

160.335 Board may distribute refurbished surplus technology to low-income students.

- (1) A local board of education may adopt a policy for distribution of refurbished surplus technology to low-income students who do not have technology in their homes. The policy shall include:
 - (a) A written determination that the property no longer meets the Kentucky Education Technology System standards established by the Kentucky Department of Education;
 - (b) A process for identifying eligible students and distributing the surplus technology property; and
 - (c) Documentation of all distributions of property.
- (2) The local district is encouraged to work with local businesses and organizations to participate in the program and with its career technical programs and student organizations to refurbish the technology.
- (3) The local district shall be subject to KRS 45A.425(1) to (4) for any surplus technology not distributed in accordance with this section.
