

351.191 Trained mine rescue team to be available within specified driving time of each mine.

Each underground coal mine operator shall submit documentation to the commissioner that a trained mine rescue team is within sixty (60) minutes' driving time of each of his mines. In the event that a trained mine rescue team is not available as required, the department shall provide a trained mine rescue team which would be available to the mine within sixty (60) minutes' driving time and shall so notify in writing the appropriate official of the United States Mine Safety and Health Administration.

Effective: July 15, 1980

History: Amended 1980 Ky. Acts ch. 150, sec. 1, effective July 15, 1980. --
Created 1976 (1st Extra. Sess.) Ky. Acts ch. 8, sec. 15.
