

620.280 Employees of cabinet and other agencies to appear at local board meetings.

Each local citizen foster care review board may request in writing employees of the cabinet or other agencies or organizations, on five (5) working days' notice, to appear at local board meetings when necessary to determine the progress made in placing the child in a permanent home. Should an employee fail to appear at such a meeting, the local citizen foster care review board may request that the court hold a hearing at which time the court, if the request for the hearing is granted, shall require the employee to show cause as to why he should not be compelled to appear.
