

304.17A-450 Cost-containment feature requirement for program plans.

Notwithstanding any other provision of this chapter, program plans shall contain cost containment features, which may include managed care and utilization management, to control the amount of high-cost policy losses without creating excessive adverse health care outcomes.

Effective: April 10, 1998

History: Created 1998 Ky. Acts ch. 496, sec. 20, effective April 10, 1998.
