#### **IC 36-3-4-3**

##### **City-county legislative body; division of county into districts;**

**composition of body; election; petition for division of county**

Sec. 3. (a) The city-county legislative body shall, by ordinance, divide the whole county into twenty-five (25) districts that:

- (1) are compact, subject only to natural boundary lines (such as railroads, major highways, rivers, creeks, parks, and major industrial complexes);
- (2) contain, as nearly as is possible, equal population; and
- (3) do not cross precinct boundary lines.

Except as provided by subsection (f), this division shall be made before the end of the second year after a year in which a federal decennial census is conducted and may also be made at any other time, subject to IC 3-11-1.5-32.

(b) The legislative body is composed of the following:

- (1) Before January 1, 2016, twenty-five (25) members elected from the districts established under subsection (a) and four (4) members elected from an at-large district containing the whole county.
- (2) After December 31, 2015, twenty-five (25) members elected from the districts established under subsection (a).

(c) Each voter of the county may vote for one (1) candidate from the district in which the voter resides.

(d) If the legislative body fails to make the division before the date prescribed by subsection (a) or the division is alleged to violate subsection (a) or other law, a taxpayer or registered voter of the county may petition the superior court of the county to hear and determine the matter. The court shall hear and determine the matter as a five (5) member panel of judges from the superior court. The clerk of the court shall select the judges electronically and randomly. The clerk shall maintain a record of the method and process used to select the judges and shall make the record available for public inspection and copying. Not more than three (3) members of the five (5) member panel of judges may be of the same political party. The first judge selected shall maintain the case file and preside over the proceedings. There may not be a change of venue from the court or from the county. The court may appoint a master to assist in its determination and may draw proper district boundaries if necessary. An appeal from the court's judgment must be taken within thirty (30) days, directly to the supreme court, in the same manner as appeals from other actions.

(e) An election of the legislative body held under the ordinance or court judgment determining districts that is in effect on the date of the election is valid, regardless of whether the ordinance or judgment is later determined to be invalid.

(f) This subsection applies during the second year after a year in which a federal decennial census is conducted. If the legislative body determines that a division under subsection (a) is not required, the legislative body shall adopt an ordinance recertifying that the districts as drawn comply with this section.

(g) Each time there is a division under subsection (a) or a recertification under subsection (f), the legislative body shall file with

the circuit court clerk of the county, not later than thirty (30) days after the division or recertification occurs, a map of the district boundaries:

- (1) adopted under subsection (a); or
- (2) recertified under subsection (f).

(h) The limitations set forth in this section are part of the ordinance, but do not have to be specifically set forth in the ordinance. The ordinance must be construed, if possible, to comply with this chapter. If a provision of the ordinance or an application of the ordinance violates this chapter, the invalidity does not affect the other provisions or applications of the ordinance that can be given effect without the invalid provision or application. The provisions of the ordinance are severable.

(i) If a conflict exists between:

- (1) a map showing the boundaries of a district; and
- (2) a description of the boundaries of that district set forth in the ordinance;

the district boundaries are the description of the boundaries set forth in the ordinance, not the boundaries shown on the map, to the extent there is a conflict between the description and the map.

Sec. 14. (a) An ordinance or resolution passed by a legislative body is considered adopted when it is:

- (1) signed by the presiding officer; and
- (2) if subject to veto, either approved by the executive or passed over the executive's veto by the legislative body, under section 16 of this chapter.

(b) All ordinances and resolutions of a legislative body are subject to veto, except the following:

- (1) An ordinance or resolution, or part of either, providing for the budget or appropriating money for an office or officer of the county provided for by the Constitution of Indiana or for a judicial office or officer.

(2) there is an urgent necessity requiring its immediate effectiveness, the executive proclaims the urgent necessity, and copies of the ordinance are posted in three (3) public places in the county.

(d) If a legislative body publishes any of its ordinances in book or pamphlet form, no other publication is required. If an ordinance prescribing a penalty or forfeiture for a violation is published under this subsection, it takes effect two (2) weeks after the publication of the book or pamphlet. Publication under this subsection, if authorized by the legislative body, constitutes presumptive evidence:

(1) of the ordinances in the book or pamphlet;

(2) of the date of adoption of the ordinances; and

(3) that the ordinances have been properly signed, attested, recorded, and approved.

(e) Unless a legislative body provides in an ordinance or resolution for a later effective date, the ordinance or resolution takes effect when it is adopted, subject to subsections (c) and (d).

(j) The failure of an environmental restrictive ordinance to comply with subsection (i) does not void the ordinance.

(k) The notice requirements of subsection (g) apply only if the municipal corporation received under IC 13-25-5-8.5(f) written notice that the department is relying on the environmental restrictive ordinance referred to in subsection (g) as part of a risk based remediation proposal:

The executive may approve or veto separate items of an ordinance appropriating money or levying a tax.

(b) If the executive fails to perform his duty under subsection (a), the ordinance or resolution is considered vetoed.

(c) Whenever an ordinance or resolution is vetoed by the executive, it is considered defeated unless the legislative body, at its first regular or special meeting after the ten (10) day period prescribed by subsection (a), passes the ordinance or resolution over his veto by a two-thirds (2/3) vote.

*As added by Acts 1980, P.L.212, SEC.2.*

#### **IC 36-3-4-17**

##### **Recording of adopted ordinance**

Sec. 17. Within a reasonable time after an ordinance of the legislative body is adopted, the clerk shall record it in a book kept for that purpose. The record must include:

- (3) the executive's approval or veto of the ordinance;

No special service district legislative body shall have authority to originate or separately to adopt any other ordinance. However, any ordinance adopted by the city-county legislative body relating solely or exclusively to a special service district shall be suspended and of no effect until separately approved and concurred in by a majority of a special service district legislative body when, but only when, the Constitution of the United States or the Constitution of Indiana prohibits such taking effect without such approval.
