

227A.140 Effect of disassociation of licensee on electrical contractor or other business.

- (1) A master electrician who ceases to be associated with the electrical contractor and is the representative by which the licensed electrical contractor qualifies shall immediately report his or her disassociation to the department or the authorized local licensing program. The master electrician shall be responsible for all work done under his or her license until the department or the authorized local licensing program is notified by the master electrician that he or she is no longer associated with the electrical contractor.
- (2) If the holder of any electrical license ceases to be a part of the business relying upon the holder's license for its right to remain in business, the business shall employ a licensed person prior to the continuance of any business activity or within thirty (30) days, whichever comes first.
