

304.9-180 Scope of examination -- Reference material.

- (1) The examination shall test the knowledge or relevant skills and abilities of the individual concerning the lines of authority for which application is made, the duties and responsibilities of a licensee, and the pertinent insurance laws and administrative regulations of this state.
- (2) The commissioner shall make available to applicants for license, printed information as to the general scope of, and principal subjects to be covered by, the examination for a particular license, together with information as to published books and other reference sources which may be studied by the applicant to prepare for the examination; but the commissioner shall not furnish lists of examination questions and examination questions shall not be selected from lists known to the commissioner to have been furnished applicants.

Effective: July 15, 2010
