

21A.050 Reversal or modification of judgments -- Procedures for appeal.

- (1) A judgment, order or decree of a lower court may be reversed, modified or set aside by the Supreme Court for errors appearing in the record.
- (2) The method of bringing a judgment, order or decree of a lower court to the Supreme Court for review shall be established by Supreme Court rule. The procedures for appellate review shall be established by the Rules of Civil Procedure, Rules of Criminal Procedure and other rules promulgated by the Supreme Court.

Effective: March 23, 1976

History: Created 1976 Ky. Acts ch. 67, sec. 6, effective March 23, 1976.
