Rules

Sec. 5. (a) Except as provided in subsection (b), the state

department shall adopt rules under IC 4-22-2 to carry out this chapter.

(b) The state department may not adopt a rule that restricts a person's access to health data unless the right to inspect and copy that health data is specifically restricted by statute. *As added by P.L.2-1993, SEC.2.*

IC 16-19-10-6

State department surveys; confidentiality

Sec. 6. (a) The state department may conduct surveys:

(1) concerning the health status of Indiana residents; and

(2) evaluating the effectiveness of the state department's programs.

(b) Information contained in a survey described in subsection (a) that identifies or could be used to determine the identity of a person responding to the survey is confidential. All other information contained in the survey is not confidential and is available for inspection and copying under IC 5-14-3.

(c) For purposes of this section, "survey" does not include data or information that is generated, collected, or transferred under IC 16-21-6-7 or IC 16-39-5-3.

As added by P.L.261-2003, SEC.14.

IC 16-19-10-7

Medical or epidemiological information; form of disclosure; consent

Sec. 7. (a) This section does not apply to medical or epidemiological information protected from disclosure under IC 16-41-8-1 or data or information that is confidential under IC 16-21-6-7 or IC 16-39-5-3.

(b) Except as provided in subsection (c), medical or epidemiological information:

(1) collected from or volunteered by a person; and

(2) that results in or from:

(A) a public health surveillance;

(B) a public health investigation; or

(C) an epidemiological investigation or study;

may be released only in a form that protects the identity of a person whose medical or epidemiological information was obtained.

(c) Medical or epidemiological information described in subsection (b) may be released in a form that does not protect the identity of a person whose medical or epidemiological information was obtained if:

(1) the person consents in writing to the release of the person's medical or epidemiological information; or

(2) the investigation or study results in an administrative or a judicial proceeding and release of the medical or epidemiological information is ordered by the administrative law judge or the court.

As added by P.L.261-2003, SEC.15.

IC 16-19-10-8
