

186.4125 Documentation required for voluntary travel ID -- Use of original hospital birth certificate as proof of applicant's age -- Application for exception to allow use of birth certificates. (Effective January 1, 2019)

- (1) In order to apply for a voluntary travel ID identity document under KRS 186.403, the applicant shall present the applicant's certified birth certificate or a valid, unexpired, United States passport or Permanent Resident Card (Form I-551).
- (2) For the purposes of KRS 186.400 to 186.640, an original hospital birth certificate signed by the attending physician shall be acceptable as certifying the birth date of an applicant for a standard instruction permit, operator's license, or personal identification card.
- (3) The Transportation Cabinet shall apply to the United States Department of Homeland Security for an exception to allow birth certificates described in subsection (2) of this section to be used to apply for a voluntary travel ID identity document under KRS 186.403.

Effective: January 1, 2019

History: Amended 2017 Ky. Acts ch. 100, sec. 14, effective January 1, 2019. --
Created 1998 Ky. Acts ch. 287, sec. 1, effective July 15, 1998.
