

**272A.4-040 Voting by district, class, or voting group.**

- (1) This section applies if the organic rules provide for voting by district or class, or if there is one (1) or more identifiable voting groups that a proposed amendment to the organic rules would affect differently from other members with respect to matters identified in KRS 272A.4-050(5)(a) to (e). Approval of the amendment requires the same percentage of votes of the members of that district, class, or voting group required in KRS 272A.4-050 and 272A.5-120.
- (2) If a proposed amendment to the organic rules would affect members in two (2) or more districts or classes entitled to vote separately under subsection (1) of this section in the same or a substantially similar way, the districts or classes affected shall vote as a single voting group unless the organic rules otherwise provide for separate voting.

**Effective:** July 12, 2012
