

186A.060 Department of Vehicle Regulation to develop forms -- Reduction of paperwork required. (Effective until January 1, 2014)

The Department of Vehicle Regulation is directed to develop, in cooperation with county clerks, auto dealers, and the Department of Revenue, Department of Insurance, and Department of Kentucky State Police, the forms required to record all information pertinent to the initial registration, or titling and taxation, or transfer of registration or title of a vehicle. The Department of Vehicle Regulation shall make every effort to minimize and reduce the amount of paperwork required to apply for, or transfer, a vehicle title. When possible, the title document itself shall be used as the primary form used to effect a transfer of vehicle ownership. When no in-state title exists, then forms shall be designed by the department that require only the appropriate and essential information to effect the application for title. The department shall constantly review the information needs of government agencies and other organizations with the goal of reducing, or eliminating, unnecessary documentation. Information being sought for application for title relevant to, but not limited to, vehicle identification, owner, buyer, usage tax, county clerk or inspector shall be set forth by the cabinet in such a way as to promote flexibility in reaching this goal, except that an applicant for a motor vehicle title shall not be required to provide his or her social security number as part of the application process. The use of an electronic medium shall be employed so that forms can be printed by the automated system. Existing statutory language in this chapter and KRS Chapter 186 pertaining to application, signature, forms, or application transfer record may be construed to be electronic in nature at the discretion of the cabinet as provided for by administrative regulation. Any person who knowingly enters, or attests to the entry of, false or erroneous information in pursuit of a certificate of title shall be guilty of forgery in the second degree.
