

81.310 Plan to define area and name governmental services to be rendered.

- (1) Any such plan shall define the area within the county wherein density of population, land use, or other similar factors require municipal-type services for the residents thereof.
- (2) Any such plan shall name the various governmental services which will be rendered in the county in a manner different after the approval of the plan than before, and it shall also specify the statutory authority for such change in service.
- (3) Any such plan may include the rendition by the county or the city of services in accordance with the provisions of KRS 79.110 through 79.180 inclusive.

Effective: May 18, 1956

History: Created 1956 Ky. Acts ch. 17, secs. 2, 3 and 4, effective May 18, 1956.
