#### **IC 12-21-5-1.5**

##### **Mental health and addiction services**

Sec. 1.5. The division shall do the following:

- (1) Adopt rules under IC 4-22-2 to establish and maintain criteria to determine patient eligibility and priority for publicly supported mental health and addiction services. The rules must include criteria for patient eligibility and priority based on the following:

- (A) A patient's income.
- (B) A patient's level of daily functioning.
- (C) A patient's prognosis.

- (2) Within the limits of appropriated funds, contract with a network of providers to provide services in an appropriate setting that is the least restrictive to individuals who qualify for the services.

- (3) Require the providers of services funded directly by the division to be in good standing with an appropriate accrediting body as required by rules adopted under IC 4-22-2 by the division.

- (4) Develop a provider profile that must be used to evaluate the performance of a provider. A provider's profile must include input from consumers, citizens, and representatives of the mental health ombudsman program (IC 12-27-9) regarding the provider's:

- (A) information provided to the patient on patient rights before treatment;
- (B) accessibility, acceptability, and continuity of services provided or requested; and
- (C) total cost of care per individual, using state administered funds.

- (5) Ensure compliance with all other performance criteria set forth in a provider contract. In addition to the requirements set

forth in IC 12-21-2-7, a provider contract must include the following:

- (A) A requirement that the standards and criteria used in the evaluation of care plans be available and accessible to the patient.
  - (B) A requirement that the provider involve the patient in the choice of and preparation of the treatment plan to the greatest extent feasible.
  - (C) A provision encouraging the provider to intervene in a patient's situation as early as possible, balancing the patient's right to liberty with the need for treatment.
  - (D) A requirement that the provider set up and implement an internal appeal process for the patient.
- (6) Establish a toll free telephone number that operates during normal business hours for individuals to make comments to the division in a confidential manner regarding services or service providers.
- (7) Develop a confidential system to evaluate complaints and patient appeals received by the division of mental health and addiction and to take appropriate action regarding the results of an investigation. A provider is entitled to request and to have a hearing before information derived from the investigation is incorporated into the provider's profile. Information contained within the provider profile is subject to inspection and copying under IC 5-14-3-3.

#### **Education and treatment of children with an emotional disturbance**

Sec. 2. The division is responsible for the following:

- (1) The planning, research, and development of programs and methods for the education and treatment of children with an emotional disturbance.
- (2) The coordination of governmental services, activities, and programs in Indiana relating to such children.
- (3) The administration of the state supported services concerned with such children.
- (4) The preparation of the annual report required by IC 7.1-6-2-5.
- (5) The provision of a mental health first aid training program developed under section 4 of this chapter, including providing information and guidance to local school corporations on the development of evidence based programs for basic or inservice courses for teachers and training for teachers on the following:
  - (A) Prevention of child suicide.
  - (B) Recognition of signs that a student may be considering

suicide.

#### **Application of IC 20-35-2 to education programs for students with disabilities**

Sec. 3. IC 20-35-2 applies to the operation of each education program for a student with a disability (as defined in IC 20-35-1-8) conducted by a state owned and operated mental health institution or furnished under an agreement with the division.

*As added by P.L.2-1992, SEC.15. Amended by P.L.23-1993, SEC.55; P.L.1-2005, SEC.139; P.L.233-2015, SEC.23.*

### **IC 12-21-5-4**

#### **Development and administration of mental health first aid training program; requirements; training; implementation date; report**

Sec. 4. (a) To the extent that funds are made available, the division, in consultation with:

- (1) the department of education;
- (2) the law enforcement training board;
- (3) the Indiana Council of Community Mental Health Centers;
- (4) Mental Health America-Indiana;
- (5) the Indiana emergency medical services commission; and
- (6) a private foundation dedicated to the prevention of youth suicide through education and awareness;

shall develop and administer a mental health first aid training program.

(b) The mental health first aid training program developed under subsection (a) must do the following:

- (1) Train individuals attending the training program to recognize the risk factors and signs of mental health problems or crises in children and young adults, including signs that a child or young adult may be considering suicide.
- (2) Train individuals attending the training program to guide children and young adults who exhibit signs of a mental health problem or crisis to appropriate behavioral health services.
- (3) Train individuals attending the training program to not label children who are at risk or show signs of mental health problems in a manner that would stigmatize the child.

(c) The division shall provide training for individuals who will be instructors in the mental health first aid training program.

(d) The division shall make the mental health first aid training program available to licensed teachers, school counselors, emergency medical service providers, law enforcement officers, leaders of community faith organizations, and other persons interested in receiving training under the program.

(e) The division, the department of education, and the Indiana

emergency medical services commission may seek federal and state funding and may accept private contributions to administer and provide mental health first aid training programs.

(f) Notwithstanding any other law, the division is not required to implement the mental health first aid training program until after June 30, 2016.

(g) Before October 1, 2015, the division shall report to the interim study committee on public health, behavioral health, and human services established by IC 2-5-1.3-4(14) concerning the status of the development of the mental health first aid training program.
