

173.330 Contracts for library service.

A contract for library service made pursuant to subsection (4) of KRS 173.310 shall require the existing library to perform all the functions of a library within the governmental unit wanting service. Such contracts shall not be valid nor shall funds be obligated until the contracts are approved in writing by all the contracting parties and have been certified by the Department for Libraries and Archives as providing standard library service for the sum specified. Initial contracts shall be for two (2) years or longer, subject to renewal. The board of trustees of a regional library shall have the same power to contract for library service as is given to a legislative body in subsection (4) of KRS 173.310.
