

263.140 Sale of unrendered body or part, labeling requirements.

No unrendered bodies or parts thereof of animals, poultry, fish or by-products thereof shall be sold or offered for sale to the public without a labeled wrapper or other identification and denatured in a manner acceptable to the department. Such label or identification shall plainly state in legible letters at least two (2) inches high that the product is inedible and not sold or intended for human consumption.

History: Created 1966 Ky. Acts ch. 47, sec. 15.
