

323.215 Membership in National Organization of Architectural Registration Boards.

The board may maintain membership in the National Organization of Architectural Registration Boards and affiliated groups and may actively participate in their deliberations, studies and decisions. It may make such expenditures for this purpose as it deems appropriate and within its financial means, for the performance of its duties, including membership dues, expenses of delegates and other reasonable costs.

History: Created 1972 Ky. Acts ch. 210, sec. 4.
