**Presumption that disability or death incurred in the line of duty**

Sec. 5. (a) Except as provided in section 6 of this chapter, an employee who:

- (1) is diagnosed with a health condition caused by an exposure risk disease that:
  - (A) requires medical treatment; and
  - (B) results in total or partial disability or death;
- (2) by written affidavit has provided to the employee's employer a verification described in subsection (b), (c), (d), (e), or (f); and
- (3) before the employee is diagnosed with a health condition

caused by hepatitis or tuberculosis, tests negative for evidence of hepatitis or tuberculosis through medical testing; is presumed to have a disability or death incurred in the line of duty.

(b) An employee who is diagnosed with a health condition caused by hepatitis and, if the health condition results in disability or death, wishes to have a presumption of disability or death incurred in the line of duty apply to the employee shall, by written affidavit executed before death, provide verification that the employee has not:

- (1) outside the scope of the employee's current employment, been exposed through transfer of body fluids to an individual known to have a medical condition caused by hepatitis;
- (2) received blood products other than a transfusion received because of an injury to the employee that occurred in the scope of the employee's current employment;
- (3) received blood products for the treatment of a coagulation disorder since testing negative for hepatitis;
- (4) engaged in sexual practices or other behavior identified as high risk by the Centers for Disease Control and Prevention or the Surgeon General of the United States;
- (5) had sexual relations with another individual known to the employee to have engaged in sexual practices or other behavior described in subdivision (4); or
- (6) used intravenous drugs that were not prescribed by a physician.

(c) An employee who is diagnosed with a health condition caused by meningococcal meningitis and, if the health condition results in disability or death, wishes to have a presumption of disability or death incurred in the line of duty apply to the employee shall, by written affidavit executed before death, provide verification that the employee, in the ten (10) days immediately preceding the diagnosis, was not exposed to another individual known to:

- (1) have meningococcal meningitis; or
- (2) be an asymptomatic carrier of meningococcal meningitis; outside the scope of the employee's current employment.

(d) An employee who is diagnosed with a health condition caused by tuberculosis and, if the health condition results in disability or death, wishes to have a presumption of disability or death incurred in the line of duty apply to the employee shall, by written affidavit executed before death, provide verification that the employee has not, outside the scope of the employee's current employment, been exposed to another individual known to have tuberculosis.

(e) An employee who is diagnosed with a health condition caused by AIDS or HIV and, if the health condition results in disability or death, wishes to have a presumption of disability or death incurred in the line of duty apply to the employee shall, by written affidavit executed before death, provide verification that the employee has not:

- (1) outside the scope of the employee's current employment, been exposed through transfer of body fluids to an individual known to have a medical condition caused by AIDS or HIV;
- (2) received blood products other than a transfusion received because of an injury to the employee that occurred in the scope of the employee's current employment;
- (3) received blood products for the treatment of a coagulation disorder since testing negative for AIDS or HIV;
- (4) engaged in sexual practices or other behavior identified as high risk by the Centers for Disease Control and Prevention or the Surgeon General of the United States;
- (5) had sexual relations with another individual known to the employee to have engaged in sexual practices or other behavior described in subdivision (4); or
- (6) used intravenous drugs that were not prescribed by a physician.

(f) An employee who is diagnosed with a health condition caused by smallpox and, if the health condition results in disability or death, wishes to have a presumption of disability or death incurred in the line of duty apply to the employee shall, by written affidavit executed before death, provide verification that the employee has not, outside the scope of the employee's current employment, been exposed to another individual known to have smallpox.

(g) A presumption of disability or death incurred in the line of duty may be rebutted by competent evidence.

(h) A meeting or hearing held to rebut a presumption of disability or death incurred in the line of duty may be held as an executive session under IC 5-14-1.5-6.1(b)(1).

#### **IC 5-10-13-6**

##### **Exception to presumption for vaccine or prevention measure**

Sec. 6. If a standard, medically recognized vaccine or other measure exists for the prevention of an exposure risk disease and the vaccine or other measure is medically indicated for an employee according to immunization policies established by the Advisory Committee on Immunization Practices of the United States Public Health Service, the following apply:

(1) If:

(A) the employee receives the vaccine or other measure as required by the employee's employer; or

(B) the employee's physician provides written notice to the employer that the vaccine or other measure would pose a significant risk to the employee's health;

and the employee meets the other requirements of this chapter, a presumption of disability or death incurred in the line of duty under this chapter applies to the employee.

(2) If:

- (A) the employee does not receive the vaccine or other measure as required by the employee's employer; and
  - (B) the employee's physician has not provided written notice that the vaccine or other measure would pose a significant risk to the employee's health;
- a presumption of disability or death incurred in the line of duty under this chapter does not apply to the employee.

#### **IC 5-10-13-8**

##### **Insurance coverage for disability or death presumed incurred in the line of duty**

Sec. 8. (a) The state or a political subdivision of the state may provide, in the life and disability insurance that covers employees of the state or political subdivision, accidental death coverage or double indemnity coverage for a health condition caused by a communicable disease that results in total or partial disability or death that is presumed to be a disability or death incurred in the line of duty under this chapter.

(b) This chapter does not require an insurer that issues a noncompulsory life insurance policy or a noncompulsory disability insurance policy to include in the policy coverage for a disability or death presumed incurred in the line of duty as described in this chapter.

*As added by P.L.185-2002, SEC.3.*

#### **IC 5-10-13-9**

##### **Other requirements for disability benefits not affected**

Sec. 9. This chapter does not affect the requirements for determining eligibility for disability benefits provided by the state or a political subdivision of the state except to the extent of determining whether an employee incurred a disability in the line of duty.
