other sanctions for noncompliance

Sec. 7. (a) Subject to subsections (c) and (d), a zone business that claims any of the incentives available to zone businesses shall, by letter postmarked before June 1 of each year:

- (1) submit to the board and to the zone U.E.A., on a form prescribed by the board, a verified summary concerning the amount of tax credits and exemptions claimed by the business in the preceding year; and
- (2) pay the amount specified in section 5(a)(4) of this chapter to the board.

(b) In order to determine the accuracy of the summary submitted under subsection (a), the board is entitled to obtain copies of a zone business's tax records directly from the department of state revenue, the department of local government finance, or a county official, notwithstanding any other law. A summary submitted to a board or zone U.E.A. or a record obtained by the board under this section is confidential. (c) The board may grant one (1) extension of the time allowed to comply with subsection (a) under the provisions of this subsection. To qualify for an extension, a zone business must apply to the board by letter postmarked before June 1. The application must be in the form specified by the board. The extension may not exceed forty-five (45) days under rules adopted by the board under IC 4-22-2.

(d) If a zone business that did not comply with subsection (a) before June 1 and did not file for an extension under subsection (c) before June 1 complies with subsection (a) before July 16, the amount of the tax credit and exemption incentives for the preceding year that were otherwise available to the zone business because the business was a zone business are waived, unless the zone business pays to the board a penalty of fifteen percent (15%) of the amount of the tax credit and exemption incentives for the preceding year that were otherwise available to the zone business because the business was a zone business. A zone business that pays a penalty under this subsection for a year must pay the penalty to the board before July 16 of that year. The board shall deposit any penalty payments received under this subsection in the enterprise zone fund.

(e) This subsection is in addition to any other sanction imposed by subsection (d) or any other law. If a zone business fails to comply with subsection (a) before July 16 and does not pay any penalty required under subsection (d) by letter postmarked before July 16 of that year, the zone business is:

- (1) denied all the tax credit and exemption incentives available to a zone business because the business was a zone business for that year; and
- (2) disqualified from further participation in the enterprise zone program under this chapter until the zone business:
 - (A) petitions the board for readmission to the enterprise zone

program under this chapter; and
(B) pays a civil penalty of one hundred dollars (\$100).

Designation of enterprise zones; applications; evaluation criteria and factors

Sec. 9. (a) The board may designate up to ten (10) enterprise zones, in addition to any enterprise zones the federal government may designate in Indiana. The board may by seven (7) affirmative votes increase the number of enterprise zones above ten (10), but it may not add more than two (2) new zones each year (excluding any zone that may be added by the board in a municipality in which a previously designated zone has expired) and may not add any new zones after December 31, 2015. There may not be more than one (1) enterprise zone in any municipality.

(b) After approval by resolution of the legislative body, the executive of any municipality that is not an included town under IC 36-3-1-7 may submit one (1) application to the board to have one (1) part of the municipality designated as an enterprise zone. If an

application is denied, the executive may submit a new application. The board shall provide application procedures.

(c) The board shall evaluate an enterprise zone application if it finds that the following threshold criteria exist in a proposed zone:

(1) A poverty level in which twenty-five percent (25%) of the households in the zone are below the poverty level as established by the most recent United States census or an average rate of unemployment for the most recent eighteen (18) month period for which data is available that is at least one and one-half (1 1/2) times the average statewide rate of unemployment for the same eighteen (18) month period.

(2) A population of more than two thousand (2,000) but less than ten thousand five hundred (10,500).

(3) An area of more than three-fourths (3/4) of a square mile but less than four (4) square miles, with a continuous boundary (using natural, street, or highway barriers when possible) entirely within the applicant municipality. However, if the zone includes a parcel of property that:

(A) is owned by the municipality; and

(B) has an area of at least twenty-five (25) acres;

the area of the zone may be increased above the four (4) square mile limitation by an amount not to exceed the area of the municipally owned parcel.

(4) Property suitable for the development of a mix of commercial, industrial, and residential activities.

(5) The appointment of a U.E.A. that meets the requirements of section 13 of this chapter.

(6) A statement by the applicant indicating its willingness to provide certain specified economic development incentives.

(d) If an applicant has met the threshold criteria of subsection (c), the board shall evaluate the application, arrive at a decision based on the following factors, and either designate a zone or reject the application:

(1) Level of poverty, unemployment, and general distress of the area in comparison with other applicant and nonapplicant municipalities and the expression of need for an enterprise zone over and above the threshold criteria of subsection (c).

(2) Evidence of support for designation by residents, businesses, and private organizations in the proposed zone, and the demonstration of a willingness among those zone constituents to participate in zone area revitalization.

(3) Efforts by the applicant municipality to reduce the impediments to development in the zone area where necessary, including but not limited to the following:

(A) A procedure for streamlining local government regulations and permit procedures.

(B) Crime prevention activities involving zone residents.

(C) A plan for infrastructure improvements capable of supporting increased development activity.

(b) In the period beginning December 1, 2008, and ending December 31, 2014, an enterprise zone does not expire under this section if the fiscal body of the municipality in which the enterprise zone is located adopts a resolution renewing the enterprise zone for an additional five (5) years. An enterprise zone may be renewed under this subsection regardless of the number of times the enterprise zone has been renewed under subsections (c) and (d). A municipal fiscal body may adopt a renewal resolution and submit a copy of the resolution to the board:

(1) before August 1, 2009, in the case of an enterprise zone that expired after November 30, 2008, or is scheduled to expire before September 1, 2009; or

(2) at least thirty (30) days before the expiration date of the enterprise zone, in the case of an enterprise zone scheduled to expire after August 31, 2009.

If an enterprise zone is renewed under this subsection after having been renewed under subsection (d), the enterprise zone may not be renewed after the expiration of this final five (5) year period.

(c) The two (2) year period immediately before the day on which the enterprise zone expires is the phaseout period. During the phaseout period, the board may review the success of the enterprise zone based on the following criteria and may, with the consent of the budget committee, renew the enterprise zone, including all provisions of this chapter, for five (5) years:

(1) Increases in capital investment in the zone.

(2) Retention of jobs and creation of jobs in the zone.

(3) Increases in employment opportunities for residents of the zone.

(d) If an enterprise zone is renewed under subsection (c), the two (2) year period immediately before the day on which the enterprise zone expires is another phaseout period. During the phaseout period, the board may review the success of the enterprise zone based on the criteria set forth in subsection (c) and, with the consent of the budget committee, may again renew the enterprise zone, including all provisions of this chapter, for a final period of five (5) years. The zone may not be renewed after the expiration of this final five (5) year period.

The legislative body must include in the resolution that a U.E.A. is created or designate another entity to function as the U.E.A. under this chapter. The resolution must also be approved by the executive of the unit.

Sec. 15. (a) Any business that substantially reduces or ceases an operation located in Indiana and outside an enterprise zone (referred to as a nonzone operation) in order to relocate in an Indiana enterprise zone is disqualified from benefits or incentives available to zone businesses. Determinations under this section shall be made by a hearing panel composed of the chairperson of the board or the chairperson's designee, the commissioner of the department of state revenue or the commissioner's designee, and the commissioner of the department of local government finance or the commissioner's designee. The panel, after an evidentiary hearing held subsequent to the relocation of the business, shall submit a recommended order to the board for its adoption. The recommended order shall be based on the following criteria and subsection (b):

shall be considered a business operation.

(2) With respect to a nonzone operation, any of the following that occurs during the twelve (12) months before the completion of the physical relocation of all or part of the activity described in subdivision (1) from the nonzone operation to the enterprise zone as compared with the twelve (12) months before that twelve (12) months shall be considered a substantial reduction:

(A) A reduction in the average number of full-time or part-time employees of the lesser of:

(i) one hundred (100) employees; or

(ii) twenty-five percent (25%) of all employees.

(B) A twenty-five percent (25%) reduction in the average number of goods manufactured or produced.

(C) A twenty-five percent (25%) reduction in the average value of services provided.

(D) A ten percent (10%) reduction in the average value of stored inventory.

(E) A twenty-five percent (25%) reduction in the average amount of gross income.

(b) Notwithstanding subsection (a), a business that would otherwise be disqualified under subsection (a) is eligible for benefits and incentives available to zone businesses if each of the following conditions is met:

(1) The business relocates its nonzone operation for any of the following reasons:

(A) The lease on property necessary for the nonzone operation has been involuntarily lost through no fault of the business.

(B) The space available at the location of the nonzone operation cannot accommodate planned expansion needed by the business.

(C) The building for the nonzone operation has been certified as uninhabitable by a state or local building authority.

(D) The building for the nonzone operation has been totally destroyed through no fault of the business.

(E) The renovation and construction costs at the location of the nonzone operation are more than one and one-half (1 1/2) times the costs of purchase, renovation, and construction of a facility in the zone, as certified by three (3) independent estimates.

A business is eligible for benefits and incentives under clause (C) or (D) only if renovation and construction costs at the location of the nonzone operation are more than one and one-half (1 1/2) times the cost of purchase, renovation, and construction of a facility in the zone. These costs must be certified by three (3) independent estimates.

(2) The business has not terminated or reduced the pension or health insurance obligations payable to employees or former employees of the nonzone operation without the consent of the

employees.

(c) The hearing panel shall cause to be delivered to the business and to any person who testified before the panel in favor of disqualification of the business a copy of the panel's recommended order. The business and these persons shall be considered parties for purposes of this section.

(d) A party who wishes to oppose the board's adoption of the recommended order of the hearing panel shall, not later than ten (10) days after the party's receipt of the recommended order, file written objections with the board. If the objections are filed, the board shall set the objections for oral argument and give notice to the parties. A party at its own expense may cause to be filed with the board a transcript of the oral testimony or any other part of the record of the proceedings. The oral argument shall be on the record filed with the board. The board may hear additional evidence or remand the action to the hearing panel with instructions appropriate to the expeditious and proper disposition of the action. The board may adopt the recommendations of the hearing panel, may amend or modify the recommendations, or may make an order or determination as is proper on the record.

(e) If no objections are filed, the board may adopt the recommended order without oral argument. If the board does not adopt the proposed findings of fact and recommended order, the parties shall be notified and the action shall be set for oral argument as provided in subsection (d).

(f) The final determination made by the board shall be made by a majority of the quorum needed for board meetings.
