Sec. 6. (a) A license issued under this chapter is valid until the next renewal date described under subsection (b).

(b) All licenses issued by the board shall be subject to renewal biennially on a date established by the licensing agency under IC 25-1-5-4. A renewal license fee established by the board under IC 25-1-8-2 must be paid to the board on or before the date established by the licensing agency, and if not paid on or before that date, the license expires and becomes invalid without any action taken by the board.

(c) An individual whose license has been expired for not more than three (3) years may have the license reinstated upon meeting the requirements for reinstatement under IC 25-1-8-6(c).

The board shall then classify the chiropractor's license as inactive. The renewal fee of the inactive license is one-half (1/2) of the license renewal fee, and the chiropractor shall not be required to attend license renewal seminars. If a chiropractor holding an inactive license intends to maintain an office or practice chiropractic, the chiropractor shall notify the board of that intent. The board may reinstate that chiropractor's license upon notification and receipt of:

- (1) an application;
- (2) payment of the current renewal fee;
- (3) payment of the current reinstatement fee; and
- (4) evidence of attendance of one (1) educational conference approved by the board for each year or portion of a year of inactive license classification.
