

202B.060 Rights of residents with an intellectual disability -- Adoption of regulations.

The secretary shall adopt administrative regulations for the proper administration and enforcement of this chapter. The regulations shall include, but shall not be limited to:

- (1) Rights of residents with an intellectual disability and their families to be adequately informed as to the individual treatment program of the resident;
- (2) Rights of residents and their families to assist in the planning of the treatment program of the resident;
- (3) Rights of residents and their families under certain conditions to refuse treatment offered to the resident by the hospital or ICF/ID;
- (4) Rights of residents to maintain, keep, and use personal possessions and money;
- (5) Rights of residents to meet with friends and relatives;
- (6) Rights of residents to receive payment for work performed on behalf of the hospital or ICF/ID;
- (7) Rights of residents to refuse intrusive treatments, including electroshock or psychosurgery;
- (8) Rights of residents to seek relief from participating in their treatment plans;
- (9) Rights of residents who are minors to seek relief from actions, approved by their parents or guardians, for or against admission and discharge;
- (10) The use of seclusion and other mechanical restraints in hospitals and ICF/IDs;
- (11) The release of residents to less restrictive alternative modes of treatment on convalescent status; and
- (12) Provisions for alternative methods for involuntary admission.

Effective: July 12, 2012

History: Amended 2012 Ky. Acts ch. 146, sec. 43, effective July 12, 2012. -- Amended 1990 Ky. Acts ch. 147, sec. 29, effective July 13, 1990. -- Amended 1988 Ky. Acts ch. 139, sec. 14, effective July 15, 1988. -- Created 1976 Ky. Acts ch. 328, sec. 7.
