

376.270 Lien on motor vehicle for repairs, storage or accessories -- Filing of statement with county clerk.

Any person engaged in the business of selling, repairing or furnishing accessories or supplies for motor vehicles shall have a lien on the motor vehicle for the reasonable or agreed charges for repairs, work done or accessories or supplies furnished for the vehicle, and for storing or keeping the vehicle, and may detain any motor vehicle in his possession on which work has been done by him until the reasonable or agreed charge therefor has been paid. The lien shall not be lost by the removal of the motor vehicle from the garage or premises of the person performing labor, repairing or furnishing accessories or supplies therefor, if the lien shall be asserted within six (6) months by filing in the office of the county clerk a statement showing the amount and cost of materials furnished or labor performed on the vehicle. The statement shall be filed in the same manner as provided in the case of a mechanic's and materialman's lien, after the removal of the vehicle, unless the owner of the vehicle consents to an additional extension of time, in which event the lien shall extend for the length of time the parties agree upon. The agreement shall be reduced to writing and signed by the parties thereto.
