

IC 8-24-16

Chapter 16. Distributions; Grants

IC 8-24-16-1

Use of money received for capital and operating expenses

Sec. 1. The district shall use the money received by the district for the capital and operating expenses of the district and the district's service divisions.

As added by P.L.182-2009(ss), SEC.282.

IC 8-24-16-2

Allocation between commuter service division and bus service division

Sec. 2. Excluding any amount restricted to a particular use by law or the grantor, the district shall allocate the amounts received by the district between:

- (1) the capital expenses and operation cost of the district's commuter service division; and
- (2) the capital expenses and operation cost of the district's bus service division.

As added by P.L.182-2009(ss), SEC.282.

IC 8-24-16-3

Service division use of money must comply with district transportation plan

Sec. 3. A distribution received by a service division from the district must be used in accordance with the district's transportation plan.

As added by P.L.182-2009(ss), SEC.282.
