- (2) Cities of all classes, counties, and urban-county governments and the agencies of cities, counties, charter county, and urban-county governments are authorized to establish and operate plans for the payment of retirement, disability, health maintenance organization coverage, or hospitalization benefits to their employees and elected officers, and health maintenance organization coverage or hospitalization benefits to the immediate families of their employees and elected officers. The plan may require employees to pay a percentage of their salaries into a fund from which coverage or benefits are paid, or the city, county, charter county, urban-county government, or agency may pay out of its own funds the entire cost of the coverage or benefits. A plan may include a combination of contributions by employees and elected officers and by the city, county, charter county, urban-county government, or agency into a fund from which coverage or benefits are paid, or it may take any form desired by the city, county, charter county, urban-county government, or agency.
