

249.187 Thistles a public nuisance in eradication area, abatement.

The existence or growth of Canada or nodding thistles in any county declared to be a thistle eradication area is declared to be a public nuisance and the Commissioner of Agriculture may bring an appropriate action in such county to enjoin such nuisance. At the request of the Commissioner the county attorney shall prosecute such action.

History: Created 1968 Ky. Acts ch. 11, sec. 4.
