

222.470 Conditions requiring exclusion of consideration for state funds.

Chemical dependency treatment programs shall not be considered for receipt of state funds if they:

- (1) Do not submit reports as required by KRS 222.460; or
- (2) Do not cooperate in the submission of information that would allow the cabinet to conduct a scientific random sample survey of client-outcome indicators as required by KRS 222.465.

Effective: July 15, 1994

History: Amended 1994 Ky. Acts ch. 334, sec. 14, effective July 15, 1994. -- Created 1990 Ky. Acts ch. 254, sec. 3, effective July 13, 1990.
