

216B.0415 Jurisdiction of State Board of Medical Licensure over physician's acting as medical director for an ambulance service.

- (1) The State Board of Medical Licensure shall have sole jurisdiction regarding any complaint relating to the medical supervision of an ambulance service or ambulance service personnel against a physician performing in the role of medical director for an ambulance service for basic or advanced life support services.
- (2) This section shall not preclude or limit the filing of civil litigation in a court of appropriate jurisdiction.

Effective: July 15, 1998

History: Created 1998 Ky. Acts ch. 497, sec. 3, effective July 15, 1998.
