Administrative regulations.**

- (1) The cabinet, in cooperation with the Hart-Supported Living Council, shall establish standards for the administration of the Hart-Supported Living Program. The purpose of these standards is to ensure that a person with a disability receives supported living services in a manner that empowers the person to exercise choice and enhances the quality of that person's life. These standards shall promote the following:
 - (a) Choice over how, when, and by whom supports are provided and over where and with whom a person with a disability lives;
 - (b) Responsibility of the person with a disability and his or her representative for managing grants and the provision of supports under the grant;
 - (c) Freedom to live a meaningful life and to participate in activities in the community with members of the general citizenry;
 - (d) Enhancement of health and safety;
 - (e) Flexibility of services that change as the person's needs change without the individual having to move elsewhere for services;
 - (f) Use of generic options and natural supports;
 - (g) Well-planned and proactive opportunities to determine the kinds and amounts of support desired, with the meaningful participation of the individual, the individual's family or guardian where appropriate, friends, and professionals; and
 - (h) Home ownership or leasing with the home belonging to the person with a disability, that person's family, or to a landlord to whom rent is paid.
- (2) The individual supported living plan shall be developed by the person with a disability and that person's family or guardian where appropriate, and, as appropriate, the proposed or current provider.
- (3) The cabinet, in concert with the Hart-Supported Living Council, shall promulgate administrative regulations under KRS Chapter 13A, if necessary, to establish the methods of awarding Hart-Supported Living Program grants for individual supported living plans and monitoring the quality of service delivery, and to provide for administrative appeal of decisions.
