

106.010 Authority of water districts and cities not of the first class to acquire and operate waterworks.

Any water district created pursuant to KRS Chapter 74 or any city of the second, third, fourth, fifth or sixth class may, by purchase or by condemnation, acquire, establish, erect, maintain and operate waterworks, together with extensions and necessary appurtenances thereto, and including both real or personal property within or without the corporate limits of the said water district or city, for the purpose of supplying the water district or the city and its inhabitants thereof with water.

Effective: June 17, 1954

History: Created 1954 Ky. Acts ch. 18, sec. 1, effective June 17, 1954.
