

353.597 Replacement of disrupted water supply by well operator.

A well operator shall replace the water supply of any owner of interest in real property who obtains all or part of his supply of water for domestic, agriculture, industrial, or other legitimate use from an underground or surface source where the supply has been substantially disrupted by contamination, diminution, or interruption proximately resulting from the operator's oil or gas operation.

Effective: July 15, 1994

History: Created 1994 Ky. Acts ch. 127, sec. 3, effective July 15, 1994.
