

10 GCA HEALTH AND SAFETY
CH. 28 LAUNDRIES AND DRY CLEANING ESTABLISHMENTS

CHAPTER 28
LAUNDRIES AND DRY CLEANING ESTABLISHMENTS

§ 28101. Definitions.

§ 28102. Plans and Specifications.

§ 28101. Definitions.

As used in this Chapter:

(a) *Public laundry* means any place, building, structure, room, establishment, premises or portions thereof, used in the business of marking, sorting, washing, drying, starching or ironing or wearing apparel, household linens and other articles, including any establishment providing laundering equipment for use by customers for a fee known by various terms such as laundromat, wash-o-mat or launderette; and

(b) *Dry cleaning establishment* means any place, building, structure, room, premises or portions thereof, used in the business of dry cleaning and dyeing of wearing apparel, household linens and other articles, including coin-operated dry cleaning establishments.

SOURCE: GC § 9580.

§ 28102. Plans and Specifications.

When any public laundry or dry cleaning establishment is constructed or extensively remodeled or when an existing structure is converted for use as a public laundry or dry cleaning establishment, then the owner or person in charge or control shall comply with the provisions of § 21102 of this Part and the regulations promulgated thereunder. In addition, before any dry cleaning establishment is constructed or extensively remodeled or when an existing structure is converted for use as a dry cleaning establishment, complete drawing shall be submitted to the Guam Fire Department for review and approval.

SOURCE: GC § 9580.1.

NOTE: References to "Fire Division" changed to *Guam Fire Department* pursuant to P.L. 17-78:2, which enacted §5115 establishing a *Guam Fire Department*.
