(c) If:

(1) the charges made under subsection (a) or (b) are not paid;
and

(2) the motor vehicle, trailer, semitrailer, or recreational vehicle is not claimed;

not later than thirty (30) days after the date on which the vehicle is left in or comes into the possession of the individual, firm, limited liability company, or corporation for repairs, storage, towing, or the furnishing of materials, the individual, firm, limited liability company, or corporation may advertise the vehicle for sale. The vehicle may not be sold earlier than fifteen (15) days after the date the advertisement required by subsection (d) has been placed or fifteen (15) days after notice required by subsection (e) has been sent, whichever is later.

(d) Before a vehicle may be sold under subsection (c), an advertisement must be placed in a newspaper that is printed in English and of general circulation in the city or town in which the lienholder's place of business is located. If the lienholder is located outside the corporate limits of a city or a town, the advertisement must be placed in a newspaper of general circulation in the county in which the place of business of the lienholder is located. The advertisement must contain at least the following information:

(2) The amount of the unpaid charges.

(g) If the person that owns a vehicle subject to sale under this section does not claim the vehicle and satisfy the mechanic's lien on the vehicle, the vehicle may be sold at public auction to the highest and best bidder. A person that holds a mechanic's lien under this section may purchase a vehicle subject to sale under this section.

(h) A person that holds a mechanic's lien under this section may deduct and retain the amount of the mechanic's lien and the cost of the advertisement required under subsection (d) from the purchase price received for a vehicle sold under this section. After deducting from the purchase price the amount of the mechanic's lien and the cost of the advertisement, the person shall pay the surplus of the purchase price to the person that owns the vehicle if the person's

address or whereabouts are known. If the address or whereabouts of the person that owns the vehicle are not known, the surplus of the purchase price shall be paid over to the clerk of the circuit court of the county in which the person that holds the mechanic's lien has a place of business for the use and benefit of the person that owns the vehicle.
