ARTICLE 12. ASCERTAINING RESULTS OF ELECTIONS

IC 3-12-1

Chapter 1. Rules for Counting Ballots

IC 3-12-1-1

Intent of voter primary factor to consider in determining voter's choice on ballot

Sec. 1. Subject to sections 5, 6, 7, 8, 9, 9.5, and 13 of this chapter, the primary factor to be considered in determining a voter's choice on a ballot is the intent of the voter. If the voter's intent can be determined on the ballot or on part of the ballot, the vote shall be counted for the affected candidate or candidates or on the public question. However, if it is impossible to determine a voter's choice of candidates on a part of a ballot or vote on a public question, then the voter's vote concerning those candidates or public questions may not be counted.

IC 3-12-1-1.2

Chapter establishes standards to define vote

Sec. 1.2. (a) This chapter is enacted to comply with 42 U.S.C. 15481 by establishing uniform and nondiscriminatory standards to define what will be counted as a vote on a paper ballot, optical scan voting system, or electronic voting system.

(b) The standards in this chapter apply to counting votes on every voting system, except where specific standards applicable only:

- (1) to a type of voting system are provided under IC 3-12-2, IC 3-12-3, or IC 3-12-3.5; and
- (2) in a recount or contest proceeding are provided under IC 3-12-6, IC 3-12-8, IC 3-12-11, or IC 3-12-12.

As added by P.L.209-2003, SEC.180.

IC 3-12-1-1.5

"Election officer" defined

Sec. 1.5. As used in this chapter, "election officer" means a person employed or appointed by the state, a political subdivision, or a political party to perform a duty under this title.

As added by P.L.3-1987, SEC.329.

IC 3-12-1-1.7

Write-in votes

Sec. 1.7. (a) The following provisions govern the counting of write-in votes:

- (1) Except as provided in subsection (b), only votes cast for declared write-in candidates shall be counted and certified.
- (2) The name of a candidate, written on the space reserved for

write-in voting, is not considered a distinguishing mark that would invalidate a ballot under section 3 of this chapter. However, the name or office of a candidate written in a place on the ballot other than the place reserved for write-in voting may not be counted for that office.

(3) A write-in vote for an office is void if the voter attempts to cast the vote by a means other than printing the name of the candidate in ink or lead pencil. The use of stickers, labels, rubber stamps, or other similar device is not permitted.

(4) An abbreviation, a misspelling, or other minor variation in the form of the name of a candidate or an office shall be disregarded in determining the validity of the ballot if the intention of the voter can be ascertained.

(5) Write-in votes for each write-in candidate shall be counted separately using the tally sheets provided by the county election board.

(b) This subsection does not apply to an office for which more than one (1) individual may be nominated or elected within the same election district. A write-in vote cast for an individual whose name appears on the ballot as a candidate for that office shall be counted as a vote for the candidate.

As added by P.L.4-1991, SEC.110. Amended by P.L.3-1993, SEC.177; P.L.3-1997, SEC.338.

IC 3-12-1-2

Ballot void if not properly endorsed; not applicable to absentee ballots

Sec. 2. (a) This section does not apply to absentee ballots.

(b) The whole ballot may not be counted, subject to section 12 of this chapter, if the ballot is not endorsed or printed with the initials of the poll clerks in accordance with state law.

As added by P.L.5-1986, SEC.8. Amended by P.L.3-1987, SEC.330; P.L.55-2014, SEC.10.

IC 3-12-1-3

Ballot void if it bears distinguishing mark or mutilation

Sec. 3. The whole ballot is void if the ballot bears any distinguishing mark (other than a voting mark) or a mutilation made by the voter or an election officer with the intent to enable a person to determine who cast the marked or mutilated ballot.

As added by P.L.5-1986, SEC.8. Amended by P.L.3-1987, SEC.331.

IC 3-12-1-4

Ballot void for extrinsic act; erasures

Sec. 4. (a) The whole ballot is void if a voter does any act extrinsic to the ballot, such as enclosing any paper or other article in the folded ballot, with the intent to enable a person to determine that the voter cast the ballot.

(b) An erasure by a voter does not make the whole ballot void unless made with the intent to enable a person to determine who cast

the ballot, but it does not register a vote for the elected office, political party office, or public question for which it is made.
As added by P.L.5-1986, SEC.8. Amended by P.L.6-1986, SEC.34; P.L.3-1987, SEC.332.

IC 3-12-1-5

Counting voting marks

Sec. 5. (a) This subsection does not apply to a ballot card voting system or an electronic voting system. A voting mark made by a voter on or in a voting square at the left of a candidate's name or political party's name shall be counted as a vote for the candidate or candidates of the political party.

(b) This subsection applies to a ballot card voting system. A voting mark made by a voter:

- (1) on or in a circle, oval, or square; or
- (2) to connect a connectable arrow;

immediately below or beside a candidate's name or political party's name shall be counted as a vote for the candidate or candidates of the political party.

(c) This subsection applies to a direct record electronic voting system. A voting mark made by a voter touching a touch sensitive point or button below or beside a candidate's name or political party's name shall be counted as a vote for the candidate or candidates of the political party.

As added by P.L.5-1986, SEC.8. Amended by P.L.6-1986, SEC.35; P.L.219-2013, SEC.62.

IC 3-12-1-6

Voting mark on or in voting square; public questions

Sec. 6. A voting mark made by a voter on or in a voting square following the word "Yes" or the word "No" before a public question shall be counted as indicated.

As added by P.L.5-1986, SEC.8. Amended by P.L.6-1986, SEC.36.

IC 3-12-1-7

Straight party ticket voting; counting multiple votes

Sec. 7. (a) This subsection applies whenever a voter:

- (1) votes a straight party ticket; and
- (2) votes only for one (1) or more individual candidates who are all of the same political party as the straight ticket vote.

The straight ticket vote shall be counted and the individual candidate votes may not be counted.

(b) This subsection applies whenever:

- (1) a voter has voted a straight party ticket for the candidates of one (1) political party;
- (2) only one (1) person may be elected to an office; and
- (3) the voter has voted for one (1) individual candidate for the office described in subdivision (2) who is:

(A) a candidate of a political party other than the party for which the voter voted a straight ticket; or

(B) an independent candidate for the office.

If the voter has voted for one (1) individual candidate for the office described in subdivision (2), the individual candidate vote for that office shall be counted, the straight party ticket vote for that office may not be counted, and the straight party ticket votes for other offices on the ballot shall be counted.

(c) This subsection applies whenever:

(1) a voter has voted a straight party ticket for the candidates of one (1) political party; and

(2) the voter has voted for more individual candidates for the office than the number of persons to be elected to that office.

The individual candidate votes for that office may not be counted, the straight party ticket vote for that office may not be counted, and the straight party ticket votes for other offices on the ballot shall be counted.

(d) This subsection applies whenever:

(1) a voter has voted a straight party ticket for the candidates of one (1) political party;

(2) more than one (1) person may be elected to an office; and

(3) the voter has voted for individual candidates for the office described in subdivision (2) who are:

(A) independent candidates;

(B) candidates of a political party other than the political party for which the voter cast a straight party ticket under subdivision (1); or

(C) a combination of candidates described in clauses (A) and (B).

The individual votes cast by the voter for the office for the independent candidates and the candidates of a political party other than the political party for which the voter cast a straight party ticket shall be counted. The straight party ticket vote cast by that voter for that office shall be counted unless the total number of votes cast for the office by the voter, when adding the voter's votes for the individual candidates for the office and the voter's straight party ticket votes for the office, is greater than the number of persons to be elected to the office. If the total number of votes cast for the office is greater than the number of persons to be elected to the office, the straight party ticket votes for the office may not be counted. The straight party ticket votes for other offices on the voter's ballot shall be counted.

(e) This subsection applies whenever:

(1) a voter has voted a straight party ticket for the candidates of one (1) political party;

(2) more than one (1) person may be elected to an office; and

(3) the voter has voted for individual candidates for the office described in subdivision (2) who are:

(A) independent candidates or candidates of a political party other than the political party for which the voter cast a straight party ticket under subdivision (1); and

(B) candidates of the same political party for which the voter

cast a straight party ticket under subdivision (1). The individual votes cast by the voter for the office for the independent candidates and the candidates of a political party other than the political party for which the voter cast a straight party ticket shall be counted. The individual votes cast by the voter for the office for the candidates of the same political party for which the voter cast a straight party ticket may not be counted. The straight party ticket vote cast by that voter for that office shall be counted unless the total number of votes cast for the office by the voter, when adding the voter's votes for the individual candidates for the office and the voter's straight party ticket vote for the office is greater than the number of persons to be elected to the office. If the total number of votes cast for the office is greater than the number of persons to be elected to the office, the straight party ticket votes for that office may not be counted. The straight party ticket votes for other offices on the voter's ballot shall be counted.

(f) If a voter votes a straight party ticket for more than one (1) political party, the whole ballot is void with regard to all candidates nominated by a political party or designated as independent candidates on the ballot. However, the voter's vote for a school board candidate or on a public question shall be counted if otherwise valid under this chapter.

(g) If a voter does not vote a straight party ticket and the number of votes cast by that voter for the candidates for an office are less than or equal to the number of openings for that office, the individual candidates votes shall be counted.

(h) If a voter does not vote a straight party ticket and the number of votes cast by that voter for an office exceeds the number of openings for that office, none of the votes concerning that office may be counted.

As added by P.L.5-1986, SEC.8. Amended by P.L.6-1986, SEC.37; P.L.3-1993, SEC.178; P.L.3-1997, SEC.339; P.L.164-2006, SEC.124.

IC 3-12-1-7.5

Write-in votes; straight party ticket or multiple votes

Sec. 7.5. (a) If a voter votes a straight party ticket for at least one (1) office for which only one (1) person may be elected and writes in the name of a candidate, the straight party ticket vote shall be counted for all offices except the offices for which a write-in vote was cast. The write-in vote shall be counted if the voter's intent can be determined.

(b) If a voter votes a straight party ticket for an office for which at least two (2) people may be elected and writes in the name of a candidate, the straight party vote for that office may not be counted unless:

- (1) fewer candidates appear on the party's ticket than may be elected; and
- (2) the voter has not written in a number of names that, when added to the straight party candidate's name, would be greater

than the number of seats available for that office.

(c) If a voter votes for one (1) individual candidate for an office for which only one (1) person may be elected and also writes in the name of another candidate for the same office, neither vote may be counted.

(d) If a voter votes for at least one (1) individual candidate for an office for which at least two (2) people may be elected and also writes in the name of at least one (1) candidate, the vote for that office may not be counted unless the number of individual votes cast for the office, when added to the number of write-in votes cast for that office, is less than or equal to the number of seats available for that office.

(e) If a voter votes an individual or a straight party vote for a candidate for an office and also writes in the name of the same candidate for the same office, only one (1) vote for that candidate may be counted.

As added by P.L.4-1991, SEC.111.

IC 3-12-1-9

Counting voting marks; voting marks not counted; certification of voting systems that can detect voting marks

Sec. 9. (a) A voting mark that touches a circle, an oval, or a square shall be counted as if it were on or in the circle, oval, or square. A voting mark that partially connects a connectable arrow shall be counted as if the voting mark completed the connection of the arrow.

(b) A voting mark that:

- (1) does not touch a circle, oval, or square; and
- (2) is not on or in the circle, oval, or square;

may not be counted.

(c) For purposes of the certification of voting systems under IC 3-11, a ballot card voting system complies with this section if the system can detect a voting mark within the circle, oval, or square, even if manual inspection of the ballot is required to detect a voting mark that touches only the outside edge of the circle, oval, or square.

As added by P.L.5-1986, SEC.8. Amended by P.L.6-1986, SEC.39; P.L.3-1987, SEC.334; P.L.219-2013, SEC.63.

- (2) is damaged or defective so that it cannot properly be counted by automated tabulating machines; and
- (3) cannot be counted for the office subject to the recount due to the damage or defect.

The ballot card shall be remade only if the conditions in subdivisions (1) through (3) exist.
