

263.100 Regulations, adoption.

The department may adopt, issue and enforce such regulations as in its judgment are necessary for the proper administration and enforcement of this chapter. Before the adoption of any regulations the department shall hold a public hearing and shall notify all license holders as to the time, date and place of the public hearing and the purpose and contents of the proposed regulations.

History: Created 1966 Ky. Acts ch. 47, sec. 10.
