

363.550 Field standards.

In addition to the state standards provided for in KRS 363.540, there shall be supplied by the state such "field standards" and such equipment as may be found necessary to carry out the provisions of KRS 363.510 to 363.850. The field standards shall be verified upon their initial receipt and, thereafter, as often as deemed necessary by the director by comparison with the state standards.
