

314.035 Unlawful acts relating to dialysis care.

- (1) It shall be unlawful for any person, other than a nurse, a physician assistant, or a physician, to provide dialysis care in a licensed renal dialysis facility unless that person holds a current active credential from the board to practice as a dialysis technician.
- (2) It shall be unlawful for any person to practice as a dialysis technician who is listed on the nurse aide abuse registry with a substantiated finding of abuse, neglect, or misappropriation of property.

Effective: June 21, 2001

History: Created 2001 Ky. Acts ch. 144, sec. 2, effective June 21, 2001.
