

281A.030 On-line automated computer record keeping system.

- (1) The Transportation Cabinet shall, as expeditiously as practicable, develop and maintain an on-line automated computer record keeping system having as a minimum, the capabilities and functions described or needed as set forth in this chapter. The cabinet shall be responsible for acquisition and installation of such equipment or services as are necessary to carry out the provisions of this chapter.
- (2) The Transportation Cabinet shall have the full responsibility and authority for the day-to-day administration of the automated system. All state government agencies, political subdivisions, and other agencies, including circuit clerks or third-party testing agencies affected by this system, shall cooperate with the Transportation Cabinet in the use and implementation of the automated system.

Effective: July 13, 1990

History: Created 1990 Ky. Acts ch. 455, sec. 2, effective July 13, 1990.
