply to policies issued to commercial entities or individuals who obtain insurance products or services for business, commercial or agricultural purposes.

(f) For purposes of this section, a "data reporting device" is any device that is capable of maintaining, transmitting, or storing, a vehicle's telematics and driving data.

(79 Del. Laws, c. 219, § 1.)

§ 3919. Addition of minor children and foster children to existing motor vehicle policies.

If requested by the insured, an insurer is required to add the following individuals to the insured's existing policy as an additional driver:

(1) Any licensed minor child of the insured who resides with the insured.

(2) Any licensed foster child placed into the temporary care of the insured by the Department of Services for Children, Youth and Their Families or pursuant to a court order.

Policies under which coverage is extended to licensed foster children pursuant to this section shall continue to be rated as personal, and not commercial, automobile policies. Insurers may not increase premium rates on policies under which coverage is extended pursuant to this section solely because of the addition of the licensed minor child or licensed foster child as a named driver, unless the increase is actuarially justified.

(81 Del. Laws, c. 128, § 1.)

§ 3920. Cancellation or nonrenewal of commercial automobile policy. [For application of this section, see 82 Del. Laws, c. 160, § 5]

(a) (1) An insurer licensed to do business in Delaware may not cancel mid-term any commercial automobile policy except for any of the following reasons:

a. Nonpayment of premium.

b. Material misrepresentation or nondisclosure to the insurer of a material fact at the time of acceptance of the risk.

c. Increased hazard or material change in the risk assumed, where the increased hazard or material change could not have been reasonably contemplated by the parties at the time of the assumption of the risk.

d. Substantial breaches of contractual duties, conditions, or warranties, which materially affect the nature or insurability of the risk.

e. Fraudulent acts against the insurer by the insured or its representatives, which materially affect the nature of the risk insured.

f. Lack of cooperation from the insured on loss control matters affecting insurability of the risk.

g. Bona fide loss of or substantial changes in applicable reinsurance if the insurer gives 60 days' written notice to both the insured and the Commissioner and submits a statement outlining the measures taken by the insurer to retain reinsurance and to obtain alternative sources of reinsurance in a form promulgated by the Commissioner.

h. Material increase in exposure arising out of changes in statutory or case law after the issuance of the insurance contract if the insurer gives 60 days' written notice to the insured and the Commissioner.

i. Bona fide loss of or reduction in available insurance capacity if the insurer gives 60 days' written notice to the insured and Commissioner.

(2) Except as otherwise provided in paragraph (a)(3) of this section, an insurer may not cancel a commercial automobile policy unless notice of the cancellation is mailed or delivered by the insurer to the named insured, at the insured's last address of record with the insurer, at least 60 days before the effective date of cancellation and accompanied by the reason for the cancellation. If the cancellation is for nonpayment of premium, the insurer shall give at least 10 days' notice of cancellation accompanied by the reason for the cancellation.

(3) Nothing in this section prohibits an insurer from issuing a notice of cancellation regarding a commercial automobile policy that

has been in effect for less than 60 days at the time the notice is mailed or delivered.

(b) An insurer shall renew a commercial automobile policy unless the insurer mails or delivers to the named insured, at the insured's last address of record with the insurer, at least 60 days' advance notice of its intention to nonrenew accompanied by the reason or reasons for the nonrenewal. This subsection does not apply in case of nonpayment of premium or if the insurer has manifested its willingness to renew. Notwithstanding the failure of an insurer to comply with this subsection, the commercial automobile policy must terminate on the effective date of any other commercial automobile policy procured by the insured with respect to any automobile designated in both policies. Renewal of a commercial automobile policy shall not constitute a waiver or estoppel with respect to grounds for cancellation or nonrenewal which existed before the effective date of the renewal.

(c) The mailing of the notice of cancellation or of intention to nonrenew to the named insured, at the last address of record with the insurer, must be by certified mail or by USPS Intelligent Mail barcode (IMb). Proof of mailing of such notice must be retained by the insurer for a period of not less than 1 year. This subsection does not apply in case of nonpayment of premium.

(d) When a policy is cancelled or nonrenewed, other than for nonpayment of premium, the insurer shall notify the named insured of any possible eligibility for insurance through an automobile assigned risk plan. The notice of availability of insurance through an automobile assigned risk plan must accompany or be included in the notice of cancellation or the notice of intent not to renew, and must state that the notice is given pursuant to this section.

Such participation by each insurer in the association shall be determined annually on the basis of such premiums written during the preceding calendar year, as disclosed in the annual statements and other reports filed by the insurer with the Commissioner.

(c) The association shall be governed by a board of 11 directors, elected annually by cumulative voting by the members of the association, whose votes in such election shall be weighed in accordance with each member's premiums written during the preceding calendar year. § 4121. Definitions.

(a) "Declination" is the refusal of an insurer, an agent or a broker to issue a property insurance policy on a written nonbinding application or written request for coverage. For the purpose of this subchapter, the offering of insurance coverage with a company within an insurance group which is different from the company requested on the nonbinding application or written request for coverage or the offering of insurance upon different terms than requested in the nonbinding application or written request for coverage shall be considered a declination.

(b) "Nonpayment of premium" means the failure of the named insured to discharge any obligation in connection with the payment of premiums on policies of property insurance subject to this subchapter, whether such payments are directly payable to the insurer or its agent or indirectly payable under a premium finance plan or extension of credit. "Nonpayment of premium" shall include the failure to pay dues or fees where payment of such dues or fees is a prerequisite to obtaining or continuing property insurance coverage.

(c) "Renewal" or "to renew" means the issuance and delivery by an insurer at the end of a policy period of a policy superseding a policy previously issued and delivered by the same insurer or the issuance and delivery of a certificate or notice extending the term of an existing policy beyond its policy period or term. For the purposes of this subchapter, any policy period or term of less than 6 months shall be considered a policy period or term of 6 months and any policy period or term of more than 1 year or any policy with no fixed expiration date shall be considered a policy period or term of 1 year.

(d) "Termination" means either cancellation or nonrenewal of property insurance coverage in whole or in part. A cancellation occurs during the policy term. A nonrenewal occurs at the end of the policy term as set forth in subsection (a) of this section. For purposes of this subchapter, the transfer of a policyholder between companies within the same insurance group shall be considered a termination, but requiring a reasonable deductible, reasonable changes in the amount of insurance or reasonable reductions in policy limits or coverage shall not be considered a termination if such requirements are directly related to the hazard involved and are made on the renewal date of the policy.

(65 Del. Laws, c. 199, § 1.)

§ 4122. Notification and reasons for declination or termination [For application of this section, see 79 Del. Laws, c. 390, § 8].

(c) At least 30 days before the end of a policy period, as described in § 4121(c) of this title, an insurer shall deliver or mail to the named insured, at the last known address of the named insured, either of the following:

(1) Written notice of the insurer's offer to renew the policy if the applicable premium for the policy is received within a specified billing period; or

(2) Written notice of the insurer's intention not to renew the policy upon expiration of the current policy period. The notice of intention not to renew shall include or be accompanied by a written explanation of the insurer's specific reason or reasons for the nonrenewal.

(a) Upon declining to insure any real or personal property subject to this subchapter, the insurer, agent, or broker making such declination shall either provide the insurance applicant with a written explanation of the specific reasons for the declination or an explanation will be provided within 21 days of the timely receipt of the applicant's written request for such an explanation. An applicant's written request shall be timely under this subsection if received within 90 days of the date of notice of the declination. In the event of a declination by an insurer of a risk submitted by an agent or broker on behalf of the applicant, the insurer shall provide that agent or broker with a written explanation of the reasons for the declination. In the event the agent or broker is unable to effect insurance for the applicant through an admitted insurer other than a residual market mechanism, the agent or broker shall submit an explanation in writing to the applicant of all insurer declinations. No agent, broker, or insurer not represented by an agent or broker shall decline to provide an insurance application form or other means of making a written request for insurance to a prospective applicant who requests insurance coverage from the agent, broker, or insurer.

(b) No cancellation of a property insurance policy shall be effective unless notice thereof is mailed or delivered by the insurer to the named insured at least 30 days prior to the effective date of cancellation, except that, where cancellation is for nonpayment of premium, at least 10 days' notice of cancellation shall be given. A notice of cancellation of property insurance coverage by an insurer shall be in writing, shall be delivered to the named insured or mailed to the named insured at the last known address of the named insured, shall state the effective date of the cancellation, and shall be accompanied by a written explanation of the specific reasons for the cancellation. Proof of mailing of such cancellation notice shall be retained by the insurer for a period of not less than 1 year.

(d) Proof of mailing of either notice under subsection (c) of this section shall be retained by the insurer for a period of not less than 1 year. If the insurer fails to comply with either paragraph (c)(1) or (2) of this section, coverage shall be deemed renewed under the same terms and conditions until the named insured has accepted replacement coverage with another insurer or until the named insured has agreed to the nonrenewal.

(65 Del. Laws, c. 199, § 1; 79 Del. Laws, c. 390, § 6; 83 Del. Laws, c. 92, § 1.)

§ 4123. Permissible cancellations.

After coverage has been in effect for more than 60 days or after the effective date of a renewal policy a notice of cancellation shall not be issued unless it is based upon at least 1 of the following reasons:

- (1) Nonpayment of premium;
 - (2) Discovery of fraud or material misrepresentation made by or with the knowledge of the named insured in obtaining the policy, continuing the policy or in presenting a claim under the policy;
 - (3) Discovery of wilful or reckless acts or omissions on the part of the named insured which increase any hazard insured against;
 - (4) The occurrence of a change in the risk which substantially increases any hazard insured against after insurance coverage has been issued or renewed;
 - (5) A violation of any local fire, health, safety, building or construction regulation or ordinance with respect to any insured property or the occupancy thereof which substantially increases any hazard insured against;
 - (6) A determination of the Insurance Commissioner that the continuation of the policy would place the insurer in violation of the insurance laws of this State;
 - (7) Real property taxes owing on the insured property have been delinquent for 2 or more years and continue delinquent at the time notice of cancellation is issued.
- (65 Del. Laws, c. 199, § 1.)

§ 4124. Discriminatory practices prohibited.

The declination or termination of a policy of property insurance subject to this subchapter by an insurer, agent or broker is prohibited if the declination or termination is:

- (1) Based upon the race, religion, nationality, ethnic group, age, sex or marital status of the applicant or named insured;
- (2) Based solely upon the lawful occupation or profession of the applicant or named insured, except that this provision shall not apply to an insurer, agent or broker which limits its market to 1 lawful occupation or profession or to several related lawful occupations or professions;
- (3) Based upon the age or location of the residence of the applicant or named insured unless such decision is for a business purpose which is not a mere pretext for unfair discrimination;
- (4) Based upon the fact that another insurer previously declined to insure the applicant or terminated an existing policy in which the applicant was named insured;
- (5) Based upon the fact that the applicant or named insured previously obtained insurance coverage through a residual market insurance mechanism.

(65 Del. Laws, c. 199, § 1.)

§ 4125. Enforcement.

(a) Upon a complaint of person filed within 90 days of any violation of this subchapter, the Commissioner shall determine whether such complaint is reasonably founded. If the Commissioner determines that such complaint is reasonably founded, or if the Commissioner otherwise has reason to believe that an insurer, agent or broker has engaged in practices which violate this subchapter and that a proceeding in respect thereto would be in the public interest, the Commissioner shall set a date for a public hearing to determine whether a violation of this subchapter has in fact occurred. Such hearing shall be held upon no less than 10 days' notice to the person charged and the complainant, if any. Such notice shall set forth the specified grounds upon which the complaint is based. If a hearing is based upon a complaint, the hearing shall be set no later than 30 days from the date the complaint was filed. The hearing shall take place before a hearing examiner who shall make a record of the evidence and set forth findings and conclusions. Once a prima facie violation of this subchapter has been established, the person charged in the complaint shall have the burden of showing that such violation was based on a reason not prohibited by this subchapter. The findings of fact determined by the hearing examiner shall be reviewed by the Commissioner who shall issue a final order. A petition for hearing may be filed within 30 days of the final order of the Commissioner.

(b) If the Commissioner determines in a final order that:

- (1) An insurer has violated §§ 4123 and 4124 of this title, the Commissioner may require the insurer to:
 - a. Accept the application or written request for insurance coverage at a rate and on the same terms and conditions as are available to other risks similarly situated; or
 - b. Reinstate insurance coverage to the end of the policy period; or
 - c. Continue insurance coverage at a rate and on the same terms and conditions as are available to other risks similarly situated.
- (2) Any person has violated this subchapter, the Commissioner may:
 - a. Issue a cease and desist order to restrain such person from engaging in practices which violate this subchapter; or
 - b. Assess a penalty against such person of up to \$500 for each violation of this subchapter.

(65 Del. Laws, c. 199, § 1.)

§ 4126. Civil liability and actions; limitation.

(a) If the Commissioner determined in a final order that an insurer has violated § 4123 or § 4124 of this title, the applicant or named insured aggrieved by the violation may bring an action in a court of competent jurisdiction in this State to recover from such insurer any loss, not otherwise recovered through insurance, which would have been paid under the insurance coverage that was declined or terminated in violation of this subchapter.

(b) Any amounts recovered under subsection (a) of this section shall not be duplicative of any recovery obtained through the exercise of

any other statutory or common-law cause of action arising out of the same occurrence. No action under this section shall be brought 2 years after the date of a final order of the Commissioner finding a violation of § 4123 or § 4124 of this title.

(65 Del. Laws, c. 199, § 1.)

§ 4127. Judicial review.

Any person aggrieved by any determination or order of the Commissioner under this subchapter may seek judicial review in the Superior Court. Failure of the Commissioner to act upon a complaint under this subchapter within 30 days of the filing of such complaint shall constitute a determination that the complaint was not reasonably founded. Review in the Superior Court shall be de novo.

(65 Del. Laws, c. 199, § 1.)

§ 4128. Immunity.

(a) There shall be no liability on the part of and no cause of action shall arise against:

- (1) The Insurance Commissioner;
- (2) Any insurer or its authorized representatives, agents or employees;
- (3) Any licensed insurance agent or broker; or
- (4) Any person furnishing information to an insurer as to reasons for a termination or declination for any communication giving notice of or specifying the reasons for a declination.

(b) Subsection (a) of this section shall not apply to statements made in bad faith with malice in fact.

(65 Del. Laws, c. 199, § 1.)

§ 4129. Notice.

During the pendency of any claim received pursuant to a property insurance policy, the insurer shall be required to give prompt and timely written notice to a policyholder making a claim informing the policyholder of the applicable state statute of limitations or any contractual period of limitations regarding the filing of an action for the claimant's damages under the contract.

(76 Del. Laws, c. 223, § 1.)

§ 4130. Nonrenewal [For application of this section, see 79 Del. Laws, c. 390, § 8].

(a) (1) An insurer may not refuse to renew a policy of homeowners insurance solely on the basis of:

- a. Claims caused by weather, unless 3 or more such claims have been made against the policy during the 36 months immediately preceding the expiration of the current policy period; or
- b. Claims not caused by weather, unless 2 or more claims have been made against the policy; or
- c. A combination of claims caused by weather and claims not caused by weather, unless such combination of 3 or more claims has been made against the policy during the 48 months immediately preceding the expiration of the current policy period; or
- d. Claims closed without payment, notwithstanding any other provision of this section.

(2) However, an insurer may nonrenew a homeowner's policy if:

- a. The claim or claims asserted against the policy demonstrate that there has been a reasonably substantial change or increase in the hazard or in the risk assumed by the carrier subsequent to the date the policy was issued, and such nonrenewal is applied to other homeowners policies similarly situated; or
- b. The policyholder has refused or failed to make reasonably necessary changes or repairs after being notified by the insurer that failure to make such changes or repairs will constitute a breach of contractual duties, conditions or warranties that will change or increase the hazard or risk assumed by the insurer subsequent to the date the policy was issued.

(b) "Homeowners insurance" for purposes of this section and § 4131 of this title shall mean property insurance as defined at §§ 4103(5)d. and 4120 of this title insuring any real or personal property used by a person as a permanent or temporary place of residence.

(76 Del. Laws, c. 290, § 1; 79 Del. Laws, c. 390, § 7.)

§ 4131. Inquiries.

An insurer shall not consider an inquiry regarding a homeowners policy or a loss under that policy to be a claim for purposes of making underwriting decisions, including but not limited to decisions to nonrenew a policy. An inquiry is any contact initiated by an insured that is not the filing of a claim to an insurer.

(76 Del. Laws, c. 290, § 1.)

Subchapter IV

Wind, Hail and Hurricanes

§ 4140. Notice regarding deductibles.

(a) All insurers licensed to and writing residential property insurance in Delaware shall provide clear and prominent notice to residential property insurance policyholders as to the existence of deductibles for losses caused by wind, hail or hurricanes, as follows:

(1) The notice shall be included:

a. With regard to any policy in effect before January 1, 2013, with the first renewal on or after that date.

b. On or after January 1, 2013, with a policy at first issuance and with the first renewal after any insurer-initiated change in the deductibles for losses caused by wind/hail or hurricanes.

(2) Such notice may be sent electronically to any policyholder who has consented to receive such notices electronically.

(3) The notice shall clearly disclose relevant details pertaining to the wind/hail and hurricane deductibles, including the trigger of the deductible, regardless of whether it is stated as a percentage or as a dollar amount.

(4) If there is a percentage deductible, the insurer must provide an example of how it applies to the loss. The example does not have to be tailored to the insured value of the specific property, but must show clearly how the deductible works (e.g., a 2% deductible on a house insured for \$300,000 means the policy holder is responsible for \$6,000 of the wind, hail or hurricane loss).

(5) If there is not a separate deductible for wind/hail or hurricane losses, the insurer is not required to provide a notice.

(b) This section sets forth the minimum information that must be included in the notice. Insurers may provide any other information to assist their insureds in understanding wind/hail and hurricane deductibles and their application to the insurance policy.

(c) For purposes of this section, "residential property insurance" means insurance that provides coverage for:

(1) A 1-, 2-, 3-, or 4-family dwelling primarily intended for occupancy as living quarters;

(2) A condominium unit primarily intended for occupancy as living quarters;

(3) Nonbusiness personal property of a tenant insured on an unscheduled basis and primarily located in the living quarters occupied by the tenant;

(4) A manufactured home situated in a fixed location and intended for occupancy as living quarters.

However, "residential property insurance" does not include insurance provided using commercial multiple-peril or commercial property policy forms.

(18 Del. C. 1953, § 4201; 57 Del. Laws, c. 437.)

§ 4202. Purpose.

This chapter shall provide a mechanism for the payment of covered claims under certain insurance policies to avoid excessive delay in payment and to avoid financial loss to claimants or policyholders because of the insolvency of an insurer, to assist in the detection and prevention of insurer insolvencies and to provide an association to assess the cost of such protection among insurers.

(18 Del. C. 1953, § 4202; 57 Del. Laws, c. 437.)

§ 4203. Scope.

This chapter shall apply to all kinds of direct insurance but does not apply to any of the following:

- (1) Life, annuity, health and disability insurance;
- (2) Mortgage guaranty, financial guaranty and other forms of financial guarantees;
- (3) Fidelity and surety bonds, or other bonding obligations;
- (4) Credit insurance, vendors single interest insurance, or collateral protection insurance or any similar insurance protecting the interests of a creditor arising out of a creditor-debtor transaction;
- (5) Insurance of warranties or service contracts, including insurance that provides for the repair, replacement, or service of goods or property, or indemnification for repair, replacement, or service, for the operational or structural failure of the goods or property due to a defect in materials, workmanship, or normal wear and tear, or provides reimbursement for the liability incurred by the issuer of agreements or service contracts that provide such benefits;
- (6) Title insurance;
- (7) Ocean marine insurance;
- (8) Any transaction or combinations of transactions between a person (including affiliates of such person) and an insurer (including affiliates of such insurer) which involves the transfer of an investment or credit risk unaccompanied by the transfer of insurance risk;
- (9) Any insurance provided by or guaranteed by government.

(18 Del. C. 1953, § 4203; 57 Del. Laws, c. 437; 63 Del. Laws, c. 395, § 1; 68 Del. Laws, c. 112, § 1; 81 Del. Laws, c. 337, § 1.)

§ 4204. Construction.

This chapter shall be liberally construed to effect the purpose specified in § 4202 of this title, which shall constitute an aid and guide to interpretation.

(18 Del. C. 1953, § 4204; 57 Del. Laws, c. 437.)

§ 4205. Definitions.

As used in this chapter:

- (1) “Affiliate” means a person who directly or indirectly, through 1 or more intermediaries, controls, is controlled by or is under common control with an insolvent insurer on December 31 of the year next preceding the date the insurer becomes an insolvent insurer.
- (2) “Association” means the Delaware Insurance Guaranty Association created under § 4206 of this title.
- (3) “Claimant” means any insured making a first-party claim or any person instituting a liability claim; provided that no person who is an affiliate of an insolvent insurer may be a claimant.
- (4) “Commissioner” means the Commissioner of Insurance of this State.
- (5) “Control” means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds the power to vote or holds proxies representing 10 percent or more of the voting securities of any other person. This presumption may be rebutted by showing the control does not in fact exist.
- (6) a. “Covered claim” means an unpaid claim, including one for unearned premiums, submitted by a claimant, which arises out of and is within the coverage, and subject to the applicable limits, of an insurance policy to which this chapter applies, issued by an insurer, if such insurer becomes an insolvent insurer after July 5, 1991, and:

1. The claim is a first-party claim for damage to property with a permanent location; or
2. The claimant or insured is a resident of this State at the time of the insured event. For entities other than individuals, for purposes of this chapter, the state of residence of a claimant or insured shall be the state in which that entity has a principal place of business most closely related to the claim.

b. "Covered claim" shall in no event include:

1. Any amount awarded as punitive, bad faith or exemplary damages regardless of the language of the insurance policy invoked;
2. Any amount sought as a return of premium under any retrospective rating plan;
3. Any amount due any reinsurer, insurer, insurance pool, underwriting association, health maintenance organization, hospital plan corporation, professional health service corporation, or self-insurer as reinsurance recoveries, contribution, indemnification, subrogation moneys, or otherwise. No such claim for any amount due any reinsurer, insurer, insurance pool, underwriting association, health maintenance organization, hospital plan corporation, professional health service corporation, or self-insurer may be asserted against a person insured under a policy issued by an insolvent insurer other than to the extent such claim exceeds the association obligation limits set forth in § 4208 of this title;

4. Any first-party claim by an insured whose net worth exceeds \$10,000,000 on December 31 of the year next preceding the date the insurer becomes an insolvent insurer; provided, that an insured's net worth on such date shall be deemed to include the aggregate net worth of the insured and all of its affiliates as calculated on a consolidated basis; or

5. Any first-party claim by an insured which is an affiliate of the insolvent insurer.

(7) "Insolvent insurer" means an insurer licensed to transact insurance in this State, either at the time the policy was issued or when the insured event occurred, and against whom an order of liquidation with a finding of insolvency has been entered after July 5, 1991, by a court of competent jurisdiction in the state of domicile or in this State under Chapter 59 of this title and which order of liquidation has not been stayed or been the subject of a writ of supersedeas or other comparable order.

(8) "Member insurer" means any person who:

a. Writes any kind of insurance to which this chapter applies under § 4203 of this title, including the exchange of reciprocal or inter-insurance contracts; and

b. Is licensed to transact insurance in this State.

(9) "Net direct written premiums" means direct gross premiums written in this State on insurance policies to which this chapter applies, less return premiums thereon and dividends paid or credited to policyholders on such direct business. "Net direct written premiums" does not include premiums on contracts between insurers or reinsurers.

(10) "Ocean marine insurance" includes any form of insurance, regardless of the name, label, or marketing designation of the insurance policy, which insures against maritime perils or risks and other related perils or risks, which are usually insured against by traditional marine insurance, such as hull and machinery, marine builders risk, and marine protection and indemnity. Such perils and risk insured against include without limitation loss, damage, expense, or legal liability of the insured for loss, damage, or expense arising out of or incident to ownership, operation, chartering, maintenance, use, repair, or construction of any vessel, craft, or instrumentality in use in ocean or inland waterways for commercial purposes, including liability of the insured for personal injury, illness, death, or for loss or damage to the property of the insured or another person.

(11) "Person" means any individual, corporation, partnership, association, governmental entity or voluntary organization.

(18 Del. C. 1953, § 4205; 57 Del. Laws, c. 437; 60 Del. Laws, c. 189, § 1; 64 Del. Laws, c. 346, § 1; 67 Del. Laws, c. 223, § 26; 68 Del. Laws, c. 112, § 2; 71 Del. Laws, c. 463, §§ 3-5; 81 Del. Laws, c. 337, § 2.)

§ 4206. Creation of the Association.

There is created a nonprofit unincorporated legal entity to be known as the Delaware Insurance Guaranty Association. All insurers, defined as member insurers in § 4205 of this title, shall be and remain members of the Association as a condition of their authority to transact insurance in this State. The Association shall perform its functions under a plan of operation established and approved under § 4209 of this title and shall exercise its powers through a board of directors established under § 4207 of this title.

(18 Del. C. 1953, § 4206; 57 Del. Laws, c. 437.)

§ 4207. Board of Directors.

(a) The Board of Directors of the Association shall consist of not less than 5 nor more than 9 persons serving terms as established in the plan of operation. The members of the Board shall be selected by member insurers subject to the approval of the Commissioner. Vacancies of the Board shall be filled for the remaining period of the term in the same manner as initial appointments. If no members are selected within 60 days after July 1, 1970, the Commissioner may appoint the initial members of the Board of Directors.

(b) In approving selections to the Board, the Commissioner shall consider among other things whether all member insurers are fairly represented.

(c) Members of the Board may be reimbursed from the assets of the Association for expenses incurred by them as members of the Board of Directors.

(18 Del. C. 1953, § 4207; 57 Del. Laws, c. 437.)

§ 4208. Powers and duties of the Association.

(a) The Association shall:

(1) Be obligated to pay valid covered claims existing prior to the order of liquidation of the insolvency and arising within 30 days after the order of liquidation or before the policy expiration date if less than 30 days after the order of liquidation, or before the insured replaces the policy or causes its cancellation, if it is done within 30 days of that order of liquidation. Such obligation shall be satisfied by paying to the claimant an amount as follows: (i) the full amount of a covered claim for benefits under a workers' compensation insurance policy; (ii) an amount not exceeding \$10,000 per policy for a covered claim for the return of an unearned premium; (iii) an amount not exceeding \$500,000 per claimant for all other covered claims provided that, for the purposes of this limitation, all claims of any kind arising from or relating to bodily injury or death to any person will constitute a single claim, regardless of the number of claims made, or the number of claimants. The Association is not obligated to pay a claimant an amount in excess of the obligation of the insolvent insurer under the policy or coverage from which the claim arises. Notwithstanding any other provisions of this chapter, a covered claim does not include any claim filed with the Association after the earlier of: (i) 24 months after the date of the order of liquidation or (ii) final date set by the court for the filing of claims against the liquidator or receiver of an insolvent insurer; provided, however, that a "covered claim" shall include any covered claim of which notice was given to the Association on or prior to June 30, 1991. Notwithstanding any other provisions of this chapter, except in the case of a claim for benefits under workers' compensation coverage, any obligation of the Association to any and all persons shall cease when \$10,000,000 shall have been paid in the aggregate by the Association and any 1 or more associations similar to the Association of any other state or states or any property/casualty security fund which obtains contributions from insurers on a pre-insolvency basis, to or on behalf of any insured and its affiliates on covered claims or allowed claims arising under the policy or policies of any 1 insolvent insurer. For purposes of this section, the term "affiliate" shall mean a person who directly, or indirectly, through 1 or more intermediaries, controls, is controlled by or is under common control with another person. If the Association determines that there may be more than 1 claimant having a covered claim or allowed claim against the Association or any association similar to the Association or any property/casualty insurance security fund in other states, under the policy or policies of any 1 insolvent insurer, the Association may establish a plan to allocate amounts payable by the Association in such manner as the Association in its discretion deems equitable.

(2) Be deemed the insurer only to the extent of its obligation on the covered claims and, to such extent, subject to the limitations provided in this chapter, shall have all rights, duties and obligations of the insolvent insurer as if the insurer had not become insolvent.

(3) Be relieved of any obligation to defend an insured on a covered claim upon any of the following:

a. The Association's payment, by settlement releasing the insured or on a judgment, of an amount equal to the lesser of the Association's covered claim obligation limit or the applicable policy limit.

b. The Association's tender of an amount equal to the lesser of the Association's covered claim obligation limit or the applicable policy limit.

(4) For the purpose of providing the funds necessary to carry out the powers and duties of the Association, the Board of Directors shall assess the member insurers, separately for each class, at such times and in such amounts as the Board finds necessary. Assessments shall be due not less than 30 days after written notice to the member insurers.

a. There shall be 3 classes of assessments as follows:

1. Class A assessments shall be made for the purpose of meeting administrative costs and other expenses and examinations conducted under the authority of § 4213 of this title.

2. Class B assessments shall be made annually to partially subsidize the oversight activities of the Commissioner, thereby minimizing the need for class C assessments.

3. Class C assessments shall be made to the extent necessary to carry out the powers and duties of the Association under this chapter with regard to an insolvent member insurer.

b. The assessments shall be determined as follows:

1. The class A assessments will be equal in amount as to each member and may be assessed not more often than once each year. Such assessment shall not exceed \$150 annually.

2. The class B assessments shall be made annually. The Commissioner shall determine the amount and shall so notify the Association on or before July 31 of each calendar year in which the assessment is to be made. Class B assessments will also be equal in amount as to each member. The said assessments shall be paid to the Insurance Commissioner's regulatory revolving fund. Not later than October 31 of each said calendar year, the Commissioner shall issue a report to the Association detailing the expenditure of those funds. Amounts not expended will remain in the revolving fund to be used in the succeeding year.

3. Class C assessments of each member insurer shall be in the proportion that the net direct written premiums of the member insurer for the preceding calendar year bears to the net direct written premiums of all member insurers for the preceding calendar year. If the maximum assessment, together with the other assets of the Association, does not provide in any 1 year an amount sufficient to make all necessary payments, the funds available shall be prorated and the unpaid portion shall be paid as soon thereafter as funds become available. The Association may exempt or defer, in whole or in part, the assessment of any member insurer if the assessment would cause the member insurer's financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which a member insurer is authorized to transact insurance.

- c. The amounts assessed for class B assessments shall in no event exceed 1/10 of 1 percent of the members' premiums for the year on which the assessment is based. The amounts assessed for class B and class C assessments combined shall not result in members being assessed a total B and C assessment amount which exceeds 2 percent of the members' premiums written in the applicable year.
- (5) Investigate claims brought against the Association and adjust, compromise, settle and pay covered claims to the extent of the Association's obligation and deny all other claims and may review settlements, releases and judgments to which the insolvent insurer or its insureds were parties to determine the extent to which such settlements, releases and judgments may be properly contested.
- (6) Notify such persons as the Commissioner directs under § 4210(b)(1) of this title.
- (7) Handle claims through its employees or through 1 or more insurers or other persons designated as servicing facilities. Designation of a servicing facility is subject to the approval of the Commissioner, but such designation may be declined by a member insurer.
- (8) Reimburse each servicing facility for obligations of the Association paid by the facility and expenses incurred by the facility while handling claims on behalf of the Association and pay the other expenses of the Association authorized by this chapter.
- (9) Issue to each insurer paying an assessment under this chapter a certificate of contribution, in a form prescribed by the Commissioner, for the amount so paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in such form and for such amount, if any, and period of time as the Commissioner may approve.
- (10) Exercise all powers and do all things authorized by this chapter with respect to a division of a bank or trust company established pursuant to § 767(a) of Title 5 and determined to be insolvent pursuant to § 4205(7) of this title with the same effect as if such department or division was a stock insurer.
- (b) The Association may:
- (1) Employ or retain such persons as are necessary to handle claims and perform other duties of the Association.
 - (2) Borrow funds necessary to effect the purposes of this chapter in accord with the plan of operation.
 - (3) Sue or be sued and such power to sue includes the power and right to intervene as a party before any court in this State that has jurisdiction over an insolvent insurer as defined by this chapter. All actions against the Association must be brought in this State. This State shall have exclusive jurisdiction over all actions against the Association.
 - (4) Negotiate and become a party to such contracts as are necessary to carry out the purpose of this chapter.
 - (5) [Repealed.]
 - (6) Refund to the member insurers in proportion to the contribution of each member insurer to the Association that amount by which the assets of the Association exceed the liabilities if at the end of any calendar year the Board of Directors finds that the assets of the Association exceed the liabilities for the coming year of the Association as estimated by the Board of Directors.
 - (7) Establish procedures for requesting financial information from insureds on a confidential basis for the purpose of determining net worth, subject to such information being shared with any other association similar to the Association and the liquidator or receiver of an insolvent insurer on the same confidential basis. If the insured refuses to provide the requested financial information and an auditor's certification of the same where requested and available, the Association may deem the net worth of the insured to be in excess of the amounts specified in § 4205(6)b.4. of this title or § 4211(a)(2)a. of this title at the relevant time under the respective section under this title.
 - (8) Bring an action against any third-party administrator, agent, attorney, or other representative of the insolvent insurer to obtain custody and control of all files, records, and electronic data information related to an insolvent company that are appropriate or necessary for the Association, or a similar association in other states, to carry out its duties under this chapter. In such a suit, the Association shall have the absolute right through emergency equitable relief to obtain custody and control of all such information in the custody or control of such third-party administrator, agent, attorney, or other representative of the insolvent insurer, regardless of where such information may be physically located. In bringing such an action, the Association is not subject to any defense, lien (possessory or otherwise), or other legal or equitable ground whatsoever for refusal to surrender such information that might be asserted against the liquidator or receiver of the insolvent insurer. To the extent that litigation is required for the Association to obtain custody of the information requested and it results in the relinquishment of information to the Association after refusal to provide the same in response to a written demand, the court shall award the Association its costs, expenses, and reasonable attorney fees incurred in bringing the action. This section does not affect the rights and remedies that the custodian of such information may have against the insolvent insurers, so long as such rights and remedies do not conflict with the rights of the Association to custody and control of the files, records, and electronic data information under this title.
 - (9) Subject to approval by the Commissioner, provide claims-handling services to any "run-off insurer" only if the Association's expenses related to the provision of the claims-handling services are fully reimbursed. There shall be no liability on the part of, and no cause of action of any nature shall arise against any member insurer, the Association, or its agents or employees, the board of directors, or any person serving as a representative of any director for any action taken or any failure to act by them in the performance of the services under this paragraph. For purposes of this paragraph, "run off insurer" means a property and casualty insurer that has any of the following:
 - a. Total adjusted capital under risk based capital requirements in an amount less than the Authorized Control Level RBC as defined in § 5801 of this title as of the date specified in § 5802 of this title for filing of the annual RBC report and has indicated that it will

cease writing new insurance policies, either as part of its corrective action plan or pursuant to being placed under regulatory control.

b. Total adjusted capital under risk based capital requirements in an amount less than the Mandatory Control Level RBC as defined in § 5801 of this title as of the date specified in § 5802 of this title for the filing of the annual RBC report and that has not been placed into liquidation under § 5906 of this title.

(10) Perform such other acts as are necessary or proper to effectuate the purpose of this chapter.

(18 Del. C. 1953, § 4208; 57 Del. Laws, c. 437; 63 Del. Laws, c. 395, § 2; 65 Del. Laws, c. 5, § 1; 67 Del. Laws, c. 223, § 27; 68 Del. Laws, c. 112, §§ 3-5; 71 Del. Laws, c. 463, §§ 6-11; 81 Del. Laws, c. 337, § 3.)

§ 4209. Plan of operation.

(a) (1) The Association shall submit to the Commissioner a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable and equitable administration of the Association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the Commissioner.

(2) If the Association fails to submit a suitable plan of operation by September 29, 1970, or if at any time thereafter the Association fails to submit suitable amendments to the plan, the Commissioner shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this chapter. Such rules shall continue in force until modified by the Commissioner or superseded by a plan submitted by the Association and approved by the Commissioner.

(b) All member insurers shall comply with the plan of operation.

(c) The plan of operation shall:

(1) Establish the procedures whereby all the powers and duties of the Association under § 4208 of this title will be performed.

(2) Establish procedures for handling assets of the Association.

(3) Establish the amount and method of reimbursing members of the Board of Directors under § 4207 of this title.

(4) Establish procedures by which claims may be filed with the Association and establish acceptable forms of proof of covered claims. Notice of claims to the receiver or liquidator of the insolvent insurer shall be deemed notice to the Association or its agent and a list of such claims shall be periodically submitted to the Association or similar organization in another state by the receiver or liquidator.

(5) Establish regular places and times for meetings of the Board of Directors.

(6) Establish procedures for records to be kept of all financial transactions of the Association, its agents, and the Board of Directors.

(7) Provide that any member insurer aggrieved by any final action or decision of the Association may appeal to the Commissioner within 30 days after the action or decision.

(8) Establish the procedures whereby selections for the Board of Directors will be submitted to the Commissioner.

(9) Contain additional provisions necessary or proper for the execution of the powers and duties of the Association.

(d) The plan of operation may provide that any or all powers and duties of the Association, except those under § 4208(a)(3) and (b)(2) of this title, are delegated to a corporation, association or other organization which performs or will perform functions similar to those of this Association, or its equivalent, in 2 or more states. Such a corporation, association or organization shall be reimbursed as a servicing facility would be reimbursed and shall be paid for its performance of any other functions of the Association. A delegation under this subsection shall take effect only with the approval of both the Board of Directors and the Commissioner and may be made only to a corporation, association or organization which extends protection not substantially less favorable and effective than that provided by this chapter.

(18 Del. C. 1953, § 4209; 57 Del. Laws, c. 438.)

§ 4210. Duties and powers of the Commissioner.

(a) The Commissioner shall:

(1) Notify the Association of the existence of an insolvent insurer not later than 3 days after he or she receives notice of the determination of the insolvency;

(2) Upon request of the Board of Directors, provide the Association with a statement of the net direct written premiums of each member insurer.

(b) The Commissioner may:

(1) Require that the Association notify the insureds of the insolvent insurer and any other interested parties of the determination of insolvency and of their rights under this chapter. Such notification shall be by mail at their last known address, where available, but if sufficient information for notification by mail is not available, notice by publication in a newspaper of general circulation shall be sufficient.

(2) Suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this State of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative, the Commissioner may levy a fine on any member insurer which fails to pay an assessment when due. Such fine shall not exceed 5% of the unpaid assessment per month, except that no fine shall be less than \$100 per month.

(3) Revoke the designation of any servicing facility if he or she finds claims are being handled unsatisfactorily.

(c) Any final action or order of the Commissioner under this chapter shall be subject to judicial review in a court of competent jurisdiction.

(18 Del. C. 1953, § 4210; 57 Del. Laws, c. 437; 70 Del. Laws, c. 186, § 1.)

§ 4211. Effect of paid claims.

(a) (1) Any person recovering under this chapter shall be deemed to have assigned the rights under the policy to the Association to the extent of the person's recovery from the Association. Every insured or claimant seeking the protection of this chapter shall cooperate with the Association to the same extent as such person would have been required to cooperate with the insolvent insurer. The Association shall have no cause of action against the insured of the insolvent insurer for any sums it has paid out, except such causes of action as the insolvent insurer would have had if such sums had been paid by the insolvent insurer and except as provided in paragraph (a)(2) of this section. In the case of an insolvent insurer operating on a plan with assessment liability, payments of claims of the Association shall not operate to reduce the liability of the insureds to the receiver, liquidator or statutory successor for unpaid assessments.

(2) The Association shall have the right to recover from the following persons the amount of any covered claim paid on behalf of such person pursuant to this chapter:

a. Any insured whose net worth on December 31 of the year immediately preceding the date the insurer becomes an insolvent insurer exceeds \$25,000,000 and whose liability obligations to other persons are satisfied in whole or in part by payments made under this chapter; and

b. Any person who is an affiliate of the insolvent insurer and whose liability obligations to any other person are satisfied in whole or in part by payment under this chapter. This paragraph (a)(2) shall not apply retroactively and/or retrospectively and shall apply only as to insurer insolvencies which occur on or after June 30, 1991.

(b) The receiver, liquidator or statutory successor of an insolvent insurer shall be bound by settlements of covered claims by the Association or a similar organization in another state. The court having jurisdiction shall grant such claims priority equal to that to which the claimant would have been entitled in the absence of this chapter against the assets of the insolvent insurer.

(c) The Association shall periodically file with the receiver or liquidator of the insolvent insurer statements of the covered claims paid by the Association, and estimates of anticipated claims on the Association which shall preserve the rights of the Association against the assets of the insolvent insurer.

(18 Del. C. 1953, § 4211; 57 Del. Laws, c. 437; 68 Del. Laws, c. 112, § 6; 70 Del. Laws, c. 186, § 1; 71 Del. Laws, c. 463, §§ 12-14; 72 Del. Laws, c. 400, § 3.)

§ 4212. Exhaustion of other coverage.

(a) Any person having a claim under an insurance policy shall first exhaust all coverage provided by any such policy, whether or not it is a policy issued by a member insurer, if the claim under such policy arises from the same facts, injury, or loss that gave rise to the covered claim against the Association. Any amount payable on a covered claim under this title shall be reduced by the full applicable limits stated in such insurance policy and the Association shall receive a full credit for such stated limits, or, where there are no applicable stated limits, the claim shall be reduced by the total recovery. Notwithstanding the foregoing, no person shall be required to exhaust any right under the policy of an insolvent insurer.

(1) A claim under an insurance policy providing liability coverage to a person who may be jointly and severally liable or a joint tortfeasor with the person covered under the policy of the insolvent insurer that gives rise to the covered claim shall be considered to be a claim arising from the same facts, injury or loss that gave rise to the covered claim against the Association.

(2) For the purposes of this section, a claim against a health maintenance organization, a hospital plan corporation, or a professional health service corporation and any amount payable by or on behalf of a self-insurer will be considered under this section as a claim requiring exhaustion of other coverage if the claim arises from the same facts, injury, or loss that gave rise to the covered claim against the Association.

(3) To the extent that the Association's obligation is reduced by the application of this section, the liability of the person insured by the insolvent insurer's policy for the claim shall be reduced in the same amount.

(b) Any person having a claim which may be recovered under more than 1 insurance guaranty association or its equivalent shall seek recovery first from the association of the place of residence of the insured, except that, if it is a first-party claim for damage to property with a permanent location, recovery must be sought first from the association of the location of the property; and if it is a workers' compensation claim, recovery must be sought first from the association of the residence of the claimant. Any recovery under this chapter shall be reduced by the amount of recovery from any other insurance guaranty association or its equivalent.

§ 4213. Prevention of insolvencies.

To aid in the detection and prevention of insurer insolvencies:

(1) The Board of Directors may, upon majority vote, make recommendations to the Commissioner for the detection and prevention of insurer insolvencies.

a., b. [Repealed.]

(2) The Board of Directors may, at the conclusion of any domestic insurer insolvency in which the Association was obligated to pay covered claims, prepare a report on the history and causes of such insolvency, based upon the information available to the Association and submit such report to the Commissioner.

(3) It shall be the duty of the Commissioner to report to the board of directors when the Commissioner has reasonable cause to believe

that any member insurer examined or being examined at the request of the board of directors may be insolvent or in a financial condition hazardous to the policyholders or the public.

(4) The board of directors may, upon majority vote, make reports and recommendations to the Commissioner upon any matter germane to the solvency, liquidation, rehabilitation or conservation of any member insurer. Such reports and recommendations shall not be considered public documents.

(5) The board of directors may, upon majority vote, make recommendations to the Commissioner for the detection and prevention of insurer insolvencies.

(6) The board of directors shall, at the conclusion of any insurer insolvency in which the Association was obligated to pay covered claims, prepare a report on the history and causes of such insolvency, based on the information available to the Association, and submit such report to the Commissioner.

(18 Del. C. 1953, § 4213; 57 Del. Laws, c. 437; 68 Del. Laws, c. 112, § 9; 70 Del. Laws, c. 186, § 1; 81 Del. Laws, c. 337, § 5.)

§ 4214. Examination of the Association.

The Association shall be subject to examination and regulation by the Commissioner. The Board of Directors shall submit, not later than June 30 of each year, a financial report for the preceding calendar year in a form approved by the Commissioner.

(18 Del. C. 1953, § 4214; 57 Del. Laws, c. 437; 68 Del. Laws, c. 112, § 10.)

§ 4215. Tax exemption.

The Association shall be exempt from payment of all fees and all taxes levied by this State or any of its subdivisions, except taxes levied on real or personal property.

(18 Del. C. 1953, § 4215; 57 Del. Laws, c. 437.)

§ 4216. Recognition of assessments in rates.

The rates and premiums charged for insurance policies to which this chapter applies shall include amounts sufficient to recoup a sum equal to the amounts paid to the Association by the member insurer less any amounts returned to the member insurer by the Association, and such rates shall not be deemed excessive because they contain an amount reasonably calculated to recoup assessments paid by the member insurer.

(18 Del. C. 1953, § 4216; 57 Del. Laws, c. 437.)

§ 4217. Immunity.

There shall be no liability on the part of and no cause of action of any nature shall arise against any member insurer, the Association or its agents or employees, the Board of Directors or the Commissioner or the Commissioner's representatives for any action or any failure to act taken by them in the performance of their powers and duties under this chapter. Neither shall the Association, its officers, agents and employees be subject to any claim for damages for bad faith.

(18 Del. C. 1953, § 4217; 57 Del. Laws, c. 437; 68 Del. Laws, c. 112, § 11; 70 Del. Laws, c. 186, § 1.)

§ 4218. Stay of proceedings; reopening of default judgments.

(a) All proceedings in which the insolvent insurer is a party or is obligated to defend a party in any court in this State shall be stayed for 120 days from the date the insolvency is determined, and for such time thereafter as may be determined by the court, to permit a proper defense by the Association of all pending causes of actions. As to any covered claims arising from a judgment under any decision, verdict or finding based on the default of the insolvent insurer or its failure to defend an insured, the Association, either on its own behalf or on behalf of such insured, may apply to have such judgment, order, decision, verdict or finding set aside by the same court or administrator that made such judgment, order, decision, verdict or finding and shall be permitted to defend against such claim on the merits.

(b) The liquidator, receiver, or statutory successor of an insolvent insurer covered by this title shall permit access by the board or its authorized representative to such of the insolvent insurer's records which are necessary for the board in carrying out its functions under this chapter with regard to covered claims. The liquidator, receiver, or statutory successor shall provide the board of directors or its representative with copies of such records upon request by the board and at the expense of the board.

(18 Del. C. 1953, § 4218; 57 Del. Laws, c. 437; 68 Del. Laws, c. 112, § 12; 81 Del. Laws, c. 337, § 6.)

§ 4219. Recoupment of assessment.

(a) Unless a longer period has been allowed by the Commissioner, a member insurer shall at its option have the right to show a certificate of contribution as an asset in the form approved by the Commissioner at percentages of the original face amount approved by the Commissioner, for calendar years as follows:

- (1) One hundred percent for the calendar year of issuance;
- (2) Eighty percent for the first calendar year after the year of issuance;
- (3) Sixty percent for the second calendar year after the year of issuance;
- (4) Forty percent for the third calendar year after the year of issuance;
- (5) Twenty percent for the fourth calendar year after the year of issuance.

(b) The insurer may offset the amount written off by it in a calendar year under subsection (a) of this section above, against its premium

tax liability to this State accrued with respect to business transacted in such year.

(c) Any sums acquired by refund from the Association which have theretofore been written off by contributing insurers and offset against premium taxes as provided above, and are not then needed for purposes of this chapter, shall be paid by the Association to the Commissioner and deposited by the Commissioner with the State Treasury for credit to the General Fund of this State.

(d) To the extent amounts have been written off under subsection (c) of this section above, § 4216 of this title shall not apply.

license administratively lapsed until the requirements of subsection (b) of this section are met and the bail agent has satisfied all monetary and/or educational obligations and costs necessary under this subchapter to restore the license, provided that such action is taken within 1 year of the date the license is administratively suspended. However, a penalty of double the regular license fee shall be required for any renewal fee received after the due date and within the first 6 months from the due date of the renewal fee. A licensee who does not pay within 6 months of the due date but pays prior to the expiration of 12 months from the due date shall be subject to a fine of not less than \$200 and not more than \$1,000 prior to the reinstatement of the license. After 1 year, the bail agent's license shall be deemed revoked and the bail agent would be required to reapply for licensure under § 4333 of this title as a new applicant.

(e) Any fees required to be paid pursuant to this subchapter are nonrefundable.

(f) The license shall contain the licensee's name, address, and personal identification number, and the date of issuance, the lines of authority, and any other information the Department deems necessary.

(h) [Repealed.]

(d) If the applicant for a bail agent license fails to meet the requirements of this subchapter or any applicable regulation, the Department shall refuse to issue the license and shall notify the applicant of such refusal stating the grounds for the refusal. If the Commissioner finds that participation in such a centralized producer license registry is in the public interest, the Commissioner may adopt by rule any uniform standards and procedures as necessary to participate in the registry including the central collection of all fees for licenses or appointments that are processed through the registry.

(d) The Department shall notify the courts upon the termination, suspension or revocation of a bail license.

(e) A bail agent's license that is otherwise in good standing with the Department shall be immediately suspended and be subject to revocation by the Department upon notice from a court that the bail agent has been struck from the list of approved bail agents by the court or courts.

(b) It is unlawful for a bail agent to execute a bail bond without charging and collecting a premium or other charge therefor, and the premium rate or other charge may not exceed or be less than the premium rate as filed with and approved by the Department. With regard to any surety bail bond in excess of \$1,000, the total filed premium for a surety bail bond shall be at least 5% and not more than 10%. It shall be unlawful for a bail agent to post a surety bail bond without first charging and receiving at least 5% of the surety bail bond amount, and entering into a written contract signed by the parties containing all terms and conditions of the bond.

(c) It is unlawful for any surety bail agent to charge any administrative fee, service charge, company or agent fee or the like not filed and approved pursuant to Chapter 25 of this title.

(d) The bond may contain provisions to reimburse the bail agent personally, or permit the bail agent to have a right of action against the defendant or any indemnitor, for actual expenses incurred in good faith, by reason of misrepresentation, fraud or breach by the defendant or any indemnitor of any of the terms of the written agreement under which and pursuant to which the undertaking of bail or bail bond was written. If there is no written agreement, or an incomplete writing, the bail agent may seek enforcement of such legal or equitable rights against the defendant and any of the defendant's indemnitors as may be permitted by law. Such reimbursement or right of action may not exceed the principal sum of the bond or undertaking, plus any reasonable expenses that may be verified by receipt in a total amount of not more than the principal sum of the bond or undertaking, incurred in good faith by the bail agent, its agents, licensees and employees by reason of the defendant's or indemnitor's breach.

(e) Property bail agents, in addition to the requirements set forth in this section, shall not be permitted to issue a bond without first obtaining the approval of their charge or commission schedule from the Department. Likewise, any change or modification to the approved charge or commission shall be submitted to the Department for approval prior to any use thereof. Property bail agents shall be required to maintain a written disclosure statement approved by the Department, of their approved charges or commissions and shall provide a copy of said written disclosure to every prospective client prior to accepting the payment for the bond from the prospective client. It shall be unlawful for any property bail agent to charge any administrative fee, service charge, company or agent fee or the like not filed and approved by the Commissioner.

It shall be unlawful for a property bail agent to post a bail without first charging and receiving at least 20% of the cash bail amount, and entering into a written contract signed by the parties containing all terms and conditions of the bond.

(g) All written contracts and other documents related to a bail bond or cash bail shall be maintained by the bail agent in accordance with the record keeping requirements in § 4341 of this title.

(76 Del. Laws, c. 394, § 2; 79 Del. Laws, c. 177, § 1.)

§ 4348. Collateral; limitations on transfer of collateral; fiduciary capacity; requirements for receiving title to real property as collateral; written receipt for collateral.

(a) A bail agent may accept collateral or security in connection with a bail transaction if the collateral or security is reasonable in relation to the face amount of the bond. The bail agent shall not transfer the collateral or security to any person other than a bail agent licensed pursuant to this subchapter or to a surety insurer holding a valid certificate of authority issued by the Department. The collateral shall not be transported or otherwise removed from this State, except for a transfer directly into the custody of a surety insurer holding a valid

certificate of authority issued by the Department.

(b) Any person who receives the collateral:

(1) Shall be deemed to hold the collateral in a fiduciary capacity to the same extent as a bail agent; and

(2) Shall retain, return and otherwise possess the collateral in accordance with the provisions of this subchapter.

(c) The collateral or security shall be received by the bail agent in a fiduciary capacity, and, until such time as there is a default of appearance by the defendant and demand for a forfeiture of the bail, the collateral or security shall be kept separate and apart from any other funds or assets of the licensee. Any collateral or security received by the bail agent shall be returned to the person, or that person's assignee or designated representative, who deposited it with the bail agent as soon as the obligation which was secured by the collateral or security, is discharged and all fees owed to the bail agent have been paid. The bail agent or any surety insurer having custody of the collateral or security shall, immediately after the bail agent or surety insurer receives a request for return of the collateral or security from the person who deposited the collateral or security, determine whether the bail agent or surety insurer has received notice that the obligation is discharged. If the collateral or security is deposited to secure the obligation of a bond, it must be returned immediately after receipt of the request for return of the collateral or security and notice of the entry of any order by an authorized official by virtue of which liability under the bond is terminated or upon payment of all fees owed to the bail agent, whichever is later. A certified copy of the order from the court wherein the bail or undertaking was ordered exonerated shall be deemed prima facie evidence of exoneration or termination of liability.

(d) When accepting real property as collateral for a bond, it shall be unlawful for a bail agent to require a transfer of title to the real property as a condition of issuing a bail bond. The bail agent may require the defendant, or anyone agreeing to post real property on the defendant's behalf, to provide such certifications as may be necessary to establish title and unencumbered value, at the defendant's expense, indemnitor, or other person agreeing to post real property on the defendant's behalf, together with the appropriate security documents that may be necessary to establish a lien interest in the real property by the bail agent. It shall be unlawful for the bail agent to provide, directly or indirectly, title or lien services to the defendant for a fee or to receive money or anything of value for a referral to an independent person or entity for such service.

(e) When accepting personal property as collateral for a bond, a bail agent may not require a transfer of title to the personal property as a condition of issuing a bail bond. The bail agent may require the defendant, or anyone agreeing to post personal property on the defendant's behalf, at their expense, to provide such financing statements, motor vehicle titles with a lien stamp or the like that may be necessary to establish a lien interest in the personal property by the bail agent. It shall be unlawful for the bail agent to provide, directly or indirectly, title or lien services to the defendant for a fee or to receive money or anything of value for a referral to an independent person or entity for such service.

(f) Upon release or exoneration of the bail obligation, the bail agent shall be required to provide such release documents as may be required to discharge any lien of record obtained under subsections (d) and (e) of this section above. The bail agent shall not charge any fee for such service but may require that the defendant, indemnitor, or other person agreeing to post real property on the defendant's behalf pay any direct costs of document preparation and filing fees.

(g) If the amount of any collateral received in a bail transaction exceeds the amount of any bail forfeited by the defendant for whom the collateral was accepted, the bail agent or any surety insurer having custody of the collateral shall, immediately after the bail is forfeited, return to the person who deposited the collateral the amount by which the collateral exceeds the amount of the bail forfeited. Any collateral returned to a person pursuant to this subsection is subject to a claim for fees, if any, owed to the bail agent returning the collateral.

(h) If a bail agent accepts collateral, that bail agent shall give a written numbered receipt for the collateral. The receipt must include in detail a full account of the collateral received and a copy thereof provided to the principal and any indemnitor, or person or persons pledging the collateral.

(i) When collateral security in excess of \$5,000 cash or its equivalent is received by a surety bail bond agent, the entire amount shall be immediately forwarded to the insurer. Such collateral security may be placed in an interest-bearing account to accrue to the benefit of the person giving the collateral security, and the bail bond agent or insurer may not make any pecuniary gain on the collateral security deposited. Any such account shall be in a depository office of a financial institution (located in this State). The insurer shall be liable for all collateral received. If the bail bond agent fails to return the collateral to the person or persons pledging the collateral within 20 days after final termination of liability on the bond, the surety shall be liable for the collateral and shall return the actual collateral to the person or persons pledging the collateral or, in the event that the surety cannot locate the collateral, the surety shall pay the person or persons pledging the collateral pursuant to the provisions of this section.

(j) When collateral security in cash or its equivalent in any amount is received by a property bail bond agent, the entire amount shall be placed in a fiduciary account with any interest to accrue to the benefit of the person giving the collateral security, and the bail bond agent may not make any pecuniary gain on the collateral security deposited. Any such account shall be in a depository office of a financial institution located in this State.

Such suspension shall continue if the licensee has been found guilty of, or has pleaded guilty or no contest to, the crime, whether or not a judgment or conviction has been entered, during a pending appeal. (b) The petition shall be verified by the Commissioner and shall set forth the facts and circumstances from which the existence of 1 or more of the grounds required under subsection (a) of this section may be determined; such petition may request that the licensee be required to show cause why the petition should not be granted.

DELAWARE LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

§ 4401. Short title.

This chapter shall be known and may be cited as the “Delaware Life and Health Insurance Guaranty Association Act.”
(63 Del. Laws, c. 442, § 1.)

§ 4402. Purpose.

The purpose of this chapter is to protect, subject to certain limitations, the persons specified in § 4403(a) of this title against failure in the performance of contractual obligations, under life, health, and annuity policies, plans, or contracts specified in § 4403(b) of this title, because of the impairment or insolvency of the member insurer that issued the policies, plans, or contracts. To provide this protection, an association of member insurers is created to pay benefits and to continue coverage as limited in this chapter, and members of the Association are subject to assessment to provide funds to carry out the purpose of this chapter.

(63 Del. Laws, c. 442, § 1; 68 Del. Laws, c. 55, § 1; 82 Del. Laws, c. 113, § 1.)

§ 4403. Coverage and limitations.

(a) This chapter shall provide coverage for the policies and contracts specified in subsection (b) of this section:

(1) To persons who, regardless of where they reside (except for nonresident certificate holders under group policies or contracts), are the beneficiaries, assignees, or payees, including health care providers rendering services covered under health insurance policies or certificates, of the persons covered under paragraph (a)(2) of this section;

(2) To persons who are owners of or certificate holders or enrollees under such policies or contracts (other than unallocated annuity contracts, and structured settlement annuities) and in each case who:

a. Are residents; or

b. Are not residents, but only under all of the following conditions:

1. The member insurer which issued such policies or contracts is domiciled in this State;

2. The states in which the persons reside have associations similar to the Association created by this chapter;

3. The persons are not eligible for coverage by an association in any other state due to the fact that the insurer, managed care organization, or health maintenance organization was not licensed in the state at the time specified in the state’s guaranty association law.

(3) For unallocated annuity contracts specified in subsection (b) of this section, paragraphs (a)(1) and (2) of this section shall not apply, and this chapter shall (except as provided in paragraphs (a)(5) and (6) of this section) provide coverage to:

a. Persons who are the owners of the unallocated annuity contracts if the contracts are issued to or in connection with a specific benefit plan whose plan sponsor has its principal place of business in this State; and

b. Persons who are owners of unallocated annuity contracts issued to or in connection with government lotteries if the owners are residents.

(4) For structured settlement annuities specified in subsection (b) of this section, paragraphs (a)(1) and (2) of this section shall not apply, and this chapter shall (except as provided in paragraphs (a)(5) and (6) of this section) provide coverage to a person who is a payee under a structured settlement annuity (or beneficiary of a payee if the payee is deceased), if the payee:

a. Is a resident, regardless of where the contract owner resides; or

b. Is not a resident, but only under both of the following conditions:

1. A. The contract owner of the structured settlement annuity is a resident; or

B. The contract owner of the structured settlement annuity is not a resident, but

I. The insurer that issued the structured settlement annuity is domiciled in this State; and

II. The state in which the contract owner resides has an association similar to the Association created by this chapter; and

2. Neither the payee (or beneficiary) nor the contract owner is eligible for coverage by the association of the state in which the payee or contract owner resides.

(5) This chapter shall not provide coverage to:

a. A person who is a payee (or beneficiary) of a contract owner resident of this State if the payee (or beneficiary) is afforded any coverage by the association of another state;

b. A person covered under paragraph (a)(3) of this section if any coverage is provided by the association of another state to the person; or

c. A person who acquires rights to receive payments through a structured settlement factoring transaction, as defined in 26 U.S.C. §

5891(c)(3)(A), regardless of whether the transaction occurred before or after 26 U.S.C. § 5891(c)(3)(A) became effective.

(6) This chapter is intended to provide coverage to a person who is a resident of this State and, in special circumstances, to a nonresident. In order to avoid duplicate coverage, if a person who would otherwise receive coverage under this chapter is provided coverage under the laws of any other state, the person shall not be provided coverage under this chapter. In determining the application of the provisions of this paragraph in situations where a person could be covered by the association of more than 1 state, whether as an owner, payee, enrollee, beneficiary, or assignee, this chapter shall be construed in conjunction with other state laws to result in coverage by only one association.

(b) (1) This chapter shall provide coverage to the persons specified in subsection (a) of this section for policies or contracts of direct, nongroup life insurance; health insurance, which for the purposes of this chapter includes managed care organization and health maintenance organization subscriber contracts and certificates; or annuities for certificates under direct group policies and contracts, and for supplemental contracts to any of these, and for unallocated annuity contracts, in each case issued by member insurers, except as limited by this chapter. Annuity contracts and certificates under group annuity contracts include but are not limited to guaranteed investment contracts, deposit administration contracts, unallocated funding agreements, structured settlement annuities, annuities issued to or in connection with government lotteries, and any immediate or deferred annuity contracts.

(2) Except as otherwise provided in paragraph (b)(3) of this section, this chapter shall not provide coverage for the following:

a. Any portion of a policy or contract not guaranteed by the member insurer or under which the risk is borne by the policy or contract owner;

b. Any policy or contract of reinsurance unless assumption certificates have been issued pursuant to the reinsurance policy or contract;

c. Any portion of a policy or contract to the extent that the rate of interest on which it is based or the interest rate, crediting rate or similar factor determined by use of an index or other external reference stated in the policy or contract employed in calculating returns or changes in value:

1. Averaged over the period of 4 years prior to the date on which the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier, exceeds the rate of interest determined by subtracting 2 percentage points from Moody's Corporate Bond Yield Average averaged for that same 4-year period or for such lesser period if the policy or contract was issued less than 4 years before the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier; and

2. On and after the date on which the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier, exceeds the rate of interest determined by subtracting 3 percentage points from Moody's Corporate Bond Yield Average as most recently available;

d. Any portion of a policy or contract issued to a plan or program of an employer, association or other person to provide life, health or annuity benefits to its employees, members or others to the extent that such plan or program is self-funded or uninsured, including benefits payable by an employer, association, or other person under any of the following:

1. A multiple employer welfare arrangement, as defined in § 3(40) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. § 1002(40));

2. A minimum premium group insurance plan;

3. A stop-loss group insurance plan; or

4. An administrative services only contract;

e. Any portion of a policy or contract to the extent that it provides:

1. Dividends or experience rating credits;

2. Voting rights; or

3. Payment of any fees or allowances to any person, including the policy or contract owner, in connection with the service to or administration of such policy or contract;

g. Any unallocated annuity contract issued to or in connection with a benefit plan protected under the federal Pension Benefit Guaranty Corporation, regardless of whether the federal Pension Benefit Guaranty Corporation has yet become liable to make any payments with respect to the benefit plan;

h. Any portion of any unallocated annuity contract which is not issued to or in connection with a specific employee, union or association of natural persons benefit plan or a government lottery;

i. A portion of a policy or contract to the extent that the assessments required by § 4409 of this title with respect to the policy or contract are preempted by federal or state law;

j. An obligation that does not arise under the express written terms of the policy or contract issued by the member insurer to the enrollee, certificate holder, contract owner, or policy owner, including:

1. Claims based on marketing materials;

2. Claims based on side letters, riders or other documents that were issued by the member insurer without meeting applicable policy or contract form filing or approval requirements;

- 3. Misrepresentations of or regarding policy or contract benefits;
- 4. Extracontractual claims; or
- 5. A claim for penalties or consequential or incidental damages; and

k. A contractual agreement that establishes the member insurer's obligations to provide a book value accounting guaranty for defined contribution benefit plan participants by reference to a portfolio of assets that is owned by the benefit plan or its trustee, which in each case is not an affiliate of the member insurer.

l. A portion of a policy or contract to the extent it provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract but which have not been credited to the policy or contract, or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier. If a policy's or contract's interest or changes in value are credited less frequently than annually, then for purposes of determining the values that have been credited and are not subject to forfeiture under this paragraph (b)(2)l., the interest or change in value determined by using the procedures defined in the policy or contract will be credited as if the contractual date of crediting interest or changing values was the date of impairment or insolvency, whichever is earlier, and will not be subject to forfeiture.

m. Any employer owned life insurance policy, as defined in § 2704(e) of this title.

n. A policy or contract providing any hospital, medical, prescription drug, or other health-care benefits under Part C or Part D of Subchapter XVIII, Chapter 7 of Title 42 of the U.S.C. (commonly known as Medicare Part C and D); Subchapter XIX, Chapter 7 of Title 42 of the U.S.C. (commonly known as Medicaid); or any regulations issued under either of these provisions.

o. Structured settlement annuity benefits to which a payee or beneficiary has transferred the payee's or beneficiary's rights in a structured settlement factoring transaction, as defined in 26 U.S.C. § 5891(c)(3)(A), regardless of whether the transaction occurred before or after 26 U.S.C. § 5891(c)(3)(A) became effective.

(3) The exclusion from coverage under paragraph (b)(2)c. of this section does not apply to any portion of a policy or contract, including rider, that provides long-term care or any other health insurance benefits.

(c) The benefits that the Association may become obligated to cover shall in no event exceed the lesser of the following:

(1) The contractual obligations for which the member insurer is liable or would have been liable if it were not an impaired or insolvent insurer; or

(2) a. With respect to any one life, regardless of the number of policies or contracts:

1. \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance;

2. For health insurance benefits:

A. \$100,000 for coverages not defined as disability income insurance, health benefit plans, or long-term care insurance including any net cash surrender and net cash withdrawal values;

B. \$300,000 for disability income insurance and \$300,000 for long-term care insurance. For purposes of this section, "disability income insurance" means the type of policy which pays a monthly or weekly amount if an individual is disabled and cannot work. "Long-term care insurance" means as defined in § 7103(5) of this title;

C. \$500,000 for health benefit plans; or

3. \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal values.

b. With respect to each individual participating in a governmental retirement benefit plan established under § 401, § 403(b) or § 457 of the U.S. Internal Revenue Code (26 U.S.C. § 401, § 403(b) or § 457) covered by an unallocated annuity contract, or the beneficiaries of each such individual if deceased, \$250,000 in the aggregate in present value annuity benefits, including net cash surrender and net cash withdrawal values;

c. With respect to each payee of a structured settlement annuity (or beneficiary or beneficiaries of the payee, if deceased), \$250,000 in present value annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values, if any;

d. However, in no event shall the Association be obligated to cover more than (i) an aggregate of \$300,000 in benefits with respect to any 1 life under paragraphs (c)(2)a., (c)(2)b., and (c)(2)c. of this section except with respect to benefits for health benefit plans under paragraph (c)(2)a.2. of this section, in which case the aggregate liability of the Association shall not exceed \$500,000 with respect to any 1 individual; or (ii) with respect to 1 owner of multiple nongroup policies of life insurance, whether the policy or contract owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons, more than \$1,000,000 in benefits, regardless of the number of policies and contracts held by the owner;

e. With respect to either (i) 1 contract owner provided coverage under paragraph (a)(3)b. of this section; or (ii) 1 plan sponsor whose plans own directly or in trust 1 or more unallocated annuity contracts not included in paragraph (c)(2)b. of this section, \$1,000,000 in benefits, irrespective of the number of contracts with respect to the contract owner or plan sponsor. However, in the case where 1 or more unallocated annuity contracts are covered contracts under this chapter and are owned by a trust or other entity for the benefit of 2 or more plan sponsors, coverage shall be afforded by the Association if the largest interest in the trust or entity owning the contract or contracts is held by a plan sponsor whose principal place of business is in this State and in no event shall the Association be obligated to cover more than \$1,000,000 in benefits with respect to all these unallocated contracts.

f. The limitations set forth in this subsection are limitations on the benefits for which the Association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer attributable to covered policies. The costs of the Association's obligations under this chapter may be met by the use of assets attributable to covered policies or reimbursed to the Association pursuant to its subrogation and assignment rights.

g. For purposes of this chapter, benefits provided by a long-term care rider to a life insurance policy or annuity contract are considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

(d) In performing its obligations to provide coverage under § 4408 of this title, the Association shall not be required to guarantee, assume, reinsure, reissue, or perform, or cause to be guaranteed, assumed, reinsured, reissued, or performed, the contractual obligations of the insolvent or impaired insurer under a covered policy or contract that do not materially affect the economic values or economic benefits of the covered policy or contract.

(1) Guarantee, assume, reissue, or reinsure, or cause to be guaranteed, assumed, reissued, or reinsured, any or all of the policies or contracts of the impaired insurer; or

(2) Provide such moneys, pledges, loans, notes, guarantees or other means as are proper to effectuate paragraph (a)(1) of this section

and assure payment of the contractual obligations of the impaired insurer pending action under paragraph (a)(1) of this section.

(b) If a member insurer is an insolvent insurer, the Association shall, in its discretion, either:

(1) a. 1. Guarantee, assume, reissue, or reinsure, or cause to be guaranteed, assumed, reissued, or reinsured, the policies or contracts of the insolvent insurer; or

2. Assure payment of the contractual obligations of the insolvent insurer; and

b. Provide moneys, pledges, loans, notes, guarantees or other means reasonably necessary to discharge the Association's duties; or

(2) Provide benefits and coverages in accordance with the following provisions:

a. With respect to policies and contracts, assure payment of benefits that would have been payable under the policies or contracts of the insolvent insurer, for claims incurred:

1. With respect to group policies and contracts, not later than the earlier of the next renewal date under those policies or contracts or 45 days, but in no event less than 30 days, after the date on which the Association becomes obligated with respect to the policies and contracts;

2. With respect to nongroup policies, contracts and annuities, not later than the earlier of the next renewal date (if any) under the policies or contracts or 1 year, but in no event less than 30 days from the date on which the Association becomes obligated with respect to the policies or contracts;

b. Make diligent efforts to provide all known insureds, enrollees, or annuitants (for nongroup policies and contracts), or group policy or contract owners with respect to group policies and contracts, 30 days' notice of the termination, under paragraph (b)(2)a. of this section, of the benefits provided;

c. With respect to nongroup policies and contracts covered by the Association, make available to each known insured, enrollee, or annuitant, or owner if other than the insured or annuitant, and with respect to an individual formerly an insured, enrollee, or annuitant under a group policy or contract who is not eligible for replacement group coverage, make available substitute coverage on an individual basis in accordance with the provisions of paragraph (b)(2)d. of this section, if the insureds, enrollees, or annuitants had a right under law or the terminated policy, contract, or annuity to convert coverage to individual coverage or to continue an individual policy, contract, or annuity in force until a specified age or for a specified time during which the insurer, managed care organization, or health maintenance organization had no right unilaterally to make changes in any provision of the policy, contract, or annuity or had a right only to make changes in premium by class;

(3) a. In providing the substitute coverage required under paragraph (b)(2)c. of this section, the Association may offer either to reissue the terminated coverage or to issue an alternative policy or contract at actuarially justified rates.

b. Alternative or reissued policies or contracts shall be offered without requiring evidence of insurability, and shall not provide for any waiting period or exclusion that would not have applied under the terminated policy or contract.

c. The Association may reinsure any alternative or reissued policy or contract.

(4) a. Alternative policies or contracts adopted by the Association shall be subject to the approval of the Commissioner. The Association may adopt alternative policies or contracts of various types for future issuance without regard to any particular impairment or insolvency.

b. Alternative policies or contracts shall contain at least the minimum statutory provisions required in this State and provide benefits that shall not be unreasonable in relation to the premium charged. The Association shall set the premium in accordance with a table of rates that it shall adopt. The premium shall reflect the amount of insurance to be provided and the age and class of risk of each insured, but shall not reflect any changes in the health of the insured after the original policy or contract was last underwritten.

c. Any alternative policy or contract issued by the Association shall provide coverage of a type similar to that of the policy or contract issued by the impaired or insolvent insurer, as determined by the Association.

(5) If the Association elects to reissue terminated coverage at a premium rate different from that charged under the terminated policy or contract, the premium shall be actuarially justified and set by the Association in accordance with the amount of insurance or coverage provided and the age and class of risk, subject to prior approval of the Commissioner.

(6) The Association's obligations with respect to coverage under any policy or contract of the impaired or insolvent insurer or under any reissued or alternative policy or contract shall cease on the date the coverage, policy, or contract is replaced by another similar policy or contract by the policy or contract owner, the insured, the enrollee, or the Association.

(7) When proceeding under paragraph (b)(2) of this section with respect to a policy or contract carrying guaranteed minimum interest rates, the Association shall assure the payment or crediting of a rate of interest consistent with § 4403(b)(2)c. of this title.

(c) Nonpayment of premiums within 31 days after the date required under the terms of any guaranteed, assumed, alternative, or reissued policy or contract or substitute coverage shall terminate the Association's obligations under the policy, contract, or coverage under this chapter with respect to the policy, contract, or coverage, except with respect to any claims incurred or any net cash surrender value which may be due under this chapter.

(d) (1) Premiums due for coverage after entry of an order of liquidation of an insolvent insurer shall belong to and be payable at the direction of the Association, and the Association shall be liable for unearned premiums due to policy or contract owners arising after the entry of the order.

(2) If the liquidator of an insolvent insurer requests, the Association shall provide a report to the liquidator regarding such premiums

collected by the Association.

(e) The protection provided by this chapter shall not apply where any guaranty protection is provided to residents of this State by the laws of the domiciliary state or jurisdiction of the impaired or insolvent insurer other than this State.

(f) In carrying out its duties under subsection (b) of this section, the Association may:

(1) Subject to approval by a court in this State, impose permanent policy or contract liens in connection with a guarantee, assumption or reinsurance agreement if the Association finds that the amounts which can be assessed under this chapter are less than the amounts needed to assure full and prompt performance of the Association's duties under this chapter or that the economic or financial conditions as they affect member insurers are sufficiently adverse to render the imposition of such permanent policy or contract liens to be in the public interest;

(2) Subject to approval by a court in this State, impose temporary moratoriums or liens on payments of cash values and policy loans or any other right to withdraw funds held in conjunction with policies or contracts, in addition to any contractual provisions for deferral of cash or policy loan value. In addition, in the event of a temporary moratorium or moratorium charge imposed by the receivership court on payment of cash values or policy loans or on any other right to withdraw funds held in conjunction with policies or contracts out of the assets of the impaired or insolvent insurer, the Association may defer the payment of cash values, policy loans or other rights by the Association for the period of the moratorium or moratorium charge imposed by the receivership court, except for claims covered by the Association to be paid in accordance with a hardship procedure established by the liquidator or rehabilitator and approved by the receivership court.

(g) A deposit in this State held pursuant to law or required by the Commissioner for the benefit of creditors, including policy or contract owners, not turned over to the domiciliary liquidator upon the entry of a final order of liquidation or order approving a rehabilitation plan of a member insurer domiciled in this State or in a reciprocal state, shall be promptly paid to the Association. The Association shall be entitled to retain a portion of any amount so paid to it equal to the percentage determined by dividing the aggregate amount of policy or contract owners claims related to that insolvency for which the Association has provided statutory benefits by the aggregate amount of all policy or contract owners' claims in this State related to that insolvency and shall remit to the domiciliary receiver the amount so paid to the Association less the amount retained pursuant to this subsection. Any amount so paid to the Association and retained by it shall be treated as a distribution of estate assets under § 5911 of this title or similar provision of the state of domicile of the impaired or insolvent insurer.

(h) If the Association fails to act within a reasonable period of time with respect to an insolvent insurer, as provided in subsection (b) of this section, the Commissioner shall have the powers and duties of the Association under this chapter with respect to the insolvent insurer.

(i) The Association may render assistance and advice to the Commissioner, upon the Commissioner's request, concerning rehabilitation, payment of claims, continuance of coverage, or the performance of other contractual obligations of an impaired or insolvent insurer.

(j) The Association shall have standing to appear or intervene before a court or agency in this State with jurisdiction over an impaired or insolvent insurer concerning which the Association is or may become obligated under this chapter or with jurisdiction over any person or property against which the Association may have rights through subrogation or otherwise. Standing shall extend to all matters germane to the powers and duties of the Association, including proposals for reinsuring, reissuing, modifying, or guaranteeing the policies or contracts of the impaired or insolvent insurer and the determination of the policies or contracts and contractual obligations. The Association shall also have the right to appear or intervene before a court or agency in another state with jurisdiction over an impaired or insolvent insurer for which the Association is or may become obligated or with jurisdiction over any person or property against whom the Association may have rights through subrogation or otherwise.

(k) (1) A person receiving benefits under this chapter shall be deemed to have assigned the rights under, and any causes of action against any person for losses arising under, resulting from or otherwise relating to, the covered policy or contract to the Association to the extent of the benefits received because of this chapter, whether the benefits are payments of or on account of contractual obligations, continuation of coverage, or provision of substitute or alternative policies, contracts, or coverages. The Association may require an assignment to it of such rights and cause of action by any enrollee, payee, policy or contract owner, beneficiary, insured, or annuitant as a condition precedent to the receipt of any right or benefits conferred by this chapter upon the person.

(2) The subrogation rights of the Association under this subsection shall have the same priority against the assets of the impaired or insolvent insurer as that possessed by the person entitled to receive benefits under this chapter.

(3) In addition to paragraphs (k)(1) and (2) of this section, the Association shall have all common-law rights of subrogation and any other equitable or legal remedy that would have been available to the impaired or insolvent insurer or owner, beneficiary, enrollee, or payee of a policy or contract with respect to the policy or contracts, including in the case of a structured settlement annuity, any rights of the owner, beneficiary or payee of the annuity, to the extent of benefits received under this chapter, against a person originally or by succession responsible for the losses arising from the personal injury relating to the annuity or payment therefor, excepting any such person responsible solely by reason of serving as an assignee in respect of a qualified assignment under Internal Revenue Code § 130 [26 U.S.C. § 130].

(4) If paragraphs (k)(1) through (k)(3) of this section are invalid or ineffective with respect to any person or claim for any reason, the amount payable by the Association with respect to the related covered obligations shall be reduced by the amount realized by any other person with respect to the person or claim that is attributable to the policies or contracts, or portion thereof, covered by the Association.

(5) If the Association has provided benefits with respect to a covered obligation and a person recovers amounts as to which the Association has rights as described in paragraphs (k)(1) through (k)(4) of this section, the person shall pay to the Association the portion of the recovery attributable to the policies or contracts, or portion thereof, covered by the Association.

(l) In addition to the rights and powers elsewhere in this chapter, the Association may:

- (1) Enter into such contracts as are necessary or proper to carry out the provisions and purposes of this chapter;
- (2) Sue or be sued, including taking any legal actions necessary or proper to recover any unpaid assessments under § 4409 of this title and to settle claims or potential claims against it;
- (3) Borrow money to effect the purposes of this chapter; any notes or other evidence of indebtedness of the Association not in default shall be legal investments for domestic member insurers and may be carried as admitted assets;
- (4) Employ or retain such persons as are necessary or appropriate to handle the financial transactions of the Association, and to perform such other functions as become necessary or proper under this chapter;
- (5) Take such legal action as may be necessary or appropriate to avoid or recover payment of improper claims;
- (6) Exercise, for the purposes of this chapter and to the extent approved by the Commissioner, the powers of a domestic life insurer, health insurer, managed care organization, or health maintenance organization; but in no case may the Association issue policies or contracts other than those issued to perform its obligations under this chapter;
- (7) Organize itself as a corporation or in other legal form permitted by the laws of this State;
- (8) Request information from a person seeking coverage from the Association in order to aid the Association in determining its obligations under this chapter with respect to the person; and the person shall promptly comply with the request;
- (9) Unless prohibited by law, in accordance with the terms and conditions of the policy or contract, file for actuarially justified rate or premium increases for any policy or contract for which it provides coverage under this chapter; and
- (10) Take other necessary or appropriate action to discharge its duties and obligations under this chapter or to exercise its powers under this chapter.

(m) The Association may join an organization of 1 or more other state associations of similar purposes to further the purposes and administer the powers and duties of the Association.

(n) (1) At any time within 180 days of the date of the order of liquidation, the Association may elect to succeed to the rights and obligations of the ceding member insurer that relate to policies, contracts, or annuities covered, in whole or part, by the Association, in each case under any 1 or more reinsurance contract or contracts entered into by the insolvent insurer and its reinsurers and selected by the Association. Any such assumption shall be effective as of the date of the order of liquidation. The election shall be effected by the Association or the National Organization of Life and Health Insurance Guaranty Associations (NOLHGA) on its behalf sending written notice, return receipt requested, to the affected reinsurers.

(2) To facilitate the earliest practicable decision about whether to assume any of the contracts of reinsurance and to protect the financial position of the estate, the receiver and each reinsurer of the ceding member insurer shall make available, upon request, to the Association or to NOLHGA on its behalf as soon as possible after commencement of formal delinquency proceedings:

- a. Copies of in-force contracts of reinsurance and all related files and records relevant to the determination of whether such contracts should be assumed; and
- b. Notices of any defaults under the reinsurance contracts or any known event or condition which, with the passage of time, could become a default under the reinsurance contracts.

(3) The following paragraphs (n)(3)a. through f. of this section shall apply to reinsurance contracts so assumed by the Association:

a. The Association shall be responsible for all unpaid premiums due under the reinsurance contracts for periods both before and after the date of the order of liquidation, and shall be responsible for the performance of all other obligations to be performed after the date of the order of liquidation, in each case which relate to policies, contracts, or annuities covered, in whole or part, by the Association. The Association may charge policies, contracts, or annuities covered in part by the Association, through reasonable allocation methods, the costs for reinsurance in excess of the obligations of the Association and shall provide notice and an accounting of these charges to the liquidator.

b. The Association shall be entitled to any and all amounts payable by the reinsurer under the reinsurance contracts with respect to losses or events that occur in periods after the date of the order of liquidation and that relate to policies, contracts, or annuities covered, in whole or part, by the Association, if, upon receipt of any such amounts the Association shall be obligated to pay to the beneficiary under the policy, contract, or annuity on account of which the amounts were paid a portion of the amount equal to the lesser of:

1. The amount received by the Association; and
2. The excess of the amount received by the Association, over the amount equal to the benefits paid by the Association on account of the policy, contract, or annuity less the retention of the insurer applicable to the loss or event.

c. Within 30 days following the Association's election (the "election date"), the Association and each reinsurer under contracts assumed by the Association shall calculate the net balance due to or from the Association under each reinsurance contract as of the election date with respect to policies, contracts, or annuities covered, in whole or part, by the Association, which calculation shall give full credit to all items paid by either the member insurer or its receiver or the reinsurer before the election date. The reinsurer

shall pay the receiver any amounts due for losses or events before the date of the order of liquidation, subject to any set-off for premiums unpaid for periods prior to the date, and the Association or reinsurer shall pay any remaining balance due the other, in each case within 5 days of the completion of the aforementioned calculation. Any disputes over the amounts due to either the Association or the reinsurer shall be resolved by arbitration under the terms of the affected reinsurance contracts or, if the contract contains no arbitration clause, as otherwise provided by law. If the receiver has received any amounts due the Association under paragraph (n)(3)b. of this section, the receiver shall remit the same to the Association as promptly as practicable.

d. 1. If the Association or the receiver, on the Associations' behalf, within 60 days of the election date, pays the unpaid premiums due for periods both before and after the election date that relate to policies, contracts, or annuities covered, in whole or part, by the Association, the reinsurer shall not be entitled to terminate the reinsurance contracts for failure to pay a premium insofar as the reinsurance contracts relate to policies, contracts, or annuities covered, in whole or part, by the Association, and shall not be entitled to set off any unpaid amounts due under other contracts, or unpaid amounts due from parties other than the Association, against amounts due the Association.

2. During the period from the date of the order of liquidation until the election date, or, if the election date does not occur, until 180 days after the date of the order of liquidation:

A. I. Neither the Association nor the reinsurer shall have any rights or obligations under reinsurance contracts that the Association has the right to assume under paragraph (n)(1) of this section, whether for periods before or after the date of the order of liquidation; and

II. The reinsurer, the receiver, and the Association shall, to the extent practicable, provide each other data and records reasonably requested;

B. Provided that once the Association has elected to assume a reinsurance contract, the parties' rights and obligations shall be governed by paragraph (n)(1) of this section.

3. If the Association does not elect to assume a reinsurance contract by the election date under paragraph (n)(1) of this section, the Association shall have no rights or obligations, in each case for periods both before and after the date of the order of liquidation, with respect to the reinsurance contract.

4. When policies, contracts, or annuities, or covered obligations with respect thereto, are transferred to an assuming insurer, reinsurance on the policies, contracts, or annuities may also be transferred by the Association, in the case of contracts assumed under paragraph (n)(1) of this section, subject to the following:

A. Unless the reinsurer and the assuming insurer agree otherwise, the reinsurance contract that is transferred shall not cover any new policies of insurance, contracts, or annuities in addition to those transferred;

B. The obligations described in paragraph (n)(3)d.1. of this section shall no longer apply with respect to matters arising after the effective date of the transfer; and

C. Notice shall be given in writing, return receipt requested, by the transferring party to the affected reinsurer not less than 30 days before the effective date of the transfer.

e. The provisions of this subsection (n) shall supersede the provisions of any state law or of any affected reinsurance contract that provides for or requires any payment of reinsurance proceeds, on account of losses or events that occur in periods after the date of the order of liquidation, to the receiver of the insolvent insurer or any other person. The receiver shall remain entitled to any amounts payable by the reinsurer under the reinsurance contracts with respect to losses or events that occur in periods before the date of the order of liquidation, subject to applicable setoff provisions.

f. Except as otherwise provided in this section, nothing in this subsection (n) shall:

1. Alter or modify the terms and conditions of any reinsurance contract;

2. Abrogate or limit any rights of any reinsurer to claim that it is entitled to rescind a reinsurance contract;

3. Provide a policyholder, contract owner, enrollee, certificate holder, or beneficiary with an independent cause of action against a reinsurer that is not otherwise set forth in the reinsurance contract;

4. Limit or affect the Association's rights as a creditor of the estate against the assets of the estate;

5. Apply to reinsurance agreements covering property or casualty risks.

(o) The Board of Directors of the Association shall have discretion and may exercise reasonable business judgment to determine the means by which the Association is to provide the benefits of this chapter in an economical and efficient manner.

(p) Where the Association has arranged or offered to provide the benefits of this chapter to a covered person under a plan or arrangement that fulfills the Association's obligations under this chapter, the person shall not be entitled to benefits from the Association in addition to or other than those provided under the plan or arrangement.

(q) Venue in a suit against the Association arising under the chapter shall be in New Castle County. The Association shall not be required to give an appeal bond in an appeal that relates to a cause of action arising under this chapter.

(r) In carrying out its duties in connection with guaranteeing, assuming, reissuing, or reinsuring policies or contracts under subsection (a) or (b) of this section, the Association may issue substitute coverage for a policy or contract that provides an interest rate, crediting rate, or similar factor determined by use of an index or other external reference stated in the policy or contract employed in calculating returns or changes in value by issuing an alternative policy or contract in accordance with the following provisions:

(1) In lieu of the index or other external reference provided for in the original policy or contract, the alternative policy or contract provides for:

- a. A fixed interest rate; or
- b. Payment of dividends with minimum guarantees; or
- c. A different method for calculating interest or changes in value;

(2) There is no requirement for evidence of insurability, waiting period, or other exclusion that would not have applied under the replaced policy or contract; and

(3) The alternative policy or contract is substantially similar to the replaced policy or contract in all other materials terms.

§ 4409. Assessments.

(a) For the purpose of providing the funds necessary to carry out the powers and duties of the Association, the Board of Directors shall assess the member insurers, separately for each account, at such time and for such amounts as the Board finds necessary. Assessments shall be due not less than 30 days after prior written notice to the member insurers and shall accrue interest at 10% per annum on and after the due date.

(b) There shall be 3 classes of assessment as follows:

(1) Class A assessments, shall be authorized and called for the purpose of meeting administrative costs and other expenses. Class A assessments may be authorized and called whether or not related to a particular impaired or insolvent insurer.

(2) Class B assessments shall be authorized and called annually to provide for the oversight activity of the Commissioner, thereby minimizing the need to make class C assessments.

(3) Class C assessments shall be authorized and called to the extent necessary to carry out the duties of the Association under this title with regards to an impaired or insolvent member insurer.

(c) (1) a. The amount of any class A assessment shall be determined by the Board and may be authorized and called on a pro rata or non-pro rata basis. If pro rata, the Board may provide that it be credited against future class C assessments.

b. The amount of class C assessment, except for assessments relating to long-term care insurance, shall be allocated for assessment purposes between the accounts and among the subaccounts of the life insurance and annuity account under an allocation formula which may be based on the premiums or reserves of the impaired or insolvent insurer or any other standard deemed by the Board in its sole discretion as being fair and reasonable under the circumstances.

c. The amount of the class C assessment for long-term care insurance written by the impaired or insolvent insurer must be allocated according to a methodology included in the plan of operation and approved by the Commissioner. The methodology must provide for 50% of the assessment to be allocated to accident and health member insurers and 50% to be allocated to life and annuity member insurers.

(2) The amount of a class B assessment shall be determined by the Commissioner who shall so notify the Association not later than July 31 of the calendar year in which the assessment is to be made. A class B assessment may be made on a non-pro rata basis, but the amount shall not exceed 1/10 of 1% of the members' premium written during the calendar year preceding the assessment. The amount assessed in conjunction with class C assessments shall not result in members being assessed more than 2% of the premiums written in the applicable year. The proceeds of this assessment shall be paid by the Association into the Commissioner's Regulatory Revolving Fund.

(3) Class C assessments against member insurers for each account and subaccount shall be in the proportion that the premiums received on business in this State by each assessed member insurer on policies or contracts covered by each account for the 3 most recent calendar years for which information is available preceding the year in which the member insurer became impaired or insolvent, as the case may be, bears to such premiums received in this State for such calendar years by all assessed member insurers.

(4) Assessments for funds to meet the requirements of the Association with respect to an impaired or insolvent insurer shall not be authorized or called until necessary to implement the purposes of this chapter. Classification of assessments under subsection (b) of this section and computation of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determination may not always be possible. The Association shall notify each member insurer of its anticipated pro rata share of an authorized assessment not yet called within 180 days after the assessment is authorized.

(d) The Association may abate or defer, in whole or part, the assessment of the member insurer if, in the opinion of the Board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. If an assessment against a member insurer is abated or deferred in whole or part, the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments under this section. Once the conditions which caused a deferral have been removed or rectified, the member insurer shall pay all assessments that were deferred pursuant to a repayment plan approved by the Association.

(e) (1) a. Subject to paragraph (e)(1)b. of this section, the total of all assessments authorized by the Association with respect to a member insurer for each subaccount of the life insurance and annuity account and for the health account shall not in 1 calendar year exceed 2% of that member insurer's average annual premiums received in this State on the policies and contracts covered by the subaccount or account

during the 3 calendar years preceding the year in which the member insurer became an impaired or insolvent insurer.

b. If 2 or more assessments are authorized in 1 calendar year with respect to member insurers that become impaired or insolvent in different calendar years, the average annual premiums for purposes of the aggregate assessment percentage limitation referenced in paragraph (e)(1)a. of this section shall be equal and limited to the higher of the 3-year average annual premiums for the applicable subaccount or account as calculated under this section.

c. If the maximum assessment, together with the other assets of the Association in an account, does not provide in 1 year in either account an amount sufficient to carry out the responsibilities of the Association, the necessary additional funds shall be assessed as soon thereafter as permitted by this chapter.

(2) The Board may provide in the plan of operation a method of allocating funds among claims, whether relating to 1 or more impaired or insolvent insurers, when the maximum assessment will be insufficient to cover anticipated claims.

(3) If the maximum assessment for any subaccount of the life and annuity account in any 1 year does not provide an amount sufficient to carry out the responsibilities of the Association, then under paragraph (c)(3) of this section, the Board shall assess all subaccounts of the life and annuity account for the necessary additional amount, subject to the maximum stated in paragraph (e)(1) of this section.

(f) The Board may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each member insurer to that account, the amount by which the assets of the account exceed the amount the Board finds is necessary to carry out during the coming year the obligations of the Association with regard to that account, including assets accruing from assignment, subrogation, net realized gains, and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the Association and for future claims.

(g) It shall be proper for any member insurer, in determining its premium rates and policy owner dividends as to any kind of insurance, managed care organization, or health maintenance organization business within the scope of this chapter, consider the amount reasonably necessary to meet its assessment obligations under this chapter.

(h) The Association shall issue to each member insurer paying a class C assessment a certificate of contribution, in a form prescribed by the Commissioner, for the amount of the assessment so paid. All outstanding certificates shall be given equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the member insurer in its financial statement as an asset in such form and for such amount, if any, and period of time as the Commissioner may approve.

(i) (1) A member insurer that wishes to protest all or part of an assessment shall pay when due the full amount of the assessment as set forth in the notice provided by the Association. The payment shall be available to meet Association obligations during the pendency of the protest or any subsequent appeal. Payment shall be accompanied by a statement in writing that the payment is made under protest and setting forth a brief statement of the grounds for the protest.

(2) Within 60 days following the payment of an assessment under protest by a member insurer, the Association shall notify the member insurer in writing of its determination with respect to the protest unless the Association notifies the member insurer that additional time is required to resolve the issues raised by the protest.

(3) Within 30 days after a final decision has been made, the Association shall notify the protesting member insurer in writing of that final decision. Within 60 days of receipt of notice of the final decision, the protesting member insurer may appeal that final action to the Commissioner.

(4) In the alternative to rendering a final decision with respect to a protest based on a question regarding the assessment base, the Association may refer protests to the Commissioner for a final decision, with or without a recommendation from the Association.

(5) If the protest or appeal on the assessment is upheld, the amount paid in error or excess shall be returned to the member insurer. Interest on a refund due a protesting member insurer shall be paid at the rate actually earned by the Association.

(j) The Association may request information of member insurers in order to aid in the exercise of its power under this section and member insurers shall promptly comply with a request.

§ 4410. Plan of operation.

(a) (1) The Association shall submit to the Commissioner a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable and equitable administration of the Association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the Commissioner.

(2) If the Association fails to submit a suitable plan of operation within 180 days following July 23, 1982, or if at any time thereafter the Association fails to submit suitable amendments to the plan, the Commissioner shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate this chapter. Such rules shall continue in force until modified by the Commissioner or superseded by a plan submitted by the Association and approved by the Commissioner.

(b) All member insurers shall comply with the plan of operation.

(c) The plan of operation shall, in addition to requirements enumerated elsewhere in this chapter:

(1) Establish procedures for handling the assets of the Association;

(2) Establish the amount and method of reimbursing members of the Board of Directors under § 4407 of this title;

(3) Establish regular places and times for meetings of the Board of Directors;

- (4) Establish procedures for records to be kept of all financial transactions of the Association, its agents and the Board of Directors;
- (5) Establish the procedures whereby selections for the Board of Directors will be made and submitted to the Commissioner;
- (6) Establish any additional procedures for assessments under § 4409 of this title;
- (7) Contain additional provisions necessary or proper for the execution of the powers and duties of the Association;
- (8) Establish procedures whereby a Director may be removed for cause, including the case where a member insurer Director becomes an impaired or insolvent insurer; and
- (9) Require the Board of Directors to establish policy and procedures for addressing conflicts of interest.

(d) The plan of operation may provide that any or all powers and duties of the Association, except those under §§ 4408(l)(3) and 4409 of this title, are delegated to a corporation, association or other organization which performs or will perform functions similar to those of this Association, or its equivalent, in 2 or more states. Such a corporation, association or organization shall be reimbursed for any payments made on behalf of the Association and shall be paid for its performance of any function of the Association. A delegation under this subsection shall take effect only with the approval of both the Board of Directors and the Commissioner, and may be made only to a corporation, association or organization which extends protection not substantially less favorable and effective than that provided by this chapter.

(63 Del. Laws, c. 442, § 1; 77 Del. Laws, c. 215, § 11.)

§ 4411. Duties and powers of Commissioner.

In addition to the duties and powers enumerated elsewhere in this chapter:

(1) The Commissioner shall:

- a. Upon request of the Board of Directors, provide the Association with a statement of the premiums in the appropriate states for each member insurer;
- b. When an impairment is declared and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time. Notice to the impaired insurer shall constitute notice to its shareholders, if any. The failure of the impaired insurer to promptly comply with such demand shall not excuse the Association from the performance of its powers and duties under this chapter; and
- c. In any liquidation or rehabilitation proceeding involving a domestic insurer, be appointed as the liquidator or rehabilitator. If a foreign or alien member insurer is subject to a liquidation proceeding in its domiciliary jurisdiction or state of entry, the Commissioner shall be appointed conservator.

(2) The Commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact business in this State of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. Alternatively, the Commissioner may levy a forfeiture of any insurer which fails to pay an assessment when due. Such forfeiture shall not exceed 5% of the unpaid assessment per month, but no forfeiture shall be less than \$100 per month.

(3) A final action of the Board of Directors or the Association may be appealed to the Commissioner by a member insurer if the appeal is taken within 60 days of its receipt of notice of the final action being appealed. A final action or order of the Commissioner shall be subject to judicial review in a court of competent jurisdiction in accordance with the laws of this State that apply to the actions or orders of the Commissioner.

(4) The liquidator, rehabilitator, or conservator of any impaired insurer may notify all interested persons of the effect of this chapter.

(63 Del. Laws, c. 442, § 1; 70 Del. Laws, c. 547, § 5; 73 Del. Laws, c. 327, § 6; 82 Del. Laws, c. 113, § 6.)

§ 4412. Detection and prevention of insolvencies.

To aid in the detection and prevention of member insurer insolvencies or impairments:

(1) It shall be the duty of the Commissioner:

- a. 1. To notify the commissioners of all the other states when the Commissioner takes any of the following actions against a member insurer:
 - A. Revocation of license;
 - B. Suspension of license;
 - C. Makes any formal order that such member insurer restrict its premium writing, obtain additional contributions to surplus, withdraw from the State, reinsure all or any part of its business, or increase capital, surplus, or any other account for the security of policyholders, policy owners, contract owners, certificate holders, or creditors.
- 2. Notice under paragraph (1)a.1. of this section must be mailed to all commissioners within 30 days following the action taken or the date on which such action occurs;
- b. To report to the Board of Directors when the Commissioner has taken any of the actions set forth in paragraph (1)a.1. of this section or has received a report from any other commissioner indicating that any such action has been taken in another state. Such report to the Board of Directors shall contain all significant details of the action taken or the report received from another commissioner;
- c. To report to the Board of Directors when the Commissioner has reasonable cause to believe from any examination, whether completed or in process, of any member company that such company may be an impaired or insolvent insurer; and

d. To furnish to the Board of Directors the NAIC Early Warning Tests developed by the National Association of Insurance Commissioners, and the Board may use the information contained therein in carrying out its duties and responsibilities under this section. Such report and the information contained therein shall be kept confidential by the Board of Directors until such time as made public by the Commissioner or other lawful authority.

(2) The Commissioner may seek the advice and recommendations of the Board of Directors concerning any matter affecting the Commissioner's duties and responsibilities regarding the financial condition of member insurers and insurers, managed care organizations, or health maintenance organizations seeking admission to transact business in this State.

(3) The Board of Directors may, upon majority vote, make reports and recommendations to the Commissioner upon any matter germane to the solvency, liquidation, rehabilitation, or conservation of any member insurer or germane to the solvency of any insurer, managed care organization, or health maintenance organization seeking to do business in this State. Such reports and recommendations shall not be considered public documents.

(4) It shall be the duty of the Board of Directors, upon majority vote, to notify the Commissioner of any information indicating any member insurer may be an impaired or insolvent insurer.

(5) The Board of Directors may, upon majority vote, request that the Commissioner order an examination of any member insurer which the Board in good faith believes may be an impaired or insolvent member insurer. Within 30 days of the receipt of such request, the Commissioner shall begin such examination. The examination may be conducted as a National Association of Insurance Commissioners examination or may be conducted by such persons as the Commissioner designates. The cost of such examination shall be paid by the Association and the examination report shall be treated as are other examination reports. In no event shall such examination report be released to the Board of Directors before its release to the public, but this shall not preclude the Commissioner from complying with paragraph (1) of this section. The Commissioner shall notify the Board of Directors when the examination is completed. The request for an examination shall be kept on file by the Commissioner but it shall not be open to public inspection before the release of the examination report to the public.

(6) The Board of Directors may, upon majority vote, make recommendations to the Commissioner for the detection and prevention of member insurer insolvencies.

(7) The Board of Directors shall, at the conclusion of any member insurer insolvency in which the Association was obligated to pay covered claims, prepare a report to the Commissioner containing such information as it may have in its possession bearing on the history and causes of such insolvency. The Board shall cooperate with the boards of directors of guaranty associations in other states in preparing a report on the history and causes for insolvency of a particular member insurer, and may adopt by reference any report prepared by such other associations.

(63 Del. Laws, c. 442, § 1; 70 Del. Laws, c. 186, § 1; 82 Del. Laws, c. 113, § 7.)

§ 4413. Credits for assessments paid.

(a) A member insurer may offset against its premium tax liability to this State an assessment described in § 4409(h) of this title to the extent of 20 percent of the amount of such assessment for each of the 5 calendar years following the year in which such assessment was paid. If a member insurer should cease doing business, all uncredited assessments may be credited against its premium tax liability for the year it ceases doing business.

(b) Any sums acquired by refund, under § 4409(f) of this title, from the Association which have theretofore been written off by contributing insurers and offset against premium, franchise, or income taxes as provided in subsection (a) of this section and are not then needed for purposes of this chapter, shall be paid by the Association to the Commissioner and deposited by the Commissioner with the State Treasurer for credit to the General Fund of this State.

(63 Del. Laws, c. 442, § 1; 70 Del. Laws, c. 186, § 1; 82 Del. Laws, c. 113, § 8.)

§ 4414. Liability for unpaid assessments; Association records; Association as creditor; liquidation proceeding.

(a) Nothing in this chapter shall be construed to reduce the liability for unpaid assessments of the insureds on an impaired or insolvent insurer operating under a plan with assessment liability.

(b) Records shall be kept of all meetings of the Board of Directors to discuss the activities of the Association in carrying out its powers and duties under § 4408 of this title. The records of the Association with respect to an impaired or insolvent insurer shall not be disclosed prior to the liquidation, rehabilitation or conservation proceeding involving the impaired or insolvent insurer, except upon the termination of the impairment or insolvency of the insurer or upon the order of a court of competent jurisdiction. Nothing in this subsection shall limit the duty of the Association to render a report of its activities under § 4415 of this title.

(c) For the purpose of carrying out its obligations under this chapter, the Association shall be deemed to be a creditor of the impaired or insolvent insurer to the extent of assets attributable to covered policies reduced by any amounts to which the Association is entitled as subrogee under § 4408(k) of this title. Assets of the impaired or insolvent insurer attributable to covered policies shall be used to continue all covered policies and pay all contractual obligations of the impaired or insolvent insurer as required by this chapter. Assets attributable to covered policies or contracts, as used in this subsection, is that proportion of the assets which the reserves that should have been established for such policies or contracts bear to the reserves that should have been established for all policies of insurance or health benefit plans

written by the impaired or insolvent insurer.

(d) As a creditor of the impaired or insolvent insurer as established in subsection (c) of this section and consistent with § 5911 of this title, the Association and other similar associations shall be entitled to receive a disbursement of assets out of the marshaled assets, from time to time as the assets become available to reimburse it, as a credit against contractual obligations under this chapter. If the liquidator has not, within 120 days of a final determination of insolvency of a member insurer by the receivership court, made an application to the court for the approval of a proposal to disburse assets out of marshaled assets to guaranty associations having obligations because of the insolvency, then the Association shall be entitled to make application to the receivership court for approval of its own proposal to disburse these assets.

(e) (1) Before the termination of any liquidation, rehabilitation, or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the Association, the shareholders, contract owners, certificate holders, enrollees, and policy owners of the insolvent insurer, and any other party with a bond fide interest, in making an equitable distribution of the ownership rights of such insolvent insurer. In such a determination, consideration shall be given to the welfare of the policyholders, policy owners, contract owners, certificate holders, and enrollees of the continuing or successor member insurer.

(2) No distribution to stockholders, if any, of an impaired or insolvent insurer shall be made until and unless the total amount of valid claims of the Association for funds expended in carrying out its powers and duties under § 4408 of this title with respect to such member insurer have been fully recovered by the Association.

(f) (1) If an order for liquidation or rehabilitation of a member insurer domiciled in this State has been entered, the receiver appointed under such order shall have a right to recover on behalf of the member insurer, from any affiliate that controlled it, the amount of distributions, other than stock dividends paid by the member insurer on its capital stock made at any time during the 5 years preceding the petition for liquidation or rehabilitation subject to the limitations of paragraphs (f)(2) through (4) of this section.

(2) No such dividend shall be recoverable if the member insurer shows that, when paid, the distribution was lawful and reasonable and that the member insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the member insurer to fulfill its contractual obligations.

(3) Any person who was an affiliate that controlled the member insurer at the time the distributions were paid shall be liable up to the amount of distributions that person received. Any person who was an affiliate that controlled the member insurer at the time the distributions were declared shall be liable up to the amount of distributions that person would have received if they had been paid immediately. If 2 persons are liable with respect to the same distributions, they shall be jointly and severally liable.

(4) The maximum amount recoverable under this subsection shall be the amount needed in excess of all other available assets of the insolvent insurer to pay the contractual obligations of the insolvent insurer.

(5) If any person liable under paragraph (f)(3) of this section is insolvent, all its affiliates that controlled it at the time the dividend was paid shall be jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate.

(63 Del. Laws, c. 442, § 1; 70 Del. Laws, c. 186, § 1; 73 Del. Laws, c. 327, § 7; 77 Del. Laws, c. 215, § 12; 82 Del. Laws, c. 113, § 9.)

§ 4415. Annual reports by Board.

The Association shall be subject to examination and regulation by the Commissioner. The Board of Directors shall submit to the Commissioner, not later than May 1 of each year, a financial report for the preceding calendar year in a form approved by the Commissioner and a report of its activities during the preceding calendar year.

(63 Del. Laws, c. 442, § 1.)

§ 4416. Tax status of Association.

The Association shall be exempt from payment of all fees and all taxes levied by this State or any of its subdivisions, except taxes levied on real property.

(63 Del. Laws, c. 442, § 1.)

§ 4417. Immunity.

There shall be no liability on the part of and no cause of action of any nature shall arise against any member insurer or its agents or employees, the Association or its agents or employees, members of the Board of Directors or the Commissioner or the Commissioner's representatives, for any action taken by them in the performance of their powers and duties under this chapter. Such immunity shall extend to the participation in any organization of 1 or more other state associations of similar purposes and to any such organization and its agents or employees.

(63 Del. Laws, c. 442, § 1; 68 Del. Laws, c. 55, § 6; 70 Del. Laws, c. 186, § 1.)

§ 4418. Stay of proceedings; reopening default judgments.

All proceedings in which the insolvent insurer is a party in any court in this State shall be stayed 180 days from the date an order of liquidation, rehabilitation or conservation is final to permit proper legal action by the Association on any matters germane to its powers or duties. As to judgment under any decision, order, verdict or finding based on default the Association may apply to have such judgment set aside by the same court that made such judgment and shall be permitted to defend against such suit on the merits.

(63 Del. Laws, c. 442, § 1; 77 Del. Laws, c. 215, § 13.)

§ 4419. Advertising.

No person, including a member insurer, agent or affiliate of a member insurer shall make, publish, disseminate, circulate, or place before the public, or cause, directly or indirectly, to be made, published, disseminated, circulated, or placed before the public, in any newspaper, magazine, or other publication, or in the form of a notice, circular, pamphlet, letter, or poster, or over any radio station or television station, or in any other way, any advertisement, announcement, or statement which uses the existence of the Insurance Guaranty Association of this State for the purpose of sales, solicitation, or inducement to purchase any form of insurance or other coverage covered by this chapter. Provided, however, that this section shall not apply to the Delaware Life and Health Insurance Guaranty Association or any other entity which does not sell or solicit insurance or coverage by a managed care organization or health maintenance organization.

(63 Del. Laws, c. 442, § 1; 82 Del. Laws, c. 113, § 10.)

§ 4420. Access to assets of insurer in liquidation; application for court approval of plan to disburse assets.

The Commissioner may make reasonable rules and regulations concerning the form and contents of prospectuses not inconsistent with the provisions of this chapter.

(c) The Commissioner may accept, as a compliance with this section, a prospectus or offering circular covering securities to be offered in this State under an existing registration thereof with the Securities and Exchange Commission or under an existing exemption from such registration pursuant to "Regulation A" of the general rules and regulations of the Securities and Exchange Commission under the Securities Act of 1933, as amended [15 U.S.C. § 77a et seq.].

(d) As to securities covered by a solicitation permit, no sales literature or other visual sales material, other than the prospectus or offering circular, shall be used in solicitations unless a copy of the same has been filed with the Commissioner in advance of such use and not disapproved by the Commissioner in writing, mailed or delivered to the filing party within 10 days after the date of such filing. The Commissioner shall disapprove any such literature or material found to be untrue or misleading. This provision shall not be deemed to modify or affect any applicable requirement or prohibition under or pursuant to the Securities Act of 1933 [15 U.S.C. § 77a et seq.], as amended.

(18 Del. C. 1953, § 4711; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4712. Modification or revocation of permit.

The Commissioner may, for cause, modify a solicitation permit theretofore issued, or may, after a hearing thereon, revoke the permit for violation of law or of the terms of the permit or any proper order of the Commissioner or for material misrepresentation in the offering or sale of securities or policies under the permit.

(18 Del. C. 1953, § 4712; 56 Del. Laws, c. 380, § 1.)

§ 4713. Bond for permit.

(a) The Commissioner shall not issue a solicitation permit until the applicant therefor has filed with the Commissioner a corporate surety bond in the penalty of \$10,000, aggregate amount, in favor of the State and for the use and benefit of the State and of proposed Delaware investors in and creditors of the permittee.

(b) The bond shall be conditioned upon the payment of costs incurred by the State in event of any proceeding for liquidation or dissolution of the proposed organization before completion of organization or if a certificate of authority to be an insurer is not granted; and upon a full accounting for funds received until the proposed insurer has been granted its certificate of authority or until the corporation, syndicate, association, firm or organization or financing has been completed within the terms of the permit.

(c) In lieu of filing such bond the applicant may deposit with the State Treasurer, through the Commissioner, \$10,000 in cash or a certificate of deposit issued by a bank located in Delaware or an equivalent amount in United States government bonds at market value to be held in trust under the same conditions as required of the bond. The amount so deposited may be credited toward payment of subscription to securities by founders, promoters and incorporators if required under § 4709(b)(5)a. of this title.

(d) The Commissioner may waive the requirement for a bond or deposit in lieu thereof if the securities are to be issued in connection with subsequent financing as provided in § 4717 of this title.

(e) The Commissioner shall release and discharge any such bond or deposit or remaining portion thereof held under this section upon written request of the person entitled thereto and upon proof to the Commissioner's satisfaction that all liabilities and obligations with respect to which the bond or deposit was filed or made have been fully settled or terminated or otherwise adequately provided for.

(f) This section does not apply as to solicitation of initial qualifying applications for insurance in a domestic mutual insurer pursuant to § 4906 of this title, except as provided in such § 4906.

(18 Del. C. 1953, § 4713; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4714. Escrow of funds.

(a) The holder of the solicitation permit shall promptly deposit all funds received from an offering of securities in this State pursuant to the permit, other than advance premiums for insurance which are subject to § 4907 of this title, in escrow in a bank or trust company located in this State and under an agreement consistent with this chapter approved by the Commissioner.

(b) No part of such funds shall be withdrawn from such deposit except:

(1) For payment of organization, sales and promotion expenses as earned and as authorized by the permit, and funds for such purposes may be withheld from the deposit; or

(2) For the purpose of making any deposit with the Commissioner required for issuance of a certificate of authority to an insurer or, if the organization is not or is not to be, an insurer, upon completion of payments on securities subscriptions made under the permit and deposit or appropriation of such funds to the purposes specified in the permit; or

(3) For the making of refunds as provided in § 4716 of this title.

(c) Funds while so held in escrow may be invested in certificates of deposit or savings accounts. Interest accruing thereon shall become part of the funds released as provided in paragraph (b)(2) of this section above, or shall be applied toward the costs of making refunds under paragraph (b)(3) of this section above, or to supplement the bond or deposit in lieu thereof in the event the same is called on pursuant to § 4713 of this title.

(d) When the Commissioner has issued a certificate of authority to a proposed insurer, any such funds remaining in escrow for its account shall be released to the insurer.

(e) The Commissioner may waive compliance with this section as to funds to be received under a subsequent financing permit under § 4717 of this title or in other circumstances where the Commissioner deems such an escrow to be reasonably unnecessary for the protection of investors or of the public.

(18 Del. C. 1953, § 4714; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4715. Subscriptions.

All subscriptions to securities under a solicitation permit shall be binding upon and enforceable against the parties thereto in accordance with the terms of the subscription contract and subject to the provisions of this chapter. No such contract shall be made conditional except upon such reasonable conditions consistent with applicable statutes as may uniformly be set forth in all such contracts with the Commissioner's approval as not being inappropriate or inequitable.

(18 Del. C. 1953, § 4715; 56 Del. Laws, c. 380, § 1.)

§ 4716. Failure to complete or qualify.

(a) The Commissioner shall withdraw all funds held in escrow under § 4714 of this title and refund to securities subscribers or purchasers all sums paid therein under the solicitation permit, less that part allowed and used for organization, sales and promotion expenses, if:

(1) The permit holder has failed to complete its organization or financing within the terms of the permit or if it has failed to secure its certificate of authority to be an insurer, all before expiration of the permit; or

(2) The permit is revoked.

(b) As to funds paid in on subscriptions by founders, promoters and incorporators and held on deposit in lieu of bond under § 4713(c) of this title, only such portion of such funds shall be refundable under this section as may remain after discharge of all liabilities against the deposit under § 4713 of this title and after the charging of such funds with a proportionate share of organization, sales and promotion expenses.

(18 Del. C. 1953, § 4716; 56 Del. Laws, c. 380, § 1.)

§ 4717. Subsequent financing; penalty.

(a) No person referred to in § 4702 (solicitation permit required; penalty) of this title, after receiving a certificate of authority, if an insurer in this or any other State or after completing its original organization and financing, if other than an insurer, shall in this State solicit or receive funds in exchange for its securities until it has applied to the Commissioner for and has been granted a solicitation permit. This provision is subject to the same exemptions as are provided by § 4704 of this title.

(b) The Commissioner shall expeditiously issue such a permit unless the Commissioner finds:

(1) That the funds proposed to be secured are inadequate or excessive in amount for the purposes intended; or

(2) That the proposed securities or the manner of their distribution would be unfair or inequitable to existing or proposed security holders or policyholders of the issuer.

(c) Any such permit granted by the Commissioner shall be for such duration and shall contain such terms and be issued upon such conditions as the Commissioner may reasonably specify or require for the protection of existing or proposed investors. In the Commissioner's discretion, such terms and conditions may be substantially the same as or materially different from requirements made under this chapter as to solicitation permits for initial financing.

(d) Violation of subsection (a) of this section shall be subject to the same penalties as prescribed by § 4702(b) (solicitation permit required; penalty) of this title.

(18 Del. C. 1953, § 4717; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4801. Definitions.

As used in this chapter, unless the context otherwise requires:

- (1) "Commissioner" means the Insurance Commissioner.
 - (2) "Insurance premium finance company" means a person engaged in the business of entering into premium finance agreements or otherwise financing the payment of insurance premiums.
 - (3) "Licensee" means a premium finance company holding a license issued by the Commissioner under this chapter.
 - (4) "Premium finance agreement" means an agreement by which an insured or prospective insured promises to pay to an insurance premium financing company the amount advanced or to be advanced under the agreement to an insurer or to an insurance agent or broker in payment of premiums on an insurance contract together with a service charge as authorized and limited by this chapter.
- (60 Del. Laws, c. 406, § 1.)

§ 4802. License required of insurance premium finance companies.

(a) No person shall engage in the business of financing insurance premiums in this State without first having obtained a license as a premium finance company from the Commissioner, unless such person is exempted from obtaining such a license pursuant to § 4810 of this title. The fee for such a license shall be the sum of \$ 500 per year which license shall be valid until the 1st day of January at which time it may be renewed for a full year and every year thereafter provided that the licensee shall have paid the said annual license fee of \$ 500 and shall otherwise qualify for a license hereunder. All fees for licenses hereunder shall be paid to the Commissioner. The increase in fees collected in Fiscal Year 2018 pursuant to this section shall be used solely to make appropriations for certain grants-in-aid for the fiscal year ending June 30, 2018.

(b) All licensees or persons applying for licenses shall file sworn answers to such questions as the Commissioner may deem appropriate. The Commissioner shall have authority at any time to require the applicant to fully disclose the identity of all stockholders, partners, officers and employees and the Commissioner may refuse to issue or renew a license in the name of any firm, partnership or corporation so long as the Commissioner remains satisfied that any officer, employee, stockholder or partner thereof who may materially influence the applicant's conduct fails to meet the standards of this chapter.

(60 Del. Laws, c. 406, § 1; 70 Del. Laws, c. 186, § 1; 81 Del. Laws, c. 57, § 3.)

§ 4803. Action by Commissioner on application.

(a) Upon the filing of an application and the payment of the license fee the Commissioner shall make an investigation of each applicant and shall issue a license if the applicant is qualified in accordance with this chapter. If the Commissioner does not so find, he or she shall, within 30 days after receipt of such application, if so requested by the applicant, give the applicant a full hearing on its application.

(b) The Commissioner shall issue or renew a license as may be applied for when the Commissioner is satisfied that the person to be licensed:

- (1) Is competent and trustworthy and intends to act in good faith in the capacity required by the license applied for;
- (2) Has a good business reputation and has sufficient experience, training or education to be qualified in the business represented by the license applied for;
- (3) If a corporation, is a corporation incorporated under the laws of this State or is a foreign corporation authorized to transact business in this State; and
- (4) Has the necessary financial resources available to enter in the business for which such person is asking to be licensed or as to which such person is requesting renewal of his or her license.

(60 Del. Laws, c. 406, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4804. Revocation and suspension of licenses.

(a) The Commissioner may revoke or suspend the license of any premium finance company when and if, after investigation, it appears to the Commissioner that:

- (1) Any license issued to such company was obtained by fraud;
- (2) There was any material misrepresentation in the application for the license;
- (3) The holder of such license has otherwise shown himself or herself untrustworthy or incompetent to act as a premium finance company; or
- (4) Such company has violated this chapter.

(b) Before the Commissioner shall revoke, suspend or refuse to renew the license of any premium finance company, the Commissioner shall give to such person an opportunity to be fully heard and to introduce evidence in his or her behalf and, in lieu of revoking or suspending his or her license for any of the causes enumerated in this section, after hearing as herein provided, the Commissioner may, for each of the first and second such offenses, subject such company to an administrative penalty of not less than \$25 nor more than \$500 for each such offense when in the Commissioner's judgment the public interest would not be harmed by the continued operation of such company. The amount of any such administrative penalty shall be paid by such company to the Commissioner within 30 days of the date such a penalty is levied.

(c) If the Commissioner refuses to issue or renew any license or if the applicant or licensee is aggrieved by any action of the Commissioner, such applicant or licensee shall have the same right to a hearing and appeal as provided for other aggrieved parties in this title.

(d) At any hearing provided for by this chapter the Commissioner shall have all such authority as the Commissioner otherwise has under this title to conduct hearings.

(60 Del. Laws, c. 406, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4805. Books and records.

(a) Every licensee shall maintain records of its premium finance transactions and the said records shall be open to examination and investigation by the Commissioner. The Commissioner may at any time require any licensee to bring such records as directed to the Commissioner's office for examination provided that this can be done without causing that licensee undue hardship and further provided that the Commissioner shall give reasonable notice for the bringing of such records to the Commissioner's office for examination.

(b) Every licensee shall preserve its records of such premium finance transactions, including cards used in any card system, for at least 3 years after making the final entry in respect to any premium finance agreement. The preservation of records in photographic form shall constitute compliance with this requirement.

(60 Del. Laws, c. 406, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4806. Form of premium finance agreement.

(a) A premium finance agreement shall:

(1) Be dated, signed by or on behalf of the insured and the printed portion thereof shall be in at least 8-point type;

(2) Contain the name and place of business of the insurance agent negotiating the related insurance contract, the name and residence or the place of business of the insured as specified by the insured, the name and place of business of the premium finance company to which payments are to be made, a description of the insurance contracts involved and the amount of the premium therefor; and

(3) Set forth the following items where applicable:

a. The total amount of the premiums;

b. The amount of the down payment;

c. The principal balance (the difference between paragraphs (a)(3)a. and b.);

d. The amount of the service charge;

e. The balance payable by the insured (sum of paragraphs (a)(3)c. and d.); and

f. The number of installments required, the amount of each installment, expressed in dollars, and the due date or period thereof.

(b) The items set out in paragraph (a)(3) of this section need not be stated in the sequence or order in which they appear in such paragraph, and additional items may be included to explain the computations made in determining the amount to be paid by the insured.

(60 Del. Laws, c. 406, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4807. Maximum service charge.

(a) A premium finance company shall not charge, contract for, receive or collect a service charge other than as permitted by this chapter.

(b) The service charge is to be computed on the balance of the premiums due, after subtracting the down payment made by the insured in accordance with the premium finance agreement, from the effective date of the insurance coverage for which the premiums are being advanced to and including the date when the final installment is payable under the premium finance agreement.

(c) The maximum service charge permissible shall be \$9.00 per \$100 per year plus an additional nonrefundable initial charge of \$10 per premium finance contract and the said maximum service charge shall include any interest charged on such loans within the limitations thereon stated above. Any service charge, including interest, which exceeds the said permissible maximum rate limitation, shall be considered usurious and any person paying such usurious rate shall be entitled to all the remedies permitted under § 2304 of Title 6 for recovery of funds in an usurious loan.

(d) Notwithstanding any provisions to the contrary within any premium finance agreements, any insured may prepay obligations under any such agreement in full at any time. In such event the insured shall receive a refund credit. The amount of such refund credit shall represent at least as great a proportion of the service charge as the sum of the periodic balances after the month in which prepayment is made bears to the sum of all periodic balances under the schedule of installments in the agreement. Where the amount of the refund credit is less than \$1.00, no refund need be made. If in addition to the service charge, an additional, nonrefundable initial charge as permitted in subsection (c) of this section was imposed, such additional charge need not be refunded nor taken into consideration in computing the refund credit.

(e) No premium finance company shall induce an insured to become obligated under more than 1 premium finance agreement for the purpose of obtaining more than 1 additional nonrefundable initial charge.

(60 Del. Laws, c. 406, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4808. Delinquencies and cancellation charges.

A premium finance agreement may provide for the payment by the insured of a delinquency charge per installment of at least \$1.00 but which may not exceed a maximum charge of 5% of the delinquent installment or \$5.00, whichever is less, for each installment which is in default for a period of 10 days or more. Further, if the default results in the cancellation of any insurance contract listed in the agreement, the agreement may provide for the payment by the insured of a cancellation charge equal to the difference between any delinquency charge imposed in respect to the installment in default as permitted hereinabove and the sum of \$5.00.

(60 Del. Laws, c. 406, § 1.)

§ 4809. Cancellation of insurance contract upon default.

(a) When in connection with a premium finance agreement, a power of attorney or other authority to cancel any insurance contract or contracts on behalf of the insured is given to a premium finance company, such insurance contract or contracts may not be cancelled by the premium finance company unless such cancellation is effectuated in accordance with this section; provided, however, that cancellation of automobile casualty insurance contracts pursuant to this section may be made only in a manner which is consistent with Chapter 39 of this title and the method of such cancellation shall be consistent with the time periods and be subject to the rights of reinstatement provided in that chapter for cancellation on the basis of nonpayment of premium.

(b) Not less than 10 days' written notice shall be mailed to the insured at the insured's last known address of the intent of the premium finance company to cancel the insurance contract unless a default is cured within such 10-day period.

(c) After the expiration of such 10-day period, the premium finance company may thereafter cancel in the name of the insured such insurance contract or contracts by mailing to the insurer a notice of cancellation, and the insurance contract shall be cancelled as if notice of cancellation had been submitted by the insured but without requiring the return of the insurance contract or contracts. The premium finance company shall also mail notice of cancellation to the insured at the insured's last known address.

(d) No policy may be cancelled by a premium finance company solely because of nonpayment of a delinquency or collection charge provided for in this chapter.

(e) All statutory, regulatory and contractual restrictions providing that the insurance contract may not be cancelled unless notice is given to a government agency, mortgagee or other third party shall apply where cancellation is effected under this section. The insurer, in accordance with the said prescribed notice, any time it is required to give such notice on behalf of itself or the insured, shall give notice to such governmental agency, mortgagee or other person before the end of the second business day after the day it receives the notice of cancellation from the premium finance company and shall determine the effective date of cancellation, taking into consideration the number of days' notice required to complete the cancellation.

(f) Whenever an insurance contract is cancelled in accordance with this section, the insurer shall return whatever gross unearned premiums are due under the contract to the premium finance company effecting the cancellation for the account of the insured or insureds as soon as reasonably possible, but in no event shall the period for such payment exceed 90 days after the effective date of the cancellation.

(60 Del. Laws, c. 406, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4810. Applicability.

(a) The provisions of this chapter relating to licensing, the filing of reports and the keeping of books and records shall not apply with respect to:

(1) Insurers, agents or brokers otherwise licensed by the Commissioner and who engage in the business of financing insurance premiums or any subsidiaries owned or controlled, directly or indirectly, by such insurer; and

(2) Any bank, savings bank, trust company, savings and loan association, credit union, industrial finance company or other such entity regulated pursuant to the laws of the State or of the United States; provided, however, that all other provisions of this chapter shall apply to all such institutions or persons who engage in the business of financing insurance premiums in the State.

(b) Notwithstanding subsection (a) of this section, the provisions of this chapter shall not apply with respect to the inclusion or deduction of a charge for insurance made pursuant to any other law of this State expressly or impliedly authorizing the financing of insurance premiums in connection with loan transactions or the financing of goods or services or both goods and services, including, but not limited to, charges for premiums for either or both credit life insurance and credit accident or health insurance.

(60 Del. Laws, c. 406, § 1.)

§ 4811. Exemptions.

(a) No filing of the premium finance agreement shall be necessary to perfect the security interest of the premium finance company as against creditors, subsequent purchasers, pledgees and other such parties, their successors or assigns.

(b) Notwithstanding Title 30, all institutions licensed in accordance with this chapter shall be exempt from all other occupational and use taxes levied by the State.

(60 Del. Laws, c. 406, § 1.)

§ 4812. Rules.

The Commissioner may make and enforce reasonable rules and regulations to make this chapter effective but such rules and regulations shall not be contrary to, nor inconsistent with, this chapter.

- (d) All qualifying premiums collected shall be in cash.
- (e) Solicitation for such qualifying applications for insurance shall be by licensed agents of the corporation, and the Commissioner shall, upon the corporation's application therefor, issue temporary agent's licenses, expiring on the date specified pursuant to paragraph (c)(3) of

this section above, to individuals qualified for an agent's license. The Commissioner may suspend or revoke any such license for any of the causes and pursuant to the same procedures as are applicable to suspension or revocation of licenses of agents in general under Chapter 17 of this title.

(18 Del. C. 1953, § 4907; 56 Del. Laws, c. 380, § 1.)

§ 4908. Mutual insurers — Trust deposit of qualifying premiums; issuance of policies.

(a) All sums collected by a domestic mutual corporation as premiums or fees on qualifying applications for insurance therein shall be deposited in trust in a bank or trust company in this State under a written trust agreement approved by the Commissioner and consistent with this section and with § 4907 of this title. The corporation shall file an executed copy of such trust agreement with the Commissioner.

(b) Upon issuance to the corporation of a certificate of authority as an insurer for the kind of insurance for which such applications were solicited, all funds so held in trust shall become the funds of the insurer, and the insurer shall thereafter in due course issue and deliver its policies for which premiums had been paid and accepted. The insurance provided by such policies shall be effective as of the date of the certificate of authority or thereafter as provided by the respective policies.

(18 Del. C. 1953, § 4908; 56 Del. Laws, c. 380, § 1.)

§ 4909. Mutual insurers — Failure to qualify.

If the proposed domestic mutual insurer fails to complete its organization and to secure its original certificate of authority within 1 year from and after date of its solicitation permit, the corporation shall transact no further business, and the Commissioner shall return or cause to be returned to the persons entitled thereto all advance deposits or payments of premiums held in trust under § 4907 of this title.

(18 Del. C. 1953, § 4909; 56 Del. Laws, c. 380, § 1.)

§ 4910. Mutual insurers — Additional kinds of insurance.

A domestic mutual insurer, after being authorized to transact 1 kind of insurance, may be authorized to transact such additional kinds of insurance as are permitted under § 510 of this title, while otherwise in compliance with this title and while maintaining unimpaired surplus funds in an amount not less than the amount of paid-in capital stock required of a domestic stock insurer transacting like kinds of insurance, subject further, when first so authorized to transact an additional kind of insurance, in the case of insurers other than those to which § 511(a)(1) of this title is applicable, to the additional expendable surplus requirements of such § 511 applicable to such a stock insurer.

(18 Del. C. 1953, § 4910; 56 Del. Laws, c. 380, § 1.)

§ 4911. Membership in mutual.

(a) Each policyholder of a domestic mutual insurer, other than of a reinsurance contract, is a member of the insurer during the period of the insurance with all rights and obligations of such membership, and the policy shall so specify.

(b) Any person, government or governmental agency, state or political subdivision thereof, public or private corporation, board, association, estate, trustee or fiduciary may be a member of a domestic mutual insurer. The right of certain governmental bodies or agencies of this State to become and be members of mutual insurers shall be subject further to the laws of this State governing such bodies or agencies.

(18 Del. C. 1953, § 4911; 56 Del. Laws, c. 380, § 1.)

§ 4912. Bylaws of mutual insurer.

Every domestic mutual insurer shall promptly file with the Commissioner a copy, certified by the insurer's secretary, of its bylaws and of every modification thereof or addition thereto. The bylaws and modifications thereof shall be subject to the Commissioner's approval. The Commissioner shall not disapprove any such bylaw or modification unless found by the Commissioner, after a hearing held thereon, to be unlawful, unreasonable, inadequate, unfair or injurious to the proper interests or protection of the insurer's members or any class thereof. The insurer shall not, after receiving written notice of such disapproval and during the existence thereof, effectuate any bylaw provision so disapproved.

(18 Del. C. 1953, § 4912; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4913. Minutes of corporate meetings of mutual insurers.

A domestic mutual insurer upon the Commissioner's written request therefor shall promptly file with the Commissioner a copy, certified by the insurer's secretary, of the notice, minutes and other record of every meeting of the insurer's board of directors or other similar governing body and of every meeting of the insurer's members. All such copies so filed shall constitute confidential records for the information of the Commissioner only, and shall not constitute or be treated as public records or be open to public inspection.

(18 Del. C. 1953, § 4913; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4914. Contingent liability of mutual members.

(a) Except as provided otherwise in § 4916 of this title with respect to nonassessable policies, each member of a domestic mutual insurer shall have a contingent liability, pro rata and not one for another, for the discharge of its obligations, which contingent liability shall be in such maximum amount — not less than 1 nor more than 6 times the premium for the member's policy at the annual premium rate — as shall be specified in the insurer's certificate of incorporation or bylaws.

(b) Every policy issued by the insurer shall contain a statement of the contingent liability.

(c) Termination of the policy of any such member shall not relieve the member of contingent liability for such member's proportion of the obligations of the insurer which accrued while the policy was in force.

(d) Unrealized contingent liability of members does not constitute an asset of the insurer in any determination of its financial condition.

(18 Del. C. 1953, § 4914; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4915. Levy of contingent liability.

(a) If at any time the assets of a domestic mutual insurer are less than its liabilities and the minimum amount of surplus required to be maintained by it under this title for authority to transact the kinds of insurance being transacted and the deficiency is not cured from other sources, its directors may, if the same is approved by the Commissioner as being reasonable and in the best interests of the insurer and its members, levy an assessment only on its members who held the policies providing for contingent liability at any time within the 12 months next preceding the date the levy was authorized by the board of directors, and such members shall be liable to the insurer for the amount so assessed.

(b) The levy of assessment shall be for such an amount as is required to cure such deficiency and to provide a reasonable amount of working funds above such minimum amount of surplus, but such working funds so provided shall not exceed 5% of the sum of the insurer's liabilities and such minimum required surplus as of the date of the levy.

(c) As to the respective policies subject to the levy, the assessment shall be computed upon the basis of premium earned during the period covered by the levy.

(d) No member shall have an offset against any assessment for which such member is liable, on account of any claim for unearned premium or loss payable.

(e) As to life insurance, any part of such an assessment upon a member which remains unpaid following notice of assessment, demand for payment, and lapse of a reasonable waiting period as specified in such notice, may, if approved by the Commissioner as being in the best interests of the insurer and its members, be secured by placing a lien upon the cash surrender values and accumulated dividends held or to be held by the insurer to the credit of the member's policy.

(18 Del. C. 1953, § 4915; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4916. Enforcement of contingent liability.

(a) The insurer shall notify each member of the amount of the assessment to be paid by written notice mailed to the address of the member last of record with the insurer. Failure of the member to receive the notice so mailed, within the time specified therein for the payment of the assessment or at all, shall be no defense in any action to collect assessment.

(b) If a member fails to pay the assessment within the period specified in the notice, which period shall not be less than 20 days after mailing, the insurer may institute suit to collect the same.

(18 Del. C. 1953, § 4916; 56 Del. Laws, c. 380, § 1.)

§ 4917. Nonassessable policies, mutual insurers; revocation of authority.

(a) A domestic mutual insurer, by depositing through the Commissioner and thereafter maintaining unimpaired surplus funds not less in amount than the minimum paid-in capital stock required of a domestic stock insurer for authority to transact the same kind or kinds of insurance, may, upon receipt of the Commissioner's order so authorizing, extinguish the contingent liability to assessment of its members as to all its policies in force and, so long as such surplus and deposit are maintained, may omit provisions imposing contingent liability in all policies currently issued. Any deposit of the insurer made through the Commissioner as prerequisite to its certificate of authority may be included as part of the deposit required under this section.

(b) The Commissioner shall not authorize a domestic insurer to extinguish the contingent liability of any of its members or in any of its policies to be issued, unless it qualifies to and does extinguish such liability of all its members and in all such policies for all kinds of insurance transacted by it.

(c) The Commissioner shall revoke the authority of a domestic mutual insurer to issue policies without contingent liability if:

(1) At any time the insurer's assets are less than the sum of its liabilities and the surplus required for such authority, or

(2) The insurer, by resolution of its board of directors approved by a majority of its members, requests that the authority be revoked.

(d) During the absence of such authority, the insurer shall not issue any policy without providing therein for the contingent liability of the policyholder, nor renew any policy which is then in force without endorsing the same to provide for such contingent liability.

(18 Del. C. 1953, § 4917; 56 Del. Laws, c. 380, § 1.)

§ 4918. Information to stockholders and proxy regulations.

(a) This section shall apply to all domestic stock insurers except:

(1) A domestic stock insurer having less than 100 stockholders, except, that if 95% or more of the insurer's stock is owned or controlled by a parent or affiliated insurer, this section shall not apply to such insurer unless its remaining shares are held by 500 or more stockholders;

(2) Domestic stock insurers which file with the Securities and Exchange Commission forms of proxies, consents and authorizations pursuant to the Securities Exchange Act of 1934, as amended [15 U.S.C. § 78a et seq.]; and

(3) Insurance departments or divisions of corporations established under Chapter 7 of Title 5.

(b) Every insurer to which this section is applicable shall seasonably furnish its stockholders, in advance of stockholder meetings, information in writing reasonably adequate to inform them relative to all matters to be presented by the insurer's management for consideration of stockholders at such meeting.

(c) No person shall solicit a proxy, consent or authorization in respect of any stock or other voting security of such an insurer unless that person furnishes the person so solicited with written information reasonably adequate as to:

(1) The material matters in regard to which the powers so solicited are proposed to be used; and

(2) The person or persons on whose behalf the solicitation is made and the interest of such person or persons in relation to such matters.

(d) No person shall so furnish to another information which the informer knows or has reason to believe is false or misleading as to any material fact or which fails to state any material fact reasonably necessary to prevent any other statement made from being misleading.

(e) The form of all such proxies shall:

(1) Conspicuously state on whose behalf the proxy is solicited;

(2) Provide for dating the proxy;

(3) Impartially identify each matter or group of related matters intended to be acted upon;

(4) Provide means for the principal to instruct the vote of the principal's shares as to approval or disapproval of each matter or group, other than election to office; and

(5) Be legibly printed, with context suitably organized.

Except, that a proxy may confer discretionary authority as to matters as to which choice is not specified pursuant to paragraph (e)(4) of this section, above, if the form conspicuously states how it is intended to vote the proxy or authorization in each such case, and may confer discretionary authority as to other matters which may come before the meeting but unknown for a reasonable time prior to the solicitation by the persons on whose behalf the solicitation is made.

(f) No proxy shall confer authority:

(1) To vote for election of any person to any office for which a bona fide nominee is not named in the proxy statement; or

(2) To vote in any annual meeting (or adjournment thereof) other than the annual meeting next following the date on which the proxy statement and form were furnished stockholders.

(g) The Commissioner shall have authority to make and promulgate reasonable rules and regulations for the effectuation of this section, and in so doing shall give due consideration to rules and regulations promulgated for similar purposes by the insurance supervisory officials of other states.

(h) Any proxy, consent or authorization obtained in violation of this section or of the lawful rules and regulations of the Commissioner hereunder shall be void.

(18 Del. C. 1953, § 4918; 56 Del. Laws, c. 380, § 1; 67 Del. Laws, c. 223, § 32; 70 Del. Laws, c. 186, § 1.)

§ 4919. Change of directors, officers; notice.

Every domestic stock or mutual insurer shall promptly notify the Commissioner in writing of any change of personnel among its directors or principal officers.

(18 Del. C. 1953, § 4919; 56 Del. Laws, c. 380, § 1.)

§ 4920. Prohibited pecuniary interest of officials.

(a) Any officer or director, or any member of any committee or an employee of a domestic insurer, having the duty or power of investing or handling the insurer's funds, shall not deposit or invest such funds except in the insurer's name, shall not borrow the funds of the insurer or be pecuniarily interested in any loan, pledge, deposit, security, investment, sale, purchase, exchange, reinsurance or other similar transaction or property of the insurer, except as a stockholder, member, employee or director, unless the transaction is authorized or approved by the insurer's board of directors, with knowledge and recording of such pecuniary interest, by affirmative vote of not less than $\frac{2}{3}$ of the directors, and shall not take or receive to his or her own use any fee, brokerage, commission, gift or other similar consideration for or on account of any such transaction made by or on behalf of the insurer.

(b) No insurer shall guarantee the financial obligation of any of its officers or directors.

(c) This section shall not prohibit such a director, officer, member of a committee, or employee from becoming a policyholder of the insurer and enjoying the usual rights of a policyholder, or from participating as beneficiary in any pension trust, deferred compensation plan, profit sharing plan, stock option plan or similar plan authorized by the insurer and to which such person may be eligible, or prohibit any director or member of a committee from receiving a reasonable fee for lawful services actually rendered to the insurer.

(d) The Commissioner may, by regulation from time to time, define and permit additional exceptions to the prohibition contained in subsection (a) of this section solely to enable payment of a reasonable compensation to a director who is not otherwise an officer or employee of the insurer, or to a corporation or firm in which a director is interested, for necessary services performed or sales or purchases made to or for the insurer in the ordinary course of the insurer's business and in the usual private professional or business capacity of such director, corporation or firm.

(18 Del. C. 1953, § 4920; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4921. Management and exclusive agency contracts.

(a) No domestic insurer shall hereafter make any contract whereby any person is granted or is to enjoy in fact the management of the insurer to the material exclusion of its board of directors or to have the controlling or preemptive right to produce substantially all insurance business for the insurer, or, if an officer, director or otherwise part of the insurer's management, is to receive any commission, bonus or compensation based upon the volume of the insurer's business or transactions, unless the contract is filed with and not disapproved by the Commissioner. The contract shall become effective in accordance with its terms unless disapproved by the Commissioner within 20 days after date of filing, subject to such reasonable extension of time as the Commissioner may require by notice given within such 20 days. Any disapproval shall be delivered to the insurer in writing stating the grounds therefor.

(b) Any such contract shall provide that any such manager, producer of its business, or contract holder shall within 90 days after expiration of each calendar year furnish the insurer's board of directors a written statement of amounts received under or on account of the contract and amounts expended thereunder during such calendar year, with specification of the emoluments received therefrom by the respective directors, officers and other principal management personnel of the manager or producer, and with such classification of items and further detail as the insurer's board of directors may reasonably require.

(c) The Commissioner shall disapprove any such contract if the Commissioner finds that it:

(1) Subjects the insurer to excessive charges; or

(2) Is to extend for an unreasonable length of time; or

(3) Does not contain fair and adequate standards of performance; or

(4) Contains other inequitable provision or provisions which impair the proper interests of stockholders or members of the insurer.

(d) The Commissioner may, after a hearing held thereon, disapprove any such contract theretofore permitted to become effective if the Commissioner finds that the contract should be disapproved on any of the grounds referred to in subsection (c) of this section above.

(e) This section does not apply as to contracts entered into prior to November 1, 1968, or to extensions or amendments of such contracts.

(18 Del. C. 1953, § 4921; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4922. Dividends to stockholders.

(a) A domestic stock insurer shall not pay any cash dividend to stockholders except out of that part of its available and accumulated surplus funds which is derived from realized net operating profits on its business and realized capital gains.

(b) A cash dividend otherwise lawful may be payable out of the insurer's earned surplus even though its total surplus is then less than the aggregate of its past contributed or paid-in surplus.

(c) A stock dividend may be paid out of any available surplus funds.

(d) The insurance department or division of a corporation established under Chapter 7 of Title 5 shall only make distributions (other than for payment of expenses) to such corporation out of that part of its available and accumulated surplus funds which is derived from realized net operating profits on its business and realized capital gains.

(18 Del. C. 1953, § 4922; 56 Del. Laws, c. 380, § 1; 67 Del. Laws, c. 223, § 33.)

§ 4923. Participating policies.

(a) If provided for in its certificate of incorporation or charter, a stock insurer or mutual insurer may issue any or all of its policies or contracts with or without participation in profits, savings, unabsorbed portions of premiums, or surplus, may classify policies issued and perils insured on a participating and nonparticipating basis, and may determine the right to participate and the extent of participation of any class or classes of policies. Any such classification or determination shall be reasonable and shall not unfairly discriminate as between policies so classified.

(b) A life insurer may issue both participating and nonparticipating policies or contracts if the right or absence of right to participate is reasonably related to the premium charged.

(c) After the first policy year, no dividend, otherwise earned, shall be made contingent upon the payment of renewal premium on any policy or contract, except, that a participating life or health insurance policy providing for participation at the end of the first and/or second policy year may provide that the dividend or dividends will be paid subject to payment of premium for the next ensuing year.

(18 Del. C. 1953, § 4923; 56 Del. Laws, c. 380, § 1.)

§ 4924. Dividends to policyholders.

(a) The directors of a domestic mutual insurer may from time to time apportion and pay or credit to its members dividends only out of that part of its surplus funds which represents net realized savings, net realized earnings, and net realized capital gains, all in excess of the surplus required by law to be maintained by the insurer.

(b) A dividend otherwise proper may be payable out of such savings, earnings and gains even though the insurer's total surplus is then less than the aggregate of contributed surplus remaining unpaid by the insurer.

(c) A domestic stock insurer may pay dividends to holders of its participating policies out of any available surplus funds.

(d) No dividend shall be paid which is inequitable or which unfairly discriminates as between classifications of policies or policies within the same classifications.

(18 Del. C. 1953, § 4924; 56 Del. Laws, c. 380, § 1.)

§ 4925. Solicitation of business; issuance of policies in other jurisdictions.

(a) No domestic insurer shall knowingly solicit insurance business in any reciprocating state in which not then licensed as an authorized insurer. This subsection shall not prohibit advertising through publications and radio, television and other media originating outside such reciprocating state, if the insurer is licensed in the state in which the advertising originates and the advertising is not specifically directed to residents of such reciprocating state. This subsection shall not apply as to surplus line insurance, or prohibit insurance covering persons or risks located in a reciprocating state, under contracts solicited and issued in states in which the insurer is then licensed, or insurance otherwise effectuated in accordance with the laws of the reciprocating state. A "reciprocating" state, as used herein, is one under the laws of which a similar prohibition is imposed upon and enforced against insurers domiciled in that state.

(b) A domestic insurer duly authorized to transact insurance in another jurisdiction may frame and issue policies for delivery in such jurisdiction pursuant to applications for insurance solicited and obtained therein, in accordance with the laws thereof, subject only to such restrictions, if any, as may be contained in the insurer's certificate of incorporation or bylaws, and subject, in the case of health insurers, to the provisions of § 3330 of this title (policies issued for delivery in another state).

(18 Del. C. 1953, § 4925; 56 Del. Laws, c. 380, § 1.)

§ 4926. Payment of taxes; exoneration.

(a) Every domestic insurer may comply with any law of any state or political subdivision imposing any license, excise, privilege, premium, occupation or other fee or tax, and pay such fee or tax, unless prior to such payment the law shall have been expressly held invalid by the state court having final appellate jurisdiction in the premises or by the Supreme Court of the United States.

(b) No officer, director or trustee of any insurer shall be subject to personal liability by reason of any payment, or determination not to contest payment, deemed by the board of directors or trustee to be in the corporate interests of the insurer, of any license, excise, privilege, premium, occupation or other fee or tax to any such state or political subdivision, unless prior to such payment the law imposing such fee or tax shall have been expressly held invalid by the state court having final appellate jurisdiction in the premises or by the Supreme Court of the United States.

(18 Del. C. 1953, § 4926; 56 Del. Laws, c. 380, § 1.)

§ 4927. Impairment of capital or assets.

(a) If a domestic stock insurer's paid-in capital stock (as represented by the aggregate par value of its outstanding capital stock) or capital account (of an insurance department or division of a corporation established under Chapter 7 of Title 5) becomes impaired, or the assets of a domestic mutual insurer are less than its liabilities and the minimum amount of surplus required to be maintained by it under this title for authority to transact the kinds of insurance being transacted, the Commissioner shall at once determine the amount of deficiency and serve notice upon the insurer to cure the deficiency and file proof thereof with the Commissioner within the period specified in the notice, which period shall be not less than 30 nor more than 90 days from the date of the notice. Such notice may be so served by delivery to the insurer or by mailing to the insurer addressed to its registered office in this State.

(b) The deficiency may be made good in cash or in assets eligible under Chapter 13 (Investments) of this title for the investment of the insurer's funds or by amendment of the insurer's certificate of authority to cover only such kind or kinds of insurance thereafter for which the insurer has sufficient paid-in capital stock (if a stock insurer) or surplus (if a mutual insurer) under this title, or, if a stock insurer, by reduction of the number of shares of the insurer's authorized capital stock or the par value thereof through amendment of its articles of incorporation, to an amount of authorized and unimpaired paid-in capital stock not below the minimum required for the kinds of insurance thereafter to be transacted.

(c) If the deficiency is not made good and proof thereof filed with the Commissioner within the period required by the notice, as specified in subsection (a) of this section above, the insurer shall be deemed insolvent and the Commissioner shall institute delinquency proceedings against it under Chapter 59 of this title.

(18 Del. C. 1953, § 4927; 56 Del. Laws, c. 380, § 1; 67 Del. Laws, c. 223, § 34; 70 Del. Laws, c. 186, § 1.)

§ 4928. Mutualization of stock insurer.

(a) A stock insurer other than a title insurer may become a mutual insurer under such plan and procedure as may be approved by the Commissioner after a hearing thereon.

(b) The Commissioner shall not approve any such plan, procedure or mutualization unless:

(1) It is equitable to stockholders and policyholders;

(2) It is subject to approval by the holders of not less than $\frac{2}{3}$ of the insurer's outstanding capital stock having voting rights, and, provided there are any qualified policyholders, by not less than $\frac{2}{3}$ of the insurer's policyholders who vote on such plan in person, by proxy or by mail, pursuant to such notice and procedure as may be approved by the Commissioner;

(3) If a life insurer, the right to vote thereon is limited to holders of policies other than term or group policies, and whose policies have been in force for more than 1 year;

(4) Mutualization will result in retirement of shares of the insurer's capital stock at a price not in excess of the fair market value thereof as determined by competent disinterested appraisers;

(5) The plan provides for the purchase of the shares of any nonconsenting stockholder in the same manner and subject to the same applicable conditions as provided by the general corporation law of the State as to rights of nonconsenting stockholders, with respect to consolidation or merger of private corporations;

(6) The plan provides for definite conditions to be fulfilled by a designated early date upon which such mutualization will be deemed effective; and

(7) The mutualization leaves the insurer with surplus funds reasonably adequate for the security of its policyholders and to enable it to continue successfully in business in the states in which it is then authorized to transact insurance, and for the kinds of insurance included in its certificates of authority in such states.

(c) No director, officer, agent or employee of the insurer, or any other person, shall receive any fee, commission or other valuable consideration whatsoever, other than their customary salaries or other regular compensation, for in any manner aiding, promoting or assisting in the mutualization, except as set forth in the plan of mutualization as approved by the Commissioner.

(d) This section shall not apply to mutualization under order of court pursuant to rehabilitation or reorganization of an insurer under Chapter 59 of this title.

(18 Del. C. 1953, § 4928; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 79, § 36.)

§ 4929. Conversion to ordinary business corporation.

(a) A domestic stock insurer may convert to a Delaware ordinary business corporation through the following procedures:

(1) The insurer must give the Commissioner written notice of its intent to convert to an ordinary business corporation;

(2) The insurer must bulk reinsure all of its insurance in force, if any, with another authorized insurer under a bulk reinsurance agreement approved by the Commissioner as provided in § 4944 of this title. The agreement of bulk reinsurance may be made contingent upon approval of stockholders as provided in paragraph (a)(4) of this section below;

(3) The insurer must set aside in a special reserve fund, in such amount and subject to such administration as may be found by the Commissioner to be adequate and reasonable for the purpose, for payment of all obligations, if any, of the insurer incurred by it under its insurance contracts prior to the effective date of such bulk reinsurance and remaining unpaid or make other reasonable disposition satisfactory to the Commissioner for such payment;

(4) The proposed conversion must be approved by affirmative vote of not less than $\frac{2}{3}$ of the holders of each class of the outstanding securities of the insurer having voting rights at a special meeting of holders of such securities called for the purpose. At such meeting and by a like vote the certificate of incorporation of the corporation must be amended to remove therefrom the power to transact an insurance business as an insurer and to provide for such new powers and purposes as may be consistent with the purposes for which the corporation is thereafter to exist;

(5) Security holders of the corporation who dissent from such proposed conversion shall have the same applicable rights as exist under the general corporation laws of this State with respect to dissent from a proposed merger of the corporation;

(6) Upon compliance with paragraphs (a)(1) through (4) of this section above, and upon filing of the amendment of the certificate of incorporation as required by law, the conversion shall thereupon become effective.

(b) An insurer which has once converted to an ordinary business corporation shall not have the power thereafter to reconvert to an insurer.

(18 Del. C. 1953, § 4929; 56 Del. Laws, c. 380, § 1.)

§ 4930. Merger, consolidation of stock insurers.

(a) A domestic stock insurer may merge or consolidate with 1 or more domestic or foreign stock insurers by complying with the applicable provisions of the statutes of this State governing the merger or consolidation of stock corporations formed for profit but subject to subsections (b) and (c) of this section below. A domestic stock insurer shall not merge or consolidate with any corporation not formed for the purpose of transacting insurance as an insurer.

(b) No such merger or consolidation shall be effectuated unless in advance thereof the plan and agreement therefor have been filed with the Commissioner and approved in writing by the Commissioner after a hearing thereon after notice to the stockholders of each insurer involved. The Commissioner shall give such approval within a reasonable time after such filing unless the Commissioner finds such plan or agreement:

(1) Is contrary to law; or

(2) Unfair or inequitable to the stockholders of any insurer involved; or

(3) Would substantially reduce the security of and service to be rendered to policyholders of the domestic insurer in this State or elsewhere; or

(4) Would materially tend to lessen competition in the insurance business in this State or elsewhere as to the kinds of insurance involved or would materially tend to create a monopoly as to such business; or

(5) Is subject to other material and reasonable objections.

(c) No director, officer, agent or employee of any insurer party to such merger or consolidation shall receive any fee, commission, compensation or other valuable consideration, whatsoever for, in any manner aiding, promoting or assisting therein except as set forth in such plan or agreement.

(d) If the Commissioner does not approve any such plan or agreement the Commissioner shall so notify the insurer in writing specifying reasons therefor.

(18 Del. C. 1953, § 4930; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4931. Affiliation of stock insurers.

(a) A domestic stock insurer shall not acquire a controlling interest in the shares of another stock insurer by an exchange of securities or partly in exchange for securities and partly for cash or property, unless the insurer has first submitted the plan for such acquisition and exchange to the Commissioner and the Commissioner has approved the same.

(b) The Commissioner shall not so approve unless the Commissioner finds the plan for such acquisition and the terms and conditions thereof to be fair and equitable to all parties concerned therein after a hearing to which all persons to whom it is proposed to issue securities in such exchange shall have the right to appear.

(c) Notice and conduct of such hearing shall be as provided in Chapter 3 of this title.

(18 Del. C. 1953, § 4931; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4932. Acquisition of controlling stock.

Repealed by 68 Del. Laws, c. 325, § 3, effective Aug. 7, 1992.

§ 4933. Converting mutual insurer.

Repealed by 77 Del. Laws, c. 466, § 1, effective Oct. 17, 2010.

§ 4934. Merger, consolidation — Allowable circumstances; “surviving insurer” defined.

(a) A domestic mutual insurer shall not merge or consolidate with a stock insurer.

(b) A domestic mutual insurer may merge or consolidate with another domestic or foreign mutual insurer under the procedures provided for in this and §§ 4935-4942 of this title.

(c) If for a consolidation and the new corporation is to be domiciled in this State, the new corporation shall be formed under the applicable provisions of the general corporation laws of this State.

(d) For the purposes of this chapter the “surviving insurer” is that which survives and continues as a result of a merger of 2 or more corporations into 1 corporation.

(18 Del. C. 1953, § 4934; 56 Del. Laws, c. 380, § 1.)

§ 4935. Merger, consolidation of mutual insurers — Approval of merger; consolidation agreement by boards of directors.

(a) The board of directors of each of the mutual insurers proposing to merge or consolidate shall, by resolution adopted by at least a majority of all the members of each board, approve a joint agreement of merger or consolidation, as the case may be, between the insurer parties, setting forth the terms and conditions of the merger or consolidation, the mode of carrying the same into effect and such other provisions as are deemed advisable.

(b) Upon approving such agreement, each such board shall by resolution direct that the same be submitted to the Commissioner and be subject to the Commissioner’s disapproval as provided in § 4936 of this title and to approval of the members of the respective insurers as provided in § 4937 of this title.

(18 Del. C. 1953, § 4935; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4936. Merger, consolidation of mutual insurers — Effectuation; disapproval by Commissioner.

(a) No such merger or consolidation of a domestic mutual insurer shall be effectuated unless in advance thereof the agreement therefor has been filed with the Commissioner and has not been disapproved by the Commissioner in writing. If the insurer is not then impaired, the Commissioner shall not act with respect to such agreement until after a hearing thereon. The agreement shall be effectuated in accordance with its terms unless the Commissioner disapproves the same within 10 days after the date of such filing or the conclusion of such hearing, if any, whichever is the later date, subject to the Commissioner’s right to have a reasonable extension of time not to exceed 10 days upon written notice to the insurers involved. The Commissioner may disapprove the agreement upon one or more of the following grounds—that the agreement:

(1) Is inequitable to the policyholders of any domestic insurers involved; or

(2) Would materially reduce the security of and service to be rendered to policyholders of the domestic insurer in this State and elsewhere; or

(3) Would materially tend to lessen competition in this State or elsewhere as to the kinds of insurance involved or would materially tend to create a monopoly therein; or

(4) Is subject to other reasonable objections.

(b) If the Commissioner disapproves the agreement the Commissioner shall so notify the insurers in writing specifying the reasons therefor.

(c) No director, officer, agent or employee of any insurer involved or any other person shall receive any fee, commission or other

valuable consideration whatsoever, other than their usual regular salaries and compensation, for in any manner aiding, promoting or assisting in such merger or consolidation except as set forth in the agreement approved by the Commissioner. This provision shall not be deemed to prohibit payment of reasonable fees and compensation to attorneys-at-law, accountants and actuaries for services performed in the independent practice of their professions even though also directors of the insurer.

(18 Del. C. 1953, § 4936; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4937. Merger, consolidation of mutual insurers — Approval by members.

(a) After the Commissioner has approved the proposed agreement of merger or consolidation and if the insurer is then unimpaired, the agreement shall be submitted to the domestic insurer's members for approval at a regular or special meeting of members. If a life insurer, right to vote shall be limited to members whose policies are other than term policies for terms of less than 20 years and other than group policies and have been in force for at least 1 year.

(b) Not less than 15 days before such meeting written notice of the meeting and of the proposed merger or consolidation shall be given to each member of the insurer. The notice shall state the day, hour, place and purposes of the meeting and be accompanied by a copy or summary of agreement of merger or consolidation as the case may be. Notice and accompanying copy or summary shall be deemed given when enclosed in an envelope addressed to the member at the member's address last of record with the insurer and deposited postage paid in a depository of the United States post office. In the case of mutual insurers with more than 10,000 members, in lieu of such notice by mail, such notice may be given by publication in a newspaper of general circulation in either of the 2 largest cities in each state in which the insurer shall be authorized to transact an insurance business.

(c) Upon receiving the affirmative vote of $\frac{2}{3}$ of all votes cast by members present or represented at the meeting, the agreement shall be deemed to have been approved. Each member of the insurer shall be bound by such vote without right of dissent other than the right to vote against the proposal at the meeting. Such a dissenting member shall have no right or equity as to the assets of the insurer except as expressly provided in the member's policy or policies.

(d) In the event that a mutual insurer shall have no members entitled to vote, the merger agreement need not be submitted to its members, and notice need not be given to its members, and the Commissioner may approve the agreement of merger or consolidation without a hearing thereon, and the same may be effectuated without approval of the insurer's members.

(18 Del. C. 1953, § 4937; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 79, §§ 37, 38; 70 Del. Laws, c. 186, § 1.)

§ 4938. Merger, consolidation of mutual insurers — Impaired mutuals.

If a domestic mutual insurer is then impaired, that is, if the insurer's surplus is less than the amount thereof required under this title for authority to transact the kinds of insurance being transacted by the insurer, the Commissioner may approve the agreement of merger or consolidation without a hearing thereon, and the same may be effectuated without approval of the insurer's members.

(18 Del. C. 1953, § 4938; 56 Del. Laws, c. 380, § 1.)

§ 4939. Merger, consolidation of mutual insurers — Articles of merger, consolidation, mutual insurers.

Upon the approval by the Commissioner and members, if required, and upon agreement of merger or consolidation, articles of merger or consolidation, as the case may be, shall be executed under the seal of each insurer and verified by a duly authorized officer of each insurer and shall set forth as applicable:

(1) The name of the surviving or new corporation.

(2) The time and place of the meeting of the directors at which the agreement of merger or consolidation was approved and, except where pursuant to § 4938 of this title, the agreement is not submitted to a vote of the members of the insurer, the time and place of the meeting of the members of each insurer at which the agreement of merger or consolidation, as the case may be, was approved, the kind and period of notice given to the members and the total vote by which the agreement was approved.

(3) In the case of a merger into a surviving insurer, any changes desired to be made in the articles of the surviving insurer or in the case of a consolidation into a new domestic insurer, all of the statements required by law to be set forth in the original articles in the case of the formation of a domestic insurer.

(4) The number, names and addresses of the persons to be the first directors of the surviving or new insurer.

(5) The agreement of merger or consolidation.

(18 Del. C. 1953, § 4939; 56 Del. Laws, c. 380, § 1.)

§ 4940. Merger, consolidation of mutual insurers — Filing of articles of merger or consolidation; payment of fees; approval by Secretary of State.

(a) The articles of merger or consolidation, as the case may be, referred to in § 4939 of this title, together with a certificate or certificates from the proper department or departments evidencing payment of all applicable taxes and charges required by law, shall be delivered to the Secretary of State.

(b) The Secretary of State shall examine the articles and the certificate or certificates to determine whether they contain all necessary information and satisfy all requirements as to form. If the Secretary of State finds that the articles and certificates contain all necessary information and satisfy all requirements as to form, the Secretary of State shall endorse his or her approval upon the articles. If the Secretary of State does not so find, he or she shall forthwith give notice thereof to the parties stating in detail the Secretary of State's

reasons for so doing and stating how the nonconformance can be remedied. Upon remedying the defects, the party may in the same manner file the same or amended articles, whichever the particular case may require, and the Secretary of State shall endorse his or her approval thereon.

(18 Del. C. 1953, § 4940; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4941. Merger, consolidation of mutual insurers — Issuance of certificate of merger or consolidation; effective date.

(a) Immediately upon the Secretary of State's approval of the articles of merger or consolidation as provided in § 4940 of this title, the Secretary of State shall file the articles and issue to the surviving or new corporation or its representative a certificate of merger or consolidation, and shall deliver a copy of the articles so approved to the Commissioner.

(b) The merger or consolidation shall be effective upon the issuance of the certificate by the Secretary of State as above provided.

(c) The certificate shall be conclusive evidence of the performance of all conditions precedent to such consolidation or merger and of the continuation or creation of the surviving or new corporation to the extent that the same is governed by the laws of this State.

(18 Del. C. 1953, § 4941; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4942. Merger, consolidation of mutual insurers — Effect of merger or consolidation.

(a) Upon the merger or consolidation becoming effective, the several corporations, parties to the agreement of merger or consolidation, shall be a single corporation, which in the case of a merger shall be that corporation designated in the agreement as the surviving corporation and, in the case of a consolidation, shall be the new corporation provided for in the agreement of consolidation. The separate existence of all the constituent corporations parties to said agreement except the surviving corporations, in the case of a merger, or the new corporation, in the case of a consolidation, shall thereupon cease.

(b) All the property, real, personal and mixed of each of the corporations, parties to the agreement of merger or consolidation, and all debts or obligations due to any of them shall be taken and be deemed to be transferred to and vested in the surviving or new corporation, as the case may be, without further act or deed.

(c) The surviving or new corporation shall, upon effectuation of the merger or consolidation, thenceforth be responsible for all the liabilities and obligations of each of the corporations so merged or consolidated; but the liabilities of the merging or consolidating corporations or of their directors or officers shall not be affected, and the rights of creditors thereof or of any person dealing with such corporations or any liens upon the property of such corporations shall not be impaired by the merger or consolidation, and any claim existing or action or proceeding pending by or against any of such corporations may be prosecuted to judgment as if the merger or consolidation had not taken place, or the surviving or new corporation may be proceeded against or substituted in its place.

(d) In the case of a merger, the certificate of incorporation of the surviving corporation, if such corporation is a domestic insurer, shall be deemed to be amended to the extent, if any, that changes in its certificate are stated in the articles of merger; and in the case of a consolidation, the statements set forth in the articles of consolidation, in case the new corporation is one formed under the laws of this State, which are required or permitted to be set forth in the certificate of incorporation of such insurer formed under the general corporation laws of this State, shall be deemed to be the certificate of incorporation of the new corporation.

(18 Del. C. 1953, § 4942; 56 Del. Laws, c. 380, § 1.)

§ 4943. Preservation of old charter in merger or consolidation.

(a) In any merger or consolidation of a foreign stock or mutual insurer into or with a domestic insurer under § 4930 of this title, in accordance with this section, the continuing Delaware corporation shall for all purposes be deemed to be a continuation of the corporate existence of the foreign corporation with Delaware as the adoptive state of domicile and with date of corporate origin the same as the original date of incorporation of the foreign insurer in its original domiciliary state or country, subject to the following conditions:

(1) The plan and agreement for merger or consolidation shall provide for such continuation or corporate existence through designation of Delaware as the state of domicile of the foreign corporation by adoption, and shall specify the original date of incorporation of the foreign corporation in its original domiciliary state or country as being the date of incorporation of the Delaware corporation pursuant to this section.

(2) The certificate of incorporation of the Delaware corporation shall provide, or be amended to provide, that the corporation is a continuance of the corporate existence, through adoption of the State as the corporate domicile, of the foreign corporation, and shall specify the original date of incorporation of the foreign corporation in its original domiciliary state or country as being the date of incorporation of the Delaware corporation pursuant to this section.

(b) The continuing Delaware corporation shall have all the rights and obligations of, and be given recognition in all respects as a corporation formed under the laws of this State as of the date of incorporation of the foreign corporation in its original domiciliary state or country. This provision shall not be deemed to impose upon the continuing Delaware corporation any liability or obligation with respect to filings, fees, taxes or otherwise which might have accrued prior to the effective date of the merger or consolidation.

(c) This section shall not be deemed in any manner to preserve, after the effective date of such merger or consolidation, the corporate existence of such foreign corporation as a corporation of its original domiciliary state or country.

(60 Del. Laws, c. 176, § 1.)

§ 4944. Bulk reinsurance.

(a) A domestic insurer may reinsure all or substantially all of its business in force, or all or substantially all of a major class thereof, with another insurer, stock or mutual, by an agreement of bulk reinsurance after compliance with this section. No such agreement shall become effective unless filed with or disapproved by the Commissioner.

(b) The Commissioner shall disapprove such agreement within a reasonable time after filing if the Commissioner finds:

(1) That the plan and agreement are unfair and inequitable to any insurer or to policyholders involved;

(2) That the reinsurance, if effectuated, would substantially reduce the protection or service to the policyholders of any domestic insurer involved;

(3) That the agreement does not embody adequate provisions by which the reinsuring insurer becomes liable to the original insureds for any loss or damage occurring under the policies reinsured in accordance with the original terms of such policies or does not require the reinsuring insurer to furnish each such insured with a certificate evidencing such assumption of liability;

(4) That the assuming reinsurer is not authorized to transact such insurance in this State or is not qualified as for such authorization or will not appoint the Commissioner and the Commissioner's successors as its irrevocable attorney for service of process, so long as any policy so reinsured or claim thereunder remains in force or outstanding;

(5) That such reinsurance would materially tend to lessen competition in the insurance business in this State or elsewhere as to the kinds of insurance involved or would materially tend to create a monopoly as to such business;

(6) That the proposed bulk reinsurance is not free of other reasonable objections.

(c) If the Commissioner disapproves the agreement the Commissioner shall forthwith notify in writing each insurer involved specifying reasons therefor.

(d) If for reinsurance of all or substantially all of the business in force of an insurer at a time when the insurer's capital (if a stock insurer) or surplus (if a mutual insurer) is not impaired, the plan and agreement of such reinsurance must be approved by a vote of not less than $\frac{2}{3}$ of the insurer's outstanding stock having voting rights (if a stock insurer) or of members (if a mutual insurer) voting thereon at a meeting of stockholders or members called for the purpose, pursuant to such reasonable notice and procedure as is provided for in the agreement. If a mutual life insurer, right to vote may be limited to members whose policies are other than term policies for terms of less than 20 years or group policies and have been in effect for more than 1 year.

(e) No director, officer, agent or employee of any insurer party to such reinsurance nor any other person shall receive any special compensation for arranging or with respect to any such reinsurance except as is set forth in the reinsurance agreement filed with the Commissioner.

(18 Del. C. 1953, § 4943; 56 Del. Laws, c. 380, § 1; 60 Del. Laws, c. 176, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4945. Mutual member's share of assets on liquidation.

(a) Upon any liquidation of a domestic mutual insurer, its assets remaining after discharge of its indebtedness, policy obligations, repayment of contributed or borrowed surplus, if any, and expenses of administration shall be distributed to currently existing persons who had been members of the insurer for at least 1 year and who were its members at any time within 36 months next preceding the date such liquidation was authorized or ordered or the date of last termination of the insurer's certificate of authority, whichever date is the earlier, except that if the Commissioner has reason to believe that those in charge of the management of the insurer have caused or encouraged the reduction of the number of members of the insurer in anticipation of liquidation and for the purpose of reducing thereby the number of persons who may be entitled to share in distribution of the insurer's assets, the Commissioner may enlarge the 36-month qualification period as the Commissioner may deem to be reasonable.

(b) The insurer shall make a reasonable classification of its policies so held by such members, and a formula based upon such classification for determining the equitable distributive share of each such member. Such classification and formula shall be subject to the approval of the Commissioner.

(18 Del. C. 1953, § 4944; 56 Del. Laws, c. 380, § 1; 60 Del. Laws, c. 176, § 1; 70 Del. Laws, c. 186, § 1.)

§ 4946. Redomestication; approval as domestic insurer; conversion to foreign insurer; rules and regulations.

(a) Any insurer which is organized under the laws of any other state and is admitted to do business in this State for the purpose of writing insurance may become a domestic insurer by complying with all of the requirements of law relative to the organization and licensing of a domestic insurer of the same type and by designating its principal place of business at a place in this State. Said domestic insurer will be entitled to like certificates and licenses to transact business in this State and shall be subject to the authority and jurisdiction of this State.

(b) Any domestic insurer may upon approval of the Commissioner transfer its domicile to any other state in which it is admitted to transact the business of insurance and upon such transfer shall cease to be a domestic insurer and shall be admitted to this State if qualified as a foreign insurer. The Commissioner shall approve any such proposed transfer unless the Commissioner shall determine such transfer is not in the interest of the policyholders of this State.

(c) The certificate of authority, agent's appointments and licenses, rates and other items which the Commissioner of Insurance allows, in his or her discretion, which are in existence at the time any insurer licensed to transact the business of insurance in this State transfers its corporate domicile to this or any other state by merger, consolidation or any other lawful method shall continue in full force and effect upon such transfer while the insurer remains duly qualified to transact the business of insurance in this State. All outstanding policies of

any transferring insurer shall remain in full force and effect and need not be endorsed as to the new name of the company or its new location unless so ordered by the Commissioner of Insurance. Every transferring insurer shall file new policy forms with the Commissioner of Insurance on or before the effective date of the transfer but may use existing policy forms with appropriate endorsements if allowed by, and under such conditions as approved by, the Commissioner of Insurance. However, every such transferring insurer shall notify the Commissioner of the details of the proposed transfer and shall file promptly any resulting amendments to corporate documents filed or required to be filed with Commissioner.

(d) The Commissioner of this State may promulgate rules and regulations to carry out the purposes of the section.

Chapter 49A

DELAWARE INSURANCE COMPANY MUTUAL-TO-STOCK CONVERSION ACT

§ 4970. Finding; purpose.

(a) It is determined and declared as a matter of legislative finding that policyholders of a mutual insurer have contractual rights to insurance coverage and certain membership rights consisting principally of the right to elect directors of a mutual insurer, the right to vote on certain fundamental transactions undertaken by a mutual insurer, and the right to share in surplus in the event of a solvent liquidation of a mutual insurer. It is determined and declared that the membership rights of policyholders in a domestic mutual company existing as of October 17, 2010, who vote to make such mutual company subject to this chapter, or policyholders of a foreign mutual insurer who vote to redomesticate to Delaware pursuant to § 4974 of this title, are not equivalent to an ownership interest in such mutual insurer and that, in connection with the mutual to stock conversion of a mutual insurer, the grant to policyholders of a first priority right to purchase stock in the converting company or a holding company for such converting company is adequate compensation for the relinquishment of the membership rights of a policyholder. The General Assembly determines that it is desirable to provide for the conversion of a mutual insurer from the mutual form to the stock form in a manner similar to the manner in which mutual savings institutions convert from mutual to stock form under federal law and regulation.

(b) It is further determined and declared that the purpose and policy of this chapter shall be:

(1) To provide for the mutual to stock conversion of a mutual insurer in a manner consistent with the manner in which a mutual savings institution converts from mutual to stock form under federal law and regulation; and

(2) To facilitate the recapitalization of the insurance industry nationally by establishing a proven method of capital formation for insurers that elect to domicile in Delaware.

(77 Del. Laws, c. 466, § 2.)

§ 4971. Short title of chapter.

This chapter shall be known and may be cited as the “Delaware Insurance Company Mutual-to-Stock Conversion Act.”

(16) "Voting member" means a member who is an eligible member and is also a member of the mutual insurer as of a date not more than 90 days prior to the date of the meeting at which the plan shall be voted upon by members.

(77 Del. Laws, c. 466, § 2; 78 Del. Laws, c. 313, § 1.)

§ 4973. Adoption of plan of conversion.

(a) No plan of conversion shall become effective unless the mutual company seeking to convert to a stock company shall have adopted, by the affirmative vote of not less than $2/3$ of its governing body and otherwise in accordance with law, a plan of conversion consistent with the requirements of §§ 4975, 4976 and 4977, or of § 4978, of this title. At any time before approval of a plan by the Commissioner, the mutual company, by the affirmative vote of not less than a majority of its governing body, may amend or withdraw the plan.

(b) With respect to a domestic mutual company that exists as of October 17, 2010, no plan of conversion may be adopted pursuant to subsection (a) of this section unless the policyholders of the domestic mutual company shall have previously elected to subject the domestic mutual company to the provisions of this chapter at a separate meeting convened for such purpose. In connection with such meeting, the domestic mutual company shall provide its policyholders with substantially the same information as is required by the provisions of § 4974(b) of this title.

(c) Before a mutual company's eligible members may vote on approval of a plan, a mutual company whose governing body has adopted a plan shall file all of the following documents with the Commissioner within 90 days after adoption of the plan together with the application fee specified herein:

(1) The plan of conversion, including the independent evaluation of pro forma market value required by § 4975(d) of this title.

(2) The form of notice required by subsection (f) of this section.

(3) The form of proxy to be solicited from eligible members pursuant to subsection (g) of this section.

(4) The form of notice required by § 4980 of this title to persons whose policies are issued after adoption of the plan but before its effective date.

(5) The proposed certificate of incorporation and bylaws of the converted stock company.

(6) The acquisition of control statement, as required by § 5003 of this title.

(7) The application shall be accompanied by an application fee equal to the greater of:

a. \$100,000; or

b. An amount equal to $1/10$ of 1% of the estimated pro forma market value of the converted stock company as determined in accordance with § 4975(d) of this title.

If such value is expressed as a range of values, the application fee shall be based upon the midpoint of the range. For good cause

shown, the Commissioner may waive the application fee in whole or in part, or permit a portion of the application fee to be deferred until completion of the conversion.

(8) Such other information as the Commissioner may request. Upon filing of the foregoing documents with the Commissioner, the mutual company shall send to eligible members a notice advising eligible members of the adoption and filing of the plan, their ability to provide the Commissioner and the mutual company with comments on the plan within 30 days of the date of such notice, and procedure therefore.

(d) The Commissioner shall immediately give written notice to the mutual company of any decision and, in the event of disapproval, a statement in detail of the reasons for the decision. The Commissioner shall approve the plan if the Commissioner finds each of the following:

- (1) The plan complies with this chapter.
- (2) The plan will not prejudice the interests of the members.
- (3) The plan's method of allocating subscription rights is fair and equitable.

(e) The Commissioner may retain, at the mutual company's expense, any qualified expert not otherwise a part of the Commissioner's staff, including counsel and financial advisors, to assist in reviewing the plan and the independent evaluation of the pro forma market value required under § 4975(d) of this title.

(f) The Commissioner may order a hearing on whether the terms of the plan comply with this chapter after giving written notice by mail or publication to the mutual company and other interested persons, all of whom have the right to appear at the hearing.

(g) All voting members shall be sent notice of the members' meeting to vote on the plan. The notice shall briefly but fairly describe the proposed conversion plan, shall inform the voting member of the voting member's right to vote upon the plan, and shall be sent to each voting member's last known address, as shown on the mutual company's records. If the meeting to vote upon the plan is held during the mutual company's annual meeting of policyholders, only a combined notice of meeting is required.

(h) The plan shall be voted upon by voting members and shall be adopted upon receiving the affirmative vote of at least 2/3 of the votes cast by voting members at the meeting. Voting members entitled to vote upon the proposed plan may vote in person or by proxy. The number of votes each voting member may cast shall be determined by the mutual company's bylaws. If the bylaws are silent, each voting member may cast one vote.

(i) The certificate of incorporation of the converted stock company shall be considered at the meeting of the voting members called for the purpose of adopting the plan of conversion and shall require for adoption the affirmative vote of at least 2/3 of the votes cast by voting members.

(j) *Documents to be filed following approval.* — Within 30 days after the voting members have approved the plan in accordance with the requirements of this section, the converted stock company shall file the following documents with the Commissioner:

- (1) The minutes of the meeting of the voting members at which the plan was approved.
- (2) The certificate of incorporation and bylaws of the converted stock company.

(77 Del. Laws, c. 466, § 2; 78 Del. Laws, c. 313, § 2.)

§ 4974. Redomestication and conversion.

(a) A foreign mutual insurer or foreign mutual holding company that has filed an application for redomestication may file an application for conversion under this chapter promptly after completion of the redomestication or upon such earlier date as the Commissioner may permit, but in no event prior to the approval of the redomestication by the members of the foreign mutual insurer or foreign mutual holding company if such a member vote is required under the laws of the state of domicile of the foreign mutual insurer or foreign mutual holding company. A redomestication application shall contain such information as the Commissioner may require. If the redomestication is approved by the state of domicile of the foreign mutual insurer or foreign mutual holding company and the members of the foreign mutual insurer or foreign mutual holding company, to the extent required, then no redomestication application of a foreign mutual insurer or foreign mutual holding company will be denied solely because the applicant has indicated its intention to avail itself of the provisions of this chapter.

(b) In addition to any requirements imposed by the existing state of domicile with respect to approval of redomestication by its voting members, a foreign mutual insurer that files an application for redomestication under this section also shall provide to its voting members a comparison of the method of mutual to stock conversion in its existing state of domicile and the methods of mutual to stock conversion established by this chapter.

(c) Any order approving the redomestication of a foreign mutual insurer or foreign mutual holding company may contain such terms and conditions as the Commissioner shall require.

(d) Any foreign mutual insurer or foreign mutual holding company that redomesticates under the provisions of this section, within 10 days of the date of redomestication, shall adopt resolutions ratifying any previously adopted plan of conversion and file such resolutions as an amendment to the application for conversion. The Commissioner may deem any failure to file such ratifying resolutions as a withdrawal of the application for conversion.

(e) Nothing contained in this chapter is intended or shall be deemed to supersede or conflict with the requirements of the state of domicile of any foreign mutual insurer or foreign mutual holding company.

(f) Except to the extent specifically provided by this section, a plan of conversion shall be adopted as required by § 4973 of this title and shall be consistent with the requirements of §§ 4975, 4976, and 4977, or of § 4978, of this title.

(77 Del. Laws, c. 466, § 2; 78 Del. Laws, c. 313, § 3.)

§ 4975. Required provisions of plan of conversion.

(a) The following provisions shall be included in the plan:

(1) The reasons for proposed conversion.

(2) The effect of conversion on existing policies, including all of the following:

a. A provision that all policies in force on the effective date of conversion continue to remain in force under the terms of the policies, except that the following rights, to the extent they existed in the mutual company, shall be extinguished on the effective date of the conversion:

1. Any voting rights of the policyholders provided under the policies.

2. Except as provided under paragraph (a)(2)b. of this section, any right to share in the surplus of the mutual company, unless such right is expressly provided for under the provisions of the existing policy.

3. Any assessment provisions provided for under certain types of policies.

b. Except as provided in paragraph (a)(2)c. of this section, a provision that holders of participating policies in effect on the date of conversion continue to have a right to receive dividends as provided in the participating policies, if any.

c. Except for the mutual company's life policies, participating guaranteed renewable accident and health policies, and participating guaranteed renewable noncancelable accident and health policies, a provision that upon the renewal date of a participating policy, the converted stock company may issue the insured a nonparticipating policy as a substitute for the participating policy. Nothing contained herein shall be construed to permit the substitution, during the term of a policy, of a nonexperience rated policy for an experience rated policy.

(3) The grant of subscription rights to eligible members, including both of the following:

a. A provision that each eligible member is to receive, without payment, nontransferable subscription rights to purchase the capital stock of the converted stock company and that, in the aggregate, all eligible members shall have the right, prior to the right of any other party, to purchase 100% of the capital stock of the converted stock company, exclusive of any shares of capital stock required to be sold or distributed to the holders of surplus notes, if any, and capital stock purchased by the company's tax-qualified employee stock benefit plan that is in excess of the total price of the capital stock established under subsection (d) of this section, as permitted by § 4977(c) of this title. As an alternative to subscription rights in the converted stock company, the plan may provide that each eligible member is to receive, without payment, nontransferable subscription rights to purchase a portion of the capital stock of one of the following:

1. A corporation or entity organized for the purpose of purchasing and holding all the stock of the converted stock company; provided however, that the Commissioner may, in the Commissioner's discretion, require that such corporation or entity be incorporated or formed in this State;

2. A stock insurer owned by the mutual company into which the mutual company will be merged; or

3. An unaffiliated stock insurer or other corporation or entity that will purchase all the stock of the converted stock company.

For purposes of any plan, the transfer of subscription rights from: (i) an individual to such individual and his or her spouse or children or to a trust or other estate or wealth planning entity established for the benefit of such individual, his or her spouse or children, (ii) an individual to such individual's joint or individual IRA account, or other tax-qualified retirement plan, (iii) an entity to the shareholders, partners or members of such entity, or (iv) the holder of such rights to the mutual insurance company or its proposed holding company, shall not be deemed an unpermitted transfer for purposes of this chapter.

b. A provision that the subscription rights shall be allocated in whole shares among the eligible members using a fair and equitable formula. The formula need not allocate subscription rights to eligible members on a pro rata basis based on premium payments or contributions to surplus, but may take into account how the different classes of policies of the eligible members contributed to the surplus of the mutual company or any other factors that may be fair or equitable. In accordance with § 4973(e) of this title, the Commissioner may retain an independent consultant to assist in the determination that the allocation of subscription rights is fair and equitable.

(b) The plan shall provide a fair and equitable means for allocating shares of capital stock in the event of an oversubscription to shares by eligible members exercising subscription rights received under paragraph (a)(3) of this section.

(c) The plan shall provide that any shares of capital stock not subscribed to by eligible members exercising subscription rights received under paragraph (a)(3) of this section shall be sold in a public offering or to another corporation or entity that is participating in the conversion plan, as provided in paragraph (a)(3)a. of this section. If the number of shares of capital stock not subscribed by eligible members is so small in number or other factors exist that:

(1) Do not warrant the time or expense of a public offering, or

(2) Warrant the participation of standby investors to facilitate completion of the conversion,

the plan of conversion may provide for sale of the unsubscribed shares through a private placement or other alternative method approved by the Commissioner that is fair and equitable to eligible members.

(d) The plan shall set the dollar amount of the capital stock for which subscription rights must be granted pursuant to paragraph (a)(3) of this section equal to the estimated pro forma market value of the converted stock company based upon an independent evaluation by a qualified expert. This pro forma market value may be that value that is estimated to be necessary to attract full subscription for the shares, as indicated by the independent evaluation, and may be stated as a range of pro forma market value.

(e) The plan shall set the purchase price per share of capital stock equal to any reasonable amount. However, the minimum subscription amount required of any eligible member cannot exceed \$500, but the plan may provide that the minimum number of shares any person may purchase pursuant to the plan is 25 shares. The purchase price per share at which capital stock is offered to persons who are not eligible members may be greater than but not less than the purchase price per share at which capital stock is offered to eligible members.

(f) The plan shall provide that any person or group of persons acting in concert shall not acquire, in the public offering or pursuant to the exercise of subscription rights, more than 5% of the capital stock of the converted stock company or the stock of another corporation that is participating in the conversion plan, as provided in paragraph (a)(3)a. of this section, except with the approval of the Commissioner. This limitation does not apply to any entity that is to purchase 100% of the capital stock of the converted stock company as part of the plan of conversion approved by the Commissioner or to any person that acts as a standby investor of the capital stock of the converted stock company for an amount equal to 10% or more of the capital stock of the converted stock company, provided that in each case such purchase by a standby investor of 10% or more of the capital stock of the converted stock company is approved by the Commissioner in accordance with the provisions of Delaware law following the filing of an acquisition of control statement pursuant to § 5003 of this title.

(g) The plan shall provide that no director or officer or person acting in concert with a director or officer of the mutual company shall acquire any capital stock of the converted stock company or the stock of another corporation that is participating in the conversion plan, as provided in paragraph (a)(3)a. of this section, for 3 years after the effective date of the plan, except through a broker-dealer, without the permission of the Commissioner. This provision does not prohibit the directors and officers from:

- (1) Making block purchases of 1% or more of the outstanding common stock other than through a broker-dealer if approved in writing by the Department;
- (2) Exercising subscription rights received under the plan; or
- (3) Participating in a stock benefit plan permitted by § 4977(c) of this title, or approved by shareholders pursuant to § 4982(b) of this title.

(h) The plan shall provide that no director or officer may sell stock purchased pursuant to this section, or § 4977(a) of this title within 1 year after the effective date of the conversion, except that nothing contained in this section shall be deemed to restrict a transfer of stock by such director or officer if the stock is the stock of a corporation that is participating in the conversion plan as provided in paragraph (a)(3)a.3. of this section and has a class of stock registered under the Securities Exchange Act of 1934, as amended (15 U.S.C. § 78a et seq.), or if the transfer is to the spouse or minor children of such director or officer, or to a trust or other estate or wealth planning entity established for the benefit of such director or officer, or the spouse or minor children of such director or officer.

(i) The plan shall provide that the rights of a holder of a surplus note to participate in the conversion, if any, shall be governed by the terms of the surplus note.

(j) The plan shall provide that, without the prior approval of the Commissioner, no converted stock company, or any corporation participating in the conversion plan pursuant to paragraph (a)(3)a.1. or (a)(3)a.2. of this section, shall, for a period of 3 years from the date of the completion of the conversion, repurchase any of its capital stock from any person, except that this restriction shall not apply to either:

- (1) A repurchase on a pro rata basis pursuant to an offer made to all shareholders of the converted stock company, or any corporation participating in the conversion plan pursuant to paragraph (a)(3)a.1. or (a)(3)a.2. of this section; or
- (2) A purchase in the open market by a tax-qualified, or nontax-qualified employee stock benefit plan in an amount reasonable and appropriate to fund the plan.

(77 Del. Laws, c. 466, § 2; 70 Del. Laws, c. 186, § 1; 78 Del. Laws, c. 313, § 4.)

§ 4976. Closed block of business for participating life policies.

(a) A plan that is adopted by a mutual company that is a life insurance company which issues participating life policies shall provide that participating life policies in force on the effective date of the conversion shall be operated by the converted stock company for dividend purposes as a closed block of participating business, except that any and all classes of group participating policies may be excluded from the closed block.

(b) The plan shall provide that sufficient assets of the mutual company shall be allocated for the benefit of the closed block of business so that the assets, together with the revenue from the closed block of business, are sufficient to support the closed block, including, but not limited to, the payment of claims, expenses, taxes, and any dividends that are provided for under the terms of the participating policies, with appropriate adjustments in the dividends for experience changes. The plan shall be accompanied by an opinion of a qualified actuary, or an appointed actuary, who meets the standards set forth in the insurance laws or regulations of this State for the submission of actuarial opinions as to the adequacy of reserves or assets. The opinion shall relate to the adequacy of the assets allocated in support of the closed block of business. The actuarial opinion shall be based on methods of analysis deemed appropriate for those purposes by the Actuarial Standards Board.

(c) The amount of assets allocated for the benefit of the closed block shall be based upon the mutual life insurance company's last annual

statement, updated to the last day of the quarter immediately preceding the effective date of the conversion.

(d) The converted stock company shall keep a separate accounting for the closed block and shall make and include in the annual statement to be filed with the Commissioner each year a separate statement showing the gains, losses, and expenses properly attributable to the closed block.

(e) The assets and liabilities allocated to the closed block may be periodically reviewed by the Commissioner or the Commissioner's designee. The converted stock company shall bear the cost of any such review. If, as a result of such review, the Commissioner determines that the assets allocated to the closed block are insufficient to support the remaining policies in the closed block, the Commissioner may issue an order directing the converted stock company to allocate additional assets to the closed block sufficient to support the remaining policies in the closed block and the converted stock company shall comply with such order within 30 days of the date thereof. If, as a result of such review, or as a result of a review initiated by the converted stock company and accepted by the Commissioner, assets allocated to the closed block are in excess of the amount necessary to support the remaining policies, then upon application made to the Commissioner by the converted stock company, the Commissioner may issue an order permitting such excess assets in the closed block to revert to the benefit of the converted stock company.

(f) The Commissioner may waive the requirement for establishing a closed block of business if, in the Commissioner's discretion, it is in the best interests of policyholders to do so. The Commissioner may waive from inclusion in the closed block of participating policies those participating policies for which there is no expectation of dividends being paid if, in the Commissioner's discretion, it is fair and equitable to do so.

(77 Del. Laws, c. 466, § 2.)

§ 4977. Optional provisions of plan of conversion.

(a) The plan may provide that the directors, officers, and employees of the mutual company shall receive, without payment, nontransferable subscription rights to purchase capital stock of the converted stock company or the stock of another corporation that is participating in the conversion plan, as provided in § 4975(a)(3)a. of this title. These subscription rights shall be allocated among the directors, officers, and employees by a fair and equitable formula and shall be subordinate to the subscription rights of eligible members. Nothing contained in this chapter shall require the subordination of subscription rights received by directors and officers in their capacity as eligible members, if any.

(b) The aggregate total number of shares that may be purchased by directors and officers of the mutual company in their capacity under subsection (a) of this section and in their capacity as eligible members under § 4975(a)(3)a. of this title shall not exceed 35% of the total number of shares to be issued for a mutual company if total assets of the mutual company are less than \$50,000,000 or 25% of the total number of shares to be issued for a mutual company if total assets of the mutual company are more than \$500,000,000. For mutual companies with total assets of or between \$50,000,000 and \$500,000,000, the percentage of the total number of shares that may be purchased shall be interpolated.

(c) The plan may allocate to a tax-qualified employee benefit plan nontransferable subscription rights to purchase up to 10% of the capital stock of the converted stock company or the stock of another corporation that is participating in the conversion plan, as provided in § 4975(a)(3)a. of this title. A tax-qualified employee benefit plan is entitled to exercise subscription rights granted under this subsection regardless of the total number of shares purchased by other persons.

(d) The plan may provide that the other classes of subscribers approved by the Commissioner shall receive, without payment, nontransferable subscription rights to purchase capital stock of the converted stock company or the stock of another corporation that is participating in the conversion plan, as provided in § 4975(a)(3)a. of this title. Other classes of subscribers that may be approved by the Commissioner include, without limitation:

- (1) Members of the mutual insurer that became members after the date fixed for establishing eligible members;
- (2) Brokers, agents, or other producers or their directors, officers, or employees that represent the mutual insurer;
- (3) The shareholders of another corporation that is participating in the conversion plan, as provided in § 4975(a)(3)a. of this title; or
- (4) The shareholders of another corporation that is a party to an acquisition, merger, consolidation, or other similar transaction with the mutual insurer.

(e) The plan may provide for the creation of a liquidation account for the benefit of members in the event of voluntary liquidation subsequent to conversion in an amount equal to the surplus of the mutual company, exclusive of the principal amount of any surplus note, on the last day of the quarter immediately preceding the date of adoption of the plan.

(77 Del. Laws, c. 466, § 2.)

§ 4978. Alternative plan of conversion.

(a) The governing body may adopt a plan of conversion that does not rely in whole or in part upon issuing nontransferable subscription rights to members to purchase stock of the converted stock company if the Commissioner finds that the plan does not prejudice the interests of the members, is fair and equitable, and is not inconsistent with the purpose and intent of this chapter. Subject to a finding of the Commissioner that an alternative plan is fair and equitable and is not inconsistent with the purpose and intent of this chapter, an alternative plan may:

- (1) Include the merger of a domestic mutual insurer into a domestic or foreign stock insurer.

(2) Provide for issuing transferable or redeemable subscription rights.

(3) Provide for issuing stock, cash, policyholder credits, or other consideration, or any combination of the foregoing, to policyholders instead of subscription rights.

(4) Provide for partial conversion of the mutual company and formation of a mutual holding company in accordance with subsection (b) of this section.

(5) Set forth another plan containing any other provisions approved by the Commissioner.

(b) The Commissioner may approve a partial conversion and formation of a mutual holding company provided that the mutual insurer is not insolvent or in hazardous financial condition according to information supplied in its most recent annual or quarterly statement filed with the Commissioner or as determined by a financial examination performed by the Commissioner pursuant to § 318 of this title. The Commissioner may retain, at the mutual company's expense, any qualified expert, including counsel and financial advisors, not otherwise a part of the Commissioner's staff to assist in reviewing whether the plan may be approved by the Commissioner.

(c) *Conversion of mutual holding company.* — (1) Any mutual holding company may convert to stock form only in accordance with the provisions of this chapter. Solely for purposes of establishing the process for and enabling and facilitating any conversion of a mutual holding company to stock form, references in this chapter to a mutual company shall be deemed to refer to a mutual holding company and other provisions of this chapter shall be interpreted accordingly.

(2) Any stock issued by a subsidiary insurance company or subsidiary holding company of a mutual holding company to persons other than the parent mutual holding company shall be exchanged for the stock issued by the parent mutual holding company in connection with the conversion of the parent mutual holding company to stock form or any corporation participating in the conversion of the mutual holding company pursuant to § 4975(a)(3)a. of this title. The parent mutual holding company and the subsidiary holding company or insurance company must demonstrate to the satisfaction of the Commissioner that the basis for the exchange is fair and reasonable.

(3) If a subsidiary holding company or insurance company has issued shares to an entity other than the mutual holding company, the conversion of the mutual holding company to stock form may not be consummated unless a majority of the shares issued to the entities other than the mutual holding company vote in favor of the conversion. This requirement applies in addition to any otherwise required policyholder or shareholder votes.

(77 Del. Laws, c. 466, § 2; 78 Del. Laws, c. 313, § 5.)

§ 4979. Effective date of plan.

A plan is effective when the Commissioner has approved the plan, the voting members have approved the plan and adopted the certificate of incorporation of the converted stock company, and the certificate of incorporation is filed in the office of the Secretary of State of this State.

(77 Del. Laws, c. 466, § 2.)

§ 4980. Rights of members whose policies are issued after adoption of plan and before effective date.

(a) All members whose policies are issued after the proposed plan has been adopted by the governing body and before the effective date of the plan shall be sent a written notice regarding the plan upon issuance of such policy.

(b) A member of a life or health insurance company entitled to be sent the notice described in subsection (a) of this section is entitled to rescind the member's policy and receive a full refund of any amounts paid for the policy or contract within 10 days after such member has received the notice. Except as provided in subsection (c) of this section, each member of a property or casualty insurance company entitled to receive the notice provided for in subsection (a) of this section shall be advised of the member's right of cancellation and to a pro rata refund of unearned premiums.

(c) No member of a life or health insurance company, or property or casualty insurance company, who has made or filed a claim under such member's insurance policy shall be entitled to any right to receive any refund under subsection (b) of this section. No person who has exercised the rights provided by subsection (b) of this section shall be entitled to make or file any claim under such person's insurance policy.

(77 Del. Laws, c. 466, § 2.)

§ 4981. Corporate existence.

(a) On the effective date of the conversion, the corporate existence of the mutual company continues in the converted stock company. On the effective date of the conversion, all the assets, rights, franchises, and interests of the mutual company or the mutual holding company in and to every species of property, real, personal, and mixed, and any accompanying things in action, are vested in the converted stock company without any deed or transfer and the converted stock company assumes all the obligations and liabilities of the mutual company or the mutual holding company.

(b) Unless otherwise specified in the plan of conversion, the persons who are directors and officers of the mutual company or the mutual holding company on the effective date of the conversion shall serve as directors and officers of the converted stock company until new directors and officers of the converted stock company are elected pursuant to the certificate of incorporation and bylaws of the converted stock company.

(77 Del. Laws, c. 466, § 2; 78 Del. Laws, c. 313, § 6.)

§ 4982. Conflict of interest.

(a) A director, officer, agent, or employee of the mutual company shall not receive any fee, commission, or other valuable consideration, other than such person's usual regular salary or compensation, for aiding, promoting, or assisting in a conversion under this chapter, except as provided for in the plan approved by the Commissioner. This provision does not prohibit the payment of reasonable fees and compensation to attorneys, accountants, financial advisors, and actuaries for services performed in the independent practice of their professions, even if the attorney, accountant, financial advisor, or actuary is also a director or officer of the mutual company.

(b) For a period of 2 years after the effective date of the conversion, no converted stock company shall implement any nontax-qualified stock benefit plan unless the plan is approved by a majority of votes cast at a duly-convened meeting of shareholders held not less than 6 months after the effective date of the conversion.

(c) All the costs and expenses connected with a plan of conversion shall be paid for or reimbursed by the mutual company or the converted stock company. However, if the plan provides for participation by another corporation or stock company in the plan pursuant to § 4975(a)(3)a. of this title, the corporation or stock company may pay for or reimburse all or a portion of the costs and expenses connected with the plan.

(77 Del. Laws, c. 466, § 2.)

§ 4983. Failure to give notice.

If the mutual company complies substantially and in good faith with the notice requirements of this chapter, the mutual company's failure to send a member the required notice does not impair the validity of any action taken under this chapter.

(77 Del. Laws, c. 466, § 2.)

§ 4984. Limitation on actions.

Any action challenging the validity of or arising out of acts taken or proposed to be taken under this chapter shall be commenced no later than the latter of:

(1) Sixty days after the approval of the plan by the Commissioner; or

(2) Thirty days after notice of the meeting of voting members to approve the plan of conversion is first mailed or delivered to voting members or posted on the mutual company's website.

(77 Del. Laws, c. 466, § 2.)

§ 4985. Mutual company insolvent or in hazardous financial condition.

(a) If a mutual company seeking to convert is insolvent or is in hazardous financial condition according to information supplied in its most recent annual or quarterly statement filed with the Department or as determined by a financial examination performed by the Department pursuant to § 318 of this title, the requirements of this chapter, including notice to and policyholder approval of the plan of conversion, may be waived at the discretion of the Commissioner, if requested by the mutual company. If a waiver under this section is ordered by the Commissioner, the mutual company shall specify in its plan of conversion:

(1) The method and basis for the issuance of the converted stock company's shares of its capital stock to an independent party in connection with an investment by the independent party in an amount sufficient to restore the converted stock company to a sound financial condition.

(2) That the conversion shall be accomplished without granting subscription rights or other consideration to the past, present, or future policyholders.

(b) Nothing contained in this section shall alter or limit the authority of the Commissioner under any of the provisions of law, including, but not limited to, Chapter 59 of this title.

(77 Del. Laws, c. 466, § 2.)

§ 4986. Rules and regulations.

The Commissioner may promulgate rules and regulations to administer and enforce this chapter.

(77 Del. Laws, c. 466, § 2.)

§ 4987. Laws applicable to converted stock company.

(a) No mutual company shall be permitted to convert under this chapter if, as a direct result of the conversion, any person or any affiliate thereof acquires control of the converted stock company, unless that person and such person's affiliates comply with the provisions of § 5003 of this title. For purposes of this subsection, "control" shall have the meaning given to such term in § 5001 of this title.

(b) Except as otherwise specified in this chapter, a stock company converted under this chapter shall have and may exercise all the rights and privileges and shall be subject to all of the requirements and regulations imposed on stock insurers under this chapter and any other laws of this State relating to the regulation and supervision of insurers, but it shall exercise no rights or privileges which other stock insurers may not exercise.

(77 Del. Laws, c. 466, § 2.)

§ 4988. Commencement of business as a stock insurer.

No mutual company shall have the power to engage in the business of insurance as a stock company until it complies with all provisions of this chapter.

(77 Del. Laws, c. 466, § 2.)

§ 4989. Amendment of policies.

A mutual company, by endorsement or rider approved by the Commissioner and sent to the policyholder, may simultaneously with or at any time after the adoption of a plan of conversion amend any outstanding insurance policy for the purpose of extinguishing the right of the holder of any such policy to share in the surplus of the mutual company. However, this amendment shall be null and void if the plan of conversion is not submitted to the Commissioner or, if submitted, is disapproved by the Commissioner or, if approved by the Commissioner, is not approved by the eligible members on or before the first anniversary of its approval by the Commissioner.

(77 Del. Laws, c. 466, § 2.)

§ 4990. Prohibition on acquisitions of control.

Except as otherwise specifically provided in § 4975 of this title, from the date a plan of conversion is adopted by the governing body of a mutual company until 3 years after the effective date of the plan of conversion, no person shall directly or indirectly offer to acquire, make any announcement to acquire or acquire in any manner, including making a filing with the Department for such acquisition under a statute or regulation of this State, the beneficial ownership of 10% or more of a class of a voting security of the converted stock company or of a person which controls the voting securities of the converted stock company, unless the converted stock company or a person who controls the voting securities of the converted stock company consents to such acquisition and such acquisition is otherwise approved by the Commissioner.

(77 Del. Laws, c. 466, § 2.)

§ 4991. Applicability to existing mutual insurers.

(a) Except as provided in subsection (b) of this section, this chapter shall apply to all mutual insurers.

(b) Section 4933 of this title as in effect prior to October 17, 2010, is hereby repealed, except as set forth in the next sentence. Section 4933 of this title as in effect on October 16, 2010, shall apply to any mutual insurer that is a domestic mutual company as of such date that has not submitted a written notice to the Commissioner under subsection (c) of this section.

(c) Any mutual insurer that is a domestic mutual company as of the date immediately prior to the enactment of this chapter that otherwise would be subject to the application of this chapter, § 4933 of this title as in effect on such date may elect to become subject to the application of this chapter instead by submitting to the Commissioner a written notice to that effect.

(77 Del. Laws, c. 466, § 2.)

Part I
Insurance
Chapter 50
INSURANCE HOLDING COMPANY SYSTEM REGISTRATION

§ 5001. Definitions.

As used in this chapter, the following terms shall have the respective meanings hereinafter set forth, unless the context shall otherwise require:

(1) *"Affiliate."* — An "affiliate" of, or person "affiliated" with, a specific person, is a person that directly, or indirectly through 1 or more intermediaries, controls, or is controlled by, or is under common control with, the person specified.

(2) *"Commissioner."* — The term "Commissioner" shall mean the Insurance Commissioner, the Commissioner's deputies, or the Insurance Department, as appropriate.

(3) *"Control."* — The term "control" (including the terms "controlling," "controlled by" and "under common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing, 10 percent or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by § 5004(k) of this title that control does not exist in fact. The Commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.

(4) *"Enterprise risk."* — The term "enterprise risk" shall mean any activity, circumstance, event or series of events, involving 1 or more affiliates of an insurer that, if not remedied promptly, is likely to have a material adverse effect upon the financial condition or liquidity of the insurer or its insurance holding company system as a whole, including, but not limited to, anything that would cause the insurer's risk-based capital to fall into company action level as set forth in § 5803 of this title or would cause the insurer to be in hazardous financial condition as set forth in Section 3 of Department of Insurance Regulation 304 — Standards and Commissioner's Authority for Companies Deemed to be in Hazardous Financial Condition [18 DE Admin. Code § 304-3.0].

(5) *"Group-wide supervisor."* — The "group-wide supervisor" is the regulatory official authorized to engage in conducting and coordinating group-wide supervision activities who is determined or acknowledged by the Commissioner under § 5015 of this title to have sufficient significant contacts with the internationally active insurance group.

(6) *"Insurance holding company system."* — An "insurance holding company system" consists of 2 or more affiliated persons, 1 or more of which is an insurer.

(7) *"Insurer."* — The term "insurer" shall have the same meaning as set forth in § 102 of this title, except that it shall not include agencies, authorities or instrumentalities of the United States, its possessions and territories, the Commonwealth of Puerto Rico, the District of Columbia, or a state or political subdivision of a state.

(8) *"Internationally active insurance group."* — An "internationally active insurance group" is an insurance holding company system that meets all of the following criteria:

- a. Includes an insurer registered under § 5004 of this title.
- b. Has premiums written in at least 3 countries.
- c. Has gross premiums written outside the United States that are at least 10% of total gross written premiums.
- d. Based on a 3-year rolling average, has total assets of at least \$50 billion or total gross written premiums of at least \$10 billion.

(9) *"Person."* — A "person" is an individual, a corporation, a partnership, an association, a joint stock company, a trust, an unincorporated organization, any similar entity or any combination of the foregoing acting in concert, but shall not include any joint venture partnership exclusively engaged in owning, managing, leasing or developing real or tangible personal property.

(10) *"Securityholder."* — A "securityholder" of a specified person is one who owns any security of such person, including common stock, preferred stock, debt obligations and any other security convertible into or evidencing the right to acquire any of the foregoing.

(11) *"Subsidiary."* — A "subsidiary" of a specified person is an affiliate controlled by such person directly or indirectly through 1 or more intermediaries.

(12) *"Voting security."* — The term "voting security" shall include any security convertible into or evidencing a right to acquire a voting security.

(18 Del. C. 1953, § 5002; 56 Del. Laws, c. 380, § 1; 59 Del. Laws, c. 197, § 1; 60 Del. Laws, c. 616, § 3; 68 Del. Laws, c. 325, § 1; 70 Del. Laws, c. 186, § 1; 79 Del. Laws, c. 388, § 1; 80 Del. Laws, c. 118, § 1.)

§ 5002. Subsidiaries of insurers.

Any domestic insurer, either by itself or in cooperation with 1 or more persons, may organize or acquire 1 or more subsidiaries as otherwise permitted under this title. Such subsidiaries may conduct any kind of business or businesses and their authority to do so shall not be limited by reason of the fact that they are subsidiaries of a domestic insurer.

(68 Del. Laws, c. 325, § 1; 79 Del. Laws, c. 388, § 1.)

§ 5003. Acquisition of control of or merger with domestic insurer.

(a) *Filing requirements.* — No person other than the issuer shall make a tender offer for or a request or invitation for tenders of, or enter into any agreement to exchange securities, or seek to acquire, or acquire, in the open market or otherwise, any voting security of a domestic insurer if, after the consummation thereof, such person would, directly or indirectly (or by conversion or by exercise of any right to acquire) be in control of such insurer, and no person shall enter into an agreement to merge with or otherwise to acquire control of a domestic insurer or any person controlling a domestic insurer unless, at the time any such offer, request or invitation is made or any such agreement is entered into, or prior to the acquisition of such securities if no offer or agreement is involved, such person has filed with the Commissioner and has sent to such insurer, a statement containing the information required by this section and such offer, request, invitation, agreement or acquisition has been approved by the Commissioner in the manner hereinafter prescribed.

For purposes of this section, any controlling person of a domestic insurer seeking to divest its controlling interest in the domestic insurer, in any manner, shall file with the Commissioner, with a copy to the insurer, confidential notice of its proposed divestiture at least 30 days prior to the cessation of control. The Commissioner shall determine those instances in which the party or parties seeking to divest or to acquire a controlling interest in an insurer, will be required to file for and obtain approval of the transaction. The information shall remain confidential until the conclusion of the transaction unless the Commissioner, in his or her discretion, determines that confidential treatment will interfere with enforcement of this section. If the statement referred to in the above paragraph of this subsection (a) is otherwise filed, this paragraph shall not apply.

With respect to a transaction subject to this section, the acquiring person must also file a pre-acquisition notification with the Commissioner, which shall contain the information set forth in § 5003A of this title 30 days prior to the proposed effective date of the acquisition. A failure to file the notification may result in penalties specified in § 5003A of this title.

For purposes of this section, a domestic insurer shall include any person controlling a domestic insurer unless such person, as determined by the Commissioner, is either directly or through its affiliates primarily engaged in business other than the business of insurance. For the purposes of this section, “person” shall not include any securities broker holding, in the usual and customary brokers function, less than 20 percent of the voting securities of an insurance company or of any person which controls an insurance company.

(b) *Content of statement.* — The statement to be filed with the Commissioner hereunder shall be made under oath or affirmation and shall contain the following information:

(1) The name and address of each person by whom or on whose behalf the merger or other acquisition of control referred to in subsection (a) of this section is to be effected (hereinafter called “acquiring party”), and

a. If such person is an individual, the acquiring party’s principal occupation and all offices and positions held during the past 5 years, and any conviction of crimes other than minor traffic violations during the past 10 years;

b. If such person is not an individual, a report of the nature of its business operations during the past 5 years or for such lesser period as such person and any predecessors thereof shall have been in existence; an informative description of the business intended to be done by such person and such person’s subsidiaries; and a list of all individuals who are or who have been selected to become directors or executive officers of such person, or who perform or will perform functions appropriate to such positions. Such list shall include for each such individual the information required by paragraph (b)(1)a. of this section.

(2) The source, nature and amount of the consideration used or to be used in effecting the merger or other acquisition of control, a description of any transaction wherein funds were or are to be obtained for any such purpose (including any pledge of the insurer’s stock, or the stock of any of its subsidiaries or controlling affiliates), and the identity of persons furnishing such consideration; provided however, that where a source of such consideration is a loan made in the lender’s ordinary course of business, the identity of the lender shall remain confidential, if the person filing such statement so requests.

(3) Fully audited financial information as to the earnings and financial condition of each acquiring party for the preceding 5 fiscal years of each such acquiring party (or for such lesser period as such acquiring party and any predecessors thereof shall have been in existence), and similar unaudited information as of a date not earlier than 90 days prior to the filing of the statement.

(4) Any plans or proposals which each acquiring party may have to liquidate such insurer, to sell its assets or merge or consolidate it with any person, or to make any other material change in its business or corporate structure or management.

(5) The number of shares of any security referred to in subsection (a) of this section which each acquiring party proposes to acquire, and the terms of the offer, request, invitation, agreement or acquisition referred to in subsection (a) of this section, and a statement as to the method by which the fairness of the proposal was arrived at.

(6) The amount of each class of any security referred to in subsection (a) of this section which is beneficially owned or concerning which there is a right to acquire beneficial ownership by each acquiring party.

(7) A full description of any contracts, arrangements or understandings with respect to any security referred to in subsection (a) of this section in which any acquiring party is involved, including, but not limited to, transfer of any of the securities, joint ventures, loan or option arrangements, puts or calls, guarantees of loans, guarantees against loss or guarantees of profits, division of losses or profits, or

the giving or withholding of proxies. Such description shall identify the persons with whom such contracts, arrangements or understandings have been entered into.

(8) A description of the purchase of any security referred to in subsection (a) of this section during the 12 calendar months preceding the filing of the statement, by any acquiring party, including the dates of purchase, names of the purchasers, and consideration paid or agreed to be paid therefore.

(9) A description of any recommendations to purchase any security referred to in subsection (a) of this section made during the 12 calendar months preceding the filing of the statement, by any acquiring party, or by anyone based upon interviews or at the suggestion of such acquiring party.

(10) Copies of all tender offers for, requests, or invitations for tenders of, exchange offers for, and agreements to acquire or exchange any securities referred to in subsection (a) of this section, and (if distributed) of additional soliciting material relating thereto.

(11) The term of any agreement, contract or understanding made with or proposed to be made with any broker-dealer as to solicitation of securities referred to in subsection (a) of this section for tender, and the amount of any fees, commissions or other compensation to be paid to broker-dealers with regard thereto.

(12) An agreement by the person required to file the statement referred to in subsection (a) of this section that it will provide the annual report, specified in § 5004(1) of this title, for so long as control exists.

(13) An acknowledgement by the person required to file the statement referred to in subsection (a) of this section that the person and all subsidiaries within its control in the insurance holding company system will provide information to the Commissioner upon request as necessary to evaluate enterprise risk to the insurer.

(14) Such additional information as the Commissioner may by rule or regulation prescribe as necessary or appropriate for the protection of policyholders of the insurer or in the public interest. If the person required to file the statement referred to in subsection (a) of this section is a partnership, limited partnership, syndicate or other group, the Commissioner may require that the information called for by paragraphs (b)(1) through (12) of this section shall be given with respect to each partner of such partnership or limited partnership, each member of such syndicate or group, and each person who controls such partner or member. If any such partner, member or person is a corporation or the person required to file the statement referred to in subsection (a) of this section is a corporation, the Commissioner may require that the information called for by paragraphs (b)(1) through (12) of this section shall be given with respect to such corporation, each officer and director of such corporation, and each person who is directly or indirectly the beneficial owner of more than 10 percent of the outstanding voting securities of such corporation.

If any material change occurs in the facts set forth in the statement filed with the Commissioner and sent to such insurer pursuant to this section, an amendment setting forth such change, together with copies of all documents and other material relevant to such change, shall be filed with the Commissioner and sent to such insurer within 2 business days after the person learns of such change.

(c) *Alternative filing materials.* — If any offer, request, invitation, agreement or acquisition referred to in subsection (a) of this section is proposed to be made by means of a registration statement under the Securities Act of 1933 [15 U.S.C. § 77a et seq.] or in circumstances requiring the disclosure of similar information under the Securities Exchange Act of 1934 [15 U.S.C. § 78a et seq.], or under a state law requiring similar registration or disclosure, the person required to file the statement referred to in subsection (a) of this section may utilize such documents in furnishing the information called for by that statement.

(d) *Approval by Commissioner: Hearings.* — (1) The Commissioner shall approve any merger or other acquisition of control referred to in subsection (a) of this section unless, after a public hearing thereon, the Commissioner finds that:

a. After the change of control, the domestic insurer referred to in subsection (a) of this section would not be able to satisfy the requirements for the issuance of a license to write the line or lines of insurance for which it is presently licensed;

b. The effect of the merger or other acquisition of control would be substantially to lessen competition in insurance in this State or tend to create a monopoly therein. In applying the competitive standard in this paragraph:

1. The informational requirements of § 5003A(c)(1) of this title and the standards of § 5003A(d)(2) of this title shall apply;

2. The merger or other acquisition shall not be disapproved if the Commissioner finds that any of the situations meeting the criteria provided by § 5003A(d)(3) of this title exist; and

3. The Commissioner may condition the approval of the merger or other acquisition on the removal of the basis of disapproval within a specified period of time;

c. The financial condition of any acquiring party is such as might jeopardize the financial stability of the insurer, or prejudice the interest of its policyholders;

d. The plans or proposals which the acquiring party has to liquidate the insurer, sell its assets or consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management, are unfair and unreasonable to policyholders of the insurer and not in the public interest;

e. The competence, experience and integrity of those persons who would control the operation of the insurer are such that it would not be in the interest of policyholders of the insurer and of the public to permit the merger or other acquisition of control; or

f. The acquisition is likely to be hazardous or prejudicial to the insurance buying public.

(2) The public hearing referred to in paragraph (d)(1) of this section shall be held within 45 days after the statement required by subsection (a) of this section is filed, and at least 20 days' notice thereof shall be given by the Commissioner to the person filing the

statement.

Not less than 7 days' notice of such public hearing shall be given by the person filing the statement to the insurer and to such other persons as may be designated by the Commissioner. The Commissioner shall make a determination within 30 days after the conclusion of such hearing. At such hearing, the person filing the statement, the insurer, any person to whom notice of hearing was sent, and any other person whose interest may be affected thereby shall have the right to present evidence, examine and cross-examine witnesses, and offer oral and written arguments and in connection therewith shall be entitled to conduct discovery proceedings in the same manner as is presently allowed in the Superior Court of this State. All discovery proceedings shall be concluded not later than 3 days prior to the commencement of the public hearing.

If the proposed acquisition of control will require the approval of more than 1 Commissioner, the public hearing referred to in paragraph (d)(1) of this section may be held on a consolidated basis upon request of the person filing the statement referred to in subsection (a) of this section. Such person shall file the statement referred to in subsection (a) of this section with the National Association of Insurance Commissioners (NAIC) within 5 days of making the request for a public hearing. A Commissioner may opt out of a consolidated hearing, and shall provide notice to the applicant of the opt-out within 10 days of the receipt of the statement referred to in subsection (a) of this section. A hearing conducted on a consolidated basis shall be public and shall be held within the United States before the Commissioners of the states in which the insurers are domiciled. Such Commissioners shall hear and receive evidence. A Commissioner may attend such hearing in person or by telecommunication.

(3) The Commissioner may retain at the acquiring person's expense any attorneys, actuaries, accountants and other experts not otherwise a part of the Commissioner's staff as may be reasonably necessary to assist the Commissioner in reviewing the proposed acquisition of control.

(e) *Exemptions.* — The provisions of this section shall not apply to:

(1) Any transaction which is subject to the provisions of Chapter 49 of this title dealing with the merger or consolidation of 2 or more insurers.

(2) Any offer, request, invitation, agreement or acquisition which the Commissioner by order shall exempt therefrom as:

a. Not having been made or entered into for the purpose and not having the effect of changing or influencing the control of a domestic insurer; or

b. Otherwise not comprehended within the purposes of this section.

(f) *Violations.* — The following shall be violations of this section:

(1) The failure to file any statement, amendment or other material required to be filed pursuant to subsection (a) or (b) of this section; or

(2) The effectuation or any attempt to effectuate an acquisition of control of, or merger with, a domestic insurer unless the Commissioner has given approval thereto.

(g) *Jurisdiction, consent to service of process.* — The courts of this State are hereby vested with jurisdiction over every person not resident, domiciled or authorized to do business in this State who files a statement with the Commissioner under this section, and over all actions involving such person arising out of violations of this section, and each such person shall be deemed to have performed acts equivalent to and constituting an appointment by such a person of the Commissioner to be the person's true and lawful attorney upon whom may be served all lawful process in any action, suit or proceeding arising out of violations of this section. Copies of all such lawful process shall be served on the Commissioner and transmitted by registered or certified mail by the Commissioner to such person at the person's last known address.

§ 5003A. Acquisitions involving insurers not otherwise covered.

(a) *Definitions.* — The following definitions shall apply for the purposes of this section only:

(1) "Acquisition" means any agreement, arrangement or activity the consummation of which results in a person acquiring directly or indirectly the control of another person, and includes but is not limited to the acquisition of voting securities, the acquisition of assets, bulk reinsurance and mergers.

(2) An "involved insurer" includes an insurer which either acquires or is acquired, is affiliated with an acquirer or acquired or is the result of a merger.

(b) *Scope.* — (1) Except as exempted in paragraph (b)(2) of this section, this section applies to any acquisition in which there is a change in control of an insurer authorized to do business in this State.

(2) This section shall not apply to the following:

a. A purchase of securities solely for investment purposes so long as such securities are not used by voting or otherwise to cause or attempt to cause the substantial lessening of competition in any insurance market in this State. If a purchase of securities results in a presumption of control under § 5001(3) of this title, it is not solely for investment purposes unless the commissioner of the insurer's state of domicile accepts a disclaimer of control or affirmatively finds that control does not exist and such disclaimer action or affirmative finding is communicated by the domiciliary commissioner to the Commissioner of this State;

b. The acquisition of a person by another person when both persons are neither directly nor through affiliates primarily engaged in the business of insurance, if pre-acquisition notification is filed with the Commissioner in accordance with paragraph (c)(1) of this

section 30 days prior to the proposed effective date of the acquisition. However, such pre-acquisition notification is not required for exclusion from this section if the acquisition would otherwise be excluded from this section by any other subparagraph of this paragraph;

- c. The acquisition of already affiliated persons;
- d. An acquisition if, as an immediate result of the acquisition:
 - 1. In no market would the combined market share of the involved insurers exceed 5 percent of the total market;
 - 2. There would be no increase in any market share; or
 - 3. In no market would:
 - A. The combined market share of the involved insurers exceed 12 percent of the total market, and
 - B. The market share increases by more than 2 percent of the total market.

For the purpose of this paragraph (b)(2)d.3., a market means direct written insurance premium in this State for a line of business as contained in the annual statement required to be filed by insurers licensed to do business in this State;

- e. An acquisition for which a pre-acquisition notification would be required pursuant to this section due solely to the resulting effect on the ocean marine insurance line of business;
- f. An acquisition of an insurer whose domiciliary commissioner affirmatively finds that such insurer is in failing condition; there is a lack of feasible alternative to improving such condition; the public benefits of improving such insurer's condition through the acquisition exceed the public benefits that would arise from not lessening competition; and such findings are communicated by the domiciliary commissioner to the Commissioner of this State.

(c) *Pre-acquisition notification, waiting period.* — An acquisition covered by subsection (b) of this section may be subject to an order pursuant to subsection (e) of this section unless the acquiring person files a pre-acquisition notification and the waiting period has expired.

The acquired person may file a pre-acquisition notification. The Commissioner shall give confidential treatment to information submitted under this subsection in the same manner as provided in § 5007 of this title.

(1) The pre-acquisition notification shall be in such form and contain such information as prescribed by the National Association of Insurance Commissioners relating to those markets which, under paragraph (b)(2)d. of this section, cause the acquisition not to be exempted from the provisions of this section. The Commissioner may require such additional material and information as the Commissioner deems necessary to determine whether the proposed acquisition, if consummated, would violate the competitive standard of subsection (d) of this section. The required information may include an opinion of an economist as to the competitive impact of the acquisition in this State accompanied by a summary of the education and experience of such person indicating the person's ability to render an informed opinion.

(2) The waiting period required shall begin on the date of receipt by the Commissioner of a pre-acquisition notification and shall end on the earlier of the thirtieth day after the date of such receipt, or termination of the waiting period by the Commissioner. Prior to the end of the waiting period, the Commissioner on a one-time basis may require the submission of additional needed information relevant to the proposed acquisition, in which event the waiting period shall end on the earlier of the thirtieth day after receipt of such additional information by the Commissioner or termination of the waiting period by the Commissioner.

(d) *Competitive standard.* — (1) The Commissioner may enter an order under paragraph (e)(1) of this section with respect to an acquisition if there is substantial evidence that the effect of the acquisition may be substantially to lessen competition in any line of insurance in this State or tend to create a monopoly therein or if the insurer fails to file adequate information in compliance with subsection (c) of this section.

(2) In determining whether a proposed acquisition would violate the competitive standard of paragraph (d)(1) of this section, the Commissioner shall consider the following:

- a. Any acquisition covered under subsection (b) of this section involving 2 or more insurers competing in the same market is prima facie evidence of violation of the competitive standards:
 - 1. If the market is highly concentrated and the involved insurers possess the following shares of the market:

Insurer A	Insurer B
4%	4% or more
10%	2% or more
15%	1% or more

2. Or, if the market is not highly concentrated and the involved insurers possess the following shares of the market:

Insurer A	Insurer B
5%	5% or more
10%	4% or more
15%	3% or more
19%	1% or more

A highly concentrated market is one in which the share of the 4 largest insurers is 75 percent or more of the market. Percentages not shown in the tables are interpolated proportionately to the percentages that are shown. If more than 2 insurers are involved,

exceeding the total of the 2 columns in the table is prima facie evidence of violation of the competitive standard in paragraph (d)(1) of this section. For the purpose of this paragraph (d)(2)a., the insurer with the largest share of the market shall be deemed to be Insurer A.

b. There is a significant trend toward increased concentration when the aggregate market share of any grouping of the largest insurers in the market, from the 2 largest to the 8 largest, has increased by 7 percent or more of the market over a period of time extending from any base year 5 to 10 years prior to the acquisition up to the time of the acquisition. Any acquisition or merger covered under subsection (b) of this section involving 2 or more insurers competing in the same market is prima facie evidence of violation of the competitive standard in paragraph (d)(1) of this section if:

1. There is a significant trend toward increased concentration in the market;
2. One of the insurers involved is 1 of the insurers in a grouping of such large insurers showing the requisite increase in the market share; and
3. Another involved insurer's market is 2 percent or more.

c. For the purposes of subsection (d)(2) of this section:

1. The term "insurer" includes any company or group of companies under common management, ownership or control;
2. The term "market" means the relevant product and geographical markets. In determining the relevant product and geographical markets, the Commissioner shall give due consideration to, among other things, the definitions or guidelines, if any, promulgated by the National Association of Insurance Commissioners and to information, if any, submitted by parties to the acquisition. In the absence of sufficient information to the contrary, the relevant product market is assumed to be the direct written insurance premium for a line of business, such line being that used in the annual statement required to be filed by insurers doing business in this State, and the relevant geographical market is assumed to be this State;
3. The burden of showing prima facie evidence of violation of the competitive standard rests upon the Commissioner.

d. Even though an acquisition is not prima facie violative of the competitive standard under paragraphs (d)(2)a. and b. of this section, the Commissioner may establish the requisite anticompetitive effect based upon other substantial evidence. Even though an acquisition is prima facie violative of the competitive standard under paragraphs (d)(2)a. and b. of this section, a party may establish the absence of the requisite anticompetitive effect based upon other substantial evidence. Relevant factors in making a determination under this paragraph include, but are not limited to, the following: market shares, volatility of ranking of market leaders, number of competitors, concentration, trend of concentration in the industry, and ease of entry and exit into the market.

(3) An order may not be entered under paragraph (e)(1) of this section if:

a. The acquisition will yield substantial economies of scale or economies in resource utilization that cannot be feasibly achieved in any other way, and the public benefits which would arise from such economies exceed the public benefits which would arise from not lessening competition; or

b. The acquisition will substantially increase the availability of insurance, and the public benefits of such increase exceed the public benefits which would arise from not lessening competition.

(e) *Orders and penalties.* — (1) a. If an acquisition violates the standards of this section, the Commissioner may enter an order:

1. Requiring an involved insurer to cease and desist from doing business in this State with respect to the line or lines of insurance involved in the violation; or
2. Denying the application of an acquired or acquiring insurer for a license to do business in this State.

b. Such an order shall not be entered unless:

1. There is a hearing;
2. Notice of such hearing is issued prior to the end of the waiting period and not less than 15 days prior to the hearing; and
3. The hearing is concluded and the order is issued no later than 60 days after the end of the waiting period.

Every order shall be accompanied by a written decision of the Commissioner setting forth the Commissioner's findings of fact and conclusions of law.

c. An order entered under this paragraph shall not become final earlier than 30 days after it is issued, during which time the involved insurer may submit a plan to remedy the anticompetitive impact of the acquisition within a reasonable time. Based upon such plan or other information, the Commissioner shall specify the conditions, if any, under the time period during which the aspects of the acquisition causing a violation of the standards of this section would be remedied and the order vacated or modified.

d. An order pursuant to this paragraph shall not apply if the acquisition is not consummated.

(2) Any person who violates a cease and desist order of the Commissioner under paragraph (e)(1) of this section and while such order is in effect may, after notice and hearing and upon order of the Commissioner, be subject at the discretion of the Commissioner to any 1 or more of the following:

- a. A monetary penalty of not more than \$10,000 for every day of violation; and/or
- b. Suspension or revocation of such person's license.

(3) Any insurer or other person who fails to make any filing required by this section, and who also fails to demonstrate a good faith effort to comply with any such filing requirement, shall be subject to a fine of not more than \$50,000.

(f) *Inapplicable provisions.* — Sections 5009(b), (c) and 5011 of this title do not apply to acquisitions covered under subsection (b) of

this section.

(68 Del. Laws, c. 325, § 1; 70 Del. Laws, c. 186, § 1; 79 Del. Laws, c. 388, § 1.)

§ 5004. Registration of insurers.

(a) *Registration.* — Every insurer which is authorized to do business in this State and which is a member of an insurance holding company system shall register with the Commissioner, except a foreign insurer subject to registration requirements and standards adopted by statute or regulation in the jurisdiction of its domicile which are substantially similar to those contained in:

- (1) This section;
- (2) Section 5005(a)(1) and (b) of this title; and
- (3) Either § 5005(a)(2) of this title; or a provision such as the following:

Each registered insurer shall keep current the information required to be disclosed in its registration statement by reporting all material changes or additions within 15 days after the end of the month in which it learns of each such change or addition. Any insurer which is subject to registration under this section shall register within 15 days after it becomes subject to registration, and annually thereafter by June 1 of each year for the previous calendar year, unless the Commissioner for good cause shown extends the time for registration, and then within such extended time. The Commissioner may require any insurer authorized to do business in the State which is a member of a holding company system, and which is not subject to registration under this section, to furnish a copy of the registration statement, the summary specified in subsection (c) of this section or other information filed by such insurance company with the insurance regulatory authority of domiciliary jurisdiction.

(b) *Information and form required.* — Every insurer subject to registration shall file the registration statement with the Commissioner on a form and in a format prescribed by the National Association of Insurance Commissioners, which shall contain the following current information:

- (1) The capital structure, general financial condition, ownership and management of the insurer and any person controlling the insurer;
 - (2) The identity and relationship of every member of the insurance holding company system;
 - (3) The following agreements in force, and transactions currently outstanding or which have occurred during the last calendar year between such insurer and its affiliates:
 - a. Loans, other investments, or purchases, sales or exchanges of securities of the affiliates by the insurer or of the insurer by its affiliates;
 - b. Purchases, sales or exchange of assets;
 - c. Transactions not in the ordinary course of business;
 - d. Guarantees or undertakings for the benefit of an affiliate which result in an actual contingent exposure of the insurer's assets to liability, other than insurance contracts entered into in the ordinary course of the insurer's business;
 - e. All management agreements, service contracts and all cost-sharing arrangements;
 - f. Reinsurance agreements;
 - g. Dividends and other distributions to shareholders; and
 - h. Consolidated tax allocation agreements;
 - (4) Any pledge of the insurer's stock, including stock of any subsidiary or controlling affiliate, for a loan made to any member of the insurance holding company system;
 - (5) If requested by the Commissioner, the insurer shall include financial statements of or within an insurance holding company system, including all affiliates. Financial statements may include but are not limited to annual audited financial statements filed with the U.S. Securities and Exchange Commission (SEC) pursuant to the Securities Act of 1933 [15 U.S.C. § 77a et seq.], as amended, or the Securities Exchange Act of 1934 [15 U.S.C. § 78a et seq.], as amended. An insurer required to file financial statements pursuant to this paragraph may satisfy the request by providing the Commissioner with the most recently filed parent corporation financial statements that have been filed with the SEC;
 - (6) Other matters concerning transactions between registered insurers and any affiliates as may be included from time to time in any registration forms adopted or approved by the Commissioner;
 - (7) Statements that the insurer's board of directors oversees corporate governance and internal controls and that the insurer's officers or senior management have approved, implemented, and continue to maintain and monitor corporate governance and internal control procedures; and
 - (8) Any other information required by the Commissioner by rule or regulation.
- (c) *Summary of changes to registration statement.* — All registration statements shall contain a summary outlining all items in the current registration statement representing changes from the prior registration statement.
- (f) *Information of insurers.* — Any person within an insurance holding company system subject to registration shall be required to provide complete and accurate information to an insurer, where such information is reasonably necessary to enable the insurer to comply with the provisions of this chapter.
- (d) *Materiality.* — No information need be disclosed on the registration statement filed pursuant to subsection (b) of this section if such

information is not material for the purposes of this section. Unless the Commissioner by rule, regulation or order provides otherwise, sales, purchases, exchanges, loans or extensions of credit, investments, or guarantees involving 1/2 of 1 percent or less of an insurer's admitted assets as of December 31 next preceding shall not be deemed material for purposes of this section.

(e) *Reporting of dividends to shareholders.* — (1) Subject to § 5005(b) of this title, each registered insurer shall provide notice to the Commissioner of all dividends and other distributions to shareholders within 5 business days following the declaration thereof and at least 10 days prior to the payment thereof.

(2) The Commissioner shall promptly consider the information set forth in the notice under paragraph (e)(1) of this section. In the Commissioner's consideration of the information, the Commissioner shall apply the factors set forth in § 5005(c) of this title.

(g) *Termination of registration.* — The Commissioner shall terminate the registration of any insurer which demonstrates that it no longer is a member of an insurance holding company system.

(h) *Consolidated filing.* — The Commissioner may require or allow 2 or more affiliated insurers subject to registration hereunder to file a consolidated registration statement.

(i) *Alternative registration.* — The Commissioner may allow an insurer which is authorized to do business in this State and which is part of an insurance holding company system to register on behalf of any affiliated insurer which is required to register under subsection (a) of this section and to file all information and material required to be filed under this section.

(j) *Exemptions.* — The provisions of this section shall not apply to any insurer, information or transaction if and to the extent that the Commissioner by rule, regulation or order shall exempt the same from the provisions of this section.

(k) *Disclaimer.* — Any person may file with the Commissioner a disclaimer of affiliation with any authorized insurer or such a disclaimer may be filed by such insurer or any member of an insurance holding company system. The disclaimer shall fully disclose all material relationships and bases for affiliation between such person and such insurer as well as the basis for disclaiming such affiliation. A disclaimer of affiliation shall be deemed to have been granted unless the Commissioner, within 30 days following receipt of a complete disclaimer, notifies the filing party the disclaimer is disallowed. In the event of disallowance, the disclaiming party may request an administrative hearing, which shall be granted. The disclaiming party shall be relieved of its duty to register under this section if approval of the disclaimer has been granted by the Commissioner, or if the disclaimer is deemed to have been approved.

(l) *Enterprise risk filing.* — The ultimate controlling person of every insurer subject to registration shall also file an annual enterprise risk report. The report shall, to the best of the ultimate controlling person's knowledge and belief, identify the material risks within the insurance holding company system that could pose enterprise risk to the insurer. The first enterprise risk report is not required until October 3, 2014, unless the Commissioner for good cause shown extends the time for filing, and then within such extended time. The report shall be filed with the lead state commissioner of the insurance holding company system as determined by the procedures within the Financial Analysis Handbook adopted by the National Association of Insurance Commissioners, with a copy to the Commissioner upon request.

(m) *Violations.* — The failure to file a registration statement or any summary of the registration statement or enterprise risk filing thereto required by this section within the time specified for such filing shall be a violation of this section.

§ 5005. Standards and management of an insurer within an insurance holding company system.

(a) *Transactions within an insurance holding company system.* — (1) Transactions within an insurance holding company system to which an insurer subject to registration is a party shall be subject to the following standards:

- a. The terms shall be fair and reasonable;
- b. Agreements for cost-sharing services and management shall include such provisions as required by regulation issued by the Commissioner.
- c. Charges or fees for services performed shall be reasonable;
- d. Expenses incurred and payment received shall be allocated to the insurer in conformity with customary insurance accounting practices consistently applied;
- e. The books, accounts and records of each party to all such transactions shall be so maintained as to clearly and accurately disclose the nature and details of the transactions, including such accounting information as is necessary to support the reasonableness of the charges or fees to the respective parties; and
- f. The insurer's surplus as regards policyholders following any dividends or distributions to shareholder affiliates shall be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.

(2) The following transactions involving a domestic insurer and any person in its insurance holding company system, including amendments or modifications of affiliate agreements previously filed pursuant to this section, which are subject to any materiality standards contained in paragraphs (a)(2)a. through e. of this section, may not be entered into unless the insurer has notified the Commissioner in writing of its intention to enter into such transaction at least 30 days prior thereto, or such shorter period as the Commissioner may permit, and the Commissioner has not disapproved it within such period. The notice for amendments or modifications shall include the reasons for the change and the financial impact on the domestic insurer. Informal notice shall be reported, within 30 days after a termination of a previously filed agreement, to the Commissioner for determination of the type of filing required, if any.

a. Sales, purchases, exchanges, loans or extensions of credit, guarantees, or investments, provided such transactions are equal to or exceed:

1. With respect to nonlife insurers, the lesser of 3 percent of the insurer's admitted assets or 25 percent of surplus as regards policyholders;

2. With respect to life insurers, 3 percent of the insurer's admitted assets, Each as of December 31 next preceding;

b. Loans or extensions of credit to any person who is not an affiliate, where the insurer makes such loans or extensions of credit with the agreement or understanding that the proceeds of such transactions, in whole or in substantial part, are to be used to make loans or extensions of credit to, to purchase assets of, or to make investments in, any affiliate of the insurer making such loans or extensions of credit provided such transactions are equal to or exceed:

1. With respect to nonlife insurers, the lesser of 3 percent of the insurer's admitted assets or 25 percent of surplus as regards policyholders;

2. With respect to life insurers, 3 percent of the insurer's admitted assets, as of December 31 next preceding;

c. Reinsurance agreements or modifications thereto, including:

1. All reinsurance pooling agreements;

2. Agreements in which the reinsurance premium or a change in the insurer's liabilities, or the projected reinsurance premium or a change in the insurer's liabilities in any of the next 3 years, equals or exceeds 5 percent of the insurer's surplus as regards policyholders, as of December 31 next preceding, including those agreements which may require as consideration the transfer of assets from an insurer to a nonaffiliate, if an agreement or understanding exists between the insurer and nonaffiliate that any portion of such assets will be transferred to 1 or more affiliates of the insurer;

d. All management agreements, service contracts, tax allocation agreements, and all cost-sharing arrangements; and

e. Any material transactions, specified by regulation, which the Commissioner determines may adversely affect the interests of the insurer's policyholders.

Nothing herein contained shall be deemed to authorize or permit any transactions which, in the case of an insurer not a member of the same insurance holding company system, would be otherwise contrary to law.

(3) A domestic insurer may not enter into transactions which are part of a plan or series of like transactions with persons within the insurance holding company system if the purpose of those separate transactions is to avoid the statutory threshold amount and thus avoid the review that would occur otherwise. If the Commissioner determines that such separate transactions were entered into over any 12-month period for such purpose, the Commissioner may exercise the authority under § 5010 of this title.

(4) The Commissioner, in reviewing transactions pursuant to paragraph (a)(2) of this section shall consider whether the transactions comply with the standards set forth in paragraph (a)(1) of this section and whether they may adversely affect the interests of policyholders.

(5) The Commissioner shall be notified within 30 days of any investment of the domestic insurer in any 1 corporation if the total investment in such corporation by the insurance holding company system exceeds 10 percent of such corporation's voting securities.

(b) *Dividends and other distributions.* — Except as otherwise provided by law, a domestic insurer may not declare or pay a dividend or other distribution from any source other than earned surplus without the Commissioner's prior approval. For purposes of this section, "earned surplus" means an amount equal to the unassigned funds of an insurer as set forth in the most recent annual statement of the insurer submitted to the Commissioner including all or part of the surplus arising from unrealized capital gains or revaluation of assets.

No domestic insurer shall pay any extraordinary dividend or make any other extraordinary distribution to its shareholders until:

(1) Thirty days after the Commissioner has received notice of the declaration thereof and has not within such period disapproved such payment; or

(2) The Commissioner shall have approved such payment within such 30-day period.

For purposes of this section, an extraordinary dividend or distribution includes any dividend or distribution of cash or other property, whose fair market value together with that of other dividends or distributions made within the preceding 12 months exceeds the greater of:

(1) Ten percent of such insurer's surplus as regards policyholders as of December 31 next preceding; or

(2) The net gain from operations of such insurer, if such insurer is a life insurer, or the net income, if such insurer is not a life insurer, not including realized capital gains, for the 12-month period ending December 31 next preceding, but shall not include pro rata distributions of any class of the insurer's own securities.

Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution which is conditional upon the Commissioner's approval thereof, and such declaration shall confer no rights upon shareholders until:

(1) The Commissioner has approved the payment of such a dividend or distribution; or

(2) The Commissioner has not disapproved such payment within the 30-day period referred to above.

(c) *Adequacy of surplus.* — For purposes of this chapter, in determining whether an insurer's surplus as regards policyholders is reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs, the following factors, among others, shall be considered:

(1) The size of the insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force and other

appropriate criteria;

- (2) The extent to which the insurer's business is diversified among the several lines of insurance;
- (3) The number and size of risks insured in each line of business;
- (4) The extent of the geographical dispersion of the insurer's insured risks;
- (5) The nature and extent of the insurer's reinsurance program;
- (6) The quality, diversification and liquidity of the insurer's investment portfolio;
- (7) The recent past and projected future trend in the size of the insurer's surplus as regards policyholders;
- (8) The surplus as regards policyholders maintained by other comparable insurers in respect to the factors enumerated above;
- (9) The adequacy of the insurer's reserves;

(10) The quality and liquidity of investments in affiliates. The Commissioner may treat any such investment as a disallowed asset for purposes of determining the adequacy of surplus as regards policyholders whenever in the Commissioner's judgment such investment so warrants; and

(11) The quality of the insurer's earnings and the extent to which the reported earnings of the insurer include extraordinary items.

(d) *Departmental practices.* — The Commissioner shall review, at least 1 time each year, the dividends paid by each domestic insurer to determine whether dividends paid by the insurer are reasonable in relation to the following:

- (1) The adequacy of the level or surplus as regards policyholders of the insurer remaining after the payment of dividends; and
- (2) The quality of the earnings of the insurer and the extent to which the reported earnings of the insurer include extraordinary items, such as surplus relief, reinsurance transactions and reserve destrengthening.

The Commissioner may issue an order to limit or disallow the payment of ordinary dividends by a domestic insurer if the Commissioner finds the insurer to be presently or potentially financially distressed or troubled.

§ 5006. Examination.

(a) *Power of Commissioner.* — Subject to the limitation contained in this section and in addition to the powers which the Commissioner has under Chapter 3 of this title relating to the examination of insurers, the Commissioner shall have the power to examine any insurer registered under § 5004 of this title and its affiliates to ascertain the financial condition of such insurer, including the enterprise risk to the insurer by the ultimate controlling party, or by any entity or combination of entities within the insurance holding company system, or by the insurance holding company system on a consolidated basis.

(b) *Access to books and records.* — (1) The Commissioner may order any insurer registered under § 5004 of this title to produce such records, books, or other information papers in the possession of the insurer or its affiliates as are reasonably necessary to determine compliance with this chapter.

(2) To determine compliance with this chapter, the Commissioner may order any insurer registered under § 5004 of this title to produce information not in the possession of the insurer if the insurer can obtain access to such information pursuant to contractual relationships, statutory obligations, or through other reasonable means. In the event the insurer cannot obtain the information requested by the Commissioner, the insurer shall provide the Commissioner a detailed explanation of the reason that the insurer cannot obtain the information and the identity of the holder of information. Whenever it appears to the Commissioner that the detailed explanation is without merit, the Commissioner may require, after notice and hearing, the insurer to pay a penalty of \$500 for each day's delay, or may suspend or revoke the insurer's license.

(c) *Use of consultants.* — The Commissioner may retain at the registered insurer's expense such attorneys, actuaries, accountants and other experts not otherwise a part of the Commissioner's staff as shall be reasonably necessary to assist in the conduct of the examination under subsection (a) of this section. Any persons so retained shall be under the direction and control of the Commissioner and shall act in a purely advisory capacity.

(d) *Expenses.* — Each registered insurer producing for examination records, books and papers pursuant to subsection (a) of this section shall be liable for and shall pay the expense of such examination in accordance with § 326 of this title.

(e) *Compelling production.* — In the event the insurer fails to comply with an order, the Commissioner shall have the power to examine the affiliates to obtain the information. The Commissioner shall have the power to issue subpoenas, to administer oaths, and to examine under oath any person, in accordance with § 326 of this title, for purposes of determining compliance with this section. Upon the failure or refusal of any person to obey a subpoena, the Commissioner may petition the Superior Court, and upon a proper showing, the Court may enter an order compelling the witness to appear and testify or produce documentary evidence. Failure to obey the court order shall be punishable as contempt of court. Every person shall be obliged to attend as a witness at the place specified in the subpoena, when subpoenaed, anywhere within the state. He or she shall be entitled to the same fees and mileage, if claimed, as a witness in Superior Court, which fees, mileage, and actual expense, if any, necessarily incurred in securing the attendance of witnesses, and their testimony, shall be itemized and charged against, and be paid by, the company being examined.

§ 5007. Confidential treatment.

(a) Documents, materials or other information in the possession or control of the Department that are obtained by or disclosed to the Commissioner or any other person in the course of an examination or investigation made pursuant to § 5006 of this title and all information reported or provided to the Department pursuant to § 5003(b)(12) and (13), § 5004, § 5005, or § 5015 of this title shall be confidential by law; shall not be subject subpoena, shall not be subject to this State's Freedom of Information Act laws (Chapter 100 of Title 29), and shall not be subject to discovery or admissible in evidence in any private civil action. However, the Commissioner is authorized to use the documents, materials or other information in the furtherance of any regulatory or legal action brought as a part of the Commissioner's official duties. The Commissioner shall not otherwise make the documents, materials or other information public without the prior written consent of the insurer to which it pertains unless the Commissioner, after giving the insurer and its affiliates who would be affected thereby, notice and opportunity to be heard, determines that the interest of policyholders, shareholders or the public will be served by the publication thereof, in which event the Commissioner may publish all or any part in such manner as may be deemed appropriate.

(b) Neither the Commissioner nor any person who received documents, materials or other information while acting under the authority of the Commissioner or with whom such documents, materials or other information are shared pursuant to this chapter shall be permitted or required to testify in any private civil action concerning any confidential documents, materials, or information subject to subsection (a) of this section.

(c) In order to assist in the performance of the Commissioner's duties, the Commissioner:

(1) May share documents, materials or other information, including the confidential and privileged documents, materials or information subject to subsection (a) of this section, with other state, federal and international regulatory agencies, with the NAIC and its affiliates and subsidiaries, and with state, federal, and international law-enforcement authorities, including members of any supervisory college described in § 5014 of this title; provided that the recipient agrees in writing to maintain the confidentiality and privileged status of the document, material or other information, and has verified in writing the legal authority to maintain confidentiality.

(2) Notwithstanding paragraph (c)(1) of this section above, the Commissioner may only share confidential and privileged documents, material, or information reported pursuant to § 5004(l) of this title with Commissioners of states having statutes or regulations substantially similar to subsection (a) of this section and who have agreed in writing not to disclose such information.

(3) May receive documents, materials or information, including otherwise confidential and privileged documents, materials or information from the NAIC or its affiliates and subsidiaries and from regulatory and law-enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any document, material or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material or information.

(4) Shall enter into written agreements with the NAIC governing sharing and use of information provided pursuant to this chapter consistent with this subsection that shall:

a. Specify procedures and protocols regarding the confidentiality and security of information shared with the NAIC and its affiliates and subsidiaries pursuant to this chapter, including procedures and protocols for sharing by the NAIC with other state, federal or international regulators;

b. Specify that ownership of information shared with the NAIC and its affiliates and subsidiaries pursuant to this chapter remains with the Commissioner and the NAIC's use of the information is subject to the direction of the Commissioner.

c. Require prompt notice to be given to an insurer whose confidential information in the possession of the NAIC pursuant to this chapter is subject to a request or subpoena to the NAIC for disclosure or production; and

d. Require the NAIC and its affiliates and subsidiaries to consent to intervention by an insurer in any judicial or administrative action in which the NAIC and its affiliates and subsidiaries may be required to disclose confidential information about the insurer shared with the NAIC and its affiliates and subsidiaries pursuant to this chapter.

(d) The sharing of information by the Commissioner pursuant to this chapter shall not constitute a delegation of regulatory authority or rulemaking and the Commissioner is solely responsible for the administration, execution and enforcement of the provisions of this chapter.

(e) No waiver of any applicable privilege or claim of confidentiality in the documents, materials or information shall occur as a result of disclosure to the Commissioner under this section or as a result of sharing as authorized in subsection (c) of this section.

(f) Documents or other information in the possession or control of the NAIC pursuant to this chapter shall be confidential by law, shall not be subject to subpoena, shall not be subject to this State's Freedom of Information Act laws (Chapter 100 of Title 29), and shall not be subject to discovery or admissible in evidence in any private civil action.

(60 Del. Laws, c. 616, § 7; 68 Del. Laws, c. 325, § 1; 70 Del. Laws, c. 186, § 1; 79 Del. Laws, c. 388, § 1; 80 Del. Laws, c. 118, § 1.)

§ 5008. Rules and regulations.

The Commissioner may, upon notice and opportunity for all interested persons to be heard, issue such rules, regulations and orders as shall be necessary to carry out the provisions of this chapter.

(68 Del. Laws, c. 325, § 1.)

§ 5009. Injunctions, prohibitions against voting securities; sequestration of voting securities.

(a) *Injunctions.* — Whenever it appears to the Commissioner that any insurer or any director, officer, employee or agent thereof has

committed or is about to commit a violation of this chapter or of any rule, regulation or order issued by the Commissioner hereunder, the Commissioner may apply to the Chancery Court for an order enjoining such insurer or such director, officer, employee or agent thereof from violating or continuing to violate this chapter or any such rule, regulation or order, and for such other equitable relief as the nature of the case and the interest of the insurer's policyholders, creditors and shareholders or the public may require.

(b) *Voting of securities; when prohibited.* — No security which is the subject of any agreement or arrangement regarding acquisition, or which is acquired or to be acquired, in contravention of the provisions of this chapter or of any rule, regulation or order issued by the Commissioner hereunder may be voted at any shareholder's meeting, or may be counted for quorum purposes, and any action of shareholders requiring the affirmative vote of a percentage of shares may be taken as though such securities were not issued and outstanding; but no action taken at any such meeting shall be invalidated by the voting of such securities, unless the action would materially affect control of the insurer or unless the courts of this State have so ordered. If an insurer or the Commissioner has reason to believe that any security of the insurer has been or is about to be acquired in contravention of the provisions of this chapter or of any rule, regulation or order issued by the Commissioner hereunder; the insurer or the Commissioner may apply to the Chancery Court to enjoin any offer, request, invitation, agreement or acquisition made in contravention of § 5003 of this title or any rule, regulation or order issued by the Commissioner thereunder to enjoin the voting of any security so acquired, to void any vote of such security already cast at any meeting of shareholders and for such other equitable relief as the nature of the case and the interest of the insurer's policyholders, creditor and shareholders or the public may require.

(c) *Sequestration of voting securities.* — In any case where a person has acquired or is proposing to acquire any voting securities in violation of this chapter or any rule, regulation or order issued by the Commissioner hereunder, the Chancery Court may, on such notice as the Court deems appropriate, upon the application of the insurer or the Commissioner seize or sequester any voting securities of the insurer owned directly or indirectly by such person, and issue such order with respect thereto as may be appropriate to effectuate the provisions of this chapter.

Notwithstanding any other provisions of law, for the purposes of this chapter the sites of the ownership of the securities of domestic insurers shall be deemed to be in this State.

(68 Del. Laws, c. 325, § 1.)

§ 5010. Sanctions.

(a) Any insurer failing, without just cause, to file any registration statement as required in this chapter shall be required, after notice and hearing, to pay a penalty of \$500 for each day's delay, to be recovered by the Commissioner of Insurance and the penalty so recovered shall be paid into the General Revenue Fund of this State. The maximum penalty under this section is \$25,000. The Commissioner may reduce the penalty if the insurer demonstrates to the Commissioner that the imposition of the penalty would constitute a financial hardship to the insurer.

(b) Every director or officer of an insurance holding company system who knowingly violates, participates in, or assents to, or who knowingly shall permit any of the officers or agents of the insurer to engage in transactions or make investments which have not been properly reported or submitted pursuant to § 5004(a) or § 5005(a)(2) or (b) of this title, or which violate this chapter, shall pay, in their individual capacity, a civil forfeiture of not more than \$2,000 per violation, after notice and hearing before the Commissioner. In determining the amount of the civil forfeiture, the Commissioner shall take into account the appropriateness of the forfeiture with respect to the gravity of the violation, the history of previous violations, and such other matters as justice may require.

(c) Whenever it appears to the Commissioner that any insurer subject to this chapter or any director, officer, employee or agent thereof has engaged in any transaction or entered into a contract which is subject to § 5005 of this title and which would not have been approved had such approval been requested, the Commissioner may order the insurer to cease and desist immediately any further activity under that transaction or contract. After notice and hearing, the Commissioner may also order the insurer to void any such contracts and restore the status quo if such action is in the best interest of the policyholders, creditors or the public.

(d) Whenever it appears to the Commissioner that any insurer or any director, officer, employee or agent thereof has committed a wilful violation of this chapter, the Commissioner may cause criminal proceedings to be instituted by the Superior Court against such insurer or the responsible director, officer, employee or agent thereof. Any insurer which wilfully violates this chapter may be fined not more than \$50,000. Any individual who wilfully violates this chapter may be fined in an individual capacity not more than \$25,000 or be imprisoned for not more than 1 to 3 years, or both.

(e) Any officer, director or employee of an insurance holding company system who wilfully and knowingly subscribes to or makes or causes to be made any false statements, false reports or false filings with the intent to deceive the Commissioner in the performance of the Commissioner's duties under this chapter, upon conviction thereof, shall be imprisoned for not more than 2 years, or fined \$50,000 or both. Any fines imposed shall be paid by the officer, director or employee in an individual capacity.

(f) Whenever it appears to the Commissioner that any person has committed a violation of § 5003 of this title and which prevents the full understanding of the enterprise risk to the insurer by affiliates or by the insurance holding company system, the violation may serve as an independent basis for disapproving dividends or distributions and for placing the insurer under an order of supervision in accordance with Chapter 59 of this title.

(60 Del. Laws, c. 616, § 8; 68 Del. Laws, c. 325, § 1; 70 Del. Laws, c. 186, § 1; 79 Del. Laws, c. 388, § 1.)

§ 5011. Receivership.

Whenever it appears to the Commissioner that any person has committed a violation of this chapter which so impairs the financial condition of a domestic insurer as to threaten insolvency or make the further transaction of business by it hazardous to its policyholders, creditors, shareholders or the public, then the Commissioner may proceed as provided in Chapter 59 of this title to take possession of the property of such domestic insurer and to conduct the business thereof.

(68 Del. Laws, c. 325, § 1.)

§ 5012. Recovery.

(a) If an order for liquidation or rehabilitation of a domestic insurer has been entered, the receiver appointed under such order shall have a right to recover on behalf of the insurer:

(1) From any parent corporation or holding company or person or affiliate who otherwise controlled the insurer, the amount of distributions (other than distributions of shares of the same class of stock) paid by the insurer on its capital stock; or

(2) Any payment in the form of a bonus, termination settlement or extraordinary lump sum salary adjustment made by the insurer or its subsidiary(s) to a director, officer or employee.

Where the distribution or payment pursuant to paragraph (a)(1) or (2) of this section is made at any time during the 1 year preceding the petition for liquidation, conservation or rehabilitation, as the case may be, subject to the limitations of subsections (b), (c) and (d) of this section.

(b) No such distribution shall be recoverable if the parent or affiliate shows that when paid, such distribution was lawful and reasonable, and that the insurer did not know and could not reasonably have known that such distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.

(c) Any person who was a parent corporation or holding company or a person who otherwise controlled the insurer or affiliate at the time such distributions were paid shall be liable up to the amount of distributions or payments under subsection (a) of this section such person received. Any person who otherwise controlled the insurer at the time such distributions were declared shall be liable up to the amount of distributions the person would have received if they had been paid immediately. If 2 or more persons are liable with respect to the same distributions, they shall be jointly and severally liable.

(d) The maximum amount recoverable under this subsection shall be the amount needed in excess of all other available assets of the impaired or insolvent insurer to pay the contractual obligations of the impaired or insolvent insurer and to reimburse any guaranty funds.

(e) To the extent that any person liable under subsection (c) of this section is insolvent or otherwise fails to pay claims due from it pursuant to such subsection, its parent corporation or holding company or person who otherwise controlled it at the time the distribution was paid, shall be jointly and severally liable for any resulting deficiency in the amount recovered from such parent corporation or holding company or person who otherwise controlled it.

(68 Del. Laws, c. 325, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5013. Revocation, suspension or nonrenewal of insurer's license.

Whenever it appears to the Commissioner that any person has committed a violation of this chapter which makes the continued operation of an insurer contrary to the interests of policyholders or the public, the Commissioner may, after giving notice and an opportunity to be heard, determine to suspend, revoke or refuse to renew such insurer's license or authority to do business in this State for such period as the Commissioner finds is required for the protection of policyholders or the public. Any such determination shall be accompanied by specific findings of fact and conclusions of law.

(60 Del. Laws, c. 616, § 8; 68 Del. Laws, c. 325, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5014. Supervisory colleges.

(a) *Power of Commissioner.* — With respect to any insurer registered under § 5004 of this title, and in accordance with subsection (c) of this section below, the Commissioner shall also have the power to participate in a supervisory college for any domestic insurer that is part of an insurance holding company system with international operations in order to determine compliance by the insurer with this chapter. The powers of the Commissioner with respect to supervisory colleges include, but are not limited to, the following:

(1) Initiating the establishment of a supervisory college;

(2) Clarifying the membership and participation of other supervisors in the supervisory college;

(3) Clarifying the functions of the supervisory college and the role of other regulators, including the establishment of a group-wide supervisor;

(4) Coordinating the ongoing activities of the supervisory college, including planning meetings, supervisory activities, and processes for information sharing; and

(5) Establishing a crisis management plan.

(b) *Expenses.* — Each registered insurer subject to this section shall be liable for and shall pay the reasonable expenses of the Commissioner's participation in a supervisory college in accordance with subsection (c) of this section below, including reasonable travel expenses. For purposes of this section, a supervisory college may be convened as either a temporary or permanent forum for communication and cooperation between the regulators charged with the supervision of the insurer or its affiliates, and the Commissioner may establish a regular assessment to the insurer for the payment of these expenses.

(c) *Supervisory college.* — In order to assess the business strategy, financial position, legal and regulatory position, risk exposure, risk management and governance processes, and as part of the examination of individual insurers in accordance with § 5006 of this title, the Commissioner may participate in a supervisory college with other regulators charged with supervision of the insurer or its affiliates, including other state, federal and international regulatory agencies. The Commissioner may enter into agreements in accordance with § 5007(c) of this title providing the basis for cooperation between the Commissioner and the other regulatory agencies, and the activities of the supervisory college. Nothing in this section shall delegate to the supervisory college the authority of the Commissioner to regulate or supervise the insurer or its affiliates within its jurisdiction.

(79 Del. Laws, c. 388, § 1.)

§ 5015. Group-wide supervision of internationally active insurance group.

(a) The Commissioner is authorized to act as the group-wide supervisor for any internationally active insurance group in accordance with the provisions of this section. However, the Commissioner may otherwise acknowledge another regulatory official as the group-wide supervisor where the internationally active insurance group:

- (1) Does not have substantial insurance operations in the United States;
- (2) Has substantial insurance operations in the United States, but not in this State; or
- (3) Has substantial insurance operations in the United States and this State, but the Commissioner has determined pursuant to the factors set forth in subsections (b) and (f) of this section that the other regulatory official is the appropriate group-wide supervisor.

An insurance holding company system that does not otherwise qualify as an internationally active insurance group may request that the Commissioner make a determination or acknowledgement as to a group-wide supervisor pursuant to this section.

(b) In cooperation with other state, federal, and international regulatory agencies, the Commissioner will identify a single group-wide supervisor for an internationally active insurance group. The Commissioner may determine that the Commissioner is the appropriate group-wide supervisor for an internationally active insurance group that conducts substantial insurance operations concentrated in this State. However, the Commissioner may acknowledge that a regulatory official from another jurisdiction is the appropriate group-wide supervisor for the internationally active insurance group. The Commissioner shall consider the following factors when making a determination or acknowledgement under this subsection:

- (1) The place of domicile of the insurers within the internationally active insurance group that hold the largest share of the group's written premiums, assets, or liabilities;
- (2) The place of domicile of the top-tiered insurer or insurers in the insurance holding company system of the internationally active insurance group;
- (3) The location of the executive offices or largest operational offices of the internationally active insurance group;
- (4) Whether another regulatory official is acting or is seeking to act as the group-wide supervisor under a regulatory system that the Commissioner determines to be:
 - a. Substantially similar to the system of regulation provided under the laws of this State; or
 - b. Otherwise sufficient in terms of providing for group-wide supervision, enterprise risk analysis, and cooperation with other regulatory officials;
- (5) Whether another regulatory official acting or seeking to act as the group-wide supervisor provides the Commissioner with reasonably reciprocal recognition and cooperation.

However, a commissioner identified under this section as the group-wide supervisor may determine that it is appropriate to acknowledge another supervisor to serve as the group-wide supervisor. The acknowledgement of the group-wide supervisor shall be made after consideration of the factors listed in paragraphs (b)(1) through (5) of this section above, and shall be made in cooperation with and subject to the acknowledgement of other regulatory officials involved with supervision of members of the internationally active insurance group, and in consultation with the internationally active insurance group.

(c) Notwithstanding any other provision of law, when another regulatory official is acting as the group-wide supervisor of an internationally active insurance group, the Commissioner shall acknowledge that regulatory official as the group-wide supervisor. However, in the event of a material change in the internationally active insurance group that results in:

- (1) The internationally active insurance group's insurers domiciled in this State holding the largest share of the group's premiums, assets, or liabilities; or
- (2) This State being the place of domicile of the top-tiered insurer or insurers in the insurance holding company system of the internationally active insurance group,

the Commissioner shall make a determination or acknowledgement as to the appropriate group-wide supervisor for such an internationally active insurance group pursuant to subsection (b) of this section.

(d) Pursuant to § 5006 of this title, the Commissioner is authorized to collect from any insurer registered pursuant to § 5004 of this title all information necessary to determine whether the Commissioner may act as a group-wide supervisor of an internationally active insurance group or if the Commissioner may acknowledge another regulatory official to act as the group-wide supervisor. Prior to issuing a determination that an internationally active insurance group is subject to group-wide supervision by the Commissioner, the Commissioner shall notify the insurer registered pursuant to § 5004 of this title and the ultimate controlling person within the internationally active insurance group. The internationally active insurance group shall have not less than 30 days to provide the Commissioner with additional

information pertinent to the pending determination. The Commissioner shall publish in the Delaware Administrative Code and on its Internet website the identity of internationally active insurance groups that the Commissioner has determined are subject to group-wide supervision by the Commissioner.

(e) If the Commissioner is the group-wide supervisor for an internationally active insurance group, the Commissioner is authorized to engage in any of the following group-wide supervision activities:

- (1) Assess the enterprise risks within the internationally active insurance group to ensure that:
 - a. The material financial condition and liquidity risks to the members of the internationally active insurance group that are engaged in the business of insurance are identified by management; and
 - b. Reasonable and effective mitigation measures are in place.
- (2) Request from any member of an internationally active insurance group subject to the Commissioner's supervision, information necessary and appropriate to assess enterprise risk, including, but not limited to, information about the members of the internationally active insurance group regarding:
 - a. Governance, risk assessment and management;
 - b. Capital adequacy; and
 - c. Material intercompany transactions.

(3) Coordinate and, through the authority of the regulatory officials of the jurisdictions where members of the internationally active insurance group are domiciled, compel development and implementation of reasonable measures designed to ensure that the internationally active insurance group is able to timely recognize and mitigate enterprise risks to members of such internationally active insurance group that are engaged in the business of insurance.

(4) Communicate with other state, federal, and international regulatory agencies for members within the internationally active insurance group and share relevant information subject to the confidentiality provisions of § 5007 of this title, through supervisory colleges as set forth in § 5014 of this title or otherwise.

(5) Enter into agreements with or obtain documentation from any insurer registered under § 5004 of this title, any member of the internationally active insurance group, and any other state, federal, and international regulatory agencies for members of the internationally active insurance group, providing the basis for or otherwise clarifying the Commissioner's role as group-wide supervisor, including provisions for resolving disputes with other regulatory officials. Such agreements or documentation shall not serve as evidence in any proceeding that any insurer or person within an insurance holding company system not domiciled in this State is doing business in this State or is otherwise subject to jurisdiction in this State.

(6) Other group-wide supervision activities, consistent with the authorities and purposes enumerated above, as considered necessary by the Commissioner.

(f) If the Commissioner acknowledges that another regulatory official from a jurisdiction that is not accredited by the National Association of Insurance Commissioners (NAIC) is the group-wide supervisor, the Commissioner is authorized to reasonably cooperate, through supervisory colleges or otherwise, with group-wide supervision undertaken by the group-wide supervisor, provided that:

- (1) The Commissioner's cooperation is in compliance with the laws of this State; and
- (2) The regulatory official acknowledged as the group-wide supervisor also recognizes and cooperates with the Commissioner's activities as a group-wide supervisor for other internationally active insurance groups where applicable. Where such recognition and cooperation is not reasonably reciprocal, the Commissioner is authorized to refuse recognition and cooperation.

(g) The Commissioner is authorized to enter into agreements with or obtain documentation from any insurer registered under § 5004 of this title, any affiliate of the insurer, and other state, federal and international regulatory agencies for members of the internationally active insurance group that provide the basis for or otherwise clarify a regulatory official's role as group-wide supervisor.

(h) The Commissioner may promulgate regulations necessary for the administration of this section.

(i) A registered insurer subject to this section shall be liable for and shall pay the reasonable expenses of the Commissioner's participation in the administration of this section, including the engagement of attorneys, actuaries and any other professionals and all reasonable travel expenses.

(c) A certificate of membership may also restrict the payment of any benefit for sickness, accident and/or death that occurs within a specified time after the issuance of such certificate to the refund of all dues paid by the members or their beneficiaries less the expense of carrying the same on the books of the association, and the payment of such refund shall fully liquidate all claims of a member against the association by reason of such certificate of membership.

(d) A certificate of membership may also limit the time which shall elapse before any benefits are payable and may be paid within reasonable limitations approved by the Commissioner.

(18 Del. C. 1953, § 5517; 56 Del. Laws, c. 380, § 1.)

(c) The bond shall provide that it is not subject to cancellation unless 30 days' advance notice in writing of cancellation is given both the attorney and the Commissioner.

(b) Any judgment based upon legal process so served shall be binding upon each of the insurer's subscribers as their respective interests may appear but in an amount not exceeding their respective contingent liabilities, if any, the same as though personal service of process was had upon each such subscriber.

(18 Del. C. 1953, § 5713; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5714. Contributions to insurer.

The attorney or other parties may advance to a domestic reciprocal insurer upon reasonable terms such funds as it may require from time to time in its operations. Sums so advanced shall not be treated as a liability of the insurer and, except upon liquidation of the insurer, shall not be withdrawn or repaid except out of the insurer's realized earned surplus in excess of its minimum required surplus. No such withdrawal or repayment shall be made without the advance approval of the Commissioner. This section does not apply to bank loans or to other loans made upon security.

(18 Del. C. 1953, § 5714; 56 Del. Laws, c. 380, § 1.)

§ 5715. Financial condition; method of determining.

In determining the financial condition of a reciprocal insurer, the Commissioner shall apply the following rules:

(1) The Commissioner shall charge as liabilities the same reserves as are required of incorporated insurers issuing nonassessable policies on a reserve basis.

(2) The surplus deposits of subscribers shall be allowed as assets, except that any premium deposits delinquent for 90 days shall first be charged against such surplus deposit.

(3) The surplus deposits of subscribers shall not be charged as a liability.

(4) All premium deposits delinquent less than 90 days shall be allowed as assets.

(5) An assessment levied upon subscribers and not collected shall not be allowed as an asset.

(6) The contingent liability of subscribers shall not be allowed as an asset.

Any corporation now or hereafter organized under the laws of this State shall, in addition to the rights, powers, and franchises specified in its articles of incorporation, have full power and authority as a subscriber to exchange insurance contracts through such reciprocal insurer. The right to exchange such contracts is hereby declared to be incidental to the purposes for which such corporations are organized and to be as fully granted as the rights and powers expressly conferred upon such corporations. Government or governmental agencies, state or political subdivisions thereof, boards, associations, estates, trustees or fiduciaries are authorized to exchange nonassessable reciprocal interinsurance contracts with each other and with individuals, partnerships and corporations to the same extent that individuals, partnerships and corporations are herein authorized to exchange reciprocal interinsurance contracts. Any officer, representative, trustee, receiver or legal representative of any such subscriber shall be recognized as acting for or on its behalf for the purpose of such contract but shall not be personally liable upon such contract by reason of acting in such representative capacity.

(18 Del. C. 1953, § 5716; 56 Del. Laws, c. 380, § 1.)

§ 5717. Subscribers' advisory committee.

(a) The advisory committee of a domestic reciprocal insurer exercising the subscribers' rights shall be selected under such rules as the subscribers adopt.

- (18 Del. C. 1953, § 5717; 56 Del. Laws, c. 380, § 1.)

§ 5718. Subscribers' liability generally.

- (a) The liability of each subscriber, other than as to a nonassessable policy, for the obligations of the reciprocal insurer shall be an individual, several and proportionate liability, and not joint.
 - (b) Except as to a nonassessable policy, each subscriber shall have a contingent assessment liability, in the amount provided for in the power of attorney or in the subscribers' agreement, for payment of actual losses and expenses incurred while the subscriber's policy was in force. Such contingent liability may be at the rate of not less than 1 nor more than 10 times the premium or premium deposit stated in the policy, and the maximum aggregate thereof shall be computed in the manner set forth in § 5722 of this title.
 - (c) Each assessable policy issued by the insurer shall contain a statement of the contingent liability set in type of the same prominence as the insuring clause.
- (18 Del. C. 1953, § 5718; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5719. Subscribers' liability on judgment.

- (a) No action shall lie against any subscriber upon any obligation claimed against the insurer until a final judgment has been obtained against the insurer and remains unsatisfied for 30 days.
 - (b) Any such judgment shall be binding upon each subscriber only in such proportion as the subscriber's interests may appear and in amount not exceeding the subscriber's contingent liability, if any.
- (18 Del. C. 1953, § 5719; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5720. Assessments.

- (a) Assessments may from time to time be levied upon subscribers of a domestic reciprocal insurer liable therefor under the terms of their policies by the attorney upon approval in advance by the subscribers' advisory committee and the Commissioner or by the Commissioner in liquidation of the insurer.
 - (b) Each subscriber's share of a deficiency for which an assessment is made which shall not exceed in any event the subscriber's aggregate contingent liability as computed in accordance with § 5722 of this title, shall be computed by applying to the premium earned on the subscriber's policy or policies during the period to be covered by the assessment, the ratio of the total deficiency to the total premiums earned during such period upon all policies subject to the assessment.
 - (c) In computing the earned premiums for the purposes of this section, the gross premium received by the insurer for the policy shall be used as a base, deducting therefrom solely charges not recurring upon the renewal or extension of the policy.
 - (d) No subscriber shall have an offset against any assessment for which such subscriber is liable on account of any claim for unearned premium or losses payable.
- (18 Del. C. 1953, § 5720; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5721. Time limit for assessments.

- Every subscriber of a domestic reciprocal insurer having contingent liability shall be liable for and shall pay his or her share of any assessment, as computed and limited in accordance with this chapter, if:
- (1) While his or her policy is in force or within 1 year after its termination, he or she is notified by either the attorney or the Commissioner of his or her intentions to levy such assessment, or
 - (2) An order to show cause why a receiver, conservator, rehabilitator or liquidator of the insurer should not be appointed is issued while his or her policy is in force or within 1 year after its termination.
- (18 Del. C. 1953, § 5721; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5722. Aggregate or contingent liability.

- No 1 policy or subscriber as to such policy shall be assessed or charged with an aggregate or contingent liability as to obligations incurred by a domestic reciprocal insurer in any 1 calendar year in excess of the amount provided for in the power of attorney or in the subscribers' agreement, computed solely upon premium earned on such policy during that year.
- (18 Del. C. 1953, § 5722; 56 Del. Laws, c. 380, § 1.)

§ 5723. Nonassessable policies.

- (a) If a reciprocal insurer has a surplus of assets over all liabilities at least equal to the minimum capital stock and surplus required to be maintained by a domestic stock insurer authorized to transact like kinds of insurance, upon application of the attorney and as approved by the subscribers' advisory committee, the Commissioner shall issue his or her certificate authorizing the insurer to extinguish the contingent liability of subscribers under its policies then in force in this State and to omit provisions imposing contingent liability in all policies delivered or issued for delivery in this State for so long as all such surplus remains unimpaired.
- (b) Upon impairment of such surplus, the Commissioner shall forthwith revoke the certificate. Such revocation shall not render subject

to contingent liability any policy then in force and for the remainder of the period for which the premium has theretofore been paid, but, after such revocation, no policy shall be issued or renewed without providing for contingent assessment liability of the subscriber.

(c) The Commissioner shall not authorize a domestic reciprocal insurer so to extinguish the contingent liability of any of its subscribers or in any of its policies to be issued unless it qualified to and does extinguish such liability of all its subscribers and in all such policies for all kinds of insurance transacted by it. Except, that if required by the laws of another state in which the insurer is transacting insurance as an authorized insurer, the insurer may issue policies providing for the contingent liability of such of its subscribers as may acquire such policies in such state and need not extinguish the contingent liability applicable to policies theretofore in force in such state.

(18 Del. C. 1953, § 5723; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5724. Subscribers' share in assets.

Upon the liquidation of a domestic reciprocal insurer, its assets remaining after discharge of its indebtedness and policy obligations, the return of any contributions of the attorney or other persons to its surplus and the return of any unused premium, savings or credits then standing on subscribers' accounts shall be distributed to its subscribers who were such within the 12 months prior to the last termination of its certificate of authority, according to such reasonable formula as the Commissioner may approve.

(18 Del. C. 1953, § 5724; 56 Del. Laws, c. 380, § 1.)

§ 5725. Merger or conversion.

(a) A domestic reciprocal insurer upon affirmative vote of not less than $\frac{2}{3}$ of its subscribers who vote on such merger, pursuant to due notice and the approval of the Commissioner of the terms therefor, may merge with another reciprocal insurer or be converted to a stock or mutual insurer.

(b) Such a stock or mutual insurer shall be subject to the same capital or surplus requirements and shall have the same rights as a like domestic insurer transacting like kinds of insurance.

(c) The Commissioner shall not approve any plan for such merger or conversion which is inequitable to subscribers, or which, if for conversion to a stock insurer, does not give each subscriber preferential right to acquire stock of the proposed insurer proportionate to each subscriber's interest in the reciprocal insurer as determined in accordance with § 5724 of this title and a reasonable length of time within which to exercise such right.

(18 Del. C. 1953, § 5725; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5726. Impaired reciprocals.

(a) If the assets of a domestic reciprocal insurer are at any time insufficient to discharge its liabilities, other than any liability on account of funds contributed by the attorney or others, and to maintain the required surplus, its attorney shall forthwith make up the deficiency or levy an assessment upon the subscribers for the amount needed to make up the deficiency but subject to the limitation set forth in the power of attorney or policy.

(b) If the attorney fails to make up such deficiency or to make the assessment within 30 days after the Commissioner orders such attorney to do so or if the deficiency is not fully made up within 60 days after the date the assessment was made, the insurer shall be deemed insolvent and shall be proceeded against as authorized by this title.

(c) If liquidation of such an insurer is ordered, an assessment shall be levied upon the subscribers for such an amount, subject to limits as provided by this chapter, as the Commissioner determines to be necessary to discharge all liabilities of the insurer, exclusive of any funds contributed by the attorney or other persons but including the reasonable cost of the liquidation.

(18 Del. C. 1953, § 5726; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5802. RBC reports.

(a) Every domestic insurer shall, on or prior to each March 1 (the "filing date"), prepare and submit to the Commissioner a report of its RBC levels as of the end of the calendar year just ended, in a form and containing such information as is required by the RBC instructions. In addition, every domestic insurer shall file its RBC report:

- (1) With the NAIC in accordance with the RBC instructions; and
 - (2) With the insurance commissioner in any state in which the insurer is authorized to do business, if the insurance commissioner has notified the insurer of its request in writing, in which case the insurer shall file its RBC report not later than the later of:

 - b. The filing date.
- (b) A life and health insurer's RBC shall be determined in accordance with the formula set forth in the RBC instructions. The formula

(d) An excess of capital over the amount produced by the risk-based capital requirements contained in this chapter and the formulas, schedules and instructions referenced in this chapter is desirable in the business of insurance. Accordingly, insurers should seek to maintain capital above the RBC levels required by this chapter. Additional capital is used and useful in the insurance business and helps to secure an insurer against various risks inherent in, or affecting, the business of insurance and not accounted for or only partially measured by the risk-based capital requirements contained in this chapter.

(e) If a domestic insurer files an RBC report which in the judgment of the Commissioner is inaccurate, then the Commissioner shall adjust the RBC report to correct the inaccuracy and shall notify the insurer of the adjustment. The notice shall contain a statement of the reason for the adjustment. An RBC report as so adjusted is referred to as an "adjusted RBC report."

(3) If, pursuant to § 5807 of this chapter, an insurer challenges an adjusted RBC report that indicates the event in paragraph (a)(1) of this section, the notification by the Commissioner to the insurer that the Commissioner has, after a hearing, rejected the insurer's challenge.

(b) In the event of a Company Action Level Event, the insurer shall prepare and submit to the Commissioner an RBC plan which shall:

(1) Identify the conditions which contribute to the Company Action Level Event;

(2) Contain proposals of corrective actions which the insurer intends to take and would be expected to result in the elimination of the Company Action Level Event;

(3) Provide projections of the insurer's financial results in the current year and at least the 4 succeeding years, both in the absence of proposed corrective actions and giving effect to the proposed corrective actions, including projections of statutory operating income, net income, capital and/or surplus. (The projections for both new and renewal business might include separate projections for each major line of business and separate identification of each significant income, expense and benefit component);

(4) Identify the key assumptions impacting the insurer's projections and the sensitivity of the projections to the assumptions; and

(5) Identify the quality of, and problems associated with, the insurer's business including, but not limited to, its assets, anticipated business growth and associated surplus strain, extraordinary exposure to risk, mix of business and use of reinsurance, if any, in each case.

(c) The RBC plan shall be submitted:

(1) Within 45 days of the Company Action Level Event; or

(2) If the insurer challenges an adjusted RBC report pursuant to § 5807 of this title, within 45 days after notification to the insurer that the Commissioner has, after a hearing, rejected the insurer's challenge.

(d) Within 60 days after the submission by an insurer of an RBC plan to the Commissioner, the Commissioner shall notify the insurer whether the RBC plan shall be implemented or is, in the judgment of the Commissioner, unsatisfactory. If the Commissioner determines

the RBC plan is unsatisfactory, the notification to the insurer shall set forth the reasons for the determination, and may set forth proposed revisions which will render the RBC plan satisfactory, in the judgment of the Commissioner. Upon notification from the Commissioner, the insurer shall prepare a revised RBC plan, which may incorporate by reference any revisions proposed by the Commissioner, and shall submit the revised RBC plan to the Commissioner:

- (1) Within 45 days after the notification from the Commissioner; or
 - (2) If the insurer challenges the notification from the Commissioner under § 5807 of this title, within 45 days after a notification to the insurer that the Commissioner has, after a hearing, rejected the insurer's challenge.
- (e) In the event of a notification by the Commissioner to an insurer that the insurer's RBC plan or revised RBC plan is unsatisfactory, the Commissioner may at the Commissioner's discretion, subject to the insurer's right to a hearing under § 5807 of this title, specify in the notification that the notification constitutes a Regulatory Action Level Event.
- (f) Every domestic insurer that files an RBC plan or revised RBC plan with the Commissioner shall file a copy of the RBC plan or revised RBC plan with the insurance commissioner in any state in which the insurer is authorized to do business if:
- (1) Such state has an RBC provision substantially similar to § 5808(a) of this title; and
 - (2) The insurance commissioner of that state has notified the insurer of its request for the filing in writing, in which case the insurer shall file a copy of the RBC plan or revised RBC plan in that state no later than the later of:
 - a. Fifteen days after the receipt of notice to file a copy of its RBC plan or revised RBC plan with the state; or
 - b. The date on which the RBC plan or revised RBC plan is filed under subsections (c) and (d) of this section.
- (70 Del. Laws, c. 234, § 1; 78 Del. Laws, c. 329, § 1; 79 Del. Laws, c. 425, § 2; 80 Del. Laws, c. 384, § 1.)

 - (7) If, pursuant to § 5807 of this title, the insurer challenges a determination by the Commissioner under paragraph (a)(6) of this section, the notification by the Commissioner to the insurer that the Commissioner has, after a hearing, rejected such challenge;
 - (8) Notification by the Commissioner to the insurer that the insurer has failed to adhere to its RBC plan or revised RBC plan, but only if such failure has a substantial adverse effect on the ability of the insurer to eliminate the Company Action Level Event in accordance with its RBC plan or revised RBC plan and the Commissioner has so stated in the notification, provided the insurer has not challenged the determination under § 5807 of this title; or
 - (9) If, pursuant to § 5807 of this title, the insurer challenges a determination by the Commissioner under paragraph (a)(8) of this section, the notification by the Commissioner to the insurer that the Commissioner has, after a hearing, rejected the challenge.

- (1) Require the insurer to prepare and submit an RBC plan or, if applicable, a revised RBC plan;
 - (2) Perform such examination or analysis as the Commissioner deems necessary of the assets, liabilities and operations of the insurer including a review of its RBC plan or revised RBC plan; and
 - (3) Subsequent to the examination or analysis, issue an order specifying such corrective actions as the Commissioner shall determine are required (a "corrective order").
- (c) In determining corrective actions, the Commissioner may take into account such factors as are deemed relevant with respect to the insurer based upon the Commissioner's examination or analysis of the assets, liabilities and operations of the insurer, including, but not limited to, the results of any sensitivity test undertaken pursuant to the RBC Instructions. The RBC plan or revised RBC plan shall be submitted:
- (1) Within 45 days after the occurrence of the Regulatory Action Level Event;

(d) The Commissioner may retain actuaries and investment experts and other consultants as may be necessary in the judgment of the Commissioner to review the insurer's RBC plan or revised RBC plan, examine or analyze the assets, liabilities and operations of the insurer and formulate the corrective order with respect to the insurer. The fees, costs and expenses relating to consultants shall be borne by the affected insurer or such other party as directed by the Commissioner.

(70 Del. Laws, c. 234, § 1; 79 Del. Laws, c. 425, § 2.)

(2) The notification by the Commissioner to the insurer of an adjusted RBC report that indicates the event in paragraph (a)(1) of this section, provided the insurer does not challenge the adjusted RBC report under § 5807 of this title;

(3) If, pursuant to § 5807 of this title, the insurer challenges an adjusted RBC report that indicates the event in paragraph (a)(1) of this section, notification by the Commissioner to the insurer that the Commissioner has, after a hearing, rejected the insurer's challenge;

(4) The failure of the insurer to respond, in a manner satisfactory to the Commissioner, to a corrective order (provided the insurer has not challenged the corrective order under § 5807 of this title); or

(5) If the insurer has challenged a corrective order under § 5807 of this title, and the Commissioner has, after a hearing, rejected the challenge or modified the corrective order, the failure of the insurer to respond, in a manner satisfactory to the Commissioner, to the corrective order subsequent to rejection or modification by the Commissioner.

(b) In the event of an Authorized Control Level Event with respect to an insurer, the Commissioner shall:

(1) Take such actions as are required under § 5804 of this title, regarding an insurer with respect to which a Regulatory Action Level Event has occurred; or

(2) If the Commissioner deems it to be in the best interests of the policyholders and creditors of the insurer and of the public, take such actions as are necessary to cause the insurer to be placed under regulatory control under Chapter 59 of this title. In the event the Commissioner takes such actions, the Authorized Control Level Event shall be deemed sufficient grounds for the Commissioner to take action under Chapter 59 of this title, and the Commissioner shall have the rights, powers and duties with respect to the insurer as are set forth in Chapter 59 of this title. In the event the Commissioner takes actions under this paragraph pursuant to an adjusted RBC report, the insurer shall be entitled to such protections as are afforded to insurers under the provisions of Chapter 59 of this title pertaining to summary proceedings.

(70 Del. Laws, c. 234, § 1; 79 Del. Laws, c. 425, § 2.)

(1) The filing of an RBC report which indicates that the insurer's total adjusted capital is less than its Mandatory Control Level RBC;

(2) Notification by the Commissioner to the insurer of an adjusted RBC report that indicates the event in paragraph (a)(1) of this section, provided the insurer does not challenge the adjusted RBC report under § 5807 of this title; or

(3) If, pursuant to § 5807 of this title, the insurer challenges an adjusted RBC report that indicates the event in paragraph (a)(1) of this section, notification by the Commissioner to the insurer that the Commissioner has, after a hearing, rejected the insurer's challenge.

(b) In the event of a Mandatory Control Level Event:

(1) With respect to a life insurer, the Commissioner shall take such actions as are necessary to place the insurer under regulatory control under Chapter 59 of this title. In the event the Mandatory Control Level Event shall be deemed sufficient grounds for the Commissioner to take action under Chapter 59 of this title, the Commissioner shall have the rights, powers and duties with respect to the insurer as are set forth in Chapter 59 of this title. If the Commissioner takes actions pursuant to an adjusted RBC report, the insurer shall be entitled to the protections of Chapter 59 to this title pertaining to summary proceedings. Notwithstanding any of the foregoing, the Commissioner may forgo action for up to 90 days after the Mandatory Control Level Event if the Commissioner finds there is a reasonable expectation that the Mandatory control Level Event may be eliminated within the 90-day period.

(2) With respect to a property and casualty insurer, the Commissioner shall take such actions as are necessary to place the insurer under regulatory control under Chapter 59 of this title, or, in the case of an insurer which is writing no business and which is running-off its existing business, may allow the insurer to continue its run-off under the supervision of the Commissioner. In either event, the Mandatory Control Level Event shall be deemed sufficient grounds for the Commissioner to take action under Chapter 59 of this title and the Commissioner shall have the rights, powers and duties with respect to the insurer as are set forth in Chapter 59 of this title. If the Commissioner takes actions pursuant to an adjusted RBC report, the insurer shall be entitled to the protections of Chapter 59 of this title pertaining to summary proceedings. Notwithstanding any of the foregoing, the Commissioner may forgo action for up to 90 days after the Mandatory Control Level Event if the Commissioner finds there is a reasonable expectation that the Mandatory Control Level Event may be eliminated within the 90-day period.

(70 Del. Laws, c. 234, § 1; 79 Del. Laws, c. 425, § 2.)

§ 5807. Hearings.

Upon:

- (1) Notification to an insurer by the Commissioner of an adjusted RBC report; or
- (2) Notification to an insurer by the Commissioner that:

- a. The insurer's RBC plan or revised RBC plan is unsatisfactory; and
- b. Such notification constitutes a Regulatory Action Level Event with respect to such insurer; or

(3) Notification to any insurer by the Commissioner that the insurer has failed to adhere to its RBC plan or revised RBC plan and that such failure has a substantial adverse effect on the ability of the insurer to eliminate the Company Action Level Event with respect to the insurer in accordance with its RBC plan or revised RBC plan; or

(4) Notification to an insurer by the Commissioner of a corrective order with respect to the insurer, the insurer shall have the right to a departmental hearing, on the record, at which the insurer may challenge any determination or action by the Commissioner. The insurer shall notify the Commissioner of its request for a hearing within 5 days after the notification by the Commissioner under paragraph (1), (2), (3) or (4) of this section. Upon receipt of the insurer's request for a hearing, the Commissioner shall set a date for the hearing, which date shall be no less than 10 nor more than 30 days after the date of the insurer's request.

(70 Del. Laws, c. 234, § 1; 79 Del. Laws, c. 425, § 2.)

§ 5808. Confidentiality, prohibition on announcements, prohibition on use in ratemaking.

(a) All RBC reports (to the extent the information therein is not required to be set forth in a publicly available annual statement schedule) and RBC plans (including the results or report of any examination or analysis of an insurer performed pursuant hereto and any corrective order issued by the Commissioner pursuant to examination or analysis) with respect to any domestic insurer or foreign insurer which are filed with the Commissioner constitute information that might be damaging to the insurer if made available to its competitors, and therefore shall be kept confidential by the Commissioner. This information shall not be made public and/or be subject to subpoena, other than by the Commissioner and then only for the purpose of enforcement actions taken by the Commissioner pursuant to this chapter or any other provision of the insurance laws of this State.

(b) Neither the Commissioner nor any person who received documents, materials or other information while acting under the authority of the Commissioner shall be permitted or required to testify in any private civil action concerning any confidential documents, materials or information subject to subsection (a) of this section.

(c) In order to assist in the performance of the Commissioner's duties, the Commissioner:

(1) May share documents, materials or other information, including the confidential and privileged documents, materials or information subject to subsection (a) of this section, with other state, federal and international regulatory agencies, with the NAIC and its affiliates and subsidiaries, and with state, federal and international law-enforcement authorities, provided that the recipient agrees to maintain the confidentiality and privileged status of the document, material or other information;

(2) May receive documents, materials or information, including otherwise confidential and privileged documents, materials or information, from the NAIC and its affiliates and subsidiaries, and from regulatory and law-enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any document, material or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material or information; and

(3) May enter into agreements governing sharing and use of information consistent with this subsection.

(d) No waiver of any applicable privilege or claim of confidentiality in the documents, materials or information shall occur as a result of disclosure to the Commissioner under this section or as a result of sharing as authorized in subsection (c) of this section.

(e) It is the judgment of the General Assembly that the comparison of an insurer's total adjusted capital to any of its RBC levels is a regulatory tool which may indicate the need for possible corrective action with respect to the insurer, and is not intended as a means to rank insurers generally. Therefore, except as otherwise required under the provisions of this chapter, the making, publishing, disseminating, circulating or placing before the public, or causing, directly or indirectly, to be made, published, disseminated, circulated or placed before the public, in a newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter or poster, or over any radio or television station, or in any other way, an advertisement, announcement or statement containing an assertion, representation or statement with regard to the RBC levels of any insurer, or of any component derived in the calculation, by any insurer, agent, broker or other person engaged in any manner in the insurance business would be misleading and is therefore prohibited; provided, however, that if any materially false statement with respect to the comparison regarding an insurer's total adjusted capital to its RBC levels (or any of them) or an inappropriate comparison of any other amount to the insurers RBC levels is published in any written publication and the insurer is able to demonstrate to the Commissioner with substantial proof the falsity of such statement, or the inappropriateness, as the case may be, then the insurer may publish an announcement in a written publication if the sole purpose of the announcement is to rebut the materially false statement.

(f) It is the further judgment of the General Assembly that the RBC instructions, RBC reports, adjusted RBC reports, RBC plans and revised RBC plans are intended solely for use by the Commissioner in monitoring the solvency of insurers and the need for possible corrective action with respect to insurers and shall not be used by the Commissioner for ratemaking nor considered or introduced as

evidence in any rate proceeding nor used by the Commissioner to calculate or derive any elements of an appropriate premium level or rate of return for any line of insurance which an insurer or any affiliate is authorized to write.

(70 Del. Laws, c. 234, § 1; 78 Del. Laws, c. 329, § 1; 79 Del. Laws, c. 425, § 2.)

§ 5809. Supplemental provisions, rules, exemption.

(a) The provisions of this chapter are supplemental to any other provisions of the laws of this State, and shall not preclude or limit any other powers or duties of the Commissioner under such laws, including, but not limited to, Chapter 59 of this title.

(b) The Commissioner may adopt reasonable rules necessary for the implementation of this chapter.

(c) The Commissioner may exempt from the application of this chapter any domestic property and casualty insurer which:

(1) Writes direct business only in this State;

(2) Writes direct annual premiums of \$2,000,000 or less; and

(3) Assumes no reinsurance in excess of 5 percent of direct premium written.

(d) The provisions of this chapter shall not apply to any domestic insurer transacting insurance in foreign countries only, as defined in § 103 of this title; and negotiation and issuance of insurance on objects of insurance resident, located or to be performed in such foreign jurisdictions, and changes in, communications concerning, and collection of premiums and payment of proceeds on insurance so issued, shall not be deemed to constitute the transaction of insurance in any such state.

(70 Del. Laws, c. 234, § 1; 79 Del. Laws, c. 425, § 2.)

§ 5810. Foreign insurers.

(a) Any foreign insurer shall, upon the written request of the Commissioner, submit to the Commissioner an RBC report as of the end of the calendar year just ended the later of:

(1) The date an RBC report would be required to be filed by a domestic insurer under this chapter; or

(2) Fifteen days after the request is received by the foreign insurer.

(b) Any foreign insurer shall, at the written request of the Commissioner, promptly submit to the Commissioner a copy of any RBC plan that is filed with the insurance commissioner of any other state.

(c) In the event of a Company Action Level Event, Regulatory Action Level Event or Authorized Control Level Event with respect to any foreign insurer as determined under the RBC statute applicable in the state of domicile of the insurer (or, if no RBC statute is in force in that state, under the provisions of this chapter), if the insurance commissioner of the state of domicile of the foreign insurer fails to require the foreign insurer to file an RBC plan in the manner specified under that state's RBC statute (or, if no RBC statute is in force in that state, under § 5803 of this title), the Commissioner may require the foreign insurer to file an RBC plan with the Commissioner. In such event, the failure of the foreign insurer to file an RBC plan with the Commissioner shall be grounds to order the insurer to cease and desist from writing new insurance business in this State.

(d) In the event of a Mandatory Control Level Event with respect to any foreign insurer, if no domiciliary receiver has been appointed with respect to the foreign insurer under the rehabilitation and liquidation statute applicable in the state of domicile of the foreign insurer, the Commissioner may make application to the Court of Chancery permitted under Chapter 59 of this title with respect to the liquidation of property of foreign insurers found in this State, and the occurrence of the Mandatory Control level Event shall be considered adequate grounds for the application.

(70 Del. Laws, c. 234, § 1; 79 Del. Laws, c. 425, § 2.)

§ 5811. Immunity.

There shall be no liability on the part of, and no cause of action shall arise against, the Commissioner or the Insurance Department or its employees or agents for any action taken by them in the performance of their powers and duties under this chapter.

(70 Del. Laws, c. 234, § 1; 79 Del. Laws, c. 425, § 2.)

§ 5812. Notices.

All notices by the Commissioner to an insurer which may result in regulatory action hereunder shall be effective upon dispatch if transmitted by registered or certified mail, or in the case of any other transmission shall be effective upon the insurer's receipt of such notice.

(70 Del. Laws, c. 234, § 1; 79 Del. Laws, c. 425, § 2.)

§ 5813. Phase-in provision.

For RBC reports required to be filed insurers with respect to 1994, the following requirements shall apply in lieu of the provisions of §§ 5803, 5804, 5805 and 5806 of this title:

(1) In the event of a Company Action Level Event with respect to a domestic insurer, the Commissioner shall take no regulatory action hereunder.

(2) In the event of a Regulatory Action Level Event under § 5804(a)(1), (2) or (3) of this title the Commissioner shall take the actions required under § 5803 of this title.

(3) In the event of a Regulatory Action Level Event under § 5804(a)(4), (5), (6), (7), (8) or (9) of this title or an Authorized Control

Level Event, the Commissioner shall take the actions required under § 5804 of this title with respect to the insurer.

(4) In the event of a Mandatory Control Level Event with respect to an insurer, the Commissioner shall take the actions required under § 5805 of this title with respect to the insurer.

(70 Del. Laws, c. 234, § 1; 79 Del. Laws, c. 425, § 2.)

This definition does not include an organization that is licensed as either a life and/or health insurer or a property and casualty insurer under § 516 of this title and that is otherwise subject to either the life and/or health or property and casualty RBC requirements.

(6) *“NAIC.”* — The term “NAIC” means the National Association of Insurance Commissioners.

(8) *“RBC level.”* — The term “RBC level” means a health organization’s company action level RBC, regulatory action level RBC, authorized control level RBC, or mandatory control level RBC where:

a. “Authorized control level RBC” means the number determined under the risk based capital formula in accordance with the RBC instructions;

(79 Del. Laws, c. 425, § 3.)

§ 5821. RBC reports.

(a) A domestic health organization shall, on or prior to each March 1 or the required annual statement filing date if later (the “filing date”), prepare and submit to the Commissioner a report of its RBC levels as of the end of the calendar year just ended, in a form and containing such information as is required by the RBC instructions. In addition, a domestic health organization shall file its RBC report:

(1) With the NAIC in accordance with the RBC instructions; and

(2) With the insurance commissioner in any state in which the health organization is authorized to do business, if the insurance commissioner has notified the health organization of its request in writing, in which case the health organization shall file its RBC report not later than the later of:

a. Fifteen days from the receipt of notice to file its RBC report with that state; or

b. The filing date.

(b) A health organization's RBC shall be determined in accordance with the formula set forth in the RBC instructions. The formula shall take the following into account (and may adjust for the covariance between) determined in each case by applying the factors in the manner set forth in the RBC instructions.

(c) An excess of capital (i.e. net worth) over the amount produced by the risk-based capital requirements contained in this subchapter II and the formulas, schedules and instructions referenced in this subchapter II is desirable in the business of health insurance. Accordingly, health organizations should seek to maintain capital above the RBC levels required by this subchapter II. Additional capital is used and useful in the insurance business and helps to secure a health organization against various risks inherent in, or affecting, the business of insurance and not accounted for or only partially measured by the risk-based capital requirements contained in this subchapter II.

(d) If a domestic health organization files an RBC report that in the judgment of the Commissioner is inaccurate, then the Commissioner shall adjust the RBC report to correct the inaccuracy and shall notify the health organization of the adjustment. The notice shall contain a statement of the reason for the adjustment. An RBC report as so adjusted is referred to as an "adjusted RBC report."

(79 Del. Laws, c. 425, § 3.)

§ 5822. Company action level event.

(a) "Company action level event" means any of the following events:

(1) The filing of an RBC report by a health organization that indicates that the health organization's total adjusted capital is greater than or equal to its regulatory action level RBC but less than its company action level RBC, if a health organization has total adjusted capital which is greater than or equal to its company action level RBC but less than the product of its authorized control level RBC and 3.0 and triggers the trend test determined in accordance with the trend test calculation included in the health RBC instructions;

(3) If, pursuant to § 5826 of this title, a health organization challenges an adjusted RBC report that indicates the event in paragraph (a)(1) of this section, the notification by the Commissioner to the health organization that the Commissioner has, after a hearing, rejected the health organization's challenge.

(b) In the event of a company action level event, the health organization shall prepare and submit to the Commissioner an RBC plan that shall:

(1) Identify the conditions that contribute to the company action level event;

(2) Contain proposals of corrective actions that the health organization intends to take and that would be expected to result in the elimination of the company action level event;

(3) Provide projections of the health organization's financial results in the current year and at least the 2 succeeding years, both in the absence of proposed corrective actions and giving effect to the proposed corrective actions, including projections of statutory balance sheets, operating income, net income, capital and surplus, and RBC levels. The projections for both new and renewal business might include separate projections for each major line of business and separately identify each significant income, expense and benefit component;

(4) Identify the key assumptions impacting the health organization's projections and the sensitivity of the projections to the assumptions; and

(5) Identify the quality of, and problems associated with, the health organization's business, including but not limited to its assets, anticipated business growth and associated surplus strain, extraordinary exposure to risk, mix of business and use of reinsurance, if any, in each case.

(c) The RBC plan shall be submitted

(1) Within 45 days of the company action level event; or

(2) If the health organization challenges an adjusted RBC report pursuant to § 5826 of this title, within 45 days after notification to the health organization that the Commissioner has, after a hearing, rejected the health organization's challenge.

(d) Within 60 days after the submission by a health organization of an RBC plan to the Commissioner, the Commissioner shall notify the health organization whether the RBC plan shall be implemented or is, in the judgment of the Commissioner, unsatisfactory. If the Commissioner determines the RBC plan is unsatisfactory, the notification to the health organization shall set forth the reasons for the determination, and may set forth proposed revisions which will render the RBC plan satisfactory, in the judgment of the Commissioner. Upon notification from the Commissioner, the health organization shall prepare a revised RBC plan, which may incorporate by reference any revisions proposed by the Commissioner, and shall submit the revised RBC plan to the Commissioner:

(1) Within 45 days after the notification from the Commissioner; or

(2) If the health organization challenges the notification from the Commissioner under § 5826 of this title, within 45 days after a notification to the health organization that the Commissioner has, after a hearing, rejected the health organization's challenge.

(e) In the event of a notification by the Commissioner to a health organization that the health organization's RBC plan or revised RBC

plan is unsatisfactory, the Commissioner may at the Commissioner's discretion, subject to the health organization's right to a hearing under § 5826 of this title, specify in the notification that the notification constitutes a regulatory action level event.

(f) Every domestic health organization that files an RBC plan or revised RBC plan with the Commissioner shall file a copy of the RBC plan or revised RBC plan with the insurance commissioner in any state in which the health organization is authorized to do business if:

(1) The state has an RBC provision substantially similar to § 5827(a) of this title; and

 - (4) Notification to a health organization by the Commissioner of a corrective order with respect to the health organization.
- (79 Del. Laws, c. 425, § 3.)

§ 5827. Confidentiality; prohibition on announcements, prohibition on use in ratemaking.

However, the Commissioner is authorized to use the documents, materials or other information in the furtherance of any regulatory or legal action brought as a part of the Commissioner's official duties.

(b) Neither the Commissioner nor any person who received documents, materials or other information while acting under the authority of the Commissioner shall be permitted or required to testify in any private civil action concerning any confidential documents, materials or information subject to subsection (a) of this section.

(c) In order to assist in the performance of the Commissioner's duties, the Commissioner:

(1) May share documents, materials or other information, including the confidential and privileged documents, materials or information subject to subsection (a) of this section, with other state, federal and international regulatory agencies, with the NAIC and its affiliates and subsidiaries, and with state, federal and international law-enforcement authorities, provided that the recipient agrees to maintain the confidentiality and privileged status of the document, material or other information;

(2) May receive documents, materials or information, including otherwise confidential and privileged documents, materials or information, from the NAIC and its affiliates and subsidiaries, and from regulatory and law-enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any document, material or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material or information; and

(3) May enter into agreements governing sharing and use of information consistent with this subsection.

(d) No waiver of any applicable privilege or claim of confidentiality in the documents, materials or information shall occur as a result of disclosure to the Commissioner under this section or as a result of sharing as authorized in paragraph (c)(3) of this section.

(e) It is the judgment of the General Assembly that the comparison of a health organization's total adjusted capital to any of its RBC levels is a regulatory tool which may indicate the need for corrective action with respect to the health organization, and is not intended as a means to rank health organizations generally. Therefore, except as otherwise required under the provisions of this subchapter II, the making, publishing, disseminating, circulating or placing before the public, or causing, directly or indirectly to be made, published, disseminated, circulated or placed before the public, in a newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter or poster, or over a radio or television station, or in any other way, an advertisement, announcement or statement containing an assertion, representation or statement with regard to the RBC levels of any health organization, or of any component derived in the calculation, by any health organization, agent, broker or other person engaged in any manner in the insurance business would be misleading and is therefore prohibited; provided, however, that if any materially false statement with respect to the comparison regarding a health organization's total adjusted capital to its RBC levels (or any of them) or an inappropriate comparison of any other amount to the health organizations' RBC levels is published in any written publication and the health organization is able to demonstrate to the Commissioner with substantial proof the falsity of the statement, or the inappropriateness, as the case may be, then the health organization may publish an announcement in a written publication if the sole purpose of the announcement is to rebut the materially false statement.

(f) It is the further judgment of the General Assembly that the RBC instructions, RBC reports, adjusted RBC reports, RBC plans and revised RBC plans are intended solely for use by the Commissioner in monitoring the solvency of health organizations and the need for possible corrective action with respect to health organizations and shall not be used by the Commissioner for ratemaking nor considered or introduced as evidence in any rate proceeding nor used by the Commissioner to calculate or derive any elements of an appropriate premium level or rate of return for any line of insurance that a health organization or any affiliate is authorized to write.

(79 Del. Laws, c. 425, § 3.)

§ 5828. Supplemental provisions; rules; exemption.

(a) The provisions of this subchapter II are supplemental to any other provisions of the laws of this State, and shall not preclude or limit

any other powers or duties of the Commissioner under such laws, including, but not limited to, Chapter 59 of this title and 18 DE Admin. Code § 304.

- (b) The Commissioner may adopt reasonable rules necessary for the implementation of this subchapter II.
- (c) The Commissioner may exempt from the application of this subchapter II a domestic health organization that:
 - (1) Writes direct business only in this State;
 - (2) Assumes no reinsurance in excess of 5% of direct premium written; and
 - (3) Writes direct annual premiums for comprehensive medical business of \$2,000,000 or less; or
 - (4) Is a limited health service organization that covers less than 2,000 lives.

(79 Del. Laws, c. 425, § 3.)

- b. Fifteen days after the request is received by the foreign health organization.

(2) A foreign health organization shall, at the written request of the Commissioner, promptly submit to the Commissioner a copy of any RBC plan that is filed with the insurance commissioner of any other state.

(b) In the event of a company action level event, regulatory action level event or authorized control level event with respect to a foreign health organization as determined under the RBC statute applicable in the state of domicile of the health organization (or, if no RBC statute is in force in that state, under the provisions of this subchapter II), if the insurance commissioner of the state of domicile of the foreign health organization fails to require the foreign health organization to file an RBC plan in the manner specified under that state's RBC statute (or, if no RBC statute is in force in that state, under § 5822 of this title), the Commissioner may require the foreign health organization to file an RBC plan with the Commissioner. In such event, the failure of the foreign health organization to file an RBC plan with the Commissioner shall be grounds to order the health organization to cease and desist from writing new insurance business in this State.

(c) In the event of a mandatory control level event with respect to a foreign health organization, if no domiciliary receiver has been appointed with respect to the foreign health organization under the rehabilitation and liquidation statute applicable in the state of domicile of the foreign health organization, the Commissioner may make application to the Court of Chancery permitted under Chapter 59 of this title with respect to the liquidation of property of foreign health organizations found in this State, and the occurrence of the mandatory control level event shall be considered adequate grounds for the application.

(79 Del. Laws, c. 425, § 3.)

§ 5830. Immunity.

There shall be no liability on the part of, and no cause of action shall arise against, the Commissioner or the Insurance Department or its employees or agents for any action taken by them in the performance of their powers and duties under this subchapter II.

(79 Del. Laws, c. 425, § 3.)

§ 5831. Severability clause.

If any provision of this subchapter II, or its application to any person or circumstance, is held invalid, that determination shall not affect the provisions or applications of this subchapter II that can be given effect without the invalid provision or application, and to that end the provisions of this subchapter II are severable.

(79 Del. Laws, c. 425, § 3.)

§ 5832. Notices.

All notices by the Commissioner to a health organization that may result in regulatory action under this subchapter II shall be effective upon dispatch if transmitted by registered or certified mail, or in the case of any other transmission shall be effective upon the health organization's receipt of notice.

- (8) Has been or is the subject of an application for the appointment of a receiver, trustee, custodian or sequestrator of the insurer or its property otherwise than pursuant to the provisions of this title, but only if such appointment has been made or is imminent and its effect is or would be to oust the courts of this State of jurisdiction hereunder;
- (9) Has consented to such an order through a majority of the directors, stockholders, members or subscribers; and
- (10) Has failed to pay a final judgment rendered against it in this State upon any insurance contract issued or assumed by it within 30

§ 5906. Grounds for liquidation.

The Commissioner may apply to the court for an order appointing the Commissioner as receiver (if the Commissioner appointment as receiver shall not be then in effect) and directing the Commissioner to liquidate the business of a domestic insurer or of the United States branch of an alien insurer having trusteed assets in this State, regardless of whether or not there has been a prior order directing the Commissioner to rehabilitate such insurer, upon any of the grounds specified in § 5905 of this title or if such insurer:

(1) Has ceased transacting business for a period of 1 year, or

(2) Is an insolvent insurer and has commenced voluntary liquidation or dissolution or attempts to commence or prosecute any action or proceeding to liquidate its business or affairs or to dissolve its corporate charter or to procure the appointment of a receiver, trustee, custodian or sequestrator under any law except this title.

(18 Del. C. 1953, § 5906; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5907. Grounds for conservation; foreign insurers.

The Commissioner may apply to the court for an order appointing the Commissioner as receiver or ancillary receiver and directing him or her to conserve the assets within this State, of a foreign insurer upon any of the following grounds:

(1) Upon any of the grounds specified in § 5905 or § 5906 of this title, or

(2) Upon the ground that its property has been sequestered in its domiciliary sovereignty or in any other sovereignty.

(18 Del. C. 1953, § 5907; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5908. Grounds for conservation — Alien insurers.

The Commissioner may apply to the court for an order appointing the Commissioner as receiver or ancillary receiver and directing the Commissioner to conserve the assets within this State of any alien insurer upon any of the following grounds:

(1) Upon any of the grounds specified in § 5905 or § 5906 of this title;

(2) Upon the ground that the insurer has failed to comply within the time designated by the Commissioner with an order made by the Commissioner to make good an impairment of its trusteed funds; or

(3) Upon the ground that the property of the insurer has been sequestered in its domiciliary sovereignty or elsewhere.

(18 Del. C. 1953, § 5908; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5909. Grounds for ancillary liquidation; foreign insurers.

The Commissioner may apply to the court for an order appointing the Commissioner as ancillary receiver of and directing the Commissioner to liquidate the business of a foreign insurer having assets, business or claims in this State upon the appointment in the domiciliary state of such insurer of a receiver, liquidator, conservator, rehabilitator or other officer by whatever name called for the purpose of liquidating the business of such insurer.

(18 Del. C. 1953, § 5909; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5910. Order of rehabilitation; termination.

(a) An order to rehabilitate a domestic insurer shall direct the Commissioner forthwith to take possession of the property of the insurer and to conduct the business thereof and to take such steps toward removal of the causes and conditions which have made rehabilitation necessary as the court may direct.

(b) If at any time the Commissioner deems that further efforts to rehabilitate the insurer would be useless, the Commissioner may apply to the court for an order of liquidation.

(c) The Commissioner or any interested person upon due notice to the Commissioner at any time may apply to the court for an order terminating the rehabilitation proceedings and permitting the insurer to resume possession of its property and the conduct of its business, but, no such order shall be made or entered except when, after a hearing, the Court has determined that the purposes of the proceeding have been fully accomplished.

(18 Del. C. 1953, § 5910; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5911. Order of liquidation; domestic insurers; insolvent insurer's assets.

(a) An order to liquidate the business of a domestic insurer shall direct the Commissioner forthwith to take possession of the property of the insurer, to liquidate its business, to deal with the insurer's property and business in the Commissioner's own name as Insurance Commissioner or in the name of the insurer, as the court may direct, and to give notice to all creditors who may have claims against the insurer to present such claims.

(b) The Commissioner may apply for and secure an order dissolving the corporate existence of a domestic insurer or the United States branch of an alien insurer domiciled in this State upon the Commissioner's application for an order of liquidation of such insurer or at any time after such order has been granted. The court may order dissolution of the corporation upon petition by the Commissioner upon or after the granting of a liquidation order. If the dissolution has not previously been ordered, it shall be effected by operation of law upon the

discharge of the liquidator if the insurer is insolvent. However, dissolution may be ordered by the court upon the discharge of the liquidator if the insurer is under a liquidation order for some other reason. Notwithstanding the above, upon application by the Commissioner and following notice as prescribed by the court and a hearing, the court may sell the corporation as an entity, together with any of its licenses to do business, despite the entry of an order of liquidation. The sale may be made on terms and conditions the court deems appropriate. The court may permit the sale of such corporate existence upon or after the granting of a liquidation order. The proceeds from the sale of the corporation shall become a part of the general assets of the estate in liquidation, and the corporate entity and its licenses shall thereafter be free and clear from the claims or interest of all claimants, creditors, policyholders and stockholders of the corporation under liquidation. If permission to sell the corporation is not granted prior to discharge of the liquidator, the court shall order dissolution of the corporation if the insurer is insolvent, and the court may order dissolution of the corporation if the insurer is under a liquidation order for some other reason.

(c) (1) Within 120 days of a final determination of insolvency of a company, the Commissioner shall apply for a proposed order to disburse assets out of such company's marshalled assets, from time to time as such assets become available to the Delaware Insurance Guaranty Association and to any entity or person performing a similar function in another jurisdiction having substantially the same provisions of law.

(2) Such proposed order shall at least include provision for:

a. Reserving amounts for the payment of expenses to administration and the payment of claims of secured creditors (to the extent the value of the security held) and claims falling within the priorities established in §§ 5915-5919, 5924-5927 and 5929 of this title;

b. Disbursement of the assets marshalled to date and subsequent disbursements of assets as they become available;

c. Equitable allocation disbursements to the Delaware Insurance Guaranty Association and similar entities entitled thereto;

d. The securing by the Commissioner as receiver in each of the associations entitled to disbursement pursuant to this section of an agreement to return to the receiver such assets previously disbursed as may be required to pay claims of secured creditors and claims falling within the priorities established in §§ 5915-5919, 5924-5927 and 5929 of this title in accordance with such priorities. No bond shall be required of any such association;

e. A full report to be made by the association to the receiver accounting for all assets so disbursed to the association, all disbursements made therefrom, any interest earned by the association on such assets and any matter as the court may direct.

(3) The Commissioner's proposed order shall provide for disbursements to the Delaware Insurance Guaranty Association and any entity or person performing a similar function in another jurisdiction in amounts estimated at least equal to the claim payments made or to be made thereby for which such associations could assert a claim against the Commissioner as receiver, and shall further provide that if the assets available for disbursement from time to time do not equal nor exceed the amount of such claim payments made or to be made by the Delaware Insurance Guaranty Association in a similar entity in another jurisdiction, then disbursements shall be in the amount of available assets.

(4) Notice of such proposed order shall be given to the Delaware Insurance Guaranty Association and the commissioners of insurance of each state and the District of Columbia. Any such notice shall be deemed to have been given when deposited in the United States certified mails, first-class postage prepaid, at least 30 days prior to the submission of such application to the court. Action on the proposed order may be taken by the court provided the above required notice has been given and provided further that the Commissioner's proposed order complies with paragraphs (c)(2)a. and d. of this section.

(18 Del. C. 1953, § 5911; 56 Del. Laws, c. 380, § 1; 61 Del. Laws, c. 129, § 1; 70 Del. Laws, c. 186, § 1; 70 Del. Laws, c. 195, § 1.)

§ 5912. Order of conservation or ancillary liquidation of foreign or alien insurers.

(a) An order to conserve the assets of a foreign or alien insurer shall require the Commissioner forthwith to take possession of the property of the insurer within this State and to conserve it, subject to the further direction of the court.

(b) An order to liquidate the assets in this State of a foreign insurer shall require the Commissioner forthwith to take possession of the property of the insurer within this State and to liquidate it subject to the orders of the court and with due regard to the rights and powers of the domiciliary receiver, as provided in this chapter.

(18 Del. C. 1953, § 5912; 56 Del. Laws, c. 380, § 1.)

§ 5913. Conduct of delinquent proceedings against domestic and alien insurers.

(a) Whenever under this chapter a receiver is to be appointed in delinquency proceedings for an insurer, the court shall appoint the Commissioner as such receiver. The court shall order the Commissioner forthwith to take possession of the assets of the insurer and to administer the same under the orders of the court.

(b) As a domiciliary receiver, the Commissioner shall be vested by operation of law with the title to all of the property, contracts and rights of action and all of the books and records of the insurer, wherever located, as of the date of entry of the order directing the Commissioner to rehabilitate or liquidate a domestic insurer or to liquidate the United States branch of an alien insurer domiciled in this State, and the Commissioner shall have the right to recover the same and reduce the same to possession, except that ancillary receivers in reciprocal states shall have, as to assets located in their respective states, the rights and powers which are herein prescribed for ancillary receivers appointed in this State as to assets located in this State.

(c) The filing or recording of the order directing possession to be taken, or a certified copy thereof, in any office where instruments

affecting title to property are required to be filed or recorded shall impart the same notice as would be imparted by a deed, bill of sale or other evidence of title duly filed or recorded.

(d) The Commissioner as domiciliary receiver shall be responsible for the proper administration of all assets coming into the Commissioner's possession or control. The court may at any time require a bond from the Commissioner or the Commissioner's deputies if deemed desirable for the protection of such assets.

(e) Upon taking possession of the assets of an insurer, the domiciliary receiver shall, subject to the direction of the court, immediately proceed to conduct the business of the insurer or to take such steps as are authorized by this chapter for the purpose of rehabilitating, liquidating or conserving the affairs or assets of the insurer.

(f) In connection with delinquency proceedings, the Commissioner may appoint 1 or more special deputy commissioners to act for the Commissioner, and the Commissioner may employ such counsel, clerks and assistants as necessary. The compensation of the special deputies, counsel, clerks or assistants and all expenses of taking possession of the insurer and of conducting the proceedings shall be fixed by the receiver, subject to the approval of the court, and shall be paid out of the funds or assets of the insurer. Within the limits of duties imposed upon them, special deputies shall possess all the powers given to and, in the exercise of those powers, shall be subject to all of the duties imposed upon the receiver with respect to such proceedings.

(18 Del. C. 1953, § 5913; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5914. Conduct of delinquency proceedings against foreign insurers.

(a) Whenever under this chapter an ancillary receiver is to be appointed in delinquency proceedings for an insurer not domiciled in this State, the court shall appoint the Commissioner as ancillary receiver. The Commissioner shall file a petition requesting the appointment on the grounds set forth in § 5909 of this title:

(1) If the Commissioner finds that there are sufficient assets of the insurer located in this State to justify the appointment of an ancillary receiver, or

(2) If 10 or more persons resident in this State having claims against such insurer file a petition with the Commissioner requesting the appointment of such ancillary receiver.

(b) The domiciliary receiver for the purpose of liquidating an insurer domiciled in a reciprocal state shall be vested by operation of law with the title to all of the property, contracts and rights of action and all of the books and records of the insurer located in this State, and such receiver shall have the immediate right to recover balances due from local agents and to obtain possession of any books and records of the insurer found in this State. The domiciliary receiver shall also be entitled to recover the other assets of the insurer located in this State, except that upon the appointment of an ancillary receiver in this State, the ancillary receiver shall during the ancillary receivership proceedings have the sole right to recover such other assets. The ancillary receiver shall, as soon as practicable, liquidate from their respective securities those special deposit claims and secured claims which are proved and allowed in the ancillary proceedings in this State and shall pay the necessary expenses of the proceedings. All remaining assets shall promptly transfer to the domiciliary receiver. Subject to the foregoing provisions, the ancillary receiver and the ancillary receiver's deputies shall have the same powers and be subject to the same duties with respect to the administration of such assets as a receiver of an insurer domiciled in this State.

(c) The domiciliary receiver of an insurer domiciled in a reciprocal state may sue in this State to recover any assets of such insurer to which the domiciliary receiver may be entitled under the laws of this State.

(18 Del. C. 1953, § 5914; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5915. Claims of nonresidents against domestic insurers.

(a) In a delinquency proceeding begun in this State against a domestic insurer, claimants residing in reciprocal states may file claims either with the ancillary receivers, if any, in their respective states, or with the domiciliary receiver. All such claims must be filed on or before the last date fixed for the filing of claims in the domiciliary delinquency proceedings.

(b) (1) Controverted claims belonging to claimants residing in reciprocal states may either:

a. Be proved in this State; or

b. If ancillary proceedings have been commenced in such reciprocal states may be proved in those proceedings.

(2) In the event a claimant elects to prove a claim in ancillary proceedings, if notice of the claim and opportunity to appear and be heard is afforded the domiciliary receiver of this State, as provided in § 5916 of this title with respect to ancillary proceedings in this State, the final allowance of such claim by the courts in the ancillary state shall be accepted in this State as conclusive as to its amount and shall also be accepted as conclusive as to its priority, if any, against special deposits or other security located within the ancillary state.

(18 Del. C. 1953, § 5915; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5916. Claims against foreign insurers.

(a) In a delinquency proceeding in a reciprocal state against an insurer domiciled in that state, claimants against such insurer who reside within this State may file claims either with the ancillary receiver, if any, appointed in this State or with the domiciliary receiver. All such claims must be filed on or before the last date fixed for the filing of claims in the domiciliary delinquency proceedings.

(b) (1) Controverted claims belonging to claimants residing in this State may either:

- a. Be proved in the domiciliary state as provided by the law of that state; or
- b. If ancillary proceedings have been commenced in this State, be proved in those proceedings.

(2) In the event that any such claimant elects to prove a claim in this State, such claimant shall file a claim with the ancillary receiver and shall give notice in writing to the receiver in the domiciliary state, either by registered or certified mail or by personal service at least 40 days prior to the date set for hearing. The notice shall contain a concise statement of the amount of the claim, the facts on which the claim is based and the priorities asserted, if any. If the domiciliary receiver within 30 days after the giving of such notice shall give notice in writing to the ancillary receiver and to the claimant, either by registered or certified mail or by personal service, of the domiciliary receiver's intention to contest such claim, the domiciliary receiver shall be entitled to appear or to be represented in any proceeding in this State involving adjudication of the claim. The final allowance of the claim by the courts of this State shall be accepted as conclusive as to its amount and shall also be accepted as conclusive as to its priority, if any, against special deposits or other security located within this State.

(18 Del. C. 1953, § 5916; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5917. Form of claim; notice; hearing.

(a) All claims against an insurer against which delinquency proceedings have been begun shall set forth in reasonable detail the amount of the claim or the basis upon which such amount can be ascertained, the facts upon which the claim is based and the priorities asserted, if any. All such claims shall be verified by the affidavit of the claimant or someone authorized to act on the claimant's behalf and having knowledge of the facts and shall be supported by such documents as may be material thereto.

(b) All claims filed in this State shall be filed with the receiver, whether domiciliary or ancillary, in this State on or before the last date for filing as specified in this chapter.

(c) Within 10 days of the receipt of any claim or within such further period as the court may fix for good cause shown, the receiver shall report the claim to the court, specifying in such report the receiver's recommendation with respect to the action to be taken thereon. Upon receipt of such report, the court shall fix a time for hearing the claim and shall direct that the claimant or the receiver, as the court shall specify, shall give such notice as the court shall determine to such persons as shall appear to the court to be interested therein. All such notices shall specify the time and place of the hearing and shall concisely state the amount and nature of the claim, the priorities asserted, if any, and the recommendation of the receiver with reference thereto.

(d) At the hearing, all persons interested shall be entitled to appear and the court shall enter an order allowing, allowing in part, or disallowing the claim. Any such order shall be deemed to be an appealable order.

(18 Del. C. 1953, § 5917; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5918. Priority of certain claims.

(a) In a delinquency proceeding against an insurer domiciled in this State, claims owing to residents of ancillary states shall be preferred claims if like claims are preferred under the laws of this State. All such claims owing to residents or nonresidents shall be given equal priority of payment from general assets regardless of where such assets are located.

(b) In a delinquency proceeding against an insurer domiciled in a reciprocal state, claims owing to residents of this State shall be preferred if like claims are preferred by the laws of that state.

(c) The owners of special deposit claims against an insurer for which a receiver is appointed in this or any other state shall be given priority against their several special deposits in accordance with the provisions of the statutes governing the creation and maintenance of such deposits. If there is a deficiency in any such deposit so that the claims secured thereby are not fully discharged therefrom, the claimants may share in the general assets, but such sharing shall be deferred until general creditors and also claimants against other special deposits who have received smaller percentages from their respective special deposits have been paid percentages of their claims equal to the percentage paid from the special deposit.

(d) The owner of a secured claim against an insurer for which a receiver has been appointed in this or any other state may surrender his or her security and file a claim as a general creditor, or the claim may be discharged by resort to the security, in which case the deficiency, if any, shall be treated as a claim against the general assets of the insurer on the same basis as claims of unsecured creditors. If the amount of the deficiency has been adjudicated in ancillary proceedings as provided in this chapter or if it has been adjudicated by a court of competent jurisdiction in proceedings in which the domiciliary receiver has had notice and opportunity to be heard, such amounts shall be conclusive, otherwise, the amount shall be determined in the delinquency proceeding in the domiciliary state.

(e) The priority of distribution of claims from the insurer's general assets shall be in accordance with the order in which each class of claims is herein set forth. Every claim in each class shall be paid in full or adequate funds retained for such payment before the members of the next class shall receive any payment. No subclasses shall be established within any class. No claim by a shareholder, policyholder or other creditor shall be permitted to circumvent the priority classes through the use of equitable remedies. The order of distribution shall be:

(1) *Class I.* — The costs and expenses of administration expressly approved by the receiver, including but not limited to the following:

- a. The receiver's actual and necessary costs of taking possession of the insurer, preserving or recovering the assets of the insurer, and otherwise complying with this chapter;
- b. Reasonable compensation for all services rendered at the request of and on behalf of the receiver, or that receiver's appointed

deputy receiver or receivers, in the liquidation by the receivership's employees and its retained attorneys, accountants, actuaries, claims adjusters, expert witnesses and other consultants; and

c. All expenses incurred by the Department in supervising the receivership proceedings of the insurer;

(2) *Class II.* — The reasonable and necessary administrative expenses of the Delaware Insurance Guaranty Association or the Delaware Life and Health Insurance Guaranty Association or as the case may be, and any similar organization in another state. If the receiver determines that the assets of the estate will be sufficient to pay all Class I claims in full, Class II claims shall be paid currently, provided that the receiver shall secure from each of the associations receiving disbursements pursuant to this section an agreement to return to the receiver such disbursement, together with investment income actually earned on such disbursement, as may be required to pay Class I claims.

(3) *Class III.* — Claims by policyholders, beneficiaries and insureds, including the federal or any state or local government if such government is a named policyholder, beneficiary or insured under the policy, arising from and within the coverage of and not in excess of the applicable limits of insurance policies, insurance contracts and funding agreements issued by the company; liability claims, including liability claims of the federal or any state or local government, against insureds which claims are within the coverage of and not in excess of the applicable limits of insurance policies, insurance contracts and funding agreements issued by the company, including claims for reasonable attorneys' fees incurred by the policyholder to defend against the liability claim if such attorneys' fees are covered under the policy, but only to the extent covered; policyholder's claims for refunds of unearned premium; and claims of the Delaware Insurance Guaranty Association or the Delaware Life and Health Insurance Guaranty Association, as the case may be, and any similar organization in another state for coverage of policy benefits as required by statute; provided, however, that this paragraph shall not apply to the following claims:

a. Claims arising under reinsurance contracts, including any claims for reinsurance premium due;

b. Claims of insurers, insurance pools or underwriting associations for contribution, indemnity or subrogation, equitable or otherwise.

Interest shall not be allowed or paid on Class III claims, except that the value assigned to Class III claims arising from valid preliquidation judgments, other than judgments by default or collusion, may include prejudgment and postjudgment interest up to the date of liquidation if such interest is required by law or contract.

(4) *Class IV.* — Taxes owed to the United States and other debts owed to the United States which by the laws of the United States are entitled to priority over the claims in Classes V through IX below and which claims of the United States are not already included in Class III above.

(5) *Class V.* — Claims of employees, other than officers or directors, of the insurer for compensation actually owing to such employees for services rendered to the insurer within 3 months prior to the commencement of a proceeding against the insurer under this chapter but not exceeding \$1,000 for each employee. Such priority shall be in lieu of any other similar priority which may be authorized by law as to wages or compensation of such employees.

(6) *Class VI.* — Claims of general creditors including, but not limited to, claims of ceding and assuming insurers in their capacity as such, and claims of insurers, insurance pools or underwriting associations for contribution, indemnity or subrogation, equitable or otherwise. This class shall include any claims of the guaranty associations, federal or any state or local government to the extent such claims are not otherwise included in Class II, Class III, Class IV or Class V in paragraphs (e)(2) through (5) of this section.

(7) *Class VII.* — Claims which would otherwise qualify for classification under the classes enumerated above, but which are not filed with the receiver on or before the bar date and which are not excused from such bar date by the liquidation court.

(8) *Class VIII.* — Surplus or contribution notes, or similar obligations.

(9) *Class IX.* — The claims of shareholders or other owners arising out of such capacity.

§ 5919. Attachment and garnishment of assets.

During the pendency of delinquency proceedings in this or any reciprocal state, no action or proceeding in the nature of an attachment, garnishment or execution shall be commenced or maintained in the courts of this State against the delinquent insurer or its assets. Any lien obtained by any such action or proceeding within 4 months prior to the commencement of any such delinquency proceeding or at any time thereafter shall be void as against any rights arising in such delinquency proceeding.

(18 Del. C. 1953, § 5919; 56 Del. Laws, c. 380, § 1.)

§ 5920. Uniform Insurers Liquidation Act.

(a) Section 5901(2)-(13) inclusive, together with §§ 5902, 5903 and 5913-5920 of this title constitute and may be referred to as the Uniform Insurers Liquidation Act.

(b) The Uniform Insurers Liquidation Act shall be so interpreted and construed as to effectuate its general purpose to make uniform the law of those states that enact it. To the extent that its provisions when applicable conflict with other provisions of this chapter, the provisions of such act shall control.

(18 Del. C. 1953, § 5920; 56 Del. Laws, c. 380, § 1.)

§ 5921. Deposit of moneys collected.

The moneys collected by the Commissioner in a proceeding under this chapter shall be from time to time deposited in 1 or more state or national banks, savings banks or trust companies, and in the case of the insolvency or voluntary or involuntary liquidation of any such depository which is an institution organized and supervised under the laws of this State, such deposits shall be entitled to priority of payment on an equality with any other priority given by the banking laws of this State. The Commissioner may in his or her discretion deposit such moneys or any part thereof in a national bank or trust company as a trust fund.

(18 Del. C. 1953, § 5921; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5922. Exemption from fees.

The Commissioner shall not be required to pay any fee to any public officer in this State for filing, recording, issuing a transcript or certificate authenticating any paper or instrument pertaining to the exercise by the Commissioner of any of the powers or duties conferred upon the Commissioner under this chapter, whether or not such paper or instrument is executed by the Commissioner or the Commissioner's deputies, employees or attorneys of record and whether or not it is connected with the commencement of any action or proceeding by or against the Commissioner or with the subsequent conduct of such action or proceeding.

(18 Del. C. 1953, § 5922; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5923. Borrowing on pledge of assets.

For the purpose of facilitating the rehabilitation, liquidation, conservation or dissolution of an insurer pursuant to this chapter, the Commissioner may, subject to the approval of the court, borrow money and execute, acknowledge and deliver notes or other evidences of indebtedness therefor and secure the repayment of the same by the mortgage, pledge, assignment, transfer in trust or hypothecation of any or all of the property, whether real, personal or mixed, of such insurer; and the Commissioner, subject to the approval of the court, shall have power to take any and all other action necessary and proper to consummate any such loan and to provide for the repayment thereof. The Commissioner shall be under no obligation personally or in an official capacity to repay any loan made pursuant to this section.

(18 Del. C. 1953, § 5923; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5924. Date rights fixed on liquidation.

The rights and liabilities of the insurer and of its creditors, policyholders, stockholders, members, subscribers and all other persons interested in its estate shall, unless otherwise directed by the court, be fixed as of the date on which the order directing the liquidation of the insurer is filed in the office of the clerk of the court which made the order, subject to the provisions of this chapter with respect to the rights of claimants holding contingent claims.

(18 Del. C. 1953, § 5924; 56 Del. Laws, c. 380, § 1.)

§ 5925. Voidable transfers [For application of this section, see 79 Del. Laws, c. 207, § 3].

(a) Any transfer of or lien upon the property of an insurer which is made or created within 4 months prior to the granting of an order to show cause, under this chapter, with the intent of giving to any creditor a preference or of enabling the creditor to obtain a greater percentage of such creditor's debt than any other creditor of the same class and which is accepted by such creditor having reasonable cause to believe that such preference will occur, shall be voidable.

(b) Every director, officer, employee, stockholder, member, subscriber and any other person acting on behalf of such insurer who shall be concerned in any such act or deed and every person receiving thereby any property of such insurer of the benefit thereof shall be personally liable therefor and shall be bound to account to the Commissioner.

(c) The Commissioner, as receiver in any proceeding under this chapter, may avoid any transfer of or lien upon the property of an insurer which any creditor, stockholder, subscriber or member of such insurer might have avoided and may recover the property so transferred unless such person was a bona fide holder for value prior to the date of the entering of an order to show cause under this chapter. Such property or its value may be recovered from anyone who has received it except a bona fide holder for value as herein specified.

(d) (1) Notwithstanding subsection (a) of this section above, or any other provision of this chapter to the contrary, the receiver for an insurer-member subject to a delinquency proceeding shall not void a transfer made to an FHLBank in the ordinary course of business and in compliance with the advance agreement with such FHLBank. The receiver shall not void a redemption or repurchase of any stock or equity securities made by the FHLBank within 4 months of the commencement of the delinquency proceedings or which received prior approval of the receiver. However, a transfer may be avoided under subsection (c) of this section if the transfer was made with actual intent to hinder, delay or defraud the insurer-member, a receiver appointed for the insurer-member or existing or future creditors.

(2) Following the appointment of a receiver for an insurer-member and upon request of the receiver, the FHLBank shall, within 10 days of such request, provide a process and establish timing for:

- a. The release of collateral that exceeds the lending value (as determined in accordance with the advance agreement with the FHLBank) required to support secured obligations remaining after any repayment of advances;
- b. The release of any collateral remaining in the FHLBank's possession following repayment of all outstanding secured obligations in full;
- c. The payment of fees and the operation of deposits and other accounts with the FHLBank; and
- d. The possible redemption or repurchase of FHLBank stock or excess stock of any class that an insurer-member is required to

own.

(3) Upon the request of the receiver for an insurer-member, the FHLBank shall provide any available options for such insurer-member to renew or restructure an advance to defer associated prepayment fees, to the extent that market conditions, the terms of the advance outstanding to the insurer-member, the applicable policies of the FHLBank and compliance with the FHLBank Act and corresponding regulations permit.

(4) Nothing in § 5904(d) of this title or this subsection shall affect the receiver's rights pursuant to 12 C.F.R. § 1266.4 regarding advances to an insurer-member in delinquency proceedings.

(18 Del. C. 1953, § 5925; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1; 79 Del. Laws, c. 207, § 2.)

§ 5926. Priority of claims for compensation.

Repealed by 72 Del. Laws, c. 400, § 2, effective July 6, 2000. For present law, see §§ 4211(b) and 5918(e) of this title.

§ 5927. Offsets.

(a) In all cases of mutual debts or mutual credits between the insurer and another person in connection with any action or proceeding under this chapter, such credits and debts shall be set off and the balance only shall be allowed or paid, except as provided in subsection (b) of this section below.

(b) No offset shall be allowed in favor of any such person where:

(1) The obligation of the insurer to such person would not at the date of the entry of any liquidation order or otherwise, as provided in § 5924 of this title, entitle such person to share as a claimant in the assets of the insurer; or

(2) The obligation of the insurer to such person was purchased by or transferred to such person with a view of its being used as an offset; or

(3) The obligation of such person is to pay an assessment levied against the members of a mutual insurer or against the subscribers of a reciprocal insurer or is to pay a balance upon the subscription to the capital stock of a stock insurer.

(18 Del. C. 1953, § 5927; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5928. Allowance of certain claims.

(a) No contingent and unliquidated claim shall share in a distribution of the assets of an insurer which has been adjudicated to be insolvent by an order made pursuant to this chapter, except that such claim shall be considered, if properly presented, and may be allowed to share where:

(1) Such claim becomes absolute against the insurer on or before the last day for filing claims against the assets of such insurer; or

(2) There is a surplus and the liquidation is thereafter conducted upon the basis that such insurer is solvent.

(b) Where an insurer has been so adjudicated to be insolvent, any person who has a cause of action against an insured of such insurer under a liability insurance policy issued by such insurer shall have the right to file a claim in the liquidation proceeding, regardless of the fact that such claim may be contingent, and such claim may be allowed:

(1) If it may be reasonably inferred from the proof presented upon such claim that such person would be able to obtain a judgment upon such cause of action against such insured;

(2) If such person shall furnish suitable proof, unless the court for good cause shown shall otherwise direct, that no further valid claim against such insurer arising out of that person's cause of action other than those already presented can be made; and

(3) If the total liability of such insurer to all claimants arising out of the same act of its insured shall be no greater than its maximum liability would be were it not in liquidation.

(c) No judgment against such an insured taken after the date of entry of the liquidation order shall be considered in the liquidation proceedings as evidence of liability or of the amount of damages, and no judgment against an insured taken by default or by collusion prior to the entry of the liquidation order shall be considered as conclusive evidence in the liquidation proceedings, either of the liability of such insured to such person upon such cause of action or of the amount of damages to which such person is therein entitled.

(d) No claim of any secured claimant shall be allowed at a sum greater than the difference between the value of the claim without security and the value of the security itself as of the date of the entry of the order of liquidation or such other date set by the court for determining rights and liabilities as provided in § 5924 of this title unless the claimant surrenders the security to the Commissioner, in which event the claim shall be allowed in the full amount for which it is valued.

(18 Del. C. 1953, § 5928; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5929. Order of insolvency; time to file claims.

(a) If, upon the entry of an order of liquidation under this chapter or at any time thereafter during liquidation proceedings the insurer is not clearly solvent, the court shall, upon hearing after such notice it deems proper, make and enter an order adjudging the insurer to be insolvent.

(b) After the entry of the order of insolvency, regardless of any prior notice that may have been given to creditors, the Commissioner shall notify all persons who may have claims against the insurer to file such claims with the Commissioner, at a place and within the time specified in the notice, or such claims shall be forever barred. The time specified in the notice shall be as fixed by the court for filing of

claims and which shall be not less than 6 months after the entry of the order of insolvency. The notice shall be given in such manner and for such reasonable period of time as may be ordered by the court.

(18 Del. C. 1953, § 5929; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5930. Report and petition for assessment.

Within 3 years after the date of the entry of an order of rehabilitation or liquidation of a domestic mutual insurer or a domestic reciprocal insurer, the Commissioner may make and file a report and petition to the court setting forth:

- (1) The reasonable value of the assets of the insurer;
- (2) The liabilities of the insurer to the extent thus far ascertained by the Commissioner;
- (3) The aggregate amount of the assessment, if any, which the Commissioner deems reasonably necessary to pay all claims, the costs and expenses of the collection of the assessments and the costs and expenses of the delinquency proceedings in full;
- (4) Any other information relative to the affairs or property of the insurer that the Commissioner deems material.

(18 Del. C. 1953, § 5930; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5931. Order and levy of assessments.

(a) Upon the filing and reading of the report and petition provided for in § 5930 of this title, the court, ex parte, may order the Commissioner to assess all members or subscribers of the insurer who may be subject to such an assessment, in such an aggregate amount as the court finds reasonably necessary to pay all valid claims as may be timely filed and proved in the delinquency proceedings, together with the costs and expenses of levying and collecting assessments and the costs and expenses of the delinquency proceedings in full. Any such order shall require the Commissioner to assess each such member or subscriber for such member or subscriber's proportion of the aggregate assessment, according to such reasonable classification of such members or subscribers and formula as may be made by the Commissioner and approved by the court.

(b) The court may order additional assessments upon the filing and reading of any amendment or supplement to the report and petition referred to in subsection (a) of this section above, if such amendment or supplement is filed within 3 years after the date of the entry of the order of rehabilitation or liquidation.

(c) After the entry of the order to levy and assess members or subscribers of an insurer referred to in subsection (a) or (b) of this section above, the Commissioner shall levy and assess members or subscribers in accordance with the order.

(d) The total of all assessments against any member or subscriber with respect to any policy, whether levied pursuant to this chapter or pursuant to any other provision of this title, shall be for no greater amount than that specified in the policy or policies of the member or subscriber and as limited under this title, except as to any policy which was issued at a rate of premium below the minimum rate lawfully permitted for the risk insured, in which event the assessment against any such policyholder shall be upon the basis of the minimum rate for such risk.

(e) No assessment shall be levied against any member or subscriber with respect to any nonassessable policy issued in accordance with this title.

(18 Del. C. 1953, § 5931; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5932. Assessment prima facie correct; notice; payment; proceedings to collect.

(a) Any assessment of a subscriber or member of an insurer made by the Commissioner, pursuant to the order of court fixing the aggregate amount of the assessment against all members or subscribers and approving the classification and formula made by the Commissioner under § 5931(a) of this title, shall be prima facie correct.

(b) Each member or subscriber shall be notified of the amount of assessment to be paid by written notice mailed to the address of the member or subscriber last of record with the insurer. Failure of the member or subscriber to receive the notice so mailed, within the time specified therein or at all, shall be no defense in any proceeding to collect the assessment.

(c) If any such member or subscriber fails to pay the assessment within the period specified in the notice, which period shall not be less than 20 days after mailing, the Commissioner may obtain an order in the delinquency proceedings requiring the member or subscriber to show cause at a time and place fixed by the court why judgment should not be entered against such member or subscriber for the amount of the assessment together with all costs, and a copy of the order and a copy of the petition therefor shall be served upon the member or subscriber within the time and in the manner designated in the order.

(d) If the subscriber or member after due service of a copy of the order and petition referred to in subsection (c) of this section above is made:

- (1) Fails to appear at the time and place specified in the order, judgment shall be entered against such subscriber or member as prayed for in the petition; or
- (2) Appears in the manner and form required by law in response to the order, the court shall hear and determine the matter and enter a judgment in accordance with its decision.

(e) The Commissioner may collect any such assessment through any other lawful means.

(18 Del. C. 1953, § 5932; 56 Del. Laws, c. 380, § 1; 70 Del. Laws, c. 186, § 1.)

§ 5933. Qualified financial contracts.

- (a) Notwithstanding any other provision of this chapter to the contrary, including any other provision of this chapter permitting the modification of contracts, or other law of a state, no person shall be stayed, enjoined or prohibited from exercising any of the following:
- (1) A contractual right to terminate, liquidate, accelerate or close out, or cause the termination, liquidation, acceleration or close out of obligations, under or in connection with any netting agreement or qualified financial contract with an insurer because of any of the following:
 - a. The insolvency, financial condition or default of the insurer at any time, provided that the right is enforceable under applicable law other than this chapter; or
 - b. The commencement of a formal delinquency proceeding under this chapter;
 - (2) Any right under a pledge, security, collateral, reimbursement or guarantee agreement or arrangement or any other similar security arrangement or other credit enhancement relating to 1 or more netting agreements or qualified financial contracts; or
 - (3) Subject to any provision of § 5927(b) of this title, any right to set off or net out any termination value, payment amount or other transfer obligation arising under or in connection with 1 or more netting agreements or qualified financial contracts where the counterparty or its guarantor is organized under the laws of the United States or a state or a foreign jurisdiction approved by the Securities Valuation Office of the National Association of Insurance Commissioners as eligible for netting.
 - (4) If a counterparty to a master netting agreement or a qualified financial contract with an insurer subject to a formal delinquency proceeding under this chapter terminates, liquidates, closes out or accelerates the agreement or contract, damages shall be measured as of the date or dates of termination, liquidation, close out or acceleration. The amount of a claim for damages shall be actual direct compensatory damages calculated in accordance with subsection (f) of this section.
- (b) Upon termination of a netting agreement or qualified financial contract, the net or settlement amount, if any, owed by a nondefaulting party to an insurer against which an application or petition has been filed under this chapter shall be transferred to or on the order of the receiver for the insurer, even if the insurer is the defaulting party, notwithstanding any walkaway clause in the netting agreement or qualified financial contract. For purposes of this subsection, the term “walkaway clause” means a provision in a netting agreement or a qualified financial contract that, after calculation of a value of a party’s position or an amount due to or from 1 of the parties in accordance with its terms upon termination, liquidation or acceleration of the netting agreement or qualified financial contract, either does not create a payment obligation of a party or extinguishes a payment obligation of a party in whole or in part solely because of the party’s status as a nondefaulting party. Any limited 2-way payment or first method provision in a netting agreement or qualified financial contract with an insurer that has defaulted shall be deemed to be a full 2-way payment or second method provision as against the defaulting insurer. Any such net or settlement amount shall, except to the extent it is subject to 1 or more secondary liens or encumbrances or rights of netting or setoff, be a general asset of the insurer.
- (c) In making any transfer of a netting agreement or qualified financial contract of an insurer subject to a formal delinquency proceeding under this chapter, the receiver shall do either of the following:
- (1) Transfer to 1 party (other than an insurer subject to a proceeding under this chapter) all netting agreements and qualified financial contracts between a counterparty or any affiliate of such counterparty and the insurer that is the subject of the formal delinquency proceeding, including all of the following:
 - a. All rights and obligations of each party under each such netting agreement and qualified financial contract; and
 - b. All property, including any guarantees or other credit enhancement, securing any claims of each party under each such netting agreement and qualified financial contract; or
 - (2) Transfer none of the netting agreements, qualified financial contracts, rights, obligations or property referred to in paragraph (c)(1) of this section (with respect to the counterparty and any affiliate of such counterparty).
- (d) If a receiver for an insurer makes a transfer of 1 or more netting agreements or qualified financial contracts, then the receiver shall use its best efforts to notify any person who is a party to the netting agreements or qualified financial contracts of the transfer by 12:00 noon (the receiver’s local time) on the business day following the transfer. For purposes of this subsection, “business day” means a day other than a Saturday, Sunday or any day on which either the New York Stock Exchange or the Federal Reserve Bank of New York is closed.
- (e) Notwithstanding any other provision of this chapter to the contrary, a receiver shall not avoid a transfer of money or other property arising under or in connection with a netting agreement or qualified financial contract (or any pledge, security, collateral or guarantee agreement or any other similar security arrangement or credit support document relating to a netting agreement or qualified financial contract) that is made before the commencement of a formal delinquency proceeding under this chapter. However, a transfer may be avoided under § 5925(c) of this title if the transfer was made with actual intent to hinder, delay or defraud the insurer, a receiver appointed for the insurer or existing or future creditors.
- (f) (1) In exercising the rights of disaffirmance or repudiation of a receiver with respect to any netting agreement or qualified financial contract to which an insurer is a party, the receiver for the insurer shall either:
- a. Disaffirm or repudiate all netting agreements and qualified financial contracts between a counterparty or any affiliate of the counterparty and the insurer that is the subject of the proceeding; or
 - b. Disaffirm or repudiate none of the netting agreements and qualified financial contracts referred to in paragraph (f)(1)a. of this section (with respect to the person or any affiliate of the person).

(2) Notwithstanding any other provision of this chapter, any claim of a counterparty against the estate arising from the receiver's disaffirmance or repudiation of a netting agreement or qualified financial contract that has not been previously affirmed in the liquidation or immediately preceding conservation or rehabilitation case shall be determined and shall be allowed or disallowed as if the claim had arisen before the date of the filing of the petition for liquidation or, if a conservation or rehabilitation proceeding is converted to a liquidation proceeding, as if the claim had arisen before the date of the filing of the petition for conservation or rehabilitation. The amount of the claim shall be the actual direct compensatory damages determined as of the date of the disaffirmance or repudiation of the netting agreement or qualified financial contract. The term "actual direct compensatory damages" does not include punitive or exemplary damages, damages for lost profit or lost opportunity or damages for pain and suffering, but does include normal and reasonable costs of cover or other reasonable measures of damages utilized in the derivatives, securities or other market for the contract and agreement claims.

(g) The term "contractual right" as used in this section includes any right, whether or not evidenced in writing, arising under statutory or common law, a rule or bylaw of a national securities exchange, national securities clearing organization or securities clearing agency, a rule or bylaw or a resolution of the governing body of a contract market or its clearing organization, or under law merchant.

(h) The provisions of this section shall not apply to persons who are affiliates of the insurer that is the subject of the formal delinquency proceeding, unless the Commissioner has previously approved the application of this section to a particular affiliate, which approval may not be unreasonably or arbitrarily withheld.

(i) All rights of counterparties under this chapter shall apply to netting agreements and qualified financial contracts entered into on behalf of the general account or separate accounts if the assets of each separate account are available only to counterparties to netting agreements and qualified financial contracts entered into on behalf of that separate account.

(78 Del. Laws, c. 29, § 3.)

Subchapter II

Summary Proceedings

§ 5941. Commissioner's summary orders.

(a) Whenever the Commissioner has reasonable cause to believe, and determines, after a hearing, held as prescribed in subsection (c) of this section, that any insurer has committed or engaged in any act, practice or transaction that would subject it to formal delinquency proceedings under this chapter, the Commissioner may make and serve upon the insurer and any other persons involved such orders, including an order suspending the business of an insurer, as are reasonably necessary to correct, eliminate or remedy such conduct, condition or ground.

(b) If the conditions of subsection (a) of this section, other than notice and hearing, are satisfied and if the Commissioner has reasonable grounds to believe that irreparable harm to the property or business of the insurer or to the interests of its policy or certificate holders, creditors or the public may occur unless the Commissioner issues with immediate effect the orders described in subsection (a) of this section, the Commissioner may make and serve such orders without notice and before hearing, simultaneously serving upon the insurer notice of hearing under subsection (c) of this section.

(c) The notice of hearing under subsection (a) or (b) of this section and the summary order issued under subsection (a) or (b) of this section shall be served pursuant to the applicable rules of civil or administrative procedure. The notice of hearing under subsection (a) of this section shall state the time and place of hearing and the conduct, condition or ground upon which the Commissioner would base the order; the notice of hearing under subsection (b) of this section shall state the time and place of hearing. Unless mutually agreed between the Commissioner and the insurer, the hearing shall occur not more than 15 days after notice is served. The Commissioner shall not publicize such hearings and shall hold all hearings in summary proceedings privately unless the insurer requests a public hearing, in which case the hearing shall be public.

(d) Any suspension order made by the Commissioner under subsection (a) of this section shall prohibit issuance of policies, transfers of property and payments of moneys without prior written approval of the Commissioner. Notice of such suspension shall be given, by first class mail within 15 days thereof, by the suspended organization to those who were creditors, policyholders, members and certificate holders at the date of suspension. Notice of such suspension shall be given, within 15 days thereof, by the Commissioner to creditors, policyholders, members and certificate holders by advertising the same by 1 publication in a newspaper of general circulation in the county where the suspended organization has its principal office. From the date of such suspension on the ground that the insurer is insolvent or is in such condition that its further transaction of business will be hazardous financially to its policyholders, creditors or the public, no action at law or equity shall be commenced or prosecuted, nor shall any judgment be entered against nor shall any execution or attachment be issued or prosecuted against the suspended insurer, or against its property, in any court in the State; provided, that if such suspension order is vacated by the Chancery Court for the reason that the suspended insurer is no longer insolvent or in such condition that its further transaction of business will be hazardous to its policyholders or to its creditors or to the public, these restraints upon legal process regarding the insurer shall thereafter cease to be operative.

(e) If the Commissioner issues a summary order before a hearing under this section, the insurer may at any time waive the

Commissioner's hearing and apply for immediate judicial relief by means of any remedy afforded by law without first exhausting administrative remedies.

(f) If any person has violated any order issued under this section which as to that person was then still in effect, he or she shall be liable to pay a civil penalty imposed by the Chancery Court not to exceed \$10,000.

(g) The Commissioner may apply to the Chancery Court for such restraining orders, preliminary and permanent injunctions and other orders as may be deemed necessary and proper to enforce a summary order.

(64 Del. Laws, c. 420, § 2; 70 Del. Laws, c. 186, § 1.)

§ 5942. Commissioner's supervision.

(a) If upon examination or at any other time the Commissioner has reasonable cause to believe, and determines, that an insurer has committed, engaged in or is about to engage in any act, practice or transaction that would subject it to formal delinquency proceedings under this chapter, or if such insurance company gives its consent, then the Commissioner shall upon determination notify the insurer of the determination and furnish to the insurer an order or orders containing a written list of the Commissioner's requirements to abate the Commissioner's determination. If the Commissioner, after a hearing held as provided in § 5941(c) of this title, makes a further determination to supervise, the Commissioner shall issue an order to the insurer notifying it that it is under the supervision of the Commissioner and that the Commissioner is applying and effecting this section. The Commissioner may issue an order under this section without a hearing under the conditions provided under § 5941(b) of this title, and shall simultaneously serve upon the insurer notice of a hearing to be held in accordance with § 5941(c) of this title, and, in such event, the insurer may file an appeal in accordance with § 5941(e) of this title. Such insurer shall comply with the lawful requirements of the Commissioner and, if placed under an order of supervision, shall have 90 days from the date of service of such order within which to comply with the requirements of the Commissioner. In the event of such insurer's failure to comply within such time, the Commissioner may institute proceedings in the Chancery Court to have a rehabilitator or liquidator appointed under this chapter or issue an order extending an existing order of supervision. Such order extending any existing order shall be issued prior to the end of each 90-day period, unless otherwise agreed to by the insurer.

(b) The Commissioner may appoint a supervisor to supervise such insurer and may provide that the insurer may not do any of the following acts, during the period of supervision, without the prior written approval of the Commissioner or the supervisor:

- (1) Dispose of, convey or encumber any of its assets or its business in force;
- (2) Withdraw any of its bank accounts;
- (3) Lend any of its funds;
- (4) Invest any of its funds;
- (5) Transfer any of its property;
- (6) Incur any debt, obligation or liability;
- (7) Merge or consolidate with another company; or
- (8) Enter into any new reinsurance contract or treaty.

(c) In the event that any person, subject to this chapter, shall violate any valid order of the Commissioner issued under this section and, as a result, the net worth of the insurer shall be reduced or the insurer shall otherwise suffer loss, said person shall become personally liable to the insurer for the amount of any such reduction or loss. The Commissioner or supervisor is authorized to bring an action on behalf of the insurer in the Chancery Court to recover the amount of the reduction or loss together with any costs.

(64 Del. Laws, c. 420, § 2; 70 Del. Laws, c. 186, § 1.)

§ 5943. Seizure order.

(a) Upon the filing by the Commissioner in the Chancery Court of a petition alleging:

- (1) Any ground that would justify a court order for a formal delinquency proceeding against an insurer under this chapter, and
- (2) That the interests of policyholders, creditors or the public will be endangered by delay, and
- (3) Setting out the order deemed necessary by the Commissioner,

the Court may issue forthwith, ex parte and without a hearing, the requested order which shall direct the Commissioner to take possession and control of all or a part of the property, books, accounts, documents and other records of an insurer and of the premises occupied by it for the transaction of its business, and until further order of the Court enjoin the insurer and its officers, managers, agents and employees from disposition of its property and from transaction of its business except with the written consent of the Commissioner.

(b) The Court shall specify in the order what its duration shall be, which shall be such time as the Court deems necessary for the Commissioner to ascertain the condition of the insurer. Such initial duration or any extension thereof shall not exceed 90 days. On motion of either party or on its own motion, the Court may from time to time hold such hearings as it deems desirable after such notice as it deems appropriate, and may extend, shorten or modify the terms of the seizure order. The Court shall vacate the seizure order if the Commissioner fails to commence a formal proceeding under this subchapter prior to the expiration of a seizure order or any extension thereof. An order of the Court pursuant to a formal proceeding under this subchapter shall ipso facto vacate the seizure order.

(c) Entry of a seizure order under this section shall not constitute an anticipatory breach of any contract of the insurer.

(d) An insurer subject to an ex parte order of the Chancery Court issued under this section may petition the Court at any time after the issuance of such order for a hearing and review of the order, and the Court shall grant such a hearing and review within 10 days of the

filing of such petition.

(64 Del. Laws, c. 420, § 2.)

§ 5944. Conduct of hearings.

(a) The Chancery Court may hold all hearings in summary proceedings and judicial review thereof privately in chambers, and shall do so on request of the insurer proceeded against.

(b) In all summary proceedings and judicial reviews thereof, all records of the insurer, other documents and all Insurance Department files and court records and papers, so far as they pertain to or are a part of the record of the summary proceedings, shall be and remain confidential except as is necessary to obtain compliance therewith, unless and until the Chancery Court, after hearing arguments from the parties in chambers, shall order otherwise or unless the insurer requests that the matter be made public. Until such court order, all papers filed with the Clerk of the Chancery Court shall be held by the Clerk in a confidential file.

(c) Any person having possession or custody of and refusing to deliver any of the property, books, accounts, documents or other records of or relating to an insurer against which a seizure order or a summary order has been issued by the Commissioner or by the Chancery Court may be fined not more than \$10,000 or sentenced to undergo imprisonment for not more than 1 year, or both.

Chapter 61

PROHIBITION OF RESCISSIONS BASED UPON POST-CLAIMS UNDERWRITING

§ 6101. Rescissions based upon post-claims underwriting barred.

Unless approval is granted pursuant to § 6102 of this title, no insurer may rescind, cancel or limit any health insurance policy, contract, evidence of coverage or certificate that provides coverage of the types specified in § 6103 of this title on the basis of written information submitted on, with or omitted from an insurance application by the insured if the insurer failed to complete medical underwriting and resolve all reasonable medical questions related to the written information submitted on, with or omitted from the insurance application before issuing the policy, contract, evidence of coverage or certificate. No insurer may rescind, cancel or limit any such health insurance policy, contract, evidence of coverage or certificate once the enrollee is covered under such plan or coverage involved, except this section shall not apply to a covered individual who has performed an act or practice that constitutes fraud or who makes an intentional misrepresentation of a material fact, as prohibited by the terms of the plan or coverage, and such omission materially affects the risk or the hazard assumed by the insurer or health care center. Such plan or coverage may not be cancelled except with prior notice to the enrollee, and except as permitted under applicable federal, state or local laws.

(77 Del. Laws, c. 471, § 1.)

§ 6102. Approval of rescission.

An insurer shall apply for approval of such rescission, cancellation or limitation by submitting such written information to the Insurance Commissioner on an application in such appropriate form as the Commissioner prescribes. Such insurer shall provide a copy of the application for such approval to the insured or the insured's representative. Not later than 7 business days after receipt of the application for such approval, the insured or the insured's representative shall have an opportunity to respond and submit relevant information to the Commissioner with respect to such application. Not later than 15 business days after the submission of information by the insured or the insured's representative, the Commissioner shall issue a written decision on such application. The Commissioner shall approve such rescission, cancellation or limitation if the Commissioner finds that:

(1) The written information submitted on or with the insurance application was false at the time such application was made and the insured or such insured's representative knew or should have known of the falsity therein, and such submission materially affects the risk or the hazard assumed by the insurer or health care center; or

(2) The information omitted from the insurance application was knowingly omitted by the insured or such insured's representative, or the insured or such insured's representative should have known of such omission, and such omission materially affects the risk or the hazard assumed by the insurer or health care center. Such decision shall be mailed to the insured, the insured's representative, if any, and the insurer.

(77 Del. Laws, c. 471, § 1.)

§ 6103. Affected health insurance policies.

As used in this chapter, "health insurance policy, contract, evidence of coverage or certificate" means insurance providing benefits due to illness or injury, resulting in loss of life, loss of earnings, or expenses incurred, and includes the following types of coverage:

- (1) Basic hospital expense coverage;
- (2) Basic medical-surgical expense coverage;
- (3) Hospital confinement indemnity coverage;
- (4) Major medical expense coverage; or
- (5) Hospital or medical service plan contract.

(77 Del. Laws, c. 471, § 1.)

Subchapter II

§ 6206. Qualifications for membership.

(a) A society shall specify in its laws or rules:

(1) Eligibility standards for each and every class of membership provided, that if benefits are provided on the lives of children, the minimum age for adult membership shall be set at not less than age 15 and not greater than age 21;

§ 6207. Location of office, meetings, communications to members, grievance procedures.

(a) The principal office of any domestic society shall be located in this State. The meetings of its supreme governing body may be held in any state, district, province or territory wherein such society has at least 1 subordinate lodge, or in such other location as determined by the supreme governing body, and all business transacted at such meetings shall be as valid in all respects as if such meetings were held in this State. The minutes of the proceedings of the supreme governing body and of the board of directors shall be in the English language.

(b) (1) A society may provide in its laws for an official publication in which any notice, report or statement required by law to be given to members, including notice of election, may be published. Such required reports, notices and statements shall be printed conspicuously in the publication. If the records of a society show that 2 or more members have the same mailing address, an official publication mailed to 1 member is deemed to be mailed to all members at the same address unless a member requests a separate copy.

(2) Not later than June 1 of each year, a synopsis of the society's annual statement providing an explanation of the facts concerning the condition of the society thereby disclosed, shall be printed and mailed to each benefit member of the society or, in lieu thereof, such synopsis may be published in the society's official publication.

§ 6208. No personal liability.

(a) The officers and members of the supreme governing body or any subordinate body of a society shall not be personally liable for any benefits provided by a society.

(b) Any person may be indemnified and reimbursed by any society for expenses reasonably incurred by, and liabilities imposed upon, such person in connection with or arising out of any action, suit or proceeding, whether civil, criminal, administrative or investigative, or threat thereof, in which the person may be involved by reason of the fact that he or she is or was a director, officer, employee or agent of the society or of any firm, corporation or organization which he or she served in any capacity at the request of the society. A person shall

not be so indemnified or reimbursed:

(1) In relation to any matter in such action, suit or proceeding as to which he or she shall finally be adjudged to be or have been guilty of breach of a duty as a director, officer, employee or agent of the society; or

(2) In relation to any matter in such action, suit or proceeding, or threat thereof, which has been made the subject of a compromise settlement, unless in either such case the person acted in good faith for a purpose the person reasonably believed to be in or not opposed to the best interests of the society and, in addition, in a criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful.

The determination whether the conduct of such person met the standard required in order to justify indemnification and reimbursement, in relation to any matter described in paragraph (b)(1) or (2) of this section, may only be made by the supreme governing body or board of directors by a majority vote of a quorum consisting of persons who were not parties to such action, suit or proceeding or by a court of competent jurisdiction. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of no contest as to such person shall not in itself create a conclusive presumption that the person did not meet the standard of conduct required in order to justify indemnification and reimbursement. The foregoing right of indemnification and reimbursement shall not be exclusive of other rights to which such person may be entitled as a matter of law and shall inure to the benefit of his or her heirs, executors and administrators.

(c) A society shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the society or who is or was serving at the request of the society as a director, officer, employee or agent of any other firm, corporation or organization against any liability asserted against such person and incurred by him or her in any such capacity or arising out of his or her status as such, whether or not the society would have the power to indemnify the person against such liability under this section.

(d) No director, officer, employee, member or volunteer of a society serving without compensation shall be liable and no cause of action may be brought for damages resulting from the exercise of judgment or discretion in connection with the duties or responsibilities of such person for the society unless such act or omission involved wilful or wanton misconduct.

(70 Del. Laws, c. 186, § 1; 70 Del. Laws, c. 533, § 1.)

§ 6209. Waiver.

The laws of the society may provide that no subordinate body nor any of its subordinate officers or members shall have the power or authority to waive any of the provisions of the laws of the society. Such provision shall be binding on the society and every member and beneficiary of a member.

(70 Del. Laws, c. 533, § 1.)

Subchapter III

Governance

§ 6210. Organization.

A domestic society organized on or after January 1, 1997, shall be formed as follows:

(1) Seven or more citizens of the United States, a majority of whom are citizens of this State, who desire to form a fraternal benefit society shall form a corporation without capital stock, the governing body of which is elected and the powers of which are not more liberal than as provided in this chapter and the name of which shall not so closely resemble the name of any society or insurance company then licensed in Delaware as to be confusing.

(2) Its certificate of incorporation, duly certified copies of the society's bylaws and rules, copies of all proposed forms of certificates, applications therefor and circulars to be issued by the society, the names, residences and official titles of all the officers, trustees, directors or other persons who are to have and exercise the general control of the management of the affairs and funds of the society for the first year or until the ensuing election at which all such officers shall be elected by the supreme governing body, which election shall be held not later than 1 year from the date of issuance of the permanent certificate of authority and a bond conditioned upon the return to applicants of the advanced payments if the organization is not completed within 1 year, shall be filed with the Commissioner, who may require such further information as the Commissioner deems necessary. The bond with sureties approved by the Commissioner shall be in such amount, not less than \$300,000, nor more than \$1,500,000, as required by the Commissioner. All documents filed are to be in the English language. If the purposes of the society conform to the requirements of this chapter and all provisions of the law have been complied with, the Commissioner shall so certify, retain and file the certificate of incorporation and shall furnish the incorporators a preliminary certificate of authority authorizing the society to solicit members as hereinafter provided.

(3) No preliminary certificate of authority granted under the provisions of this section shall be valid after 1 year from its date or after such further period, not exceeding 1 year, as may be authorized by the Commissioner upon cause shown, unless the 500 applicants hereinafter required have been secured and the organization has been completed as herein provided. The charter and all other proceedings thereunder shall become null and void in 1 year from the date of the preliminary certificate of authority or at the expiration

of the extended period, unless the society shall have completed its organization and received a certificate of authority to do business as hereinafter provided.

(4) Upon receipt of a preliminary certificate of authority from the Commissioner, the society may solicit members for the purpose of completing its organization, shall collect from each applicant the amount of not less than 1 regular monthly premium in accordance with its table of rates and shall issue to each such applicant a receipt for the amount so collected. No society shall incur any liability other than for the return of such advance premium, nor issue any certificate, nor pay, allow, or offer or promise to pay or allow any benefit to any person until:

- a. Actual bona fide applications for benefits have been secured on not less than 500 applicants, and any necessary evidence of insurability has been furnished to and approved by the society;
- b. At least 10 subordinate lodges have been established into which the 500 applicants have been admitted;
- c. There has been submitted to the Commissioner, under oath of the president or secretary or corresponding officer of the society, a list of such applicants, giving their names, addresses, date each was admitted, name and number of the subordinate lodge of which each applicant is a member, amount of benefits to be granted and premiums therefor; and
- d. It shall have been shown to the Commissioner, by sworn statement of the treasurer or corresponding officer of such society, that at least 500 applicants have each paid in cash at least 1 regular monthly premium as herein provided, which premiums in the aggregate shall amount to at least \$150,000. Said advance premiums shall be held in trust during the period of organization and if the society has not qualified for a certificate of authority within 1 year, as herein provided, such premiums shall be returned to said applicants.

(5) The Commissioner may make such examination and require such further information as the Commissioner deems advisable. Upon presentation of satisfactory evidence that the society has complied with all the provisions of law, the Commissioner shall issue to the society a certificate of authority to that effect and that the society is authorized to transact business pursuant to the provisions of this chapter. The certificate of authority shall be prima facie evidence of the existence of the society at the date of such certificate. The Commissioner shall cause a record of such certificate of authority to be made. A certified copy of such record may be given in evidence with like effect as the original certificate of authority.

(6) Any incorporated society authorized to transact business in this State on January 1, 1997, shall not be required to reincorporate. (70 Del. Laws, c. 533, § 1.)

§ 6211. Amendments to laws.

(a) A domestic society may amend its laws in accordance with the provisions thereof by action of its supreme governing body at any regular or special meeting thereof or, if its laws so provide, by referendum. Such referendum may be held in accordance with the provisions of its laws by the vote of the voting members of the society, by the vote of delegates or representatives of voting members or by the vote of local lodges. A society may provide for voting by mail. No amendment submitted for adoption by referendum shall be adopted unless, within 6 months from the date of submission thereof, a majority of the members voting shall have signified their consent to such amendment by 1 of the methods herein specified.

(b) No amendment to the laws of any domestic society shall take effect unless approved by the Commissioner, who shall approve such amendment if the Commissioner finds that it has been duly adopted and is not inconsistent with any requirement of the laws of this State or with the character, objects and purposes of the society. Unless the Commissioner shall disapprove any such amendment within 60 days after the filing of same, such amendment shall be considered approved. The approval or disapproval of the Commissioner shall be forwarded in writing and mailed to the secretary or corresponding officer of the society at its principal office. In case the Commissioner disapproves such amendment, the reasons therefor shall be stated in such written notice.

(c) Within 90 days from the approval thereof by the Commissioner, all such amendments or a synopsis thereof shall be furnished to all members of the society either by mail or by publication in full in the official publication of the society. The affidavit of any officer of the society or of anyone authorized by it to mail any amendments or synopsis thereof, stating facts which show that same have been duly addressed and mailed, shall be prima facie evidence that such amendments or synopsis thereof have been furnished the addressee.

(d) Every foreign or alien society authorized to do business in this State shall file with the Commissioner a duly certified copy of all amendments of or additions to its laws within 90 days after the enactment of same.

(e) Printed copies of the laws, as amended, certified by the secretary or corresponding officer of the society shall be prima facie evidence of the legal adoption thereof.

(70 Del. Laws, c. 533, § 1.)

§ 6212. Institutions.

(a) A society may create, maintain and operate or may establish organizations to operate not-for-profit institutions to further the purposes permitted by § 6205(a)(2) of this title. Such institutions may furnish services free or at a reasonable charge. Any real or personal property owned, held or leased by the society for this purpose shall be reported in every annual statement but shall not be allowed as an admitted asset of such society.

(b) No society shall own or operate funeral homes or undertaking establishments.

(70 Del. Laws, c. 533, § 1.)

§ 6213. Reinsurance.

(a) A domestic society may, by a reinsurance agreement, cede any individual risk or risks in whole or in part to an insurer (other than another fraternal benefit society) having the power to make such reinsurance and authorized to do business in this State, or if not so authorized, one which is approved by the Commissioner, but no such society may reinsure substantially all of its insurance in force without the written permission of the Commissioner. It may take credit for the reserves on such ceded risks to the extent reinsured, but no credit shall be allowed as an admitted asset or as a deduction from liability to a ceding society for reinsurance made, ceded, renewed or otherwise becoming effective after January 1, 1997, unless the reinsurance is payable by the assuming insurer on the basis of the liability of the ceding society under the contract or contracts reinsured without diminution because of the insolvency of the ceding society.

(b) Notwithstanding the limitation in subchapter I of this chapter, a society may reinsure the risks of another society in a consolidation or merger approved by the Commissioner under § 6214 of this title.

(70 Del. Laws, c. 533, § 1.)

§ 6214. Consolidations and mergers.

(a) A domestic society may consolidate or merge with any other society by complying with the provisions of this section and the applicable provisions of the statutes of this State governing the merger or consolidation of nonstock corporations. It shall file with the Commissioner:

(1) A certified copy of the written contract containing in full the terms and conditions of the consolidation or merger;

(2) A sworn statement by the president and secretary or corresponding officers of each society showing the financial condition thereof on a date fixed by the Commissioner, but not earlier than December 31 next preceding the date of the contract;

(3) A certificate of such officers, duly verified by their respective oaths, that the consolidation or merger has been approved by a 2/3 vote of the supreme governing body of each society, such vote being conducted at a regular or special meeting of each such body, or, if the society's laws so permit, by mail; and

(4) Evidence that at least 60 days prior to the action of the supreme governing body of each society, the text of the contract has been furnished to all members of each society either by mail or by publication in full in the official publication of each society.

(b) If the Commissioner finds that the contract is in conformity with the provisions of this section, that the financial statements are correct and that the consolidation or merger is just and equitable to the members of each society, the Commissioner shall approve the contract and issue a certificate to such effect. Upon such approval, the contract shall be in full force and effect unless any society which is a party to the contract is incorporated under the laws of any other state or territory. In such event the consolidation or merger shall not become effective unless and until it has been approved as provided by the laws of such state or territory and a certificate of such approval is filed with the Commissioner of this State, or, if the laws of such state or territory contain no such provision, then the consolidation or merger shall not become effective unless and until it has been approved by the Commissioner of Insurance of such state or territory and a certificate of such approval is filed with the Commissioner of this State.

(c) Upon the consolidation or merger becoming effective as herein provided, all the rights, franchises and interests of the consolidated or merged societies in and to every species of property, real, personal or mixed, and things in action thereunto belonging, shall be vested in the society resulting from or remaining after the consolidation or merger without any other instrument, except that conveyances of real property may be evidenced by proper deeds and the title to any real estate or interest therein, vested under the laws of this State in any of the societies consolidated or merged, shall not revert or be in any way impaired by reason of the consolidation or merger, but shall vest absolutely in the society resulting from or remaining after such consolidation or merger.

(d) The affidavit of any officer of the society or of anyone authorized by it to mail any notice or document stating that such notice or document has been duly addressed and mailed shall be prima facie evidence that such notice or document has been furnished the addressees.

(70 Del. Laws, c. 533, § 1.)

§ 6215. Conversion of fraternal benefit society into a mutual life insurance company.

Any domestic fraternal benefit society may be converted and licensed as a mutual life insurance company by compliance with all the applicable requirements of § 4905 of this title. A plan of conversion shall be prepared in writing by the board of directors setting forth in full the terms and conditions of conversion. The affirmative vote of 2/3 of all members of the supreme governing body at a regular or special meeting shall be necessary for the approval of such plan. No such conversion shall take effect unless and until approved by the Commissioner who may give such approval if the Commissioner finds that the proposed change is in conformity with the requirements of law and not prejudicial to the certificate holders of the society.

(70 Del. Laws, c. 533, § 1.)

Subchapter IV

- (2) Endowment benefits;
- (3) Annuity benefits;
- (4) Temporary or permanent disability benefits;
- (5) Hospital, medical or nursing benefits;
- (6) Monument or tombstone benefits to the memory of deceased members; and
- (7) Such other benefits as authorized for life insurers and which are not inconsistent with this chapter.

(b) A society shall specify in its rules those persons who may be issued or covered by the contractual benefits in subsection (a) of this section, consistent with providing benefits to members and their dependents. A society may provide benefits on the lives of children under the minimum age for adult membership upon application of an adult person.

(70 Del. Laws, c. 533, § 1.)

§ 6217. Beneficiaries.

(a) The owner of a benefit contract shall have the right at all times to change the beneficiary or beneficiaries in accordance with the laws or rules of the society unless the owner waives this right by specifically requesting in writing that the beneficiary designation be irrevocable. A society may, through its laws or rules, limit the scope of beneficiary designations and shall provide that no revocable beneficiary shall have or obtain any vested interest in the proceeds of any certificate until the certificate has become due and payable in conformity with the provisions of the benefit contract.

(b) A society may make provision for the payment of funeral benefits to the extent of such portion of any payment under a certificate as might reasonably appear to be due to any person equitably entitled thereto by reason of having incurred expense occasioned by the burial of the member, provided the portion so paid shall not exceed the sum of \$500 dollars.

(c) If, at the death of any person insured under a benefit contract, there is no lawful beneficiary to whom the proceeds shall be payable, the amount of such benefit, except to the extent that funeral benefits may be paid as hereinbefore provided, shall be payable to the personal representative of the deceased insured; provided, that if the owner of the certificate is other than the insured, such proceeds shall be payable to such owner.

(70 Del. Laws, c. 533, § 1.)

§ 6218. Benefits not attachable.

No money or other benefit, charity, relief or aid to be paid, provided or rendered by any society shall be liable to attachment, garnishment or other process or to be seized, taken, appropriated or applied by any legal or equitable process or operation of law to pay any debt or liability of a member or beneficiary, or any other person who may have a right thereunder, either before or after payment by the society.

(70 Del. Laws, c. 533, § 1.)

§ 6219. The benefit contract.

(a) Every society authorized to do business in this State shall issue to each owner of a benefit contract a certificate specifying the amount of benefits provided thereby. The certificate, together with any riders or endorsements attached thereto, the laws of the society, the application for membership, the application for insurance and declaration of insurability, if any, signed by the applicant and all amendments to each thereof shall constitute the benefit contract, as of the date of issuance, between the society and the owner, and the certificate shall so state. A copy of the application for insurance and declaration of insurability if any, shall be endorsed upon or attached to the certificate. All statements on the application shall be representations and not warranties. Any waiver of this provision shall be void.

(b) Any changes, additions or amendments to the laws of the society duly made or enacted subsequent to the issuance of the certificate shall bind the owner and the beneficiaries and shall govern and control the benefit contract in all respects the same as though such changes, additions or amendments had been made prior to and were in force at the time of the application for insurance, except that no change, addition or amendment shall destroy or diminish benefits which the society contracted to give the owner as of the date of issuance.

(c) Any person upon whose life a benefit contract is issued prior to attaining the age of majority shall be bound by the terms of the application and certificate and by all the laws and rules of the society to the same extent as though the age of majority had been attained at the time of application.

(d) A society shall provide in its laws that if its reserves as to all or any class of certificates become impaired, its board of directors or corresponding body may require that there shall be paid by the owner to the society the amount of the owner's equitable proportion of such deficiency as ascertained by its board, and that if the payment is not made either:

- (1) It shall stand as an indebtedness against the certificate and draw interest not to exceed the rate specified for certificate loans under the certificates; or
- (2) In lieu of or in combination with paragraph (1) of this subsection, the owner may accept a proportionate reduction in benefits under the certificate.

The society may specify the manner of the election and which alternative is to be presumed if no election is made.

(e) Copies of any of the documents mentioned in this section, certified by the secretary or corresponding officer of the society, shall be received in evidence of the terms and conditions thereof.

(f) No certificate shall be delivered or issued for delivery in this State unless a copy of the form has been filed with and approved by the Commissioner in the manner provided for like policies issued by life and disability insurers in this State. Every life, accident and sickness, health or disability insurance certificate and every annuity certificate issued on or after January 1, 1988, must be filed with and approved by the Commissioner and shall meet the standard contract provision requirements not inconsistent with this chapter for like policies issued by life and disability insurers in this State, except that a society may provide for a grace period for payment of premiums of 1 full month in its certificates. The certificate shall also contain a provision stating the amount of premiums which are payable under the certificate and a provision reciting or setting forth the substance of any section of the society's laws or rules in force at the time of issuance of the certificate which, if violated, will result in the termination or reduction of benefits payable under the certificate. If the laws of the society provide for expulsion or suspension of a member, the certificate shall also contain a provision that any member so expelled or suspended, except for nonpayment of a premium or within the contestable period for material misrepresentation in the application for membership or insurance, shall have the privilege of maintaining the certificate in force by continuing payment of the required premium. Any filing made hereunder shall be deemed approved unless disapproved within 60 days from the date of such filing.

(g) Benefit contracts issued on the lives of persons below the society's minimum age for adult membership may provide for transfer of control of ownership to the insured at an age specified in the certificate. A society may require approval of an application for membership in order to effect this transfer and may provide in all other respects for the regulation, government and control of such certificates and all rights, obligations and liabilities incident thereto and connected therewith. Ownership rights prior to such transfer shall be specified in the certificate.

(h) A society may specify the terms and conditions on which benefit contracts may be assigned.

(70 Del. Laws, c. 533, § 1.)

§ 6220. Nonforfeiture benefits, cash surrender values, certificate loans and other options.

(a) For certificates issued prior to January 1, 1988, the value of every paid-up nonforfeiture benefit and the amount of any cash surrender value, loan or other option granted shall comply with the provisions of law applicable immediately prior to January 1, 1997.

(b) For certificates issued on or after January 1, 1988, for which reserves are computed on the Commissioner's 1941 Standard Ordinary Mortality Table, the Commissioner's 1941 Standard Industrial Table or the Commissioner's 1958 Standard Ordinary Mortality Table or the Commissioner's 1980 Standard Mortality Table, or any more recent table made applicable to life insurers, every paid-up nonforfeiture benefit and the amount of any cash surrender value, loan or other option granted shall not be less than the corresponding amount ascertained in accordance with the laws of this State applicable to life insurers issuing policies containing like benefits based upon such tables.

(70 Del. Laws, c. 533, § 1.)

(c) A society may, pursuant to resolution of its supreme governing body, establish and operate 1 or more separate accounts and issue contracts on a variable basis, subject to law regulating life insurers establishing such accounts and issuing such contracts. To the extent the society deems it necessary in order to comply with any applicable federal or state laws or any rules issued thereunder, the society may adopt special procedures for the conduct of the business and affairs of a separate account, may, for persons having beneficial interests therein, provide special voting and other rights, including, without limitation, special rights and procedures relating to investment policy, investment advisory services, selection of certified public accountants and selection of a committee to manage the business and affairs of

the account and may issue contracts on a variable basis to which § 6219(b) and (d) of this title shall not apply.

(70 Del. Laws, c. 533, § 1.)

§ 6223. Exemptions; application of other code provisions.

(a) Except as herein provided, societies shall be governed by this chapter and shall be exempt from all other provisions of the insurance laws of this State, not only in governmental relations with this State, but for every other purpose. No law hereafter enacted shall apply to them, unless they be expressly designated therein.

(b) Societies shall also be subject to §§ 505 to 509, inclusive, 523, 529, 530, 532, 1101, 1102, 1105, 1108 and 1127 to 1130, inclusive, of this title.

(b) The minimum standards of valuation for certificates issued on or after January 1, 1988, shall be based on the following tables:

(1) For certificates of life insurance, the Commissioner's 1941 Standard Ordinary Mortality Table, the Commissioner's 1941 Standard Industrial Mortality Table, the Commissioner's 1958 Standard Ordinary Mortality Table, the Commissioner's 1980 Standard Ordinary Mortality Table or any more recent table made applicable to life insurers; and

All of the above shall be under valuation methods and standards (including interest assumptions) in accordance with the laws of this State applicable to life insurers issuing policies containing like benefits.

(c) The Commissioner may, in his or her discretion, accept other standards for valuation if the Commissioner finds that the reserves produced thereby will not be less in the aggregate than reserves computed in accordance with the minimum valuation standard herein prescribed. The Commissioner may, in his or her discretion, vary the standards of mortality applicable to all benefit contracts on standard lives or other extra hazardous lives by any society authorized to do business in this State.

(d) Any society, with the consent of the Commissioner of Insurance of the state of domicile of the society and under such conditions, if any, which the Commissioner may impose, may establish and maintain reserves on its certificates in excess of the reserves required thereunder, but the contractual rights of any benefit member shall not be affected thereby.

(1) Every society transacting business in this State shall annually, on or before March 1, unless for cause shown such time has been extended by the Commissioner, file with the Commissioner a true statement of its financial condition, transactions and affairs for the preceding calendar year and pay a fee of \$25 for filing same. The statement shall be in the general form and context as approved by the National Association of Insurance Commissioners for fraternal benefit societies and as supplemented by additional information required by the Commissioner.

(2) As part of the annual statement herein required, each society shall, on or before the 1st day of March, file with the Commissioner a valuation of its certificates in force on December 31 last preceding, provided the Commissioner may, in his or her discretion for cause shown, extend the time for filing such valuation for not more than 2 calendar months. Such valuation shall be done in accordance with the standards specified in § 6225 of this title. Such valuation and underlying data shall be certified by a qualified actuary or, at the expense of the society, verified by the actuary of the department of insurance of the state of domicile of the society.

(3) A society neglecting to file the annual statement in the form and within the time provided by this section may be subject to a fine of \$100 dollars for each day during which such neglect continues, and its authority to do business in this State may be suspended by the Commissioner while such default continues.

Societies which are now authorized to transact business in this State may continue such business until April 1, 1997. The authority of such societies and all societies hereafter licensed may thereafter be renewed annually, but in all cases to terminate on the next succeeding April 1. However, a license so issued shall continue in full force and effect until the new license is issued or specifically refused. For each such license or renewal, the society shall pay the Commissioner \$25. A duly certified copy or duplicate of such license shall be prima facie evidence that the licensee is a fraternal benefit society within the meaning of this chapter.

(70 Del. Laws, c. 533, § 1.)

§ 6228. Examination of societies; no adverse publications.

(a) The Commissioner, or any person he or she may appoint, may examine any domestic, foreign or alien society transacting or applying for admission to transact business in this State in the same manner as authorized for examination of domestic, foreign or alien insurers. Requirements of notice and an opportunity to respond before findings are made public, as provided in the laws regulating insurers, shall also be applicable to the examination of societies.

(b) The expense of each examination and of each valuation, including compensation and actual expense of examiners, shall be paid by the society examined or whose certificates are valued, upon statements furnished by the Commissioner.

(70 Del. Laws, c. 533, § 1; 70 Del. Laws, c. 186, § 1.)

(70 Del. Laws, c. 533, § 1.)

§ 6230. Injunction — Liquidation — Receivership of domestic society.

(a) When the Commissioner, upon investigation, finds that a domestic society has exceeded its powers, has failed to comply with any provision of this chapter, is not fulfilling its contracts in good faith, has a membership of less than 400 after an existence of 1 year or more or is conducting business fraudulently or in a manner hazardous to its members, creditors or the public, the Commissioner shall notify the society of such deficiency or deficiencies and state in writing the reasons for his or her dissatisfaction. The Commissioner shall simultaneously issue a written notice to the society requiring that the deficiency or deficiencies which exist be corrected. After such notice, the society shall have a 30-day period in which to comply with the Commissioner's request for correction, and if the society fails to comply, the Commissioner shall take such action as is necessary and appropriate under Chapter 59 of this title.

(b) The Commissioner may take such action as is necessary and appropriate under this section with respect to domestic society which shall voluntarily determine to discontinue business.

(70 Del. Laws, c. 533, § 1; 70 Del. Laws, c. 186, § 1.)

(1) Has exceeded its powers;

(2) Has failed to comply with any of the provisions of this chapter;

(3) Is not fulfilling its contracts in good faith; or

(4) Is conducting its business fraudulently or in a manner hazardous to its members or creditors or the public, the Commissioner shall notify the society of such deficiency or deficiencies and state in writing the reasons for his or her dissatisfaction. The Commissioner shall at once issue a written notice to the society requiring that the deficiency or deficiencies which exist are corrected. After such notice, the society shall have a 30-day period in which to comply with the Commissioner's request for correction and if the society fails to comply, the Commissioner shall notify the society of such findings of noncompliance and require the society to show cause, on a date named, why its license should not be suspended, revoked or refused. If on such date, the society does not present good and sufficient

reason why its authority to do business in this State should not be suspended, revoked or refused, the Commissioner may suspend or refuse the license of the society to do business in this State until satisfactory evidence is furnished to the Commissioner that such suspension or refusal should be withdrawn or the Commissioner may revoke the authority of the society to do business in this State.

(b) Nothing contained in this section shall be taken or construed as preventing any such society from continuing in good faith all contracts made in this State during the time such society was legally authorized to transact business herein.

(70 Del. Laws, c. 533, § 1; 70 Del. Laws, c. 186, § 1.)

§ 6232. Injunction.

(a) Agents of societies shall be licensed in accordance with Chapter 17 of this title. Agents licensed prior to January 1, 1997, shall not be required to take a written or other examination.

(b) No examination or license shall be required of any regular salaried officer, employee or member of a licensed society who devotes substantially all of his or her services to activities other than the solicitation of fraternal insurance contracts from the public and who receives for the solicitation of such contracts no commission or other compensation directly dependent upon the amount of business obtained.

(c) Any agent or representative of a society who devotes or intends to devote less than 50% of the agent's or representative's time to solicitation and procurement of insurance contracts for such society shall be exempt from the requirements of subsection (a) of this section. Any person who, in the preceding calendar year, has solicited and procured life insurance contracts on behalf of any society in an amount of insurance in excess of \$125,000 or, in the case of any other kind or kinds of insurance which the society might write, on the persons of more than 25 individuals and who has received or will receive a commission or other compensation therefor, shall be presumed to be devoting or intending to devote 50% of the person's time to the solicitation or procurement of insurance contracts for such society.

(70 Del. Laws, c. 533, § 1; 70 Del. Laws, c. 186, § 1.)

§ 6234. Unfair methods of competition and unfair and deceptive acts and practices.

Every society authorized to do business in this State shall be subject to Chapter 23 of this title relating to unfair practices; provided however, that nothing therein shall be construed as applying to or affecting the right of any society to determine its eligibility requirements for membership or be construed as applying to or affecting the offering of benefits exclusively to members or persons eligible for membership in the society by a subsidiary corporation or affiliated organization of the society.

(70 Del. Laws, c. 533, § 1.)

Copies of such appointment, certified by the Commissioner, shall be deemed sufficient evidence thereof and shall be admitted in evidence with the same force and effect as the original thereof might be admitted.

(b) Service shall only be made upon the Commissioner or, if absent, upon the person in charge of his or her office. It shall be made in duplicate and shall constitute sufficient service upon the society. When legal process against a society is served upon the Commissioner, the Commissioner shall forthwith forward 1 of the duplicate copies by registered mail, prepaid, directed to the secretary or corresponding officer. No such service shall require a society to file its answer, pleading or defense in less than 30 days from the date of mailing the copy of the service to a society. Legal process shall not be served upon a society except in the manner herein provided.

(b) Any person who wilfully makes a false or fraudulent statement in any verified report or declaration under oath required or authorized by this chapter or of any material fact or thing contained in a sworn statement concerning the death or disability of an insured for the purpose of procuring payment of a benefit named in the certificate shall be guilty of perjury and shall be subject to the penalties therefor prescribed by law.

(d) Every fraternal benefit society heretofore organized and incorporated and which provides exclusively for benefits in case of death or disability resulting solely from accident and which does not obligate itself to pay natural death or sick benefits shall have all of the privileges and be subject to all the applicable provisions and regulations of this chapter, except that the privileges thereof relating to medical examination, valuations of benefit certificates and incontestability shall not apply to such society.

§ 6310. Affiliations involving health service corporations.

(a) (1) With respect to any proposed change of control affiliation or transaction between:

- a. A health service corporation licensed under this chapter; and
- b. Any insurer that administers a Children's Health Insurance Program buy-in program ("the insurer"),

the Commissioner shall not approve the transaction or affiliation unless the affiliation will result in the Delaware-licensed health service corporation offering an insurance plan with the same benefits and eligibility criteria as the Delaware program created under § 9909(j) of Title 16.

(2) The specific premiums to be initially charged under this section shall be approved by the Commissioner as part of the approval for the transaction or affiliation required by this section, with the analysis required by Chapter 25 of this title and the premiums charged in other regions whose CHIP buy-in programs are administered by the insurer being factors in the Commissioner's decision.

(3) The plan offered pursuant to this section shall offer to subscribers the same network of health-care providers that is offered to subscribers of the Delaware-licensed entity's standard health insurance plan.

(b) For purposes of this section, a "change of control affiliation or transaction" is any affiliation or transaction that will ultimately result in any change in effective control of a health service corporation, either as described by the applicant or as determined by the Commissioner.

(c) The obligation imposed under subsection (a) of this section shall exist until such time that the Commissioner finds that a subsequent change in ownership or governance of the affected Delaware health service corporation has negated the change of control affiliation or transaction that triggered the insurer's obligation under subsection (a) of this section, or until such time that the Commissioner determines that the program has been effectively replaced by federal law, or until such time as the Commissioner determines that the program has become unviable due to insufficient enrollment or unsustainable financial losses. For purposes of this subsection, "unsustainable financial losses" shall require a demonstration of an actual medical loss ratio greater than 90% for each of 2 completed program years in a 3-program-year period.

(d) For purposes of this section, a "children's health insurance buy-in program" is a state program that allows children who would otherwise be ineligible to participate in the State's CHIP program by virtue of income to nevertheless participate in the program by paying a monthly premium.

(e) For purposes of this section, "CHIP program" means the federal Children's Health Insurance Program.

(f) Future adjustments to premiums for any Delaware CHIP buy-in program created pursuant to this section shall be subject to Chapter 25 of this title, with premiums charged in other regions whose CHIP buy-in programs are administered by the insurer being a factor considered under § 2503(a)(3) of this title.

(g) Any program created pursuant to this section shall be actuarially separated from a health service corporation's other insurance plans, and shall not affect the premiums approved by the Commissioner pursuant to Chapter 25 of this title for those other plans.

(h) The Insurance Commissioner shall provide a report to the Controller General regarding any rate-setting proceeding relating to any CHIP buy-in program created by this section. Such report shall include any request with respect to rates made by the relevant carrier, any analysis performed by the Insurance Commissioner, and the Insurance Commissioner's ultimate decision with an explanation for that decision. This requirement shall also apply to the initial premium setting required by paragraph (a)(2) of this section. The report shall be furnished within 30 days of a final decision by the Commissioner with respect to any rate.

(78 Del. Laws, c. 58, § 1.)

§ 6311. Reserves and surplus; holding company standards.

(a) Any approval by the Commissioner of a change of control of a health service corporation shall be governed under the provisions of Chapter 50 of this title and shall be subject to conditions that ensure compliance with this section. Chapter 50 of this title shall also govern the ongoing affiliation of a health service corporation following a change of control, but only to the extent that the provisions thereof are not inconsistent with any more stringent provision of this title or conditions imposed by the Commissioner in connection with approval of such change of control.

(b) If a health service corporation regulated under this chapter proposes to enter into a transaction in which it will become controlled by another entity, the Insurance Commissioner shall place conditions upon any approval of the change of control intended to preserve that amount, determined in accordance with Delaware law, that constitutes the surplus or reserves of the health service corporation. Such conditions shall include, without limitation, requiring:

(1) Review and approval by the Department of Insurance of any change in the certificate of incorporation of the health service corporation;

(2) Review and approval by the Department of Insurance of any individual expenditure or transfer of funds or coordinated series of expenditures or transfers of funds by the health service corporation in excess of \$500,000 to the controlling entity or any affiliate of such controlling entity, which review and approval shall assess the commercial reasonableness of the proposed expenditure or transfer;

(3) A majority of the board of directors of the health service corporation to consist of persons not employed by the health service corporation or any of its affiliates who are residents of Delaware and have been so for at least 5 years prior to appointment; and

(4) Recognition of, and consent to, the ability of Insurance Commissioner to seek appropriate relief from the Court of Chancery or other court of appropriate jurisdiction to prevent the entity controlling the health service corporation from improperly using the assets of the health service corporation for the benefit of the controlling entity rather than the benefit of the health service corporation and its subscribers, or otherwise violating the terms of this section, Chapter 50 of this title, or any agreement between the health service corporation and the controlling entity or affiliate thereof.

(c) Any conditions placed on approval will be enforced by the Insurance Commissioner in accordance with applicable provisions of this title. Whenever approval must be obtained from the Commissioner for any activity described in this section, simultaneous notice thereof shall be provided to the Department of Justice.

(d) A health service corporation in dissolution shall, after the discharge of all obligations, distribute all remaining assets to the foundation created under § 2533 of Title 29.

(e) Terms used in this section shall have the same meaning as defined in Chapter 50 of this title.

§ 6416. Independent health care appeals program.

(a) There is established the Independent Health Care Appeals Program in the Department of Insurance. The program will include, at a minimum, a final step in the grievance process which provides for a review by an Independent Utilization Review Organization, hereafter referred to as "IURO," as specified in regulations promulgated by the Department pursuant to the authority granted in § 6408 of this title. The purpose of the program is to provide an independent medical necessity or appropriateness of services review of final decisions of carriers to deny, reduce or terminate benefits in the event the final decision is contested by the covered person. For the purpose of this

chapter “medical necessity” means the providing of covered health-care services or products that a prudent physician would provide to a patient for the purpose of diagnosing or treating an illness, injury, or disease or its symptoms, in a manner that is:

- (1) In accordance with generally accepted standards of medical practice;
- (2) Consistent with the symptoms or treatment of the condition; and
- (3) Not solely for anyone’s convenience.

(b) The appeal review shall include any decisions regarding covered benefits by the covered person’s health benefits plan, and any determination by the IURO shall be binding on the health carriers. If the IURO makes a determination in favor of the carrier, it will give rise to a rebuttable presumption to that effect in any subsequent action brought by or on behalf of the covered person with respect to the decision. Should the determination favor the covered person, the health carrier shall have the ability to appeal the issue to Superior Court. In any such instance in which an appeal is taken to the Superior Court, that Court shall, upon receiving notice of the appeal, appoint an independent attorney to defend the determination from which the appeal is taken. The expenses of the appeal to the Superior Court, including the assessment of attorney fees for the attorney appointed by the Court, shall be assessed by the Court against the health carrier. This act will affect “health carriers,” defined as any entity subject to insurance laws and regulations of the State.

(c) A covered person may apply to the Independent Health Appeals Program for a review of any decision to deny, reduce or terminate covered benefits if the person has already completed the carrier’s internal appeals process and the person contests the final decision by a carrier. Within 4 months of the date the final decision was issued by the carrier, a covered person or the covered person’s authorized representative may file a request for an external review with the health carrier. Upon receipt of a request for an external review, the health carrier shall send an electronic copy of the request to the Department.

(d) The Department shall, at the time of the receipt of the request for an external review, assign an IURO from the list of certified IUROs pursuant to this section and shall so inform the health carrier. The IURO shall notify the covered person or the covered person’s authorized representative in writing that they have been assigned to conduct an external review. Included in the notice shall be a statement that the covered person or the covered person’s authorized representative may submit additional information and supporting documentation that the IURO shall consider when conducting the external review. Such additional information must be submitted within 7 days of receipt of the notification.

(e) Within 7 calendar days after the date on which the health carrier receives notice of the IURO assigned, the health carrier shall provide to the assigned IURO all documents and information utilized in making the final decision to deny, reduce or terminate benefits, as well as the final written decision from internal appeal.

(f) For cases in which the denial, reduction or termination of benefits by the health carrier is based on grounds other than medical necessity or the appropriateness of services, as defined in this section, review from the final decision of the health carrier, following completion of the health carrier’s internal review process, shall be through the Department of Insurance in accordance with the provisions of § 332 of this title.

(g) For cases in which a denial, reduction or termination of benefits should be reviewed by both an IURO and by the Department of Insurance, or where there is ambiguity as to where the review should be conducted, the review shall be conducted by an IURO pursuant to this section.

(72 Del. Laws, c. 441, § 1; 73 Del. Laws, c. 96, § 2; 75 Del. Laws, c. 362, § 2; 78 Del. Laws, c. 226, § 1.)

§ 6417. Appeal reviews; independent utilization review organizations.

(a) The Insurance Commissioner or designee shall certify such organizations that meet the requirements of this section or regulations to be promulgated pursuant to it or shall deem certified any independent review entity meeting standards developed for this purpose by an independent, national accrediting organization. The Department will contract these IUROs.

(b) The Insurance Commissioner or designee shall appoint an IURO on a rotating basis to hear each appeal. The carrier shall be responsible for all costs associated with the appeal regardless of the final ruling, and shall reimburse the Department within 90 days of a final decision for the expenses related to the appeal process. In addition, upon the written request of an MCO, the Insurance Commissioner or designee shall have the discretion to appoint an IURO to conduct a preliminary review to determine if an appeal is clearly without merit. The cost of the preliminary review shall be borne by the MCO.

(c) Regulations promulgated under this section shall include the following requirements:

(1) Expert reviewers assigned by independent review organizations must be physicians or other appropriate health-care practitioners who meet the following minimum requirements:

a. Expert in the treatment of the covered person’s medical condition, and knowledgeable about the recommended service or treatment through recent or current actual clinical experience treating patients with the same or similar medical conditions of the covered person.

b. Hold a nonrestricted license in a State of the United States, and for physicians, a current certification by a recognized American medical specialty board in the area or areas appropriate to the subject of review.

c. Have no history of disciplinary action or sanctions (including but not limited to loss of staff privileges or participation restrictions) taken or pending by any hospital, government or regulatory body.

(2) The independent review organization shall submit to the Department the following information:

a. The names of all stockholders and owners of more than 5% of any stock or options, if a publicly held organization.

b. The names of all entities the independent review organization controls or is affiliated with, including the nature and extent of any ownership or control, including the affiliated organization's type of business.

c. The names of all directors, officers and executives of the independent review organization, as well as a statement regarding any relationships the directors, officers and executives may have with any health-care service plan, disability insurer, managed care organization, provider group or board or committee.

(3) Neither the expert reviewer, nor the independent review organization, has any material professional, familial or financial conflict of interest with any of the following:

a. The plan.

b. Any officer, director or management of the plan.

c. The physician, the physician's medical group or the independent practice association proposing the service or treatment.

d. The institution at which the service or treatment would be provided.

e. The development or manufacture of the principal drug, device, procedure or other therapy proposed for the covered person whose treatment is under review.

f. The covered person.

g. National, state or local trade association of health benefit plans or health-care providers.

(4) The independent review organization shall have a quality assurance mechanism in place that ensures the timeliness and quality of the reviews, the qualifications and independence of the experts, and the confidentiality of the medical records and review materials.

a. The Insurance Commissioner or designee shall establish procedures for transmitting the completed application for an appeal review to the independent review entity.

b. The independent review entity shall promptly review the pertinent medical records of the covered person to determine whether the carrier's denial, reduction or termination of benefits deprived the covered person of medically necessary services covered by the person's health benefits plan, based on applicable, generally accepted practice guidelines developed by the federal government, national or professional medical practice societies, boards or associations and any applicable clinical protocols or practice guidelines developed by the carrier. The organization shall complete its review and make its written determination within 45 days of receipt of a completed application for an appeal review. In no event shall appeals involving an imminent, emergent or serious threat to the health of the enrollee, as determined by the treating health-care practitioner, exceed 72 hours. Upon completion of the review, the entity shall state its findings in writing and make a determination of whether the carrier's denial, reduction or termination of benefits deprived the covered person of medically necessary services covered by the person's health benefits plan. If the organization determines that the denial, reduction or termination of benefits deprived the person of medically necessary covered services, it shall send a determination to the covered person and the carrier. The determination shall be binding on the carrier and the carrier shall promptly notify the person what action it intends to take to implement the determination.

c. Coverage for the services required under this section shall be provided subject to the terms and conditions generally applicable to benefits under coverage under the plan. Nothing in this section shall be construed to require the plan to pay for services of a nonparticipating physician that are not otherwise covered pursuant to the evidence of coverage under the plan.

d. The Insurance Commissioner or designee shall require the independent review organization to establish procedures to provide for an expedited review of a carrier's denial, reduction or termination of a benefit decision when a delay in receipt of the services could seriously jeopardize the health or well-being of the covered person.

e. The covered person's medical records provided to the program and the independent utilization review organization and the findings and recommendations of the organization made pursuant to this chapter are confidential and shall be used only by the Department, the organization and the affected carrier for the purposes of this chapter. The medical records and findings and determinations shall not otherwise be divulged or made public so as to disclose the identity of any person to whom they relate and shall not be included under any materials available to public inspection pursuant to Chapter 100 of Title 29.

f. A carrier may at any time determine to provide the requested medical services by so notifying the organization or the Insurance Commissioner or designee, as well as the covered person which notification shall terminate the review process. The cost of a partial review by an IURO shall be borne by the carrier.

(72 Del. Laws, c. 441, § 1; 75 Del. Laws, c. 362, § 2.)

§ 6418. Indemnification and immunity of employees.

(a) An employee of the Department who participates in the program shall not be liable in any action for damages to any person for any action taken within the scope of that employee's function in the program. The Attorney General shall defend the person in any civil suit and the State shall provide indemnification for any damages awarded.

(b) The carrier that is the subject of the review shall not be liable in any action for damages to any person for any action taken to implement a determination of the independent review organization pursuant to this chapter.

(c) Any physician serving on the IURO chosen by the Insurance Commissioner or designee to hear an appeal shall not be liable in any action for damages to any person for any action taken within the scope of that physician's function in the program.

(72 Del. Laws, c. 441, § 1; 70 Del. Laws, c. 186, § 1; 75 Del. Laws, c. 362, § 2.)

§ 6419. Violations; penalties.

(a) A carrier that violates any provision of this chapter shall be liable to a civil penalty of not less than \$250 and not greater than \$10,000 for each day that the carrier is in violation of the chapter if 10-days notice in writing is given of the intent to levy the penalty and, at the discretion of the Insurance Commissioner or designee, the carrier has 30 days, or such additional time as the Insurance Commissioner or designee shall determine to be reasonable, to remedy the condition which gave rise to the violation and fails to do so within the time allowed.

(b) The Insurance Commissioner or designee may issue an order directing a carrier or a representative of a carrier to cease and desist from engaging in any act or practice in violation of the provisions of this chapter.

(c) Within 20 days after service of the order of cease and desist, the respondent may request a hearing on the question of whether acts or practices in violation of this section have occurred. The hearing shall be conducted pursuant to the Administrative Procedure Act [Chapter 101 of Title 29], and judicial review shall be available as provided therein. This appeal shall not stay the cease and desist order.

(d) In the case of any violation of the provisions of this chapter, if the Insurance Commissioner or designee elects not to issue a cease and desist order, or in the event of noncompliance with a cease and desist order issued pursuant to subsection (b) of this section, the Insurance Commissioner or designee may institute a proceeding to obtain injunctive relief in accordance with the applicable court rules.

(72 Del. Laws, c. 441, § 1; 75 Del. Laws, c. 362, § 2.)

§ 6420. Enforcement; adoption of rules and regulations.

The Insurance Commissioner shall enforce the provisions of this chapter. The Insurance Commissioner shall adopt rules and regulations, pursuant to the Administrative Procedure Act (Chapter 101 of Title 29), necessary to carry out the purposes of this chapter. The regulations shall establish procedures for protections defined in this chapter.

§ 6804. Composition of panels; chairperson.

(a) Each medical negligence review panel convened in an action shall be composed of 5 voting members and shall include 2 health-care provider members, at least 1 of whom shall be a physician, and the other 1 of whom shall be, if available, from 1 of the health care disciplines involved in such action, 1 attorney and 2 lay persons who are not health-care providers nor licensed to practice law nor associated with the insurance industry. The attorney member shall act as chairperson of the panel and shall preside at all meetings.

(b) The Commissioner shall also designate 1 member of the Commissioner's staff who shall sit as a nonvoting ex officio member of the panel and who shall have custody of and responsibility for the keeping of all evidence, records and related material used by the panel.

The Commissioner shall compile such additional lists of other categories of health-care providers as may be appropriate.

(2) The parties may agree upon 1 or more members from each of the lists to constitute the medical negligence review panel.

(3) In the event that the parties shall not agree upon the selection of any 1 or more members, such members shall be selected by the Commissioner by lot from the appropriate list. As to each list from which selection is made by lot, each party shall have 3 preemptory challenges to such selections.

(4) Members selected by agreement or by lot shall be designated by the Commissioner to serve unless disqualified by reason of close relationship with or personal bias toward any party to the action.

(6) A party to the proceeding before the medical negligence review panel may also challenge any member so selected by submitting an affidavit to the Court setting forth the facts that the party believes show cause for striking such member from the panel. The Court may strike such member from the panel if it finds such cause to exist.

(7) After the Court has excused or struck a member, the parties shall select a substitute member from the same list, each party retaining any previously unused preemptory challenge.

Such rules and regulations shall be consistent with the common and statutory law of the State and the Rules of Civil Procedure of the Superior Court of the State and shall be modified from time to time to reflect the changes in the law or Superior Court Rules. The Commissioner shall publish the initial set of such rules and regulations not later than 60 days after April 26, 1976.

(60 Del. Laws, c. 373, § 1.)

§ 6810. Panel's appointment and compensation of expert witness.

The panel may appoint persons it determines to be disinterested and qualified experts to make any necessary professional or expert mental or physical examination of the plaintiff or review of the relevant evidentiary matters, and testify or submit a report in respect thereto. The panel shall give notice, reasonable under the circumstances to all parties, of its intent to appoint such experts, and shall allow them a reasonable time within which to communicate to the panel any objections they may have to the appointment of such experts. Such expert witnesses shall be allowed reasonable and necessary expenses connected with their travel, meals and lodging in connection with their testimony and work on behalf of the panel as well as a reasonable fee to be fixed by the panel and paid pursuant to § 6813 [terminated] of this title.

(60 Del. Laws, c. 373, § 1.)

§ 6811. Opinion of panel; time for rendering.

(a) A majority vote of the medical negligence review panel shall be required to decide all matters before it.

(b) The panel shall have the duty of making a finding as to whether or not in its opinion the evidence supports the conclusion that the defendant or defendants acted or failed to act within the applicable standards of care. After reviewing all evidence and after any hearing before the panel requested by any party, the panel shall, within 30 days, render to the Court a written opinion, including any minority opinion or opinions, signed by the chairperson expressing 1 or more of the following findings:

- (1) The evidence supports the conclusion that the defendant or defendants failed to comply with the appropriate standard of care;
- (2) The evidence does not support the conclusion that the defendant or defendants failed to meet the applicable standard of care;
- (3) There is a material issue of fact, not requiring expert opinion, bearing on liability for consideration by the Court or jury, which issue of fact shall be identified in the opinion; or
- (4) The conduct complained of was or was not a factor in the resultant damages, and if so, whether the plaintiff suffered:
 - a. Any disability and the extent and duration of the disability; and
 - b. Any permanent impairment and the percentage of the impairment.

(c) Any opinion rendered by the medical negligence review panel shall state the grounds upon which it is based and shall further identify the persons, texts or other authorities which were consulted by the panel in reaching its conclusion, and shall be admissible as prima facie evidence in any proceeding before the Superior Court.

(d) Any party aggrieved by the opinion of the panel shall have the right to review by the Superior Court of such opinion, and the evidence considered by the panel. Application for review by the Superior Court shall be by motion with a certified copy of the opinion attached, and shall state the grounds for objection thereto. Such motion shall be served by the movant on the Commissioner and the other parties to the action, the proof of such service to be as provided by the Rules of the Superior Court. A motion for review shall be filed within 30 days after the rendering of the opinion by the panel.

(e) Upon receipt of a motion for review, the Prothonotary shall promptly schedule it for consideration by the Court and the Court shall review the panel's opinion on the record made before the panel and shall strike any portion of the panel's opinion which the Court finds to be based on error of law or not supported by substantial evidence.

(f) The complete record of the proceedings before the panel including all exhibits and evidence introduced before it shall be filed with the Prothonotary at the time the panel renders its opinion. A transcript of such proceedings shall be required only in the event that a motion for review shall be filed.

(60 Del. Laws, c. 373, § 1; 71 Del. Laws, c. 373, § 3.)

§ 6812. Report of panel admissible in evidence; witnesses; immunity of members.

The opinion reached by the medical negligence review panel shall be admissible as prima facie evidence in the pending Superior Court action brought by the claimant, but such opinion shall not be conclusive and any party shall have the right to call, at said party's cost, any witness who appeared before or submitted reports to the medical negligence review panel as a witness. If called, the witness shall be required to appear and testify. Members of a medical negligence review panel shall have immunity from civil liability for all communications, findings, opinions and conclusions made in the course and scope of their duties prescribed by this chapter.

(60 Del. Laws, c. 373, § 1; 71 Del. Laws, c. 373, § 3.)

§ 6813. Compensation of panelists.

Each member of the medical negligence review panel shall be paid at the rate of \$100 per diem plus actual and necessary expenses incurred in the performance of their official duties, but not to exceed a total of \$700 for both expenses and compensation paid to any 1 member of the panel for 1 matter. The member of the Commissioner's staff designated to serve as a panel's ex-officio member shall receive only actual and necessary expenses incurred as compensation. The medical negligence review panel shall have the authority to assess such costs, up to a maximum amount of \$1,000, upon the party or parties against whom the majority opinion of the panel is rendered; provided, however, that this power to assess costs shall be discretionary and the panel shall assess such costs only in those cases where they deem it appropriate. In the event that a judgment shall be entered in any Superior Court action on the same matter, the fees and expenses of the panel may be assessed as costs to the extent allowable above and shall follow such judgment.

(68 Del. Laws, c. 383, § 1; 71 Del. Laws, c. 373, § 3.)

§ 6814. Medical negligence review panels in federal court action.

The Commissioner shall convene medical negligence review panels in the manner set forth in this subchapter upon request of a Federal District Court Judge sitting in a civil action in the District of Delaware alleging medical negligence in the manner instructed by the said federal court, but also in a manner as consistent as possible with the process of selecting such panels provided for in Superior Court actions in this chapter. The selection process of any such panel in a federal court action and its powers and duties shall be subject to the order of that said court and/or such rules as the federal court system shall designate for the implementation of such panels. The Commissioner shall not, however, convene any such panels at the request of any such federal court unless provisions are made for the payment of the compensation and expenses of such panelists and the compensation and expenses of all witnesses called by such panel out of the funds other than those of the General Fund of the State.

(60 Del. Laws, c. 373, § 1; 71 Del. Laws, c. 373, § 3.)

Subchapter IV

§ 6820. Reports; contents; when due.

(a) Every insurance carrier providing medical negligence coverage and who pays any amount for insurance coverage for any medical negligence claim shall file a report with the Commissioner within 60 days following the final disposition by agreement, settlement, order, adjudication, or otherwise of such medical negligence claim against the insurance carrier's insured. Such report shall include the following:

(1) The name of the insured.

(2) A detailed statement of the medical negligence claim asserted against the insured.

(3) A statement detailing the result or final disposition of the claim against the insured, including disclosure of the manner of the resolution or disposition of such claim, the amount ordered, adjudged or agreed to be paid by or on behalf of the insured, the amount paid by such insurance carrier on behalf of the insured as part of that settlement, adjudication or order and the total amount paid by such insurance carrier for attorney's fees, costs and expenses incurred on behalf of the insured.

(b) Except as otherwise required by this section or § 6821 of this title, information reported to the Commissioner shall be kept confidential, shall not be subject to disclosure to the public pursuant to the Freedom of Information Act, Chapter 100 of Title 29, or for any other reason, and shall not be subject to subpoena or any other legal process.

(c) A standard form to be used by insurance carriers making reports pursuant to this section shall be created jointly by the Commissioner and the Board of Medical Licensure and Discipline.

(d) The Commissioner shall, on an annual basis, submit to the General Assembly a report that shall not disclose any personal information but which shall provide the following aggregated statistical information:

- (1) The number of separate medical negligence claims resolved or disposed of by agreement, by order, or by adjudication during the immediately preceding calendar year;
- (2) The type of medical negligence claim made;
- (3) The average amount paid in settlement of each such claim or the average amount ordered to be paid; and
- (4) The average amount paid by insurance carriers for attorneys' fees, costs, and expenses incurred in defense of such claims.

Following its submission to the General Assembly, the Commissioner shall make the report submitted pursuant to subsection (d) of this section available to the public and to any medical negligence insurance carrier.

(60 Del. Laws, c. 373, § 1; 71 Del. Laws, c. 373, § 3; 75 Del. Laws, c. 109, § 1; 77 Del. Laws, c. 319, § 1.)

§ 6821. Disciplinary action.

(a) The Commissioner shall forward the name of every health-care provider against whom a settlement is made or judgment is rendered under this chapter to the appropriate agency for licensure or professional registration and examination for review of the fitness of the health-care provider to practice the profession. In each case involving review of a health-care provider's fitness to practice under this chapter, the agency shall have the power, in appropriate cases, to take the following disciplinary action:

- (1) Censure, public or private;
- (2) Imposition of probation for determinate period;
- (3) Suspension of the health-care provider's license for a determinate period;
- (4) Revocation of the license; or
- (5) In the instance of institutional or corporate providers, the ordering of temporary or permanent cessation of the particular program, procedure or service resulting in the claim or judgment, and/or the ordering, monitoring and evaluation of corrective action necessary to bring such activity into compliance with contemporary standards.

(b) Review of the health-care provider's fitness to practice shall be conducted in accordance with the applicable procedures set forth in Title 16 or 24, or other applicable provisions, and shall include a determination of whether a provider has been shown to be unfit to continue the practice of the profession because of a series of actions presumed to be medical negligence, because of verdicts or settlements against the provider, or because of a single case in which the act or omission is considered to include gross negligence on the provider's part.

(60 Del. Laws, c. 373, § 1; 70 Del. Laws, c. 186, § 1; 71 Del. Laws, c. 373, § 3.)

Subchapter V

Joint Underwriting Association

§ 6830. Temporary Joint Underwriting Association.

(a) A temporary Joint Underwriting Association is hereby provided for which shall consist of 2 categories of membership whose members shall be designated as category A members and category B members. The requirements for membership in, and the liabilities and obligations of membership in, either such category of the Association shall be as set forth in subsections (b) and (c) of this section.

(b) Category A of the Association shall consist of all insurers authorized to write and engaged in writing, within this State on a direct basis, casualty insurance, including insurers covering such peril package policies as defined in § 906(a) of this title. The liabilities and obligations of membership within this category of the Association shall be as set forth for members in this subchapter.

(c) Category B of the Association shall consist of:

- (1) All insurers authorized to write and engaged in writing, within this State on a direct basis, health insurance as defined in § 903 of this title; and
- (2) All health service corporations incorporated and offering insurance and/or health service contracts pursuant to Chapter 63 of this title.

The liabilities and obligations of membership within this category of the Association shall also be as set forth for members in this subchapter; provided, however, that the members of category B shall have no liabilities or obligations to the Association whatsoever pursuant to this subchapter until such time as the Association's aggregate losses, before any attempts have been made by category A members to recoup such losses and after crediting against such aggregate losses all funds available for payment of such losses in the stabilization reserve fund, exceed 5 percent of the net direct premiums paid to all category A members for insurance written within this State on a direct basis during the most recent year of the Association's existence. In the event that the members of category B of the Association are required to so share in the losses of the Association, then all members in both categories A and B shall participate on the same basis thereafter in all such additional losses of the Association above the 5 percent losses paid by the members of category A.

(d) Every such insurer shall be a member of the Association and shall remain a member as a condition of its authority to continue to transact such kind of insurance within this State.

(e) The purpose of the Association shall be to provide, for a period not exceeding 2 years from the date it commences underwriting operations, a market for health-care medical negligence insurance on a self-supporting basis without subsidy from its members.

(f) The Association shall commence underwriting operations only by separate category of health-care provider and only after the making by the Commissioner, upon due hearing and investigation, of the finding that such underwriting operations are necessary and 1 or more of the following findings:

(1) That health-care medical negligence insurance is not reasonably available for physicians in the voluntary market. Upon such determination the Association shall be authorized to issue policies of health-care medical negligence insurance to physicians and need not be the exclusive agency through which health-care medical negligence insurance may be written in this State on a primary basis for physicians;

(2) That general liability insurance or health-care medical negligence insurance, or both, are not reasonably available for hospitals in the voluntary market. Upon such determination the Association shall be authorized to issue policies of general liability and health-care medical negligence insurance to hospitals but need not be the exclusive agency through which such insurance may be written on a primary basis in this State; or

(3) That health-care medical negligence insurance is not reasonably available for another specific type or types of licensed health-care provider in the voluntary market. Upon such determination the Association shall be authorized to issue policies of health-care medical negligence insurance and need not be the exclusive agency through which health-care medical negligence insurance may be written in this State on a primary basis for such specific type of health-care provider.

(g) If the Commissioner determines at any time that health-care medical negligence insurance can be made reasonably available in the voluntary market for either: (1) Physicians, (2) hospitals or (3) any specific type of other licensed health-care provider, the Association shall thereby cease its underwriting operations for any such general liability and health-care medical negligence insurance it is then writing in respect to which the Commissioner has made such determination.

(h) The Association shall, pursuant to this chapter and the plan of operation with respect to health-care medical negligence insurance, have the power on behalf of its members:

(1) To issue, or to cause to be issued, policies of insurance to applicants, including incidental coverages and subject to limits as specified in the plan of operation but not to exceed \$1,000,000 for each claimant under 1 policy and \$3,000,000 for all claimants under 1 policy in any 1 year;

(2) To underwrite such insurance and to adjust and pay losses with respect thereto, or to appoint a servicing company or companies to perform those functions;

(3) To assume reinsurance from its members; and

(4) To cede reinsurance.

(i) The Association and its members shall cooperate with the Commissioner, to the extent the Commissioner permits and with the Association's actual or prospective policyholders, on all matters pertaining to the Commissioner's duties and the insurance issued or to be issued by the Association.

(60 Del. Laws, c. 373, § 1; 71 Del. Laws, c. 373, § 3.)

§ 6831. Plan of operation.

(a) Within 45 days following the creation of the Association, the directors of the Association shall submit to the Commissioner for the Commissioner's review a proposed plan of operation, consistent with this chapter.

(b) The plan of operation shall provide for economic, fair and nondiscriminatory administration and for the prompt and efficient provision of insurance, and shall contain other provisions including, but not limited to, preliminary assessment of all members for initial expenses necessary to commence operations, establishment of necessary facilities, management of the Association, assessment of members to defray losses and expenses, Commission arrangements, reasonable and objective underwriting standards, acceptance and cession of reinsurance, appointment of servicing carriers or other servicing arrangements and procedures for determining amounts of insurance to be provided by the Association.

(c) The plan of operation shall be subject to approval by the Commissioner after consultation with the directors of the Association, representatives of the public and other affected individuals and organizations. If the Commissioner disapproves all or any part of the proposed plan of operation, the directors shall within 15 days submit for review an appropriate revised plan of operation or part thereof. If the directors fail to do so, the Commissioner shall promulgate a plan of operation or part thereof, as the case may be. The plan of operation approved or promulgated by the Commissioner shall become effective and operational upon order of the Commissioner.

(d) Amendments to the plan of operation may be made by the directors of the Association, subject to the approval of the Commissioner, or shall be made at the direction of the Commissioner.

(60 Del. Laws, c. 373, § 1.)

§ 6832. Policy forms and rates.

(a) All policies issued by the Association shall provide for a continuous period of coverage beginning with their respective effective dates and terminating automatically at 12:01 a.m. 2 years from the date the Association began underwriting operations with respect to their category of coverage, unless sooner terminated in accordance with this chapter. All such policies shall be issued subject to the group

retrospective rating plan and the Stabilization Reserve Fund authorized by this chapter. All such policies shall be written so as to apply only to injury or breach of contract: (1) Which results from acts or omissions during the policy period; and (2) which is discovered and for which written claim is made against the insured not later than 1 year after the end of the policy period. No policy form shall be used by the Association unless it has been filed with the Commissioner and either: (1) The Commissioner has approved it; or (2) 30 days have elapsed and the Commissioner has not disapproved it as misleading or violative of public policy. All such policies shall be written so as to apply to injury or breach of contract which results from acts or omissions during the policy period, commonly designated as occurrence-type policies.

(b) Cancellation of the Association's policies shall be governed by procedures as determined by the Commissioner, except that the Association may also cancel any of its policies in the event of nonpayment of any Stabilization Reserve Fund charge by mailing or delivering to the insured at the address shown on the policy written notice stating when not less than 10 days thereafter cancellation shall be effective. Notification of any such cancellation shall be given to the appropriate agency for licensure or professional registration to the extent possible.

(c) The rates, rating plans, rating rules, rating classifications and territories applicable to the insurance written by the Association and statistics relating thereto shall be subject to Chapter 25 of this title, giving due consideration to the past and prospective loss and expense experience for health care medical negligence insurance written and to be written in this State, trends in the frequency and severity of losses, the investment income of the Association and such other information as the Commissioner may require. All rates shall be on an actuarially sound basis, giving due consideration to the group retrospective rating plan and the Stabilization Reserve Fund, and shall be calculated to be self-supporting. The Commissioner shall take all appropriate steps to make available to the Association the loss and expense experience of insurers previously writing health care medical negligence insurance in this State.

(d) All policies issued by the Association shall be subject to a nonprofit group retrospective rating plan to be approved by the Commissioner under which the final premium for all policyholders of the Association, as a group, will be equal to the administrative expenses, loss and loss adjustment expenses and taxes, plus a reasonable allowance for contingencies and servicing. Policyholders shall be given full credit for all investment income, net of expenses and a reasonable management fee, on policyholder supplied funds. The standard premium (before retrospective adjustment) for each policy issued by the Association shall be established for portions of the policy period coinciding with the Association's fiscal year on the basis of the Association's rates, rating plans, rating rules, rating classifications and territories then in effect. The maximum final premium for all policyholders of the Association, as a group, shall be limited as provided in this chapter. Subject to the nonprofit group retrospective rating plan required by this subsection, there shall be a strong presumption that the rates filed and premiums for the business of the Association are not unreasonable or excessive.

(e) The Commissioner shall examine the business of the Association as often as the Commissioner deems appropriate to make certain that the group retrospective rating plan is being operated in a manner consistent with this section. If the Commissioner finds that it is not being so operated, the Commissioner shall issue an order to the Association, specifying in what respects its operation is deficient and stating what corrective action shall be taken.

(f) The Association shall certify to the Commissioner the estimated amount of any deficit remaining after the Stabilization Reserve Fund has been exhausted in payment of the maximum final premium for all policyholders of the Association. Within 60 days after such certification the Commissioner shall authorize the members of the Association to commence recoupment of their respective shares of the deficit by 1 of the following procedures:

(1) Applying a surcharge to be determined by the Association at a rate not to exceed 2 percent of the annual premiums on future policies affording those kinds of insurance which form the basis for their participation in the Association under procedures established by the Association; or

(2) Deducting their share of the deficit from past or future premium taxes due the State.

If the Commissioner fails within 60 days to authorize 1 of the above procedures, each member of the Association may commence recoupment of its deficit by the second procedure described above. The Association shall amend the amount of its certification of deficit to the Commissioner as the values of its incurred losses become finalized and the members of the Association shall amend their recoupment procedure accordingly.

(g) In the event that sufficient funds are not available for the sound financial operation of the Association, pending recoupment as provided in subsection (f) of this section, all members shall, on a temporary basis, contribute to the financial requirements of the Association in the manner established by this chapter. Any such contribution shall be reimbursed to the members by recoupment as provided in subsection (f) of this section.

(60 Del. Laws, c. 373, § 1; 71 Del. Laws, c. 373, § 3.)

§ 6833. Stabilization Reserve Fund.

(a) There is hereby created a Stabilization Reserve Fund. The Fund shall be administered by 3 directors, 1 of whom shall be the Commissioner or the Commissioner's deputy. The remaining 2 directors shall be appointed by the Commissioner. One shall be a representative of the Association; the other a representative of its policyholders.

(b) The directors shall act by majority vote with 2 directors constituting a quorum for the transaction of any business or the exercise of any power of the Fund. The directors shall serve without salary, but each director shall be reimbursed for actual and necessary expenses incurred in the performance of his or her official duties as a director of the Fund. In the absence of fraud or wilful misconduct, the directors

shall not be subject to any personal liability or accountability with respect to the administration of the Fund.

(c) Each policyholder shall pay to the Association a Stabilization Reserve Fund charge equal to one third of each premium payment due for insurance through the Association. Such charge shall be separately stated in the policy. The Association shall cancel the policy of any policyholder who fails to pay the Stabilization Reserve Fund charge.

(d) The Association shall promptly pay to the trustee of the Fund all Stabilization Reserve Fund charges which it collects from its policyholders and any retrospective premium refunds payable under the group retrospective rating plan authorized by this subchapter.

(e) All moneys received by the Fund shall be held in trust by a corporate trustee selected by the directors. The corporate trustee must be authorized to act as a corporate trustee in the State. The corporate trustee may invest the moneys held in trust, subject to the approval of the directors. All investment income shall be credited to the Fund. All expenses of administration of the Fund shall be charged against the Fund. The moneys held in trust shall be used solely for the purpose of discharging, when due, any retrospective premium charges payable by policyholders of the Association under the group retrospective rating plan authorized by this chapter. Payment of retrospective premium charges shall be made by the directors upon certification to them by the Association of the amount due. If all moneys accruing to the Fund are finally exhausted in payment of retrospective premium charges, all liability and obligations of the Association's policyholders with respect to the payment of retrospective premium charges shall thereupon terminate and shall be conclusively presumed to have been discharged. Any moneys remaining in the Fund after all such retrospective premium charges have been paid shall be returned to policyholders in proportion to their policy premiums under procedures authorized by the directors.

(60 Del. Laws, c. 373, § 1; 70 Del. Laws, c. 186, § 1.)

§ 6834. Procedures.

(a) Any licensed physician, hospital or other licensed health-care provider shall, on or after the effective date of the plan of operation, be entitled to apply to the Association for such coverage.

(b) If the Association determines that the applicant meets the underwriting standards of the Association as prescribed in the plan of operation and there is no unpaid, uncontested premium due from the applicant for prior insurance (as shown by the insured having failed to make written objection to the premium charges within 30 days after billing), then the Association, upon receipt of the premium, or such portion thereof as is prescribed in the plan of operation, shall cause to be issued a policy of health-care medical negligence insurance.

(60 Del. Laws, c. 373, § 1; 71 Del. Laws, c. 373, § 3.)

§ 6835. Participation.

All insurers which are members of the Association shall participate in its writings, expenses, servicing allowance, management fees and losses in the proportion that the net direct premiums of each such member (excluding that portion of premiums attributable to the operation of the Association) written during the preceding calendar year bears to the aggregate net premiums written in this State by all members of the Association. Each insurer's participation in the Association shall be determined annually on the basis of such net direct premiums written during the preceding calendar year, as reported in the annual statements and other reports filed by the insurer with the Commissioner.

(60 Del. Laws, c. 373, § 1.)

§ 6836. Directors.

The Association shall be governed by a board of 11 directors, to be elected annually. Eight directors shall be elected by cumulative voting by the members of the Association whose votes in such election shall be weighted in accordance with each member's net direct premiums written in the areas of insurance determining membership in the Association during the preceding calendar year. Three directors shall be appointed by the Commissioner as representatives of health-care providers. The 8 member companies serving on the first board shall be elected at a meeting of the members held at a time and place designated by the Commissioner. The Commissioner shall appoint the other 3 directors serving on the first board on or before the date of such meeting from lists of names tendered to the Commissioner by all interested health-care provider groups.

(60 Del. Laws, c. 373, § 1.)

§ 6837. Appeals and judicial review.

(a) Any applicant to the Association, any person insured pursuant to this subchapter, or their representatives, or any affected insurer, may appeal to the Commissioner within 30 days after any ruling, action or decision by or on behalf of the Association with respect to those items the plan of operation defines as appealable matters.

(b) All orders of the Commissioner made pursuant to this chapter shall be subject to judicial review as provided in § 328 of this title.

(60 Del. Laws, c. 373, § 1.)

§ 6838. Annual statements.

The Association shall file in the office of the Commissioner, annually on or before March 1, a statement which shall contain information with respect to transactions, condition, operations and affairs during the preceding year. Such statement shall contain such matters and information as are prescribed and shall be in such form as is approved by the Commissioner. The Commissioner may, at any time, require the Association to furnish additional information with respect to its transactions, condition or any matter connected therewith considered to

be material and of assistance in evaluating the scope, operation and experience of the Association.

(60 Del. Laws, c. 373, § 1.)

§ 6839. Examinations.

The Commissioner shall make an examination into the affairs of the Association at least annually. Such examination shall be conducted and the report thereon filed in the manner prescribed in Chapter 3 of this title. The expenses of every such examination shall be borne and paid by the Association in the manner prescribed by § 326 of this title.

(60 Del. Laws, c. 373, § 1.)

§ 6840. Privileged communications.

There shall be no liability on the part of, and no cause of action of any nature shall arise against the Association, the Commissioner, or authorized representatives or any other person or organization, for any statements made in good faith by them during any proceeding or concerning any matters within the scope of this chapter.

(60 Del. Laws, c. 373, § 1; 70 Del. Laws, c. 186, § 1.)

§ 6841. Public officers or employees.

No member of the board of directors of the Stabilization Reserve Fund who is otherwise a public officer or employee shall suffer a forfeiture of his or her office or employment or any loss or diminution in the rights and privileges appertaining thereto, by reason of membership on the board of directors of the Stabilization Reserve Fund.

(60 Del. Laws, c. 373, § 1; 70 Del. Laws, c. 186, § 1.)

Subchapter VI

General Provisions

§ 6850. Legal terms as at common law.

Any legal term or word of art used in this chapter, not otherwise defined, shall have such meaning as is consistent with the common law.

(60 Del. Laws, c. 373, § 1.)

§ 6851. Agreement assuring result to be in writing.

No liability shall be imposed upon any health-care provider on the basis of an alleged breach of contract, express or implied, assuring results to be obtained from undertaking or not undertaking any diagnostic or therapeutic procedure in the course of health care, unless such contract is set forth in writing and signed by such health-care provider or by an authorized agent of such health-care provider.

(60 Del. Laws, c. 373, § 1.)

§ 6852. Informed consent.

(a) No recovery of damages based upon a lack of informed consent shall be allowed in any action for medical negligence unless:

(1) The injury alleged involved a nonemergency treatment, procedure or surgery; and

(2) The injured party proved by a preponderance of evidence that the health-care provider did not supply information regarding such treatment, procedure or surgery to the extent customarily given to patients, or other persons authorized to give consent for patients by other licensed health-care providers in the same or similar field of medicine as the defendant.

(b) In any action for medical negligence, in addition to other defenses provided by law, it shall be a defense to any allegation that such health-care provider treated, examined or otherwise rendered professional care to an injured party without his or her informed consent that:

(1) A person of ordinary intelligence and awareness in a position similar to that of the injured party could reasonably be expected to appreciate and comprehend hazards inherent in such treatment;

(2) The injured party assured the health-care provider he or she would undergo the treatment regardless of the risk involved or that he or she did not want to be given the information or any part thereof to which he or she could otherwise be entitled; or

(3) It was reasonable for the health-care provider to limit the extent of his or her disclosures of the risks of the treatment, procedure or surgery to the injured party because further disclosure could be expected to affect, adversely and substantially, the injured party's condition, or the outcome of the treatment, procedure or surgery.

(60 Del. Laws, c. 373, § 1; 70 Del. Laws, c. 186, § 1; 71 Del. Laws, c. 373, §§ 2, 3.)

§ 6853. Affidavit of Merit, expert medical testimony.

(a) No health-care negligence lawsuit shall be filed in this State unless the complaint is accompanied by:

(1) An affidavit of merit as to each defendant signed by an expert witness, as defined in § 6854 of this title, and accompanied by a current curriculum vitae of the witness, stating that there are reasonable grounds to believe that there has been health-care medical negligence committed by each defendant. If the required affidavit does not accompany the complaint or if a motion to extend the time to file said affidavit as permitted by paragraph (a)(2) of this section has not been filed with the court, then the Prothonotary or clerk of the

court shall refuse to file the complaint and it shall not be docketed with the court. The affidavit of merit and curriculum vitae shall be filed with the court in a sealed envelope which envelope shall state on its face:

“CONFIDENTIAL SUBJECT TO 18 DEL. C., SECTION 6853. THE CONTENTS OF THIS ENVELOPE MAY ONLY BE VIEWED BY A JUDGE OF THE SUPERIOR COURT.”

Notwithstanding any law or rule to the contrary the affidavit of merit shall be and shall remain sealed and confidential, except as provided in subsection (d) of this section, shall not be a public record and is exempt from Chapter 100 of Title 29.

(2) The court, may, upon timely motion of the plaintiff and for good cause shown, grant a single 60-day extension for the time of filing the affidavit of merit. Good cause shall include, but not be limited to, the inability to obtain, despite reasonable efforts, relevant medical records for expert review.

(3) A motion to extend the time for filing an affidavit of merit is timely only if it is filed on or before the filing date that the plaintiff seeks to extend. The filing of a motion to extend the time for filing an affidavit of merit tolls the time period within which the affidavit must be filed until the court rules on the motion.

(4) The defendant or defendants not required to take any action with respect to the complaint in such cases until 20 days after plaintiff has filed the affidavit or affidavits of merit.

(b) An affidavit of merit shall be unnecessary if the complaint alleges a rebuttable inference of medical negligence, the grounds of which are set forth below in subsection (e) of this section.

Except as otherwise provided herein, there shall be no inference or presumption of negligence on the part of a health-care provider.

(c) *Qualifications of expert and contents of affidavit.* — The affidavit or affidavits of merit shall set forth the expert’s opinion that there are reasonable grounds to believe that the applicable standard of care was breached by the named defendant or defendants and that the breach was a proximate cause of injury or injuries claimed in the complaint. An expert signing an affidavit of merit shall be licensed to practice medicine as of the date of the affidavit; and in the 3 years immediately preceding the alleged negligent act has been engaged in the treatment of patients and/or in the teaching/academic side of medicine in the same or similar field of medicine as the defendant or defendants, and the expert shall be Board certified in the same or similar field of medicine if the defendant or defendants is Board certified. The Board Certification requirement shall not apply to an expert that began the practice of medicine prior to the existence of Board certification in the applicable specialty.

(d) Upon motion by the defendant the court shall determine in camera if the affidavit of merit complies with paragraph (a)(1) and subsection (c) of this section. The affidavit of merit shall not be discoverable in any medical negligence action. The affidavit of merit itself, and the fact that an expert has signed the affidavit of merit, shall not be admissible nor may the expert be questioned in any respect about the existence of said affidavit in the underlying medical negligence action or any subsequent unrelated medical negligence action in which that expert is a witness.

(e) No liability shall be based upon asserted negligence unless expert medical testimony is presented as to the alleged deviation from the applicable standard of care in the specific circumstances of the case and as to the causation of the alleged personal injury or death, except that such expert medical testimony shall not be required if a medical negligence review panel has found negligence to have occurred and to have caused the alleged personal injury or death and the opinion of such panel is admitted into evidence; provided, however, that a rebuttable inference that personal injury or death was caused by negligence shall arise where evidence is presented that the personal injury or death occurred in any 1 or more of the following circumstances:

- (1) A foreign object was unintentionally left within the body of the patient following surgery;
- (2) An explosion or fire originating in a substance used in treatment occurred in the course of treatment; or

§ 6854. Expert witness.

No person shall be competent to give expert medical testimony as to applicable standards of skill and care unless such person is familiar with the degree of skill ordinarily employed in the field of medicine on which he or she will testify.

(60 Del. Laws, c. 373, § 1; 62 Del. Laws, c. 274, § 1; 70 Del. Laws, c. 186, § 1; 70 Del. Laws, c. 415, § 1.)

§ 6855. Punitive damages.

In any action for medical negligence, punitive damages may be awarded only if it is found that the injury complained of was maliciously intended or was the result of willful or wanton misconduct by the health-care provider, and may be awarded only if separately awarded by the trier of fact in a separate finding from any finding of compensatory damages which separate finding shall also state the amounts being awarded for each such category of damages. Injuries shall not be considered maliciously intended in instances in which unforeseen damage or injury results from intended medication, manipulation, surgery, treatment or the intended omission thereof, administered or omitted without actual malice or if the intended treatment is applied or omitted by mistake to or for the wrong patient or wrong organ.

(60 Del. Laws, c. 373, § 1; 71 Del. Laws, c. 373, § 3.)

§ 6856. General limitations.

No action for the recovery of damages upon a claim against a health-care provider for personal injury, including personal injury which

results in death, arising out of medical negligence shall be brought after the expiration of 2 years from the date upon which such injury occurred; provided, however, that:

(1) Solely in the event of personal injury the occurrence of which, during such period of 2 years, was unknown to and could not in the exercise of reasonable diligence have been discovered by the injured person, such action may be brought prior to the expiration of 3 years from the date upon which such injury occurred, and not thereafter; and

(2) A minor under the age of 6 years shall have until the latter of time for bringing such an action as provided for hereinabove or until the minor's 6th birthday in which to bring an action.

(3) a. Notwithstanding any provision to the contrary, a cause of action based on the sexual abuse of a child patient by a health-care provider may be brought at any time following the commission of the act or acts that constituted the sexual abuse. A civil cause of action for sexual abuse of a child patient by a health-care provider shall be based upon sexual acts which would constitute a criminal offense under the Delaware Code.

b. Through July 13, 2012, a child patient who has been a victim of sexual abuse by a health-care provider which was discovered and reported to a person or legal entity specified in § 1731A of Title 24 or which was unknown to and could not in the exercise of reasonable diligence have been discovered by the child patient or a parent, guardian, and/or next friend of a child patient, and as a consequence whose claim is barred by virtue of the expiration of the former civil statute of limitations, shall be permitted to file such claim in the Superior Court of this State. If the health-care provider committing the act of sexual abuse against a child patient was employed by an institution, agency, firm, business, corporation, or other public or private legal entity licensed by the State to provide health-care services that owed a duty of care to the child patient, or the health-care provider was engaged in some activity over which such legal entity had control, damages against such legal entity shall be awarded under this paragraph only if there is a finding of gross negligence on the part of the legal entity.

c. A person against whom a suit is filed may recover attorneys' fees where the Court determines that a false accusation was made with no basis in fact and with malicious intent. A verdict in favor of the accused shall not be the sole basis for a determination that an accusation was false. The Court must make an independent finding of an improper motive to award attorneys' fees under this section.

d. Nothing contained in this section shall apply to conduct by a health-care provider which is consistent with the recognized standard of care or the subject of a written consent.

(4) A plaintiff may toll the above statutes of limitations for a period of time up to 90 days from the applicable limitations contained in this section by sending a Notice of Intent to investigate to each potential defendant or defendants by certified mail, return receipt requested, at the defendant's or defendants' regular place of business. The notice shall state the name of the potential defendant or defendants, the potential plaintiff and give a brief description of the issue being investigated by plaintiff's counsel. The 90 days shall run from the last day of the applicable statute of limitations contained in this section. The notice shall not be filed with the court. If suit is filed after the applicable statute of limitations in this section, but before the 90-day period in this section expires, a copy of the notice shall be attached to the complaint to prove compliance with the statute of limitations.

§ 6857. Savings clause.

This chapter applies to actions, cases and proceedings brought after April 26, 1976, and also applies to any further conduct of actions, cases and proceedings then pending, except to the extent that application of this chapter would not be feasible, or would work injustice, in which event former procedures apply.

(60 Del. Laws, c. 373, § 1.)

§ 6858. Tail coverage for Veterans Administration hospital surgeons.

No insurance policy sold or delivered in this State providing insurance for acts of medical negligence or malpractice shall revoke the tail coverage of a retired physician as a consequence of that physician ending that physician's retirement for the specific and sole purpose of practicing medicine at a Veterans Administration facility in the State. Any contract language inconsistent with this section is void under Delaware law.

(76 Del. Laws, c. 417, § 2; 70 Del. Laws, c. 186, § 1.)

Subchapter VII

Compensation for Health Care Injuries

§ 6861. Advance payment; evidence thereof.

(a) Any advance payment made by a defendant health care provider or the provider's insurer to or for a plaintiff or any other person shall not be construed as an admission of liability for injuries or damages suffered by the plaintiff or anyone else in an action brought for health care medical negligence.

(b) Evidence of an advance payment shall not be admissible unless there is a final judgment in favor of the plaintiff, in which event the Court shall reduce the judgment to the plaintiff to the extent of the advance payment. The advance payment shall inure to the exclusive

credit of the defendant or the defendant's insurer making the payment. In the event the advance payment exceeds the liability of the defendant or the insurer making it, the Court shall order any adjustment necessary to equalize the amount which each defendant is obligated to pay, exclusive of costs. In no case shall an advance payment in excess of an award be repayable by the person receiving it.

(60 Del. Laws, c. 373, § 1; 71 Del. Laws, c. 373, § 3.)

§ 6862. Collateral source.

In any medical negligence action for damages because of property damage or bodily injury, including death resulting therefrom, there may be introduced, and if introduced, the trier of facts shall consider evidence of: (1) Any and all facts available as to any public collateral source of compensation or benefits payable to the person seeking such damages (including all sums which will probably be paid payable to such person in the future) on account of such property damage or bodily injury; and (2) any and all changes, including prospective changes, in the marital, financial or other status of any persons seeking or benefiting from such damages known to the parties at the time of trial; provided, however, this section shall not be applicable to life insurance or private collateral sources of compensation or benefits.

(60 Del. Laws, c. 373, § 1; 71 Del. Laws, c. 373, § 3.)

§ 6863. Nonassignability of claims.

A claim for compensation under this chapter is not assignable; provided, however, that rights of subrogation shall not be deemed to constitute assignment.

(60 Del. Laws, c. 373, § 1.)

§ 6864. Periodic payments; reduction of awards in event of certain contingencies.

(a) Where a person recovers a judgment against a health-care provider, the Court may, after making a determination as to the amount of such judgment which was awarded as compensation for future pain and suffering, if any, the amount of such judgment awarded for future expenses of care of the injured party made necessary by reason of the injury involved, if any, and the amount of such judgment awarded as compensation for any other future damages, if any, direct that:

(1) There shall be deducted from the award, and paid to the plaintiff, an amount sufficient to cover the plaintiff's attorney's fees, expenses related to the litigation, expenses incurred for past health-care and pain and suffering incurred as of the date of said payment;

(2) The remainder of the award shall be paid to the plaintiff in equal or unequal monthly installments to be fixed by the Court for a period of time to be fixed by the Court; provided, however, that in addition thereto, medical expenses incurred and paid by plaintiff not otherwise reimbursed shall also be paid to plaintiff from the undistributed portion of the award;

(3) Each monthly installment shall, in addition, include a payment of interest on the then unpaid balance at a rate to be fixed by the Court.

(b) If a plaintiff receiving installment payments of a judgment shall die before the expiration of a 20-year period from the date of the award, and prior to the receipt by the plaintiff or on the plaintiff's behalf of all such installment payments, the Court shall deduct from the total of the installment payments then remaining unpaid the amount thereof representing compensation for future pain and suffering and future expenses of care made necessary by the injury involved, shall cause the balance of all such installments after such deduction to be paid to the estate of the plaintiff so dying and shall cause such judgment to be marked satisfied.

(c) If the plaintiff receiving installment payments shall die after the expiration of a 20-year period from the date of the award, then the payment shall automatically terminate as of the date of the plaintiff's death.

(60 Del. Laws, c. 373, § 1.)

§ 6865. Limitation on attorneys' fees.

(a) The amount of the claimant's attorneys' fees may not exceed the amounts in the following schedule:

(1) 35% of the first \$100,000 of damages;

(2) 25% of the next \$100,000 of damages;

(3) 10% of the balance of any awarded damages.

(b) Notwithstanding subsection (a) of this section, a claimant has the right to elect to pay for the attorneys' services on a mutually satisfactory per diem basis. The election, however, must be exercised in written form at the time of employment.

§ 6908. Examinations and investigations.

At least once in 3 years, and whenever the Commissioner determines it to be prudent, the Commissioner or the Commissioner's examiner shall personally visit each captive insurance company and thoroughly inspect and examine its affairs to ascertain its financial condition, its ability to fulfill its obligations and its compliance with the provisions of this chapter. The Commissioner may enlarge the aforesaid 3-year period to 5 years, provided said captive insurance company is subject to a comprehensive annual audit during such period of a scope satisfactory to the Commissioner by independent auditors approved by the Commissioner. The expenses and charges of the examination shall be paid to this State by the company or companies examined.

- (7) Failure otherwise to comply with the laws of this State.

(b) If the Commissioner finds, upon examination, hearing or other evidence, that any captive insurance company has committed any of the acts specified in subsection (a) of this section, the Commissioner may suspend or revoke such company's certificate of authority if the Commissioner deems it in the best interest of the public and the policyholders of such captive insurance company, notwithstanding any other provision of this title.

(c) Although issued and delivered to the captive insurance company, the certificate of authority at all times shall be the property of this State. Upon any expiration, suspension or termination thereof, the captive insurance company shall promptly deliver the certificate of authority to the Commissioner.

(f) If the certificate of authority has not terminated within the suspension period, then upon expiration of the suspension period, the captive insurance company's certificate of authority shall automatically be reinstated, unless the Commissioner finds that 1 or more causes of the suspension are continuing or that the captive insurance company is otherwise not in compliance with the requirements of this chapter, of which finding the Commissioner shall give the captive insurance company notice not less than 30 days in advance of expiration of the suspension period. If not automatically reinstated, and if not already terminated, the certificate of authority terminates at the end of the suspension period.

(b) No pure captive insurance company, industrial insured captive insurance company, agency captive insurance company, special purpose financial captive insurance company or branch captive insurance company shall be subject to any restrictions on allowable investments whatsoever, including those limitations contained in this title; provided, however, that the Commissioner may prohibit or limit any investment that threatens the solvency or liquidity of any such captive insurance company.

(c) Loans of minimum capital and surplus funds required by § 6905 of this title are prohibited. Notwithstanding the foregoing, the minimum capital and surplus funds may be received by the issuance by the captive insurance company of a surplus note as approved by the Commissioner.

(d) Subject to subsections (a) and (b) of this section and § 6937 of this title, as applicable, a captive insurance company may own

(64 Del. Laws, c. 454, § 1; 75 Del. Laws, c. 150, § 1.)

§ 6914. Tax on premiums collected.

(a) Each captive insurance company, other than a sponsored captive insurance company (including a sponsored captive insurance company that is also a special purpose financial captive insurance company), and each protected cell of a sponsored captive insurance company shall pay to the Commissioner no later than April 15 of each year a tax at the rate of $\frac{2}{10}$ of 1% on each dollar of direct premiums collected or contracted for, during the year ending December 31 next preceding, on policies or contracts of insurance written by the captive insurance company, after deducting from the direct premiums subject to the tax the amounts paid to policyholders as return premiums with respect to such preceding year only, which amounts shall include only dividends or distributions of unabsorbed premiums or premium deposits returned or credited to policyholders, up to a maximum tax for such year of \$200,000; provided however, that no tax shall be due or payable as to consideration received for annuity contracts.

(b) Each captive insurance company, other than a sponsored captive insurance company (including a sponsored captive insurance company that is also a special purpose financial captive insurance company), and each protected cell of a sponsored captive insurance company shall pay to the Commissioner no later than April 15 of each year a tax at the rate of $\frac{1}{10}$ of 1% on each dollar of assumed reinsurance premiums collected or contracted for, during the year ending December 31 next preceding, on policies or contracts of insurance written by the captive insurance company, up to a maximum tax for such year of \$110,000; provided, however, that no such tax applies to premiums for risks or portions of risks which are subject to taxation on a direct basis pursuant to subsection (a) of this section, and no such tax shall be payable in connection with the receipt of assets in exchange for the assumption of loss reserves and other liabilities of another insurer under common ownership and control if such transaction is part of a plan to discontinue the operations of such other insurer and if the intent of the parties to such transaction is to renew or maintain such business with the captive insurance company.

(c) (1) Except for a series captive insurance company, the annual minimum aggregate tax to be paid by a captive insurance company or a protected cell of a sponsored captive insurance company under subsections (a) and (b) of this section shall be \$5,000 and the annual maximum aggregate tax to be paid by a captive insurance company or a protected cell of a sponsored captive insurance company under subsections (a) and (b) of this section shall be \$200,000, provided, that the tax to be paid by a captive insurance company under subsections (a) and (b) of this section and this subsection is subject to subsections (d), (e) and (f) of this section. Each series captive insurance company shall pay an annual minimum aggregate tax of \$3,500. The aggregation of the tax paid by more than 1 series captive insurance company formed within a limited liability company or statutory trust established under § 17-218(b), § 18-215(b) of Title 6, § 3804(a) of Title 12, or corresponding law of another state shall not be restricted by the annual maximum premium tax limitations under subsections (a) and (b) of this section.

(2) Any series captive insurance company that assumes reinsurance premiums from a captive insurance company or protected cell subject to taxation under subsection (a) or (b) of this section may elect to assume the liability for the payment of the tax otherwise payable by such ceding captive insurance company or protected cell on such premium pursuant to subsection (a) or (b) of this section at the rate otherwise applicable to such premium if it had remained in such captive insurance company or protected cell, and such ceding captive insurance company or protected cell shall have no liability under subsections (a) or (b) of this section to the extent of such assumption. Nothing in this paragraph (c)(2) shall affect the application of the minimum tax imposed on the ceding captive insurance company or the series captive insurance company assuming such reinsurance premium and tax liability pursuant to paragraph (c)(1) of this section.

(3) A special purpose captive insurance company formed as a limited liability company or statutory trust established under § 17-

218(b), § 18-215(b) of Title 6, § 3804(a) of Title 12, or corresponding law of another state that has established 1 or more series licensed as captive insurance companies shall not be subject to the tax imposed under subsection (a) or (b) of this section only if, during the entire calendar year for which the tax shall be imposed, the special purpose captive insurance company:

- a. Did not contract for nor collect any direct premium;
- b. Did not contract for nor assume any reinsurance premium; and
- c. Was not obligated as an insurance company of any type under any contract of insurance or reinsurance.

(d) The tax provided for in this section shall constitute all taxes collectible under the laws of this State from any captive insurance company, and no other occupation tax or other taxes shall be levied on or collected from any captive insurance company by this State or any county, city or municipality within this State, except ad valorem taxes on real and personal property used in the production of income.

(e) The tax provided for in this section shall be calculated on an annual basis, notwithstanding that policies or contracts of insurance or contracts of reinsurance are issued on a multiyear basis. In the case of multiyear policies or contracts, the premium shall be prorated for purposes of determining the tax under this section.

(f) A captive insurance company that has 25 or more separate qualified individuals throughout a given tax year and that otherwise would be liable under this section for tax for such year in an amount exceeding \$50,000 shall pay to the Commissioner under this section a tax for such year in the amount of \$50,000. For purposes of this subsection, "qualified individual" means a natural person employed in this State on a regular basis of 35 or more hours per week either by such captive insurance company, or by a wholly-owned subsidiary of such captive insurance company that provides captive insurance company management, operating, investment or related services exclusively to such captive insurance company. For purposes of this subsection only, if at least 1 of 2 or more captive insurance companies under common ownership and control has 25 qualified individuals, then all captive insurance companies under common ownership and control shall be taxed as though they were a single captive insurance company. For purposes of this subsection only, "common ownership and control" means the direct or indirect ownership of 80% or more of the outstanding voting securities or other voting interests of 2 or more captive insurance companies by the same person or persons.

At the Commissioner's discretion, it shall be subject to examination for any year in which it does qualify as a dormant captive insurance company under § 6902 of this title.

(e) The Commissioner may, upon application, declare a captive insurance company to be dormant for purposes of this section even if such captive insurance company retains liabilities associated with policies written or assumed by the company; provided that the captive insurance company has otherwise ceased the transacting of insurance business.

(f) A dormant captive insurance company shall not resume transacting the business of insurance until such time as the dormant captive insurance company has provided written notice to the Commissioner of its intention to resume assuming risk through the issuance of insurance policies, reinsurance contracts, or both, and accepting premium, whether direct, assumed via reinsurance, or both, at which time such captive insurance company shall no longer be considered a dormant captive insurance company and shall thereafter comply with all provisions of this chapter and regulations issued pursuant to this chapter applicable to such captive insurance company.

(g) If, after a period of 5 years from the date of the written notice being sent to the Commissioner, a dormant captive insurance company has not resumed transacting the business of insurance by assuming risk through the issuance of insurance policies, reinsurance contracts, or both, and accepting premium, whether direct, assumed via reinsurance, or both, the nonrefundable license renewal fee payable under § 6903(d) of this title shall be increased to \$25,000 for the sixth year of dormancy and \$5,000 for every year of dormancy thereafter.

(h) At the Commissioner's discretion, a dormant captive insurance company may continue as a dormant captive insurance company for a period in excess of 5 years without incurring the additional fees set forth in subsection (g) of this section upon good reason shown and acceptable to the Commissioner.

(i) A dormant captive insurance company may continue to adjudicate and settle insurance claims brought under any contract of insurance or reinsurance issued during any year in which it was not a dormant captive insurance company. The effective date of such a contract of insurance or reinsurance must be before the dormant captive insurance became a dormant captive insurance company.

As used in this subchapter, unless the context requires otherwise:

(3) "Protected cell" means a separate and distinct account established and maintained by or on behalf of a sponsored captive insurance company in which assets, including assets invested pursuant to § 6937 of this title, are accounted for and recorded for 1 or more

(4) "Sponsor" means a person qualifying as a sponsor under § 6935 of this title.

(5) "Sponsored captive insurance company" means a captive insurance company, including a special purpose financial captive insurance company as defined in § 6952 of this title:

a. Of which the minimum capital and surplus required by this chapter is provided by 1 or more sponsors;

b. That is licensed under the provisions of this chapter;

c. That insures the risks of its participants only, through separate participant contracts; and

d. That funds its liability to each participant through 1 or more protected cells and segregates the assets of each protected cell from the assets of other protected cells and from the assets of the sponsored captive insurance company's general account.

(75 Del. Laws, c. 150, § 1; 76 Del. Laws, c. 161, § 12.)

§ 6933. Supplemental license application materials.

In addition to the information required by § 6903(c) of this title, each applicant sponsored captive insurance company shall file with the Commissioner the following:

(1) Materials demonstrating to the satisfaction of the Commissioner how the applicant will report to the Commissioner on, and account for, the loss and expense experience of each protected cell;

(2) A statement acknowledging that all financial records of the sponsored captive insurance company, including records pertaining to any protected cells, shall be made available for inspection or examination by the Commissioner or the Commissioner's designated agent;

(2) The assets of each protected cell shall be held and accounted for separately on the books and records of the sponsored captive insurance company to reflect the financial condition and results of operations of such protected cell, net income or loss of such protected cell, dividends or other distributions to participants of such protected cell, and such other factors regarding such protected cell as may be provided in the applicable participant contract or required by the Commissioner;

(3) The assets of a protected cell shall not be chargeable with liabilities of any other protected cell or, unless otherwise agreed in the applicable participant contract, of the sponsored captive insurance company generally;

(4) No sale, exchange, or transfer of assets, or dividend or other distribution, may be made with respect to a protected cell by such sponsored captive insurance company without the consent of the participants of each affected protected cell;

(5) No sale, exchange, or transfer of assets, or dividend or other distribution (other than a payment to a sponsor in accordance with the applicable participant contract), may be made with respect to a protected cell to a sponsor or a participant without the Commissioner's approval;

(6) Each sponsored captive insurance company shall annually file with the Commissioner such financial reports as the Commissioner shall require, which shall include, without limitation, accounting statements detailing the financial experience of each protected cell;

(7) Each sponsored captive insurance company shall notify the Commissioner in writing promptly and in any event within 10 business days of any protected cell that is insolvent or otherwise unable to meet its claim or expense obligations;

(8) No participant contract shall take effect without the Commissioner's prior written approval, and the addition of each new protected cell and withdrawal of any participant or termination of any existing protected cell shall constitute a change in the plan of operation of the sponsored captive insurance company requiring the Commissioner's prior written approval; and

(9) The business written by a sponsored captive insurance company, with respect to each protected cell, shall be:

a. Fronted by an insurance company licensed under the laws of this State or any other state;

The amount of security provided shall be no less than the reserves associated with those liabilities which are neither fronted nor reinsured, including reserves for losses, allocated loss adjustment expenses, incurred but not reported losses and unearned premiums for business written through such protected cell. The Commissioner may require the sponsored captive insurance company to increase the funding of any security arrangement established under this paragraph (9). If the form of security is a letter of credit, the letter of credit must be established, issued or confirmed by a financial institution chartered by or licensed or otherwise authorized to do banking business in this State, or by any other financial institution approved by the Commissioner. A trust maintained pursuant to this paragraph (9) shall be established in a form and upon

such terms approved by the Commissioner.

A risk retention group shall not be a sponsor of a sponsored captive insurance company, and a risk retention group may be a participant of a sponsored captive insurance company only to the extent that it is the sole participant of 1 or more protected cells.

(75 Del. Laws, c. 150, § 1.)

§ 6936. Participants in sponsored captive insurance companies.

- (a) Any person may be a participant in any sponsored captive insurance company.
- (b) A sponsor may be a participant in a sponsored captive insurance company.
- (c) A participant need not be an owner of the sponsored captive insurance company or any affiliate thereof.

(75 Del. Laws, c. 150, § 1.)

§ 6937. Investments by sponsored captive insurance companies.

(a) Notwithstanding the provisions of § 6934 of this title, a sponsored captive insurance company may combine the assets of 2 or more protected cells for purposes of investing those assets. Such a combination of assets may not be construed as defeating the segregation of assets for purposes of §§ 6934 and 6938 of this title, or for accounting or other purposes. Sponsored captive insurance companies must comply with:

- (1) The investment requirements contained in Chapter 13 of this title, as applicable; or
- (2) Investment requirements as may be approved by the Commissioner upon application by a sponsored captive insurance company;

or

- (3) In the case of a sponsored captive insurance company that is also a special purpose financial captive insurance company, the investment requirements contained in § 6910(b) of this title.
- (b) Compliance with the investment requirements set forth in paragraphs (a)(1) and (a)(2) of this section must be waived for sponsored captive insurance companies to the extent that credit for reinsurance ceded to reinsurers is allowed pursuant to § 6911 of this title or to the extent otherwise considered reasonable and appropriate by the Commissioner.

(75 Del. Laws, c. 150, § 1; 76 Del. Laws, c. 161, § 13.)

- B. A person provides 1 or more letters of credit or other assets to or for the benefit of the special purpose financial captive insurance company, which the Commissioner authorizes the special purpose financial captive insurance company to treat as admitted assets for purposes of the special purpose financial captive insurance company’s annual report, and all or any part of those letters of credit or other assets, as applicable, are used to fund the special purpose financial captive insurance company’s obligations under 1 or more SPFC contracts; or

§ 6953. Application of subchapter.

(a) Except as otherwise provided, subchapters I, II, and IV of this chapter apply under this subchapter to special purpose financial captive insurance companies.

(b) The Commissioner, by rule or order, at the Commissioner’s discretion and on a case-by-case basis, may exempt a special purpose financial captive insurance company, or 1 or more protected cells of a special purpose financial captive insurance company that is also a sponsored captive insurance company, from 1 or more of the provisions of this chapter.

(c) This subchapter is not intended to limit the transactions in which a captive insurance company other than a special purpose financial captive insurance company may engage, and this subchapter does not apply to any such other captive insurance company.

(76 Del. Laws, c. 161, § 15.)

(76 Del. Laws, c. 161, § 15.)

§ 6955. Certificate of authority and order.

(a) Upon a determination by the Commissioner that the requirements in § 6954 of this title have been met, the Commissioner may grant a certificate of authority and, at the discretion of the Commissioner, an order imposing the conditions, limitations or other terms that the Commissioner considers appropriate.

(b) As soon as reasonably practicable after the closing of each SPFC contract or special purpose financing transaction, and, in any event, within 30 days after such closing, the special purpose financial captive insurance company shall provide to the Commissioner a final executed copy of all material agreements, instruments or documents, including, without limitation, opinions of Delaware legal counsel regarding compliance of the SPFC contract and the special purpose financing transaction with the requirements of this chapter, that have been entered into or that have been required to effectuate the SPFC contract or the special purpose financing transaction.

(c) Any material change of the special purpose financial captive insurance company's plan of operation requires prior approval of the Commissioner. The following are not considered material changes:

(1) If approved in the plan of operation, securities subsequently issued or entered into to continue the activities of the special purpose financial captive insurance company either before or after expiration, redemption or satisfaction of part or all of the securities issued or entered into pursuant to the initial special purpose financing transaction; and

(d) Upon termination or cancellation of all of the SPFC contracts and all related special purpose financing transactions set forth in a plan of operation, unless otherwise approved by the Commissioner, the certificate of authority granted by the Commissioner terminates, and the special purpose financial captive insurance company may not enter into any further or additional SPFC contracts or special purpose financing transactions.

(e) In the case of a special purpose financial captive insurance company organized as a sponsored captive insurance company, upon termination or cancellation of all of the SPFC contracts and all related special purpose financing transactions set forth in the plan of operation with respect to a protected cell, unless otherwise approved by the Commissioner, the authority granted by the Commissioner with respect to that particular cell terminates, and the protected cell may not enter into any further or additional SPFC contracts or special purpose financing transactions.

(2) Submit to the Commissioner periodic written requests for the advance approval by the Commissioner of the special purpose financial captive insurance company's making payments of interest on and repayments of principal of surplus notes.

(b) The Commissioner may approve, in advance, ongoing interest payments or principal repayments, or both, by the special purpose financial captive insurance company, provided that the interest payments or principal repayments, or both, are made in accordance with the plan of operation and formulas contained in the plan of operation.

(c) Notwithstanding the provisions of subsection (b) of this section, payment of interest or repayment of principal may not be made without the approval of the Commissioner if the operation or financial condition of the special purpose financial captive insurance company deviates from the formula approved by the Commissioner pursuant to subsection (b) of this section or if the payment of interest or repayment of principal threatens the solvency or liquidity of the special purpose financial captive insurance company.

(d) A security issued by a special purpose financial captive insurance company is not subject to regulation as an insurance contract. An

investor in these securities or a holder of these securities is not considered to be transacting the business of insurance in this State solely by reason of having an interest in these securities. The underwriter's placement or selling agents and their partners, commissioners, officers, members, managers, employees, agents, representatives, and advisors involved in a special purpose financing transaction by a special purpose financial captive insurance company are not considered to be insurance producers or to be conducting business as an insurance company or as an insurance agency, brokerage, intermediary, advisory, or consulting business solely by virtue of their underwriting activities in connection with the special purpose financing transaction.

(76 Del. Laws, c. 161, § 15.)

§ 6957. Authorized contracts and activities.

(a) A special purpose financial captive insurance company may insure only the risks of a counterparty. A special purpose financial captive insurance company may cede risks assumed through an SPFC contract to third-party reinsurers through the purchase of reinsurance or retrocession protection as set forth in the plan of operation.

(b) A special purpose financial captive insurance company may enter into agreements with affiliated companies and third parties and conduct other commercial activities related or incidental to, or necessary to fulfill, the purposes of an SPFC contract and special purpose financing transaction contemplated by the plan of operation approved by the Commissioner. The agreements may include management and administrative services agreements and other allocation, including tax allocation, and cost-sharing agreements.

These agreements may include, but are not limited to, swap agreements, hedge agreements, guarantee agreements, guaranteed investment contracts, or other investment contracts.

(d) An SPFC contract must:

(1) Obligate the special purpose financial captive insurance company to indemnify the counterparty for losses or otherwise to make payments to the counterparty with respect to the insurance risk transferred thereunder; and

(2) Make provision satisfactory to the Commissioner for payment of obligations of the special purpose financial captive insurance company under the SPFC contract.

(e) Without limiting the means by which the requirements of paragraph (d)(2) of this section may be satisfied, an SPFC contract is considered to satisfy those requirements if it:

(1) Requires the special purpose financial captive insurance company to:

a. To enter into a trust agreement that meets the criteria set forth in this section and in any regulations issued by the Commissioner applicable to this subsection and that specifies the recoverables or reserves, or both, to be covered; and

b. To establish a trust account for the benefit of the counterparty;

(2) Stipulates that assets deposited in the trust account are valued according to their current fair value and consist only of permitted investments;

(3) Requires the special purpose financial captive insurance company, before depositing assets with the trustee, to execute assignments or endorsements in blank, or both, or to transfer legal title to the trustee of all shares, obligations, or any other assets requiring assignments, in order that the counterparty, or the trustee upon the direction of the counterparty, may transfer the assets whenever necessary without consent or signature from the special purpose financial captive insurance company or another entity;

(4) Requires that all settlements of account between the counterparty and the special purpose financial captive insurance company, unless otherwise approved by the Commissioner, be made in cash or its equivalent; and

(5) Stipulates that the special purpose financial captive insurance company and the counterparty agree that the assets in the trust account, established pursuant to the provisions of the SPFC contract:

a. May be withdrawn by the counterparty at any time, notwithstanding any other provisions in the SPFC contract; and

b. Must be used and applied by the counterparty or any successor by operation of law of the counterparty, including any liquidator, rehabilitator, receiver, or conservator of the counterparty, without diminution because of insolvency on the part of the counterparty or the special purpose financial captive insurance company, only for the following purposes:

1. To transfer all of the assets into 1 or more trust accounts for the benefit of the counterparty pursuant to and in accordance with the terms of the SPFC contract and in compliance with the provisions of this title; and

2. To pay any other incurred and paid amounts that the counterparty claims are due pursuant to and under the terms of the SPFC contract and in compliance with this title.

(f) An SPFC contract may allow the special purpose financial captive insurance company to seek approval from the counterparty to withdraw all or part of the assets supporting payment of obligations of the special purpose financial captive insurance company under the SPFC contract, or income from them, and to transfer the assets to the special purpose financial captive insurance company; provided, that,

(1) At the time of the withdrawal, the special purpose financial captive insurance company replaces the withdrawn assets, excluding any income withdrawn, with other permitted investments having a fair value equal to the fair value of the assets withdrawn;

(2) After giving effect to the withdrawal and replacement, the fair value of the assets supporting payment of obligations of the special purpose financial captive insurance company under the SPFC contract satisfies the requirements of paragraph (d)(2) of this section; and

(3) The approval of the counterparty is received, which approval may not be unreasonably or arbitrarily withheld.

(g) The assets of a special purpose financial captive insurance company must be preserved and administered by or on behalf of the

special purpose financial captive insurance company to satisfy the liabilities and obligations of the special purpose financial captive insurance company incident to the SPFC contract and the special purpose financing transaction.

(h) Unless otherwise permitted by this subchapter or approved by the Commissioner, a special purpose financial captive insurance company may not:

- (1) Issue or administer primary insurance policies;
- (2) Enter into an SPFC contract with a counterparty that is an insurer if the insurer is required to be, but is not, licensed or otherwise authorized to transact the business of insurance or reinsurance in at least its state or country of domicile;
- (3) Assume or retain exposure to insurance or reinsurance losses for its own account that is not funded or to be funded, in whole or in part, by proceeds from a special purpose financing transaction that complies with the provisions of this subchapter;
- (4) Have any direct obligation to policyholders or reinsureds of a counterparty; or
- (5) Lend to, receive a capital contribution from, invest or place in custody, trust, or under management any of its assets with, or receive a loan or advance from, other than by issuance of the securities pursuant to a special purpose financing transaction, anyone convicted of a felony, or anyone convicted of a criminal offense or found civilly liable for an offense involving the conversion or misappropriation of fiduciary funds or insurance accounts, theft, deceit, fraud, misrepresentation, or corruption.

(76 Del. Laws, c. 161, § 15.)

§ 6958. Dividends and distributions.

(a) A special purpose financial captive insurance company may declare and pay dividends or other distributions to equity holders if the dividends or other distributions do not violate the provisions of this chapter, or jeopardize the fulfillment of the obligations of the special purpose financial captive insurance company pursuant to the special purpose financing transaction or the SPFC contract, or threaten the solvency or liquidity of the special purpose financial captive insurance company.

(b) A special purpose financial captive insurance company may not declare or pay any dividend or other distribution to equity holders if the dividend or distribution violates the terms of the special purpose financing transaction, and may not declare or pay any dividend or other distribution to equity holders which decreases the capital and surplus of the special purpose financial captive insurance company below the minimum amount required under § 6905 of this title.

(c) The Commissioner may approve, in advance, a special purpose financial captive insurance company's declaring and paying, on an ongoing basis, dividends or other distributions, or both, to equity holders, provided that each dividend or other distribution is made in accordance with the plan of operation and formulas contained in the plan.

(76 Del. Laws, c. 161, § 15.)

§ 6959. Delinquency.

(a) Sections 6918 and 6938 of this title apply to any special purpose financial captive insurance company except as otherwise provided in this section.

(b) Any delinquency proceeding pursuant to Chapter 59 of this title, or any temporary restraining order or injunction issued pursuant thereto with respect to a counterparty, may not prohibit the transaction of business by a special purpose financial captive insurance company, including its performance of its obligations under a special purpose financing transaction, or any action or proceeding against a special purpose financial captive insurance company or its assets.

(c) The commencement of a summary proceeding with respect to a special purpose financial captive insurance company, and any order issued by the court in such a summary proceeding, may not prohibit payments by the special purpose financial captive insurance company or any action required to make the payment, provided that the payments:

- (1) Are made pursuant to a special purpose financing transaction or an SPFC contract; and
- (2) Are consistent with the special purpose financial captive insurance company's plan of operation, its certificate of authority, and any order issued in connection therewith, as they may be amended from time to time.

(d) Notwithstanding any other provisions of this title or other laws of this State:

- (1) A receiver of a counterparty may not take action seeking to void, and has no authority to void, a nonfraudulent transfer by a counterparty to a special purpose financial captive insurance company of money or other property made pursuant to an SPFC contract; and
- (2) A receiver of a special purpose financial captive insurance company may not take action seeking to void, and has no authority to void, a nonfraudulent transfer by the special purpose financial captive insurance company of money or other property made to a counterparty pursuant to an SPFC contract or made pursuant to a special purpose financing transaction.

(e) Notwithstanding any other provision of this title or other laws of this State, the assets of a special purpose financial captive insurance company, including assets held in trust for the benefit of the counterparty, may not be consolidated with or included in the estate of a counterparty in any bankruptcy, insolvency, delinquency, or similar proceeding against the counterparty.

(76 Del. Laws, c. 161, § 15.)

§ 6962. Books and records.

b. Assets belonging to a reinsurer if held in trust for, or otherwise under the control of the branch captive insurance company and that secure the obligations of such reinsurer to the branch captive insurance company.

LONG-TERM CARE INSURANCE

§ 7101. Statement of purpose.

The purpose of this chapter is to promote the public interest; to promote the availability of long-term care insurance policies; to protect applicants for long-term care insurance, as defined in this chapter, from unfair or deceptive sales or enrollment practices; to establish standards for long-term care insurance; to facilitate public understanding and comparison of long-term care insurance policies; and to facilitate flexibility and innovation in the development of long-term care insurance coverage.

(67 Del. Laws, c. 102, § 1.)

§ 7102. Scope.

The requirements of this chapter shall apply to policies delivered or issued for delivery in this State on or after January 1, 1990. This chapter is not intended to supersede the obligations of entities subject to this chapter to comply with the substance of other applicable insurance laws insofar as such laws do not conflict with this chapter; provided, however, that laws and regulations designed and intended to apply to Medicare supplement insurance policies shall not be applied to long-term care insurance. A policy which is not advertised, marketed or offered as long-term care insurance or nursing home insurance need not meet the requirements of this chapter.

(67 Del. Laws, c. 102, § 1.)

§ 7103. Definitions.

The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

(1) "Applicant" shall mean:

- a. In the case of an individual long-term care insurance policy, the person who seeks to contract for benefits; and
- b. In the case of a group long-term care insurance policy, the proposed certificate holder.

(2) "Certificate" shall mean, for the purposes of this chapter, any certificate issued under a group long-term care insurance policy, which policy has been delivered or issued for delivery in this State.

(3) "Commissioner" shall mean the Insurance Commissioner of this State.

(4) "Group long-term care insurance" shall mean a long-term care insurance policy which is delivered or issued for delivery in this State and issued to:

a. One or more employers or labor organizations, or to a trust or to the trustees of a fund established by 1 or more employers or labor organizations, or a combination thereof, for employees or former employees or a combination thereof, or for members or former members or a combination thereof, of the labor organization; or

b. Any professional, trade or occupational association for its members or former or retired members, or combination thereof, if such association is composed of individuals all of whom are or were actively engaged in the same profession, trade or occupation; and such association has been maintained in good faith for purposes other than obtaining insurance; or

c. An association or a trust or the trustee or trustees of a fund established, created or maintained for the benefit of members of 1 or more associations. Prior to advertising, marketing or offering such policy within this State, each such association or the insurer of such association, shall file evidence with the Commissioner that the association has at the outset a minimum of 100 persons; has been organized and maintained in good faith for purposes other than that of obtaining insurance; has been in active existence for at least 1 year; and has a constitution and bylaws which provide that:

1. The association holds regular meetings not less than annually to further purposes of the members;
2. Except for credit unions, the association collects dues or solicits contributions from members; and
3. The members of the association have voting privileges and representation on the governing board and committees.

Thirty days after such filing the association shall be deemed to satisfy such organizational requirements, unless the Commissioner makes a finding that the association or associations do not satisfy those organizational requirements; or

d. A group other than as described in paragraphs (4)a.-c. of this section, subject to a finding by the Commissioner that:

1. The issuance of the group policy is not contrary to the best interest of the public;
2. The issuance of the group policy would result in economies of acquisition or administration; and
3. The benefits are reasonable in relation to the premiums charged.

(5) "Long-term care insurance" shall mean any insurance policy or rider advertised, marketed, offered or designed to provide coverage for not less than 12 consecutive months for each covered person on an expense incurred, indemnity, prepaid or other basis, for 1 or more necessary or medically necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance or personal care services,

provided in a setting other than an acute care unit of a hospital. Such term includes group and individual annuities and life insurance policies or riders which provide directly or which supplement long-term care insurance. Such term also includes a policy or rider which provides for payment of benefits based upon cognitive impairment or the loss of functional capacity. Such term includes group and individual policies or riders whether issued by insurers, fraternal benefit societies, nonprofit health, hospital and medical service corporations, prepaid health plans, health maintenance organizations or any similar organization to the extent they are otherwise authorized to issue life or health insurance. The words "long-term care" shall not include any insurance policy which is offered primarily to provide basic Medicare supplement coverage, basic hospital expense coverage, basic medical-surgical expense coverage, hospital confinement indemnity coverage, major medical expense coverage, disability income or related asset-protection coverage or limited benefit health coverage. With regard to life insurance, this term does not include life insurance policies which accelerate the death benefit specifically for 1 or more of the qualifying events of terminal illness, medical conditions requiring extraordinary medical intervention or permanent institutional confinement, and which provide the option of a lump-sum payment for those benefits and in which neither the benefits nor the eligibility for the benefits is conditioned upon the receipt of long-term care. Notwithstanding any other provision contained herein, any product advertised, marketed, or offered as long-term care insurance shall be subject to this chapter.

(6) "Policy" shall mean, for the purposes of this chapter, any policy, contract, subscriber agreement, rider or endorsement delivered or issued for delivery in this State by an insurer; fraternal benefit society; nonprofit health, hospital or medical service corporation; prepaid health plan; health maintenance organization or any similar organization.

(67 Del. Laws, c. 102, § 1; 68 Del. Laws, c. 160, §§ 1, 2.)

§ 7104. Extraterritorial jurisdiction; group long-term care insurance.

No group long-term care insurance coverage may be offered to a resident of this State under a group policy issued in another state to a group described in § 7103(4) of this title, unless this State or another state having statutory and regulatory long-term care insurance requirements substantially similar to those adopted in this State has made a determination that such requirements have been met.

(67 Del. Laws, c. 102, § 1; 68 Del. Laws, c. 160, § 3.)

§ 7105. Disclosure and performance standards for long-term care insurance.

(a) The Commissioner may adopt regulations that include standards for full and fair disclosure setting forth the manner, content and required disclosures for the sale of long-term care insurance policies, terms of renewability, initial and subsequent conditions of eligibility, nonduplication of coverage provisions, coverage of dependents, preexisting conditions, termination of insurance, rescission of insurance, continuation or conversion, probationary periods, limitations, exceptions, reductions, elimination periods, requirements for replacement, recurrent conditions and definitions of terms.

(b) No long-term care insurance policy may:

(1) Be cancelled, nonrenewed or otherwise terminated on the grounds of the age or the deterioration of the mental or physical health of the insured individual or certificate holder; or

(2) Contain a provision establishing a new waiting period in the event existing coverage is converted to or replaced by a new or other form within the same company, except with respect to an increase in benefits voluntarily selected by the insured individual or group policyholder; or

(3) Provide coverage for skilled nursing care only, or provide significantly more coverage for skilled care in a facility than coverage for lower levels of care; or

(4) Condition eligibility for any benefits other than waiver of premium, post-confinement, post-acute care or recuperative benefits on a prior institutionalization requirement.

(c) *Preexisting conditions.* — (1) No long-term care insurance policy or certificate, other than a policy or certificate thereunder issued to a group as defined in § 7103(4)a. of this title, shall use a definition of "preexisting condition" which is more restrictive than the following: "Preexisting condition" shall mean a condition for which medical advice or treatment was recommended by, or received from a provider of health care services, within 6 months preceding the effective date of coverage of an insured person.

(2) No long-term care insurance policy or certificate, other than a policy or certificate thereunder issued to a group as defined in § 7103(4)a. of this title, shall exclude coverage for a loss or confinement which is the result of a preexisting condition, unless such loss or confinement begins within 6 months following the effective date of coverage of an insured person.

(3) The Commissioner may extend the limitation periods set forth in paragraphs (c)(1) and (2) of this section as to specific age group categories in specific policy forms, upon findings that the extension is in the best interest of the public.

(4) The definition of "preexisting condition" shall not prohibit an insurer from using an application form designed to elicit the complete health history of an applicant; and, on the basis of the answers on that application, from underwriting standards. Unless otherwise provided in the policy or certificate, a preexisting condition, regardless of whether or not it is disclosed on the application, need not be covered until the waiting period described in paragraph (c)(2) of this section expires. No long-term care insurance policy or certificate may exclude or use waivers or riders of any kind to exclude, limit or reduce coverage or benefits for specifically named or described preexisting diseases or physical conditions beyond the waiting period described in paragraph (c)(2) of this section.

(d) *Prior hospitalization and/or institutionalization.* — (1) No long-term care insurance policy may be delivered or issued for delivery in this State if such policy conditions eligibility for any benefits on a prior hospitalization requirement; or if such policy conditions eligibility

for benefits provided in an institutional care setting on the receipt of a higher level of institutional care.

(2) A long-term care insurance policy containing post-confinement, post-acute care or recuperative benefits shall clearly label in a separate paragraph of the policy or certificate entitled "Limitations or Conditions on Eligibility for Benefits" such limitations or conditions, including any required number of days of confinement.

(3) A long-term care insurance policy or rider which conditions eligibility for noninstitutional benefits on the prior receipt of institutional care shall not require a prior institutional stay of more than 30 days.

(4) No long-term care insurance policy which provides benefits only following institutionalization shall condition such benefits upon admission to a facility for the same or related conditions within a period of less than 30 days after discharge from the institution.

(e) The Commissioner may adopt regulations establishing loss ratio standards for long-term care insurance policies provided that a specific reference to long-term care insurance policies is contained in the regulation.

(f) *Right to return; free look.* — Long-term care applicants shall have the right to return the policy or certificate within 30 days of its delivery and to have the premium refunded if, after examination of the policy or certificate, the applicant is not satisfied for any reason. Long-term care insurance policies and certificates shall have a notice prominently printed on the first page or attached thereto stating in substance that the applicant shall have the right to return the policy or certificate within 30 days of its delivery and to have the premium refunded if, after examination of the policy or certificate, other than a certificate issued pursuant to a policy issued to a group defined in § 7103(4)d. of this title, the applicant is not satisfied for any reason.

(g) *Outline of coverage.* — (1) An outline of coverage shall be delivered to a prospective applicant for long-term care insurance at the time of the initial solicitation through means which prominently direct the attention of the recipient to the document and its purpose.

a. The Commissioner shall prescribe a standard format, including style, arrangement and overall appearance, and the content of an outline of coverage.

b. In the case of agent solicitations, an agent must deliver the outline of coverage prior to the presentation of an application or enrollment form.

c. In the case of direct response solicitations, the outline of coverage must be presented in conjunction with any application or enrollment form.

(2) The outline of coverage shall include:

a. A description of the principal benefits and coverage provided in the policy;

b. A statement of the principal exclusions, reductions and limitations contained in the policy;

c. A statement of the terms under which the policy or certificate, or both, may be continued in force or discontinued, including any reservation in the policy of a right to change premium. Continuation or conversion of group coverage shall be specifically described;

d. A statement that the outline of coverage is a summary only, not a contract of insurance, and that the policy or group master policy contains governing contractual provisions;

e. A description of the terms under which the policy or certificate may be returned and premium refunded; and

f. A brief description of the relationship of cost of care and benefits.

(h) A certificate issued pursuant to a group long-term care insurance policy which policy is delivered or issued for delivery in this State shall include:

(1) A description of the principal benefits and coverage provided in the policy;

(2) A statement of the principal exclusions, reductions and limitations contained in the policy; and

(3) A statement that the group master policy determines governing contractual provisions.

(i) At the time of policy delivery, a policy summary shall be delivered for an individual life insurance policy which provides long-term care benefits within the policy or by rider. In the case of direct response solicitations, the insurer shall deliver the policy summary upon the applicant's request, but regardless of request shall make delivery no later than at the time of policy delivery. In addition to complying with all applicable requirements, the summary shall also include:

(1) An explanation of how the long-term care benefit interacts with other components of the policy, including deductions from death benefits;

(2) An illustration of the amount of benefits, the length of benefit and the guaranteed lifetime benefits, if any, for each covered person;

(3) Any exclusions, reductions and limitations on benefits of long-term care; and

(4) If applicable to the policy type, the summary shall include a disclosure of the effects of exercising other rights under the policy, a disclosure of guarantee related to long-term care costs of insurance charges and current and projected maximum lifetime benefits.

(j) Any time a long-term care benefit, funded through a life insurance vehicle by the acceleration of the death benefit, is in benefit payment status, a monthly report shall be provided to the policyholder. Such report shall include:

(1) Any long-term care benefits paid out during the month;

(2) An explanation of any changes in the policy, e.g., death benefits or cash values, due to long-term care benefits being paid out; and

(3) The amount of long-term care benefits existing or remaining.

(k) Any policy or rider advertised, marketed or offered as long-term care or nursing home insurance shall comply with this chapter.

(67 Del. Laws, c. 102, § 1; 68 Del. Laws, c. 160, §§ 4-7; 77 Del. Laws, c. 471, § 2.)

§ 7106. Nonforfeiture benefit requirement.

(a) No insurer may issue or deliver a long-term care insurance policy in this State unless the insurer offers to the applicant the option to purchase a policy that provides for nonforfeiture benefits.

(b) The Insurance Commissioner shall promulgate rules and regulations which specify the types of nonforfeiture benefits to be included in the policies and certificates, the standards for the benefits and the date nonforfeiture benefits must commence.

(70 Del. Laws, c. 351, § 1.)

§ 7107. Administrative procedures.

The Commissioner shall issue reasonable regulations to establish minimum standards for marketing practices, agent compensation, agent testing, penalties and reporting practices for long-term care insurance, and any other rules and regulations necessary for or as an aid to the administration or effectuation of this chapter. Regulations adopted pursuant to this chapter shall be in accordance with the provisions of Chapter 101 of Title 29.

(67 Del. Laws, c. 102, § 1; 68 Del. Laws, c. 160, § 8; 70 Del. Laws, c. 351, § 1.)

§ 7108. Title.

This chapter shall be known and may be cited as the “Long-Term Care Insurance Act.”

(67 Del. Laws, c. 102, § 1; 70 Del. Laws, c. 351, § 1.)

§ 7109. Penalties.

In addition to any other penalties provided by the laws of this State, any insurer or agent found to have violated any requirement of this State relating to the regulation of long-term care insurance or the marketing of such insurance shall be subject to a fine of up to 3 times the amount of any commissions paid for each policy involved in the violation or up to \$10,000, whichever is greater.

SMALL EMPLOYER HEALTH INSURANCE

§ 7201. Purpose.

The purpose and intent of this chapter are to promote the availability of health insurance coverage to small employers regardless of their health status or claims experience, to prevent abusive rating practices, to require disclosure of rating practices to purchasers, to establish rules regarding renewability of coverage, to establish limitations on the use of preexisting condition exclusions, to provide for development of “basic” and “standard” health benefit plans to be offered to all small employers, to provide for establishment of a reinsurance program, and to improve the overall fairness and efficiency of the small group health insurance market.

This chapter is not intended to provide a comprehensive solution to the problem of affordability of health care or health insurance. (68 Del. Laws, c. 175, § 1; 68 Del. Laws, c. 340, § 1.)

- (1) “Actuarial certification” means a written statement by a member of the American Academy of Actuaries, or other individual acceptable to the Commissioner, that a small employer carrier is in compliance with the provisions of § 7205 of this title, based upon an examination and including a review of the appropriate records and the actuarial assumptions and methods used by the small employer carrier in establishing premium rates for applicable health benefit plans.

b. An affiliated carrier that is a health maintenance organization having a certificate of authority under Chapter 64 of this title may be considered to be a separate carrier for the purposes of this chapter.

c. Unless otherwise authorized by the Commissioner, a small employer carrier shall not enter into 1 or more ceding arrangements with respect to health benefit plans delivered or issued for delivery to small employers in this State if such arrangements would result in less than 50% of the insurance obligation or risk for such health benefit plans being retained by the ceding carrier. The provisions of §§ 910 and 4944 of this title shall apply if a small employer carrier cedes or assumes all of the insurance obligation or risk with respect to 1 or more health benefit plans delivered or issued for delivery to small employers in this State.

- (2) The small employer carrier has acquired a class of business from another small employer carrier; or
- (3) The small employer carrier provides coverage to 1 or more association groups that meet the requirements of § 3506 of this title.

(b) A small employer carrier may establish no more than 9 classes of business under subsection (a) of this section, except as provided for in subsection (d) of this section.

(c) The Commissioner may establish regulations to provide for periods of transition in order for a small employer carrier to come into compliance with subsections (a) and (b) of this section in the instance of acquisition of a block of business from another small employer carrier.

(d) The Commissioner may approve the establishment of more than 9 classes of business upon a finding that such action would enhance the efficiency and fairness of the small employer marketplace.

(e) A small employer carrier shall not transfer a small employer involuntarily into or out of a class of business. A small employer carrier shall not offer to transfer a small employer into or out of a class of business unless such offer is made to transfer all small employers in the class of business without regard to case characteristics, claim experience, health status or duration of coverage since issue.

(68 Del. Laws, c. 340, § 1.)

§ 7205. Restrictions relating to premium rates.

Premium rates for health benefit plans subject to this chapter shall be subject to the following provisions:

- (1) The index rate for any class of business shall not exceed the index rate for similar coverage for any other class of business by more

than 20 percent in any rating period.

(2) The premium rates for similar health benefit plans within a class of business shall not vary from the index rate by more than 35 percent, with:

- a. An additional combined variation of no more than 10 percent for gender and geography; and
- b. The actuarially justified adjustment for age and family composition,

provided, that the small employer carrier shall file a document as prescribed by the Commissioner setting out the age classes and family composition classes used pursuant to this paragraph, including actuarial certification of these classes.

(3) The percentage increase in the premium rate charged to a small employer for a new rating period may not exceed the sum of the following:

- a. The percentage change in the new business premium rate calculated using premium rates on the first day of the prior rating period and the first day of the new rating period. In the case of a health benefit plan into which the small employer carrier is no longer enrolling new small employers, the small employer carrier shall use the percentage change in the new business premium rate for the most similar health benefit plan into which the small employer carrier is actively enrolling new small employers;
- b. Any adjustment, not to exceed 15 percent annually and adjusted pro rata for rating periods of less than 1 year, due to the claim experience, health status or duration of coverage of the employees or dependents of the small employer as determined from the small employer carrier's rate manual for the class of business; and
- c. Any adjustment due to change in coverage or change in the case characteristics of the small employer as determined from the small employer carrier's rate manual for the class of business.

(4) Adjustments in rates for claim experience, health status and duration of coverage shall not be charged to individual employees or dependents. Any such adjustment shall be applied uniformly to the rates charged for all employees and dependents of the small employer. This prohibition shall not be construed to prevent a carrier from establishing premium discounts or rebates or modifying otherwise applicable co-payments or deductibles in return for adherence to programs of health promotion and disease prevention, if otherwise allowed by law.

(5) Premium rates for health benefit plans shall comply with the requirements of this section notwithstanding any assessments paid or payable by small employer carriers pursuant to § 7210 of this title [repealed].

(6) A small employer carrier may utilize industry as a case characteristic in establishing premium rates, provided that the highest rate factor associated with any industry classification shall not exceed the lowest rate factor associated with any industry classification by more than 15 percent.

(7) In the case of health benefit plans delivered or issued for delivery prior to January 4, 1993, a premium rate for a rating period may exceed the ranges set forth in paragraphs (1) and (2) of this section for a period of 1 year following January 4, 1993. In such case, the percentage increase in the premium rate charged to a small employer for a new rating period shall not exceed the sum of the following:

- a. The percentage change in the new business premium rate calculated using premium rates on the first day of the prior rating period and the first day of the new rating period. In the case of a health benefit plan into which the small employer carrier is no longer enrolling new small employers, the small employer carrier shall use the percentage change in the new business premium rate for the most similar health benefit plan into which the small employer carrier is actively enrolling new small employers.
- b. Any adjustment due to change in coverage or change in the case characteristics of the small employer as determined from the carrier's rate manual for the class of business.

(8) a. Small employer carriers shall apply rating factors, including case characteristics, consistently with respect to all small employers in a class of business. Rating factors shall produce premiums for identical groups which differ only by the amounts attributable to plan design and do not reflect differences due to the nature of the groups assumed to select particular health benefit plans.

- b. A small employer carrier shall treat all health benefit plans issued or renewed in the same calendar month as having the same rating period.

(9) For purposes of this subsection, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize such a network, provided that utilization of the restricted provider network results in substantial differences in claims costs.

(68 Del. Laws, c. 175, § 1; 68 Del. Laws, c. 340, § 1; 71 Del. Laws, c. 143, § 6.)

§ 7206. Renewability of coverage.

(a) A health benefit plan subject to this chapter shall be renewable with respect to all eligible employees or dependents, at the option of the small employer, except in any of the following cases:

- (1) Nonpayment of the required premiums;
- (2) Fraud or misrepresentation of the small employer or, with respect to coverage of individual insureds, the insureds or their representatives;
- (3) Noncompliance with the carrier's minimum participation requirements;
- (4) Noncompliance with the carrier's employer contribution requirements;
- (5) Repeated misuse of a provider network provision;
- (6) The small employer carrier elects to nonrenew all of its health benefit plans delivered or issued for delivery to small employers in

this State. In such a case the carrier shall:

- a. Provide advance notice of its decision under this paragraph to the commissioner in each state in which it is licensed; and
- b. Provide notice of the decision not to renew coverage to all affected small employers and to the commissioner in each state in which an affected insured individual is known to reside at least 180 days prior to the nonrenewal of any health benefit plans by the carrier. Notice to the commissioner under this subparagraph shall be provided at least 3 working days prior to the notice to the affected small employers;

(7) The Commissioner finds that the continuation of the coverage would:

- a. Not be in the best interests of the policyholders or certificate holders;
- b. Impair the carrier's ability to meet its contractual obligations.

In such instance the Commissioner shall assist affected small employers in finding replacement coverage;

(8) With respect to a carrier that offers a health benefit plan through a managed care plan, there is no longer any enrollee in connection with such plan that lives, resides or works in the service area of the carrier;

(9) An employer is no longer actively engaged in the business in which it was engaged on the effective date of the plan; or

(10) With respect to coverage that is made available only through 1 or more bona fide associations, the membership of an employer ceases.

(b) A small employer carrier that elects not to renew a health benefit plan under paragraph (a)(6) of this section shall be prohibited from writing new business in the small employer market in this State for a period of 5 years from the date of notice to the Commissioner.

(c) In the case of a small employer carrier doing business in 1 established geographic service area of the State, the rules set forth in this chapter shall apply only to the carrier's operations in that service area.

(68 Del. Laws, c. 175, § 1; 68 Del. Laws, c. 340, § 1; 71 Del. Laws, c. 143, § 7.)

§ 7207. Availability of coverage; preexisting conditions; minimum participation [For application of this section, see 79 Del. Laws, c. 99, § 19].

(a) (1) Subject to paragraph (a)(4) of this section, every small employer carrier shall, as a condition of transacting business in this State with small employers, actively offer to small employers at least 2 health benefit plans. One health benefit plan offered by each small employer carrier shall be a basic health benefit plan and 1 plan shall be a standard health benefit plan.

(2) a. A small employer carrier shall issue a basic health benefit plan or a standard health benefit plan to any small employer meeting the requirements of paragraph (a)(3) of this section that applies to either such plan and agrees to make the required premium payments and to satisfy the other reasonable provisions of the health benefit plan not inconsistent with this chapter.

b. In the case of a small employer carrier that establishes more than 1 class of business pursuant to § 7204 of this title, the small employer carrier shall maintain and issue to such small employers at least 1 basic health benefit plan and at least 1 standard health benefit plan in each class of business so established. A small employer carrier may apply reasonable criteria in determining whether to accept a small employer into a class of business, provided that:

1. The criteria are not intended to discourage or prevent acceptance of small employers applying for a basic or standard health benefit plan;
2. The criteria are not related to the health status or claim experience of the small employer;
3. The criteria are applied consistently to all small employers applying for coverage in the class of business; and
4. The small employer carrier provides for the acceptance of all eligible small employers into 1 or more classes of business.

The provisions of this subparagraph shall not apply to a class of business into which the small employer carrier is no longer enrolling new small businesses.

(3) A small employer is eligible under paragraph (a)(2) of this section if it employed at least 1 or more eligible employees within this State on at least 50 percent of its working days during the preceding calendar quarter.

(4) The provisions of this section shall be effective 180 days after the Commissioner's and Delaware Health Care Commission's approval of the basic health benefit plan and the standard health benefit plan developed pursuant to § 7211 of this title; provided, that if the Small Employer Health Reinsurance Program created pursuant to § 7210 of this title [repealed] is not yet operative on that date, the provisions of this paragraph shall be effective on the date that program begins operation.

(b) (1) A small employer carrier shall file with the Commissioner, in a format and manner prescribed by the Commissioner, the basic health benefit plans and the standard health benefit plans to be used by the carrier within 90 days after the Commissioner establishes the guidelines thereof. A health benefit plan filed pursuant to this paragraph may be used by a small employer carrier beginning 30 days after it is filed unless the Commissioner disapproves its use.

(2) The Commissioner at any time may, after providing notice and an opportunity for a hearing to the small employer carrier, disapprove the continued use by a small employer carrier of a basic or standard health benefit plan on the grounds that the plan does not meet the requirements of this chapter.

(c) Health benefit plans covering small employers shall comply with the following provisions:

(1) A health benefit plan shall not deny, exclude or limit benefits for a covered individual for losses due to a preexisting condition.

(2) A health maintenance organization may impose an affiliation period. An affiliation period shall run concurrently with any waiting period imposed. Such a health maintenance organization may, in lieu of an affiliation period, use an alternative method to address

adverse selection with the prior approval of the Insurance Commissioner.

(3) A health benefit plan shall waive any affiliation period with respect to particular services for the period of time an individual was previously covered by qualifying previous coverage that provided benefits with respect to such services provided, that the qualifying previous coverage was continuous to a date not more than 63 days prior to the effective date of the new coverage, excluding any waiting period applicable to the new plan. This paragraph does not preclude application of any waiting period applicable to all new enrollees under the health benefit plan.

(4) A health benefit plan may not exclude coverage for late enrollees for a preexisting condition.

(5) a. Except as provided in subsection (d) of this section, requirements used by a small employer carrier in determining whether to provide coverage to a small employer, including requirements for minimum participation of eligible employees, shall be applied uniformly among all small employers with the same number of eligible employees applying for coverage or receiving coverage from the small employer carrier.

b. A small employer carrier may vary the application of minimum participation requirements and minimum employer contribution requirements only by the size of the small employer group.

c. An employee who does not participate in the health benefit plan and who presents satisfactory evidence that the employee has coverage through a spouse or other qualifying existing coverage shall not be counted by a small employer carrier with respect to number or percent participation requirements.

d. A small employer carrier shall not increase any requirement for minimum employee participation or any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has contracted for coverage.

(6) a. If a small employer carrier offers coverage to a small employer, the small employer carrier shall offer coverage to all of the eligible employees of a small employer and their dependents. A small employer carrier shall not offer coverage to only certain individuals in a small employer group or to only part of the group, except in the case of late enrollees as provided in paragraph (c)(4) of this section.

b. A small employer carrier shall not modify a basic or standard health benefit plan with respect to a small employer or any eligible employee or dependent through riders, endorsements or otherwise, to restrict or exclude coverage for certain diseases or medical conditions otherwise covered by the health benefit plan.

(d) (1) A small employer carrier shall not be required to offer coverage or accept applications pursuant to subsection (a) of this section in the case of the following:

a. To a small employer, where the small employer is not physically located in the carrier's established geographic service area;

b. To an employee, when the employee does not work or reside within the carrier's established geographic service area; or

c. Within an area where the small employer carrier reasonably anticipates, and demonstrates to the satisfaction of the Commissioner, that it will not have the capacity within its established geographic service area to deliver service adequately to the members of such groups because of its obligations to existing group policyholders and enrollees.

(2) A small employer carrier that cannot offer coverage pursuant to paragraph (d)(1)c. of this section may not offer coverage in the applicable area to new cases of employer groups with more than 50 eligible employees or to any small employer groups until the later of 180 days following each such refusal or the date on which the carrier notifies the Commissioner that it has regained capacity to deliver services to small employer groups.

(e) A small employer carrier shall not be required to provide coverage to its employers pursuant to subsection (a) of this section for any period of time for which the Commissioner determines that requiring the acceptance of small employers in accordance with the provisions of subsection (a) of this section would place the small employer carrier in a financially impaired condition.

(f) Effective July 1, 1997, every small employer carrier shall also offer to small employers a choice of all the other small group plans the carrier markets in Delaware; except that this requirement shall not apply to:

(1) A health benefit plan offered by a carrier if such plan is made available in the small group market only through 1 or more bona fide association plans; or

(2) A business group of 1 where the business group of 1 does not meet the carrier's actuarially-based underwriting criteria.

(g) A health benefit plan shall not establish rules for eligibility for any individual to enroll under the plan based on any health status-related factors in relation to the individual or a dependent of the individual.

(68 Del. Laws, c. 340, § 1; 69 Del. Laws, c. 403, §§ 3-5; 70 Del. Laws, c. 186, § 1; 71 Del. Laws, c. 143, §§ 8-12; 72 Del. Laws, c. 383, §§ 1, 2; 79 Del. Laws, c. 99, § 15.)

(2) The Commissioner may permit a carrier to modify its status at any time for good cause shown.

(3) The Commissioner shall establish an application process for small employer carriers seeking to change their status under this subsection.

(b) A reinsuring carrier that applies and is approved to operate as a risk-assuming carrier shall not be permitted to continue to reinsure any health benefit plan with the Program. Such a carrier shall pay a prorated assessment based upon business issued as a reinsuring carrier

for any portion of the year that the business was reinsured.

(68 Del. Laws, c. 340, § 1.)

§ 7209. Application to become a risk-assuming carrier.

(a) A small employer carrier may apply to become a risk-assuming carrier by filing an application with the Commissioner in a form and manner prescribed by the Commissioner.

(b) The Commissioner shall consider the following factors in evaluating an application filed under subsection (a) of this section:

(1) The carrier's financial condition;

(2) The carrier's history of rating and underwriting small employer groups;

(3) The carrier's commitment to market fairly to all small employers in the State or its established geographic service area, as applicable;

(4) The carrier's experience with managing the risk of small employer groups; and

(5) The effect of approval and disapproval on the small employer insurance market and the Delaware Small Employer Health Reinsurance Program pursuant to § 7210 of this title [repealed].

(c) The Commissioner may rescind the approval granted to a risk-assuming carrier under this section if the Commissioner finds that:

(1) The carrier's financial condition will no longer support the assumption of risk from issuing coverage to small employers in compliance with § 7207 of this title without the protection afforded by the Program;

(2) The carrier has failed to market fairly to all small employers in the State or its established geographic service area, as applicable;

or

(3) The carrier has failed to provide coverage to eligible small employers as required in § 7207 of this title.

(d) A small employer carrier electing to be a risk-assuming carrier shall not be subject to the provisions of § 7210 of this title [repealed].

(c) The Committee shall recommend benefit levels, cost sharing levels, exclusions and limitations for the basic health benefit plan and the standard health benefit plan. The Committee shall also design a basic health benefit plan and a standard health benefit plan which contain benefit and cost sharing levels that are consistent with the basic method of operation and the benefit plans of health maintenance organizations, including any restrictions imposed by federal law.

(1) The plans recommended by the Committee may include cost containment features such as:

a. Utilization review of health-care services, including review of medical necessity of hospital and physician services;

b. Case management;

c. Selective contracting with hospitals, physicians and other health-care providers;

(68 Del. Laws, c. 340, § 1.)

§ 7213. Waiver of certain state laws.

No law requiring the coverage of a health-care service or benefit, or requiring the reimbursement, utilization or inclusion of a specific category of licensed health-care practitioner, shall apply to a basic health benefit plan delivered or issued for delivery to small employers in

this State pursuant to this chapter.

(68 Del. Laws, c. 340, § 1.)

§ 7214. Administrative procedures.

The Commissioner shall issue regulations in accordance with § 314 of this title and Chapter 101 of Title 29, for the implementation and administration of this chapter.

§ 7215. Standards to assure fair marketing.

(a) Each small employer carrier shall actively market health benefit plan coverage, including the basic and standard health benefit plans, to eligible small employers in the State. If a small employer carrier denies coverage to a small employer on the basis of the health status or claims experience of the small employer or its employees or dependents, the small employer carrier shall offer the small employer the opportunity to purchase a basic health benefit plan and a standard health benefit plan.

(b) (1) Except as provided in paragraph (b)(2) of this section, no small employer carrier or producer shall, directly or indirectly, engage in the following activities:

a. Encouraging or directing small employers to refrain from filing an application for coverage with the small employer carrier because of the health status, claims experience, industry, occupation or geographic location of the small employer.

b. Encouraging or directing small employers to seek coverage from another carrier because of the health status, claims experience, industry, occupation or geographic location of the small employer.

(2) The provision of paragraph (b)(1) of this section shall not apply with respect to information provided by a small employer carrier or producer to a small employer regarding the established geographic service area or a restricted network provision of a small employer carrier.

(c) Except as provided in this section, no small employer carrier shall, directly or indirectly, enter into any contract, agreement or arrangement with a producer that provides for or results in the compensation paid to a producer for the sale of a health benefit plan to be varied because of the health status, claims experience, industry, occupation or geographic area of the small employer.

(d) A small employer carrier shall provide reasonable compensation, as provided under the plan of operation of the Program, to a producer, if any, for the sale of a basic or standard health benefit plan.

(e) No small employer carrier may terminate, fail to renew or limit its contract or agreement of representation with a producer for any reason related to the health status, claims experience, occupation or geographic location of the small employers placed by the producer with the small employer carrier.

(f) No small employer carrier or producer may induce or otherwise encourage a small employer to separate or otherwise exclude an employee from health coverage or benefits provided in connection with the employee's employment.

(h) The Commissioner may establish regulations setting forth additional standards to provide for the fair marketing and broad availability of health benefit plans to small employers in this State.

(i) (1) A violation of this section by a small employer carrier or a producer shall be an unfair trade practice under §§ 2303 and 2304 of this title.

(2) If a small employer carrier enters into a contract, agreement or other arrangement with a third-party administrator to provide administrative, marketing or other services related to the offering of health benefit plans to small employers in this State, the third-party administrator shall be subject to this section as if it were a small employer carrier.

(68 Del. Laws, c. 340, § 1.)

§ 7216. Regulations; exceptions.

(a) The Commissioner may establish regulations to implement the provisions of this section and to assure that rating practices used by small employer carriers are consistent with the purposes of this chapter, including regulations that:

(1) Assure that differences in rates charged for health benefit plans by small employer carriers are reasonable and reflect objective differences in plan design (not including differences due to the nature of the groups assumed to select particular health benefit plans); and

(2) Prescribe the manner in which case characteristics may be used by small employer carriers.

(b) The Commissioner may suspend for a specified period the application of paragraph (a)(1) of this section as to the premium rates applicable to 1 or more small employers included within a class of business of a small employer carrier for 1 or more rating periods upon a filing by the small employer carrier and a finding by the Commissioner either that the suspension is reasonable in light of the financial condition of the small employer carrier or that the suspension would enhance the efficiency and fairness of the marketplace for small employer health insurance.

(68 Del. Laws, c. 175, § 1; 68 Del. Laws, c. 340, § 1.)

§ 7217. Disclosure of rating practices; certification of compliance.

(a) In connection with the offering for sale of any health benefit plan to a small employer, a small employer carrier shall make a reasonable disclosure, as part of its solicitation and sales materials, of all of the following:

- (1) The extent to which premium rates for a specified small employer are established or adjusted based upon the actual or expected variation in claims costs or actual or expected variation in health status of the employees of the small employer and their dependents;
- (2) The provisions of the health benefit plan concerning the small employer carrier's right to change premium rates and the factors, other than claim experience that affect changes in premium rates;
- (3) The provisions relating to renewability of policies and contracts;
- (4) The provisions relating to any preexisting condition provision; and
- (5) The benefits available under all health benefit plans for which the employer is qualified.

(b) Each small employer carrier shall maintain at its principal place of business a complete and detailed description of its rating practices and renewal underwriting practices, including information and documentation that demonstrate that its rating methods and practices are based upon commonly accepted actuarial assumptions and are in accordance with sound actuarial principles.

(c) Each small employer carrier shall file with the Commissioner annually on or before March 15, an actuarial certification certifying that the carrier is in compliance with this chapter and that the rating methods of the small employer carrier are actuarially sound. Such certification shall be in a form and manner, and shall contain such information, as specified by the Commissioner. A copy of the certification shall be retained by the small employer carrier at its principal place of business.

(d) A small employer carrier shall make information and documentation described in subsection (b) of this section available to the Commissioner upon request. Except in cases of violations of this chapter, the information shall be considered proprietary and trade secret information and shall not be subject to disclosure by the Commissioner to persons outside of the Department except as agreed to by the small employer carrier or as ordered by a court of competent jurisdiction.

(68 Del. Laws, c. 175, § 1; 68 Del. Laws, c. 340, § 1; 71 Del. Laws, c. 143, § 13.)

§ 7218. Factors for premium rates; premium rate variations; premium rate adjustments; “stop-loss” policies prohibited.

(a) The only factors, other than plan design and family composition, that may be considered by a small employer carrier in setting premium rates for small employer health insurance are age, health status, and size of the group. “Health status” as used in this section means medical condition, including physical and mental illnesses; claims experience; receipt of health care; evidence of insurability; medical history; and unhealthy lifestyle choices as defined in § 7202 of this title.

(b) The maximum premium rate variation between high and low small employer health insurance risk groups of 2 to 50 employees is a ratio of 5 for the high risk groups to 1 for the low risk groups. The ratio of premium rate variation between high and low risk small employer groups of 2 to 50 employees must decrease by a factor of .5 for high risk groups annually on July 1, until the premium rate variation ratio is 3 for the high risk groups to 1 for the low risk groups.

(c) The maximum premium rate variation between high and low small employer health insurance risk groups of a single employee, known as “groups of one,” is a ratio of 6 for the high risk groups to 1 for the low risk groups. The ratio of premium rate variation between high and low risk small employer groups of 1 must decrease by a factor of .5 for high risk groups of 1 annually on July 1, until the premium rate variation ratio is 4 for the high risk groups to 1 for the low risk groups. Nothing in this provision may be construed to create separate risk pools for groups of one and groups of 2 to 50.

(d) A group may not receive a premium rate adjustment for a change in the health status of the members of the group that exceeds 15%, whether higher or lower, from the prior year.

(e) A small employer health insurance carrier may make available, issue, or renew a “stop loss” policy to a small employer if that small employer employs more than 5 eligible employees, the majority of whom are employed within this State, on at least 50% of its working days during the preceding calendar quarter.

(f) Nothing herein shall apply to any company licensed under Chapter 69 of this title.

This chapter shall also apply to insurance companies and health maintenance organizations that provide or administer coverage and benefits for prescription drugs.

(b) This chapter shall not apply to any entity that has its own facility, employs or contracts with physicians, pharmacists, nurses and other health-care personnel, and that dispenses prescription drugs from its own pharmacy to its employees and to enrollees of its health benefit plan; provided, however, this chapter shall apply to an entity otherwise excluded that contracts with an outside pharmacy or group of pharmacies to provide prescription drugs and services. (d) No insurer shall require a beneficiary, as a condition of payment or reimbursement, to purchase pharmacy services, including prescription drugs, exclusively through a mail-order pharmacy.

(e) A pharmacist or pharmacy shall not interfere with the control of over-utilization of a plan's covered services and may not waive, discount, rebate or distort in any way the designated co-payment of any insurer plan or patient's co-insurance portion of a prescription drug coverage plan.

(f) At least 60 days prior to the effective date of any health benefit plan or renewal of any pharmacy contract network which provides for coverage of pharmacy services, including prescription drug coverage, to Delaware residents, and restricts pharmacy participation, the entity providing the health benefit plan shall provide notice to all pharmacies within the State and shall offer to the pharmacies the opportunity to participate in the health benefit plan. Such notice and offer shall be considered given upon delivery of written notice to the Delaware Pharmaceutical Society, Inc. or its successor, and upon publication of such notice in a newspaper of general circulation throughout the State. All pharmacies within the State shall be eligible to participate under identical reimbursement terms for providing pharmacy services, including prescription drugs. The health benefit insurer shall inform the plan beneficiaries of the names and locations of pharmacies that are participating in the plan as providers of pharmacy services.

(g) Any provision in a health benefit plan which is executed, delivered or renewed, or otherwise contracted for in this State that is contrary to any provision of this section shall, to the extent of the conflict, be void.

(h) It shall be a violation of this section for any insurer of any person to provide any health benefit plan that provides for pharmaceutical services to residents of this State that does not conform to the provisions of this section.

(2) In scheduling and determining the nature, scope, and frequency of the examinations, the Commissioner shall consider such matters as consumer complaints, results of financial statement analyses and ratios, changes in management or ownership, actuarial opinions, report of independent certified public accountants, and other relevant criteria as determined by the Commissioner.

(3) For purposes of completing an examination of a licensee under this Act, the Commissioner may examine or investigate any person, or the business of any person, if the examination or investigation is, in the sole discretion of the Commissioner, necessary or material to the examination of the licensee.

(4) In lieu of an examination under this Act of any foreign or alien licensee licensed in this State, the Commissioner may, at the Commissioner's discretion, accept an examination report on the licensee as prepared by the commissioner for the licensee's state of domicile or port-of-entry state.

(5) As far as practical, the examination of a foreign or alien licensee must be made in cooperation with the insurance supervisory officials of other states in which the licensee transacts business.

(b) *Record retention requirements.* — (1) A person required to be licensed by this Act must retain copies of all of the following for 5 years:

(3) Records required to be retained by this section must be legible and complete and may be retained in paper, photograph, microprocess, magnetic, mechanical, or electronic media, or by any process that accurately reproduces or forms a durable medium for the reproduction of a record.

In conducting the examination, the examiner shall observe those guidelines and procedures set forth in the Examiners Handbook adopted by the National Association of Insurance Commissioners (NAIC). The Commissioner may also employ such other guidelines or procedures as the Commissioner may deem appropriate.

(2) Every licensee or person from whom information is sought, its officers, directors and agents shall provide to the examiners timely, convenient and free access at all reasonable hours at its offices to all books, records, accounts, papers, documents, assets and computer or other recordings relating to the property, assets, business and affairs of the licensee being examined. The officers, directors, employees and agents of the licensee or person shall facilitate the examination and aid in the examination so far as it is in their power to do so. (6) Nothing contained in this Act limits the Commissioner's authority to use and, if appropriate, to make public any final or preliminary examination report, any examiner or licensee workpapers or other documents, or any other information discovered or developed during the course of any examination in the furtherance of any legal or regulatory action brought as part of the Commissioner's official duties which the Commissioner may, in the Commissioner's sole discretion, deem appropriate.

(1) If the viator is the insured, a written statement from a licensed attending physician that the viator is of sound mind and under no constraint or undue influence to enter into a viatical settlement contract.

(2) A document in which the insured consents to the release of the insured's medical records to a licensed viatical settlement provider, viatical settlement broker, and the insurance company that issued the life insurance policy covering the life of the insured.

(3) Within 20 days after a viator executes documents necessary to transfer any rights under an insurance policy or within 20 days of entering any agreement, option, promise, or any other form of understanding, expressed or implied, to viaticate the policy, the viatical settlement provider shall give written notice to the insurer that issued that insurance policy that the policy has or will become a viaticated policy. The notice must be accompanied by the documents required by this subsection.

(4) The viatical settlement provider shall deliver a copy of the medical release required under paragraph (a)(2) of this section, a copy of the viator's application for the viatical settlement contract, the notice required under § 7509 of this title, and a request for verification of coverage to the insurer that issued the life policy that is the subject of the viatical transaction. The NAIC's form for verification of coverage must be used unless another form is developed and approved by the Commissioner.

(5) The insurer shall respond to a request for verification of coverage submitted on an approved form by a viatical settlement provider or viatical settlement broker within 30 calendar days of the date the request is received and indicate whether, based on the medical evidence and documents provided, the insurer intends to pursue an investigation at this time regarding the validity of the insurance contract or possible fraud. The insurer shall accept a request for verification of coverage made on an NAIC form or any other form approved by the Commissioner. The insurer shall accept an original, facsimile, or electronic copy of such request and any accompanying authorization signed by the viator. Failure by the insurer to meet its obligations under this subsection is a violation of §§ 7511(c) and 7516 of this title.

(6) Prior to or at the time of execution of the viatical settlement contract, the viatical settlement provider shall obtain a witnessed document in which the viator consents to the viatical settlement contract, represents that the viator has a full and complete understanding of the viatical settlement contract, that the viator has a full and complete understanding of the benefits of the life insurance policy, acknowledges that the viator is entering into the viatical settlement contract freely and voluntarily and, for persons with a terminal or chronic illness or condition, acknowledges that the insured has a terminal or chronic illness or condition that was diagnosed after the life insurance policy was issued.

(7) If a viatical settlement broker performs any of these activities required of the viatical settlement provider, the provider is deemed to have fulfilled the requirements of this subsection.

(b) All medical information solicited or obtained by any licensee is subject to the applicable provisions of state law relating to confidentiality of medical information.

(c) All viatical settlement contracts entered into in this State must provide the viator with an absolute right to rescind the contract before the earlier of 60 calendar days after the date upon which the viatical settlement contract is executed by all parties or 30 calendar days after the viatical settlement proceeds have been sent to the viator as provided in this section. Rescission by the viator may be conditioned upon the viator both giving notice and repaying to the viatical settlement provider within the rescission period all proceeds of the settlement and any premiums, loans and loan interest paid by or on behalf of the viatical settlement provider in connection with or as a consequence of the viatical settlement. If the insured dies during the rescission period, the viatical settlement contract is deemed to have been rescinded, subject to repayment to the viatical settlement provider or purchaser of all viatical settlement proceeds, and any premiums, loans and loan interest that have been paid by the viatical settlement provider or purchaser, which must be paid within 60 calendar days of the death of the insured. In the event of any rescission, if the viatical settlement provider has paid commissions or other compensation to a viatical settlement broker in connection with the rescinded transaction, the viatical settlement broker shall refund all such commissions and compensation to the viatical settlement provider within 5 business days following receipt of written demand from the viatical settlement provider, which demand must be accompanied by either the viator's notice of rescission if rescinded at the election of the viator, or notice of the death of the insured if rescinded by reason of the death of the insured within the applicable rescission period.

(d) The viatical settlement provider shall instruct the viator to send the executed documents required to effect the change in ownership, assignment or change in beneficiary directly to the independent escrow agent. Within 3 business days after the date the escrow agent receives the document (or from the date the viatical settlement provider receives the documents, if the viator erroneously provides the documents directly to the provider), the provider must pay or transfer the proceeds of the viatical settlement into an escrow or trust account maintained in a state or federally-chartered financial institution whose deposits are insured by the Federal Deposit Insurance Corporation (FDIC). Upon payment of the settlement proceeds into the escrow account, the escrow agent shall deliver the original change in ownership, assignment or change in beneficiary forms to the viatical settlement provider or related provider trust or other designated representative of the viatical settlement provider. Upon the escrow agent's receipt of the acknowledgment of the properly completed transfer of ownership, assignment or designation of beneficiary from the insurance company, the escrow agent shall pay the settlement proceeds to the viator.

(e) Failure to tender consideration to the viator for the viatical settlement contract within the time set forth in the disclosure pursuant to § 7508(a)(7) of this title renders the viatical settlement contract voidable by the viator for lack of consideration until the time consideration is tendered to and accepted by the viator. Funds are deemed sent by a viatical settlement provider to a viator as of the date that the escrow agent either releases funds for wire transfer to the viator or places a check for delivery to the viator via United States Postal Service or other nationally recognized delivery service.

(f) Contacts with the insured for the purpose of determining the health status of the insured by the viatical settlement provider or viatical settlement broker after the viatical settlement has occurred may only be made by the viatical settlement provider or broker licensed in this State or its authorized representative and are limited to once every 3 months for insureds with a life expectancy of more than 1 year, and to no more than 1 per month for insureds with a life expectancy of 1 year or less. The provider or broker shall explain the procedure for these contacts at the time the viatical settlement contract is entered into. The limitations set forth in this subsection do not apply to any contacts with an insured under a viaticated policy for reasons other than determining the insured's health status. Viatical settlement providers and viatical settlement brokers are responsible for the actions of their authorized representatives.

(g) A related provider trust must have a written agreement with the licensed viatical settlement provider under which the licensed viatical settlement provider is responsible for ensuring compliance with all statutory and regulatory requirements and under which the trust agrees to make all records and files related to viatical settlement transactions available to the Commissioner as if those records and files were maintained directly by the licensed viatical settlement provider.

§ 7511. Prohibited practices.

(a) It is a violation of this Act for any person to enter into a viatical settlement contract at any time prior to the application or issuance of a policy which is the subject of viatical settlement contract or within a 5-year period commencing with the date of issuance of the insurance policy or certificate unless the viator certifies to the viatical settlement provider that 1 or more of the following conditions have been met within the 5-year period:

(1) The policy was issued upon the viator's exercise of conversion rights arising out of a group or individual policy, if the total of the time covered under the conversion policy plus the time covered under the prior policy is at least 60 months. The time covered under a group policy must be calculated without regard to any change in insurance carriers, if the coverage has been continuous and under the same group sponsorship.

(2) The viator submits independent evidence to the viatical settlement provider that 1 or more of the following conditions have been met within the 5-year period:

a. The viator or insured is terminally or chronically ill.

b. The viator's spouse dies.

c. The viator divorces his or her spouse.

d. The viator retires from full-time employment.

e. The viator becomes physically or mentally disabled and a physician determines that the disability prevents the viator from maintaining full-time employment.

f. A final order, judgment, or decree is entered by a court of competent jurisdiction, on the application of a creditor of the viator, adjudicating the viator bankrupt or insolvent, or approving a petition seeking reorganization of the viator or appointing a receiver, trustee, or liquidator to all or a substantial part of the viator's assets.

(3) The viator enters into a viatical settlement contract more than 2 years after the date of issuance of a policy and, with respect to the policy, at all times prior to the date that is 2 years after policy issuance, the following conditions are met:

a. Policy premiums have been funded exclusively with unencumbered assets, including an interest in the life insurance policy being financed only to the extent of its net cash surrender value, provided by, or fully recourse liability incurred by, the insured or a person described in § 7502(14)c.5. of this title.

b. There is no agreement or understanding with any other person to guarantee any such liability or to purchase, or stand ready to purchase, the policy, including through an assumption or forgiveness of the loan.

c. Neither the insured nor the policy has been evaluated for settlement.

(b) Copies of the independent evidence described in paragraph (a)(2) of this section and documents required by § 7510(a) of this title must be submitted to the insurer when the viatical settlement provider or other party entering into a viatical settlement contract with a

viator submits a request to the insurer for verification of coverage. The copies must be accompanied by a letter of attestation from the viatical settlement provider that the copies are true and correct copies of the documents received by the viatical settlement provider.

(c) If the viatical settlement provider submits to the insurer a copy of the owner or insured's certification described in § 7511(a) of this title and the independent evidence required by paragraph (a)(2) of this section when the provider submits a request to the insurer to effect the transfer of the policy or certificate to the viatical settlement provider, the copy conclusively establishes that the viatical settlement contract satisfies the requirements of this subsection and the insurer shall timely respond to the request.

(d) No insurer may, as a condition of responding to a request for verification of coverage or effecting the transfer of a policy pursuant to a viatical settlement contract, require that the viator, insured, viatical settlement provider, or viatical settlement broker sign any form, disclosure, consent, or waiver form that has not been expressly approved by the Commissioner for use in connection with viatical settlement contracts in this State.

(e) Upon receipt of a properly completed request for change of ownership or beneficiary of a policy, the insurer shall respond in writing within 30 calendar days with written acknowledgement confirming that the change has been effected or specifying the reasons why the requested change cannot be processed. The insurer may not unreasonably delay effecting change of ownership or beneficiary and may not otherwise seek to interfere with any viatical settlement contract lawfully entered into in this State.

(81 Del. Laws, c. 172, § 1; 70 Del. Laws, c. 186, § 1.)

§ 7512. Prohibited practices and conflicts of interest.

(a) With respect to any viatical settlement contract or insurance policy, a viatical settlement broker may not knowingly solicit an offer from, effectuate a viatical settlement with, or make a sale to any viatical settlement provider, viatical settlement purchaser, financing entity or related provider trust that is controlling, controlled by, or under common control with such viatical settlement broker.

(b) With respect to any viatical settlement contract or insurance policy, no viatical settlement provider knowingly may enter into a viatical settlement contract with a viator, if, in connection with such viatical settlement contract, anything of value will be paid to a viatical settlement broker that is controlling, controlled by, or under common control with such viatical settlement provider or the viatical settlement purchaser, financing entity or related provider trust that is involved in such viatical settlement contract.

(c) A violation of subsection (a) or (b) of this section is a fraudulent viatical settlement act.

(d) A viatical settlement provider may not enter into a viatical settlement contract unless the viatical settlement promotional, advertising and marketing materials, as may be prescribed by regulation, have been filed with the Commissioner. Marketing materials may not expressly reference that the insurance is "free" for any period of time. The inclusion of any reference in the marketing materials that would cause a viator to reasonably believe that the insurance is free for any period of time is a violation of this Act.

(e) A life insurance producer, insurance company, viatical settlement broker, or viatical settlement provider may not make any statement or representation to the applicant or policyholder in connection with the sale or financing of a life insurance policy to the effect that the insurance is free or without cost to the policyholder for any period of time unless provided in the policy.

(81 Del. Laws, c. 172, § 1.)

§ 7513. Advertising for viatical settlements.

(a) The purpose of this section is to provide prospective viators with clear and unambiguous statements in the advertisement of viatical settlements and to assure the clear, truthful, and adequate disclosure of the benefits, risks, limitations, and exclusions of any viatical settlement contract bought or sold. This purpose is intended to be accomplished by the establishment of guidelines and standards of permissible and impermissible conduct in the advertising of viatical settlements to assure that product descriptions are presented in a manner that prevents unfair, deceptive, or misleading advertising and is conducive to accurate presentation and description of viatical settlements through the advertising media and material used by viatical settlement licensees.

(b) This section applies to any advertising of viatical settlement contracts or related products or services intended for dissemination in this State, including internet advertising viewed by persons located in this State. Where disclosure requirements are established pursuant to federal regulation, this section must be interpreted so as to minimize or eliminate conflict with federal regulation wherever possible.

(c) Every viatical settlement licensee shall establish and at all times maintain a system of control over the content, form and method of dissemination of all advertisements of its contracts, products, and services. All advertisements, regardless of by whom written, created, designed, or presented, are the responsibility of the viatical settlement licensees, as well as the individual who created or presented the advertisement. A system of control must include regular routine notification, at least once a year, to agents and others authorized by the viatical settlement licensee who disseminate advertisements of the requirements and procedures for approval prior to the use of any advertisements not furnished by the viatical settlement licensee.

(d) Advertisements must be truthful and not misleading in fact or by implication. The form and content of an advertisement of a viatical settlement contract or product or service must be sufficiently complete and clear so as to avoid deception. The advertisement must not have the capacity or tendency to mislead or deceive. Whether an advertisement has the capacity or tendency to mislead or deceive must be determined by the Commissioner from the overall impression that the advertisement may be reasonably expected to create upon a person of average education or intelligence within the segment of the public to which it is directed.

(e) Certain viatical settlement advertisements are deemed false and misleading on their face and are prohibited. Those advertisements include the following representations:

- (1) “Guaranteed,” “fully secured,” “100 percent secured,” “fully insured,” “secure,” “safe,” “backed by rated insurance companies,” “backed by federal law,” “backed by state law,” or “state guaranty funds,” or similar representations.
- (2) “No risk,” “minimal risk,” “low risk,” “no speculation,” “no fluctuation,” or similar representations.
- (3) “Qualified or approved for individual retirement accounts (IRAs), Roth IRAs, 401(k) plans, simplified employee pensions (SEP), 403(b), Keogh plans, TSA, other retirement account rollovers,” “tax deferred,” or similar representations.
- (4) Utilization of the word “guaranteed” to describe the fixed return, annual return, principal, earnings, profits, investment, or similar representations.
- (5) “No sales charges or fees” or similar representations.
- (6) “High yield,” “superior return,” “excellent return,” “high return,” “quick profit,” or similar representations.
- (7) Purported favorable representations or testimonials about the benefits of viatical settlement contracts as an investment, taken out of context from newspapers, trade papers, journals, radio and television programs, and all other forms of print and electronic media.
- (f) The information required to be disclosed under this section may not be minimized, rendered obscure, or presented in an ambiguous fashion or intermingled with the text of the advertisement so as to be confusing or misleading.
 - (1) An advertisement may not omit material information or use words, phrases, statements, references, or illustrations if the omission or use has the capacity, tendency, or effect of misleading or deceiving viators as to the nature or extent of any benefit, loss covered, premium payable, or state or federal tax consequence. The fact that the viatical settlement contract offered is made available for inspection prior to consummation of the sale, or an offer is made to refund the payment if the viator is not satisfied or that the viatical settlement contract includes a “free look” period that satisfies or exceeds legal requirements, does not remedy misleading statements.
 - (2) An advertisement may not use the name or title of a life insurance company or a life insurance policy unless the advertisement has been approved by the insurer.
 - (3) An advertisement may not represent that premium payments will not be required to be paid on the life insurance policy that is the subject of a viatical settlement contract in order to maintain that policy, unless that is the fact.
 - (4) An advertisement may not state or imply that interest charged on an accelerated death benefit or a policy loan is unfair, inequitable, or in any manner an incorrect or improper practice.
 - (5) The words “free,” “no cost,” “without cost,” “no additional cost,” “at no extra cost,” or words of similar import may not be used with respect to any benefit or service unless true. An advertisement may specify the charge for a benefit or a service or may state that a charge is included in the payment or use other appropriate language.
 - (6) Testimonials, appraisals, or analyses used in advertisements must be genuine; represent the current opinion of the author; be applicable to the viatical settlement contract, product or service advertised, if any; and be accurately reproduced with sufficient completeness to avoid misleading or deceiving prospective viators as to the nature or scope of the testimonials, appraisal, analysis, or endorsement. In using testimonials, appraisals, or analysis, a licensee under this Act makes as its own all the statements contained therein, and the statements are subject to all the provisions of this section.
 - a. If the individual making a testimonial, appraisal, analysis or an endorsement has a financial interest in the party making use of the testimonial, appraisal, analysis, or endorsement, either directly or through a related entity as a stockholder, director, officer, employee or otherwise, or receives any benefit directly or indirectly other than required union scale wages, that fact must be prominently disclosed in the advertisement.
 - b. An advertisement may not state or imply that a viatical settlement contract, benefit, or service has been approved or endorsed by a group of individuals, society, association, or other organization unless that is the fact and unless any relationship between an organization and the viatical settlement licensee is disclosed. If the entity making the endorsement or testimonial is owned, controlled, or managed by the viatical settlement licensee, or receives any payment or other consideration from the viatical settlement licensee for making an endorsement or testimonial, that fact must be disclosed in the advertisement.
 - c. When an endorsement refers to benefits received under a viatical settlement contract, all pertinent information must be retained for a period of 5 years after its use.
- (g) An advertisement may not contain statistical information unless it accurately reflects recent and relevant facts. The source of all statistics used in an advertisement must be identified.
- (h) An advertisement may not disparage insurers, viatical settlement providers, viatical settlement brokers, insurance producers, policies, services, or methods of marketing.
 - (i) The name of the viatical settlement licensee must be clearly identified in all advertisements about the licensee or its viatical settlement contract, products or services, and if any specific viatical settlement contract is advertised, the viatical settlement contract must be identified either by form number or some other appropriate description. If an application is part of the advertisement, the name of the viatical settlement provider must be shown on the application.
 - (j) An advertisement may not use a trade name, group designation, name of the parent company of a viatical settlement licensee, name of a particular division of the viatical settlement licensee, service mark, slogan, symbol, or other device or reference without disclosing the name of the viatical settlement licensee, if the advertisement would have the capacity or tendency to mislead or deceive as to the true identity of the viatical settlement licensee, or to create the impression that a company other than the viatical settlement licensee would have any responsibility for the financial obligation under a viatical settlement contract.

(k) An advertisement may not use any combination of words, symbols, or physical materials that by their content, phraseology, shape, color, or other characteristics are so similar to a combination of words, symbols, or physical materials used by a government program or agency or otherwise appear to be of such a nature that they tend to mislead prospective viators into believing that the solicitation is in some manner connected with a government program or agency.

(l) An advertisement may state that a viatical settlement licensee is licensed in the state where the advertisement appears, if it does not exaggerate that fact or suggest or imply that competing viatical settlement licensee may not be so licensed. The advertisement may ask the audience to consult the licensee's web site or contact the Department of Insurance to find out if the state requires licensing and, if so, whether the viatical settlement provider, viatical settlement broker is licensed.

(m) An advertisement may not create the impression that the viatical settlement provider, its financial condition or status, the payment of its claims or the merits, desirability, or advisability of its viatical settlement contracts forms are recommended or endorsed by any government entity.

(n) The name of the actual licensee must be stated in all of its advertisements. An advertisement may not use a trade name, any group designation, name of any affiliate or controlling entity of the licensee, service mark, slogan, symbol, or other device in a manner that would have the capacity or tendency to mislead or deceive as to the true identity of the actual licensee or create the false impression that an affiliate or controlling entity would have any responsibility for the financial obligation of the licensee.

(o) An advertisement may not directly or indirectly create the impression that any division or agency of the State or of the United States government endorses, approves, or favors any of the following:

- (1) Any viatical settlement licensee or its business practices or methods of operation.
- (2) The merits, desirability or advisability of any viatical settlement contract.
- (3) Any viatical settlement contract.
- (4) Any life insurance policy or life insurance company.

(p) If the advertiser emphasizes the speed with which the viatication will occur, the advertising must disclose the average time frame from completed application to the date of offer and from acceptance of the offer to receipt of the funds by the viator.

(q) If the advertising emphasizes the dollar amounts available to viators, the advertising must disclose the average purchase price as a percent of face value obtained by viators contracting with the licensee during the past 6 months.

(81 Del. Laws, c. 172, § 1.)

(f) If the Commissioner has reason to believe that any person has committed a fraudulent viatical settlement act, or any other law applicable to viatical settlements for which criminal prosecution is provided, the Commissioner shall give the information relative thereto to the Attorney General. The Attorney General shall promptly review any information provided and may take any legal action deemed necessary or appropriate under the circumstances.

(2) Where a victim is 62 years of age or older, or an "adult who is impaired" as defined in § 3902 of Title 31, or a "person with a disability" as defined in § 3901(a)(2) of Title 12, a fraudulent viatical settlement act is a class G felony unless (i) the value of property, services, or other benefit wrongfully obtained or attempted to be obtained, or (ii) the aggregate economic loss suffered by any person as a result of the violation, whichever is greater, is \$1,500 or more, in which case it is a class F felony.

Part II
Suretyship
Chapter 83

Use of Credit Information in Insurance

§ 8301. Purpose [For applicability of this section, see 81 Del. Laws, c. 108, §? 3].

The purpose of this chapter is to regulate the use of credit information for personal insurance, so that consumers are afforded certain protections with respect to the use of such information.

(81 Del. Laws, c. 108, § 1.)

§ 8302. Scope [For applicability of this section, see 81 Del. Laws, c. 108, §? 3].

This chapter applies to all policies of automobile, motorcycle, boat and personal watercraft, recreational vehicle, homeowners, mobile-homeowners, manufactured homeowners insurance, and noncommercial dwelling fire insurance issued by an insurer for personal or family protection.

(76 Del. Laws, c. 175, § 1; 81 Del. Laws, c. 108, § 1.)

§ 8303. Definitions [For applicability of this section, see 81 Del. Laws, c. 108, §? 3].

As used in this chapter:

(1) "Adverse action" means a denial or cancellation of, an increase in any charge for, or a reduction or other adverse or unfavorable change in the terms of coverage or amount of, any insurance, existing or applied for, in connection with the underwriting of personal insurance.

(2) "Affiliate" means any company that controls, is controlled by, or is under common control with another company.

(3) "Applicant" means an individual who has applied to be covered by a personal insurance policy with an insurer.

(4) "Consumer" means an insured whose credit information is used or whose insurance score is calculated in the underwriting or rating of a personal insurance policy or an applicant for such a policy.

(5) "Consumer reporting agency" means any person which, for monetary fees, dues, or on a cooperative nonprofit basis, regularly engages in whole or in part in the practice of assembling or evaluating consumer credit information or other information on consumers for the purpose of furnishing consumer reports to third parties.

(6) "Credit information" means any credit-related information derived from a credit report, found on a credit report itself, or provided on an application for personal insurance. Information that is not credit-related shall not be considered "credit information," regardless of whether it is contained in a credit report or in an application, or is used to calculate an insurance score.

(7) "Credit report" means any written, oral, or other communication of information by a consumer reporting agency bearing on a consumer's credit worthiness, credit standing or credit capacity which is used or expected to be used or collected in whole or in part for the purpose of serving as a factor to determine personal insurance premiums, eligibility for coverage, or tier placement.

(8) "Insurance score" means a number or rating that is derived from an algorithm, computer application, model, or other process that is based in whole or in part on credit information for the purposes of predicting the future insurance loss exposure of an individual applicant or insured.

(76 Del. Laws, c. 175, § 1; 81 Del. Laws, c. 108, § 1.)

§ 8304. Use of credit information [For applicability of this section, see 81 Del. Laws, c. 108, §? 3].

(a) An insurer authorized to do business in Delaware that uses credit information to underwrite or rate risks, shall not do any of the following:

(1) Use an insurance score that is calculated using income, gender, sexual orientation, gender identity, education, address, zip code, race, ethnic group, religion, marital status, or nationality of the consumer as a factor.

(2) Deny, cancel or nonrenew a personal insurance policy solely on the basis of credit information, without consideration of any other applicable underwriting factor independent of credit information and not expressly prohibited by paragraph (a)(1) of this section.

(3) Base an insured's renewal rates for personal insurance solely upon credit information, without consideration of any other applicable factor independent of credit information.

(4) Take an adverse action against a consumer solely because he or she does not have a credit card account, without consideration of any other applicable factor independent of credit information.

(5) Consider an absence of credit information or an inability to calculate an insurance score in underwriting or rating personal insurance, unless the insurer does 1 of the following:

a. Treats the consumer as otherwise approved by the Insurance Commissioner, if the insurer presents information that such an absence or inability relates to the risk for the insurer.

b. Treats the consumer as if the applicant or insured had neutral credit information, as defined by the insurer.

c. Excludes the use of credit information as a factor and uses only other underwriting criteria.

(6) Request credit information at renewal unless requested to do so by a consumer or the consumer's agent. Upon the request of the insured, the insurer shall, at the time of a policy's renewal or anniversary date, rerate the policy based upon a current credit report and give the insured the benefit of any improvement in the insured's insurance score. No adverse underwriting decision may result from a rating conducted pursuant to this paragraph. An insurer need not recalculate the insurance score or obtain the updated credit report of an insured more frequently than once in a 12-month period. This paragraph shall not apply if the insurer's filed rating plan does not use any credit information for the purpose of rating renewals, including any residual effect from the use of credit information at initial underwriting. Regardless of the requirements of this paragraph, no insurer need obtain current credit information for an insured if 1 of the following applies:

a. The insurer is treating the consumer as otherwise approved by the Commissioner.

b. The policy is in the most favorably-priced tier of the insurer, within a group of affiliated insurers.

c. Credit was not used for underwriting or rating such insured when the policy was initially written.

(7) Use any of the following as a negative factor in any insurance scoring methodology or in reviewing credit information for the purpose of underwriting or rating a policy of personal insurance:

a. Credit inquiries not initiated by the consumer or inquiries requested by the consumer for his or her own credit information.

b. Inquiries relating to insurance coverage, if so identified on a consumer's credit report.

c. Collection accounts with a medical industry code, if so identified on the consumer's credit report.

d. Multiple lender inquiries, if coded by the consumer reporting agency on the consumer's credit report as being from the home mortgage industry and made within 30 days of one another, unless only 1 inquiry is considered.

e. Multiple lender inquiries, if coded by the consumer reporting agency on the consumer's credit report as being from the automobile lending industry and made within 30 days of one another, unless only 1 inquiry is considered.

f. Bankruptcy adjudications more than 5 years from date of the credit report.

g. Suits and judgments whose date of entry are more than 5 years from the date of the credit report or that exceed the governing statute of limitations, whichever is the longer period.

h. Accounts placed for collection or charged to profits and loss more than 7 years from the date of the credit report.

i. Records of arrest, indictment, or conviction of crime where the date of disposition, release or parole is more than 7 years from the date of the credit report.

j. Any other adverse item or information which is more than 7 years from the date of the credit report.

k. The total available line of credit; however, an insurer may consider the total amount of outstanding debt in relation to the total available line of credit.

(8) Take an adverse action on a homeowners insurance policy based solely on the credit information of a spouse who has no title or ownership interest in the property to be insured and is not an applicant.

(b) If, as the result of any acquisition or transfer of all or part of a book of business of an agent, insurer, or broker, a policy is transferred from 1 insurer to another and rerated, the rerating shall be considered a rating of the policy currently in force upon renewal subject to the restrictions and benefits set forth in paragraph (a)(6) of this section, above, provided that an insurer may offer a policyholder to rewrite the policy using credit and may, at the policyholder's option, rewrite the policy using credit if it results in a lower premium for the policyholder.

(81 Del. Laws, c. 108, § 1; 70 Del. Laws, c. 186, § 1.)

§ 8305. Extraordinary life circumstances [For applicability of this section, see 81 Del. Laws, c. 108, §? 3].

(a) Notwithstanding any other law or regulation, an insurer that uses credit information shall, on written request from an applicant for insurance coverage or an insured, provide reasonable exceptions to the insurer's rates, rating classifications, company or tier placement, or information that has been directly influenced by any of the following events:

(1) Catastrophic event, as declared by the federal or state government.

(2) Serious illness or injury, or serious illness or injury to an immediate family member.

(3) Death of a spouse, child, or parent.

(4) Divorce or involuntary interruption of legally-owed alimony or support payments.

(5) Identity theft.

(6) Temporary loss of employment for a period of 3 months or more, if it results from involuntary termination.

(7) Military deployment overseas.

(8) Other events, as determined by the insurer.

(b) If an applicant or insured submits a request for an exception as set forth in subsection (a) of this section, an insurer may, in its sole discretion, but is not mandated to do any of the following:

(1) Require the consumer to provide reasonable written and independently verifiable documentation of the event.

(2) Require the consumer to demonstrate that the event had direct and meaningful impact on the consumer's credit information.

(3) Require such request be made no more than 60 days from the date of the application for insurance or the policy renewal.

(4) Grant an exception despite the consumer not providing the initial request for an exception in writing.

(5) Grant an exception where the consumer asks for consideration of repeated events or the insurer has considered this event previously.

(c) An insurer is not out of compliance with any law or rule relating to underwriting, rating, or rate filing as a result of granting an exception under this section. Nothing in this section shall be construed to provide a consumer or other insured with a cause of action that does not exist in the absence of this section.

(d) The insurer shall provide notice to consumers that reasonable exceptions are available and information about how the consumer may inquire further.

(e) Within 30 days of the insurer's receipt of sufficient documentation of an event described in subsection (a) of this section, the insurer shall inform the consumer of the outcome of the request for a reasonable exception. Such communication shall be in writing or provided to an applicant in the same medium as the request.

(81 Del. Laws, c. 108, § 1.)

§ 8306. Dispute resolution and error correction [For applicability of this section, see 81 Del. Laws, c. 108, §? 3].

If it is determined through the dispute resolution process set forth in the federal Fair Credit Reporting Act, 15 U.S.C. § 1681i(a)(5), that the credit information of a current insured was incorrect or incomplete and if the insurer receives notice of such determination from either the consumer reporting agency or from the insured, the insurer shall re-underwrite and rerate the consumer within 30 days of receiving the notice. After re-underwriting or rerating the insured, the insurer shall make any adjustments necessary, consistent with its underwriting and rating guidelines. If an insurer determines that the insured has overpaid premium, the insurer shall refund to the insured the amount of overpayment calculated back to the shorter of either the last 12 months of coverage or the actual policy period.

(81 Del. Laws, c. 108, § 1.)

§ 8307. Notification [For applicability of this section, see 81 Del. Laws, c. 108, §? 3].

(a) If an insurer writing personal insurance uses credit information in underwriting or rating a consumer, the insurer or its agent shall disclose, either on the insurance application or at the time the insurance application is taken, that it may obtain credit information in connection with such application. Such disclosure shall be either written or provided to an applicant in the same medium as the application for insurance. The insurer need not provide the disclosure statement required under this section to any insured on a renewal policy, if such consumer has previously been provided a disclosure statement. The following example disclosure statement constitutes compliance with this paragraph:

“In connection with this application for insurance, we may review your credit report or obtain or use a credit-based insurance score based on the information contained in that credit report. We may use a third party in connection with the development of your insurance score.”

(b) If an insurer writing personal insurance used credit information in underwriting or rating a consumer, the insurer or its agent shall disclose either on the insurance application or at the time the application is taken, that if the application is approved and the applicant becomes a policyholder, he or she has the right to request a re-underwrite or rerate of his or her policy on an annual basis based upon current credit report. The notice shall state that the review will be conducted for the sole purpose of determining whether the use of the new credit information would lead to a reduction and will not be used for any other purpose, including an increase in premiums. The following example disclosure statement constitutes compliance with the paragraph:

(c) On an annual basis, the insurer shall inform its policyholders of their right to have their credit information reviewed to determine whether the use of the current credit report would result in a lower premium, in accordance with the procedures set forth in this chapter. This notification shall be in at least 18-point type and included with the renewal notice. The notification shall be accompanied by a form that the policyholder must complete and send to the insurer to request that the credit information be obtained and reviewed. The notification shall advise the policyholder that the request form must be mailed within 2 weeks of the date of mailing of the renewal notification by the insurer for a premium adjustment to be made for the upcoming policy period. The notification shall also advise the policyholder that they must comply with the renewal notice requirements regarding the payment amount and due date regardless of whether they choose to request a review of their credit report and that any decrease of premium as a result of the new credit report be effective on the upcoming renewal date provided in the renewal notice. This subsection does not apply to any renewal for which the insurer's filed rating plan does not use any credit information, including residual effect from the use of credit information at initial underwriting. An insurer that is exempt from this subsection shall advise its policyholder of the exemption and the reason for the exemption with the policyholder's renewal notice.

“If we do use a credit based score, you will have the right on an annual basis to request that we obtain a current credit report for you and determine whether use of the new credit report would result in a decrease in your insurance premiums. If the new credit report that we receive would result in a decrease in your insurance premiums, we will make that reduction. If the new credit information would not reduce your insurance premiums, the credit report will not be used to impact your premiums in any way.”

This subsection does not apply if an insurer's filed rating plan does not use any credit information for the purpose of rating renewals, including any residual effect from the use of credit at initial underwriting.

§ 8308. Adverse action [For applicability of this section, see 81 Del. Laws, c. 108, §? 3].

If an insurer takes an adverse action based upon credit information, the insurer must meet all of the following notice requirements:

(1) Provide notification to the consumer that an adverse action has been taken, in accordance with the requirements of the federal Fair Credit Reporting Act, 15 U.S.C. § 1681m(a).

(2) Provide notification to the consumer explaining the reason for the adverse action. The reasons must be provided in sufficiently clear and specific language so that a person can identify the basis for the insurer's decision to take an adverse action. Such notification shall include a description of up to 4 factors that were the primary influences of the adverse action. The use of generalized terms such as "poor credit history," "poor credit rating," or "poor insurance score" does not meet the explanation requirements of this paragraph. Standardized credit explanations provided by consumer reporting agencies or other third-party vendors are deemed to comply with this section.

(3) If the adverse action is a denial of personal insurance, provide notification that the applicant may inquire further about the credit information on which the denial is based and obtain a free copy of the credit report, the applicant may do so by mailing a written request to the insurer, or other such party as the insurer may identify in the notice, no more than 30 days after the date the notice of refusal was mailed to the applicant.

(4) Provide a statement that the consumer reporting agency that provided the credit information upon which the denial was based did not make the denial decision and is unable to provide the applicant the specific reasons for the denial.

(5) If the adverse action is a denial of personal insurance, the notice of denial shall be retained by the insurer and a record of the insurance score, related notice and correspondence with the applicant shall be maintained by the insurer or their vendor for a minimum of 3 years from the date of the denial notification to the applicant.

(81 Del. Laws, c. 108, § 1.)

§ 8309. Filing [For applicability of this section, see 81 Del. Laws, c. 108, §? 3].

(a) Insurers that use insurance scores to underwrite and rate risks must file their scoring models with the Commissioner. A third party may file scoring models on behalf of insurers. A filing that includes insurance scoring may include loss experience justifying the use of credit information.

(b) Any filing relating to credit information is considered proprietary or trade secret under § 10002(o)(2) of Title 29 or upon the request of the insurer or owner of the document and subject to the confidentiality provisions of § 321(g) of this title.

(81 Del. Laws, c. 108, § 1; 83 Del. Laws, c. 65, § 1.)

§ 8310. Indemnification; causes of action and defenses [For applicability of this section, see 81 Del. Laws, c. 108, §? 3].

An insurer shall indemnify, defend, and hold agents harmless from and against all liability, fees, and costs arising out of or relating to the actions, errors, or omissions of an insurer who obtains or uses credit information and/or insurance scores from an independent source, provided the producer follows the instructions of or procedures established by the insurer and complies with any applicable law or regulation. Nothing in this chapter shall be construed to provide a consumer or other insured with a cause of action that does not exist in the absence of this section. This chapter shall not create a cause of action for any person or entity, other than the Commissioner, against an insurer or its representative based upon a violation of § 2304(15)c. of this title. In the same manner, nothing in this chapter shall establish a defense for any party to any cause of action based upon a violation of § 2304(15)c. of this title.

(76 Del. Laws, c. 175, § 1; 81 Del. Laws, c. 108, § 1.)

§ 8311. Sale of policy term information by consumer reporting agency [For applicability of this section, see 81 Del. Laws, c. 108, §? 3].

(a) No consumer reporting agency shall provide or sell data or lists that include any information that in whole or in part was submitted in conjunction with an insurance inquiry about a consumer's credit information or a request for a credit report or insurance score. Such information includes, but is not limited to, the expiration dates of an insurance policy or any other information that may identify time periods during which a consumer's insurance may expire and the terms and conditions of the consumer's insurance coverage.

(b) The restrictions provided in subsection (a) of this section do not apply to data or lists the consumer reporting agency supplies to the insurance producer from whom information was received, the insurer on whose behalf such producer acted, or such insurer's affiliates or holding companies.

(c) Nothing in this section shall be construed to restrict any insurer from being able to obtain a claims history report or a motor vehicle report.

(81 Del. Laws, c. 108, § 1.)

§ 8312. Severability [For applicability of this section, see 81 Del. Laws, c. 108, §? 3].

If any section, paragraph, sentence, clause, phrase, or any part of this chapter is declared invalid due to an interpretation of or a future change in the federal Fair Credit Reporting Act [15 U.S.C. § 1681 et seq.], the remaining sections, paragraphs, sentences, clauses, phrases, or parts thereof shall be in no manner affected thereby but shall remain in full force and effect.

RISK MANAGEMENT AND OWN RISK AND SOLVENCY ASSESSMENT (ORSA)

§ 8401. Short title.

This chapter may be cited as the “Risk Management and Own Risk and Solvency Assessment (ORSA) Act.”
(79 Del. Laws, c. 422, § 1.)

§ 8402. Purpose and scope.

The purpose of this chapter is to provide the requirements for maintaining a risk management framework and completing an own risk and solvency assessment (ORSA) and provide guidance and instructions for filing an ORSA summary report with the Insurance Commissioner of this State.

The requirements of this chapter shall apply to all insurers domiciled in this State unless exempt pursuant to § 8407 of this title.

The General Assembly finds and declares that the ORSA summary report will contain confidential and sensitive information related to an insurer or insurance group’s identification of risks material and relevant to the insurer or insurance group filing the report. This information will include proprietary and trade secret information that has the potential for harm and competitive disadvantage to the insurer or insurance group if the information is made public. It is the intent of this General Assembly that the ORSA summary report shall be a confidential document filed with the Insurance Commissioner, that the ORSA summary report will be shared only as stated herein and to assist the Insurance Commissioner in the performance of his or her duties, and that in no event shall the ORSA summary report be subject to public disclosure.

(79 Del. Laws, c. 422, § 1; 70 Del. Laws, c. 186, § 1.)

§ 8403. Definitions.

As used in this chapter, unless the context requires otherwise:

(1) “*Insurance group.*” — For the purpose of conducting an ORSA, the term “insurance group” shall mean those insurers and affiliates included within an insurance holding company system as defined in Chapter 50 of this title.

(2) “*Insurer.*” — The term “insurer” shall have the same meaning as set forth in § 102 of this title, except that it shall not include agencies, authorities or instrumentalities of the United States, its possessions and territories, the Commonwealth of Puerto Rico, the District of Columbia, or a state or political subdivision of a state.

(3) “*ORSA Guidance Manual.*” — The term “ORSA Guidance Manual” shall mean the current version of the Own Risk and Solvency Assessment Guidance Manual developed and adopted by the National Association of Insurance Commissioners (NAIC) and as amended from time to time. A change in the ORSA Guidance Manual shall be effective on the January 1 following the calendar year in which the changes have been adopted by the NAIC.

(4) “*ORSA summary report.*” — An “ORSA summary report” shall mean a confidential high-level summary of an insurer or insurance group’s ORSA.

(5) “*Own risk and solvency assessment*” or “*ORSA.*” — An “own risk and solvency assessment” or “ORSA” shall mean a confidential internal assessment, appropriate to the nature, scale and complexity of an insurer or insurance group, conducted by that insurer or insurance group of the material and relevant risks associated with the insurer or insurance group’s current business plan, and the sufficiency of capital resources to support those risks.

(79 Del. Laws, c. 422, § 1.)

§ 8404. Risk management framework.

An insurer shall maintain a risk management framework to assist the insurer with identifying, assessing, monitoring, managing and reporting on its material and relevant risks. This requirement may be satisfied if the insurance group of which the insurer is a member maintains a risk management framework applicable to the operations of the insurer.

(79 Del. Laws, c. 422, § 1.)

§ 8405. ORSA requirement.

Subject to § 8407 of this title, an insurer, or the insurance group of which the insurer is a member, shall regularly conduct an ORSA consistent with a process comparable to the ORSA Guidance Manual. The ORSA shall be conducted no less than annually but also at any time when there are significant changes to the risk profile of the insurer or the insurance group of which the insurer is a member.

(79 Del. Laws, c. 422, § 1.)

§ 8406. ORSA summary report.

(a) Upon the Insurance Commissioner's request, and no more than once each year, an insurer shall submit to the Insurance Commissioner an ORSA summary report or any combination of reports that together contain the information described in the ORSA Guidance Manual, applicable to the insurer and/or the insurance group of which it is a member. Notwithstanding any request from the Insurance Commissioner, if the insurer is a member of an insurance group, the insurer shall submit the report or reports required by this subsection if the Insurance Commissioner is the lead State Commissioner of the insurance group as determined by the procedures within the Financial Analysis Handbook adopted by the National Association of Insurance Commissioners.

(b) The report or reports shall include a signature of the insurer or insurance group's chief risk officer or other executive having responsibility for the oversight of the insurer's enterprise risk management process attesting to the best of his or her belief and knowledge that the insurer applies the enterprise risk management process described in the ORSA summary report and that a copy of the report has been provided to the insurer's board of directors or the appropriate committee thereof.

(c) An insurer may comply with subsection (a) of this section by providing the most recent and substantially similar report(s) provided by the insurer or another member of an insurance group of which the insurer is a member to the insurance commissioner of another state or to a supervisor or regulator of a foreign jurisdiction, if that report provides information that is comparable to the information described in the ORSA Guidance Manual. Any such report in a language other than English must be accompanied by a translation of that report into the English language.

(79 Del. Laws, c. 422, § 1; 70 Del. Laws, c. 186, § 1.)

§ 8407. Exemption.

(a) An insurer shall be exempt from the requirements of this chapter, if:

(1) The insurer has annual direct written and unaffiliated assumed premium, including international direct and assumed premium but excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, less than \$500,000,000; and,

(2) The insurance group of which the insurer is a member has annual direct written and unaffiliated assumed premium including international direct and assumed premium, but excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, less than \$1,000,000,000.

(b) If an insurer qualifies for exemption pursuant to paragraph (a)(1) of this section, but the insurance group of which the insurer is a member does not qualify for exemption pursuant to paragraph (a)(2) of this section, then the ORSA summary report that may be required pursuant to § 8406 of this title shall include every insurer within the insurance group. This requirement may be satisfied by the submission of more than 1 ORSA summary report for any combination of insurers provided any combination of reports includes every insurer within the insurance group.

(c) If an insurer does not qualify for exemption pursuant to paragraph (a)(1) of this section, but the insurance group of which it is a member qualifies for exemption pursuant to paragraph (a)(2) of this section, then the only ORSA summary report that may be required pursuant to § 8406 of this title shall be the report applicable to that insurer.

(d) An insurer that does not qualify for exemption pursuant to subsection (a) of this section may apply to the Insurance Commissioner for a waiver from the requirements of this chapter based upon unique circumstances. In deciding whether to grant the insurer's request for waiver, the Insurance Commissioner may consider the type and volume of business written, ownership and organizational structure, and any other factor the Insurance Commissioner considers relevant to the insurer or insurance group of which the insurer is a member. If the insurer is part of an insurance group with insurers domiciled in more than 1 state, the Insurance Commissioner shall coordinate with the lead state insurance commissioner and with the other domiciliary insurance commissioners in considering whether to grant the insurer's request for a waiver.

(e) Notwithstanding the exemptions stated in this section:

(1) The Insurance Commissioner may require that an insurer maintain a risk management framework, conduct an ORSA and file an ORSA summary report based on unique circumstances including, but not limited to, the type and volume of business written, ownership and organizational structure, federal agency requests, and international supervisor requests.

(2) The Insurance Commissioner may require that an insurer maintain a risk management framework, conduct an ORSA and file an ORSA summary report if the insurer has risk-based capital for company action level event as set forth in § 5803 of this title, meets 1 or more of the standards of an insurer deemed to be in hazardous financial condition as defined in 18 DE Admin. Code § 304 standards and Commissioner's Authority for Companies Deemed to be in Hazardous Financial Condition (Formerly Regulation 70), or otherwise exhibits qualities of a troubled insurer as determined by the Insurance Commissioner.

(f) If an insurer that qualifies for an exemption pursuant to subsection (a) of this section subsequently no longer qualifies for that exemption due to changes in premium as reflected in the insurer's most recent annual statement or in the most recent annual statements of the insurers within the insurance group of which the insurer is a member, the insurer shall have 1 year following the year the threshold is exceeded to comply with the requirements of this chapter.

(79 Del. Laws, c. 422, § 1.)

§ 8408. Contents of ORSA summary report.

(a) The ORSA summary report shall be prepared consistent with the ORSA Guidance Manual, subject to the requirements of subsection (b) of this section. Documentation and supporting information shall be maintained and made available upon examination or upon request of

the Insurance Commissioner.

(b) The review of the ORSA summary report, and any additional requests for information, shall be made using similar procedures currently used in the analysis and examination of multi-state or global insurers and insurance groups.

(79 Del. Laws, c. 422, § 1.)

§ 8409. Confidentiality.

(a) Documents, materials or other information, including the ORSA summary report, in the possession of or control of the Department of Insurance that are obtained by, created by or disclosed to the Insurance Commissioner or any other person under this chapter, is recognized by this State as being proprietary and to contain trade secrets. All such documents, materials or other information shall be confidential by law and privileged, shall not be subject to this State's Freedom of Information Act, § 10001 et seq. of Title 29, shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action. However, the Insurance Commissioner is authorized to use the documents, materials or other information in the furtherance of any regulatory or legal action brought as a part of the Insurance Commissioner's official duties. The Insurance Commissioner shall not otherwise make the documents, materials or other information public without the prior written consent of the insurer.

(b) Neither the Insurance Commissioner nor any person who received documents, materials or other ORSA-related information, through examination or otherwise, while acting under the authority of the Insurance Commissioner or with whom such documents, materials or other information are shared pursuant to this chapter shall be permitted or required to testify in any private civil action concerning any confidential documents, materials, or information subject to subsection (a) of this section.

(c) In order to assist in the performance of the Insurance Commissioner's regulatory duties, the Insurance Commissioner:

(1) May, upon request, share documents, materials or other ORSA-related information, including the confidential and privileged documents, materials or information subject to subsection (a) of this section, including proprietary and trade secret documents and materials with other state, federal and international financial regulatory agencies, including members of any supervisory college, as described in § 5014 of this title, with the NAIC and with any third-party consultants designated by the Insurance Commissioner, provided that the recipient agrees in writing to maintain the confidentiality and privileged status of the ORSA-related documents, materials or other information and has verified in writing the legal authority to maintain confidentiality; and

(2) May receive documents, materials or other ORSA-related information, including otherwise confidential and privileged documents, materials or information, including proprietary and trade-secret information or documents, from regulatory officials of other foreign or domestic jurisdictions, including members of any supervisory college, and from the NAIC, and shall maintain as confidential or privileged any documents, materials or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material or information.

(3) Shall enter into a written agreement with the NAIC or a third-party consultant governing sharing and use of information provided pursuant to this chapter, consistent with this subsection that shall:

a. Specify procedures and protocols regarding the confidentiality and security of information shared with the NAIC or a third-party consultant pursuant to this chapter, including procedures and protocols for sharing by the NAIC with other state regulators from states in which the insurance group has domiciled insurers. The agreement shall provide that the recipient agrees in writing to maintain the confidentiality and privileged status of the ORSA-related documents, materials or other information and has verified in writing the legal authority to maintain confidentiality;

b. Specify that ownership of information shared with the NAIC or a third-party consultant pursuant to this chapter remains with the Insurance Commissioner and the NAIC's or a third-party consultant's use of the information is subject to the direction of the Insurance Commissioner;

c. Prohibit the NAIC or third-party consultant from storing the information shared pursuant to this chapter in a permanent database after the underlying analysis is completed;

d. Require prompt notice to be given to an insurer whose confidential information in the possession of the NAIC or a third-party consultant pursuant to this chapter is subject to a request or subpoena to the NAIC or a third-party consultant for disclosure or production;

e. Require the NAIC or a third-party consultant to consent to intervention by an insurer in any judicial or administrative action in which the NAIC or a third-party consultant may be required to disclose confidential information about the insurer shared with the NAIC or a third-party consultant pursuant to this chapter; and

f. In the case of an agreement involving a third-party consultant, provide for the insurer's written consent.

(d) The sharing of information and documents by the Insurance Commissioner pursuant to this chapter shall not constitute a delegation of regulatory authority or rulemaking, and the Insurance Commissioner is solely responsible for the administration, execution and enforcement of the provisions of this chapter.

(e) No waiver of any applicable privilege or claim of confidentiality in the documents, proprietary and trade-secret materials or other ORSA-related information shall occur as a result of disclosure of such ORSA-related information or documents to the Insurance Commissioner under this section or as a result of sharing as authorized in this chapter.

(f) Documents, materials or other information in the possession or control of the NAIC or a third-party consultant pursuant to this chapter shall be confidential by law and privileged, shall not be subject to this State's Freedom of Information Act, § 10001 et seq. of Title

29, shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action.

(79 Del. Laws, c. 422, § 1.)

§ 8410. Sanctions.

Any insurer failing, without just cause, to timely file the ORSA summary report as required in this chapter shall be subject to the enforcement and penalty provisions set forth in Chapter 3 of this title.

(79 Del. Laws, c. 422, § 1.)

§ 8411. Severability clause.

If any provision of this chapter, or the application thereof to any person or circumstance, is held invalid, such determination shall not affect the provisions or applications of this chapter which can be given effect without the invalid provision or application, and to that end the provisions of this chapter are severable.

(79 Del. Laws, c. 422, § 1.)

§ 8412. Effective date.

The requirements of this chapter shall become effective on January 1, 2015. The first filing of the ORSA summary report shall be in 2015 pursuant to § 8406 of this title.

Corporate Governance Annual Disclosure Act

§ 8501. Short title.

This chapter may be cited as the “Corporate Governance Annual Disclosure Act.”
(81 Del. Laws, c. 119, § 1.)

§ 8502. Purpose and scope.

(a) The purpose of this chapter is to:

(1) Provide the Commissioner a summary of an insurer or insurance group’s corporate governance structure, policies and practices to permit the Commissioner to gain and maintain an understanding of the insurer’s corporate governance framework.

(2) Outline the requirements for completing a corporate governance annual disclosure with the Commissioner.

(3) Provide for the confidential treatment of the corporate governance annual disclosure and related information that will contain confidential and sensitive information related to an insurer or insurance group’s internal operations and proprietary and trade secret information which, if made public, could potentially cause the insurer or insurance group competitive harm or disadvantage.

(b) Nothing in this chapter shall be construed to prescribe or impose corporate governance standards and internal procedures beyond that which is required under applicable state corporate law. Notwithstanding the foregoing, nothing in this chapter shall be construed to limit the Commissioner’s authority, or the rights or obligations of third parties, under § 318 through § 321 of this title.

(c) The requirements of this chapter shall apply to all insurers domiciled in this State.

(81 Del. Laws, c. 119, § 1.)

§ 8503. Definitions.

As used in this chapter, unless the context requires otherwise:

(1) “*Commissioner.*” — The term “Commissioner” shall mean the Insurance Commissioner of this State.

(2) “*Corporate governance annual disclosure*” or “*CGAD.*” — The term “corporate governance annual disclosure” or “CGAD” shall mean a confidential report filed by the insurer or insurance group made in accordance with the requirements of this chapter.

(3) “*Insurance group.*” — For purposes of this chapter, the term “insurance group” shall mean those insurers and affiliates included within an insurance holding company system as defined in Chapter 50 of this title.

(4) “*Insurer.*” — The term “insurer” shall have the same meaning as set forth in § 102(10) of this title, except that it shall not include agencies, authorities or instrumentalities of the United States, its possessions and territories, the Commonwealth of Puerto Rico, the District of Columbia, or a state or political subdivision of a state.

(5) “*NAIC.*” — The term “NAIC” shall mean the National Association of Insurance Commissioners.

(81 Del. Laws, c. 119, § 1.)

§ 8504. Disclosure requirement.

(a) An insurer, or the insurance group of which the insurer is a member, shall, no later than June 1 of each calendar year, submit to the Commissioner a Corporate Governance Annual Disclosure (CGAD) that contains the information described in § 8506(b) of this title. Notwithstanding any request from the Commissioner made pursuant to subsection (c) of this section below, if the insurer is a member of an insurance group, the insurer shall submit the report required in this section to the Commissioner of the lead state for the insurance group, in accordance with the laws of the lead state, as determined by the procedures outlined in the most recent Financial Analysis Handbook adopted by the NAIC.

(b) The CGAD must include a signature of the insurer or insurance group’s chief executive officer or corporate secretary attesting to the best of that individual’s belief and knowledge that the insurer has implemented the corporate governance practices and that a copy of the disclosure has been provided to the insurer’s board of directors or the appropriate committee thereof.

(c) An insurer not required to submit a CGAD under this section shall do so upon the Commissioner’s request.

(d) For purposes of completing the CGAD, the insurer or insurance group may provide information regarding corporate governance at the ultimate controlling parent level, an intermediate holding company level or the individual legal entity level, depending upon how the insurer or insurance group has structured its system of corporate governance. The insurer or insurance group is encouraged to make the CGAD disclosures at the level at which the insurer’s or insurance group’s risk appetite is determined, or at which the earnings, capital, liquidity, operations, and reputation of the insurer are overseen collectively and at which the supervision of those factors are coordinated and exercised, or the level at which legal liability for failure of general corporate governance duties would be placed. If the insurer or insurance group determines the level of reporting based on these criteria, it shall indicate which of the 3 criteria was used to determine the

level of reporting and explain any subsequent changes in level of reporting.

(e) The review of the CGAD and any additional requests for information shall be made through the lead state as determined by the procedures within the most recent Financial Analysis Handbook referenced in subsection (a) of this section.

(f) Insurers providing information substantially similar to the information required by this chapter in other documents provided to the Commissioner, including proxy statements filed in conjunction with Form B requirements, or other state or federal filings provided to this Department shall not be required to duplicate that information in the CGAD, but shall only be required to cross reference the document in which the information is included.

(81 Del. Laws, c. 119, § 1.)

§ 8505. Rules and regulations.

The Commissioner may, upon notice and an opportunity for all interested parties to be heard, issue such rules, regulations and orders as shall be necessary to carry out the provisions of this chapter.

(81 Del. Laws, c. 119, § 1.)

§ 8506. Contents of corporate governance annual disclosure.

(a) The insurer or insurance group shall have discretion over the responses to the CGAD inquiries, provided the CGAD shall contain the material information necessary to permit the Commissioner to gain an understanding of the insurer's or group's corporate governance structure, policies and practices. The Commissioner may request additional information that he or she deems material and necessary to provide the Commissioner with a clear understanding of the corporate governance policies, the reporting or information system or controls implementing those policies.

(b) Notwithstanding subsection (a) of this section above, the CGAD shall be prepared consistent with the Corporate Governance Annual Disclosure Model Regulation to be promulgated by the Commissioner. Documentation and supporting information shall be maintained and made available upon examination by or upon request of the Commissioner.

(81 Del. Laws, c. 119, § 1; 70 Del. Laws, c. 186, § ? 1.)

§ 8507. Confidentiality.

(a) Documents, materials or other information including the CGAD, in the possession or control of the Department that are obtained by, created by or disclosed to the Commissioner or any other person under this chapter, are recognized by this State as being proprietary and to contain trade secrets. All such documents, materials or other information shall be confidential by law and privileged, shall not be subject to the Freedom of Information Act, § 10001 et seq. of Title 29, shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action. However, the Commissioner is authorized to use the documents, materials or other information in the furtherance of any regulatory or legal action brought as a part of the Commissioner's official duties. The Commissioner shall not otherwise make the documents, materials or other information public without the prior written consent of the insurer. Nothing in this section shall be construed to require written consent of the insurer before the Commissioner may share or receive confidential documents, materials or other CGAD-related information pursuant to subsection (c) of this section to assist in the performance of the Commissioner's regular duties.

(b) Neither the Commissioner nor any person who received documents, materials or other CGAD-related information, through examination or otherwise, while acting under the authority of the Commissioner, or with whom such documents, materials or other information are shared pursuant to this chapter shall be permitted or required to testify in any private civil action concerning any confidential documents, materials, or information subject to subsection (a) of this section.

(c) In order to assist in the performance of the Commissioner's regulatory duties, the Commissioner:

(1) May, upon request, share documents, materials or other CGAD-related information including the confidential and privileged documents, materials or information subject to subsection (a) of this section, including proprietary and trade secret documents and materials with other state, federal and international financial agencies, including members of any supervisory college as described in § 5014 of this title, with the NAIC, and with third-party consultants pursuant to § 8508 of this title, provided that the recipient agrees in writing to maintain the confidentiality and privileged status of the CGAD-related documents, material or other information and has verified in writing the legal authority to maintain confidentiality; and

(2) May receive documents, materials or other CGAD-related information, including otherwise confidential and privileged documents, materials or information, including proprietary and trade-secret information or documents, from regulatory officials of other state, federal and international financial regulatory agencies, including members of any supervisory college as described in § 5014 of this title, and from the NAIC, and shall maintain as confidential or privileged any documents, materials or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material or information.

(d) The sharing of information and documents by the Commissioner pursuant to this chapter shall not constitute a delegation of regulatory authority or rulemaking, and the Commissioner is solely responsible for the administration, execution and enforcement of the provisions of this chapter.

(e) No waiver of any applicable privilege or claim of confidentiality in the documents, proprietary and trade-secret materials or other CGAD-related information shall occur as a result of disclosure of such CGAD-related information or documents to the Commissioner

under this section or as a result of sharing as authorized in this chapter.

(81 Del. Laws, c. 119, § 1.)

§ 8508. NAIC and third-party consultants.

(a) The Commissioner may retain, at the insurer's expense, third-party consultants, including attorneys, actuaries, accountants and other experts not otherwise a part of the Commissioner's staff as may be reasonably necessary to assist the Commissioner in reviewing the CGAD and related information or the insurer's compliance with this chapter.

(b) Any persons retained under subsection (a) of this section shall be under the direction and control of the Commissioner and shall act in a purely advisory capacity.

(c) The NAIC and third-party consultants shall be subject to the same confidentiality standards and requirements as the Commissioner.

(d) As part of the retention process, a third-party consultant shall verify to the Commissioner, with notice to the insurer, that it is free of a conflict of interest and that it has internal procedures in place to monitor compliance with a conflict and to comply with the confidentiality standards and requirements of this chapter.

(e) A written agreement with the NAIC or a third-party consultant governing sharing and use of information provided pursuant to this chapter shall contain the following provisions and expressly require the written consent of the insurer prior to making public information provided under this chapter:

(1) Specific procedures and protocols for maintaining the confidentiality and security of CGAD-related information shared with the NAIC or a third-party consultant pursuant to this chapter;

(2) Procedures and protocols for sharing by the NAIC only with other state regulators from states in which the insurance group has domiciled insurers. The agreement shall provide that the recipient agrees in writing to maintain the confidentiality and privileged status of the CGAD-related documents, materials or other information and has verified in writing the legal authority to maintain confidentiality;

The insurer is excused from this obligation for a producer who is not authorized by law or contract to sell, solicit, or negotiate on behalf of the insurer, and in an instance in which the insurer does not have the current producer of record information for the consumer.
