

56.170 Inspection for fire hazards -- Adjustment of premiums.

The cabinet shall annually have an inspection made of each building and its contents owned by the state or any agency thereof, for the purpose of determining the unnecessary causes of a fire hazard therein, and shall make recommendations to the agency having control or custody of the building relative to the removal or correction of the hazard. Reasonable differences in the premium chargeable against the agency on account of the building and its contents may be made contingent upon compliance with such recommendations.
