

154.47-075 Training and assistance programs for forest management and worker safety.

- (1) The Kentucky Division of Forestry shall develop and implement a program to provide training and assistance to private woodland owners in best management practices of forest development and sustainability. The training and assistance program shall provide advice and assistance in matters relating to productivity, management priorities, stewardship, planning, timber quality, forest improvement, and proper ecological management.
- (2) The board, in cooperation with the Kentucky Division of Forestry, the Labor Cabinet, and representatives from the University of Kentucky, Eastern Kentucky University, and Morehead State University, shall develop and implement a program to provide training and assistance in the area of worker safety for both the primary and secondary wood industry.

Effective: July 15, 2010

History: Amended 2010 Ky. Acts ch. 24, sec. 205, effective July 15, 2010. -- Created 1994 Ky. Acts ch. 224, sec. 18, effective July 15, 1994.
