Offer of purchase; notice; service; forms; restoration of utility or transportation services

Sec. 5. (a) As a condition precedent to filing a complaint in condemnation, and except for an action brought under IC 8-1-13-19 (repealed), a condemnor may enter upon the property as provided in this chapter and must, at least thirty (30) days before filing a complaint, make an offer to purchase the property in the form prescribed in subsection (c). The offer must be served personally or by certified mail upon:

- (1) the owner of the property sought to be acquired; or
- (2) the owner's designated representative.

(b) If the offer cannot be served personally or by certified mail, or if the owner or the owner's designated representative cannot be found, notice of the offer shall be given by publication in a newspaper of general circulation in the county in which the property is located or in the county where the owner was last known to reside. The notice must be in the following form:

NOTICE

TO: _____, _____ (owner(s)),
_____, _____ (condemnor) needs your property
for a _____
(description of project), and will need to acquire the following from

you:

_____ (general description of the property to be acquired). We have made you a formal offer for this property that is now on file in the Clerk's Office in the _____ County Court House. Please pick up the offer. If you do not respond to this notice or accept the offer by _____ (a date 30 days from 1st date of publication) 20____, we shall file a suit to condemn the property.

_____ Condemnor

The condemnor must file the offer with the clerk of the circuit court with a supporting affidavit that diligent search has been made and that the owner cannot be found. The notice shall be published twice as follows:

- (1) One (1) notice immediately.
- (2) A subsequent publication at least seven (7) days and not more than twenty-one (21) days after the publication under subdivision (1).

(c) The offer to purchase must be in the following form:

UNIFORM PROPERTY OR EASEMENT
ACQUISITION OFFER

_____ (condemnor) is authorized by Indiana law to obtain your property or an easement across your property for certain public purposes. _____ (condemnor) needs (your property) (an easement across your property) for a _____ (brief description of the project) and needs to take _____ (legal description of the property or easement to be taken; the legal description may be made on a separate sheet and attached to this document if additional space is required)

It is our opinion that the fair market value of the (property) (easement) we want to acquire from you is \$ _____, and, therefore, _____ (condemnor) offers you \$ _____ for the above described (property) (easement). You have thirty (30) days from this date to accept or reject this offer. If you accept this offer, you may expect payment in full within ninety (90) days after signing the documents accepting this offer and executing the easement, and provided there are no difficulties in clearing liens or other problems with title to land. Possession will be required thirty (30) days after you have received your payment in full.

HERE IS A BRIEF SUMMARY OF YOUR OPTIONS AND LEGALLY PROTECTED RIGHTS:

1. By law, _____ (condemnor) is required to make a good faith effort to purchase (your property) (an easement across your property).
2. You do not have to accept this offer and _____ (condemnor) is not required to agree to your demands.
3. However, if you do not accept this offer, and we cannot come to an agreement on the acquisition of (your property) (an easement), _____ (condemnor) has the right to file suit

to condemn and acquire the (property) (easement) in the county in which the property is located.

4. You have the right to seek advice of an attorney, real estate appraiser, or any other person of your choice on this matter.

5. You may object to the public purpose and necessity of this project.

6. If _____ (condemnor) files a suit to condemn and acquire (your property) (an easement) and the court grants its request to condemn, the court will then appoint three appraisers who will make an independent appraisal of the (property) (easement) to be acquired.

7. If we both agree with the court appraisers' report, then the matter is settled. However, if either of us disagrees with the appraisers' report to the court, either of us has the right to ask for a trial to decide what should be paid to you for the (property) (easement) condemned.

8. If the court appraisers' report is not accepted by either of us, then _____ (condemnor) has the legal option of depositing the amount of the court appraisers' evaluation with the court. And if such a deposit is made with the court, _____ (condemnor) is legally entitled to immediate possession of the (property) (easement). You may, subject to the approval of the court, make withdrawals from the amount deposited with the court. Your withdrawal will in no way affect the proceedings of your case in court, except that, if the final judgment awarded you is less than the withdrawal you have made from the amount deposited, you will be required to pay back to the court the amount of the withdrawal in excess of the amount of the final judgment.

9. The trial will decide the full amount of damages you are to receive. Both of us will be entitled to present legal evidence supporting our opinions of the fair market value of the property or easement. The court's decision may be more or less than this offer. You may employ, at your cost, appraisers and attorneys to represent you at this time or at any time during the course of the proceeding described in this notice. (The condemnor may insert here any other information pertinent to this offer or required by circumstances or law).

10. If you have any questions concerning this matter you may contact us at:

Appraisers; oath and duty

Sec. 9. (a) Each appraiser shall take an oath that:

- (1) the appraiser has no interest in the matter; and
- (2) the appraiser will honestly and impartially make the assessment.

(b) After the appraisers are sworn as provided in subsection (a), the judge shall instruct the appraisers as to:

- (1) their duties as appraisers; and
- (2) the measure of the damages and benefits, if any, they allow.

(c) The appraisers shall determine and report all of the following:

- (1) The fair market value of each parcel of property sought to be acquired and the value of each separate estate or interest in the property.
- (2) The fair market value of all improvements pertaining to the property, if any, on the portion of the property to be acquired.

(3) The damages, if any, to the residue of the property of the owner or owners caused by taking out the part sought to be acquired.

(4) The other damages, if any, that will result to any persons from the construction of the improvements in the manner proposed by the plaintiff.

(d) If the property is sought to be acquired by the state or by a county for a public highway or a municipal corporation for a public use that confers benefits on any property of the owner, the report must also state the benefits that will accrue to each parcel of property, set opposite the description of each parcel of property whether described in the complaint or not.

(e) Except as provided in subsection (f), in estimating the damages specified in subsection (c), the appraisers may not deduct for any benefits that may result from the improvement.

(f) In the case of a condemnation by the state or by a county for a public highway or a municipal corporation for public use, the appraisers shall deduct any benefits assessed from the amount of damage allowed, if any, under subsection (c)(3) and (c)(4) and the difference, if any, plus the damages allowed under subsection (c)(1) and (c)(2) shall be the amount of the award. However, the damages awarded may not be less than the damages allowed under subsection (c)(1) and (c)(2). Upon the trial of exceptions to the award by either party, a like measure of damages must be followed.

(g) For the purpose of assessing compensation and damages, the right to compensation and damages is considered to have accrued as of the date of the service of the notice provided in section 6 of this chapter, and actual value of compensation and damages at that date shall be:

(1) the measure of compensation for all property to be actually acquired; and

(2) the basis of damages to property not actually acquired but injuriously affected;

except as to the damages stated in subsection (c)(4).

As added by P.L.2-2002, SEC.9.

But the amount of the benefits or damages is subject to review as provided in section 11 of this chapter.

(b) Upon payment by the plaintiff of the amount of the award of the court appointed appraisers, the plaintiff shall file or cause to be filed with the auditor of the county in which the property is located a certificate, certifying the amount paid to the circuit court clerk and including the description of the property being acquired. Notice of filing of appraisers' reports; exceptions to reports

Sec. 11. (a) When a report of the appraisers is filed with a court under this chapter, the circuit court clerk shall send written notice of the filing of the report by certified mail to:

- (1) all known parties to the action; and
- (2) the attorneys of record of the parties.

(b) Any party to an action under this chapter aggrieved by the assessment of benefits or damages in a report of the appraisers may file written exceptions to the assessment in the office of the circuit court clerk. Exceptions to the assessment must be filed by a party:

- (1) after the report of the appraisers is filed with the court; and
- (2) not later than forty-five (45) days after the date the circuit court clerk mails the report under subsection (a).

(c) The cause shall further proceed to issue, trial, and judgment as in civil actions. The court may make orders and render findings and judgments that the court considers just. Either party may appeal a judgment as to benefits or damages as in civil actions.

(d) Forty-five (45) days after the date the circuit court clerk mails the report under subsection (a), and if the plaintiff has paid the amount of damages assessed to the circuit court clerk, any one (1) or more of the defendants may file a written request for payment of each defendant's proportionate share of the damages held by the circuit court clerk. The defendants making a request for payment must also file sufficient copies of the request for service upon the plaintiff and all other defendants not joining in the request. The defendants making the request may withdraw and receive each defendant's proportionate share of the damages upon the following terms and conditions:

- (1) Each written request must:
 - (A) be verified under oath; and
 - (B) state:
 - (i) the amount of the proportionate share of the damages to which each of the defendants joining in the request is entitled;
 - (ii) the interest of each defendant joining in the request; and
 - (iii) the highest offer made by the plaintiff to each of the defendants for each defendant's respective interests in or damages sustained in respect to the property that has been acquired by the plaintiff.

- (2) Upon the filing of a written request for withdrawal and payment of damages to any of the defendants, the circuit court clerk shall immediately issue a notice to the plaintiff and all defendants of record in the cause who have not joined in the request for payment. The notice must contain the following:

- (A) The names of the parties.

- (B) The number of the cause.
- (C) A statement that a request for payment has been filed.
- (D) A notice to appear on a day, to be fixed by the court, and show cause, if any, why the amounts requested should not be withdrawn and paid over by the circuit court clerk to those defendants requesting the amounts to be paid.
- (E) A copy of the request for payment.

If a defendant not requesting payment is a nonresident of Indiana, or if that defendant's name or residence is unknown, publication and proof of the notice and request for payment shall be made as provided in section 4 of this chapter.

(3) After a hearing held after notice of a written request made under this section, the court shall determine and order the payment by the circuit court clerk of the proportionate shares of the damages due to the defendants requesting payment. Any of the defendants may appeal an order under this subdivision within the same time and in the same manner as provided for allowable appeals from interlocutory orders in civil actions.

(4) If exceptions to the appraisers' report have been duly filed by the plaintiff or any defendant, the circuit court clerk may not make payment to any defendant of any part of the damages deposited with the clerk by the plaintiff until the defendants requesting payment have filed with the circuit court clerk a written undertaking, with surety approved by the court, for the repayment to the plaintiff of all sums received by those defendants in excess of the amount or amounts awarded as damages to those defendants by the judgment of the court upon trial held on the exceptions to the assessment of damages by the appraisers. However, the court may waive the requirement of separate surety as to any defendant who is a resident freeholder of the county in which the cause is pending and who is owner of real property in Indiana that is liable to execution, not included in the real property appropriated by the plaintiff, and equal in value to the amount by which the damages to be withdrawn exceed the amount offered to the defendants as stated in their request or the amount determined by the court if the plaintiff has disputed the statement of the offer. A surety or written undertaking may not be required for a defendant to withdraw those amounts previously offered by the plaintiff to the defendant if the plaintiff has previously notified the court in writing of the amounts so offered. The liability of any surety does not exceed the amount by which the damages to be withdrawn exceed the amount offered to the defendants with whom the surety joins in the written undertaking. Each written undertaking filed with the circuit court clerk shall be immediately recorded by the clerk in the order book and entered in the judgment docket, and from the date of the recording and entry the written undertaking is a lien upon all the real property in the county owned by the several obligors, and the undertaking is also a lien upon all the real property owned by the several

obligors in each county of Indiana in which the plaintiff causes a certified copy of the judgment docket entry to be recorded, from the date of the recording.

(5) The withdrawal and receipt from the circuit court clerk by any defendant of that defendant's proportionate share of the damages awarded by the appraisers, as determined by the court upon the written request and hearing, does not operate and is not considered as a waiver of any exceptions duly filed by that defendant to the assessment of damages by the appraisers.

(6) In any trial of exceptions, the court or jury shall compute and allow interest at an annual rate of eight percent (8%) on the amount of a defendant's damages from the date plaintiff takes possession of the property. Interest may not be allowed on any money paid by the plaintiff to the circuit court clerk:

(A) after the money is withdrawn by the defendant; or

(B) that is equal to the amount of damages previously offered by the plaintiff to any defendant and which amount can be withdrawn by the defendant without filing a written undertaking or surety with the court for the withdrawal of that amount.

IC 32-24-1-12

Offer of settlement; acceptance; rejection

Sec. 12. (a) Not later than forty-five (45) days before a trial involving the issue of damages, the plaintiff shall, and a defendant may, file and serve on the other party an offer of settlement. Not more than five (5) days after the date offer of settlement is served, the party served may respond by filing and serving upon the other party an acceptance or a counter offer of settlement. The offer must state that it is made under this section and specify the amount, exclusive of interest and costs, that the party serving the offer is willing to accept as just compensation and damages for the property sought to be acquired. The offer or counter offer supersedes any other offer previously made under this chapter by the party.

(b) An offer of settlement is considered rejected unless an acceptance in writing is filed and served on the party making the offer before the trial on the issue of the amount of damages begins.

(c) If the offer is rejected, it may not be referred to for any purpose at the trial but may be considered solely for the purpose of awarding costs and litigation expenses under section 14 of this chapter.

(d) This section does not limit or restrict the right of a defendant to payment of any amounts authorized by law in addition to damages for the property taken from the defendant.

(e) This section does not apply to an action brought under IC 8-1-13-19 (repealed).
