

### **7A.250 Powers and duties of board.**

The Public Pension Oversight Board:

- (1) Shall, from time to time, conduct an impartial review of all the laws governing the state-administered retirement systems and recommend any changes it may find desirable with respect to benefits and administration, funding of benefits, investments of funds, and the improvement of language, structure, and organization of the statutes;
- (2) Shall, once every five (5) years, review the benefits provided to employees who begin participating in the systems administered by Kentucky Retirement Systems on or after January 1, 2014, and recommend any changes to the provisions affecting these employees that are necessary to maintain the actuarial soundness of the systems;
- (3) Shall review semiannually the investment programs of the state-administered retirement systems, including a review of asset allocation targets and ranges, risk factors, asset class benchmarks, total return objectives, relative volatility, performance evaluation guidelines, investment policies, and securities litigation policies and recoveries from fraud or other corporate malfeasance. The board may establish an advisory committee, as provided by KRS 7A.260, which may include investment professionals to assist in complying with the provisions of this subsection;
- (4) May review any benefits, bylaws, policies, or charters established by the state-administered retirement systems;
- (5) Shall, at the request of the Speaker of the House of Representatives or the President of the Senate, evaluate proposed changes to laws affecting the state-administered retirement systems and report to the Speaker or the President on the probable costs, actuarial implications, and desirability as a matter of public policy;
- (6) May review all new or amended administrative regulations of the state-administered retirement systems and provide comments to the Administrative Regulation Review Subcommittee established by KRS 13A.020;
- (7) Shall research issues related to the state-administered retirement systems as directed by the Legislative Research Commission;
- (8) Shall at least once every five (5) years have an actuarial audit performed for the state-administered retirement systems to evaluate the reliability of each system's actuarial assumptions and methods. The actuarial audit shall be performed by an actuary retained by the Public Pension Oversight Board;
- (9) Shall prior to each budget biennium have an actuarial review of the funding requests and needs submitted by the state-administered retirement systems. The review shall be performed by an actuary retained by the Public Pension Oversight Board; and
- (10) Shall publish an annual report covering the board's evaluation and recommendations with respect to the operations of the state-administered retirement systems. The report shall be submitted to the Legislative Research Commission no later than December 31 of each year and shall include at a minimum any legislative recommendations made by the board, a summary of the financial and actuarial

condition of the state-administered retirement systems, and an analysis of the adequacy of the current levels of funding.
