

213.101 Induced termination of pregnancy required to be reported to Vital Statistics Branch.

Each induced termination of pregnancy which occurs in the Commonwealth, regardless of the length of gestation, shall be reported to the Vital Statistics Branch by the person in charge of the institution within fifteen (15) days after the end of the month in which the termination occurred. If the induced termination of pregnancy was performed outside an institution, the attending physician shall prepare and file the report within fifteen (15) days after the end of the month in which the termination occurred. The report shall collect no information which will identify the physician, woman, or man involved. The name of the person completing the report and the reporting institution shall not be subject to disclosure under KRS 61.870 to 61.884.
