substantially to have failed to conform to the requirements of the standards.

(4) Establish and carry out the procedures designed to ensure that individuals licensed as health facility administrators will, during any period that they serve as such, comply with the requirements of the standards.

(5) Subject to IC 25-1-7, receive, investigate, and take appropriate action under IC 25-1-9 with respect to, and including probation, suspension, or the revocation of a license if necessary after due notice and hearing and for cause, any charge or complaint filed with the board to the effect that any individual licensed as a health facility administrator has failed to comply with the requirements of the standards.
