

164.037 Standardized degree programs.

The Council on Postsecondary Education may identify academic programs offered at institutions to which the criteria for a standardized degree program shall be applied.

- (1) If the council determines that a particular degree program offered by any state postsecondary institution shall be a standardized degree program, then the council shall direct each institution offering the degree program to collaborate under the direction of the council and establish the courses and the course content required for that degree program.
- (2) If the various institutions cannot agree upon the courses required or the content of the courses, then the council shall make these determinations.
- (3) All courses approved for a standardized degree shall be transferable among all institutions granting that degree.
