

214.015 Reporting of authorized or required immunization.

Any health care provider that administers or supervises an immunization authorized under this chapter or otherwise required by the Department for Public Health shall report information about the immunization upon request by, or as required by, the department. The department shall direct the method of reporting and the entity that will receive the report in an administrative regulation promulgated by the department in accordance with KRS Chapter 13A. The department shall not require any reporting of information contrary to the requirements of the federal Health Insurance Portability and Accountability Act of 1996.

Effective: July 13, 2004

History: Created 2004 Ky. Acts ch. 93, sec. 1, effective July 13, 2004.
