IC 36-8-10-11

Police officers; discipline and removal; hearings; notice; appeal; specific findings; final judgment; venue

Sec. 11. (a) The sheriff may dismiss, demote, or temporarily suspend a county police officer for cause after preferring charges in writing and after a fair public hearing before the board, which is reviewable in the circuit court. Written notice of the charges and hearing must be delivered by certified mail to the officer to be disciplined at least fourteen (14) days before the date set for the hearing. The officer may be represented by counsel. The board shall make specific findings of fact in writing to support its decision.

(b) The sheriff may temporarily suspend an officer with or without pay for a period not exceeding fifteen (15) days, without a hearing before the board, after preferring charges of misconduct in writing delivered to the officer.

(c) A county police officer may not be dismissed, demoted, or temporarily suspended because of political affiliation nor after the officer's probationary period, except as provided in this section. Subject to IC 3-5-9, an officer may:

- (1) be a candidate for elective office and serve in that office if elected;
- (2) be appointed to an office and serve in that office if appointed; and

(3) except when in uniform or on duty, solicit votes or campaign funds for the officer or others.

(d) The board has subpoena powers enforceable by the circuit court for hearings under this section. An officer on probation may be dismissed by the sheriff without a right to a hearing.

(e) An appeal under subsection (a) must be taken by filing in court, within thirty (30) days after the date the decision is rendered, a verified complaint stating in a concise manner the general nature of the charges against the officer, the decision of the board, and a demand for the relief asserted by the officer. A bond must also be filed that guarantees the appeal will be prosecuted to a final determination and that the plaintiff will pay all costs only if the court finds that the board's decision should be affirmed. The bond must be approved as bonds for costs are approved in other cases. The county must be named as the sole defendant and the plaintiff shall have a summons issued as in other cases against the county. Neither the board nor the members of it may be made parties defendant to the complaint, but all are bound by service upon the county and the judgment rendered by the court.

(f) All appeals shall be tried by the court. The appeal shall be heard de novo only upon any new issues related to the charges upon which the decision of the board was made. Within ten (10) days after the service of summons, the board shall file in court a complete written transcript of all papers, entries, and other parts of the record relating to the particular case. Inspection of these documents by the person affected, or by the person's agent, must be permitted by the board before the appeal is filed, if requested. The court shall review the record and decision of the board on appeal.

(g) The court shall make specific findings and state the conclusions of law upon which its decision is made. If the court finds that the decision of the board appealed from should in all things be affirmed, its judgment should so state. If the court finds that the decision of the board appealed from should not be affirmed in all things, then the court shall make a general finding, setting out sufficient facts to show the nature of the proceeding and the court's decision on it. The court shall either:

(1) reverse the decision of the board; or

(2) order the decision of the board to be modified.

(h) The final judgment of the court may be appealed by either party. Upon the final disposition of the appeal by the courts, the clerk shall certify and file a copy of the final judgment of the court to the board, which shall conform its decisions and records to the order and judgment of the court. If the decision is reversed or modified, then the board shall pay to the party entitled to it any salary or wages withheld from the party pending the appeal and to which the party is entitled under the judgment of the court.

(i) Either party shall be allowed a change of venue from the court or a change of judge in the same manner as such changes are allowed in civil cases. The rules of trial procedure govern in all matters of procedure upon the appeal that are not otherwise provided for by this section.

(j) An appeal takes precedence over other pending litigation and shall be tried and determined by the court as soon as practical.

Pension trust

Sec. 12. (a) The department and a trustee may establish and operate an actuarially sound pension trust as a retirement plan for the exclusive benefit of the employee beneficiaries. However, a department and a trustee may not establish or modify a retirement plan after June 30, 1989, without the approval of the county fiscal body which shall not reduce or diminish any benefits of the employee beneficiaries set forth in any retirement plan that was in effect on January 1, 1989.

deterioration in the actuarial status of the trust fund during that year. If the department fails to make minimum contributions for three (3) successive years, the pension trust terminates and the trust fund shall be liquidated.

(f) If during liquidation all expenses of the pension trust are paid, adequate provision must be made for continuing pension payments to retired persons. Each employee beneficiary is entitled to receive the net amount paid into the trust fund from the employee beneficiary's wages, and any remaining sum shall be equitably divided among employee beneficiaries in proportion to the net amount paid from their wages into the trust fund.

(g) If a person ceases to be an employee beneficiary because of death, disability, unemployment, retirement, or other reason, the person, the person's beneficiary, or the person's estate is entitled to receive at least the net amount paid into the trust fund from the person's wages, either in a lump sum or monthly installments not less than the person's pension amount.

(h) If an employee beneficiary is retired for old age, the employee beneficiary is entitled to receive a monthly income in the proper amount of the employee beneficiary's pension during the employee beneficiary's lifetime.

(i) To be entitled to the full amount of the employee beneficiary's pension classification, an employee beneficiary must have contributed at least twenty (20) years of service to the department before retirement. Otherwise, the employee beneficiary is entitled to receive a pension proportional to the length of the employee beneficiary's service.

(j) This subsection does not apply to a county that adopts an ordinance under section 12.1 of this chapter. For an employee beneficiary who retires before January 1, 1985, a monthly pension may not exceed by more than twenty dollars (\$20) one-half (1/2) the amount of the average monthly wage received during the highest paid five (5) years before retirement. However, in counties where the fiscal body approves the increases, the maximum monthly pension for an employee beneficiary who retires after December 31, 1984, may be increased by no more or no less than two percent (2%) of that average monthly wage for each year of service over twenty (20) years to a maximum of seventy-four percent (74%) of that average monthly wage plus twenty dollars (\$20). For the purposes of determining the amount of an increase in the maximum monthly pension approved by the fiscal body for an employee beneficiary who retires after December 31, 1984, the fiscal body may determine that the employee beneficiary's years of service include the years of service with the sheriff's department that occurred before the effective date of the pension trust. For an employee beneficiary who retires after June 30, 1996, the average monthly wage used to determine the employee beneficiary's pension benefits may not exceed the monthly minimum salary that a full-time prosecuting attorney was entitled to be paid by the state at the time the employee beneficiary retires.

(k) The trust fund may not be commingled with other funds, except as provided in this chapter, and may be invested only in

accordance with statutes for investment of trust funds, including other investments that are specifically designated in the trust agreement.

(l) The trustee receives and holds as trustee all money paid to it as trustee by the department, the employee beneficiaries, or by other persons for the uses stated in the trust agreement.

(m) The trustee shall engage pension engineers to supervise and assist in the technical operation of the pension trust in order that there is no deterioration in the actuarial status of the plan.

(n) Within ninety (90) days after the close of each fiscal year, the trustee, with the aid of the pension engineers, shall prepare and file an annual report with the department. The report must include the following:

(1) Schedule 1. Receipts and disbursements.

(2) Schedule 2. Assets of the pension trust listing investments by book value and current market value as of the end of the fiscal year.

(3) Schedule 3. List of terminations, showing the cause and amount of refund.

(4) Schedule 4. The application of actuarially computed "reserve factors" to the payroll data properly classified for the purpose of computing the reserve liability of the trust fund as of the end of the fiscal year.

(5) Schedule 5. The application of actuarially computed "current liability factors" to the payroll data properly classified for the purpose of computing the liability of the trust fund as of the end of the fiscal year.

(o) No part of the corpus or income of the trust fund may be used or diverted to any purpose other than the exclusive benefit of the members and the beneficiaries of the members.

(2) served in a county that has adopted an ordinance stating that the maximum monthly pension for an employee beneficiary who retires after June 30, 1997, shall be determined under this section instead of section 12(j) of this chapter.

(b) As used in this section, "average monthly wage" means the lesser of:

(2) the monthly minimum salary that a full-time prosecuting attorney is entitled to be paid by the state at the time the

employee beneficiary retires.

IC 36-8-10-12.2

Deferred retirement option plan (DROP)

Sec. 12.2. (a) This section applies to a county that adopts a deferred retirement option plan as part of its retirement plan under this chapter.

(b) As used in this section, "DROP" refers to a deferred retirement option plan established under this section.

(c) As used in this section, "DROP frozen benefit" refers to a monthly pension benefit calculated under the provisions of a retirement plan established under this chapter based on the employee beneficiary's:

(1) salary; and

(2) years of service;

on the date the employee beneficiary enters the DROP.

(d) As used in this section, "maximum years of service" refers to the maximum number of years of service included in the monthly pension benefit calculation under a department's retirement plan.

(e) An employee beneficiary who:

(1) is not yet credited with the maximum number of years of service; and

(2) is eligible to receive an unreduced benefit immediately upon termination of employment;

may elect to enter a DROP. The employee beneficiary's election is irrevocable.

(f) The employee beneficiary exits a DROP on the earliest of the following:

(1) The date that the employee beneficiary is credited with the maximum years of service under the retirement plan.

(2) The employee beneficiary's retirement date.

(3) The date any required benefit begins.

(g) The retirement benefit paid to the employee beneficiary who participated in a DROP consists of:

(1) the DROP frozen benefit; plus

(2) an additional amount, paid as the employee beneficiary elects under subsection (h), determined in STEP THREE of the following formula:

STEP ONE: Multiply:

- (A) the DROP frozen benefit; by
- (B) the number of months the employee beneficiary participated in the DROP.

STEP TWO: Multiply the product determined in STEP ONE by an interest rate that does not exceed three percent (3%) annually.

STEP THREE: Add the product determined under STEP ONE and the product determined under STEP TWO.

(h) The employee beneficiary shall elect, at the employee beneficiary's retirement, to receive the additional amount calculated under subsection (g)(2) in one (1) of the following ways:

- (2) An actuarially equivalent increase in the monthly pension benefit payable to the employee beneficiary.
- (3) A combination of (1) and (2).

(i) The cost of living payment determined under section 23 of this chapter does not apply to the additional amount calculated under subsection (g)(2). No cost of living payment is applied to a DROP frozen benefit while the employee beneficiary is participating in a DROP.

(j) If an employee beneficiary becomes disabled:

- (1) in the line of duty; or
- (2) other than in the line of duty;

benefits for the employee beneficiary are calculated as if the employee beneficiary had never entered the DROP.

(k) Except as provided in subsection (m), if, before the employee beneficiary's monthly pension benefit begins, an employee beneficiary dies, in the line of duty or other than in the line of duty, death benefits are payable as follows:

- (1) The benefit under subsection (g)(2) is paid in a lump sum to the employee beneficiary's surviving spouse. If there is no surviving spouse, the lump sum must be divided equally among the employee beneficiary's surviving children. If there are no surviving children, the lump sum is paid to the employee beneficiary's parents. If there are no surviving parents, the lump sum is paid to the employee beneficiary's estate.
- (2) A benefit is paid on the DROP frozen benefit under the terms of the county's retirement plan.

(l) A DROP under this section must be designed to be actuarially cost neutral to the county's retirement plan.

(m) This subsection applies if:

- (1) an employee beneficiary dies in the line of duty before payment of the employee beneficiary's monthly pension benefit begins; and
- (2) the calculation of a death benefit under the provisions of the county's retirement plan depends upon whether an employee beneficiary dies in the line of duty or other than in the line of duty.

Death benefits for an employee beneficiary who dies in the line of duty are calculated under the provisions of the county's retirement plan as if the employee beneficiary had never entered the DROP and shall be adjusted as necessary to ensure compliance with subsection

(l).

(b) The county fiscal body may provide for:

(1) an annual cost of living payment to employee beneficiaries who are retired or have a disability, or both; or

If there has been an increase, the increase shall be stated as a percentage of the arithmetic mean for the three (3) month period for the year preceding the payment year (the adjustment percentage). The adjustment percentage shall be rounded to the nearest one-tenth of one percent (0.1%) and may not exceed three percent (3%).

(e) In the case of a cost of living payment granted under subsection (b)(2) or (c)(2), the amount of the cost of living payment shall be determined by the county fiscal body and may be:

- (1) a percentage increase, not to exceed the percentage determined under subsection (d); or
