

243.090 Date licenses expire -- Reduction in fee for licenses less than six months -- Renewals not to affect proceedings for violations.

- (1) All licenses issued by the department, except special event or temporary licenses, shall be valid for a period of no more than a year. All licenses shall expire on June 30 of each year until the licensee is notified by the department that a renewal system with staggered dates has been implemented. The department shall promulgate administrative regulations establishing the year-round system for renewal of licenses. The system shall be designed to distribute the workload as uniformly as possible within the offices of the local administrators and the Department of Alcoholic Beverage Control.
- (2) When any person applies for a new license authorized to be issued under KRS 243.020 to 243.670, he shall be charged, if the license is issued, the full fee for the respective license if six (6) months or more remain before the license is due to be renewed and one-half (1/2) the fee if less than six (6) months remain before the license is due to be renewed. No abatement of license fees shall be permitted to any person who held a license of the same kind for the same premises in the preceding license period and who was actually doing business under the license during the last month of the preceding license period.
- (3) The renewal by the department of the certificate or permit of any alcoholic beverage license shall not be construed to waive or condone any violation that occurred prior to the renewal and shall not prevent subsequent proceedings against the licensee.
