

220.230 Other surveys may be used.

If the board of directors finds that any former survey made by any other district or in any other manner is useful for the purposes of the district, the board may take over the data secured for such survey, or such other proceedings as may be useful to it, and if required may pay the reasonable value thereof, which shall not exceed the cost of obtaining the information independently.

Effective: October 1, 1942

History: Recodified 1942 Ky. Acts ch. 208, sec. 1, effective October 1, 1942, from Ky. Stat. sec. 2062g-23.
